

COTTON GINNING SEASON OPENS

Cotton is suctioned from a module Tuesday, October 8 at Tri-County Coop in Dodson. 300 bales had been ginned in the county by Tuesday. Ginning season opened Thursday, October 3 when Art Kane brought in the first bale of the season to the Dodson coop from a farm one mile east of Arlie. Kane's cotton graded strict low middling plus, with 1 1/16 inch staple and 4.2 mic. The USDA loan rate for that grade is 58.05 cents per pound.

600 Expected for F B Barbecue

Collingsworth Farm Bureau will hold its annual barbecue and county convention Saturday, Oct. 12, in Bura Handley Community center.

Approximately 600 members and their guests are expected to attend, making this the largest county-wide gathering held each autumn.

Four-hundred and fifty pounds of top-quality beef will be barbecued.

Serving the meal will begin at 6 p.m. and the convention will start as soon as the meal ends.

Officers for the 1985-86 year will be elected and 16 or more resolutions on the state and national level will be voted on.

This will be a Willie Knoll type barbecue--beef pit-cooked overnight, served with a sauce that

Willie Knoll has perfected over the years, and whose recipe he does not reveal.

There will be plenty of help on hand to do the hard work of barbecuing, but Mr. Knoll will be there to oversee the cooking.

The meat will be cooked as it has been each year, and that is with heat from mesquite wood, gathered in pastures around Wellington.

The wood detail went out Tuesday morning--the largest ever, bearing chain saws to cut the thorny mesquite that provides such succulent eating.

The traditional foods will accompany the barbecue.

Enough serving lines will be set up in Bura Handley Community Center so those attending can be

fed quickly.

The convention will begin immediately after the barbecue is finished.

Lynn Emmert, retiring president, will be in charge of the meeting.

The nominating committee will submit a slate of officers and directors, most of them up for re-election, but nominations will be taken from the floor.

Officers nominated are Albert Fulcher, for president, Don Allred, first vice president; Danny Davis, second vice president and Richard Sims secretary.

Directors nominated are: North: Pat White, Danny Morris, Tommy Coleman, Monty Mitchell and Bruce Ward.

East: Mark Fourmentin, Pat Gulley, George Barton, Eddie Orr and Ike Paschall.

South: Reed Souder, Leamon Bawcom, John Barton and Benton Wauer.

West: Jim Cabbell, Ronnie Hartman, John O'Rear, Dally Watts and Tommy Baker.

Director-at-large: Lynn Emmert. A resolutions committee will submit 16 resolutions (one with 7 parts) on which the members will vote.

Additional resolutions on local, state or national levels may be introduced from the floor.

No local resolutions on local questions were included by the resolutions committee. On the state level, resolutions prepared by the committee as they were announced are:

Rockets Open District Play at Quanah Friday

Wellington Skyrockets open their district 2-2A schedule away from home when they meet the Quanah Indians there Friday, Oct. 11.

Rocket supporters are reminded that with the start of district games, there will be a new starting time, 7:30 p.m.

Both teams have identical records, 3-2, said Coach James Williams.

The Indians opened the season with a 13-7 loss to Childress, then they defeated Archer City 7-0 and Paducah 13-8. In the next game Quanah defeated Haskell 7-0 in their homecoming game then were

stunned by Crowell 19-7.

According to reports of the Quanah team, coming from Wellington scouts, the Indians have a good football team. They have good quickness similar to that of Panhandle on the defense.

"Quanah hasn't scored a great number of points, but at the same time they haven't allowed very many," Williams said.

This is a real important game to us," Williams continued, "for if you are going to win district, you must win the first district ball game."

It is Williams staunch belief that the slate is wiped clean with the

beginning of the district schedule. All the games that may be won in pre-district play are not going to count one point toward a conference crown. By the same token, games lost up to that point aren't going to have any bearing on the district record.

"As far as injuries go, we're in pretty good shape," the coach continued. "We did not receive any injuries in the game last week, and we haven't received any injuries so far this week."

