Wolves Beaten By Breck's Buckaroos

By PHIL RIDDLE

The exhaustion was evident on the faces of both teams by the end of the game at Buckaroo Field Friday night.

Though the game ended 28-6 in favor of Breckenridge, the contest was a fiery one from the outset.

The Wolves' defense showed the Bucks that they intended to be in the fray as the Colorado City defense stopped the Green Crew on their first possession and forced a punt.

The Red and Black offense got one first down on their premieu for the evening on a quick opener up the middle to Dalton Maddox. The play went for 28 yards to the Wolves' 48 yard line.

Breckenridge's defense stiffened and the Pack gave the football back via the punt.

The Buckaroos took over at their own 16 yard stripe and immediately began marching.

Eating up 84 yards of turf in sixteen plays, capped by a four-yard jaunt by junior tailback Ronnie Mercer, the Bucks took a 7-0 lead.

An eight yard return on the following kick-off by junior, Tom Rees, set the Wolves' up at their own 33.

The Wolves lost three yards on first down and gained two back on second down before an interception by Doug Cavazos, of Breckenridge halted the Colorado City push.

The Buckaroos began operating from the C.C. 40. Though the defenders were hanging tough and making the Breck boys work for every inch of ground, the Bucks were simply too big to fight off.

The forty yards were gained in seven plays and highlighted by a three inch touchdown dive over center by Breckenridge quarterback, Kyle Parker.

The point after was good and the Bucks led 14-0.

The Wolves offense worked around a tough Breckenridge defense for a few moments of glory in the second period.

Victor Jackson's 17 yard kick return set the Wolves to work at their own 25.

On second and ten Jackson passed on a halfback option to Mike Scott to the Bucks' 49.

A QB keeper and Jackson around right end set up a third and one from the Breck 40.

Quarterback Jeff Hammonds sliced off the right side and gained 10 to the Green 30.

Two incomplete passes had the Bucks thinking pass on third and ten, and they were right.

Hammonds started left as on an option, pulled up and fired straight across the grid iron to a waiting Jackson who rambled thirty yards for a Colorado City T.D.

The two point conversion was no good and the Breckenridge lead was cut to 14-6.

The rest of the half belonged to the defenses and a good deal of credit goes to the Wolves as they shut the Bucks down entirely.

McPhaul, Neff, Free, Uselton, Heredia, were names called frequently on tough tackles in the melee at the line of scrimmage.

The pass defense was also excellent as Victor Jackson intercepted two errant balls within a nine second span at the end of the second quarter.

Jackson's two swipes sandwiched a second Breckenridge interception by Cavazos.

Neither team could come up with the right breaks to push over any more points in the first half and the score remained 14-6.

The Wolves burst from the half time confines of their locker room intent on establishing their offense. While flashes of brilliance shone, the huge Breckenridge defense stifled them.

One of the flashes came immediately after the half as the Wolves dropped into punt formation. The snap went to the up man, Jackson, who made the two yards necessary by only inch-

The Bucks took the Colorado City defense to fourth and two again.

This time the defense

Mobil Home Subdivision Is Approved During City Council Meeting Monday

The Colorado City Council met Tuesday night in regular session with a mobile home subdivision being approved by the council.

The approval came following an appearance before the council by J. O. Dockrey, Jr., after his request for permission to create 11 lots on 28 acres of property in the city limits; noting it would not be a slum area. Dockrey stated the lots would have septic tanks, well water, natural gas and electricity accessible to each.

A set of guidelines or requirements for persons planning to park a mobile home in the subdivision, should be presented to the council, commented Dr. Don Bennett, councilman.

After a lenghty discussion, it was decided that most of the requirements were presently covered under state and city regulations.

The council voted to re-zone the area for trailers and permission was granted to Dockrey for the subdivision.

