

MUENSTER ENTERPRISE

VOLUME XVIII

MUENSTER, COOKE, COUNTY, TEXAS.

APRIL 16, 1954

NUMBER 21

To the Christian world this is Holy Week and an appropriate time for Secretary of State Dulles to make his rush trip to London and Paris in preparation for the coming Geneva conference.

Nineteen and a half centuries ago the original Holy Week included the passion, death and resurrection of Jesus Christ... the series of events which became the foundation of Christianity and Western civilization. During this anniversary of Holy Week the meetings in London and Paris might well be regarded as an effort to preserve the religion and way of life established by Christ. Whether or not Dulles has thought of his history making week as related to Holy Week is really unimportant, but the fact that it is happening may be both significant and important. In years to come this week may be known as the turning point at which the Christian world called a halt to the spreading red menace, the campaign of Anti-Christ, and started restoring the ideals which Christ taught.

We have witnessed some shameful events in the last three and a half decades of world history. Enemies of God and man, starting as a small gang of cut-throat scoundrels, embarked on the most ruthless campaign of wickedness, deceit and treachery ever known to history and in the amazingly short period of 37 years spread their gospel of evil to every part of the globe. During the past ten years they subjected hundreds of millions of people to their yoke, and still they move onward, extending their ugly tentacles so far as to threaten final success in their openly proclaimed goal of world domination.

Long ago the monsters of Moscow revealed their plans. They announced what we thought was a futile dream of setting up a world dictatorship with their hands wielding the whip. They said that their way of life and ours could not exist together, and that they intended to wipe ours off the face of the earth. It was a fantastic notion, we thought. People enslaved would not submit to the yoke for long, and others certainly would not permit it to be imposed on them.

Well, we were wrong. The past several years have convinced us beyond the shadow of a doubt that the red dream of conquest will be realized unless Christian people all over unite in a grand crusade to stop the godless scourge and begin the long campaign of restoring decency to the world.

Secretary Dulles has the right idea in spreading out the grim facts before the leaders of England and France. There must be no compromise to the reds at Geneva. We'll stick with the French in getting Indo China under control and we'll back them in an ultimatum concerning continued help by the Chinese reds. Furthermore we'll rely on Britain to withhold its diplomatic and commercial concessions to the reds. In a nutshell, we've decided to quit the futile policy of helping guard the European front yard against communist conquest and leaving the Asiatic back yard unguarded. From now on it's to be a policy of guarding both yards together.

Sounds like strong talk, and it could be the seed that sprouts into World War III. Nevertheless it's the thing that must be done if the world is to be saved for God and humanity, otherwise we may soon discover that the job has become too big for the free world to handle. As things stand now it is already a lot tougher than it should be, and mostly because of our country's folly. The fiascos of Tehrau, Yalta, Potsdam and World War II agreements delivered Eastern Europe to communism on a silver platter. The betrayal of Nationalist China and the blunders of Korea assured the red foothold in Asia. It's long past time that we called a halt.

We dread the thought of what will come with the next war, and we keep wishing it could be avoided. But at the same time we must face another fact. If it has to be our chances of survival are better now than after the reds have gobbled several more chunks of the world.

Sobering thoughts like these fit very well in Holy Week. If (Continued on page 10)

429 Receive Shots In Clinic's Biggest Immunization Day

Muenster is almost 100 per cent immune to diphtheria, typhoid and smallpox. Figures on record at the Muenster Clinic confirm that statement.

With 429 persons receiving vaccinations and shots for these contagious diseases on Muenster's annual Immunization Day Monday, this year's record tops figures of all other years in the twenty year history of the program, according to Dr. T. S. Myrick, city health officer.

Many of the 429 received two and three inoculations Monday and will return to finish the three-shot series for typhoid. The number of shots given, when finally tabulated will be well ahead of last year's 593.

Since Clinic Day was started there have been thousands of immunizations—3,286 in the past 15 years. No records were kept during the first five years but school children were vaccinated in toto. All children over six months of age and all under six years were also inoculated. Those (Continued on Page 2)

State School Head To Talk at Dinner Here Next Tuesday

L. P. Sturgeon, assistant commissioner of education in the Texas Education Agency, Austin, will be the principal speaker at a dinner and meeting of the Cooke County rural teachers association to be held next Tuesday night in the public school lunch room. The subject of his speech is "Our Public Schools in the Atomic Age."

The occasion of the program is a regular meeting of the association which is composed of teachers from all rural schools of the county.

Another group to attend is the Lions Club which has its next meeting scheduled for the same time and place. Members have been reminded to regard this event as a social meeting and bring their wives.

Because Mr. Sturgeon's speech will be one of general interest, Superintendent Weldon Cowan said that visitors are welcome, as many as space will allow. He suggests that those who wish to come make reservations in advance. The charge is \$1.00 per person.

Muenster Baptists Will Have Sunrise Service for Easter

Sunrise services will be held at the First Baptist church here on Easter Sunday, Rev. C. C. Moody, pastor, has announced.

Beginning at six o'clock, the services will feature Rev. George Story, pastor of Valley View Baptist church as guest speaker and special music directed by Mrs. Moody.

The public is invited to attend.

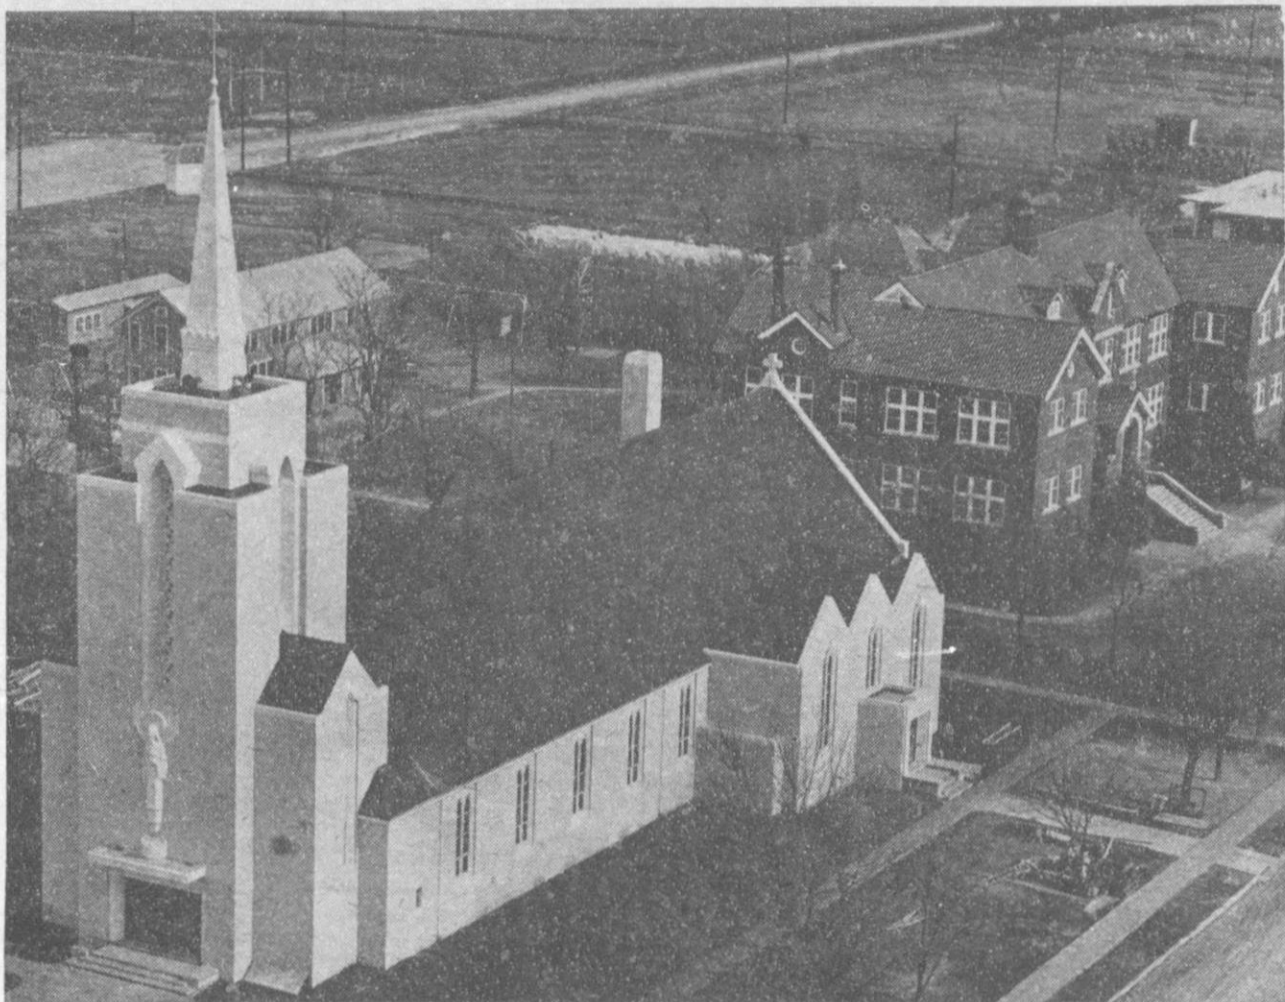

Hamric Continues As PTA President

Muenster PTA members retained three officers and replaced two at the annual election held during the organization's regular meeting Tuesday.

