Pair Unopposed For Re-Election In City Voting

Troy Moore and Dr. R. R. Wills will be unopposed candidates on a ballot when they seek re-election to place 3 and Place 4, Hereford City Commission, in the Tuesday, April 5, city election here.

Election will be held in Hereford City Manager's office from 8 a. m. to 7 p. m. Only one absentee ballot had been filed at deadline, Henry Benson, Hereford City Clerk, said Saturday morning.

Filing intention to run for re-election in February were Moore to Place 3 and Dr. Wills to Place 4.

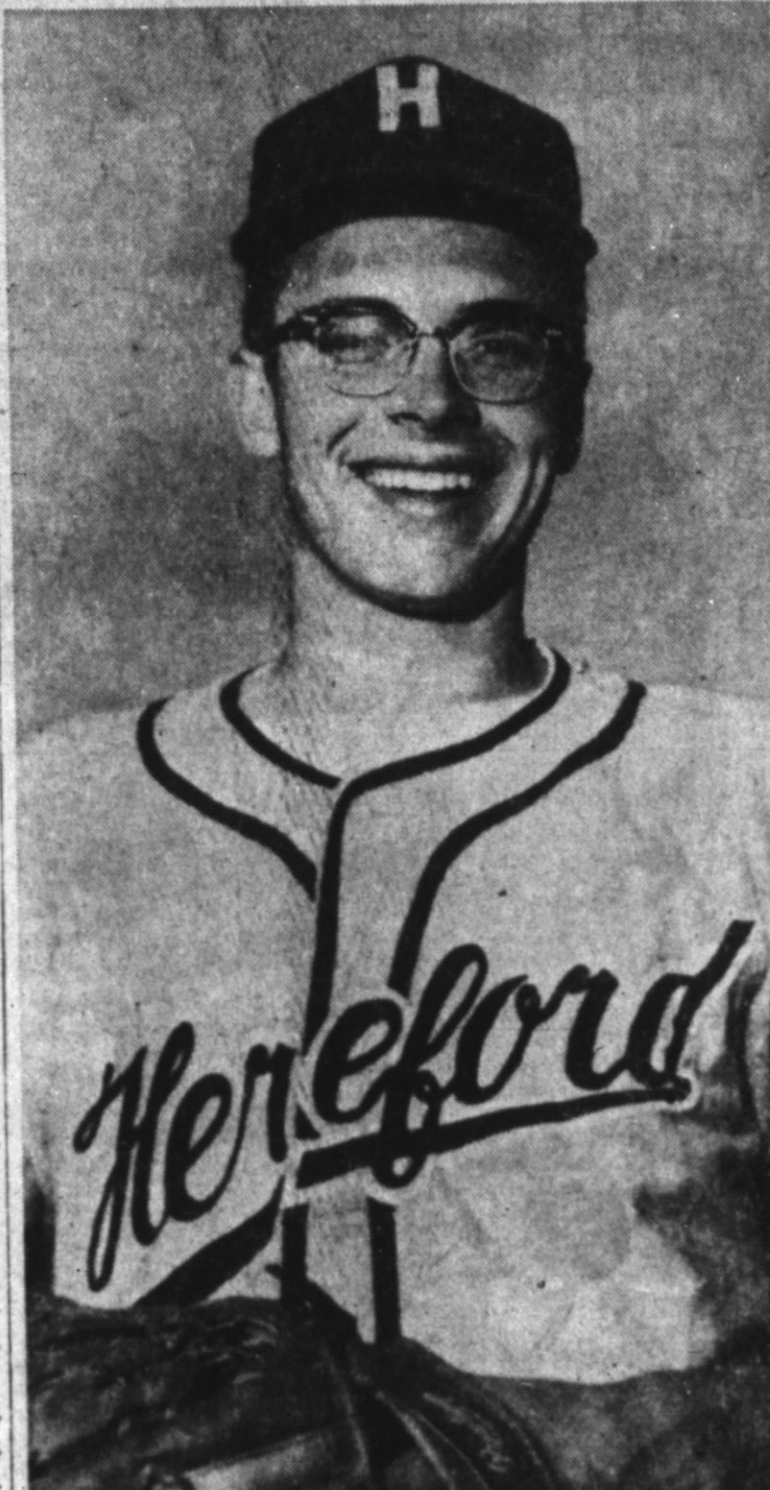

Poll committee includes Nell Cooper, election judge, and Mrs. Nona Jowell, Mrs. Grant Fuller and Mrs. C. Ora Cockrell, clerks.

Former Dalhart Officer On Force

Engaged in law enforcement work for more than 17 years, Claude Roper, 55, joined Hereford Police Department as a patrolman Friday this week.

Roper and his wife live at 111 Avenue C in Hereford. They moved to Hereford from Dalhart earlier this week.

For the past 18 months, Roper operated a cafe in Dalhart. He was for eight years a city patrolman and deputy sheriff in Dalhart.

Donnie Marcontell ... tossed near-perfect no-hitter

Marcontell Hurls No-Hitter As Herd Pounds Out 5 Runs

Donnie Marcontell pitched a no-hitter Friday afternoon as his teammates jumped on Nazareth to win 5-0. For the slender right-handed hurler it was almost a perfect game. Marcontell, the only senior on the Hereford High baseball squad, walked one man in the bottom of the second inning and another got on base in the third stanza by error. Neither of the Nazareth runners advanced beyond first base.

Striking out 11 opponents, the 6-1 ace was never in trouble of any sort. It marked his third win of the season against a single loss to Borger. Almost as encouraging was the Herd's hitting prowess, which has been lacking in recent games. Friday the Herd jumped on two Swift pitchers as they pounded out eight hits. The win gave Hereford a split with Nazareth, which had won 6-4 here Tuesday. It also moved Hereford up to a 4-5 mark for the season.

Tuesday, Hereford will be in Clovis for the first of two games with the Wildcats. Game time is 4 p. m., MST. On Friday the Wildcats will play at Hereford. Unless more games are scheduled, the Herd will have 10 days off before it starts the first of four District I-AAA games on April 19 at Dumas.

In Friday's tilt, which was arranged just Wednesday, Hereford broke a three-game losing streak with a strong hitting attack.

Safflower Meet Slated Thursday

All Deaf Smith County farmers interested in planting safflower crops in 1960 are urged to attend a meeting scheduled in the Community Room of First National Bank of Hereford Thursday, April 7. The meeting will begin at 7:30 p. m., according to Deaf Smith County Farmers Union president Bill Gentry. Charles Corn, safflower specialist from Amarillo, and Alec Dickey of Denton, Texas Farmers Union president, will be keynote speakers.

"Growers are not required to buy stock in Farmers Union Marketing Co-op Association in order to grow safflower this year," Gentry said. Gentry said there will be a contract price for crops, and that contracts for growers will be available at the meeting. Growers may also buy seed at the meeting, he said.

The entire program for safflower will be explained at the meeting, including recommended cultural practices and last year's yield.

Deaf Smith County safflower growers planted 305 acres last year, mainly on an experimental basis. Twenty-five growers cultivated the oil-seed crop in this locality, Gentry said.

In the top of the second, Charlie Burrus opened with a single, moved to second on a stolen base and took third on an error.

Hereford Choirs Ranked High In UIL Contests

Hereford High School Mixed Choir and Girls Choir received high ratings in University Interscholastic League Regional II contests at West Texas State College in Canyon Wednesday afternoon.

The Mixed Choir was rated II in concert and I in sight reading, and the Girls Choir received II ratings in concert and sight reading. Both choirs are under direction of Don Moore, Hereford High and Stanton Junior High choir director.

Ratings are designated as: I, superior; and II, excellent.

Tuesday morning this week, the eighth and ninth grade Girls Choir and the seventh grade Girls Choir each received II in concert and II in sight reading. The seventh, eighth and ninth grade Boys Choir received II in concert and II in sight reading in afternoon contests.

Vocal soloists and ensemble groups from Hereford High and Stanton Junior High also received several I and II ratings in other divisions of Interscholastic League contests at WT.

The contests are held annually, with high school and junior high schools competing for ratings in accordance to standards set by judges. All Panhandle schools north of Tulsa and Farwell enter competitions.

look forward to another heavy year for building in 1960 as \$236,085 in permits for new homes or buildings and additions to existing structures had been issued through March 31.

That figure is shadowed by the \$536,600 amount for the same period in 1959. However, building permits for the Northwest Elementary School and addition of a cafeteria and administration facilities for Hereford Rural High School District comprised \$307,500 of the first quarter's total last year. No major permits have been issued thus far in the current year, but snow and a rainy season failed to bog general building activity.

Hereford High One-Act Play Repeat Winner

"Queens of France", a Thornton Wilder one-act play presented by Hereford High School, won first place in the District I-AAA, University Interscholastic League, competition held Friday in the Branding Iron Theatre at West Texas State College in Canyon. Hereford's 1959 entry also won the district title.

Bobby Renfro of Hereford, a lead character of the play, was chosen a member of the all-star cast. Dr. Earl W. Blank, chairman of the Department of Speech at Northeastern State College, Tahlequah, Okla., was judge.

Other Hereford cast members of the winning play were Judy Bradley, Lee Blocker, Judy Coffin, Kay Sims and Jimmy Reinarter. The entry was directed by Burney B. McClurkin, drama teacher at Hereford High.

In the third week of April, the play will be entered in the regional Interscholastic League competition at Odessa.

Hereford High thespians competed with high school casts from Phillips, Dumas, Littlefield and Levelland at the Canyon contest.

Hereford's 1959 one-act play entry won first place in the district contest. Hereford High students presented "All My Sons" in winning the regional meet last year.

It was announced Saturday that "Queens of France" would probably be presented in a public performance in the Hereford High auditorium sometime before the entry is taken to Odessa.

Incumbent B. F. Cain was returned to the Hereford Rural High School Board of Trustees, along with O. W. Parris and Bill Gentry. They edged out three other candidates for the trio of seats available in Saturday's election.

Final, unofficial returns showed the following total vote for the six contestants: O. W. Parris, 495; B. F. Cain, 453; Bill Gentry, 387; Gaylord Newell, 320; Deniz Pulliam, 320, and Lee Kent, 163.

Voting was extremely heavy in both the Hereford voting place and at Dawn.

Candidates polled the following number of votes at the school tax office in Hereford: Parris, 473; Cain, 421; Gentry, 353; Pulliam, 302; Newell, 297; and Kent, 157. Voting at the Dawn School included: Gentry, 34; Cain, 32; Newell, 23; Parris, 22; Pulliam, 18; and Kent, 6.

A total of 723 votes were cast in the election for Hereford trustees - at - large were M. C. Adams, 1; Raymond Higginbotham, 1; and H. H. Miller, 4. Incumbent Eldred A. Brown was re-named county trustee within Commissioner's Precinct (Continued on page 3)

Vote To Forego '60 Crusade For Cancer Training

In order to concentrate on its public education program and inform everyone what its functions are, the Deaf Smith County unit of the American Cancer Society will not conduct its usual Crusade for funds during 1960.

Announcement was made Thursday by Dr. Bruce Beene, chairman of the county unit. "We feel that this year should be devoted to cancer education, since many people do not know what our local functions include," Dr. Beene said. (Continued on page 3)

Kiddies Easter Parade Results

In a brief, wind-blown march down Main Street Saturday, a handful of contestants vied for cash prizes in a Kiddies Easter Parade.

Results, as announced by out-of-town judges Saturday afternoon, include:

Defense And Law Officials Give Tornado Rules, Plans

By DAN MUDD

BRAND STAFF REPORTER

With the opening of the oft-termed "tornado season" in the Texas Panhandle, local law enforcement officers and members of Hereford Volunteer Fire Department were represented at an area meeting sponsored by the U. S. Weather Bureau at Amarillo Thursday night.

The meeting, which was held in the Santa Fe Building, is conducted annually to coordinate efforts in making severe weather information and forecasts available to residents in a 26-county Panhandle area.

