District PTA Meeting Slated Here

Olton will host the 14th District PTA fall workshop Tuesday, Oct 22, when PTA delegates from approximately 50 schools in eleven counties will convene here.

Approximately 300 out-of-town guests are expected to register for the workshop which will be held in the high school auditorium.

Mrs. Robert Tilson, president of the PTA district will preside over the program of activities. She has held offices of second vice-president and president at the Council level. She was a project chairman and council representative of her local PTA prior to serving in this capacity.

The program will get under way at 9:30 a. m. with a style show presented by the hosting ladies. Theme of the meeting is "Changing Times" and in keeping with the theme, the style show will begin with styles being modeled from the early 1900's to the present time. Olton Garden Club will decorate the stage for the show.

Following the style show, a film on the findings of the Governor's Committee on public education will be shown and narrated by A. H. Hooser.

A panel of six high school students from Plainview High School will discuss "Today's Issues" with Mrs. Marvin Armstrong serving as narrator.

Mrs. Armstrong has served as president of her local PTA as well as secretary, parliamentarian and numerous chairmanships. At the council level, she served as vice-president, and at district level as president from 1959 to 1962. On State level, she was chairman of district presidents, state program committee and state chairman of Mental Health.

A luncheon will be served in the school cafeteria for the delegates at 1 p. m. Persons wishing to eat at the school should contact Mrs. Virginia Moss, local president of the PTA. Tickets will be $1.75 per person.

Afternoon speakers will be Betty Buford and Dr. John Mc Farland. Topics will be about changes in education.

Miss Buford, who recently returned from the World Confederation of Organizations of the Teaching Profession in Dublin, Ireland, is a native of Abilene and holds a B. A. degree from Abilene Christian College with a major in English and journalism.

She holds an M.A. degree from the University of Col-

BRASS SECTION of the Olton High School Band gets helpful advice from members of the West Texas State University faculty of the music department during a clinic held here this past week. All levels of the school bands received the instructions in each section of the band.

WTSU Faculty Holds Clinic For Olton School Bands

The West Texas State University music faculty conducted clinics for Olton bandsmen Monday.

Colt Band members attended instrumental clinics in the afternoon and Mustang Band members received special instruction in the evening.

Dr. Gary Garner, WTSU Director of Bands, and flutist with the Amarillo Symphony worked with the flute and oboe players.

Don Baird, Assistant WTSU Band Director, trombonist with Amarillo Symphony and former baritone soloist with The U.S. Army Band in Washington D.C. gave instruction to the trombone, baritone, bass and bassoon players.

Helping the clarinets and saxaphones with special problems was Rowie Durden while David Ritter, trumpet teacher at WTSU and 1st trumpet with the Amarillo Symphony Orchestra worked with the French horns and cornets.

Band Director Fred Stockdale explained the purpose of the visit by outstanding instrumental players was to give each band member a greater appreciation of his instrument and let the students know how to overcome various problems associated with their instrument.

'Miss Christmas' To Be Selected

A Christmas promotion for Olton has been planned by the Retails Trade Committee of the Chamber of Commerce and Agriculture, according to Percy Parsons, manager of the C-CA.

The promotion will include drawings to be held, the naming of a Miss Christmas, and two visits from Santa Claus.

Drawings for turkeys or hams will be held Dec. 14 and Dec. 21 with Santa visiting Olton each of these days.

Miss Christmas, who will be selected from high school age contestants, will be named Dec. 21 and Santa will distribute candy to all the little kiddies that same day.

Girls in high school who wish to enter the Miss Christmas contest may enter at the Chamber of Commerce office any time after Nov. 1.

Out-of-town judges will

School Board Hears Reports By-Members On Education

Discussion of the report of the governor's committee on Public School education was the main topic of discussion when the board of trustees met in regular session Monday night.

Supt. Ray Schultz and board members, Winston Bley and O. J. Neeley were in Austin to attend the TSTA meeting for superintendents and board members and discuss the governor's report.

Attendance was reported to be down some 20 pupils in the entire school by Supt. Schultz in other business discussed on the agenda.

The board appointed Dr. Basil Johns as consultant doctor for the school as recommended by the Texas Education Agency.

There was a brief discussion on the awarding of prizes for sports, as the rule for one jacket per person during a given high school term, goes into effect this year. Freshmen who earn a jacket, blanket or other award may accept the award during their freshmen year or choose to wait until another year. Emblems to be sewn on jackets will be given those who do not wish to accept their awards in their early high school years.

Mrs. Sherman Still Leads In Enterprise Grid Contest

Ruby Lee Sherman maintains a slim one-point lead over a previous Enterprise football contest winner, Charles Didway.

Mrs. Sherman now has a total of 57 points for the season while Didway has 56. Next comes Billie Jean Wilkinson with 55 followed by a three-way tie of 53 points each for Ronnie Parsons. Trent Sharp and Jack Williamson. Complete standings are listed on page 10.

In this week's contest, there were four persons tied for first place with only one miss. However, Ira Foster was closest on the score of the tie-breaker and will be sent a check in the sum of $5. His tie-breaker score guess was Olton 28, Dimmitt 14 -- only 8 points off the score of 34-12.

Others missing only one game were R. C Parsons, Billie Jean Wilkinson and Jerry Mathis. Parsons was off 14 points on the tie-breaker and Mrs. Wilkinson was off 21 points. They will receive $3 and $2 respectively. Mathis was off 25 points to be just out of the money.

A record number -- 146 -- entered this past week's contest and there is still time to enter this week's contest.

Just pick up a copy of last week's Enterprise, fill in the form, circle the number which represents the team you think will win and drop your entry into an envelope placed at one of the sponsoring businesses.

Be sure you complete your form, name, address and tie-breaker score all must be filled in. Some few have failed to get their names on their entry or failed to circle the winners numbers or guess on the tie-breaker score.

Be sure and check. This might cost you a trip to the Cotton Bowl or Sun Bowl -- the big prize for the seasons top guesser.

Funeral Services Pending For Mrs. B.R. Andrew

Mrs. B. R. Andrew, resident of Olton for 43 years, died about 3:15 a.m. this morning in Plainview Hospital where she had undergone surgery early Wednesday.

Mrs. Andrew, 67, is survived by her husband, Ben; two sons, Bud and Andy, both of Olton and one daughter, Mrs. Marie Stewart of Fort Worth.

Services are pending at Parsons Funeral Home.

4 Olton Lassies Entered In 'Miss Cotton' Contest

The annual Hi-Plains Cotton Festival will be held in Plainview on Oct. 17, 18 and 19, at the Agriculture Center on South Highway 87. Between 25,000 and 30,000 spectators are expected to view merchant's wares and special events of the three night show.

The highlight of the three day event will be the selection of the 1968 "Miss Hi-Plains Cotton" on Thursday night, Oct. 17th. All girls entered in this contest must be between the ages of 14 and 17 years, and come from a cotton producing family. Each candidate is sponsored by a Home Demonstration Club, 4-H Club, FFA Chapter, FHA Chapter, Young Farmers or Young Homemakers organization. Twenty four girls from this area are now entered.

Local candidates include:

Carla Kirby, daughter of Mr. and Mrs. Jack Kirby, is sponsored by the Olton Home Demonstration Club. Carla is a senior at Olton High.

