Notes Cast at Courthouse or ACA Office

Community and county farm committees will be elected in the county-wide election set for Friday, December 10. Ballots have been cast at the ACA office for several weeks, and a polling place will be maintained at the courthouse Friday for those who wish to vote on that day.

Only One More Week For Santa Letters

Only one more week remains for the youngsters in the Perryton area to send in their letters to Santa Claus. We have received around 100 letters, and have forwarded them all to Santa Claus at the North Pole. These letters will be published in the Herald next week, and there should be plenty more by that time. Remember, Santa Claus wants to know what to bring to Ochiltree county, so write your letters soon.

Ray McWilliams Is Elected New Jaycee President

Ray McWilliams was elected president of the Perryton Jaycees in the semi-annual election held by the club Wednesday. He succeeds Drew Ellis. Fred Huebner was elected first vice-president; K. A. Lane second vice-president; and Clyde Ragsdale, secretary-treasurer. Gordon Shackelford, Harold Hudson, Clyde Carpenter, Dick Sauer, Malcolm Beamer and Sidney See No. 3, Page 6

'Perryton' Car Signs Sold by Teen Town

Attractive red and white metal license bracket signs for Perryton automobiles are being sold by members of Teen Town this week. The signs, which have the words "Perryton" across the top, and the slogan "Wheatheart of the Nation" underneath, are of durable cast metal and paint which does not fade. The signs were secured through the Chamber of Commerce, and were turned over to Teen Town for distribution.

Box Supper at Waka Saturday Night; Program by Boys Ranch

The Waka and Black Home Demonstration clubs are sponsoring a box supper, cake sale and program on Saturday night, December 11, to raise money for Boys Ranch. The affair will be held in the Waka school house, beginning at 7:30 p. m. Proceeds will be used to buy the boys at the ranch new clothes for Christmas. The program will be presented by boys from Boys Ranch. All home demonstration clubs in the county have been invited to participate, and anyone else that desires to bring a box or

Rangers Place Five Players On '48 All-District Football Teams

Three Perryton Rangers were selected on the 1948 All-District football team and two Rangers made the second team on the selections made by district I-A coaches at Dumas Wednesday night. Phillips, district champions, dominated the first team, placing six men, while Tullia placed two and Perryton three. Rangers on the first team were Marvin Smith, end, Larry Slaughter, tackle, and Raymond Powell, back. Delbert Trew at center and back Jerry Key placed on the second team. Dalhart, the team that beat Perryton and wound up in second place in the district, failed to place a single man on the first team, although they had four on the second team. Dumas, Hereford and Canyon placed one man each on the second team. The All-District teams were selected by coaches from Dumas, Perryton, Phillips, Canyon, Dalhart, Hereford and Tullia, and are the official I-A selections for 1948.

First Team Ends: Hooper, Tullia, and SMITH, PERRYTON. Tackles: SLAUGHTER, PERRYTON, and Boatright, Tullia. Guards: McClellan, Phillips, and Snyder, Phillips. Center: Williams, Phillips. Backs: POWELL, PERRYTON, Hughes, Phillips, Braden, Phillips and Eldridge, Phillips. Second Team Ends: Newman, Dalhart and Thomas, Tullia. Tackles: White, Dumas, and Kimbrough, Hereford. Guards: Griffin, Canyon and Purcell, Dalhart. Centre: TREW, PERRYTON. Backs: Cessnum, Dalhart, Archuleta, Dalhart, Ramsey, Tullia, and KEY, PERRYTON.

TWO PRIESTS SUBDUED HIM—Leslie C. Benson, 38, (center), merchant seaman, is shown above trying to dodge the camera as he was being led to a cell in a Galveston, Tex., jail. He was charged with burglary at night and felony theft. The suspect was beaten about the head in a scuffle with two Catholic priests who captured the man in their rectory. Cronister Trial Postponed to Next April; Pleads Not Guilty

D. A. Cronister, former Ochiltree farmer-stockman who now resides in Colorado, was arraigned in district court Tuesday and pleaded not guilty to two charges of murder with malice in connection with the shooting last May 6 of C. W. Barker and his son, W. H. Barker. Following the arraignment, the attorneys for the defense, E. T. Correll of Perryton and the Canadian law firm of Hoover and Cussens, made motion for continuance of the case, which was granted by Judge Jack Allen. Date for the trial was set for April 25, 1949, a week after the April term of court opens. The motion for continuance was based on unsettled weather conditions at this time of the year, which might affect farmers and ranchers on a jury. The defense also pointed out that it is close to Christmas, which might have some effect on a jury if the trial were longer than expected, and also stated that out-of-town witnesses would have trouble finding a place to stay as hotel facilities are limited now.

The grand jury, which convened Monday morning, returned six bills of indictment and were dismissed Tuesday afternoon. Names of three of the accused specified in indictments were withheld pending their arrest. The court tried Richard L. Luckey, charged with the theft of a billfold and some \$280 from Ben Stringfellow. Luckey was given a two year sentence, paroled to Stringfellow until Luckey repays the money. Charles Corigan, charged with the burglary of the Phillips One-Stop service station last June, was given a two year suspended See No. 5, Page 6

Christmas Cantata At Baptist Church Set December 19

Date for the annual Christmas cantata of the Baptist church has been set for Sunday night, December 19, it has been announced. Members of the cast have been rehearsing for six weeks in preparation for the cantata. The Christmas cantata is "The Story of Christmas," according to Scripture, and is in two parts, "The Promise" and "The Fulfillment." Solo parts are taken by Miss Betty Lawrence, soprano, Mrs. Edith Williams, alto, Jimmy Dick Key, tenor, Lawrence Elizey, baritone and Jerry Key, bass. Joe Erickson is the piano accompanist, and Mrs. Carl Cade is organist. The cantata is under the direction of Carl Cade, education and music director of the church.

War Dads Solicit Memorial Funds

The Ochiltree War Dads chapter is soliciting funds to pay the balance on the stone memorial marker which has been installed in front of the courthouse. Letters have gone out this week to several hundred local citizens in an effort to raise the balance due on the memorial.

Judge Dave Shanks, president of the local chapter, stated that the stone memorial cost \$4,000, and that the chapter had \$2,700 with which to make the first payment. Those interested in contributing may send their checks to the War Dads chapter, in care of Judge Shanks at the courthouse.

'Uncle Jay' Will Speak at Lions Ladies Night

J. B. Linn, well-known newscaster of radio station KGNC, will be the main speaker at the Lions Club annual Ladies Night dinner to be held Friday night in the school cafeteria. The local male quartet, composed of Fred Osborne, J. D. Davis, Clifton Bell and Roy Sanford and accompanied by Joe Erickson, will sing several numbers, and Coke Harlow will play several piano selections.

Ochiltree REA Members Will Meet Saturday

Ochiltree county members of the North Plains Electric Co-op will meet in the district courtroom on Saturday, December 11, at 2:30 p. m. to nominate a director to serve a three-year term. Each of the five counties in the organization, Hansford, Ochiltree, Hemphill, Hutchinson and Lipscomb, will hold nominating meetings. W. M. Good, president of the organization will end his term of office this year. J. H. Kershaw, the other director from Ochiltree county, has two more years to serve. In Hansford county, where members of the REA co-op will meet on December 18, the term of R. D. Tomlinson will expire. W. E. Davis, the other Hansford See No. 6, Page 5

Balko School Carnival Opens December 14

The Balko All-School carnival, which was postponed a few days ago because of bad weather, will be held in the high school gymnasium on Tuesday, Wednesday nights, Dec. 14 and 15. It has been announced. Proceeds from the carnival will be used to purchase visual equipment for the school. There will be all sorts of contests and games to entertain the visitors. Highlight of the Wednesday night festivities will be the coronation of the high school and grade school king and queen. The public is cordially invited to attend.

Begin Work on School Bldg.

Work started this week on the construction of the new gymnasium and auditorium building of Perryton schools, and earth being moved for the foundation. Linderer of Enid is the engineer on the construction job. The Bass Construction Co. has been with the Bass for over 30 years. The outside dimensions of the building are 226 by 107 feet.

Frank Kimbrough to Speak Tuesday Night at Annual Football Banquet Honoring Rangers

The annual football banquet, which members of the 1948 Rangers squad will be honored by the Rangers Club, will be held Tuesday night in the school cafeteria, with Frank Kimbrough, coach of the West Texas State Buffaloes, as principal attraction. Kimbrough, probably the best football coach in West Texas and a national athletic circles, has coached his second year as head coach of the Buffaloes. A graduate of Hardin-Simmons, where he was an outstanding athlete, he started his coaching career at Plainview, where he coached both at the high school and at Wayland College. He moved from Plainview to Amarillo, where he tutored the Amarillo College Badgers to two junior college football championships and some top basketball squads. From Amarillo, he went to

Residents of the Perryton trade territory, who have been getting money from the ground through wheat and cattle for many years, and who might get some from under the ground if the oil play develops, will have money dropped to them from the air on two big Christmas shopping days, December 15 and December 22.

HS Girls Chorus Rehearsing for Christmas Concert

The high school Girls' Chorus, under the direction of Miss Len Lowe, is rapidly completing work and plans for their annual Christmas concert which will be presented in the auditorium of the First Baptist church on Tuesday night, December 21. This concert is to begin promptly at 7:30 p. m. and the public is cordially invited to attend. The Christmas concert is the second large performance by the choir and will be the first one this year open to the public of Perryton. The choir made a very successful tour to neighboring Panhandle towns earlier in the year and drew much praise wherever they went. This Christmas concert is expected to be the outstanding performance of the year by the choir, stated Miss Lowe, and the members hope that a capacity crowd will attend.

On these two days, an airplane will zoom down Main street, scattering numbered cards worth cash money to the ones who pick them up. There is nothing to buy, no raffle and no auction. All a person has to do when he picks up one of these numbered cards is to match that number with one of the large numbered cards in the window of each business firm in Perryton. When the number is matched, the merchant will pay the holder of the card whatever amount is specified. Payments range from \$1 to \$25, and one out of ten small cards is a winner. Everyone is eligible to pick up the cards. All this will take place at 2 p. m. on Wednesday, December 15, and at 2 p. m. Wednesday, December 22. That's when the plane comes over Main street, dropping cash cards.

This idea of a Christmas trades day is being inaugurated this year by the retail merchants committee of the Chamber of Commerce, and the prize money comes out of the amount appropriated by the C. of C. for the annual Christmas program. Not only will there be cash given away in Perryton during the Christmas season, but Santa Claus in person will be on hand to greet the kiddies, and will give each one of them a small gift to hold them until Christmas. He will be at the Perryton Furniture Co. from December 15 until December 24, when he'll have to go back home to get ready for Christmas Eve.

Town Cage Team Plays Two Home Games Next Week

The Perryton town team, sporting a 500 average for the first two games of the NPAA league, will go to Gruver Thursday night for a league encounter with the fast ex-Greshams, and will meet the defending league champions from Spearman Monday night in the local gymnasium. In the opening league game with Spearman last Wednesday, the locals were beaten by a 45 to 24 score. Garland Head, Spearman coach, and ex-Texas Tech See No. 9, Page 5

Balko School Patrons To Work On Grounds

Patrons of the Balko school district have been requested to meet next Monday morning at 9 a. m. at the school to work on the school auditorium and grounds.

Air Freight For Perryton?

