

## County Rainfall Varies

Lively thunderstorms late Sunday brought rains, high winds and some hail to the Snyder area.

Rainfall ranged from a bare sprinkle in the northwest part of the county to heavy deluges in the northeast corner of the county.

Elsewhere, good rains brought welcome moisture to some of the county's most productive farming areas.

The heaviest rainfall was reported in the Cottonwood Flat area in the northeast corner of the county, with estimates up to 11 inches.

The Lloyd Mountain area logged approximately two inches, and good rains were reported most of the way down the east side of the county.

Snyder had 1.08. However, Dermott to the north had only a moderate shower. However, some hail peppered down in the Dermott area and in the area northwest of Snyder.

Hail and rains of 1 to 2 inches also were reported south of Snyder in the Dunn area. Water stood in the furrows of plowed fields and behind terraces southeast of town and around the Hermleigh area.

Ira had about 1.5 inches of rain. A little over an inch fell at the Snyder pump station at Lake J. B. Thomas. However, only about 2 of an inch fell at the Odessa pump station to the west on the south side of the lake.

Lake Thomas' elevation had inched upward by about six inches as a result of rainfall over the weekend.

Marion Dabbs, County Commissioner in Precinct No. 1, feared extensive road damage in the Cottonwood Flat area. Inspection crews were sent to the area, but had not reported their findings late this morning.

Thane Mebane, County Commissioner in Precinct No. 3, said there was little damage to roads in his precinct, but most of the area got good rains of about an inch or more.

The rains came while much of West Texas was under severe thunderstorm warnings. Most of the area from Big Spring to Abilene got from 2 to 3 inches of rain, and heavy hail was reported in the Abilene area. Southwest water also had high winds, hail and rain.

## Kennedy Briefs Mac On Summit Parley

By ARTHUR L. GAVSHON LONDON (AP)—President Kennedy today told British Prime Minister Harold Macmillan of the Vienna summit talks.

He arranged to give the American people a radio-television report Tuesday night.

The President's talks with Soviet Premier Khrushchev at Vienna, ending Sunday night, brought an agreement to maintain East-West contacts but limited Soviet military aid.

And today, Communist delegates to the Geneva conference on Laos continued to brush aside talks about cease-fire violations despite the announcement that Kennedy and Khrushchev recognized the importance of an effective truce in the Southeast Asian kingdom.

Khrushchev rushed home to welcome President Sukarno of Indonesia, a neutralist Asian leader whose government has contracted for more than \$300 million worth of Soviet military aid.

Khrushchev told the Vienna news in a farewell statement he hoped his talks with Kennedy would lead to peace, understanding and cooperation between the United States and the Soviet Union.

At Vienna, the Soviet leader stuck to the hard lines of his anti-Western policy. But U.S. officials hope that, as a result of the Vienna conference, he may get modify his course.

Kennedy is reported to have told Khrushchev emphatically that if he forces a showdown over West Berlin, the Western powers will defend the city. Khrushchev was warned against miscalculating Western intentions.

Brooklyn, N.Y., President sought to get across the idea that, despite setbacks in Laos and Cuba, the United States intends to fulfill its defense commitments to other nations around the world.

Today in London, President Kennedy and Macmillan spent nearly three hours mapping Western strategy in the East-West cold war. They discussed the role of advisers and officials for most of their session.

It took place in an austere study in Admiralty House. Outside, American and British security men and London policemen kept a watch on a crowd which at one time numbered nearly 5,000.

The nub of the President's report to Macmillan, diplomats said, amounted to this: "The Vienna exchanges produced better understanding of the rival positions—but no firm agreements beyond a decision to keep on talking."

U.S. television networks and the Mutual Broadcasting system radio are scheduled to carry President Kennedy's report to the American people Tuesday night. He will speak from 6 to 6:30 p.m., Eastern Standard Time, from the White House. Wednesday Kennedy is to address the U.S. Naval Academy commencement in Annapolis, Md.

The President, whose father was a target of bitter criticism as ambassador to Britain at the outset of World War II, had luncheon with Macmillan.

## OAS Likely To Okay Dominican Mission

WASHINGTON (AP)—A U.S. proposal that the Organization of American States send a mission to the troubled Dominican Republic is expected to win OAS approval today.

While pursuing diplomatic aims, the United States also was quietly increasing naval forces in the tense Caribbean area.

Meanwhile the regime which followed the assassination of Dominican strongman Rafael L. Trujillo renewed the slain generalissimo's pledge to hold free elections next May. It expressed the hope that good relations could now be established between the Dominican Republic and the rest of the hemisphere.

Whether this conciliatory line would extend to allowing an OAS mission to enter the country, a look behind the scenes remains doubtful. The Dominican Republic barred a similar group last summer.

