NUMBER 36

RANGERS LOSE OPENING GAME

WINS 14 TO 0 IN QUARTER AFTER IMPULSIVE RANGER ATTACKS

Being held scoreless for three quarters by a desperate Bulldog goal line, the Perryton Rangers were in the final period to lose by a 14 to 0 score. The Class A grid squad to lose by a 14 to 0 score in the first game of the season on the Berger field on Friday evening.

The Rangers failed to score a yard inside the Bulldog yard marker, lacking the five yard tape. All of the first three periods were spent in the first three periods when time Berger was able to cross the fifty yard line in their possession.

When they were looking for the second play of the first quarter, playing safety the Berger punt was into the end zone and made 13 yard line and stopped. Berger's punt was returned to their 36 and returned to the 21. Six plays, including a pass that was for 13 yards, and Ramirez converted for the first counter.

Rangers received the kickoff on the goal line and ran it back 17 but no ground could be gained from the inspired Bulldogs. Punt to the 33, a 3 yard play being registered. Six plays and Ramirez again converted from placement. Berger threatened again when he punted a Ranger fumble on the play after the kickoff. Berger advanced to the 21 with a first down and a stubborn defense and were pushed back to where they were held for the first time.

The Rangers made a first down and advanced to the 43 yard line when the session closed. In the first three periods the total 10 first downs and conversions of the 20 yard line the best the Bulldogs had was three first downs. The whole of these three periods were played deep in Bulldog territory but the Burkmen lack of necessary to cross the line.

Williams was the most consistent gainer for the locals with running him a close second. He did most of the ball totting in the last team.

WEATHER UNSETTLED; TRACE OF MOISTURE

The weather during the past week has been rather unsettled but only a trace of moisture has been received up to noon Thursday.

Cold winds swept down from the north early Thursday morning, the sky is overcast and some moisture, in the form of a heavy mist was received.

Wheat is looking good having been brought up by rains early in the month, but it is badly in need of moisture as the ground contains very little season.

BAPTISTS END YEAR AT MEET

FISCAL YEAR FINDS LOCAL CHURCH IN GOOD FINANCIAL SHAPE; SHOW BIG GAIN

With the meeting of the Canadian Baptist association with the Spearman church, September 24 and 25, the church year closed for the local Baptist church.

The following people were elected to represent the church at the association: Mr. and Mrs. Ray Thomas, Mr. and Mrs. T. W. Johnson, Mr. and Mrs. R. C. Johnson, Judge and Mrs. J. M. Grigsby, Rev. A. M. Horan, I. R. Buchanan, V. R. Castle, Mrs. George Lewis, Mrs. E. R. Jarvis, Oscar Flowers, Mrs. Paul Bowen, Mr. and Mrs. A. K. Wooten. Many other members of the local church intend to attend the sessions of the association at Spearman.

The church sends one of the best, if not the best, reports in its history. The financial report is favorable, showing the largest amount ever given to missions and benevolences, the amount being \$1,106.33. The church closed the year again without a deficit and a substantial sum paid on the church debt.

There was a total of ninety-four additions, fifty-six by baptism and thirty-eight by letter. The losses by letter, death, etc., was thirty-one leaving a net increase of sixty-three. The Sunday school attained the A Standard rating with the Sunday school board at Nashville, for the fourth consecutive year. This is the only Sunday school of this rating in the association. The W. M. S. has shown an increase in membership, organizations, attendance, efficiency and gifts. The B. T. U. has likewise shown advancement in an increase in number of unions, in efficiency and in attendance. The organization contributed \$117.00 to the support of Rev. Blonnye H. Foreman in Brazil during the past year.

Placed On Honor Roll

Ladies Organizations Of Christian Church Receive High Rating In State

Mrs. M. C. Jackson, secretary of District 1, consisting of twenty-nine counties of the woman's organizations of the Christian church, reports the following list that were placed on the honor roll of the state for the past year:

Perryton W. M. S.; Perryton Junior C. E.; Shamrock W. C.; Pecos W. C.; San Benita W. M. S.; Palestine W. C.; Olney W. C.; Corcoran W. M. S.; Dallas Central W. C.; East Dallas W. M. S.; Dallas Oak Cliff W. M. S.

The year's work began July 1, 1934 and ended June 30, 1935. The Perryton society received special notice and praise, being the head of the honor list.

Mrs. Jackson is also president of the Federated Women's Missionary society of Perryton and is making interesting plans for their next meeting which will be on October 31.

Mr. and Mrs. J. R. Thomas and Peggy and Billy Ray were Sunday dinner guests with Mr. and Mrs. Stanley D. Key and sons.

Mr. and Mrs. J. W. Richardson went to Amarillo Wednesday for his father, W. H. Richardson, who has been visiting in the home of his daughter, Mrs. W. T. Ellison, the past week.

Intercepted 1 Ranger pass, Rangers attempted 4, none complete; ball lost on fumbles, Rangers 1; penalties, Berger 7 for 35 yards, Rangers 4 for 20 yards; touchdowns, Berger 2; points converted, Berger 2; penetrations of 20 yard line, Berger 2, Rangers 3; ball lost on downs, Berger 3, Rangers 4.

MISSIONARY TO SPEAK SUNDAY

HEAD OF BAPTIST INDUSTRIAL INSTITUTE IN BRAZIL TO APPEAR AT LOCAL CHURCH

Rev. Blonnye H. Foreman, head of the Baptist Industrial Institute at Corrente, Brazil will speak three times in the local Baptist church this week. He will speak at the mid-week service Wednesday evening and also at both services Sunday.

REV. BLONNYE H. FOREMAN

When the Foreign Mission board of the Southern Baptist convention was unable to send him because of lack of funds, Rev. Foreman took his savings and sailed to Brazil trusting the Lord to supply the necessary funds to keep him there. When he arrived at Rio de Janeiro he learned that Rev. and Mrs. Terry were having to return to the States because of ill health. He went to Corrente and became head of a school under the Foreign Mission board where he served his first term of six years.

The Baptist Training union of local Baptist church has helped to support him for a number of years. Under the direction of the director, Mrs. George Lewis, the B. T. U. will give a banquet honoring the returned missionary on Friday evening at 7:45. Every member of every union is urged to be present. The deacons have a special invitation.

Members of the church feel that it will be a rare treat to hear another missionary from Brazil and especially since we have helped to support him while on the field. The general public is invited to hear Rev. Foreman at any of these services.

HONOR MARVIN JONES SEPT. 28

APPRECIATION DAY WILL BE HELD AT DALHART NEXT SATURDAY FOR CONGRESSMAN

Dalhart, Sept. 25—Congressman Marvin Jones of Amarillo will be the guest of honor at a big Marvin Jones Appreciation Day program in Dalhart next Saturday, September 28.

At noon a dozen barbecued fat beaves will be served free. The Dalhart and Panhandle bands will play throughout the day. There will be brief speeches by noted Panhandle officials and citizens, including Old Tack of the Amarillo News-Globe.

"The city is being turned inside out in honor of our congressman," declared Chairman S. E. Brown of the general committee. "And in order that Congressman Jones may know first hand the deep appreciation the folks at home feel for his efforts at Washington we are inviting every town and community in the Panhandle to join us in showing that appreciation."

