Roundup Days, A Big Success

Hansford Roundup Days held last weekend here was termed a great success by everyone attending any of the events.

A very successful Miss Hansford County beauty pageant was held Thursday evening at the Spearman High School with 18 contestants vying for the coveted honor. Miss Kelly Harper was named Miss Hansford County. First runner-up was Candy Thoreson of Gruver, and second runner-up was Sabre McCoy of Spearman. Xi Zeta Upsilon sponsored the pageant.

Saturday was the big day, with sidewalk sales beginning in the downtown area by merchants, clubs and organizations peddling their wares.

By 9 a.m. a nice crowd had gathered in front of the Golden Spread Center at 14 S. Haney for the ribbon cutting ceremony. Emcee Coy Palmer introduced the speakers, Orville Brummett, president of the center, C. A. Gibner and Mayor Ralph Blodgett.

A very successful sale of Arts & Crafts followed the ceremony. Items from the sale had been donated by many residents of the area as a money making project for the center.

Buena Lyon was the winner of the microwave oven.

Registered at the opening were persons listed from Gruver, Perryton, Borger, Tulia, Lubbock, Bledsoe, Pringle, Balco and Guymon, Okla., Santa Paula, Calif. and Fulkerson, Arizona.

At 9:30 the Old Timers Reunion was held at Joe Traylor Ford. Sixty one persons registered and were served coffee and cookies by the Historical Survey Committee.

Oldtimers and their date of coming to Hansford County were Ruby Saltnes, 1937; Tommy Jack Bruce, 1935; Clementine Renner, 1908; Grace L. Lyon, 1898; Cleo Denman, 1925; J. L. Denman, 1925; Elmer Longley, 1939; Dorothy Longley, 1942; Mattie Reynolds, 1926; R. E. Martin, 1904; Ina Martin, 1912; Mattie Berner Grigsby, 1921; Dot Berner Jenkins, 1921; R. L. McClellan, 1903; Leonard Jameson, 1904; Vera Beth Hicks, 1917; Ernest M. Newcomb, 1903; Gertie Archer, 1904; Dan Jackson, 1923; Clara M. Jackson, 1923; Esther Stewart, 1930; Wesley Jenkins, 1911; Keesee Richardson, 1898; Grace Archer, 1900; Lucille Cracker, 1926; Raymond Kirk, 1911; Grace Kirk, 1912; Daniel Sheets, 1911; Sammie Bishop, 1929; John Bishop, 1929; Ethel Cookston, 1906; Hattie Mackie, 1930; Ruth Lackey, 1928; M. W. Lackey, 1901; Vonda Keim, 1909; Verna Kenney, 1902; Ella Hull, 1915; Mrs. I. R. Tompkins, 1901; Maudine Patterson, 1928; Medlin Patterson, 1906; Tex Davis, 1905; Ada McLain, 1928; L. S. McLain, 1919; Mabel Edwards, 1921; Ora Sanders, 1919; Frances Venneman, 1912; Johnny Venneman, 1912; Robert Driscoll, 1908; Velma Beck, 1906; Raymond Sparks, 1910; Virginia Sparks, 1912; and Frances Sim, 1911, all of Spearman.

Also registering were Lynn Pierce, Lubbock; John F. Lackey, 1902; Alice Lackey, 1927; Sunray, Ben Harris, 1898; Beulah Harris, 1906; Mrs. H. L. Boyd, 1929, all of Gruver and Jewell Thomas, 1912, Guymon, Oklahoma.

"The big parade followed at 10:30 a.m. with 11 floats entered. The theme for the parade was "One Country, Many Nations." Floats entered were by Baker & Taylor Women, "Mexico"; Xi Zeta, "Japan"; Rho Rho, "Switzerland"; Serendipity Home Demonstration Club, "Hawaii"; Spearman Study Club, "Indians"; Servitors Club, "France"; Lions Club, "Miss Hansford County"; American Agriculture; Station Master's House Museum;

Chamber of Commerce Women, "Holland."

Baker & Taylor Women's float "Mexico" won 1st place of \$100; Xi Zeta took second with their "Japan" float, receiving \$75.00; and Rho Rho's "Switzerland" float took third and received \$50.00.

Also in the parade were covered wagons from Perryton, J. D. Wilbanks with his steam powered Case tractor, bicycles, riding club, National Guard, U. S. Congressman Jack Hightower, U. S. Senate candidate Robert Krueger, and machinery from Hansford Implement and North Plains International.

Parade Marshall was Jesse Davis and the chairman of the parade was Debbie Benton.

American Agriculture members prepared and sold the noon barbecue. 1200 lbs. of beef was cooked and sold to an estimated crowd of between 1000 and 1100 persons. A. F. Cook won the drawing for the beef given away by American Agriculture.

The Fiddler's Contest was held at 12:30 with Jimmy Greene, chairman. In the age group 65 and older, 1st place went to "Shorty" C. E. Loter of Wheeler, 2nd place to Jack Pritchard of Shamrock; 3rd place to James Sparks of Spearman; 4th place to W. B. Cox of Pampa and 5th place to Natalie Greene of Spearman. In 18 and under, Jim McCarthy of Channing won 1st place. In the 19 thru 64 category, Bartove Riley

of Childress took 1st; Dale Hendrick of Spearman, 2nd; R. C. Burkharter of Perryton, 3rd; Derril Harkrider of Hardesty, 4th; and Wes Nivens of Williamsburg, N.M., 5th.

First place prizes were \$40.00; 2nd, \$35.00; 3rd, \$30.00; 4th, \$20.00; and 5th, \$10.00.

A new entertainment was the Cow & Hog Calling contest with Mary Schumann as chairman. Hoots Martin took 1st place, Mary Schumann, 2nd; and Jerry Morris, 3rd. Other contestants were Edna Scroggs, B. A. Byers, Verna Strawn, Ralph Bynum, Melva Nickles, Lometa Sparks, Rosetta Tindell. Winning contestants received commemorative coins. All the con-

testants did a fine job, making the judge's job very difficult.

The Station Master's House Museum, which has been designated as an historical site by the Texas Historical Commission, was dedicated at 3 p.m. Max Sherman, president of West Texas State University was the featured speaker.

Rodeo performances were held Saturday evening, and Sunday afternoon. Rodeo results were not available at press time.

A Teen Disco Dance was held Friday evening and a Rodeo Dance was held Saturday night. Rick Kirk and his band played for both dances which were well attended.

The carnival arrived a week late but is going strong at the usual location east of the courthouse. Schafer's 20th Century Show is under the management of Terry Talley.

4-H Dress Revue Winners

HANSFORD COUNTY ENTRANTS-left to right, Karen Kenney, Pam Porter, Mary Ann Kenney.

AMARILLO-Five young clothing construction experts, modeling fashions they had created, won top honors Tuesday (July 25) in the District 1 4-H Dress Revue. They will represent the district's 20 Texas Panhandle counties in the State 4-H Dress Revue September 4-16 in Austin.

The five are Christie Hundley of Armstrong County, Phylcia Rowland of Deaf Smith, Kay Coffee of Collingsworth, Kim Diedrichsen of Moore and Sherry Wilson of Hartley County.

Two alternates were selected in the event any of the five winners is unable to attend the state contest. They are Michelle Sursa of Hutchinson and Karen Kay Kenney of Hansford Counties. Karen is the daughter of Mr. and Mrs. Byron Kenney of Spearman.

The winners will be certified for the state event by Mrs. Sue Farris, district Extension agent.