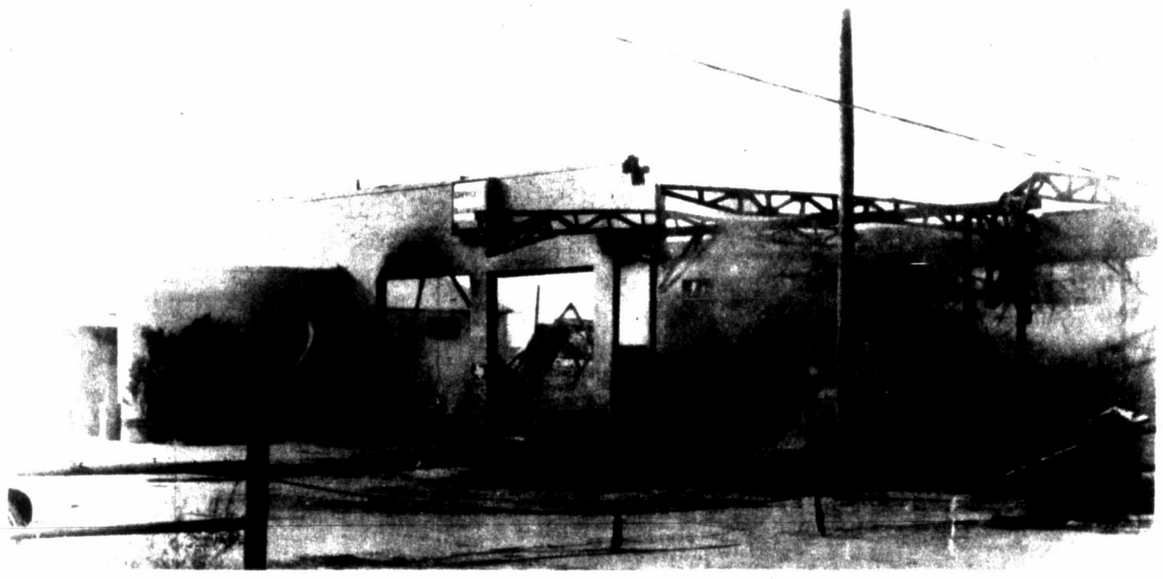

A rate increase was requested by Lone Star Gas and was approved by the Council in other business at the meeting. The rate increase is an annual adjustment for inflation cost and will be submitted to the Council 30 days prior to the company's proposed increase.

At the time of the proposal, the Council may vote for or against the request. If the council denies Lone Star Gas the approval of a rate increase, Lone Star may appeal to the Public Utilities Company, (PUC).

Filling of the City Manager's position was also the topic of discussion at the meeting. An application that was submitted from Kenneth Neil of Sweetwater was reviewed by the Council. He has experience in both Anson and Baird in city government, but no decision was made by the council concerning Neil.

The council is awaiting more applicants to apply as advertisements were placed in several news medias for the opening.

Jesse Munoz, Gene Rowe and Dr. Bennett were appointed by Mayor Elmer Martin to review the applications. Mayor Martin also appointed a committee with himself, Macca Findley, Nina Crout and Ray Mason to interview the applicants.

THESE SHAMBLES ARE ALL THAT REMAIN of Jay Adams Chevrolet, owned by Joe Weaver of Colorado City, following an early morning fire on Friday, November 13. Firefighters battled the flames for approximately three hours, but the business was still smoldering at ten that morning. This is reported to be the biggest fire in Colorado City in 16 years. L. O. Schafer, Colorado City Volunteer Fire Department Marshall, stated that the fire was believed to have started in the service department, but an investigation will follow.

Brenda Lee Remains As Loraine City Secretary After Smoldering Discussion

Brenda Lee will keep her position as Loraine City Secretary, but only after some heated discussion and a veto made by Mayor Vance Dickenson on a motion by Councilmembers Eddie Galvan, Calvin Forbus and Jack Brewer to fire Mrs. Lee and hire someone to work five days a week. Voting against the motion were Councilmen Tommy Green and Claude Wood.

The hiring of a city secretary that would work a five-day work week was on the agenda, but no reasons were defined for the replacement of Mrs. Lee.

Mrs. Lee asked the Council if there were some problems with her work and if she is not doing all the work that needed to be done. The only day Mrs. Lee said she took off was Wednesday and it was to take her daughter to the doctor.