Indications are most every Panhandle center will have representative here. The barbecue and program will be in a convenient downtown location with loud speakers installed for entertainment numbers and addresses.

Mr. and Mrs. C. E. Wyman and daughter, Miss Doris, were in Perryton over the week-end visiting in the Geo. M. Perry home and with other friends here. They were enroute to their home in Santa Monica, Calif., after spending the summer in Chicago, Ill.

Mr. W. C. Hinds visited Sunday with Mrs. T. J. O'Dell.

OLD TIMERS MEET ON BALL DIAMOND SUNDAY

A renewal of hostilities between the Balco, Okla., and Ochiltree ball teams of thirty years ago was exhibited on Ranger field last Sunday afternoon before a large crowd of interested spectators, the Texans administering a crushing 21 to 10 defeat to the visitors from north of the state line, in the five inning session.

Many a joint creaked as the remaining players of the two crack teams sprinted around the bases after demonstrating that they had not lost their batting eye even if their fielding had been slowed by the passing of years.

"Well it took Ochiltree twenty-five years to beat us", was Manager Ben Kennedy's comment after the game. And still not satisfied the Balco players issued a challenge to play them on the Beaver diamond next Sunday. It was accepted with a third game arranged for Sunday, October 6.

RANGERS PLAY DUMAS FRIDAY

INVADE DEMON CAMP FOR THE SECOND GRID GAME OF SEASON; DOPED TO WIN

The Perryton Rangers will get down in their class this week after the 14 to 0 rebuke handed them by the Class A Berger Bulldogs last Friday and the gridiron classic scheduled for September 27 is with the Dumas Demons.

Again the Rangers will play away from home, and when they clash with the Demons at 2:30 o'clock Friday afternoon they are meeting an unknown and untired team.

Dumas lost many of their first string players last year but Coach Denman has been working hard with his new material and expects to make a good showing. It will be their first game of the season and although the Rangers are doped to win, the victory will probably not be an easy one.

The starting lineup of the two teams will probably be as follows:

Rangers	Position	Dumas
Lilly	1. e.	J. V. Mills
Johnson	1. t.	Jack Conley
Hergert	1. g.	C. Crow
Kuhn	c.	B. Stanley
Nowlin	r. g.	Bill Crow
Ferguson	r. t.	L. Stanley
Correll	r. e.	Lynna Pool
Schroeder	1. h.	Kit Taylor
Tucker	r. h.	H. Beauchamp
Jones	f. b.	T. Jameson
McWilliams	q.	J. G. Mills

Kit Taylor is captain of the Demon eleven and Carl Weidling is the manager of the team.

FALSE ALARM TURNED IN MONDAY AFTERNOON

The first fire call in several weeks was turned in at 1:55 o'clock Monday afternoon but resulted in a "water haul" as far as the fire department was concerned.

A record run was made to the J. M. North home, only to find upon arriving that it was a false alarm.

Plant Centennial Trees

More Than One Hundred Native Texas Varieties To Be Planted On Grounds

Dallas—More than one hundred varieties of native Texas trees will be planted in October to form the background of the \$200,000 landscaping plan of the Texas Centennial Exposition.

Sections of the Exposition grounds will be devoted to flora typical of the various parts of the state. A pine grove will shade masses of wild flowers representative of East Texas. The cactus, in its numerous varieties, will typify the West. Palms and oleanders will recall the Gulf Coast and its sandy beaches while the Rio Grande section will be brilliant with the tropical colors of hibiscus and bougainvillea.

The crepe myrtle will be planted by the thousands throughout the grounds and its brilliant pink and red will dominate the color scheme. It blooms from June, when Exposition opens, until Autumn.

The blue bonnet, state flower of Texas, will have blossomed and gone to seed before the Exposition starts. Its place will be taken by the rose and thousands, including the newly developed Texas Centennial Rose, will be planted.

Dinner guests Sunday evening with Mr. and Mrs. Jim Thompson were Jack Martin and Lt. M. F. Schlather.

Attorney Walter R. Allen was in attendance in Federal court at Amarillo the first of the week.

AG CLUBS WILL HOLD MEETINGS

FIRST GATHERING OF FALL SEASON WILL BE HELD AT TWICHELL FRIDAY EVE

Regular meetings of precinct agricultural associations will be resumed this fall with the first gathering announced at Twichell on Friday evening of this week, September 27.

A splendid program has been arranged for the Precinct 1 meeting and farmers and others are extended a cordial invitation to attend. Mrs. Robert Barlow is chairman of the program committee and the following numbers will be presented. Song—by the Twichell school. Reading—David Stolling. Reading—Donald Enterline. Song—by the Twichell school. In Texas" by fourth, fifth and sixth grades. Reading—Dwayne Trosper. Three minute talk—Ollie Morris. "Advantage of Club Work"—Miss Marie Ludwick. "The New Wheat Contract"—J. T. Stovall. Music.

A social hour will be enjoyed immediately following the program. Other precinct meetings will be announced later according to J. T. Stovall, county agent.

A direct result of the good accomplished last year by these meetings is noticed by a recent report of S. A. McMillen, farm records specialist of the Extension Service, College Station. According to his report, Ochiltree county farmers lead the state in the number of AAA record books being kept.

The keeping of farm record books was one of the projects stressed at the meetings last year and that it is getting results is shown by Mr. McMillen's report.

Attending Convention

County Judge And Commissioners To Be At West Texas Meeting In Amarillo

County Judge Dave Shanks and commissioners W. G. Yeary, W. L. Anderson, J. H. Callihan and Fred Tarbox will be in Amarillo on Friday and Saturday of this week attending the West Texas county judges and commissioners annual convention.

The party will leave here Friday morning and return Saturday evening.

WPA Project Reported

Visiting-Housekeeping Project Intended To Furnish Work For Women

A new WPA project was prepared and turned in to state headquarters this week, intended to furnish work for women in this county. It is known as a visiting-housekeeping project.

According to estimates it will require a budget of \$6,000 furnishing 156 woman-months of work. The purpose of the project is to give instructions in sewing, cooking and housekeeping to families with meager facilities.

TWO 'LANCERS' ARE CAST IN NAVY FILM

Sir Guy Standing and Richard Cromwell, whose portrayals of father and son in "Lives of a Bengal Lancer" were outstanding features of that highly successful film, are united again in leading roles in Paramount's "Annapolis Farewell" the dramatic navy story which was filmed in the United States Naval Academy, showing Sunday and Monday at the Ellis Theatre.

Sir Guy appears as a retired commodore who, having given the best part of his life to his country, has returned to Annapolis, there to spend his last days, while Cromwell appears as a midshipman friend of the aged officer. Tom Brown, John Howard, Rosalind Keith, Benny Baker, John Darrow and Louise Beavers are also featured in the cast. Alexander Hall directed. "Annapolis Farewell" reveals the training, education, and romances in the lives of the midshipmen at the Academy.

J. M. North was dismissed last week from the Shattuck hospital, where he was a patient two months with a broken hip. He is staying in the home of his daughter, Mrs. Clyde Cofer.

