

Cook of the Week

When the Christmas holidays roll around each year, one home on FM 1954 south of Holliday has cars lining the driveway, and any other place one can be parked.

It is Christmas time at MauDell's. Margaret MauDell Biggerstaff, this week's cook, has quite a fan club in Holliday, where she has cooked for the past year at Spee-Dee's deli, preparing the tastiest meals possible in addition to offering homemade rolls, donuts, cinnamon rolls, strudels (name the filling), all from scratch, with just a pinch here and a pinch there.

But when Christmas eve arrives, MauDell (Ma Dell as she is affectionately called) never neglects her family and friends, cooking numerous delicacies for them to enjoy. One would think MauDell would be tired of cooking day after day, but that's not the case. "One morning she could hardly wait to put on her clothes, she was so anxious to make it to work," a co-worker confided.

"I don't know anyone who enjoys cooking more than I do," the Oklahoma native confidently stated. "And it is hard to cook only for me and my husband, I would rather cook for a whole gang."

MauDell and her husband Elmer, a semi-retired builder, have lived in Holliday the past three years. But she is quite familiar with the area, moving around Holliday years ago during the oil boom days with her family, and living a number of years in Seymour.

The couple, married 48 years, have three children, Dr. E.L. Biggerstaff of Dallas; Audrey Biggerstaff, a builder living in San Angelo; and, daughter, Wanda Hrcirik, of Holliday.

Tradition plays a big role in the Biggerstaff household every Christmas. On Christmas eve, family and friends gather together for a feast of boiled shrimp and oysters on the half shell. Then, come Christmas day, a banquet with turkey and ham surrounded by dish after dish of extras is featured.

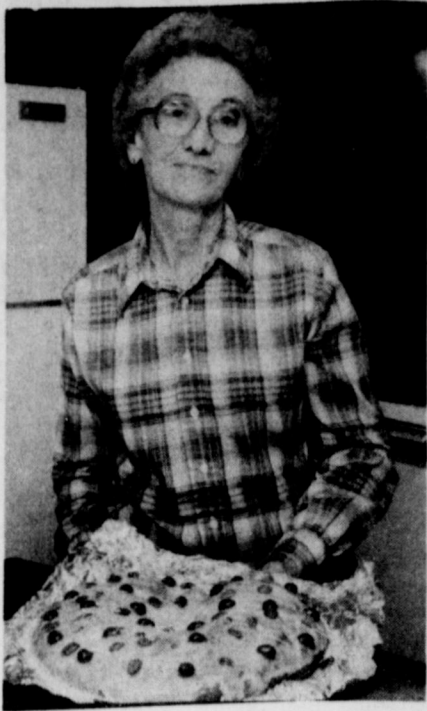

MauDell also enjoys very much working in her garden, growing most of the vegetables she will use during the year, and canning the produce as well as making her own jellies. "I never have to go to the store for canned goods," she says. Also, she raises her own chickens for their eggs. "I'm just an old farm girl," she said.

"I don't cook by recipes except for some like these," she stated.

Tops meets

Mrs. Roland Putman gave a program on "Holiday Diet Tips" for the TOPS Club meeting Monday night. Mrs. Ronald Rainsberg was the TOPS Queen and Mrs. A.O. Beall was ideal KOPS for the week.

The club will hold the annual Christmas party Monday at the home of Mrs. E.L. French. Members will weigh in at 6:15 p.m. prior to the party.

Mrs. Elmer Biggerstaff

referring to this week's recipes. "But for the food on the line at the deli, I go by a pinch here and a pinch there, and I never taste food while its cooking.

As for her job at Spee-Dees, MauDell says, "I enjoy working here very much. When I have a job, I enjoy it, and I put my heart into it."

And everyone else gains from it.

Note: This recipe has been featured at MauDell's Christmas gatherings since 1925.

