U.S. Is Ordered Not To Release Girard To Japan

WASHINGTON, June 18 (AP) — A federal judge today ordered the government not to turn over GI William S. Girard to Japan for trial.

U. S. Dist. Judge Joseph C. McGarraghy ruled that the proposed delivery of Girard to Japan for trial in the death of a Japanese woman would violate rights which are guaranteed by the Constitution.

Since Girard remains a member of the U. S. armed forces in Japan, McGarraghy held, he may be prosecuted in court-martial proceedings.

McGarraghy refused to issue a writ of habeas corpus which would have required the soldier to be brought home for further legal proceedings.

But he treated the complaint as a petition for an injunction and held the proposed delivery of Girard to Japan would be a violation of his constitutional rights.

Girard, an Army specialist 3rd class from Ottawa, Ill., has been accused of manslaughter by Japanese authorities. The case arose from the death of a Japanese woman on a firing range last January.

Secretary of State Dulles had told the judge in an affidavit filed yesterday that the way should be cleared for Japanese trial of Girard, lest "great embarrassment" to the United States result.

The State Department today declined any immediate official comment. There were indications, however, that the department would attempt an immediate appeal to the Supreme Court, bypassing the U. S. Court of Appeals here.

Judge McGarraghy said the question he had to decide was whether Girard has a right under the U. S. Constitution to be tried in an appropriate American tribunal and whether that constitutional right would be violated if he were delivered to the Japanese government for trial.

Attorneys for Girard, an Army specialist 3rd class of Ottawa, Ill., contend the soldier's constitutional rights are being violated by a decision of U. S. authorities to allow Japan to try him for the death of a Japanese woman.

The woman was fatally wounded last Jan. 30 on a U. S. firing range in Japan.

Japanese authorities allege she was killed when Girard, who was on duty, fired a cartridge case from the rocket launcher attached to his rifle.

The government contends the decision to turn Girard over to Japan was a proper one which the U. S. court may not overturn.

Only yesterday, Secretary of State Dulles filed a new affidavit urging a speedy decision in the case to avoid "great embarrassment" to the United States.

Opposing a bid by Girard's lawyers to have the case returned to U. S. jurisdiction, Dulles said the decision to have Girard tried by Japanese courts "was discussed with and confirmed with" President Eisenhower.

Dulles said he and Secretary of Defense Wilson decided Girard should be tried by Japanese courts "in full accord" with procedures under agreements with the Japanese government.

In New York, Girard's lawyers Joseph S. Robinson and Earl J. Carroll, termed Dulles' move a "brazen attempt" to influence the court.

Any reversal of position by this country Dulles said, "will in my judgment give rise to serious difficulties in our relations with the government and people of Japan and may involve risk of injury to United States personnel located in Japan."

Robinson and Carroll said in their statement that Dulles appeared to be more interested in public opinion in Japan than that in his own country.

SPECTATORS FLEE AS SPORTS CAR CRASHES—Photographers and spectators at right make a speedy exit as driver John Lyon of Torrance, Calif., climbs a track-side embankment with his MG during a road race near Northridge, Calif. The car over turned but finally landed right side up at the foot of the embankment. Lyon sustained severe lacerations.

Showers Hit County, Hail Lashes Plains

Showers ranging from a bare sprinkle to more than one inch dotted the Snyder area early today, as new cool front moved through the county.

The rain varied considerably even within the city. The official gauge registered .35 of an inch, according to David Strayhorn, weather observer, but some sections of town got only .1 or so.

Heaviest rainfall reported was in the extreme northwest part of the county and about three or four miles northeast of Hermleigh. A total of 1.25 was reported on the Loren McMillan farm northeast of Hermleigh, and a like amount fell northwest of Fluvanna.

Hermleigh had half an inch, while the rain dwindled to .2 west of there. Up to .7 was reported southwest of Hermleigh.

A shower brought .6 of an inch of rain at Gail and toward Fluvanna from the Gail area. Fluvanna had .5.

Camp Springs reported .6 of an inch, and a light shower was reported at Ira.

At Lake J. B. Thomas rainfall ranged from half an inch to three quarters of an inch along the dam area, but none fell at the Big Spring pump station on the south shore.

Creeks were reported running in Borden County, but Lake Thomas had caught no water up to noon today.

By The Associated Press

A cool front that spread torrential rains and crop-destroying hail over the South Plains Monday night suddenly picked up speed and raced out of Texas Tuesday.

The front dropped 1.46 inches of rain in the Wichita Falls area before dawn as it gained momentum.

Three tornadoes were sighted aloft in West Texas Monday night.

The front had lingered in West Texas since early Sunday.

The Weather Bureau said its sudden push into Louisiana and the Gulf eased the threat of additional damaging thunderstorms in Texas.

However, scattered thundershowers were still forecast. Rain was falling at midmorning around Beeville, Alice, Brownsville, near Laredo and below Cotulla. Kingsville reported a heavy rain to the northwest.

The front also blew away much of the hot weather that had hung on over the state as summer, due officially Friday, neared.

Overnight low temperatures Tuesday ranged from 51 at Dalhart to 80 at Corpus Christi.

Official rainfall reports included: Lubbock .62 of an inch, San Angelo .25, Abilene .22, Childress .36, Van Horn .27, Victoria .45, Beeville .21 and lesser amounts elsewhere.

IN ATOMIC TEST

Scientists Flee After Explosion

ATOMIC TEST SITE, Nev. (AP)—Atomic scientists exploded the fourth shot in the current atomic test series at 4:45 a.m. today. Then they fled.

The Atomic Energy Commission said "light fallout" from the blast forced evacuation of the test site control point.

The device—detonated from a balloon hung 500 feet above the desert floor—lit up the dawn sky.

Five minutes later the billowing mushroom cloud, rising almost six miles, began to sift radioactive contamination toward the control point.

The order to evacuate was given. In 30 minutes the point was empty. It is some eight miles from Ground Zero.

An AEC spokesman said the upper part of the cloud headed north of due east at 30,000 feet. The stem drifted north of due west at 20,000 feet.

More than 50 diagnostic tests were conducted as a part of this morning's test. Live pigs and mice—with recording instruments on their bodies—were used in studies of radiation.

The blast today was estimated by observers as the same size as the 10 kiloton shot which launched the test series earlier this month. A kiloton is the equivalent of 1,000 tons of TNT.

The last two shots were much smaller—perhaps two kilotons.

No troops took part in today's test, although more than 30 military planes criss-crossed the skies nearby on support missions and indoctrination flights.

Los Angeles reported today's shot—clearly visible—appeared as a brief, blue flash.

In Las Vegas it seemed very bright but of briefer duration than some previous major detonations.

Observers on Angel's Peak, closest spot newsmen were allowed to the test area, said that from 55 miles away it appeared that the explosion kicked up dust on the floor of the desert.

Today's test originally was set for June 8 but delayed again and again by unfavorable weather conditions.

Enrollment For Course Running High

Enrollment has exceeded expectations in the classes being offered by the Snyder schools in simplified piano taught through use of closed circuit television.

Bob Clinton, instructor for the course, said he has so far about 90 high school students and 58 adults enrolled in the course. High school students are taking instructiond during mornings, adults at night. Classes are on Mondays, Wednesdays, and Fridays.

There is still room for a few more adults, Clinton said, but those who desire to take the course must enroll by tonight. After tonight, any who would enroll would be too far behind.

There are three adult classes, with times for the classes 6, 7, and 8 p.m. on the three nights. Those who have not enrolled and desire to do so should attend the class tonight that they desire to be in for the remainder of the course.

Clinton said the 7 p.m. class is almost full, with 23 enrolled. Maximum for anyone class is 25. There are 16 in the 6 p.m. class and 19 in the 8 p.m. class.

In the three classes combined, there is room for some 12 to 15 more adults. Tuition for the entire course is $2.

Students were at the pianos for the first time this morning, and adults will be tonight. Yesterday and last night, Clinton worked with the groups, giving them basic work they needed before beginning on the pianos.

Report On Oil

MEXICO CITY (AP)—The National Bank of Foreign Commerce said yesterday Mexican purchases of foreign oil products during the first two months of 1957 exceeded the value of crude and fuel oil exported. Imports were pegged at $12,400,000 compared to exports of $10,520,000.

Sweetwater Police Find Missing Boy

SWEETWATER (AP)—A woman and an 18-month-old Lubbock boy who had been missing for 12 hours were picked up by police today at a bus station here.

The boy, Lowell Russell McDonald, wandered away from his mother yesterday while she shopped in a Lubbock variety store, setting off a 12-hour search.

Patrolman Charlie Henderson said the boy was identified by his father, L. R. McDonald, who came here with two FBI agents.

The woman identified herself to police as Mrs. Eulia Wilson of 2308 9th St., Lubbock but declined to make any further statement. She was returned to Lubbock.

Sweetwater police identified her as a divorcee, 33, who had worked in the Lubbock store until recently.

Henderson said the boy and his father were returning to Lubbock with the FBI agents and the woman.

No charges had been filed.

Police checked the bus station after being notified from Lubbock that the boy was missing and a woman and boy had been seen boarding a bus in Slaton, 18 miles southeast of Lubbock, late yesterday.

"I saw her sitting on a bench in the station. The boy was beside her and was asleep," said Police Sgt. J. H. Rushton.

Rushton said the woman first told officers it was her own child, but later said she picked up the baby in the Lubbock store when she saw it crying. She said she told the boy she would help him find his mother, officers reported.

"Then she said that later she decided to keep the baby," reported patrolman C. E. Wilson. "She went to Slaton and bought a ticket for Fort Worth. She told me that after she got on the bus, she realized what she'd done and started wondering what would happen to her."

Wilson took the boy home with him for a meal and a few hours sleep before his father arrived with the agents.

Tractor Overturns

PLAINVIEW (AP)—Harrison Stewart was killed yesterday when his tractor overturned and crushed at an irrigation ditch.

Rights Bill Approved

WASHINGTON (AP)—The House today passed President Eisenhower's civil rights bill.

Just before final passage, the House defeated, 251-158, the Southern bloc's fourth and final attempt to drive a jury trial amendment into the measure. The vote insured passage of the bill essentially in the form Eisenhower recommended and the Republican, Northern and Western Democrats backing such legislation agreed on.

Voting for the jury trial amendment were 45 Republicans and 113 Democrats. Against it were 139 Republicans and 112 Democrats.

The bill now goes to the Senate, where a bipartisan coalition is trying to rush it on to the calendar for action, thus depriving Southern senators of one of their opportunities to filibuster.

Senate Republican Leader Knowland of California said he is prepared to take "whatever steps necessary" to get Senate action on the message this session.

The bill would authorize the U. S. attorney general to take into federal court the cases of persons whose voting or other civil rights were violated or threatened.

