Bank Deposits Set New Record At 5 Million Dollars

Tahoka's First National Bank has set a new all-time record with a total of nearly five million dollars on deposit on December 30, when the year's end statement was made. To be exact, deposits totaled, \$4,931,022.43. Total assets were listed at \$5,137,022.43, of which amount \$2,607,238.90 were loans and discounts.

Though the five million mark had not been reached when the report to the Comptroller of Currency was made, there is little doubt but that this high mark is passed this week.

The large bank deposits indicate to a great extent the prosperity of this section. Some men in the armed forces are said to have quite a bit of money deposited in their home bank, however.

The First National Bank here has long been recognized as one of the strongest banks in all this section. It was one of the few banks to weather the depression without closing its doors, except during the bank holiday, and thereby gained added prestige.

Mrs. A. L. Lockwood is president of the First National. Mrs. W. D. Nevils the vice president, and for many years W. B. Slaton has been the efficient cashier. F. B. Hegel, Guy Fielder, and Hattie Server are assistant cashiers.

The Wilson State Bank and the First National of O'Donnell also are expected to show excellent reports, but The News does not have a report on their deposits in time to publish them this week.

"Ike" Bilbrey Is Death Victim

Funeral services were conducted at the Harris Funeral Home here at 2:00 o'clock Wednesday afternoon for William Isaac (Ike) Bilbrey of the Redwine community, who died in a Lubbock Hospital Tuesday morning. He had been seriously ill only a short time, death being attributed to some intestinal disorder.

Services were conducted by Garrie Atkinson, minister of the O'Donnell Church of Christ, and Rev. Levi W. Price, pastor of the First Baptist Church of Tahoka. Burial was in the Tahoka cemetery.

Mr. Bilbrey was born in Mason county on February 1, 1889, and therefore lacked just one month of being 56 years old.

In 1915 he was married to Miss Bessie Preston. She died in November, 1918, leaving one daughter of this marriage, Miss Willie Bilbrey, now Mrs. Willie Yaney.

Mr. Bilbrey came to Lynn county about 1921, and on December 31, 1923, he was married to Miss Vivian Beard, daughter of Mr. and Mrs. A. T. Beard of the Redwine community. With the exception of one year, when he lived in Brown county, he has lived in this county ever since.

Survivors include the wife, the daughter of his first marriage and her daughter, his parents; Mr. and Mrs. J. I. Bilbrey, Blanket, Brown county; five brothers, Charlie, Murphy, Reuben E., and Walter, all of Blanket, and Jesse of near Cisco; and one sister, Mrs. John King of Blanket.

His invalid mother, his sister, two of the brothers, and his daughter, who lives at a distance, were unable to be present for the funeral. The father and three of his brothers were here.

Mr. Bilbrey had been a member of the Church of Christ at Blanket for about 30 years. He was a good man and a good citizen, and commanded the respect and esteem of a large circle of friends.

Congratulations—

Mr. and Mrs. Onis Hook upon the birth of a 9-lb. daughter Jan. 1st at 11:55 a. m. at the Sinclair Clinic. She will be called Marion Lois. The parents reside in the old Redwine house in east Tahoka.

Pvt. Neil Wilburn Missing In Action

Pvt. Neil Wilburn, 26, has been reported missing in action in Germany since December 3, according to information received from the War Department by his wife and four children who live here.

Pvt. Wilburn was with the Infantry, and it is possible that he was taken prisoner. He was inducted here May 14, 1944, and went overseas October 2. Mrs. Wilburn had only one letter from him, that one dated Oct. 18. He was reared at Spearman, but has lived in Lynn county quite a while, being the son of Mr. and Mrs. D. H. Wilburn of near Wilson. His wife is the daughter of Mr. and Mrs. C. M. James of New Lynn. If still living, Pvt. Wilburn was 26 years of age on Thursday, Jan. 4.

Wilburn worked for the W. H. Fulkerson Oil company and later with a drilling crew on one of the wildcat oil test in this county.

Mrs. Wilburn and four little children live in the W. L. Knight house on North Third Street.

Farm-to-Market Road Approved

Engineering work will be started in the near future by the State Highway Department preparatory to paving 11 miles of Lynn county farm-to-market road, according to a letter received a few days ago by County Judge Tom Garrard from D. C. Greer, State Highway engineer.