Returned to office for another year are Mrs. Ervin Hamric, president, Mrs. John Mosman, vice president and L. B. Bruns, parliamentarian. New officers are Mrs. Paul Fisher, secretary, and Mrs. Albert Fleitman, treasurer.

Principal business, following the election, was discussion of plans for the dinner next Tuesday when Cooke County rural teachers gather in the school lunch room, along with members of the Lions Club and their ladies, for a dinner meeting featuring L. P. Sturgeon of the Texas Education Agency, Austin, as speaker. Band Mothers have taken over the preparation and serving of the meal. Proceeds after expenses will go into the band uniform fund.

Rupert Hoenig was promoted to the rank of staff sergeant last week at Barksdale AFB, La., and left there Sunday by plane for a special ten day assignment at Limestone, Maine.

Parish Will Occupy New Church During Saturday Night Service

A history making event for the Sacred Heart Parish, the occupation of its almost completed new half million dollar edifice is scheduled for Saturday night of this week in connection with the traditional Resurrection service.

The transfer will be made as a part of the usual out-door procession honoring the Risen Savior, the difference, however is that it will end in the new church instead of returning to the old church.

Father Louis Deuster, pastor, said the occasion is especially preferred for the move into the new building because Easter is the principal feast of the ecclesiastical year and the Resurrection service is actually the beginning of the Easter season.

Dedication ceremonies will not

accompany the move, however. The building, though sufficiently furnished to serve as a church, is not complete and dedication will be delayed until other furnishings are added. Principal items still to be installed are two side altars, pulpit, communion rail and the enormous crucifix which will dominate the front wall from the altar-top level to the ceiling.

The church, of semi-Gothic design, has been under construction for almost two years. Most Rev. Bishop Augustine Dangelmayr, Auxiliary Bishop of Dallas, officiated at the ground breaking ceremony on April 30, 1952. Actual construction has been completed for several months and finishing touches were continued leisurely while the furnishings

were being made. Cowdin Brothers of Dallas was the contractor and Edward Schulte of Cincinnati was the architect. Floyd McAdam of Dallas superintended construction.

The building measures 195 x 95 feet at its longest and widest dimensions and the center ridge of its roof rises 48 feet above the floor level. Its massive front tower rising to a height of 70 feet is topped by a steeple and cross rising another 44 feet.

The nave, measuring 50 x 120 feet, has 72 pews, each with a seating capacity of 10 persons, arranged in two rows. Other seating space in the choir loft and transept adds to about 100 for a total capacity of more than 800. Generous space in the center and (Continued on Page 2)

City Proclamation Asks Observance Of Good Friday

In a proclamation issued this week, Mayor Urban J. Endres designated Good Friday, April 16, as a day of special reverence and called on all residents of Muenster to observe it fittingly by suspending business and attending church services.

The proclamation requests that all business houses close between the hours of noon and three o'clock.

In the past Muenster business has been very respectful in its observance of Good Friday and the Mayor asks that this record be carried through again this year.

The Mayor pleads for complete cooperation — that all business houses close their doors, that workmen lay down their tools, that activity on the street be held down to a minimum.

Hennigan Installs New VFW Officers

Recently elected officers of the Muenster VFW Post, headed by F. A. Kathman as post commander took their offices Tuesday night during installation services conducted by District Commander Pat Hennigan.

Other procedure at the meeting, in addition to routine business included the commander's summary of plans for the district convention to be held here on May 1 and 2.

The post also decided to sponsor Mrs. Joe Lehnertz at the state convention for the title of VFW Mother of the Year. Two of her sons are now serving in the armed forces and six sons and a daughter have served in the past.

Garden Club Sets April 25 as Date For Flower Show

With "Flowers on Parade" as the theme, members of the Civic League and Garden Club will stage their annual flower show on Sunday, April 25, in the City Hall.

Arrangements for the show were announced Monday night at a regular meeting of the organization in the home of Mrs. T. S. Myrick, and schedules were distributed.

Mrs. Myrick and Mrs. Joe Luke, chairmen, will be in charge of staging and classification. Other members assisting will be Mmes. Steve Moster, Dick Cain, L. B. Bruns, F. J. Yosten and Felix Yosten, entries; Mmes. Tony Gremminger, Lee Toothaker, M. J. Endres and C. B. Sears, hospitality; Mrs. L. A. Bernauer, publicity; Mrs. Sears, judges.

The show will feature three sections with a variety of classes including picture boxes depicting national holidays, potted plants, an invitation class for non-members, and a conservation exhibit. (Continued on Page 2)

NEWS OF SICK AND INJURED

Wayne Trachta, 7, son of Mr. and Mrs. Dick Trachta, had his tonsils removed at Gainesville Sanitarium Tuesday morning and was dismissed the same day.

Bob Tuggle is a patient at Gainesville Sanitarium for medical care.

Mrs. Fred Hoedebeck entered Gainesville Sanitarium Monday for a checkup.

Ben Luke was dismissed from Gainesville Sanitarium Sunday following surgery the preceding Tuesday and is up and around.

Pastor Announces Church Schedule

Special services in Sacred Heart Church for the last days of Holy Week have been announced as follows by Father Louis Deuster, pastor.

Tenebrae services will be held at 7:30 Thursday and Friday nights and the Resurrection service with solemn procession to the new church will begin at 7:30 Saturday night.

The Tre-Ore service, commemorating Christ's three hours on the cross will be held from 12 to 3 on Good Friday. Until 2:30 it will consist of community prayers led by Father Louis, then a sermon by Father Christopher followed by the Way of the Cross. Signs in business houses around town indicate that most of the business and possible all of it will be suspended during the three hour period.

The one mass on Holy Saturday will follow the blessing of water, oils and Easter candle beginning at 6 o'clock.

Services on Easter Sunday will follow the usual Sunday schedule.

Herr Wins 220 at Tech Track Meet

One of the reasons why Texas Tech has big hopes for Ronnie Herr in the next football season became apparent at a track meet in Lubbock Wednesday of last week.

Ronnie contributed a first place and a second to help Tech outscore West Texas State 78-27 in the meet. He was first in the 220 yard dash with a time of 21.8 and was second in the 100 yard dash.

A report on the meet states that a strong wind aided the sprinters, so his speed normally would not have been quite so good. But first and second in those events against that competition is still breezing along at a fair clip.

Drought Busted by 2.04 Inch Soaker; Crop Outlook Good

That million dollar rain finally arrived. Starting with a short hard shower early Sunday afternoon it continued as an ideal soaking drizzle through most of the night for a total of 1.81 by 7 o'clock Monday morning. Other scattered showers through the day brought Steve Moster's official reading to 2.04.

More correctly it might be called a half million dollar rain as far as the community is concerned, because the value of crops that got off to a good start would add to about that figure.

Members of the Soil Conservation Service report that farmers of the area they have seen Monday and since consider the rain as ideal. It was adequate for the time being for shallow rooted crops and a fine start for deep rooted crops.

Most farmers, they said, believe wheat has possibilities of another bumper crop, provided, of course, favorable conditions continue through harvest. Many also believe that oats pulled through the long dry season without serious damage and still has a chance for a big yield. Corn, too, which has been lying in the dry ground waiting for a chance to sprout, seems to have a good start.

Also helped but still needing lots of moisture are alfalfa, clover and pasture. Upper roots of these crops are doing fine but lower roots are contributing very little to plant growth.