Without first going to state courts, the attorney general could seek a federal injunction against such violations. If it were granted, the court then could punish for contempt anyone who violated the injunction, but proponents of the bill have argued that the granting of the injunction itself would often eliminate the difficulties.

The bill also would provide for a bipartisan commission to make a two-year investigation of civil rights complaints and for a special division of the Department of Justice, under an assistant attorney general, to handle civil rights matters.

The vote on the jury trial amendment was the first during long House consideration on which House members were recorded by name.

Knowland made his remark about taking whatever action is needed to newsmen at the White House after he and other GOP congressional leaders had held their weekly conference with Eisenhower.

House passage sent the controversial measure to the Senate where Knowland and some other proponents of civil rights legislation plan an attempt to by-pass the Senate Judiciary Committee. A civil rights bill has been bottled up in that committee for months.

Knowland's strategy will be to keep the house bill from going to the Senate committee, and try to place the measure directly on the Senate calendar for debate a bit later.

In response to questions, Knowland said the GOP leaders had no discussion with Eisenhower today regarding the parliamentary tactics which may be used in an effort to by-pass the Senate Judiciary Committee. He called that situation not a proper one for discussion with the executive branch.

In the long run, a Senate filibuster or attemby foes to talk the bill to death seems inevitable in the Senate in any move to get action on the measure.

Asked today whether he is prepared to try to break a filibuster, no matter how long it might take, Knowland replied: "I am prepared to take whatever steps necessary."

The senator said that in his opinion a filibuster could be broken only by holding the Senate in continuous session indefinitely.

He declined to speculate on how long that might take. But, when a newsman suggested it might keep Congress around until September or October, Knowland smiled and said "no, I don't think it would take that long."

A. J. Dyess Dies Monday In Fluvanna

Andrew Jackson Dyess, 77, died at 4:15 p.m. Monday at his home in the Fluvanna community.

Mr. Dyess, a native of Henry County, Ala., had been a resident of Fluvanna since 1924. He was married to Miss Otha Mae Gideon in Canton, Tex., on Dec. 15, 1901.

He was a member of the Fluvanna Baptist Church, where he served as a deacon.

Mr. Dyess is survived by his wife, daughters, Mrs. Frank Washmon of Lindale, Mrs. Carl Newberry of Enid, Okla., Mrs. J. E. Combs of Sweetwater, Mrs. Carlis White of Onnersville, Ind., and Mrs. Frank Pinkerton of Snyder; four sons, Delma J. Dyess of Spur, Jimmie C. Dyess of Snyder; Curtice Dyess of Winters, Lonnie V. Dyess of Roggon, Colo.; one sister, Mrs. Nancy Tisdale of Monahans, and one brother, J. . Dyess of Midland.

Thirty-five grandchildren and eight great-grandchildren also survivie.

Funeral service will be conducted at 3 p.m. Wednesday in the Fluvanna Baptist Church. The Rev. Glynn Jackson, pastor, will officiate. He will be assisted by the Rev. Jack Dean of Snyder and the Rev. J. B. Chick of Abilene.

Burial will be in the Fluvanna Cemetery, under direction of Bell Funeral Home.

Pallbearers will be grandsons of Mr. Dyess.

Bids On Runway Will Be Opened Here Tomorrow

Bids will be opened at 2 p.m. tomorrow by the county commissioners court here on the new east-west runway to be built at the county airport, Winston Field.

The bid opening will be in the courthouse. Although the bids are to be opened tomorrow, the contract will probably not be awarded until about Monday. After the bids are tabulated, they must be submitted to the Civil Aernautics Administration for approval before the contract is let. The federal government is to pay half the cost of the new runway.

W. W. Greif, engineer for the county on the project, said six general contractors are also looking at the project, but their bids will not be taken by the county, since the entire project will be under the general contract. The other contractors are working for sub-contracts.

Greif said there will probably be only token representation of the contractors at the bid opening because tomorrow is also the day for highway lettings in Austin and also because no contract will be awarded tomorrow.

The contract must be awarded before July 1 if the county is to avoid delay, Greif said, because a new federal fiscal year will begin at that time. The appropriation for the airport work here is under this year's program, and if the fiscal year ended before the runway was under contract, the county would have to start over again in getting federal appropriation.

The runway's cost is estimated at slightly in excess of $150,000, covering construction, engineering, and other contingencies.

The runway will be 4,200 feet long and 100 feet wide and will have 40-foot-wide taxiways on the side. There will also be a northeast-southwest taxiway 40 feet wide and about half a mile long.

With the present 4,800 foot runway, which is 100 feet wide, running north-south, the airport has a feeder airline designation. The new east-west runway will raise its classification to feeder-trunk.

The CAA has urged the county to add, within five years, another 1,000 feet to the length of the north-south runway. That would raise its designation to trunk class.

Snyder Man Hospitalized

Roy Goforth, 62, of Snyder, was hospitalized in Cogdell Memorial Hospital about 2 o'clock this morning following a one-car accident at Thirty-first Street and Avenue S, police reported.

Goforth was driving alone in a 1950 Ford coach which failed to make the "S" curve at Thirty-first and Avenue S and plunged into the sunken yard of the residence of Mrs. J. O. Dodson, 3105 Avenue S.

Two cottonwood trees in the yard were knocked down by the car.

Goforth was taken to Cogdell Memorial Hospital by Bell ambulance.

Police said that Goforth's car was so severly crushed in the accident that ambulance attendants had to remove him through the trunk of the car.

WEATHER

SNYDER TEMPERATURES: High Monday, 95 degrees; low, 61 degrees; reading at 7:30 a.m. today, 63 degrees; precipitation, .35.

West Texas—Considerable cloudiness with scattered showers and thundershowers Wednesday and mainly in South Plains and from Pecos Valley eastward this afternoon and tonight. No important temperature changes.

Action On Ordinances Taken Here

Three ordinance actions were taken by the city council in a brief meeting at 6 o'clock yesterday afternoon.

All three ordinance actions concerned the paving program now underway here.

First of the actions was an ammendment to ordinance No. 189 including several new streets in the paving program. The petitions on the additional streets were not received by the city until the original paving ordinance had been passed.

The other paving ordinances call for a public hearing on the additions to the original program, and correct an error in the original program. The error was in the designation of the width of Thirty-sixth Street from Avenue C to Avenue D. Actually the property owners had signed up for pavement of the street to a width of 37 feet, and it appeared in the ordinance at a width of 31 feet. The technical change was necessary, however, to make the ordinance coincide with the pavement.

All three actions were in an emergency status, since none of them were of a controversial nature and to expidite the paving program.

Plans Made For Cleanup

Detailed plans are now being worked out by the Junior Chamber of Commerce and the Chamber of Commerce on the annual Snyder cleanup campaign, which will open Monday.

Bob Littlefield, chairman of the Jaycee health and sanitation committee, heading the campaign, said today that the committee has designated every day of next week for special parts of the campaign.

Weed-mowing and trash pickups are among major items on the agenda for the week.

There will be three days of mowing, Monday, Tuesday, and Wednesday. Also on those three days, Jaycees will use trucks to pick up extra large loads of trash. On Thursday, there will be pickup of other trash, with the Jaycees and others working with them covering the entire city. Friday will be paint-up, fix-up day, and also the Jaycees will continue trash pickups if the town is not entirely covered Thursday.

The Jaycees will have access to mowers to handle weeds, Littlefield said, and he asked that any persons who wish to turn in vacant lots and other large areas to be mowed call the Chamber of Commerce, giving the address of the area to be mowed. Deadline for calling in orders for weed mowing is noon Saturday. The chamber office number is 3-3558. No orders can be taken after Saturday, since the schedule must be worked out from orders turned in this week.

Areas to be mowed will be those which could not be handled by an individual and would require a machine for mowing. There will be no charge for the mowing, Littlefield said. The service is only for vacant areas or lots, not for front or back yards.

The chairman said that the Jaycees will not be able to tell residents the times they will be at the lots for mowing, but it will be done sometime from Monday through Wednesday.

Trash to be picked up from Monday through Wednesday will be only the extra large loads, like those which would require about half a truck, Littlefield said. The trash should be in one pile if possible and that which can be bundled or boxed should be.

For the extra large loads, residents should call the chamber office and give the address. For other trash, no calling is necessary, since the Jaycees will cover the town later in the week. Trash should be either at the alley or at the curb of the street, not in the middle of a lot.

Any persons or firms having large trucks and who would like to help in the cleanup campaign have been asked to call the chamber office this week. The larger trucks would be better for the purpose of the campaign, the chairman said.

Tax Not Paid By Union Chief

WASHINGTON (AP) — James G. Cross, president of the Bakers Union, agreed today not to take the Fifth Amendment on any questions put to him by the Senate Rackets Investigating Committee. In return, Cross was given the right to cross-examine another witness.

This understanding with Cross was reached after Gilbert Mann, 71, testified he was forced in 1955 to resign as president of Bakers Union Local 100 in Chicago and left destitute after 25 years of work for the union.

Chairman Harris, counsel for Cross submitted a list of four questions he said should be asked of Mann to "be fair" to his client.

This brought on a sharp exchange between Chairman McClellan (D-Ark) and Harris which was climaxed by Cross giving the senators assurance that he had "no intention" of taking the Fifth Amendment to avoid answering any questions.

At the outset of today's hearings, McClellan harked back to testimony of 10 days ago about how $60,000 was raised at a 1956 dinner to buy a new home for Max Kralstein, New York boss of the Bakers Union.

McClellan said the taxpayers indirectly paid a big chunk of this money.

His staff has discovered, McClellan said, that Kralstein paid no tax on it but reported the $60,000 as a nontaxable gift. He said the employers who put up the money by buying dinner tickets and advertising in a souvenir program had deducted these costs from their own tax returns as business expenses.

McClellan's statements were made as the committee resumed public hearings on alleged scandals which have split the union into two warring camps.

"The government," McClellan said, "should take appropriate action not only to recoup the losses but to prevent similar losses in the future" and to "prevent the taxpayers from having to make involuntary contributions of this kind."

He did not elaborate on the latter statement but said Congress may want to pass some new laws to deal with situations of the kind he mentioned.

The committee developed in hearings on June 7 that the $60,000 was raised and given Kralstein at a New York dinner in 1956 financed by what some witnesses called "pressuring" employers with whom the union bargained to buy tickets and ads in a souvenir program.

Fiscal Policy Has Problems

WASHINGTON (AP)—Secretary of the Treasury Humphrey today credited the administration's fiscal policies with causing unparalleled prosperity. But he said prosperity brings problems.

"I acknowledge imperfections in our accomplishments," Humphrey told the Senate Finance Committee, "but I entertain no doubt as to the propriety of our goals or the wisdom of our policies."

The secretary, whose "tight money" policies have drawn considerable congressional fire, said it is "nonsense" to allege that "higher interest rates benefit only the bankers."