Over the weekend, these were the developments in the Dominican situation: Politically, the Dominican regime of President Joaquin Balaguer and Rafael Trujillo Jr., who, as leader of the armed forces, seems to have taken over.

his father's strongman role, repeated the pledge of free elections next May when Balaguer's term runs out. Balaguer said the elections "will serve as proof of the Dominican Republic's capacity for the effective exercise of democracy."

Diplomatically, a seven-nation committee of the OAS prepared to vote today on the U.S. suggestion to send a mission for a first-hand look at the situation in the Caribbean nation. Actually, the mission would amount to determining if the Dominican Republic should still be considered a menace to peace in the hemisphere.

An OAS ministers meeting at San Jose, Costa Rica, last week condemned the Trujillo regime for allegedly sponsoring an attempt to kill the president of Venezuela.

Militarily, the United States sent the amphibious assault ship Boxer toward the Caribbean to reinforce two Navy carriers already there. The Boxer carried a number of combat-ready Marines. The Navy would not say how many, but such ships usually carry about 1,000. These men would reinforce a 2,000-man battalion landing team of Marines which has been kept in the Caribbean area since last year.

The first attack came soon after midnight when Algerian commandos in two light trucks shot up a police car in the 13th Arrondissement with automatic arms and grenades. Three police were wounded.

An hour later a police car was attacked at the corner of the boulevards Magenta and Strasbourg and two policemen were wounded. Two of the Algerians fell dead after a chase among the trees along the boulevard.

The police shot down three more Algerians near the Bonne Nouvelle subway station further west.

The last clash occurred when police laid siege to a building in the Rue Saint-Martin, where an Algerian had taken shelter. He was shot dead. Weapons and several grenades were found on his body.

The police got a tip that Diaz and De la Maza had been seen on a downtown street. The gun battle began 30 minutes after the two fugitives stopped at a house and were refused entry by the owner.

Police held back crowds of on-lookers during the intensive neighborhood search. A Puerto Rican correspondent and a Berlin photographer were detained by police.

Diaz had been a friend of Trujillo during much of the slain dictator's 31 years of power. Gen. Rafael L. Trujillo Jr., who took over as armed forces chief when his father died, said Diaz led the assassination plot because his forced retirement from the Dominican army had made him bitter.

Earlier the government had reported one of the eight members of the assassination had killed while resisting arrest, three in custody and four at large.

## 11 Algerians Are Slain In Paris Affray

PARIS (AP)—Police there dragged over three boroughs of Paris today in an effort to trace Algerians who took part in a shooting affray which claimed at least 11 lives this morning.

Police said 11 Algerians had been killed, four of them soldiers serving with the French army. Four other Algerians and five Paris policemen were wounded.

Eighty Algerians were questioned by police, then taken to a special detention center set up at Vincennes.

## Assassin Suspect Is Gunned Down

By E. L. ALMEN CIUDAD TRUJILLO, Dominican Republic (AP)—Soldiers and police shot down retired Gen. Juan Tomas Diaz, the accused chief assassin of dictator Rafael Trujillo, in a gun battle Sunday night in the heart of this city. An alleged accomplice was slain with him.

Diaz, 52, was ripped by machine-gun fire and died on the street. His companion, Antonio de la Maza, died soon after in a military hospital.

Police searched for a third man in the neighborhood, when a house-to-house search stung 100 men, acting on a tip, came upon them.

Authorities said De la Maza was carrying a gun that Generalissimo Trujillo had with him during his fatal ambush last Tuesday night on a road outside the capital.

An army commando said Diaz and De la Maza jumped from their car and began shooting after security agents had chased them to the edge of Independence Park and Bolivar Avenue. Police casualties were not mentioned.

## Johnson Challenged To Aid Integration

NEW YORK (AP)—Vice President Lyndon B. Johnson has been challenged by two Republican senators to visit the South in an effort to aid integration.

Sens. Barry Goldwater of Arizona and James Buckley of New York said that Johnson's prestige in the South could effectively be used to help calm racial tensions.

The senators indicated such a trip might also serve as a public examination of the Texas racial views.

"I was down South," Goldwater said. "I don't think he (Johnson) was supporting civil rights."

## Prison Order For Goldfine

BOSTON (AP)—Industrialist Bernard Goldfine was ordered to prison for a year and a day and fined \$10,000 today on charges of income tax evasion.

U.S. Dist. Court Judge George J. Tolson sentenced Goldfine to five years' probation for five years.

The judge ordered Goldfine and Miss Paperman to disclose "all information of whatever character" on cash transactions if Goldfine's Strathmore Woolen Co. and his other textile firms.

He said more than \$500,000 was taken in cash of checks, written to cash from Goldfine's firms and it is the intent of this court to compel disclosure of where this money is and where it went.

Goldfine is indicted for evasion of nearly \$200,000 in personal and corporate income taxes. He pleaded guilty May 15. The judge today refused to allow withdrawal of that plea and to order a new sanity hearing.

Miss Paperman had pleaded guilty to evasion of \$200,000 and corporate income taxes, as chief accounting officer of Strathmore Woolen Co., had been fined \$42,500 for evading personal income taxes.