Fifty-six county winners participated in the two junior age divisions and the senior division of the district contest at the Texas A&M University Agricultural Research and Extension Center, 6500 Amarillo Blvd. West. Juniors, aged 9-13, do not compete beyond the district level. Senior winners, aged 14-19, are not ranked numerically in the district competition.

Contestants are judged on sewing skills, clothing construction, overall appearance, modeling abilities and their 4-H record books.

In addition to selecting representatives for the state contest, judges presented six special awards. Kim Diedrichsen of Moore was named best model. Award for the best record book went to Sherry Wilson of Hartley County.

Special awards went to Amy Brainard of Gray County for best cotton garment; Sherry

Wilson of Hartley County, best wool garment; Michelle Sursa of Hutchinson, best synthetic garment, and Darla File of Lipscomb, best recycled garment.

Miss Hundley, 18, modeled a wool and supplekin reversible coat with a rust double knit pantskirt and vest.

Miss Rowland, 16, showed a mohair and wool jacket and matching hat, worn with tan wool pants and a long-sleeved, cowl-necked polyester blouse.

Miss Coffee, 18, wore a suede jacket, wool vest and pants with a polyester blouse and a matching suede and wool hat.

Miss Diedrichsen sported a fully lined camel wool coat with padded shoulders, a dolman dress with tiered skirt and an ultrasuede vest of her design.

Miss Wilson, 16, modeled a fully lined wool coat of muted camel and gray stripe in the new tunic length, and a polyester skirt and vest in camel tan.

Theme of the revue was "Fashion Bonanza." Cheryl Brewer, Hartley County Extension agent and revue chairman, was mistress of ceremonies. Bill Sexton of radio station KGNC was commentator. Miss West Texas, Gayle Wilson, entertained the audience with her talent performance from the Miss Texas pageant. Four-Hers Lisa McAnear and Sherrylyn Walker of Donley County presented their state championship method demonstration on creative clothing for the handicapped.

Also on the program were 4-Hers Melinda Holloway of Moore County, Theresa Cummins of Potter, Christie Hundley of Armstrong County, and Carla West of Deaf Smith.

The awards and ribbons were presented by Max Sherman, president of West Texas State

University, Canyon; Bob Cartel, Pioneer Natural Gas Co., Amarillo, and Mrs. Farris. The District Home Demonstration Association sponsored a tea for the contestants and guests following the revue.

All three contestants from Hansford County received blue awards and placed in top of their division. Pam Porter, daughter of Mr. and Mrs. Larry Porter of Spearman was representative for Junior Division II and Mary Ann Kenney, daughter of Mr. and Mrs. Byron Kenney of Spearman was representative for Junior Division I.

Michael Crawford returns here

Michael E. Crawford, who was employed by the North Plains Water Conservation District in 1968 and 1969, is returning to help the District on the Ogallala Study that is presently being conducted for the U.S.G.S.

Mike, born and raised in Spearman, is a graduate of Spearman High School. He received his BA in Geology from West Texas State University in 1960 and received a fellowship from there, teaching Freshman Geology while conducting advanced studies during the fall of 1964.

Mike is well qualified to assist in this study and knows well the area.

Mrs. Jewel Kenyon of Portales, N. M. visited with her mother, Mrs. Fred Brandt, a few days last week.

Water use sets record!

Just as we suspected here at the newspaper, city manager Len Simpson confirmed our suspicions as he informed us that the city of Spearman set an all-time high in water usage, with 37,772,000 gallons during the month of July. One year ago, the city used approximately 35,000,000 gallons.

Simpson stated that although the records only go back for 3 years, he was almost sure, as we were here at the paper, that this near thirty-eight-million gallons for July set an all-time

record water consumption for the city of Spearman.

The key to the entire story, however lies in the fact that a far-sighted mayor and his councilmen developed new water mains, new water wells, and new storage systems for the city, so that unlike most of the towns in the Panhandle, we have a "really fantastic" supply of the finest water in the world! Our thanks to the city people, and the Mayor and councilmen for the best water and the best water supply in the world!

Hospital

Mrs. Homer Cluck Services Held

Patients in Hansford Hospital are Anson Ward, Opal Jones, Gwenfred Lackey, David Mc Mullan and Viola Fite.

Dismissed were James Hy-sell, Otis Walser, Kathleen Walser, Hannah Johnson, Mike Taylor, Kelly Leewright, and Lloyd Andrews.

Memorial services were held Monday, August 1, at 10 a.m. in the Gruver Church of Christ for Mrs. Homer Cluck, 91, of Gruver, who died Saturday. Jim York of Brady and Clyde Sloan of Olustee, Okla. officiated. Burial was in Gruver Cemetery by Boxwell Brothers Funeral Directors of Spearman.

Mrs. Cluck was born in Wise County and had been a Hansford County resident since 1915. She married Homer Cluck in 1903 at Hobart, Okla. He died in 1940.

She was a member of Gruver Church of Christ.

Surviving are five sons, S. R. and J. C., both of Gruver, Gene and Eldon, both of Amarillo, and J. D. of Dumas; four daughters, Mrs. Voncie Chaney of Borger, Mrs. Mae Bretz and Mrs. Mary Lamb, both of Gruver, and Mrs. Effie Pearl Hackley of Spearman; two brothers, Terry Davidson of California and Tony Davidson of Wichita, Kan.; two sisters, Mrs. Georgia Barrington of Newport Beach, Calif., and Mrs. Peggy Ralph of Denver, Colo.; 29 grandchildren; 57 great-grandchildren; and 16 great-great-grandchildren.

School lets contract for new building!

The Spearman School Board, meeting in special session Monday evening, let the contract for the new arts and choir building. The amount for the building was \$4,498.00, and the contract was awarded to Hallmark Builders of Amarillo.

The building will be located on the Southwest side of the Spearman high school building, joining the band room on the South and the cafeteria on the west.

The new building will have 4200 square feet, with a large room for the arts, and a large room for choir, plus 3 large steel

kitchen-type sinks, 2 separate gas fired furnaces, 2 separate air conditioners.

The new room should be finished by the first of the year, according to the contract requirements, and it will be a tremendous addition to Spear-

man high school and its fine facilities.

Of course the new building will feature the finest insulation-sound techniques, plus carpet on the floor of the choir room, and many other modern conveniences.

Water district board to meet

There will be a regular meeting of the Board of Directors of the North Plains Water District in the Dumas office in Dumas Monday, August 7th at 10:00 A.M.

County Committeemen who will be attending from Hansford

County include Weldon Green, Robert C. Ferguson, Gruver; Frank Pittman, Morse; Ned Turner, Dee Jackson, and Elzey Vanderburg, all from Spearman. Don Platt, Spearman, is the Field Representative for the District.

Continental Singers To Perform

The "Continental Singers and Orchestra," currently on their yearly 75-day summer tour, will present a live 90-minute concert of contemporary Christian music on Thursday, August 17 at 7:30 p.m. at the First United Methodist Church.

Their performance includes contemporary gospel music, spirituals, anthems, and hymn arrangements. This year's program, entitled "Sing It With Love," will feature many of the most popular Christian songs being heard around the country, including Don Francisco's "He's Alive," "Give Them All to Jesus," Janny Grine's "Bread Upon the Waters," Larry Norman's "I Am Your Servant," Barry McGuire's "Communism Song," and a medley of praise choruses.

The 24 vocalists and 10-piece orchestra are highly trained and talented musicians selected by

audition from thousands of high school and college-age young people from across the nation and in foreign countries. Auditions are held after each concert for future talent.

The financing for this non-profit touring group is unique, in that each member raises part of his or her expenses on their own, with the remainder being supplied by local churches and organizations.