"Bankers are brokers of money," he declared in an 11,000-word statement prepared for the opening session of a broad committee study of the nation's financial condition. "When they receive more, they pay more."

Higher interest rates paid by banks to their depositors encourage savings, he said, and those savings are converted to increased capital investment which means more jobs.

Humphrey, whose resignation as Treasury secretary is expected to become effective in mid-July, told the committee the Eisenhower administration has a record of "a prospering America with new high levels of employment, rising income, and increasing purchasing power.

"It is a record of more and better jobs, more homes, more cars, more leisure and more recreation," he said. "It is a period of unequalled prosperity with both the blessings and the problems of such a period."

Humphrey said "this growing prosperity has extended to nearly all segments of our society except the farmer."

The biggest single portion of the debt interest, he said, went to individuals, either in the form of cash payments or accumulated interest to the 40 million holders of sanings bonds.

"Millions of Americans," he declared, "are benefiting from these higher interest rates."

A policy of making additional bank credit available, Humphrey said, "would not put any more people to work—it would merely provide additional demand in excess of the supply of both labor and goods."

One-Time Mobster Dies In Fort Worth

FORT WORTH (AP)—Claude Belton, 66, an old-time mobster who helped terrorize the Southwest as a member of the Clyde and Buck Barrow gang, died yesterday.

Neither of his two relatives who could be located would claim the body. Belton's local police record took up five pages with arrests dating back to a 1918 turkey theft.

Justice of Peace Jim Boorman said Belton died of heart disease and excessive use of narcotics. He also had cancer.

Belton had been convicted eight times. The FBI listed 36 arrests on his records.

He was found dead sitting in a wheel chair in a small hotel.

Two Men Charged On Liquor Counts Here

Charges of illegal transportation of intoxicants in a dry area were filed in county court here yesterday against Lubbock and Aspermont men.

The charges were filed by highway patrolmen and officers of the sheriff's department. Both were arrested between Snyder and Ira.

Julius Leon Miller of Aspermont was one of the men. He was released on $750 bond, posted by Aspermont men.

The other was Alfredo Carrasco of Lubbock, who was released on $750 bond posted by Big Spring men.

Testimony Opens In District Civil Case

Testimony has begun in the civil district court, Mrs. Oletta Carroll vs. E. C. Carroll and others, a suit to declare heirship to the estate of B. T. Carroll, deceased.

The jury for the case was selected yesterday.

Those on the jury are Grady Elder, Mrs. Joe Graham, Mrs. T. B. Knight, Mrs. Bill Zimmerman, John Boren, Bill Eiland, Mrs. Bill Grimmett, Lester Glasdon, O. B. Overman, Raymond Prather, Jurden Brunken, and Mrs. Bill Greenfield.

Firemen Are Called To Weed Fire Here

Firemen were called to the north part of town about 3:30 o'clock yesterday afternoon, but found only a number of piles of weeds being burned by a resident when they arrived.

D. A. Porter, fire chief, said that apparently a passerby reported the fire thinking it was a building on fire.

There was no damage.

Man Is Fined Here On Check Charges

A fine of $33.50, including court costs, was assessed in county court yesterday against Thurman Craft of Abilene and Dallas, who pleaded guilty to a charge of swindle by worthless check.

Craft had been returned here from Abilene by the sheriff's department.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS — Mrs. A. A. Heath, 508 Thirty-second Street; Park Hamilton, 1906 Avenue N; Mr. Forrest Young, Box 1581; Mrs. M. M. Boyd, 213 Thirty-third Street.

DISMISSALS — Mrs. Hollis Terry, Lubbock; Mrs. A. F. Barton, 1401 Twentieth Street; Stephen Daugherty, Fluvanna.

COGDELL MEMORIAL

ADMISSIONS — Paula Hernandez, route 2; Rosa Lee Armistead, Box 1495; Steve Eckert, route 1, Fluvanna; Jesus Hinojos, Box 1669; Maria GeHoyos, route 2; Connie Sue Morton, 1907 Thirty-first Street; Faye Coffman, 211 Thirty-sixth Street; Billie May King, route 3.

DISMISSALS — Wessie Adair, 133 Twentieth Street; J. B. Scott, Bar V Motel; Amanda Jones, Box 294; Louise Guyger, 2500 Thirtieth Street; Steve Eckert, Snyder.

Agents Are Cracking Down On Moonshining

DALLAS (AP) — Revenuers are cracking down on moonshiners in the Southwest in a drive to cut off their sugar, a tax man said today.

"A tremendous amount of sugar is being diverted to the moonshine trade in the Dallas region and we intend to stop it," said Joseph Black, assistant regional commissioner of the Internal Revenue Alcohol and Tobacco Tax division.

Appeals have gone to bakers in Texas, Arkansas, Oklahoma, Louisiana and New Mexico to help halt sugar and yeast sales to moonshiners. They were asked to report any attempts by strangers to buy those ingredients.

Arguments Slated

DALLAS (AP)—Arguments for the proposed new southern highway between Dallas and Fort Worth will be presented in Washington today by Dallas city planner Marvin Springer.

Health Insurance

OKLAHOMA CITY (AP)—Plans to set up a health insurance program which will affect over 100,000 persons on state welfare rolls were discussed today by the Oklahoma Public Welfare Commission.

More Combines Sought

OKLAHOMA CITY (AP)— Urgent calls for more combines in all areas were received yesterday by the Oklahoma State Employment Service as farmers worked full steam combining their wheat.

Big Red Headlines

CAIRO (AP)—The controlled Egyptian press for the first time broke out today in big red headlines announcing "Egypt buys three submarines from Russia."

Gus Urbantke Dies

AUSTIN (AP)—Gus Urbantke, 86, former superintendent of the Texas School for the Deaf, died yesterday.

Killed In Accident

GANADO (AP)—N. T. Collins, 29, of Houston was killed yesterday in a two-car collision.

School Group Is Attacked

OKLAHOMA CITY (AP)—The National Education Assn. was attacked here yesterday by a prominent scientist for preserving "mediocrity" in public schools.

The blast came at the international symposium from Dr. Vannevar Bush, chairman of the Massachusetts Institute of Technology Corp. He pointed to a resolution passed by the NEA in New York last week calling for more study of differential in pay based on merit.

"As long as we allow that thinking to persist we will have mediocrity in this country and Russia will be far ahead of us," Bush declared.

"It is ridiculous to impose a rule that will guarantee poor teachers the same kind of money we pay to superior teaching talent."

TODAY'S MARKETS

FORT WORTH (AP)—Hogs 50-75 lower; choice 20.25, medium grades 16.50-19.50; sows steady, 1.00 down.

Cattle 3,500; calves 1,000; steady; good to choice steers 20.00-22.00; common and medium 12.00-19.00; fat cows 13.00-16.00; good and choice calves 19.00-22.00; common and medium 14.00-18.00; good to choice stock steer calves 19.00-23.50; same steer yearlings 18.00-22.00.

Boy Is Accidentally Hanged While Playing

FLORENCE, Tex. (AP) — Lonnie Kelley, 14, hanged himself accidentally while playing in a tree with a rope yesterday, Justice of Peace L. E. May of Georgetown ruled.

He was the son of Mr. and Mrs. M. L. Kelley of Belton and was visiting his grandparents, Mr. and Mrs. W. R. Kelley, near here.

The grandparents said the boy went out to play after lunch. A neighbor, W. E. Whitley, spotted the youth hanging from a tree as he drove past.

Man Arrested Here On Child Desertion

F. P. Martinez of Snyder was arrested by officers of the sheriff's department here yesterday on a charge of child desertion.

Martinez's bond was set at $300. He had not made bond by this morning.

Drowns Yesterday

FORT WORTH (AP) — Gilbert Smith, 19, son of a former Fort Worth deputy sheriff, drowned yesterday while on a fish-spearing outing on Lake Worth. He was the son of former deputy Pat Smith.

School Insurance Plan Worked Out

F. G. Hoefer and Ernest Sears have been named co-agents on the hospitalization insurance plan of the Snyder Independent School District.

The two will service the plan, which will be provided by Accidental Life Insurance Co.

The school board purchased the plan, which will go into effect Sept. 1, for school employes at the rate of $3.90 per month. Employes may add dependents to the plan at their own expense.

This summer, Occidental will publish a booklet for the Snyder school system, this booklet to be distributed to school employes about a week before agents are to contact them to see whether they desire to enroll dependents. In that way, th employes may become familiar with provisions. Enrollment will begin as soon as the teachers and other employes assemble in the fall.

The hospitalization plan provided was worked out on the basis of provisions recommended to the school board by the Snyder Classroom Teachers Association.

Before selecting the Occidental plan, the school board examined plans and rates submitted by several agents, including Sears, Hoefer, Ray Houpt, Snyder Insurance Agency, the Deffebach Agency, and Bill Tolleson.

The plan purchased includes a $12 hospital room rate, maternity benefits including $75 medical, $150 caesarian, and $37.50 for miscarriage, all in addition to normal provisions of the plan; $100 semi-annually for laboratory and X-rays fees, this not requiring hospitalization; provisions for hospital special services including $240 plus 75 per cent of the next $2,000; a malignancy clause added to other benefits, with a schedule for treatments by surgery, X-ray, or radium; a $5,000 polio provision; a straight surgical schedule, and other provisions such as ambulance fees, some out-patient benefits, and others.

Provisions of the plan, with small exceptions such as the laboratory and x-ray fees, require 24 hours of hospitalization.

Wolfbrand Bought Out

CORSICANA (AP)—Executives of Wolfbrand Products, chili and tamale firm, announced today its purchase by the Quaker Oats Co. of Chicago, which will operate it as a subsidiary.

The price was not announced.

James West will continue as president and Doyle West as vice president. They made the announcement with Frank C. Shell Jr., director of products development of Quaker.

Harry Deckard, member of the production department of Quaker's Sherman mill, will join in managing Wolfbrand.

No change in personnel will be made, the announcement said.

Wolfbrand, which employs 70 workers, ships its products all over the world.

Man Is Sentenced On Driving Charge

A penalty of $73.50 fine and court costs and three days in jail was given Juan Riojas Hernandez of Snyder when he pleaded guilty yesterday to a charge of driving while intoxicated.

He had been arrested by officers of the sheriff's department.

Local Scout Roundtables Are Slated

The monthly roundtables of Boy Scout, Cub Scout, and Explorer leaders are scheduled here for 7:30 p.m. Thursday.

The meetings will be held at the high school.

The Boy Scout leaders roundtable will be under direction of W. W. Greif, assistant district commissioner, and Explorer leaders will also meet with this group.

Joe Bohannan, district scout executive, will direct the Cub leaders roundtable.

Several activities of importance are to be discussed at the roundtables, including the annual Scoutnic to be held Aug. 10 in Towle Memorial Park. Included this year will be the district swim meet, to be discussed by Bill Zimmerman, health and safety chairman for the district.