Senior Chapter Future Homemakers are sponsors of Kathy Peterson, daughter of Mr. and Mrs. G. L. Peterson. She is a Junior.

Junior Future Homemakers sponsor Teresa Wilks, daughter of Mr. and Mrs. Dwayne Wilks. Teresa is a freshman.

Kathi Norfleet, daughter of Mr. and Mrs. John Norfleet, will represent the Northside Home Demonstration Club. She is a senior.

The second night will feature an old time gospel singing program. Arch Gibson, President of the National Gospel Singers of America, has informed us that several gospel singing groups from North Texas, Oklahoma, and Eastern New Mexico will provide the entertainment. This is a new feature of the Hi-Plains Cotton

No School In Olton?

Texas school superintendents including Olton's Ray Schultz and board members O. J. Neeley and Winston Bley, attended a meeting in Austin last week at which the schoolmen heard an explanation of proposed changes in public school education in the state.

The schoolmen came away with the distinct impression that the Governor's Committee which drew up the proposals is deadly serious and has substantial backing.

That means trouble for the state's small schools. As The Enterprise reported three weeks ago when the report was issued, one of the primary changes would be the consolidation of all schools with less than 2,600 students into larger schools.

Consolidation would mean the end of the Olton school district, along with others.

So we may as well get ready for a fight. The blue ribbon committee said the changes were necessary to improve the quality of education in Texas.

There would be more equitable taxes--since there is the contention that the urban areas foot too much of the education bill and the rural areas not enough. There would be bigger school districts, which it is contended would offer students a better-balanced education.

But the flaws in the plan are immediately apparent. It would change the whole social structure of the countryside; it would without doubt mean the end of many small towns such as Olton, in which the schools are an integral part of the community.

Is that enough reason to oppose the plan?

We think it is, when there is the real possibility that larger schools do not necessarily guarantee a better education. The student may be exposed to a greater curriculum, but that does not guarantee he will learn more or become a better-rounded individual.

And the committee's members haven't seen a dropout problem until they make it necessary to transport students 25 or 30 miles each way to school every day.

In a larger school, far from their own communities, the rural-area student might also feel left out. When the school day was done, that 25 or 30 mile ride home would still be facing him, and he would find it difficult to participate in extracurricular activities.

The Enterprise admits that there probably need to be changes made in public school education to offer our students more in the fast-moving world of today. If there's any way of doing it without the consolidation feature of the proposals, we would be in favor of it.

But we stand foursquare against consolidation for the reasons enumerated above and for many more we might mention if we had more space.

The people of Texas should rise up and say no, through letters to their state representatives and senators, and to everybody from Gov. John Connally to gubernatorial hopefuls Preston Smith and Paul Eggers.

NOW is the time to begin acting.

Dear Editor

In Favor Of Humphrey

Dear Sue:

In a recent issue you published for free the ideas why a person was not for Humphrey or Nixon but why that one person was for Wallace. Since you have allowed one person's biased opinions to be printed, I am sending in mine.

When she referred to Mr. Humphrey's speech in New Orleans, she gave a quote taken out of context. That quote by itself leaves you with the idea that Mr. Humphrey would lead a revolt, put back in his speech it means he would not stand for himself to live in slums but would do all in his power to help himself and neighbors to improve their educations, living quarters, and other status in life.

If Wallace is such a great cure all, why did he allow crime to double in Alabama during his tenure as governor? Crime there rose 49% while other states were only in the 20% range.

Why can't they find one registered to vote colored person in Alabama that will vote for Wallace? A $500.00 (five hundred dollar) reward has been offered to that voter.

If Wallace had been a family man he would not have wanted his wife to spend her last remaining days as governor in the eyes of the public. He would have allowed her-her wish just to stay home, be a Mother to her children and help them plan their future for the time she could not be with them anymore. If the Lubbock newspaper is correct he has all ready picked the next Mrs. Wallace to reign in his home when he gets back to Alabama Nov. 5.

Wallace admitted months ago that, if elected, he would place control of the military under the military, abandoning the traditional American principle of Civilian control of the Military. General LeMay is perhaps the most militaristic general in American History---one who believes there is no problem anywhere that an atomic bomb (or nuclear weapons) can't settle.

How would you like to go to sleep at night---knowing that General LeMay had his finger on THE BUTTON.

Editor Thomas Thompson of the Amarillo Globe Times hit the nail on the head when he said "George Wallace, the spoiler, doesn't have the mentality, the restraint, the vision to guide this nation through the perilous shoals for the next four years, but he is resourceful enough and shrewd enough to become an immense trouble maker. He can divide this nation and jeopardize our position as a world leader."

Wallace's hate for the colored people reminds me of a German communist leader---we all remember Adolf Hitler and his hatred for the Jew.

According to the article I am writing in rebuttal of, Wallace will have no income tax for families whose earnings are less than $15,000.00 Why not go a bit farther and explain, he does plan for every father who sends his child to school to pay a tuition, this is his idea to cut the colored and low income families out of school. He also will put toll charges on all highways and byways. This should make jobs for more people but also will keep more cars home in garages. Since when were we expected to raise a child for $600.00 a year? I did not know the government alloted that. We raised our children for the joy they would bring us, not an income tax deduction.

If it were not for Democrat expenditures, (which everyone likes to yell about) Olton would not have their nice low rent units. It is my belief these have added beauty to Olton and community as well as convenience for the families living in them. Need I name more Federal aid Olton has received?

I may lose my vote, but at least I will have voted for the Democrat Party, the one that has made it possible (through loans) for farmers and low income families in town to have electric lights and indoor toilets.

Thanks for giving me my chance to get my ideas in the paper.

DRAFT QUOTA UP AGAIN-

December draft call for Texas increased to 869 (from 523 in November), according to Col. Morris S. Schwartz, state Selective Service chief. Inductions will occur between December 1-14.

Quotas for October and September were 774 and 683. Highest monthly call in 1968 was in May, when quota of 2,223 was issued. Monthly calls for 1967 ranged from 674 to 1,421.

Benny Sifuentes Loses Hand

Benny Sifuentes, hired hand of Don and J. P. Nafzger, was injured Friday in an accident involving a corn picker, on the Paul Nafzger farm one mile south of Olton.

Sifuentes was attempting to unclog the machine when the rollers grabbed his glove and pulled his hand into the machine.

He managed to keep his arm from being pulled into the machine and when Mrs. Lowell McGill, a nearby neighbor, drove close by, he waved to her for help. Sifuentes told Mrs. McGill how to stop the operation of the machine but his hand was lodged in the machine and had to be cut out with an acetylene torch by Ira Limbocker.

Dr. Jones came to the scene of the accident before Sifuentes' hand was freed and rendered first aid. He was later taken to a Lubbock Hospital where his hand was amputated.

Fun Test

I had a most entertaining luncheon with the Lions Club Tuesday noon!

A few weeks ago, they decided to have me as their guest each Tuesday (since I represent the newspaper) and I have thoroughly enjoyed each meeting, but Tuesday's was an exception.

After the usual bountiful meal prepared by Mrs. Mac Keating and helpers, we have a short business meeting then a program.

Well, last week, it seems that Melvin Rape had asked Benny Doggett to prepare a program for him and seems that Benny somehow forgot to do this.

So this week, Melvin had the program himself and he gave us a test to see if we were geniuses, normal or down right stupid.