Although it has been a number of years since a tornado hit Hereford, the following agencies keep on constant alert when severe weather is forecast in this locality: Hereford Police Department, Texas Highway Patrol, Civil Defense, Hereford Volunteer Fire Department and

various forms of communication media.

Signals for Hereford residents of the approach of a tornado include: Solid Blast - storm warning; Alternating

Blasts And Silence - take cover, tornado is eminent. This will continue for about three minutes.

Installed April, 1958, the sirens are located atop City Hall and on Union Street, between Avenues H and I.

The safest place in event of a tornado is in a storm shelter or basement. Such shelters should be stocked with canned food, water, battery-powered radio, blankets, shovel, first aid kit and other emergency items.

In public buildings and homes, the safest place is in the southwest corner, away from windows and other openings.

HE'S GOT A WAY with skunks. City Patrolman Bobby Roberts, for some reason, always seems to draw stinky assignments, such as capturing skunks that invade the city. In December he caught one that was creating a disturbance on Texas Avenue. Thursday morning he nabbed one that was covering outside Aikman School. Says Roberts, "People don't smell nearly as bad."

Around Town

An important meeting of the entire county has been called for Monday, April 4, at 8 p. m. to discuss the current battle to get increased sugar beet acreage for this area. The meeting will be held in the ballroom of the Community Center. James W. Witherspoon, one of three men on a committee fighting the problem, will explain in a complete report what has been done and the prospects for getting a sugar beet refinery here in the near future. Although the meeting is being called by the Texas Sugar Beet Growers Association, all farmers, merchants, business and professional people are being urged to attend.

On next Friday, April 8, Hereford merchants will discuss the high school's Distributive Education program with DE supervisor Kenneth Hart, who's already planning for next year's work. The meeting is set for 10 a. m. in the Jim Hill Hotel ballroom.

We've been told by a longtime resident that the best way to keep those pesky dandelions out of a yard is to throw up a fence and buy a couple of old hens. He guarantees the hens will eat all the dandelions. . . then, I guess, you can eat the hens that ate the dandelions.

City's Deposits Down Slightly

Drastic price support reductions for grain sorghum and a comparatively slow marketing year for Deaf Smith County vegetables failed to leave much of a mark on two local banks and two savings and loan institutions, which showed that combined deposits were down only \$88,745.98 under last year, according to statements of conditions as of March 15, 1960.

Combined deposits of the two banks, First National and Hereford State, and Hi-Plains Savings & Loan Association and Hereford Texas Federal Credit Union totaled \$16,097,454.37, compared to \$16,186,200.35 reported March 15, 1959.

Deposits of the two banks this year totaled \$12,555,688.41, compared to \$13,404,196.35 for the same period in 1959.

The savings and loan business reported an increase in combined deposits. Deposits this year through March 15 totaled \$3,541,765.96, contrasting with \$2,782,004.00 for the same period last year. The increase amounted to \$759,761.96.

Around.....

(Continued from page 1) set all the clocks ahead by 30 minutes. That's about the only April Fool's prank I've heard about this year.

There will be a meeting of the Hereford Pony League baseball officials on Monday, April 4, at 8 p. m. to elect officers and organize for the 1960 season. The meeting will be held in the north clubroom of the Community Center.

Delta Xi chapter of Delta Kappa Gamma, honorary teachers group, will host a public relations meeting on Saturday, April 9, in the Community Center lounge. Topic of the meeting will be "Together We—Citizens, Parents, Teachers—Can Strengthen Our Educational Program", given by Mrs. Mildred Hulsey of Tullia. The Hereford High Girls' Choir, directed by Don Moore, also will appear on the program, which will be open to the public. Delta Xi chapter includes teachers from Deaf Smith, Farmer and Castro counties. The meeting will be open at 8 p. m.

A 69th District Court jury panel of 60 persons is being called for 10 a. m. Tuesday, April 5. Judge Schultz is to hear a civil case at that time. The Grand Jury is to convene on Monday, April 11. Civil cases also are set for that day, with some criminal jury trials now slated for April 25.

For sheer joy, there's none to match that of a father who finally gets a boy. In the latest case, it's Bruce Smith, who's son was born Saturday morning, joining three older sisters.

You've never seen such a happy boy, and such happy teammates, as when Donnie Marcontell struck out Nazareth's two big hitters in the seventh inning Friday to notch a no-hitter. We'd like to add our congratulations to those of other sports fans, who applaud his efforts.

Hereford plays two games against Clovis this week. Tuesday they will be in Clovis; Friday they will host the Wildcats. Both games are set for 4 p. m., but the first is Mountain Standard Time.

One of the big events of the year, of course, will be the Spring Fashion Show sponsored by the Hereford Business and Professional Women's Club. It will be staged at the Hereford High auditorium, beginning at 8 p. m. Tuesday, April 5.

Hereford Toastmaster Club will not have its installation Tuesday as had been scheduled. It was postponed until Tuesday, April 12.

Deaf Smith County citizens have bought 4,070 sets of vehicle license plates through Saturday noon. This is slightly below the number predicted by the county tax office.

Hereford added to its two-run lead in the sixth. Burrus again opened with a single and moved to second as Loerwald was safe on an error. And again it was Edwin Thomas who drove in Burrus, as he hit his second double of the game.

In the seventh, Hereford chalked up two more runs. John Buck and Charlie Thomas walked, Marcontell singled to load the bases and Buck scored on a wild pitch. Thomas scored as Burrus grounded out, with the play going to first base.

Gene Gerber started on the hill for Nazareth, working six innings. He struck out seven, gave up seven hits, allowed three runs and made two wild pitches. Freshman curve-baller Ray Schmicker relieved in the seventh, giving up two runs on one hit, while walking two, striking out two and making one wild pitch.

Gerber was tagged with the loss. In a one and one-third inning effort Tuesday, he had been credited with Nazareth's win over the Herd.

Defense.....

(Continued from page 1) rapidly changing air pressure. If in the open, travel at right angles from the path of the funnel. Tornadoes generally move from southwest to northeast, but may move in any direction.

If caught in the open, the safest place is in a ditch. Do not call law enforcement offices, fire department, radio or television stations, weather bureaus or newspapers. The information will be announced as soon as possible and frequent calls may slow information channels.

If a person sights a tornado, he should report its location, approximate speed and direction of travel to the nearest law enforcement office.

In event a tornado approaches during school hours, do not attempt going after children. They will be protected and generally much safer in steel-braced school buildings than in a car or residence.

In the event of general tornado warnings for the area, Highway Patrol and Sheriff's Department mobile units will be stationed in scattered areas around the county. Any information received will be radioed to Hereford. The Fire Department will sound tornado signals only if necessary.

Civil Defense workers go into action in case a tornado should strike. All law enforcement personnel will be used, assisted by firemen and Red Cross workers.

The last tornado warning sounded here was three years ago, but the storm broke up about three miles from Hereford. Residents should familiarize themselves with terminology used in issuing warnings.

Tornado "forecast" is issued for a relatively large area in which weather conditions will be favorable for one or more tornadoes to develop.

Tornado "alert" occurs where one or more weather reporting stations locate an area of turbulence or cloud formations which indicate the probability of a tornado. Immediately following such an alert, agencies will become increasingly observant as will local observers in the alerted area.

Tornado "warnings" are announcements that a tornado has been sighted and reported. The warnings tell where and when the tornado has been reported and list the areas toward which the tornado is moving. These warnings cover a short period of time, usually less than an hour, and are for the purpose of advising persons in the path of the storm to take immediate safety precautions.

Radar "echo" is the term used to describe a suspicious formation appearing on the radar scope that is not identifiable as a tornado.

Warning of the approach of a severe storm or tornado is a public safety and welfare measure of greatest importance. Although many tornadoes cause little or no damage, the warnings can mean the difference between life and death.

Above all, residents should stay calm. Persons have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, the chances of a tornado striking one's home or location are comparatively slight.

A tornado is usually observed as a funnel-shaped cloud, spinning rapidly and extending toward the earth from the base of a thundercloud. When closeby, it sounds much like the roar of a squadron of airplanes.

"Tornado weather" includes hot, sticky days with southerly winds and a threatening sky. However, many such days occur without tornadoes.

Causes of a tornado's destructive force are violent winds which uproot trees, destroy buildings, and which create a serious hazard from objects blown through the air; and differences in air pressure which can lift automobiles and can cause buildings to collapse.

Attending the Thursday meeting in Amarillo were Deaf Smith County Deputy Sheriff L. R. Cherryhomes, Fire Chief Dub Reeves, Fire Marshal Clay Angelo, Hereford Patrolman Walter Briles, and representatives of the Hereford Brand and KPAN Radio.

Lighter Topcoats In Spring Setting

Men's topcoats for Spring are so lightweight that they have scarcely more heft than the suit underneath. Yet there's been no sacrifice of warmth and protection.

Fabrics have worked new miracles that lend younger life to coat shapes and make them crease-resistant, too.

New shorter lengths give topcoats a smartly balanced look plus a free quality that adds comfort and ease of wear. For the man who drives — (and who doesn't) the new length is outstandingly practical.

Fashioned from a superb range of weaves and textures, they are tailored to be the perfect partners of suits in any of the Big Four Styles: Continental, American Natural, Ivy and American Ambassador.

Men's wool topcoats for Spring fill a definite need. These coats in practically feather-weight, 11-ounce fabrics of all-wool, provide just the right degree of warmth on Spring mornings, reports the Wool Bureau.

Much lighter in weight than winter models, Spring overcoats go comfortably with trans-season wool suits, those in the eight- to ten-ounce class.

As a welcome change from winter coats, wool topcoats for Spring 1960 are in medium to light tones — all with flat, smooth surfaces — all distinctly different from winter coats — all with smart, bright contrasting satin linings. Nubby - boucle - like soft - surfaced fabrics are no longer in style. The burnished tones, in particular, lend themselves handsomely to the new colors in Spring wool suits.

Other important topcoat colors this season are olive, bronze, and in combinations —

gold - ebony and black - white. For a well-coordinated look, the smart man buys his wool topcoats when purchasing a new Spring suit.

Continental styling has now taken over Spring topcoats, and these are definitely the seasons smartest — topping, specifically for Continental suits. They're short in length — 42", usually. A typical Continental length is the coat that ends at the knee, giving men a longer, leaner appearance.

Sleeves on the Continental are cut narrower, pockets are slanted and flapped, and coats are styled with deep side vents. But the most lasting impression is the "shaped" look. There's nothing baggy about the Continental.

Another important topcoat style is the "split-shoulder." Preferred by young men, the "split-shoulder" coat has sleeves set in in front and raglan in back.

A third coat is the set-in sleeve "box" coat. A dressy coat, the "box" coat is preferred by men living in large metropolitan centers.

When trying on a new Spring topcoat, see that the coat sits correctly on the shoulders. The suit collar should not show, and topcoat sleeves should cover suit-shirt sleeves.

Today's fashion-conscious woman is the fabric-conscious woman. When she shops for herself, her family or her home, she looks not only for style, but for durability and ease of care as well.

The now familiar wash and wear label on clothing holds great attraction for the smart shopper who wants to cut down on her laundering chores and cleaning costs. As a result, fashions in fabric are swinging more and more toward "minimum care."

Because wash 'n wear — or "minimum care" or "easy care" — can mean almost any fabric today, the wise buyer would do well to determine just what fabric she is buying.