## Cotton Stocks Due To Show Decline

WASHINGTON (AP)—The Agriculture Department predicts government stocks of cotton at the end of the marketing year, Aug. 1, will be the smallest since the end of the season in 1952.

It expects those stocks to be below 2 million bales compared with 5 million a year ago. Carryover stocks in all hands are expected to be about the same as last year's, at 1.5 million bales.

Stocks held by the government have declined sharply in recent months as mills and merchants purchased large quantities in anticipation of higher prices for this year's crop. The 1960 crop price supports will be higher than those for the 1960 crop.

## Talk Of Cease-Fire Is Brushed Aside

By CARL HARTMAN GENEVA (AP)—Communist delegates to the East-West conference on Laos continued today to brush aside talk about cease-fire violations despite the announcement by President Kennedy and Soviet Premier Khrushchev that they recognize the importance of an effective truce in the Southeast Asian kingdom.

The Communists halted the Vienna conference as historic but they insist they recognize the importance of an effective truce in the Southeast Asian kingdom.

## 'Freedom Riders' Serve Sentences

JACKSON, Miss. (AP)—Freedom Riders' in Mississippi capital city today settled down to serve their sentences quietly.

Marvin Rich of New York, an organizer for the Congress on Racial Equality (CORE), and Jerome Smith, 22, a student from New Orleans, made the remarks on a television program in which voters telephoned questions.

Rich said the riders would be made despite U.S. Atty. Gen. Robert F. Kennedy's plea for a period of calm and an injunction against the riders' activities in Alabama by a federal judge.

The Rev. Martin Luther King Jr. of Atlanta, said Sunday the Freedom Riders will end their sojourn into the South if the federal government refuses to grant licenses to segregated interstate bus terminals.

King, co-sponsor of Ebenezer Baptist Church in Atlanta, praised Mississippi authorities for curbing disturbances in connection with the rides. "Mississippi has gone out of the way to see that violence does not take place," he said.

More rides were expected in Jackson Tuesday after a group announced plans to leave Richmond, Va., tonight.

marking time until after the President and the premier met, resumed today.

The first Communist speaker, J. Michalowski of Poland, will help the Laotian government in its work but gave strong support to the Soviet demand that the conference get to work on plans for a political settlement in Laos.

Michalowski urged the conference to spend no more time on the Western demands for new instructions to the international truce commission to prevent cease-fire violations.

It had been expected that Soviet Foreign Minister Andrei A. Gromyko would return to the conference from Vienna to give Red Chinese Foreign Minister Chen Yi a fill-in on the Kennedy-Khrushchev meeting. But instead, Gromyko flew to Moscow with Khrushchev.

The Kennedy-Khrushchev expression of the importance of an effective cease-fire was termed "useful and encouraging" by one conference official. Others were inclined to dismiss it as obvious and not particularly new.

Western delegates, particularly the United States, refused to open the Geneva conference until they had word that there was a cease-fire from the International Control Commission on the spot. That was three weeks ago. Since then, there have been dozens of violations.

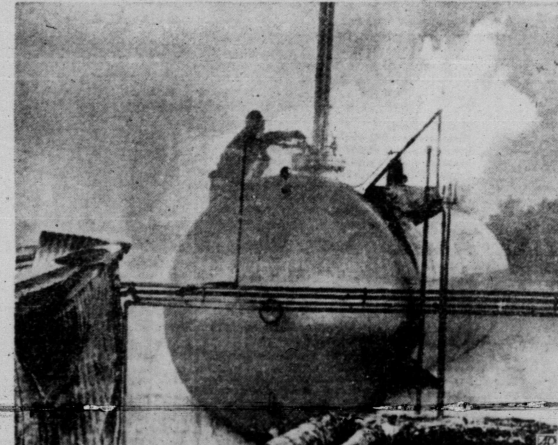

The West wants to instruct the control group to get moving in the trouble spots and investigate. The Soviets have refused to send such instructions.

Communist spokesmen have taken the position that there is a cease-fire in Laos because the control group once said there was. They dismiss violations as unimportant, or provoked by the United States.

The Communists want the conference to discuss a long-term accord on Laotian neutrality. The Western powers have refused until the cease-fire question is settled.

## Injured Ankle Handicaps To Carry Back

By JOHN CHANDLER  
Associated Press Sports Writer  
OCEANPORT, N.J. (AP)—  
Carry Back, the Kentucky Derby  
and Preakness winner who failed

dismally in the Belmont Stakes, must have hung in the left front ankle when he blew a chance Saturday to become the ninth Triple Crown hero.

Another colt owned by a Miami resident, Jacob Sher's Sherlock, was a romping winner of the \$148,650 Belmont Stakes at Belmont Park. Carry Back, bet down to favoritism at odds of 9 to 20 by a howling crowd of \$1,586, came home seventh in a field of nine in the 98th running of the big 3-year-old classic. It was one of those dramatic finishes where a majority of the fans didn't see the winner finish—they were looking back and wondering what happened to Carry Back.

