Fast continued cold Friday night. Saturday partly cloudy, not so cold. Temperatures 15-22 South Plains and Panhandle and 30-32 elsewhere Friday night. Maximum temperature Thursday 79 degrees; minimum Friday 19 degrees.

Ellenburger Wildcat Set For C-W Midland

Magnolia Petroleum Company is to start operations at once at its No. 1 JoJo Parks, which is projected to 13,500 feet to explore the Ellenburger in Central - West Midland County.

The prospector will be one, and one-half miles west of the same company's No. 2 Roy Parks, the opener of the Parks-Ellenburger field, and four and one-quarter miles south and a little west of the Texas Company No. 1 Schaubauer, the discovery well and up to now the only producer in the Warfield-Ellenburger field.

CSOC Spots Deep Test In NW Ector

Cities Service Oil Company and associates No. 1-H Cummins is to be a 10,500-foot wildcat in Northwest Ector County to explore into the Ellenburger.

The prospector is located 674.6 feet from west and 861.1 feet from south lines of section 20, block 45, T&P survey, T-1-N, and six miles north of the town of Notrees.

That puts the exploration more than one mile north of the closest completed oil well on the north side of the TXL field, and slightly more than that distance west of the shallow production on the west side of the Goldsmith field.

Drilling is to start immediately.

Explorer Spotted In W-C Glasscock

John Y. Francis of Midland has filed an application with the Railroad Commission of Texas to drill his No. 1 W. H. Clark as a 4,000-foot wildcat in West-Central Glasscock County, six miles west of Garden City.

The venture will be 330 feet from north and west lines of section 12, block 35, T&P survey, T-4-S.

The projected destination should take the project into the upper Permian.

North Pecos Area Gets Three Projects

Locations have been spotted for three wildcat explorations in North Pecos County.

Curtis R. Inman of Midland will drill his No. 2 Umcker as a 1,475-foot cable tool wildcat 330 feet from north and west lines of section 15, block 10, H&GN survey.

That makes drillsite 10 miles southwest of Imperial.

Hal C. Peck of Midland staked location for his No. 1 Coldeen, which will be drilled as a cable tool test to 2,750 feet.

Location is 380 feet from southwest and southeast lines of section 9, block 10, H&GN survey.

This venture will be drilled to 1,125 feet with cable tools. Drillsite is 20 miles northeast of Fort Stockton.

Producer Added To Sweetie Peck Field

Potential has been filed with the Railroad Commission of Texas for the sixth Ellenburger producer in the Sweetie Peck field of Southwest Midland County.

The new well is Benson-Montini, Inc., No. 1-E Josie Faye Peck, 500 feet from east and north lines of southeast quarter of northeast quarter of section 20, block 41, T-4-S, T&P survey.

It was completed for a daily potential of 730.87 barrels of 52-gravity oil flowing through a one-quarter-inch choke.

Production is coming from perforated casing opposite the Ellenburger at 13,160-13,300 feet. Pay was topped at 13,155 feet and total depth of the oil is 13,307 feet.

Gas-oil ratio on the completion test was 849-1. A packer was used in the casing. Tubing pressure was 950 pounds. The perforations were washed with 5,000 gallons of acid. The completion test showed no signs of water.

Ellenburger Topped In Midland Venture

W. W. Cumberland and Ted Weiner, et al, No. 1 Powell, North-east Midland County wildcat, two miles northeast of the discovery well of the Germania-Spraberry field, topped the Ellenburger at 11,760 feet, on an elevation of 2,665 feet.

The prospector had reached 11,795 feet in lime and was making more holes. At 11,795 feet the project had not logged any signs of oil or gas in the Ellenburger.

It is to continue drilling until it finds oil or water in the Ellenburger. Should it fail to make an oil well, in that formation operators probably will plug back to the Spraberry section and try to com-

Holiday Fatalities Total 189

By The Associated Press
The nation counted a record-breaking number of accidental deaths over the Thanksgiving holiday.

A crash on the Long Island Railroad Thanksgiving Eve, killing 77 persons, was the main factor in boosting the toll to a new high for the holiday.

A survey showed a death toll of 189, surpassing last year's total high of 181. It also was far ahead of the 114 accidental deaths in 1948; 128 in 1947 and 83 in 1946.

Traffic accidents this year took the lives of 85 persons—as compared to a record 84 on Thanksgiving Day last year. But the collision of two jammed trains on Long Island brought up the toll. In addition, there were 28 other fatalities listed under miscellaneous causes—shooting, fires, drownings and other causes.

The survey covered a period from 6 p.m. Wednesday to midnight Thursday, local time. It included only persons killed instantly or dying of injuries suffered in accidents during those hours.

The nation's traffic deaths for the first nine months this year totaled 24,580, or 90 every 24 hours. These figures included deaths oc-

Santa Definitely Confirms Date In Midland Tuesday

Santa Claus definitely will be in Midland Tuesday evening.

The beloved old gentleman from the North Pole Friday advised Midland Jaycees he felt fine after a day of rest and a big Thanksgiving dinner. He said he plans to start his long journey to Midland late Saturday. He will attend Sunday School and church somewhere en route Sunday, and will arrive here about 6 p.m. Tuesday.

In Midland, he will ride in the spectacular parade being arranged in his honor by the Junior Chamber of Commerce, Goodrich Hotel, parade chairman, said the procession, including more floats than ever before, will start moving promptly at 7 p.m.

Midland will launch its official opening of the Christmas shopping season at 6 p.m. Tuesday, when street lights will be turned on, store windows unveiled and the Treasure Hunt launched.

Chamber of Commerce Manager Delbert Downing Friday reminded Midland and area residents that Monday is the last day to obtain Treasure Hunt tickets from Midland merchants.

Murray Re-elected President Of CIO

CHICAGO—(AP)—Philip Murray was re-elected to his eleventh term as CIO president by acclamation Friday.

The action sent Murray into his second decade as head of the nation's second largest labor organization, claiming some 8,000,000 members.

The election of officers was a windup feature of the CIO's twelfth national convention.

★ LATE NEWS FLASHES ★

ABILENE—(AP)—Abilene Christian College will play Gustavus Adolphus College in the Refrigerator Bowl at Evansville, Ind., December 2, Coach Garvin Beauchamp of ACC announced Friday afternoon.

WASHINGTON—(AP)—The State Department Friday disclosed that the United States has proposed to a dozen other governments a seven-point Japanese peace treaty plan. It includes a proposal that America and "perhaps other forces" assume post-treaty responsibility for Japanese security.

WASHINGTON—(AP)—The Interstate Commerce Commission Friday ordered an immediate investigation of the Thanksgiving Eve wreck on the Long Island Railroad near Jamaica, N. Y., with public hearings to start at 10:00 a.m. Saturday.

STRASBOURG, FRANCE—(AP)—France Friday offered to merge her army in a supranational European defense organization which would include German units. French Foreign Minister Robert Schuman, who made the offer at the European Consultative Assembly here, said there were no strings attached.

A BLACK CAT WAS THE CAUSE OF IT ALL—Motorist Gene Bengel of St. Louis, Mo., above, is convinced that it's true what they say about black cats. Bengel was driving along, minding his own business, when a black cat, being chased by an eight-point buck, darted out of the weeds into the path of his car. Bengel missed the cat, but killed the deer, and now has a \$200 repair bill for his damaged fender.

Donald McLaughlin To Address AIME Meeting In Midland

Donald H. McLaughlin, president of the American Institute of Mining and Metallurgical Engineers, will address a meeting of the Permian Basin Section of that organization in Midland Saturday night.

McLaughlin, who lives in San Francisco, Calif., is president of the Homestake Mining Company and is a director in a number of mining and financial concerns.

His subject for the Saturday night address will be "Our National Mineral Policy."

Following McLaughlin's address, new officers for the Permian Basin Section of the AIME will be elected.

The meeting will be held in the American Legion Hall.

It will open at 6 p.m. with a social hour at which Dowell, Inc., will be host. A barbecue dinner will be served at 7 p.m.

Open To Public

The meeting is open to the public. Charge for the dinner will be \$2.00 per person. Advance reservations should be made with Joe Chastain at his office at Bethlehem Supply Company in Midland.

CAP Planes Seek California Trio

PHOENIX, ARIZ.—(AP)—A dozen Civil Air Patrol planes flew over a triangular area of Western Arizona between Phoenix, Tucson and Blythe, Calif., Friday in search of a missing plane with three Californians aboard.

The missing Piper Cruiser monoplane was due to land Thursday at Tucson after a hop from Blythe. It was believed bound for Gainesville, Texas.

The missing fliers are Homer Milner, employe of an auto company at Lancaster, Calif., where the flight began; and Sidney Sebastian and Jack Klingler, both employes of United Aircraft at Muroc, Calif.

Human Failure Said Cause Of Disaster In Which 77 Died

NEW YORK—(AP)—Gov. Thomas E. Dewey said Friday preliminary evidence indicates "a human failure" was the cause of the Thanksgiving Eve Long Island Railroad wreck which took 77 lives.

The toll stood Friday at 77 dead and 332 injured. With three score victims still in hospitals and 15 of them in critical condition, it was feared the death list would increase.

Dewey, who cut short a Florida vacation to lead one of the several investigations of the wreck started Friday, made his statement after a meeting with the State Public Service Commission.

As the governor spoke there were demands for quick action by national, state and city officials to put an end to the carnage on the Long Island. It was the second major disaster in a year on the railroad.

Speeds Through Signals

Dewey said commission findings showed the express which plowed into the rear of a stalled train had passed through one warning signal and one stop signal at full speed of between 60 and 65 miles per hour.

The warning signal was a mile and a half from the scene of the accident.

Stressing that the investigation had "just started," the governor declared: "Whatever the causes, human or mechanical, the situation on the Long Island Railroad is utterly intolerable."

"I propose to take every step necessary and possible to make it a safe railroad at the quickest possible moment."

One hundred ten persons have died in the two wrecks this year.

While Dewey was meeting with his commission, Mayor Vincent Impellitteri went into conference with his Fact-Finding Board at Gracie Mansion. The mayor also had cut short a vacation and flown home from Cuba.

Veep Leaves Hospital For Birthday Party

WASHINGTON—(AP)—Vice President Barkley is celebrating his seventy-third birthday by going home to his apartment from Naval Hospital for a few hours Friday, but he won't have a birthday cake.

Barkley was reported "feeling fine" but planned to return to the hospital later in the day.

Two days ago he announced he was entering the hospital to have a general physical checkup for the first time in ten years.

Buying Burst Sends Stocks To New High

NEW YORK—(AP)—An opening burst of buying swept the stock market to another 20-year peak Friday.

Leading issues advanced as much as \$1.50 or so a share before the most urgent demand was satisfied. Chemical and motor stocks made a better than average showing.

It Was Cat, Not Santa, In Chimney

Mr. and Mrs. M. C. Ulmer, 111 North C Street, early Friday thought Santa Claus was paying them a pre-Christmas eve visit.

They were awakened about 4 a.m. by loud noises emanating from the chimney in their home.

Investigation disclosed it wasn't Santa Claus, but rather a cat which somehow or another had fallen down the chimney. The cat later was rescued.

Dry Cold Grips All Of Texas

By The Associated Press
A dry norther swept across Texas into the Gulf of Mexico Friday, tumbling temperatures to freezing or below over more than half the state.

The U. S. Weather Bureau said the chilling weather would last at least through Saturday.

The only sign of relief was a forecast of "not so cold" for West Texas and the northwest portion of East Texas. Much colder weather was predicted for South Texas, with temperatures Friday night of 24-30, except 32-36 on the coast and in the lower Rio Grande Valley.

The cold wave roared into the Texas Panhandle early Thursday and rode fast across the state on winds reaching as high as 42 miles an hour.

Behind the front in the Midwest states, snowfalls as deep as nine inches were reported. But the predicted snow flurries for Texas failed to materialize.

Temperatures sank to 12 degrees before dawn at Dalhart, in the upper Texas Panhandle. Other minimums included 13 degrees at Amarillo, 14 at Lubbock, 15 at Wichita Falls, 16 at Childress, 19 at Midland, Big Spring and Sherman, 20 at Mineral Wells and Abilene and 25 at Texarkana.

The freezing temperatures ranged well into Central Texas, with Waco recording a low of 27 degrees. Brownsville, in the most southern tip of Texas, had the warmest minimum—41 degrees.

The north's blustery winds gave firemen at Dallas and in the Big Spring area some trouble.

Dallas County firemen fought 122 grass fires Thursday. An assistant fire chief figured it was the worst day for grass fires in 25 years.

Fires fanned by the winds caused \$40,000 damage in the Big Spring area to the Morehead and Mead Warehouse, the Farmers Oil near the Knott Community and the Lomax Gin, 12 miles southwest of Big Spring.

Army Names 14 Of American Prisoners Released By Chinese

WITH AMERICAN TROOPS, NORTH KOREA—(AP)—The Army has released the names of some of the 27 American soldier prisoners freed unharmed by Chinese Red troops Tuesday night in North Korea.

The names had been withheld from the Army pending the notification of next-of-kin. Under Army practice, prisoners of war are listed as casualties and the notification procedure is followed.

Names released were: Pfc. Jack Armstrong, Birmingham, Ala.

Sgt. Alonzo L. Pinson, Williamson, Va.

Pfc. Donald D. Campbell, Beaufort, N. C.

Pvt. Peter V. Bussatti, The Bronx, N. Y.

Cpl. Raymond E. Robinson, Wilmington, Del.

Pfc. Edward A. Tallabas, Phoenix, Ariz.

Pfc. John A. Palma, Brooklyn, N. Y.

Sgt. Samuel J. Cleckner, Fort Lewis, Wash.

Pfc. Johnny R. Phillips, Brave, Pa.

Cpl. Loren Ferris, Lowell, Mass.

Cpl. Leonard Hamm, Somerset, Ky.

Sgt. Jesus G. Gonzales, El Paso, Texas.

Jon H. Willson, Savannah, Ga.

Cpl. William D. Hinds, Central, N. M.

UN Launches All-Out Drive To End War

TOKYO—(AP)—United Nations forces attacked Friday on all wintry fronts in a powerful bid to end the Korean war by Christmas. They advanced as much as eight miles.

The attack began in bitter cold. Like a pair of ice tongs, it was aimed at squeezing the Reds from two widely-separated sides. It cracked unconfirmed peace rumors.

One hundred thousand men were arrayed in the UN surprise offensive on the long-quiet northwest front, 45 to 60 miles south of the Manchurian border.

General MacArthur went to the front to direct the kickoff. Then boldly he flew over Red territory and along the Yalu River border enroute to Tokyo. He announced everything was going "according to schedule."

The UN commander said "new Red armies" had joined the estimated 100,000 Chinese and North Korean troops in the mountains of the northwest. Front-line dispatches said they put up little fight along the 80 mile northwest front—or none at all.

MacArthur reported "stubborn but failing resistance." Presumably he referred to the snow-mantled northeast front, the right arm of the giant pincers.

Initial Losses Light

The supreme commander said UN losses in the first day of the massive offensive were "extraordinarily light."

The roar of warplanes—flying cover for the advancing troops and blasting Red strongholds—dominated talk of a negotiated peace which blossomed Thursday. The planes left two key cities in flames. MacArthur flew over both—Sinuiju and Kanggye—as fighters flew protection cover for him from the ground up to 35,000 feet.

Before leaving the front, MacArthur told his field generals: "Tell the boys when they reach the Yalu they are going home. I want to make good on my statement that they are going to eat Christmas dinner at home."

He did not elaborate.

MacArthur said the big push began with the morale of troops high—bolstered by "the justice of our cause and promise of early completion of our mission."

The major attack is along the

(Continued On Page 16)

Chest Drive At \$41,553

Midland's 1950 Community Chest campaign Friday totaled \$41,553, which is \$3,832 short of the \$45,386 quota.

Friday's report showed a gain of \$109 over Thursday's \$41,244.

Here is a breakdown of the \$41,553 Friday report: Big Gifts \$10,633; Ranchers \$2,810; Office Buildings \$6,256; Non-Resident Corporations \$7,280; Business District \$7,790; Terminal \$208; Public Buildings \$5,500; Residential \$2,781; Schools \$805; Lawyers \$1,811; Doctors \$690; Negroes \$265; Latin Americans \$115.

Double Rites For Father And Son

Double funeral rites for Levi and Gene Roush, father and son, will be held at 11 a.m. Saturday in the Newnie W. Ellis Chapel. Interment will be in Resthaven Park.

They were killed in a Thanksgiving Day traffic crash at Garden City.

The father was born Oct. 12, 1891. He was a driller for the Criswell Drilling Company and resided at Big Lake.

The son was born Oct. 14, 1920. He was an employe of the Buchanan Drilling Company and resided at Midland.

Survivors include: Levi's widow of Big Lake; two sons, Bill of Midland and Jim of Pampa; a daughter, Mrs. Gertrude Bourland of Tulsa; Gene's widow of Midland; his son, David Gene; and a daughter, Diane Kay.

Chinese Commies Release 30 Wounded American Prisoners

They were given good treatment, the best the Chinese could offer, the prisoner said. They also were given some medical care.