The program has proven so popular among young performers wanting to join the organization, and the more than 550 local sponsoring churches and organizations on the tour, that they have grown from one group in 1967 to nine.

Since Cam Florida organized the first unit, various editions of the "Continental Singers and Orchestra" have made more than 4,000 live appearances domestically and over 1,000 foreign appearances before more than 2.5 million people.

The philosophy of Florida is that "regardless of the country or religion, music is the common language."

In addition to performing in all fifty states, they have toured Canada, Great Britain and Ireland, Western Europe, plus Poland, Yugoslavia, the Middle East, South Africa, South America, Australia, New Zealand, the South Pacific, Far East and Caribbean Islands.

This year the "Continental Singers and Orchestra" will visit Russia for the first time and perform in every section of the United States. The summer tour also includes Canada, 11 western European countries, Great Britain, plus Poland, Yugoslavia, Israel, Fiji, Tahiti, Samoa, New Zealand and Bermuda.

While each member of the group has been rehearsing independently prior to coming together, the summer tour begins with an intensive ten-day

rehearsal where they meet as a group for the first time in the Los Angeles area.

Flori, president of Continental Ministries, headquartered in Thousand Oaks, CA, has perfected techniques to turn 200 singers and 100 instrumentalists into 9 professional-sounding performing groups in the short training period.

Traveling from 100 to 500 miles daily by bus, boat and plane, they will perform nightly during the summer tour. Concerts are held in churches, auditoriums, outdoor pavilions, military bases and hospitals. They are completely self-contained with their own sound and lighting equipment.

They have recorded 12 record albums on the Word and Light labels. Their latest two albums are from New Life Records, entitled "Come Bless the Lord," and "Sing It With Love."

4-H Members Place In District Judging

Eleven 4-H youth from Hansford County submitted complete 4-H recordbooks for District judging July 28 in Amarillo.

"These recordbooks are a compilation of all project work and activities taken part in by the 4-H member throughout their years in 4-H clubwork," according to County Extension Agent Peggy Winegarner.

The following junior 4-H members received blue awards: Jon Garnett, Debbie Burton, Rodney Clawson, Mark Garnett, Will Jarvis, Mary Ann Kenney, Kerri Ann Holt and Pam Porter. Jan Allen received a red award.

Julie Farr, senior 4-H member, received second place for her citizenship recordbook. Karen Kenney received a pink award for her clothing recordbook.

At the county 4-H Recordbook Judging Anne Marie Jarvis, Travis Patterson and Stacey Poole received blue awards and Kristi Wright received a red award.

The leaning tower of Pisa increases its inclination by one foot each 100 years.

Betrothal Revealed

Mr. & Mrs. Floyd Dry wish to announce the engagement and approaching marriage of their daughter, Pamela Jo, to Tommy Scott Barber, son of Mr. & Mrs. Irven L. Barber, of Spearman. The wedding is planned for August 12, 1978.

Cystic Fibrosis Chairman Named

Mrs. Joy McCormack has accepted the Chairmanship of the Annual Fall Campaign on behalf of the Cystic Fibrosis Foundation.

She will be recruiting volunteers within the community to plan a "Kiss Your Baby-Breath of Life Campaign" to take place this fall in Spearman.

The purpose of this fall campaign will be to provide the community with information Cystic Fibrosis and to raise funds to support research, education and care programs for children affected by cystic fibrosis and other lung-damaging diseases like severe asthma, chronic bronchitis and bronchiectasis.

Cystic fibrosis is the number one genetic killer of children. Approximately one in every twenty Americans is a symptomless carrier of the recessive CF gene.

Cystic fibrosis is inherited when both parents carry the recessive gene. At the present time, no cure for cystic fibrosis is known.

Presbyterian Church News

The Sunday Church School is a good place to get acquainted with what is in the Bible. There is a class for you every Sunday at 9:45 a.m.

The Rev. Carter McKemy will be the guest minister at the service for the public worship of God on Sunday, August 6 at 11:00 a.m.

There is a beautiful, sweet Spirit at the First Presbyterian Church. Come and experience it for yourself.

Chimera Reading Program Ends

Chimera came to an end Tuesday, July 25 with a party in Womble Park for children who participated in Hansford County Library's Summer Reading Program.

Highlight of the party was a puppet show written by Kelly Davis, directed and produced by Kelly and Paul Welch.

Marietta Davis made several of the puppets, and the following children were puppeteers: Doug Murrow, Lynette Williams, J.J. Schaffer, Mechelle Graham and Bobbie Shaw.

These talented children also painted and decorated the puppet stage.

Following the puppet show, all children at the party joined in competitive games and relays. A refreshment break with punch and cookies was followed by more races.

Texas State Library Certificates were then awarded those children who had read at least ten books during the program.

Librarian Rita Curtis presented 79 certificates to the following children: April Abston, Elisa Allen, Jan Allen, Mark Allen, Mary Lou Baker, Sara Blackburn, Steve Burke and Diana Cantu.

Also receiving certificates were Veronica Cantu, April Davis, James Davis, Dana Dennis, Melinda Dennis, Ruth Ann Dennis, Lori Eaton and Trevor English.

Others receiving certificates were Brenda Esquibel, Theresa Esquibel, Jamie Garcia, Julio Garcia, Mark Garcia, Julie Godfrey, Charles Godfrey and Joe Gomez.

Mary Gomez, Ruben Gomez, April Graham, Mechelle Graham, Cheryl Green, Norman Hill and Wendy Hill also received certificates.

Kerri Holt, Bryan Jenkins, Kim Jenkins, Shaun Jones, Kyle Kirk, Joy Kizzar, Alicia Langston, Laci Lasater, Misha Lesly and Carter Lisle all received certificates for reading at least 10 books during the library program.

Peppers are good sources of vitamin C.

Earnest Lisle, Colleen McCormack, Davey McGuire, Tammy McGuire, Doug Murrow, Kevin Nelson, Ann Margaret Ochoa, April Patterson and Mindy Patterson each received awards.

Others getting awards were Ginger Pearson, Pam Ring, Mike Ross, Marri Jayne Schaffer, Kari Schneider, Sherry Sexton, Bobbie Shaw, Earl Shaw and Carly Sheildknight.

Others receiving certificates were Angela Sintas, Jennifer Sintas, Earla Spencer, Lance Swan, Scott Swan, Stacie Swan, Deana Turner, Jennifer Turner, Jeff Vanlandingham, Kathy Vanlandingham, Ciria Vela, Leticia Vela, Maria Vela, Teresa Vela, Shannon Vernon, Tania Vernon, Lynette Williams, Jane Wirsdorfer, Nick Wirsdorfer, Connie Wooley and Kristi Wright.

Congratulations to all these wonderful boys and girls who helped to make Chimera a grand success this summer!

Peggy's Pointers

The Home Food Preservation Clinic raised many questions concerning safety related to home preserved foods. Before freezing or drying fruits and vegetables, it's important to blanch them first. Blanching is recommended for all fruits and vegetables except green peppers and mature onions. Blanching means to heat a fruit or vegetable by boiling it or steaming it for one to five minutes.

We do this to stop enzyme action in foods. Enzyme action is the process in fruits and vegetables that causes them to ripen. However, if we allow the enzyme action to continue after freezing or drying, the food will become too ripe. Also that will cause undesirable changes in the food's flavor-and in its texture and color.

We do not blanch fruits and vegetables before canning them since the heat in the canning process itself will stop the enzyme action. And we do not recommend blanching fruits and vegetables in the oven or the dishwasher.

The Children of

Thanks to Delinda McLaughlin and Kari Lou Schumann, members of the Family Living Committee, for their help in registration and checking pressure canner steam gauges.