JAP FRUIT CAKE

- 4 eggs beaten
- 1 cup shortening
- 2 cups sugar
- 3 cups sifted flour
- 1 lb. raisins
- 1 cup pecans

(Mix flour, raisins and nuts before adding to cake)

- 1 t baking powder
- 1 t allspice
- 1 t cloves
- 1 t cinnamon
- 1 t vanilla
- 1 cup milk

1/4 t salt

Fruit Cake Filling

- 1 can crushed pineapple
- 2 cups sugar
- 1 can coconut
- 3 T flour

Juice of 2 large lemons

1 cup hot water
Mix all ingredients well: Bake in four nine-inch cake pans, well greased and floured. When cooked, stack with filling. Filling instructions: Cook until very thick and cool before putting cake together. When cake is stacked, ice with your favorite icing, decorate with nuts and red and green cherries. Makes a beautiful Christmas cake.

SHRIMP CREOLE

- 2 T oil
- 2 T flour
- 2 onions, chopped
- 2 cans tomato sauce
- 2 cloves garlic, chopped
- 1 bell pepper, chopped
- 1/2 t red pepper
- Salt to taste
- 1/4 t powdered thyme or crushed thyme leaves
- 1/2 t celery seed

- 1/4 t rosemary leaves
- Pinch of sage leaf
- 1/4 t sweet basil
- 1 bay leaf
- 2 lbs. raw shrimp
- Few slices lemon
- 2 t Worcestershire sauce
- 2 t parsley, chopped
- 1/4 cup shallot tops

In an iron pot with lid made a roux by heating oil and mixing in flour, stirring constantly until well brown. When brown, add chopped onions and bell pepper, saute, stirring constantly until onions are slightly brown. Then add tomato sauce and all seasonings. Cook very slowly, for you will not add water unless necessary. (Shrimp to be added last, with about 40 percent water).

When tomato mixture is perfectly blended (about 45 minutes) add shrimp and lemon, cover and continue cooking for 30 minutes. Add Worcestershire sauce and cook 15 minutes longer. Add finely chopped parsley and shallots the last five minutes before serving. These not only add color but are much tastier than fully cooked.

PEANUT BRITTLE

- 2 cups sugar
- 1 cup white Karo
- 1 cup water
- 2 cups raw peanuts
- 1/4 t salt
- 1 T butter
- 1/4 t soda

Combine sugar and water, cook slowly until sugar dissolves. Cook to soft boil, add peanuts and salt, cook to hard cracking stage (295 degrees), stir constantly. Remove from heat and add soda and butter. Pour evenly

into well greased shallow pan. Break into small pieces when cooled.

BLUEBERRY JELLO SALAD

- 1 large box cherry jello
- 2 cups boiling water
- 1-15/2 oz. can crushed pineapple (do not drain)
- 1-14 oz. can blueberries (do not drain)
- Topping:
- 8 oz. Philadelphia cream cheese
- 8 oz. sour cream
- 1/2 cup sugar
- 1 t vanilla
- Pecans optional

Pour boiling water over jello, and stir until dissolved. Add pineapple and blueberries and juices into bowl. Refrigerate until nearly set.

Blend topping together well, pour over jello mixture. Sprinkle with pecans if desired, can be served as salad or dessert.

FAIRYLAND COOKIES

- 1 cup oleo
 - 1 cup cooking oil
 - 1 cup white sugar
 - 1 cup brown sugar
 - 1 t vanilla
 - 1 egg
 - 1/4 t salt
- Beat above mixture well, add:
- 1 cup raw oatmeal
 - 1 cup Rice Krispies
 - 1 cup coconut
 - 1 cup chopped pecans or walnuts
 - 4 cups flour
 - 1 t soda
 - 1 t cream of tartar
 - 1/4 cup milk

After all ingredients have been mixed well, drop by teaspoons on cookie sheet. Bake at 350 for 10 minutes. Yields 125 cookies.

Names omitted

The names of three students were inadvertently left out of a story last week in which the junior high honor roll was listed.