The project includes 5 miles of road from Wilson west to U. S. Highway 87, and six miles of road from New Home east to U. S. 87. This project has been selected by traffic count of the Highway Department as the No. 1 post-war project in Lynn county from several similar projects presented to the state by the Lynn county commissioners court, and is the first leg of a proposed system of farm-to-market roads for this county.

The Highway Commission, Mr. Greer states, has been unable to act on most of the farm-to-market road requests due to the uncertainty as to the status of the future financing of the Department, both Federal and State.

Now that the Federal bill has been passed, the Commission is drawing plans for its post-war road building program.

Judge Garrard and the commissioners feel that other projects in this county will ultimately get further attention from the state.

Ernest R. Brown Is Reported Improving

Ernest R. Brown, who was so seriously hurt several weeks ago in a bus-car collision on the Tahoka-Lubbock highway near Wayside, and who has been in Baylor Hospital in Dallas for treatment the past several weeks, is now improving very satisfactorily, according to Mrs. Brown, who has been at his bedside and who was here Wednesday. She says that he had been rendered unconscious by a concussion of the brain and that the effects of this trouble are now disappearing.

Mrs. Brown and daughter, Dorothy Jean, came up Tuesday to make arrangements to move to Dallas pending her husband's recovery. The two sons already are in school there. She and Dorothy expect to go back Sunday.

Veterans' Caravan Coming Tuesday

The Veterans Caravan which will be in Tahoka Tuesday, January 9, from 9:00 to 11:30 a. m. is being brought here in order that Lynn county citizens may have a first-hand opportunity to learn from members of the armed forces and others just how important our War Production is to our fighting forces, and how we, as civilian volunteers, can help most, stated F. A. Wells, Area Manpower director, today.

Mr. Wells stated that Pantex Ordnance Plant of Amarillo, loading bombs and shells which are so urgently needed on the fighting fronts, is in dire need of additional workers in order to meet the demands of our fighting men. It has always been the experience that once we Texans are advised of an urgent situation, we act; therefore, in arranging for this caravan, the Industrial Services Officer of the Public Relations Office, Eighth Service Command, Dallas, made every effort to have veterans who are in position to tell us of actual combat needs, and what shortages have meant in the past, to enable every one to have a true and understandable picture of the situation. The veterans who will be in this caravan have seen war, been wounded, and can really tell us about it.

Men now engaged in essential occupations are asked not to quit their jobs as they are needed vitally in their present employment; however, workers now engaged in less-essential occupations and seasonal workers, such as farmers who have completed their harvest, are encouraged to contact the hiring representative, the Pantex Ordnance Plant, who will accompany this caravan.

New houses are being constructed at the plant site for families who wish to take jobs. Dormitory facilities are available for single men and others who want to work as single men.

Every one is urged to see the caravan during its stay, talk with the veterans, and see the combat action pictures to be shown free at the Rose Theatre, and then volunteer to take a war job, producing war goods.

The condition of Mrs. Jones for a time was very serious but it is now believed that she will recover satisfactorily. She was the former Miss Jodie Bob Nevill. The husband is stationed at Camp Wolters but has been here during his wife's illness.

Mr. and Mrs. Claude Harper were informed Tuesday afternoon by their daughter-in-law, Mrs. Ina Neal Harper of Anson, in a telephone message that her husband, their son, Pvt. J. D. Harper, had been officially reported as missing in action in Germany.

They and their daughter, Miss Clara, left the same afternoon for Anson, and at the time this is written The News has no further information regarding the matter.

Mrs. Coughran Is Buried Tuesday

Funeral services were held in the Methodist Church here at 3 o'clock Tuesday afternoon for Mrs. Pearl Coughran, 53, who died in her apartment in the home of her mother, Mrs. S. N. McDaniel, at 4 A. M. Monday. The services were conducted by her pastor, Rev. H. A. Nichols, and burial followed in the Tahoka cemetery.

She is survived by her husband, J. Anson Coughran of Big Spring, three daughters, Mrs. Charles Sanders of Brownfield and Jeanette and Ruby Lou, Tahoka; two sons, Jack Coughran, who is with the U. S. armed forces in the Philippines, and Mackie, with the Navy at Corpus Christi; her mother, Mrs. S. N. McDaniel; two brothers, Fred and Henry McDaniel of Arizona; one sister, Mrs. Homer St. Clair of Lamesa; and three grandchildren.