PERRYTON DELEGATION TO FAIR NUMBERS 250

Perryton took in the Tri-State fair at Amarillo last Thursday, with a delegation numbering 250 registering in the attendance contest along with the 40-piece high school band under the direction of W. I. Byron.

Happy, Hereford and Groom were awarded the three cash prizes offered for the largest delegations in the order named. A special award was made to Hooker, Okla., for the delegation traveling the greatest distance.

HI-Y CLUB IS STARTED HERE

ORGANIZATION MEETING IS HELD TUESDAY EVENING AT HIGH SCHOOL

Organization of the Perryton Hi-Y club was effected Tuesday evening in a special meeting held in the high school building attended by twenty-nine boys who became charter members. The club will seek affiliation with the State Y. M. C. A.

Tom Hampton is sponsor of the organization and a membership campaign will be staged with the goal of obtaining about seventy members.

In the election of officers held Tuesday, Ray McWilliams was named president, Ernest Ferguson vice-president, George Prewitt secretary, Reese Nowlin treasurer, Harold Hudson reporter and R. C. Johnson advertising committee chairman.

Grover C. Good, Dallas, state secretary of the Y. M. C. A., who is assisting Mr. Hampton with the local organization, expects to be in Perryton in about three weeks to present the charter to the local Hi-Y. An open meeting will be held at that time so that all men and boys can attend and hear Mr. Good's message.

Enrollment To 760

Total Figures Expected To Be Slightly Under 1934-35 Enrollment; Few Entering

With only a few more pupils expected still to enroll in the local schools, total registrations reached 760 this week.

From all indications a decrease of from thirty to forty in the total figures will probably be noted this year over the 1934-35 enrollment.

Install New Equipment

Theatre Drug Has New Mills Counter Freezer For Making Ice Cream Products

A new Mills Counter freezer was installed in the Theatre Drug Store recently and is now in operation, introducing a new line of home made Super-Creamed Ice Cream products. The unit consist of a two and one-half gallon freezer where the ice cream mix is placed. In twelve minutes it is thoroughly stirred and frozen to a mash. It is then placed in the freezing compartment and hardened. The machine has a forty gallon storage capacity, with mechanical refrigeration unit.

This week marks the third anniversary of the Theatre Drug and W. H. Lance, manager of the store, is introducing this new Super-Creamed product and observing the anniversary with an attractive offer which will be found in the store's advertisement in this issue of the Herald.

131 SECTIONS ARE SIGNED UP

SOIL CONSERVATION WORK TO START WITH GRUBBING CACTUS; RUNNING TERRACES

A total of 131 sections of land have already been signed up in Ochiltree, Lipscomb and Hansford counties for soil erosion conservation treatment by ECW camp and actual work is expected to start in the very near future.

The first work to be done will be the grubbing of cactus in pasture land and a truck load of tools is expected here this week to start on the project. According to E. C. Buie, agricultural engineer, the first work of this nature will probably be on the Herman Hardgrove place, west of town and will continue in that vicinity if other nearby land owners sign up to cooperate with the program.

On this project all that the land owner is required to do is to remove and destroy the cactus after it is grubbed out by the CCC workers. Many have not signed up as yet and all interested parties are requested to call at the county agents office in the near future so that the work for the fall season may be planned.

Seven heavy-duty GMC trucks were received at the camp Monday, Orval Jacobs, new camp mechanic, and some of the CCC boys going to Dalhart and driving them back.

Of the 131 sections signed up for soil treatment, 85 are in Ochiltree county, 32 in Hansford and 13 in Lipscomb. This is a total of 83,840 acres, as the sections are all 640 acre tracts. Technical supervisors are running terrace lines on the A. J. Nichols place, 7 miles northeast of Booker, and on the Harry H. Mitchell place, miles south of Booker, this week. Two terracing machines have been received and they are in use on the Gordon Wright and the J. H. Callihan places in this county.

Boys have been hauling caliche this week to be used on the company streets at the CCC camp. Actual field work will start next week. Framework on several of the soil conservation buildings at the camp are going up and construction will be rushed to completion.

International Sunday School Lesson

By A. C. Williams Minister Perryton Church of Christ.

JOHN

Lesson XIII—Sept. 29, 1935
 Lesson Text: 3 John 1-14
 Memory Verse "Beloved, imitate not that which is evil, but that which is good. He that doeth good is of God; he that doeth evil hath not seen God"—3 John 11.

I. Galus Is Saluted (1: 1, 2)
 This letter was occasioned by the hospitality and friendliness of a certain disciple, Galus by name, who had entertained visiting evangelists who had come to his community.

The apostle loved "in the truth". What wonderful relationships may be had within the confines of truth. When we realize that the gospel is so complete and its furnishings are so thorough for Christian service it is then we begin to see why nothing must be added to it or taken from its beautiful contents.

The writer further interests himself in Galus by wishing him physical and spiritual health. What a happy combination—a strong soul in a strong body! What great things can be done by him who has cared for the inner man until strong and trustworthiness. How sad to see thousands who are only fractional beings—a strong body harboring a weak and shriveled soul. When men feel swill and husks to their minds and fill their memories with putrid refuse fit only for the sewer, they need not be surprised at spiritual festering and carbuncles in abundance.

II. Galus Commended
 It is a greater pleasure for God to commend us than to rebuke us. Here is a case where a servant of Jehovah deserved genuine encouragement in the things he was doing. He had not been forgetful to entertain strangers who came his way. Ad he had served some worthy messengers in the people he had fed and housed. One of the most outstanding marks of generosity is the way we welcome others into our homes. Those who are too busy to be hospitable are too busy to be worthy. Selfishness expresses itself eloquently in neglect to invite visitors and sojourners to share our roofs' protection and the nourishment of our tables.

Galus was not a social expert. Perhaps he had not learned the coveted art of eating lettuce in delicate rabbit fashion. Perhaps he did not possess the deftness at manipulating choice wafers. But his seems to have that big roomy "homey" entertaining qualities where friendship outstripped etiquette and where sincerity outweighed social vaneer. When people departed from his hearth, they were able to carry a bit of its warmth with them and a fond memory of his Christlike bearing.

III. Diotrephe Exposed (9, 10)
 This character loved to have the preeminence. It was not enough to be a man among men. It was not sufficient to occupy a level with the rest of God's servants. The simplicity of heaven's own arrangements did not satisfy Diotrephe. He would lord it over others in the church. Such ambition was responsible for the departure from New Testament authority, and led to substitution of ecclesiastical dogmas and creeds to supplant the gospel.

A careful study of the New Testament will reveal the simple organization of congregations in the first century. Local elders directed the affairs of each congregation. There were no ecclesiastical legislative bodies as we have to-day. (See Acts 14: 23; Titus 1: 5; Mosheim's Church History, page 22; Neander Vol. I, page 183). But such men as Diotrephe helped to leaven the "mystery of iniquity" (2 Thess. 2:7)

which gradually developed the Great Apostasy and the Dark Ages where church and state became a hopeless and inseparable tangle, and no one dared to call in question the decisions of church councils, the "Bulls" and "anathemas" of Rome. The first step from New Testament principles was a "distinction between bishops and prebysiterians. In the second century the office of President of the Presbytery was formed exercising authority over the eldership, being designated by the title of Episcopas. The territory of the Episcopas (Bishop) became the Diocese. Synods and councils appeared at the close of the second century (See Masheim pp. 22, 41). Councils and officers aspired to greater authority until 325 A. D. when Constantine called the first general council which was expected to legislate for the church universal. But it was the same love for power that Diotrephe had that plunged religion into its awful chaos, taking the Bible from the hands of the people and substituting in its stead the ultimatums of councils and creeds and commandments of men.