The three, all of whom were in the double-A honor roll, were Wendy Trantham, Laurie Underwood and Wes Ward.

The Leader regrets the omission.

Cowley places second in state

Iowa Park High School senior James Cowley took second place honors in extemporaneous speaking last Saturday in the state leadership conference for the Future Farmers of America at Sam Houston State University in Huntsville.

Cowley, son of Superintendent and Mrs. Harold Cowley, is the first Iowa Parkan to advance to state competition in FFA.

The senior placed first in district and area competition, which gave him the chance to place at the state level against nine other participants.

According to Cowley, he drew three topics, choosing farm safety as his topic to speak on. Participants are allowed only a small amount of research material, and are given 30 minutes to research material before giving a speech to judges lasting from four to six minutes, followed by five minutes of questioning.

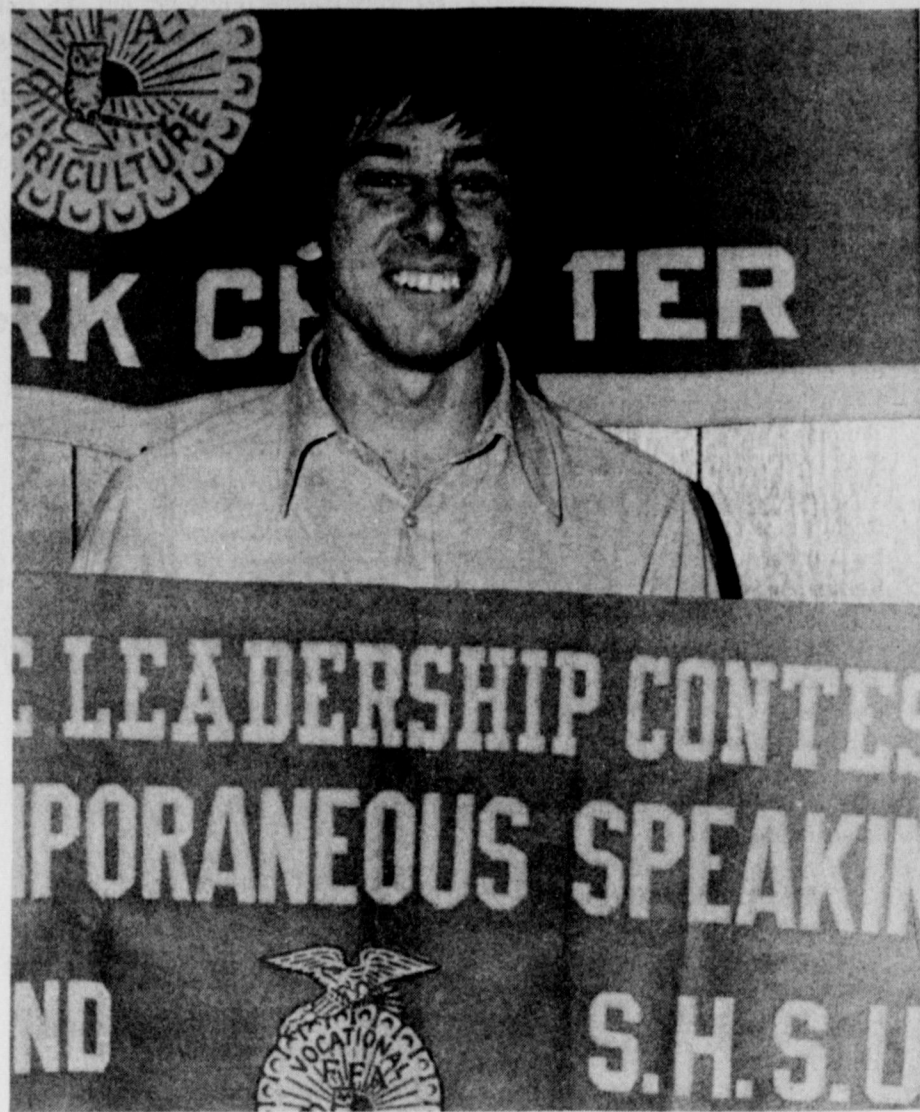

At the district level contest, Cowley spoke on computers and agriculture, while at area he spoke on careers in agri-business.