Efforts are being made to establish an air freight stopping point in Perryton, which, if successful, will mean extra fast transportation of perishables in and out. Ernest Bode of Plainview, who operates an air freight line between Indianapolis and Monahan, Texas, has been in Perryton this week, contacting local merchants to see if the demand for the air service would be sufficient to justify a stopping point in Perryton. He met with the Chamber of Commerce district See No. 10, Page 5

Four teams were featured in the Perryton Major Bowling League last week when Babe Gay topped the list by sweeping a powerful single game of 315. Carroll McClung captured the consolation prize for a set of 3-0 and the VFW boys reached the heights with a team game of 8-9 and a total of 2435.

Gay's line of stability came as he stepped into the Schuster-Pontiac lineup in an effort to stop the vastly improved Perryton Motor team and, but for a bad tenth frame break, would have established a mark which would have been very hard to top. But the Chevrolet team was just too admirably good and swept all three from Pontiac by rather comfortable margins. The Pulites, Bud and Kenneth, led the winners with 462 and 449 respectively.

VFW's record of 829 was composed of Dudley Hargrove's 141, Joe McClung's 181, Guy Allen's 172, Carroll McClung's 189 and Junior Maddox's 156. This record came in the third game of a three game sweep over Jaycees. The final game was a real battle but the winner was not determined until the final frame as Jim Hill rolled 166, Coke Harlow 167, Wes Tusing 165, Clyde Carpenter 158 and Charlie Taylor

Local Player All Conference Grid Selection

BOONVILLE, Mo., Dec. 7—Cadet Gayle Ferguson of Perryton, Texas, has been selected as a guard on the Interstate Conference All-Star Football squad. Col. H. C. Johnston, director of athletics at Kemper Military School revealed today.

The conference all-stars were picked by Bob Busby, sports writer for the Kansas City Star.

GAYLE FERGUSON

polling the coaches in the Interstate Conference.

Ferguson, son of Mr. and Mrs. F. L. Ferguson, 813 South Baylor started as guard for the college team at Kemper in every game this year. His offensive and defensive play throughout the season was outstanding.

Kemper had three players on the first team and five players on the second team. Tackle Neil Dawson of Rockwell City, Iowa, and halfback Don Barton of Longview, Texas, were Ferguson's running mates on the first team selections.

Kemper Military School finished second behind Graceland College of Lamoni, Iowa. Other standings in order included Chillicothe Business College, Wentworth Military Academy, and Kansas City, Kansas junior college.

Ferguson was a regular guard on the undefeated 1947 Perryton Ranger team.

154 for the Jaycees. American Legion jumped from seventh to fourth in the team

standing with a clean sweep over Perryton Implement and McLellan's kept their undefeated record with a triple win over Young's Barbers. Singles of 199 by L. Thomas and 198 by Enterprise and a set of 516 by the former highlighted these matches.

More than twenty of Perryton's finest feminine bowlers took to the drives last Wednesday night in the opening games of the Pioneer Women's Bowling League. The opening night's games indicate that local feminine pinsters are much further advanced in the fine points of the game than are the local male bowlers.

Foote Truck & Tractor girls held the spotlight in the opening games with a team game of 595 and a team set of 1643 as Margaret Zundel played the stellar role with a single of 181 and a set of 497. In spite of their heavy pinfall, the Foote Truck & Tractor team could win only two games from Playmore rolled 524. Evelyn Smith's 134 paced Playmore.

Doris Jines paced Boxwell Brothers to a two game win over Ellis Theatre with a snappy single of 142 and a consistent three games totaling 374. This match was hardfought all the way with the Theatre girls taking the first by 35 pins and then losing the next two to Boxwell by margins of eight pins and five pins respectively. Helen Lee led the losers with a set of 369.

 "God the Preserver of Man" is
 the subject of the Lesson-Ser-
 mon which will be read in all
 Churches of Christ, Scientist., on
 Sunday, December 12.
 The Golden Text is: "I the
 Lord thy God will hold thy right
 hand, saying unto thee, Fear not;
 I will help thee" (Isaiah 41:13).
 Among the citations which
 comprise the Lesson-Sermon is

the following from the Bible:
 "For God so loved the world,
 that he gave his only begotten
 Son, that whosoever believeth in
 him should not perish, but have
 everlasting life" (John 3:16).
 The Lesson-Sermon also in-
 cludes the following passage
 from the Christian Science text-
 book, "Science and Health with
 Key to the Scriptures" by Mary
 Baker Eddy: "Divine Truth, Life,
 and Love gave Jesus authority
 over sin, sickness and death. His
 mission was to reveal the Science
 of celestial being, to prove
 what God is and what He does
 for man" (page 26).

How They Do It

Now and then one of those aptitude tests backfire. In Chicago recently a young man who wanted to be a farmer but whose adaptability tests indicated he ought to become a banker was sentenced to 18 months imprisonment for embezzling \$27,000 from the bank where he was employed as a teller.

His lawyer pointed out that the defendant wanted to be a farmer and knew that he oughtn't to be a banker, but the aptitude testers had insisted. The prison authorities may be expected to approach the problem from the other direction. Because he was real good at banking, they'll put him to farming.—Ft. Worth Star-Telegram.

Somehow or other we believe that if our ancestors had bought their covered wagons on the down-payment plan they would never have gotten across the Mississippi.

The disciples of Wilbur Glenn Voliva still cling to the belief that the world is flat. And in their more doubtful moments they may subscribe to the theory that it's neither round nor flat but crooked.—Kansas City Star.

Onion whiskey and onion brandy are going on sale in a couple of months in Japan. Distillers say it will have a real kick and never mind the smell. In a country that gets wine out of rice and beer out of millet, we are not surprised. Boy! Fetch us a tall, frosted onion julep and make sure the hamburger is bruised, not crushed.—Rocky Mountain News, Denver.

Babson Discusses Washington

ROGER W. BABSON, Editor-in-Chief

Babson Park Mast Dec. 3.— Everyone is asking what Mr. Truman and his Democratic Congress will do. This I will discuss in today's column, although my conclusions will probably satisfy no one.

TRUMAN and LABOR Since the election William Green, the able President of the American Federation of Labor, was my guest here at Babson Park. There is no doubt but that he feels that Mr. Truman owes his victory wholly to the farmers and the wageworkers. Without doubt the Taft-Hartly Law will be modified in several ways. Certainly, employers should have the right to state their case to their wageworkers; and moreover should be obliged to take the same anti-communist oath as do the labor leaders.

It must not be forgotten that a coalition, at any time, of the Republicans and Southern Democrats could hold up any legislation that the President might greatly desire. This could apply to unreasonable excess profits taxes, price controls, changes in income brackets, New Deal dreams and other legislation which would be apt to bring about a decline in general business. Hence, although there is nothing in the Truman victory which could harm business, there is much which could harm business except for the influence of the Southern Democrats.

TRUMAN and the FARMERS It is an old political slogan that "no one wants to shoot Santa Claus". Certainly, the Democratic Santa Claus has been very good to the farmers who recently have had the most wonderful years in their history. As Mr. Dewey did not make any substantial promises to the farmers, they felt it wise "to let well enough alone". As Mr. Truman is noted for loyalty to his friends, he will oppose any bill which the farmers oppose. Furthermore, the Republicans can expect no help from Southern Democrats in cutting the profits of the farmers.

Over a term of years the farmers' profits have not been abnormal. The farmers are entitled to some good years to make up for the many very bad years that they had during the thirties and even before. No industry should be judged by the earnings of only a few years. An average of an entire cycle should be considered. Surely, on this basis the farmers are entitled to every cent they are getting and to help for some time longer. In fact, for keeping business fairly good the country is very dependent on prosperous farmers.

TRUMAN and RUSSIA Another thing in which the Southern Democrats can be of

no help is in connection with Stalin's attitude. He is the greatest factor in the business' outlook especially in view of defense spending, foreign loans and the European Recovery Program. Truman can be a modifier of circumstances to some extent. He cannot be the master of destiny whatever his ability. This foreign situation will be further complicated by the political activities of the Veterans of World War I and World War II which activities were largely forgotten in the recent campaign.

President Truman has fighting ability, political judgment and vigorous health. It is also

Wolf Creek Philosopher

Weather Experts Have Nothing on Philosopher

(Ed. note: The Wolf Creek Philosopher comes up with a screwball idea this week, probably resulting from the recent snowstorms.)

Dear Editor: I was out early Monday morn in seen how cold it got, wonder in if I was gonna have to break the ice on the hog trough or if the sun would come out soon enough to thaw it out without me havin to go to any extra trouble as I never did believe in doin what you could get nature to do for you for nothin and it's nature that freezes I over in the first place, and I noticed a copy of the Amarillo News which the wind had blown against a fence and I pulled it off and took it home and tore off the front page and sat down and read where a company in Boston is offering to sell weather predictions in competition with the free service the government furnishes.

Accordin to this firm, it has a better service to offer, and for \$1,500 will notify any city ahead of time when to expect a blizzard.

Now I don't want to be enter in into competition with the government, but if they're gonna let the bars down and there ain't no law against establishing a private weather bureau, I might be interested in that myself, if you'll help me line up some business.

I been lookin for a business where it didn't take no capita and no overhead and very little equipment, and I believe this is it. While I wouldn't pretend to take in the whole United States I believe I can handle the are around Perryton satisfactorily. I figure with a good weather eye, a habit of noticin signs, a good radio to tell what's on the way, and my wife's corn on the cob firm it, I can handle weather predictions about as well as anybody else. At least as good as a scientific expert can handle a election prediction.

If you are interested in this service, just pass the word along and if I get enough respons will open up. My rates won't be high. Only a dollar a month, an if I can get 200 people to sign up on the basis of 100 takin the service one month, the other 10 the next, and I'm right half the time, I figure I can keep 50 per cent of the total satisfied an still make more than I do raisin bindweed.

Your faithfully J. A.

Uncle Sam Says

This Christmas, join the Payroll Savings Plan where you work and start your regular, automatic purchase of U. S. Savings Bonds. Or, if self-employed, join the Bond-S-Month plan where you buy 10 U. S. Savings Bonds each month. You should start filling those 1948 Christmas stockings now, so that ten Christmases from now you can fill your whole family's stockings, including your own. And you will be facing the future with security and confidence. U. S. Savings Bonds will open the door to future security and happiness.

U.S. Treasury Department

said that he is "honest"; but I do not understand how an honest man who is also intelligent could make the promises he did in his campaign speeches. He, moreover, appears to lack judgment in recruiting men of outstanding ability and tends to "go off half-cocked" an dspring surprises which may be very dangerous. I doubt if he also fairly balances loyalty to friends against loyalty to the nation as a whole.

THE HEAR TRUTH

The real truth is that Mr. Truman doesn't know what he is going to do any more than you who read this article. The forecasts which columnists and radio commentators make is so much wasted time. Mr. Truman will try to carry out most of his promises, but he does not know which ones he will be able to fulfill. No one else knows. Hence, the only sure thing that

readers can depend upon is that we have two years of great uncertainty ahead. Whether for good or evil, I must refer you to Mr. Stalin's inner thoughts, —not necessarily to what he says. All of this means that readers should use 1949 for getting out of debt, storing up reserves and being prepared for whatever happens, even though this may mean "no change at all".

FAMILIAR TIE TYPES... And the ties they prefer, selected from Christmas stocks...