Councilman Forbus stated he had heard that there was something dishonest and he wanted it cleared up and wanted Mayor Dickenson to explain about Mrs. Lee owing the city money.

He stated, he had overhead someone asking the Mayor, "had Mrs. Lee paid back the city." Mayor Dickenson asked Forbus if he had listened for his reply, which was yes.

Mrs. Lee stated, "It is true I did have some financial problems and I did ask for an advance on my salary, but the debt was paid off at $25 a week and is paid in full."

Mayor Dickenson stated that the reason he vetoed the motion was at the time Mrs. Lee was hired, the Council knew she had a daughter that was ill and would need attention.

It was suggested to the Council, by a member, to hire someone part-time to work the Wednesdays Mrs. Lee was out, as there was money already budgeted for someone else, but it was voted down.

Also discussed during the meeting was the dismissal of D. C. Fowler because of illness. After a lengthy discussion, the Council voted to table the matter and give Fowler more time to recover.

In the final business of the night, Tommy Green was appointed to investigate the purchase of a new city maintainer.

Opti-Ms Club Will Have Special Show

It was announced by Becky Manning, president of the Colorado Opti-Ms Club, that the club plans to sponsor the "Magic Of Christmas" here in Colorado City.

The show will be presented at the Colorado High School Auditorium on December 11 at 7:30 p.m.

There will be a lot of excitement with this show. Not only will Santa be in town, but he and a club member will be visiting Root Memorial Hospital and the lodges. Santa will be giving away candy, gum and tickets for the show. There will be door prizes given away at the show, which will include a bike for some lucky boy or girl.

The Opti-Ms Club is raising money for the club which sponsors all local youth activities and projects, added Gloria Erwin, club secretary.

The unique show lasts a full 90 minutes and is designed to entertain the entire family. Everyone is asked to help make it a success, concluded Mrs. Erwin.

REHEARSALS ARE UNDERWAY for the next production of the Colorado City Playhouse, "I Ought To Be In Pictures," a Neil Simon play that is currently on Broadway. The play will be presented December 3, 4, 5, 10, 11 and 12 at the playhouse. Characters in the play are Carl Beery Moore as Herbert Tucker, a screen writer in Hollywood; Lisa Wilkerson as Libby, his long lost daughter and Jolyn Mikow as Steffy Blondell, his girlfriend.

Chinese Auction Is Set Saturday

The Annual Chinese Auction is again scheduled Saturday, November 21 from 4 p.m., until 7 p.m., in the C. C. Thompson Room. The annual auction is a yearly event planned by the Colorado City Business and Professional Women's Club.

Coffee and refreshments will be served to those attending the auction where home made goodies of foods and crafts will be available to purchase.

The auction is a money making project of the club and members encourage everyone to stop in and select that unique Christmas gift.

Everyone is invited to attend.

CORRECTION

The Colorado City RECORD apologizes for any inconveniences that may have been caused from our getting the Westbrook School and Colorado Independent School in-service days in reverse.

Poster Contest Set By SWCD Office

D. M. Smith, vice-chairman of the board of the Mitchell Soil and Water Conservation District, has announced they are again sponsoring a Conservation Essay and Poster Contest for youth in Mitchell County.

The poster contest is open to boys and girls that are 12-years-old and under. The subject of the contest is "Resource Conservation."

The individual may choose any phase of resource conservations that relates to the role of their local soil and water conservation district.

The Mitchell SWCD is concerned with erosion control practices, crop, range and pasture land management, irrigation water management, fish and wildlife management and promotiong the involvement of all citizens in conserving soil, water and related resources, commented Smith.

The top three entries in the district will receive trophy awards and the top three entries in each class will receive ribbon awards.

"Soil and Water Conservation" is the subject of conservation for the Essay Contest, stated Smith.

The contest is open to persons 18-years-old and younger. The winners will receive $20 for first, $15 for second and $10 for third place.

Smith stated, "because this is an open contest, it will not jeopardize Texas Interscholastic League eligibility."

All entries must be mailed to Mitchell Soil and Water Conservation District, P.O. Box 910, Colorado City, Tx., 79512 or taken to the SCS office in the G-Kell Building on the Snyder Highway by January 25, 1982.

