NUPTIAL CEREMONY HELD FOR BURKBURNETT COUPLE

Setting for the Sept. 1 afternoon wedding of Miss Shirley De Ella Smith, Burkburnett, and 2-Lt. David Kent Reed, Fort Sill, Okla., was the Tenth and Broad Church of Christ.

The bride is the daughter of Mrs. Hubert O. Smith and the late H. O. Smith of Burkburnett and granddaughter of Burk's first settlers, Mr. and Mrs. J. A. D. Smith. Parents of the groom are Mr. and Mrs. Claud A. Reed, Burkburnett.

Paul McClung, church minister officiated at the ceremony.

The bride's costume was a street-length white taffeta sheath with rhinestone trim and a white silk over-dress. She wore a bandeau of crystal beads and carried an orchid on a white satin Bible.

Maid of honor was Miss Marilyn Felty, Burkburnett. Best man was Robert D. Smith, Premont, Texas., brother of the bride.

A reception, following the ceremony, was held in the home of the bride's mother. The brides table covered with a white lace cloth over pink, was centered with an arrangement of pink gladioli.

Assisting at the reception were Mrs. Paul Browning and Mrs. F. T. Felty, both of Burkburnett; Mrs. Jackie Reed, Wichita Falls, and Mrs. Irma Catham, San Antonio.

After a wedding trip to New Mexico, the couple will make their home in Lawton, where the groom is stationed with the Army Medical Corps.

The bride, a graduate of Burkburnett High School, attended Midwestern University and North Texas State College, Denton.

A graduate of Burkburnett High School, the groom attended Tarleton Military School, Stephenville, Tex., and holds a BS from Purdue University, LaFayette, Ind.

Notice Quarter Back Club Members

The Burkburnett Quarter Back Club members will meet at the High school on Monday, September 23 to formulate plans for the coming Turkey Shoot to be held in the near future.

Free coffee and donuts will be served.

NOTICE

Mr. and Mrs. O. M. Kelley wish to invite their friends to attend a reception in their home, 308 West 2nd St., Sunday, September 22nd from 2:00 to 4:00 p. m. in honor of their Golden Wedding Anniversary.

They request, "no presents please." 10-1tp.

Emergency Numbers Listed Again By Telephone Co.

The change to dial telephone service at 1:01 Sunday will mean that telephone users no longer will have the dependable voice of the local operator to rely on in case of emergency.

"It is important that everyone in Burkburnett memorize the new telephone numbers of the police, fire and other emergency departments," C. A. Deucshle, manager for Southwestern Bell Telephone Company here advised.

In case of extreme emergency, of course, subscribers can dial 'Operator' and the message will be relayed to the proper authorities. However, for speed in obtaining assistance, we suggest that all emergency numbers be memorized."

The reason that this is important is that all local calls will be handled through automatic switching equipment. No operators will be on duty to handle local calls as such.

Following is a list of the new emergency telephone numbers:

Fire (to report a fire only JO 9-3341

Police—JO 9-2231

Other special dialing instructions are as follows:

For Long Distance Dial—Operator

Numbers not in Directory — Dial Operator

To report a telephone out of order—Dial Operator

Telephone Business Office — JO 9-2291

These special dialing instructions are printed on the first page inside the front cover of your new dial telephone directory, Deuschle said.

Delivery of the new directories was completed this week.

Mr. and Mrs. Dick Lennard and children of San Diego, Calif., were recent visitors in the home of her parents, Mr. and Mrs. L. B. Horr, and other relatives here. The Lennards were enroute to Trenton, N. J. where they will make their home. Mr. Lennard is a Lieutenant in the Navy Air Corp and will be stationed at McGuire AFB for the next several months.

Miss Joella Nichols has returned home from a three weeks visit in Illinois and has enrolled at Midwestern University for the fall semester.

The following families are enjoying a vacation in the Ozarks this week: Messrs. and Mesdames A. W. Newman, Dick Chambers, Harry C. Dodson, and H. D. Smith, all of Burkburnett, and the Smith's daughter, Mr. and Mrs. Glen Howard of Midland.

DIAL TELEPHONES GO IN SERVICE SUNDAY AT 1:01

Sunday is the big day in Burkburnett telephone history.

It will be "ring out the old, ring in the new" here at 1:01 A. M. Sunday when Burkburnett's new dial telephone system is put into operation by Southwestern Bell Telephone Company.

"Ringing out the old" means an end to the manual telephone system which has served the city since telephones were first installed here.

"Ringing in the new' heralds the advent of the automatic telephone system, a significant mile stone in the city's communications history. It will mean that Burkburnett will have the finest, most modern telephone service available anywhere, C. A. Duesche, telephone company manager said.

"Everything is in readiness for the switchover," Dueschle said on the eve of the inauguration of the new system.

As the time for the change to dial approaches Sunday, a few last calls will be trickling thru the present switchboard and the last familiar "Number, please" will be heard. At 1:01 a. m. a final check of calls being handled will be made to assure that no emergency calls are involved. Then the cutover order will be passed to the telephone men who will go into action at the pre sent central office and at the new building.

Key cables which have been "half tapped" so that they would be connected to both central offices while the new dial system was under construction will be cut so that all lines will tie only to the new dial office. Simultaneously at the new dial building hundreds of small "blocking tools" will be quickly yanked out of the dial equipment by men pulling away hundreds of them at a time by means of connecting cords. Then each telephone line in the city will be connected directly to the new dial switching equipment. The power switch in the old central office will be thrown and the new dial system will be in operation.

With these moves, too, every telephone number in the city will change.

The actual change to dial operation will take perhaps one minute or slightly longer to perform. But the job to be done in sixty seconds climaxes several months of painstaking efforts by telephone technicians all over the country, Deuschle pointed out.

A new telephone building was constructed; loads of dial telephone equipment was engineered, built to order, delivered, placed and wired. A group of Western Electric installers were on the job. Installation of the new system required several thousand hand soldered wire connections inside the new biulding.

In addition to this work, outside construction crews added thousands of feet of new wire and cable to the city's network of lines; local telephone men installed dial telephones all over the city; a complete set of records on every telephone in Burkburnett was set up and maintained; exhaustive tests on telephones and other equipment were made; and a new dial telephone directory was compiled and published.

ROOM MOTHERS PLAN SOCIAL ACTIVITIES

The room mothers of Miss Best's first grade students met in the school room Friday 13, to plan the social activities for the comng school year. Officers elected were as follows:

Chairman, Mrs. Crowley.

Secy. and Treas., Mrs. Conway.

P.-T. A. Representative, Mrs. Littlejohn.

The room mothers plan to have some type of entertainment or program for the following holidays: Halloween, Christmas, Valentine, Easter and a picnic at the end of school.

There were 23 mothers present and the teacher, Miss Best.

Mrs. Hugh Veach left Tuesday night for Marlow, Okla., to be with her mother who is seriously ill.