If you're going to buy a Christmas tie for the man in your life, why not give him something he will wear? Since women are expected to buy \$36 million worth of Christmas ties this season, anything to improve their selectivity would be a sound economic step, says Horace Beck, who has observed feminine tie-buying habits with pain for a number of years, as sales manager of one of the country's largest cravat companies. All you have to do, Mr. Beck advises the ladies, is to study your man's personality. Here are his tips on tie types:

1. If he's a high school football star, give him a bright plaid tie to let the girls know he's smart about style as well as a bout style as well as about later al passes.
2. If he's conservative, know just where everything is and never misses his train, he'll appreciate a tie with a small, all over pattern, preferably with neat geometric figures.
3. If he's a cheerful exhibitionist who bids six on a four card suit, he'll feel right at home in one of the new, brightly colored panel ties with large geometric figures.
4. If he's a sportsman and actually enjoys getting up at dawn Sundays to go fishing, let him tell the world about it by wearing a tie featuring fish, pheasants, rifles or reels.
5. If he's a woodsman who knows without using a book, test him on a woodsman's tie such as some gems of American forestry, designed by Cheney, which feature oak, sumac, willow, maple and many other kinds of leaves. These are guaranteed to puzzle his less informed friends. (Note: When the tie is bought, the clerk will tell you the name of the leaf.)
6. If he's elderly, dignified and likes his port after dinner, give him a Paisley to show him you know a fine old tradition when you see it, too.
7. Finally, if he's a regimental stripe man, chances are he's been one all his life and won't change now. This type is famous for its stubbornness, and all you can do is to get him more regimental stripes.

efficiently with a big cut in jobs. Our answer to the clamor from Austin for higher wages is fewer employees and an honest days work by those left on the job.

We've seen big hikes in teachers salaries . . . we've seen big hikes in postal salaries and many other departments of government. It has been our observation that when good times change to bad times, that public salaries do not do much dropping. In fact we can well remember the time right here in Perryton when teachers, postal and other public employees were riding high compared to what most of the rest of us were trying to get by on.

The American Legion Auxiliary wants the public to know of the generosity of one of Perryton's merchants who has given wholeheartedly for the past two years to the Veterans Gift Shop in the VA hospital in Amarillo. This gift shop, maintained in the hospital, is filled with gifts each year by service organizations, and veterans select gifts, have them wrapped and sent to their families, free of charge.

Through this service, families of many a war veteran can have a real Christmas, when otherwise they might have a scant one. Last year, the main stock of gifts sent by the local American Legion Auxiliary was contributed by the Pounds Home and Auto Store, the only firm in town doing so. Bob Pounds and his wife sent several boxes of toys,

etc., for the gift shop.

This year, the act was repeated. Into the Auxiliary boxes went valuable household appliances such as waffle irons, toasters, etc., all new merchandise. Again the Pounds firm led the way.

Things were somewhat different this year, though. Bob Pounds, World War II veteran, has been a patient in the Veterans Hospital for the past month, seriously ill with a heart ailment. Doctors say he'll spend Christmas there, too.

Homer Steen of the Floyd County Hesperian at Floydada has the following to say about "Competition is Intense." The same thought can well be applied to Perryton. Here is Homer's message: "We get in the habit—you and I—of thinking of competition as the man down the street, or the fellow in the small city. The fact is, the way the world wags right now, the small city man's competition is further away than around the corner or down the highway a dozen miles. This competition which you both face for the public's dollar is intense, nevertheless. It is "more intense" than you think, in fact. It is the big man with the long stick who is fighting you off—not necessarily unfairly at all—of the fruit which your short stick won't reach. He is in Lubbock, he is in Amarillo, maybe Dallas. He is a good, fair fellow with the goods. He makes the customer you would like to have want to trade with him. He is greater in number than you are, stronger financially, maybe, certainly with more prestige. What you have got to meet is that kind of competition if you live and do business in Floydada. You have got to have more and better and bigger ability to give the public what it wants. No use to talk trading at home. Your argument may be good, but the time you spend thinking up what somebody else ought to do might

much better be spent thinking up what you can do about it. At this time people in what is known as the "Floydada territory" are spending \$12,000 to \$20,000 a day in Lubbock for a hundred things they could spend it for in Floydada if you and we gave them what they wanted in the way they want it. People do that way. It is useless to lecture them. Better figure out a way to meet Amarillo. You and your layout are good and sound. You know it and we know it. The public that comes to see you also sees the other town the same day and he spends his money where he can get what he wants the way he wants it. Competition is intense. We have to meet it."

And down at Ralls the Ralls Banner has this to say about a high powered promotion put across on the Ralls merchants: "We were vastly amused at some of our local merchants this week over the outcome of what they considered a very smart advertising deal that came off at the Crystal Theater Monday and Tuesday nights. It was an alleged cross-section of life in Ralls, filmed in sound and for the trifling sum of \$25 each some 50 of our penny-wise merchants (who wouldn't spend \$2 for a legitimate ad in the Ralls Banner) got their profiles in the movies! They literally fell over their cash registers to spend that money for one of the most stupid jobs of swindling seen in these parts in a long time. A few of the merchants who fell for this deal are the ones who think 40 cents is too high a price to pay to get the name of their business read by 1,200 families in this trade territory. Yet they cheerfully spent \$25 to get laughed out of a theater by a capacity crowd of 500. Many will continue to keep their names out of the Ralls Banner because "it doesn't help my business" or "It is too expensive." Then some city slicker will come along selling ads on a church fan to be distributed to missionary outposts in dark-

est Africa, and they'll shoot a year's advertising budget in the belief that Henry Truman will have all the little black savages in Ralls. And, some found too late that while the movie men extracted \$25 from some, others got the same deal for only \$15. Hello, suckers!"

How's this for a carrot story . . . and it's the truth too for we saw the carrot, weighed and measured it. Frank Beard, who lives 11 miles west of Perryton grew a carrot that weighed 1 1/2 pounds, measured 9 1/2 inches around and was 13 1/2 inches long. How's that for a king-sized carrot from the fertile and productive soil of Ochiltree county?

And carrots are not the only things that grow to monster size in Ochiltree county. Mr. and Mrs. George Rohenkamp presented us with six pears raised on their place north-west of town. The largest of these weighed one-half pound and the other were almost as large. As to flavor, we never tasted better. They said the tree produced about six bushels.

"The Lowest Bidder" by John Ruskin. It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money, that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot . . . it

Army Reserves to Receive Pay for Meetings; First Time in History

Austin, Tex., Dec. 6—For the first time in the history of the United States Army, some Organized Reserve Corps units will receive pay for their training meetings, Colonel Oscar B. Abbott, Senior Army Instructor for the Organized Reserve in Texas, announced here today.

allocates the number of training meetings that they will be paid. There are also regulations wherein an average of 60 per cent of the assigned unit strength, both officers and enlisted men, must be present at training meetings authorized during each fiscal quarter for the officers to be eligible for pay. Enlisted men participating at the meeting will be paid regardless of the attendance.

Toughest Berlin Cop Never Carries a Gun

"LET'S TAKE A LOOK AT THE RECORD," says Ray Carlucci.

AP Newsfeatures

BERLIN — Berlin's toughest policeman is only five feet, four inches tall and weighs 140 pounds—but he has a million and a half people to look out for.

Orazio R. (Ray) Carlucci, Chief of Criminal Investigation for the American sector of Berlin, is small but he packs a hefty wallop. He never carries a gun. Soft-spoken and deliberate, the former Montclair, N. J., man at 38 has taken on a big job in postwar Germany, enjoys his work.

Carlucci, an American of Italian descent, entered the Army as a private in 1942. Prior to that he had worked as an investigator for several New Jersey firms. When he was discharged from the army in 1947, he was a captain in the Criminal Investigation Division.

From North Africa, Carlucci went to Sardinia and Italy. Then they handed him the job which won him the French Croix de guerre and the legion of honor. He was assigned to clean up Marseille, tough water-front town.

His job in Berlin, technically, is to direct the prevention and suppression of major crimes affecting persons subject to court-martial, and of all persons who commit crimes against the United States Government and its personnel. One of his favorite targets is black-marketing on a large scale.

He said that Savings Bonds are a favorite gift of parents, grandparents, aunts and uncles who have in mind the future of their children, grandchildren, nieces and nephews.

Mr. Adams said that recent years also has seen a substantial increase in the number of business concerns that prefer to give bonuses in the form of Savings Bonds. This practice, he explained, encourages thrift and helps employees acquire "some of the good things of life" in permanent, rather than transitory, form.

Mr. Adams announced that, for the first time since the end of the war, the Treasury Department has supplied banks and other issuing agents with quantities of an attractive jacket to serve as "gift wrapping" for gifts of Savings Bonds.

Mr. and Mrs. C. S. Carmichael had as Sunday guests Mr. and Mrs. Ray Carmichael and family and Mrs. H. H. Hale, Mrs. Carmichael's mother, from Higgins.

Mr. and Mrs. Vernon Witt were in Amarillo Saturday to attend the Phillips and Post football game.

CITATION BY PUBLICATION

THE STATE OF TEXAS, TO G. W. FULTZ, DEFENDANT IN THE HEREINAFTER STYLED AND NUMBERED CAUSE;

You are hereby commanded to appear before the District Court of Ochiltree County, Texas, to be held at the Courthouse of said county in Perryton, Texas, at or before ten o'clock, a. m. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before ten o'clock, a. m. of Monday, the 10th day of January, 1949, and answer the petition of Helen Marie Fultz, plaintiff in Cause No. 1044, styled Helen Marie Fultz vs. G. W. Fultz which petition was filed in said court on the 3rd day of November, 1948, and the nature of which said suit is as follows: Plaintiff sues defendant for divorce, alleging that plaintiff and defendant were married on January 28, 1948, and separated on May 8, 1948; that no children were born and no community property was accumulated; that plaintiff conducted herself with

propriety during the time of said marriage, but that the defendant disregarding his marriage vow was guilty of unkind, harsh and tyrannical conduct toward plaintiff and often became intoxicated, as well as at certain times striking plaintiff; that said marriage relations still exist; that their further living together as husband and wife is insupportable; that plaintiff's maiden name of Helen Marie Little should be restored to her.

If this citation is not served within ninety days after date of its issuance, it shall be returned unserved.

Given under my hand and seal and issued at office in Perryton, Texas, this 23 day of November, 1948.

Texans to Receive \$5 Million in Bonds This Xmas

Texans will receive about \$5,000,000 worth of U. S. Savings Bonds as Christmas presents and year-end bonuses during December, according to Nathan Adams of Dallas, chairman of the Treasury Department's Advisory Committee for Texas.

He said that the practice of giving these securities as presents has increased, year by year, since the government started issuing bonds in 1935. He ascribed the increase to "the American people's growing awareness that economic security is essen-

tial to widespread expression of "Peace on earth, good will to men" as the true spirit of Christmas."

Group of Texas Farmers Move Limestone Hill To Make Better Land for Crops and Pastures

VICTORIA, Tex. (AP)—A group of Victoria County farmers will have better crops and pastures in future years, thanks to a big chunk of limestone hill they trucked across the Guadalupe River.

The Soil Conservation Service says the thanks will be due.

Recently farmer Henry Schawe and several of his neighbors in the community of Nursery, Tex., realized that the soil of their rolling sandy farms was seriously deficient in calcium. Years ago the area was all in cultiva-

tion and supported many more families than it does now. At present much of the farmland is good only for pasturing.

The farmers talked to W. R. Agee, soil scientist, and R. J. Penderson, range specialist, of the Soil Conservation Service. The soil experts said the limestone Schawe's place needed about one thousand pounds of commercial lime to make it productive again.