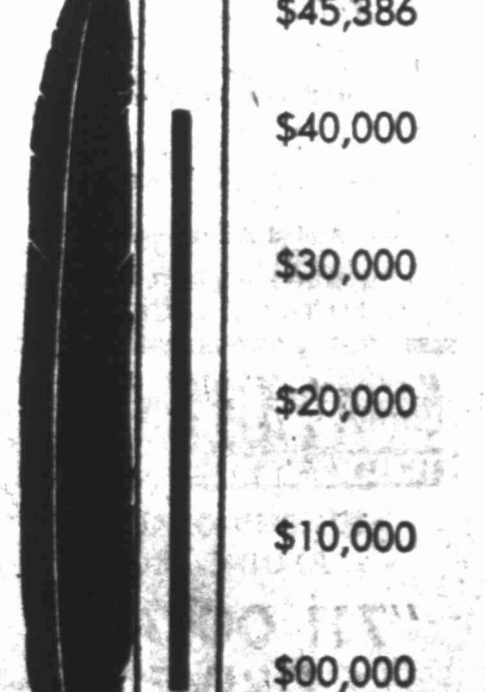

One man was operated on by a Chinese doctor who removed shattered pieces of bone from his leg.

The Chinese told the Americans they believed the South Koreans had invaded North Korea and that the Americans intended to cross the Manchurian border.

The prisoners were not given political lectures as were the men in the group of 27.

The 30 men were moved by ambulance to the rear late Friday and evacuated by plane to a hospital.

Gift Thermometer

WHOLESALE FOOD PRICE INDEX SOARS HIGHER

NEW YORK—(AP)—The Dun & Bradstreet wholesale food price index this week advanced to \$6.63—highest level since September 19, when it was \$6.67.

The index was five cents above last week and compared with \$5.74 a year ago. The low since the Korean war was \$5.48 on October 19.

Casualties in Korea

WASHINGTON—(AP)—The Department of Defense Friday announced the names of seven Texans killed in action, seven wounded and four missing in Korea.

The listing comprised Korean casualty lists Nos. 159 and 160. Killed in action (Army): Cpl. Gene A. Campbell, Fort Worth; Cpl. Weldon G. Turner, Rotan; Pfc. Clarence E. Fairrow, Brownwood; Pfc. Cristobal Lopez, El Paso (previously reported missing); Cpl. Lloyd S. Minter, Jr., Houston; Pfc. Jack W. Morgan, Alagoa.

Killed in action (Marine Corps): Pfc. Secundino V. Olivares, San Antonio.

Wounded (Army): Sgt. Agapito R. Castaneda, El Paso; Sgt. 1/c Billie Cowan, Copperton; Cpl. Harold D. Haun, Lyford; Cpl. Ray C. Martin, Jr., Poyte.

Wounded (Marine Corps): Pfc. Bobbie D. Adkins, Lubbock; Pfc. Leon B. Anders, Kemah; Cpl. Thomas E. Aylsworth, Houston.

Missing in action (Army): Cpl. Jack R. Salmon, Houston; Cpl. Augustin Trevino, Jr., Victoria; Pfc. James R. Wells, Mineola; Pfc. Eddie V. Harris, Cameron.

Some 5,000 natives of the Ryukyu islands now worship at 25 Christian churches of various denominations.

Are You Getting ALL THE FUN OUT OF LIFE?

Or losing out due to a lack of Vitamins B1, B2, Iron and Nicotin!

Tired, run-down, below par, getting up each morning dreading the coming day, due to a lack of Vitamins B1, B2, Iron and Nicotin? Thousands like Mrs. Clemons are relieving the real cause of their trouble, due to such deficiencies, with today's great Hadaacol.

Mrs. Lelear Clemons, Route 3, Box 188, Williamson, N. C. says: "Before I had taken any Hadaacol, I had heard of it, no one could have told me that I would be able to work again or take on household duties. Now I am suffering from aches and pains. I also was unable to attend my church and visit friends because I was always tired and in a run-down condition. But since I have taken several bottles of Hadaacol, I can tell you the truth, I am much livelier, my aching has all gone, I can get up early and start on my household duties. Now I can attend church and feel better. I only wish I had discovered it a year ago. I will certainly pass this on to my friends because I'm proud to be happy again and be a user of Hadaacol."

Trial size bottle, \$1.25; family or hospital size, \$3.50. Only Hadaacol gives you that "Wonderful Hadaacol Feeling!"

It Might Be 'Hi Yo, Silvertop' Since Stanwyck Plans Western

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD—I've got Barbara Stanwyck's word for it that Robert Taylor's legs—in case anybody's worried about them—are just jingling in "Quo Vadis."

Barbara isn't saying how they'll stack up to Errol Flynn's shanks when he slips on the lights or to Lex Barker's muscled calves when he swings on those jungle vines.

"All I can say," she told me, "is that Bob's legs are very good in the picture. I saw them and I know."

Take it from Barbara, just any movie profile king couldn't put on the short above-the-knee costumes that her hubby wears in the \$7,000,000 epic and get away with it.

Nothing's been that brief in the line of skirts since Clara Bow Charlestoned her way through Elmer Glynn's "It" back in the silent era.

"Bob was concerned about his legs, all right," Barbara dead-panned. "Believe me, he has nothing to worry about."

She didn't spend much time looking over the director's shoulder in Rome while her better-half emoted in MGM's saga of Christians and lions tussling in the Roman arenas.

It was blazing hot in the city that Ingrid Bergman, Roberto Rossellini and Anna Magnani call home. Shudders Barbara:

"They were shooting scenes with lions and bulls. Everything smelled to high heaven."

"Hi Yo, Silvertop?"

The Italians gaped at Barbara's gray hair and some newsmen described it in print as her "silver top."

Barbara gave them the straight of it on her Mother Machree locks.

"I told them it-just got gray. I hate bleached hair. I just loathe it. Some people tell me I ought to do something about my gray hair. Good grief, why?"

She says she'll do as many as they pitch at her, because "I get tired sitting around."

Her business manager can yell about higher income tax brackets until the cows come home.

"Oh, Hades, so you give the money to the government," Barbara reasons. "Look, I work to improve myself and to make pictures with certain people. Not that I'm an angel with a halo around my head. Sure, I'd like to keep the money, too. Who wouldn't?"

Wants To Go Western

Right now she's pining to go galloping across the plains as a wild west Duse.

"I don't mean the little gal who's left behind at the old rancho and waves goodbye to the men. No, something like 'The Furies' with shooting and carrying-on."

"Let's see. I've done two other westerns. 'Annie Oakley' at RKO years ago and 'California'. I was crazy to do 'Belle Starr' but Zanuck fired me before I could get a chance at it."

"Once in a while you have to depart from pictures like 'Double Indemnity' and 'Thelma Jordan'—the ones where you're screaming and hollering and falling down steps."

Except for hankering for at least one whack at being a Maizie of the mesa once in a while, Barbara has no blueprint for the future.

"I just want to act," she sighs. "I just want to try to learn something before they finally shoot me."

Her maid tagged her "Missy," she explains, and most people call her that.

"But Bill Holden calls me 'The Queen.' And Errol Flynn calls me Babs. That last one sends me straight to the showers."

Video producers are adopting Hollywood's old trick of dialogue written on out-of-camera range blackboards for forgetful stars in his declining years, the late John Barrymore always demanded a blackboard for difficult passages of dialogue. He refused to be chided about it, explaining:

"There hasn't been a line of dialogue written since Shakespeare that's worth memorizing."

She photographed as blonde as Clark Gable's Sylvia when she co-starred with Gable in "To Please a Lady" and she'll be hornswoggled if she'll dip her tresses into the dye vats for a Lucille Ball pink or a Rhonda Fleming red.

Last time Barbara batted her eyelashes at Gable was when he was a Mr. Nobody back in 1933 in a picture titled "Night Nurse."

"Clark had a stinking role," she chuckles. "He played a chauffeur. The picture made him a star, though. The day it opened at the Strand Theater in New York, it was my name and Ben Lyon's on the marquee. The second day they changed the lights to read, 'With Clark Gable.' On the third day, it was Stanwyck and Gable. The fourth day all you could see was CLARK GABLE."

Barbara is a lass who's right in there pitching in front of the cameras when other movie queens are pleading shingles, anemia, virus and a plain-pooped-out state to producers who suggest it would be a good idea to do more than one picture a year.

She says she'll do as many as they pitch at her, because "I get tired sitting around."

Permian Basin Oil And Gas Log—

(Continued From Page One)
plete it as a producer from that zone.

There were some shows of oil and gas in that horizon. No other noticeable signs of petroleum have been logged since the wildcat drilled through the Spraberry.

It took a drillstem test at 11,555-745 feet, which covered the Montoya and the top five feet of the Ellenburger.

The tool was open three hours. Recovery was 780 feet of salt water, 360 feet of salt water cut drilling mud and 200 feet of drilling mud. There were no signs of oil or gas.

Location is at the center of the southwest quarter of the northwest quarter of section 4, block 36, T&P survey, T-2-S. That makes the wildcat 13 miles east and slightly north of the city of Midland.

Scurry Indicator To Try Completion

Operator is running five and one-half-inch casing and is to attempt a completion at Amerada Petroleum Corporation No. 1 Houston, indicated Ellenburger discovery in South-Central Scurry County.

A four-hour drillstem test in the Ellenburger, which was topped at 7,784 feet, minus datum point of 5,556 feet, developed 1,480 feet of clean oil plus 360 feet of heavily oil and gas-cut mud.

That test was taken over the interval from 7,773 to 7,819 feet. Operator deepened to 7,845 feet and took another four-hour drillstem test. A medium blow of air was to the surface for five minutes and gas surfaced in five minutes and died in 10 minutes. A medium blow of air was at the top during the rest of the test. Recovery was 180 feet of water-cut drilling mud and 7,360 feet of sulphur water with no shows of oil or gas.

Location of the possible discovery is 509 feet from north and 856 feet from west lines of section 4, block 1, J. F. Smith survey.

Brady Men Named T&GRA President

PORT WORTH—(AP)—The new president of the Texas Sheep and Goat Raisers' Association is Frank Roddie, Brady ranchman and warehouseman.

Roddie was elected Thursday. Johnnie Williams of Sanderson was named first vice president and Penrose Metcalf of San Angelo second vice president.

Mr. and Mrs. Harold Shaw, 705 North Weatherford Street, on the birth Thursday of a son, Darrell Dupree, weighing seven pounds, nine ounces.

HERE FROM TCU
David Dickinson, a senior student at Texas Christian University, Fort Worth, is spending the Thanksgiving weekend with his parents, Mr. and Mrs. H. B. Dickinson.

HOLIDAYS WITH PARENTS
Billy Hill, a junior at Hardin-Simmons University, is spending the Thanksgiving holidays here with his parents, Mr. and Mrs. M. C. Hill. Billy is a member of the famous H-SU Cowboy Band.

WILL MEET SATURDAY
A listening party for the California-Stanford football game will be held at 4 p.m. in the Officers Club at Midland Airpark. All graduates and former students of the schools are invited.

Cuffman To Attend Ag Teachers Meeting

J. R. Cuffman, a past president of the Texas Vocational Agriculture Teachers' Association, will attend the meeting of the American Vocational Association and National Vocational Agriculture Teacher's Association in Miami, Fla., Monday through Friday.

Cuffman, who is vocational agriculture teacher at Midland High School, will represent the agriculture teachers of Texas at the meeting. He will participate in panel discussions at the session.

Cuffman will leave for Florida from San Antonio, where he is attending the Texas State Teachers' Association convention this week-end. Other Midland teachers attending the convention are Inez Parker, Gwen Gordon, Mrs. Elsie Magee and Mary Lynn Cliff.

U. S. Chamber Asks Single Program For Future Foreign Aid

WASHINGTON—(AP)—The U. S. Chamber of Commerce says future foreign aid to foreign nations should be handled in a single program under which help can be extended "on a flexible basis to any part of the world."

The chamber said in a statement Thursday night present programs are not sufficiently unified, resulting in a waste of money and some duplication of effort.

It said, for example, that the Economic Cooperation Administration (ECA) is carrying on in Southeast Asia the same type of technical assistance which the "point four" program authorized by Congress last August is supposed to handle.

The chamber said a large cut in economic aid to Western Europe is now in order.

"It is clear that the economic rehabilitation of Western Europe is virtually complete," it said. "Nevertheless continuation of limited aid on some basis and on some scale may possibly be justified."

The statement was prepared by the chamber's Foreign Commerce Committee headed by Richard L. Bowditch, president of C. H. Sprague & Son Co., Boston.

Alpha Psi Party Honors Rushees

The Alpha Psi Chapter of Epsilon Sigma Alpha held its model meeting to entertain rushees Tuesday in the home of Pat Smith, 310 East Maple Street. Quincy Belle Fenstermaker spoke on "Home Decorating With Flowers."

Plans were discussed for the ESA float to be entered in the annual Christmas parade and also for the Christmas dance.

Rushees present were Nancy Caldwell, Peggy Bates and Tillie Womack.

Members attending were Beverly Holster, Betty Skraback, Ann Tolbert, Rosemary Kelenbach, Jima Lou Dunn, Bobbie Watson, Lelta Nicholson, Zeke Rabensburg, Sylvia Cearley, Bobbie Sidwell, Martha Glienewinkel and Pat Smith.

Lawyers Support Sheppard's Ruling On Duval Ballots

DALLAS—(AP)—Lawyers in at least three Texas cities are pledging themselves to help Secretary of State John Ben Sheppard if he's sued for refusing to accept write-in votes from Duval County in the 79th District judge's race.

A group of Dallas lawyers started a move Thursday to sign up a thousand attorneys for Sheppard. Lawyers also met at Fort Worth and planned to meet at San Antonio.

Sheppard last Wednesday threw out a top-sided write-in vote from Duval County and certified incumbent Judge Sam G. Reams as winner in the general election. The Duval votes—canvassed and reported by County Judge George Parr on the sixth day after the polls closed—would have given the office to State Rep. A. J. Vale.

Belled Cat Saves Lives Of Three

LANCASTER, PA.—(AP)—Ralph J. Lasky, his wife and her sister had something definite to be grateful for on Thanksgiving Day—the bell around the neck of the Lasky pet cat.

Mrs. Lasky's sister, Bertha Dorsett of Harrisburg, Pa., was aroused Thursday morning by the tinkling bell attached to the collar of the cat, "Billy."

The sister investigated and found "Billy" wandering about, groggy from smoke filling the apartment.

Mrs. Dorsett aroused her sister and brother-in-law. The three fled to the street but "Billy" perished in the blaze firemen said caused \$15,000 damage to a cafe beneath the Lasky apartment.

Experts Say Drive In Korea May Help Settlement Chances

By JOHN M. HIGHTOWER
WASHINGTON—(AP)—Diplomatic authorities said Friday the UN general offensive in Korea will not hurt and may boost any possible chances for a peaceful border settlement with the Chinese Communists.

The timing of the big push—which Gen. Douglas MacArthur called the drive to end the conflict—was decided on military rather than diplomatic considerations, according to these fully-informed authorities.

The fact that it was undertaken on the eve of the arrival of a Chinese Communist delegation at United Nations headquarters in New York was described as entirely coincidental.

Nevertheless, predominant opinion among Administration leaders appears to be that this show of strength and determination to achieve a complete victory in Korea may hasten any negotiations which the Chinese are willing to undertake on the question of an arrangement to protect their border interests.

Next Few Days Critical

As regards the long-standing uncertainty over what China's real intentions are, the next few days or hours are critical.

If the Chinese Reds, under Moscow pressure, intend to make an all-out fight against UN forces, they can be expected to begin pouring reinforcements across the Yalu River promptly.

On the other hand, if their intentions are less hostile, if they have been making merely a token show of assistance to the Korean Communists or have other limited objectives, they are expected to hold their main forces north of the border while their troops in Korea fall back under UN pressure.

They have insisted all along that their troops are only "volunteers." That may be a device to avoid direct and official involvement.

This insistence on the voluntary nature of the Chinese intervention is one of two main reasons why Administration officials have been and remain somewhat hopeful of an early and peaceful settlement in Korea.

The other reason is that during recent weeks the Chinese have not committed the large forces which they had available in Manchuria.

Tito Says Slavs Will Defend Freedom

BELGRADE, YUGOSLAVIA—(AP)—If attack comes to Yugoslavia, Premier Marshal Tito says, "our people would know how to defend themselves and would give up their independence only at a dear price."

Firmly, he told The Associated Press in a Thanksgiving Day interview that Russia and her communist satellites could not conquer Communist but independent Yugoslavia "except over our dead bodies."

Dressed in a dapper grey flannel suit, and chain smoking from a cigarette, the premier expressed his appreciation of American aid to his drought-stricken country. He said he hoped more would arrive soon.

Congress will shortly consider a bill proposed by President Truman to provide Yugoslavia with food worth between \$80,000,000 and \$100,000,000 to tide the country over until the next harvest.

Church Council Asks UN To Condemn Reds

CLEVELAND—(AP)—The American Council of Christian Churches said Friday the United Nations should condemn Russia as "unworthy of the association of freedom-loving people."

The council, meeting here in annual convention, represents 15 denominations. It expressed this view in a resolution adopted unanimously.