Notice

The regular Friday night sales at the Burk Sales Barn have been changed to Monday nights at 7:00 p. m. due to the football games.

Women's Division Entries For Fair Accepted Sat., Sun.

Mrs. Herman Miller, Burkburnett General Chairman of the Women's Dept. of the Texas-Oklahoma Fair, states that exhibits will be accepted in the following divisions: floral, fine arts and amateur photography, ceramics, antiques, relics, curios, handicraft and collections, textile, knitting, crochet, tatting, quilt and rug, hand painted china. The canning and baking exhibits have been elminated this year. The chairmen of the Women's division are especially requesting entries in the knitting, crochet and tatting divisions for those over sixty or those under sixty.

Entries will be accepted at the Woman's building at the fair grounds all day Saturday and Sunday from 2:00-5:00. Floral entries will be accepted until Monday noon.

Mrs. Miller will take entries to the fair for those who do not have a way. Her telephone number is 612.

Texas-Okla. Fair Starts With Parade Sept. 23 9:00 A. M.

Monday at 9:00 a. m. Sept. 23 the Texas-Oklahoma Fair will opens its 29th Annual Exposition with a fabulous Parade of progress through downtown Iowa Park to the Fair grounds at 6:00 p. m. This years' Fair will be the largest in the history with addition of the new departments and greater interest in all departments. Scheduled for the entire week are free stage shows, band contests and the Texas Wildlife exhibit with a mammoth midway of fun and amusement along with the Texas Ladies Barrel Race Association Friday and Saturday afternoon. The Fair has distributed 110,000 free school student tickets to all area schools. Every building will be filled with exhibits and promises to make everyone's visit a pleasure.

ROTARY CLUB

Meets Each Tuesday Noon
Morris Bookbinder, President

Thirty-two Rotarians and guests attended the noon day luncheon at Town Hall Tuesday. A two-minute silent prayer was offered for Ted Harwell, past president and secretary of the local club, who was killed in a plane crash Friday.

John Brookman was responsible for the program and presented Mr. Charles Wyatt, district sales manager for the Humble Oil Co., and his able assistant, Ben Caughey, who showed colored films of the outstanding plays and highlights of the 1956 Southwest Conference football games. The program was timely and very entertaining.

President Bookbinder announced the chicken dinner and bingo game to be held Sept. 26th at 7 p. m. at the Town Hall.

James Pardee was a guest of W. B. Hamilton, Wichita Falls Rotarian.

The club is looking forward to a fine program next week. As usual Paul Browning always comes up with something different and enjoyable.

Mrs. John Brookman and Mrs. H. D. Maney returned Tuesday from Houston after a visit with their son and daughter, Mr. and Mrs. Don Brookman.

F. H. (Ted) Harwell Last Rites Monday

Funeral services for Forest H. Harwell, Wichita Falls oilman killed in a plane crash near Chandler, Okla., Friday were held at 2 p. m. Monday from the First Baptist church in Wichita Falls.

Dr. James H. Landes, pastor, conducted the services assisted by Rev. T. Herbert Minga, former pastor of First Methodist Church in Burkburnett. Burial was in Crestview Memorial Park under direction of Owens and Brumley Funeral Home.

Harwell, 40, was member of a wealthy Wichita County family and managed the family's oil holdings. He was also an insurance man in Wichita Falls and Burkburnett and was a partner in Felty-Harwell Co., an oil well casing pulling firm.

The veteran pilot died before dawn Friday in the wreckage of his small airplane that crashed in a field near Chandler, a small Oklahoma town less than two hours flying time from Wichita Falls. Harwell departed from Gilchrist Airport about 1 a. m. but did not file a flight plan as was his usual custom, CAA officials here reported.

Lincoln County Undersheriff Hubert Kinnear said Harwell may have been attempting to land in the small field on the Craig farm, four miles west of Chandler. Kinnear said tree tops near the open pasture had been clipped by the Tri-Pacer Piper aircraft.

Wreckage was scattered over a wide area and CAA investigators could give not immediate cause of the crash. Good flying weather was reported.

Harwell was a former pilot for American Airlines. He joined the airlines after serving in the Air Force during World War II and initial identification was made by a card found on the body showing Harwell was a retired American Airlines pilot.

Survivors include his widow, the former Katy Taylor of Burkburnett; three sons, Guy Pat Harwell, Glenn D. Harwell and Gary Harwell, all of the home address at 530 Fairway Boulevard; his mother, Mrs. I. E. Harwell of Burkburnett; a brother, Dr. I. E. Harwell of Wichita Falls and a sister, Mrs. Gene Robertson of Burkburnett.

Pallbearers were A. R. Hill, Harold VanLoh, F. T. Felty, Glen Bear, Jack Farley, Joe Fletcher, Frank Kinnie and Tommy Myers.

Burk Resident Since 1918 Dies

Mrs. Eunice Kailey, 79, resident of Burkburnett since 1918, died in a Wichita Falls hospital Thursday morning.

Funeral services were conducted from the chapel of the Owen & Brumley Funeral Home here at 9:30 a. m. Friday. Burial was in the Burk cemetery.

Born on June 10, 1878 in Tennessee, Mrs. Kailey is survived by one daughter, Mrs. Lewis Cervenka of Temple; two sisters Mrs. Viola Bryan and Mrs. Bell Blankenship of Burkburnett; 2 sons and eight grandchildren.

NOTICE

The Eastern Star will sponsor a RUMMAGE SALE Friday and Saturday, Oct. 11 and 12th. 10-1tc

Burk Received Heavy Rain Sat. Afternoon

Destructive winds and heavy rains hit the Burkburnett area Saturday afternoon about 5:30 p. m. Various amounts of rain, ranging up to 3 inches, were reported in the different sections of town. Approximately .75 of an inch fell in the downtown area in a 30 minute period. Only light damage was reported.

The only major damage reported was by Mrs. F. R. Knauth who lives on a farm west of town. She reports that a barn on her home place was demolished.

Burkburnett Trims Iowa Park, 31-0

The powerful multiple defense employed by the Burkburnett Bulldogs rolled the Iowa Park Hawks aside here Friday night to score in every quarter for a 31-0 non conference win.

The Bulldogs alternated with the singlewing and straight T formations to score in every quarter and pile up a tremendous 362 yards rushing plus 54 passing for a total offense of 426 yards for the night. Friday night's victory was the second in two starts for the powerful Burk aggregation which last week crushed Holliday 26-6 in the season opener.

Wingback Gary Jennings provided much of the Bulldog offense Friday night as he stepped off 208 yards in only six carries and one touchdown. The speedy back was alto instrumental in setting up two other Burk tallies.

The Hawks were handcuffed by the aggressive Bulldog forward wall powered by Tackle Cleve Christian, Guard Mike Hoffman and defensive back Johnny Veach. Iowa Park managed only five first downs and a total offense of 109 yards, majority consumed in a late fourth period march against Burkburnett reserves.

Iowa Park succeeded in moving to the Burk six late in the game but the drive was blunted there and the ball went over on downs.