Schawe and his neighbors looked up the price of lime. They thought \$5 a yard was pretty steep, so they looked around for

a substitute.

Across the Guadalupe river near Mission Valley, Texas, they found what they wanted. On the farm of Adolph Heller there was found a limestone hill that was not stony. When they took a piece of the limestone and rubbed it in their fingers, it crumbled into fine powder. The Soil Conservation Laboratory in Fort Worth said it tested 78 percent calcium phosphate or plain lime. Heller said he would sell the limestone for ten cents a yard. Schawe figured the limestone and trucking expenses would bring the total cost to \$2½ cents a yard delivered to the farm.

Not all the farms in Nursery needed calcium but enough of them did to make the venture profitable.

In one day 430 square yards of lime were dug out of Heller's limestone hill and trucked across the river to the farms of Schawe and his neighbors. The total cost was \$330.

The trucks dumped the lime in the center of four-acre spaces. Later, the farmers spread the lime with regular fertilizer distributors. The lime was dissolved in about a month after the lime application. The farmers will apply phosphate to complete preparations for a good legume crop.

The lime serves two purposes. It supplies calcium needed to plant clover, and it makes acid soils sweeter or more neutral.

The neighbors who joined with Schawe in what may be the first of several such large-scale lime hauls included: Otis Henry, Herman Meyer, Frank Parsons, C. E. Gathright and A. W. Phillips.

The lime is not needed for agricultural purposes on the Heller place, but he has used it for road building. He found that the lime has the qualities for road surfacing as fine shell which is often used in the gulf coast country.

British Students Plan Debate Tour

BRISTOL, England (AP)—Two British students are setting out in October on a 10,000 mile trip which will take them from coast to coast in the United States debating at American universities. They are James Anthony Cox, 24-year-old ex-marine and son of a Bristol lawyer and Reginald Galer, historian of Birmingham University.

The tour, arranged by the English Speaking Union and the Institute of International Education in the United States, calls for 23 debates, mostly on political subjects at the Universities of California, Oregon, Washington, Wyoming, Nebraska, Iowa, Kansas, Oklahoma, Indiana and Ohio.

HYBRID HOGS MAKE MORE PORK—Hybrid hogs at the Purdue University experimental farms are showing farmers how to get more pork out of every porker. The Purdue farms have produced one special breed with pigs weighing an average of 212 pounds at 154 days of age. Purebred Durocs used for comparison weighed 188 pounds at the same age. The Purdue hybrids are a successful breed obtained by cross-breeding two highly inbred lines.

Record of Nearly \$100,000 in Premiums at Ft. Worth Show

FORT WORTH, Dec. 7 (AP)—A record of nearly \$100,000 in premiums is offered exhibitors in the 1949 Southwestern Exposition and Fat Stock Show here Jan. 28 and Feb. 6.

The deadline for livestock entries, announced by W. A. (Bill) King, general livestock superintendent, is Dec. 13, while horse show exhibitors have until Jan. 5 to enter. Livestock premiums total about \$67,000. Over \$22,000 in premiums will be offered horse show exhibitors.

In line with the trend of other major shows, open class fat steers will be judged by age rather than weight.

For the first time in the Exposition's history, Brahman cattle will be shown. Another new event will be the Grass Judging contest for 4-H Club and FFA members. After a lapse since 1942, poultry, turkeys and rabbits will again be exhibited. About \$2,500 in premiums will be offered.

General Manager Edgar Deen said more than \$75,000 has been spent paving walks, roads and parking areas and putting covers on the carlot stock sheds. The show plant at the Will Rogers Memorial Coliseum grounds now represents an investment of over \$3,000,000.

Oh Where, Oh Where Has My Little Dog—?

KANSAS CITY (AP)—When Mr. and Mrs. D. W. Bishop lose one of their pets they stage a major-scale campaign for its recovery. Recently Snooks, an Irish terrier owned by the Bishops, strayed from a small animal hospital where he had been under treatment. Immediately the recovery machinery was set into motion. Large and repeated advertisements were placed in newspapers and other publications throughout the immediate area. Landon Laird, featured Kansas City Star columnist, devoted a column to the dog. And to top it all, the Bishops had 14,000 posters printed. These, offering a reward for the recovery of the pet, were distributed from airplanes. Despite the efforts, Snooks has not been found.

Mrs. Belle Spenser, Ringwood, Oklahoma, is visiting her brother, Mr. D. C. Wilson, here and the Albie Marvin and Melvin Rutz families in Booker.

Andrew Allen Named State Baptist Sec'y

Andrew Q. Allen, director of public relations for the Baptist General Convention of Texas, has accepted the position as state Baptist Sunday School secretary. The announcement was made Thursday, December 8, at the annual meeting of the convention in Houston, Texas. Allen has been considering the position since his election at a meeting of the board at the centennial Baptist convention in Houston in November. He succeeds Dr. G. S. Hopkins, who retired December 31 after thirty-three years as state Sunday School leader.

A native of Petersburg, Hale county, the new Sunday School secretary is a graduate of the University of Texas in Business Administration. He also holds a Master of Religious Education degree from the Southwest Baptist Theological seminary, Ft. Worth, and the Master of Arts degree in Elementary Education from the George Peabody college, Nashville, Tenn. Well-known to Baptists of Texas and the South, Allen served five years as Dr. Hopkins' assistant from 1929 to 1934. He is state Sunday School superintendent for three years in Tennessee and worked for seven years with the Southern Baptist Sunday School board in Nashville.

In 1944, he returned to Texas as business manager of Baylor hospital in Dallas. He assumed his present position with the state board as director of public relations in June, 1947.

Allen is to begin his new work on January 1. His office will be the Baptist building, Dallas. Dr. Freezer indicated the matter of Allen's successor in public relations will be settled at the annual meeting of the Executive Board in Dallas, December 7.

Services Held in Mesa, Ariz., for W. M. Pittman

Funeral services were held in Mesa, Ariz., on December 7 for W. M. Pittman, father of Alfred Pittman, Perryton, Mr. Pittman died at his home in Mesa on November 29 at the age of 88 years.

He was born in 1860 in Mississippi. In 1881 he was united in marriage to Mary Cora Wilson and to this union were born 19 children, two of who preceded him in death. Mrs. Pittman died in 1939 in Mesa.

Mr. Pittman and his family homesteaded near Tyrone, Okla., in 1903. After living there for 26 years, they moved to Mesa to make their home.

He was a member of the Baptist church. He was active until the time of his fatal illness, having visited his children every summer for the past 11 years.

Survivors include the children, Earl Pittman, Hereford, Mrs. Jim Parker Seymour, Puyfer Pittman and Mrs. Carl Harter, of Mesa, Charlie Ulen and Paul of Hooker, and Alfred of Perryton; five brothers, Jim of Amarillo, Lish, Alvin and Luther of Clarendon and Morris of Stephenville; 27 grandchildren, including Maresa Sue and Marena Lou Pittman of Perryton; 24 great-grandchildren and one great-great-grandchild.

Dean Slaughter Gets Wentworth Football Letter

LEXINGTON, Mo., Dec. 7—Cadet Lloyd Dean Slaughter, son of Mr. and Mrs. Jerry Slaughter of Perryton, has been awarded a college football letter for his participation in varsity grid competition at Wentworth Military academy this season, according to Capt. Earl Berninger, athletic director.

The grid emblems were awarded at a meeting of the Wentworth athletic council to players who engaged in the number of games specified by conference regulations, and whose performance on the gridiron was above average.

Mr. A. P. McCelvey took his mother, Mrs. A. P. McCelvey Sr. to Halstead, Kansas Sunday for treatment in the hospital there.

Mr. and Mrs. A. C. Witt and Mr. and Mrs. John Rolin were Sunday visitors in Tulla.

Calls Olympic Ritual 'Pagan'

BRISTOL, Eng. (AP)—The Olympic ritual, says the Rev. G. W. L. Wynne, vicar of Holy Nativity Church, Knowle, is a lot of "pagan nonsense."

"We read about taking the Olympic oath and singing the Olympic hymn, whatever these strange rites mean," he said in his parish magazine. "This was completed by the singing of the hallelujah chorus. What a strange mixture of sentiment! If it is true that the Lord God omnipotent reigneth, then why all this nonsense of sacred flames from heathen temples, together with heathen oaths and hymns?"

The earliest known breakfast food ad appeared in the Akron Beacon, 1870.

Mrs. P. E. Gidley, Chellis and Edith went to Adams, Oklahoma last Thursday to attend the funeral of Mrs. Gidley's nephew, LeRoy Smith.

Guests in the F. B. Sumpter home this past week-end were Mr. and Mrs. G. E. Sumpter and Jewel of LaVerne, Okla.

'Wetbacks' are Making It Hard On Laborers

AUSTIN, Texas, Dec. 7—The most serious threat to an effective program of incorporating Texas' Spanish-speaking people into Anglo-American culture is that of illegal aliens, or "wetbacks," a University of Texas professor declares.

In preparing ground work for a socio-economic survey of Texas' Spanish-speaking people, who make up one-sixth of the population Dr. George I. Sanchez said the wetbacks are a major problem for consideration. Dr. Sanchez, Latin American education professor, is directing a \$41,000 research project sponsored by the University of Texas and General Education Board.

"Tens of thousands of wetbacks now labor in the Southwest, without benefit of law, without protection or responsibility," Dr. Sanchez said. "Because the wetback can and must work for whatever he is offered he makes it virtually impossible for residents of the border area to make a satisfactory living there."

"Unless we can put an end to the illegal entry of large numbers of Mexican aliens, much of the good work state and federal agencies are doing will go for naught. Also, much more time and effort and many more millions of the taxpayers' dollars will be required to bring Texas and her sister states to a desirable and defensible cultural level."

Group of Texas Farmers Move Limestone Hill To Make Better Land for Crops and Pastures

VICTORIA, Tex. (AP)—A group of Victoria County farmers will have better crops and pastures in future years, thanks to a big chunk of limestone hill they trucked across the Guadalupe River.

The Soil Conservation Service says the thanks will be due.

Recently farmer Henry Schawe and several of his neighbors in the community of Nursery, Tex., realized that the soil of their rolling sandy farms was seriously deficient in calcium. Years ago the area was all in cultiva-

tion and supported many more families than it does now. At present much of the farmland is good only for pasturing.

The farmers talked to W. R. Agee, soil scientist, and R. J. Penderson, range specialist, of the Soil Conservation Service. The soil experts said the land on Schawe's place needed about one thousand pounds of commercial lime to make it productive again.

Schawe and his neighbors looked up the price of lime. They thought \$5 a yard was pretty steep, so they looked around for

a substitute.

Across the Guadalupe river near Mission Valley, Texas, they found what they wanted. On the farm of Adolph Heller there was a limestone hill that was not stony. When they took a piece of the limestone and rubbed it in their fingers, it crumbled into fine powder. The Soil Conservation Laboratory in Fort Worth said it tested 78 percent calcium phosphate or plus lime.

Heller said he would sell the limestone for ten cents a yard. Schawe figured the limestone and trucking expense would bring the total cost to \$2 1/2 cents a yard delivered to the farm.

Not all the farms in Nursery needed calcium but enough of them did to make the venture profitable.

In one day 430 square yards of lime were dug out of Heller's limestone hill and trucked across the river to the farms of Schawe and his neighbors. The total cost was \$330.