RANKIN MAN DIES AT HOME OF PARENTS

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, NOV. 24, 1950-5

J. H. Goins Is Guest Speaker At Breakfast

The Rev. J. H. Goins, pastor of the Bellevue Baptist Church was the guest speaker at a Thanksgiving breakfast held Thursday in the recreation hall of the First Baptist Church. E. F. Conner was master of ceremonies.

Decorations carried out the harvest and Thanksgiving theme. An arrangement of fruit on a silver tray formed a centerpiece on the table.

The group opened the program by singing "Thank You, Lord." Following the breakfast, Johnny Murray sang "Love of God," accompanied by Lynn Griffith. The responsive reading was given by the Rev. Vernon Yearby. George Walters led the group in singing, assisted by Mrs. N. P. Taylor, pianist. The program was concluded with a solo, "I Know a Name," by Duke Jimerson.

Contest Winners Are Announced

The winners of the Book Week contest, sponsored by the Midland County Library, have been announced.

Betty Barrett won first prize for her essay on the book, "Dolly Madison," by Barrett. Betty is in the fifth grade at North Elementary.

Runners-up were Mike Brady, who is in the third grade at North Elementary, and Johnnie Louise Houston, a fourth grade student at David Crockett Elementary.

Those entering the contest wrote essays on "The Book I Like Best." First prize winners received book tokens from the Book Stall and may pick out their own book.

The winner from the Carver School was Myrtle Rene Dancer from the fifth grade. She wrote on "Reddy Fox," by Burgess. Runners-up were George Jackson and Ralph Alexander Clemons.

Pi Beta Phi Has Meeting

The Pi Beta Phi Alumnae met Wednesday in the home of Mrs. C. E. Marsh.

Those attending were Mrs. E. F. Alstrin, Mrs. H. E. Chiles, Mrs. E. K. Dodson, Mrs. Charles Haynes, Mrs. J. K. Lydecker, Mrs. D. M. Oliver, Mrs. Leland Thompson, Mrs. W. C. Tillett, Mrs. J. E. Warren, Mrs. Jerry Cunningham and Mrs. Gary Laughlin.

Rankin WSCS Plans 'Family Night' Meet

RANKIN—Fourteen women heard the first discussion on the book, "The Christian Vocation," at a meeting of the WSCS held in the Methodist Church Monday afternoon. The study was led by Mrs. R. O. White.

The next study will be held in the church Tuesday night. This will be a "family night" meeting with husbands and children of the members invited to hear a panel discussion on the topic, "The Christian at Work." All church women and their families are invited to attend.

Do You Feel Half-Dead Listless, Worn-out?

Due to a Lack of Vitamins B1, B2, Iron and Nicotin!

Are you passing up chances to have fun, letting life pass you by, because you're tired, run-down, under the weather, due to a lack of Vitamins B1, B2, Iron and Nicotin? Thousands are getting back on the track by taking Hadaacol regularly to relieve the cause of trouble due to such deficiencies, like Mrs. E. A. Dotson, 2121 N. 11 St., Fort Smith, Arkansas, who says: "I am now on my 8th bottle of Hadaacol, which has proven a great help to me. I am 71, will be 72, the sixth of September. I was weak, run-down, could not eat. What I did eat hurt me, especially in the morning. Now I eat better, am stronger, do work I haven't done for years, feel fine. I recommend Hadaacol, a fine thing for elderly people." Recommended by many doctors. Only Hadaacol gives you that "Wonderful Hadaacol Feeling." Trial size bottle only \$1.25, large hospital or family size, \$3.50. Money-back guarantee.

Miss Schnaubert Is Shower Honoree

McCAMEY — Jostie Schnaubert, bride-elect of Harold Lewis Brown, was honored with a bridal display shower recently in the McCamey Park Building.

Hostesses were Mrs. Lloyd Bowden, Mrs. E. P. Halamick, Mrs. Marion Crow, Mrs. Arthur Freeman, Mrs. Preston House, Mrs. N. C. Dendy, Mrs. C. Ramsey, Mrs. R. L. Brown, Mrs. Jesse Russell, Mrs. N. C. House, Mrs. Fred Gibson and Joy Randall.

Mrs. Irene Nettleship, Mrs. Lloyd Bowden and Mrs. Harold Grigsby provided the music.

Those in the receiving line were the honoree, Mrs. A. F. Schnaubert, the honoree's mother, Mrs. Dendy, Mrs. Halamick, Mrs. Free-

man, Mrs. Ramsey and Mrs. Linton Brown. Mrs. Russell presided at the register. Mrs. Preston House and Miss Randall presided at the punch bowl.

The serving table was laid with a white cut-work cloth over pink and centered with a bridal arrangement of an arched gateway covered with roses and fern with intermingled hedge and flowers on either side of the path. A figurine of a girl was standing at the gate. On the gateway were the names, Jostie and Harold.

About 75 guests registered.

A normal growth is maintained by pygmies until they reach the age of seven or eight.

Literary Society Elects Midlander

AUSTIN—Emma Sue Cowden of Midland has been elected reporter of the Ashbel Literary Society at the University of Texas.

Membership in Ashbel is limited to 40 girls who have maintained a "B" average and have shown an interest in good literature.

A journalism student, Miss Cowden is a member of Kappa Alpha Theta social sorority. Her parents are Mr. and Mrs. Allen Cowden, Midland.

SUL ROSS STUDENT

Bill Pate, a senior student in Sul Ross College in Alpine, is visiting in Midland during the Thanksgiving holidays. He will graduate in January.

Study Club Has Round Table

A round table discussion on the subject, "Today's Homes Build Tomorrow's Citizens," was held by the Progressive Study Club Wednesday in the home of Mrs. A. A. Jones, 403 Holmesley Street. Mrs. Lindley Latham was moderator, assisted by Mrs. V. E. Hanes, Mrs. Haden Upchurch and Mrs. Pete Tyler who served as panel members.

Emphasizing the fact that it takes a good home to build a good citizen, the discussion centered around the elements which constitute such a home. It was agreed a good home offers a child love, security, religious training, comradeship and safeguards health. A good home also contributes to world peace and democracy, it was pointed out, by

teaching tolerance and by selling democracy.

In a short business meeting, it was decided to hold the club's annual Christmas party December 19 in the American Legion Hall. Those present were Mrs. W. E. Cox, Mrs. John H. DeFord, Mrs. R. A. Estes, Mrs. Donald N. Johnson, Mrs. John Z. Kimberlin, Mrs. John K. Lydecker, Mrs. E. A. McCullough, Mrs. Perry D. Pickett, Mrs. J. W. Thomas, Jr., Mrs. Thomas M. West, Mrs. W. B. Yarborough and Mrs. Hugh D. McCullough.

BAKE FISH FILLETS

Fish filets are good baked with salt, pepper, finely diced green pepper and onion and solid pieces of canned tomatoes.

Here today! THE '51 FORD STEPS AHEAD ... FOR THE YEARS AHEAD!

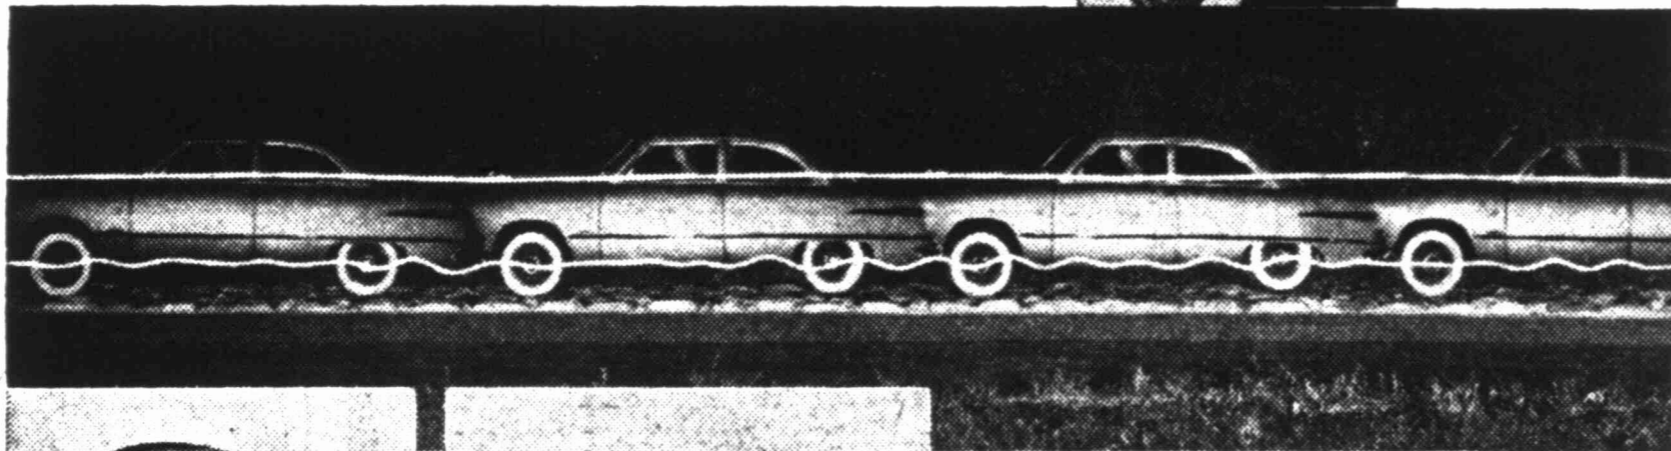

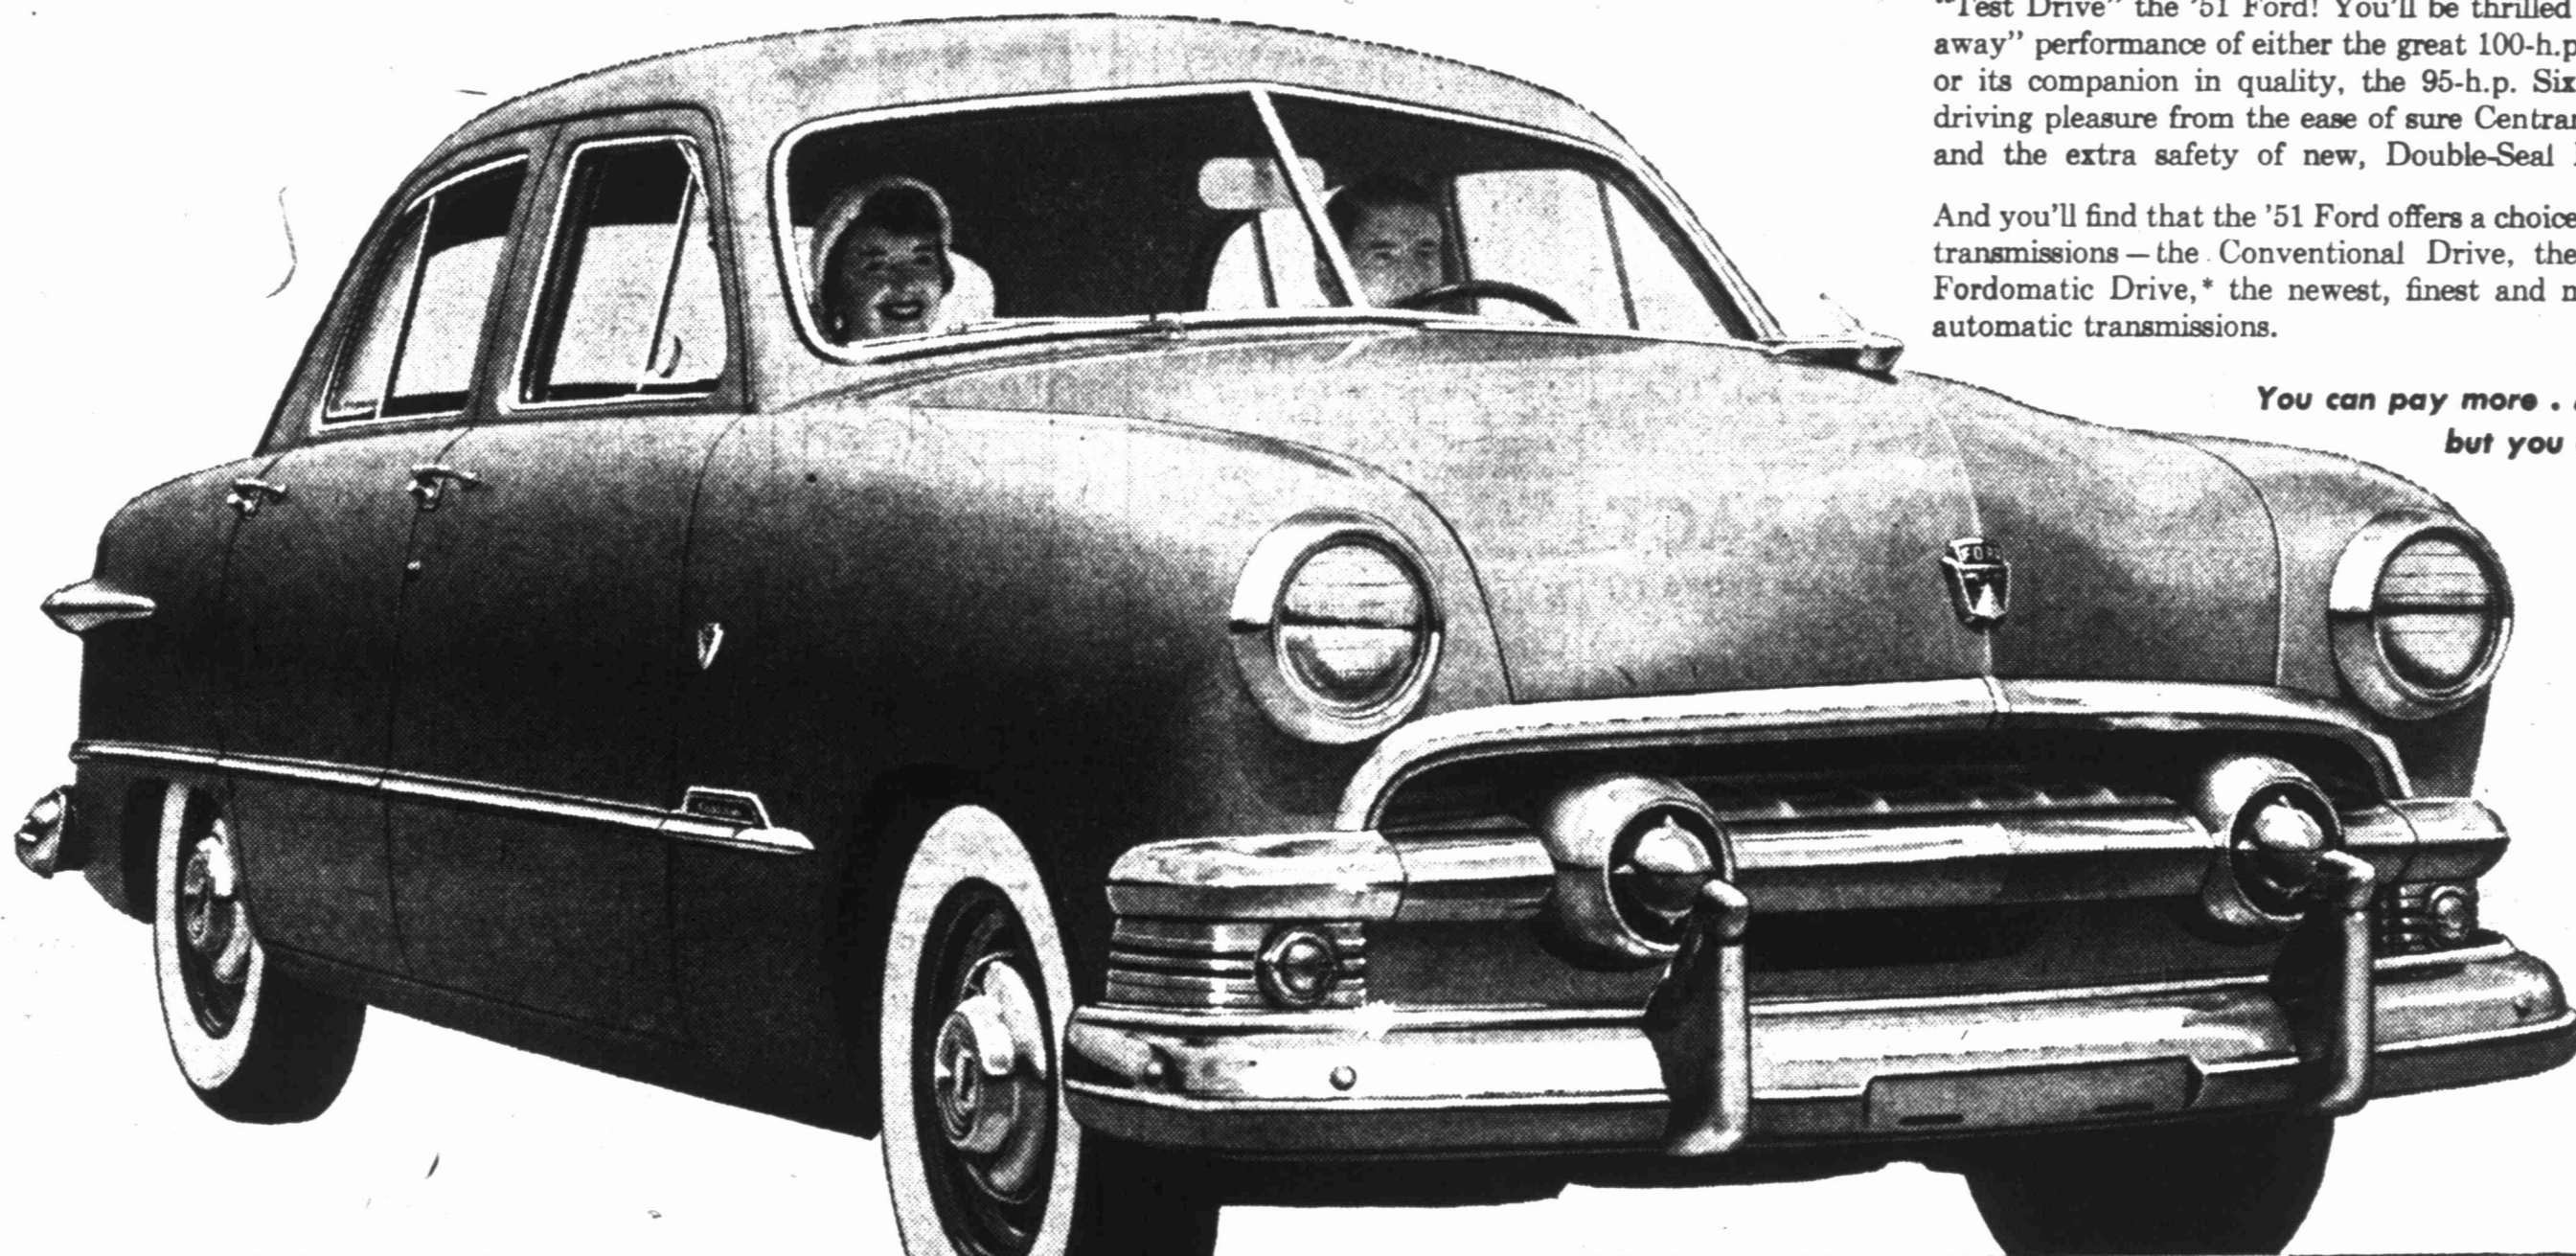

WITH 43 NEW "LOOK AHEAD" FEATURES

See It Today at your Ford Dealer's—the '51 Ford! It's the newest Ford! It's the finest Ford! And it gives you 43 new "Look Ahead" features—engineered and built into the car not just for this year and next, but for the years ahead!