"Also this will be the district opener for both teams. It will be a road game for us. I hope our kids perform well when we go out of town."

Skyrocket Band to Marching Contest

That Skyrocket Band will be traveling to Borger this Saturday, Oct. 12 to participate in the University Interscholastic League District I Marching Contest. Judges selected by the District I Band Directors are George Riddell, band director at Levelland High School; O.T. Ryan, band director at Plainview High School and Phil Anthony, band director at Lubbock Coronado High School.

The contest is scheduled to begin at 8:30 for CC-CCC Junior High Bands, with class AAAAA bands beginning competition at 9:00. Class A Bands perform at 10:30 and AA bands start at 2:00. AAA bands perform at 4:12 and AAAA bands begin at 5:30. The contest will conclude at 6:30 p.m.

Wellington High Band is scheduled at 3:36.

Each judge will individually rate the bands on marching ability, marching precision, uniformity, musical ability and precision, overall appearance and will rate each band a Division I - superior; II - excellent; III - good; IV - fair, or V - poor. The three ratings will then be compiled into an overall rating. When the competition is concluded the bands receiving a Division I will be ranked in each classification and two bands from each class will be selected to advance to Area competition in two weeks. A band must receive a Division I to advance to Area and ultimately to state competition.

The band's contest numbers will

be those that are being heard regularly at the football games: "We Got the Beat," "Rocky Top," "British Eight," and the School Fight Song.

"Despite the growth of the band here, we will still be much smaller than most bands in AA. We will have to be extremely careful because each member is more exposed in a smaller band. We have come a long way this season, but we have still a long way to go," said band director Bill Dyer.

"We will be working hard this week to prepare for contest and the band members are confident they can perform better than bands of recent years. We'll just concentrate on doing our best and

Hospital Board Votes To Purchase Clinic

Collingsworth General Hospital board voted 5 to 2 Tuesday, October 8, to purchase Wellington Clinic from Dr. Carter Holcomb, after Holcomb turned down a lease arrangement proposed by the hospital board last month.

The purchase price agreed to is \$90,000, paid in five installments beginning in 1986. The 1986 payment will be \$30,000 and subsequent payments will be \$15,000 for four years.

Voting for the purchase were

Loretta Wright, Emory Ewing, Dr. J.M. Orr, Bill Patrick and Corky Bowen. Yates Parker and Robert Owens voted against the motion.

Dr. Holcomb plans to retire January 1 and the board has hired a physician recruiting firm, Professional Practice Management, Inc., to recruit another physician for the community.

The board discussed Tuesday but took no action on the first physician prospect submitted by the recruitment firm.

That Firecracker Band will be all decked out in uniform Saturday, Oct. 12, to perform in the Hedley Cotton Festival Parade at 2 p.m. The band has been busy lately polishing its marching maneuvers and getting ready to kick off a junior high marching season," said

Skyrockets of Late 1930s Plan Reunion

Almost 50 years after they starred for the Skyrockets on Powell Field, the teams of the school years 1936-7, 1937-8 and 1938-9 will gather for a reunion Friday, Nov. 1. This was the era of head coach Joe Coleman and his assistant John H. Williams.

Spearheading the reunion in Wellington is James R. (Bear) Bowen, who played football on these teams.

Boyd Williams and Austin O'Neil, both of Shamrock, are assisting.

The teams will gather for a Dutch lunch at Cherokee Inn Restaurant at noon. Wellington Country Club is opening the club house to the group for the afternoon. In the evening, the men will attend the Wellington

Skyrocket-Clarendon Broncho game.

The Broncos are one of the opponents these teams met regularly.

Bowen said that an effort is being made to locate and contact every man who played on any of these teams. Anyone who was a member, but believes his whereabouts may not be known here should contact Bowen at Rt. 1, Box 146, Wellington, Texas 79095. All Skyrockets of these years who may know of other team members living outside the Wellington area is asked to write them and urge that they be here.

Plans are still being formed and will be announced later in the month, Bowen said.