IV. Exhortation And Moral (11-14)
 John warns against imitating evil. If we look for them, it will not be hard to find examples of evil. We must follow truth and the right if we would gain a home in heaven. Evil works are of Satan. God is not their author. And sin is the violation of heaven's commands. Even the best of men and women need to be warned against transgression. So if Galus needed council of this nature, surely we can use it to-day.

Though Diotrephe was condemned by John's words, Demetrius was exalted. The works of the good man shone like a beacon and flashed the truth of his righteous life to all who knew him. What a difference in two characters. What a difference in the influence of their lives. If all men had been as Galus and Demetrius the church would have never drifted from her early moorings. Let us remember that the only way to please God is to return to the ancient simplicity name, faith and practice, and be humbly submissive to God's word in everything.

HUNTOON P.-T. A.

The Huntoon Parent-Teachers Association will have its first meeting Friday evening, September 27.

Choral singing and numbers from the rhythm band will be featured by the school children. Mrs. Joe Bremmer will lead the round table discussion on "The Beginning of School". Mrs. T. R. Shirley will give a suitable reading. Special music by Flossie Neet and Ena Mae Bowen.

A social hour will follow the program. Everyone invited.

"SOUR GAS" DROUTH

Any drouth is bad, but a drouth caused by "sour gas" is both bad and unnecessary.

For five years we have experienced a devastating drouth in this section and for five years the Exploiting Gas Companies (those who extract gasoline from natural gas) have been "popping off" dry and sour gas in increasing quantities into our atmosphere. This gas has had the moisture (gasoline) taken out of it and it is really dry when it is turned loose to find its way over our countryside to sap the moisture from anything it comes in contact with. Imagine what two thousand million cubic feet of this gas turned loose on us daily is doing to our atmosphere and crops! (Incidentally if the companies admit that two billion cubic feet of gas are loosed every day, perhaps there is a lot more than this "popped off") It makes the atmosphere so dry that any ordinary rain cloud will be absorbed immediately when it comes in contact with this strata of dry gas that we can see on the horizon anywhere north of the Panhandle gas fields.

Our legislature passed a law which was supposed to stop this waste of our gas but an injunction has placed the matter in the courts (a haven of rest and delay for the rich exploiters) and the gas is again "popping off" and drying out our atmosphere and land.

Is it not peculiar that during the month the gas waste was stopped that we got the first general and seasonable rains we have had in years—and we had some real dew each morning? The natural air currents are destroyed by the great amount of dry and sour gas being turned loose daily.

It is more than a social-economic tragedy to know that a few men are wasting natural resources from under our soil. It is a double calamity when they also make a desert of our top soil. They take out enough gas in one year to last our people for generations to come. Only 2 percent of it is used and 98 percent of it is loosed on us to make a desert of our fertile plains. They are burning the candle at both ends and several places in the middle. The candle should be extinguished now!

The companies cry that they have invested heavily—and are losing money! Too bad! I wonder if the million dirt farmers in this territory with families to support and investments representing a lifetime of effort are losing any money? Will our courts ignore the interests of the million and listen to the few exploiters? Not very long.

W. B. Irvin, Superintendent Perryton Public Schools, Perryton, Texas.

CHRISTIAN SCIENCE

"Reality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 29.

The Golden Text is: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Fear not, little flock; for it is your Father's good pleasure to give you the kingdom" (Luke 12:32).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man walks in the direction towards which he looks and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit" (page 451).

AAA CONTROLS WHEAT PRICES

PRODUCERS WISE IN COOPERATION IN WHEAT ADJUSTMENT PROGRAM IN 1935

STILLWATER, OKLA.—Consolidation of the United States and world wheat situation and what the AAA adjustment program has to do for the producer who has an acreage base will probably be wise in the way Miles summarizes the situation in the AAA adjustment program as a hedge against wheat prices after next harvest, says Harold A. Miles, Extension Service, Oklahoma A. & M. College.

The way Miles summarizes the situation in the AAA adjustment program for farm management is that the AAA adjustment program has to do for the producer who has an acreage base will probably be wise in the way Miles summarizes the situation in the AAA adjustment program as a hedge against wheat prices after next harvest, says Harold A. Miles, Extension Service, Oklahoma A. & M. College.

The third consecutive year the United States wheat crop promise to be less than the average domestic consumption of 625,000,000 bushels, although there is enough wheat to care of our domestic needs for more than we have the past two years when we consumed 625,000,000 bushels and 556,209,000 bushels, respectively. However, by the time we harvest another crop the surplus will be down practically normal. Small production of wheat the last three years due to low yields caused by drought and rust, caused U. S. prices of wheat to drop from 10 to 30 cents a bushel below world prices. Even though prices are not yet up to the level of five per cent reduction required for the adjustment contracts the United States has prospects of producing around 800,000,000 bushels in 1935 unless another severe drought or disease damage occurs.

The hearing, for all interested parties, will be held under terms of new amendments to the AAA. Director Trent said. Four questions will be discussed at the hearing. These are:

1. Whether the current average farm price of corn and of hogs is less than fair exchange value of these commodities.
2. Whether the average farm price of corn and hogs is likely to be less than the fair exchange value of these commodities during the period when the corn and hogs produced the current or next succeeding marketing year will be normally marketed.
3. Whether the conditions factors relating to the production, marketing and consumption of corn and hogs are such that the exercise of any one or more of the powers conferred upon the secretary of agriculture under the Act as amended will tend to effectuate the declared policy of the Act.
4. Whether the exercise of the power to provide the adjustments in acreage or production of corn and hogs through agreements with corn and hog producers and for adjustment payments in connection with such agreements is administratively practicable and best calculated to effectuate the declared policy of the act.

Wheat Adjustment Safeguards Wheat Income

HIGHLIGHTS OF WHEAT ADJUSTMENT

- 1 Adjusts Production to Demand
- 2 Increases Farm Purchasing Power
- 3 Provides Adequate Supplies
- 4 Encourages Sound Farm Practices
- 5 Is Based on Voluntary Cooperation

U.S. CASH WHEAT INCOME

1932: \$196 MILLIONS
1934: \$391 MILLIONS

* Includes Benefit Payments

THIS chart shows how the Agricultural Adjustment Administration wheat program has safeguarded wheat farmers' income. For 1932 when there was no program, cash income to farmers from wheat was \$196,000,000. For 1934 higher prices and adjustment payments brought a cash income of \$391,000,000. The wheat program seeks: (1) to produce wheat for available markets; (2) to increase farm purchasing power; (3) to produce adequate supplies at all times for domestic use; (4) to encourage sound farming through diversion of land to soil-improving and erosion-preventing crops; and (5) to make voluntary cooperation more profitable to farmers than non-cooperation

1936 CORN-HOG PROGRAM PLAN

PUBLIC HEARING TO BE HELD TO DETERMINE FATE OF AAA ADJUSTMENT PROGRAM

STILLWATER, OKLA.—An early step in determining whether a corn and hog adjustment program should be carried on in 1936 under the Agricultural Adjustment Administration will be taken in a public hearing September 26 at Washington, according to D. P. Trent, director, Extension Service, Oklahoma A. & M. college.