Parish Celebration Marks First Mass Of Rev. Weinzapfel

Rev. Joseph Weinzapfel, 25 year old son of Mr. and Mrs. J. M. Weinzapfel, next Wednesday will become the eighth native son of Muenster to celebrate his first solemn high mass here.

The service will begin at 4 p.m. in the newly occupied Sacred Heart Church in the presence of Most Rev. Augustine Dangelmayr, auxiliary bishop of the Dallas-Fort Worth Diocese, the first native son of the community to celebrate his first solemn mass here.

Father Weinzapfel will be ordained next Monday at the Sacred Heart Cathedral in Dallas by Most Rev. Thomas K. Gorman, coadjutor bishop of the Dallas-Fort Worth Diocese. In services immediately following he will celebrate his first mass with Father Louis Deuster as co-celebrant.

Others named to participate as assistants in the solemn mass here are the newly ordained priest's brother, Rev. Thomas Weinzapfel of Dallas, as arch priest; two cousins, Rev. Anthony Weinzapfel of Fort Logan, Colo., and Rev. Lawrence Weinzapfel of Guilford, Ind., as deacon and sub deacon; and Rev. Patrick Hannon of Muenster as master of ceremonies. Very Rev. Msgr. Anthony Daly of Wichita Falls will give the sermon.

After the mass Father Weinzapfel will be honored guest at a community dinner in the parish lunch room under the supervision of members of the St. Anne's society. Rt. Rev. Msgr. Joseph O'Donohoe of Fort Worth will be toastmaster for that occasion.

SCHEDULE OF COMING EVENTS

SUNDAY, April 18, Parish Easter picnic at parish park. Starts at 3.

MONDAY, April 19, Ordination of Father Joseph Weinzapfel, Dallas Cathedral, 9 a.m.

TUESDAY, April 20, Tigers vs St. Mark's, here.

TUESDAY, April 20, Dinner and meeting of county teachers featuring talk by L. P. Sturgeon. Also Lions meeting.

WEDNESDAY, April 21, First Mass of Father Joseph Weinzapfel at 4 p.m., followed by parish dinner.

THURSDAY, April 22, Get-Together Club meeting in the home of Mrs. Joe Luke, 2 p.m.

429 Receive Shots

immunized for diphtheria were Schick tested regularly the following year and that year's babies were immunized.

A breakdown of the 3,286 immunizations reveals 628 negative Schick tests, 926 typhoid, 896 diphtheria, and 836 smallpox vaccinations—in a town of less than 1,000 and a scholastic population of less than 700.

This closely approximates 100

per cent coverage, or two shots for every man, woman and child in the community of 1,700.

And it's paying dividends. There hasn't been a case of smallpox or typhoid since the program was inaugurated, and no diphtheria since 1935. Muenster remained free from these diseases while cities nearby had such cases on record.

In addition to the immunizations, students of both schools have had free physical examinations which are still given each year to first graders and newcomers to the community. These examinations include height, weight, eyes, ears, nose, throat, chest, heart, dental and urinalysis.

The immunization program each year is sponsored by the Muenster Clinic in cooperation with the state and county health departments and the service is available at only a fraction of the usual cost of the serums. Cooperation of local teachers and parents has also contributed to Muenster's fine record in this project.

Thursday is Hobo Day for FHA Girls

Thursday of next week will be Hobo Day for girls of the Muenster FHA chapter, but only the afternoon will be observed. Mrs. Bill Searcy, faculty adviser, announced this week that the girls will be away from school from 12:15 until 3:30.

Hobo Day is the occasion when the girls do odd jobs of housework to earn money for their chapter treasury.

Persons who have jobs for the girls are urged to make advance reservations in order to save the time that would be lost otherwise in looking for work. Arrangements can be made by calling Mrs. Searcy or LaQueta Cain.

Garden Club - - -

There will be no admission charge and members extend a general invitation to everybody to visit the show.

Rules and schedule follow:

RULES:

1. No plants forbidden by Conservation rules may be used.
2. All exhibits must be in place by one o'clock.
3. All arrangements entered in arrangement classes must be arranged by the person entering the exhibit.
4. Florists' flowers will not be judged against flowers in any class except in picture boxes.
5. Decision of the judges will be final.
6. All entries must remain throughout the show, but must be removed the night of the show.
7. In horticultural classes, containers will be provided.
8. All items (container, etc.) should be plainly marked with the owner's name.

RIBBON AWARDS:
Blue—1st, Red—2nd, White—3rd, Green—honorable mention.

Sweepstakes will be awarded to the exhibitor winning the greatest number of blue ribbons. In case of a tie, red ribbons will be counted.

SCHEDULE:
Section A—Horticultural classes
1. Specimens must be grown by exhibitor.
2. All specimens must be named if possible.

Classes—annuals and perennials (iris, tall, intermediate, dwarf), roses.
Section B—Arrangement classes
1. Picture Boxes—National Holidays—any kind of flower with or without accessories.
2. Arrangements in pitchers.
3. Named arrangements—such as Madonna.

4. Arrangements of mixed plant material (any combination of flowers; foliage and accessories permitted).
5. Invitation Class—any one wishing to enter an arrangement who is not a member.
Section C—Pot plants
1. Grown by members.
2. Grown by non-members.

Section D—Conservation Exhibit. Each member is asked to bring an arrangement in each class of Section B except class 1. Just one exhibit in each class is allowed per member.

More building at the cheese plant is in order now since the delivery of a huge 30 ton steam boiler Tuesday. The unit was set up on the concrete floor and the next step is to build the walls and roof around it.

Local News BRIEFS

The attractive blonde girl and her companion at the 10:30 mass Sunday were Paddie Nan and Ronnie Jasso. She is a television model and he is her agent. In private life they are Mr. and Mrs. Ronald Jadasohn of Hollywood, Calif. They are on an all-state tour and stopped in Muenster to attend church services after seeing the highway sign "Catholic Church" at the city limits.

The Gene Hoedebecks were in Dallas Friday for a regular checkup for their daughter, Linda. They also visited Gene's brother, Cletus Hoedebeck and family.

Mrs. Joe Vogel and daughters Corinne and Karen, joined by Mrs. Clifford Otto of Gainesville, spent the weekend in Fort Worth with Lillian and Norma Vogel. Sunday they had a picnic dinner at Forest Park and visited the zoo.

Mmes. Ray Evans, L. J. Roberg and Ruth Needham were Dallas visitors Monday.

Joe Trachta was honor guest at a dinner party Sunday night in observance of his birthday. Ann Huchton was hostess in her home and Mr. and Mrs. Trachta, Larry Joe Walterscheid and Otto Walterscheid were guests. A decorated cake and gifts for the honor guest added a festive note to the affair.

Mrs. F. M. Shiflet, who spent the winter here in the home of her son-in-law and daughter, Mr. and Mrs. J. W. Fletcher, left Sunday to spend the summer in Pilot Point with her son and wife, the E. M. Shiflets, who came for her and spent the day here. Other Sunday guests in the Fletcher home were Mrs. Charles Milburn and children Mike and Jeanette of Nocona, and the Johnie Wests and daughter Patricia of Bulcher. Visiting Mrs. Shiflet and the Fletchers on Saturday were the former's grandson, Joe Wolfenberger of Weatherford, a granddaughter, Mrs. Andy Reeves of Fort Worth and her mother-in-

SINGAPORE SLING—Due to the increase of crime in Singapore, men, women and children are flocking to Judo schools to learn the art of self-defense. At one such school, which teaches some 180 pupils, instructor J. Bell is tossed by one of his more apt female students.

law of Saint Jo, and Mrs. Ed Reeves of Bonita.

Mr. and Mrs. Joe Hoenig were in Dallas Sunday to visit their son-in-law and daughter, Mr. and Mrs. Kenneth Cottle, and Mrs. Hoenig's sister, Mrs. Tip Self and husband. Enroute home they stopped in Denton to see another daughter, Mrs. Carl Pelzel and husband.

Mr. and Mrs. John Rohmer, the Tony Rohmers, Emil Rohmer and Mrs. Johnny Rohmer were in Fort Worth Friday night to attend graduation exercises from Practical Nursing School. Miss Ida Rohmer was a member of the class of twenty.

John H. Wimmer, Richard Wimmer, Johnny Rohmer and Jackie Reiter left Friday to work for Guffey Drilling company at Pauls Valley, Okla.