POTPOURRI

By Phil Riddle

This past Wednesday, as most of you know, was Veterans' Day across the country.

To the majority of American citizens, the day is simply a day that the banks and the Post Office are closed. There is a good reason that Congress set this day aside to honor our military men and women.

Try to think of what our every day lives might be like now if we hadn't had these brave souls fighting for our freedom in the 1940's. Would we enjoy all the liberties that we now take for granted? There is really no way to know the answer to that question, because our freedom was defended by our men in uniform.

From the War for Independence from the British to the men now serving in peace, we offer a somewhat belated salute.

xxx

On a related note, a World War II veteran and Mitchell County resident, Joe T. Dolman, came into the office last week and brought a yellowed news story from the Sacremento Examiner.

The reason for the yellow condition of the article is that it dates back to 1945.

Mr. Dolman told of the end of the war and the meeting of many well known soldiers, including Clark Gable.

"Clark went through the same schooling as the rest of us; I came out a corporal, he came out a captain," reminisces Dolman. "He only flew "Milk missions," he concluded on the subject of Mr. Gable.

The main thing Dolman wanted to discuss was the way his bunch were welcomed home.

Five hundred soldiers were herded into the then popular train day cars and set out on a six day trip from Boston to Camp Beale California.

"We were a dirty bunch of soldiers," says Dolman. "The Nazis taken prisoner were riding in luxury pullman cars with plenty of food and water. Well, we didn't even have clean drinking water most of the trip."

Some of the officers bathed in the kitchen of the train but the enlisted men frequently went without even enough water to drink.

"The engineer would stop the train when we'd cross a creek or river so that we could get a drink and wash our faces," says Dolman.

Dolman remembers the refusal of a small town in Nevada to even let the soldiers' train stop for water. "They had had some trouble with some soldiers in the past. The soldiers had raped two of the women who lived in the town, so they thought all men in uniform were bad."

Dolman says that little of the publicity given the boys returning home was afforded these 500 warriors. "You hard about the brass bands and parades that the boys coming home got, we didn't have anything waiting for us when we came home."

My sincere thanks to Mr. Joe T. Dolman for relating these incidents to me.

Wolves, From Page 1

held and the ball turned over to the potent Buckaroo offense at the Breck 46.

A bruising tackle on third and five by Scott Free coupled with Free coupled with a holding penalty against Breckenridge gave the ball back to the Wolves on their own two yard line.

A limited number of plays to call because of the poor field position and a well-conditioned defense allowed the Wolves but five yards on three tries and set up a punting situation.

Heredia received a low snap and had to hurry his kick, which travelled only to the Colorado City 30.

On first down Parker, on a keeper was dragged down from behind by Free, Dane Powell and Rees. The defense, aided by a Bucks' holding call, had Breckenridge in a second and twenty situation.

Parker passed to senior back Aaron Brown for a first down on the Wolves 18.

A keeper by Parker and a pitch around left end to senior Allen Pierce put the Bucks on the C-City two, with a first down.

Two plays later Parker crashed through the middle of the line and broke the plane of the goal line.

The p.a.t. at the 2:03 mark in the third stanza put the Buckaroos up 21-6.

Another Breck interception set the home team up first and ten at the Colorado City 41.

Stacey Tarter slid through and sacked Parker for a two yard loss as the third quarter ended.

With a third and 14 and only twenty two seconds gone in the final period, the Bucks scored still again.

A forty-one yard pass and run from parker to senior Brad Woodward, put the game on ice at 28-7.

The Wolves lost to Breckenridge, it's true, but they may take solace in the fact that many a fine football teams has lost to the Buckaroos.

Another source of consolation to the varsity footballers is the fact that the citizens of Colorado City are proud of the way they were represented this season.

The Wolves ended up the 1981 season with a respectable 6-4 mark as they finished second in district 7-AAA.

J V Wolves Finish Season As Champs

The Junior Varsity Wolves were defeated 18-14 by the Breckenridge Buckaroos Thursday night, but only after a battle.

Dennis Rivera made the first touchdown on a 25 yard run and David Salazar kicked the extra point, giving the Wolves the lead 7-0.