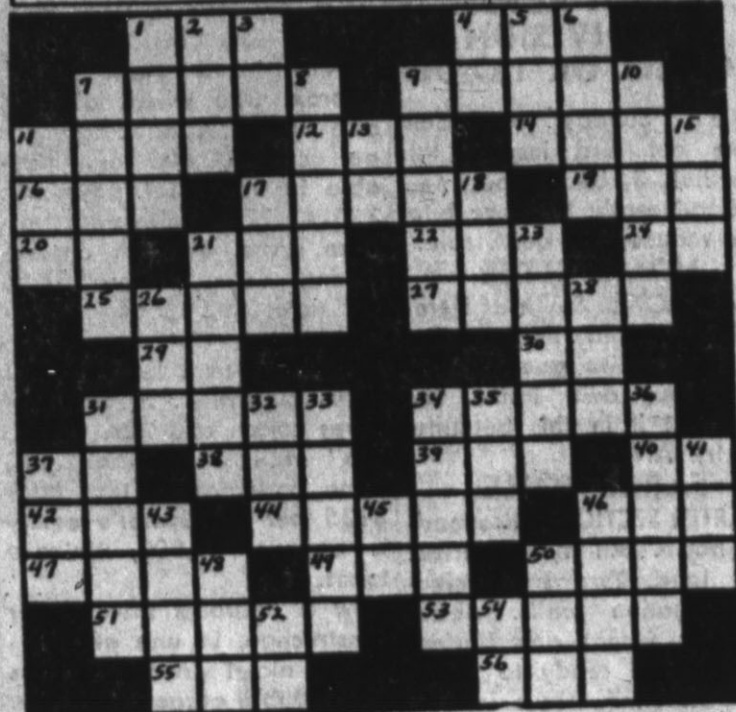

To assist the shopper in the proper identification of fabric, the Textile Fiber Products Identification act was passed in 1958 and becomes effective this year. It requires that all fibers used in clothing be labeled according to predominance of weight, such as "75 - per cent Dacron, 25 - per cent cotton".

In addition, many manufacturers are including laundering and cleaning recommendations on hang - tags to assure top performance of their products.

Automatic washers, too, have done their part to guide the busy — and sometimes quite bewildered homemaker — through the confusing maze of modern all - fabric laundry.

And now for example, the Maytag company's recently introduced "Single Control, All-

12 permits for \$83,500 in February; and 13 permits for \$84,735 in March.

Totals for the same months in 1959 were: 13 permits for \$366,950 in January; 11 permits for \$132,400 in February; and 10 permits for \$37,250 in March.

In January this year, two permits for one-family homes were issued for \$44,500; one residential garage for \$2,000; one non-residential building for \$500; four permits for additions and alterations to homes for \$10,850; and three permits for additions and alterations to other buildings for \$10,000.

In February, six permits for one-family homes were issued for \$68,500; one permit for a two-family building was issued for \$18,000; one permit for a residential garage was issued for \$750; and four permits for additions and alterations to homes were issued for valuation of \$12,500.

In March, five permits for one-family homes were issued for \$65,500; four permits for residential garages for \$5,000; three permits for additions and alterations to homes for \$3,100; and one permit for additions and alterations to other buildings for \$10,000.

Both residential and community building activity zoomed to a near-record high in Hereford during 1959, when \$1,519,361 in permits for new building or changes in existing structures were issued in Hereford City Clerk's office.

That figure set the second highest tabulation in the history of the city. The record totals \$2,028,295 in permits issued in 1955.

Fraud Suspect Returned Here

Indicted on charge of fraud here in February, Narciso Coronado Vasquez, 39, of Corpus Christi was returned to Hereford this week after arrest by the Deaf Smith County Sheriff's Department in San Antonio Wednesday.

Bond for Vasquez was set at \$1,000 after he was indicted by 69th District Grand Jury meeting in session here Feb. 2.

Vasquez was turned over to Deputy Sheriff Bill McCarver of Hereford Wednesday by authorities in San Antonio.

MILWAUKEE MURAL: The mural of the front door mosaic. However, the mural's meaning, not its size, is what attracts the most interest, as described as the nation's largest outdoor comment.

Girls Worry Of Date Etiquette

By VIVIAN BROWN
Newsfeatures

WHEN A YOUNG MAN date lifts his eyebrow and doesn't say anything, a girl is likely to worry. Ditto when he looks over her head or to the right or left of her face. Girls are likely to read all sorts of messages into the casual actions of their escorts, and the last one to be aware of this sort of "indifference" is, of course, The Boy.

If girls would just learn to take typical boy actions in stride, dating would be easier on both. Here are some current worries that plague the weaker sex, from letters in the mail bag:

"I have been dating a senior in our school, and we saw a lot of each other last summer. He has never asked me to steady - date. Last week he asked me to go to a dance, and I accepted. A few days later I heard that he had asked another girl to go to the same dance. I couldn't believe it. It seems, though, that the other girl is going to the dance. Should I call him? What should I do?"

I would be prepared to go to the dance, in case your informant is off base. If he does take the other girl to the dance, I would have nothing further to do with this young man. He has had a change of heart, but, rude as he is, it is best that you know his type to avoid more serious entanglements.

"My mother says the boy whom I date should open the car door for me, and I should sit in the car until he does. I think it is a silly idea, but my mother says if he were a gentleman he would surely do it."

Your mother is very wise, and it was customary in her day for boys to act like gentlemen. Modern mothers are so capable, however, that few young boys consider that women need assistance in anything, much less opening a car door. If you can possibly charm a man into these actions, he will like you for it.

Most boys like to wait on women, but women seldom give them the chance. A successful stage and screen star said recently that she would hold a cigarette for an hour rather than light it herself in a man's presence, and that she waits for a man to pull back her chair, open the door and to order for her. She thinks the girl who expects these courtesies is likely

Mural Brings On 'What-zit' Question

By ROBERT O'MEARA
MILWAUKEE UP — The Milwaukee War Memorial Center has unveiled its \$50,000 mural — all 1,440,000 pieces of it.

The mural, described as the largest outdoor mosaic in the nation, covers five separate 22½ by 16 foot panels on one side of the lakefront structure. The mosaic's combination of Roman numerals sparkles in deep tones of blue, grey, reds and purple.

The striking design has given viewers something to puzzle over, namely, what does it mean? The answer isn't simple.

"A design which is too readily apparent soon loses its interest," says Edmund Lewandowski, director of the Layton School of Art of Milwaukee, who designed the mural and supervised its construction.

Basically, the mural commemorates the years of World War II and the Korean War. The center is dedicated to the men who died in those wars.

to get them — and The Boy. Even if you could play fullback on the local football team, don't give him the impression that you have strength, she advises.

"What do you think of a girl who dates a boy who is younger than she is? I am 17, the boy 15."

I think it is fine if they like each other and the girl does not date him because she can lead him around by the nose. There can be great companionship even when there is a large difference of age, it two people enjoy similar pastimes.

"A boy comes to my house regularly to play records. He eats with us a great deal, and when he is there in the evening I always make sandwiches for him. Whenever he has money, however, he takes out another girl, but he never goes to her house."

You could settle this once and for all by not inviting the boy to your house. Be very cordial to him and wait to see if he invites you out on a date. If he doesn't, I wouldn't waste my time with him, as he is probably keeping you from meeting other eligible boys.

White Leads In Spring Attire

What a wonderful season for white! And see what wonderful wearable ways for white — in the new coat showings! Long or short... casual or dressy... soft touched woolen or sleek, crisp finish... WHITE is RIGHT and makes the exciting coats for the new season especially thrilling!

Shaping up to big fashion are flattering white coats in flannels, basket weaves, crepes, pebble weaves, jerseys, fleeces, boucles, plushes, looped and brushed surfaces — in woolens, worsteds and blends.

Slim, single breasted styles with deep notched collars... braid bound cardigan coats... double breasted split level styles and a wide range of clutch styles or "fling" coats with show-off linings catch fashion's spotlight in white.

For extra fashion spice — take a generous serving of white, sprinkle well with bold black, or a wide range of contrast pastels — and you see the makin' for some of the season's smartest coats in checks, tweeds, plaids, novelty weaves and novelty knits!

The stand-out coat style is the one with the cape - look back and the flat front! But easy - fitted and belted coats have a nonchalant look about them... double breasted coachman styles have an air of sophistication and collarless necklines on slim-bodied coats are equally at home in casual elegant settings.

The more formal looking coat for important daytime doings or for after-five occasions have a somewhat fuller look. They boast such fanciful fabrics as ottomans, petit points, sharkskins and silks, of all types, to set them off.

As elsewhere throughout the fashion picture, pale toned coats sparkle with a discreet elegance! From white to greige, from pale pinks to delicate lilacs and in all the pale citrus tones... the coat look is the light look!

The big style difference in coats for Spring 1960 is found again in the sleeve interest... deep, dolman cuts; fullness from the shoulder; puffed, pushed-up handlings and cape treatments give impetus to the so-wearable silhouette!

CONCENTRATION is demanded of spelling bee contestants. Note the many different expressions registered during the junior spelling contest Tuesday afternoon at Northwest Elementary School. When it comes to weather, no one will deny that this is a country of extremes. I was visiting with a newcomer this week who said that his wife was all packed Thursday and ready to pull out as soon as the wind slowed down. Friday morning he went down to get gas and have the car serviced and when he got back, it was such a pretty day that she had unpacked everything and had it all back in the drawers. The old boy says this weather is the only thing he knows that is as unpredictable as his wife.

see along this line comes from my experience with dial telephones. When you get the wrong number, there is nobody to blame but yourself. If you go into a restaurant and punch out a "ham on rye", then get bologna, you'll just have to admit you made the mistake—and I don't particularly like bologna sandwiches.

Wheat out in the northwest area seems to be much greener and maybe advanced above crops in this immediate area. Producers are still predicting a bumper wheat yield this season, although reports of green bugs are beginning to trickle in from time to time. Vern Witherspoon always said you have to "lose a wheat crop four times" before you harvest it—and it looks as if we are on the way.

Meanwhile, things are all set for Dollar Day Monday. This one is annually a big one, due to the advent of Spring and Easter. Most merchants are chomping at the bit, too.

A family man is a fellow who has replaced the currency in his wallet with snapshots.

The holiday is over for most of the farmers. Even Ross Latham and Ivan Block have been leaving early and coming in late in an effort to make up for lost time. I have been trying to catch Ivan all week, but he never seems available. I understand he has one of those plastic "do-it-yourself" sprinkling systems, and I want to know how much work is involved. Could his wife install it alone, or did she have to have some help? There are some other questions I would also like to ask if I ever locate the boy.

Jim Witherspoon says that Ralph Yarborough will introduce a bill to get something like 20,000 more acres of beets in Texas. Jim says the beet committee needs letters right now like they never needed them before. He says for everybody to write to Eisenhower and Benson regarding the urgent need for a new crop in this area to help offset the low return grain sorghums. The committee would like to have 250 or 300 letters going to Eisenhower and Benson—pronto. They think it will do more good than any other possible thing at this particular time. If you want more information call Jim Witherspoon, Lee Benefield, Hank Williams or Hap Cavness.

The possibilities are tough and go, and they feel that a lot of letters to these two officials at this particular time may be the deciding factor.

Why the sudden trek to Las Vegas? Everytime I turn around I run into people who are either going to or coming from Vegas. I know that very few of them go to gamble, and just plain cannot figure out the attraction.

"Don't throw any towels in the Lyndon Johnson corner." This is the advice of Bill Decker, county chairman for Johnson, who was out collecting funds this week. Bill says he attended a meeting with Panhandle Johnson leaders recently—and Lyndon is still a strong contender for the Democratic nomination. In fact, says Bill, things are looking better and better.

Atha McIver, our bookkeeper and girl "Friday", says it won't be long before our entire lives are run by a series of dots and dashes. All of the corporation checks, order blanks and special forms are now punched in special code to eliminate hand work. I asked Russell Carver, and he says many of the big banks are putting in systems whereby they feed checks into a machine, which posts the account, totals up a balance, enters the figures on the ledger, photographs the check and files it away for delivery to the customer. Recently, I also read where this count-down deal on missiles is chiefly a dramatic gesture; they are really fired by a pre-punched tape, which pretty well controls their entire flight.