EXTENDED COVERAGE

Bo Castleberry

No matter how good your homeowner's policy was when you bought it, it may be out of date today. It's smart to review your coverage every two years.

Automatic escalation clauses are helping in keeping up with inflation, but they may not reflect actual values in your location. Consider an independent appraisal of what it would cost to rebuild today.

Liability coverage probably needs upgrading, in light of the large awards that juries are granting these days. It's not expensive to increase your limits, especially with an umbrella policy.

Have you bought a lot of things since you moved into your house? Most people do. Is your personal property coverage adequate to cover it all?

Coverage on valuables such as silver, furs, and jewelry is strictly limited on household policies. A personal articles floater may be a good idea for you.

THELMA ROBERTS

Thelma Roberts Salesperson For September

The Collingsworth Chamber of Commerce Sales Person of the month of September is Thelma Roberts, who has served the people of the Wellington area for a long period of time, in several businesses.

Her selection was made by a secret committee and announced by Charles Darter, C-C president.

In January 1986, she will celebrate 8 years on the sales staff of Saied's. She was astonished when Darter presented the certificate naming her Sales Person for September. Her employer, Mack Saied was delighted to learn of it.

This is the second time the Chamber of Commerce has recognized Thelma Roberts for superior and courteous sales work.

When the award was made on an annual basis, she received it Feb. 2, 1970, while she was working at Gibsons.

Before joining Saied's, 8 years ago, Mrs. Roberts was employed at Gibsons 11 years, and Parsons Drug about the same length of time. Earlier she worked for Parker Furniture and for four groceries; United Super Market, Leroy Oswalt, Sharon and Bob Bell and her first job was with Steve Owens when he opened a small grocery store on Haskell Street.

A native of Collingsworth, Mrs. Roberts was born at Aberdeen, the daughter of the late Mr. and Mrs. J.H. Simpson, who moved to Hereford many years ago. She attended Houselog School.

She and Leon Roberts were married January 20, 1940. They have one daughter, Pat Ford, who works at Pantex, and one granddaughter, Kandi Ford, who is with 1st Federal Savings and Loan, Amarillo.

Mrs. Roberts belongs to 1st Baptist Church.

"I like working with the people and I love people," she says. "If I had it to do over, I wouldn't change a thing."

7th Grade Wins Over Shamrock 38-0 Thursday

Wellington Junior High 7th Grade football team took a 38-0 victory over Shamrock 7th Grade Thursday, October 3, in a game at Irish Field.

Belen Jaimes made the first touchdown, on a 10 yard run around the left end, then Douglas Darton ran for the two point conversion.

Jaimes then scored on a 15 yard run around end, but the attempt for extra points failed.

In the second quarter, David Duncan had a 10-yard run over left tackle, but again the try for extra points failed, and the score at halftime was 20-0 Wellington.

Jaimes ran another 30 yard sweep on and end sweep in the 3rd period and David Duncan ran 5 yards on an option pitched by Brent Duncan for 15 yards.

In the 4th quarter, Jaimes ran another 30 yards on an end sweep and that concluded the scoring.

"We feel that the kids have improved greatly each game," said Coach Don Beck, "and we had some outstanding offensive blocking and defensive play from Brent Martin, Tim Baker, Joe

Clark, Lanny Hammons, and Joe Lynn Bartlett. Frederic Schmidt caught a pass and Brent Duncan ran the option extremely well from the quarterback position and had a good over all game."

The 7th grade team will play Quanah there Thursday, October 10. The Wellington boys' only loss was in an earlier game to Quanah. It was when they had played a couple of games and we hadn't played yet, Beck reminded.

Firecrackers Win Victory Over Shamrock 22-20

Wellington Junior High Firecrackers were victors 22-20 in the closest game they have played this season, and the only time they have been scored on.

"It was a victory we were mighty glad to have," declared Coach Gano Wilson.

Shamrock 8th Grade opened the scoring toward the end of the first quarter, but the attempt for extra points failed.