Cowley tentatively plans to attend East Texas State University in Commerce upon graduation at Iowa Park, and hopes to become a vocational agriculture advisor.

Active in the local FFA chapter, Cowley is student adviser for the chapter and member of the National Honor Society. He is also a third year member of the varsity tennis team.

So far this year, Cowley has been honored as the top salesman in the fruit and sausage sale, and has participated in the Bobby Holder Leadership Camp and Area IV Leadership Conference.

His junior year, Cowley won the proficiency award for public speaking, received his chapter farmer degree, placed first in both

extemporaneous and prepared speaking, showed the Grand Champion market lamb at the local project show as well as receiving the Showmanship award, and showed the Grand Champion Suffolk Market

He also placed first in both extemporaneous and prepared speaking in district competition his freshman year.

As I See It....

By BOB HAMILTON

If you want to get some real arguments started, just mention the possibility of cutting back on Social Security benefits.

That subject was the point of a lot of controversy a week or so ago, and the president backed down quickly.

Those receiving Social Security payments will tell you they earned it by paying into the fund all their working lives, and no one has a right to deprive them of what they are due.

I used to agree with them. In fact, I used to say that I wish there was some way I could invest privately in some sort of account that would earn more than what I would receive through Social Security.

But that was before the politicians started increasing what money from the Social Security fund would be spent for, and before the regular built-in increases were added.

Now, I'm not so sure there will even be a Social Security program when I reach the eligible age. Not a program as we now know it, anyway.

Why would I feel this way? Let me quote to you from a speech made last month by J. Peter Grace, chief executive officer of W.R. Grace & Co. (parent company of Cryovac) and chairman of the President's Private Sector Survey on Cost Control in Federal Government.

"Retirees receive benefits amounting to their entire 1937-1981 Social

Security contributions after just 9.7 to 13.3 months of retirement," he said.

He noted that a 65-year-old married man who retired in 1981, and has had an average earned income of \$25,000 over the past 45 years, will have contributed \$14,070 to the Social Security system.

However, he and his wife will receive \$13,139 -- that's 93 percent of his contributions -- during the first year of retirement!

Social Security was initially designed to be an income to supplement one's own retirement investment or savings. But along in the 1960s, the politicians started expanding, and the people were told they would have money to live on when they retired, and that money

would be from Social Security.

Then the medical assistance was added to the program. I'll not argue how beneficial that has been to the elderly, because I'm fully aware of how medical costs have skyrocketed.

But the point is, people are living longer, costs are rising right along with the increases in SS benefits, and somewhere down the line we're going to have more people living off the Social Security program than are contributing to it.

Sound wacky? Just look at the shrinking numbers of children attending our schools today. Check the average of those who die now.

Obviously, I don't have the answers or solutions. But I feel like I have a pretty good grasp of the problem. And I'm concerned.

What does a clean filter have to do with saving money?

There are lots of ways to save money. One is to check the filter in your heating and cooling unit once a month.

The filter is there to collect dust and lint. But when it's dirty, your unit has to work longer and harder to heat and cool your home. And that leads to

higher electric bills.

If your filter is permanent, clean it; if it's disposable, replace it. A clean filter can help you save money all year long.

And those other ways to save? You'll find them in "The Unhandy Person's Guide" from Texas Electric. If you need one, call us -- or ask for one on the comments portion of your bill.

AT PETROLIA TODAY

Boys win, girls second in Seymour tournament

After placing first and second in the tournament at Seymour last weekend, Iowa Park's varsity basketball teams will try their hands in the Petrolia Invitational, starting this evening.

