Texas Public School Week Schedule:

*Colorado City

Open House activities are being planned at two school buildings in Colorado City, both on Tuesday night.

The timetable for both Kelley Elementary and Hutchinson Elementary is as follows:

-Kelley, 6:30 to 8 p.m.
-Hutchinson, 7 to 8:30 p.m.

Parents and other interested persons are invited to visit during open house hours, see displays of student work in the various classrooms and enjoy refreshments in the cafeterias. Anytime during the week, also, parents of students are encouraged to visit the school and eat lunch with their child.

Colorado City Superintendent Lloyd McKee said that due to the recent open house at the new high school, there will not be another during the week.

As for Colorado Middle School, an open house reception is being planned for celebrating the move to the old high school campus which is currently getting a remodeling.

Parents of either CMS or CHS students are being encouraged to visit with teachers during school hours anytime during the week.

*Loraine

Open House at Loraine Schools is being held in conjunction with the Loraine Lions Pancake Supper in the cafeteria Friday evening.

Pancake serving with all the trimmings begins at 5:30 and teachers will be in the various classrooms from 6 to 9 p.m. to visit with parents and show off student work.

Supt. L. R. Dunn encourages parents to feel free to visit anytime during the week and have lunch with students.

*Westbrook

Parents of students enrolled at Westbrook Schools are encouraged to visit the school anytime during the week and see displays of students' work in the various classrooms.

They may also eat lunch with their students, Supt. L. M. Dawson said, but an open house during evening hours is being planned for later in the month when the basketball playoffs are over.

Gutierrez Sentenced

Eloy Gutierrez of Colorado City waived trial by jury by entering a guilty plea before 32nd District Judge Weldon Kirk Friday and was sentenced to 20 months in the state penitentiary.

Case was prepared by District Attorney Frank Ginzel on charges stemming from a Driving While Intoxicated subsequent offense. Gutierrez was also charged with possession of a prohibited weapon, a short-barrel firearm.

Conviction was only on the DWI offense and Gutierrez received credit for the time he has served since his arrest Dec. 28.

League Schedule

Games set this week in the Church Basketball League are as follows:

-Tuesday, 7 p.m., Loraine vs. Westbrook; 8 p.m., Methodist vs. Church of Christ; 9 p.m., Calvary vs. Baptist.

-Thursday, 7 p.m. Methodist vs. Catholic; 8 p.m., Calvary vs. Westbrook; 9 p.m. Baptist vs. Church of Christ.

Games are played in the junior high gym.

Straub Files For Council

April 3 Elections Draw Candidates

Twelve ballots have been cast absentee in the forthcoming city bond election, set for Saturday at City Hall.

Absentee voting closes 5 p.m. Tuesday at City Hall. An additional candidate has filed for election to the City Council. Arlond R. Straub of 1015 Oak filed for

the April 3 council election Friday afternoon. The three incumbents—Mayor Larry Hamner, Marion Bassham and J. Lee Jones Jr.—had filed previously.

Deadline for filing for the city council election is 5 p.m. Wednesday at City Hall. Elections for the city council in Loraine and West-

brook will also be April 3, with two places open at Loraine and all three places up for election in Westbrook.

Deadline for filing for those elections is the same—5 p.m. Wednesday at Loraine City Hall and in Westbrook with City Secretary Mrs. Ruby Sweatt, whose office is in her home.

On the Loraine City Council, places held by Mrs. Fay Hamilton and Donald E. Phillips are up for election. City clerk Homer Hart said that at present, no one has filed.

In Westbrook, Mayor E. A. (Sam) Oden, W. A. Bell and Sidney M. Jones are incumbents on the council and Mrs. Sweatt also said that no one has filed.

School trustee elections will also be held April 3 and deadline for filing is the same as for the council, 30 days prior to the day before the election.

In Colorado City, incumbents Bob Motley and Jimmie Bolin have filed for election. Loraine ISD school board

members whose terms expire are Kenneth Merket and Bill Preston but the only person who has filed for the election is Lester L. (Bud) Hill. Filing is handled in the office of Supt. L. R. Dunn before the 3:30 p.m. deadline Wednesday.

Westbrook school board members up for election include James Dorn and Jerry Webb. Supt. L. M. Dawson said that they have filed for re-election. Deadline in Westbrook is in Dawson's office before 4:30 p.m. Wednesday.

An election to fill expired terms to the Mitchell County Hospital District board of directors will also be held in the courthouse April 3. Board members whose terms expire are Tom Moore, Murrell Blassingame and Bob Reily. They have announced their intentions to seek re-election. Blassingame is president; Moore, vice president and Reily, secretary.

Deadline for filing in the administrative office of the hospital is on or before March 9.

Foreign Pilots Taught At Webb

Air Force Captain Dennis Howard from Webb Air Force Base in Big Spring assured the group attending the Noon Lions Club meeting in the Civic Center that "if any air base is phased out by the government, it probably won't be Webb because the conditions are ideal for pilot training there."

Capt. Howard also said that the auxiliary landing strip in Mitchell County, northwest of the city, which is used in the pilot training

program at Webb, is a necessary and vital part of the training and will be used by the base as long as pilots are trained to fly there.

In an informative talk punctuated by showing of two brief and low-key films, Capt. Howard told the Lions that Webb trains foreign pilots exclusively now as a result of recent changes nationwide and other bases train American Air Force pilots. The Webb program is self-supporting, he added, increasing the U.S. balance of payments.

Students from Central and South America, African countries, Kuwait and Iran and other Middle Eastern countries, Sweden and Germany are trained there in intensive 12-hour daily sessions.

"They go through an intensive English language course at Lackland AFB in San Antonio before coming to Webb but they tend to lose command of the new language in an emergency," he said.

Capt. Howard explained that Big Spring citizens have made the men feel welcome during their two-year stay away from their homes and he commended the total program for its safety record.

"We've had only a few minor accidents which could have been worse in the three years the base has conducted the foreign program. Once, a trainee forgot to put down his landing gear to make a landing and it was when the base was full of brass there for an inspection. Needless to say, a few things were said to the trainee," he said amid laughter.

Capt. Howard ended his talk with a brief review of changes to be made in the Air Force in the next few years and showed a short film of the new F-15 and F-16.

10-Year Sentence For Tomb

John Andrew Tomb, 19, of Colorado City, was sentenced to 10 years in the state penitentiary in Anson Thursday by 104th District Judge J. Neil Daniel.

Tomb pled guilty to the felony burglary charges and admitted to breaking into a Stamford drug store and stealing some drugs Dec. 17.

A second man, Donnie Anz, 18, of Sweetwater, remains charged in Anson in connection with the break-in of Bunkley Drug Store in which drugs valued at between \$150 and \$200 were taken.

County Youth Enter Houston Stock Show

Members of the FFA chapters in Mitchell County along with eight Mitchell County 4-H club members will compete in the 1976 Houston Livestock Show to be held Feb. 25-March 7.

From the Colorado City FFA chapter, sponsored by Frank Brownfield, Pete Fincher will enter the market lamb category and Coalen Swann has entered the market hog class.

From Westbrook, vocational Agriculture teacher J. W. Schlee has listed the following students as entering the market hog division: Tommy Doyle, Mark McDaniel.

ing the market hog division: Tommy Doyle, Mark McDaniel. From Loraine FFA, twelve members will enter the market hog division: Tommy Doyle, Mark McDaniel. See SHOW, Page 11A

Showdown For Wildcats In Post

Westbrook's Wildcats will journey to Post Tuesday afternoon to meet the Motley County team in an 8 p.m. game for the Bi-District title.

A big pep rally will be held in Wildcat Gym to send the team off.

The Wildcats ended district play with a 14-0 record and are 22-11 for the season. They also picked up the

district 10-B crown in the process.

A full page tribute to the Wildcats is printed on Page 8A of this issue of the Record, along with profiles written by Coach Dale Byrd for each player.