The hearing, for all interested parties, will be held under terms of new amendments to the AAA. Director Trent said. Four questions will be discussed at the hearing. These are:

1. Whether the current average farm price of corn and of hogs is less than fair exchange value of these commodities.
2. Whether the average farm price of corn and hogs is likely to be less than the fair exchange value of these commodities during the period when the corn and hogs produced the current or next succeeding marketing year will be normally marketed.
3. Whether the conditions factors relating to the production, marketing and consumption of corn and hogs are such that the exercise of any one or more of the powers conferred upon the secretary of agriculture under the Act as amended will tend to effectuate the declared policy of the Act.
4. Whether the exercise of the power to provide the adjustments in acreage or production of corn and hogs through agreements with corn and hog producers and for adjustment payments in connection with such agreements is administratively practicable and best calculated to effectuate the declared policy of the act.

Mrs. Roy Joeffroy, Mrs. H. D. Gunnells, Mrs. W. W. McLarty and Mrs. Geo. Rupprecht enjoyed the afternoon, Monday visiting in the home of Mrs. J. M. Blasingame, south of town.

Miss Ada and Ross Leatherman left Sunday for Oklahoma City to spend several days visiting and will attend the state fair.

Honored With Dinner

On Thursday, September 19, Mrs. George Rupperecht celebrated her birthday and her daughter-in-law surprised her with a delightful dinner at 6:30 o'clock that evening. The table was centered with a three tiered cake, decorated with candles.

Plates were laid for Mr. and Mrs. George Rupperecht, Mr. and Mrs. Ralph Rupperecht, Mr. and Mrs. G. A. Rupperecht, Mary Lou and G. K. Mr. and Mrs. Elmer Rupperecht and Mae Yvonne, Miss Lucille and Elton Rupperecht and K. F. Miller.

Enjoy 92nd Birthday

Mrs. Elizabeth Cutter, probably Ochiltree County's oldest resident, just recently celebrated her ninety-second birthday and enjoyed having many of her friends call during the day. She received a number of beautiful flowers and gifts and the ladies of the Methodist Missionary presented her with a lovely cake and a card shower.

Observe Birthday

Miss Pearl Turner had friends in Friday night to help her celebrate her birthday anniversary. At midnight delicious refreshments of sandwiches, cake, and punch were served. Later marshmallows were roasted over a camp fire.

Those enjoying the evening were Lillian, Vivian and Virginia Williams, Aveline Hill, Letha Nichols, Margaret and Mildred Drake, Della McGarraugh, Don and Loyd Yates, Charles Trew, Loyd Drake, Darrel Lynn, Shelley K. Hill, Charles Lindville and the hostess.

Dinner In Chase Home

Mr. and Mrs. Ray Chase entertained with a delightful dinner in their home near Farnsworth Sunday for the members of the Farnsworth bridge club and their husbands. The dinner was served at two o'clock and the afternoon enjoyed playing bridge.

Those present were Mr. and Mrs. Kay Meese, Beaver, Okla., Mr. and Mrs. L. R. Conner, Mr. and Mrs. Steve Hargrove, Mr. and Mrs. Herman Hargrove, Mr. and Mrs. H. C. Brown, Mr. and Mrs. Ben Peckenpaugh, Mr. and Mrs. Pinkney Dear, Mr. and Mrs. Merton Smith and the host and hostess.

Mr. and Mrs. A. B. Hammon and sons spent Sunday in Liberal, Kans., visiting with relatives.

Joe Lawrence returned to Perryton Thursday from Flagstaff, Ariz., where he has been the past six months in C. C. C.

W. C. Williams, Shamrock, was a Perryton visitor over the week-end and Mrs. Williams, who has been visiting the past week with her mother, Mrs. Wm. Glasgow, accompanied him home Monday.

Birthday Party

Bruce Baumann celebrated his eighth birthday on Sunday, September 22, and in the afternoon he had eight of his playmates join him in the home of his grandmother, Mrs. D. K. Baumann, and a lively two hours of games was enjoyed between four to six o'clock.

His mother, Mrs. Lester Baumann, and his grandmother assisted with the entertainment and served the delicious birthday cake with a delightful refreshment plate at six o'clock.

The guests were J. C. Jones, Jackie D. Steele, Verlon Hartman, Richard Cunningham, John and Jimmy Dunlavy, Dannie Couger and Don Seamore.

Entertain Teachers

The Hustlers class of the Methodist Sunday school enjoyed a social hour at the Methodist church Tuesday evening with the members of the Perryton school faculty as the honor guests.

Sixty were present. Mrs. W. I. Byron and Addison Cutter were in charge of the entertainment. Radio music was enjoyed throughout the evening and a series of games played. Delicious refreshments were served under the direction of Mrs. Roy Rick.

Mrs. Hawk Hostess

The Baby Special division of the Methodist church was entertained for their monthly social in the country home of Mrs. Harlan Hawk Monday afternoon at three o'clock. Forty-two babies and twenty-seven mothers were present.

The program consisted of: song; scripture, Mrs. J. T. Stovall; prayer, Rev. W. B. Vaughn; guitar music, Mrs. L. C. Boston, Mrs. Clifford Beck, and Miss Elgene Funk; story, Mrs. Cecil Dodd. Several of the mothers spoke the first piece they had learned and others gave talks.

After a very pleasant hour, lovely refreshments of animal cookies and cocoa were served. A favor made of marshmallows and cookies was given to each and won much praise from the children.

Chi Sigma Phi

Mrs. Henry Richardson was the clever hostess for the Monday night meeting of the Chi Sigma Phi club at her home, 920 Southwest Third street. The entertainment was for an "artists' party" and each guest wore their smock.

In the bridge games, Mrs. Caradine won the prize for high score. Mrs. Norris was awarded the trophy as the most original artist and Mrs. Thrush as the most clever one.

Refreshments were served at the close of the evening to Miss Beattie Littleton, Miss Elizabeth Richardson, Miss Johnny Helen Gray, Mrs. Cromwell Rogers, Mrs. Harold Thrush, Mrs. LaRue Norris, Mrs. Seldon Caradine and the hostess, Mrs. Richardson.

Miss Lois Blue came in Sunday from Canadian to visit this week in the home of her brother, A. W. Blue.

Kearns-Stump

On September 22, Miss Mae Stump, daughter of Mr. and Mrs. Lester Stump of Waka, became the bride of Mr. Earl Kearns, formerly of Vici, Okla., at the home of the bride's aunt, Dr. M. M. Nickel, 144 North Lorraine Avenue, Wichita, Kansas.

