

Highway Commissioner Harry Hines Honored With Banquet Monday

Over 200 people attended the Highway Banquet here Monday night given in honor of Harry Hines, chairman of the State Highway Commission. Mr. Hines, who was principal speaker of the occasion, brought greetings from the State Highway Commission of Texas and stated that it was his desire and the desire of the entire commission to see good highways built in every section of Texas where they are needed, and especially did he hope to see highways built here in West Texas, where they have so long been needed. Mr. Hines stated that he felt that West Texas had in the past been neglected in the road building program, but was assured that West Texas was now coming into its own.

Mr. Hines complimented the citizenship of Lamesa on its fine show of public interest in ever being on the alert and working for highways.

About 40 visitors were present from neighboring towns. The following towns were represented with delegations: Snyder, Breckenridge, Gail, Olney, Seminole, Hobbs, Carlsbad, Lubbock and Ackerly.

Carl Rountree was toastmaster and Sam Richardson introduced the speaker.

Mr. Hines came to Lamesa in the afternoon from Lubbock, where he had earlier in the day delivered the commencement address to the graduating class of Texas Technological College. After reaching Lamesa, Mr. Hines made a personal inspection tour of a portion of Highway 15.

More News About More People Helps Circulation Grow

Most readers take their newspaper as a matter of course. They look for it anxiously, devouring its contents as soon as it arrives, and raising a cry if they fail to get their copy. Yet they never stop to think what makes it so interesting to them.

Several times the past week we have had persons who were subscribing to The Dawson County Courier or renewing their subscription, tell us they like the Courier so well because it gives them more news than any paper they read. Just to satisfy our own curiosity, we checked the last week's issue of the Courier and found that 115 names were included in the various news stories and items it contained. Just think, interesting items about more than eleven hundred people in Lamesa and the immediate territory brought to you in one newspaper.

Further checkup revealed 27 distinct local news stories on the front page of this same issue. All those news stories were about Lamesa people, and people and happenings of this immediate area. To say nothing of the score of rural communities whose local happenings were recorded in our rural correspondence section on other pages. Nor the dozen of local social events, and about the same number of rural club-stories, and other miscellaneous stories.

Twenty-five people are employed to gather news of Lamesa and the surrounding territory for the Courier, and the determination of the publisher to give all the news it is possible to give, explains the often heard statement, "We like the Courier because it gives more news of local interest."

Former Lamesa Boy Weds In Big Spring

The following account of the marriage of a former Lamesa boy, taken from the Big Spring Daily Herald, will be of interest to his many friends here:

"Culminating a romance that began when the two met in Mrs. Sallie Thomas' boarding house, Miss Tribby McGee and O. Frank Johnson were married Monday evening at Mrs. Thomas' with most of the boarders in attendance. Mrs. Thomas herself, attired in a purple crepe gown for the occasion, was the matron of honor.

The Rev. P. Walter Henckell, rector of St. Mary's Episcopal church, who has frequented the dining room ever since his stay here, was the minister and read the double ring ceremony. Miss Edith Gay played the wedding march and Sherman Tingle was the best man.

"The bride, a stenographer at the Laytag company, has made her home with Mrs. Thomas for the past two years and was almost a daughter of the house. The groom had taken his meals there for the past year. She wore a frock of navy blue chiffon with white accessories and carried an arm bouquet of white gladioli, and he the conventional black.

"Mrs. Johnson was graduated from the high school at Ranger in 1931 and attended John Tarlton for two years. She is the daughter of Mr. and Mrs. J. McGee who live on the Sinclair lease near Coahoma.

"Johnson was reared by Mr. and Mrs. R. L. Westerman, parents of Cecil Westerman who were present for the ceremony. He is employed at the Cosden refinery.

"The Johnsons have postponed their wedding trip until the Dallas Centennial exposition opens. They are making their home at Mrs. Thomas'."