Byrd said that the Motley Co. bunch is a tough team, similar to the Wildcats as they average about 60 points a game, and are about the

same size and speed as the Westbrook team.

Arrangements for the Bi-District game were made in a noon meeting in Jayton Wednesday between the two coaches. Motley Co. represents district 9-B and defeated Jayton for the title.

Byrd said he wanted the game to be played in Snyder but the Motley Co. coach wanted either Aspermont or Jayton, but Post was decided as a compromise.

Westbrook won a practice game over Greenwood Friday night in overtime, 72-69.

Coach Dale Byrd said the scoring was even throughout the game with Westbrook having a two-point lead at the end of the first and second quarters.

Scoring for Westbrook were Glenn Rich, 24; Bobby Matlock, 25; Jim Anderson and Daryl Rich, 9 each; Steve Rollins, 3 and Bobby Moody, 2.

Aston Gets New Boat

Mitchell County Game Warden Ronnie Aston has received delivery of a new boat for use at Lake Colorado City and Lake Champion.

The boat was delivered Monday and Aston said he'd have it in the water by tomorrow or Tuesday in order to install official buoys marking the entrance to Morgan Creek and Cherry Creek.

When the buoys are finally installed, they will warn skiers and speed boaters not to use the creek waters but to stay in the main body of the lake.

County Judge Bill Carter received cables to the buoys some time ago but the buoys were sent to Aston last week and he said they would be installed as soon as he can get eight weights with which to anchor them.

Pecan Tree Dedicated

Mitchell County's Bicentennial Liberty Tree was planted at the Colorado City Civic Center Friday morning following a brief program which was highlighted by Mrs. Bobbie Steakley's telling the story of the original Liberty Tree.

The first Liberty Tree was an elm in colonial Boston under which resistance to the Stamp Act was first initiated in the start of resistance which eventually led to the American Revolution.

Since that time, Liberty Trees have been planted throughout the nation of many different varieties and Mrs. Charles C. Thompson, chairperson of the Mitchell County Bicentennial Commission, in a few dedication remarks, pointed out that the Texas pecan which was planted Friday is an appropriate tree to symbolize life in our area.

A new variety of pecan which thrives in any area of the state, it produces an abundant crop of nuts and a wide shade.

Seedlings of native Texas Arbor Vitae and Loblolly Pine were distributed with the help of Colorado City Garden Club members, along with George Womack

and Bobby Lemons, after the tree planting ceremony.

Lemons, who also assisted in the tree planting with Mrs. Thompson and City Councilman J. Lee Jones (representing both the city, on whose property the tree was planted, and the Bicentennial Heritage Committee) gave out the following hints for planting the seedlings:

--Plant seedlings as soon as possible. They may be left in the bundle up to a week if protected from freezing and overheating.

--When handling, keep roots moist and do not expose to sun or wind.

--Plant at least 2 inches deeper than they were grown in the nursery.

--Dig holes large enough to accommodate roots without crowding.

--Fill holes with fertile topsoil. DO NOT FERTILIZE until after the first year.

The seedlings were provided by the Mitchell County Bicentennial Commission to make a lasting contribution to the Bicentennial celebration. The program under which they were obtained is sponsored by the Texas Forestry Service, also sponsors of the Texas pecan tree planting.

PLANTING CEREMONY Friday at the Civic Center of the Texas pecan Liberty Tree was accomplished following a brief ceremony at the site east of the building. Above photo shows Mrs. Charles C. Thompson, Mitchell County Bicentennial Commission chairperson, and Heritage Committee chairman J. Lee Jones Jr. wielding the shovel to fill in the hole as Bobby Lemons holds the tree. Below left, Master of Ceremonies George Womack, also Bicentennial Horizons Committee chairman, greeted the crowd and introduced Colorado High School band, directed by Kent Holder. At right, Mrs. Bobbie Steakley gives a brief history of the Liberty Tree story. Bottom left, Mrs. Bernice Hilliard gets free seedlings for planting at Wallace Center and at right is a passing motorcyclist who stopped on his red, white & blue bike to witness the occasion.

Town Talk

By MAC MCKINNON

Mitchell County's "80 John" Wallace is continuing to receive publicity in publications during this Bicentennial Year.

This time, he is included in the February edition of "Texas Parade" magazine in a special series on "The People of Texas."

This article is entitled: "The Blacks." About "80 John", the magazine writes: "Black cowboys in Texas became, in a word, legendary. Daniel Webster '80 John' Wallace was not only a rugged cowhand, but a 'adding landowner. Paid in cattle by his employer, he returned to school to learn business, and built an 8,000 acre ranch in West Texas. He put his four children through college and today a daughter and her husband manage 15,000 acres from Wallace holdings. Besides a granite monument erected in his honor by the Mitchell County Historical Society, a school in Colorado City is named for him."

We would like to direct everyone's attention to the two special supplements in this issue of the Record. One concerns the upcoming city bond issue and completely outlines the bond proposal and the other is a special section on public schools week.

I'll have more to say about the bond issue in Thursday's edition.

Also in this issue of the Record is a special statement on Page 7A to Loraine School District voters from Loraine School Superintendent L. R. Dunn. It concerns a tax increase for Loraine due to a bill passed by the last session of the state legislature.

Hopefully, that bill will be changed in the next session of the legislature as it was passed too fast without many legislators knowing what its repercussions would be.

I need to stop right here and own up to two mistakes in Thursday's Record.

My apologies to the Kiwanis Club for moving (in a misprint) their pancake supper Friday night from Kelley Elementary to the Civic Center. The pancake supper was at Kelley Elementary. It was well attended, enjoyed by all, the best year ever, according to Otto Rice, chairman of the project. My ego insists that my mistake caused all the interest and resulted in high attendance.

Incidentally, the Loraine Lions Club will have its annual pancake supper next Friday night at the Loraine school and the Colorado City Evening Lions Club will soon have their annual fish fry at the Civic Center.

Speaking of the Lions Club (the Noon Lions in this case of which I am a member) I can't help but hold out encouragement to everyone who hasn't ever won anything. I was in those same shoes until Friday, Feb. 13, when my name was drawn to receive an expense paid trip to the Lions Club International Convention in Hawaii in June. I'll be going with my wife and children along with incoming Noon Lions Club President Buddy Hertenberger and his wife.

All Lions who have perfect attendance for the weekly meetings in the past year were eligible for the drawing. I just had to share that piece of good news.

Anyway, back to my mistakes. One other misprint in the city council story concerned a traffic count at the city-county airport. A counter was on the runway from See TALK, Page 11A

Women To Observe Easter Seal Special Call

United Methodist Women of the First United Methodist Church will hold one of their most important annual observances this week—The Call to Prayer and Self-Denial. About 1.5 million women in 35,000 local units in all 50 states will join in the observance.

The Call, inspired by special mission needs, focuses on prayer, a deepened spiritual life and a guided mission study. Major events of the observance include the Quiet Day and an interpretation of the United States and abroad for which a special offering will be made. Each woman who takes part is asked to give for others by denying herself, and to cultivate through prayer a spiritual oneness with planners, mission workers and those who serve in church-related ministries.

The Call to Prayer and Self-Denial for women of the Methodist Church will be held at 3 p.m. on Feb. 29 (today) in the chapel of the church.

The Women's Division of the Board of Global Ministries of the United Methodist Church sponsors the Call and has designated two aspects of the large United Methodist mission program to benefit from this year's special offering.

In the United States the offering will be used for "Healing Ministries and Services for the Aged." Through the programs and projects benefitting from this offering, the lives of many senior citizens will be enriched.

Overseas, the offering will be directed toward "Support of Victims of Oppressive Societies and Systems." Those victims may be identified as political prisoners, exiles, refugees and women in the urban labor force in Asia, Africa, Latin America. Programs include education and development, community building, research and publication ventures.

member of the Women's Division of the Board of Global Ministries.