The trucks dumped the lime in the center of four-acre spaces. Later, the farmers spread the lime with regular fertilizer distributors. The lime was disced in. About a month after the lime application the farmers will apply phosphate to complete preparations for a good legume crop.

The lime serves two purposes. It supplies calcium needed to plant clover, and it makes acid soils sweeter or more neutral.

The neighbors who joined with Schawe in what may be the first of several such large-scale hill movings included: Otis Henry, Herman Meyer, Frank Parsons, C. E. Gathright and A. W. Phillips.

The lime is not needed for agricultural purposes on the Heller place, but he has used it for road building. He found that the lime has the qualities for road surfacing as fine shell which is often used in the gulf coast country.

British Students Plan Debate Tour

BRISTOL, England (AP)—Two British students are setting out in October on a 10,000 mile trip which will take them from coast to coast in the United States debating at American universities. They are James Anthony Cox, 24-year-old ex-marine and son of a Bristol lawyer and Reginald Gayer, historian of Birmingham University.

The tour, arranged by the English Speaking Union and the Institute of International Education in the United States, calls for 23 debates, mostly on political subjects at the Universities of California, Oregon, Washington, Wyoming, Nebraska, Iowa, Kansas, Oklahoma, Indiana and Ohio.

The Purdue farms have produced one special breed with pigs weighing an average of 212 pounds at 154 days of age. Purebred Durocs used for comparison weighed 188 pounds at the same age. The Purdue hybrids are a successful breed obtained by cross-breeding two highly inbred lines.

Record of Nearly \$100,000 in Premiums at Ft. Worth Show

FORT WORTH, Dec. 7 (AP)—A record of nearly \$100,000 in premiums is offered exhibitors in the 1949 Southwestern Exposition and Fat Stock Show here Jan. 28 Feb. 6.

The deadline for livestock entries, announced by W. A. (Bill) King, general livestock superintendent, is Dec. 13, while horse show exhibitors have until Jan. 5 to enter. Livestock premiums total about \$67,000. Over \$22,000 in premiums will be offered horse show exhibitors.

In line with the trend of other major shows, open class fat steers will be judged by age rather than weight.

For the first time in the Exposition's history, Brahman cattle will be shown. Another new event will be the Grass Judging contest for 4-H Club and FFA members. After a lapse since 1942, poultry, turkeys and rabbits will again be exhibited. About \$2,500 in premiums will be offered.

General Manager Edgar Deen said more than \$75,000 has been spent paving walks, roads and parking areas and putting covers on the colt stock sheds. The show plant at the Will Rogers Memorial Coliseum grounds now represents an investment of over \$3,000,000.

Oh Where, Oh Where Has My Little Dog—?

KANSAS CITY (AP)—When Mr. and Mrs. D. W. Bishop lose one of their pets they stage a major-scale campaign for its recovery. Recently Snooks, an Irish terrier owned by the Bishops, strayed from a small animal hospital where he had been under treatment. Immediately the recovery machinery was set into motion.

Large and repeated advertisements were placed in newspapers and other publications throughout the immediate area. Landon Laird, featured Kansas City Star columnist, devoted a column to the dog. And to top it all, the Bishops had 14,000 posters printed. These, offering a reward for the recovery of the pet, were distributed from airplanes. Despite the efforts, Snooks has not been found.

Christmas In Wheelchairs is Gonzales Event

GONZALES—A big Thanksgiving dinner behind them, a host of bright-eyed kids down here are already talking about a bigger celebration planned for Christmas.

There'll be only one discordant note in the whole proceedings as little St. Nick, a tall bespangled Christmas tree and exciting wrapped packages signalize the Yule season—the kids won't be sitting in wheelchairs or walking with the aid of crutches or skillfully-fitted braces. But in every young mind will flame the hope that he'll be walking again by the time another Christmas rolls around.

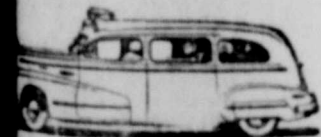

These kids down at Gonzales Sports Foundation have just licked polio in its onslaught—and now they're engaged in a grim battle, led by the warm buoyant waters of Gonzales plus skilled medical treatment, to wipe out the crippling aftermath of the disease.

Funds contributed during the drive, in which this news-service is cooperating, will be utilized for expansion and operation of the 11-year-old Gonzales Sports Foundation which has a capacity of 110 crippled children.

Chairman of the drive is to throw the support of the community behind the institution which is helping crippled children to walk again is Dana X. Ethie, director of athletics at the University of Texas. And when Ethie makes his final return Christmas Day to Ross, president of the Gonzales Foundation, he hopes that it will make this Christmas the best ever for the wheel brigade.

and Mrs. Spencer Whippo, Ethie left last Thursday to the Eureka Springs, Arkansas, where Mrs. Whippo's aunt returned home Monday.

Mrs. Henry James Selling Lamb House

HASTINGS, Sussex, Eng.—Mrs. Henry James, niece by marriage of the famed author, is in the ancient Sussex town of Rye to make arrangements for the disposal of Lamb House, where Henry James lived for many years. She is negotiating with Britain's National Trust with a view to its being purchased by the nation.

Mrs. James, whose home address is 123 East 64th, New York City, is a widow of Henry James, Pulitzer prize winner for his book on George Eliot, who died last December. He was a trustee of the Carnegie Fund, and Lamb House was left to him by Henry James, the first author.

Traffic Fine Nine Years Late

SANTA ROSA, Calif.—Nine years ago Justice of the Peace L. E. Fulwider fined a man \$50 for a traffic violation. The man moved out of the state without paying it. Then the other day he turned up after his unpaid fine had been found in the records when he tried to obtain a driver's license.

He said he thought all along that his wife had paid it nine years ago. Judge Fulwider accepted the explanation—and the \$50.

Texas Tech to be Host for Sixth Annual Band Clinic December 10-11

LUBBOCK, Dec. 7—Texas Tech will be host to the sixth annual band clinic for area high school and college bands Dec. 10 and 11 in Lubbock.

D. O. Wiley, Tech band director and general chairman of the clinic, said more than 600 individual reservations have been made for this year's clinic. Thus far, participants are expected from as far east as Cisco and west through eastern New Mexico; north from Dalhart to Fort Stockton south.

The main purpose of the clinic is to introduce state contest music for the 1949 band competition, and assist band directors and band members in arranging and presentation of new selections.

Lubbock High school will join the college as host for the annual event this year. The morning sessions will be played at the high school auditorium and the afternoon presentation at O. L. Slaton Junior High school auditorium.

Members of high school bands

may join the sections of the college band to observe or to participate. Mr. Wiley said the instructing bands will have approximately 120 members.

All expenses of the clinic are borne by the host schools.

Veterans' NEWS

Ochiltree county veterans are served by county service officer Tom Davis, whose office is in the courthouse annex. The daytime phone number is 36 and at night or in an emergency, the phone number is 487. Veterans who need assistance in any way are urged to make use of the services provided by the county service officer.

Deadlines for Veteran Benefits
Time-limits within which veterans and their survivors and

dependents may exercise rights, benefits and privileges to which they are entitled.

NINETY DAYS AFTER DISCHARGE: Application may be made for reinstatement in permanent job held at time of induction.

SIX MONTHS AFTER DISCHARGE OR "TERMINATION OF WAR": Veterans who served in the armed forces at any time after Sept. 16, 1940, may enlist in Enlisted Reserve Corps in same grade held at time of discharge, provided enlistment occurs prior to the official "termination of the war," or, after the official "termination," they may enlist within six months after discharge. Former warrant officers and flight officers may enlist in ERC in Grade one during these same periods.

NINE MONTHS AFTER DISCHARGE: Veterans who have not completed USAFF educa-

tional courses begun in service are eligible to complete such courses and take end-of-course examination, within nine months of discharge.

UNTIL DEC. 28, 1948: Non-quota admission of alien spouses and alien minor children of citizens members of U. S. armed forces or honorably discharged veterans is authorized.

UNTIL JAN. 1, 1949: Veteran or servicemen may apply for entry into U. S. of alien fiancée (or fiancée), if otherwise admissible under U. S. immigration laws. Qualified aliens must be on U. S. soil before midnight Dec. 31, 1948; must marry within 90 days of arrival or return to their native lands.

UNTIL JAN. 1, 1949: Survivors of deceased veteran who died in service at any time after Dec. 7, 1941, and whose estate was relieved of income tax liability for the taxable year of his death and any prior year, may claim refund of any over payment of such tax, if claim is filed before Jan. 1, 1949, except that, for 1945 incomes, the deadline for such claims is Mar. 15, 1949.

UNTIL APR. 20, 1949: See entry "7 YEARS AFTER DEATH OF

National VFW Commander to Visit Texas

Austin, Tex. — Lyall T. Beggs, Commander-in-Chief of the Veterans of Foreign Wars, will make an extended tour of Texas during the week of December 12th, S. A. Childress, Texas V. F. W. Commander, has announced.

Commander-in-Chief Beggs will begin his swing across the state from Amarillo the morning of December 13th, and in succession will make noon and overnight stops in Childress, Abilene, Fredericksburg, Kerrville, San Antonio, Austin, Waco, Fort Worth, Dallas and Lufkin.

Norman L. Summers, state adjutant of the V. F. W. will accompany the commander-in-chief throughout the five day tour. State Commander Childress will join the national commander on part of the tour, as will other state V. F. W. officials.

The official visit of the commander-in-chief will begin with a dinner in his honor at Amarillo the night of December 12th. The following day he will be in Childress for a noon speaking engagement and that night he will be in Abilene for a special program being arranged by the state's largest V. F. W. Post.

Children Love Their Late Teacher

ROYALTON, Ill. (AP)—Royalton's school children knew their new school superintendent was the man for them even before he showed up. He sent word he would be unavoidably late for school—by about a week. So, their school vacation was extended.

ors' Civil Relief Act of 1940, as amended.

2 YEARS AFTER DISCHARGE OR AFTER JULY 25, 1947 whichever is later: Veterans may apply for GI Bill Readjustment Allowances.

4 YEARS AFTER DISCHARGE OR AFTER JULY 25, 1947 whichever is later: Veterans may institute Educational Rights under GI Bill, and/or Public Law No. 16 (Vocational Rehabilitation).

10 YEARS AFTER END OF WAR: Spouse or minor children of veteran are entitled to preferred right of application for 90 days before general public may apply for homestead entry on public lands reopened for settlement.

15 YEARS AFTER DISCHARGE OR 15 YEARS AFTER JUNE 22, 1944 (whichever is later): Appeals may be made for Review of Discharge.

INDEFINITELY: Surplus Property can be exercised as long as WAA has surplus items for sale.

INDEFINITELY: Job-finding Assistance through Veterans' Employment Service in public employed offices.

LIFETIME: Insured veteran may change type of converted NSLI, reduce amount of coverage, change beneficiaries, apply for waiver of premium (if totally disabled for six consecutive months). After converted insurance is in effect for one year, veteran may apply for loan or cash surrender.

LIFETIME: Application may be made for disability compensation (pension); but compensation or pension at "wartime rates" is based upon service between Dec. 7, 1941 and July 25, 1947.

2 YEARS AFTER DEATH OF VETERAN: Dependents may apply to Veterans Administration for burial benefits.

5 YEARS AFTER DEATH OF VETERAN IN VA HOSPITAL: Dependents may claim lump-sum payment of any compensation or pension withheld during hospitalization of the veteran; also personal effects of the deceased.