Wonder what is sawing off those shade tree branches? Usually limbs of one inch or smaller are damaged, however larger sizes can be damaged also.

The culprit is a large, hard shelled beetle called a twig girdler. They can attack any tree, however, mesquite, mimosa, oaks and pecans are most frequently the victims. Best control is to pick up and destroy the broken limbs as these harbor the eggs which will produce next season's crop.

Dr. Berry, Extension Plant Pathologist, visited our area last week and said our problems could also be caused by locust. Control by the above method.

Handel composed "The Messiah" in 25 days.

Be on the lookout for, and start collecting interesting plant materials for winter bouquets.

Be willing to share your gardening experiences, flowers and produce with a shut-in. Gardening is for everyone, but not everyone can garden!

Arts & Crafts Guild News

Mrs. Clay Gibner was hostess for the Arts & Craft Guild Friday afternoon in her home.

Attending were Mmes. Deta Blodgett, Georgia Holt, Margaret Gibner, Sada Hoskins, Blanche Fuller, Grace Lyon, Freda Sheets and Athalie Traylor.

Mrs. Pope Gibner will be the hostess Friday, August 4.

Don't throw out the liquid from canned vegetables. This is usually rich in nutrients.

IRS News

Recent changes in regulations make it more difficult to obtain a Social Security number, according to Howard L. Weatherly, Branch Manager of the Pampa Social Security Office. Everyone who applies for a number must provide evidence of age and citizenship and a separate piece of evidence of identity.

Most affected by the changes will be native-born applicants under 18. To establish their date of birth, these people will need to submit a public or religious record of birth. If a birth or baptismal certificate does not exist, another record may be used if it is at least one year old and shows information such as name, address, age, signature, or photograph. To establish identity, they must submit a second record such as a school record, vaccination record, or driver's license. Parents applying for a Social Security number for their preschool children may supply only a birth record if no other record of identity has been established for the child.

The changes in regulations affect adults as well. They must appear in person to apply for a number or replacement of a lost card. Youths can mail in their documents (not photocopies), and they will be returned by mail after certification by an authorized Social Security employee.

Before May 15, young people did not have to submit proof of identity to get a social security number, and adults could get a number or replacement card by mail. Over 150 million Americans have social security numbers and 7 million new numbers are issued each year. Eighty percent of these go to persons under 18. About 4.4 million replacement cards are issued annually. Congress, in 1972, ordered the Social Security Administration to tighten up its card-issuing procedures because of concerns about the fraudulent use of social security numbers by illegal aliens and others.

In 1973 the agency began requiring adults, resident aliens and welfare recipients to furnish proof of identity when they applied for a number. For several years foreign-born applicants of any age have had to submit evidence of their United States citizenship or their alien status to show they are lawfully admitted to the United States. Procedures for this group are not changed by the new procedures.

The Social Security Administration keeps computer records of a worker's earnings and uses the information to determine eligibility for monthly payments and Medicare. The new rules are designed to assure that a person's record is "accurate and complete." He also stated that these procedures "will prevent another person from misusing a social security number, either knowingly or unknowingly."

Citizens are required to give their social security number to employers and to the Internal Revenue Service for tax purposes. Banks and other financial institutions, schools and state and local governments also use the numbers for record-keeping purposes.

People applying for a new or replacement card are urged to apply well in advance of the time they will need the number - at least 6 - 8 weeks. Those who have questions about the new procedures can contact the Pampa Social Security Office at 1541 North Hobart St. Phone 669-3381.

Estate Planning Cruise Set

AMARILLO: Anyone wishing to take part in the Panhandle Economic Program's estate planning cruise this winter need to make their reservations now, a P.E.P. spokesman says.

The cruise, February 25-March 3, will combine a 24-hour course in personal estate planning with a Caribbean vacation.

But space is limited and reservations must be made by August 15, said Charles Hoover, a member of the committee which is arranging the cruise. The P.E.P. is an area-wide effort to improve the agricultural, industrial and family/consumer economic picture. It was organized in the mid-sixties and continues work and special programs to keep the area abreast of economic changes and to encourage more effective use of resources, Hoover said.

The estate planning cruise, to be taught by a management economist and a law professor, is designed to help people design their own estate to provide for retirement and desired distribution of property after death.

The participants will fly from Amarillo to Miami February 25, board ship and sail that day. Each day, four-hour blocks of instruction in estate planning will be provided. And participants will visit ports at San Juan, Puerto Rico; Samana, Dominican Republic, and St. Croix, Virgin Islands. The ship returns to Miami March 3, with a return flight that day to Amarillo.

The cruise and seminar costs \$830. Reservations, with an initial payment of \$100, must be received by August 15, Hoover said. Reservations should be sent to Estate Planning Cruise, 144 West Second, Hereford, Texas 79045. The complete payment must be received by December 20, 1978.

By Mrs. Dan Gerber

Many health experts are concerned about tooth decay in young children. To protect your baby's teeth, avoid using a bottle as a pacifier at nap or bedtime. Prolonged contact of baby teeth with juice (or formula) can promote dental caries.

If the bottle remains in the baby's mouth, the saliva cannot neutralize juice acidity, which can harm tooth enamel.

Let me reassure you there is a place for juice in a baby's diet. Gerber strained juices are an important source of vitamin C and are naturally sweet. After the child is 6 to 8 weeks old, juices may be fed from a bottle or training cup. Remember that your child should be in an upright position when eating or drinking.

LION ROAR TUESDAY: The Spearman Lions club had a roaring good time at their Tuesday noon meeting. Boss Lion Dick Elbert had the club vote on whether or not to sponsor the beauty contest next year, and they voted to not sponsor the contest next year, as the ladies handled it so well this year. And, the girls stated that they felt more at "ease" with the ladies sponsoring the contest. In other business, Lion Dr. Kleeberger reminded the club that the Glaucoma clinic would be held at the Methodist Church, Oct. 5th (Thursday) this year.

125 pints of blood donated

The July 27th Hansford Unit Red Cross Bloodmobile visit was highly successful falling short of the 125 pint quota by just one or two pints...with several coming for blood donations but for medical reasons were unable to give at this time.

The excellent response to the July 27th Bloodmobile was in part due to the excellent publicity; the untiring efforts of those involved in setting up appointments and reminding people throughout the County of this important day. Heading the Hansford Unit effort was long-term Chairman Mrs. Edith Smith, who has been responsible for the Bloodmobile visits for many years. Special note should be made of the Gruver TOPS Club who were instrumental in contacting all residents of the Gruver-Morse area to remind them of the Bloodmobile July 27th visit.

When one considers that, with the exception of the personnel from the Wichita (Kansas) Blood Center, all those helping were volunteers a tremendous vote of thanks must go to those who served so untiringly, not only during the actual date but prior to that time in setting up all details of this important service to our community.

Volunteer kitchen helpers and the ones responsible for the excellent snack and refreshment area where those who had

donated blood were taken following the blood donation were Maria Avila, Gayle Smith, and Clementine Renner who kept a continual "chow line" in operation during the entire time.

Booth workers—those who aided at the various table stations where the blood was being donated—included Ruthie McCoy, Peggy Ellsworth, Maria Avila, Linda Latta, Helen Etter, Hazel Stumpf, Betty Davis, Alva Garner, Maelynn Schubert, Evelyn Mackie, Lisa Pipkin, and Mary Cornelius.

Those responsible for the bookkeeping and typing of the records included Judy Nelson, Altha Townsend, Mary Brown, Miriam Mercer, Ruth Crawford, Pauline Hale, Ruby Lee Mitchell, Mary Ann de Jose, Louise Fausset, Mabel Hummer, Rogene Arrington, Charlene McClellan, Mary Brock, Karen Countiss, and Fran Maupin.