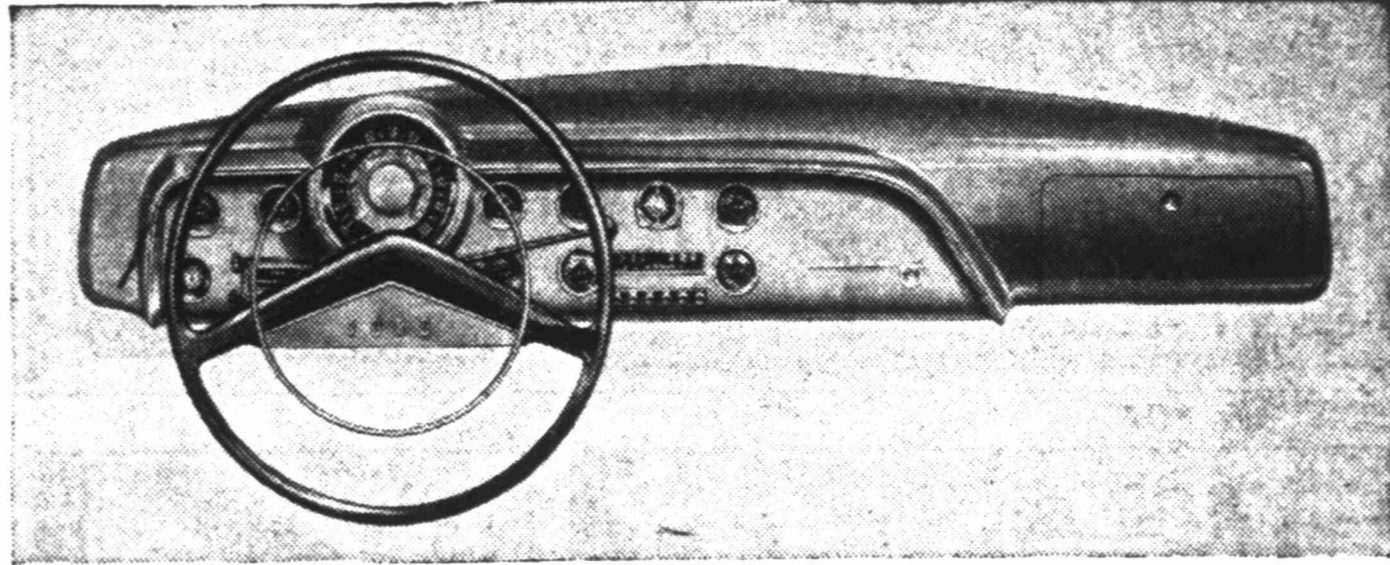

"Test Drive" the '51 Ford! You'll be thrilled by the quiet "jet-away" performance of either the great 100-h.p. Ford V-8 Engine or its companion in quality, the 95-h.p. Six. You'll get extra driving pleasure from the ease of sure Centramatic Steering... and the extra safety of new, Double-Seal King-Size Brakes.

And you'll find that the '51 Ford offers a choice of three advanced transmissions—the Conventional Drive, the Overdrive,* and Fordomatic Drive,* the newest, finest and most flexible of all automatic transmissions. *Optional at extra cost.

You can pay more... but you can't buy better!

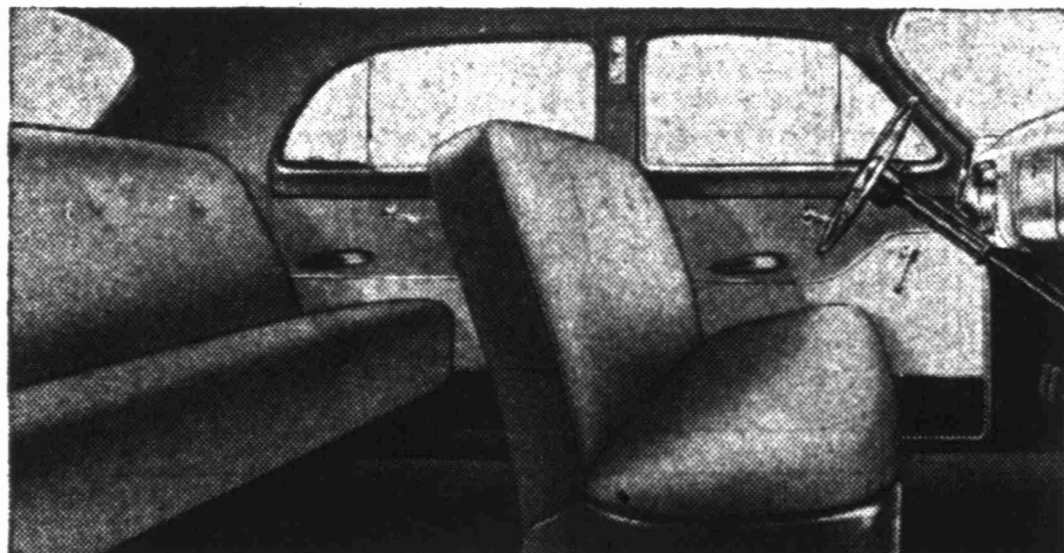

NEW AUTOMATIC RIDE CONTROL
... a new and unique springing system which automatically adjusts spring reaction to road conditions. Advanced "Hydra-Coil" Front Springs and new Variable-Rate Rear Spring Suspension team with new "Viscous Control" Shock Absorbers to give you an easy ride—a level ride—no bounce, no pitch, no roll. Stroboscopic illustration above indicates how car stays level when going is roughest.

HERE ARE A FEW OF THE 43 NEW "LOOK AHEAD" FEATURES IN THE '51 FORD

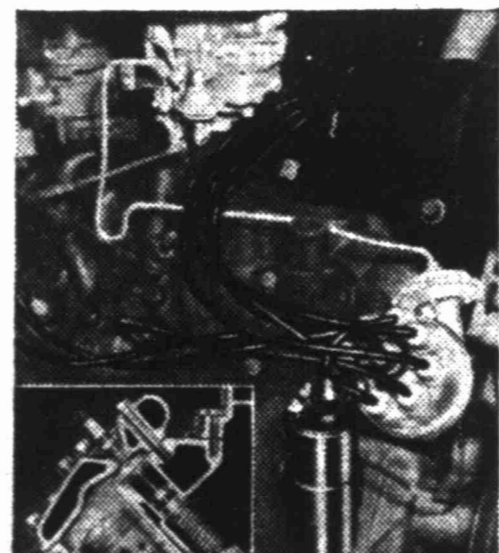

New "Safety-Glow" Control Panel—easy to reach and easy to read. The new design places all controls at the driver's finger tips. New Key-Turn Starting is a Ford feature for '51. New "Channalined" Instrument Cluster can be seen at a glance, and is easily visible at night without being distracting. Speed indicator has ring at end which circles traveling speed in red—glows at night. New "Glow-Cup" Controls are individually illuminated—a Ford exclusive.

New "Luxury Lounge" Interior... You'll enjoy style that stays "right" both in character and quality—in the '51 Ford. With new long-wearing Fordcraft upholstery fabrics, smart new colors, new harmonizing appointments and fittings, new "Colorblend" Carpeting—Ford's "Luxury Lounge" Interiors are designed for the years ahead. Interior colors and Fordcraft Fabrics are "Color-Keyed" to blend with outside body colors!

New Automatic Posture Control... moves front seat forward automatically at release of lever, raises it for shorter drivers. When seat is pushed back it lowers automatically for taller drivers. Adds new convenience.

Automatic Mileage Maker... saves gas... matches timing to fuel charges. New Waterproof Ignition System, including snug synthetic rubber spark plug boots, prevents engine being shorted out by moisture.

Come in and see it today

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And Midnight Adventure

Daddy Ringtail, your monkey friend, suddenly sat up in bed, wondering what had happened to wake him up. Moonlight was shining through his window. From outside came the humming and whirring noise of the bugs and buglets who stay awake when the night is late and everyone else is asleep. What a happy noise it was, Daddy Ring-

tail was sure, but what had happened to wake him up? Daddy Ringtail whispered out loud: "Mother Ringtail! Mother Ringtail, are you asleep?" Mother Ringtail yawned where she lay in her bed. She answered in a sleep voice: "Daddy Ringtail, if you want to ask me if I'm asleep, can't you wait sometime until I am awake?" And then Mother Ringtail was fast asleep again before Daddy Ringtail could answer. But what oh what had happened to wake him up? He didn't know

who's afraid," said Mother Ringtail, and she started to go tell Mugwump that the thunder would never hurt him. "Go to sleep, Mother Ringtail. Go to sleep," said Daddy Ringtail in a gentle voice, because he saw how sleepy she was. And the thunder crashed and boomed again, and then came the rain in driving sheets. Daddy Ringtail closed the windows through all the house, and soon he was fast asleep himself while the friendly rain came down. What a happy adventure upon a midnight, Happy day! (Copyright 1960, General Features Corp.)

SIDE GLANCES

"He does, too, understand French! He just doesn't understand your punk high school French!"

just yet what had happened, but outside there through the window he saw a cloud that was coming to blow across the face of the moon. From somewhere out in the sky came the rumble and bumble of thunder. Daddy Ringtail whispered again out loud: "Mother Ringtail! Mother Ringtail sat up in bed, although she was still asleep, I think. "Mother Ringtail," said Daddy Ringtail, "that was thunder I heard."

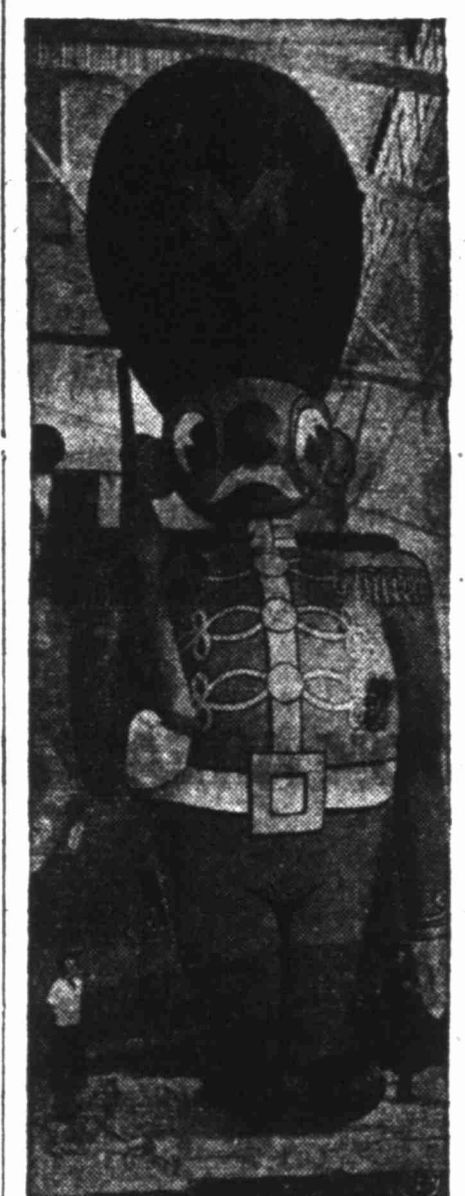

"Now, now, now," said Mother Ringtail in a very sleepy voice. "Daddy Ringtail," said she, "you mustn't be afraid of the thunder." "But I'm not afraid of the thunder," Daddy Ringtail answered. "Then it must be Mugwump

'Star Of The Show' At Open House Of Miles Hall Will Be Buick With Leap-Ahead Look

The Miles Hall Buick Company is proud of its new building. It's proud of its staff of trained personnel. It's proud of the service it is able to offer the people of Midland. But the star of the show is the Buick itself. And the star will be on display Saturday and Sunday at the company's open house. At the Miles Hall Buick Company you will find one of America's finest. There you will see more than stunning good looks, more than thrilling performance, more than

65 Cars Cleaned Per Day Capacity At Miles Hall

Sixty-five clean cars a day! That's the capacity of the wash rack at Miles Hall Buick Company. Of course, it isn't a wash rack at all.

It's the new Washmobile, which sends the dirty automobiles through the wash with assembly line precision.

The Washmobile, equipped with 48 nozzles, forces water on the automobiles at a pressure of 120 pounds.

When the automobile emerges from the Washmobile, all it needs is a good rubdown with a cloth to dry away the remaining water and is shiny as a new one.

generous room and soft riding comfort.

You will find a wide choice of body styles, power ranges and wheelbases that spread-eagle three price classifications—cars that put travel in the Buick manner within the reach of still more people.

In every one of the models, you will find that lively-leap-ahead look that instantly says Buick. In every one, you will find thrilling Fireball valve-in-head power, with higher compression ratios and brilliant performances in each instance.