The Hawks captured first place at Seymour, defeating Electra, 65-42, in the finals Saturday night. The Hawkettes lost 71-59 in the finals to a strong Seymour club.

Both teams will play Notre Dame clubs in the opening round at Petrolia, with the Hawkettes taking the court at 4 p.m. and the Hawks at 5:30.

Also in the same bracket are teams from Holliday and Midway. In the other bracket for the girls are Petrolia, Byers, Bowie and Burkburnett, while Petrolia, Byers and Vernon are the other boys' teams.

Holliday girls play at 1 this afternoon and boys at 2:30, both against Midway teams.

Hawquette JV suffers loss

The Hawquette junior varsity lost its first game of the season Tuesday.

The team's 27-34 loss to Holliday dropped its record to 3-1, and next plays Henrietta.

Leading scorers against Holliday were Rhoda Gibson, 12, and Becky Roberts, eight. Karen Wright had seven rebounds.

Last week, the team defeated Graham 44-38, with Gibson scoring 16 and Holly Farnsworth eight. Becky Brown was credited with 13 rebounds.

The girls' freshman team dumped Rider 34-14 behind six-point efforts of Laura Parker and Kim Weaver, and LaDonna Wilkinson's eight rebounds. They will take their 2-1 record into their next game with Henrietta.

A first-round win by the Hawkettes would put them back on the court at 4 p.m. tomorrow, and the Hawks would

play at 5:30. A loss would slate the girls to play at 1 p.m. Friday and the Hawks at 2:30.

WAYNE HODGES BLOCKS ROUTE TO GOAL
... in Seymour tournament championship game.

Third place finals in the girls' bracket is at 4 p.m. Saturday and 5:30 for the boys. Consolation final for the girls is 1 p.m. Saturday and 2:30 for the boys. Championship games are at 7 p.m. Saturday for the girls and 8:30 for the boys.

SEYMOUR TOURNEY

Throckmorton gave the Hawkettes about all they could handle in the first half of the opening game, leading 17-5 at the end of the first quarter and 27-22 at the half. But Iowa Park came roaring back, outscoring the opponents 15-6 in the third quarter and leading the rest of the way to win, 48-41.

Lisa Sefcik was high scorer with 15 and Lisa Yeakley had 12.

In their second game, Iowa Park defeated the Lady Eagles of Holliday, 45-29. Leading only 17-11 at the half, the Hawkettes again had a big third quarter, outscoring Holliday 15-9.

Yeakley had 17 and Lisa Holloway 11 for Iowa Park, while Debbie Long was high for Holliday with nine.

Seymour, composed of players who advanced last season to the regional tournament, led throughout the championship game, 20-10 after the first quarter, 38-32 at the half and 54-47 going into the final period.

Yeakley led all scorers in the game with 27 points.

She and Sefcik were named to the all-tournament team.

In their first-round game with Throckmorton, the Hawks trailed 13-7 after the first stanza, but took the lead, 26-24, at the half and weren't headed from that point, winning

67-48.

Four Hawks finished in double digits: Marc Klinkerman, 14; Kevin Biddy, 13, and Jeff Lawson and Wayne Hodges, 11 each.

Iowa Park and Holliday played a nip-and-tuck game throughout the second round bout. Holliday led 14-7 at the first official rest period. They were tied 21-21 at the half. Iowa Park led by one, 38-37 after three quarters, and edged out the Eagles by a narrow 52-51 margin.

Biddy finished high for Iowa Park with 13 and Klinkerman had nine. For the Eagles, Mike Parker had 20, Brad Harmon 11 and Kevin Lilley 10.

Iowa Park and Electra were well-matched in the tourney final. The Hawks led 12-10 after the first period and 25-23 at the half. But they

broke the game open in the third, leading 43-33 going into the final period and winning 65-42.

Biddy and Hodges each scored 16 points and Lawson 14.

Biddy and Klinkerman were named to the all-tournament team, as were Parker and Lilley of Holliday.

