AS 1968-69 PROJECT

Zeta Delta Votes To Aid Community Center School

Members of the Zeta Delta Study Club voted last night to aid the Community Center Kindergarten during the coming year.

The 1968-69 project was decided during a meeting of the club in the home of Mrs. Dave Sanders.

Plans were discussed for making and donating creative play items.

During the business meeting Mrs. Dale Geiger was named to be responsible for the Mitchell County Library exhibit for April. The display will consist of second grade students' "scribble art."

Mrs. Dennis Wright presented a report of the recent District Convention in Abilene.

She reported that Zeta Delta received a final check on club president's reports for Class B-1, a second for departmental report in education; a first in departmental report in public affairs, citizenship division, defense and 133 saving bond division; law observance and crime prevention division; and a second for Class B yearbooks.

Mrs. Randy Hicks presented the evening's program

on "The Rising Crime Rate."

She told statistics for 1967 which showed that crime in cities, suburbs and rural areas is up an average of 17 per cent.

"Most criminals have been in trouble with the law before the age of 14," Mrs. Hicks said.

Many of these youngsters are placed in rehabilitation homes or reform school where they are thrown in with others of similar backgrounds.

"Friendships made here are valued highly and often on release the youngster will again break the law hoping to be sent back with his friends."

"Criminal behavior begins in the home," she continued. "and usually shows up as early as age five through play and mimicking of behavior. Part of criminal behavior is now thought to be inherited through an imbalance of chromosomes in one out of 2,000 persons."

In conclusion, her remarks, Mrs. Hicks reported that Texas spends \$2.35 per person who is confined in rehabilitation measures. "This is in comparison with the national average of \$5.50 which even at that level is largely ineffective."

Members attending the club meeting were Mrs. Herbert Bassinger, Mrs. Edna Braswell, Mrs. Don Fite, Mrs. Geiger, Mrs. Hicks, Mrs. Rodney James, Mrs. Bobby Niles, Mrs. Tom Rees, Mrs. Wright and Mrs. Sanders.

Judy Fern Ellis Becomes Bride Of Robert E. Dow

Chapel of College Church of Christ in Abilene Saturday evening was setting for the marriage of Miss Judy Fern Ellis of Irving to Lt. Robert E. Dow of Fort Greely, Alaska.

The bride is the daughter of Mr. and Mrs. Melvin A. (Jeff) Ellis of 345 East 11th Street. Mr. and Mrs. Earl Dow of Littlefield are parents of the bridegroom. Elder Stevens, minister of Preston Road Church of Christ in Dallas, officiated in the double ring ceremony.

An improvised altar of commodore fern was centered with a Gothic arrangement of white gladiolus and pink carnations and highlighted by white burning tapers in seven-branched candelabra. Chapel windows were accented by burning tapers and commodore ferns.

The bride, given in marriage by her father, wore an A-line formal length gown of white pearl de sole fashioned with a long sleeved lace jacket over a sleeveless bodice. Lace appliques on skirt matched jacket. Her Spanish headpiece of lace and beads held a train-length mantilla of illusion and lace appliques. She carried a bouquet of white carnations, sweet heart roses and an orchid.

Wedding music was presented by a quartet of singers from Abilene Christian College. Solos were "Twelfth of Never," "I Pledge My Love" and "One Hand, One Heart" by Norma Jean Balch of Irving.

Miss Carol Ellis of Irving, sister of the bride, was maid of honor.

She wore an A-line sleeveless pink dress with pale pink lace jacket. Her veil was held by fabric roses. She carried a nosegay of pink carnations and sweet heart roses.

Miss Norma Jean Balch and Miss Carole Randy, both of Irving, were bridesmaids. Their attire was identical to that of the maid of honor.

Jackie Dow of Littlefield, brother of the groom, was best man. Groomsmen, who also served as ushers, were Keith King of Abilene and Paul Parson of Fort St. John, Okla.

Reception honoring the couple was hosted in West Room of Gardner Hall of ACC.

Bride's table was covered with a white lace cloth over pink. Table was accented by a silver candelabra, surrounded by roses and carnations and a three-tiered wedding cake.