The party entered the room, which was very beautifully decorated with autumn flowers, to the strains of "The Wedding March". The simple ring ceremony was read by the bride's brother, Rev. Harley Stump, and was accompanied by Miss Grace Eachenkirher, playing "The Vexatious Love Song" on the piano. Miss Maxine Dawson acted as bridesmaid and Mr. Galen Stump as best man. The bride was given away by her father, with Audrey Lee and Claudia Jo, small sisters of the bride, acting as flower girls. The bride was attired in a blue and ecru satin gown. Immediately following the ceremony, the guests were served a buffet luncheon, the bride cutting and serving the wedding cake.

Mrs. Kearns is a graduate of the Perryton High school, and was graduated from The Central Beauty and Cultural College of Wichita, which honored her by making her its queen for the spring of 1935.

Mr. Kearns is a graduate of Sharon High school and later attended The Port Arthur Business and Radio College of Port Arthur, Texas. At the present he is employed in Wichita, where the young couple will be at home, at 1617 North St. Francis.

Tomorrow is Somebody's BIRTHDAY

What's the date today? ... Why,
today... tomorrow... why... tomorrow
is somebody's birthday!

Someone you love and hold dear. Mother,
dad, sister, brother. An old friend. A
teacher, a little boy or girl, a baby.
Show you haven't forgotten ...

Send a Birthday Present!

Maybe it isn't tomorrow; maybe it's the day after, next week, a
month from now. Maybe it was yesterday ... but even so, it's not too
late. Send a birthday present.

Send a birthday present to the nephew or niece away at school who
thinks you are, well, just the grandest person in all the world. Prove
it. Put a piece of your heart in a package and write that boy's, that
girl's name on the label. Send a birthday present.

Send a birthday present to your sweetheart. Make it a personal gift.
It needn't be expensive. But pick it out yourself. Choose it just to
please the one you love best. And then, send it with your love.

There's a newsboy down at the corner. A birthday is a big thing
to him. Show him you remember. Give him a smile when you buy
your paper; and with it give a book, a box of candy, a baseball glove.
He will grow up to be a better, finer man just because you remembered
his birthday with a present.

Send a birthday present to the boy or girl you used to pal around
with as a child, the boy or girl who watched you blow out the candles
on your own birthday cake in the long ago. Old friendships are the
best; don't lose them. Keep them—with a birthday present!

The nurse who took such good care of you when you were small.
She won't have many more birthdays. How delighted she will be to
know you haven't forgotten! Don't wait—next year may be too late.
Send a birthday present.

Send a birthday present. There's no finer, grander custom. Every-
one sends Christmas gifts—that's habit, it's expected, counted on. But
you don't have to send a birthday present—it's unexpected, it shows
thoughtfulness, consideration—and that's what makes it so welcome.
Give! It is the most wonderful thing you can do. You get so much
back. Love, happiness, friendship, affection. All the things that really
count.

Just because you don't have to do it—send a birthday present!

Send a birthday present. Don't send money ... send the one thing
you know that person will like best. It really doesn't matter what—or
how much it costs. A present that cost one dollar—a present that you
picked out yourself—is better than a new ten dollar bill. Just because
you have said, "There! That is just what he wants!"

Chip in and help buy your boss a birthday present. You know
the grief he's had steering the business through the rough water, trying
to meet the payroll, to keep up salaries. Your troubles have been his
troubles. Show him you know—with a birthday present!

Send a birthday present to the man you do business with, the cus-
tomer whose trade has meant so much to you. He won't misunderstand.
Just to make sure he won't, send a present to the man who sells you
goods.

Send a birthday present! It doesn't matter what you send. Flow-
ers, a toy, your picture, a pipe, a rug, a clock, perfume, a puppy, a pair
of socks—send anything!

But send it! It's a birthday present—and it's from you.

SHELLS PEAS WITH AID OF WASHING MACHINE

To shell English peas for canning, Mrs. R. L. Jennings, farm food supply cooperator of Ochiltree Home Demonstration club uses her washing machine ringer.

Mrs. Jennings put the stem of the pod in the ringer and the peas shoot out of the other end. She says this is a quick and easy method.

VALUES CANNED PRODUCTS AT TWENTY CENTS QUART

Fifty-seven dollars and forty cents worth of vegetables have been canned from the garden of Mrs. Jake Schwab of Ochiltree Home Demonstration club. She values her canned products at twenty cents per quart.

Mrs. Schwab still has a large quantity of green tomatoes, lima beans and black-eyed peas which she expects to use in canned products.

GARDEN YIELD BOUNTIFUL

Two hundred and thirty-three quarts of canned products valued at forty-six dollars and sixty cents have been produced by Mrs. S. F. Waide of "4-1" Home Demonstration club. Fourteen varieties of vegetables and fruits were included in Mrs. Waide's garden.

Mrs. Waide says that her garden produced twice that amount and the rest was given to her son.

BLODGETT CLUB

Delta Blodgett, Reporter

"Grape juice sealed in bottles, should be placed lying down so as to keep the cork in good condition," stated Mrs. Earl Church, pantry cooperator of the Blodgett Home Demonstration club to that club, which met at the home of Mrs. Nellie Wilbanks, Monday, September 16 at 1:30.

"To insure a good seal all winter in bottled grape juice, the cork must be kept moist and not allowed to dry out. In cooking asparagus for canning cook the white part of the stalk will nearly tender before allowing the green portion to cook, that is to avoid over-cooking one part before the other is done. Trim your beets off smooth both from the roots and tops before placing in jars and have them uniform in size and of same color. The Detroit red is a splendid variety for this country". These were some of the points brought out by Mrs. Church, which were given by the judges of the Home Demonstration products, held on the 6 and 7 at Perryton.

Those who attended the meeting were: Mrs. J. B. Monroe, Mrs. Lois Hawkins, Mrs. Elliott, Mrs. Flossie Crook, Mrs. W. M. Deck, Mrs. Ruth Nitschke, Mrs. Earl Church, and Mrs. Delta Blodgett and the hostess, Mrs. Nellie Wilbanks.

BLODGETT CLUB TO MEET

The Blodgett Home Demonstration club will meet Monday, October 7, at the home of Mrs. Perry Hawkins. A demonstration in bread making will be given. This will be an all day meeting.

WAKA CLUB

Mrs. Wm. H. Jennrich, Reporter

"Selection of the dye is important as there are many kinds of fabric dyes on the market. The one to be used must be selected not for its color alone but according to its reaction towards textile fibers and its chemical nature and fastness", so stated Mrs. J. E. Wilson, first year wardrobe demonstrator, to the Waka Home demonstration club, which met in the home of Mrs. Reuben Burger, Tuesday afternoon, September 17, at 2 o'clock.

"The fastness of dyes differs widely even among the same class; some acid dyes are very fast while others are fugitive; the same is true in general of the basic and direct cotton dyes. The mordant dyes, taken as a class, are regarded as having the greatest fastness. Fastness is a relative term for no color absolutely fast to all agencies. For example, one dye may be faded by sunlight but be fast to washing or to perspiration. Also a dye may be fast when applied to one fiber but not to another, then too, the dye may be fast with one method of dyeing but not with others. Once a fabric is dyed nothing can be done to set the color or to make it fast to several agencies affecting it. Soaking fabrics in a weak vinegar or salt water has no effect on making dyed materials fast to washing", these were points stressed by Mrs. Wilson, while she gave a dyeing demonstration.