Ray Devers, camping and activities chairman, will discuss with both roundtables the proposed Cub field meet and scout activities scheduled for the afternoon of Aug. 10.

Pete Cawthon coached football at Texas Tech from 1930 through 1940.

EASTERN STAR INSTALLATION—Among the principals in the installation ceremonies for the Order of the Eastern Star were, from left, Mrs. Frances Sizemore, installing officer; Mrs. Iris Crane, Worthy Matron, and W. T. Edwards, Worthy Patron of the Snyder Chapter No. 450. (Craft Studio Photograph)

OFFICERS INSTALLED

Eastern Star Begins Its New Year

Saturday night marked the begining of a new year for the Order of the Eastern Star, with the installation of the year's new officers in the Masonic Hall.

Members and guests were welcomed at the door by Mrs. Ora Wells, while Mrs. Margaret Easterwood attended the registery.

The meeting was called to order by Abner M. Boyd Jr., past patron, and Betty Anne and Ronny Harris, niece and nephew of Mrs. Iris Crane, presented the Bible at the altar.

After the entrance of outgoing officers, candles were lighted by Dawnel Wells and Winona McClanahan, with Mrs. Helen Patrick, outgoing conductress, attending at the altar. Preceding the singing of the national anthem, the Lord's Prayer and the pledge of allegiance to the flag were repeated in unison.

Mrs. Mabel Covey, outgoing worth matron, gave the welcoming address and introduced Mrs. Frances Sizemore, installing officer. Mrs. Sizemore introduced her helpers, Mrs. Omar Weeks, installing chaplain; Mrs. Ora Wells, installing marshal; Mrs. Nelle ovey, installing organist; and Mrs. Clemey Andress, installing secretary.

Highlights of the past year were presented in a program titled "Packing My Suitcase" by Mrs. Mabel Covey. Afterwards, a gift from the outgoing officers was presented to Mrs. Covey.

Immediately after the outgoing officers retired, the new officers were installed. The new officers are: Mrs. Iris Crane, worthy matron; W. T. Edwards, worthy patron; Mrs. Helen Patrick, associate matron; W. E. Patrick, associate patron; Mrs. Artie Pinnell, secretary; Mrs. Mabel Covey, treasurer; Mrs. Pauline Boyd, conductress; Mrs. Vera Brunson, associate conductress; Mrs. Vida McCune, chaplain; Mrs. Jerri Watson, marshal; Mrs. Pat Edwards, organist; Mrs. Melba Light, Adah; Mrs. Helen Askins, Ruth; Mrs. Margaret Wood, Esther; Mrs. Nell Walker, Martha; Mrs. Helen Thornburg, Electa; Mrs. Laura Arnold, Warder; Blake Walker, Sentinel.

The new Worthy Matron entered her station under an arch of candlelight held by the Rainbow Girls of the Snyder Assembly No. 230. After the proclamation Mrs. Pauline Boyd attended at the altar.

Addresses were made by Mrs. Crane and W. T. Edwards, and also by Mrs. Clara Harbaugh, past Grand Matron of the Grand Chapter of Illinois. Mrs. Crane introduced her husband, J. D. Crane and her sister and family, Mr. and Mrs. Harry Sanders, Betty Anne and Ronny of Big Spring.

A traditional past Worthy Matron's jewel was presented to Mrs. Mabel Covey, junior Past Matron, followed by the Rev. R. Charles Spivey singing "My God And I." The new Worthy Matron was presented a guest book by her officers and a rosewood gavel by her installing officers.

After the benediction by Rev. Spivey, the Bible was retired by Mrs. Vida McCune.

Following the retiring drill by the officers, refreshments of mints, cake and punch were served in the dining room. Mrs. Rhoda Lee Hatten attended at the punch bowl. The Worthy Matron's chosen colors of pink, white and silver were carried out in the chapter room, as well as in the dining room, with the dining table being centered by a pink shining star, featurnig a doll dressed in a pink and silver formal. The new officers were attired in white chiffon formals with pink carnation corsages.

DATE DATA

By BEVERLY BRANDOW

Dear Miss Brandow:

Through the grapevine I have learned that my steady plans to give me an article of clothing for my birthday. My parents are very opposed to this and will not allow me to keep it. How can I prevent getting such a gift and still not hurt the boy's feelings or let him know his plans?

Janet

When you are out together, see something in a reasonable price range in a window and have a fit over it. Another solution might be to talk about running out of your favorite cologne (a gift) and being disappointed because it costs more money than you would pay for something frivolous like cologne.

You might also comment that you don't like or need what he has in mind. For instance as you pass a window displaying blouses you might comment that they are pretty but they don't tempt you because you have a closet full of them.

Or you might discuss your sweet old Aunt Hattie who is always so practical and always gives you clothes for presents — ugh! Clothes are necessities but she'll never realize they're not exciting presents etc.

Talk glibly and make it sound like chatter. He'll take his cue and never catch on to your tactics.

Dear Miss Brandow:

When I introduced my boy friend to my sister who is seventeen and two years older than I, they immediately paired off.

I fussed at my boy friend for this and he said I had a right to be mad and that he is sorry. The point is that he hasn't quit being very very friendly with my sister. Please tell me what I should do.

Shirley

If it is a case of mutual attraction between them, you'd better start looking for a new boy friend for yourself. You might make your sister give him up out of a sense of loyalty to you, but you can't make the boy prefer you to her if he just doesn't.

Try to find someone new. You may like the next one better yourself or if not, the first boy may become jealous and return. Good luck.

Coffee Slated For Release Of County History

Friends of Mrs. Kathryn Cotten will entertain with a coffee at 9 a.m. Wednesday in the Martha Ann Woman's Club.

The occasion has been arranged in connection with the release of Mrs. Cotten's new book, "Saga Of Scurry." Mrs. Cotten, author of two novels published previously, completed the manuscript for the new book several months ago, and it has been published by the Naylor Co. of San Antonio.

"Saga of Scurry," which traces the development of Scurry County from a virtual wilderness to its present status, is Mrs. Cotten's first effort in the field of history.

Copies of the book already have gone on sale here, and many advance orders were placed before its publication.

Big Addition

POWELL RIVER, B.C. (AP)—A new machine to produce 300 tons of newsprint daily has been installed by the Powell River Paper Co. It boosts the mill's capacity by 25 per cen., or 90,000 tons a year.

Braves Nip Cards In Overtime, 6-5

The Kiwanis Club Braves spotted the Rotary Cardinals a 4-0 lead and then fought back to win 6-5 in an overtime thriller in the Little League last night.

The defeat knocked Rotary out of a tie for first place with the Lions Club Cubs.

In the other Little League game last night, the West Texas Bank Athletics eked past the Trinity Methodist White Sox, 6-3, in an American League game.

The Braves, after falling behind 4-0, scored five runs in the fifth to go ahead, 5-4, but the Cards tied it up with a run in the sixth.

Then Darwin Boone singled with two away in the seventh, moved to second on a base on balls to Tommy Foree and scored on an error for the winning run.

Ed Carl Foree led the Braves at the plate with three hits in four trips. Rob Hall likewise got three-for-four for the Cardinals.

The Athletics finished strong to beat the White Sox, scoring five of their six runs in the last three innings.

Dalton Walton led the A's with two hits while Keith Moreland hurled the victory, limiting the Athletics to four hits.

Stanley Baize got two-for-two for the Sox.

Blue Jays In 15-4 Win Over Fireballs

The Kiwanis Blue Jays walloped the Fire Department Fireballs in the Scurry County Girls Softball League last night, 15-4.

The Police Department Black Sox will meet the V.F.W. Cardinals in tonight's league game, starting at 8 on the high school field.

JIMMY ALLEN . . . top hitter

JOE REAVES . . . most hits, doubles, homers, rbi's

GARY VICE . . . most runs, triples, stolen bases

MILTON HAM . . . most bases on balls

TOMMY PRICHARD . . . most sacrifice hits

RONNIE BAKER . . . most wins, strikeouts and best ERA

Allen Wins Tiger Bat Title With .319 Mark

Jimmy Allen won the 1957 batting crown for the Tiger Baseballers with a .319 average. Allen was the only .300 hitter on the Tiger club for the season.

Allen collected 15 hits in 49 trips including two doubles and a triple.

Second baseman Joe Reaves, for the second straight year, won the runs-batted-in title with 20. Reaves also had the most hits, 30; most doubles, 8; and most homeruns with three. Reaves' batting average was .278.

Centerfielder Gary Vice scored the most runs with 19 most triples with four and the most stolen bases with 10.

First baseman Milton Ham drew the most bases on balls with 10. An shortstop Tommy Prichard had the most sacrifice hits with three.

Left hander Ronnie Baker was the winningest Tiger pitcher with 8. Baker also had the best earned-run-average, 0.91; and struck out the most ememy batsmen, 99.

The Tiger season record showed 18 wins and 13 defeats. The Bengals won the district, bi-district and regional crowns to earn a berth in the state tournament. the Bengals finished third in the state by breaking even in two games in the state tournament, losing to Cuero in the opening game, 3-2, and then defeating Garland in the second, 1-0.

Final Tiger averages are shown at right.

Giammalva Top Seeded In NCAA Net Tourney

SALT LAKE CITY (AP) — Top-seeded Sam Giammalva of Texas today gets his first crack at an opponent in the NCAA tennis championships when he takes the court against Navy's unranked Don Clark.

Giammalva drew a bye yesterday as 19 singles and three doubles matches were played in the first round of the seven-day tourney. Clark also drew a bye in the opening round at the Salt Lake Tennis Club.

Martinez In 2nd Win Over 'The Kid'

By MURRAY ROSE

JERSEY CITY, N.J. (AP)—Vince Martinez had his second straight victory over ex-welterweight champion Kid Gavilan today and a sharper desire to joust with the current ruler, Carmen Basilio, in September.

He'll probably have to settle for an outdoor fight in Newark, N.J., in August against either Peter Waterman, British 147-pound titlist, or Ralph Dupas of New Orleans.

"That $105,000 offer to Basilio for a title shot in Ruppert Stadium in Newark still goes," said Billy Daly, Martinez's manager, after his meal ticket whacked out a 10-round decision over Gavilan last night.

"If we can't get Basilio then we'll try and import Waterman, who split in two fights with Gavilan."

Carmen said he has set a Monday deadline for Sugar Ray Robinson to sign for a fight with him in September.

"I'm tired of waiting for Robinson," said Carmen. "I've got to know soon whether to prepare for a middleweight or welterweight title fight. If he doesn't come to terms with the IBC I'll defend my title against either Gaspar Ortega in Los Angeles or Tony DeMarco."

"Bring on Basilio," said Martinez. "I think I'm ready to take him now."