The only bad thing I can

CAME FROM DANVILLE
DANVILLE, Va. — Two former Danville first basemen, when that team was in the Carolina League, have enjoyed fine seasons in the National League this year. Willie McCovey of San Francisco hit .310 for Danville in 1956. Bill White, ex-Giant now with St. Louis, hit .298 for Danville in 1953.

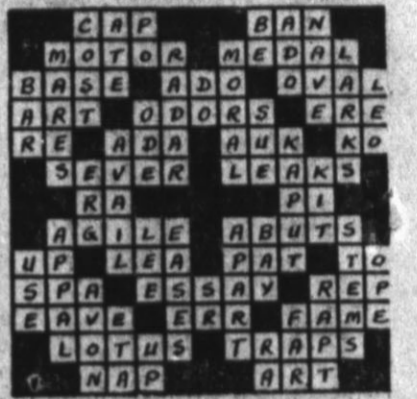

FOOTBALL VALUE
MIAMI, Fla. — Dr. Jay F. W. Pearson, University of Miami president, believes there is a definite place in college for football. In saluting the sport, Dr. Pearson says: "The many values gained from football far outweigh any evils. The evils arise only when alumni and the community demand an annual national championship."

STEALING A BASE IS ROUGH, especially when you slide into a tangle of arms and legs as Charlie Burrus did in Hereford Tuesday. Attempting to make the tag on the Herd first socker was Nazareth third baseman Louis Acker. Although he was safe in the sixth inning, Burrus was unable to score as Nazareth dropped the Whitefaces 6-4. (Staff Photo)

CONFUSING FOOTBALLERS
UNIVERSITY, Miss. — The University of Mississippi football team has four juniors with similar names. They are Shed Robertson Jr., a guard, Joe Robertson, a tackle, Reggie Robertson, a fullback, and Johnny Robinson, a halfback.

HUSKY TRANSFERS
RALEIGH, N. C. — North Carolina State has a couple of transfer students who should carry a lot of weight on the gridiron. They are Nick Maravich, a 236-pound end from Bower Hill, Pa., and Bob Anthony, a 230-pound tackle from Steubenville, Ohio. Maravich attended Notre Dame and Anthony came to the Wolfpack via Purdue.

JUSTICE OF THE PEACE Bill Richburg, center, orates while an audience of three listens in his Dallas court. James M. Guynes, left, claimed that the unnamed Mynah bird, center in cage, he bought from pet shop operator Woody Gibson, right wouldn't talk. Gibson countered that the bird was not properly cared for by Guynes who asked for his \$50 back. The case ended when Gibson agreed to buy the bird back for \$75. And the Mynah bird just screamed and screeched. (AP Photo)

MODEL THEATRE
NEW YORK — Allan A. Brckhantz is producing "Happy Town" for Broadway after extra-elaborate preparation.

Buckhantz, at work on the idea 2 1/2 years, built in his office a half-inch scale model of the stage on which he visualized the musical. It was equipped with a lightboard to demonstrate theatrical effects, had a really gallery, with ropes, pulleys and cleats, and automatically revolving turntables.

"Better than electric trains," commented the producer, "But the theatre is the most extravagant plaything in the world."

BY H. A. TUCK
 Undercover Teacher by George N. Allen is the factual story behind the crime and violence that plagued New York schools, starting in 1957.

A young reporter for the New York World-Telegram and Sun, Allen was assigned to get a job teaching in a New York school, preferably one that had a violent history. While the city editor put him

on leave for an "air pollution feature series", Allen went back to Columbia University Teachers College for the summer and received an emergency certificate to teach English.

Hired by John Marshall Junior High School, Allen soon found he was in a situation similar to that of a prison guard. He was assigned to teach English to two "adjustment" classes. He found rooms that were filled with illiterate or semi-literate children, most of whom were unable to read at the third grade level.

He was subjected to threats, riots and occasional violence. Teaching, more than anything else, became a matter of simply keeping them quiet. Policemen were stationed inside the build-

ing and on the playground. After two months of teaching, taking notes and making observations, Allen was ready to blow the lid off the school situation in New York City.

And he did, with a series of 16 articles that incurred the wrath of the Board of Education, sharp denials from professional administrators, and congratulations from teachers and parents.

After one of the longest journalistic masquerades ever tried, Allen had his story, an inside expose that named names, quoted dates and statements. It closed with a list of recommendations for changing what had become a deplorable situation.

Although New York City had a difficult situation, Undercover Teacher could well be used as a guide for parents and administrators, particularly on how to group and educate the slow learners.

One school principal in New York City, Allen said, cried each time he made out junior high graduation diplomas for students he knew were incapable of reading them.

Undercover Teacher by

George N. Allen is a cloak-and-dagger story straight from today's headlines. Filled with facts, it hasn't a dull paragraph.

Hold Meeting Of Patriarch's Militant

Canton and Auxiliary of the Patriarch's Militant met for their regular meeting at the IOOF Temple Friday evening. Lady president Cora Lee Loving and Chevalier Captain A.R. Rogers presided.

Thirteen members were present - seven Chevalliers and six Ladies. Refreshments of cake, candy and coffee were served by Lady Roberta Combs.

The next meeting will be April 15. A called meeting will be held April 16, when the State President - Lady Iris Severe, will visit the local Canton and Auxiliary. A covered - dish supper will be held honoring the state president and guests from other Cantons and Auxiliaries.

Name Delegate To Girls State

Ginny Higgins, daughter of Mr. and Mrs. Jack Higgins of Hereford, has recently been named as Hereford's delegate to Texas Girls State in Austin in June. Announcement of Miss Higgins' selection was made recently by Judy McGee, last year's representative. Selection was made by the Hereford American Legion Auxiliary, which

sponsors the trip for a girl from the current high school junior class each year in an effort to encourage better understanding of state government. Miss Higgins is treasurer of the junior class, vice-president of girl's choir, is a member of Tri-Hi-Y, and was elected to the recently organized honor society in Hereford. She was a member of the Daniel 4-H Club for several years. Cherry Holt, daughter of Mr. and Mrs. Charles Holt, was elected alternate delegate.

The Amana Story

by DICK WALKER

Amana's new 1960 line will feature three Free-O-Frost models, a completely new line of freezers, new styling and design features on all models, mechanical improvements which all add up to the most wanted products in the refrigeration industry.

In the freezer, all food is on or below a fast freezing surface. And contact freezing is up to 2 1/2 times faster than ordinary freezing methods, yet, despite this fast freezing — no frost ever forms in the freezer. Because Amana's exclusive new Frost Magnet attracts frost, takes it out of the freezer, you never need bother with messy defrosting. Packages don't stick together, and labels are not frosted over. This frost removal is based on a natural principle which is aided by guided, gently circulating, air which moves moisture-laden air to the Frost Magnet. This air current operates only when the compressor is running.

Exclusive Stor-Mor doors on both freezer and refrigerator provides lots of extra storage space. New magnetic door gaskets insure a positive seal, and are easy to open and close with no yank or slam.

All Amana models this year are designed to give a "built-in" appearance in the kitchen and have been engineered so that they actually can be built-in, if desired. To facilitate this, the air draw and exhaust are in the front.

The ultra-modern "square" design enables them to be fitted into cabinet settings and permits space-saving installation. In line with this advantage, Amana has standardized the width of all of its model at 32 inches.

And only Amana gives you the years ahead freezer plus a full family size refrigerator with all the latest features.

Drop by today and look the 60 Amana over. It's at Walker Refrigeration, 3rd at Schley.

Rev. Treadwell Clerical Delegate

At the second annual Diocesan Council meeting of the Episcopal Church in Northwest Texas, held in Lubbock last week, The Rev. Joel Treadwell,

local vicar of St. Thomas Episcopal Church, was elected as Clerical Delegate to Provincial Synod of the southwest, which will meet in Austin Oct. 25 - 27.

The Provincial Synod is made up of 10 Dioceses which are in Missouri, Kansas, Arkansas, Oklahoma, Texas and New Mexi-

co. Each Diocese sends three clerical and three lay delegates. Lester Jones, former vicar of St. Thomas Mission in Hereford, was one of four clerical and four lay delegates to the triennial general convention of the Episcopal Church of the United States.

The convention will be held in Detroit in October of 1961. It is the governing body of the Episcopal Church of the United States. The Rev. Jones and Treadwell will represent Diocese of the Northwest.

MEMO TO ADVERTISERS

A Guide to the Point of Sale

Our local stores are the display rooms and warehouses for the world's finest products. Efficient banking, insurance, real estate and other business services are also available to the people in our community. The readers of this newspaper find our advertising columns a dependable guide to the point of sale—a useful source for up-to-date news and information about these goods and services.

In order that advertising expenditures may be made with us on the basis of known values, as required for any sound business investment, this newspaper is a member of the Audit Bureau of Circulations.

Every advertiser should know about A.B.C. The Bureau is a non-profit association of 3,450 publishers, advertising agencies, working together, these buyers and sellers of advertising establish standards

for paid circulation, rules and methods for auditing and reporting the circulations of newspapers and periodicals.

At regular intervals one of the Bureau's large staff of experienced circulation auditors visits us to make a thorough audit of our circulation records. The FACTS established by his audit are published by the Bureau in A.B.C. reports which are available to you, our advertisers. These reports tell you how much circulation we have, where it goes, how it is sold and other FACTS essential to the profitable use of newspaper advertising. Ask us for a copy of our A.B.C. report.

B&PW Show Stages Spring Spectacular

Fashions shown on this page are among the more than 50 to be spotlighted in the Business and Professional Women's Club Style Show at 8 p.m. Tuesday in the High School Auditorium.

Spring Spectacular is the theme of this year's presentation. Spring and summer costumes for all occasions will be featured — dresses and ensembles for day or evening wear, ranging from the classic and petite shirtwaist designs to the new wide collars and capes and printed silks.

Blacks and navies are balanced with such flower garden colors as violet, lilac, orange pink and the new blues. Prints in these colors will be shown in both slim and

full skirted dresses.

The stage will represent an outdoor garden with a bubbling tiered fountain banked with greenery and flowers, backed by a white trellis entwined with flowers.

Mrs. John Sims will provide informal organ music for the show, and singing acts will be presented during the intermission by Mrs. Fowlkes' kindergarten group.

Mrs. Ellen Carter will serve as narrator. Mrs. Madlynne Faughn is president of the B&PW Club and Mrs. Sue James is general syle show chairman. Tickets may be purchased from any B&PW member or at the box office.

SHYLA THOMAS, daughter of Mr. and Mrs. Wayne Thomas, stars this wee fashion of blue imported Swiss organdy. The pinafore with lace trim and inset fagoting is worn over the lace trimmed dress. The white tucked bonnet is trimmed with tiny blue rosebuds. White leather bag and gloves complete the outfit. ANDREW WINGERT, left, son of Rev. and Mrs. Russell Wingert, introduces an Etón suit which has been granted a Fashion Foundation award for 1960. The completely washable suit is white silk linen with shirt in charcoal silk cupioni. From HELEN'S YOUTH SHOP.

BARBARA JACOBS models smart separates of wash-n-wear cotton. The plaid box pleated skirt is worn with a solid color blouse with push-up sleeves topped with a buttoned down the front weskit. This is one of the matchable, mixable, coordinates—from C. R. ANTHONY AND COMPANY STORE.

LENA MARTIN wears Bermuda shorts and sailor shirt in brown and striped crease resistant, quality controlled rayon and acetate. A luxurious look in sports wear. From MODE-O-DAY.

BONNIE SPARKMAN wears a one-piece cotton dress in frost green with printed cummerbund. Shoes and bag are in bone and her lovely hat picks up the color of the dress with flower trim. From RUTHERFORD AND COMPANY.