Shamrock kicked off to the Firecrackers, Redgie Jones ran the kickoff back behind a wall to wall defense for an 80 yard touchdown return. The extra point try failed and the score was 6-6 at the end of the first quarter.

In the 2nd period, both teams scored and both extra points were good. Jeff Thomas accounted for

the Firecracker touchdown on a blast to the left and he scored the extra point on a quick pitch to the left. The score was 14-11, 14-14 at halftime.

Both teams played good defense in the third quarter but nobody scored.

In the 4th period, with Wellington in possession of the ball, the Firecrackers made a sustained drive for another 80 yards.

Thomas did most of the ball carrying, then scored on both the touchdown and the extra point. Only 1:41 was left on the clock. Wellington had kept the ball for most of the quarter.

With the score 22-14 Wellington, the Firecrackers kicked off. After two plays, Shamrock scored on a 50

yard run around right end, the extra point try was no good but the young Irish had edged to within two points of the Firecrackers.

The game ended with Wellington in the lead 22-20.

"Our injuries had something to do with our team," said Wilson.

Jessie Castillo was hurt in practice and Scott Covey was hurt during the game. Castillo still has a sore knee and ankle, but Covey is expected to be back this week.

Firecrackers making fumble recoveries were Terry Sterling, Heath Neeley, Robert Watts, and Michael Turner, one each.

Playing good defense in the last half did lots for Wellington's scoring, said Wilson.

District play starts Thursday October 10, when the Firecrackers meet Quanah here.

Thank you

May we express our sincere appreciation to all of you who were so helpful to us during the illness and at the passing of our loved one. The words of sympathy, the visits, the flowers, food and donations were deeply appreciated.

We are especially grateful to Dr. Holcomb and the staff of Collingsworth General Hospital for their loving care. A special thanks to Schooler-Gordon Funeral Directors.

TOUCHDOWN

Johnny Nash, 30, dives over Skyrocket blockers Kendall Harris, 50, and Tracy Day, 88, for the first score of the game against Hale Center.

Rockets Shoot Down Owls

BY BARRY LONG

Friday's game was a perfect example of what a homecoming game should be with the Skyrockets rolling over the Hale Center Owls for an exciting 40 to 8 victory. The game was played on Friday, October 4 and was the last non-district game of the season for the Rockets. The offensive and defensive teams for the Rockets were equally effective against the Owls. The Rocket offense gained a total of 406 yards while the defense held the Owls to only 138 yards.

The Rockets won the coin toss and elected to receive the ball on the opening kickoff. The Owls' kickoff was booted 35 yards and Johnny Nash took the ball and returned it to the Rocket 34 yard line. The Rockets first possession of the game lasted 7 plays and ate up 15 yards before they were forced to punt on fourth down from the Rocket 49 yard line.

Tracy Day punted the ball 37 yards, putting the Owls on their own 14 yard line to start their first series of downs. The Owls ran two plays, gaining only one yard.

On third down quarterback Jamie Garibay was sacked for a 10 yard loss by Rocket Ruben Cantu. On fourth and 19 the Owls punted from their 4 yard line. The Rockets took possession on the Owl 34 yard line, and slowly ate up the time on the clock with a ten play drive. This drive culminated in a 2 yard scoring run by Johnny Nash. The extra point kick was good by Neal Duncan, making the score Rockets 7, Owls 0 with 2:42 left in the first quarter.

The kickoff of 46 yards by Kenny Peeks was returned 21 yards by the Owls to their own 35 yard line. Their second possession lasted for 10 plays, which spanned 60 yards down to the Rocket 6 yard line.

But the Rocket defense held the Owls on 4th and goal to go and took over the ball on their own 3 yard line.

The Rockets advanced the ball to their 26 yard line before losing it on a fumble to the Owls. This left the Owls with good field position of the Rocket 23 yard line and set up their only scoring drive.

The Owls scored two plays later on a 16 yard pass from Jamie Garibay to Chris Cannon. The extra points run was good by Mitch McBeth making the score Rockets 7 and the Owls 8 with 8:36 left in the second quarter.