LAYMEN'S DAY AT METHODIST CHURCH

Sunday, June 14, which is Father's Day, has been designated as Laymen's Day at the Methodist church here, according to an announcement by Rev. M. M. Beavers, pastor. The day of worship will be given over to the laymen of the church and their activities. Every man in the church is especially urged to attend services on that day.

Golf Tournament To Be Held On Local Course Next Week

Officials of the Lamesa Golf Club have announced a golf tournament for next week to be competed in by members of the club and their immediate families.

Qualifying rounds are to be played this week and scores must be turned in by Sunday night, as tournament play is to begin Monday and will continue throughout the week.

There will be two flights for the adult members and also a flight for boys and girls. Prizes will be awarded to the medalist, winner of the first flight and runner-up in this flight. The winner and runner-up in the second flight and also the junior flight will also receive prizes.

Members who intend to enter should do so at once and play their qualifying round as soon as possible and turn in their scores so they can be placed in their proper flight and paired off then tournament play can begin on schedule Monday.

The Odessa golf club team came to Lamesa last Sunday and played a match with a team of local golfers. The teams were evenly matched and the score stood at 20 points each when the afternoon's play was concluded.

Former Residents Visit Friends Here

Mr. and Mrs. William A. Wilson and family of Olney were visiting friends in Lamesa the first of this week. They are former residents of this city. Mr. Wilson serving as Secretary of the Lamesa Chamber of Commerce for nine years. He resigned the first of the year to accept a similar position in the city of Olney.

Mr. Wilson was on his way to attend the state meeting of C. of C. managers to be held in Lubbock this weekend. He arrived in Lamesa Monday in time to be present at the banquet given by the local civic organizations in honor of Highway Commissioner Harry Hines.

Mr. and Mrs. Wilson have many friends in Lamesa who enjoyed their visit here and hope they will return frequently.

Texas Centennial Opened With Gusto Last Saturday

The much heralded and widely advertised Centennial celebration of Texas' one hundredth year as a sovereign state, opened in Dallas last Saturday with a record breaking crowd which passed even the fondest hopes of its most optimistic boosters. With a crowd of 117,625, it fell only 375 short of equalling the opening day at the Chicago Century of Progress in 1934.

The highlight of this week's program for the exposition will be the personal appearance of President Franklin D. Roosevelt at the Centennial on Friday, June 12, when he will make an address in the Cotton Bowl, which holds 50,000 people. This is expected to draw a record crowd to the grounds.

Several Lamesa people have already attended the exposition, while others are planning a trip there in the near future.

SEMINOLE MAN DOESN'T WANT TO MISS PAPER

A Seminole man gets the record for paid in advance subscriptions to the Courier, paying his subscription into the nineteen forties. The following was received from Mr. P. W. Dalmont: The Dawson County Courier.

Seminole, Texas, June 1, 1936

Dear Sir: Enclosed please find check for \$2.00 which please place to our subscription credit. We enjoy the Dawson county paper very much. Thank You.

Yours truly, P. W. Dalmont.

INTEREST IN LIBRARY GROWING

Interest in the library is growing and the enrollment is growing daily. The cooperation of the public is splendid. Books are still coming in. Bring the ones you have and help fill the shelves again.

About one hundred books have been mended since the reopening of the library. There have been 243 books checked out since June 1.

MARRIAGE LICENSES

Marriage licenses issued during the past week by the Dawson County clerk were to: C. E. James, Lamesa, and Miss Hazel Webb of Munday, Texas; Emmett Young and Miss Valera Vestal of Welch; Elton Busby of Brownfield and Miss Onieta Blanton of Munday; William Roy Gates and Miss Bonnie Williams of Lamesa.

City Band Concert Every Tuesday Night

A nice size crowd enjoyed the weekly band concert given by Conway King and his Lamesa Band at the band stand on the court house lawn Tuesday night. Although a severe duster had passed over the city about the time for the concert to begin, it did not keep the attentive audience away.