SANDRA CHILDERS wears a dress made by her mother, Mrs. Ben Childers of material from TANNAHILL VARIETY STORE. All the models from Tannahill's will be wearing dresses made from material from Tannahill's. The full skirted graduation dress is of white embossed taffeta under sheer silk organza. The belt and streamers are of turquoise velvet ribbon with accent of turquoise also at the neck.

MRS. DON STEELE wears a dream of a bridal ensemble. This gown is fashioned of embroidered Chantilly lace with bodice sprinkled with sequins. The skirt is tiered and the tulle veil falls gracefully from a pearl crown. From the collection of bridal dresses at GASTON'S POPULAR STORE.

MRS. HOWARD GODWIN is shown in a navy blue pure silk sheath featuring a large shawl collar. Her picture hat is of imported straw with matching bag and shoes. She wears white gloves and bracelet and ear rings of multicolored stones. From LITTLE'S.

Hereford Art Guild Has Meet Monday

The Hereford Art Guild met Monday night in the club room at the Community Center. Roll call was answered with "Quips Concerning Art."

Mrs. O. Wertenberger gave an instructive talk and demonstration on the subject "Perspective".

Hold Annual Meeting Of Diocesan Council

St. Anthony's Parish of Hereford was host to the second annual meeting of the Plainview Deanery of the Diocesan Council of Catholic Women on Monday, March 28.

Theme of the spring meeting was "The Dignity of Womanhood How to Promote the Catholic Ideal." The theme was stressed during the meeting and the four workshops that were held at both morning and afternoon sessions.

A total of 192 attended the council meeting. First session started at 9 a. m. in St. Anthony's School auditorium fol-

lowing Mass, registration and coffee.

Welcome at the start of the meeting was given by Rev. Aloysius Craven, S. A. Pastor of St. Anthony's, and Mrs. George Turrentine, president of St. Anthony's Parish Council. The Council includes Tullia, Happy, Nazareth, Canyon, Umbarger, Bovina, Plainview, and Hereford.

Committee chairman presenting the workshops were Mrs. Jon Frazer, Hereford, legislation; Mrs. Jack Brandt, Umbarger, family life and home-school

association; Mrs. Edward Paetzold, Hereford, rural life; and Mrs. Florence Albracht, Nazareth, public relations.

Following the noon luncheon, the Most Rev. John L. Markovsky, Bishop of Amarillo, addressed the group. A business meeting ending with installation of officers at 3:30 p.m. concluded the meeting. Mrs. Lawrence Jentzen, Vega Diocesan president, installed the following officers:

Mrs. Florence Albracht, president, Nazareth; Mrs. Richard Lupton, first vice-president Tullia; Mrs. J. B. Hickman, second vice-president, Canyon; Mrs. Mark Koenig, secretary, Hereford; Mrs. Joe Frank, treasurer, Canyon; Mrs. W. P. Janssen, historian, Umbarger.

Officers of the Plainview Deanery are: Very Rev. Peter Morsch, Nazareth, moderator; Mrs. I. E. Browning, Plainview, president; Mrs. Raymond Annen, Happy, vice-president; Mrs. Leonard Wilhelm, Nazareth, second vice-president; Mrs. Mark Koenig, Hereford, secretary; Mrs. Joe Frank, Umbarger, treasurer; and Mrs. Ed Loerwald, Hereford, parliamentarian.

Mrs. Howard Walker of Hereford was general chairman.

Among those attending were The Most Rev. John L. Markovsky, Bishop of Amarillo; Rev. Francis Smyer, Rev. James A. Connisley, Rev. James E. Fitzgerald, Rev. B. A. Erpen, Rev. Declan Gilligan and Rev. Peter J. Morsch.

BARK AN ANSWER
PENSACOLA, Fla. — Don't be surprised if J. Wellington Muggs and his wife, Piddie, fail to answer your telephone call. They're dogs.

Mr. and Mrs. E. H. McBee listed the bulldogs as a gag three years ago. They have appeared in every directory since.

OFFICERS ELECTED at the Diocesan Council Meeting of Catholic Women Monday in St. Anthony's School in Hereford were, from left, Mrs. W. P. Janssen, historian; Mrs. Joe Frank, treasurer; Mrs. Mark Koenig, secretary; Mrs. J. B. Hickman, second vice-president; Mrs. Richard Lupton, seated at left, first vice-president; and Mrs. Florence Albracht, president. (Staff Photo)

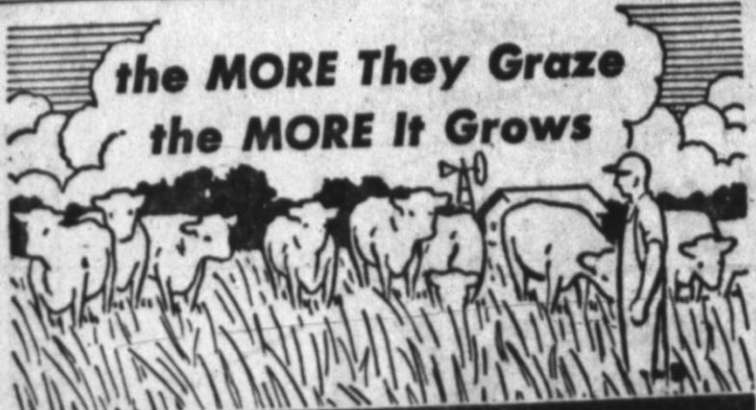

INDIAN WAR COLLEGE
NEW DELHI — India will open a national defense college early next year to educate her officers in the broader aspects of war.

The Indian military forces were established by the British in the days before independence. Since 1947 Indian officers have attended Britain's Imperial defense college. Only two or three

places were available to them in each class.

The new college will be opened in the former British high commission buildings in New Delhi.

Ed Dudley, who gave President Eisenhower gator lessons at Augusta, has been the summer pro at Broadmoor in Colorado Springs since 1940.

LUIS STUDIES PITCHERS

CHICAGO — Luis Aparicio, base stealing champion who plays shortstop for the Chicago White Sox explains his success this way:

"I have studied the pitchers and know how they work," says Aparicio. "In that way I'm able to get the jump on them."

Says Manager Al Lopez of the White Sox:

"I seldom flash the steal sign for Aparicio. He's on his own. He is the best judge of his lead and his chances to steal. Luis doesn't get a good jump like some base stealers of the past,

but he has the greatest acceleration I've ever seen in baseball. One stride and he is going full speed."

PITCHES AND UMPIRES

RALEIGH, N. C. — Durham pitcher Bobby Humphreys from Villamont, Va., had the distinction of umpiring and pitching in the same Carolina League game. Humphreys and a Raleigh player umpired on the bases until Umpire Lou Foust arrived. After Foust arrived, Humphreys was used as a relief pitcher.

'The World At Worship' Is Topic Of Music Study Club

"The World At Worship" was the program theme when the Music Study Club met Monday afternoon in the home of Mrs. Norman Moore. Mrs. John Sims was co-hostess. Mrs. W. J. Stanford, program leader, opened the sacred pro-

gram, reading the poem, "How many of us ever stop to think of music as a wondrous link with God. Taking sometimes the place of prayer when words have failed us 'neath the weight of care. Music that knows no country, race or creed, but gives to each according to his need".

Continuing that theme further, Mrs. Stanford said "There are as many moods in worship as there are human emotions. So much beautiful music has been written, especially the hymns, to express those emotions".

Musical selections presented included piano numbers: "Kol Nidrei" (Hebrew Melody), play-

ed by Mrs. B. Y. Crushwait, "O Sacred Head Now Wounded" (Bach), played by Mrs. Bill Stanford, and "Cujus Animi" (Rossini), played by Mrs. Norman Moore.

Mrs. C. W. Parker served as vocalist for the day, accompanied by Mrs. George McLean. Her selections included "God Is My Shepherd", "Turn Thee To Me" (Dvorak), "He That Dwelleth In The Secret Place" and "In My Father's House Are Many Mansions" by Ward Stevens. Mrs. C. J. Mountz led "The Spacious Firmament on High" hymn of the month.

Members attending were Mesdames James Alston, R. P. Coneway, Ellis Coombes, B. Y. Crushwait, Cliff Estes, H. K. Fox, Dick Godwin, Paul Lyons, George McLean, C. J. Mountz, T. W. Roberson, Bill Stanford, W. J. Stanford, A. O. Thompson, J. E. Beyer, C. W. Parker, J. D. Neill, Miss Frances Dameron, Miss Marilyn Barkley, a new member, and the hostesses.

Damage Result Of Wind Storm

BY MRS. R. L. PINNELL
A wind storm hit Adrian community Monday at 4 p.m. When the dust cleared, the Sanzer Grain dryer, which was constructed in 1958 at the Adrian Wheat Growers Elevator, was on the ground. The same thing happened March 21 of last year.

Co-op manager Bob Caldwell said he believes the damage this year will exceed last year's. The dryer is of 2,000 bushel an hour capacity.

At approximately the same time on Highway 66 west of Adrian a pickup driven by a local farm hand Lee Walton, ran under a transit semi-van. Damage to the pick-up was extensive. Walton was taken to Northwest Texas Hospital in Amarillo for observation. The entire storm lasted only 10 minutes.

Night Circle of the WSCS met Wednesday night in the home of Mrs. Jim Cavin for a program led by Mrs. A. P. Jones. Mrs. Cavin gave the devotional before the Easter program entitled "Lenten Session in the Home".

lie Gee, Edd Olomon, Robert Jacobson, A. P. Jones and Mrs. Cavin.

The 50th anniversary celebration of the Methodist Church will be held at 10 a.m. through 3 p.m. Dr. E. D. Landreth, District

superintendent of this conference, will bring the morning message. Many ex-members are expected to attend.

Methodist men gathered for a breakfast together Monday morning in Fellowship Hall. Guest speaker was Lefty Thomas, county agent of Deaf Smith County, who spoke on the importance of each individual's stand in the three ways of life. These are the Home, School and Church.

Cooks were Bill Leslie, R. D. Sisk, Lorin Creitz, N. L. Jacobson, D. W. Morgan and R. L. Jacobson. Others attending were Vic Lemke, A. P. Jones, John Skaggs, Kippy Morgan, Leland Burns, Lester Houston, Edd Jacobson and Edd Olomon.

The Simms Community party was held Saturday night at the center. In a short business meeting plans of the finance committee were discussed. A program committee was appointed which included Mrs. J. V. Perrin, Mrs. Thurman Davis and Mrs. M. W. Blankenship.

Enjoying 42 in the social hour were Mr. and Mrs. Jack Fortenberry and Christine, Mr. and Mrs. M. W. Blankenship, Mr. and Mrs. Leland Burns and Chris, Mr. and Mrs. C. L. Bogle, Mr. and Mrs. Glenn Hetzler and Mr. and Mrs. Thurman Davis Alton.

Mrs. Anna Witt returned home Tuesday afternoon from a month's vacation in California with her children.

REMEMBER WHEN?

By CHARLIE SEEDS

It was a flight which captured the imagination of the world... the first non-stop solo trip by plane from New York to Paris.

The magic of that story still makes good drama. From the time the tall young pilot took off in the gray morning until he landed in Paris 33 1/2 hours later, America listened and waited for news of his success - or failure.

There was a \$25,000 prize offered for the achievement... but "Lindy" was more than a daredevil shooting for a prize. His was the daring challenge to the skies which symbolized the American spirit of courage and imagination.

He was mobbed by thousands in Paris... and a few weeks later Lindbergh returned to America to one of the most triumphant welcomes ever given to a nation's hero.

Remember the year? Money flowed freely that year. Prosperity was riding high, and no one thought the bubble could burst. A lot of car buyers didn't worry too much about the cost or the deal. After all, next year was going to be even better!

The year was 1927. Even with today's prosperity, every dollar counts... and a wise car buyer wants to be sure of getting the best possible deal. That's just what we'll try to give you on the new 1960 FORD. Test drive it! You'll like the car... You'll like our deal, at

Fire Truck Chasers Would Eliminate All Spectators -- Except Themselves

Growing pains have nibbled away at various phases of community life in the past decade, and they are today still nibbling. This time it is the fire department.