Mrs. Arnel Smith will lead this special program and Bob Ford will be the speaker for the annual observance. They will be assisted by the members of the Faith and Agape Circles of the church.

William Dockrey Dockrey Ranks Distinguished Student

William D. Dockrey of Colorado City has earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

"Distinguished Student" ranking is limited to 10 percent of TAMU's undergraduate enrollment.

Dockrey is the son of Mr. and Mrs. Harry L. Dockrey majoring in agricultural engineering at Texas A&M.

Easter Seal Letters Are In The Mail

Easter Seal Appeal letters are being delivered this week according to George Womack, of Colorado City, Mitchell County Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. The Representative serves as contact for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in the County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal and Fall Membership Drive.

Roach Rites Monday

Ida Roach, 84, of Cameron, died Thursday in Root Memorial Hospital. Services will be Monday at 2 p.m. in Progressive Mission Baptist Church. Rev. Webb, pastor will officiate.

Born August 12, 1891 in Cameron she was a member of the Progressive Mission Baptist Church.

Survivors include one daughter Sarah Banks of Colorado City; one son, Rufus Mimmitt of Floydada; a sister Susie Smith of Dallas, 7 grandchildren, 16 great grandchildren and 5 great great grandchildren.

HELLO WORLD

Mr. and Mrs. Ronnie Finley of Midland announce the birth of their daughter Tasha Leann. She was born February 16 in the Midland Memorial Hospital. She weighed 7 lbs. 2 1/2 ozs.

Maternal grandparents are Dr. and Mrs. R. A. Downen of Odessa and paternal grandparents are Mr. and Mrs. Charles Finley of Loraine.

DeLana Jo, daughter of Mr. and Mrs. Dee Wayne Whitson of Colorado City was born in Root Memorial

Hospital February 22 weighing 7 lbs. 3 ozs.

Mr. and Mrs. Floyd Green Jr., 1902 Hale, announce the birth of their first child on February 23 at Malone-Hogan Hospital.

The girl, Stephanie Michelle, was born at 12:50 a.m. She weighed five pounds, three ounces.

Grandparents of the infant are the Rev. and Mrs. Floyd Green Sr. of Big Spring and the Rev. and Mrs. Robert Bracy Jr. of Colorado City.

WEDNESDAY
10 a.m.-Noon - Quilting,
Crafts and Games.
THURSDAY
9:30-11:30 a.m. - Ceramics
class.

THE PICTURE OF THE MONTH for February was
painted by Carolyn Walker owner of Walker Art Studio
on Walnut St. It is displayed in the Mitchell County
Public Library.

Sunday School Homemakers Meet

The Homemakers Sunday
School Class of the First
Baptist Church of West-
brook met Monday or their
quarterly meeting. The
meeting took place at the
church. Mrs. A. G. Ander-
son presented a devotional
from the book of James
third chapter. Leading the

prayer were Mrs. P. E.
Clawson and Mrs. Kay Mor-
ris.

The group decided to
work on their Sunday School
room as their project.
Refreshments of chips and
dip, sandwiches, soft drinks
and coffee were served to
the members.

Church News

The young people of the First Baptist Church are doing a musical called "The Clown." Rehearsals are every week at 6 p.m. on Sunday during the Training Union Hour. This Sunday and next Sunday they will have tryouts for the twelve speaking parts and seven singing parts at 5 p.m.

The First United Methodist Church will have a fifth Sunday night singing to night in the Fellowship Hall. The youth will be serving

refreshments for which there will be a charge. This is one of the ways they have of making a little extra money for their summer activities. It starts at 6 p.m.

The Calvary Baptist Church will be conducting a survey of the religious thinking in Colorado City. They are beginning with the three hundred blocks between Austin and Eastover Streets and between 17th and 10th Streets. Their aim

is to find out what people think about Christianity.

Arthritis, Rheumatism Sufferers! Time Proven ICY-HOT PUTS PAIN TO SLEEP "Without taking Pills"

If you're one of the many, many folks who have "tried everything"—taken pills by the thousand, capsules until you've gagged on them, spoonfuls of evil-tasting liquids until you can't stand the sight of your medicine cabinet, then it's time you get ICY-HOT!

ICY-HOT has been making friends for just about 50 years.

You don't "take" ICY-HOT. Instead you just rub its creamy balm over the affected joints or muscles. That's all there is to it. ICY-HOT must get you the results you want—blessed temporary relief from the pain of arthritis, bursitis, rheumatism, soreness, stiffness. You begin to sleep peacefully again. You can actually feel the pain lessening. If you don't have relief in 24 hours, we'll return your money.

Yes, you must be 100% thrilled with the speed with which ICY-HOT puts pain to sleep, or we'll return the purchase price without question. \$3.00 for 3 1/2 oz. jar, or \$5.00 for 7 oz. jar.

TV PREVIEW

Sunday

ABC...ABC MOVIE—"THE SOUND OF MUSIC"
The hills are alive with the sound of music as Julie Andrews stars in the most popular musical in movie history, retelling the tender and true story of the Trapp Family Singers. (1965)

CBS...CBS NEWS SPECIAL: "THE SECOND BATTLE OF BRITAIN"

The startling decline of Great Britain, from a position as one of the Big Four at the end of World War II to that of a nation today trying hard to survive, is the subject of the broadcast. CBS News Correspondent Morley Safer will be the anchorman. Conversations with British intellectuals Claud Cockburn and Malcolm Muggeridge, political representative Winston Churchill Jr., and union leader Jimmy Reid will be included.

Monday

ABC...ABC MOVIE—"THE YOUNG PIONEERS"
Starring Roger Kern and Linda Purl. A dramatic western that follows the hardships and triumphs of teenage newswomen David and Molly Beaton who, with their unbeatable courage and love for each other, tame the Dakota wilderness in the 1870s.

NBC...JOE FORRESTER
"Girl on a String." After a young prostitute (Janet Skidmore) is found severely beaten, Forrester learns that someone high up in city government is taking payoffs and muzzling the vice squad.

Tuesday

CBS...MASH
A badly hung-over Hawkeye returns from a leave in Tokyo to learn that his best buddy, Trapper John, was transferred stateside two hours earlier. With typical ingenuity, Hawkeye grabs an unauthorized ride with Radar to Seoul's Kimpo airfield, in hopes of saying goodbye to Trapper. (R)

NBC...POLICE WOMAN
"Task Force: Cop Killer." Pepper joins two other policewomen (Cynthia Sikes and Katherine McKee) in demanding admittance to an all-male motorcycle task force and then falls in love with a sergeant in the unit.

Wednesday

NBC...PETROCELLI
"Deadly Journey." Tony and Pete offer an elderly female hitchhiker (Lucille Benson) a lift to San Remo and later learn that she has been arrested for the slaying of her son's employer.

Thursday

CBS...THE WALTONS
It's 1933, and lovely, frenetic Selena Linville, nearest thing to a society girl ever to hail from Walton's Mountain, visits home from Vassar College and charges John-Boy with cowardice for not rushing overseas with her to fight with the Republican Army in the Spanish Civil War.

Friday

CBS...SARA
When she tries to attract two farm boys to her school, Sara finds herself more worried about their mother, a woman of obvious breeding, wasting away from years of desolation in an earthen house far from town.

NBC...BOB HOPE SPECIAL
Over 40 guest stars including Groucho Marx, George Burns, Freddie Prinze, Phyllis Diller, Dean Martin and Don Rickles join Bob Hope in a comedy-mystery show about crimes committed against comedy by a human shark named "Joys."

CBS...CBS MOVIE—"MASH"
Starring Donald Sutherland, Elliott Gould and Sally Kellerman. A film comedy about a pair of medics out to dissect Army morale. Military life comes under sharper attack from the doctors at a Mobile Army Surgical Hospital during the Korean War than from the enemy. (1970) (R)

Saturday

CBS...THE CBS CHILDREN'S FILM FESTIVAL
A film from Russia that tells of a six-year-old boy, nicknamed Bag on Bag because he is about the size of two school bags on top of each other, and his dog, who is also small, but manages to get into big trouble nonetheless.