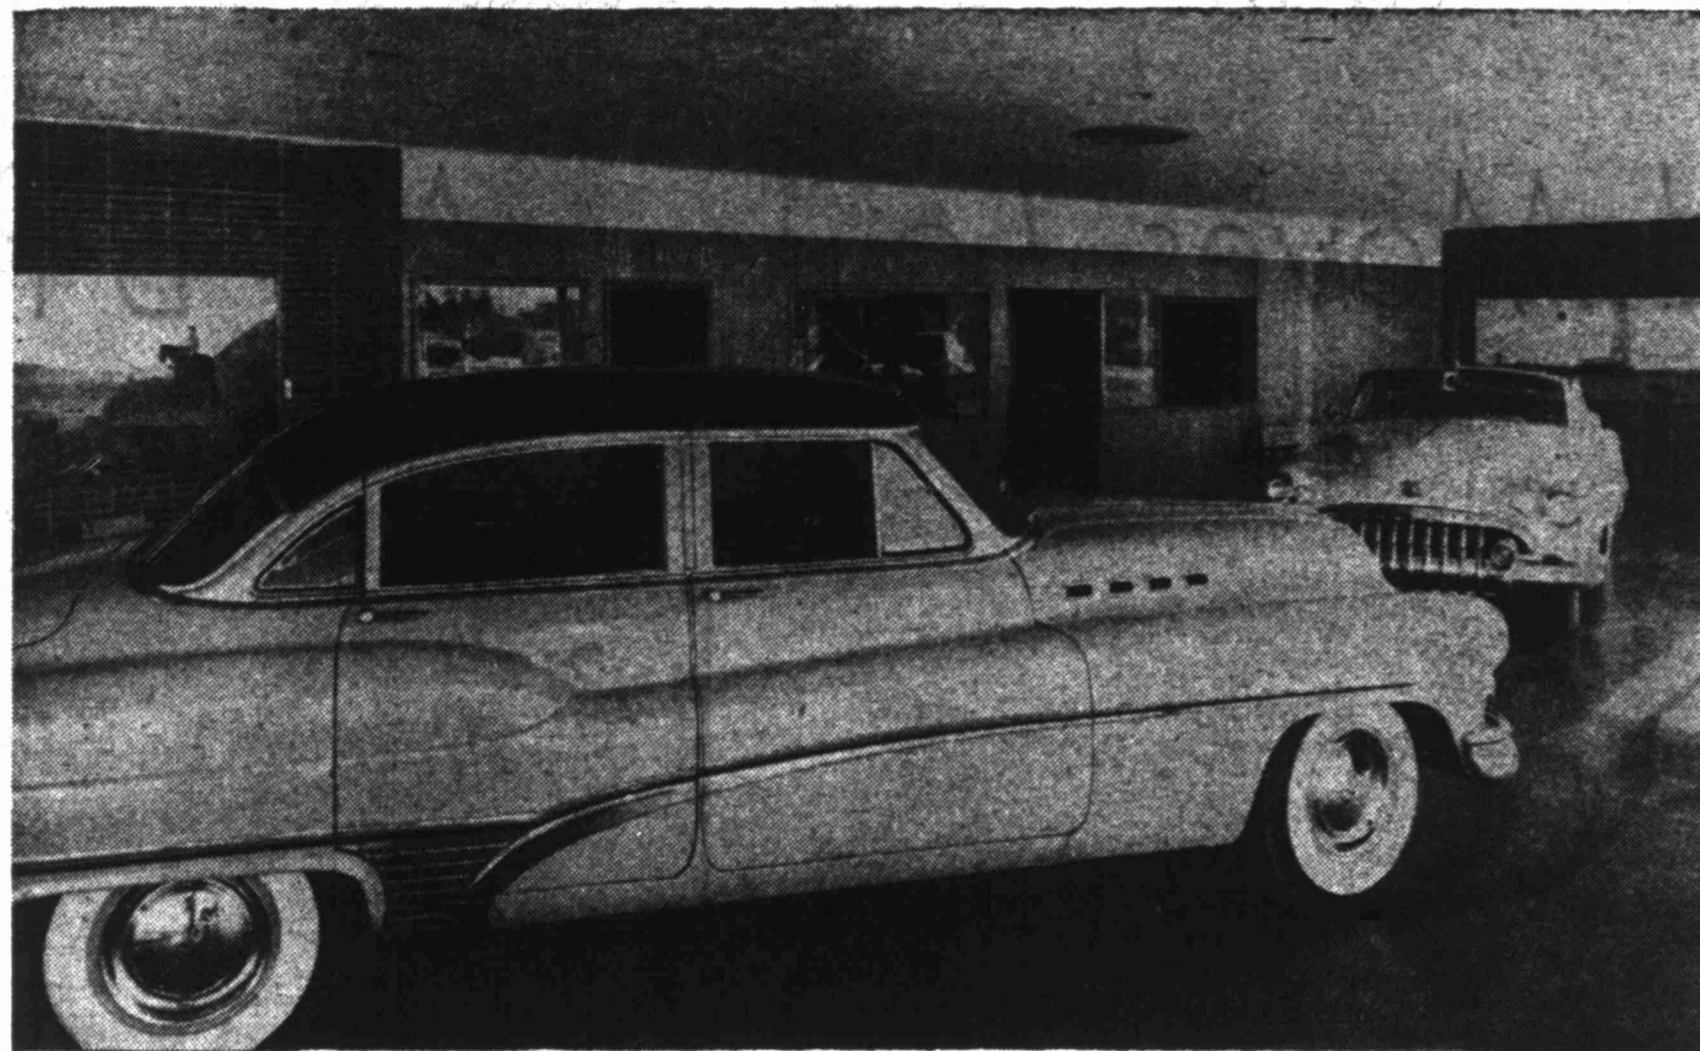

These Beauties

In every one of these beauties you will find room, and the deep comfort of the Buick ride, plus high visibility and feathery handling. In every one, you can have the silken ease of Dynaflo Drive, that completely different and miraculously smooth transmission in which "oil does it all."

Miles Hall offers closed cars and open cars, smooth sports models and practical business body types, cars trimmed down in over-all length for new ease in parking and garaging, and cars stretched out in interior roominess to give you luxurious bigness.

These include automobiles with four wheelbases, engines in five horsepower ratings, and three complete series—Special, Super and Roadmaster.

You will find a wide selection of equipment and accessories that enables you to tailor your Buick to suit your taste.

The Spacious Showroom At The Beautiful New Miles Hall Buick Company

Miles Hall Buick Company Opens New Home Saturday And Sunday

The Miles Hall Buick Company, little more than a year old, will proudly show its new home to the public

at an open-house party Saturday and Sunday.

Located at 2701 West Wall Street, on the western edge of the city, the building combines the charm of the old west and the beauty of the Twentieth Century.

Striking in appearance, it stands at a prominent spot on U. S. Highway 80, past which some 8,000,000 persons travel annually.

Planked by its modern-up-to-date service station, the company's home has skillfully blended into its architecture its service shop, its executive offices and its modern showroom.

That is what Mr. and Mrs. Midland will see when they visit the home between 2 p. m. and 9 p. m. during the two-day open-house. Opening of the new building is a

milestone in the progress of the Buick agency which was opened here on November 1, 1949.

Founded By Hall

It was founded by Miles Hall, long experienced in the automobile business.

For a quarter of a century he had been an automobile dealer, the 19 years of which, prior to coming to Midland, were spent in Dallas.

But the Buick company spotted Midland, because of its rapid growth and its strategic location in the vast Permian Basin, as a logical spot for the establishment of an agency.

A year later, the Miles Hall Buick Company already has gained a reputation of good service.

Now it is equipped better than ever to serve the automobile needs of the public, whether it is a new

automobile or a minor repair job or just a few gallons of gasoline.

Moving from its temporary location at 2501 West Wall Street, the company occupies quarters covering more than 37,000 square feet.

In its main building are the salesrooms and the service shop. Across the street is the used automobile lot and buildings needed for performing service to cars. In this building new automobiles are made ready for delivery, old ones are painted or reconditioned and experts apply wash and grease jobs.

Directly under Hall in the direction of the company is W. J. (Bill) Brady, the manager.

The staff of 25 persons included Service Manager John Davenport, Parts Manager James Calvin, Salesmen Harold Cobb and Kelso Locklin and Mrs. Mary Bruton and Mrs. Evelyn Wilson, who handle office details.

John Davenport 'Doctors' Illnesses Of Automobiles

For more than a quarter of a century, John Davenport has been doctoring the illnesses of America's finest cars.

And now the experience of Davenport and the staff of trained mechanics at Miles Hall Buick Company, 2701 West Wall Street.

That experience and the service it permits the men to give, is just

reputation as a fine mechanic in Ranger, Amarillo and Longview where he worked for Buick agencies.

Later he joined the Cadillac company, giving him further experience in the servicing of fine automobiles.

During World War II, the government took advantage of his training and he worked as a management and industrial engineer of the Navy's bureau of aeronautics.

After the war, Davenport came to Midland and worked with other motor companies before joining Miles Hall when he opened his Buick agency here.

Finest Tools, Equipment

Davenport and his staff have the finest tools with which to work.

In the well-arranged shop are some \$20,000 worth of the finest tools needed in properly servicing an automobile, whether it be a carburetor adjustment or an alignment job.

The shop boasts the fine Porta-Power body equipment, the latest type of grease rack equipped with Lincoln high pressure grease equipment, the Bean front-end pit aligner and Allen tune-up equipment.

The shop also has the equipment for a quick check-up and repair of automatic transmissions.

Davenport naturally likes to work on Buicks but his men are ready and trained to service any type of automobile.

Three kinds of foxes—red, white and blue—are found on the Aleutian Islands.

John L. Davenport

as important to Miles Hall as their beautiful new building that catches the eye of passing motorists on U. S. Highway 80 west of the city.

Davenport started working on Buicks back in 1924 and gained a

No Long, Unhappy Waits For Parts At Miles Hall

There are no long, unhappy waits for parts when an automobile is taken to Miles Hall Buick Company for repair.

James Calvin has seen to that. Calvin is manager of the parts department and he has between 4,000 and 5,000 items in the neat arrangement of shelves and bins at Miles Hall.

He is an expert in handling them, too.

He recently completed a course in the General Motors auto parts school and quickly can put his hands on any desired item.

Hot Rod Races Cut Accidents

SANTA ANA, CALIF.—(AP)—Traffic officers have greatly reduced the number of hot-rod accidents hereabouts by heeding the old saying, "If you can't lick 'em, join 'em."

A little more than a year ago the California highway patrol, alarmed by the lawlessness and high accident rate of teen-age racing jalopy drivers, assigned two men to the problem. Charles Pollard and Ezra Ehrhardt figured the solution was to let the boys work off steam at organized races. The officer attended club meetings, gained the confidence of the drivers and ended up supervising weekend races for cars and motorcycles at an abandoned air strip.

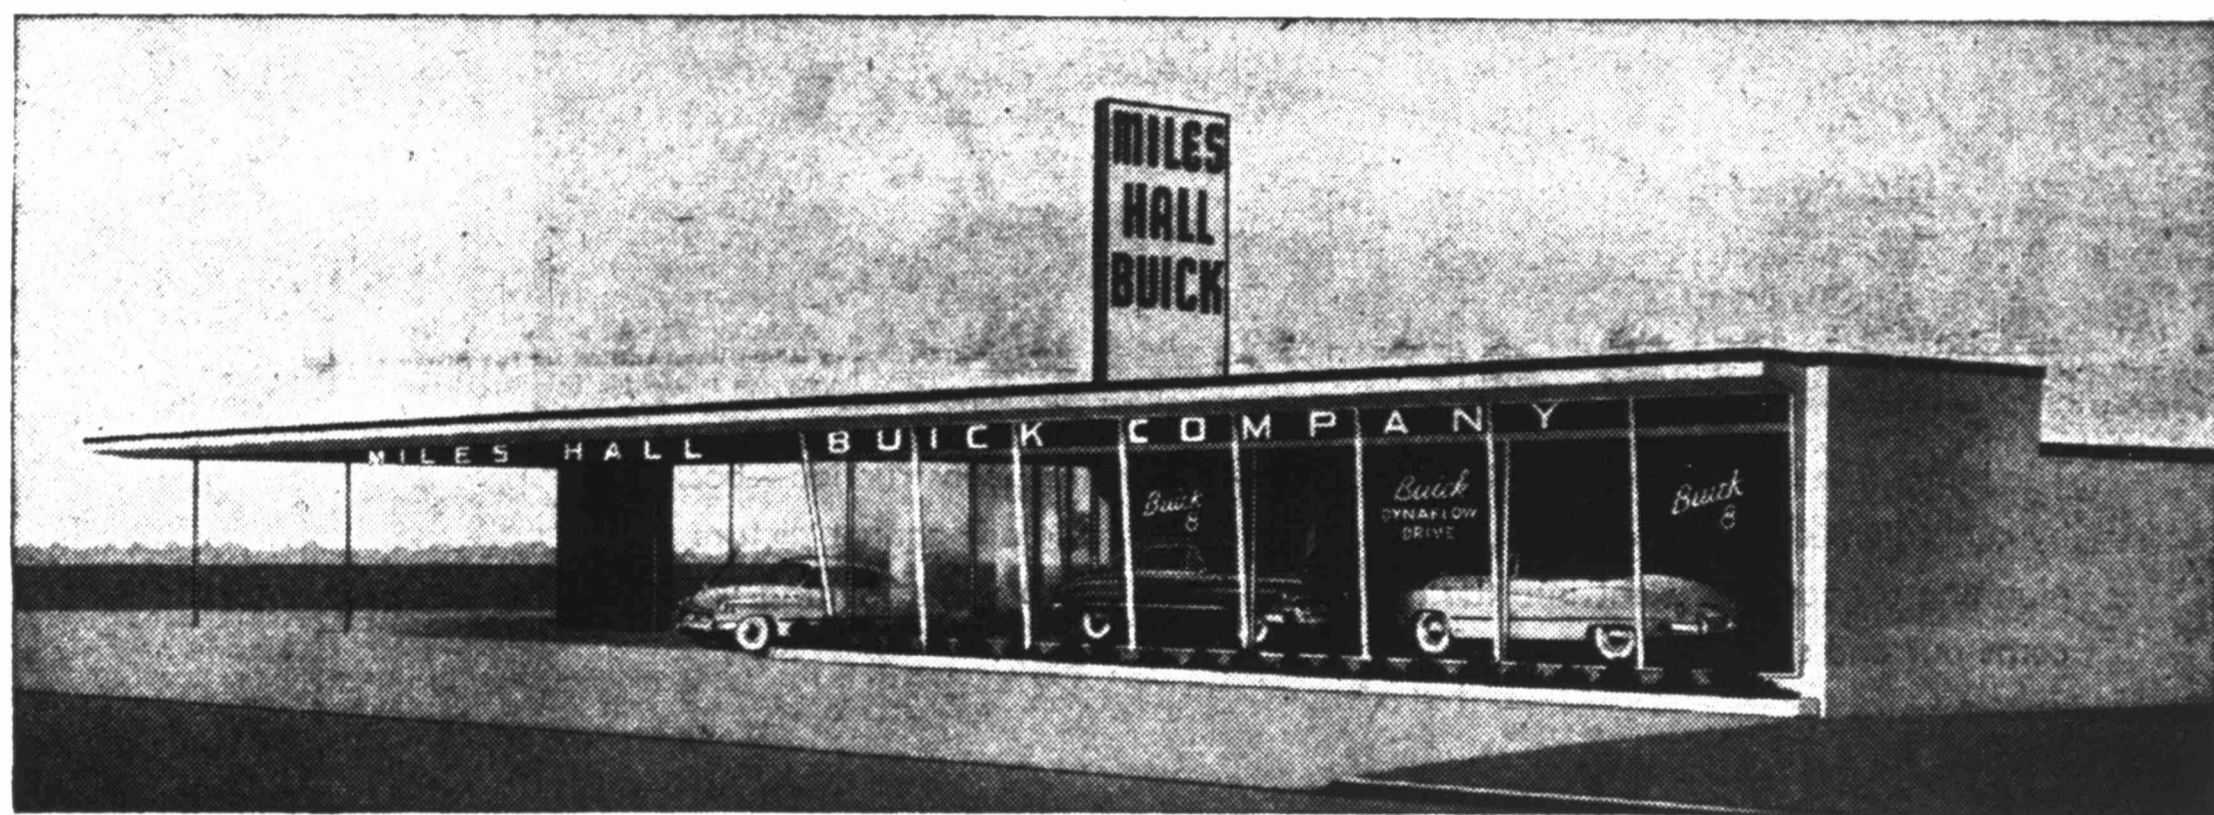

Now as many as 5,000 turn out Sundays to watch members of the racing clubs—boasting such colorful names as Lanogers, Clunkers, Full idlers, Ma-rod-ers—rip over the course at more than 100 miles an hour. The Sheriff and the highway patrol say hotrod speeding complaints have declined 90 per cent since the airport races began. The motorcycle accident death rate dropped seven per cent in a year while registrations rose 30 per cent. Automobile statistics show similar accident declines.

Adoption Helps For Other Children

NEW YORK—(AP)—Childless couples frequently have a baby after they have adopted a child. Some of the reasons may be that after the adoption the wife becomes freer of tension, fears and hostilities, and accepts a feminine and maternal role, says Dr. Abraham Stone, director of the Margaret Sanger Research Bureau.

He said that about 20 per cent of married couples who seek advice about inability to have a child have no apparent physical troubles. The desperate desire to have a baby may sometimes apparently interfere with conception.

Three tablespoons of butter added to a quart of skim milk will make it virtually the same as a quart of whole milk.

Here is the modern Buick Sales and Service Headquarters in Midland.

Miles F. Hall
Owner

MILES HALL BUICK CO.

in New and Modern Quarters at

2701 W. Wall St. • Midland, Texas

Miles Hall Buick Co. has just completed a splendid new Buick Sales and Service headquarters at 2701 W. Wall St., where the most modern facilities have been installed to serve you.

The welcome mat is out and everyone at Miles Hall Buick Co. is ready to prove they're prepared to serve you well.

They invite you to experience the courtesy and consideration that come with genuine interest in your motoring problems.

Only Buick has Dynaflo and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines (New V-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-over road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the wheels • SOFT BUICK RIDE, from coil springs, Safety-Ride tires, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher

When better automobiles are built BUICK will build them

They invite you to inspect their fine supply of Buick-engineered parts and modern equipment—to meet specialists skilled in service and repairs for your car, regardless of make.

They want you to know that your work will be done properly, finished promptly.

And while you're there, take in the floor show of models from Buick's three great series for 1950.

Look them over, inside and out.

Look at Buick's famous new-note styling, interior luxury, and husky high-compression Fireball engines.

Then say you want a real demonstration of that great Buick ride in a Dynaflo* Buick where oil does it all!

But don't wait until your car needs care—or you're ready to learn how reasonably you can move into a brand-new Buick.