Pearl McDaniel, daughter of Mr. and Mrs. S. N. McDaniel, was born at Postok in Jack county on Feb. 3, 1891. She removed with her parents to Lynn county in 1902, several months before the county was organized and the county seat laid out. Eleven years old, she was, when she came to this frontier region. When the county was organized and Tahoka was started, the next year, her father became the first county clerk of Lynn county, serving for a number of years. She grew to young womanhood in the new town and was married to J. Anson Coughran here on August 3, 1909.

In 1911 the couple moved to Midland where they resided for six years and then removed to Marfa where they lived from 1917 to 1923. In the latter year, they came back to Tahoka and a few years later located at Rising Star and then to McAllen. The family came from the latter place back to Tahoka about two years ago.

Mrs. Coughran was converted and united with the church in early life. She was a member of the Methodist Church here at the time of her death.

A few months ago her health became bad and it gradually grew worse until death came.

Mrs. Coughran was highly esteemed by all her friends and without exception they paid her the tribute of being a good woman and a fine Christian character.

Sen. Marshall Formby Writes From France

The News editor on Tuesday of this week received a Christmas card from Lt. Marshall C. Formby mailed in France on December 8. No information as to his operations came with the card.

Until recently Lt. Formby represented this senatorial district in the legislature, volunteering for service in the Army while still serving as state senator. He is succeeded in the Senate by Sterling J. Parish of Lubbock, who takes office this month.

Rev. L. B. Edwards wrote from Abilene the first of this week that their baby was improving rapidly, and he felt that they would be able to be back home soon. They already had been there three weeks.

County, Precinct Officials Sworn-In Tuesday Morning

County officials here, new and old, filed their bonds required by law and took the oath of office in a body—or rather in two bodies—here Tuesday morning. Monday being a holiday, the ceremony was delayed until Tuesday.

First, the county judge and the county commissioners were sworn in by Walter Mathis, the county clerk, and then all the remaining county and precinct officials were sworn in by Judge Garrard. The incoming district attorney, Calloway Huffaker, was not present, but he expected to take the oath of office some time during the week.

Three members of the commissioners court, Pat Swann of Wilson, Lonnie Williams of Draw, and John Anderson of O'Donnell had been re-elected. The only new member of the court is Thad Smith of New Home, succeeding Leon Jennings of Joe Stokes, who was not a candidate.

Judge Garrard was serving out an unexpired term by appointment and had been elected to the office for the full term.

After having served for several terms as district clerk, Miss Hattie Server voluntarily retired and W. S. (Skip) Taylor was elected as her successor.

Walter Mathis succeeds himself as county clerk. R. F. Weathers as tax assessor and collector, Mrs. Lois Weathers (formerly Mrs. Lois Daniel) as county treasurer, and Sam Floyd as sheriff.

B. P. Maddox had been elected and was sworn in as county attorney, succeeding Calloway Huffaker, who had been elected to the office of district attorney.

Mrs. Lenore M. Tunnell is serving a four-year term as county superintendent of schools and her term of office does not expire until January 1, 1947.

P. D. Server took the oath of office as justice of the peace of the Tahoka precinct, succeeding himself. J. M. Christopher was sworn in as constable at O'Donnell.

Sheriff Sam Floyd retains Cleve Barrington as his chief deputy.

Miss Billie Jo Wall retains her position as deputy county clerk and Mrs. Florine Best has accepted a temporary deputyship in the office.

Pvt. Harral Scott Receives Wounds

Pvt. Harral J. Scott is in a hospital in France recovering from wounds received in his left arm on December 13, while fighting on German soil with General Patton's Third Army, according to information received here by his wife and small daughter and his parents, Mr. and Mrs. J. M. Scott.

As a result of being wounded, he has been awarded the Purple Heart Medal.

Adams Sees Service On Three Continents

Alvie Adams, who has been overseas nearly ten months in the Air Transport Command, arrived home Friday to visit his wife southwest of town and his parents, Mr. and Mrs. J. J. Adams, now of San Angelo.