PERSEVERANCE

Rev. John Ford

Pastor

Central Baptist Church

1. Lacking in this quality.
Mark 4:3-7

Harken; Behold, there went out a sower to sow; and it came to pass, as he sowed, some fell by the wayside, and the fowls of the air came and devoured it up. And some fell on stony ground, where it had not much earth; and immediately it sprang up, because it had no depth of earth: But when the sun was up, it was scorched; and because it had no root, it withered away. And some fell among thorns, and the thorns grew up, and choked it, and it yielded no fruit.

2. The virtue of Stedfastness.
Job 17:9

The righteous also shall hold on his way, and he that hath clean hands shall be stronger and stronger.
1 Corinthians 15:58

Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.
1 Corinthians 16:13

Watch ye, stand fast in the faith, quit you like men, be strong.
3. The Divine Support.
Psalm 37:24 and 28

Though he fall, he shall not be utterly cast down: for the Lord upholdeth him with his hand. For the Lord loveth judgement, and forsaketh not his saints; they are preserved for ever: but the seed of the wicked shall be cut off.

4. Grounding Discipleship
John 8:31

Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed;

5. Christ's Intercession.
a. For Peter
Luke 22:31,32

And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat: but I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy brethren.

b. For the Church.
John 17:11

And now I am no more in the world, but these are in the world, and I come to thee, Holy Father, keep through thine own name those who thou has given me, that they may be one, as we are.

6. The Believer's Security in Christ.
Romans 8:38, 39

For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ our Lord.

In Tribute

Mary Lee Moore

By MAC McKINNON

It was back about Christmas time that someone, I believe it was Bobby Sparks, who approached me and said that he and several others had been wanting to pay a special thanks during the season of gratitude to someone very special.

That someone very special is Mary Lee Moore. Since that time, I have been working to come up with information of her background. After contacting a number of people, two people, Margaret Oyler and J. Lee Jones Jr., collaborated on a biographical tribute to Mary Lee.

This tribute is presented as a very small token of the community's appreciation of what Mary Lee has done for all of us.

As a very brief foreword, I would like to add a few personal observations about Mary Lee.

She is the type person who walks into the Record office and chews me out for not having watered my airplane plants enough. She is the type person who in the drug store during a crowded coffee break time presented me a hand woven wall decoration with the picture of a donkey on it. The other name of that animal is her favorite nickname for the people she likes.

She is also the type person who left her hospital room and went home so that my wife could have the best room in the hospital (at that time) when it was time for my son to be born.

Here is that biographical tribute:

"Mary Lee Crowder, the daughter of Frank Leslie Crowder and wife, Myrtle Nellie Cox Crowder, and the granddaughter of W. A. Crowder, was born at Colorado, Mitchell County, Texas on August 11, 1906; graduated from Colorado High School with the Class of 1924; and has spent most, but not all, of her life in Colorado (now Colorado City).

"Mary Lee Moore was elected Justice of the Peace, for Precinct 2, in Mitchell County, Texas in 1966 and has held that post continuously since initially elected.

"Mary Lee Moore has been an active member of, and a tireless worker in, the First Christian Church of Colorado City, Texas all of her adult life.

"Mary Lee Moore has been a member of, and active in the affairs of, the Business and Professional Women's Club of Colorado; has been and is now, the Chairwoman of its Good Cheer Committee.

"Mary Lee Moore is a person of many facets and talents; is frank and forthright; and spends a great deal of her time helping the poor and underprivileged people of Colorado City and Mitchell County; and has never been known to refrain or refuse to lend a helping hand to those in need.

"Mary Lee Moore, affectionately known among them as "Ma" Moore, is most cooperative with all local law enforcement officers and officials. They all swear by, but not at, "Ma" Moore who has been known to speak her mind on occasions.

"Mary Lee Moore is a civic-minded citizen and assists all civic clubs and organizations in their various public projects. Judge Moore is indeed a "take over type" of quarterback and gets things done even when it is necessary to step on a few toes which she does without the slightest hesitation."

CHS Track Forecast Good

There are 34 members of the Colorado High School varsity track team this year and 32 freshman tracksters, with track coach Robert Damron saying the team looks very strong in some ways.

"Strength lies in the returnees from last year's team," the coach said. Those returning include Senior Drex Grisham, third in the 880 in district last year; Senior Andy Chalker, first in district in the 120 high hurdles; Junior Wayne McKee, who vaulted 13'1" in the pole vault; Junior Pete Parham, district winner in the discus; Junior Ray Torrez, third in district in the 330 intermediate hurdles; Junior Monty Martin, a veteran in the 440; Junior Manuel Arellano in the 220; Junior Steve Belvin, third in district in the shot put; Juniors Jim Jordan and Steve Belvin, veterans in the weight events.

Sophomores who will aid the team effort include the following: Blake Hammond, first place in the mile in district; Ed Adams in the hurdles, a question mark because of recent knee surgery; Frank Sanchez, veteran of the 220 last year who will move to the 440 this year.

"Other people we are depending on this year are seniors Kenneth Lain and Bill Everett in the weight events. Lain is very strong but has never thrown before. Everett has the potential of throwing the discus well over 150 feet which would be better than any throw made in our district last year.

"Other juniors include sprinters Gerald Smith and Tim Edwards, high jumper Ray Ritchey, distance men Freddie Womack, Charles Lenard, and John Salazar and weight man Jackie Ellis," he said.

Baby Shower For Mrs. Hale

Mrs. Donnie Hale was honored with a baby shower Saturday Feb. 21 at 6:30 in the Fellowship Hall of the First United Methodist Church of Westbrook.

Hostesses for the occasion were Mrs. F. B. Oglesby, Mrs. W. E. Smith Jr., Mrs. Sam Oden, Mrs. Rex McKenney, Mrs. Ted Jackson, Mrs. J. D. Iglehart, Mrs. Edgar Andrews and Mrs. Roy Messimer.

Sophomores who will be on the varsity this year after winning district as freshmen last year are hurdlers Bill Jordan and Dobie Williams, sprinter David Ornelas, high jumper Cornell Ausbie and distance men Danny Torrez, Larry Chaney, Noel Martinez and Lupe Badillo.

"The mile and 440 relays, which are important in the outcome of any track meet, look good this year," Damron said. "We return three members of both relays from last year: Frank Sanchez, Drex Grisham and Manuel Arellano on the sprint relay. On the mile relay we have Frank Sanchez, Drex Grisham and Monty Martin. Filling the spots left vacant on these relays will be a tough decision. There will be a lot of competition to determine who will fill them," the track coach said.

"Overall, I would say the team will be stronger than last year's and it was runner-up in the district track meet. The men in this year's team are dedicated to improving their times from last year. They will have to be improved in order to overcome the speedsters from Hamlin. What we lack in ability we will have to make up in determination and hard work.

"Our track schedule this year is tough. We are going to be competing against a lot of 3-A schools in many track meets. I think we need tough competition to prepare us for the district track meet and to enable us to get as many athletes as we can to the Regional and State track meets," the coach concluded.

The first meet is March 6 in Sweetwater for the varsity team with junior high teams competing in Coahoma that same day. Ninth graders have their first experience March 12 in Colorado City as they host the Junior Lone Wolf Relays for Freshmen and 7th and 8th graders.

Results Of Dust Storm

Recent high winds have pointed up the need for good land management in preventing dust storms. Good land management practices could prevent most of the wind erosion that occurs in West Texas according to Van Mills with the Soil Conservation Service.

Bare land with no protective cover or cloddy condition is subject to wind erosion in nearly every month of the year but especially true from January through April.