I'm here to tell you -- some of those questions made you stop and think. Wish I could remember all of them. I'd put them in my column so you could take the test too.

I'll have to admit that I had been asked some of the questions by my kiddos when they were trying to make me look like a nut. (which isn't hard to do.)

For instance, one of the questions was "Does England have a Fourth of July?"

Another was "How many months have 29 days?"

Then, "How many birthdays does the average man have?"

We had a total of 20 questions similar to these and if you answer with the first thought that pops in your head (or maybe you're not as stupid as I) you usually come up with the wrong answer.

One that stumped me and I even questioned the answer when we checked ours -- "Divide 30 by one half and add ten."

Well, like I said, the first answer that came to me was 25. (And I confess I wasn't the only one who arrived at that answer.)

The answer is 70. See how long it takes you to figure that one out. Probably not as long as it did for me to figure it.

Anyway for 15 minutes questions like this went on, with about half of us answering out loud rather than putting them down on paper like we were instructed.

I don't remember when I ever enjoyed a test like I did this one. The Lions' Sweetheart, Kathline Carson and her guest Susan Nicholas were sitting near me and I think they faired better on the test than I did.

I heard them answering several of the questions out loud or I might not have made as high a score as I did.

In order to be rated a genius, you had to get 16 of them correct. It was a funny thing -- Melvin didn't ask anyone if they scored high enough to be classed a genius.

By the way, the Lions are selling candy just perfect for Trick or Treaters and it's a real bargain too. $1.00 a bag.

So if you think you might have some trick or treaters come Halloween, you might see one of these Lions and buy a bag of candy from them.

Come to think of it, it isn't long until that time again and I guess I'd better practice what I preach and see one of those Lions and get me some candy.

Study Club Hears Story Of Early Day Abilene

Mrs. H. B. Carson introduced members of the Olton Study Club to "McCoy's Abilene" Monday evening in a meeting in the Women's Clubhouse.

Seeking to find a market for longhorn cattle - eastern markets would not buy them because of "Texas Fever" - McCoy conceived the idea of establishing a town on the railhead.

By the time the first herd arrived, Mrs. Carson explained, McCoy had built a three-story hotel, "Drover's Cottage". The Kansas town was quite a lawless place in its early days, she added.

Mrs. J. L. Carson Jr. presided over a business meeting. Inspirational thoughts were shared by Mrs. Ray Slatten.

Refreshments of congealed salad, date nut cake, spiced tea and coffee were served to Mmes. G. H. Bley, Paul Burrus, J. L. Carson Jr., H. B. Overseas Mailing Tips Given By Postmaster

Designated periods for mailing Christmas parcels to members of the armed forces overseas were announced this week by Postmaster I. B. Holt.

Dates for surface transportation are from Oct. 14 to Nov. 9; SAM (space available) is set Oct. 21 to Nov. 23; PAL is Oct. 28 to Nov. 30; and airmail parcels may be mailed from Nov. 30 to Dec. 11.

A list of servicemen who are stationed overseas or aboard ship and whose addresses are on file at the Enterprise office will be found on page 6.

If there are errors, contact the Enterprise office as soon as possible. Addresses of servicemen not listed are invited.

Holt said that the term "armed forces overseas" includes personnel of the armed forces, members of their families and U. S. civilians employed overseas who receive their mail through an APO or FPO, New York, San Francisco or Seattle.

The Olton Postmaster stressed that parcels should be wrapped in strong boxes and addressed completely.

He also said that a slip showing list of contents and the name and address of the sender and the addressee should be enclosed in the parcel.

Some parcels may require customs declarations. Information on this may be obtained at the post office.

Other advice for the mailing of overseas parcels is as follows:

PACKAGING (Very Important) - All articles should be packed in boxes of wood, metal, solid fiberboard, or strong doublefaced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. Urless tightly filled, boxes are likely to be crushed.

PROHIBITED ARTICLES-- In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices. See your postmaster.

POSTAGE - The domestic rates of postage are applicable, and postage must be fully prepaid. When fourth-class or air parcel post rates are applicable, the zone rate from the post office where mailed through which the parcel is addressed will be charged. Air mail articles not in excess of eight ounces are chargable at the rate of eight cents per ounce.

ADDRESSING - Addresses must be legible and complete, and should be prepared by typewriter or pen and ink. All APO numbers have been changed to five digits which are identical with the zip code.

SPACE AVAILABLE MAIL (SAM) - Gift parcels weighing not more than five pounds and measuring not more than 60 inches in length and girth combined addressed to members of the armed forces in Vietnam will be provided air-lift service on a space available basis from the west coast even though prepaid at the surface rate.

THOMPSON CHEVROLET

Why Don't They?

"Why don't they..." is an oft used phrase these days. We want better things for our children, we want our country to be run in a better way, we want "people" to do things that are not being done or we want them to do it better than they are, so we say, "Why don't they..." Usually the meaning of "they" is shrouded in a mist and really does not refer to any special person or group. What is really meant is "why doesn't someone, someone other than myself."

It is all too easy to place responsibility on "the other guy", by doing this, we void ourselves of becoming involved and at the same time free ourselves from any possible blame for failure. This leaves us free to point the guilty finger elsewhere. However, the extent of how much we really enjoy living is determined by how much we become involved.

The story is told about a preacher at a revival meeting. When it came time to pass the collection plate for a freewill offering, the preacher wanted to set an example for his listeners and visibly placed fifty cents in the plate before giving it to the usher for passing to the congregation. At the end of the service the preacher went to retrieve the collections. All he found in the collection plate was his half dollar, whereupon his small son commented, "If you had put more in you would have gotten more out."

How true, for the more we put into something, the more we do get out of it. Contrary to the words of a popular song, wishing will not always make it so. The wish, the desire, is very essential but concentrated effort, personal involvement, and hard work are also necessary.

We want the very best for our children. We want them to have a good education, to be morally strong, and to have an opportunity to live in a free society. Instead of asking, "Why don't they...," consider the question, "Why don't I..."

Why don't I join the PTA?

Why don't I volunteer to serve the community in some worthy project?

Why don't I exercise my right to vote?

Why don't I actively work to pass a bond election for improving the schools?

Why don't I display by what I do and say that I think the United States of America is the best country in the world?

Why don't I witness in more realistic way my faith in God?

Why don't I...? You can, if you try.

Parents Given Commandments

Thou shalt guard thy children in the home and on the street.

Thou shalt make thy home a sanctuary of love and devotion.

Thou shalt honor the teachers of thy children and teach thy children to honor them.

Thou shalt not condone the faults of thy children, through a misguided sense of loyalty.

Thou shalt teach thy children respect for the law and keep them from the companionship of children who indicate disrespect for law.

Thou shalt not lead thy child into temptation by providing him with the means thereof: to-wit, too much money, a car, and adult privileges.

Thou shalt enforce decency in the dress of thy daughters and dignity in the dress of thy sons.

Thou shalt protect the morals of thy children from the indiscretions of youthful ardor and inexperience.

Thou shalt conduct thine own affairs in such a manner as to set an example worthy of imitation by thy children.

Thou shalt not permit thy children to bear arms except in the service of their country.

Prayer Of Parents

Oh God, make me a better parent

Help me to understand my children, to listen patiently to what they have to say and to answer all their questions kindly. Keep me from interrupting them, talking back to them and contradicting them. Make me as courteous to them as I would have them be to me. Give me the courage to confess my sins against my children and to ask of them forgiveness, when I know that I have done them wrong.