Alvie lost his right eye while on duty in North Africa on Oct. 1. Although based at Casablanca he has been on duty over enemy territory while with the crew of a B-24 Liberator converted to a cargo plane. On these planes he saw duty on three continents, Africa, Europe and Asia, and has visited such countries and cities as Algeria, Naples, Egypt, Oran, Arabia, and Calcutta, India.

He says the weather gets plenty hot over there, the thermometer frequently going to 120 degrees in the shade in places where he has been. "Home is the greatest place in the world," he declares.

Cpl. Eugene C. Souls has written his parents, Mr. and Mrs. Charley Souls, that he has been assigned as Mail Clerk at Camp Edwards, Mass.

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

We believe in the Christian doctrine of love. We should not permit ourselves to hate even the enemies of our country. But neither should we permit them to make monkeys of us. Some of them expect to outwit us and to wriggle out from under the punishment that is due them by fraud and treachery. We must not permit this to be done a second time. If we do, in twenty-five or thirty years hence there will be a third world war many times more horrible and possibly many times more costly and fatal to us than the present war can be. After this war ends, we must disarm both Germany and Japan and keep them disarmed until they are thoroughly convinced that they are not super-races and that they are whipped—perfectly whipped—to behave themselves. We can not afford to listen to their whining, which is sure to be set up the moment they see that they are whipped. The war-mongers must be treated as criminals. Any one who will read the bare facts concerning the leaders of Germany and Japan will see at once that they are the world's arch criminals. They must be punished as such, and the millions in Germany and Japan who have followed these leaders so willingly should themselves be given very little leeway.

Wonder why we don't jump at opportunities as quickly as we jump to conclusions?

CITATION BY PUBLICATION

The State of Texas. To: Janeva Smith, Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of January, A. D. 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas. Said plaintiff's petition was filed on the 21st day of November, 1944. The file number of said suit being No. 1597. The names of the parties in said suit are: Ray Smith, as Plaintiff, and Janeva Smith, as Defendant.

The nature of said suit being substantially as follows, to wit: That plaintiff and defendant were married on October 12th, 1940, and separated on December 30th, 1941; that plaintiff has lived in Lynn County, Texas, more than one year before filing this suit. That defendant, in the latter part of the year 1940, commenced a course of unkind, harsh and tyrannical conduct toward plaintiff, and that she was guilty of excesses, cruel treatment and outrages toward plaintiff of such a nature as to render their living together insupportable, and that she continuously quarreled, fussed and nagged at him; that plaintiff and defendant have one child born to their marriage, namely, Jerry Ray Smith, a boy 3 years of age, who resides with defendant. Plaintiff prays for a divorce; that provisions be made for their minor child, but that the present care, custody and control of said child be awarded to defendant because plaintiff is in the United States Army and has no place at this time to keep said child, and for such other and further relief, either in law or in equity, to which he may be entitled to receive.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

reports on dairy work. Only a few of these families did not have an ample milk supply for home use throughout the year.

Pressure cooker gauges of 155 cookers were tested. Canned by 438 women were 35,774 quarts of fruit, 30,133 quarts of vegetables, and 2,012 quarts of meat; while 1958 quarts of vegetables were brined, 12,200 pounds of meat cured, and 155,093 pounds of food frozen.

Due to family members being in the service; 415 women and 343 girls assumed additional farm jobs. Families sharing the use of equipment totaled 399; 432 swapped work; 447 swapped trips; and 459 cooperated with others in the communities by giving information.

Clothing work was reported by 215; 817 garments, hats and accessories were made at home, 545 garments were remodeled, 5,250 garments cleaned at home, 121 closets built, and 240 closets remodeled.

On interior home improvement, 451 reported 347 houses had had windows repaired, 4,012 walls, woodwork, and floors were refinished, 107 added built-in cabinets, 1,347 wooden bed covers and 2694 cotton articles of bedding were added. Also, 449 families checked and reduced fire hazards.

Other home improvement work reported consisted of 147 yards that had been improved, with 86 walks made, 50 lawns sodded, 175 drives made, 255 shade trees, and 350 shrubs planted and growing.