Carry Back is owned by Katharine Price of Miami and trained by her husband, Jack, who reported the colt lame upon arrival Sunday at Monmouth Park from New York.

"It's his left front ankle," said Price. "He was lame when he was unloaded from the van that took him from Belmont to Monmouth Park. Preliminary X-rays show no fracture and I'm inclined to think it's a pulled muscle. But we intend to take other X-rays to try to make sure."

When Leonard P. Sasso's Globe-master set the slow Belmont pace and Sherlock tagged along in second place ready to strike for the big cash in the final length of a mile, Carry Back was obviously in trouble.

Carry Back, who won the first two legs of the Triple Crown at Louisville and Baltimore in May, dropped back to last place before the field went to the final turn with a bit more than half a mile to travel Sunday.

Jockey Johnny Sellers, who had accelerated Carry Back to his sensational scores at Churchill Downs and Pimlico, said afterwards that the Price colt "had a rough trip, and there was no racing room anywhere."

Officials re-played the race movies on a closed circuit TV later, and a rear view of the horses heading down the home stretch showed Carry Back being in from the middle of the pack over to the rail in the final quarter mile. That indicated his left front ankle, as stated by Price, was giving trouble and Carry Back was favoring it.

Price said there was a small abrasion on the ankle that seemed to have been minor when Carry Back was loaded on the van for his 60-mile trip to Monmouth.

Price refused, however, to blame the cut for the loss of the race, the toughest of the triple series. The 1 1/2-mile Derby was May 6, the 1 3/16-mile Preakness May 20, and the 1 1/4-mile Belmont Saturday.

Harold Young, trainer of Sherlock, and Price both said they hoped for another meeting in the \$75,000 Dwyer Handicap at Aqueduct July 15.

Sherlock, ridden by Panamanian Braulio Baeza, hadn't won a race since the Grass Stakes at Kenilwood, Lexington, Ky., 10 days before the Derby. Baeza rode him in that one, too.

Eddie Arcaro rode Sherlock in the Derby at Louisville, and they straggled home fifth. Sam Boulmetis was aboard in the Preakness, and the colt was fifth again. Tommy Barrow was the Jersey Derby pilot, and the colt ran fourth.

Sherlock earned the Belmont purse of \$104,900. He paid the highest straight price in the history of the Belmont, a boxcar \$132.10-for-\$2.

## LONGSHOT WINS BELMONT STAKES—Sherlock, Braulio Baeza up, races across the finish line well in front to win the Belmont Stakes at New York's Belmont Park. Running second is Globemaster, ridden by John Rotz. Carry Back, trying to repeat his Derby and Preakness wins, is far back, closest to the rail on the right. He finished sixth. (AP Wirephoto)

## Young Texans Win Pro-Am At Odessa

ODESSA, TEX. (AP)—A pair of 23-year-old Texans—a professional Frank Wharton and amateur John Farquhar—won a nine-under-par 63 Sunday to take first place in the \$15,000 Odessa Pro-Am Golf Tournament.

They posted a 72-hole total of 257 for a one-stroke lead over two other teams.

The first-place \$2,500 was the biggest prize Wharton, Dallas, has won since turning pro three years ago.

Wharton and Farquhar, Amarillo, were tied for fourth going into the final round Sunday.

Red Weaver, Beaumont, and Bill Riden, Odessa, turned in the best card of the day Sunday—an 11-under-par 61. They finished in second place with a total 258.

Tied for second place were Iverson Martin, El Paso, and John Paul Cain, Sweetwater. They were leading up to the final round but dropped to a four-under-par 68 Sunday.

## Missions In First Place

BY THE ASSOCIATED PRESS  
An 11th inning rally that netted five runs vaulted the San Antonio Missions into the top spot of the Texas League standings Sunday.

It was Ralph Hildner's towering homer in the second extra-inning that broke the Missions' 5-5 deadlock with the Amarillo Gold Sox and touched off an upsurge that ended with a 10-5 victory for San Antonio.

The victory nudged the Gold Sox out of the slight mathematical lead they held in the loop standings and dropped them into second place, one game behind the Missions.

Austin ruined Ardmore's first home game in the Texas League when the Senators scored four runs in the third inning to sew up a 5-3 victory over the cellar-dwelling Rosebuds. The third game, Rio Grande Valley at Tulsa, was postponed because of rain.

## Red Hot Tribe Makes Move, But Tigers In Homer Spree

By JACK HAND  
Associated Press Sports Writer  
Cleveland is making a big move in the American League race by winning 18 of its last 22 games but it can't match the home run boom of the front-running Detroit Tigers.

The secret of Detroit's success can be read in the Sunday box scores. The Tigers' eight home runs were hit by eight different men.

Sure, the big men hit a few Rocky Colavito got No. 15, Norm Cash No. 12, and Dick Brown No. 6. But the list also included Chico Fernandez, Bubba Morton, Mike Roarke, Jake Wood and Billy Bruton.