The Owls 30 yard kickoff was returned 7 yards by Michael Mackey and the Rockets started their series on their 39 yard line. This drive ended in a punt, after 3 plays, from the Rocket 49 yard line that left the Owls on their own 15 yard line. Their drive lasted only 3

plays before being forced to punt by a fired-up Rocket defense. The Owl punt from the 22 yard line covered only 12 yards and the Rockets took possession on the Owl 34.

The Rocket offense drove to the Owl 13 and scored on a 13 yard pass from Kelly Goforth to Tracy Day. The extra points pass was good from Kelly Goforth to Maugro Villanueva, making the score Rockets 15 and the Owls 8 with 1:11 left in the first half.

The 43 yard kickoff by Neal Duncan was returned 27 yards by the Owls. The Owls drive started on their 47 yard line and ended two plays later with a pass interception by Rocket Tracy Day, who made a 5 yard run back to the Rocket 25 yard line. The Rockets ran out the clock in the half in two plays. At halftime the score was Rockets 15, Owls 8.

The second half opened with a 40-yard kickoff which was returned 27 yards by the Owls. They drove to the Rocket 27 before fumbling the ball which was recovered by Rocket Anthony Baker. The Rockets took possession on their 29, four plays later, on 2nd and 16, Kelly Goforth threw a picture perfect pass to Johnny Nash for a 67 yard scoring dash down the sideline. The extra point try failed and the score was Rockets 21, Owls 8 with 8:28 left in the 3rd quarter.

The Rocket kickoff of 40 yards was returned 15 yards by the Owls. On the second play of the series the Owl quarterback was sacked for an 8 yard loss by Rocket Shawn Davis.

After 3 punt exchanges, the Rockets took possession on their 28 yard line and two plays later Johnny Nash made a 66 yard run for another Rocket touchdown. The

extra point kick was good and the score, with 2:39 left in the 3rd quarter, was Rockets 28, Owls 8.

Owls 16 Michael Peggram returned the Rocket kickoff to the Rocket 48 yard line. The Owls fumbled on their first play and Johnny Nash recovered the ball for the Rockets.

The Rocket offense took over on their 44 yard line, and advanced to the Owl 35 yard line.

On 2nd and 15, quarterback Brad Long threw a screen pass to Curtis Nash who ran the ball in for another Rocket touchdown. The extra point attempt failed, and the Rockets led 34 to 8 with less than two minutes left in the 3rd quarter. A short kickoff left the Owls on their own 39 yard line. The Owls advanced to the Rocket 42 yard line before fumbling the ball. Michael Mackey recovered for the Rockets.

The Rockets advanced from their 39 yard line to the Owl 41 yard line. Then a Rocket pass was picked off by Owl defensive back Kirk Stephens and the Owls took over on their own 21 yard line.

The Owls drive was marred by a quarterback sack for a 7 yard loss by Kenny Peeks. On their next series the Rockets fumbled and Hale Center recovered. But on the next play the Owls fumbled, and the Rockets recovered on the Owl 26. Three plays later Tracy Day scored again for the Rockets on a 15 yard play action pass from Kelly Goforth. The extra point try failed and the Skyrockets led 40 to 8.

The Rockets kicked off and the Owls took possession on their own 33 yard line. The Owls drove down to the Rocket 24, suffering two quarterback sacks along the way: the first by Mike Skelton for a 0

yard gain, and the second by Dudley Owens on 4th and 6 for a 6 yard loss, which gave Wellington the ball. The Owls took their last possession on their own 37 and 2 plays later fumbled with the Rockets recovering on the Owl 36. The Rocket offense ran out the clock with 4 plays to win with a final score of Rockets 40, Owls 8.

Rocket, Indian JVs Play Here Thursday

The Skyrocket Junior Varsity will meet the Quanah Indians JV on home ground Thursday, October 10, after being idle for a week.

Game time will be 7:30 p.m. This is one of three games here Thursday evening. The Firecrackers and Quanah 8th grade will also play here in a game that starts at 6 p.m. The 7th grade teams will begin their game at 4:30.