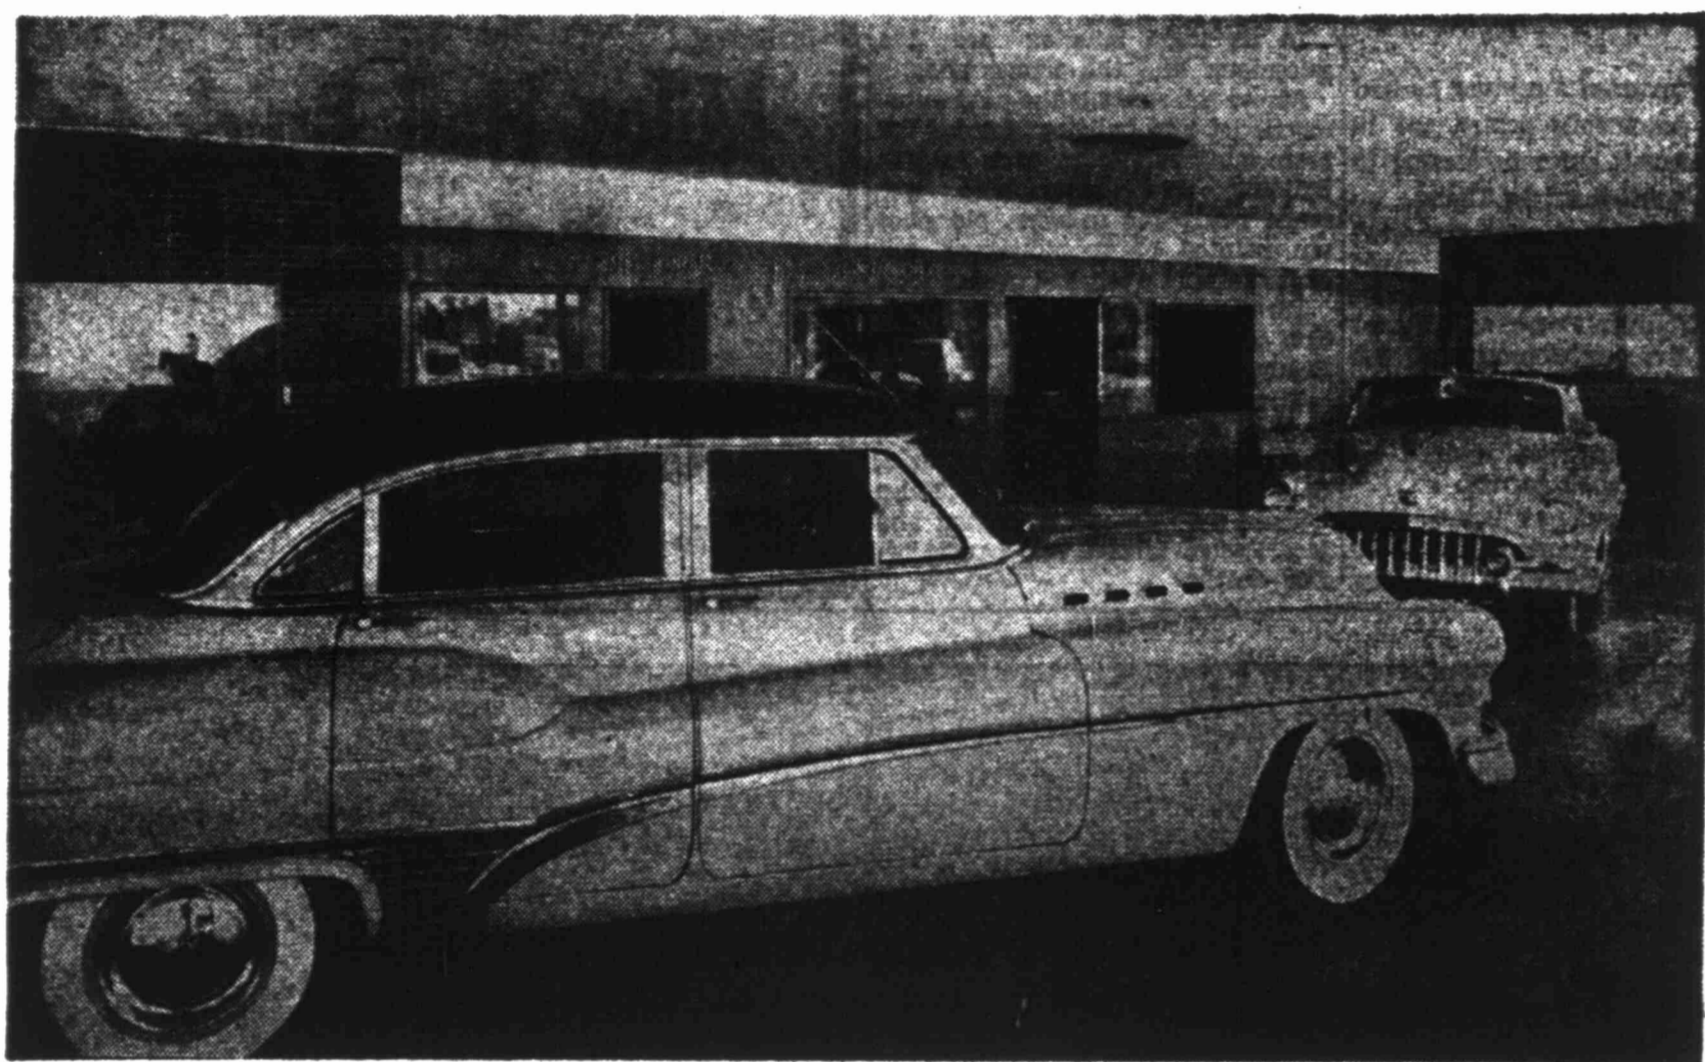

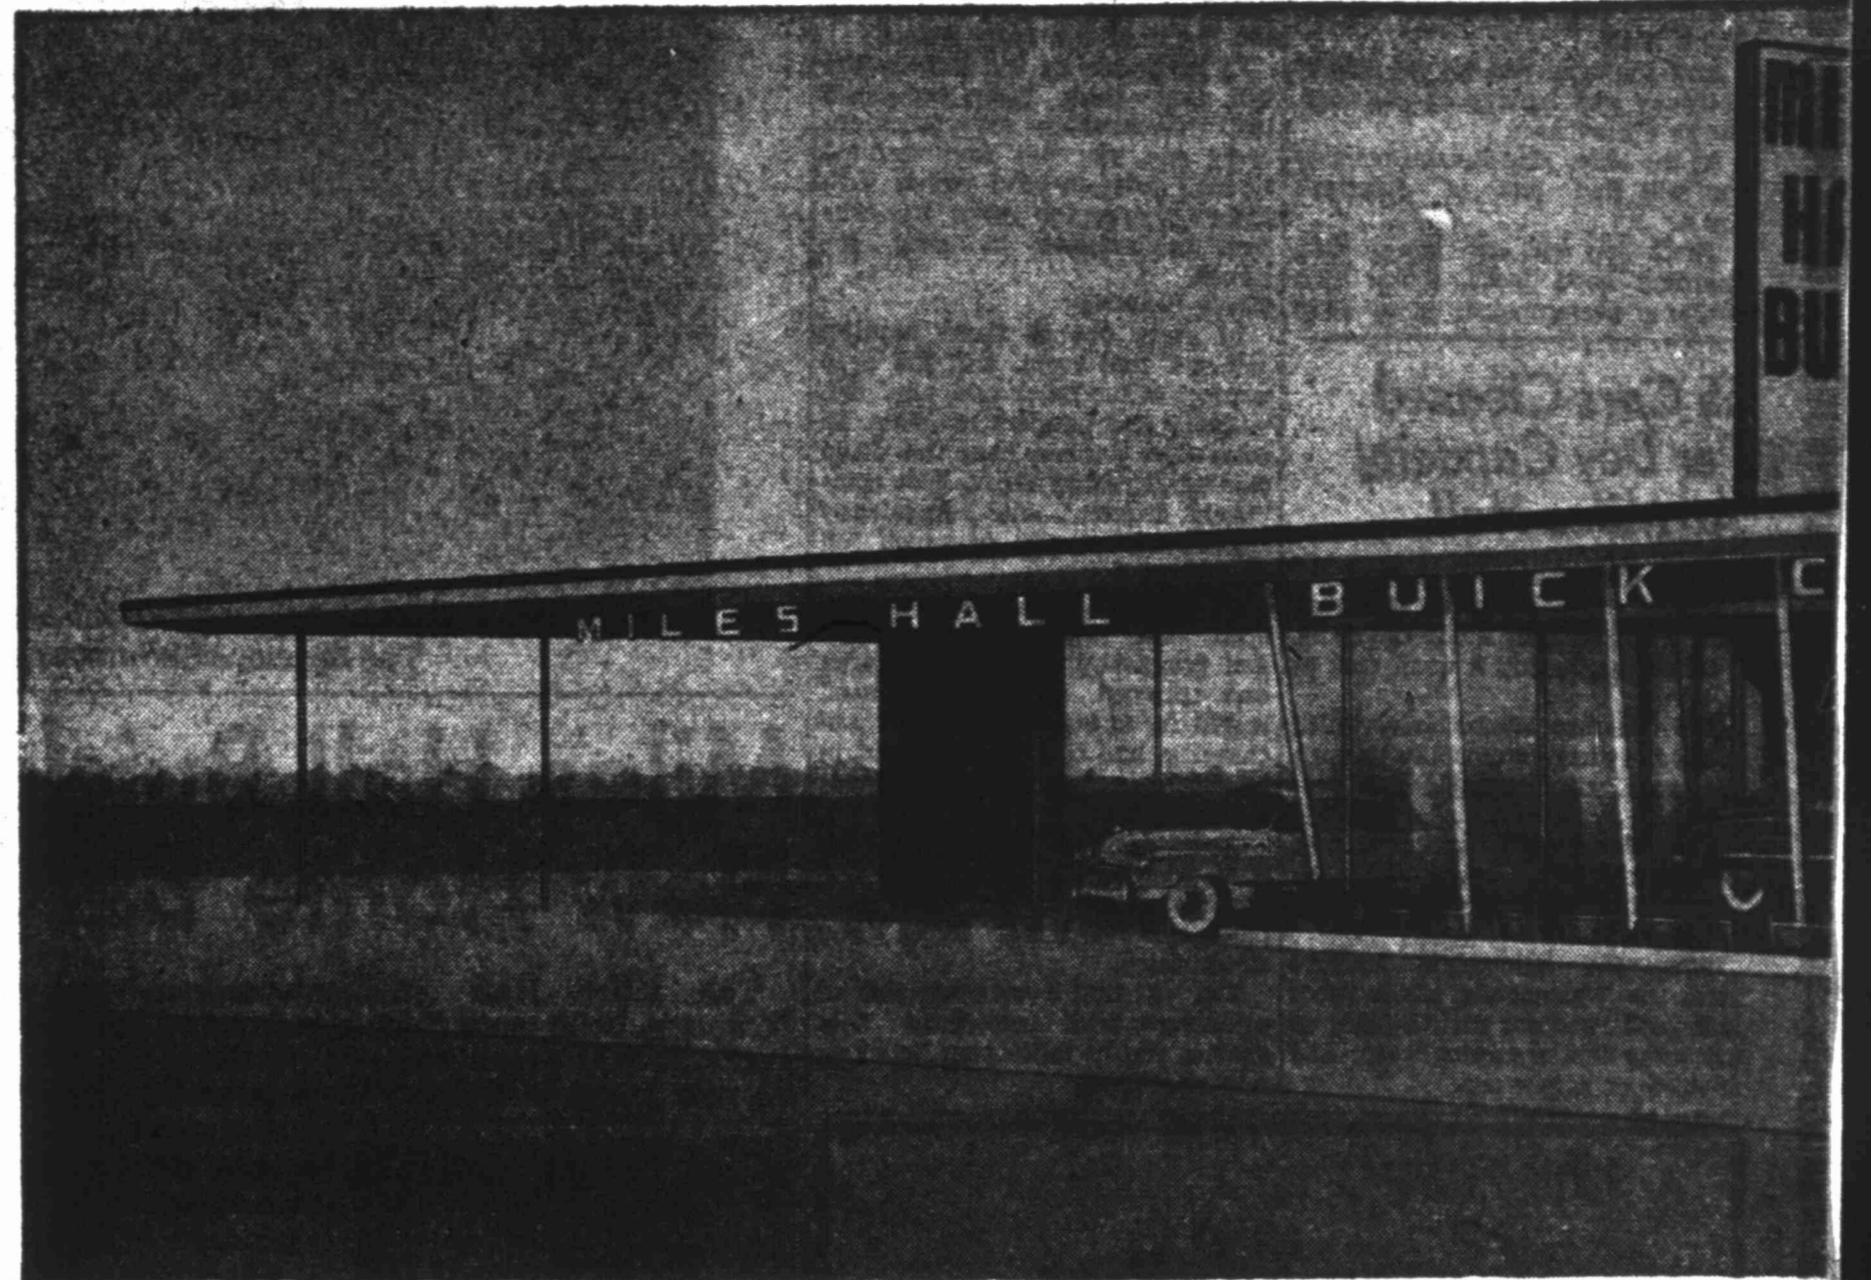

Come in now, be one of the first to call at the new quarters and say hello.

**It's Cavalry To
Cars For Brady
Miles Hall Man**

From a famous horse-cavalry fighting unit to the automobile business.
That's the story of W. J. (Bill) Brady, the manager of Miles Hall Buick Company.
During World War II, the affable automobile executive was a mem-

W. J. (Bill) Brady member of the 112th Cavalry and spent two years in overseas duty. He returned home to his native Dallas to join Miles Hall there five years ago. He served as office manager and secretary-treasurer of Miles Hall's organization while there. He came to Midland last February as the local agency, hardly four months old, began to flourish. In his capacity of manager, Brady supervises the work of a staff of 25 employes and will be on hand to welcome the visitors at the open house Saturday and Sunday.

**Miles Hall Paint
Job Would Put A
Coed To Shame**

The Miles Hall Buick Company can put a co-ed to shame when it comes to putting on new paint. The company's paint department, located across U. S. Highway 80 from the main building, can quickly match any color of paint. On Buicks particularly, the job is easy. The factory uses DuPont's finest paint on its new automobiles and Miles Hall uses the same paints in its own shop, whether it involves a complete paint job or merely touching up a few scratches.

Congratulations

PM Urges Early Christmas Mailing

Postmaster N. G. Oates issued his annual appeal Friday for correct addressing and early mailing of Christmas greetings and gifts.

The postmaster predicted that this year's flood of Christmas mail will break 1949's high, when a record 300,000 pieces of holiday mail were canceled locally.

"Handling this huge volume of Christmas mail will tax post office facilities to the limit," Oates said. "But we will get everything delivered by Christmas if we receive the full cooperation of the public."

Christmas packages for distant points should be mailed by December 2, the postmaster advised. Christmas gifts for nearby points should be at the parcel post windows by December 9.

Christmas cards destined for out-of-the-state should be deposited by December 15, and cards for local delivery at least a week before the holiday.

"Please don't hold up your mailings until these dates, however," Oates pleaded. "Mail packages, especially, as soon as you have them ready."

To meet the peak Yuletide rush, the post office already has begun

training extra mail clerks and carriers, setting up new sorting tables, providing extra mail sacks, and overhauling delivery trucks. Even the post office pens are getting new points.

"Please stop in next week and purchase the stamps you'll need for your Christmas cards and letters," the postmaster asked. He urged purchase of three-cent stamps for mailing greetings first-class. Cards may then be sealed, contain written messages, and can be forwarded or returned without additional charge.

Oates also suggested: "Get a few air mail and special delivery stamps, too, for speeding your greetings to friends you may remember at the last minute."

"Buying stamps is one part of your Christmas shopping that can be completed really early. It will save you valuable time in December, when the holiday rush begins and the post office lines are long."

Sturdy Wrappings
The postmaster also advised early purchase of heavy fiberboard, sturdy wrapping paper, strong cord, and printed fourth class labels for parcel post. He pointed out that fragile items must be individually cushioned in a strong shipping carton such as a fiberboard box. Packages are limited to 70 pounds in weight, and must not exceed 100 inches in length and girth combined.

Christmas seals and "Do Not Open Until Christmas" stickers should be placed only on the backs of packages. "Some packages carry more stickers and labels than an overseas steamer trunk," the postmaster declared. "Keep the face of your package clear for the address and mailing instructions if you want to speed delivery."

Doctor Says Hanging Victim Is Suicide

AMARILLO (AP)—A death certificate signed by Dr. Roy C. Sloan said Police E. Smith, 37, of Plainview committed suicide by hanging. Smith's body was found Wednesday hanging by a light cord from a shower rod in a room in St. Anthony's Hospital.