The biggest headache right now appears in the form of interested citizens who answer the fire calls along with firemen, and frequently hamper efficiency of the department. Telephone calls to locate the fire, on the part of interested citizens, is another big problem and, under proper circumstances, might easily prevent a second alarm from coming into the department.

Cities which outgrow volunteer departments automatically whip these problems, chiefly because no public alarm is sounded, and few people ever realize that a fire is in progress. A full paid department, on the other hand, would likely be far more expensive to the community and would possibly be less efficient than the present volunteer set-up.

To sum it all up, Hereford seems to be at an in-between stage: too small for a full-time paid department, and too large for certain phases of a volunteer department.

Aside from hinderance of sidewalk superintendents, however, we doubt if there is a more efficient volunteer fire department in the whole of Texas. With this in view, it is possible that a different type of alarm — such as telephones at night and daytime alarm bells to various locations — might well cure most of our troubles. Public appeal to well meaning citizens has already been tried and has brought about only negative results. Another approach, of course, would be rigid enforcement of ordinances, along with some stiff fines, a method which usually brings temporary relief.

Peculiarly enough, everyone agrees that the public should not interfere with the firemen in getting to the scene of the fire, or hamper him in the discharge of his duties as a trained fire fighter. People who most

often make the fires will be the first to endorse this sentiment. The only trouble seems that they feel the rule should apply to everyone — except themselves.

Hard Way Often The Best Way

Recent mass outbreaks in South Africa seems to have extended the segregation problem beyond the shores of America and pretty well spread it around the world. Most observers predict, in addition, that the problem is due to become worse instead of better.

While we grant that much of this agitation is stimulated through carefully planned Communist moves, similar to our own troubles in Cuba, the situation still presents an enormous national and international problem.

Viewing the current unrest from a disinterested standpoint, we cannot help but wonder if the colored people are not putting the cart before the horse. In other words, they are perhaps asking for equality before they have honestly become equal. Human relationship can hardly be regulated by law. Like friendship, the right of equal association must be earned through true merit before it is universally accepted.

Granted that the Negro does face discrimination from time to time, he still cannot expect to jump in one or two generations from the status of headhunter in the jungle to conduct himself without criticism in the drawing rooms of world society. Basically, many whites find themselves facing the same situation from time to time.

Instead of adjusting himself through force, sit-down strikes and attempted legislation, it seems to us that the Negro might well follow the route of his white brothers and make this adjustment through culture, moral development and personal achievement.

The system seemed to work fairly well for George Washington Carver, eminent Negro scientist and educator, and it is probably the only system which ever will achieve for the Negro what he really wants.

Country Club

Letting of the contract on Hereford's proposed Country Club last week came as a shock to many people, including not a few members of the organization. Many people just plain did not think the dream would ever be realized.

Actually, it seems to us that the club will be built, that it will be a credit to the entire territory, and that it will fill the needs of a definite gap in the community.

The two conflicting areas of "going first class" and "remaining debt free" provide the most trouble for club planners. A compromise on one, or both phases, no doubt must occur somewhere along the line. The community is large enough to support a club of this type, however, and its ultimate establishment is inevitable.

When you look back on other community buildings and achievements, they seem to fairly well follow the same line. Given an honest need for a facility with a practical purpose, we usually come up with an adequate result and, needless to say, the normal number of errors.

Right now, the Country Club is on its way. By this time next year, we will be able to point it out to visitors with due pride and, members or not, most of us will wonder why Hereford did not have a Country Club years ago.

Dope Problem

Recent charges in one case of "possession of marijuana", along with scattered reports which trickle into official police files from time to time, provides an alarm for every citizen in the community, especially parents.

Certainly, there can be no other fate so dire as the addiction to dope and this particular area, everything considered, is in a position where the spread of dope traffic, especially marijuana, could become a serious problem.

Fortunately, most people will help enforce our narcotics laws. The tongue-in-cheek attitude with which many persons view alcohol is not true concerning narcotics. This situation, any officers will tell you, has done more to hold down dope traffic than probably any other single factor.

Right now, we apparently have no dope problem in this immediate area. Our real problem is keeping it that way. Continued alertness in all instances, on the part of all citizens, it seems to us, is the prime method.

The POWER of FAITH by Howard Brodie

In the Steps of Christ

A sense of awe stole over me when I stood in the ruins of what was once the Praetorium of Pontius Pilate in Jerusalem. The circular diagram of a game once played by Roman soldiers with condemned prisoners still is traceable on the pavement. Nearby I was shown the spot where, it is said, Jesus stood before Pilate while the mob across the pavement screamed: "Crucify him!" It was from the spot that Jesus, bearing his cross, went forth to Calvary where, mocked and nailed to the cross, He pleaded through his anguish: "Father, forgive them; for they know not what they do." Sunday School Nursery For Toddlers Important

By MRS. R. L. CRISWELL. "Suffer the little children to come unto me, and forbid them not; for of such is the kingdom of heaven". Mark 10, 14.

Our children of today are not only the young people of tomorrow, but are the future of our nation. Let's go on a little tour of one of our church nurseries, beginner departments and primary department.

At Nursery One, your eyes will fill with delight and wonder when you look upon these tiny buds of humanity in their white cribs; each so different, yet so alike, and you ask, "Can religious training begin so soon?"

Why not? The workers are Christians with a vision and a love for babies or they would not consent to work here and miss the worship services to care for these tiny ones while their parents worship or work with older children in their various age classes and groups.

The babies learn to associate with other babies, to sleep while others are cooling and playing and to watch with interest as they see other babies only a few months older than the tiny ones play with

toys, and since children are such wonderful imitators, they are not too young to imitate and they are soon playing with the toys, kept antiseptically clean by the workers in sterilizing solutions.

The beds are kept hospital clean and sheets changed after each using. The babies are kept here, or perhaps I should say infants, until they are nine months. They are then promoted to Nursery Two.

At Nursery Two, for babies nine to fifteen months old or the toddlers, again you wonder what can be taught children of this age. First of all, they are learning to be sociable; by playing with each other, they learn to share and to take turns, to enjoy stories about the baby Jesus and to thank God for mother and daddy and baby sister, and to sing a few words of "Jesus Loves Me." "Jesus Loves the Little Children, red, brown, yellow, black and white", and the helper song, "A Helper I Will Be", as they pick up and put away the toys they have played with while mom or daddy have gone to church. Then to Nursery 3.

Let's go very quietly to the half - open dutch door. It is time for their refreshments. Careful now! Or you will lose your heart.

There are ten or twelve little boys and girls all "prettied" for Sunday School. They are sitting in a circle, on paper boxes; just right for their little feet to reach the floor.

The little girls are in ribbons and laces and the little boys in buttons and suspenders. Can you imagine anything more precious? Each one is more lovely than the fairest flower that blooms.

They are quiet now, having had their hour of play and song and are contentedly munching a cracker with all the relish of a hungry child. Their little faces are aglow with love.

Now for the Beginners and Primaries, each to their individual age group. Since these children are at the question stage and have a desire to feel and touch as well as see, they have growing plants, tiny animals, a rabbit, baby turtles, frogs and fish. Baby ducks and chickens and perhaps a bird is brought in to see and touch but they are to be taken back to their nest or home.

Here, too, sometimes there is a discipline problem as there are a few little rebels, but there soon learn if they are unsocial they will be set in a corner to watch the other children play. Soon the worker hears, "I'll be good if I tan pay", and back to play they go, learning more about Jesus, social activities, about each other as they play, and living with others.

One little boy was very noisy. The worker, in desperation, put him in a corner. He sat for several minutes and begged to get up. Hearing the usual, "you may if you will not be so noisy", he jumped to his feet, ran to the middle of the room and let out an Indian yell. He looked triumphantly at the worker and went into noisy play.

The worker, thinking that she must make an impression on him, said nothing but walked to him, caught him by the arm and forced him to listen. "Would you like for me to slip your pants down and spank you, hard?"

He was a little puzzled and (Continued on page 3)

SCHOOL SET FOR CENSUS WORKERS

Census takers who will visit every dwelling unit in the county during the 1960 Census of Population and Housing which starts April 1 will participate in four training sessions here next week. A school for census workers in Lamb County will be conducted Monday through Thursday in the basement of the First Methodist Church. Each census taker will receive a total of approximately nine hours of instruction. Emphasis will be placed on the importance of a systematic, thorough canvass of every dwelling unit during the census to insure a complete count. Class room training will cover proper manner of asking questions, use of the census questionnaire, census definitions, and map reading. Map reading is an important census-taking technique since, without maps, defining the limits of each district to which a census taker is assigned, the job would be a welter of confusion. About 250,000 maps have been prepared for the 1960 Census. This provides an individual map for each of the 250,000 districts into which the country has been divided for the census. Every census taker will be furnished with a map for his district. As they make their rounds, census takers will be required to canvass every street and road; visit every housing unit within the boundaries of the assignments shown on these maps.

CHILDREN GET CLASSES

A two-month summer program for pre-school children who do not speak English will go into effect this year. It will be the first time the instructional program has been offered in Brownfield, although similar programs have been highly successful in Valley schools. All children who do not speak English and who will be eligible for their first year of school next fall will be able to attend the special sessions. Tuition is free. Classes are to be conducted from 8 till 11 a.m. each week beginning June 6 and continuing through Aug. 5. The nine-week course will cover 44 teaching days. No classes are scheduled July 4. Delwin Webb, coordinator of curriculum of the Brownfield schools, estimated that about 90 youngsters would be eligible for the courses. Three teachers already are employed, and more will be added if needed, Webb said.

CITY REFUSES FIRE DEAL EXTENSION

City commissioners Monday night turned down an extension of a city-county fire-expense sharing contract, approved a budget of \$408,074.92, and let bids for several city projects. Refusal of the city to accept a 30-day extension on the contract set by Randall County commissioners Monday will leave most rural residents without fire protection when the contract expires Friday. The Canyon Fire Department will not be obligated to answer fire calls outside the city limits. The contract, which has been running several years, calls for the county and city to share fire department expenses in proportion to the number of fire calls from each. Canyon had not had a fire loss in nine months until fire destroyed a tool shed March 21. The county, meanwhile, has had several fire losses, including one fatality, and aid from Canyon volunteer firemen had kept losses in several fires at a minimum.

The BOOTLEG Philosopher

Editors note: The Bootleg Philosopher on his bindweed farm won't get anywhere with his idea this week, but it's a thought.

Dear editor:

Some people are always saying there aren't any more opportunities left in this country to get ahead, and while getting ahead hasn't been my prime goal, after all, if some of us don't drag behind we'll rob those up ahead of the glory of being there — whoever heard of a situation where everybody was equally ahead and everybody was satisfied with it — at any rate, to get on with this sentence, I wish to point out that there are still plenty of opportunities.

For example, an insurance salesman was out the other day, trying to sell me some insurance the would protect me in case a cow of mine got out and damaged a neighbor's property, where's what I really need is mainly just a better fence, although he didn't seem to be interested in helping me build one, said he had to get on and try to sell some more insurance.

I got to thinking after he left and discovered a brand new field for the insurance people.

If the insurance people really want to do some business, what they ought to do is work up a policy that protects people from the Russians. It would sell like hot-cakes.

Everybody knows those Russians have all those guided missiles aimed and cocked, and while I doubt if they have one zeroed in on my bindweed farm out here, they might not be as accurate as they're reported, you can't trust them Russians, and a five-tonner aimed at Amarillo might very easily over-shoot or under-shoot and land in my backyard. That's where I'd like to have some insurance. Not insurance though that would go to my estate, which by that time would be a big hole in the ground, but insurance that would stop that missile somewhere near the middle of the ocean, or make it turn around and head back toward Russia.

I think they call this living insurance, and if the insurance industry can work up such a policy, I'm in the market.