These summer concerts are a real treat these warm nights and Mr. King and his musicians are to be commended for their efforts to entertain the citizens. There will be a concert each Tuesday night throughout the summer when weather permits or Mr. King is not out of the city. Come out and enjoy them.

McCarty Youth Injured When Car Strikes Culvert

Finley Woodul, of the McCarty community, miraculously escaped fatal injuries early Sunday night when the car he was driving struck a culvert on Highway 9 just south of Lamesa, and overturned.

The youth apparently had gone to sleep at the wheel and the car left the road resulting in the accident. Except for some painful lacerations and bruises about the face and head he was not injured by the spill. A passing motorist brought him to a local hospital where his wounds were treated and he was able to return to his home Monday morning.

The car, a new Ford V-8 coupe was damaged considerably. There were no other occupants of the car at the time of the accident.

City Swimming Pool Mecca of Sweltering Crowds Last Sunday

Although the formal opening of the city swimming pool, as announced recently, was postponed when it was found impossible to complete improvements in the pool on schedule time, the swimming season was on in full swing Sunday, when over 250 persons passed through the turnstiles.

The pool was cleaned out Monday and fresh water run in, 32,000 gallons being required to fill the tank. This will be done at least once each week throughout the season.

Plans are perfected for a water carnival Friday night, June 12, and contests in swimming, diving and stunts will be engaged in. Local swimming fans will act as judges and prizes will be awarded to winners in the various events.

A water polo team is being organized and match games will be played with other towns later in the season.

H. D. REPORTERS TO MEET

The meeting of the newly organized H. D. Club Reporters group will be held June 13 at 2:30 o'clock at the City Park in Lamesa. Every member is urged to be present.

Filing For County Offices Will Close Saturday, June 13

The heat of the June sun will be augmented next week with the heat of the coming political campaign, which is due to begin in earnest with the closing of filing period on this Saturday.

The early candidates who have only been prancing around the starting post, will break into a dead run next week when they have been given their positions and will know for sure who they are to have for opponents. We can expect the air to be cluttered up with bursts of oratory, campaign promises and suggestions for saving the world.

M. Q. Martin announces that Monday the county executive committee will meet in the district court room and check the filings of candidates and assess each their share of the expense of holding the elections. He reminds those who have may be contemplating entering any county race that Saturday is the last day to file your intention with the executive committee of which he is chairman.

Old Age Assistance Investigator Here

G. A. Barnett, state and federal investigator of the Big Spring district for the Old Age Assistance program, arrived in Lamesa last week and is busy interviewing applicants for the pension in this county.

There are 500 applicants in Dawson county and last week Mr. Barnett completed investigation of more than 150 cases. Others whom he called on did not have all necessary information available and necessitated a return call. He expects the work will not be completed before the first of July.

Mr. Barnett asks all applicants who did not give complete and exact addresses on their original application to please get in touch with County Judge Yonge immediately and leave their address with him so as to speed up the work of the investigation.

MORRIS McILROY TO OPERATE HUB SERVICE STATION

Arrangements have been made this week by Bryant Fulkerson, Cosden agent here, whereby Morris McIlroy will be manager of the Hub Service Station. Cosden products will be handled exclusively and a bulk station will be operated in connection with the retail by Mr. Fulkerson.

FUNERAL SERVICES FOR BILLIE CARYOL DUNCAN

Billie Caryol Duncan, infant son of Mr. and Mrs. F. P. Duncan of the Hancock community died May 30, and funeral services were held that afternoon in the home, with Reverend Foster officiating. Interment was made in the Hancock cemetery.

Besides his parents, he leaves one brother, Floyd Lewis and a sister, Juanda Jean to mourn his passing.

Veterans Of Dawson County Will Receive Bonds Next Week

The following information has been given out by the local postal authorities in regard to the Veterans' bonds which are expected to arrive in Lamesa next week:

"These bonds will be mailed in a registered letter and must be delivered to the addressee only. They must be signed for by the person to whom they are addressed, regardless of the fact that they may be mailed in care of some other person or institution. They must be delivered to the addressee only.