GIRLS OPEN DISTRICT

The Hawquette varsity and junior varsity will open Dist. 3-AAAA action Tuesday when they travel to Burkburnett. First game is slated at 5:30 p.m.

The Hawks are not slated to begin conference play until Jan. 4, when they host Hirschi. They are to travel to Holliday Tuesday for a double header.

Club members visit patients

The 23 Study Club members made their annual visit to the Wichita Falls State Hospital where approximately 200 patients were entertained at a musical program and served refreshments by club members.

Mrs. D.O. James, president, extended greetings and read the Christmas story from Luke to introduce activities.

A musical program was presented by the Iowa Park High School A Cappella Choir directed by Allen Andrews.

The choir began the entertainment with a medley of both Elvis Presley and the Beatles songs. Included in their other offerings were: "I'm Dreaming of a White Christmas," "Silent Night," "O Come Little Children," "Away in a Manger," "Today Christ Is Born," and concluded with "Lamb of God."

Following the program, club members served homemade cup cakes and coffee to the patients and presented a monetary gift to Volunteer Services to help provide Christmas gifts for the patients.

The next meeting will be the Christmas party and program Dec. 16 at the home of Mrs. China B. Smith, with Mrs. C.E. Birk the co-hostess.

Mrs. Otis Gay provided dinner music and furnished accompaniment for group singing of Christmas carols directed by McCain and Anderson.

The activities were concluded with the exchange of gifts from a beautifully lighted and decorated tree.

Honor guests were the couple's parents, Mrs. A.J. Williams and Mr. and Mrs. R.B. Wilkerson.

The honored guest received a supply of screw drivers, pliers, hammers, bolts, screws, nuts and nails, also electric and hand saws, hydraulic jack, trouble light, flash light, sockets, cord, barbeque grills, tools and plumbers' friend.

His fiancée was presented with a T-shirt with a picture of her future husband when he was in grade school. Thirty six friends and relatives attended the party.

Eagles even score by defeating Hawks

Holliday's Eagles had their revenge in Iowa Park Tuesday, defeating the Hawks. But Iowa Park's girls continued their domination over the Lady Eagles.

Playing in the second round of Seymour's tournament Friday, the Hawks edged the Eagles 52-51. But in the Hawk gymnasium, playing before a near-capacity crowd, Holliday

emerged on top, 53-50.

The Hawkettes won Tuesday, 58-45, and also defeated Holliday at Seymour, 45-29.

Holliday won the boys' game at the foul line. Each team had 20 field goals, and each team was charged with 19 fouls. But the Eagles canned 13 of 17 shots from the charity circle while the Hawks could convert on only 10 of 17 tries.

The Eagles led 11-8 after the first quarter, with their height and zone defense intimidating the shorter Hawks. They stretched the lead to 24-21 by halftime, but Iowa Park took command during the third period, outscoring the visitors 13-6 and leading 34-30 going into the final stanza.

Big Kevin Blankenship fouled out with 2:52 remaining in the game, but his Eagles were leading 44-40 at that point.

A goal by Wayne Hodges narrowed the score to 44-42 with 1:37 remaining, but a pair of full-court inbound passes by Holliday led to scores, and Holliday built a 49-44 lead.

Hodges scored again with 22 seconds remaining, and Marc Klinkerman narrowed the margin to two points, 52-50, with six seconds showing on the scoreboard clock.

But Mike Parker sank one of two free shots with three ticks remaining, and the Hawks didn't have enough time to get back in the game.

Three Hawks finished in double figures: Kevin Biddy, 15; Hodges, 12, and Jeff Lawson, 10. Parker led Eagle scoring with 17 and Brad Harmon finished with 12.

GIRLS' GAME

In the contest between the

Piano students in festival

Piano students from Holliday under the direction of Deborah Wylie participated recently in the annual Baroque Music Festival at Midwestern State Univ.