29 Join Sodality in Marian Day Service

Twenty-nine students of Sacred Heart High were admitted as members of the school Sodality recently in a Marian Day ceremony. Father Christopher, spiritual director, conducted the service assisted by Alma Henscheid, prefect, and Edna Hesse, vice prefect of the society.

Those who were received were Mary McGannon, Danny Bayer,

Gerald Bindel, Thomas Dankreiter, Delphene Derichsweiler, Della Fette, Frank Fleitman, Jere Friske, Joan Hacker, Bernard Haverkamp, Theresa Haverkamp, Joan Hennigan, Virgil Henscheid, Leo Hess, Edna Hoenig, Ethelmae

Knabe, Hazel Lerner, Carol Miller, Kenneth Otto, Theresa Schad, Charlotte Voth, Jerome Voth, David Walter, Herbie Walterscheid, Norma Jean Walterscheid, Eugene Grewing, Shirley Hoedebeck, Imogene Flusche, and Claude Walter.

At the Communion breakfast following the Mass Alma Henscheid, prefect, presided. Rev. Christopher Paladino gave a short talk.

Arrangement Clinic Highlights Garden Club Meet Monday

An Arrangement Clinic conducted by Mrs. Joe Luke was a highlight of the program at the Civic League and Garden Club meeting Monday night when members met in the home of Mrs. T. S. Myrick.

Following "Questions and Answers on Flower Shows" Mrs. Luke demonstrated flower arrangements using iris, Dutch iris and snow balls.

Mrs. Tony Gremminger presided for the business session and members answered roll call with a theme for the flower show.

Flower show chairmen Mmes. Joe Luke and T. S. Myrick, announced plans for the annual Spring flower show to be held on Sunday, April 25, in the City Hall from 4 to 9 p.m. Theme of the show will be "Flowers on Parade."

Announcement was made of the State Convention to be held in Dallas on May 3-4-5, and invitations were read from the Gainesville Iris Club who is having its flower show on April 25, and the Garden Study Club of Gainesville who is staging its show on April 28. Both will be held in the Community Center Building between 4 and 9 p.m.

Mrs. F. J. Yosten, park commit-

tee chairman, reported that roses at the park are all in good condition and that watering and cleaning had been done during the past weeks. Mrs. Myrick who is in charge of public school flower beds reported that iris and tulips are in bloom. These also were weeded and watered.

After adjournment Mrs. Myrick served cake squares, toasted salted pecan halves and coffee to 12 members and one guest. Mrs. Gene Nelson and Mrs. D. C. Jones were welcomed as new members.

Mr. and Mrs. D. C. Jones had as their guest several days this week her mother, Mrs. J. M. Elliott of Lubbock. Mr. Elliott was in St. Louis on business and joined his wife here for a visit before they returned home.

The American Way

JOSEPH McCARTHY—
OUR CHAMP
By George Peck

All those who are concerned about the internal safety of America had better do some real thinking, do it quickly and then act even more quickly. An outstanding champion is under severe fire and there is grave danger that he is to be stymied in his efforts to eradicate the Communists who infest practically every sphere of activity in these United States.

The same forces that hushed the voice of Martin Dies and other patriots who had the courage to fight Godless-Communism

on the home front, are now concentrating their fire on Senator Joseph R. McCarthy—only this time, instead of ordinary bombs, they are firing A-bombs and H-bombs.

If they should succeed in silencing McCarthy, which, God forbid, you can bet dollars to doughnuts that the drive to clean Communists and Communist-sympathizers out of places of authority, will be slowed down to a walk if not altogether stopped. What American would have guts enough to take on the job, knowing that he would be smeared, villified and finally halted?

So, if you consider that McCarthy's batting average is pretty good, even though you may feel he has struck out on occasion, get busy. Write him a note of encouragement. Don't stop there; also write your President, your two U. S. Senators and your Congressman. Tell all of them that Joe McCarthy must be allowed to continue his extermination job.

Just as I sat down to write this article, the Globe-Post, Independent-Weekly newspaper of Le Mars, Iowa, reached my desk. Editor Starz carries an editorial on his front page entitled, "A Nagging Guilt Complex May Account For It." As it states my viewpoint more aptly than I could possibly do, I turn the rest of this article over to this Iowa editor. His smash editorial reads as follows:

Why are so many thousands of people trying to cut Senator McCarthy's throat? Is it because they are communists? No; only a small part of these bitter enemies of McCarthy are communists. A much larger percentage are internationalists.

McCarthy hasn't as yet drawn a bead on the internationalists. But they hate and fear him because any patriotic movement in this country is dangerous to the internationalists. These internationalists (and communists too) simply cannot afford not to try to destroy McCarthy.

And because internationalism has been the key policy of the majority of both the republican

No Discouraging Him

and democratic parties, we are bound to find internationalists holding important government positions. . . . They just don't want Communism pursued too hard, because communism is another form of internationalism. It's not the same, but both are anti-patriotic.

Take the Columbia Broadcasting System hatchman, Edward R. Murrow, who has conducted a steady and vindictive campaign against McCarthy. His reason for this came out last week. A few years ago Murrow was one of the promoters of a scheme to send students to Moscow University for special courses. He wasn't necessarily a communist, but it looks bad! So he hates and fears McCarthy, and smears the senator at every opportunity.

Of course there are plenty of parrots who merely repeat what is told them. And what they often say is: "Oh, I agree with McCarthy's objective, but his methods!"

McCarthy's job is a hard and thankless one — exterminating

rats, many of whom have managed to compromise more or less innocent people in high places. If you were a rat, and you knew rats are not liked, would you consider it smart to complain because someone is trying to catch you? It would be smarter, wouldn't it, to say you have nothing against catching rats (even if you are one) but you don't like the ratcatcher's methods? Exactly! And this is why nobody admits objecting to McCarthy's going after the communists.

But it's safe enough to say that his methods are too rough, as when he bawled out General Zwicker for allowing a known communist to be commissioned, promoted, specially favored, and finally given an honorable discharge.

What is back of the great do-do about McCarthy's methods? Guilty consciences! They do not want the communist conspiracy exposed, because some of the rat trails might come too close to them!

Risen Christ Is Pledge of Christian Victory

By Bishop Fulton J. Sheen

THIS EASTER there is not the joy there should be. The enemies of God are too optimistic, and many friends of God are too pessimistic.

The enemies of God believe they have conquered. Thirty-seven out of every one hundred people in the world are either pounded by the hammer, or cut by the sickle of atheistic communism. The communists boast that there are nine countries in which the Gospel of Our Lord Jesus Christ may not be preached. They are recruiting Christ.

ON THE OTHER HAND, the friends of God see their centuries of work for Christ undone. They see the red octopus reach out its tentacles to minds, poisoning truth into a lie and calling darkness, light. Lovers of Christ are tempted to cry out, "Lord, evil is everywhere!"

These same attitudes prevailed in the final earthly days of Our Lord. Christ's enemies were too optimistic and His friends too pessimistic.

HIS ENEMIES crucified Christ on a Cross, allowed Him to be buried in a tomb, and sealed that grave with a great stone.

They had scored their apparent victory: Christ is dead.

The friends of Christ were despairing. Though they had heard Our Lord say that He would rise from the dead after being in the belly of the earth for three days, they still did not believe. Even Mary Magdalene, who had heard Our Lord call Himself the Resurrection and the Life, came to the tomb on Easter Morn, not to greet a risen Christ, but to anoint His dead Body.

BUT CHRIST HAD LEFT the tomb empty. He had risen!

This Easter Our Lord may well say to us, "Why are you troubled and why do doubts arise in your hearts?" Have we lost the Christian virtue of hope? Shall we believe that God reserves all the mourning for His sons and all the joys for His enemies?

ARE WE CONDEMNED to hang our harps upon the willows and sing nothing but doleful dirges while the children of Satan are to laugh with gladness of heart? No! We have not received the spirit of bondage to fear, but the spirit of adoption whereby we cry out to God, "Father!"

Fear not. Realize that He who went into the grave is Truth Itself, and Truth crushed to earth will rise again. Christ took the worst the world had to offer and conquered it. Evil shall never be victorious again. Christ allows evil its hour, but He wins the day.

† Paulist Feature Service, Washington 17, D. C.

There is no more direct way of elevating our life than by elevating our ideas.—Ernest Dimmet

New strength and stamina! Lower upkeep costs!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save extra trips. That's because of the extra load space you

get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and

the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!—Chevrolet Advance-Design Trucks

Cold Cash!