The pictures here supplied through courtesy of the SCS show land conditions in four different fields following the recent dust storms.

Tennis Season Begins At CHS

"When the wind begins to blow, it's a sure bet that tennis season is 'drawing near,'" Colorado High School tennis coach Ken Burnam said last week.

"The tennis team started working out in earnest Feb. 16 and will work out about two months. Many team members have participated in workouts during the sixth period ever since school started. This extra time has been beneficial to many students as it is obvious that they have improved faster than their classmates who didn't work out all year," the coach said.

There are ten boys and eight girls coming out for two-hour workouts starting with the sixth period. Five additional players come after school, making a total of 23 players out for the high school tennis team.

Returning players from the District 6-AA championship team include state play-off returnees Craig Carter and Chop Love, regional play-off returnees Leslie Greenlee, Tony Love and Terry Culbertson. Additional experienced team members are Mark Miles, Randy Schafer, Ivy Johnson, Steve Calaway, John Boyd and Teresa McClure.

Adding to the team's strength are members of last year's District 6-AA junior championship team: Randy Anderson, Karen Thomas, Sharon Coldey and Beverly Fuller.

A large group of experienced freshmen add encouragement for a future championship team, Burnam said. Freshmen are Tony Franco, Travis Crenshaw, Dale Adams, Anita Bryant, Sherri Williams, Lisa Bobo, Sandra Luera, Karen Brown, Tracey Shawn and Andy Swinney.

"The depth of the team is improving in that the team will lose only two seniors. This shows that the team is made up of young, experienced and eager players. This will be the last year for seniors Leslie Greenlee and Tony Love. They both have an impressive tennis winning streak going and this year will show the same winning spirit," Burnam pointed out.

Burnam gave praise to the administration for supporting the tennis program, saying, "Athletic director Mike Farda is in charge of the sports program and the backing that Farda and the

Colorado Independent School District gives to the tennis team has helped it become the powerhouse that it is."

"The team is better backed than any school of its size in this area," he said. "The outlay spent on tennis is about \$1,500 per year. This includes expenditures on uniforms, tennis rackets, meals, transportation, coach's salary and entry fees. This last item really takes a bundle as it costs about \$50 entry fee for each tournament per twelve players. Winning district, participating in regional and state contests—all add to this amount. This expense is never questioned, however," Burnam emphasized.

"The sport and expenses will be shared by a host of 23 high school students and about 50 junior high students," he said. "The investment has paid off as we have won the junior division three years, district one year and placed six students in regional and two in state."

Burnam said that junior high practice begins March 1 and includes workouts Tuesdays and Thursdays after school.

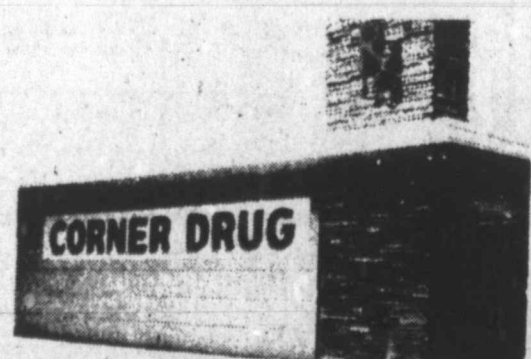

Cake Decorating Course

A Community Services course in Cake Decorating will be offered by Western Texas College starting March 1.

Mrs. Genie Grizzle, who taught a similar course last fall, will be instructor for the new course. Classes will meet for five Monday nights at 7 p.m. in the multi-purpose room of the Museum Building on the WTC campus. Students will pay fees of \$10 for 10 hours of instruction and will also be expected to have a cake decorating kit for use in the class. Decorating kits will be available at the first class meeting at an approximate cost of \$9.50 each.

The Cake Decorating class will be limited to 16 students. Persons wishing to pre-register may call the Community Services office at extension 237 at WTC, 573-0511.

MISSY BLACKSTOCK, 2nd grader was the top saleswoman for the 1976 Cookie Sale. She sold 132 boxes of cookies to take 2nd place in the Girl Scout fund drive. She won 1/4 of her camping trip paid by the Girl Scouts and a Bicenennial patch.

MARY BETH KING, Missy's 3rd grade rival sold 122 boxes of cookies to take 2nd place in the Girl Scout fund drive. She won 1/4 of her camping trip paid by the Girl Scouts and a Bicenennial patch.

Girl Scout Cookie Sale Ends: Top Salesgirls Announced

Seven year old Missy Blackstock sold 132 boxes of Girl Scout cookies to win a paid camping trip with her father to Camp Booth Oaks in Abilene, a trophy and a patch "I've got the Spirit."

The Girl Scout winning 1/4 of her camping trip prepaid for selling 122 boxes was Mary Beth King. Winners of the Spirit of '76 patch for selling 42 boxes or more are:

Shelia Benson (42); Jeanne Alberts (42); Debbie Alvarez (42); Barbara Heredia (42); Rebecca Erwin (42); Denise Gregory (42); Diane Jones (42); Karen Molina (42); Kristie McMillan (42); Lisa De Luera (44); Kerry Spivey (42); Sandy Dominguez (42); Katrina Ring (42) and Patti Rosas (42).

The awards for the cookie sale will be presented at the Flames Of Freedom Family Banquet on March 12 at 7 p.m.

Deadline For Exam Set

The deadline for applications to take the Graduate Record Examination on April 24 has been extended to March 5.

Several applicants are still needed for Western Texas College to qualify as a test site. Further information and application forms may be obtained by contacting Dr. Mary Hood, Director of Testing at Western Texas College, by calling 573-8511, extension 275.

The troops would like to express their thanks to the people of Mitchell County who bought cookies from the Scouts.

Of the 82 girls who participated in the fund drive, 31 girls won a prize. The following girls who sold 80 boxes or more in the Brownie troop will also receive a paid camping trip to Camp Booth Oaks with her father and a patch: Stacey Clemmer and Ann Everett.

Andrea Carpenter (42); Rhonda Carpenter (54); Diane Ford (42); Dianne Gregory (42); Dana Hill (59); Yolanda Lee (60); Julie McPhaul (42); Melanie Rees (42); Tina Tammen (42); Connie Ward (42); Ashley Weaver (42); Staci Wood (57); Angela Selvera (46);

School Financing In The Loraine Independent School District

Financing the public schools has become a point of major and immediate concern on the part of school administrators and school boards.

H. B. 1126 has many far-reaching ramifications as school districts encounter its impact.

The burden borne by the local district is becoming greater each year. The per pupil cost has risen from \$400 to \$800 over the past four years according to Mr. Raymond Bynum, Director of the finance division of the Texas Education Agency.

In order to meet our budget for 1975-76 we had to raise our tax rate and in preparing our 1976-77 budget, we will be forced to raise our ratio of assessment from 40 to 60% in order to meet our obligations.

There are several reasons for this.

The primary increased burden to the local district has been caused by increased local fund assignments in relationship to the total state foundation program.

This increase in local fund assignment was brought about by H. B. 1126. In 1974-75 the statewide local share was 17.8%. In 1975-76 this rose to 22.2% and is projected to reach 24.5% for the 1976-77 school year. These figures were presented by Alton Bowen, Deputy Commissioner for education.

This local share for the Loraine District has doubled from \$18,089 in 1974-75 to \$36,178 in 1975-76. According to House Bill 1126 it is scheduled to triple to \$54,267 in 1976-77.

Even with these tremendous increases our district has been "protected" under a save-harmless clause for local fund assignment.

Had we not been under the save-harmless clause our local fund assignment would have been based on .30/hundred dollars on total evaluation of the district for 1975-76 which would have been \$62,975. For 1976-77 H. B. 1126 calls for .35/hundred dollars on total evaluation of the district which figures to \$73,470.

The real impact here is that while the Loraine District is protected through 1976-77 under save-harmless, this clause as H. B. 1126 now stands is only for two years, so we can expect a jump in local fund assignment from \$54,267 in 1976-77 to somewhere in the \$70,000 bracket for 1977-78.