7 YEARS AFTER DEATH OF VETERAN: Eligible next-of-kin may apply for gratuity insurance benefits of those veterans who were entitled to gratuity NSLI; i. e., those who died in line of duty after Oct. 8, 1940 and prior to Apr. 20, 1942.

ANY TIME AFTER DEATH OF VETERAN: Eligible dependents establish right to compensation or pension based on death of veteran.

Miss Orrill Is Honored With Bridal Shower

Miss Marguerette Orrill, whose engagement to Mr. L. M. Womble, Spearman was recently revealed, was honored with a bridal shower-tea Saturday afternoon, Dec. 4, in the home of Mrs. B. Rogers. Sharing the hostess duties were Mrs. Charles Garrett, Mrs. A. V. Goff, Mrs. Billy Thomas, Mrs. Harold Hudson, Miss Peggy Thomas and Mrs. Horace Hudson of Dumas.

The tea table was artistically appointed in silver and white, Miss Orrill's chosen colors. A silver tea service accented the white table cloth and white tapers in silver holders illuminated the table. Two miniature, silver wedding bells, with the inscription "Margie and L. M." rested in the centerpiece of white carnations.

Mrs. R. B. Orrill, mother of the honoree, poured at the tea table, her corsage was of Talsman esobuds. Miss Orrill wore a small Vanda orchid.

Miss Thomas secured names for the guest book and Mrs. Hudson aided the honoree with the gifts.

MARRIED NOVEMBER 25 . . . Mr. and Mrs. James William Dodson exchanged nuptial vows in a double ring ceremony on November 25 at the First Christian Church in Perryton. Mrs. Dodson is the former Miss Marcella Atkins, daughter of Mr. and Mrs. O. C. Atkins of Tulsa, Oklahoma and is the niece of Mrs. G. R. Revis, Perryton. Mr. Dodson is the son of Mr. and Mrs. Jim Dodson, Perryton. The couple reside at 111 Fourth Avenue.

Vows for Edith Gidley and Billy Sewell Solemnized on Saturday, December 4

Miss Edith Gidley, daughter of Mr. and Mrs. P. E. Gidley, 22 S. Date, became the bride of Mr. Billy Sewell, son of Mrs. H. C. Redman, Cotton Plant, Arkansas, Saturday evening, December 4 in the home of the Reverend Luther Kirk, Perryton.

Reverend Kirk read the single ring ceremony.

For her marriage the bride chose a two piece gabardine dress of medium blue. Her corsage was fashioned of white carnations. For something new she carried a gold compact, a gift of the groom, for something old she carried a lace handkerchief which belonged to her grandmother. She wore a three strand rope of pearls which belonged to the groom's sister-in-law for something borrowed.

Miss Clara Mae Curry, Longwood, Missouri, was Miss Gidley's only attendant. Mr. Billy Joe McKinzie, Lamont, Missouri served as best man.

Miss Curry and Mr. McKinzie, a friend of Mr. Sewell's, were married immediately following the ceremony for Mr. and Mrs. Sewell. The couples served each other as attendants.

Immediately following the ceremony the couples were honored with a buffet dinner in the home of Mrs. Sewell's parents. A bouquet of red roses centered the lace covered serving table.

Guests for the dinner were Mr. and Mrs. Carroll Sewell, Jimmie and Wallace Dean, Mr. and Mrs. Chellis Gidley and Sandra, Mr. and Mrs. Harold Gidley and Connie, the honorees, Mr. and Mrs. Billy Joe McKinzie, Mr. and Mrs. Sewell the host and hostess.

Mrs. Sewell was graduated from Perryton high school this past spring.

After a short wedding trip the couple will make their home in Perryton.

Notia Club Meets With Mrs. Byers

The home of Mrs. Raymond Byers was the scene for the regular meeting of the Notia Home Demonstration club last Thursday afternoon. Nine members were present. After the business meeting conducted by Mrs. Erol Flathers, president, the club members gave a demonstration on candy making.

The club's next meeting will be a Christmas program at the Notia school house on December 16 at 2:00 p. m. with Mrs. Jess Brownlee acting as hostess.

Refreshments were served to Mesdames J. H. Calliham, George Yates, Etta Waggoner, Norman Swink, Jess Brownlee, Erol Flathers, Fay Savage, Ralph Hale and the hostess.

Sunday Guests Visit In Bolerjack Home

Sunday dinner guests in the home of Mr. and Mrs. Rufus Bolerjack and family were Mr. and Mrs. Ewing Ellis and family, Mr. and Mrs. Urel Lacey, Mr. and Mrs. Don McCarter and family, Mr. and Mrs. Bill Zirkle and family all from Erick, Oklahoma and Mr. and Mrs. C. A. Zirkle and Mr. W. L. Haskeew from Moreland, Okla.

Correct Colors In Home Help Proper Lighting

"If the light from lamps seem dim these longer evenings, look them over with the idea of getting better reflection," advises Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College.

For example, dark colors absorb light, and so a lamp shade which is dark inside actually wastes light, she points out. A white paper lining, or a coat of white paint, or even white shoe polish on the inside may double or triple the light given off.

"The shape of the shade counts, too," Mrs. Claytor says. "Wide, flaring shades give off much more light than narrow shades with straight sides."

If you're planning on buying lamps, take into consideration the size of the shade and the height of the lamp. Table lamps need shades 14 to 16 inches across the bottom, and large floor lamps need shades 18 to 20 inches across the bottom.

A short floor lamp is usually better than a tall one. A lamp about 45 inches from the floor to the bottom of the shade is usually better than a tall one, because the source is nearer the book or other place where ample light is needed.

A refreshment plate was served to Mrs. Jim Bill Dodson and Mrs. Monroe Owens who were guests and Mesdames Don Eudy, E. I. Symons, Miles Sumpter, Keith Bray and Archie Correll and the hostess.

Supper Club Meets in Home of Vance Apple

The Thursday evening supper club met in the Vance Apple home last week.

Bridge prizes for the evening were won by Mrs. W. C. Herndon and Mr. Cecil Dodd.

Those enjoying the evening were Messrs. and Mesdames Cecil Dodd, W. L. McConnell, W. C. Herndon, LaRue Norris, G. L. Kengle and Mrs. Fred Osborne and the host and hostess.

Students in the second and third year homemaking classes of Mrs. O. L. Anderson will give a style show in the high school study hall Thursday evening at 7:30 p. m.

The girls will model dresses which they have made themselves in class or as home projects.

Theme of the show will be the seasonal one of Christmas. Also participating will be the high school chorus and girls' sextette under the direction of Miss Len Lowe. The chorus will render two numbers.

Homemaking II girls participating are Misses Nancy Adams, Joan Bryan, Marilyn Campbell, Corrine Flowers, Donita Gunter, Betty Holdeman, Merry Holdeman, Anita Rae McCurdy, Charlene Mounts, Geneva Peterson, Lillie Pshigoda, Laura Bell Thompson, Fern Tinney, Janette Waugh, Alice Jean Whitten, Faye Marie Beck, Rose Busch, Lois Cook, Patsy George, Elaine Graves, Darline Payne, Colene Schell, Joyce Schoonover, Margaret Scott, Mary Anita Selby, Bertha Moon, and Edna Lou Ooley.

Modeling dresses from the homemaking III class will be Misses Lovonda Barker, Nancy Dodd, Diane Gerard, Julia Faye Green, Goldie Gum, Bettie Hall, Odessa Kile, Mangle Fletcher and Charlotte Wolfram.

The public is invited to attend.

Garden Club Will Meet December 4

The Perryton Garden club will meet Tuesday, December 14, at 3:00 p. m. in the home of Mrs. Spencer Whippo, 914 South Fordham.

The roll call will be answered with a happy Christmas memory from childhood. Mrs. C. W. King will be lesson leader and the floral displays will be Yuletide decorations.

Special Christmas Hour for Kiddies On December 18

A special children's Christmas program will be presented over radio station KEYE at 11:30 a. m. on December 18, with the talent for the program being furnished by the Missouri Avenue demonstration club.

Favorite Christmas stories, poems, songs and music, especially for children, will be featured, according to Mrs. Jack Crum, in charge of the program.

Santa Claus has issued a personal invitation to each child to be sure and listen to the program.

Mrs. David Burger Honored at Pink And Blue Shower

Mrs. David Burger was honored with a pink and blue shower Monday afternoon, December 7, in the home of Mrs. L. L. Bavis of the Black community.

Mrs. J. E. Haden shared the hostess duties.

After playing several games a large cradle containing the individual gifts was presented to the honoree. Mrs. G. A. Burger her mother-in-law, assisted her in opening them.

Small favors of miniature pink and blue, serving as mint cups, completed the delicate refreshment plates.

Invited guests were Mesdames E. A. Burger, Dean Leighton, Harvey Dean and Carolyn Mae, Ray Leicht, Eldon Gurley, Fred Moses, Melvin Coleman, Junior Stump and Judy, P. E. Rhine, O. C. Crain and Glendale, Sid Beck, R. C. U. Pope, S. E. Stump, Harley Elledge, LeRoy Reeves and Harley, Carl Scroggs, William Newingham, Marvin Graves, Junior Dunnihoo, E. D. Clement, Mina Deck and Miss Maud Stump, the hostesses and the honoree, Mrs. Burger and Ruth Ann.

Notia HD Club Has Thanksgiving Party

Eighty persons attended the Thanksgiving dinner given by the Notia Home Demonstration Club Friday evening at the Notia school house.

The former school house has been redone to serve as a recreation center for the community.

Following the dinner the group enjoyed folk dancing and square dancing which was led by Mr. and Mrs. Jim Dodson.

Dinner Bridge is In Bill Cone Home

Mr. and Mrs. Bill Cone were hosts for a dinner-bridge in their home Friday evening.

Those enjoying the evening were Messrs. and Mesdames Gilbert Mize, Tom Slack, Jack Todd, Dick Sauer, O. W. Dunkle and the host and hostess.

Bridge Club Has Christmas Party

Mrs. Drew Ellis entertained her club with a Christmas bridge party in her home, 802 S. Fordham, Tuesday afternoon.

Mrs. Crawford Sims received high prize and Mrs. Gordon Shackelford won second high. The traveling prize was won by Mrs. O. C. Watson.

A refreshment plate was served to Mesdames O. C. Watson, Gordon Shackelford, Jerome Woods, Dean McCutcheon, Crawford Sims, Alton Boxwell, Clifton Bell, Giltner LaMaster and the hostess.

Grover Crum is Honored at Party

A farewell party for Mr. and Mrs. Grover Crum was given in the home of Mr. and Mrs. Kenneth Hocking, east of Perryton, last Monday evening.

Co-hosts and hostesses were Mr. and Mrs. Oliver Carter, Mr. and Mrs. Roger Tandy, and Mr. and Mrs. Edwin Malaney.

The evening was spent playing pitch with Mrs. Charles Price winning high and Mrs. H. C. Brillhart, Jr. receiving low. Mrs. Brillhart also won the traveling prize.

A refreshment plate of molded chicken salad, hot rolls, cookies and coffee were served to Messrs. and Mesdames Bob Holt, Johnnie Luthi, Charles Price, Edwin Malaney, H. C. Brillhart, Jr., B. T. Kisser, Oliver Carter, Roger Tandy, the honored guests and Mr. and Mrs. Hocking.

Mr. and Mrs. E. R. Thurman and Mrs. Alfred Pittman were in El Paso last week on business. They also visited in the home of Mrs. Pittman's aunt, Mrs. Bell Yates, while they were there. They returned home Saturday.