In the absence of the council delegate, Mrs. T. E. Hohman, president, gave the council report. Mrs. Olen Sheets gave the report of the judging at the County Exhibit, September 6. Mrs. J. R. Stump read "How to Choose Colors for Dyeing."

Those to enjoy the meeting were: members, Mrs. Hall Nelson, Mrs. Olen Sheets, Mrs. J. E. Wilson, Mrs. J. R. Stump, Mrs. E. T. Hohman, Mrs. N. G. Powell, Mrs. Sylvia Walker, Miss Wilma Coleman, visitors, Mrs. Roy Gibson, Borger, Mrs. J. J. Keim and Mrs. Maud Miller. Delicious refreshments were served by the hostess, Mrs. Reuben Burger.

WAKA H. D. CLUB MEETS TUESDAY, OCTOBER 1

Waka Home Demonstration club will hold its regular meeting, Tuesday, October 1, at 2 o'clock in the home of Mrs. T. E. Miller. Miss Marie Ludwick will be with us and give a demonstration on "Seasonal Storage". Visitors are always welcome.

NEW HOPE H. D. CLUB TO MEET OCTOBER 2

The New Hope home demonstration club will meet October 2 at 1:30 o'clock in the home of Mrs. J. E. Yadon. All members are urged to be present and visitors are indeed welcome. Mrs. John Budock, Reporter.

MRS. BARNES WILL BE CLUB HOSTESS OCTOBER 10, 1:30

The next regular session of the 4 in 1 club will be held with Mrs. B. L. Barnes on October 10 at 1:30 o'clock in the afternoon. Roll call will be answered with a "serving problem". Miss Ludwick will give a demonstration on seasonal storage of unused clothes.

4 IN 1 CLUB

Mrs. W. Jung, Reporter

"Peas canned while young and tender are much better in food value than mature ones", stated Miss Marie Ludwick, county home demonstration agent, at the meeting of the 4 in 1 club in the home of Mrs. Jung on Thursday, September 19 at one thirty o'clock.

Miss Ludwick showed how to grade peas and said if it was necessary to let peas stand for any length of time after they had been shelled, to let them stand in salt water to prevent spoilage, using one spoonful of salt to a gallon of water. To keep color and flavor have vegetables of similar size and color and be sure to use jars and caps of the same make in canning for exhibition. Always use the liquid the vegetables were precooked in as it contains much food value. Four quarts of peas were cooked during the demonstration.

The Amarillo Fair was discussed and Miss Ludwick told us the points of criticism for our exhibits. We hope to profit by these mistakes in our future work.

On October 12 the Ball Bros. Company will hold an exhibit at Perryton beginning at 9:30 o'clock in the morning. Each member will bring a covered dish and one quart jar of fruit, any kind, and a quart of non-acid vegetables. Any woman enrolled in extension work may enter this contest. Suitable prizes will be awarded. Any make of jar or cap may be used but be sure it is a quart size.

Twelve members and visitors were present for this meeting. Light refreshments were served at the close of the afternoon's entertainment.

FIRST BAPTIST CHURCH

J. M. Sibley, Pastor

Sunday Services:
9:45 a. m.—Sunday school meets in main auditorium for Promotion Day Program. All parents are urged to attend this service. Help us go well over the 300 mark Sunday.

11:00 a. m.—Message brought by Rev. Blonny H. Foreman of Corrente, Brazil.

7:00 p. m.—B. T. U. meets in general assembly for a promotion day program.
8:00 p. m.—Message brought by a joint baptismal service of th. Balko and Perryton churches.

Every member of our church is urged to attend the services Sunday and make this a great day in the history of our church. This is the last Sunday in the Sunday School and B. T. U. year and every member ought to attend at least once a year, for some this is the last chance.

Our Baptist people and their friends are urged to give this good man who is devoting his life to the preaching of the Gospel in Foreign parts the best possible hearing. Many have never heard a returned missionary speak and this is an opportunity to hear one. Do not pass the opportunity by.

CHAPEL

The school assembled Wednesday September 18, at 9:45 in the auditorium for their first chapel. Everyone sang as W. I. Byron led the first verse of "America". The band was on the stage dressed in their new uniforms. After the scripture reading and prayer, the band, directed by Mr. Byron, played several numbers. They played one march to show us the ability of the trombone players. They played it well, and proved to be an asset to the band. After the announcements had been made, the band played a march and the students returned to their classes.

EDITORIAL

Hello Folks! This is your editors first offense so here goes:

The first thing we want to say is, we are sure grateful to you for your support, especially grateful to those who voted for us, and out to make ourselves the best friends they had for all that voted for somebody else. I am afraid that the assistant editor said was right, that we would make a family row out of the paper.

I want to take time out and ask all you students to make this paper the best yet. This paper is just what you make it. And in order to make the paper a success we must have your cooperation. What I mean by cooperation is this: all the reporters of the different clubs and classes are to write up their club or class news into a real report not under fifty words. If all you students will do your part, this paper will be the best yet. Our paper has a sponsor that is really capable of showing us just how to make it a real hit with all. He has had dealings in journalistic work before and is willing to help us with ours. The English department will keep our English right—that is, keep out all ain'ts, etc.

We have some new teachers here in P. H. S. This year let's get ourselves acquainted and show them just what we intend to do. Let our intention be to work hard and to be good citizens.

The school deserves a little credit. This plant we have here can measure up to any school in the Panhandle.

The Perryton Independent School district is the second largest independent in Texas. Only the Pharr San Juan, located in the Rio Grand valley excels us. Our science laboratory is as amply equipped as any in the Panhandle and due to the untiring efforts of Mrs. Manse Wood we have our English affiliation.

Let's let our teachers and parents know we're proud of this school. Let's work hard and be worthy of it.

We wish to thank you again for your loyal support—we'll try not to "let you down."

The Editor.

A PROGRESSIVE SCHOOL

By W. B. Irvin
A progressive school is one that changes its point of view so as to meet the needs or expectations of society before the demand for such a change becomes apparent. The "point of view" includes the entire organization from the administrative heads to the teachers and pupils—and the curriculum of the school. The curriculum includes everything that a child is encouraged to do inside the classroom or out.

The curriculum includes many branches of knowledge that have been built through the centuries. Each generation has made its contribution to the facts other generations had established. One generation may raise questions which another will answer—and so our stores of information have increased enormously.

In fact, our schools are unable to offer the full fields of accumulated knowledge. We have to make our choices along the lines we feel are best. Then the pupil's selection is still on a narrower basis. He does not study all that is offered by the school but selects his subjects from the total offering. School select their subjects or activities from the entire field of knowledge.

It is the task of educational leaders to carefully select what they offer in their schools—and to determine what method is used in offering it.

Perryton has always kept the curriculum up-to-date and modern. Modern methods are also adhered to. As a result Perryton schools are known over the state for the splendid organization and for the work done.