Members of the house-party were Mrs. Don Kuhn of Abilene, Mrs. Don Whitlock of Lubbock, Miss Carolyn Perrman of Fort Worth and Miss Carol Coldwell of Lubbock.

For a honeymoon trip to Indiana the bride changed to a dress of pink crepe and lace with matching accessories.

The couple will live at Ft. Greely, Alaska, where the groom is assigned to the Army Arctic Test Center.

CONVERSATION CORNER

FLOWERS for the living can bring such very special pleasure to people!

Especially wonderful are unexpected posies like the beautiful spring bouquet that came to the house on East 9th St. Thursday.

There they were on the piano bench, white and yellow mums and lilies with fern and greenery arranged in a pretty green pottery container embossed with white daisies.

It was not a birthday, anniversary, or any date to celebrate. A mistake, maybe?

THE INK fingers reached for the florist's envelope opening it to read. "Thank you from one of the many respect the position of the President of the United States and are aware of the cost one pays to serve our country as such. May God bless."

The card was unsigned. **THANK YOU,** thoughtful friend whoever and wherever you are. And may God bless both you and our deeply troubled America.

FLOWERS like words of praise, are too often saved for the dead or dying.

The same is sometimes true of expressions of love for family, marriage partner, friend.

It has, for instance, always seemed sad to me that there are sons and daughters, sisters and brothers, who go for years without a visit to aged parents with few letters or tokens of affection in-between.

Then, when death comes, the same sons and daughters and relatives fly halfway across the world to cry at the funeral and heap flowers on the grave.

FLOWERS for the living are such joyous, lovely things to see! And better a smile, a flower, a kind and encouraging word for eyes that can see and ears that can hear than all the wreaths and crosses you can buy too late.

This much I know for sure. When regrets and remorse stand up to be counted, the wrong and the mean things are likely to be greatly outnumbered by regrets and remorse for all the right and good things left undone as we go along in this busy business of living.

"The world moves along with its sorrow and song" and all too frequently the song is hard to hear over the sound of weeping. Nobody ever expressed the real truth of what is wrong with this world than did the Scot poet, Robert Burns. Remember?

HEAR TELL that Billy Joe Wood USN called his wife Lora from a hospital ship off Vietnam, Tuesday morning. Billy Joe, son of the Odie Woods, is ill-not wounded. Lora is counting the days until her husband completes his tour of duty.

LETTER from Andrews signed Wilma Reynolds Mrs. Jerry) had a pleasant little postscript. "I enjoy reading the Colorado City Record. It's the best way I know to keep up with friends, relatives and old school chums."

"It's hard to realize that the seniors in high school this year are the first pupils I taught after graduating from McMurry. How well I remember Gale Morris, Ed Holman, Donald Smith, Mary Beach, Janet Wood, to name a few, as third and fourth graders. I wish them all the best luck in the future," Wilma writes.

You say your doctor needs advice on your electrocardiogram. But the nearest heart specialist is miles away?

Here's the answer.

Our Data-Phone® medical data service lets doctors send electrocardiograms (EKG's) directly from the patient to a remote point over regular telephone lines.

With this new service, your doctor can send a "picture" of your heart action to a specialist for immediate consultation. You can be in the doctor's office, in a hospital examination room, or in your own bed. The specialist can be cross-town or cross-country.