Jennings opened the scoring after a scoreless first period as he scampered 67 yards around his own right end behind a wave of blockers coming from the Bulldog's singlewing attack. Fullback Richard Hinkle threw the key block that shot the fleet wingback into the clear.

Still in the second quarter the Bulldogs moved 68 yards in only seven plays for the second score. Veach, running from tailback, plowed over from four yards out The key play in the scoring march was Quarterback Mike Lacy's wide keeper from the T formation that netted 21 yards.

Just before the half, Hinkle blasted over from one yard out to cap a 45-yard march on the third play. Hinkle's scoring play resulted from a 31-yard pass from Lacy to end Pat DeFalco.

The Bulldogs scored once again in each of the final two periods while stalling every Iowa Park thrust with ease.

The powerful Burk machine ground out 82 yards in 10 plays on their third period touchdown drive with Veach getting the last four.

In the fourth period, Jennings raced 63 yards to the Iowa Park 28 before being brought down and then on the next play end Charles Darter raced around end on a reverse and went over untouched.

Prior to Jenning's run in the drive, Lacy had a 75-yarder nullified by a clipping penalty that moved Burkburnett back to its own nine.

Burkburnett next week journeys to Seymour for a battle with the Panthers in their third warm up game of the year.

BURK GARDEN CLUB WILL MEET SEPT. 25th

The Burkburnett Garden Club will open their new year with a coffee Wednesday, Sept. 25th at 9:30 a. m. in the home of Mrs. Walter Riley on fourth street. Mrs. Tom Britton will be co-hostess.

Psoriasis — Medical Enigma

Millions of dollars are being spent every year in scientific research on the ancient disease called psoriasis—which is all to the good, since doctors know more about it today than in biblical times when it was often confused with leprosy.

But millions of dollars are also squandered each year by victims of this depressing and unpredictable ailment who are pitifully eager to accept any promise of relief, however wild and unfounded.

To protect these six million suffers—and there are more each year—against their understandable gullibility, and to provide them with the soundest advice and information thus far available, a new book, "Psoriasis—Causes and Treatments," is announced by the Human Factors Research Bureau, Inc., National Press Bldg., Washington 4, D. C. ($2 postpaid). Based upon a ten year study of research discoveries and methods of treatment the world over, this authoritative treatise offers safe and sound suggestions for minimizing the length and frequency of attacks.

Psoriasis, as the book points out, is a complex disease, and one that is closely allied to nervous tension and anxiety. Thus, each case is as individual as the person affected and the treatment must be adapted to the individual. Much of the danger in the advertised nostrums lies in the fact that what may help one patient could be harmful to another.

Antihistamines, Antibiotics, analgesics and other sensitizing drugs, in various combinations are found in many of the ointments, tablets and capsules sold for the treatment of psoriasis. It is well known that many people suffer severe and often dangerous reactions from some of these drugs, but are greatly helped by others. Hence, the psoriatic should have medical guidance in his choice of remedies.

Physicians are still theorizing on the cause or causes of psoriasis. Some attribute it the metabolic dysfunction. Others consider emotional disturbance the principal cause, and many are convinced that glandular disturbances are a factor. Since there is considerable evidence to support each theory, the chances are that all are correct—to some degree.

What is known, however, is that while this disease has never killed anyone, the mental anguish of the sufferers, their almost universal urge to hide their ugly rash from even their closest friends, is killing business and professional careers, blasting romances and extinguishing social life. In bringing new light and hope into these darkened lives, the new Human Factors book could well be one of the greatest literary contributions of our day.

GRASS ROOTS OPINION

BAY SPRINGS, MISS., NEWS: "An editor of a Pennsylvania newspaper complains that people have become so fearful, he finds it difficult to get an interview from them. He sampled around 2,000 individuals for expressions of opinion, and found but a few who were willing to talk. There was no trouble to get them to talk about the weather, about the amenities of life, but when it came to giving opinons about national or international affairs, he found the great bulk loathe to say a word. The newspaperman thinks that something is radically wrong when people in a great democracy are fearful to express an opinion."

THORP, WISC., COURIER: ". . .the agriculture revolution in this country has made it possible for each farmer to produce enough for himself and 19 other people, where 50 years ago he could produce only enough for himself and 6 others. The driving force in that revolution has been mechanization."

DENISON, TEXAS, PRESS: "Like the good and faithful family dog, the newspaper comes to the master of the house and remains until it has brought its messages. You can wrap up the history of the family or the nation in your hometown newspaper. That's why it is the greatest entertainer of all time."

TEMPLE, ARIZ., DAILY NEWS: "The democratic tradition was strong in Poland long before it had followers in most other European countries. Although nominally a monarchy, it was ruled by elected kings, not men who attained royal rank by no better right than that of inheritance."

BELLINGHAM, WASH., HERALD: "The new ambassador designate to Ceylon says he could not name the prime minister of Ceylon because he could not pronounce his name correctly. It is Solomon West Ridgeway Diaz Bandaranaike. Let the senator who would not have goofed also cast the first stone."

LIBERAL, KANSAS, SOUTHWEST DAILY TIMES: "Vice President Nixon believes that last year's uprising in Poland and Hungary were the beginning of the end of the communist empire. Would that he is right."

SAC CITY, IOWA, SUN: "We talk about federal aid and we seem to believe that the government can hand out grants without reservation, to any group that requests it. We seem to fail to realize that before the government can provide aid to the hundreds and hundreds of groups who are asking for it, that the money must be forthcoming from someone, and that someone is Mr. Average Taxpayer."

Hardin HD News

Hardin Club met Sept. 11th at the home of Mrs. Opal Hickey Meeting opened with a prayer by Mrs. A. A. Jacobs. A song was sung followed by roll call which was answered by 15 members. After reading of the minutes, the reports from various committees were given. During the business meeting a discussion was held on the fair to be held at Iowa Park Sept. 23-28. Hardin club will have the Dr. Pepper booth all day Friday, the 27th. They will also sell hot dogs, coffee, pie and cake.

The club has invited Mrs. Bryant of Electra to give a report on the state meeting. On Oct. 17th there will be a covered dish luncheon and the club will entertain Park Area club.

Lovely refreshments were served and club adjourned to meet Sept. 25th at the home of Mrs. Veda May Krusemark.

MEN'S BIBLE CLASS ELECTS OFFICERS FOR NEW YEAR

Members of the Men's Bible class of the First Baptist church recently elected new officers for the coming year. They are as follows: president, J. B. Riley; 1st vice president, C. E. Knight; 2nd. vice president, Fred Hunt; secretary, C. Reed; ass't sec., Harrold Preston; 2nd ass't sec., Jeff Kennedy; Pianist, Mur Ann Elliott; ass't pianist, Geo. McClarty; song leader, W. H. Cross; teacher, W. R. Carswell; ass't teacher, Ralph Davis.

The new officers will take over their duties Sunday, Oct. 6th.