Larry Hamilton made the second touchdown of the night with a long 35 yard run. At the end of half time, the Wolves led 14-12 over the Buckaroos.

In the fourth quarter, Breckenridge made the final touchdown, giving them the win.

Coach Bill Barnard stated, "The boys did extremely well during the game and all through the year in fact."

Freshmen Wolves Defeated 18-12 In Last Three Minutes

With three minutes left in the game, the Breckenridge Buckaroos pulled out a narrow win over the Colorado City Freshmen Wolves' football team Thursday night, with a final score of 18-12.

At the end of the first quarter, Breckenridge led with a score of 6-0, but Billy Jackson scored for the Wolves in the second quarter, leaving it 6-6. The Buckaroos scored again, making it 12-6.

In the third quarter, Don Randle scored after receiving a pass from Doug Chitsey. The Wolves held them 12-12 until the last three minutes of the game when Breckenridge scored one last touchdown.

"It was a complete team effort, but I feel we were a little out manned, as they were a lot larger. The turnover hurt us because we had five or six fumbles in the game. The boys did a fantastic job and finished their season with a win-loss record to be proud of, 7-3," commented Coach Raymond Zamarippa.

Body Control Session Beginning Soon

A new session of Body Control will begin November 30 at the Wallace Center. Joanne Sanderson will be the instructor.

For women there will be a choice of a day or night class. The day class will meet on Monday, Tuesday and Thursday from 10-11 a.m.

The night class will meet on Monday, Tuesday and Thursday from 6:30-7:30 p.m. These classes will continue for three weeks instead of the usual four weeks because of the Christmas holidays.

A new four week session will begin after the first of January. The fee for the three week session will be $20. The emphasis will be on losing inches around the waist, hips and thighs.

A mens body control class will also be taught by Joanne Sanderson. It will meet on Wednesday and Friday from 5:30-6:30 p.m., and last for three weeks.

The fee for this class is also $20. For the men, the emphasis will be working toward total physical fitness and getting rid of those rolls around the middle.

To enroll for these classes, you must come by the Wallace Center before the first class starts and register. For more information, phone the Community Education Office, 728-2392.

Twirlers Awarded First Place Trophy

The Twirlers from Colorado High School did not stop until they had captured the first place trophy at the Southwest Auxiliary Championship that was held in Big Spring recently.

"They were competing against eight other teams, most of which were 5A and through the perplex competition, the girls came through with the winning spirit that CHS students depict," stated Donna Cook, sponsor.

Twirlers representing CHS are Kakai Callaway, Kyla Wilson, Allyson Haggerton and Marsha Fuller.

Kakai Callaway received a medal in her solo Division I performance.

"They have always been an award winning line and this is just one more achievement for them," concluded Mrs. Cook.

Imposters Claim Taxpayers Money

Persons posing as employees of the Internal Revenue Service occasionally attempt to harass taxpayers, or collect money for what the imposter claims are unpaid taxes, the IRS says.

Taxpayers should request to see the credentials of any individual claiming to represent the IRS. Every IRS employee who makes contact with the public is required to carry distinctive identification and must show this when conducting official business.

Generally, taxpayers who owe money to the IRS will receive written notification before being contacted in person.

Taxpayers who doubt the validity of the credentials offered can verify the person's employment by contacting the nearest IRS office.

Roping Contest Slated

A $20,000.00 Match Roping between world class ropers, Arnold Felts and Phil Lyne, will be the main attraction of the first Jim Bob Altizer Invitational Roping, November 21st and 22nd. Felts and Lyne will take a total time on 12 head, six calves and six steers.

Forty of the world's top calf ropers will be on deck Saturday, the 21st and 30 top calibre steer ropers will be the feature of Sunday, the 22nd. Ropings will begin daily at 1:30 p.m.

The roping, to be held at Jim Bob Altizer Arena on Hudson Drive, Del Rio, is in benefit of West Texas Boys Ranch at San Angelo.

Further information may be obtained by contacting Jim Bob Altizer at Box 1432, No. 2 Pepper Lane, Del Rio, 78840 or West Texas Boys Ranch, Box 3568, San Angelo, 76902.