Yours faithfully, J. A.

Sunday...

(Continued from page 1) did not know what to say. His small brother came to him and said in a stage whisper, "You better be quiet; I believe she would do it."

From that time on a trip to the corner was all he needed to control his play to a reasonable amount of noise.

Children do not mind a firm hand, but they do like to know a person means what he says.

Oh yes! Some of baby's first and lasting ideas of God will come from what he feels, sees, and hears as his teacher holds him, the tone of voice he hears spoken, and later how his parents feel and talk about the church and Sunday School.

Children are born mimics, and the example they see and hear will affect their lives throughout the years. Ah, yes; "let the little children come unto me, and forbid them not for of such is the kingdom of God."

Rev. Wingert Is Guest Speaker

Mrs. Sam Nunnally served as hostess for El Nino Study Club Monday evening in her home.

The Rev. Russell Wingert was guest speaker for the day, speaking on "Rearing Children". He stressed three points for parents: first — learn all that is possible and do not hesitate to ask advice of competent authorities; second — children are bundles of live wires that need to be well-grounded. They are pliable and should be helped to mold character while young. Third — parents should realize the importance of spiritual guidance while the children are yet small.

Members present were Mesdames Darrell Blanton, Ivan Block, Jim Bookout, Ben Childers, T. J. Clay, R. A. Daniel, O. G. Hill Jr., Bill Decker, John Jacobsen Jr., Sam Nunnally, W.J.Reeves, Gayle Neal and the hostess, Mrs. Richard Wingert was a special guest.

Spring Ritual Ceremony Held By Beta Sigma Phi City Council

The traditional Spring Ritual Ceremonies of Beta Sigma Phi Sorority were held Tuesday evening, March 29, in the Community Room of the First National Bank, under the sponsorship of the Sorority City Council.

The Ritual of Jewels, marking the end of the pledge training requirements, was read for Mrs. Howard Gore, Mrs. Delbert Balmun, Mrs. Irving Alexander, Mrs. Ansel McDowell, Mrs. J. D. Greeson and Mrs. Arthur McQueary. Mrs. Charles Bell, president of Kappa Iota Ritual Chapter, conducted the ceremony.

Mrs. Bell also read the pledge ritual for the newest prospective members of the sorority, for whom the rush season has just ended. Receiving the pledge instructions were Mrs. Noal Clemmons, Mrs. Archie Souter, Mrs. Delmo Williams, Mrs. Doc Carter, Mrs. Noland Grady, Mrs. Madlyne Faughn and

Clearman, Kenneth Malone, Gerald McCaskill, Jess Robinson and the hostesses.

Mrs. Jon Frasher; Mrs. C. C. Williams of Dimmitt; and Mrs. Sara Miller of Friona.

The Exemplar degree was conferred on Mrs. D. R. Johnson, Mrs. Bob Brotherton, Mrs. Carl Hollingsworth and Mrs. Max Stipe, who have completed four years of study in the Ritual Chapter. Mrs. Ernest Wade conducted the ceremony.

Members of the City Council served as hostesses for the so-

cial hour. The serving table was laid with an organdy cloth over yellow and centered by a spring-time arrangement of yellow Jonquils. Mrs. Bess Moore, social sponsor of the Ritual Chapter, presided at the silver coffee service.

Appointments were in crystal and silver. Assisting with the serving were Mesdames Charles Laing, City Council president; Carl Hollingsworth, Max Stipe, Ernest Wade and Charles Bell.

Plans for the annual Founders Day banquet were made during the business session. The

affair will be held in the IOOF Hall on Saturday evening, April 30, at 7 p. m. Husbands will be honor guests. The arrangement committee includes Mesdames Norma Moore, Ernest Wade and John Schneider.

The 1960 Women's International Bowling Congress championship tournament will be held on the 48-lane Bellevue alleys in Denver beginning April 21.

Old-Fashioned Style Show Presented By 4-H Group

By MRS. HAROLD RUDD
The Sadie Lee Oliver 4-H Girls presented a style show for the program at the Community Social held at the Community House last Friday evening. Mrs. Bill Stengel acted as narrator as the girls modeled styles of long ago. Mrs. Merlin Kaul provided the background music.

Nancy Green modeled a blue party dress worn by Mrs. Joe Friemel of Umbarger at her graduation. Kathryn Flood modeled a black skirt belonging to Mrs. O. G. Hill of Hereford. She also wore a blouse with leg of mutton sleeves. This typified the dress between 1896 and 1916. Hats used as accessories for some of the dresses belonged to Mrs. Bess Werner. Anna Johnson and Carla Stengel modeled skirts with different types of blouses. Sandra Green and Joan Marnell modeled dresses that were appropriate for the square dances held then.

Carla Stengel also modeled her grandmother's, Mrs. Felix Urbanczyk, wedding dress. Janice Head and Dorothy Marnell modeled long waist dresses worn from 1920 to 1925. They had intricate embroidery on them. Joyce Cooper, Donna Johnson and Dorothy Marnell modeled dresses that were popular from 1926 to 1930. They also performed the Charleston while modeling the dresses. Sandra Green modeled a riding skirt which was worn by Mrs. Joe Landers during the days of her courtship with her beau. The girls also modeled other dresses corresponding to the various periods of time.

To conclude the program Joyce Cooper and Janice Head modeled nightgowns which belonged to Joyce's grandmother. The gowns were almost one hundred years old. Refreshments were served after the style show and then games of forty-two were played.

Among those present were Mr. and Mrs. Kenneth Rudd, Teresa, Susan, and Paul Douglas, Mr. and Mrs. Harold Rudd, Lynn, Patsy, Cheryl and Kit, Mrs. Joe Landers, Mr. and Mrs. J. C. Morrison and Judith, Mr. and Mrs. Charles Owen and boys, Mr. and Mrs. Herbert Owens, Mr. and Mrs. Merlin Kaul, Mr. and Mrs. Forest Marnell and children; Mr. and Mrs. Bill Stengel and children, Mr. and Mrs. Harold Head and children, Mrs. W. NEW SOD JOB

NEW YORK (AP) — Seven football games and a number of practice sessions by the New York Giants ruined the grass in Yankee Stadium. The Giants played six home games in the baseball park but the grass was badly torn up by the Army-Air Force football game played on a rainy Saturday in October. Bench areas and field seats contributed to the rest of the damage. The entire field has been resodded for the 1960 baseball season.

McLallen - Travis Vows Exchanged At Abilene

The Chapel of the First Baptist Church of Abilene was the setting for the exchange of vows between Miss Sammie McLallen, daughter of Mr. and Mrs. S. B. McLallen of Brownfield, former of Hereford, and Arthur Edwin Travis Jr. Parents of the bridegroom are Dr. and Mrs. Arthur E. Travis of Fort Worth. The bridegroom's father, pastor of the Gambrell St. Baptist church in Fort Worth, read the double-ring ceremony on Friday evening, April 1, at 7:30 p. m.

ford, vocalist, who sang "O prayer, Promise Me", "For You Alone". Honor attendants were Mrs. and "O Perfect Love" as a Dan McLallen of Belton, sister-

in-law of the bride, honor matron, and Miss Betty Bostic of Pasadena, Texas, maid of honor. The matron - of - honor wore a sapphire blue gown of imported silk organza over taffeta, fashioned with pointed waistline attached to waltz-length skirts. She wore a matching picture hat trimmed with roses and carried a blue fan covered with

American Beauty rosebuds. Her only jewelry was blue twinkling stone earrings, the gift of the bride. Bridesmaids were Jenny Jones, Rocky Ford, Colo., cousin of the bride, and Peggy Glazner of Anson. The honor maid and the bridesmaids wore dresses identical to that worn by the honor matron, and carried matching fans.

Following the wedding, a reception was hosted by the bride's parents in the church social hall. The bride's table carried out her chosen colors and was laid with a floor-length organza cloth over sapphire blue. Appointments were in silver, and the flower-topped fans of the attendants formed the centerpiece.

accessories and a corsage lifted from the wedding bouquet. After the trip the couple will reside at 141 S. B. Gambrell St., Fort Worth. The bride is a graduate of Hereford High School and Hardin - Simmons University. While in the University, she was a member of the Greater Council, Y. W. A. Business Association, social chairman of the senior class and secretary of Baptist Student Union Executive Council.

Southwestern Theological Seminary in Fort Worth. Among the many social functions given in Abilene and Brownfield preceding the marriage was a shower - tea given in the home of Mrs. Jimmy Allred of Hereford. Many Hereford friends attended the wedding.

The candlelight service was held before an altar background of palm trees and spider daisies. Candelabra trees held white wedding tapers. The kneeling bench was covered with white satin, and the bridal aisle was marked with white ribbon streamers and stephanotis. Wedding music was provided by Wayne Evans of Fort Worth, pianist, a former Hereford resident, and Mrs. Grady Allison Baytown, formerly of Here-

H Club Holds Regular Meet

Dawn H Club met in regular session at the Dawn School house on Thursday night at 8 p. m. A film on soil conservation was shown to the group.

Dan Newman talked to the group on conservation. Visitors present were Billy Hill, Ted Richardson, H. H. Miller, Clarence Betzen, Melvin Gray and James McAndrews.

Members present were Jon Miller, Robert Galley, Gary McHardson, Kevin and Steven McAndrews, Douglas May, Tommy Betzen, Dick Plank, Mrs. Carl Plank and Mrs. H. H. Miller, leaders.

Flower girl was Luann McLallen of Belton, niece of the bride, and candles were lighted by Paula and Charlotte Powell of Abilene.

They were dressed in white organza trimmed in sapphire and wore wristlets of sweetheart roses.

Best man was the Rev. Grady Allison of Baytown, formerly of Hereford, and ushering were Ronnie Cusey and Joe Arden of Abilene, and Robert Ryan of Lorraine.

The bride, given in marriage by her father, wore a formal wedding gown of imported silk organza over taffeta. The widely-scooped neckline tapered to tiny cropped sleeves, outlined with re-embroidered appliques of French lace. An overskirt of organza cascaded from side puffs into a chapel train and fastened in the back with tiny self-covered buttons. Silk organza gauntlets tapered to points at the hands.

Her elbow-length veil of silk illusion fell from a small Swedish crown of seed pearls and featured the traditional bluish veil. For sentimental reasons, she carried her mother's lace handkerchief and wore a lucky sixpence in her shoe, given to her by her father.

The bride's mother chose a navy chiffon for her daughter's wedding. Her accessories were in light blue and she wore a corsage of pink gladioli. Mrs. Travis wore a lilac silk linen dress with lilac accessories with a pink gladioli corsage.

Mrs. George Graham of Abilene, formerly of Hereford, presided. Others in the house party were Ruth Ivy, Sue Rhoades, Frances Kemer, Emilee Griffith, Juanita and Anita Welch, Jody Sapp and Noble Gates. Genie Edward and Merinell McCollum provided background music.

Travis graduated from Hardin - Simmons University last June, Summa Cum Laude. He lettered four years in basketball, was elected to Who's Who in American Colleges and Universities, served as senior class president, Cowboys For Christ and Varsity Club president. He is now working toward a Bachelor of Divinity degree at

"The Inside Story of Our MEDALLION HOME!"

BY MR. and MRS. A. J. KEMP, JR. DIMMITT, TEXAS

"We enjoy showing our Medallion Home... perhaps because we have been such a part of it from the very beginning. Before we built, we spent hours looking at pictures, creating plans - because we wanted our new home to meet the needs of our family. Our builder added the final touch when he built our home to meet the Medallion standards. Now, we're glad he did, for it will stay modern for many, many years."

Here is the attractive modern Medallion Home of Mr. and Mrs. Kemp in Dimmitt where they and their 3 children have proven that it pays in comfort and better living to live electrically.

Mrs. Kemp appreciates the convenience and modern styling of the electric clothes washer and dryer are conveniently located in utility closet off main bath.