VISITS LONGHORN CAVERN

Miss Wanda Redman of 522 N. Ave. E. Burkburnett, took the guided tour through famous Texas Longhorn Cavern recently while on a trip through the scienically beautiful Highland Lakes region of Texas with parents of her friend, Miss Sharon Baxter of Wichita Falls.

The cavern, located in Longhorn Cavern State Park four miles south of Burnett off U. S. Highway 281, is the third largest cave in America. Over eight miles of the underground passageways have been explored without an end being reached.

The two-mile guided tour is conducted several times daily through the more marvelous and amazing of the Cavern's vast rooms and chambers.

TEXAS DHIA HERDS

In the Texas DHIA Honor herds which includes all herds on DHIA test during 1956 with a herd average of 10,000 pounds or more has just been released by the A and M college. There are 321 herds on test in Texas. We would like to congratulate the following dairy farmers that are members of the Wichita Valley DHIA Association and their herds average above 10,000 lbs of milk. They are as follows: Gene Robertson, Hershel Studdard, Leo A. Hoff, Clarence Wolf Ben Schneider and Robert Wolf.

How would you explain it to a child?

What do you tell him after the crash—"Daddy isn't coming home any more"? Does that explain even one death . . . let alone 40,000 in traffic accidents last year?

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Here's how you can help:

1. Drive safely, courteously yourself. Observe speed limits, warning signs. **Where traffic laws are obeyed, deaths go DOWN!**
2. Insist on strict enforcement of all traffic laws. They work for you, not against you. **Where traffic laws are strictly enforced, deaths go DOWN!**

Support your local Safety Council

Miss Gussy Oneita Anthony Becomes Bride Of Mr. Bobby Wayne Wilson August 25th

Miss Gussy Oneita Anthony, daughter of Mr. and Mrs. R. M. Anthony of Abilene, became the bride of Mr. Bobby Wayne Wilson of Burkburnett on Sunday, Aug. 25th, 2:30 p. m. at the home of the bride's parents.

Mr. Wilson is the son of Mr. T. L. Wilson of Custer City, Okla.

Rev. Benny D. Hagan, pastor of the Corinth Baptist church of Cisco, performed the double ring ceremony. Vows were exchanged before a archway banked with white gladioli, gardenia, greenery and white wedding bells.

Misses Lena and Betty Layman sang Bless Be The Tie.

The bride was attired in a street length dress of white lace over taffeta, fashioned with a square neckline and compliment ed with matching lace duster. Her shoulder length veil of illusion was attached to a white hat sprinkled with rhinestones. She carried a bouquet of red roses atop a white bible, a gift from the groom.

Miss Jean Anthony, sister of the bride, was maid of honor. She wore a street length dress of blue lace over a pink slip. Her corsage was white carnations.

Floyd Wilson, brother of the groom, served as best man.

Miss Jerry Kay Anthony registered the guests and Wade Anthony served as an usher.

The bride is a 1951 graduate of Snyder High School and is employed with Southwestern Bell Telephone Co. in Wichita Falls. The groom graduated from Custer City, Okla., High School and is employed by Parker Food store in Burkburnett.

The newly weds are making their home at McNeil Apt. No. 4 in Burkburnett.

Out of town guests for the wedding included: Mr. and Mrs. Floyd K. Wilson and Barbara, and Mr. and Mrs. W. D. Sage Wayne, Jane, and Donny, all of Burkburnett; Mrs. F. D. Moore, Ernest and Sue, Rev. Benny D. Hagan, Cisco; Mr. and Mrs. Geo. Miller of Houston; Mr. and Mrs. Robert O. Anthony of Snyder; Mrs. Vernie Smith and Rebecca Ann of Alberquerque, N. M. and Mrs. Esther Carlisle of Naples, Texas.

HARDIN PTA OPENED YEAR WITH LARGE ATTENDANCE

First meeting of the Hardin PTA was held in the auditorium Tuesday, Sept. 17th at 3:30 p. m. with the new president, Mrs. Neva Zimmerman, presiding. Rev. Turner opened the meeting with a prayer after which the youth choir of the Methodist church entertained the group with a selection of songs.

Faculty members and the PTA officers were introduced, then minutes of the last PTA meeting were read by Sue Beavers. The finance and budget committee gave a report. Projects for the coming year include: the Halloween Carnival, King and Queen contest and Bake Sales and Rummage sales.

It was announced that a bi-county meeting will be held Wednesday, Oct. 9th at Friberg.

A nursery will be provided at the Youth Center every PTA day.

Mrs. Martin's room won the $5.00 attendance prize.

A large crowd was in attendance for the first meeting of the new year and we are looking forward to a year of accomplishments in PTA work.

Refreshments were served to the members and visitors.

UNITY GARDEN CLUB OPENS YEARS WORK SEPTEMBER 11

The Unity Garden club opened its years work Sept. 11th in the home of Mrs. R. C. Gilbow with Mrs. B. H. Alexander, Sr., as co-hostess.

Mrs. A. W. Newman, president of the club, welcomed old members and one new member, Mrs. P. H. McPhail. The theme for the years work is Sow, Grow and Show.

The president in her opening address urged the club to continue the good work in the coming year as they had done in the past.

A pilgrimage to The Henderson Herb Garden in Vernon will be made Sept. 24th. An interesting Civic Program was given, Landscaping of Civic Project, by Mrs. S. M. Landrum, Maintenance of Civic Project, Mrs. Troy Miller.

A lovely refreshment plate was served to twenty-one members.

BWC Met Monday Night With Mrs. R. P. Thaxton

The BWC of the First Baptist Church met with Mrs. R. P. Thaxton Monday night.

Mrs. Thaxton conducted a round table review of the book, The Gentle House. Following the review, the circle chairman conducted a short business meeting.

Mrs. Claud Reed, with Mrs. I. C. Evans, Miss Wagoner and Mrs. W. C. Ramsey, brought a very interesting program on State Missions. The song, Work for the Night is Coming, was sung. Miss Wagoner led in prayer.

Those enjoyin the very inter-

Those enjoying the very interfreshments were Mesdames W. C. Ramsey, Claud Reed, C. B. Beldon, Frank Kelley, C. W. Varner, C. W. Clemment, Claud Bowman, Luke Warren, W. A. Minick, I. C. Evans, Lawrence, Miss Wagoner, Miss Jewel Reed, and visitors Mrs. J. F. Vogel, Mrs. Brock, Mrs. Quattlebaum, and the hostess, Mrs. Thaxton.

FRIENDSHIP CLASS ENJOYED PARTY SEPT. 11 AT BROWNING HOME

The Friendship Class of the First Baptist Church met at the home of Mrs. Wiley Browning on Sycamore Road Wednesday, Sept. 11th.

Hostesses were the losing side of an attendance contest of the class over a given period of time.

A short business session was presided over by the president, Mrs. Sam Weaver.

Mrs. Cheney, assistant teacher, gave the devotional, a beautiful study from the 23rd Psalms.