"No more fights for me in New Jersey," wailed Gavilan, loser of five straight and headed for the end of the trail.

The Kid, now 31 and with 14 years of pro battling behind, did hurt Martinez in the fifth and seventh, especially in the fifth. But he was shaken on a couple of occasions himself and was generally outclassed by the counter-punching, backpedaling Martinez.

Gavilan weighed 147½, Martinez 150¾.

Dodgers Win 7t' In Row In Pon,

The Scurry Butane Dodgers continued unbeaten last night with a 9-2 victory over the Lions Club Phillies in the feature Pony League game.

The Von Roeder Red Sox romped over the Line and Line Yankees from Ira in the other half of the twinbill, 25-2.

John Weaver pitched the Dodgers to their 7th win without a defeat, limiting the Phillies to four hits. Weaver struck out 14.

Larry Patterson led the Dodgers at the plate with three hits in four trips. The Dodgers crammed all of their runs into three innings, scoring twice in the fourth, three times in the fifth and then closing out with four in the sixth.

The Red Sox wasted little time in rolling to their fourth win in six starts in routing the Yankees. The Sox exploded for 10 runs in the first inning and then coasted in.

Charles Gladson, who opened on the mound for the Red Sox, led his teammates at the plate with three hits in four trips. Spencer Dyer was the top run-maker with five.

Furniture 9 Seeks League Lead Tonight

Snyder Furniture, one of three teams tied for the City League lead, will meet the Blue Sox tonight in a league game starting at 8.

The Furnituremen, along with Hermleigh and Sun Oil, are deadlocked for the league leadership, each team owning a 4-2 record. Snyder Furniture can take over indisputed possession of first place with a victory tinight.

Lee Gatewood is due to be the starting pitcher for the Furniture nine while Dwayne Prince is expected to open for the Blue Sox.

Following are the league standings:

CITY LEAGUE

TEAM	W	L	PCT.
Snyder Furn.	4	2	.667
Sun Oil	4	2	.667
Hermleigh	4	2	.667
Blue Sox	0	6	.000

Gutowski's Leap Up For Approval

AUSTIN, Tex. (AP)—There's little reason to believe that Bob Gutowski, the vaulting genius from Occidental, won't have a world's record placed beside his name. He ought to—he has two pending and this week may get another ready when he appears in the National AAU at Dayton, Ohio.

His greatest leap of all came Saturday night in the NCAA meet when the slim, 6-footer from the West Coast, soared 15 feet 9¾ inches. It bettered his own mark of 15 feet 8¼ inches set April 27, which is pending approval as a world's record.

It also was the highest vault in history, both indoors and out. Cornelius Warmerdam held the previous high—15 feet 8½ inches at Chicago in 1943. That one couldn't be considered for a world's record because it was indoors. Warmerdam's best outdoor mark was 15 feet 7¾ in 1942.

There's some question whether the prodigious leap will be accepted as a world's record. Bernie Moore, commissioner of the South eastern Conference and referee of the NCAA meet, said it would be submitted and that he thought it would go through "unless something unforeseen turns up."

Wade Thompson, judge of the vaulting, said when Gutowski made his new record bid he pushed the pole back at the top of his leap and that it was falling in the proper direction — away from the pit—until wind caught it and blew it toward the right. A retriever tried to catch it, fumbled on the first try and accidentally shoved the pole toward the pit but caught it before it hit the ground.

The pole, however, had gone between the standards and across the "plane of the bar," which is against the rules. A major question is: Would the wind have blown it between the standards?

Moore and Thompson said they would submit the record for world approval and thiught it would be accepted. But Gutowski merely commented: "Well, I do the jumping and the rest is up to them."

GRANT TEAFF . . . ex-Tiger named McMurry aide

Teaff Named McM Assistant

ABILENE (AP)—Grant Teaff, assistant football coach at Tom S. Lubbock High School, has resigned to become assistant football coach at McMurry College here.

The announcement was made today by Don Wooten of Abilene, chairman of the athletic committee, and Dr. Harold G. Cooke, president of the school.

Teaff also will be head track coach and assistant professor of physical education. He succeeds Elmo Cummins Jr., who resigned to become head coach at Rotan High School.

Aggie Cage Flash Due To Return

COLLEGE STATION (AP)—Bobby Rogers, new basketball coach of Texas A&M, says he expects Wayne Lawrence, 6-foot-8 scoring sensation of last season's freshmen, to return to the college next fall.

Lawrence, who averaged 28 points per game, had been quoted, following the resignation of Coach Ken Loeffler, that he would not return for his sophomore year.

Shreveport Acquires 2 Plainview Players

SHREVEPORT (AP) — Acquisition of two players from the defunct Plainview club of the Southwestern League and sale of another to Tulsa was announced yesterday by the Shreveport Sports.

Bonneau Peters said the Sports gained Art Bovland, veteran catcher and Plainview manager, and pitcher Hoyt Benedict.

Peters also said Mike Lutz had been sold to the Oilers.

A history of the Southwest Conference, "The Power and the Glory," by Harold V. Ratliff, will be published by the Texas Tech Press this summer.

Halfback Milton Vaughn of Texas Tech was the highest ranking male graduate of Littlefield High School in 1955. He is majoring in petroleum engineering.

BEATS REDLEGS, 7-2

Rookie Pitcher Halts Bums' Skid

By ED WILKS

Brooklyn's pitching staff, trouble free just a couple of weeks ago but a battered bunch of late, may have found an added starter in Danny McDevitt—a kid southpaw who couldn't make the grade in Class A ball a year ago.

The Dodgers, who skidded from the National League lead to fifth place while winning only two of their last 10 games, threw the 24-year-old lefty against Cincinnati last night and came off with a 7-2 victory as they started their second Western invasion of the season.

McDevitt, fresh from St. Paul, struck out 11 and spaced seven hits.

The victory pushed the Brooks up to fourth while the Redlegs slipped from third to fifth as the perplexing Pittsburgh Pirates defeated first-place Milwaukee 7-5 with four ninth-inning runs in the only other game scheduled in the majors.

Milwaukee now has but a single game lead over St. Louis, with Philadelphia, Brooklyn and Cincinnati all two games back. There's a two percentage point gap between the Phils and Dodgers, and the Dodgers and the Redlegs.

McDevitt, a 6-5-11, 175-pounder born in New York but now a Greenwood, Miss., resident, started out with Macon in the Sally League last season, but was sent down to Cedar Rapids of the Class B Three-I League with a 1-4 record and a 7.46 earned run average. At Cedar Rapids he was 5-8, with a 3.53 ERA. He had 127 strikeouts for the year, but walked 135.

This year he has 6-4, striking out 73 in 87 innings. He had a 1.86 ERA at St. Paul of the American Assn. He was called up last weekend.

Martin Upset Over Leaving Yankees

By ED CORRIGAN

NEW YORK (AP)—It's only about 230 miles from New York to Washington, a four-hour train ride.

Billy Martin is going to take the ride today. It will be the longest in his life.

Martin was dealt from the New York Yankees to the Kansas City A's Saturday night. He played for the A's Sunday, but then flew back to New York with his old mates to close up his personal affairs.

Tonight, he joins the A's for good in their game with the Washington Senators.

Always a pet of Yanks Manager Casey Stengel (Case once called him the "assistant manager"), Martin was upset at the thought of leaving, but he admitted he could see the handwriting on the wall after the now-famous night club brawl in which he was involved.

"It's strange wearing another uniform," he said. "I never wore any other but the Yanks. I've been with Stengel 10 . ars.

"Casey gave me to understand he didn't want to let me go, and I even heard that he tried to stop the deal at the last minute.

"Still, I knew it was coming. There was all that talk for the past couple of weeks. Then I found myself on the bench. I really knew my number was up during Saturday night's game. They needed a third baseman and used Gerry Coleman instead of me.

"Then in the sixth inning, Case told me."

Martin said he didn't really feel bad when Stengel told him.

"It's hard to describe," he continued soberly. "I guess I didn't feel anything. But when I went around shaking hands with the guys, it was tough."

The Yanks said they'd refund the $1,000 fine levied against him for the night club incident, and that they would pay him $600 travel money.

"So," he laughed hollowly, "I pick up $1,600 and lose $7,000."

He was referring to the expected cut of the World Series swag.

Secret Speech Of Mao Is Disclosed

HONG KONG (AP)—Red China today made public the text of Mao Tze-tung's hitherto secret speech admitting "certain contradictions exist between the government and the masses" in Communist society.

Peiping radio broadcast the 17,000-word statement which the Chinese Communist boss made Feb. 27 to the 11th enlarged session of the Supreme State Conference.

Bits and pieces of this speech, first reported outside China by Polish Communists in May caused a sensation because Mao appeared to be placing himself in ideological conflict with the Soviet leaders.

However, the text indicates the conflicts were ones of degree, taking into consideration special Chinese problems and circumstances. The speech gave strong and important support to the Soviet Union in an assessment of the Hungarian revolution.

Nikita Khrushchev, the Soviet Communist boss, contends no contradictions exist between the government and the masses in the U.S.S.R. Mao says contradictions, meaning conflicts of aims and viewpoints among various strata of Chinese society, exist "within the ranks of the people" and are part of the continuing "class struggle" which every "Socialist state" must go through before achieving the ultimate goal of communism.

No Red state, including the Soviet Union, claims to be close to achievement of communism yet.

Mao declared that any attempt to deal with such contradictions by "coercive measures will not only be ineffective but harmful."

"We cannot abolish religion by administration orders, nor can we force people not to believe in it," he said. "We cannot compel people to give up idealism, no more than we can force them to believe in marxism. In settling matters of controversial issues among the people, we can only use democratic methods, methods of discussion, of criticism, and not coercive nor high handed methods."

Mao conceded that the Hungarian uprising last autumn caused stirrings inside Communist China, with some people hoping for a two-party system on the Western model.

"Certain people in our country were delighted when the Hungarian events took place," Mao said. "They hoped that something similar would happen in China, that thousands upon thousands of people would demonstrate in the streets against the People's government."

But this, Mao claimed, "ran counter to the interests of the masses."

For the first time Mao made it clear that the Hungarian uprising brought doubts to some Chinese circles, although he did not indicate how widespread these doubts were.

"There were other people in our country who took a wavering attitude toward the Hungarian events because they were ignorant about the actual world situation," he said. "They felt that there was too little freedom under our Peoples democracy and that there was more freedom under Western parliamentary democracy.

"They asked for the adoption of the two-party system of the West, where one party is in office and the other out of office. But this so-called two-party system is nothing but a means of maintaining the dictatorship of the bourgeoisie."

JAILED AFTER THREAT TO POLICE—Vivian A. Masters, 20, sits in Sussex County jail at Newton, N. J. after being disarmed at police headquarters where she had held police at bay with a loaded shotgun. She entered police headquarters and demanded two patrolmen summon to headquarters an off duty officer who once arrested her for reckless driving. Another officer appeared on the scene and disarmed Miss Masters.