May I not vainly hurt the feelings of my children. Forbid that I should laugh at their mistakes or resort to shame and ridicule as punishment. Let me not tempt a child to lie and steal. So guide me hour by hour that I may demonstrate by all I say and do that honesty produces happiness.

Reduce, I pray, the meaness in me. May I cease to nag; and when I am out of sorts, help me, Oh, Lord, to hold my tongue.

Blind me to the little errors of my children and help me to see the good things that they do. Give me a ready word for honest praise.

Help me to treat my children as those of their own age, but let me not exact of them the judgments and conventions of adults. Allow me not to rob them of the opportunity to wait upon themselves, to think, to choose, and to make decisions.

Forbid that I should ever punish them for my selfish satisfaction. May I grant them all of their wishes that are reasonable and have the courage always to withhold a privilege which I know will do them harm.

Make me so fair and just, so considerate and companionable to my children that they will have a genuine esteem for me.

Fit me to be loved and imitated by my children. With all thy gifts, Oh God, do give me calm and poise and self control.

Graduate Class Of 1943 To Observe Anniversary

Seniors of the Class of 1943 have been making plans for a get-together in observance of their "Silver Anniversary". They will meet, along with exes of other years, for a coffee and fellowship hour in the school cafeteria after the Homecoming game Nov. 1.

Saturday, Nov. 2, the class of '43 will hold Open House in the Homemaking Cottage from 2 p. m. till - - -

In anticipation of the upcoming event, Tom Cooper, a member of the Class of '43, reminisces about his days in school.

"In the year 1932, I started to school. We rode a Model A bus which had a bench along the sides and one down the middle which you straddled to sit on,

It had drop curtains to keep out the wind and cold. Our bus driver was John Ratliff. I don't believe there was ever a more patient driver or better man for the job and for putting up with some of the stunts we pulled on his bus.

When I started my second year in school, my little sister started her first. This curtailed any mischievous activities on my part considerably, having someone on the bus to tell on me.

However, I must say that through the years, she kept quiet when she probably should have told.

Some of the teachers along the line were Miss Combest, Miss Roady, Miss Davis, Miss Moore, Miss Cooper, Mrs. Turner and Mrs. Gowdy and others.

I had Miss Roady in the third grade and her being my mother's sister didn't help my personal problems when she visited the house.

I remember once when a friend and I had a fight that she wouldn't let us stop until recess was over. Boy, Orlin and I both had enough of that.

Well out on our bus line were Ruth and Mildred, Leroy, Genna, Dewayne, Curtis, Royce, Dwayne, Elvin, Winona, Willis, Willard, Arthur for just a few of the names of those who rode some 40 miles each morning and afternoon, together with a large number of younger ones over a period of years. Boy, put a group like this together for that many miles every day and over that many years and we could come up with some corkers.

We would just about pray for the bus to get stuck in the mud while going to school or if it did and we got out to push - we would push toward the ditch instead of away from it.

And then in the first part of 1943, along with some other of these now balding, bifocaled and bay-windowed boys (?) I went into the service and missed graduation exercises.

I had in my original notes some 20 small handwritten pages. However, the incidents recalled and the questions asked might have caused too many parents of present Olton high students to re-explain behavior patterns and grades of former years - and besides, I might like to come back to Olton someday and would prefer that I didn't receive any tar and feathers.

I firmly believe that those who endured, taught and guided this class of '43 through those hectic eleven years will always be remembered by us as the World's Finest."

IN NEW MEXICO

Mr. and Mrs. Tom Smith visited last Thursday in Espanola, N. M. with Mr. and Mrs. Fred Fuchs and children who were hospitalized following an automobile accident. Enroute home they visited with their son and family, Mr. and Mrs. Doug Smith, Dirk and Therece.

Eggers Endorses Education Bill

"We must encourage bilingual education in Texas, but Lt. Gov. Preston Smith apparently doesn't agree," Clemente Garcia, Jr. of Corpus Christi said today.

Garcia is state chairman of Amigos for Eggers, a nonpartisan group supporting Paul Eggers, Republican candidate for governor.

"One reason 60 per cent of the Mexican-Americans never finish high school in Texas is because of a language barrier.

"When a bilingual education bill passed the House of Representatives in 1967, it was never referred to committee in the Senate where Mr. Smith was the presiding officer.

"Paul Eggers endorsed a bilingual program early in his campaign. We need it. Too many children can't learn to become productive citizens because their school lessons are in a language they don't understand.

"Mr. Smith also found many controversial aspects in the recently issued education report. Eggers was quick to express his general approval, but Smith came to the Valley and sharply criticized the committee that made broad suggestions to improve education in Texas."

ATTEND CARAVAN

Mr. and Mrs. Earl Douglas and Mr. and Mrs. Tom Smith attended a Camper's Caravan Club meeting last weekend at White River Lake.

What Is A Boy ?

After a male baby has grown out of long clothes and triangles and has acquired pants, freckles, and so much dirt that relatives do not dare to kiss it between meals, it becomes a BOY. A boy is Nature's answer to that false belief that there is no such thing as perpetual motion. A boy can swim like a fish, run like a deer, climb like a squirrel, balk like a mule, bellow like a bull, eat like a pig, or act like a jackass, according to climatic conditions.

He is a piece of skin stretched over an appetite. A noise covered with smudges. He is called a tornado because he comes at the most unexpected times, hits the most unexpected places, and leaves everything a wreck behind him.

He is a growing animal of superlative promise, to be fed, watered, and kept warm; a joy forever, a periodic nuisance, the problem of our times, the hope of a nation.

Every boy born is evidence that God is not yet discouraged of man.

Were it not for boys, the newspapers would go unread and a thousand picture shows would go bankrupt. Boys are useful in running errands. A boy can easily do the family errands with the aid of five or six adults. The zest with which a boy does an errand is equaled only by the speed of a turtle on a July day.

The boy is a natural spectator. He watches parades, fires, fights, ball games, automobiles, boats, and airplanes with equal fervor, but will not watch the clock.

The man who invents a clock that will stand on its head and sing a song when it strikes will win the undying gratitude of millions of families whose boys are forever coming to lunch about supper time.

Boys faithfully imitate their dads in spite of all efforts to teach them good manners. A boy, if not washed too often and if kept in a cool, quiet place after each accident, will survive broken bones, hornets, swimming holes, fights, and nine helpings of pie.

When he grows up he'll trade puppy love, energy, warts, bashfulness, and a cast-iron stomach for a bay window, pride, ambition, pretense, a bald head, and will immediately begin to say that "boys aren't what they used to be in the good old days."

Birthday Party Honors Mrs. Eula Whitford

Mrs. Eula B. Whitford, resident of Lamb County for more than 40 years, was honored Sunday with a party in observance of her 89th birthday.

The party was given in Amherst Manor where she has been residing the past few months.

The cake was decorated with red roses and the lettering, "Happy Birthday, Grandma". Her corsage was of white carnations trimmed with pink. The pillow corsage was of red carnations.

Two daughters and their husbands were present, Mr. and Mrs. Bob Boone of Olton and Mr. and Mrs. Bill Struve of Hereford. The three sons and their wives who attended the party were Mr. and Mrs. Dave Whitford of Knox City, Mr. and Mrs. Almon Whitford of Springlake and Mr. and Mrs. O. B. Whitford of Earth.