Besides this increased local share other factors are involved in causing budgetary expenditure increases. The district will have to allow for fees previously paid by students which amounts to \$2,600. This was caused by the Attorney General's ruling on fees on October 1, 1975.

Professional salary increases for 1976-77 according to the state minimum salary schedule will increase \$4,000. We are also looking at increased utility rates. We must budget \$10,000 for vehicle replacement in transportation. Our fleet of buses must be up-dated. The Loraine District must also provide Workman's Compensation Insurance coverage by June 1, 1976 as mandated by state law. This will cost our district \$2,000 for premiums.

Expenditures are expected to rise about \$26,000 for 1976-77 over what 1975-76 expenditures are. On the receipts side our district must generate almost \$55,000 extra dollars in 1976-77 over 1975-76 because of reduced revenue from state sources and projected increases in expenditures.

There are several other aspects of H. B. 1126 with which I strongly disagree. At present we qualify for 19 personnel units under 1126 save harmless clause but in 1977-78 as 1126 now stands we will be cut back to 16 personnel units. We will still have to employ the same number of units to keep out of accreditation trouble. So in effect it means our district would have to pick up three (3) additional salaries in 1977-78.

The sparse area formula is of no benefit to us since our district is less than 300 square miles.

The equalization aid formula in 1126 has yielded such a meager amount of money to our district that it is of very little significance. In 1975-76 we qualified for \$4,051 according to the Texas Education Agency on our application for foundation funds. In comparing \$4,000 to a budget of \$400,000 the insignificance can readily be seen. The equalization aid was diluted before H. B. 1126 was ever passed in that a ceiling of \$50,000.00 for the State of Texas was set. In order to get this portion of the bill passed a larger number of schools had to be included than it was originally intended to cover in order to get legislative support; therefore from the state level we are only getting about 80% of the \$70 per pupil assistance.

In our 1976-77 budget it looks as if we will only qualify for \$2,313 and that we will only get 80% of that which is \$1,850. I believe we would have been just as well off without the equalization clause since we are having to tinker with such a measly amount.

Another portion of H. B. 1126 is Compensatory Education. I wholeheartedly disagree with this provision. The procedures for applying are burdensome and the amount of money is small. Also, this money must be spent categorically and kept up with through bookkeeping and audit procedures. If this money isn't spent it must be returned to the Texas Education Agency. I feel at least a goodly portion of this money may be spent for things not essential or even wasted rather than be returned to the Agency.

Another aspect of H. B. 1126 is the market value study being administered through the Governor's Committee, at this point the local district has very little knowledge of how it is going to be effected. I feel very strongly we must find a broader tax base in order to stop or at least slow down tax increases placed on the land owner through Ad Valorem Taxations. Texas has the wealth and potential to adequately educate its students but much serious thought needs to be given to school financing from state support and through taxes within the local district.

I can understand the Governor's thinking when he advocates no new state tax increases but at the same time until inflation is curbed and new programs are slowed down it is going to cost more money for districts to operate. What we have got to realize is that it is costing more money and if there is no tax increase at the state level then we are forced to bear these increases at the local level.

There are a couple of provisions in H. B. 1126 that are good. The provision for drivers education under the foundation program will help districts in this essential program.

The 62.5% increase in transportation allotment is helpful. Although the increase has helped, local dollars still must be added to supplement the school transportation system. In our district the state transportation money will be insufficient to apply any of it toward the replacement of vehicles. This increase of 62.5% raised our transportation allotment from \$11,450 in 1974-75 to \$18,606 in 1976-77. It costs our district about \$22,000 to fund transportation for one year.

H. B. 1126 has hurt the smaller school districts in Texas tremendously. The financial strain may become unbearable in 1977-78 unless school financing is changed in the upcoming legislature.

Also as H. B. 1126 addresses the problem of equalizing the financial structure between school districts in reference to the Rodriguez case, this bill seems to have had very little effect.

I feel the 64th Legislature kept the education finance bills tied up in committees for too long so as to cause a hasty decision on H. B. 1126 near the deadline of the legislative session. I feel the decisions made through H. B. 1126 were not in the best interests of all school districts in the State of Texas.

Congratulations

WILDCATS,

On Your District 10-B Championship And

Good Luck

In The Bi-District Game With Motley Co.

8 P.M. Tuesday In Post

Bi-District Winner Plays In The Regional Tournament Next Weekend In Levelland.

The following individual profiles of the Westbrook Wildcats was supplied by Wildcats Coach Dale Byrd:

GLENN RICH, 5'11" Senior, son of Mr. and Mrs. J. T. Rich. Leading scorer with 763 points through district, averaging 23.8 points per game. The best natural shooter I've coached. He is very quick and an outstanding ball handler. He has received All-Tournament honors at Roscoe last year and at Sterling City this season. He was selected to the second team All-District last year and led district scoring last year and this year.

BOBBY MATLOCK, 6'2" Junior, son of Mr. and Mrs. Matt Matlock. Led the Wildcats in rebounds (534), assists (207) and steals (174). He is the second leading scorer with 601 points and an 18.8 average. Bobby gets the ball out quicker on our fast break better than anyone I've ever seen. He is our outstanding team player. He was the first boy selected to the All-District Team last year and was selected All-Tournament at Sterling City this year.

JIM ANDERSON, 6'1" Senior, son of Mr. and Mrs. Jimmie Anderson. Good rebounder and inside shooter. He does a good job on our half-court trap. Jim scored 198 points with a 6.2 average.

STEVE ROLLINS, 6'1" Senior, son of Mr. and Mrs. Gerald Rollins. Good shooter from free throw line in. He doesn't shoot much but has a high percentage of shots made. Steve scored 162 points with a 5.1 average.

DARYL RICH, 5'9" Freshman, son of Mr. and Mrs. Cleburne Rich. Super quick, Daryl is an excellent defensive player. He was second to Matlock in stealing the ball with 130 steals. Daryl scored 337 points with a 10.5 average.

DON DURAN, 5'8" Senior, son of Mr. and Mrs. Antonio Duran. Number one guard substitute. Good dribbler and defensive player. Don played an excellent game against Roby, scoring 8 points. We

DISTRICT 10-B CHAMPIONS, the Westbrook Wildcats, are pictured here with their championship trophy which capped their undefeated season in 10-B. Back row from left, Jeanne Gregory, manager; Gerald Colbert, Warren Zant, Don Duran, Daryl Rich, Clark Sweatt, Ronnie Diese and Coach Dale Byrd; front row from left, Bobby Moody, Steve Rollins, Glenn Rich, Bobby Matlock and Jim Anderson.

won by six. He scored 79 points during the season with a 2.5 average.

BOBBY MOODY, 5'11" Sophomore, son of Mr. and Mrs. Jimmy Moody. Number one forward substitute. Good outside shooter. He scored 77 points with a 2.4 average.

GERALD COLBERT, 5'10" Sophomore, son of Mr. and Mrs. Jack Colbert. Shoots well inside. Good jumper. He scored 22 points for the season. Came in as a sub in last Roby game and played cool basketball under tremendous pressure.

RONNIE DIESE, 5'9" Sophomore, son of Mr. and Mrs. Charles Diese. Good hustler and set shooter. Ronnie scored 19 points this season. Helped with many extra manager type duties.

CLARK SWEATT, 5'6" Freshman, son of Mr. and Mrs. Doc Sweatt. Quick defensive player. Clark scored 9 points this season. Helped with many manager type duties.

JOHN MANNING, 5'9" Junior, son of Mr. and Mrs. Bob Manning. First year to play basketball. Came in as a sub in second Roby game and played cool basketball. John scored 4 points for the season.

JEANNE GREGORY, Manager, niece of Mr. and Mrs. Marvin Hale. Best scorekeeper I've had. Kept opponents' scorekeepers and clock keepers honest.