Long Kiss Is Really Loaded With Germs

By HAL BOYLE

NEW YORK (AP)—Things a columnist might never know if he didn't open that old mailbag:

That when a New Orleans church installed airconditioning its attendance increased 44 per cent.

That judo, the Japanese art of using a competitor's strength against himself, is helpless against an aggressor with a passive attack. (I'll explain this broken arm later.)

That Henry Castello, a machine gunner in World War II who now operates a popular restaurant in midtown Manhattan called "The Press Box," gives this tip: "Cabbage juice for ulcer sufferers."

That in the 1890s peanut butter was recommended for invalids.

That the average life of a dollar bill is from nine months to a year ...without vitamins.

That Queen Anne was the only British lady sovereign who was so fat she had to be lifted to her throne.

That (it says right here) a 10-second kiss transfers twice as many germs as a two-second kiss...to really poison a girl takes time!

That a professional entertainer whose act is built around his ability to walk a rope is called a funambulist.

That practically everyone is aware of the fact that Demosthenes, the great orator of Ancient Greece, cured himself of a stammer by speaking with pebbles in his mouth...but who remembers what the man said when he took the marbles out?

That according to the Fisherman magazine a fish doesn't feel pain.

That some physicians believe a middle-aged person—if he has no acute heart condition to bar this performance — can add to his years by daily turning a somersault when there is no one by to remark it ill becomes his years.

That it was Abraham Lincoln who observed, "There is no grievance that is a fit object of redress by mob law."

Baby Robin Helps Youth Convalesce

BINGHAMTON, N.Y. (AP)—Seven year-old Guy Lillie and a baby robin are helping each other overcome the boredome of convalescence.

Guy is immobilized by a broken leg, suffered in an automobile accident. The bird, too young to fly, fell from its nest during a tree removal operation.

Mrs. Dorothy Kolb, a cousin of the boy, found the bird and brought it to him. The bird has a cage beside Guy's bed, but it perches for hours daily on the boy's head, shoulders or leg cast.

Students Go Another Day For School Aid

SACRAMENTO, Calif. (AP) — San Juan Union School District is off its million-dollar hook today and its 4,300 students are on summer vacation at last.

Most of the students showed up for school yesterday along with teachers and employes for the one day needed to make the 175 minimum for state aid amounting to a million dollars.

Supt. William T. Mooney had a hunch late last week, counted schooldays during the year and came up with a total of 174 through last Friday, which was the scheduled final day of the semester.

"Everyone took it wonderfully," Mooney said.

Cotton Exports Drop

MEXICO CITY (AP)—Cotton cloth exports have fell off in value five times in six years, the Department of Economy reported yesterday. Exports were valued at $12,400,000 in 1952 and little more than $2,200,000 last year.

Really Cold Cash

MIAMI (AP)—Burglars chopped a hole in the roof of the Food Circus and made off with $800 in cold cash. The money was taken from the store's freezer.

Would-Be Robber Is Given Strong Lecture

MIAMI, Fla. (AP) — A would-be robber entered a Washington Avenue bakery yesterday and shoved a note at Mrs. Tilly Nadel. It read: "Which is more important, your money or your life? I have a gun."

She told him the money belonged to her boss, and started lecturing him on crime. After trying in vain to get back to the subject of his call, the bandit became leery of passers-by and fled

IN EXPERIMENT

Germs Live On Only Nitrogen

By RENNIE TAYLOR
Associated Press Science Reporter

FLAGSTAFF, Ariz. (AP) — Evidence that germs living in the earth's soil can live under conditions existing on Mars was reported today by three U.S. Air Force space medicine researchers.

Germs taken from lava, from the Painted Desert of Arizona and from soil in Texas survived virtually without oxygen in temperatures that ranged from a comfortable 70 degrees Fahrenheit to 95 degrees below zero. Their only atmosphere was nitrogen. They had almost no water.

The tests were made at the Air Force School of Aviation Medicine, San Antonio, Tex. The findings were reported to a meeting of the International Mars Committee and Astronomical Society of the Pacific by Dr. Hubertus Strughold of the Air Force school.

The tests suggest, Dr. Strughold said, that life has a little understood ability to spring up and perpetuate itself in surroundings entirely different from those on earth.

This could mean that other planets having atmospheres and other environmental conditions seemingly lethal for most life forms on the globe could be the habitation of creatures entirely unknown to man.

The microbes were gathered by Dr. John A. Kooistra Jr., and the experiment was started with the aid of Dr. Roland B. Mitchell. Soils containing the microbes were put into glass jars. The air was pumped out of the jars and replaced with nitrogen, to resemble the Martian atmosphere. There was only a trace of water in the soil.

This essentially duplicated surface conditions on Mars. Dr. Strughold said. The samples then were subjected to daily temperature changes approximating the Martian heat and cold.

The microbes thrived as long as the moisture in the jars amounted to 1 per cent or more, but below that level the germ population declined. However, some of the bacteria lived even when the water content of the jars got down to two fifths of 1 per cent. Tests are being made now to see if they will live with even less moisture than that.

Claims By Reds Disputed

VIENNA (AP) — Unemployment stalks the Soviet satellite empire like a specter, making a mockery of Communist boss Khrushchev's predictions.

The Communists claim unemployment is impossible in a "Socialist" — that is, Communist — state. Khrushchev has predicted America's grandchildren will live under that sort of "socialism."

Western diplomats here express amazement that there was so little challenge from Washington to the Khrushchev remark. Said one such obsever: "The obvious answer was this: All right, let Khrushchev wait for the third generation of Americans — but his own Red empire is falling apart now.

"Even Tito's Yugoslavia has decided to disband the Soviet-style collective farms. Yugoslavia is a poorhouse subsisting largely on American aid and what it can squeeze out of Russia.

"Poland is bankrupt and aided by an American credit.

"Hungary is flat on its back and begging credits all the way from here to China.

"East Germany, Romania and Albania have gone betting, getting emergency aid out of Moscow to forestall revolts.

"Bulgaria almost starved last winter, and has deported masses of unemployed to Russia and Czechoslovakia to prevent revolution.

"All the grandiose baloney of extending billions of credits to Asia and North Africa from the Moscow treasury has proved just that. Now Moscow has to fork out money to keep afloat the satellites in East Europe, which it has milked since 1945."

Razor Blade Theft

SYDNEY, Australia (AP)—Thieves bound and gagged night watchman Brian Healy and stole nearly three tons of razor blades from a local razor company. The company estimated the haul at 2½ million blades.

Defense Motions Denied By Judge

WICHITA FALLS (AP)—Several defense motions were denied by Judge Graham Purcell Jr. yesterday as the trial of James Parks, charged with the rifle slaying of his parents, was called.

Parks, who became 17 last month, is accused of the Feb. 16 shooting of Mr. and Mrs. Luther Parks.

A motion to delay jury selection until today was granted because not all of the prospective jurors were present. A total of 31 witnesses were sworn in.

Parks has been jailed under $100,000 bond since his arrest on the California-Mexico border a few days after the shooting.

Political Offensive

WARSAW (AP)— The Polish Defense Ministry has called for a broad political offensive to stamp out wide-spread anti-communist and anti-Soviet feeling in the army.

Panama Death

PANAMA (AP)—Dr. Augusto Boyd, 77, president of Panama in 1939-40, died yesterday.

Waco Woman Slain Monday

WACO (AP)— Mrs. W. L. Tillie Rogers, 42, shot twice yesterday while hanging out clothes in her back yard, staggered into the garage and died.

Rogers' former wife, Mrs. Thelma Rogers, 50, a nurses aid at a Waco hospital, was charged with murder.

Asst. Dist. Atty. Burner Walker said Mrs. Tillie Rogers was killed by a pistol of about .25 caliber.

Walker said Mrs. Thelma Rogers made a statement. He said she was outside the fence by the yard of the middle class residential home when the shots were fired. Walker said she then climbed the fence and waited for police.

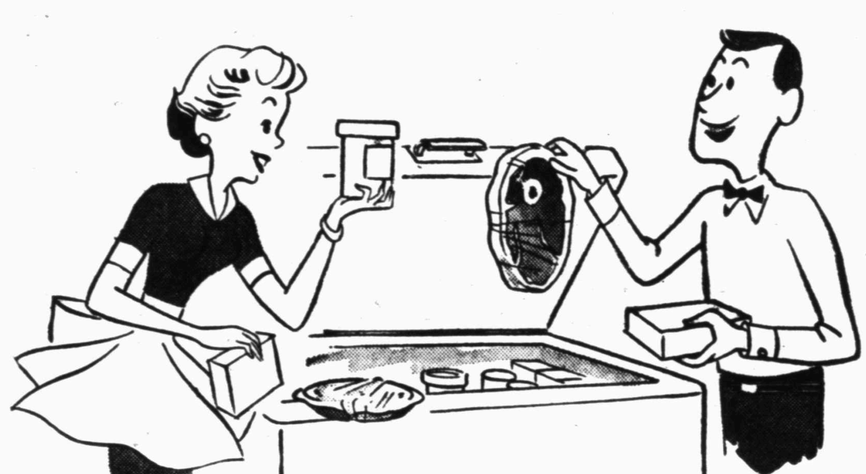

The assistant district attorney said Rogers, a labor consultant, and Mrs. Thelma Rogers were divorced in December, 1955. He said she was jailed after murder charges were filed with Peace Justice Raymond Mormino.

Mayflower Project

PLYMOUTH, Mass. (AP)—One of the co-owners of Mayflower II says the project cost $300,000 and that all but $20,000 or $30,000 had been paid when the vessel sailed from England to Plymouth, Mass. Warwick Charlton also said last night that bills had not been submitted for the unpaid amounts and those bills will be honored as soon as they are received.

More Raids Are Conducted In Galveston

GALVESTON (AP)—Squads of law officers, led by Texas Rangers, raided six business firms here last night, seizing or destroying 62 gambling devices.

The officers, carrying 10-pound sledge hammers raided two music companies, a warehouse, a novelty firm, night club and a newsstand.

The raids were another round of Atty. Gen. Will Wilson's anti-vice campaign.

Asst. Atty. Gen. Cecil Rotsch accompanied the raiding parties with search warrants. Rotsch has headed Wilson's forces in the campaign to close down gambling and prostitution along the Gulf Coast. Twenty-six gambling devices were destroyed on the spot.

Police destroyed 375 slot machines last Friday in a raid at Ft. Travis on Bolivar Peninsula. The fort now is under private operation.

Rotsch said at the M and M Music Co., where 21 slot and 3 pinball machines were seized, he found a photostatic copy of the transfer of the Ft. Travis Property to M and M Corp.

Texas Rangers Johnny Klevehagen and Eddie Oliver led local officers headed by Police Chief O. E. (Gene) Henson and Police Commissioner Walter Rourke Jr.