They will be delivered through the regular channels, through the City Carriers, the Rural Carriers and of course at the Post Office but will not be delivered on the Star routes. If you live on a Star route you will receive proper notice and if you will bring your notice to the Post Office we will deliver your bonds with the proper identification. Remember you must be properly identified in order to receive from the carrier or the post office.

"After you have received the Bonds and you want to turn them in for payment, bring your bonds and when properly identified, make request for payment and they will be certified to before the proper authority at the Post Office and the same will be registered back to Dallas which is the paying office for Dawson county and then your check will be mailed direct to you by ordinary mail with no restrictions on delivery.

"If necessary, we will have an office just across the street in the National Farm Loan Office and there will be proper authority there to take care of those who might not be able to get immediate service at the Post Office. The Post Office will not close Wednesday afternoon, June 17, as heretofore, in order to take care of those who might want to make request for payment of their bonds.

"The Post Office Department is very anxious to give service in the payment of these bonds and the local office force is prepared to take care of you if you will just give your hearty cooperation and follow the above instructions.

"We suggest that you re-read this and be sure that you understand the instructions and then per chance there are those who do not read the papers, you will be able to explain to them the instructions."

(Signed) Owen C. Taylor, P. M.

Funeral For Mrs. Dearmon Held At Pride Tuesday

Funeral services were held Tuesday afternoon at Pride for Mrs. J. C. Dearmon, who passed away at her home in Seminole at an early hour Tuesday morning.

Mrs. Dearmon was born in Lecon County, Texas, July 8, 1898, being almost thirty-eight years old at the time of her death. Reverend Markman of Seminole, assisted by Reverend Braswell officiated at the services and the body was laid to rest in the Pride cemetery.

The deceased is survived by her husband, J. C. Dearmon, and one son, Alfred Vernon; two brothers, Geo. Reinhardt of San Antonio, and John Reinhardt of Flagstaff, Ariz., and one sister, Mrs. Mary Hays of this city.

Mrs. Dearmon is well known in Lamesa having lived here formerly, and has a host of friends who will mourn her passing.

INTEREST GROWING IN CHRISTIAN CHURCH REVIVAL SERVICES

The revival meeting, which is in progress at the Christian Church, at the corner of Houston and N. Second streets, has grown steadily in interest since its opening night last Monday week.

The preaching is being done by Rev. I. L. Townsend, a former pastor of the local church, now a resident of Las Cruces, N. Mex. Rev. Townsend is bringing some real gospel messages to the congregations at each service, and is leading the church into a higher plane of Christian service.

The series of services will continue at least throughout this week and may be carried on into next week. Services are held twice daily, at 10 a. m. and 8:00 p. m. You are invited to attend any or all of these meetings.

Adult Education Work Expected To Continue Indefinitely

E. E. Kerr, district supervisor of Adult Education held a conference with six of the seven teachers employed in this project Monday afternoon at 3 o'clock. He has recently been in an executive meeting with Dr. Jackson, the state director, at San Antonio, and he tells us he is greatly encouraged regarding the movement in Texas.

There has been a demand for a typing and bookkeeping class, combined with Business English and the addition of a teacher for this particular work is anticipated at an early date.

Any community in the county desiring a teacher for a chosen work may make application to Miss Pauline Bulsterbaum, county superintendent. She is sponsoring the work and will assist in helping secure teachers as quickly as possible.

Dawson County is particularly fortunate in having Mr. Kerr as district supervisor. He is familiar with the work, and has the interest of this most worthwhile project at heart. He adheres closely to government regulations, always urging greater enrollment, more regular attendance and most efficient service, but he is ever ready to listen to difficulties that arise and ready to help work out plans for gradual improvements without hasty decisions.

VISIT THESE INTERESTING
CENTENNIAL CELEBRATIONS
(June 8 through July 4, Revised to June 11)

Texans are seeing Texas during
CENTENNIAL YEAR!