Land Commissioner Tells Of Improvements

Under the many programs of the General Land Office are a few that stand out as major accomplishments in recent years. The Veterans Land Program has permitted 36,500 Texas veterans to purchase a tract of land in the State of Texas. Interest in the new program is great, and the veterans are filing new contracts daily, thereby taking advantage of the opportunity offered them under the revised Veterans Land Program. Even though this program is a great aid to the economy and a help to Texas veterans, it has also made a yearly profit of $3,000,000 for the taxpayers and the people of this state.

In the last two years sulphur activities in far West Texas have occupied the limelight. During the past year we have taken in $2,174,978 from the leasing of sulphur in the state. This money, along with the revenue derived from oil and gas, goes into the Permanent School Fund to make better education a reality for our young people.

Today our Permanent School Fund is over the three-quarter billion mark, having an accumulated total of $775,138,151. Of this amount $324,457,642 has been placed in the fund since January 1, 1961, the date on which Jerry Sadler became Land Commissioner of the State of Texas. The Permanent University Fund today contains $514,589,348 and by proper management and foresight $161,289,338 has been placed in the fund since January 1, 1961.

These funds aid in lightening the load of the taxpayers and in making money available for better education in our state, both at the public school level and the college level.

These major programs have been most beneficial to the state and they have been accomplished at a minimum expense. During Sadler's tenure of office he has managed to return to the state an average of $284,000 of unspent revenue each year authorized by the Legislature in the Appropriation Bill to be spent by the General Land Office.

This represents a saving of $1,280,000 over the past seven years through proper management and economy practices that he has adhered to in supervising the General Land Office of the State of Texas as Land Commissioner.

Card Of Thanks

We also are in the same spot now, that you were last week.

We cannot say enough for all the food, cards and lovely flowers, sent to us in our time of sorrow and need, during the loss of our lovely daughter, wife and daughter-in-law.

Words alone cannot express our thanks to all the many people that worked day and night to help us, we seem to forget sometimes just how wonderful God's people are.

God bless each and every one of you forever.

The family of Gayle(Truelock) Park
Mr. and Mrs. A. C. Truelock, Ronnie and Judie
Mr. Donald Wayne Park
Mr. and Mrs. Leo Park and Judy

We wish to take this opportunity to thank each one, that helped in our time of sorrow.

We appreciate the food, flowers, cards and each word of kindness more than words can say.

Family of Stella Eads

I would like to express my deep appreciation and thanks to everyone for the prayers, flowers, gifts, food and visits during my stay in the hospital and while recuperating at home. May God bless you all.

Baptist Women's District Meeting Held In Amarillo

Forest Hill Baptist Church was host to the Plains Baptist District Women's Missionary Auxiliary meeting Tuesday, Oct. 1 in Amarillo.

Bryan Street Baptist Church in Lamesa presented the devotion, "God's Love".

Mrs. E. O. Baxley, State Corresponding Secretary, spoke on "Personal Service". She remarked that each person has a part in God's service. "To be a missionary," she explained "the heart must be right with God."

Mrs. Baxley described hands that do God's service. She cautioned against a greedy hand - one that seeks money or praise; a drinking hand - that tempts young people; an accusing hand - that does not help and a clumsy hand - with no aim.

She added that one needs hands that are praying, gentle, counting-to-10, friendly, giving, receiving, approving, joyous and hands that use their talents for the Lord.

Lunch was served at the church. Attending from Olton were Mmes. Virgle Gray, Minnie Simmons, Winton Hackler, Bruce Hackler and the pastor and his wife, Rev. and Mrs. W. J. Patton.

The next district meeting will be in January at Muleshoe.

Red Cross Fills 'Ditty Bags'

Lamb County Chapter of American Red Cross met Friday in the Red Cross Office in Littlefield. Mrs. Bonnie Haberer, Chairman, presided.

A report was given on the "Shop Early Christmas Project" for servicemen in Vietnam. Red and green bags were made by Mrs. G. L. Parker, Mrs. Rhenard McCary, Mrs. Ophelia Stone and various Home Demonstration Clubs in the county. The 100 "ditty bags" have been filled with items such as vacuum packed nuts, recording tapes, pocket combs, cigarette lighters and flints, writing paper, ball point pens, dark wash cloths and games. The contents were donated by individuals and by merchants of Littlefield who donated or sold at cost. The bags were shipped Oct. 3.

Attending the meeting were Mmes. D. R. Leonard, Lyle Brandon, Lester LeGrange, Norman Frey, Haberer, and Ruth Wade. Also Messrs. J. P. Arnold, Curtis Wilkinson and Judge G. T. Sides.

Queen candidates include Ona Parish Higgins, class of '28; Babe Kelley Grafa, class of '38; Beth Sanders Kelley, class of '48; Henrian Rudd Enloe, class of '58 and Debra Parish, class of '68.

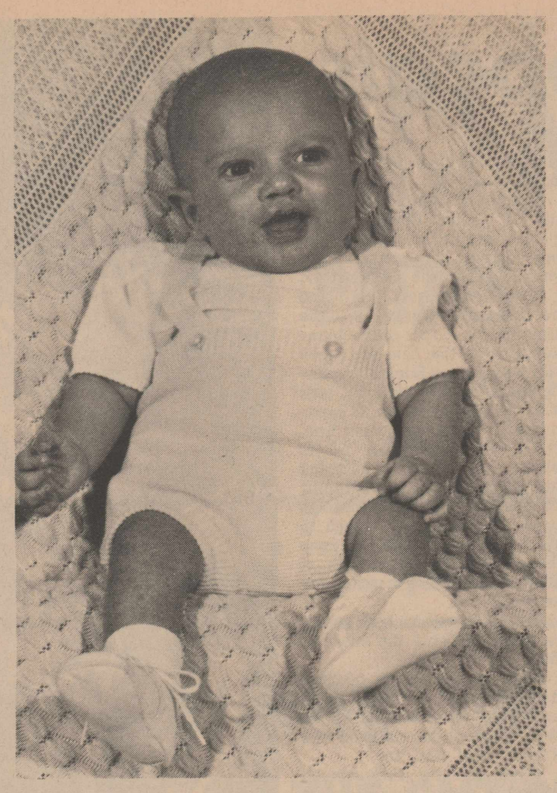

The Exes Queen will be crowned during festivities in the school cafeteria following the Springlake-Earth and Farwell game.

TAX MAN SAM SEZ:

The growing group of rural residents who earn their living in the nearby city or town are an important part of the economy in most rural communities. A good part of these farm dwellers farm on a part-time basis--some commercial, but many purely for personal family use. The good tax folks point out that an expense for hog feed to produce meat for personal use is no more a deductible farm expenditure than an expense for bacon at the supermarket. Any farmer can deduct his expenses for produce if the produce is sold, but the suit the store owner takes from stock for his personal use is not a business-expense--neither is the food you grow and eat on the farm.

PARENTS VISIT

Mr. and Mrs. Leroy Saul of Kress visited Friday night with their son and family, Mr. and Mrs. Chuck Saul and Tonya.

OLTON PRESENTS - Kelly Dan Cure, four month old son of Mr. and Mrs. Dan Cure. Maternal grandparents are Mr. and Mrs. C. B. Price. Paternal grandparents are Mr. and Mrs. Alton Cure. Great-grandparents are Mrs. Maude Cure of Riverside, Calif.; Mrs. Wix Price of Earth and J. R. Walton of Portales, N. M.