Governor Saves Bear

OKLAHOMA CITY (AP)—Lincoln Park Zoo will welcome today a 300-pound grizzly bear which owes its life to Gov. Raymond Gary. The governor was given the animal last week by Yellowstone National Park rangers, who had planned to shoot it.

Pick 'N Save

CHICAGO (AP) — Burglars took $5,000 from the Pick 'n' Save Store.

BUCKLEY

Reason For Discharge

MEXICO CITY (AP) — Eight uniformed policemen of this capital were fired for the following reasons: one participated in an armed robbery; six were drunk on duty; one refused to help a citizen who was attacked: the eighth was never seen at the post assigned to him.

Tax Is Abolished

BIG LAKE, Tex. (AP)—City aldermen in this West Texas town of 2,500 voted to abolish the only tax, a 75-cent ad valorem levy. They figure revenues from utilities will take care of the new $267,302 annual budget.

Scout Encampment Will Be Planned

All Explorer Boy Scouts who wish to attend the Philmont Scout Ranch in July are urged to attend a meeting in Big Spring Friday to plan details of the encampment.

Prentice Smith, Explorer Advisor of Explorer Post 27, sponsored by the First Methodist Church, and Joe Bohanan, Boy Scout executive here, will attend the meeting in Big Spring Friday and the Philmont camp.

Purpose of the meeting Friday is to set a date for the Explorer camp, plan details, and make other arrangements pertaining to the trip.

Roy L. Dunlap, Explorer Activity Chairman for the district, said that arrangments have been made with the Snyder Public School system to use a school bus for transportation of the Explorers to and from the camp.

Registration fees, food and lodging at the camp will cost each Scout $38. Food and transportation to and from the camp will be in addition to the $38, but should not be a great cost because the bus will reduce travel costs, Smith said.

Philmost Scout Ranch is a national camp of the Boy Scouts of America and is set aside for Explorer Scouts and their leaders only. It is located in the northeastern part of New Mexico about 410 miles from Snyder. The highest peak on the ranch is 11,768 feet and is covered with snow. The ranch has two large herds of buffalo and the wild game that is seen by Explorers on the trails unclude deer, antelope, elk, wild goats, turkey, and small game. There are also bear and lions on the ranch, but usually are not seen by the Explorers.

Smith said that if any Explorers who wish to attend the camp but cannot attend the meeting Friday in Big Spring, can make arrangements to attend the camp by calling or contacting him at the Snyder city hall.

Jet Travel To Stimulate More Flying

DALLAS (AP)—Word of mouth advertising will dispel any uneasiness Americans might have toward jet transport travel, an airline official said yesterday.

C. E. Woolman, president and general manager of Delta Air Lines, told a Competitive service to the West Coast that jet transports will open a new era.

"The advent of jet air traffic will stimulate flying like nothing ever has before," he said. "More people than ever before will take business, pleasure and vacation trips by air."

Testifying before CAB examiner Thomas Wrenn, Woolman said Delta is prepared to furnish competition from Dallas to the West with American Airlines.

The basic Dallas-California market "is obviously of sufficient strength to support competition without bringing disastrous results upon the existing carrier, American," he said.

Several other carriers and a number of Southwestern cities are involved in the request for added service.

Unlimited Debate Is Favored By Garner

WASHINGTON (AP)—The Senate subcommittee holding hearings on the proposal to change Senate rules to make it easier to cut off filibusters, got this comment from former Vice President John Nance Garner:

"I favor full and unlimited debate in the Senate."

Garner, 88, and in retirement at Uvalde, Tex., was a vice president under Franklin Roosevelt for two terms.

He scribbled his opinion on the Senate rules proposal across the bottom of a letter asking his views. The letter was presented yesterday by Sen. Talmadge (D-Ga.)

Boy Turned Over To Psychiatrists

CANONSBURG, Pa. (AP) — Psychiatrists will try to learn what caused a 10-year-old boy to frighten a small mining community by taking pot shots at everything that moved.

Joey Coleman, who went on a rampage in nearby Muse Sunday night, has been ordered committed to the Allentown State Hospital. Juvenile authorities took the action yesterday.

State police still don't know where Joey got two pistols and a large supply of ammunition with which he held people at bay. No one was wounded.

Susan Gets Bitten After Saving Mouse

MILL VALLEY, Calif. (AP) — Susan Gaines, 13, rescued a field mouse from a cat. But while she was lecturing the cat, the ungrateful mouse bit her finger.

Susan's doctor gave her a tetanus injection and said the mouse would have to be impounded two weeks at the Humane Society shelter to see whether it is rabid.

Susan will have to pay the m e's board bill — 25 cents a day.

Death Trap For Two

REDDING, Calif. (AP)—An abandoned refrigerator in a vacant lot next to their home turned out to be a death trap for Alice and John Harvey, 4 and 3. The tots were found suffocated in the box yesterday after a two-hour search by their half-sister Margaret Rudisill, 12. She had been baby-sitting while the parents were away.

The first Ph. D. degree presented in the United States was at Yale in 1861.

Road Program Is Discussed

AUSTIN (AP) — The Texas Good Roads Assn. president, Charles H. Devall of Kilgore, said last night "intensive public attention and interest" must be focused on the state highway program.

Construction and maintenance will take the "largest single share of the state dollar, next to public education," Devall told the association's annual meeting.

"How that money is raised, how it is spent and what it is spent for will be matters of the utmost importance to every Texas business, industry and family," he said.

Devall was re-elected president. Other officers elected were Datus Proper of San Antonio; Joe Lenoard Sr. of Gainesville and Fritz Thompson of Borger, vice presidents, and Howard Cox of Austin treasurer.

IN INFLATED TIMES

Crime Doesn't Pay Off Well

By INEZ ROBB

There are days when it appears that nothing in the world is being done to lick mankind's most pressing problems. The universe is full of yak-yak-yak about disarmament, inflation, crab grass, delinquency and the threat of moss in Ebbets Field and the Polo Grounds.

We inch along to our doom, or so it seems. And then, without warning, an item appears in print that shows someone is on the ball and all is not lost. Such a nugget is contained in the announcement that the great Commonwealth of New Jersey has upped the limit on what determines petty larceny from a beggarly $50 to a more respectable $200.

Here, at least, is one state determined to keep pace with the times and with inflation. In a nation whose combined public and private debt rose to the Himalayan height of $684 billion in 1956 and is heading even higher in 1957, there is something repugnant about a petty larceny rap pegged at $50.

In fact, it is hard to imagine a self-respecting yegg, even a beginner, who would so far demean himself as to heist $50, which is no more than supermarket money on Friday night.

Justice should always be tempered with mercy, and in the above instanee, New Jersey has added a soupcon of common sense. In 1957, when economists expect the purchasing value of the dollar in pre-World War II terms to dip below 50 cents, it is neither just nor merciful to judge a hard-working mugger, hamstrung by inflation and the high cost of lviing, by Coolidge standards.

The last time I looked, the dollar, compared with a 1935-'39 base of 100 cents to a cartwheel, was worth 50.12½ cents, or just barely above the half-way mark.

It is obviously unfair to sentence a mugger on the base worth of the dollar in 1935-'39 for a bungled job in 1957. It is no less than barbaric, verging on cruel and unusual punishment, to compute a 1957 sentence on the long-gone value of Calvin's coin.

What New Jersey has accomplish ed in upping the take-home pay for petty larceny is to redress the balance and make the punishment fet the crime. Never was it more true than today that "he who steals my purse steals trash." It would be a pity to see a man branded as a felon for life on a chicken-feed snatch.

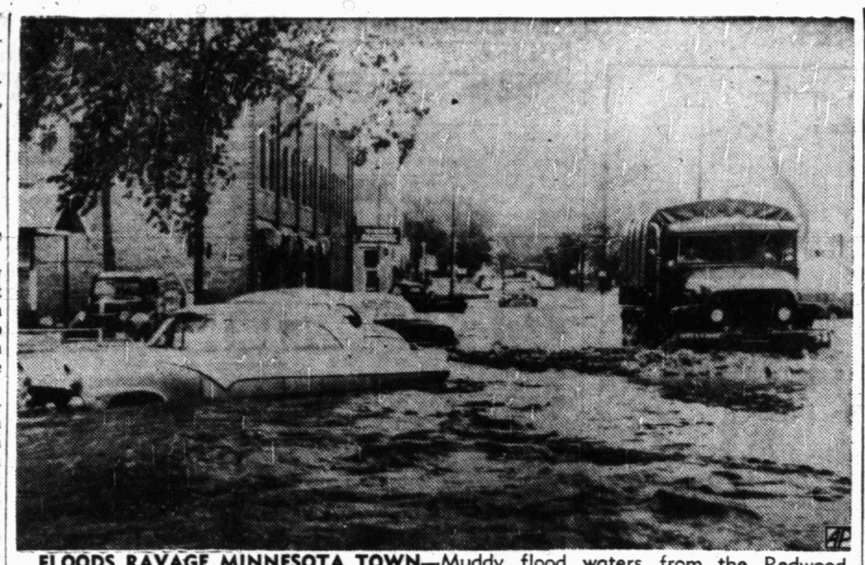

New Jersey has taken a step in the right direction in modernizing its legal code and opening the vistas of fuller and more gracious living to the footpad. The only question is: Has New Jersey been sufficiently generous? Is a ceiling of $200, in view of the swan-diving dollar, really adequate and in keeping with the training and risks involved in such as the purse-snatch racket?

We must always keep in mind that the underworld is not unionized. As the cost of living index creeps ever upward, no cost-of-living increase shows regularly in the petty larcenist's pay envelope, unless he is put to the trouble of stealing a handful.

Does $200 offer enough incentive to attract young blood and get embryo muggers out of the pool halls and away from detective comics long enough to do what, after all, can only be a small job to lads day-dreaming of Brinks

Maybe in these inflated times petty crime doesn't pay enough.

FLOODS RAVAGE MINNESOTA TOWN—Muddy flood waters from the Redwood River run down a street in Marshall, Minn., stranding autos along the way. A National Guard truck plows through the water during rescue operations. At least 200 families were driven from their homes.

EAST SIZZLES

Floods Cause Five Deaths

By The Associated Press

Most of the nation's eastern half awoke to another torrid day today after sizzling temperatures that set records yesterday.

At the edge of the swelterbelt, where hot and cold air clashed, there were severe thunderstorms and some tornado activity.

The Weather Bureau in Chicago said the mercury would nestle in the 90s for another day of hot and humid weather.

It was because of the torrid temperatures yesterday that Chicago and New York suffered power shortages. This occurred in the rush for air-conditioning relief.

Record temperatures were set for June 17 at Philadelphia, where it reached 98, Newark, N.J., Airport, 97, and New York City, 93. Chicago's 96 equaled the high for the date, established in 1887.