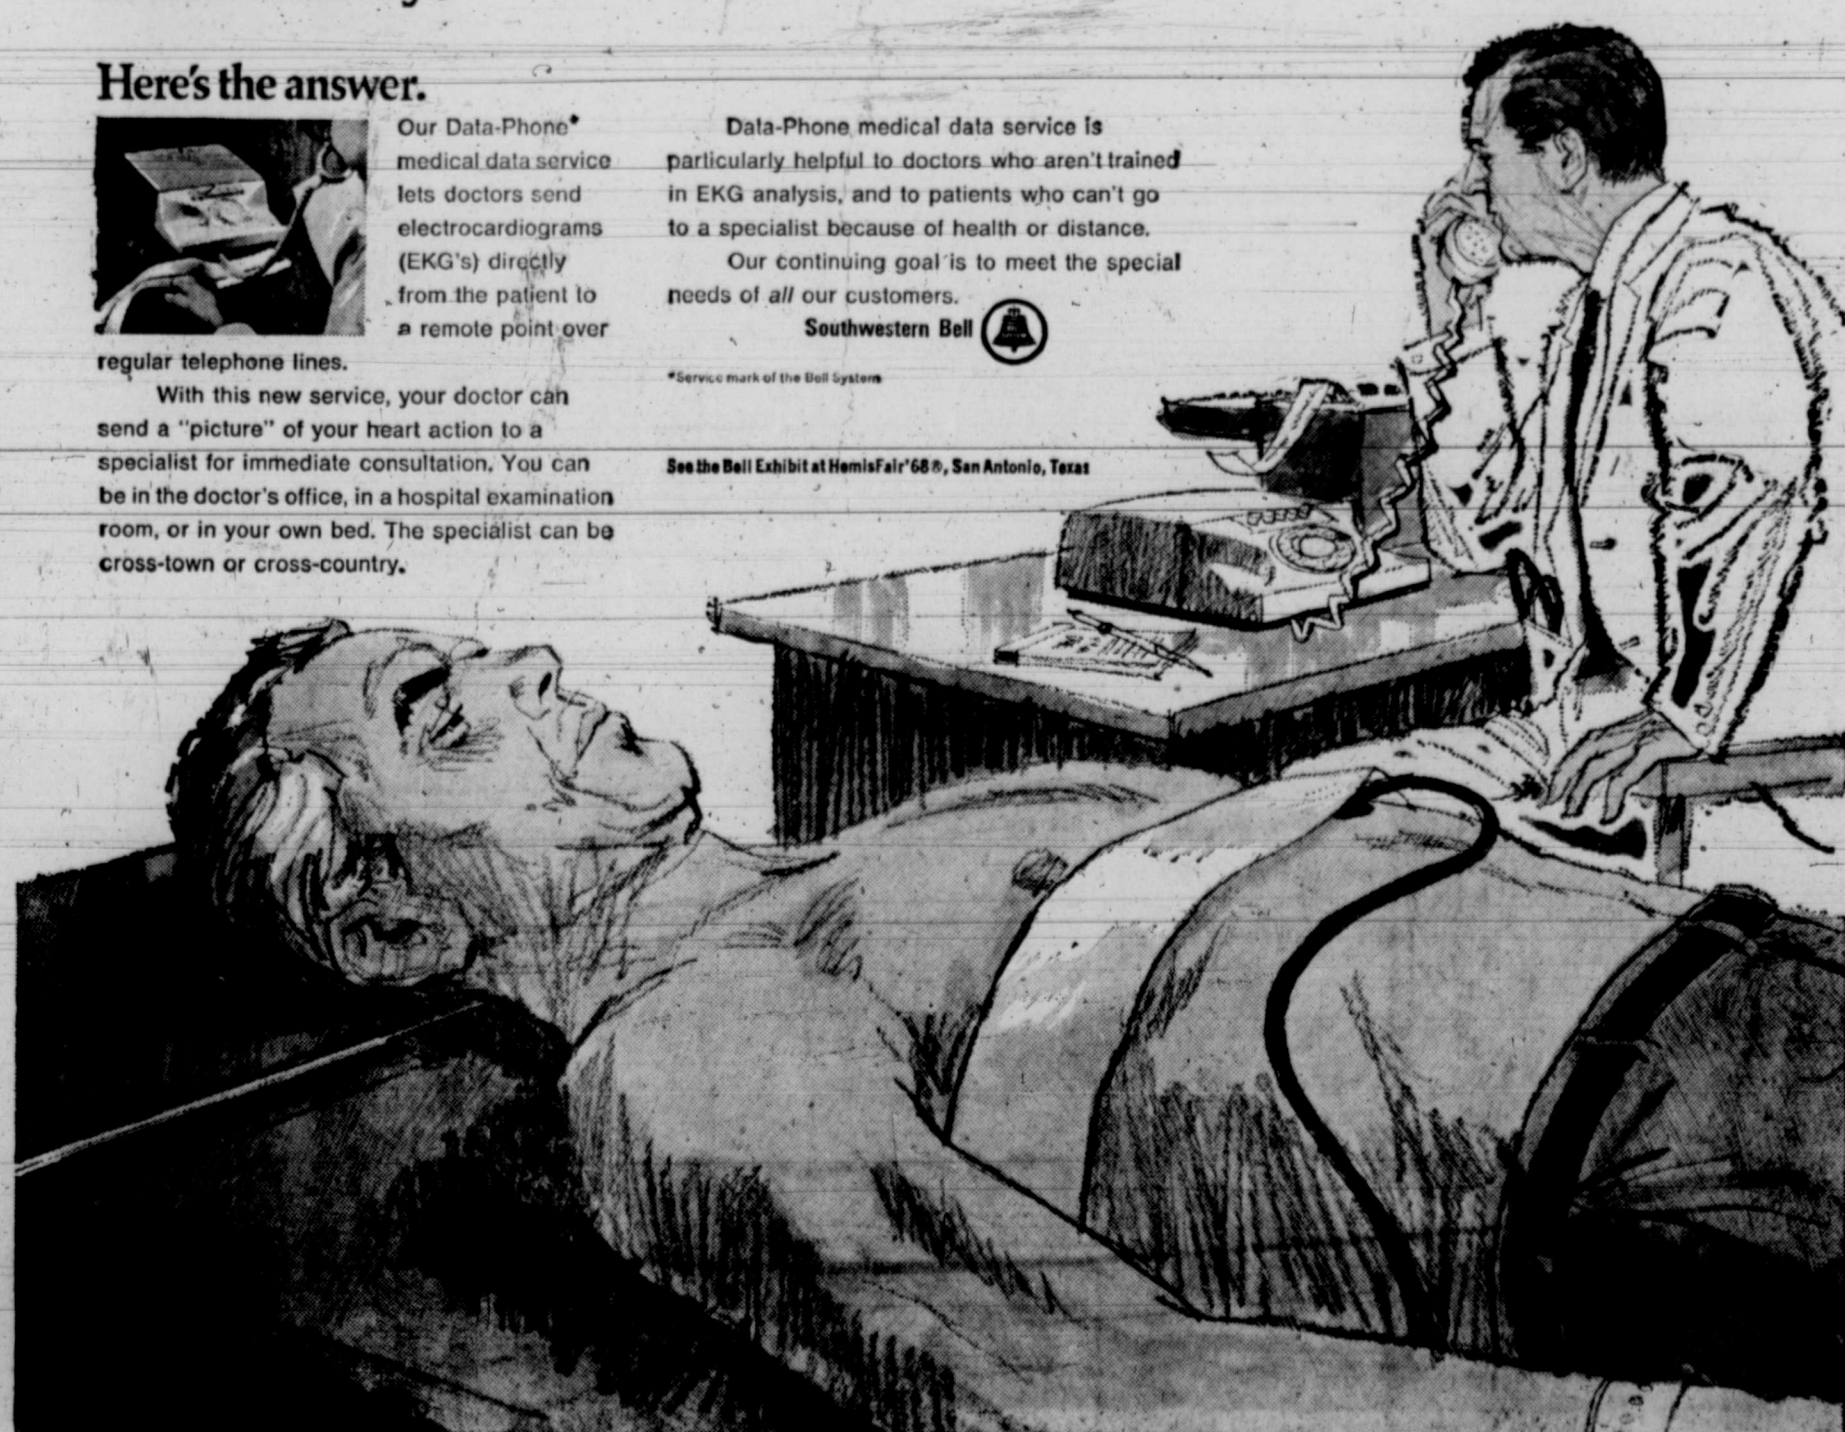

Data-Phone medical data service is particularly helpful to doctors who aren't trained in EKG analysis, and to patients who can't go to a specialist because of health or distance.

Our continuing goal is to meet the special needs of all our customers.