Four awards were given for a years perfect attendance by the teacher, Mrs. R. P. Thaxton, to Mrs. Sam Weaver, Mrs. Cheney, Miss Annie Laurie Billingslea and Miss Ella Billingslea. Miss Miss Ella Billingslea also received a 5 years perfect attendance award.

Miss Ella Billingslea told a most unusual story, Miss Letitia's Confession. Everyone enjoyed her new dialect and a return performance is expected soon.

Mrs. Browning and Mrs. Peed held a biblical contest on characters from the Bible between the winning and losing groups of the attendance contest and since the class is to be divided soon, had a "Going Away Contest."

Two suitcases filled with antique clothing were used to dress and undress in haste. A rather unique combination garment slowed the race to a mere walk for the losing side.

To close the party which was held in the Browning's spacious backyard, lovely plates of home made ice cream and cake were served to 33 members, four service group members, one visitor, Mrs. F. A. Wilkinson, and the hostess, Mrs. Browning.

Mrs. Virgil Brookshear of Aztec, New Mexico, is visiting relatives and friends here this week.

Gospel Meeting At Church Of Christ, Randlett Sept 22-29

A gospel meeting is scheduled Sept. 22nd through the 29th at the Church of Christ in Randlett, Okla. Services will be held each evening at 7:30.

Evangelist Willis Kreager of Gainsville, Tex., will bring the sermons from a beautiful handpainted chart. Bro. Kreager is well known in this section as he served the church in Burkburnett as local minister from 1925 to 1935.

Joed Inman will have charge of the song service.

Everyone is cordially invited to attend these services.

METHODIST JUNIOR FELLOWSHIP NEWS

The Methodist Junior Fellowship (MJF) resumed their regular meetings on Sept. 8 and 15th with a good attendance at both meetings.

Mrs. Jim Pirtle is the new secretary of children's work in our Woman's Society of Christian Service and is meeting with the children each Sunday evening at 6 o'clock in the Fellowship Hall. She is being assisted by Mrs. O. E. Melton. During the month of September, the group is studying, "We are the makers of Peace." Why be a peacemaker? What peace can bring to the world and what it costs to be a peace maker. Who were the first peace makers long ago and who are the important ones today.

Thirty minutes is spent in worship and study and 30 minutes for refreshments and recreation We need your juniors and they need us. We have planned a hobo party for next Thursday evening, meeting at the church and hiking to the City Park, Sept 26th.

Mr. Bill Wood, who is employed by the Texas Commission for the Blind in San Antonio, has entered Trinity College where he will work toward his Masters Degree. He received his Bachelors Degree last year. Mr. Wood is the son of Mrs. J. R. Wood of Burkburnett and is a former resident of this city.

Cub Scouts

DEN TWO

The regular weekly meeting of Den Two was held Tuesday, Sept. 17th in the home of Mrs. Mattie Lawson, Den Mother.

The following cub scouts attended this meeting: Lanny Jones, Charles Fletcher, Joe Story, Gary Koenig, Phil Seay, Wallace Robinson and Eddie Bumpans.

Everyone enjoyed games after the meeting.

PHIL SEAY,
Keeper of the Buckskin

Mrs. Lottie Bryarly recently attended a family reunion in Russell, Kans. She also visited Joe Earl Bryarly in Nebraska and Mrs. Ruth Chambers and family in Iowa. The Chambers family and Mrs. Bryarly enjoyed a fishing trip to Minnesota and report they caught lots of fish.

TELEPHONE TALK

by C. A. Deuschle, Manager

D Day Sunday, September 22nd

Sunday, September 22, at 1:01 A. M. your New Dial Telephone will be placed in service. Since all local calls will be handled through automatic switching equipment, it is important that everyone in Burkburnett memorize the new telephone numbers of the police, fire, and other emergency departments. Following is a list of the new emergency telephone numbers:

FIRE—(To Report A Fire Only)	*JO-9-3341*
POLICE	*JO-9-2231*
Other Special Dialing Instructions:	
Long Distance	*Dial Operator*
Numbers Not In Directory	*Dial Operator*
To report a telephone out of order	*Dial Operator*
Telephone Business Office	*JO-9-2291*

SAFELY BACK TO SCHOOL

Well, it's September and school bells are ringing again. It's a good time of year to remind ourselves to be even more cautious in our driving—especially until we get accustomed again to school stops and small-fry pedestrians.

Here at the telephone company, we've always stressed safe driving—"Safety consciousness" as well as care and skill handling our cars and trucks.

Telephone men like Floyd Marten, Charlie Hacker and Foye Holland deserve much credit. Year in and year out, they drive 10,000 or more "safe miles". Thanks to their records and similar ones established by telephone drivers in other cities, Southwestern Bell again won the National Safety Council's Award of Honor in 1956.

DON'T RUN! REACH!

Next time your telephone rings, think about this: Can you reach out and answer it . . . or do you have to run for it?

Is it handy? Or is it in some out-of-the-way place? Maybe even on a different floor?

The cost of having telephones wherever you need them around the house is surprisingly low, especially in comparison to the comfort and convenience they give you.

Each extension phone costs only $1.00 a month plus a one-time installation charge.

Why don't you call or come by the telephone business office? Let us help you plan complete, convenient telephone service. More and more people are learning the *Modern Idea* is to have phones within easy reach.

Call by number. It's twice as fast.

Grade School News

We are still gaining in enrollment in the Hardin Grade School and in the primary building. We have 711 children enrolled in five grades and one section of the sixth grade. We are having a lot of fun and all of the boys and girls are very anxious to get to school early each morning. Our first grade boys and girls are getting very anxious to stay at school all day. They think they are getting to be real large boys and girls.

We are anxxiously looking for ward to Tuesday, Sept. 17th as the first meeting of the Parent-Teacher Association of the new school year. We do want our mothers and fathers to come by and see how we are getting along at school.

Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:

Herman Andrew Mills, girl, Teresa Aleen

Jr. High News

SECTION 8-3

Elections were held in the 8-3 homeroom this week. Nominees and candidates for offices were named by the students.

For cheerleader candidates will be Nancy Darter and Jan Good. These girls, with two representatives from each of the other three eighth grade homerooms will be voted on by all members of the eighth grade. Two girls will be elected.

Each of the four eighth grade homerooms nominated a slate of officers for the eighth grade class to be voted on by the entire class. From 8-3, candidates are President, Donnie Boren; vice pres., Ruby Musgrave; Sec., Gary Fuller; and treasurer, Carol Turner.

To represent 8-3 in the Student Council will be Dennis Culpepper and Linda Carter. The Student Council will be organized by the representatives from all the homerooms in Junior High and officers will be selected from these representatives.

Carolyn Bell and Sam Brakebill will be reporting the news from 8-3 each week, after being elected reporters of the home room.