RECIPE OF THE WEEK

SCALLOPED CABBAGE and APPLES

2 quart shredded cabbage 2 to 4 tablespoons butter or 1 quart tart sliced apples other fat
2 teaspoons salt 1 cup buttered bread crumbs
1 teaspoon sugar

In a greased baking dish place alternate layers of the cabbage and apples, seasoning each with salt and fat and sprinkling the sugar on the apples. Over the last layer spread the buttered crumbs.

Cover, and bake in a moderate oven for 45 minutes, or until the cabbage and apples are tender. Toward the last remove the cover so the crumbs can brown. Serve in the baking dish.

Timely Tips

Extension Food Specialists Texas A. & M. College

1. Feature the current "best buys" which are based on comparative abundance and relatively low prices of fruits and vegetables found at key markets.
2. Topping the current best buys list are cabbage, yellow onions and Irish potatoes with an abundance also of apples, grapefruit, sweet potatoes, oranges, cranberries, grapes and bulk carrots.
3. Some canned foods in plentiful supply are apple juice, apple sauce and grapefruit segments.
4. Other reasonably priced foods, to what fall appetites, are dried figs, prunes, raisins, fish, fruit spreads, honey, nuts, oat products and peanut butter.

Rangers Enter Borger Cage Tournament

The Ranger basketball team, losers in their first game of the season at Gruver Tuesday night by a 64-31 score, will leave Thursday to participate in the Borger tournament, scheduled for Thursday, Friday and Saturday of this week.

Ten teams are entered in the Borger tournament, including such Panhandle powers as Dimmitt, Lubbock, Spearman, Stratford, Pampa, Amarillo, Childress, Borger, and Quanah. The Rangers meet Dimmitt, defending regional champions, Thursday afternoon at 3-15.

The Rangers, showing effects of little practice, were unable to cope with the Gruver Greyhounds in the season opener, and coach Floyd Murry stated that the team is not ready for a tournament at this stage of the season, but they would do their best.

This Borger tournament is classed as probably the best in the Panhandle this year, pitting the two district 1-AA favorites, Pampa and Amarillo along with such top class A and B teams as Dimmitt, Stratford and Spearman.

Directory Will Be Completed In Near Future

The tri-county directory, covering Hansford, Ochiltree and Lipscomb counties, will be finished around December 20, according to information received by the Chamber of Commerce from the publishing firm in Oklahoma City.

The directory was prepared by the W. J. Winter Co., under the sponsorship of the Chamber of Commerce. It contains a complete directory of the three counties, both town and rural.

Copies of the directory will be distributed in Perryton by the Chamber of Commerce sometime this month.

Stop Signs Are Erected

Regulation black and yellow stop signs have been placed at all streets in Perryton which intersect with state and federal highways. These signs were assembled and erected by the city, and the work was completed Tuesday.

The signs have been placed along both sides of Main street where avenues intersect with U. S. highway 83, and along Brillhart avenue, where streets intersect with state highway 117. Motorists are required to come to a full stop at these signs.

Tom Davis, county service officer, who made a trip to the Amarillo Veterans Hospital Tuesday, reports that two local veterans in the hospital, T. J. Manning and Bob Pounds, are showing some improvement.

Give Safe Toys at Christmas, Advises Oklahoma A. & M. Home Specialist

STILLWATER, Okla., Dec. 6 (Special)—Almost everyone buys some toys at Christmas time and today with the many shelves of complex and fascinating products, it is becoming difficult to choose just the right plaything, according to Miss Margaret Witz, home life specialist at Oklahoma A. & M. College.

An extremely important factor to consider along with durability and suitability of the toy to the age of the child, is whether the toy is safe for the child. In other words, is it free from sharp corners and rough edges? Is there a guarantee that the paint is non-poisonous? Are the playthings washable? Are they big enough so that Johnny won't swallow them? These points should all be taken into consideration when choosing gifts for the small child.

If you are buying for a child that is under two years old, remember that the baby needs brightly colored light weight toys of varied textures. Infants love soft stuffed animals and dolls, as well as rattles and chime toys, strings of beads, balls and push and pull toys.

The nursery school children those from two to four, need toys that will develop muscle activity. You might include on your list such toys as push and pull toys, blocks and pounding sets, and dolls and all sorts of "house-keeping" equipment. Crayons, chalk, clay, an easel and paints and simple puzzles are useful for quiet play. At this age picture books about animals and children are necessary for the child's development, Miss Witz reminded.

The kindergarten child needs will satisfy his developing manipulative skill and motor control. So if you are looking for something suitable for the child between four and six years, such playthings as wheel toys, gym

and outdoor and indoor games of skill. Books, puzzles and sculpture materials, as well as more difficult handicraft sets and construction sets are always good for this age.

As a child grows coordinations develop and interests broaden. He constantly needs new toys that will help him in his various stages of development. Just remember that if the toys are too easy they will bore the child; on the other hand, if they are too difficult he will become discouraged and have a feeling of inadequacy. Each plaything should be a challenge as well as just a plaything, suggested Miss Witz.

The United States Census Bu- reau, which isn't much influ- enced by whimsy and straws in the wind, indicates that finding a husband is currently a girl's hardest job.

In 1940, the bureau reports rather starkly, one man out of three who was between the ages of 20 and 45 was eligible for an altar date. As of last year, the number has been chopped down to a mere one in four.

This grave situation is one which should give everyone, from blushing maidens to ambi- tious parent, something known as "pause."

Let's consider the implications from a number of angles. In the first place the decline of the bachelor may be one of the nicest compliments ever paid to American women. It may mean that during the past seven or eight years our hunting techni-

A TELEVISION HOUSE is one of the newest developments in archi- tecture. This plan 2659 by Herman York, architect, 199-33 Keno Ave., Hollis 7, N. ques, charm and personality have improved so that more of us are irresistible. Maybe it means that a lot of gentlemen had their ladies all picked when a small war inter- vened. Or maybe it means that today's perfumes accomplish the miracles attributed to them. But how about the legion of ladies who'd like to be wed? With only a handful of bache- lers around, some of the sisters are going to be left with future filled with the traditional cats,

canaries and good works. This is a grim enough pros- pect. But what effect is this sit- uation going to have on the re- maining bachelors, pursued and beset by a raft of women with determined looks in their eyes? It will either frighten them so they'll take to the woods and hermit's caves, or make them completely insufferable, conceit- ed bores. There doesn't seem to be any middle ground. One hopes, however, that the shortage of marriageable males won't pre-empt an American adoption of the European dowry system. But with income taxes what they are, this isn't beyond the realm of possibility. One hates to think of romance, Amer- ican style, degenerating into a marriage of convenience with back street overtones. Don't despair, however. There's a way to beat statistics: 1. Find the one and only before he turns 20 and eats the gay fruit of bachelorhood. 2. Sit out grimly, and catch him when he emerges feeble and sort of senile, into the twilight years beyond 45.

New Bridge to be Built On Highway 83 North of Liberal

About next March 1 travelers on US 83 north of Liberal will be driving over 430 feet of new bridge now being built over the Cimarron River by the E. W. Geiger company, Leavenworth contractors.

M. W. Fleetwood, superintendent on the job, told a reporter at the site yesterday where a full crew is being assembled and where much work has been done in the last two weeks that the new steel and concrete section will probably be completed in three months unless weather is unusually unfavorable this winter.

A crew of 15 with two pile drivers is now in process of driving 10x10 steel H-beam piling in bents of four piling each. The new bridge section will have 11 bents (rows of piling across the length of the new bridge).

The steel piling are driven in at an angle of one foot over at the top to each four feet of length, each outside pair leaning in toward the center of the bridge. The piling are driven in two 40-foot lengths welded together and about ten to 15 feet of each H-shaped beam sticks up above the surface of the ground.

Thus there will be 44 solid pieces of metal piercing the river bed to a depth of almost 70 feet.

The four piling which form each bent are tied together with welded steel below the average ground level. There will be no bolts or rivets in the steel structure below the floor. All bracing and cross-bracing is welded together.

Fleetwood said the reinforced concrete floor to be built in the new part of the bridge will be about 10 inches thick and will be at the same level as the east portion of the bridge which survived a flood about seven years ago. Clearance across both the old and new sections will be 20 feet.

The superintendent explained that the job had been slightly ahead of schedule because the Geiger company wanted to finish their work over the Cimarron in the winter months.

The same company bridged the Cimarron north of Elkhorn on Highway 27 in about 1935 and built another bridge over the same stream north of Rolla on Highway 51 in about 1938.

An assistant at the job yesterday said the contract calls for a longer curve to be built for the southwest approach to the new section.

Wooden pole piling which are now driven parallel to the steel piling are placed only for use in building forms for concrete. Fleetwood explained. They will be removed when they have served their purpose.

The H-shaped steel piling weigh 42 pounds to the foot, making each of the 80-foot piling weigh nearly one and three-fourths tons. — Southwest Daily Times.

Highest Church in Europe

ROME (AP) — The highest church in Europe has been dedicated at 12,367 feet on Mount Ortler by Monsignor Angelo Grazioli of Verona, the Vatican's "Osservatore Romano" reported.

The church, dedicated to the dead in all European wars, was built on one of the tallest peaks of the Ortler mountains in the central Austro-Italian Alps.

More than 400 people attended the ceremony, many of whom made the seven-hour ascent of the peak fasting, to receive communion in the new church.

Used Card Tables Needed by Legion

Anyone in Perryton who has a slightly used folding card table that they want to give away would do the Pierce Johnson Post, American Legion, a favor by letting them have it. The card tables in the Legion Hall are on their last legs, literally, and the post finances are somewhat strained at present.

Those who want to give away a card table are asked to call Sidney Jones, post commander, or Elliott Lee, post adjutant, and someone will be out to pick up the table.

Powell, Smith On All-State Grid Team

Raymond Powell, hard driving fullback, made the second All-State Class A football team, as selected by the Fort Worth Star-Telegram last week.

Another Ranger, Marvin Smith was given honorable mention on the All-State squad at end.

A total of 23 Class A schools were represented on the three All-State teams, and no school placed more than one man on any team, except New Braunfels, who landed two.

This is the second year that an all-state Class A selection has been made. Last year, Keith Flowers made the first team. David Hummer was on the fourth team, and Bob Thurston got honorable mention, to give the Rangers a creditable showing in the two years.

No Rations for Czech Spivs

PRAGUE (AP) — Physically fit persons who do not work will no longer get food ration tickets in Bratislava. The official Czechoslovakian news agency reported that the order will not apply to married women, the aged and those unable to work because of their health.

"This decision will put an end to young men, who are able to work, sitting in the coffee houses and similar places," the report said.

ALL SOUTHWEST 1948

ALL SOUTHWEST CONFERENCE FOOTBALL TEAM—1948—Here, against a background of the Cotton Bowl in Dallas, are the eleven football players who were named on the All Southwest Conference team for 1948. They are James Williams of Rice and Morris Bailey of Texas Christian University, ends; George Petrovich of Texas and Jim Winkler of Texas A & M, tackles; Joe Watson of Rice and R. P. Tinsley of Baylor, guards; Dick Harris of Texas, center; Doak Walker of Southern Methodist University, Lindy Berry of Texas Christian University; Clyde Scott of Arkansas and Dick McKissack of Southern Methodist University, backs. ALARMING—Samuel Reuben shows his portable warner. This gadget weighs about the same as a rifle and is about the same size as a fishing tackle kit. The device goes off with a noise like a extra loud telephone when a thread is severed. Its use has been successful in preventing automobile theft and campers can use it to prevent being slipped up on by bears, for example.