There's nothing like cold cash to surround your future with the warm glow of security and success! To have cold cash on hand when you need it, better start putting some "on ice" now... in your savings account.

Best way is to deposit a pre-determined amount, right off the top of your pay, every week. Your regular savings, plus accumulated interest, will soon add up to the kind of cold cash that will make a big difference... in your favor. There's no time like the present to provide for the future.

MUEUNSTER STATE BANK

A GOOD BANK TO BE WITH

Soil Conservation Notes

A manufacturing concern insures its stability by keeping its operating plant in good order and assuring a steady flow of raw materials. Grass management consists of no more and no less.

While many books have been written to outline methods of managing ranges and pastures of varying compositions and under different conditions, the principle behind them all is the same: the grass can be maintained in full vigor and efficiency only if the

food manufacturing plant is maintained in good order and a steady supply of plant food elements and water are made available.

Indeed, the care and management of grassland is so simple that its principles often escape the farmer or rancher. His other farming operations or enterprises, including the management of the herd, are far more complicated. With an understanding of, and an adequate respect for the two simple principles mentioned here, any farmer or rancher can maintain his grassland at full vigor and efficiency.

Take half and leave half. This catchy phrase is used as a guide for and by range men to indicate the amount of each year's grass growth that can be used. The

half that is left in the pasture or on the range is the food manufacturing plant for the grass. The half that is taken is the marketable product.

Because the leafy growth of grass is both food-manufacturing plant and the marketable product, there must be a balance between the portions used for each purpose. Overgrazing will reduce the total grass production by reducing the vigor and density of the individual plants, while too little grazing results in a loss of possible income to the farmer.

The fifty-fifty division of the grass plant is given as a safe rule of thumb and applies to all grazing plants. It is the stockman's responsibility to see that sufficient green growth is left throughout the growing season to assure his best grass plants adequate facilities to manufacture their own food.

One well-known grass man quotes the words of Jesus in the parable of the talents: "For unto everyone that hath shall be given, and he shall have an abundance: but from him that hath not shall be taken away even that which he hath." (St. Mathew 25:29). He applies it to the grass man who maintains or develops a good grass cover and finds that his grass produces abundantly because it is able to use all the fertility and water available to it. But the man with poor grass will see that grass deteriorating steadily under any normal usage, primarily because it loses a large percentage of the rainfall that falls on it.

We here in the Upper Elm-Red Conservation District know the word of the great Teacher seem to apply. The man who has grass gets an abundance as a result of the rain. The one who has little seems to have prospects of a good grass pasture immediately after the rain, but within three weeks even that is taken away.

The protective ground cover in a grassland is as important as that part which is harvested as forage and is just as essential to grazing profits. It is composed of two parts, the living portion which is left as the food-manufacturing plant of the grass or legume and the dead vegetation which has served its purpose and fallen to the ground.

Related to the ability of the cover to catch and store water is its ability to control erosion by water. If the water is held it cannot run off and carry away the soil. Yet, if there is a surplus of rainfall that cannot be stored it seeps away very gently and has little power to cut the soil . . . or it runs off on a mat of plants that shield the soil from it.

The cover protects the soil from the wind equally as well. No dust storms ever originated on good grass lands. Grass is nature's most efficient guardian of the soil and the mineral and organic elements of fertility found in it.

Local News BRIEFS

Mr. and Mrs. John Fette, observing their 55th wedding anniversary Sunday, were honor guests at a dinner given by Mrs. Hank Walterscheid in her home.

Mrs. Callie Baumhardt is planning an Easter reunion in her home. All her children will be here for the day. Included in the group will be Lawrence Baumhardt and family of Wichita, Kansas, Roland and family of Big Spring, Ralph and family of Amarillo, AIC Roy Baumhardt of San Antonio, Mrs. Frank McClelland and family of Devol, Okla., Mrs. Eddie McCreary of Sheffield, Mrs. Bertie Lou Webb of Wichita, Kansas, and Margie Baumhardt of Waco.

Mrs. L. B. Warner has returned to her home in Myra for the summer months. Her son and family, the Doty Warners of Pampa, brought her home and spent the weekend with her. She had been visiting in Pampa and in Snyder where her daughter, Mrs. Frank Wilson and family live.

The Doyle Hoods and daughter Ruth Ann of Henrietta visited friends here Saturday.

Mrs. Charlie Wolf, her sister Mrs. C. D. Mitchell of Gainesville, and their mother, Mrs. J. S. Russell of Myra, spent Friday in Wichita Falls.

Mrs. John Myrick and daughter Carol Ann arrived from Austin during the weekend to visit here and in Gainesville with family members. John will join his family for the Easter holidays. Also visiting here during the Easter holidays will be Miss Pauline Myrick of Galveston.

BIRTHDAY OBSERVANCE

Sid Cason was honored Monday night with a birthday party at his home. His wife was hostess and Mrs. Will Morrison assisted in serving ice cream, cake, coffee and punch to Will Morrison, the D. R. Martins and daughter Kathy, the J. B. Casons and Brenda, Terry and Michael Cason. Games and TV furnished diversion after the honor guest opened and displayed a shower of gifts.

JAP SHAW'S AUNT DIES

Mrs. Margaret Ann Shaw, 87, who died in Montreal, Calif., and whose body was brought to Gainesville for burial Wednesday, was an aunt of Jap Shaw, route 3, Muenster. Until three years ago Mrs. Shaw lived in Gainesville and before that in the Hood community. Her husband who died two years ago in California was in the cattle business until he retired from active work.

Five SH Students Deanery Winners In Essay Contest

After winning in the parish on their essays, five students of Sacred Heart school took honors in the deanery division of the contest, it was announced Tuesday.

Howard Mollenkopf and Ruth Endres, grade school, were first place winners and received ten dollars each. David Klement and Rose Mary Walter of the grade school and Jerry Henscheid, high school, placed third on their entries and received \$2.50.

Essays of the deanery winners will be judged for the diocesan awards of \$50, \$25, and \$10 for first, second, and third place.

Diocesan awards will be made by Rev. Thomas K. Gorman on May 9, in Fort Worth together with the Marian Year celebration. It will include a Pontifical Mass at 7:30 p.m.

Local winners will receive the Serra Medal given by the Serra Clubs of Dallas and Fort Worth.

Edna Hesse, Clara Flusche, Janice Klement, Jerry Henscheid, Basil Reiter, and Melvin Schoech were S. H. high school winners in the vocation essay contest sponsored by the diocese as a part of the vocation month program. "What Girl Should Be a Sister" and "If Christ Called Me" were the titles for the boys and girls respectively.

Rosemary Walter, Ruth Endres, Florentine Vogel, Howard Mollenkopf, David Klement, and

Charles Herr were the grade school winners. Titles of the essays were "Mary's year and My Vocation" and "What a Priest Means to Me."

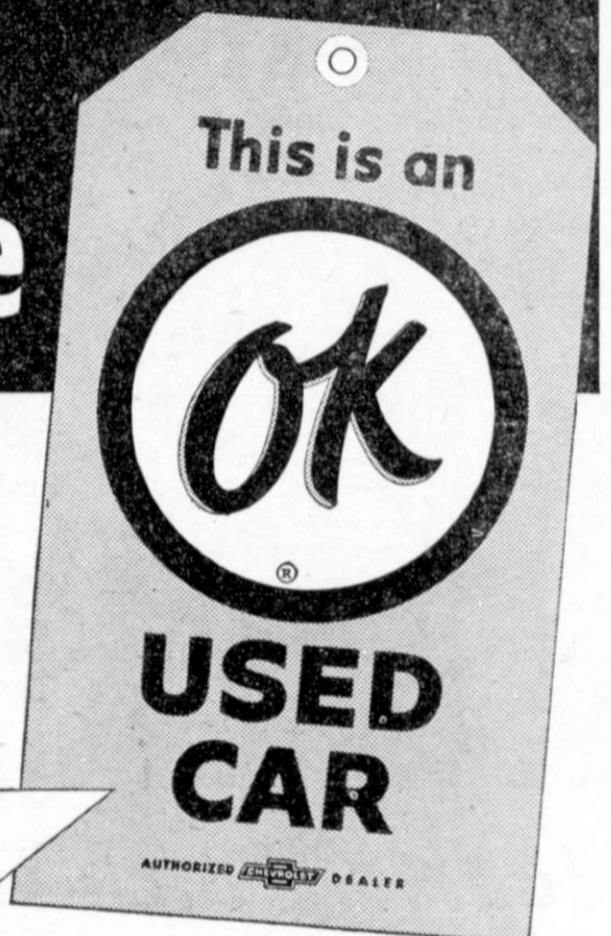

Pvt. Willard Hartman spent Monday through Wednesday in Fort Worth as the guest of his sister and family, the Teddy Gremmings, and left Thursday to return to Fort Bliss after a two-week leave here with family members.