"We hear Quanah has a good outfit," said Mike Bergman, JV coach. "They are supposed to be tough and we are expecting a good game."

The Lucas Oil well at Spindletop, Texas, ran wild for 9 days when it began operating in 1901.

At the same time, Bergman said that "We're not sure how the week off is going to affect us."

The Skyrocket JV was idle on Oct. 3 as Shamrock does not have a JV team.

Wellington JV has won its other three games this season.

"We're working on improving defensively," Bergman reported. "Offensively we're pretty good."

Some people who have worked hard during the week were named by Bergman as Bobby Wilkerson, Raul Torrez and Daryon Brown, all defensive players.

Support the Skyrockets by attending each game.

America the Beautiful...

From the time that Columbus discovered America men have thought of this country as something special. It was here that Ponce de Leon sought the Fountain of Youth, and men have long admired America's majestic mountains and beautiful valleys. However, the real beauty lies not in the land, but in the people. The people came seeking a land where they could worship God in freedom, and under God developed a kind and loving spirit. This is what makes America beautiful.

Attend church regularly... help keep America beautiful

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Norwood Carnival Set. Oct. 19

1985 Samnorwood PTO Harvest Festival will be held Saturday, October 19, featuring the traditional turkey dinner, carnival and coronation of the school's three Harvest Queens.

These queens will come from high school, junior high and elementary school.

Events will open at 5:30 p.m. with the dinner to be served in the cafeteria.

The carnival packed with fun events, always a part of the Halloween celebration, will start at 5:30 and provide entertainment

until the coronation program begins at 8. Booths will be scattered through the building.

Humor and country music are due to combine as the theme for the coronation. A program will be provided leading up to the grand entry of the court of the three school queens, whose identify will not be announced until they are seated before the audience.

Queens will be selected on the basis of a penny a vote and each class will have a money raising project to benefit the various candidates.

Princesses and princes from each class, who will compete for one queen of the harvest festival have been selected by the classes. Their attendants, dukes and duchesses, were picked by elementary grades. These are:

Kindergarten: Prince Travis Thompson, Princess Cheyenne Oldham; Duke Jay Decker and

Duchess Holly Thomas.

First and 2nd grade: Prince Jason Lindley, Princess Christi Oren; Duke, Jackie Bell, Duchess Christy Henard.

Third and 4th grades: Prince Lance Lindley and Princess Sharlie Rainey; Duchess Nandy Henard and Duke Tal Henard.

Fifth and 6th grades: Prince Don Sanderson and Princess April Shurley, Duke Justin Darrow and Duchess Melanie Martindale.

Seventh grade: Princess Darrow, Prince Roy Hogan.

Eighth grade: Jo Ann Ruiz and Prince David Stice.

Ninth grade: Princess Rachelle Ford and Prince Charlie Oren.

Tenth grade: Princess Jessica Kirkland and Prince Craig Brown.

Eleventh grade: Princess Leslie Lindley and Prince Shawn Coleman.

Twelfth grade: Princess Stephanie Brandvik and Prince Ty Bonner.

Plans for the carnival were made during a PTO meeting held Monday, Sept. 30, which was also the first meeting of the school year. Mary Waters presided.

Anyone wanting additional information can contact members of the various classes.

1985 PTO Carnival Slated October 26

The Wellington Parent-Teacher's Organization has set the date of its annual Halloween Carnival for Saturday, Oct. 26. Hours will be 6 to 9 p.m. in Wellington Elementary School.

A variety of games and food items will be available for all attending.

Plans for each of these divisions are still being made.

The PTO meeting was held Tuesday, Oct. 1, with Mrs. Kent Clark, president, directing the business session.

Mrs. Gary Hiatt read the minutes of the previous meeting and Mrs. Kenneth Patterson presented the treasurer's report.

Mrs. Opal Camp's second grade won the room count.

Satellite Center to Hold Arts, Crafts Show

The Wellington Satellite Center will hold an arts and crafts show Saturday and Sunday, Nov. 9 and 10, at Bura Handley Community Center, according to Toni Wright, director.