The hottest spot in the nation was Presidio, Tex., where a high of 108 was reported.

Forecasters said temperatures in the 90s would be repeated in the eastern half of the country.

The demarcation line of cool and warm air in the central portion of the country was peppered with thundershowers, which occurred from the Texas Panhandle northeastward through the central plains and the upper Mississippi Valley.

Swollen rivers and creeks, spilling from banks and gushing forth great walls of surging water, were fed by torrential rains over the weekend. Southwestern Minnesota and eastern South Dakota counted at least five deaths due to flooding. Communities in the stricken areas braced for further outpourings as tributaries poured new water into the Redwood River in Minnesota and the Big Sioux in South Dakota.

Farther south, in Hawarden and Akron, Iowa, farmers were warned to move stock from lowlands onto higher ground.

In Nebraska, fresh rain loaded the Blue River watershed and the river was rising at the rate of 2 to 3 inches an hour between Seward and Beatrice.

Funnel clouds were sighted in central Iowa late yesterday. One touched ground at Marshalltown, where it caused damage estimated at $10,000. There were no injuries reported.

Funnel clouds also were reported near Aberdeen, S.D., and northeast Nebraska.

'Sarah' Is Captured

MCALESTER, Okla. (AP)—A 52-year-old escaped convict told McAlester officers his name was "Sarah", but his ruse didn't work. Police Capt. Jess Henson said that Ben J. May, who escaped from the Oklahoma State Penitentiary here, was attired in a dress, scarf and cotton stockings when they captured him in a chicken pen.

Policeman Admits Lie

CHICAGO (AP) — The Pennsylvania Railroad was cleared yesterday in a $150,000 damage suit after a state policeman admitted in Circuit Court he had lied at a coroner's inquest.

Charles F. White, an attorney for the railroad, asked that the policeman, James Lindsay, be cited for contempt, but Judge B. Fain Tucker declined the motion since the false testimony was not given in her court.

The suit was filed by Rocco Spinazola, 44, of suburban Blue Island, a passenger with Lindsay in a car that struck the side of a Pennsylvania freight in April 1951, killing the driver, state policeman Millard Courtney.

Lindsay had testified at the inquest into Courtney's death that the men had not been drinking. But under cross examination, he admitted they had visited several taverns before the accident

Counsel For Army Planning To Marry

HARWICHPORT, Mass. (AP) — Joseph N. Welch, 66, Boston attorney who served as chief counsel for the Army in the McCarthy-Army hearings, announced yesterday he plans a summer or fall wedding.

Welch, a widower, will marry Mrs. Agnes Rodgers Brown of Chestnut Hill, a long-time family friend. Welch was a pallbearer at the funeral of her husband in 1956, the same year Welch's wife died.

Pensylvania Town To 'Let George Do It'

TITUSVILLE, Pa. (AP)— In this birthplace of the oil industry the city's official family has gotten into the habit of saying "Let George do it."

Last night the Council appointed George W. Becker to fill a vacancy as controller.

George also is city clerk, deputy director of accounts and finances and special tax officer. His combined annual income is $6,090.

Slaying Of Girl Is Admitted By Adopted Son Of Professor

HOUSTON, Tex. (AP)—The adopted teen-age son of a university professor told police he slashed his sweetheart's throat last night because she ended their romance.

Sandra Jean Maywald, 17, died seconds after the attack. Her nude body, almost decapitated by deep knife wounds, was found in the front bedroom of her home, partially covered by a bedspread.

Homicide Lt. W. C. Doss said Robert Edward Freeman, also 17, a University of Houston science student, telephoned police headquarters and told him: "I have just killed my girl friend Sandy. Please send me some help. I'm afraid of the neighbors."

Doss said he and Detective John Thornton found the boy sitting on a couch in the living room when they arrived, wearing blood stained blue jeans and T-shirt. He handed them a bone-handled pocket knife and showed them the body.

Freeman was charged with murder and jailed after making a written statement admitting the slaying.

"This is not our boy," cried Dr. L. E. Freeman, when informed of the youth's confession. "He is not reacting like our boy." Dr. Freeman, professor of secondary education at the University of Houston, said he and his wife adopted Robert, their only child, when he was a year old.

"He has been everything you wanted in a son," Mrs. Freeman sobbed later as they waited for a brief reunion with the youth at the police station. "He has had everything he needed. Sometimes things he did not need."

Lt. Doss said the youth told him he had been going with Sandra, a dark-haired June graduate of San Jacinto High School, since last October, but when he called for a Saturday date yesterday afternoon, she told him she was ending their friendship.

"She had broke off with me several times but I had always been able to talk her out of it," Doss quoted him as saying. The officer said the youth told him he went to the house last night to try and make her change her mind.

Patrolman W. C. Williams said the youth told him Sandra was wearing a bathing suit at the time of the attack, but he stripped it off later.

Dr. Jarred Clark, Harris County medical examiner, said his investigation showed the girl had not been sexually molested.

The youth said he planned to study for the ministry after finishing a science course.

Request Is Turned Down

WASHINGTON (AP) — A request for immediate new airline service between a number of Texas cities by Trans-Texas Airways yesterday was denied by the Civil Aeronautics Board.

Continental Air Lines had opposed the application. The carrier applied to serve between Abilene and Beaumont-Port Arthur by way of Brownwood, Austin and Houston.

Trans-Texas estimated it would increase its net operating income by $6,256 a year with two round trips a day. Continental said the service would divert $357,000 annually from its Austin-Houston runs.

The board said the issues should be resolved only after a public hearing.

Join Coast Guard And Beat The Heat

NEW YORK (AP)—Want to beat the heat? Join the Coast Guard.

Sailors on Coast Guard patrol boats in the North Atlantic are cruising through iceberg-studded seas. They are keeping an eye on ice that might threaten shipping.

The Coast Guard said ice conditions are still severe in the North Atlantic. About 150 icebergs and hundreds of smaller chunks have been spotted off Newfoundland in recent weeks.

German Is Homeward Bound On Sailcraft

MIAMI, Fla. (AP)—A 24-year-old German who worked at a boatyard here is homeward bound aboard a sailcraft which he designed along iceboat lines.

Wolfier von Schwarzenfeld, who departed yesterday, estimated it will take him 30 days to reach France. From there he plans to cruise north to Hamburg and then head for his Munich home.

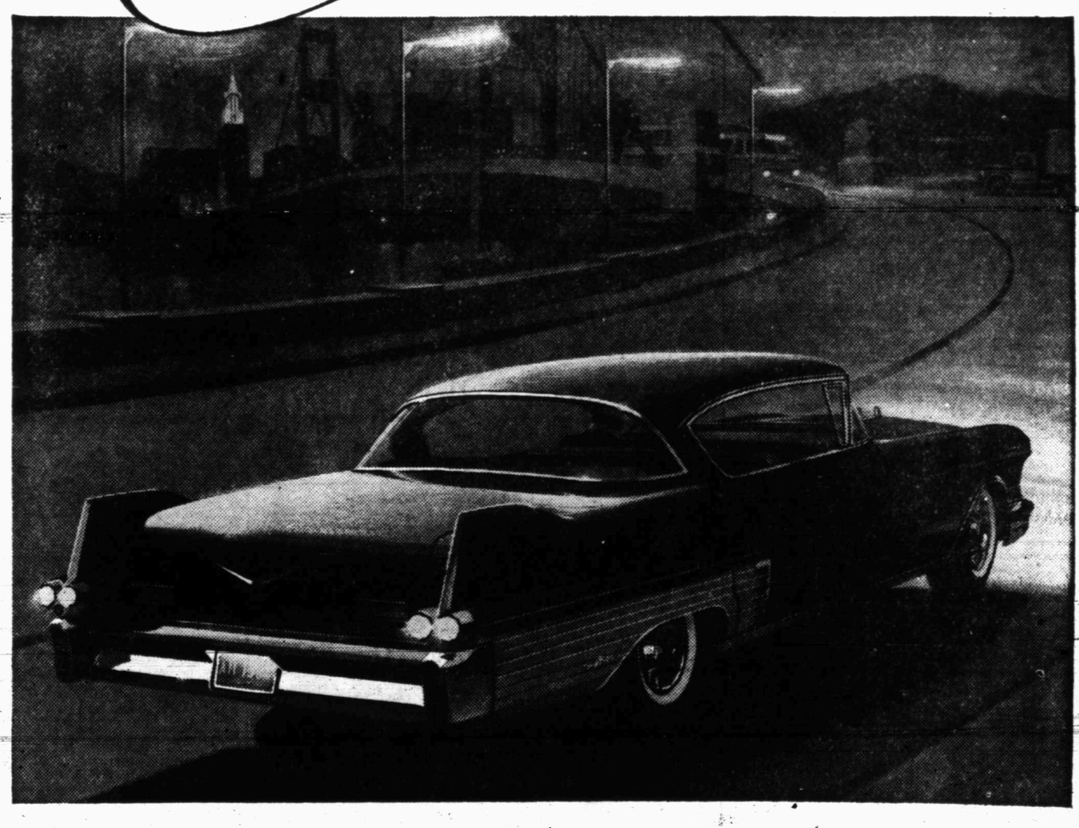

His boat is a two-master consisting mostly of a life raft in the middle of a triangular framework, with an empty gasoline can at each angle to provide floatation. He took along 50 pounds of food and 15 gallons of drinking water, plus navigation instruments.

Killed By Fan

CHICAGO (AP)—Gerald Smith, 17, was testing the motor of a jalopy in a junkyard when the radiator fan snapped off. A section of the blade pierced his stomach, killing him.

More Comfort Wearing FALSE TEETH
Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug counter.

Cadillac

Since Sun-Up...and Still Not Tired!

The sun gleamed low in the east when he set out on his journey this morning.

And here he is—well after nightfall—still going strong at the wheel!

If you have spent any time in a new Cadillac car, you can understand his reluctance to bring his day's journey to an end.

For the man who holds the wheel of this magnificent motor car is heir to the greatest satisfactions ever conferred on a motorist.

To begin with, the car holds him in superb comfort through even the longest day. Its seats are wonderfully soft and buoyant . . . and every imaginable convenience is in constant attendance.

Then, of course, there is Cadillac's almost unbelievable ease of handling. Starting, turning, stopping . . . the car seems almost to read his mind.

And, finally, there is the deep satisfaction he enjoys in commanding his *own* Cadillac car. For possession is nine points of the pleasure when your motor car bears the beautiful crest of Cadillac.

Little wonder, then, that he still finds himself at the wheel. For the miles ahead are always tempting—when the miles past have been so wonderful!

• • •

If you haven't as yet driven a new Cadillac, we urge you to visit your dealer soon.

A single hour is all you'll need to discover the magic of Cadillac's performance and the luxury of coachcraft by Fleetwood.