The Tigers now lead the league in home runs with a total of 81, a statistic that is almost as startling as their long tenure in first place.

Detroit took two falls out of the groggy Minnesota Twins Sunday 10-4 and 9-3. The Twins now have lost nine in a row and 14 of their last 15.

Cleveland continued to struggle on the trail of the Tigers by sweeping two from the Los Angeles Angels, who can't seem to do much when they get out of Wrigley Field. The Indians won 5-3 and 8-4.

New York finally found a pitcher besides Whitey Ford who could go the route in Bill Stafford. He proceeded to hold Chicago to seven hits while the White Sox chipped in with five errors, coaxing the Yanks' way to a 10-1 romp.

Boston beat Baltimore 6-5 on Joe Ginsberg's pinch two-run single in the last of the ninth. It was Ginsberg's first hit of the year.

Jim Archer, who escaped from the Kansas City bullpen on the suggestion of owner Charlie Finley, went all the way to top Washington 8-5 although he gave up 18 hits, five in the ninth.

In the National League, Los Angeles remained a half game in front of Cincinnati and San Francisco, who are tied for second. The Giants knocked off the Dodgers 4-3 on Felipe Alou's two-run homer, Cincinnati split with Chicago, the Reds taking the first 3-1 but losing the second 6-2.

Warren Spahn won his 29th as Milwaukee beat St. Louis 7-1 and Philadelphia's Don Ferrarese blanked Pittsburgh 5-0.

The Tigers rally exploded the power to back up Frank Lary en route to his eighth victory in the opener. Brown, Wood and Fernandez hit their homers in the eighth inning. Bob Bruce gave way to Paul Foytack, the eventual winner, in the second game of a doubleheader played before 32,761 at Detroit.

John Romano continued his streak, hitting safely in his 18th and 19th games in Cleveland's sweep over the Angels. Jim Perry needed help from Bob Allen and Frank Funk in the first. Wally Hawkins, all of whose five victories have come on Sunday, got

## Faulk Wins Tournament

NASHVILLE, Tenn. (AP)—Playing some of the best golf of her career, blue-eyed Mary Lena Faulk wrapped up the Women's Western Open Tournament here Sunday with a 10-under-par 290 and the \$1,375 winner's check of the \$7,500 pot.

The Thomasville, Ga., veteran, playing for the Sea Island, Ga., Country Club, tacked on a 73 for the final 18 holes over the par 75 Belle Meade Country Club course.

It was all the more remarkable in coming, as it did, after Faulk set a course record of 67 in Saturday's third round. That was good enough to overtake the first day's leader, Betty Rawls of Spartanburg, S.C., whose 80 was a course record for women up to that time.

Rawls, the present U.S. Golf Association Open champion, earned a second money with 290, two strokes ahead of Mickey Wright of Dallas, Tex. Louise Suggs of Cincinnati had 299 for the 72 holes to nab fourth place money.

Swaps, now in stud at John Galbreath's Derby Dan Farm in Lexington, Ky., set three world records at Hillywood Park as a 4-year-old, in 1956.

## Archie Puts Title On Line

BY THE ASSOCIATED PRESS  
It has been almost 22 months since Archie Moore last defended his world light heavyweight boxing title. In the meantime the "world" has shrunk.

The National Boxing Association withdrew its recognition because Moore failed to defend and eventually crowned Harold Johnson, Moore still reigns in New York, Massachusetts and Europe.

Moore finally gets in there Saturday night with his championship on the line. His opponent will be Gualo Rinaldi, a 26-year-old Italian, who beat him in a non-title scrap in Rome last October.

The last time Moore made the 175-pound class limit was Aug. 12, 1959. He knocked out Yvon Durelle in three rounds.

Rinaldi has fought only 30 bouts (25-5 record). Moore will be slumping into the ring for No. 213. He has a 181-25-6 record with 130 knockouts.

The bout will be carried on network (ABC) television, starting at 8 p.m. (EST).

## Arizona, Longhorns To Collide Today

AUSTIN (AP)—Two old foes of NCAA playoffs—the Texas Longhorns and the Arizona Wildcats—meet here today for a berth in the College Baseball World Series at Omaha, Neb.

Texas, champ of the Southwest Conference, and Arizona, Border Conference titleholder, will vie for the Dixie 6 title and a berth in the national tournament June 9-14.

In the last five NCAA playoff encounters between the two teams, Texas has emerged victorious four times.

The second game will be played tomorrow and if a third game is necessary it will be held Wednesday.

## Decision Due At Harlingen

HARLINGEN (AP)—Whether the Rio Grande Valley Giants of the Texas League stay in Harlingen or move to Victoria is to be decided at a meeting here today.

Jimmy Humphries, club owner, has threatened to move the team to Victoria. He says that attendance has been too small to justify keeping the team in Harlingen, saying that receipts are down \$14,236 from last season.