FAMILY REUNION—Two brothers meet during an exhibition game at Sarasota, Fla. Twenty-two-year-old Frank Bolling, left, is trying for an infield berth with the Detroit Tigers, while brother Milt, 23, is already a member of the Boston Red Sox infield.

noon slightly more than two inches of rain was recorded.

Mrs. August Hyman spent the weekend in Wichita Falls with her sister, Mrs. Guy Giles and family.

Mrs. Eunell Oldham and daughter of Bowie, were here for a weekend visit with her parents, the M. L. Bradberrys.

Mrs. Alec Cannon and family have as their guest her mother, Mrs. Annie Lemer of Corpus Christi. Mrs. Cannon and Mrs. Lemer were in Fort Worth last weekend to visit relatives after attending the funeral of a sister and daughter, Mrs. Orville Kinkade at Lawton, Okla.

A covered dish supper preceding the business session was a highlight of the regular meeting of the Bulcher Community Club Thursday night. Bailey Dennis conducted the business, Mrs. R. H. Sharp read the financial report, and committee chairmen reported. After adjournment the group played dominoes.

Visiting the E. Newbys during the weekend were their daughter and family, the Carl Bowes of Denton.

Mr. and Mrs. Bob Hutchison and son Bobby of McKinney spent the weekend with her parents, the E. L. Robisons here, and his parents in Gainesville.

Mrs. Gid Prather and Mrs. E. L. Robison represented the Bulcher Home Demonstration club at the regular council meeting Tuesday.

Mr. and Mrs. Ernest Huggins, Mrs. T. L. Whitt, Mrs. T. S. Bridges, and Mr. and Mrs. E. L. Robison have been cheering their father, O. A. Huggis with bedside visits during the week. He is at the home of a sister, Mrs. W. L. Parish in Fort Worth, convalescing from recent major surgery at Baylor Hospital.

Those who deny freedom to others deserve it not for themselves, and, under a just God, cannot long retain it.—Abraham Lincoln

Another Milestone in Our Marriage...

Just like you, I had heard how convenient electric dryers are. But when we got our own, I realized what a milestone it was: the end of weather worries... of heavy lifting, carrying, and pinning wet clothes on the line... and an end to wasted time on washday. Our clothes now are softer, fluffier, and smell cleaner! Best of all, I don't need a weatherman to tell me when I can wash. I dial my own sunshine in my electric dryer and dry clothes faster and better than I ever did in the back yard!

the day we got the **ELECTRIC Dryer!**

TEXAS POWER & LIGHT COMPANY

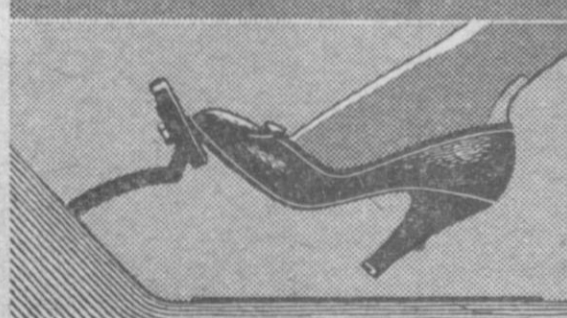

look to **Plymouth** for **power news**

In the low-price field, ONLY PLYMOUTH brings you NEW POWER for flashing new performance—NEW POWER for still more driving ease—NEW POWER for greater driving safety!

new PowerFlite transmission with new PowerFlow engine

PowerFlite, the newest, smoothest fully automatic no-clutch transmission in the low-price field, combined with the great new PowerFlow engine, gives you flashing acceleration with no lurch or lag. The PowerFlow engine's new 110 horsepower gives you ample reserve power for any driving need.

new Power Brakes

You get quick, smooth, straight-line stops with only half the usual pedal pressure! New Power Braking works with Plymouth's famous Safe-Guard hydraulic brakes which have two brake cylinders in each front wheel, where competing low-price cars have but one.

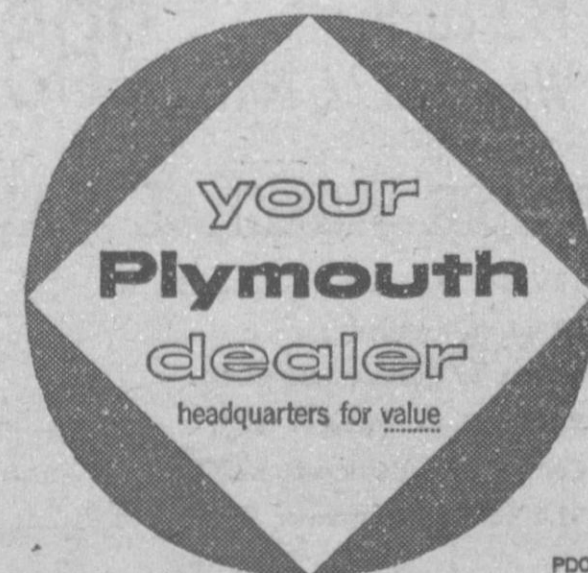

full-time Power Steering

Plymouth's Power Steering works full-time, not "on again-off again." It soaks up road shocks, eliminates "wheel fight," gives you more precise control on rough, bumpy roads or in deep sand or mud. And Plymouth's Power Steering lets you park with one-fifth the normal effort!

Just as Plymouth has always brought you the newest developments in riding comfort and driving safety, Plymouth now brings you the newest power advances in the low-price field! Come in and try Plymouth's sensational new performance, experience its great new driving ease—let us arrange your demonstration drive today!

PowerFlite, Power Brakes and Power Steering each available at low extra cost.

Marysville News

By Irene W. Richey

Mrs. Emma Dresser of Gainesville and her daughter and family, the D. A. Thompsons, visited in the John Barnes home Sunday.

Marysville's rainfall Sunday afternoon through Monday night totaled 2.6 inches. There were no high winds and the rain soaked in as it fell.

Mrs. Charles Davidson and Mrs. John Richey were in Gainesville Tuesday afternoon representing the Marysville Home Demonstration club at the regular council meeting.

Mrs. Foster Davidson spent Tuesday afternoon with Mrs. Henry Smith in the Wolf Ridge community.

Mr. and Mrs. Nig Wilson and children visited her brother, Max Burk and family at Denison Sunday. Billy Joe Dennis accompanied them on the trip.

John Marcus Barnes was in Dallas for a checkup and x-rays Monday.

Wanda Richey, Donnie Whitt and Wendell Richey accompanied by Jimmy and Mary Nell Hellman, Jimmy Fette and Patsy Cain of Muenster attended the Big D Jamboree in Dallas Saturday night.

Paula and Sandra Shaw of Gainesville spent the weekend with their grandparents, the Jap Shaws. Mr. and Mrs. Albert Shaw spent Sunday here and the children accompanied them back home.

MRS. MOON GIVES BAKING DEMONSTRATION AT MEET

Mrs. Lawton Moon, hostess for the Marysville Home Demonstration club at its regular meeting Friday afternoon, also gave the demonstration. She made cheese straws and chiffon pie with crumb crust.

Mrs. John Richey, president, conducted the business session, Mrs. Charles Davidson read the club creed and Mrs. Earl Robison led the recreation.

Members held a plant and seed exchange and many different varieties changed hands.

The hostess served refreshments to nine members and two guests.

LOOK ON THE OTHER SIDE

The young daughter was very boisterous, and her father wanted it quiet, so he could read. He clipped a large war map from the paper, tore it up into bits like a jigsaw puzzle, and told his daughter to sit down and put the map together again. This, he thought, would keep her occupied for several hours.

The little girl was delighted and took the handful of torn paper. In just a little while she was back, the map all neatly arranged and perfectly put together. "See here, Daddy; here it is!" she shouted, as she ran up to him with the map on a magazine.

Her father was much surprised. "Well, how in the world did you do it so quickly?" he asked.

"Well, you see," she replied, "there is a big picture of a man on the other side, and so I just put him together and turned it over. You see, Daddy, if the man is right, the world comes out all right, too."