Farm Bureau Has Meeting

Littlefield's Community Center was the scene Saturday for the Lamb County Farm Bureau annual convention.

A barbecue lunch was served.

Students who attended the Student's Seminar held on the campus of Baylor University gave short reports of their classes. Students who attended the Seminar were Gary Parkey, Jennifer Angeley and Debbie Landers.

Resolutions and by-laws were passed. Officers and directors were elected for 1969. Newly elected were: Elroy Wisian, president; Royce Turner, vice-president and Dewey Parkey, secretary-treasurer.

Announcement was made of the State Convention scheduled for Nov. 10-13 in Dallas.

BIRTHDAY DINNER

Mrs. Albert Gabehart honored her husband with a birthday dinner in their home Sunday. Attending were Mrs. Mellie V. Gabehart, mother of the guest of honor, his brother and sister-in-law, Mr. and Mrs. Ray Gabehart, and Dale Gabehart son of Mr. and Mrs. Albert Gabehart. The dinner featured barbecued chicken and the birthday cake.

Nixon Supporters Issue Warning For Texas Voters In Coming Election

Texas voters who may be tempted to mark their ballots for the third party candidate for President were told that such action would put them at the mercy of Washington politicians to determine who is elected.

This warning was voiced jointly by Senator John Tower of Texas, Senator Strom Thurmond of South Carolina and Ben H. Carpenter of Dallas, chairman of the Texans for Nixon Committee. Mr. Carpenter's committee is composed largely of Democrats and Independent voters.

An advertisement signed by these three prominent activists for Nixon appeared in over 500 weekly newspapers across the state.

The advertisement said the "most" that Wallace supporters could hope for would be to throw the election into the "turmoil" of electing a President by vote of the House of Representatives. In that case, the ad stated, every Wallace vote would automatically become a vote for Hubert Humphrey.

Wording in the advertisement advocated Nixon as a better choice, and declared that his election would insure a change and a new direction in national affairs.

WOULD *YOUR* CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! *Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!*

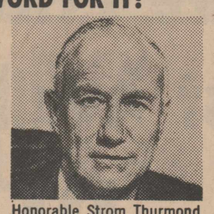

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!

Mustangs Stomps Bobcats

BY ELMER HOUSTON

Olton's high stepping Mustangs pranced around, over and through Dimmitt's Bobcats last Friday night 34-12. This was suppose to have been the district game of the year for the Mustangs, who are last years defending district champs.

This brought Olton's string to five straight wins this year with the last two in district play.

Olton is leading the pack for the district title again this year and from the way Coach Beck's Mustangs romped over the Dimmitt Kittens it looks as though the ponies are going to repeat as champs again this year.

Last week Coach Beck said that he would have to have a great effort from each boy on the team and he got that effort, plus a few more Friday night.

Friday's game was nip and tuck for a while as the Mustangs were tied 6-6 early in the second quarter. This was the first time this year the Mustangs have been tied and they have never been behind in the scoring.

It was a very hard hitting ballgame for both teams as they both had everything to gain.

Olton used a terrific ground game to consume time and eat up the yards. Quarterback Johnny Lewis followed the ground game with his passing as he passed for four touchdowns and one extra point.

What made Olton's ground game so successful was that wonderful forward wall and the down field blocking. Eddie Hooper and Steve Burleson did a fine job on the right side of the line.

Quarterback Johnny Lewis won the honor of being offensive player of the week by his performance and film grade on Friday night. Closely following him were Joe Luera, Steve Burleson, Eddie Hooper, Jason Latimer, Joe Hernandez, Kenneth Johnson and Charles A. McClain.

Defensive player of the week was Charles A. McClain. Charles A. was followed closely by Benny Akin, Steve Burleson, Mickey Crowder, Barry Cowart and Kenneth Johnson.

After taking the second Dimmitt punt of the night in the first quarter, Olton picked up two first downs in moving to the Dimmitt 46 where Quarterback Lewis found Kenneth Johnson going straight up the middle and hit him with a 46 yard touchdown play to start the scoring for Olton. After taking the pass on about the Dimmitt 30, Johnson was caught from behind by Dimmitt's Bobby Baker, but all Baker could do was grab Kenneth's belt and holler for help for Johnson literally dragged Baker the last 12 yards for the touchdown.

Extra point try failed and Olton led 6-0.

On the last play of the first quarter, Dimmitt's Baker intercepted his first of three Olton passes giving Dimmitt the ball on the 50 yard line and killing an Olton drive.

In eight plays Dimmitt moved to the tying T.D. with Roy Thomas circling around the left end for the touchdown. Extra point try failed and the score was 6-6.

That stirred the Mustangs up and they took the following kick off and marched 70 yards in 11 plays to their next T.D.

Fullback Kenneth Johnson picked up 52 of those yards in six carries.

His last carry of the drive, - a 25 yarder, was stopped just two yards short of paydirt. Bringing him down on the two was Dimmitt defender Roy Thomas, their speedster.

From the two Lewis tossed his second T. D. pass to end Joe Luera to make the score 13-6 with 4:02 remaining in the second quarter.

After kicking off, the stubborn Mustangs forced Dimmitt to punt with Olton's Charles A. McClain taking the punt on the Olton 30 and returning it to the Olton 41.

From the Olton 41, the Mustangs picked up four first downs in six plays to move to the Dimmitt seven yard line.

Dimmitt's stubborn defense pulled in tight and just wasn't going to be scored on again or so they acted. But Johnny Lewis just let them pile in close and then tossed another pass to halfback Benny Akin going into the end zone for the T. D. with 33 seconds remaining in the first half.

Olton owned a 19-6 halftime lead only to see Dimmitt narrow it to 19-12 in the third quarter.

On the third play of the third quarter, Olton fumbled the ball to Dimmitt on the Olton 39 yard line. But the stubborn Mustang defense held Dimmitt on fourth down on the Olton 22, therefore taking over on downs.

Then on third down, again Dimmitt's Baker intercepted another Olton pass returning it to the Olton 37. On third down again Dimmitt picked up a half the distance to the goal line, penalty against Olton moving the ball to the Olton 7.

David Land picked up five yards to the two, Roy Thomas got one to the one. Finally Big David Land pushed over from the one for the T. D. making it 19-12.

But Olton came right back taking the kick off on the Olton three yard line and moving to the Dimmitt 29 before Baker picked off another interception to put Dimmitt in business on the Dimmitt eight yard line with 10:32 remaining in the fourth quarter.

After moving out to the Dimmitt 21, Johnny Lewis decided it was his turn again as he intercepted a Dimmitt pass and returned it to the Dimmitt 47.

Lewis then sent Akin into the line for seven yards to the Dimmitt 40. From there Johnson carried the next six times with Hooper and Burleson opening him a hole in the right side of the Dimmitt line for 32 yards to the Dimmitt eight yard line.

On third down, Q.B. Lewis tossed a pass to halfback Charles A. McClain, a Dimmitt defender, Jimmy Coleman topped the ball just enough to knock it over into the end zone where McClain made one of those seldom seen catches for the touchdown.

Eddie Hooper kicked the extra point to bring the score to 26-12.