Electric clothes washer and dryer are conveniently located in utility closet off main bath.

"Our Medallion Home, with its pleasant atmosphere and work-saving electric appliances makes for more relaxation. This is home as it should be," says the Kemps.

Specialty-designed chopping board fits over sink area - vegetable cuttings fall and are whisked away by electric disposer - no mess, no fuss.

"Our children enjoy our Medallion Home, too. Family gatherings are now fun because there is less housework, thanks to the efficiency of our electric Medallion Home."

"No need to throw away presently-owned appliances when building a Medallion Home," says Mrs. Kemp, who had her refrigerator-freezer replaced to match color scheme of new Medallion kitchen. Kitchen features include electric oven and electric dishwasher to help cut down on kitchen time for this attractive homemaker.

First Spring Rain Falls In Community Thursday

By MRS. T. L. COLLINS
Walcott families woke up early Thursday morning to the slow, steady falling of the first spring rain. This continued all day until late in the afternoon. About an inch of moisture fell which soaked into the ground. A complete cloud overcast prevailed all day.

That afternoon, Thomas L. Collins was driving a Mr. Rader's bus route and after slipping on the freshly graded road, stuck in the middle about three-fourths mile from the Truman Ivie home. The children walked across the pasture and asked Ivie to pull the bus out of the mud. He then took the other children to their homes. Children going after Ivie were Sylvia and Bill Ivie, Kathryn and Elizabeth Burrus, John and Danny Hall.

Each bus driver had some trouble driving in the mud. Melvin Henderson got stuck on Friday morning at the Al Myers home. A tractor was used to pull the bus out. The occupants of the bus were late that morn-

ing for school. Mr. and Mrs. Joe Rader left soon after school on Thursday morning to be at the bedside of their daughter, Mrs. Marvin Payne, of Hereford, who underwent surgery at the Methodist Hospital in Lubbock earlier that morning.

Mrs. J. V. Perrin continued work with that day's meal and served lunch at noon with the help of Nancy Tyler. Several girls assisted Mrs. Perrin with the dishes and cleaning the dining room.

Mrs. Perrin talked to and made suggestions to several 4-H boys that day about their coming demonstrations for 4-H club. Mr. and Mrs. Fletcher and children of Friona, Mr. and Mrs. Johnny Freeman and children of Dimmitt visited in the home of Mr. and Mrs. Alvin Wilkerson and family on Sunday.

Mrs. N. E. Tyler and Mrs. Elmo Hall and children were in Amarillo on Thursday. Mr. and Mrs. Tom Hall returned home with them for a visit in the Tyler home. Mrs. Tom Hall is improving from a case of the

flu. Mrs. Ollie Van Hoose who is the distributor of government commodities from the Amarillo office, visited Walcott school after lunch on Thursday. She checked storage, use and amount of government commodities on hand.

G. W. Downing, coach for Walcott School, called the fifth through the eighth grades into his room at morning recess. Purpose of the meeting was to elect a baseball captain. Larry Minks was elected and co-captain is Donald Tice.

At last recess the girls from fourth grade through eighth elected Marsha Burns to be their softball team captain with Dianne Jack as their co-captain. Mr. and Mrs. Melvin Henderson and sons had been awakened at night by their dogs barking loudly. The reason for the dogs' behavior was a bobcat, which they killed the next day. Three baby bobcats were found in an old car near their home.

Mrs. Bill White, Sharon and Sheldon gave a surprise birthday party for her husband and their father, Bill White, on Monday evening. Those present were Mr. and Mrs. Jim Hudson, Mr. and Mrs. C. E. Wright and Mr. and Mrs. Jack Hudson, Danova and Carmela, all of Hereford. Many Walcott ranchers have been busy working cattle the past few spring days.

Mrs. J. V. Perrin invited the two exchange students from Hereford High School, Mari Lissa Niinisto from Finland and Flemming Hansen from Copenhagen, Denmark, out to the Perrin place to watch cattle branding on Monday morning. They returned to Hereford at noon for a speaking engagement.

Yvonne Merrill had an infection in her ear last week and was unable to be in school. She has improved. Those who missed the Political Rally and Pie supper held at Walcott School on Friday night missed an evening of fun with some candidates who are seeking public office.

Thomas L. Collins acted as Master of Ceremonies. He introduced the candidate who made a brief talk about their reasons and hopes for seeking election to their prospective offices.

Candidates present were Bill Shelby from Hart, who is running for State Representative, 96th Legislative District; LaNell Marshall from Hereford, running for Tax Assessor - Collector of Deaf Smith County; J. T. Guinn of the Walcott Community, running for re-election of Commissioner of Precinct Three, Deaf Smith County; Jesse M. Osborn of Muleshoe,

re-election of State Representative of 96th Legislative District; William (Bill) Hunter of Dalhart for District Attorney of 69th Judicial District; Samuel H. Wilds of Dumas, District Attorney of 69th Judicial District; F. W. Dool, Commissioner of Precinct One, Wallace Shelton of Hereford, Tax Assessor and Collector of Deaf Smith County;

D. H. Alexander of Hereford, re-election of Tax Assessor - Collector of Deaf Smith County; Lowell Sharp for Sheriff of Deaf Smith County; A. N. Hopson for Commissioner of Precinct One; and Harry McCauley of Hereford, who was unable to attend.

Several of the candidates had guests or family with them. Guests were Mrs. Wallace Shelton, Linda and Veva of Hereford; Mrs. Lowell Sharp, Mrs. Jesse M. Osborn of Muleshoe, Doc Miller of Hereford; Mrs. A. N. Hopson of Hereford; Mrs. D. H. Alexander of Hereford, Mrs. Bill Hunter of Dalhart, Mrs. Samuel H. Wilds of Dumas, Sue, Wayland and Ray Northcutt of Walcott and Branch Sheets of Hart.

Haney Tate of Clovis, N. M. auctioned the pies to the highest bidder. Elizabeth Burrus, Nancy Tyler, Dianne Jack collected the money, assisted by Mrs. Joe Merrill, Mrs. N. A. Brown and Mrs. S. N. Thweatt who also kept the pies supplied.

Mrs. Bob Wylie, treasurer for Walcott P-T-O and Mrs. Bertman Jack, treasurer of the Messenger Home Demonstration club, kept charge of the money.

An angel food cake was shown next, to be given to the prettiest girl. These were selected to be voted on: Mrs. N. A. Brown, Mrs. Samuel H. Wilds, Mrs. LaNell Miller and Elizabeth Burrus, who was the winner.

A box of cigars and a box of chocolates were donated by Lowell Sharp and these were auctioned next, Bill Hunter, Lowell Sharp, Samuel H. Wilds, Wallace Shelton, Jesse M. Osborn, D. H. Alexander, F. W. Dool and S. N. Thweatt were running for "agilest man", which turned out to be S. N. Thweatt. Thweatt won a devil's food cake for being the "agilest man".

A fellowship of visiting while eating pie and drinking coffee or cold drinks was enjoyed by those present.

Some others who were visitors were M. D. Dorward of Clifton who owns a place in the Walcott Community; Mr. and Mrs. E. M. Sessums of Hereford, Charlie Burk, Mr. and Mrs. Elmer Northcutt and Wanda, Virgil Watson, Mr. and Mrs. C. E. Miles of Hereford, Mr. and Mrs. E. M. Jack and Mrs. J. E. Rouse.

Mrs. Wayne Lady of Amarillo, daughter of Mr. and Mrs. H. D. Buse underwent surgery at Northwest Texas Hospital there on Monday morning. She is home now.

Mr. and Mrs. Cecil Lewis and children from Pampa came Friday afternoon to visit Mr. and Mrs. J. A. Adkins. They return-

Mrs. Joe Rader drove to Lubbock on Friday afternoon. She sat up that night with her daughter, Mrs. Marvin Payne, who is in the Methodist Hospital there.

On Saturday and Sunday Mr. and Mrs. Rader took care of their grandchildren, Larry and Darla Payne, at their home in Hereford, bringing them to the Walcott community that night for a longer stay.

Carolyn and Wendell Webb spent Saturday night and Sunday with their grandparents, Mr. and Mrs. R. V. Davis in Hereford. Their mother, Mrs. Archie Webb, joined them on Sunday.

Mr. and Mrs. Allen Hoover, Kathy, Joyce and John of Amarillo spent Sunday with Mr. and Mrs. Jim Adkins. Allen helped work and the children enjoyed riding the horses. All had dinner together.

Phillip Miller continues to improve slowly from an attack of the flu. He helped work some cattle at his place Saturday.

Norman Minks came home on Thursday following surgery on Monday morning at the Hereford Hospital.

Mr. and Mrs. Thomas L. Collins ate Sunday dinner with Mrs. J. F. Ward at her home in Hereford.

Coming home, Mr. and Mrs. Collins stopped to visit with Mr. and Mrs. Travis Alston of Westway, who just returned Saturday evening from a month's stay and rest in Truth or Consequences, N. M.

Mr. and Mrs. A. A. Head of Hereford were also visiting the Alstons.

Mr. and Mrs. T. L. White, Cody and Amy met Charles Stout, Dana and Tony from Amarillo at Palo Duro Canyon on Sunday. They ate dinner there and enjoyed hiking. In the afternoon they visited the Panhandle Plains Museum in Canyon before returning home.

Mr. and Mrs. Al Myers, Alice, Carl and Lee went to Dumas Sunday to visit Mr. and Mrs. Christ Smith. Her mother, Mrs. Bessie Petticoord, of Amarillo, was also visiting there.

Mrs. Elsie Howell from Fort Sumner, N. M. just got back from a five-month stay in California. On Friday she came to visit her daughter, Mr. and Mrs. Buel Monroe, Kathy and Jimmy.

Mr. and Mrs. Waldron Melton, Adair and Denise went to Amarillo on Saturday morning to transact business. They ate dinner and visited with her mother, Mrs. E. D. Fox. Later they went to the home of his aunt, Mrs. Lela Pite, who accompanied them home. She is still visiting here with the Melton family.

Mr. and Mrs. Bertram Jack and children, Mrs. Alta Wylie of Friona, Miss Verl Miller of Floydada and Gay Wylie went to San Jon, N. M. in their station wagon. They attended church there and ate dinner in the community house and visited before coming home later that afternoon.

Mr. and Mrs. J. T. Tice and children, Mrs. Coy Tice and Marilyn, Sharon and Donald Tice spent much of Saturday in Hereford.

Mr. and Mrs. Don Kirby and family, her mother, Mrs. Beula Watkins of Plainview and Mr. and Mrs. Elton Wylie and children attended church in Hereford Sunday morning.

They drove to Palo Duro for dinner and an outing in the spring weather.

Mrs. Jack Weaver, Janell and Charlene went to Amarillo Saturday, where the doctor checked Charlene's throat again.

Mr. and Mrs. Joe Merrill and girls, Mrs. Floyd Brown, Earl and Roger and Tommy all skat-

How Can I?

By ANNE ASHLEY
Q. How can I clean and smooth the underside of my electric iron?

A. Use some fine steel wool, powdered whiting or pumice. These will polish and smooth the surface without scratching or scoring it. Never use any harsh abrasives for cleaning your iron!

Q. How can I make a stub-

born zipper run smoothly?
A. Try running an ordinary lead pencil up and down the zipper. The graphite in the lead will "lubricate" the parts of the zipper and make it operate more smoothly.
Q. How can I renovate rubber boots or shoes that have become hardened from wetting?
A. You can give them a new look by rubbing them with a sponge that has been dipped in to very warm castor oil.

NO CHEAP HOMERS
DENVER, Colo. (AP) — Bears Stadium in Denver will no longer be a home run haven when American Assn. teams appear here the coming baseball season. Both the centerfield and leftfield fences will be moved back. The new dimensions will be 430 feet in center instead of 389 feet and 345 feet in the leftfield corner instead of 335 feet.