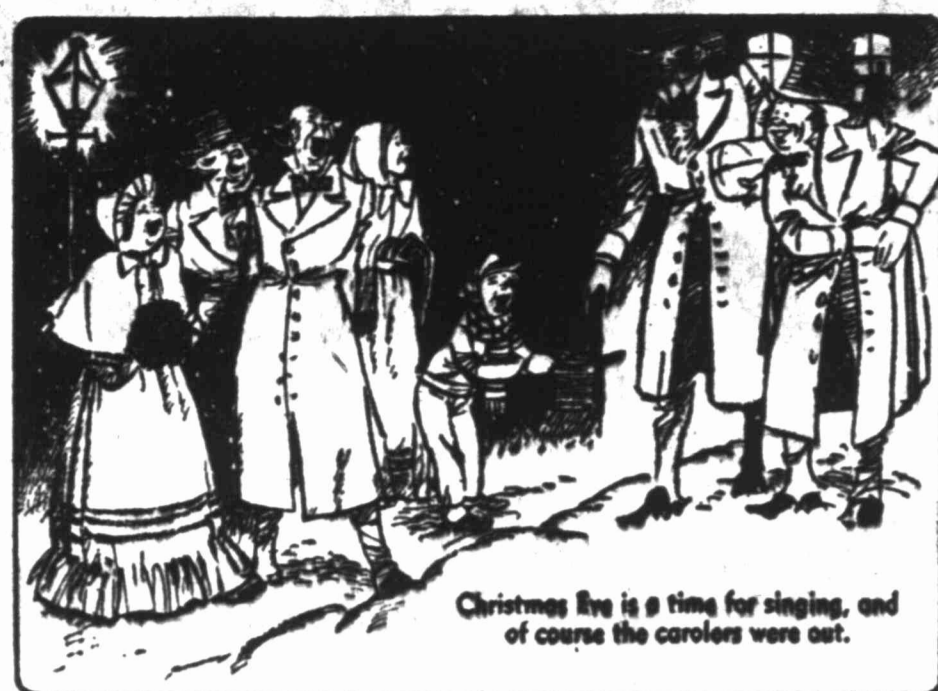

Mrs. Ivy Wilkinson, justice of the peace who was called to the room, said she did not return a verdict.

PHILLIPS HAVE GUESTS

Mr. and Mrs. H. N. Phillips, 1904 West Texas Street, had as their Thanksgiving guests Mr. and Mrs. George L. McCargo of Kermit, G. C. McCargo of Grandfalls and Mr. and Mrs. W. T. Barnes and son, Bill, also of Grandfalls. Bill is a student at Sul Ross College in Alpine.

Nurse Tells How Hadaacol Was So Helpful To Her

Supplied Vitamins B1, B2, Iron and Niacin Which Her System Lacked

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form
There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'
After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B1, B2, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee
HADACOL even helps build up the hemoglobin content of our blood (when iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B1, B2, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size \$2.50. If your drugstore does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.
Copyright 1950, The LeBlanc Corporation.

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B1, B2, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results
HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B1, B2, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B1, B2, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

you'll find a big difference when you ride on chair-height seats

ARE YOU A DADDY LONGLEGS? Do you feel like a jackknife when you sit on a seat that's too low?

WERE YOU THE STAR FULLBACK? Get all doubled up when you don't have room to sit up comfortably?

THEN PLYMOUTH'S FOR YOU—everyone else too—with roominess and natural posture Chair-Height Seats.

... another reason why Plymouth owners are in a class by themselves!

The average Plymouth passenger sits 12% higher than the average passenger in lowest-priced Car A, 16% higher than the average in lowest-priced Car B! This means:

- MORE KNEE ROOM!** Plymouth seats tuck right up under your knees, keep you at natural sitting level. This full support adds greatly to your comfort.
- MORE EYE ROOM!** Plymouth seats give all a deeper view of the passing scene, and they give the driver a closer view of the road in front of the car.
- MORE LEG ROOM!** Rear seat passengers have a full inch more leg room than in Car A, and 3¼" more than in Car B. Front seat passengers in a Plymouth have up to 2" more than in Car A, and 1¼" more than in Car B.
- MORE FOOT ROOM!** Rear seat passengers have almost 2" more vertical foot room under the front seat than in Car A, and a full 3" more than in Car B.

- MORE CHEST ROOM!** Whether the seat is adjusted forward or backward, the driver of a Plymouth has more chest clearance than he would have in either Car A or Car B.
- MORE HEAD ROOM!** In a Plymouth, driver and passengers enjoy almost 2" more head room than they would have in Car A, half an inch more than in Car B.
- MORE SHOULDER ROOM** when entering or leaving a Plymouth! Rear door swings 12" wider than in Car A, 10" wider than in Car B. Both Plymouth door openings are nearly 3" higher than in Car A, more than 2" higher than in Car B.

ALSO, ONLY PLYMOUTH—In the lowest-priced field—GIVES YOU!

The matchless comfort of the AIR PILLOW RIDE. The smoothness and quietness of FLOATING POWER engine mountings which, combined with big Super-Cushion Tires and many other Plymouth exclusives, bring smiles to the miles. No wonder so many Plymouth owners say: "The next car I own will be a Plymouth, too!"

Plymouth owners are in a class by themselves in SERVICE too. Skilled technicians, enrolled in Plymouth's MASTER TECHNICIANS SERVICE CONFERENCE, are specialists in helping to keep your car running better, longer.

Look up your nearby Plymouth dealer today—he's a good man to know!

By LARRY KING

TORNADO FIELD, LAMESA—By the margin of one extra point, Coach Tugboat Jones' Midland Bulldogs were denied a portion of their first Class AA championship in football history.

A cutting wind, fumbles, penalties, bad breaks and the Lamesa Tornadoes were too much for the Midland Bulldogs to overcome here this windblown Thanksgiving afternoon and the Bulldogs saw their hopes for a cut of the District 3-AA championship come tumbling down as Lamesa sprang a 13-12 upset on the favored Midland eleven.

Hobbled by injuries to key backs Ralph Brooks and Larry Friday, Midland could never muster the scoring fury that brought it seven wins in nine starts prior to the clash with the Golden Tornadoes.

When End Duane Bush dropped back late in the final period to attempt an extra point, a successful conversion would have tied the score and given Midland a win by virtue of first downs. But a Lamesa lineman surged through to tip the ball and send it and the Midland hopes astray.

The Lamesa win over Midland, coupled with Lubbock's 20-7 win over Odessa, gave the Westerner eleven the right to represent District 3-AA in the state schoolboy playoffs for 1950. Midland had a chance to tie for the title by beating Lamesa. But this just wasn't the day the Bulldogs were supposed to win.

Set The Pattern
 Lamesa opened the game by kicking to Midland, and a long boot by Johnny Jones carried over the goal line. Midland taking possession on its own 20-yard line. Midland fumbled, drew a five-yard penalty, and had to kick into the stiff breeze during the series of downs—and that about set the pattern for the rest of the afternoon. Lamesa took the ball on its own 49-yard stripe, following Reed Gilmore's 26-yard boot into that wind.

Immediately, the Tornadoes were pounding at the Bulldog goal stripe. After two plunges gained five yards, Lamesa quarterback Jerry Millsaps lobbed a blooper pass to End Marshall Crawford at the Midland 15 and he went to within five steps of the goal line before Larry Friday brought him down. The battling Bulldog line held for downs, taking over one the one-yard line. It was Big Jimmy O'Neal, senior Bulldog center who broke through to halt Lamesa's Jerry Millsaps on fourth down. O'Neal played one of the best games of his fine high school career, until banished from the game by officials in the third quarter after an extra rough bit of leather popping was termed unsportsmanlike by the officials.

Against the wind, Gilmore got off a 32-yard boot to the Tornado 33. It was carried back three steps by Millsaps.

Don Hackney slashed for two, stopped by O'Neal. Millsaps missed Delbert Dickinson with a pass. Then he hit Crawford in the clear at the two-yard line, and that young man promptly placed himself in the Midland end zone. Jones missed the kick, leaving Lamesa with a 6-0 advantage.

Midland drove back with the kick-off from its own 24-yard line to the Lamesa nine-yard stripe, with Halfback Jack Burris ripping off the last 39 yards of the drive on a sparkling reverse to his own left side—but ole man penalty erased the gain and set the Bulldogs back to their own 47-yard stripe when officials declared an offensive penalty against Midland. Gilmore kicked to the Tornado 16-yard line as the first quarter ended.

Two running plays gained six for the Tornadoes. A pass fell incomplete. Then End Ray Taylor dropped back to kick, got a bad pass

ACC Downs Jackets For Clean Sweep

By The Associated Press
 Abilene Christian College has wound up its 1950 schedule with its only unshared Texas Conference championship in history and its only undefeated, untied season record.

Stated for a low berth in pre-season estimates, Garvin Beauchamp's Wildcats completed their schedule in convincing fashion—a 27-6 win over Howard Payne's Yellow Jackets in Abilene Thursday. Wind helped ACC flourish. Curtis Davenport's passing, but the Cats, on the throwing arm of Quarterback Ted Sitton, managed to gain through the air 185 of their 508 yards.

ACC's defense permitted 77 yards passing and held Payne to a minus 33 rushing. Sitton threw to Pete Ragus and Bailey Woods for touchdowns and scored once himself. Fullback Alton Green's 70-yard scamper gave him 60 points for the season and a tie with McMurry's Brad Rowland for the final scoring leadership. Davenport passed to End Bob Barron for Payne's score.

Texas A&M Second
 Texas A&M tightened its final grip on second with an 18-13 victory over winless Austin College in Sherman Wednesday night. Alton Sanders, A&M's one-time defensive fullback, ran over two Javelina tallies. Howard Payne, McMurry, and Southwestern finished in a tie for third, fourth and fifth. Austin ended in the cellar.

Final conference standings:

	W	L	T	Pct
Abilene Christian	5	0	0	1.000
Texas A&M	4	1	0	.800
Howard Payne	2	3	0	.400
McMurry	2	3	0	.400
Southwestern	2	3	0	.400
Austin	0	5	0	.000

Texas Frosh Batter Junior Aggies 46-6

COLLEGE STATION—A 46-6 runaway Thursday gave the University of Texas freshmen their first football victory over the Texas A&M freshmen in three years—and by the biggest all-time score.

Quarterback Donnie Smith passed for three of the Short horns' touchdowns and set up some of the others with slick ball handling.

alized five to the 14 for offense. Burris ripped to the same position, gaining seven. Burris tried the same place and scored from seven yards out. A Lamesa lineman broke through to tip the kick that would have tied the score as Bush saw his conversion effort ruled no good.

Lamesa couldn't go after the touchdown and kicked. Midland also stalled. Brooks shot two passes to Burris, both too long. Burris lost 12 yards on a fake pass-reverse. Gilmore kicked to the Lamesa 45. And the Tornadoes picked up a first down to the Midland 41 in three plays. The game ended there, with Midland on the losing end of the 13-12 count.

Two Of Defending Schoolboy Champs Remain In Running

By HAROLD V. RATLIFF
 Associated Press Sports Editor

Two of the three defending state champions in Texas schoolboy football are in the battle for 1950 titles.

Thomas Jefferson returned to fight for the City Conference crown Thursday as the Jeffs beat Brackenridge 25-21 for the San Antonio District pennant.

Wichita Falls, which got off the floor to roll in with the District 2 championship, is back in the scrap for the Class AA diadem. The Coyotes whipped Vernon 19-6 Thursday for the district title.

Only Class A definitely will have a new champion. Littlefield was eliminated in the district race.

The state playoff bracket of the City Conference was completed Thursday night as Sunset beat Woodrow Wilson 34-13 for the Dallas District title.

Sunset plays Arlington Heights, Fort Worth District king, at Dallas December 1. Thomas Jefferson meets John Reagan, Houston District champion, at Houston, also December 1. The winners will play the following week for the state championship.

Seven AA Champions
 Class AA has determined seven district champions—Wichita Falls, Lubbock, San Angelo, Highland Park (Dallas), Texarkana, Conroe, and Baytown.

Lubbock sewed up the right to represent District 3 Thursday by upsetting Odessa 20-7, while Midland was losing to Lamesa 13-12. San Angelo beat Abilene 20-7 for the District 5 title. Highland Park eased over McKinney 32-0 for the District 8 flag. The other champions had been determined previously.

Titles of at least five districts go on the line Friday and Friday night. Breckenridge plays Cleburne with District 6 in the balance. This also matches two of the five undefeated, untied teams in Class AA. Temple plays at Waco and can win district with a tie or victory. Austin goes to Kerrville to decide the title of District 14. Laredo plays at Alice for the District 15 crown. Harlingen entertains Brownsville and can win the District 16 championship with a tie or victory.

Districts 1, 4, 7 and 11 won't be determined this week. Pampa, which beat Plainview 27-12 Thursday, leads

Pokes Rope Broncs

LUBBOCK—Wheel horse Halfback Mack Taylor teamed his scampering with the passing of Quarterback Charles Brewer and the receiving of Halfback Jack Weldon as the Lubbock Westerners upset the highly-favored Odessa Bronchos here Thursday 20 to 7.

The win gave Lubbock the right to represent District 3-AA in the state schoolboy playoffs—an honor Lubbock also won last season.

Odessa flashed the power and speed it was supposed to have early in the game, moving for a touchdown on a 47-yard drive. Halfback

86	18
5 of 11	2 of 10
1	2
3 for 30	5 for 38
6 for 60	4 for 40

Howard Dye slashed over from the one-yard line and Bobby Jackson converted to put the Bronchos in front 7-0.

But it was all Lubbock after that. The Westerners drove 46 yards to tally in the second quarter, with Taylor wheeling the last 10 yards around end on a pitchout. Bill Davis missed the point. Odessa owned a 7-6 halftime advantage.

Marched 70 Yards
 But Lubbock marched 70 yards to score after taking the second half kickoff and never was headed. The final 27 yards came on a pass from Brewer to Weldon. Davis made it 13-7 with his toe.

The same passing combination struck for 17 yards and the final Westerner TD, topping off a 44-yard drive. Davis booted the Westerner extra point to bring the total to 20-7 and give Lubbock at least a tie for the 3-AA championship and the right to represent the district in the playoffs.

Saturday Games May Pick Major Bowl Opponents

NEW YORK—(P)—Now that the skimpy Thanksgiving Day program is over, college football fans are looking forward to Saturday's big games headed by the Tennessee-Kentucky clash at Knoxville.

The Knoxville classic between the giants of the Deep South lost some of its importance when Tennessee jumped the gun and accepted an invitation to play Texas in the Cotton Bowl. Kentucky, by winning, can become host team in the Sugar Bowl.

One of the day's fiercest struggles likely will take place at Norman, where the Oklahoma Sooners engage the Nebraska Cornhuskers. The Huskers, by winning, could tie the Sooners for the Big Seven title and become prime bowl material—either Sugar or Orange. The solid vote, however, is for Oklahoma, ranked first nationally in The Associated Press poll.

Illinois, which upset Ohio State last week, is favored to close with a victory over Northwestern at Evans-

ton and wrap up the Rose Bowl assignment.

Texas, Aggie Rest

Should the Illinois lose, however, thrice-beaten Wisconsin could finish with better Big Ten percentage by trimming Minnesota at Madison. Michigan also retains a slim, outside chance of going to Pasadena as it faces Ohio State at Columbus. California's all-winning Bears must humble the Stanford Indians at Berkeley to nail down the West Coast crown. In the unlikely event they fall, and the Washington Huskies down Washington State, it will require a vote of the league membership to select the Rose Bowl host team.

With Texas and the Texas Aggies resting up for their traditional test next week, the top attraction in the Southwest Conference finds Baylor playing SMU at Dallas.

In the East, undefeated Princeton figures to make it a perfect season with a decisive win over Dartmouth. Penn, also unbeaten within the Ivy League, closes against Cornell at Philadelphia. Army will be idle until it engages Navy next week.

The once-tied Miami Hurricanes play Iowa Friday night at Miami. They need to lick the Hawkeys to make certain of the host job in the Orange Bowl.

Other major games Saturday include:

Alabama at Florida, Colgate at Rutgers, Colorado at Colorado A&M, Clemson at Auburn, Davidson at Georgia Tech, Duke at North Carolina, Furman at Georgia, Indiana at Purdue, Kansas State at Oklahoma A&M, North Carolina State at William and Mary, Oregon at Oregon State, Penn State at Pittsburgh, Rice at TCU, Southern California at UCLA, Vanderbilt at Tulane, Wake Forest at South Carolina and Yale at Harvard.

Wyoming, Washington and Lee, Tulsa, Missouri and Columbia featured the Turkey Day activities.

Wyoming, ranked twelfth in the AP poll, walloped Denver 42-12 to take the Skyline Six title.

Washington and Lee won its first Southern Conference championship in 16 years by drubbing Richmond 67-7. Tulsa, Missouri Valley conference king, walloped Arkansas 28-13. Missouri upset Kansas 20-6, while Columbia closed its season with a 33-0 morning rout of Brown.

Virginia Military blasted Virginia Tech 27-0. Utah swamped Utah State 46-0, and Trinity drubbed Tufts 48-6.

ACC Ponders Bid To Refrigerator Bowl

ABILENE—(P)—Abilene Christian College, the only undefeated, untied college football team in Texas, was to decide Friday whether to appear in the Refrigerator Bowl at Evansville, Ind., December 2.

ACC was extended the invitation Thursday after beating Howard Payne 27-6 to end the season with 10 straight victories.

The Christians would play either St. Norbert of Wisconsin or Gustavus Adolphus of Minnesota in the Refrigerator Bowl.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, NOV. 24, 1950—13

Kermit Wins Bi-District

By COPE ROUGH Reporter-Telegram Staff

ODESSA—The powerful Yellow Jackets of Kermit High School combined the game with a well-oiled offensive here Thursday to crush the Colorado City Wolves 38-0 for a bi-district Class A football championship.