Aiding with the medical end of the Bloodmobile as volunteers included Drs. R. L. Kleberger, Yang, and Thu, Carol Hergert, Linda Winegarner, Patricia Cook, Rosetta Tindell, Teresa Bynum, Loree Booth, Buena Lyon, and Linda Beeson. Special appreciation is offered to the medical personnel who gave so generously of their time for this project.

Those from the Wichita Blood Center who were manning the Bloodmobile included Andy Cumming, R. N., Charge

Nurse; Kandace Ramsey, R. N.; Twila Stutzman, R. N.; Judy Wattengerger, R. N.; and Fern Fanchier, LVN, Staff Nurses; and Paul Krzowski, Mobile Unit Assistant.

Those who came to the Hansford Bloodmobile Unit Thursday for the purpose of giving a pint of blood so that someone, somewhere might have a new lease on life itself include (in alphabetical order and not necessarily the time they came) Murphy Allen, Teresa Armstrong, Rogene Arrington, Ross Baker, Bill Beem, Marilyn Beem, Bennie Beeson, Linda Beeson, Marshall Benton, Steve Benton, Bruce Bailey, Verlin Beck, Ed Berner, Myra Berner, Wallace Berner, Hoyt Biles, Monty Blackburn, J. L. Brock, Mary Brock, Tim Bette, Eric Brown, Beverly Bostick, Roy Bulls, Ken Burch, Nellie Buchanan, Archie Burress.

Also giving that precious pint of blood were Ken Coates, Leo Cummings, Albert Clark, Claudine Clark, Carrie Clark, Rita Curtis, J. V. Cruise, Kenneth Cruise, Karen Countiss, Ruth Crawford, Carl Cook, James Cunningham, Pat Dear, Kent Depee, John Davey, Floyd Dry, Alton Ellsworth, Wilma Francis, Woody Fulkerson, Kay Garrison, Ed Garner, Weldon Green, Sonya Godfrey, Ruth Gurnford, Kent Hargis, Randy Hargis, Nina Hendricks, Jack Hamilton, Ronnie Hill, Eunice Hill, Bill Hopper, Garland Hopper, Barbara Henderson, Randy Howard, Dick Hudson, John Hutchison, Doyle Jackson,

Merrell Johnson, William King, Don Knox.

Also among those making tracks to the Parish Hall in Spearman for the Bloodmobile visit were Linda Latta, Tom Latta, Francis Loftin, Dannie Lambert, Steve Lopez, Jr., Lusby, P. A. Lyon, III; Betty Morris, Larry Murphy, Billy Martin, Jackie Mathews, Eulalia Mires, Donnie Michum, Fran Maupin, Ruthie McCoy, Gaye McDow, Roy Lee McClellan, Jack McCormick, Judy Nelson, Bobby Novak, Melba Oaks, Jack Oaks, David Owens, Edith Pipkin, Lugardo Padillo, Doris Pipkin, J. W. Pipkin, Billy Phelps, Bill Pittman, Ricky Riggins, Cecilia Randall, Jim Ratliff, Petty Robinson, Don Reed, Marilyn Scroggs.

Completing the list of those who have found that it definitely is better to give (blood) than to receive are Linus Simpson, Dean Stumpf, Frances Scroggs, June Spencer, Kari Lou Schumann, Ruby Saltness, Dewayne Smith, Sue Sterling, Harry Stumpf, Bill Sexton, Pam Stork, Bill Turner, Jim Thomas, Rosetta Tindell, Betty Uptergrove, Virginia White, Don Wirsdorfer, Norlan Winegarner, Doris Wilde, Comfort Winders, Ronnie Willis, Evelyn Yancey, Frank Yancey, Jerry Younger and Mark Ziemer.

Thanks to each of these for being one of the "rare birds" who gave in spite of it being summer and also to each of those who helped in any way to make this Hansford Unit Bloodmobile a great success.

MRS. JOHN LESTER LIPPARD
nee Sharon Murphy

Wedding Solemnized In Burkburnett

Vows were exchanged by Sharon Louise Murphy and John Lester (Jay) Lippard in a mid-summer ceremony at the First Baptist Church in Avinger July 8th with the Reverend Leslie Welch officiating. The bride is the daughter of Mr. and Mrs. David Murphy,

former Gruver residents now of Avinger, and the groom's parents are Mr. and Mrs. C. J. Lippard of Burkburnett. Staley Cash at the organ offered traditional wedding music and also accompanied Rebecca Stanley who sang "The Wedding Song" and John Den-

ver's "Follow Me".

Given in marriage by her father, the bride chose a formal gown of Venise lace designed with an Empire waist from which the full skirt swept to a chapel train and was accented with Venise lace daisies. Flounced chiffon cuffs on the long fitted sleeves and pleated chiffon insets highlighted the gown. She wore a hat trimmed with chiffon and matching lace with an illusion bow in back. Her bridal bouquet was made of pink rosebuds with carnations and bridal wreath and her jewelry included an opal ring given to her by her groom and a gold locket belonging to her mother.

Mrs. Kay Wilson, sister of the bride, was matron of honor and wore a long sundress of floral pink. Bridesmaids who wore dresses similar to the matron of honor's were Suzie McNiel, Darla Riley, and Suzanne Murphy.

Ricci Schroeder of Burkburnett was best man. Bob Lippard of Austin, Barry Wilkison of Wichita Falls, and Don Burrows of Dumas served as groomsmen. Ushers were Jim Herrington of Burkburnett and Steve Zeringue of Denton. Paul Murphy, brother of the bride, served as candlelighter.

Following the ceremony, a reception was held in the church parlors with Cheryl Biddy registering guests. Members of the houseparty included Donna Caver, Janet Stanley, Liz Greene, and Rebecca Stanley.

Out-of-town guests included the grandmother of the groom, Mrs. Elizabeth Baker; and Mr. and Mrs. Jim Herrington, all of Burkburnett. Attending from Atlanta, Texas, were Dr. and

Mrs. James Stanley, Mrs. Eva, Nell Stanley, and Mrs. John Murphy, grandmother of the bride.

Following the wedding trip to Dallas the couple are making their home at 423 Reagan in Burkburnett.

The rehearsal dinner was given by the groom's parents Friday at the "Gazebo Room" in the Sherry Inn, Jefferson.

A big **THANK YOU** to the following for their support of our Hansford Unit Bloodmobile visit last Thursday:

City Hall for volunteers who helped unload and load-up. Thriftway for juice, candy, coffee, and tea.

Hansford Home Demonstration Clubs for sandwiches.

Baker and Taylor for doughnuts and the use of their great big, breeze-making fan.

To the medical personnel of our community, the doctors and the nurses.

Radio Station KBMF. The Hansford Plainsman, The Spearman Reporter, and the Gruver Statesman.

The Sacred Heart Catholic Church for use of the Parish Hall.

All of the many volunteer workers from Spearman and Gruver.

Even though we did not reach our goal of 125 pints we will still work toward it next year.

Thanks to each of the donors who were so very thoughtful to come out and give that others may live.

A big **THANK YOU** to one and all.

Edith Smith

JG's Celebrate 1st anniversary

Scintillating Spearman fashionistas Judy Nelson and Glenda Guthrie have reason to celebrate for they have now been in business at the corner of Main and Davis in downtown Spearman for one year and are inviting all area residents to join with them in observing this momentous occasion this Friday and Saturday, August 4th and 5th. Judy Martin is their affable "part-time regular" who also enjoys your visits to JG's.