Earlier he had told Harlingen baseball fans he would keep the club here if they could raise \$100 by this past weekend and another \$100 by Thursday.

However, the co-chairman of a fund-raising drive reported Saturday they had been able to raise only \$5,000.

At Saturday's meeting, however, Humphries said he would be willing to sell the club. Harlingen boosters are expected at the 3 p.m. meeting today to report they have either raised the \$10,000 or to make an offer for the purchase of the club.

Victoria had a team in the Texas League but it was recently transferred to Ardmore, Okla.

## Louisville's Lead Endures

The first place Louisville Colonels pulled away from one challenger and held another to a standoff Sunday in a round of American Association relief pitching roles.

## 'Grandpappy' Demaret Earns Plaudits In Canada Cup Win

By HAROLD CLASSEN  
Associated Press Sports Writer  
DORADO BEACH, P.R. (AP)—  
The records and the cash in the ninth annual Canada Cup golf matches went to Sam Snead, the millionaire hillbilly from West Virginia, but the plaudits belong to Jimmy Demaret, his United States teammate.

The two combined for an aggregate of 59 strokes that sent the huge trophy to the United States for a second straight year, and Snead hammered his way four times around the lush 7,115-yard layout of the Dorado Beach course in a record 272 strokes, 15 under par.

But the plaudits do belong to Demaret. Once the Beau Brummel of the links, the 31-year-old Texas grandpappy, complete with Santa Clause-like tummy, cut short a fishing vacation to replace Ar-

nold Palmer, U.S. Open champion, when the latter was refused permission by the PGA to compete here.

Demaret puffed through the four remaining rounds in 220 strokes, exact par. That's better than such active stars as Dai Rees of Wales and John Panton of Scotland could do before the gallery of 600 persons and 10,000 rain-soaked spectators.

"There were mornings when I didn't think I could get him out of bed," drawled Snead, now the winner of three straight tournaments who had tried to qualify on Tuesday for the U.S. Open. "And when I did get him up, I didn't think I'd get him moving again."

The favored team of Peter Thomson and Kel Nagle of Australia finished second behind Snead and Demaret with 672.

Canada was a surprise third at 579 with Ireland fourth at 582 and the Philippines fifth at 585.

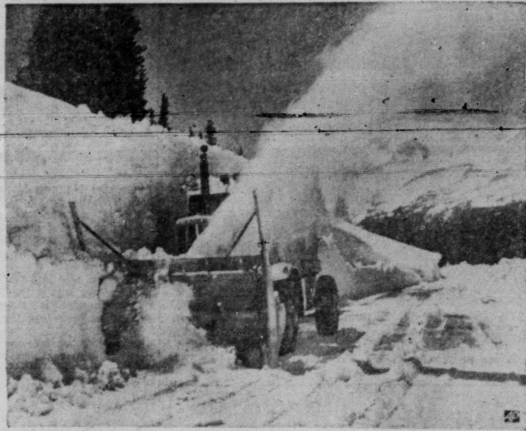

Ben Arda, the pudgy shotmaker for the Philippines, came apart of the final round and zoomed to a four over 76 although he got the good word just before teeing off that the two cables informing of his wife's serious illness in Manila were a hoax. Instead of relaxing he spraved his shots after having made the first three rounds in six under par.

Thomas, with 280, was second to Snead's 272 in the individual. Snead's total tipped out the record 274 Torakichi Nakamura in Tokyo in 1967. Christy O'Connor recorded his third eight 282 and Al Baiding, the deliberate Costa Rican, next with 283 after last round 66.

Kennedy Novice In Foreign Affairs

Associated Press News Analyst WASHINGTON (AP)—President Kennedy is doing well in the field he knows best—politics and Congress. But he can't be judged yet on his ability in foreign affairs, an area in which he has had the least experience.

His domestic proposals so far have received very agreeable treatment in Congress where Republicans and conservative Democrats could do him damage any time they wanted to team up.

Kennedy has handled Congress in just about the way his vice president, Lyndon B. Johnson, of Texas, might have been expected to operate if he had been the president.

Johnson, when he was leader of very moderate course in the legislation he sought to get through, Kennedy has done the same. Both men avoid personal quarrels and work hard behind the scenes.

In all ways except the last they operate much as former President Eisenhower did. His behind-the-scenes work was not as expert as theirs, but then he seemed to have an inclination to keep hands off Congress.

But it is in the foreign field that Kennedy is still a rather unknown quantity.

His meetings with President De Gaulle in Paris, and Soviet Premier Khrushchev in Vienna, did not reveal much except that Kennedy and De Gaulle seemed to get along well and Kennedy's relations with Khrush

# Khrush-Kennedy Conference Calm

By WILLIAM L. RYAN  
Associated Press News Analyst  
VIENNA (AP)—Nikita Khrushchev of the Vienna summit was a far different man from the one who blew up last year's summit.

He was calm, dignified, and a U.N. General Assembly session in New York.