To give advice and assistance to these 161 club women and 365 club girls and other rural and town people throughout Lynn county, it was necessary for the county home demonstration agent to make 170 home visits, receive 792 office calls and 312 telephone calls, write 1539 individual letters and 37 news articles, prepare one radio script, distribute 3,220 bulletins, hold 118 training schools with an attendance of 3,788, give 93 adult method demonstrations, attended by 1136, give 65 4-H method demonstrations, at which 1664 were present, hold 10 other meetings attended by 637, hold nine adult result demonstrations at which 97 were present, and assist in holding 15 achievement events attended by 412. In doing the above work in an effort to reach as many families

as possible in Lynn county with the more recent educational information, 51½ days were spent in the office and 241½ days spent in work out in the county.

This summary included work done from December 1, 1943, to November 30, 1944.

Donaldsons Reach 50th Anniversary

Mr. and Mrs. J. D. Donaldson, now on a visit with their daughter, Mrs. Aubrey Thomas, and the family at McAllen, are expecting to observe their golden wedding anniversary very quietly there next Tuesday, according to brief communication which they sent to the News. The out-of-town children can not be present at that particular time, they say. Nevertheless, they will doubtless recount with many happy recollections that day fifty years ago when they joined hands and hearts in holy wedlock.

It was on January 9, 1895, at Troy in Bell county, Texas, where the bride's parents then resided, that J. D. Donaldson, son of Mr. and Mrs. W. W. Donaldson of Moody, and Miss Ada Callaway, daughter of Rev. and Mrs. Joseph T. Callaway, were united in marriage, with Rev. Sam P. Wright officiating.

The elder Donaldson had long been a prominent citizen of Moody and Rev. J. T. Callaway was a well known Methodist minister. Rev. Sam P. Wright, who read the marriage vows, was one of the most noted Methodist ministers of Texas, serving many years as a presiding elder.

Many of the old-timers at Moody and Troy, which are neighboring towns, remember well the marriage of this couple.

Mr. and Mrs. Donaldson, write that they spent an enjoyable two weeks at Orange with their son Dr. J. D. Donaldson of the Navy, and that he then spent Christmas with them in Houston at the home of another son, Wallace Donaldson and wife. "We are now enjoying the sunshine and lovely fruit of the Valley at the home of our daughter, Mrs. Aubrey Thomas, and would enjoy it here indefinitely, but Lynn county will soon be calling us home," they write.

Mrs. Ruby Porter spent Christmas with relatives in Big Spring.

Tahoka Planning Boxing Contests

Tahoka's annual boxing tournament will be held in the local gym Monday and Tuesday nights, Jan. 22 and 23, according to Coach Leo Jackson, winners and other boys from Tahoka will compete in the Lubbock District Golden Gloves tournament February 1, 2 and 3.

The local tournament is open to all boys of this area, and awards will be boxing trunks and a free trip to the Lubbock tournament.

Last year Tahoka had one of the best small-town boxing teams in the entire state, and this year's team should be even better.

The Bulldogs boxers are headed by "Little Jerry" Edwards, who has grown from a flyweight who reached state finals last year, into a 143 pound boy, but will probably pull down to the lightweight class.

Looking more powerful in early season workout than last year is H. L. McMillan, the little blond haired boy who made a big hit with South Plains fans last year.

James Tippit, another experienced fighter, is looking good and may be a strong contender in his weight and should earn points for his team when the chips are down.

Dwayne Vaughn, a good rugged boy who probably likes it better than any boy that ever pulled 'em on in Tahoka, is pulling into condition fast and can't be counted out until all the judges' votes are in.

Buddy Bragg, a flyweight last year, has grown to a featherweight. Buddy won a decision over Jerry Edwards in their last fight last year and promises to give a good account of himself as a featherweight this year.

Probably the best prospect in the flyweight class is little Jacky Driver, who is a very clever boy with the gloves, and a smart fighter who probably will have the best chance of the squad for a district championship.

Bobby Scott, another Tahoka boy who has boxed quite a while, should hit his peak this year, and will be hard to handle.

Most of the other experienced boys have either graduated or are in the armed forces, but Tahoka High will have a bunch of green, hard hitting boys who should give the fans as many thrills as some of the best boys in the past.

Tahoka has about 25 boys working out regularly. Any boys in the surrounding territory who wants to pick up some experience before the big show in Lubbock should mail his entry at once to Leo Jackson. Entries will be received up until weighing-in time, which has been set for 5 o'clock Monday evening, January 22.