WARREN ZANT, Manager, son of Mr. and Mrs. Warren Zant. Warren has done a fantastic job keeping the team in clean towels and clean workout uniforms.

For the season, the Wildcats have scored an average of 68.9 points per game and their opponents have averaged 53.5 points per game.

In district competition the Wildcats averaged 77.2 points per game to their opponents 45.6 points per game.

The Wildcats ended their district competition with a 14-0 record. The season record now stands at 22-11.

Congratulations On A Good Season & Good Luck In The Play Offs—We're Behind You All The Way.

Why Give To The Heart Fund?

Almost everyone of us knows someone who has high blood pressure. Many of us have it ourselves. But few of us are aware of its significance.

To doctors, hypertension, the medical term for high blood pressure, is a silent killer. Since it has no usual symptoms, most of its victims don't know they have it. If left untreated, hypertension can take years off a person's life and can cause heart attack and stroke.

High blood pressure still remains a medical mystery to researchers; in 90 per cent of all cases, doctors can't pinpoint the cause.

The American Heart Association estimates that 23 million Americans have this silent and mysterious disease. Of that number, only half of all the hypertension victims know they have it. Surveys have indicated that only 10 to 20 per cent of the population with high blood pressure receives adequate treatment.

This disease is a contributor to two major killers in this country—heart attack and stroke—which together claim nearly 900,000 lives each year.

In spite of these grim facts, there's a bright side to the outlook on high blood pressure. It can be easily detected by a simple, harmless and inexpensive test. Once found, it usually can be controlled with drug and diet therapy.

Black Americans, in particular, should be aware of the dangers of high blood pressure. Hypertension, as an underlying factor in heart attack and stroke, takes on special significance here, since blacks suffer more strokes at an earlier age, and with more severe results.

Hopefully, ongoing research will provide medical science with more knowledge about the causes and prevention of high blood pressure.

Research, along with intensive community education and hypertension screening programs, are top priorities of the American Heart Association. All of this is necessary to assure the heart-health quality of this nation.

These programs are just one facet of the many ways your Heart Fund dollars are put to work for you and your heart by the Heart Association. The American Heart Association is now conducting its annual fund drive. Give generously when a Heart volunteer calls at your home.

6th Grade Band To Perform

The 6th grade band will perform for the Band Boosters in a program in the new High School Auditorium Thursday, March 4 at 7:30 p.m.

There's a lot of Pride in Farming

The successful farmer has a right to swell his chest when he sees a fine crop being harvested or a healthy beef or dairy herd grazing in pasture. More reason for pride if he's protected his livestock, buildings and equipment against loss. We take pride, too, in providing farm insurance coverage to protect your income, property and future. Call us for details.

"Flames Of Freedom"

Every Girl Scout of the USA will have an opportunity to light a "Flame of freedom" wherever she is on March 12. In doing so, Girl Scouts will celebrate two big birthdays—Girl Scouts 64th and the USA's 200th.

A torch of freedom for all

Girl Scouts of the USA will symbolize the pledge that Girl Scouts will carry forward the light of freedom for all people as we enter our nation's third century.

West Texas Scouts have many events scheduled for lighting the flame with tapers brought back from the

National Convention by Peggy Sturrock, Abilene and Carol Ann Ivey of Big Spring.

In both Colorado City and Lorraine, a family night will be held in honor of Flames of Freedom, on March 12 for the Girl Scouts and their families.

Our family at
COLORADO CITY SAVINGS & LOAN
has a free gift for your family...

A lovely 8 x 10
Natural Color Portrait!

This lovely portrait of your entire family will be taken at our facility by professional photographers . . . And, like your savings account, this beautiful portrait will grow more valuable to you as the years go by!

All you do for your free portrait is call us at 728-2671 and make an appointment for your portrait sitting. These sittings may be arranged for evenings and weekends, so Dad can be there!

For an appointment
PHONE: 728-2671

PHOTOGRAPHY DATES:
March 8 through March 13

PHOTOGRAPHY HOURS:
2 p.m. - 7 p.m. Weekdays
10 a.m. - 5 p.m. Saturday

Within 30 days, you will be able to return and take your choice of several poses for your free portrait. At this time, you may purchase additional portraits at special low prices — but you are under no obligation to do so.

Call today and take advantage of this free portrait offer . . . it's just our way of saying thank you to our valued customers.
One free portrait per family, please.

Public Notice

THE STATE OF TEXAS
TO:
FLORINE SIMS AUSTIN
GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of April, A.D., 1976, at or before 10 o'clock A.M., before the Honorable District Court of Mitchell County, at the Court House in Colorado City, Texas.

Said plaintiff's petition was filed on the 27th day of February, 1976.

The file number of said suit being No. 9324

The names of the parties in said suit are:

IN THE MATTER OF THE MARRIAGE OF:

RILEY AUSTIN as Petitioner and

FLORINE SIMS AUSTIN as Respondent.

The nature of said suit being substantially as follows, to wit: Petitioner prays for divorce and general relief. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 27th day of February A.D., 1976. Given under my hand and seal of said Court, at office in Colorado City Texas, this 27th day of February A.D., 1976.

B.H. Erwin Clerk

NOTICE OF ELECTION TO BOARD OF DIRECTORS MITCHELL COUNTY HOSPITAL DISTRICT

Public notice is hereby given that the Board of Directors of the Mitchell County Hospital District has called an election on Saturday, April 3, 1976. The purpose of the election is to elect three directors to the Board whose terms will expire in April 1978. The election will be conducted in the Mitchell County Courthouse, Colorado City, Texas, between the hours of 8 a.m. and 7 p.m. The legislation creating the Hospital District requires that candidates file at least twenty-five days prior to the day of the election in order to have their names placed on the printed ballot. Said application or petition must be signed by not less than twenty-five qualified electors asking that the name of the applicant be printed on the ballot and filed with the Secretary of the Board of Directors of the Mitchell County Hospital District. Locally, all candidates must file at the administrative offices, Root Memorial Hospital, 1543 Chestnut Street, Colorado City, Texas, on or before March 9, 1976. Absentee balloting will be conducted in said administrative offices Root Memorial Hospital beginning on March 14, 1976, twenty days before the date of the election, and closing March 31, 1976, three days before said date of election. Murrell G. Blasingame, President, Board of Directors, Mitchell County Hospital District

Looks At Tax Raise

According to a list of figures released by Comptroller Bob Bullock, Colorado City would have to raise taxes 19.5 per cent to replace revenue sharing funds if Congress fails to renew the revenue sharing program by the end of this year.

Mitchell County would have to raise taxes by 24.7 per cent and Westbrook by 30.8 but the city of Lorraine would have to come up with a whopping 46.8 per cent increase.

Bullock said that if Congress doesn't extend the revenue sharing program, city halls and courthouses across Texas will have to close their doors or drastically increase local taxes to keep on providing the same level of services.

Tennis Action At CHS In Recent Tournament

The Colorado High School Tennis Team played in the Brownfield Tennis Tournament over the weekend. It was very windy and Friday's action was curtailed after fighting the wind half the day.

Saturday was more of the same wind but the tournament ended with Colorado City taking a 5th place with 59 points. There were eight

teams entered in the tournament. Other teams entered in the tournament were: Coronado (Lubbock), Morton, Snyder, Brownfield, Sweetwater, Denver City and Levelland.

These eight-team tournaments are especially beneficial to tennis players as they are guaranteed four matches and gain needed experience.

The local players include Craig Carter and Chop Love who won first place in doubles and brought in 20 points. Tony Love and Terry Culbertson won consolation doubles for 9 points.

Tony Franco and Mark Miles played singles and scored 10 and 3 points respectively.

Leslie Greenlee and Sherri Williams represented CHS in singles. Leslie scored 6 points and Sherri scored 3 points. Other girls playing doubles were Beverly Fuller, Lisa Bobo, Sandra Luera, Teresa McClure and Karen Brown.