Dogs to Guard Singapore

SINGAPORE (AP)—Thirty Alsatian dogs, specially trained for guard duties, have arrived to be "posted" up country where they will take part in the anti-terrorist campaign. They were sent out from England by the War Office.

They call the newest modes in women's clothes the "New Look." But to men it doesn't call for a second look.

Turkey to Open A Free Port

ISTANBUL (AP) — Iskenderun, Turkey's finest deep water port in the Hatay, is to become a "free" port, according to reports from Ankara.

Under the plan, foreign nations will be permitted to unload cargo for transshipment without customs formalities. The plan would give Turkey additional foreign currency payments for labor, warehouse space and dock facilities.

Santa Claus Has Been Filling the Same Orders for Years

Browsing around in the files of other years, we find some Santa Claus letters written by little boys and girls who now probably can't remember that far back. We decided to print some of them, writing those who are still members of the community. These show that Santa Claus has been filling the same kind of orders for many years.

Bee Bee gun and a french harp and a little airplane sand crane and dump and a little touchest. Santa Dear I must close.
Billy Fulton

Dear Santa,
I want a real piano not a toy, and please bring my doll clothes that I already ordered. Please don't forget the little children who are poor. I love you Santa Claus.
Vivian Rogers

Dear Santa,
I want a B B gun, rubber. That is all I want for Christmas this time.
Your little friend,
Frank Hibbs

Dear Santa,
Please bring me a tricycle and a little dollhouse and a little broom and a little doll bed.
Maxine May

Dear Santa,
Please bring me a stocking full of toys and a knife and a doll buggy for my little sister, Doris.
Sidney Merl Jines

Dear Santa,
I am wanting a bye-lo doll, a game of old maid, a baby carriage, a basketball, some candy and nuts and oranges and apples, a set of dishes.
Edna Huston

Dear Santa,
Please bring me a doll buggy and want a little set of dishes and a little cook stove and don't forget my little sister Elenor.
Leola Jennrich

Dear Santa,
Please bring me a wagon and a doll that will talk, walk, cry (like my little sister) and has plenty of clothes.
Helen May

Dear Santa,
I can hardly wait until Christmas. Well I want a pair of leather gloves and a raincoat and the color in red or yellow a nice pair of slippers for Sunday and nice purse and I want my gloves to match.
Mary Lee Wilson

Dear Santa,
Please bring me a racer and anything else you have for a good little boy. Please bring Fat Schollenbarger something too.
Vernon Dale Hergert

Dear Santa,
I want a top and a rubber puppy. I want a tractor and ABC book. Please bring me a wagon, too.
Grover Crum

Dear Santa,
I want a Caterpillar tractor and a pair of leather boots and a overcoat. I guess that is all be sure and bring these things, goodbye.
Wayne Gyger

Dear Santa,
I am in Mrs. Irvin's room. Will you please bring me a bicycle.

AUTHOR Of the Week

By W. G. ROGERS

SHOLEM ASCH, author of "Tales of My People," was born near Warsaw in 1880. He studied to be a rabbi, but at the age of 20, he began to sell stories to Polish newspapers. He enlarged his medium to novelette length, like "The Little Town," published in English for the first time in this new volume. From 1910 to 1925 he lived in this country and became an American citizen. He left because the "terrific tempo" of New York life interfered with his writing. Now he is back to stay. Among his best known novels are "The Apostle," "The Nazarene," "Three Cities" and "Mottke the Thief."

Fountain Wade

Dear Santa,
Please bring me a bus on Christmas.
Jack Morris Allen

1930

Dear Santa,
Please bring me a stove desk frying pan and coffee pot. I am a good girl.
Carolyn Conley

Dear Santa,
Please bring me a tricycle with a horn and tail light. Danny wants one too. We both want cowboy suits. Don't forget candy nuts and fruit. We are pretty good boys.
Donald Ellis

Dear Santa,
Please bring me a caterpillar tractor a gun and some bias and some candy and nuts.
Hal Chase

1931

Dear Santa,
I want a drum and a dump bed and a electric train and a ditch digger and a little car.
With love,
Kenneth LaMaster

Dear Santa,
I have been a good boy and I do want you to bring me an air gun and Indian suit.
John Clifford Daniels

Dear Santa,
I want you to bring me a dollie a set of dishes a book and a string of beads some candy nuts oranges and apples. Don't forget Carmen, Billy and Betty Ruth.

Britain Has Bicycle Boom

LONDON (AP)—The biggest bicycling boom in Britain's history is now under way. The Cyclist Touring Club reported it has new members coming in at the rate of 500 to 600 each month, and its membership has risen from 3,000 to 47,000 in the past year. An official of the C. T. C. said shortage of money, higher railway fares and "queues for almost everything" at coastal resorts are responsible for the new generation of cyclists who want the C. T. C. to arrange for them cheap, open air holidays. The C. T. C., which plans cycling tours for its members, either singly or in parties, hopes to have 60,000 members by 1950.

Blasingame Services Held December 3

Funeral services were held Friday afternoon at 3 p. m. in the First Christian church for J. M. Blasingame, pioneer Ochiltree merchant and resident of the county since 1901. Rev. Jim Sharp conducted the services, assisted by Charles Boatman. Mr. Blasingame died on Wednesday, December 1, suffering a stroke at his home eight miles south of Perryton.

Active pallbearers were W. E. McMillen, E. D. Kelley, Vance Apple, Roy Orrill, Van W. Stewart and C. W. Callaway.

Honorary pallbearers were R. T. Shindler, W. B. LaMaster, W. M. Shrader, R. E. Womble, J. W. Buckley, Carl Ellis and Dan Archer.

Mr. Blasingame was born on December 22, 1870. He was married to Miss Louise Rupprecht on August 12, 1894 in Kansas City, Mo.

The couple moved to Jones county, Texas soon after their marriage and to Ochiltree county in 1901. Mr. Blasingame was the county's first dry goods merchant, setting up a store in the Ochiltree schoolhouse in 1901, later moving to a store which they built.

He was in partnership with the late Cap Dennison in the mercantile business at Glazier from 1906 to 1912, when they dissolved partnership and Mr. Blasingame moved back to Ochiltree to open the Pioneer Mercantile Co.

When the rest of Ochiltree moved to Perryton in 1919, Mr. Blasingame sold his store and devoted his time to farming. Although a farmer, however, he was still a merchant, selling windmills from his home until his death.

Survivors include his wife, a daughter, Mrs. Emily Brahlman, Denver; a son, Leroy Blasingame, Amarillo; two sisters, Mrs. Mollie Spencer, Frost, Texas and Mrs. Julia Looney, Fresno, California; two brothers, Arthur

Blasingame, Phoenix, Ariz., and Price Blasingame, Galveston; and two grandchildren.

Vocational Ag Students Will Go To White Deer

John Barnes, vocational agriculture teacher in the Perryton schools, will take two FFA teams to White Deer Saturday to participate in a district contest on parliamentary procedure.

The contest will include teams from White Deer, Panhandle, Perryton, Spearman, Dalhart, Claude, McLean, Shamrock, Stratford and Wheeler.

There are two divisions in the contest, one for first year agriculture students and one for second and third year students. The two top winners in each division will go to the area contest at Lubbock.

Perryton first year students who will make the trip are Bobby Allen, Norman Allen, Arthur Boese, Junior Busch, Verie Downey, Melvin Green, Bobby Huddleston, Fred Phisgoda, Charles Scott, Delbert Smith and Robert Stevenson.

Second and third year students on the team are Alfred Carter, Louis Flowers, Duane Mounts, Jimmy Nelson, Earl Olmstead, Floyd Fletcher, Thomas Fletcher, Dan Rawls, John Taylor, R. E. Waide and Ogden Wilson.

New Bridge Is Authorized At Canadian

The narrow, old and dangerous bridge across the Canadian river by Canadian is on its way out. The State Highway Department has authorized its engineer to proceed with plans for construction of a new steel bridge at an estimated cost of \$437,700.

The present bridge, which carries traffic from U. S. highways 83 and 60, has long been a traffic hazard. Built 32 years ago, and designed for horse and buggy traffic, it has become more obsolete as the years went by. Although automobiles can pass, by slowing down and maneuvering carefully, the bridge is virtually a one-way affair when it comes to trucks and busses.

The campaign to get a new bridge was launched by the Canadian Chamber of Commerce in 1947, who sent delegations to the State High Commission and announced that they would send a delegation every month until action was taken.

Visits in Perryton

Clyde Griggy, western sales manager of Socony-Vacuum Oil Co., visited in Perryton this week with his mother, Mrs. J. M. Griggy, and his sister, and family Mrs. J. C. May.

He had been on a hunting trip near Canadian with several industrial notables, including F. C. Gurley, president of the Santa Fe railway and his son; George V. Holton, chairman of the board of Socony-Vacuum, and Judge Bonner of Houston.

The first chairs were symbols of authority and hence usually were, in effect, thrones.

What Is It?

Hybrid Car Is Envy of Local 'Hot-Rod' Set

Crossbreeding, a practice which has produced improved varieties of corn and chickens, has invaded the automotive field. The result, as produced by Jim Anderson, Perryton body shop proprietor, is a hybrid that defies description.

Main bloodline of the hybrid car is Ford, but there are five Ford strains at that. It contains parts of 1936, 1941, 1942, 1946 and 1947 Fords.

The car which answers to the general description of roadster, has a Mercury motor and two Mercury fenders. It has an Oldsmobile bumper, a Buick grille, Chevrolet trim, a Dodge bumper, Hudson wheels and Dodge seats.

The rear deck, which contains a "mother-in-law" seat, was

hammered out and welded in an individual pattern, although it resembles somewhat the rear of the 1949 Ford.

Anderson started on this car before harvest, and he and his force have spent their spare time working on it. Even though the parts in it are scrap, discarded by owners when their cars were repaired, the car has had in the neighborhood of \$1,500 spent on it, counting labor.

The car is the envy of all local juvenile "hot-rod" enthusiasts, even though Anderson has no idea how fast it will go. He built it only as a hobby, he says, and not with the idea of selling it.

So the next time you see a yellow roadster around town which defies identification, don't worry, that's Anderson's hybrid.

Mr. and Mrs. J. L. Bryan, Spearman, will attend the national Farm Bureau convention in Atlantic City, New Jersey, on December 13-16. Mr. Bryan is the delegate from Hansford county. On their return they plan to stop in Kansas City to visit with relatives there.

We have had several days of pleasant weather except considerable wind Saturday night.

The community extends sympathy to the relatives of Harold Gift who died Nov. 29. He is survived by his wife, the former Kathleen Schollenberger, and three children, Neil, Donald and Rosa Lee, who live in Beaver, al-

so several sisters and brothers. Mr. and Mrs. Maynard Smith announce the birth of a daughter on Dec. 4.

Mr. and Mrs. Junior Dirks are the parents of a son born Dec. 2. Mrs. Dirks is the former Doria Nolder and Mrs. Smith is the former Betty Nolder, daughters of Adrian Nolder of this community.

Lewis Whittet is the proud

owner of a new car. Mr. and Mrs. Harry Kirtland granddaughter, Melba, spent some time with relatives near Kremlin during the Thanksgiving holidays. Roads are becoming passable again as most of the snow have melted. Mr. and Mrs. John Winterstedt with relatives in Beaver Sunday.