Stars Of Free Shows At State Fair

Free entertainment during the 1957 State Fair of Texas in Dallas Oct. 5-20 will include the daily performances of the Aztec-Mayan Spectacular featuring Aztec Princess Teo-Xochitl (top left); the big East Texas Day show in the Cotton Bowl Oct. 15 starring Singing Star Gordon MacRae (top right); daily shows by Hank Thompson (bottom left) and his Brazos Valley Boys, and daily appearances by Mark Wilson (bottom right), magician often seen on TV.

Fire monitors for the year will be Jackie Hunter and Dewayne Moyer. From the two fire monitors from each homeroom, a fire marshall will be elected for the school.

SECTION 8-1

This week the election for officers of Junior High was on most of our minds. From our section our officers were as follows:

President, Sid McCullough,
Vice, president, Bud Kennedy
Secretary, Shirley Reyonlds
Treasurer, Glenda Turner
Student Council Representatives, Karan Burton and Chuck Duke

Homeroom reporters, Linda Holt and Perry Hoover.

Fire Monitors, Bud Kennedy and Hollie Morris

Cheerleaders, Linda Holt and Karan Burton

SECTION 8-2

Tuesday, Sept. 3rd, being the first day of school, 8-2 had 31 pupils enrolled. Three new pupils, Judy Nall from Clay Center, Neb., Linda Hay from Wichita Falls and Glen Branch from Electra. We are very glad to have these new students. We are striving to make this a very good and pleasant year.

The 8th grade officers, cheerleaders and fire monitors are:

President, Harold Lindsey
Vice president, Tom Reed
Secretary, Anita Sweet
Treasurer, Kay Zimmerman
Student Council, Margaret Faulk and Bill Welch
Homeroom reporters, Billie Fern and Lahoma Johnson
Fire Monitors—Ray Shaw and Jerry Barry.
Cheerleaders—Judy Nall and Martha Hawhee.

SECTION 7-1

In 7-1 this week we were busy electing officers. Don Overton and Barney Fudge are our Fire Marshalls. Our reporters are Romona Bridges and Donald Mason. Billie Eidson and Barry Liles are our Student Council representatives. Our two librarians are Mitzi Mills and Cathy Ross. Our cheerleader nominees are Lynette Bell and Judy McMullen.

Mrs. L. O. Campbell visited her mother Mrs. J. R. Doss and other relatives in Waurika, Okla., last week.

Zundy Romps Past Burkburnett B, 41-0

Zundy's Golden Eagles slammed into the 1957 football season with throttle wide open Thursday, running wild over the Burkburnett Bulldog "B" team 41-0.

The victory gave the Wichita Falls Junior High Team an 11-game win streak. Zundy went through its season undefeated last year.

Burkburnett managed only one scoring threat, moving to the Zundy 22-yard line in the first period before Coach Morris Mercer's crew could solve the multiple Bulldog defense.

Wingback Don Whitehill, taking the ball on a reverse, raced 35 yards for Zundy's first counter. Tommy Gowan passed to John Tatum for the extra point.

Still in the first period Don Rector went wide on a 40-yard scamper for the second Zundy TD. Criss Catham kicked the extra point.

The Zundy single wing attack sprung David Humphrey for a 55-yard gallop to lift the curtain on the second quarter, and a few minutes later Burk was smeared behind its own goal line for a Zundy safety.

Leading 22-0 at the half, the Golden Eagles scored twice in the third period. Whitehill accounted for both counters. He went 20 yards for the first and 43 yards for the second. Larry Shields converted for the second and the try for conversion failed after the first touchdown.

The final Zundy counter was set up by a 40-yard pass from Rector to Chatham on the 1-yard line. Rector carried over the the TD.

Zundy's defense delighted the coaches who are working with inexperienced material this year John McClure, Robert Burnam, Bob Colvard, John Laukel and Freddie Pink drew praise from teammates and coaches. McClure is defensive tackle Burnam, middle guard, Colvard, line backer, Laukel tackle and Pink a defensive end.

News From The County Agent

The annual district and county Sears Pig Show will be held at Iowa Park at the Fair Grounds on Saturday, Sept. 14th. The County Show will be judged at 9 a. m. and the district show will be judged at ten a. m. The Wichita County boys showing pigs in the show are Garland Weeks, Ronnie and Butch McAllister, Leon Stallcup, Bryan Scherff, Kenneth Johnson, Sonny Bentley, William Pinson and Olen Baley.

A number of farmers in the county are preparing their grain land for sowing in October. We need a good general rain for the sowing of small grain and winter legumes.

It looks like we will make in Wichita County, a 50 to 75% normal pecan crop in the county this year. Lloyd Griffitts can producer in the in Valley, will make a 60 t of a normal crop.

Cattle prices, he said continue good. Egg price already increased and will increase even more into Lamb prices this fall may age as high or possibly higher than last year. Hog will probably continue to bove last year until the part of 1957. Then they m below that of late last ye at this time next year wi bably be much lower tha are today.

The $3,000 limitation f 1958 acreage reserve ha interpreted as being $3,0 producer per farm. This that producers with mor one farm can receive up 000 in Acreage Reserve pa for each farm.

ENJOY BETTER LIGHT TONIGHT

Stock Up on Right-Sized Bulbs Today!

Light up for the longer evenings ahead! Get enough new bulbs to fill all your empty sockets . . . plus an extra carton or two to keep on hand for spares.

For easy seeing, make sure the bulbs you buy are the right size for their intended use. Bulbs that are too small may result in eye fatigue, as well as dim and cheerless places in your home.

The list below shows recommended bulb sizes for some of the most commonly used lamps and fixtures. It's your guide to better light...with the right bulb in the right place.

Table and end table lamps	150 watt
Floor lamps	300 watt
Kitchen ceiling fixture	150 watt
Multiple socket ceiling fixtures (per socket)	60 or 75 watt
Pin-to-wall lamps	100 or 150 watt
Vanity lamps	100 watt

For three-way lamps, use the following bulb sizes: Floor lamps, 100-200-300 watt three-light; table and end table lamps, 50-100-150 watt or 30-200-230 watt three-light; vanity lamps, 80-70-100 watt three-light; wall lamps, 50-100-150 watt three-light.

STATE CAPITOL News

By VERN STANFORD
Texas Press Association

the 72nd time in Texas, gislature will convene in session Oct. 14th.

ughout the summer there ely debate as to whether step should be taken. rice Daniel put an end culation by setting the urpose: to enact laws in to lobby control, repre- n before state agencies, study and water develop-

g special sessions has ore the customs of Texas rs than not. Of the 71 s called since Texas be- state, 41 have fallen in ear period since 1911, al- e a year.

st all Governor Daniel's essors in the past 30 years lawmakers back at least exception: Beauford Jes- W. Lee O'Daniel.) Gov. ody holds the record for the Legislature busy. months of 1929 and 1930 d five special sessions. ers-up are Gov. Miriam n, who called four in d 1934 and Gov. Ross who called four in 32. Gov. James V. All- lled three in 1935-1936 more in 1936-1937. se days a legislator had his bag packed. were the issues that kept makers so busy in those Mostly, the same ones they're working on today.