Late in the fourth quarter Dimmitt tried a fourth down pass only to have it fail with Olton getting the ball on the Dimmitt nine yard line.

Hard charging Akin carried to the two with that work horse Johnson taking it in for the T.D.

Lewis passed to R. L. Copeland for the extra points to put Olton out front 34-12.

On one of the last plays of the game, Olton kicked off to Dimmitt and while the Kittens were deciding who was going to carry the ball, Olton's Joe Luera recovered it for Olton on the Dimmitt 26.

FOOTBALL CONTEST

The teams that are playing in this week's contest games are listed in each of the ads on this page. Each team is numbered, 1 through 26.

Use the handy entry form at the lower right hand corner of the page and circle the numbers of the teams you predict to win. Print the scores you predict in the tiebreaker game in the spaces provided.

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries.

Sponsoring merchants may accept mailed entries. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games predicted correctly will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. The person with the second highest total will receive the second grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

COST: 1 ICE CREAM SODA A DAY

If your doctor prescribed an ice cream soda a day for 10 days to get you out of a sick bed, you'd take your "medicine" gladly . . . with little thought to its cost. When figured on the basis of the quantity of medicine the doctor asks you to take every 24 hours, today's prescription rarely costs you more than a daily ice cream soda. But it does something no ice cream soda can do. It cures disease.

M. K. Neptune To Begin Tour

Republican land commissioner nominee Millard K. Naptune said this week he would leave Friday (October 18) on the " '68 Victory Express" -- a bus which will visit 68 Texas cities in 17 days.

Neptune said the bus will depart from Lufkin Friday and will circle the state by Nov. 2. He will be joined on the bus, for several days' campaigning at a time, by several other Republican statewide candidates, including Doug DeCluitt, lieutenant governor; Sproesser Wynn, attorney general; Mauel Sanchez III, treasurer; John M. Bennett Jr., comptroller; and E. G. Schuhart II, agriculture commissioner.

Neptune, former senior vice president of Texas Eastern Transmission Corporation and presently a rancher and business consultant, said at a news conference in Austin this week he believes the General Land Office "is stagnant."

He said an "aggressive Land Commissioner could generate millions of dollars more revenue for the Permanent School and University Funds."

Everything But The Kitchen Sink

BY MOZELLE TROTTER

Well, it's all over until next Spring - My Game, that is. And goodie, goodie, goodie - the Tigers did manage to outlast the Cardinals.

I surely do hate to admit it - those Cardinals were GOOD.

In fact, I'll have to admit that I lost faith in my team and gave up during the Monday game when the Cardinals leaped to their early lead of 3 to nothing. It upset me so that I turned off my radio and conceded defeat. I didn't even know the Tigers won till that night!

For shame! had bragged only days before that I was a die-hard, I never gave up till the last man was out in the ninth inning! And then, to think, I gave up long before the ninth inning.

Did you see the UHOs (unidentified heavenly objects) out Sunday night? And again Monday night? Those of us who did are having a little bit of trouble convincing those who didn't that we're not inventing stories!

And we saw the fastest moving object you ever saw! Travelers in that thing nearly get to where they're going before they decide to go! The peculiar thing about it - in addition to its speed - was the fact its lights did not blink but remained steady.

Before you start making arrangements to have me put where its safe, let me tell you that I wasn't the only one that saw it!

We still don't know what we were watching but there were at least five of the stationary objects. (One theory is that it was one TREMENDOUS flying saucer and those were its five points.)

We'll go along with the theory that the still objects were new stars, that is, unless you saw them and you have a better theory?

And now, dear readers, I leave you with this little chuckle:

"In the middle of the character assassination session, two groups shifted their attack to Miss Prunella Jones, the village old maid.

'Have you noticed,' said the first, 'how untidy she's been keeping her house of late?'

'I certainly have,' answered the second, 'and you can blame it all o the Rev. Nelson. Ever since he delivered that sermon in which he said,'man sprang from dust," she hasn't bothered to sweep under her bed."

SUNDAY GUESTS

Mrs. G. C. Bearden Sr. had as guests Sunday her granddaughters, Mrs. Charlie Hedricks and sons of Stratford and Mrs. Elmo Hasha and children.

SUNDAY GUESTS

Mr. and Mrs. G. C. Bearden Jr. of Amherst and Mr. and Mrs. Jess Matlock, Mrs. Myrtle Clayton and Mrs. Ethel Drake visited Sunday with Mrs. G. C. Bearden Sr.

SATURDAY GUESTS

Mr. and Mrs. Jack Edwards had as guests Saturday their son and daughter-in-law, Mr. and Mrs. Don Edwards of Lubbock. Other guests of the Jack Edwards were Mr. and Mrs. Edgar Dobson, Jerry and James of Dallas. The Edgar Dobsons are the parents of Mrs. Don Edwards.

Seventh Grade Grid Results

Olton's seventh grade Colts dropped an 18-8 loss to Idalou Tuesday night at Idalou.

Olton's eight points came on a pass play from Dale Parson to James Harris.

The play covered over 50 yards with Monte Chitwood running the extra point for the two extra points.

Eighth Grade Grid Results

Olton's eighth grade Colts are still undefeated after meeting and defeating Idalou Tuesday night.

It was a battle between two unbeaten teams with Idalou scoring first. Olton roared right back to score 38 points in the first half to lead at the halftime 38-6.

Idalou scored twice more in the second half and Olton once, to make the final score 44-18.

Danny Harris led the scoring for Olton with 20 points. Close behind him was Reyes Rodriquez with 12, Tim Givens 6, and Keith Workman 6 points.

Outstanding defensive players for the Colts were Gail Long, Otto Vera, Tim Givens, and Dave Allen.

Coach "Pack" Splawn said that Idalou had a very good team and that they showed the best sportsmanship of any team the Colts have played this year.

Next game for seventh and eighth grade is at Abernathy Oct. 29.

OKLAHOMA GUESTS

Mr. and Mrs. J. A. Stiles had as guests recently Mrs. Stiles father and step-mother, Mr. and Mrs. Charlie Ferguson of Rush Springs, Okla.

CHEERLEADER SUNYA SORLEY leads a yell during a pep rally Friday afternoon before the Dimmitt-Olton football game. Note crowd in background of elementary and junior high students. Pictured below are the coaches with their wives and children who were special surprise guests at the Monday night Booster Club meeting. The "football widows" were presented a cake on which was written "We won a big one."

Yes, you lucky, lucky people, it's time for you to forget about all that groovy homework and all those lovely assignments that were due three days ago, and enrich your feeble little lives and widen your minds by reading this fantastic contribution to the journalistic efforts of the world. What??? Boy! Did we ever get carried away with that introduction!!

O.H.S. is forced to slow down a little after the huge blow out at the FTA meeting held Wednesday after school. Dr. Thomas Lloyd of Wayland laid some worthy words of wisdom on the ears of those attending. Leslie Holladay gave a report of the District Officers Meeting held in Lubbock Saturday, Oct. 12. Leslie, Brenda Leonard, Jeanie Gardner and Mrs. Campbell were also present for the planning session of the District Convention to be held here this year.

Pictures will be taken Oct. 21 and we've been asked to let you know what to wear!

Freshmen girls should wear dark dresses; boys, white shirts and ties; (by the way, Sophomore and Junior boys will wear the same thing - shirts and ties) Sophomore girls should wear blouse of some sort (you'll need to wear the one furnished).