Show From Page 1

niel, Joe Dunn, Darrel Andrews, Donnie Dunn, Joanna Hayes, Martin Rodriguez, Rodney Taylor, Henry Mitchell, Debbie Lee, Susan Hayes and Jay Beatty. Vocational Agriculture teacher Ron Mayfield will accompany them to Houston.

Entering market steers from the 4-H Club group sponsored by county extension agent Bob Benson are the following: Dalton Maddox, Casey Merket, Adam Merket, Jeff Merket, Mark Cornutt, Dawn Lemons, Alan Boyd and Kirk Stubblefield.

These young people will join adult exhibitors in seeking premiums of more than \$445,500, a new record for the Houston show. About 20,000 entries are expected.

Rodeo audiences will be treated to performances by these eight stars in the field of musical entertainment: Freddy Fender and Tanya Tucker, February 27; Olivia Newton-John, February 28-29; Charley Pride, March 1 & 2; Rufus, featuring Chaka Khan, March 3; Glen Campbell, March 4 & 5; Charlie Rich, March 6 and Mac Davis, March 7.

Card Of Thanks

Our sincerest thanks for the numerous ways our friends helped us during our recent loss. We are especially grateful to all staff members of Root Valley Fair Lodge for their extra care and thoughtfulness and to Dr. Cowan and Eleanor. The kindness and genuine neighborliness meant so much to us.

Mrs. Estes Adams

Rate for listing in The Colorado City Record Political Column is \$50 for all state and national offices, \$30 for county, city and school offices. This fee includes a front page announcement article and a one column photograph at the time the announcement is made, in addition to the listing in the Political Column from the date of the announcement until the final election.

Charges for announcements are cash in advance, and the same policy applies to all political advertising carried in the columns of this newspaper.

Names for each office will be listed in the Political Column in the order they are received at the newspaper office.

The Colorado City Record has been authorized to announce the following candidates for public office:

Sheriff

Bill McGuire

Commissioner Precinct One

Marcus Vest

James F. (Jim) Kelley

Commissioner Precinct Three

Paul Hunter

County Tax Assessor-Collector

C. G. (Skeet) Harkins

C. C. (Mike) Burt

County Attorney

Perry O. Barber

State Representative

Elmer Martin

District Attorney

Frank Ginzel

32nd District Judge

Weldon Kirk

Soil Conservation- SCS Publication

The Soil Conservation Service has announced the reprinting of a widely used SCS publication, "Conquest of the Land Over 7,000 Years." The author of the journal, written in 1942, was

Belinda Sheffield

Top Jr.
Forward

Belinda Sheffield, a junior from Loraine, is a top forward for the Howard Payne University women's basketball Yellow Jackets.

Miss Sheffield is a P.E. major and the daughter of Mr. and Mrs. A. K. Sheffield.

Miss Sheffield, a 5'6" roundballer on head coach Pat Parker's team, is a 1973 graduate of Loraine High School. While in high school, she played guard for coach Maynette Davis's Loraine Bulldogs.

The Yellow Jackets will wind up their first season this month.

Dr. Walter Clay Lowdermilk, a pioneer in soil and water conservation.

In 1938, the U.S. Department of Agriculture commissioned Lowdermilk to make a survey of land use in the older European and Asian countries in the interest of conserving our own land resources.

"The land bears a record of what men write on it—a record easy to read by those who understand the simple language," Dr. Lowdermilk wrote.

In his tour of England, Holland, France, Italy, North Africa and the Near East, Lowdermilk followed agriculture from its beginnings 7,000 years ago to modern times.

He observed fields that had been in cultivation for thousands of years. The publication is a prophetic account of his search for reasons why land that once supported thousands of people now lies in abject waste.

The answer to his quest was soil erosion. He tells why erosion acted as a catalyst in the desecration and destruction of many advancing civilizations.

"One of the most important findings on this survey of the use of land through 7,000 years," Lowdermilk said in summation, "is that tillers of soil have encountered their greatest problem throughout the ages in trying to establish a permanent agriculture on sloping lands."

The publication, AIB, "Conquest of the Land Over 7,000 Years," is available from your local Soil Conservation Service Office.

School Open To Visitors

Alice Lopez is a Typing I student concentrating on the typing assignment in Mrs. Mona Crockett's business skills class.

Texas Public School Week Observance At Westbrook:

Parents Of Students Are Invited To Come To School And Eat Lunch With Their Children Anytime During The Week, Visiting With Teachers And In Rooms To See Displays Of Work.

Kindergarten can be fun as Veronica Lopez plays inside the block while Lisa Cantu awaits her turn.

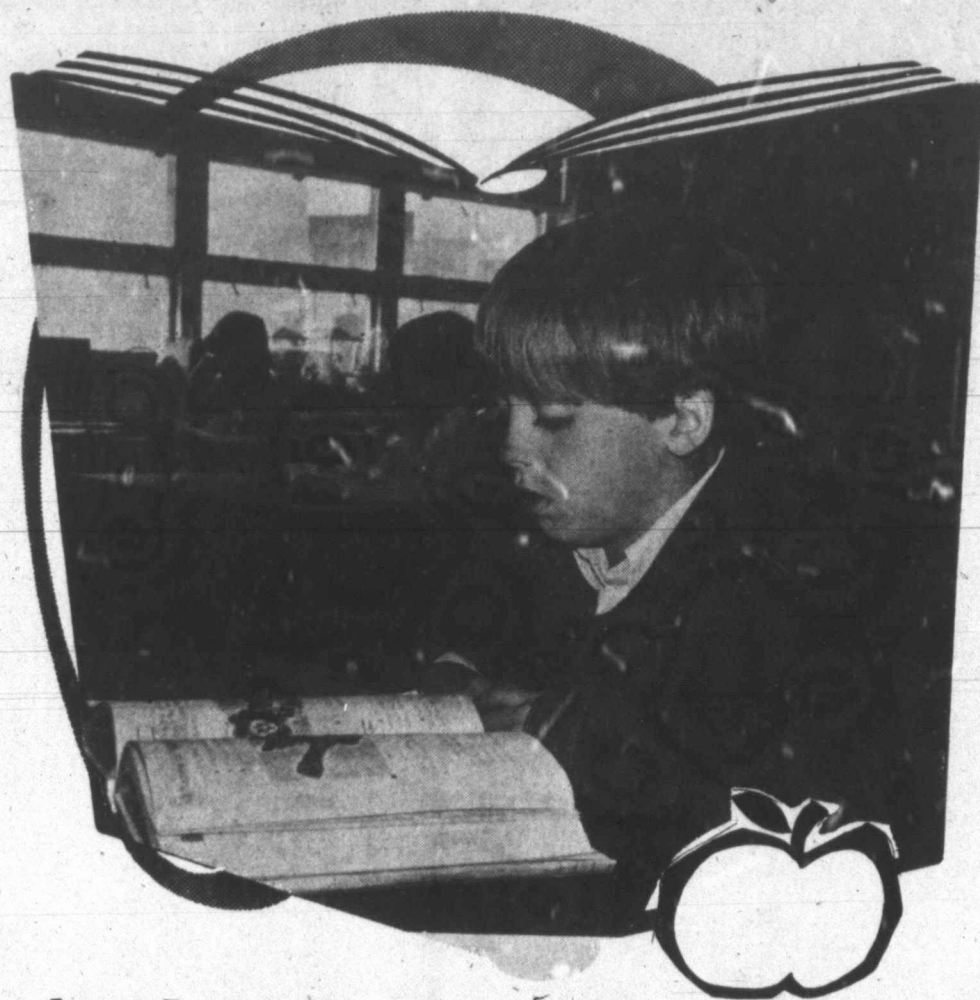

Junior Lentz and Ramiro Fuentes have fun playing together as Junior gets first turn in the round building block.