The man who talked face to face with President Kennedy over the weekend was for the most part grave and subdued.

Probably there were good reasons Khrushchev came to Vienna for a specific purpose.

Diplomatic sources say his main purpose is seeking a meeting with the President of the United States to have an opportunity to size up the young man who has taken over the leadership of the world opposition to Communist ambitions.

These sources add that the Soviet premier is likely to feel that he has accomplished that mission. He talked with the President, and from the talks got a better idea of just how dangerous future Communist expansion by direct pressure may be.

Khrushchev also demonstrated with startling clarity that he is a man who is fully in control of himself. By his sober and pertinent remarks he provided ample evidence that he knew just what he was doing when he took off his shoe and banged it on his table at the U.N. summit.

When it suits his purposes, Khrushchev showed, he can take the appearance of a careful statesman, too.

One of the most significant results of the exploratory summit meeting here was the report that

Khrushchev did not push urgently on the potentially explosive quarrel over Berlin.

Khrushchev has been threatening to take steps soon to sign a separate peace treaty with Germany.

He also declared the rights of the allies in isolated West Berlin.

The Soviet leader's own words had made that a chief issue facing the two men. He had even indicated his own prestige was at stake in delivering on his promise to "normalize" Berlin.

But he probably found the man from Washington stonily unyielding on that issue.

Khrushchev seemed to have decided not to heat it up at this time. The Kremlin, it would appear, feels it can wait for a more opportune time, perhaps when the Western allies are more divided—perhaps when there is no De Gaulle of France nor Adenauer of Germany to help fashion a Western wall of opposition.

The situation in the world has been extremely dangerous in recent weeks. The Kremlin may come to the conclusion that it is time now to let it simmer down a bit and thus remove the danger of explosion.

Khrushchev did express himself as agreeing to the need for an immediate and effective cease-fire in Laos, where a Communist-sparked civil war has the nerves of all Southeast Asia on edge.

But unless this promise is followed up by performance, it means nothing.

# Cohen Aide Is Wounded In Ambush

LOS ANGELES (AP)—A Mickey Cohen aide was wounded seriously early Sunday in a shotgun ambush outside a West Los Angeles bar.

Two blasts caught Max Tannenbaum, 37, in the chest and in the leg.

Doctors say he may lose his left eye and most of his teeth.

A police guard is stationed outside his room at the UCLA Medical Center.

Cohen, the ex-mobster now on trial here on charges of income tax evasion, declined to comment on the attempt on Tannenbaum's life on advice of his attorney, Jack Dahlstrom.

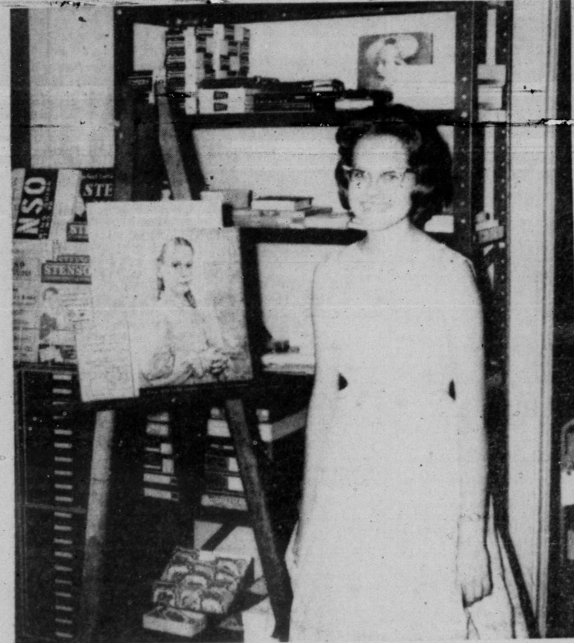

Dahlstrom said he could see no link between Cohen's trial and the shooting.

"Just say Cohen is upset because it's a man he's known for a number of years," Dahlstrom said. "He has no statement to make with his own case pending. We can't afford to become involved."

Tannenbaum, who regained consciousness briefly at the hospital, said he did not see his assailants and could not remember being hit.

He was found by bar customers lying in the street beside his car. Police said the attackers apparently had fired from a parking lot as Tannenbaum opened the car door.

The victim has a 32-year record of arrests here and in the East. He is awaiting trial July 19 in Beverly Hills on a charge of possessing burglar's tools.

### Wagner And Aides Defend NYC Regime

NEW YORK (AP)—Mayor Robert Wagner and 23 of his city council members today defended before television cameras for two years of his administration.

"I believe we have a good government," Wagner said near the end of the metropolitan area telecast from the studio of WNTA-TV in Newark, N. J.

Gov. Nelson A. Rockefeller, a Republican, recently accused the Wagner administration of "competence, indifference, inaction and lack of foresight."