In the day of Gov. Moody's five calls, regular sesions were only 60 days, so a lot of routine business overflowed. But he also called their attention to special problems. Many sound familiar, improvement of the Prison System "along modern and scientific lines," regulation of securities sales, investigation of charges against a state official. At one time Gov. Moody vetoed all the appropriation bills and told the Leslislature to try again—within the budget.

Governor Sterling asked legislature to enact a program to conserve natural resources, particularly oil and gas, and to help farmers, hard hit by sagging cotton prices. Sterling also had a states rights vs federal courts problem in that the U. S. Supreme court had negated Texas' oil proration laws.

Mrs. Ferguson had to call lawmakers again and again to wrestle with the "hard times" of the thirties. Relief bonds to help the unemployed and destitute were passed. In one of her calls Mrs. Ferguson, with a eye for housewifely problems, called on lawmakers "to make needed appropriation for refrigeration in the Governor's Mansion."

Gov. Allred's special session dealt with some of the most stirring issues of the thirties. He asked for liquor selling regulations following the repeal of Prohobition and for a law banning pari-mutuel betting at race tracks. He also asked for money for old pensions ($15 a month in those days) and for more taxes to get the general revenue fund out of the red.

In most cases, the governors got the laws they wanted passed sometimes by calling one session on the end of another, some times in a session as short as nine days.

Water Program Okayed —

In one area, water development, legislators have their work cut out for them.

A 150 member statewide water committee approved a three point program proposed by the governor. It calls for:

1. Appropriating $1,024,000 to set up a planning division under the State Water Board.

2. Laws enabling the state to contract for water storage space in federal reservoirs.

3. An all-out push to rally support for passage of the $200,000,000 water bond amendment to be voted on Nov. 5th. Harry Provence, Waco editor, is chairman of the campaign committee. Lon C. Hill, Corpus Christi businessman, is co-chairman.

Window-Jumping Deferred —

Several people in Austin have suggested forming an "I'm bored with BenJack" club.

Their attitude stems from Promoter BenJack's refusal to testify about his part in ICT affairs during his appearance in Austin. During his flambouyant return to Texas several weeks ago Cage promised to tell things about the bankrupt companies' affairs that "would have people jumping out of windows."

Cage stayed only 10 minutes when he appeared before the Travis County grand jury. When called by the House investigating committee, he invoked the Texas brand of the fifth Amendment and refused to testify.

If sensational information is to be revealed, it apparently will not come until Cage comes to trial in Dallas on charges of embezzling ICT funds.

Officer Hits Traffic Laws—

Texas is behind other states in traffic regulations and ahead on traffic accidents, says a Texas safety official.

C. G. Conner, assistant chief of the Highway Patrol, said Texas has one of the highest traffic death tolls in the nation. It's as much as three times as safe to drive in some other states where more up-to-date laws are being enforced, he said.

Texas had 250,000 accidents last year, Conners reported. He suggested more driver education courses for teen-agers, more traffic courts, more arresting of drunk drivers.

Officers Licensing Proposed —

Serving as a peace officer should be a profession, like law, medicine and teaching, says Atty Gen. Will Wilson.

Wilson suggested a state licensing program whereby would-be peace officers would have to meet certain requirements.

It would be slow getting established, said Wilson, but would raise standards and emphasize the importance of the officer's work.

Cotton Crop Up—

Good farming plus early spring rains are paying off for Texas cotton growers. U. S. Dept. of Agriculture predicts the state's 1957 crop will be well above average, 4,050,000 bales. Average for 1946-55 is 3,742,000.

If the crop comes out as expected, it will mean yield-per crop has almost doubled in the past few years. Texans put only half as much acreage in cotton this year as in previous years when crops of similar volume were harvested.

Benjamin Franklin was the first Postmaster of the United States.

TEENAGE COLUMNIST — One of the happiest young ladies in the State of Texas is 16-year-old Saundra Bradham of Kermit, who has been awarded an engraved, copper plaque by the Texas Press Association. The presentation is in recognition of Saundra's record as a "Teenage Columnist" for the Winkler County News. She began writing the column when ten years of age. Since that time she hasn't missed an issue or a deadline.

News From The County Agent

Lee and Jan Robertson, daughters of Mr. and Mrs. Gene Robertson will show three Holstein heifers in the Junior Dairy Show at the Dallas Fair. There will be a total of $3,010.00 in prize money. The Junior Dairy show will be judged on Wednesday, Oct. 16th. All entries must be in place not later than 4:00 p. m. Monday, Oct. 14.

Twenty-three dry lot steers from Wichita County will be entered in the Junior Market Steer show at the Dallas Fair, says B. T. Haws, county agent. There will be $4,650.00 in prize money. Sifting of steers will be on Tuesday, Oct. 15th. The steer show will be judged on Thursday, Oct. 17th starting at 8:30 a. m. The boys and girls entering steers are: Billy Gholson, Mary Gholson, Rusty Martin, Gary Martin, Charles Moeller, Paulette Moeller, David Johnson, Denny McCarthy, Susan McCarthy, Butch McDonald, Benny Rogers, Tooter Rogers, Johnny Hodgkins, Joe Propps, Herbert Propps, J. M. Propps, Charles Webb, Judy Webb, Harvey Barbee, Olen Baley, Linda Baley, Sonny Bentley and Karen Bentley.

Winter pastures are not an expense, but an investment. They provide green grazing in the fall, winter and early spring and good quality grazing crops can help reduce the cost of wintering livestock, maintain growth and production, says B. T. Haws, county agent. Now is the time, he adds to complete plans and get the winter pasture program underway. A visit with the local county agent can help answer many questions on the subject.

Farmers interested in cotton production are encouraged to go by the Farmers Co-op Gin and check the cotton variety test. Storm Proof No. 1 has 50 bolls while Lankart 611 has only 25 bolls. Cotton harvest should get in full swing early next month. The cotton in the county is fruiting good.

In tests conducted in Kansas, deep tillage for winderosion control has been found to be most effective on land where deep sand, 12 to 24 inches, covers a layer of clay. Turning the layer of clay to the surface does help. because a rough surface gives the best resistance to wind erosion.

Plans were completed this week for a dairy sale to be held in connection with the annual Dairy Show to be held in April of next year, says B. T. Haws, county agent. This sale will be open to all breeds of dairy cattle Registered or grade animals may be sold in the sale. Animals entered in the sale must be calfhood vaccinated. Dairy farmers should plan now to enter animals in the sale. This sale will be open to dairy farmers in Wichita, Clay and Archer Counties.

A number of farmers are planting alfalfa at present time. Some of the farmers are using commercial fertilizer under alfalfa at planting time. Most of them are using 16-20-0 or 13-39-0 at the rate of 100 to 200 pounds per acre.