The works of Wellington and area artists and craftsmen will be featured and Mrs. Wright urges all who want to participate in the show to reserve booth spaces as early as possible. The deadline for pre-registering is Nov. 6. Both spaces are 8'x10' at \$10 each, with tables and electrical outlets available.

Exhibitors will be selling paintings, ceramics, needlework, woodwork, handmade doll clothes and many other items.

The public is invited to attend and there will be no admission fee at the door.

Those wanting more information should contact: Satellite Center, P.O. Box 522, Wellington, Texas 79095 or call 806-447-5436.

This is a major fund raiser for Wellington Satellite Center, a non-profit organization providing persons with mental retardation with vocational and educational training. It is funded in part by the state and in part by local projects. Funds from the art show arts-craft show will be used to pay utility bills at the center.

Abundant Life Fellowship To Host Youth Worker

John George, with 10 years experience in dealing with youth, will be at Abundant Life Fellowship at 7:30 p.m. Friday, Oct. 11.

He will hold a training session for parents to help them effectively relate to their teenagers needs, according to the Rev. Dan Denissen, pastor.

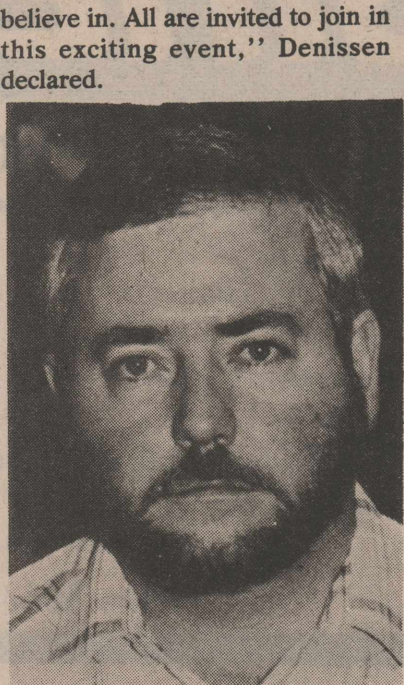

On Saturday, an all-day seminar for the youth pastors and youth workers is planned from 10 a.m. to 3:30 p.m.

Parents are welcome to attend these sessions as well, Denissen said.

A free luncheon will be included for all who attend and child-care will be provided. These meetings will be held at the Abundant Life Fellowship, 101 9th Street.

John George has also invited young people from through out the Panhandle and Western Oklahoma together for an area-wide Youth Exposition on Saturday, Oct. 12, at 7:30 p.m. at the Wellington High School Auditorium.

NORMAN MILLER

Norman Miller Owens Employee For October

Norman Dale Miller has been selected by co-workers at Owens Auto Salvage as Employee of the Month for October.

This honor, an ongoing program initiated by Robert Owens, company owner, is one in which the men and women who work for Robert Owens evaluate nominees and selections are made on the basis of company loyalty, and loyalty to co-workers, co-operation, and the contributions they make to their work and associations.

Miller, who has been an enthusiastic supporter since the program was started, points out that it is one of the best ways he has seen to increase employee morale.

Miller has been a company employee two years and is now the assistant manager to Robert Owens.

He explains that past experience in supervisory and managerial positions provided a good background for his present work. There are a wide variety of duties--sales work behind the counter is one. Each morning he lines out trucks that are to make deliveries, and in general he oversees the day to day operations of Owens Auto Salvage.

A native of Memphis, he is the son of Virginia Miller Williams and the late Doyle Miller. He attended Lakeview Schools, Clarendon College and Texas Tech University.

He lived in Lubbock 12 years before coming to Wellington, and was employed by Coors as retail sales supervisor for 9 years and was a member of the Sales Executives Association.

He and Sherry Gray of Wellington were married March 16, 1984. Miller has a daughter, Geneva Ann Miller, age 8, and a step-daughter, Leesi Gray, age 9.

The Millers belong to First Baptist Church.