Q. Is there a way to check a PCV valve?
A. Yes. However, it is a good idea to replace the positive crankcase ventilation valve regularly as suggested by the car manufacturer. To check the valve, start the car, and allow it to idle until normal running temperature is reached. Locate the hose leading from the valve cover or side of the crankcase to the base of the carburetor. At some point on this line you will find the PCV valve. When the car has reached normal operating temperature, pinch the hose shut with a pair of smooth jaw pliers. If the engine's PCV system is working, you will hear an audible drop of between 60 and 100 RPM. If the RPM does not drop, the PCV valve may be plugged. A second method is to open the oil filler cap and hold a piece of light paper ¼ inch from the opening. If the system is working, there should be enough suction to pull the paper to the opening.

ORDINANCE NO. 82-81

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS IN THE CITY OF COLORADO CITY, MITCHELL COUNTY, TEXAS; PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED, AND AMENDED, PROVIDING FOR SURCHARGE; AND PROVIDING FOR A SCHEDULE OF SERVICE CHARGES.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COLORADO CITY, TEXAS:

SECTION 1. Effective with gas bills rendered on and after thirty (30) days from the final date of passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Colorado City, Texas, by Lone Star Gas Company, a division of ENSERCH CORPORATION, a Texas Corporation, its successors and assigns, is hereby fixed and determined as set forth in Item A, in the Attachment hereto which is incorporated herein.

SECTION 2. The residential and commercial rates set forth above shall be adjusted upward or downward from a base of $2.4624 per Mcf by a Gas Cost Adjustment Factor expressed as an amount per thousand cubic feet (Mcf) of natural gas for changes in the intracompany city gate rate charge as authorized by the Railroad Commission of Texas or other regulatory body having jurisdiction for gas delivered to the Colorado City distribution system, according to Item B, in the Attachment hereto which is incorporated herein.

SECTION 3. Company shall also receive tax adjustments according to Item C, in the Attachment hereto which is incorporated herein.

SECTION 4. The residential and commercial rates set forth above shall be adjusted upward and downward by a Cost of Service Adjustment Factor expressed as an amount per customer for changes in the cost of service over a twelve month period ending December 31, according to Item D, in the attachment hereto which is incorporated herein.

SECTION 5. Rate case expense is not included in the calculation of proposed rates. If rate case expense is incurred in this current case, it is the intention of Lone Star Gas Company to recover the current and any prior rate case expense through a surcharge designed for a six-month nominal recovery period. The surcharge per Mcf would be calculated by dividing the rate case expense to be recovered by one-half of the adjusted annual sales volume to residential and commercial customers. If there is no current rate case expense, the Company will forego recovery of any unamortized prior rate case expense. When a surcharge is applicable, monthly status reports will be provided to account for the collections.

SECTION 6. In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect, as set forth in Item E, in the Attachment hereto which is incorporated herein.

SECTION 7. The rates set forth in this ordinance may be changed and amended by either the City or Company in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 8. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given.

PASSED AND APPROVED on this the 10th day of November, A.D. 1981.

ATTEST:
Rita Campos, Secretary
Elmer Martin, Mayor
City of Colorado City, Texas

ATTACHMENT TO ORDINANCE NO. 82-81 CITY OF COLORADO CITY, TEXAS
LONE STAR GAS COMPANY
TARIFFS & SCHEDULES

Item A. The following rates are the maximum applicable to residential and commercial consumers per meter per month or for any part of a month for which gas service is available at the same location. Summer rates shall be applicable between the meter reading dates in May and October. Winter rates shall be applicable at all other times.

Residential: Customer Charge, winter, $4.5000; summer, $4.5000; All consumption at winter, $3.1014 per Mcf; summer $2.8514 per Mcf. If the service period is less than 28 days, the customer charge is $.1607 times the number of days service.

Commercial: Customer Charge winter, $7.5000; summer, $7.5000; All consumption at winter, $3.1014 per Mcf; summer, $2.8514 per Mcf. If the service period is less than 28 days, the customer charge is $.2679 times the number of days service.