Centennial year is not only an opportunity for Texas to be host to millions of visitors from other states. It's a year for Texas to travel Texas and know their own state!

For real vacation pleasures Texas is unsurpassed anywhere. We have mountains, seashores, missions, foreign atmosphere, pine woods, gay night life in our metropolitan cities, historic places, unexcelled golf and fishing—every attraction you can find anywhere, right here in our own state.

Millions of Texans are seeing the big exposition at Dallas, then driving on to various other parts of the state for other equally interesting Centennial Celebrations. The Texas Centennial is state-wide. See all of it that time permits.

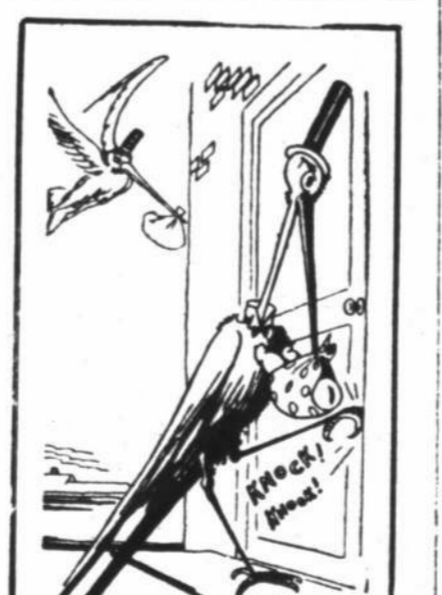

Read the calendar of interesting Centennial events at the right. Write the various chambers of commerce for complete information at cities you are interested in.

For a real vacation—
Texas. SEE TEXAS!

Good Night's Sleep Important To Life

Austin, Texas—Sleep is a necessity of life and health, and habitual loss of sleep will tend to retard the body's recovery from the fatigue of the day's activities, advises Dr. John W. Brown, State Health Officer.

"The average healthy adult," he said "spends about one-third of his life in sleep. Far from being a waste of time, this one-third of your life spent in restful sleep will make possible a happier, healthier, and longer life.

"We may be able to go without sleep for a night or two, but too little sleep for a prolonged period will undermine the health of a rugged person and turn a cheerful individual into a cross, irritable one. When good health can be maintained to such a large degree by merely sleeping and thus allowing overtaxed bodies and minds to regain a proper balance, it is hard to understand why so many persons are heedless of this necessary requirement of a balanced program of life.

"Some individuals need more sleep than others, and the most valuable experiments in this line are the ones each person makes on himself. We must each take into consideration in this experiment, however, that how well we sleep is as important as how long we sleep. A good night's rest means a sufficient number of hours spent in sleep to enable each individual to feel well, do efficient work, and to keep in a cheerful humor the next day.

"Some exercise out of doors each day will help us to sleep soundly at night. We must also have fresh air in our sleeping quarters. Give as much consideration as possible to the comfort of your bed and bedclothes. Do not mull over your problems and ideas after you have gone to bed. Make your night's rest by slowing down for a good physical and mental work of your daily life. When you arise each morning, rested and with a feeling of general well being, you will be amply repaid for your thought in planning a good night's sleep."

homes anywhere all the comforts and conveniences that have made the famous gas-operated Electrolux the choice for finest city homes and apartments. This ideal farm refrigerator insures perfect food protection at all times... all the ice cubes you want... new delicious frozen desserts... greater freedom from kitchen work.

Nor is that all! Electrolux runs for only a few pennies a day! One filling of the tank lasts a week or

more. Owners find that Electrolux actually pays for itself with its big savings on food bills and on refrigerating cost.

Electrolux is able to operate so efficiently because of its simple refrigerating principle. It has no moving parts to wear. A wickless glow-type kerosene burner does all the work... eliminates depreciation due to moving, wearing parts. Electrolux requires no daily attention... needs no water. Write today for free literature.