The average city girl marries a man who lives or works within a thousand feet of her.

IT HAPPENED 15 YEARS AGO

April 14, 1939

Construction work ends on REA lines. Infant daughter of Mr. and Mrs. Theo Walterscheid dies. Emma Hoenig and Leo Fetsch marry at Munday; Arthur Endres and Angeline Hartman marry here. Rev. Frances Zimmerer attends executive meeting of Catholic State League at Olfen. Mrs. Matt Stelzer is recovering from surgery performed in Gainesville. Marcella Pagel is candidate for Circus Roundup queen. John Herr is out of wheelchair for first time since he injured his hip more than a year ago. Bernard and Gene Luke have joint party to celebrate their birthdays. Since the beginning of the week Robert Gruber is employed as bookkeeper for Kubis and Zimmerer in Gainesville. The Vincent Bakers of Chicago are visiting here.

10 YEARS AGO

April 14, 1944

Texas University experts end first phase of Cooke County post-war planning with meeting and

luncheon here. Sgt. Jack Needham, previously reported missing, is war prisoner. Local women attend training classes for USO volunteers. Congressman Ed Gossett visits in Muenster. Sodality girls are volunteers donors for blood plasma. Mr. and Mrs. Henry Fleitman celebrate their 45th wedding anniversary. Marcella Flusche and S.Sgt. Paul Fetsch marry here Monday. Joe Swingler is in Illinois to attend funeral services for his brother, Martin Swingler. A daughter, Frances, joins the Alfons Walterscheid family. Heard from this week: Leon Hellman in China after being transferred from India; Ray Wilde, Camp Carson, Colo.; Charlie Wimmer, England; Eugene Klement and Harold Luke, Florida; Vincent Felderhoff and Leonard Luttmer, Italy; Gilbert Endres, Sardinia; Clem and Cecil Cole, England; Lambert Bezner, California.

5 YEARS AGO

April 15, 1949

Community Council favors development of school system. Story of Muenster is featured article in Katy Magazine for March. The Lehnertz brothers, David and Giles of Houston, lead student posse to nab two burglars. Johnny Sicking loses toe with tetanus infection. Mumps and measles keep several children from school this week. Maurice Pagel has his

tonsils removed. Bill Luke broke his right arm last week while he was roller skating at Lubbock. David Moster one year old, dies after illness. New arrivals: a daughter Donna Kay for the Henry Schniederjahn; a son for the Charles Rosenbergs. The Shanty installs equipment to make own ice cream. Family reunion marks 82nd birthday of Mrs. J. H. Cooke. Engagement of Lucille Fuhrmann and Ray Hess is announced.

The flight deck of the U. S. S. Shangri-La is the size of three football fields.

New Jobs for Texans

Texas industries have been providing new jobs for Texans at the rate of about 70,000 a year. That's about 200 new jobs every day.

All kinds of jobs . . . in offices, on construction work, in manufacturing plants, in the development of the natural resources of the State. Jobs for riggers, for secretaries, for engineers, for truck drivers, for accountants, for lawyers, for crane operators, for decorators, for sailors' . . . all kinds of jobs.

And the reason why these new jobs have been, and continue to be available is this: Texas industry is expanding, and industry makes jobs.

On the average, each new job created in Texas requires the investment of \$12,000 capital*. Thus, Texas industry invests over three-quarters of a billion dollars each year in new plants and in plant expansion to create 70,000 new Texas jobs.

Much of this annual investment in new jobs for

Texas is made by the oil industry itself and industries which depend on oil and natural gas for fuel and raw materials. Every year a wider variety of industries put to profitable use a larger number of the resources of the State, and call on a broader assortment of available Texas skills.

Forecasters predict an even greater industrial development in Texas, and an even larger number of new jobs, as more industries recognize the advantages that Texas offers: good markets, raw and manufactured resources, trustworthy and dependable people, efficient and abundant fuel, a mild climate, and a good state government . . . In that list of advantages, the Texas oil industry provides raw materials for processing, and the world's finest industrial fuel—natural gas.

*In the oil industry, the required investment for each new job is over \$50,000.

Hornets Win 6-2 in Season's First Tilt

The Muenster Hornets got off to a good start in their conference baseball race last Friday by trimming the Callisburg Wildcats 6-2 on the local field.

Muenster boys took the lead with a 3-run rally in the second followed by one in the third and 2 in the fourth and did not allow their visitors a tally until the sixth. Alvin Fleitman's pitching gave Callisburg most of its troubles. He gave up only one hit, a double in the seventh. Errors let in both of the scores.

Good hitting, along with Callisburg errors, accounted for Muenster's runs. Swirczynski got 2 singles, Richey a homer, Nog-

gler a triple, Harris a double and Whitt and Cain each got singles for a total of 7 safeties in the game.

Tigers Nip Ranchers In Story Book Game

Willie Walterscheid was hot as a firecracker pitching against the Boys Ranch Ranchers and his teammates came through in a pinch to help give him credit for a near-perfect game and a 3-2 victory.

Walterscheid whiffed 17 batters without allowing a hit but he got a thorough scare when two Ranchers romped in for a 2-1 lead in the last of the sixth. In the next inning, however, his Tiger teammates brought in two more runs to regain their one point lead. Willie took no chances in the last of the seventh, fanning three in a row.

The game scheduled with Laneri here Tuesday afternoon was postponed because of rain and make-up date still remains to be decided.

Next on the Tiger schedule is a game with St. Mark's of Dallas here next Tuesday.

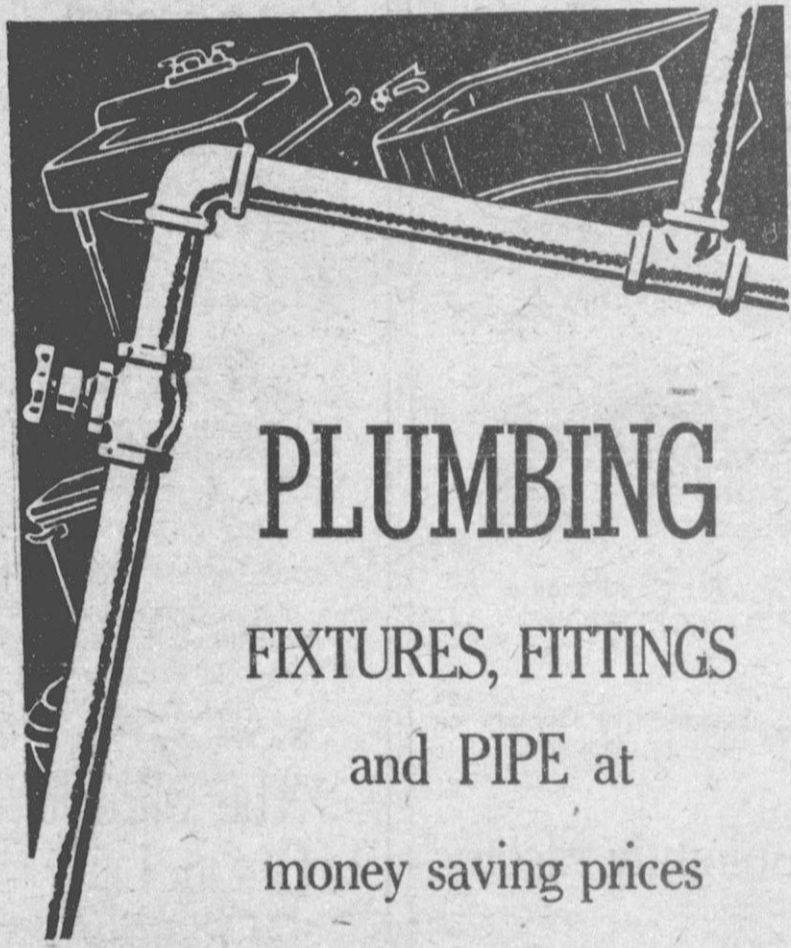

Father Christopher Paladino, coach, reveals that a mix-up in the schedule has been corrected and the revised schedule for the last three games is as follows: May 2, Boys Ranch, there May 4, St. Mark's, there May 7, Laneri, here

Mrs. Lucy Jensen of Canon City, Colo., is here for a visit with her sister, Mrs. J. M. Weinzapfel and family.