Friends in Tahoka, including Mrs. Hill and the editor, received New Year greetings from Mrs. Army Maxwell, better known in Lynn county as Mrs. Henderson, indicating that she is in better health and enjoying life. She was a valued teacher in the Tahoka schools for many years and finally had to give up her position on account of ill health. Then she served about a year as county commissioner of this county. Going to Austin to reside, she was married to Judge Maxwell several months ago.

J. K. Wooley, who received a medical discharge from the Army after having served many months in England and the States, has accepted a position with the B. E. Needles firm in Lubbock.

Martin Smith, seaman 2-c, stationed at San Francisco, Calif., spent the holidays with his parents, Mr. and Mrs. Dee Smith.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1-Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Basketball Games Here Tonight

Three basketball games are on the Tahoka High School schedule for tonight, when the local boys and girls meet as many team from O'Donnell.

Beginning at 8:30 o'clock, the Tahoka B string will meet the B string from O'Donnell. At 7:30 the girls will play, and the feature event between the two boys' teams will be at 8:30 o'clock.

The Bulldogs went on a rampage Tuesday night to get some measure of revenge on New Home for its loss to that team in the recent tournament. Tahoka boys defeated New Home boys 25 to 9.

As a prelude to this game, the B squad defeated an all-star squad headed by the Harvick boys 14 to 10, in a close game.

O'Donnell has one of the top teams of this section, having won the pre-Christmas Tahoka tournament, and Tahoka has some hoop artists of its own; therefore the game tonight should be tops.

Saturday night Coach Leo Jackson will take both A and B teams to Big Spring to meet the Class AA Steers.

George A. Nolte, who has been residing for years on his farm 14 miles north of Tahoka, was in the News office on business Tuesday and stated that he had purchased some lots in Wilson and also a house to be moved onto the lots and that he would soon move his family into the town.

Bob McAllister, son of Mr. and Mrs. G. B. McAllister of Petty, returned Wednesday morning to Schreiner Institute, Kerrville, where he is a student, after spending the Christmas holidays at home.

Miss Juanita Lee of Fort Worth spent last week end here with her parents, Mr. and Mrs. R. E. Lee.

Mrs. K. E. Young and little son, Elwayne, spent Christmas with relatives at Lamesa.

Bertha Green, high school student daughter of Mr. and Mrs. O. W. Green, underwent an operation on her left eye at Lubbock Dec. 27. She is now at home and the eye is improving satisfactorily.

Mr. and Mrs. E. J. Tanner and son spent the Christmas holidays with relatives in Ardmore, Okla.

Southland News

(By Mrs. Marvin Truelock)

Miss Doris Becker from Lutheran College, Seguin, visited her parents, the Willie Beckers, during the holidays.

A new family, the Troy Dillards, from Abernathy, have moved south of the F. E. Weavers. They have four sons in school and one at Ft. Bliss.

Wednesday before Christmas the county agents brought 4-H club boy Joe Stokes to a joint meeting of our local clubs, and Joe told how he won his trip to Chicago. The county agent said Harley Martin would have a good chance to win a trip in the future if he continued his present 4-H record.

Friday afternoon before Christmas school pupils put on a two-hour program, including about 15 carols led by Janey Morris and Polly Stotts. The first four grades sang seven carols, and the rest of the program consisted of three

plays and readings by the Grade School pupils.

On Dec. 26, 37 Garza county boys went to El Paso for physical examination and four were turned down. In the latter group was Norbert Sokoll. Virgil Smith was among the four or five to get the Navy, the rest going into the Army.

Final exams will be about the third week in January. The Senior play will probably be about two weeks later.

T/Opl. Charles Richmond of Ft. Knox, Ky., arrived Dec. 24 to spend 10-days leave with the John Trwira. His wife, Hattie, lives here with her parents.

Rev. and Mrs. O. J. Harmonson and Jo-Jo visited the Harmonson's daughter, Mrs. Roy Dopsen, at Ropesville.

For Christmas dinner, the J. I. Bartlett had 28 guests, including these children and their families: Cecil of Littlefield, Lee of Meadow, Laney of Lubbock, Mrs. E. E. Trimble of near Southland, a granddaughter from Slaton, and Mr. and Mrs. Thurman of Lubbock.