"In defense of his administration, Wagner said: 'As mortals, we have possibly failed to achieve perfection. As mortals, we are not all-seeing, ever-present, ready to pounce with evidence whenever and wherever a faithful employee slips a surreptitious \$10 bill into his pocket.'

"We have cracked down on that to the best of our or anyone else's ability. We have and pure government. In aims and purposes, practices and results, as any at any level in this world."

Dr. John J. Thobold, superintendent of schools, said it is the policy of the board and himself to make public "the bad along with the good."

### Beach Party Ends In A Wild Brawl

SANTA MONICA, Calif. (AP)—A wild brawl ended a Saturday night beach party, planned for a few thousand rock 'n' roll fans at which more than 25,000 showed up.

One girl was raped, another was beaten to the sand and stopped by rioters, and a third suffered a serious eye injury when a firecracker was thrown in her face.

Fifty sheriff's officers and high-way patrolmen braved a barrage of rocks, beer bottles and cans to break up the mob. Fourteen youths were arrested.

Resting members of the vast throng tipped plumbings out of public rest rooms and tore parts of illegal structures to build giant bonfires. Singer Fabian, who was to entertain at the party, refused to go on when it began to get out of control.

A Los Angeles radio station, KRLA, planned the party at Zuma Beach, a county facility 20 miles north of here. The violence began as the formal party ended at 11:15 p.m.

"It was a milling, drinking, ugly crowd of 25,000 to 30,000 young people on the beach in the dark," said Capt. Kirby Temple of the county lifeguard service.

Law officers blamed the trouble on drinking. There was no race problem, they said. Most of the youths arrested were charged with drunkenness, bringing alcohol into a county park or juvenile possession of alcohol.

### Rites Today For Resident

Funeral rites for Mrs. Mattie Lee Black, 48, of 710 Twenty-sixth Street, will be held Monday afternoon at 2:30 p.m. in the First Baptist Church, with Rev. Walter A. Mitchell officiating.

Burial will be in the Hillside Memorial Gardens.

Mrs. Black died at 4:15 p.m. Saturday in Snyder Hospital.

## Adlai's Trip Off To A Good Start

By MAX HARRELSON. CARACAS, Venezuela (AP)—Adlai E. Stevenson's special presidential mission to South America appeared today to have gotten off to a good start.

Stevenson began his second day of private talks with President Raulo Betancourt and other Venezuelan officials. U.S. officials were reported highly pleased by the cordiality of his reception.

The chief U.S. delegate to the United Nations, here as the personal representative of President Kennedy, got a warm welcome at the airport Sunday by a friendly crowd of 400 to 500.

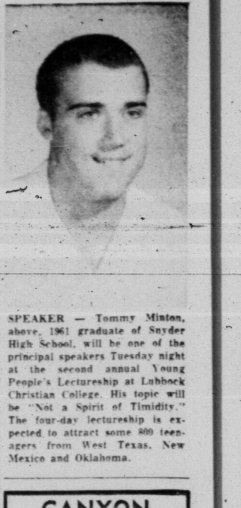

Heavily armed national guardsmen and police were there as a precaution, but there were no hostile demonstrations at the airport or along the route through downtown Caracas, where Stevenson held a long private talk with Betancourt Sunday night at the president's home. They appeared in high good spirits as they posed for photographers.

They talked for two hours before sitting down to dinner. Also taking part in the talks were Venezuelan Foreign Minister Marcos Falcon Briceño, U.S. Ambassador Tordaro M. Moore and Lincoln Gordon, who leads Kennedy's task force on Latin American economic assistance.

Stevenson's program today included a luncheon meeting with Betancourt and talks with the foreign minister and the minister of finance. He leaves Tuesday for Buenos Aires, the next stop on his 18-day tour of 19 nations.

In a news conference upon arrival, the U.S. envoy placed strong emphasis on improved economic and social conditions as the main purpose of his trip. He denied that he had come to South America to try to forge an alliance against Fidel Castro's Cuban regime but said he was ready to discuss any matters any chief of state might bring up.

Stevenson said Venezuelan President Betancourt had come here primarily to consult with leaders on ways to perfect and accelerate inter-American cooperation on economic and social improvement.

### Argument Is Due In School Closing

WASHINGTON (AP)—The Justice Department is expected to argue today that it is a fundamental duty of the states to provide public schools and that they cannot be closed to dodge integration.

The case involves a suit by the National Association for the Advancement of Colored People attacking the constitutionality of a Louisiana law permitting local option voting on whether schools should be integrated or closed.

School Supt. J. L. Meadows of Bogalusa said the school board would mean a complete boycott like at McDonough, Mo. 19 in New Orleans, and will result in destruction of public education for the white people.

The three-judge federal court in New Orleans rules local option school closing violates the constitution. "Then I would say that the legislature has very little recourse, if any, and the federal courts have taken over operation of the schools."

The National Broadcasting Company announced the debate will be taped at 2 p.m. June 24 and broadcast over the NBC-TV network from 8:30 to 10:30 p.m. Eastern Daylight Time.