Those dropping by these two days to wish the two enterprising entrepreneurs congratulations and best wishes may register for drawings which will be held at 5:00 P.M. Saturday. Lucky, indeed, will be the winners of the drawings for smart, fashionable new Fall merchandise of their choice including gifts from Catalina, Koret, Rhodes, and a Julie de Roma coat valued at \$100.00, which will be among the treasure trove of prizes. Coffee and tea will be served during the two day celebration.

Judy and Glenda, who assumed the ownership of the store formerly known as Chambers, have added a number of new lines to those already established and loved by fashion-bright area residents. Lines which they continue to have include favorites such as Koret, Catalina, Rhodes, Graff, and scarves by Vera.

New lines which have piqued the style-conscious buyers include White Stag, Gloria Vanderbilt and Lady Arrow blouses and shirts; Pant Her; Bags of

California; exotic and durable luggage by Traveline; scarves by Vera; jewelry by Trifari along with Lorch, Garland, and Branch for the disco and young-at-heart set. They have also expanded their linen department and their area wide show service has become a most appreciated and talked-about service.

Circle the dates of August 4th and 5th for the "1st for JG's" in Spearman. There will be fan-

tastic rack sales including one which will be priced 1/2 of 1/2 (could that possible be 1/4 of the original price?) with store hours 9:00 A.M. to 5:30 P.M. Saturday will include final reduction of all Summer Stock and the important 5:00 P.M. hour of suspense and drawing. One does not have to be present to win---come and enjoy this birthday party---you'll be glad you did.

North Canadian River Study Funded

Washington, D.C.--Senator Lloyd Bentsen announced Friday that a Senate subcommittee has voted funding to continue a study of the North Canadian River and its tributaries in the Texas Panhandle.

Bentsen, who testified in favor of the study earlier this year, said the Senate Appropriations Subcommittee on Public Works has approved \$210,000 for the study during fiscal 1979.

"This study was authorized in 1976 to examine ways to enhance the Canadian River's value as a source of water. The study has been underway for two years now, but no funding was included for it in the Administration's budget request for fiscal '79. I am pleased that my colleagues on the subcommittee agree with me on the need to continue this important work," Bentsen said.

"If the funds had not been approved the study would have been forced to start all over again, from the beginning, at some future date. Everything spent up to this point would have been wasted," Senator Bentsen said.

A recent study showed that people who ate within two hours of food shopping bought an average of \$7.48 less than they did shopping when hungry.

Farmers Aid in Crop Report

AUSTIN--Farmers in Hansford County have been doubling as statisticians in completing questionnaires which become essential links in the sophisticated economic structure of Texas agriculture, Commissioner Reagan V. Brown said today.

The county's producers were part of some 30,000 farmers across the state who recently responded to the mid-year survey on summer acreage and production conducted by the Texas Crop and Livestock Reporting Service. The results of the survey will be issued in an August 10 crop report which is available free of charge.

"Without the availability of unbiased, accurate figures through cooperation between Texas farmers and the Reporting Service, business and government agents from one end of the state to the other would suffer in their ability to predict coming trends and act accordingly," Commissioner Brown said.

He explained that farmers themselves use the estimates as working tools in determining upcoming production decisions.

At the same time, the information is used by farm organizations and legislators in planning and administering programs, by extension economists and private management consultants in advising farmers, and by almost every link in the agriculture service industry in allocating resources.

Banks and investment corporations also round out their economic profiles of counties

through the use of the crop and livestock statistics.

"From the individual who sells fertilizers or designates railroad car placements to the government agent who makes decisions on crop payment programs, everyone in the agricultural production chain needs and uses the information made available through this continuing cooperative effort," Brown said.

"And at the bottom line, of course, is the agricultural product consumer, who reaps the benefits of a more informed agricultural industry, better able to minimize the drastic ups and downs which can translate into unpredictable supplies and prices," Brown concluded.

EARN AN EXTRA INCOME FROM YOUR EXTRA TIME.

When you join the Army Reserve, you'll start earning about \$50 for 16 hours of work a month. And more if you have prior military experience. Besides the extra income you'll learn a skill too. For details call your local unit. It's listed in the white pages of the phone book under "U.S. Government."

Junior Shorthorn Show Planned

The Five State Shorthorn Association is sponsoring a Junior Shorthorn Show to be held August 18-19, 1978 at the Texas County Fairgrounds, Guymon, Oklahoma.

There will be divisions for Registered Shorthorn heifers; purebred Shorthorn steers; and crossbred steers that are 50% or more Shorthorn.

Exhibitors must not have passed their 19th birthday before January 1, 1978 and must live in one of the following states; Colorado, Kansas, Oklahoma, Texas or New Mexico.

A \$15.00 entry fee must accompany each entry. All entry monies will be returned in premiums to the exhibitors. Deadline for entries is August 15, 1978.

The Grand Champion and Reserve Grand Champion steers and heifers will receive trophies and \$100 and \$50 certificates respectively, towards the purchase of an animal in the 1979 Five State Shorthorn Sale.

There will be a judging contest open to all 4-H and FFA judging teams on Friday, August 18 beginning at 6:00 p.m.

For additional information and entry forms contact Mrs. Robert Dahl, Star Rt., Gruver, Texas 79040, phone 806-733-2612; or contact Ronald Gooch, Box D, Clarendon, Texas 79226, phone 806-874-2141 or 874-3619.

Tim Peddy, Greyhound tri-captain who has been tapped to play in the Greenbelt Classic Bowl 1978 Classic, August 11th.

Peddy Tapped For Greenbelt Classic

Tim Peddy, a 1978 GHS graduate and the son of Mr. and Mrs. Byron Peddy of Gruver, has been tapped to play in the All-Star football game, the Greenbelt Classic, August 11th at Childress. Tim, who was an outstanding Gruver Greyhound and one of the 1977 Tri-captains will be reporting August 6th in Childress in preparation for the big game night.

Each boy selected is permitted to select a Queen Nominee for Queen of the Greenbelt Bowl and on Thursday, August 19th there will be a hospitality picnic at the Childress City Park honoring both players and their Queen Nominees. Tim's choice for his Queen Nominee is a natural for a reigning queen being another 1978 GHS graduate, Leslyn McLain, the daughter of Gruver. Both Tim's parents and all other players and their Queen Nominees' parents are invited to this special event in Childress on Thursday.

Following the picnic each of the Queen nominees will be presented to the audience at the portico of the First National Bank. Although judges for the Queen Contest will not be announced they will observe all nominees from time to time and will announce their selection at the game Friday night.

Ducats for the Greenbelt Classic may be ordered from the Chamber of Commerce in Childress or call 817-937-2567. Student tickets are \$2.00 and general admission tickets for adults will be \$3.00.

Field Day Planned At Halfway

HALFWAY--The 69th annual edition of the Texas Agricultural Experiment Station Field Day for Lubbock and Halfway, highlighting a variety of crop research programs on the Texas High Plains, will be held Tuesday, Sept. 12.

The Texas Agricultural Experiment Station at Halfway, located 14 miles west of Plainview on U.S. Highway 70, will be host this year. Dr. Bill Ott, resident director of the TAES Lubbock Experiment Station, said. The annual program alternates between the experiment station locations at Lubbock and Halfway, in cooperation with the High Plains Research Foundation.

A five-stop field tour of research sites and facilities at the Halfway Station is planned, said J. Joe Wright, field day chairman. The stops will illustrate research being conducted in weed control, mobile trickle irrigation systems, labor management, corn irrigation, and cotton varieties and disease control.

Additional features will include machinery and equipment displays by area implement dealers and other tests being conducted at the station, Wright said.