All the A. F. Davies children were home for Christmas. On the Christmas tree were bridal gifts for their youngest daughter, Mrs. Clyde King. Mrs. Mary Davis and daughter of Springtown spent about three weeks with her parents.

Rev. and Mrs. E. C. Armstrong had as Christmas guests their son and family of Lubbock and their daughter-in-law's parents of Lockney.

Pfc. Pete Arradondo of San Antonio Hospital, wounded in New Guinea, spent Sunday with his aunt Mrs. Juan Reyes and family.

S/Sgt. Robert (Shorty) Fletcher writes that all of them will get to come home after 35 months. He has been an aviator in the South Pacific about 32 months.

Jr. Becker sent the August Beckers his Christmas dinner menu at San Diego. It consisted of turkey and all the trimmings.

METHODIST CHURCH

Monday night, Jan. 9, First Quarterly Conference of the new conference year will be convened by Dr. L. N. Lipscomb, District Superintendent of the Lubbock District. Reports will be made by the pastor, the General Superintendent of the Sunday school, the president of the WSCS, and the president of the Youth Fellowship. The audit committee will make its report on the records of the church the past year.

We were happily surprised, last Sunday morning to see a large group of worshippers at the church despite the bad weather and the snow-covered ground. That is the way it should be. No business man, no professional man will remain at his home on Monday or any other day in the week because of bad weather. Should we not be as loyal to our church as we are to our business and profession?

The Youth Fellowship rendered a splendid program at the evening hour. The theme was "College Day." We have a large group attending college, and quite a few were on the program.

We invite you to worship with us Sunday at all the services of the day.—Reporter

SCHOOL OF INSTRUCTION
A school of instruction for Sunday school superintendents, teachers and officers and others interested in work of the Church school will begin Tuesday night and continue through Thursday night at the Methodist Church.

Rev. W. B. Hamilton, executive secretary of the Board of Religious Education of the Northwest Texas Conference, and Miss Mattie Sue Howell, executive secretary of the Youth Division of the Northwest Texas Conference, will be our leaders and teachers.

This is an opportunity that has not come this way often, and we want a large group of church workers to attend the three nights of School of Instruction.

REDWINE CHURCH
The pastor will be back in his pulpit this first Sunday in the new year. May we have an increased attendance in all our services, so that we may start the new year properly.

Surely as we look back over the past year, we can rejoice in the blessings of God, and as we look forward to the new year we can thank God in advance for His

HOLIDAY VISITORS

Mr. and Mrs. C. C. Faires of Huntington Park, a suburb of Los Angeles, Calif., spent the holidays here with his parents, Mr. and Mrs. W. J. Faires, leaving for their home Friday of last week.

Also visiting here were Mr. and Mrs. M. H. Faires of Lameia and their son, Lee Faires, who is a Naval Cadet in training at Miami, Florida.

CARD OF THANKS

We wish to thank the friends and neighbors of our aunt, the late Miss Lee Northcross, for their many tokens of respect and esteem, for the kind words spoken, the lovely floral offerings, the tributes paid her by the ministers officiating at the funeral, for the many favors extended us and for the kindnesses shown us while in your little city. We truly appreciate every kind word and thoughtful deed. Gratefully, his nieces—Miss Mary Frances Northcross of Dallas, Miss Glennon Northcross of Phoenix, Ariz.

Mrs. Hattie Garrett and son Willie Gene, Mrs. Jennie Lankford, and Mr. and Mrs. S. B. Miller spent a few days during Christmas week visiting Mrs. M. D. Cruse and family in San Angelo. Mrs. Cruse is the daughter of Mrs. Lankford and a sister of Mrs. Garrett and Miller.

I WANT TO WORK

Just plug in—I'm Reddy

No, I'm not one of the unemployed—not as long as people want their housework done quickly and economically. However, I have enough energy left to add your jobs to my others if you'll just let me.

Behind me are all the men and women of your electric company, with all the equipment they operate day and night to bring you service. We furnish you dependable low-cost electricity at every outlet in your home, available now as ever, without rationing.

I'm a war worker, too, helping to build the tools of Victory for a dozen fronts. I'm proud of what I have done in the plants. I'm prouder still that even with all my war jobs I can take care of you as well as ever. In the home, on the farm, or in the factory, when you need help, call on me.