Bills are due and payable when rendered and must be paid within ten days from the monthly billing date.

Item B. Gas Cost Adjustment

Each monthly bill at the above rate shall be adjusted for gas cost as follows:

(1) The City gate rate increase or decrease applicable to current billing month residential and commercial sales shall be estimated to the nearest $0.0001 per Mcf based upon:

(a) A volume factor of 1.0084 determined in establishing the above rates for the distribution system as the ratio of adjusted purchased volumes divided by adjusted sales volumes.

(b) The city gate rate estimated to be applicable to volumes purchased during the current calendar month, expressed to the nearest $0.0001 per Mcf (shown below as "Re").

(c) The base city gate rate of $2.4624 per Mcf.

(2) Correction of the estimated adjustment determined by Item B (1) above shall be included as part of the adjustment for the second following billing month. The correcting factor (shown below as "C") shall be expressed to the nearest $0.0001 per Mcf based upon:

(a) The corrected adjustment amount based upon the actual city gate rate, less

(b) The estimated adjustment amount billed under Item B (1) above, divided by

(c) Distribution system residential and commercial sales Mcf recorded on the Company's books during the prior year for the month that the correction is included as part of the adjustment.

(3) The adjustment determined by Item B (1) and Item B (2) above shall be multiplied by a tax factor of 1.04112 to include street and alley rental and state occupation tax due to increasing or decreasing Company revenues under this gas cost adjustment provision.

In summary, the gas cost adjustment (GCA) shall be determined to the nearest $0.001 per Mcf by Item B (1), Item B (2) and Item B (3) as follows:

GCA equals (Item B (1) plus Item B (2) times Item B (3)
GCA equals (1.0084) (Re $2.4624) plus C X 1.04112

Item C. Tax Adjustment

The tax adjustment shall be an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge (except state, county, city and special district ad valorem taxes and taxes on net income) levied, assessed or imposed subsequent to January 1, 1981, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract.

Item D. Cost of Service Adjustment

Each monthly bill for residential and commercial gas service shall be adjusted for changes in the cost of providing such service as follows:

(1) Effective with bills rendered for the month of May, 1982 and annually effective each May thereafter, the residential and commercial monthly rate shall be adjusted for changes in the cost per customer of providing gas service (including depreciation but excluding cost of gas, gross receipts taxes, income taxes, and return) for the previous year ended December 31 above or below such cost incurred in the second prior calendar year. A 30 day prior notice consisting of a schedule showing the amount of adjustment shall be provided to the city. These annual adjustments shall be cumulative. The operating expenses used in calculating the adjustments shall be for the applicable distribution system as reported to the Railroad Commission of Texas in the annual report of Lone Star Gas Company. Should the percentage change in cost of service per customer of providing gas service exceed the rate of change in the Implicit Price Deflator of the Gross National Product over the same period of time, the adjustment will be limited to a maximum change computed by multiplying the cost of service per customer of providing gas service in the second prior calendar year ended December 31 by the rate of change in the Implicit Price Deflator of the Gross National Product. The adjustment per bill shall be rounded to the nearest whole cent. After the above described notice, the City shall have the right to affirmatively vote to rescind the entire annual adjustment or any part thereof. This affirmative vote to rescend shall affect only the annual adjustment and not rates already at that time in force and affect.

(2) The adjustment determined by (1) above shall be multiplied by the same tax factor used in calculating the gas cost adjustment contained herein to include street and alley rental and state occupation tax due to increasing or decreasing Company revenues under this cost of service adjustment provision.

Item E. Schedule of Service Charges

(1) Reconnect Charge

Westbrook Extension Homemakers Study Club Met On November 6th

The Westbrook Extension Homemakers Study Club met Friday Nov. 6 at 1:30 p.m., in the Westbrook Tax Office-Community Room.

Hostess of the meeting was Eunice Whitehead.

Project plans were that Christmas baskets will be made and distributed to Westbrook residents.

Guest speaker was Doris Wilson of Snyder and she discussed presentation of pen n' ink.

President Joyce Chambers called the monthly meeting to order and seven members answered roll call. Brief business meeting and treasurer's report followed.