The alert Yellow Jackets of Coach Neal Dillman pounced on four Colorado City fumbles to launch touchdown drives.

The fifth game on a scintillating 65-yard runback of a pass interception by Quarterback Sam Wood.

And the final tally came after the desperate Wolves gambled on a fourth-down trick play deep in their own territory.

But, breaks or not, the Yellow Jackets left no doubt in the minds of the more than 5,000 fans on hand for the Thanksgiving Day spectacle that they had the better team.

And they clearly earned the right to meet the Coleman High Bluecats in the second round of the battle for the state Class A championship, Well-Rounded Backfield

It was a well-rounded backfield of Wood, Rick Spinks, Wayne Culvahouse and Pat Haygood that worked smoothly behind a hard-charging Kermit line.

They shifted into gear early in the game and by the time the contest was five minutes old, had scored the first touchdown.

After the opening kickoff, the Wolves started a steady drive down-

field, picking up two first downs before the drive bogged down on the Yellow Jackets' 31-yard line.

The Yellow Jackets started back from their own 20 and drove up to the 46 before Spinks punted, the ball rolling dead on the five-yard line.

The Wolves started back, with Charles Currie, Gene Carney and Gene Garner toting the ball. But by the time they reached the 19-yard line, Carney fumbled, and Tackle Dale Williams of the Yellow Jackets recovered on the 15-yard line.

In five plays, the Yellow Jackets scored. Culvahouse crushing through the middle for the tally from the one-yard stripe. Spinks' kick for the extra point was wide.

Early in the second quarter, the Wolves found themselves in the hole again as Spinks' punt rolled dead on the one-yard line.

Again they started back out and again they fumbled and Culvahouse recovered on the 19.

It took only three plays this time. Haygood swept around for 14 yards, Woods passed to Culvahouse for another yard and Spinks raced around his own right for seven yards and the score. Spinks kicked the extra point.

Two Minutes Later
Two minutes later, Kermit scored again.

Colorado City had worked the ball up to its own 18 when Corbell connected with End George Swann on the 25.

The pass was completed all right, but as he was tackled, Swann lost the ball and Culvahouse snatched it in mid-air and sped the 25-yards to the goal-line. Spinks missed the try for the extra point.

Still the Yellow Jackets were not through for the second quarter.

After an exchange of punts, Colorado City looked like they meant business as they charged down the field, picking up two first downs on the strength of a couple of aerials.

Then it happened again. Wood slipped out of the Kermit secondary to intercept Garner's long pass on the Yellow Jacket 35 and return it

65 yards for the final touchdown of the first half.

Starting the second half in a furious sandstorm the Wolves found little change in their luck.

Before the period was six plays old, they had fumbled again and the Yellow Jackets had started another touchdown drive.

This time Spinks plunged 10 yards through left tackle for the marker. He missed the extra point.

Wolves Were Lost
After that the Wolves were lost, although they made a determined attempt to stay in the ball game.

Late in the final period, with their backs to the wall, they made a fourth-down gamble.

Nathan Corbell was back in punt formation but instead of kicking he tried what appeared to be a variation of the old Statue-of-Liberty play.

At any rate, he went through the motion of kicking but the ball never left the backfield.

A swarm of Yellow Jackets converged on the fumbled ball and it was Kermit, poised again on Colorado City 40, ready for another march to the goal line.

It took them seven plays, with Jimmy Smith finally plunging over from the one. Spinks kicked the extra point.

Only time saved the Wolves from an even worse fate.

For as they started back after the kickoff, they fumbled again. And Kermit recovered, reaching the two-yard line before the game ended.

Bobcats Tip Eagles For Title 20 To 7

SAN ANGELO—San Angelo's Bobcats took advantage of the breaks here Thursday afternoon to win a 20 to 7 football game from the Abilene Eagles and sew up the District 5-AA crown.

The underdog San Angelo team scored early, recovering a fumble by Abilene at the Eagle 27-yard line on the opening kickoff. On the first Bobcat play from scrimmage, Halfback Dwight Price swept to his own left end for the distance. Dwan Salee converted.

A blocked punt in the middle portion of the first quarter gave San Angelo the ball at the Eagle 23, and Gerald Baker shot a pass to end Jerry Campbell at the 10. Campbell rambling over. Salee's kick made it 14-0.

Abilene tallied in the second quarter, drying 18 yards after taking over on the Bobcat 18-yard line following a short San Angelo punt. Fullback Joe Moore crashed over from the two-yard line. Jack Lester converted to bring Abilene within a 14-7 margin at halftime.

But determined San Angelo moved back for another touchdown, with Jerry Williams driving over from one-yard away in the third quarter. Abilene tried to come back, but was hampered by injuries to key men and couldn't muster a scoring drive.

The final Rankin touchdown came late in the third when Yocham scored his third touchdown of the night, bowling over from the three. Elbert Eckles converted to end the scoring at 20-6.

Rex Layne Meets Jersey Joe Walcott

NEW YORK—(P)—Rex Layne gambles for the whole pot Friday night when he takes on tough old Jersey Joe Walcott in a one-shot bid for a crack at Ezzard Charles' heavyweight crown.

It's a giant step for the 22-year-old pride of Utah. If he beats Walcott in their 16-rounder in Madison Square Garden he will bypass every other contender in the ranks and just about clinch a June title chance with Charles, providing he still is the king.

But whipping the cunning, experienced, 36-year-old Camden, N. J. negro is a big order. Old Joe is hoping for a fourth title shot himself.

The TCU invasion of Rice's new football field will be described by Ves Box and Jerry Doggett, starting at 1:50 p.m., on stations KGKL, San Angelo; KBST, Big Spring; KORS, Midland; KPET, Lamesa.

Red Devils Clip Ackerly Eagles FORSAN—The Rankin Red Devils held the Ackerly Eagles 20-6 here Thursday night in a bi-district six-man football clash. Rankin advanced to a regional championship just with Marathon by virtue of its win.

Fullback Norman Yocham climaxed a 50-yard scoring drive by the Red Devils with a 12-yard canter around end in the first quarter. Ackerly tied it up early in the second half, going 50 yards to score with Fullback Charles Worley plunging across from the one-yard line.

Rankin came back three plays later to go ahead, when Yocham broke loose on a 55-yard dash. His running try for extra point was short.

HURT IN OIL FIELD

Roy G. Flournoy, Odessa, was given emergency treatment at Western Clinic-Hospital Thursday for a thumb injury received while working on a drilling rig.

Anderson Declares Abundant Production Is Best Equalizer

WASHINGTON — (P)— Senator Anderson (D-NM) declared Friday that abundant production—rather than price controls—is the best way to keep prices in line.
The New Mexico lawmaker said it would be a mistake to impose controls now, and he added:
"Abundant production is the best policeman we have to keep prices right. Rigid controls curtail production. They often result in shortages which are the basic cause of price increases."
Anderson had plenty of experience with price controls, on meat and other food during World War II and the immediate postwar period, when he was secretary of agriculture.
"I don't say we may not have to resort to price controls again," Anderson told a reporter. "But the time has not arrived. The best way to fight high prices now is to encourage greater production."
Prices have been held down somewhat, the Federal Reserve Board said Thursday night, by its restrictions on retail credit. The board also claimed the curbs have had substantial results in cutting down on installment buying.
"Demand for many new types of consumer durable goods, which in the Summer was far in excess of supply, has declined and can now be satisfied in more competitive markets," the board's November "Bulletin" said.

FINGER CAUGHT IN PULLEY
J. L. Vance, 911 South Mineola Street, injured a hand Thursday when it became caught in a pulley belt at the Planters Gin. He was given emergency treatment at Western Clinic-Hospital.

UN Launches—

(Continued From Page One)
northwestern front. Troops of three UN corps jumped off at 8 a.m. Advancing troops found 30 wounded American prisoners newly released by Chinese Reds. All but three were litter cases. They were members of the U. S. Eighth Cavalry Regiment, ambushed by the Chinese early in November. These were in addition to 27 released by the Chinese Wednesday.

A tank-led U. S. 24th Division task force drove eight miles west on the road to Sinuiju, entryway for Chinese Communist armies in the extreme northwest. Sinuiju was in flames Friday, presumably from new allied air attacks.

The 24th Division reached Nae-chongjong, on the same route it traveled four weeks ago to within 14 miles of the Manchurian border before Chinese Red attacks forced its withdrawal.

On the right flank, two columns of the Republic of Korea (ROK) First Division marched unopposed on Taechon, major Communist base and key road junction on highways leading to the vital Suho hydroelectric development. The columns were seven miles south and south-east of Taechon.

Well-Supplied Reserves
The 25th Division, spearheaded by two tank columns, bracketed Ipsok. Elements of the U. S. 2nd Division, attacking after a night-long artillery barrage, pushed more than six miles, moving three miles beyond the rail center of Kujang against small arms and mortar fire.

The ROK Second Corps, on the right flank of that drive, advanced more than a mile. The ROK Seventh Division moved up to positions six miles north of Tokchon.

The ROK Eighth Division advanced to a point seven miles north of Yongsu.

Less than half of the 8th Army's 100,000 men were committed to the initial stages of the offensive. Mobilized behind the spearheads were well-organized and well-supplied reserves, ready to exploit any breakthrough in the deep defenses the Reds have been reported building in the mountains.

The heaviest opposition reported was in North-Central Korea.

There the Chinese Reds threw a fresh division—the 89th—against the previously unopposed U. S. Seventh Marine Regiment moving up the west side of Changjin Reservoir.

The Seventh Marines fought through deep snowdrifts and five heavily defended Chinese roadblocks. They smashed through an estimated 1,000 Reds to a point three miles south of Yudan, western tip of the great reservoir.

The Marine Fifth Regiment moved to three miles up the east side of the reservoir without a fight. Those Leathernecks were about eight air miles north of Hagaru, at the southern tip of the reservoir.

Farther to the northeast, the U. S. Seventh Division expanded its hold on the Yalu River border area around Hyesanjin.

Any Wind Is Ill One Blowing These Days, Says Chief

Any wind that blows these days is an ill wind, as far as Fire Chief Jim Walker is concerned.
"With no rain in weeks," he explained Friday, "and the grass dry as tinder, there's a grave danger from fires."
"And it's worse when the wind is blowing."

The fire department spent a part of Thanksgiving Day putting out a couple of grass fires, which suddenly presented a danger as a Norther blew in from the Panhandle.

"Midland residents," he said, "should be particularly careful these days in starting any kind of fires, whether they are burning grass or dead grass off their lawns or fields."
If residents would simply notify the fire department of intention to burn grass, he said, it would save everyone a lot of trouble.

Sometimes Frantic
Sometimes the neighbors see the smoke from a perfectly harmless grass fire and frantically turn in an alarm.

If the fire department knows grass is being burned in that neighborhood it may have a man there already just keeping an eye on it. Thus a parade of fire trucks to the scene would not be necessary.

Walker pointed out there is little necessity for anyone having to burn their own trash.

"Sometimes," he said, "they burn it in barrels, thinking it is safe. "But if a wind should come up, it would scatter sparks all over the neighborhood. And with everything as dry as it is now, that would be dangerous."
"The city provides pickup service for trash and this should be used."

Plans For JayCee Parade Discussed

Plans for the visit by Santa Claus and the JayCee parade were laid at the JayCee luncheon Friday in Hotel Scharbauer.

Goodrich Hejl, in charge of the JayCee parade, reported on the plans being made for the project. The parade will get under way at 7 p.m. Tuesday. Approximately 30 floats are expected to enter. The floats will be sponsored by merchants, churches, and various organizations throughout Midland.

Pylant sign company will donate a sign to be placed at the judge's booth, and R. M. King Construction Company will donate the booth itself. Judges for the parade, to pick the best floats, will be Carroll Thomas, Allen Watts and O. J. Hubbard.

Hejl announced Santa's sleigh has been broken, and he will travel to Midland by air this year. His plane will be on a float bearing the jolly old gentleman and will circle through the downtown area. Santa will toss candy to Midland kiddies. Bill Blakemore introduced a proposal for a JayCee-sponsored drive to help in the Latin American and negro sections of Midland. Blakemore said it "will not be charity, but only an assist toward making our Latin American and negro friends better citizens." "You might say," he added, "that it will be an experiment in democracy."

Deposits Of Uranium Found In Australia

DARWIN, AUSTRALIA — (P)— The thinly-peopled Northern Territory of Australia may hold vast deposits of uranium ore. Already five radioactive ore deposits have been found—two in the northern part of the territory at Rumjungle and Ferguson River—and three smaller ones in the Alice Springs area.

Government rewards have been paid to the finders of the Rumjungle and Ferguson River deposits. There is one important point about these two discoveries of radioactive deposits. The two places are 150 miles apart, yet rock formations are similar. It could mean that more deposits of high grade radioactive ore are available along this 150 mile stretch of little-known country between Rumjungle and Ferguson River.

FALLS FROM JAIL BUNK

Tom Lewis, Route 1, received wrist lacerations Thursday when he fell from a top bunk in the city jail. He was given emergency treatment at Western Clinic-Hospital.

Slowdown By GOP Hangs Heavy Over Lane Duck Session

WASHINGTON — (P)— A prospective Republican slowdown spelled trouble Friday for Administration proposals in the lame duck Congress beginning Monday.

Republican leaders were reported in private agreement that work in the expiring session ought to be held to a minimum. They will have added strength in both Houses—and thus a larger voice in decisions—when the new Congress meets in January.

The GOP's reluctance to act might contribute difficulties to President Truman's demands for approval of an excess profits tax and for an extension of rent controls in the short session. It could help kill House-approved Hawaii and Alaska statehood bills, on which Truman has asked action.
There may be some questions about details, but Republicans are expected to go along with a forthcoming presidential request for another big chunk of money to finance the fighting in Korea and to build up military forces. Included in this probably will be additional funds for atomic development.

Inspiration For Art Begins In The Home

SANTA BARBARA, CALIF. — (P)— Do you seek inspiration for your art in far places? Then listen to William Dole, an artist and instructor at Santa Barbara College: "I find that I can get a lot of inspiration and ideas right from my immediate surroundings. I paint the children a lot and my wife is my favorite model."
Advertise or be forgotten.

WAGE STABILIZATION BOARD COMPLETED

WASHINGTON — (P)— President Truman Friday completed the establishment of a wage stabilization board under the defense act of 1950.

He announced the appointment of eight board members who will work with Cyrus Ching, appointed chairman some time ago.

ANKLE IS SPRAINED

A. E. Touchstone, 1213 South Weatherford Street, was given emergency treatment Thursday at Western Clinic-Hospital for a sprained ankle.

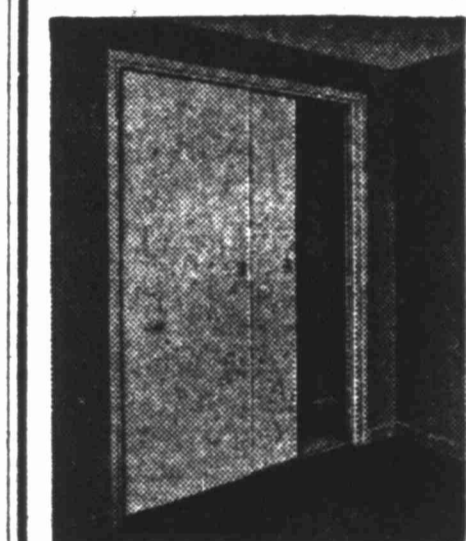

HURT ON SCHOOL SLIDE

Ella Jean Ratcliff, 110 South Marshall Street, suffered a wrist fracture Thursday when she fell from a slide on a school playground near her home. She was treated at Western Clinic-Hospital.

Ed Edwards Attends Rites For Brother

Deputy Sheriff Ed Edwards has returned from Austin, where he attended the funeral of his brother, Goodard Edwards, who was fatally injured recently in an automobile crash near Salado.

Edwards, an examiner for the State Insurance Commission, died early Monday in Belton. Services were held Tuesday in Austin.

"only nature heals"

Chiropactic Proves It

M. C. FITCH, D.C.

CHIROPRACTIC is the art of restoring HEALTH by adjusting the spine. You may insist that "there's nothing wrong with my spine"—it's my stomach, kidneys or sinus that needs attention. YES, BUT HAVE YOU CONSIDERED WHY THESE ORGANS OR PARTS OF YOUR BODY FAIL TO FUNCTION AS THEY SHOULD? All schools of healing, agree that vital nerve force is generated in the brain and distributed through a network of nerves. THIS NERVE SYSTEM CENTERS IN THE SPINAL COLUMN. Perhaps you think you have a disease not influenced by nerve communication. If so, you feel no discomfort, FOR WITHOUT SENSORY NERVES THERE IS NO FEELING. If you are experiencing pain and discomfort you must FACE THE FACTS. YOUR NERVOUS SYSTEM NEEDS AND IS DEMANDING ATTENTION. Correcting the displacement in your spine brings about a normal nerve force in the body, and NATURE, GIVEN A FAIR CHANCE, DOES WHAT NO PILLS AND POWDERS CAN HOPE TO ACCOMPLISH.

CHIROPRACTIC adds YEARS TO LIFE and LIFE TO YEARS.