WIN UP TO \$1,000

KIRK DOUGLAS: MAN OF ACTION

CARNIVAL

The Spearman Chamber of Commerce will present SCHAFFER SHOWS CARNIVAL

Downtown Spearman
-- Rides & Fun

★ BOOTHS FOR THE
WHOLE FAMILY ★

Proceeds to go to the
Spearman
Chamber of Commerce
Carnival starts at
7 each evening
thru Saturday

In his distinguished and varied screen career, Kirk Douglas has been beaten up ("Champion"), shot ("Spartacus"), but few of his performances have been as physically demanding of him as his role in "THE FURY," a Frank Yablans presentation for 20th Century-Fox.

The stunts he did for himself during the location shooting in Chicago would have justified a week's rest in Palm Springs for most actors. They involved running, jumping out of windows and scaling walls. Douglas went through them without hardly working up a sweat.

"When I'm doing a film I try to take good care of myself by watching what I eat and getting the proper amount of rest," he said. He also abstains from any alcoholic beverages during the run of a film, and when the schedule permits he plays a vigorous daily set of tennis.

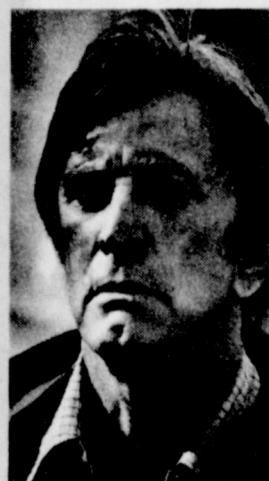

In "THE FURY," an exciting melodrama, Douglas plays a man who has been employed by a super secret government agency, and is now seeking to get his teenage son, possessed with psychic powers, from its clutches. It is directed by Brian De Palma and co-stars John Cassavetes, Carrie Snodgrass, Charles Durning and Amy Irving.

In one long sequence, a car chase, Douglas commandeers a Cadillac and drives it into Lake Michigan. The actual plunge into the water was left to the stuntmen, but Douglas had to back up the car at an accelerated rate of speed into a smoke-filled warehouse, shift the gears forward and race it to the edge of the dock, slamming on the brakes inches from the water.

"The problem with this scene," he said, "was driving at a high speed out of the fog where I couldn't see a thing into the bright lights and stopping the car right at the camera." Making the drive more difficult for Douglas, the stuntmen did not set down tracks on which the car could be steered automatically. Douglas had to maneuver the car himself and he did it with split second timing, getting it accurate on the first take.

In another action sequence, Douglas had to race up the stairs to the platform of an elevated train, dash the length of it and jump into the subway as it was moving away. The passengers on the train had not been alerted, and most registered startled expressions as Douglas pushed his way through the closing door, followed by the cameramen and their equipment. Through the several takes of this scene, Douglas managed never to lose his breath while some of the crew, trying to keep up with him, were noticeably panting.

Running was also the physical requirement for Douglas and his beautiful, young co-star Amy Irving in a night scene on the grounds of a mansion in Lake Forest, a wealthy suburb of Chicago.

Kirk Douglas stars as Peter in 20th Century-Fox's suspense-shocker "THE FURY," which opens Aug. 6 at HOLIDAY Theatre.

SOME TRUCKER — Pretty Helen Shaver plays a very unusual truck driver in American International's "High-Ballin'."

"High-Ballin'" Set To Open

American International's new action adventure "High-Ballin'" is set to open Aug. 5 at the Lyle Theatre with stars Peter Fonda, singer/composer Jerry Reed and Helen Shaver.

Packed with some of the most spectacular stunts ever seen on the screen, "High-Ballin'" is the story of a group of independent truckers who take on the dangerous task of fighting corruption in the trucking industry and battling a gang of hijackers that have been plaguing the truckers.

Stunt coordinator Gary Davis and his partner Bud George Davis, along with special effects man Richard Helmer, created the dazzling, death-defying action which includes several stunts never before seen in motion pictures.

"High-Ballin'" was directed by Peter Carter from a script by Paul Edwards. Jon Slan produced the film with executive producers Stanley Chase and Bill Hayward.

Spider Mites Cause Garden Damage

Spider mites can cause severe damage to many vegetable gardens in Hansford County unless proper control measures are taken.

Garland Stewart, county agent with the Texas Agricultural Extension Service, says that although tomatoes and green beans are the plants most frequently attacked, spider mites will also feed on and damage most other garden crops.

Spider mites are red in color and extremely small in size. They are usually found on the underside of leaves.

The tiny insect pests cause damage by sucking juices from the plant. Large populations of mites can build up quite rapidly, and a severe infestation can cause leaves and flower buds to fall from the infested plant.

Although control of spider mites is often difficult, Stewart offers these suggestions for

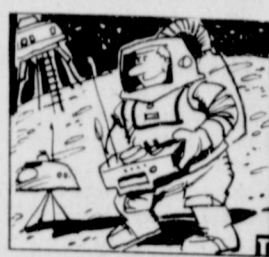

home gardeners: Select pesticide that is registered for use against spider mites.

Do not allow infestations to build up to large numbers before applying a pesticide.

After initial applications of pesticide, inspect plant to determine if live mites are present. Make additional applications only when live mites are found. Generally two - four applications are needed to control an infestation of spider mites.

Compounds registered for use on spider mites are Diazinon, Kelthane, Sulphur and Ethion. As with any pesticide, be sure to read the label and follow all directions, cautions Stewart.

The first synthetic gene was manufactured in 1970 by Indian-American biochemist Har Gobind Khorana, a Nobel Prize winner in medicine.

Geology is one vocation where a person can truly serve mankind—and we have great adventures, too."

To learn more about earth science and geology, how geologists' search for knowledge benefits mankind and about careers in geology, write the American Geological Institute, 5205 Leesburg Pike, Falls Church, Virginia 22041.

George Bernard Shaw won the Nobel Prize for literature in 1925.

The receipts at the Texhoma Livestock Comm. Co., Inc. were 2076 cattle & calves. All classes of cattle sold on a much higher market. Many feeder buyers in attendance. Steer calves \$3.00 to \$5.00 higher. Heifer calves \$3.00 higher. Feeder steers \$3.00 to \$5.00 higher. Packer cows \$3.00 to \$4.00 higher. \$37.00 to \$40.00. Cannors & Cutters \$33.00 to \$36.00. Bologna bulls \$40.00 to \$44.50.

Steer Calves-300# to 500# @ \$65.00 to \$75.00

Heifer Calves-300# to 500# @ \$56.00 to \$66.25

Feeder Steers-600# to 800# @ \$58.00 to \$64.80

Feeder Heifers-600# to 725# @ \$53.00 to \$57.25

For next Thursday, Aug. 3, we are expecting 2500 cattle of all classes.

mothers and babies

LITTLE KNOWN FACTS

Young babies have good resistance to most germs. During a family cold epidemic, the baby is apt to have the mildest case.

Young people may be able to enjoy playing more in comfortable, washable, stretch denim playshorts, such as these from Mothercare, retailing specialists for mothers-to-be, babies, and children under 5. To go with the shorts is a lollipop patterned T-shirt.

Sparks To Celebrate Golden Anniversary

Mr. and Mrs. A. D. Sparks will be honored with a Golden Wedding Anniversary August 6, when their children will host a reception from 2 to 4 p.m. in the Fellowship Hall of the First Christian Church, Spearman. Aubie Sparks and Mozelle Beeson were united in marriage August 8, 1928 by Rev. Addison.