They discussed a new project of "Adopt-A Grandparent." Members voted to sponsor a patient of the Root Valley Fair Lodge for the coming year.

Members will take turns visiting and catering our new "Grandmother." Members voted to drop secret pals in January, in lieu of this new project.

But they were still asked to bring their current secret pal Christmas gift and identities will be revealed at the December luncheon. Also home baked items are to be brought for preparation of the Christmas baskets.

New officers for the coming year were elected as follows: President, P. Tucker; Vice-President and Reporter, Candice Griffin and Secretary and Treasurer, Judy Chambers.

Mrs. Wilson brought an interesting program of pen n' ink on glass. Members were shown how to "ink" a 5x7 picture of their own choosing. Several finished pieces were on display.

Those attending were Eunice Whitehead, Jo Conaway, (Laurie Beth), (Phyllis Tucker), Jeri Lynn, Jan Schlee, Joyce Chambers, (Chris) Dru Board, Candice Griffin, (Jenny) and guests were Doris Weldon and Juanita Benbenek both from Snyder.

JESUS CHRIST: OUR ALL IN ALL

Harold Davis
Pastor
Oak Street Baptist Church

In Revelation 1:8 and 11, Jesus says; "I am Alpha and Omega, the beginning and the ending..the first and the last."

In the past few weeks I have been reminded again and again that Jesus Christ is indeed the believer's All in All. Using the first and last letters of the Greek Alphabet, Christ says; "I'm Alpha and Omega." He could have added, "I'm also all that is in between." Recently I came across this small article which expresses it much better than I can.

"Socrates taught for forty years, Plato for fifty, Aristotle for forty, and Jesus for only three; yet those three years infinitely transcend in influence the combined one hundred and thirty years of teaching of Socrates, Plato, and Aristotle, three of the greatest men of all antiquity. Jesus painted no pictures; yet the paintings of Raphael, Michelanglo, and Leonardo da Vinci received their inspiration from Him. Jesus wrote no poetry; but Dante, Milton, and scores of the world's great poets were inspired by Him. Jesus composed no music; still Haydn, Handel, Beethoven, Bach, and Mendelssohn reached their highest perfection of melody in the hymns, symphonies, and oratorios written in His praise. Thus every sphere of human greatness has been incomparably enriched by the humble carpenter of Nazareth. But His unique contribution to the race of men is the salvation of men and women, youth and children. Philosophy could not accomplish that -- nor art -- nor literature -- nor music. Only Jesus Christ can break the power of sin; only He can speak "power into the strenthless soul and life into the dead." The world admires Christ afar off. Some adopt Him as their example and try to pattern their lives after His. A few open the door of their hearts and invite Him in to be their Savior and Lord.

"Through Christ a thousand times in Bethlehem be born,
"If He's not born in thee, they soul is still forlorn."
(Quoted, Author unkown).

Yes, Jesus is Lord of Lords, King of Kings, and All in All. Yet, He cannot be anthing to you until you let Him.

Flag Corps Win Third

The Colorado High School Flag Corps participated in the Southwest Auxiliary Championship held in Big Spring recently and came home with the third place award.

"They competed against 15 other teams, most of which were 5A and it was difficult, but the Flags had two outstanding performances which placed them third behind Killeen and Big Spring," stated sponsor Kitten Arthur.

In solo competition, Nina Bodine received a Division I "superior" rating, while receiving Division II "excellent" ratings were Angi Neff, Robie Raschke, Kristy Frizzell, Janice Glasscock and Sonja Mercer.

In ensemble competition, Janice Glasscock and Becky Albin received a Division I "superior" rating, as did Angi Neff and Nina Bodine. In addition, they were only two points from winning the Outstanding Ensemble trophy.

"The CHS Flags were repreentatives of the winning ideals of CHS this year; they exhibited poise, leadership and confidence throughout the day and represented Colorado City with pride," concluded Mrs. Arthur.

Rosendol Luis, son of Mr. and Mrs. John Limones of Loraine, was born in Root Memorial Hospital November 4 weighing 6 lbs., 8 ozs.