36 Four-H Girls Merit Ribbons in Easter Dress Show

Thirty-six girls of the local 4-H clubs entered the Easter parade dress review in Gainesville Saturday and 36 came home with ribbons for their sewing accomplishments.

The girls gathered up four blue ribbons, 24 red ribbons and six white ribbons in three different age groups. Dresses were judged first for construction and then on the girls.

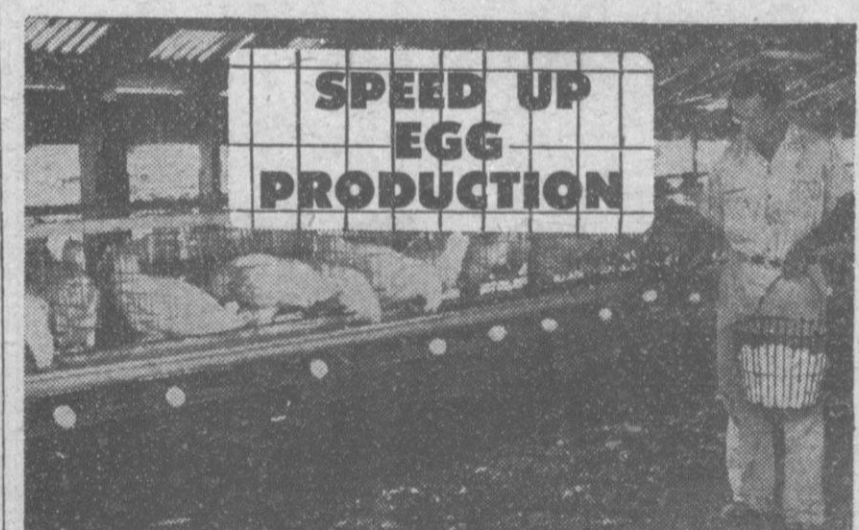

Blue ribbon winners from Muenster are Jean Wieler, Phyllis Schmitt, Kathleen Pagel and Patsy Bayer.

Red ribbons were won by Betty Fisher, Jeannette Muller, Eunice Knauf, Charlotte Trubenbach, Carolyn Swirczynski, Patsy Lawson, Jane Hesse, Becky Mosman, Judy Lutkenhaus, Dolly Otto, Karen Endres, Theresa Fisher, Patsy Vogel, Joannie Herr, Rosemary Walter, Lillian Fisher, Mary Walterscheid, Suzanne Hesse, Vivian Swirczynski, Margie Flusche, Patsy Otto, Mary Lee Lawson, Betty Hoenig, Ruth Endres, Virgilla Schilling, and Nelda Bayer.

White ribbon winners included Jo Ann Sprengel, Margie Knabe, Helen Fleitman, Linda Yosten, Joan Hess, and Christine Fleitman.

New Parish Church

side aisles will allow additional emergency seating for special occasions, giving a crowded capacity of probably more than 1,000.

Pews, which are being installed this week, are blond oak harmonizing with the simulated ceiling beams and other overhead woodwork. Kneeling benches are also of oak with sponge rubber cushions under plastic covering. At the center aisle end of each pew is a grille boxed to the air-return outlets which lead to the return duct under the floor. The building is equipped with year-round air conditioning, and the

air, heated or cooled enters the church through outlets just below the windows and returns through the floor at the center aisle.

Outside construction of the church is cream colored brick and the inside is shell stone of the same shade. Temporary windows are of amber stained frosted glass, and are to be replaced eventually by art glass windows. Members of the parish will have the opportunity to contribute these as memorials.

The rugged simplicity carried out in the building itself applies also to the main altar which is made of fine buff colored marble on a platform of buff and dark green marble. Identified as a liturgical altar, it is extremely plain, topped by only the tabernacle and candle holders with possibly a few floral arrangements. Decorations in the balance of the sanctuary will also be held down to a minimum. Little provision is made for statues and flowers.

Floors are of terrazo throughout, the predominant color of

light green being relieved by bands of buff and black. Doors are of heavy oak with rugged brass hardware. Lighting fixtures, 14 of them, are all especially designed from aluminum and brass. Suspended about 15 feet above the floor, they cast a soft even glow throughout the building.

A huge modernistic relief statue of Christ adorns the tower above the front entrance. At the top of the tower, out of sight except from a distance, are four amplifiers which send out sounds from a high volume record player in the sacristy.

The new bell machine replaces the old bells and also serves for broadcasting chimes and hymns for special occasions.

Outside work completed at the church a few weeks ago is beginning to show up now as a result of generous watering. Bermuda planted as sprigs by the local SCS unit is well established and starting to spread. Rose beds and shrubs are also showing progress.

The new church is the fourth to be built since the parish was established in 1889. Two were destroyed by storms before the former red brick structure with towering steeple was built in 1898 at a cost of \$25,000. It lasted 50 years, being vacated after Christmas 1948 and torn down in the early weeks of '49.

With a good foundation that building probably would have served for many years more, and special efforts were made to see that the former mistake was not repeated. The new church has solid rock footing throughout and its basement, in which the heating and cooling equipment is located, goes through more than 20 feet of solid rock. According to the architect and contractor this church is built to last for centuries.

No One Injured in Main Street Crash

A crash in front of church after the 6 o'clock mass Wednesday morning resulted in considerable damage to two cars but no personal injury.

Swerving to avoid another vehicle Weldon Doty skidded into the rear of a parked car owned by Clarence Matula. Damage to Doty's car is about \$200, to Matula's is about \$75.

Blessed Events

Here's that boy! The eight pound 11 ounce son of Mr. and Mrs. Ervin Fuhrmann of Lindsay. He arrived at the Muenster Clinic at 10:30 a.m. Wednesday, April 14. Also welcoming him are his three sisters. His grandparents are Mr. and Mrs. Mike Fuhrmann and Mrs. H. P. Stoffels.

Mr. and Mrs. Townsend Miller of Austin announce the birth of a nine pound daughter Friday, April 9. They have two other children, a boy and a girl. Mr. and Mrs. Joe Swirczynski, Muenster, and Mrs. Helen Miller of Gainesville are the grandparents. Mrs. Miller is in Austin for a visit with her son and family.

Mr. and Mrs. Bill Crow of Archer City are the parents of a nine pound eight ounce boy, their second child, born Tuesday, April 13 at 4:30 a.m. in Archer City Hospital. Others welcoming the new arrival are his sister Becky and his grandparents, Mr. and Mrs. Bill Derichsweiler of Muenster, and Mr. and Mrs. Jim Crow of Holliday.

Confetti - - -

We'd like to know the reason why the world is so generally messed up we need only to compare conditions and policies with the ideals symbolized on Calvary. Our so-called Christian world of a few decades ago was a long way from that set of ideals. Injustice, cruelty, dishonesty, exploitation and various other evils made millions of human beings easy victims to the honeyed words of unscrupulous reeds. They were groping for a better life and communism supplied visions of Utopia. Before they knew what was happening they were hooked, as many are still being hooked today. Communism, you know, thrives on misery, and it could never have started if Christian nations had been more faithful in applying their basic principles.

All of which seems to suggest that the threatened world conflict is only one of the two struggles the Christian world will have with the red menace. The contest of ideals is just as important as the contest of arms. The spirit of Christ as well as the fervor of the crusaders will be needed to get the world back in order.

Primarily Holy Week has a supernatural significance, the restoration of mankind to Divine favor through the sacrifice of the Son of God. But it's significant on the natural level as well, in that Christ laid down the most perfect set of rules for human behavior that the world has ever known.

Communists scoff at that, claiming that men should discard Christianity because it has failed them. The real answer, however, as thinking people are very much aware, is that too many people have failed Christianity.

Lindsay News

Mr. and Mrs. W. R. Bump and family have moved from Irving to Arlington where they are settled in their new home. Mrs. Bump is remembered as the former Miss Anna Kupper.

Guests this week of Mr. and Mrs. John Hess and family are her nephew and niece, Mr. and Mrs. Melvin Bischoff and daughter, Mary Veronica, of Louisville, Ky.

PFC Wilfred Hess writes that he has a new job at Camp Polk, La. He's in the motor pool as foreman, dispatcher and bookkeeper.

RELAX SOUND SYSTEM GETS COMPLETE OVERHAUL

Sound mechanism at the Relax Theatre got a complete overhaul during the past week, and according to George Letson, owner, is second to none anywhere.

Ralph Ingraham, sound engineer for Altec Service Corporation, Dallas, spent several days here going over equipment making changes and improvements.