The festival, held last Saturday on the MSU campus, was sponsored by the Wichita Falls Music Teachers Association.

Students receiving superior and excellent ratings were: Rickey Hogue, Ronnie Molina, Deanna Segler, Katha McAllister, and Shayde Hogue, all of Holliday.

Other students receiving high ratings were Jennie Watson of Wichita Falls, Scott Webb, Lisa Hodges and Christy Cravens of Valley View, and Sheri Cravens of Kamay.

All students will participate in the annual Christmas party this Saturday.

DEANNA CHASE AND LISA YEAKLEY GO FOR BALL ... during Tuesday night battle.

Eagles dominate district

Holliday's Eagles, ranked third in Class AA this year by one poll, garnered five of seven unanimous choice All-District selections recently, and 13 spots on the first team unit for District 11-AA, according to head coach Don Lucy.

Kevin Blankenship and Harold Parsons were named unanimously to the first team offensive and defensive units. Blankenship was given the nod at tight end and defensive end, while Parsons made both the offensive and defensive line.

Brad Harmon was also selected

unanimously to the first team unit as runningback.

The only other unanimous choices in the district went to Jacksboro runningback Johnny Webb and Olney defensive back Stan Ashton.

Chuck Evans and Jeff Belcher were both named to the offensive and defensive first team units, Evans as linesman and Belcher at runningback and linebacker.

Other first team choices for Holliday are Mike W. Parker, wingback; Mike A. Parker, kicker and defensive secondary; and,

Harmon at defensive back.

Second team choices for the Eagles are: Clint Lee, center; Clint Sissom, offensive and defensive line; Timmy Stubblefield, offensive lineman; Gill Gilbert, wingback and defensive secondary; and, Bruce Bynum, tight end.

Honorable mention went to Stubblefield and W. Parker at linebacker; Bynum at defensive end; Erick Neal, defensive secondary; Barry Hardin, split receiver; and A. Parker, quarterback and punter.

City employees receive bonus

Holliday City Council Monday night extended a raise to one employee and a one-time salary adjustment to all city employees of \$100 as a Christmas bonus, in action taken during council's regular session.

Council granted a 25-cent raise per hour to Allen Monroe, who has been employed by the city six months. The raise came at the request of city administrator Jim Hamill and water superintendent Morganna Thorn, with both giving Monroe a favorable word.

City workers were also given the \$100 one-time adjustment, the same as was received the year before.

In other business, council tabled action on the revised budget for the Archer County Appraisal District for 1983, and eliminated an item from the agenda concerning discussion of General Telephone Company's costs and performance when the representative failed to show at the meeting.

With alderman Jimmy Willis the only council member absent, council discussed at length the recently submitted budget for the appraisal district, but tabled it later because of a lack of information.

The revised budget for the two-year-old appraisal district, which reportedly was passed with four of the nine-member board absent,

including the city's representative Carl Nichols, is over \$19,000 less than the original proposal which was submitted over the summer.

Down from \$161,203 to \$142,880, the city's share of funding also went down from \$3,143.46 to \$2,833.60. According to Hamill, the city has already budgeted \$3,000 for its share.

But questions on the budget still

remain, in particular the cost of the appraisal district providing appraisal and collection services for Archer City Independent School District.

In other business, council appointed Mike Wilson as alternate ambulance driver and attendant, and agreed to host the Texas Water Utilities Association meeting in Holliday Jan. 1, 1983.

Keep Christmas trees fresh

If you buy your tree several days before it will be decorated, store it outside. Cut the butt of the tree at a diagonal about one inch above the original cut. This opens the pores and aids in absorption of water. Place the butt end in water. Water plays a crucial role in keeping your cut tree

fresh. When you're ready to set up the tree, saw the butt again, squaring off the diagonal. Keep the tree in water and refill the container daily. Some trees may absorb as much as two quarts each day. Sprinkle water on the branches and needles before you decorate the tree.