The work on El Sombrero has attested to progress in our schools. Students have built traditions and try to follow them as they improve them. So has progress always been

SOCIETY

Faculty Supper

The members of the third year Home Economics class were the gracious hostesses at a buffet supper given for the faculty. Those members of the faculty enjoying their hospitality were Misses Mary Louise Yoe, Mary Britton Lida Beasley, Roberta Hutchison, Pauline Shifflett, Margaret Prewitt, Clara Camack, Anna Henderson, Nora Stump, Nell Wingren, Ruby Neufeld, and Eugenia Mitchell.

GIRL SCOUT NEWS

At the first meeting of the Girl Scout troop in their new home on the second floor of the grade building, patrol leaders, names, colors, and general objectives were chosen.

We are beginning work on what we hope will be a novel program for chapel. At our next meeting each girl is going to bring either a crochet book or material from which one will be made by way of getting started on our handicraft program.

TATTLE TALES

Hello, everybody. Here I am back this year—stronger than ever before. This time if you want to know any scandle, look for it in "Tattle Tales" and you will find it. All you Jelly Beans look out and all you flirts do the same because if you don't, you are liable to find your name in this column. This is a warning so take heed.

This year the freshman are coming over from Junior High, and boy! you sure can tease them babes. They are so bright that they make the hall glow. They think that the study hall is sorta like a nursery where mama's little boys and girls can play, but never you mind fish, those big bad people that run the place will teach you differently and if they can't Mr. Bush can.

The prospect of some new scandal is very good. I just explained about the freshman class that is coming over this year. The sophomore class will furnish quite a lot of scandle this time and the Junior class would feel slighted if I leave them out so make it two orders of the same thing. The Senior class looks kinda dull like for scandle this year, but you never can tell. Well, I guess that about covers everything this time. I remain, your news correspondent—T. T.

JOKES

The world is old, yet likes to laugh—New jokes are hard to find. A whole new editorial staff Can't tickle every time.

So if you meet some ancient joke Deeked out in modern guise, Don't frown and call the thing a fake Just laugh—don't be too wise.

Fred Kuhn: I don't suppose you know of nobody who don't want to hire nobody to do nothing, don't you?
Clyde Jones: Yes, I don't.

Football A La Shakespeare
"Down, Down"—from Henry VI.
"An excellent pass"—from the Tempest.
"A touch, a touch, he does confess"—from Henry IV.
"More rushes, more rushes"—from Henry IV.
"Let him not pass, kill him rather"—Othello.

Freshman: Hey, senior, I'll bet I know a riddle you can't guess. What is it that you sit on, sleep on, and brush with?
Senior: I'll give up! What?
Freshman: A chair, a bed, and a brush.

Mr. Park: What was George Washington noted for?
Student: His memory.
Mr. Park: What makes you think his memory was so great?
Student: Well, they erected a monument to it.

Motor cop (to professor of mathematics): So you saw the accident sir. What was the number of the car that knocked this man down?
Professor Hampton: I am afraid I've forgotten it. But I do remember noticing that if it were multiplied by fifty, the cube root of the product would be equal to the sum of the digits reversed.

TO PLAY DUMAS ELEVEN FRIDAY

RANGERS BEING PUT THROUGH PACES FOR MEET WITH DEMONS THIS FRIDAY

The Ranger Coach has been sending his charges through tough scrimmage in preparation for the Dumas eleven.

This week's work has been confined to the strengthening of the weak spots in the machine, that showed up in the Borger game last week.

Ernest Ferguson, a letterman, enrolled last week, he is expected to carry a lot of the burden in the line, in future games. James Flowers is also looking good at a guard position, and gives promise of being a regular if one of the guards ever lets up.

The Dumas Demans were runners up in the district last year having lost to the powerful Hereford team 6-0. The year before they won the district championship, defeating the 1933 Rangers, 13-6 for the bisection and the Groom Tigers for the district championship. Coach Burk was the Tiger mentor at the time.

Last year both the coach and the team got a lot of satisfaction out of defeating Dumas 14-12, but they want to make it more impressive by taking the game this week. The game will be played at 3:00 o'clock Friday, and the officials are unknown at this time.

NO SHAVES FOR SQUAD UNTIL GAME IS WON

Well, if the football boys really carry out their threat—not to shave 'till they win a football game, it looks like they'll be ready for the House of David before long. That is with the possible exception of Lee Kent, Ray McWilliams, and Granville Lilly. And to those little boys we want to pass out the formula we personally guarantee to either work or fail if tried.

To raise a successful beard, rub the chin and upper lip with salt just before retiring at night. You must then get a pail of water and place it at the head of your bed. The hairs being thirsty, will come forth for a drink. The aspirant should then quickly tie a knot in the hairs one at a time and they will stay out.

After a few applications you should be ready for the House of David too.

ELECT STUDENT BODY OFFICERS

JOY HERGERT NAMED PRESIDENT FOR NEW YEAR!

R. T. CORRELL, EDITOR

In spite of the absence due to Perryton's day at the Tri-State Fair, the student body election was held Thursday, September 19, and the following officers were elected:
President Joy Hergert
Vice-president Anna Mae Klapp
Secretary Gene Tucker
Editor-in-chief R. T. Correll
Assistant editor-in-chief Virginia Correll

Regular ten minute chapels will be held every Tuesday and Thursday morning at 8:40 o'clock. A program committee will be appointed by the president and we are looking forward to lots of new talent and the best programs in P. H. S. history.

LIBRARY CLUB NEWS

The Library club met with their sponsor, Mrs. Otis Burk, on Friday, the first meeting of the school year. The following officers were elected:
President Arline Slaviv
Vice-president Elsie Lee Thornton
Secretary Ralph Talianferro
Treasurer Mary Lee Wilson
Reporter Bette Bryan
Assistant reporter Bell Marie Wright
Chairman of social committee Winifred Butler
Chairman of program committee Geddes Morris

We have a large membership this year, and hope to accomplish much in making our high school library a bigger and better one.

ATHLETIC CLUB

The Athletic club met Friday, September 20 for the first time to elect officers. Those elected were:
President Dickey Littleton
Secretary-treasurer Loren Allen
Reporter Letha Nichols

The girls chose two team captains, Martha Helfinbinen and Letha Nichols.
The boys chose eight team captains, Earl Stevens, Bob Lewis, Wayne Cudd, Earl George, Clark Osborne, Bob Lawrence, Dave Helfinbinen and Clyde Flowers.

There are one hundred and twenty-four members in the club.

BAND NEWS

The Perryton High school band attended the Amarillo Fair, Thursday, September 19. Forty members were present.

The band arrived at Amarillo Hotel at 10 o'clock in the morning, paraded down Polk street to thirteen, then boarded cars and went to the fair grounds.

The band made an excellent showing when they played their concert over the radio station KGNC from 11:45 to 12:00. The Perryton band was the best dressed band there. The broadcasting announcer said, "The Perryton band is the best band to ever come to Amarillo fair", and that is a swell recommendation for any band.

The Chamber of Commerce supplied meals for the band boys. At 2:00 o'clock our band played for the horse races. Our band played several pieces accompanied by the White Dear band.

Carvey Farnsworth, Jake Sodowsky and Wilbur Parks made the trip with the band boys.

The band is now working on pep for the future football games.