GET A WINNING DEAL ON A NEW CHEVY—THE GETTING'S EXTRA GOOD! More People Drive Chevrolets Than Any Other Car

Better try it soon—Chevrolet Bel Air Sport Sedan!

Spunk to spare!

There seem to be two kinds of roads around the country lately. There are dull, ordinary everyday roads. Then, there are the same roads when you take them in Chevrolet—*fun* roads!

Stepping along nimbly, surely—staying on course—traits like these come just a little more naturally to Chevrolet. Few cars at any price are so beautifully balanced. None in Chevrolet's field have Ball-Race steering, extra-long outrigger rear springs—or Body by Fisher—to name just a few of Chevy's exclusives.

As for spirit, well—take a Chevrolet out and feel that eager 245* horsepower! Just drop in at your Chevrolet dealer's—soon!

CHEVROLET

*Optional at extra cost. 270-h.p. V8 engine also available at extra cost.

Only franchised Chevrolet dealers CHEVROLET display this famous trademark

County Agent and

A beautiful, well-kept lawn adds to the material value of a home and is a basic requirement for an attractive yard. A properly established and well-managed turf also provides a cool, restful cover and prevents soil blowing and washing.

Fertilization is the main practice to emphasize in the fall care for lawns, says B. T. Haws, county agent. Lawn grasses will go into the winter in a vigorious condition if they are well nourished. The grasses will remain green longer in the fall and will grow off earlier next spring.

The fertilizer should be applied about a month before the first expected frost, advise Haws When summer grasses are pushed into lush growth by late fertilization, some grass may be damaged by a hard freeze. Also applying the fertilizer too late prevents the grass from getting the most out of it before going dormant.

Apply a complete fertilizer with a 2-1-1 or 1-1-1 ratio at a rate to supply two pounds of actual nitrogen per 1,000 square feet of lawn, recommends the county agent. This amount of nitrogen would be found in 20 pounds of 10-5-5 or 10-10-10, or in 25 pounds of 8-8-8. 16-20-0 is also recommended for this area.

After the fertilizer has been spread, Haws advises watering it down. Soak the soil at least six inches deep. Plenty of moisture is necessary, for the plants can't use the fertilizer until it is dissolved. If the soil is already wet wash the fertilizer off the grass and onto the soil.

Ryegrass is sometimes over seeded on Bermuda to give a green color during the winter, But Haws says, this is sometimes harmful to Bermuda. The ryegrass is usually growing in the spring when the Bermuda should start and unless the ryegrass is kept closely clipped, it often gives the Bermuda serious competition for light, moisture and plant food. If ryegrass is seeded on a Bermuda lawn, Italian or annual ryegrass should be used, for these plants die in the spring. Ryegrass should not be overseeded on grasses other than Bermuda.

Visitors in the home of Mr. and Mrs. Melvin Bailey Tuesday night were Mr. and Mrs. Earl Bethel of Okla. City, Mrs. Osa Bailey of Wichita Falls and Mr. and Mrs. Ray Asher of Seattle, Wash.

Report On Chest X-Rays Are Listed For Wichita County

A total of 432 chest diseases were found during the recent chest X-ray survey in Wichita County, according to a report of findings just released by the director of Tuberculosis and Chronic Diseases of the Texas State Dept. of Health. The report was sent to Dr. E. Aubrey Cox, acting director of the Wichita Health Unit.

More cases of tuberculosis; 176 cases, were reported than any other chest pathology. Tuberlosis is divided into three types: "early," "moderately advanced," and "far advanced." Early tuberculosis findings for the county survey totaled 143, moderately advanced cases, 29 and far advanced, 4.

"Suspicious tuberculosis cases reported totaled 133. Suspicious tuberculosis could be the disease in its earlier form, it might be an old scar or some other marking which the X-ray diagnostician felt required a larger X-ray or further examination.

Cardiac cases totaled 78 and other chest pathologies, including lung cancers and tumors, totaled 45.

In Burkburnett, chest diseases reported were: early TB 14; mod erately advanced TB, 4, far advanced TB none; suspicious TB 3, cardiacs, 10 and other chest pathologies 5.

Males and females ran a photo finish in diseases discovered; males, 213; females, 219. Whites 383; Negroes, 49.

The Wichita County Tuberculosis Association, through its president, Mrs. Joella Terrill Butler, again expresses its thanks to every person and groups of people who helped to make the survey possible.

All the follow-up work will be done by the public health nurses at the Wichita Health Unit. All persons who have received notices of findings are urged to visit their doctors for further check-ups, Miss Margaret Hall, executive director of the Tuberlosis Association stressed.

Everyone whose X-ray revealed a chest disease or abnormality has received a notice. That person's doctor has also been notified. All people who have not received notices can relax in the knowledge that they are free of any chest pathology," Miss Hall said.

Statistics recently released by the United States Public Health Dept. reveal that more tuberculosis is being found in the 50 and over age brackets than in any other age groups. Of the 18,269 x-rays taken during our county's survey, the report of findings definitely listed more older people; the oldest being a man of 89." But, Miss Hall pointed out, the list also included a boy of 15 years whose diagnosis showed "suspicious tuberculosis."

In tuberculosis, early discovery means earlier recovery, Another advantage of early discovery, Mrs. Butler emphasized, is the prevention of infection to members and working associates.

Les Hodges is a patient in the General hospital at Wichita Falls

Recent visitors in the O. A. Nichols home were Mrs. Mabel Urquhart of Amarillo and Mrs. J. B. Wills of Iowa Park.

Mr. George Parker was admitted to Wichita General Hospital Friday night and underwent minor surgery Tuesday. He is reported in satisfactory condition.

New Telephone Directories Out For Dial Phones

The new Burkburnett directories were mailed to subscribers here Sept. 13, 1958, C. A. Deuscle Southwestern Bell Telephone Company manager announced today.

"The new directory contains approximately 2,040 alphabetical listings," Deuschle said.

Old directories should be thrown away as soon as the new issue is received. However, care should be taken to remove any items such as photos, letters and notes which might have been placed between the pages, the manager advised.

The Burkburnett directory has a gray cover and contains 12 'white' or alphabetical pages and 24 'yellow' or classified pages. Approximately 2350 copies of the directory have been printed.

"A number of extra copies are printed as replacements for those used in public telephone booths and other places where much use occurs," Deuschle explained.

"The telephone directory," he added, "remains one of the best read books in Burkburnett."

You can save time by referring to it if you are not sure of a number or need assistance of any kind. The yellow pages are a convenient listing of almost every business in town he added.

Mrs. Mamie Bryant has returned home from Dallas where she spent the week-end with her son, Jack Bryant. Mr. Bryant is executive director of the Variety Club which recently sponsored the Lawrence Welk and Turtle Derby shows combined. Mrs. Bryant was guest at all three of Lawrence Welk's shows while in Dallas.

Mr. and Mrs. Harry Beall and son Clark of Bristow, Okla., spent last week with her parents, Mr. and Mrs. N. H. Harris.