Junior girls should wear white blouses with buttoned down collars.

By the way, Homecoming mums are on sale from any member of the Annual Staff. They run this year - $4.50, $3.50 and $2.50.

Girls - time to start using the butter!!!

Well, Seniors, how does it feel to have the dunkin' board dropped from under you? We mean literally?! So, looks like we'll just have to dream up some other outrageous idea to make money so we can exercise our educated heads by thinking up how to spend it the most ridiculous way possible that day held sacred by us, May 26!! What we're getting at is the "Outer Limits" of OHS otherwise known as the Halloween Carnival. Preparations got under way last week.

Seems like everything's hitting at once again. Class meetings were held last week to discuss the homecoming parade. The Student Council went all out this year on the theme - its "Favorite Mother Goose Rhymes."

We haven't forgot about the FHA meeting held last Tuesday night; we just don't know what to say about it! Sorry, Betty.

Jackie Kemp, we've been intending to ask, what was that you said during the pep rally Friday? We LIKE your car!

Security is . . .

A safety pin. . .king in the civics class WITHOUT a teacher. . . knowing what's on the English test . . . understanding Macbeth (What about it, Seniors?). . . being teachers pet. . .knowing ALL the Pat-a-Cake rhyme. . . not having pimples. . .the last punch on your lunch ticket (for the benefit of National School Lunchroom week). . . finishing your homework. . . sucking your thumb (or chin, to whom it may concern). . . getting through with this literary achievement!!

Hey, Kenneth Johnson, next time you plan a spectacular stunt like you pulled off Friday night, warn us, will you? We nearly had heart failure!!!

We have Ten Commandments this week for school success:

1. Thou shalt not come to school late - take the whole day off.
2. Thou shalt not whisper in class - scream, it draws more attention.
3. Thou shalt not run down the halls - that's what skate boards are for.
4. Thou shalt not nudge underclassmen in the halls - knock 'em down while you're at it.
5. Thou shalt not copy another's work - make him do that too.
6. Thou shalt not throw erasers in class-books are harder.
7. Thou shalt carry a water pistol or pea shooter - but don't get caught.
8. Thou shalt not wear blue jeans to school - only beads, chains, flowers and meditation skirts.
9. Thou shalt not wear shorter skirts - longer blouses are enough.
10. Thou shalt not drive a teacher to his grave - let the undertaker do it.

So you won the spirit stick, did you, you charger rejects? Wow!! (Actually we're jealous, but don't tell anybody - Congrads!)

And now, our definition of love:

Love to a bathtub is soap that doesn't ring, or telephones that don't suds, or something like that.

THERE ARE MANY young workers who became disabled before their 24th birthday. If this happened to you and you paid in one and one-half years of social security before you became disabled, you may be eligible for disability social security benefits. It would be wise to check with your social security office.

THE 1967 AMENDMENTS to the social security law lowered the amount of work required to qualify for benefits if you became disabled before age 31. If you had filed a claim before and this claim was denied because you had not worked long enough, it would be advisable to recheck with your nearest social security office.

Frank Ford Reprimands Professional Politicians

Commenting on the number of Austin officials who attended the Clayton appreciation dinner in Littlefield Monday night, Rep. Clayton's Republican opponent, Frank Ford, stated this week that he welcomes their entry into the race.

"These are the same professional politicians", said Ford, "who voted to increase our sales tax by 50 per cent this year while ignoring nearly every mayor and city councilman in the district by not returning any of the increase to the local governments".

"This dinner was initiated in Austin by the same special interest power-clique which pressured my opponent into sponsoring daylight savings time against the wishes of the people who elected him just because L.B.J. and the T.V. lobbyists wanted it. These are the ones who have overlooked this district's pressing need for more flood control and conservation dams, and who didn't even seem to notice the rising crime rates until someone told them it was a political issue."

"These are the same politicians," Ford continued, "who seemed to ignore the fact that Texas dropped from 40th to 44th among the states in literacy over the past eight years while they voted at every regular session to double their own salaries."

"These are the ones who recently added $30 million in new spending in the secrecy of the Speaker's apartment, including $500,000 for development of L.B.J.'s state park, and are now talking about the need for $350 million in new taxes as soon as the next session of the Legislature convenes."

"I also consider it to be a state issue," Ford concluded, "that Texas' one-party monopoly was the political breeding ground for L.B.J., whose recent prominence in national politics has resulted in a tragic no-win war, depressed farm prices, inflation, sky-rocketing crime rates and $20,000 salaries in the war on poverty for friends of the administration while the poor stay poor."

"These politicians have had their say. On Nov. 5, the people will have their say, and I believe that they plan to make a few changes at that time."

A WORKER WHO BECAME disabled before age 24 needs only one and one-half years of work under social security coverage to be eligible for a social security benefit. A worker who became disabled after 24 but before age 31 needs to have worked one-half the time from age 21 up to the time the disability began. Young disabled veterans of military service are also potentially eligible. Be sure to inquire at your nearest social security office if you are disabled.

Halfway 4-H Club Meet To Elect Officers For 1968

The Halfway 4-H Club met at the Community Center Tuesday night with Linda McEachern vice president, presiding. Roger Pinkerton led the 4-H motto and pledge and Rhonda Pinkerton led the pledge to the American Flag.

James Pinkerton discussed the plans for National 4-H Club Week. Posters will be put up and members will attend the Halfway Baptist Church as a group.

New 4-H Club officers were elected. These were president, James Pinkerton; girl and boy vice presidents, Rebecca Baumgardner and Roger Pinkerton; secretary, Lesa Helm; treasurer, J. Carroll Criswell; county council delegates, Linda McEachern and Donald Paul Bell; chairman recreation committee, Robin Criswell, assistants, Donald Sprague, Kathy Sprague and Rhonda Pinkerton; historian, Robin Criswell.

The new officers were installed by Miss Doris Lesh, assistant Home Demonstration Agent.

Reports given: Roger Pinkerton reported on the county 4-H Fair. Linda McEachern was named high point girl in the senior division. Roger Pinkerton won the trophy in tractor driving.

Roger Pinkerton was first alternate in Field Crops in the state.

Members of the Halfway 4-H holding offices on the County Council for 1969 are vice president, Lesa Helm; treasurer, Rebecca Baumgardner; reporter, Roger Pinkerton; and district council delegate from Hale County, James Pinkerton.

New members were Scott Smith and Mark Smith.

Twelve members were present.

ROSWELL GUESTS

Mr. and Mrs. E. S. Huckabee Jr. and Jeff of Roswell, N. M. were luncheon guests Wednesday of Huckabee's parents, Mr. and Mrs. E. S. Huckabee.

RETURN HOME

Mr. and Mrs. Homer Worley returned home Monday from visiting relatives. At Seminole they visited their daughter and family, Mr. and Mrs. Claude Roper and children. At Haskell they visited Worley's mother, Mrs. Ben Worley. The Worleys visited other relatives and friends at Haskell, Old Glory and Knox City.

THE SOCIAL SECURITY office is trying to reach a special group-- those people who are no longer able to work. They are particularly interested in those who became disabled before age 31 and filed a claim but were turned down because they had not worked long enough. The 1967 amendments to the social security law lowered the amount of work required by a person who became disabled before age 31. It would be wise to check again with your social security office. You may now be eligible.