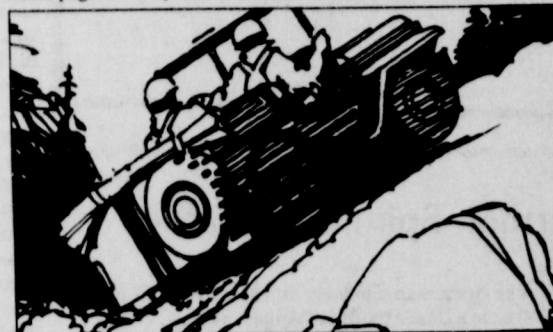

Their marriage license was a gift of the late Jess Womble, also a rolling pin was a gift from the late Claude Smith and Mrs.

Smith, its still in use.

They were engaged in farming for forty five years. Their children include Gene of Amarillo, Ted of Lubbock and Sheila of Victor, Colorado. Five grandchildren: Denise Milligan of Missoula, Montana; Roxana Ward and Christie Sparks of Casper, Wyoming; Tammy Janelle of Canyon; and Chris Mundy of Victor. Two great grandchildren include Becky and Brooke Milligan.

TAKE A DRIVE THIS WEEKEND.

Get paid to do something different one weekend a month. Call your local Army Reserve center for details. It's listed in the white pages of the phone book under "U.S. Government."

THE ARMY RESERVE. PART OF WHAT YOU EARN IS PRIDE.

It's a happy 1st for the JG's who are celebrating their first anniversary at Davis and Main in Spearman this Friday and Saturday.

Here's what
it costs you to
lower that
thermostat
below 78°.

With temperatures soaring day after day this summer, your electric bills will be higher due to increased air conditioning requirements. By setting your thermostat on 78°, however, you can help hold down home cooling costs. When you're away from home for a day or more, raise it even higher for more savings. As you can see, lowering your thermostat below 78° can be expensive! Keeping your thermostat set at 78° this summer is just one of many ways you can help hold down home operating costs. For more information on wise home energy management, call your friends at

Mr. and Mrs. Troy Sloan, Mr. and Mrs. Kiff White, Mr. and Mrs. Johnny Venneman and Mary, Mr. and Mrs. James Sparks, Mr. and Mrs. James White, Mr. and Mrs. W. E.

Sparks, Mr. and Mrs. Garland Head, Mr. and Mrs. Aubie Sparks, Mr. and Mrs. Raymond Sparks, Mr. and Mrs. Tommie White and Traci and Tori, Mr. and Mrs. Joe T. Venneman and Clint, Hollay & Kim, Mr. and Mrs. Gary Wooley and Connie, Jessica, Wendy, Mrs. LaVoe Sparks, Randy and Kent, and Mr. and Mrs. Danny McLaughlin, all of Spearman.

Visitors were: Mr. and Mrs. Raymond Kirk, Mr. and Mrs. Thug Jenkins, Clyde Longley, Mrs. Harry Shedeck, Mrs. Dolly McWhirter, all of Spearman and Mr. and Mrs. Sam Janzen, Perryton, Texas.

There was a total of 130 family present.

Mental Health Drive Proceeds Noted

Mary Lou Matthews raised \$381.75 in the May drive benefiting the Mental Health Association in Texas.

Bellinger workers collected house-to-house during May, Mental Health Month.

Proceeds benefit the non-profit, non-governmental agency whose members are dedicated to fighting mental illness while working on behalf of the mentally ill and their families.

"The Mental Health Association exists entirely on donations, such as those raised in the

May drive," said Shirley K. Camfield, state president.

Funds raised in the campaign will be used to purchase and distribute free literature to the public on mental health topics, as well as to support the other programs of the association.

Camfield thanked Matthews and the Bellinger workers in Spearman, calling them an important team in the movement to promote mental health in the state.

Ladies weekly tourney held

Seven women golfers were at the Hansford County Golf Course Monday for the 9:00 A.M. tee-off of the regular weekly tourney.

Participating in the Monday morning meet were Faye Cunningham, Ann Sanders, Barbara Cluck, Jean Holland, Ida Edwards, Juanita Logsdon, Anita Clemmons, and Carolyn Gressett.

Coming closest to the pin on #4 was Ida Bell Edwards with Ann Sanders and Carolyn Gressett sharing low gross scoring honors.

All women golfers are cordially invited to participate in these weekly tourneys with a 9:00 A.M. tee-off each Monday.

Teachers Attend Bilingual Workshop

Eighteen students were enrolled in the Bilingual Learning Activities Workshop at Panhandle State University. The course included math, language, music & art of bilingual students and the use of such in the classroom also included short practical Spanish phrases to communicate with the bilingual student.

Area students enrolled in the Bilingual Class included Oleen Judd, Donna Kendrick, Diana Starnes and Patti Vincent, all of Stratford; Aileen Vecker, Afton, and Lynette Campbell, Gruver.

Teaching the course, which was for three credit hours, was Viola Kantz, bilingual kindergarten teacher from Stratford.

Federal Land Bank Interest Rate

Robert R. Williams, Jr., Manager of the Spearman-Pampa Federal Land Bank Association of Pampa, announced today that the Federal Land Bank's billing rate on farm and ranch loans and rural residence loans will be increased from 7 3/4% to 8%, effective August 1, 1978.

The Houston Bank introduced the variable rate plan in 1969 which allows the billing rate to increase or decrease with the variations in the money market. In making this announcement, Mr. Williams stated, "The Bank's decision was necessitated because of the increase in the cost of money with the most recent bond issue sold by the Bank selling at 8.72% average effective rate. Also, that an 8% rate was certainly very competitive under today's monetary conditions."

Our Heritage of Faith

notes from Faith Lutheran Church

"No man is an island." This is a phrase which very well describes the fact that we do not know who we are or have any sense of identity except in relationship with other people. It is in our encounter with other people and from the relationships which we develop that we learn who we are and form an opinion of our self worth, importance, and abilities.

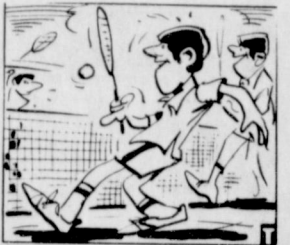

The most meaningful relationships are those in which we feel very free and in which we are accepted for what we are, the bad along with the good. Often relationships are only built on trying to impress, but such relationships take a lot of extra energy. We end up being controlled by that impression which we are trying to create in the mind of the other, and we lose our freedom and much of our real unique personhood.

The beauty of the Christian faith, of the Gospel, is that it centers around a relationship, the most important relationship of all. That relationship which we have with the One who has created us. Who could better tell us who we are and give us a sense of identity than He who created us! The fact that we can be in a relationship with Him at all gives us infinite worth and meaning. This is also a relationship which only God could initiate.

Such a relationship dare not be despised or hindered by us. If we are to be people who are truly free and unique individuals we need to constantly be reminded of God's acceptance of us as we are, the bad along with the good. If we try to remain aloof on our own apart from God, we will soon sink into conformity to the impressions we try to create and the goals we try to reach, and conformity drowns out individuality and real life.

Faith Lutheran urges you to regularly bring yourself into contact with this message of God's love for us in Jesus Christ our Lord and Savior. If you have no regular church home you are invited to come to Faith. Faith Lutheran is located on the corner of 11th and Bernice. Sunday morning services start at 9:30.

The Federal Land Bank of Houston makes long-term estate loans on farm and ranch land throughout Texas, and now has \$1.3 billion in loans outstanding. The local association makes and services loans in five counties. Officers and directors of the association are: W. B. Jackson, O. C. Holt, Wayne Maddox, Carl Jahnke, Lynn Davis, and Mike Garnett.