QUICK FACTS ABOUT ELECTROLUX

SHUMAKE HOME DEMONSTRATION CLUB

"The garden insects come under two classes, the biting and the sucking kinds," said Miss Mattie Phenix to the Shumake Home Demonstration club at the home of Mrs. A. B. Maxwell, June 3.

A contact insecticide will destroy the sucking kind but one must use a stomach poison for the biting kind.

In the absence of the president, the vice president, Mrs. Brandon, took charge of the business meeting. Following the business session Miss Phenix told the members how to rid their gardens of insects.

There was also a shower of lovely and useful gifts for Mrs. Elbert Green who is in the sanatorium at Carlsbad.

Refreshments of punch and jockies were served to about twenty five ladies. Club will meet at Mrs. I. J. Brandon's home, June 17.

WILSON H. D. CLUB HAS BUSY WEEK

"Fullers Earth is used to remove the greasy ring of dirt which collects around your husbands hat band," said Mrs. Craddock wardrobe demonstrator of the Wilson Home Demonstration club in the meeting which was held in the home of Mrs. J. B. Anderson on the 2nd of June. Mrs. Craddock gave a demonstration on removing spots and stains from clothing.

The club met again in the same home Thursday afternoon, June 4. The topic for discussion at that time was the training of delegates for the short course. After the meeting had adjourned, the members spent the remainder of the afternoon quilting.

Mrs. Fred Norris is to be the delegate to the short course from the Wilson club. Mrs. Bonnie Roberts was elected assistant secretary.

Our next regular meeting of the club will be with Mrs. R. G. Murphey on June 18 at three o'clock. Miss Phenix, county agent, will meet with us.

Over twenty members were present for the last meetings. Mrs. Forrest Anderson and Mrs. Floyd Spencer were guests on Thursday afternoon. Refreshments of cake and punch were served.

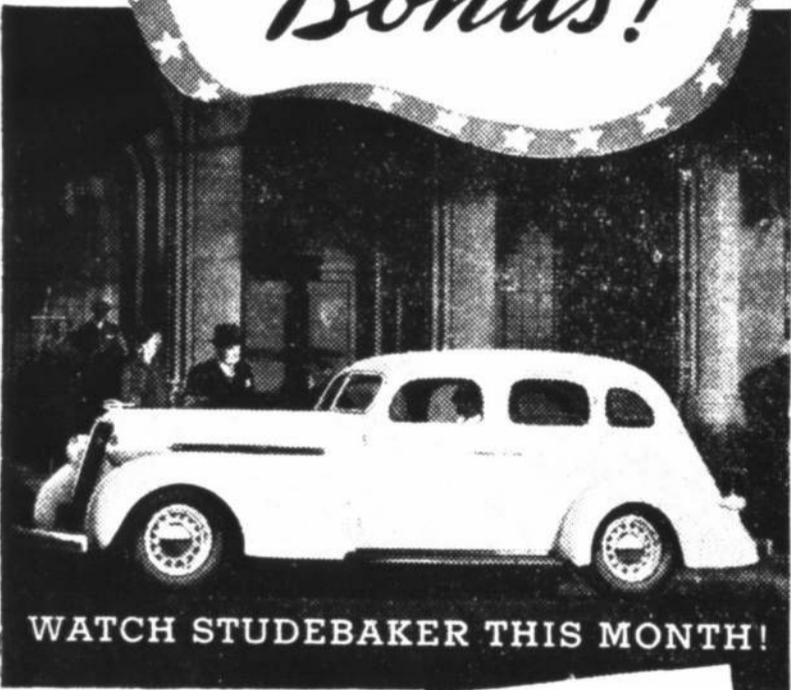

Mrs. C. Jobe, reporter.

If you want to save money... if you want to stop knocks and end the power-loss of overheating in hot weather... give your car a load of the coolest power you've ever had pumped into your gas tank.

Phill-up with Phillips 66 Poly Gas! This sensational gasoline has always led the parade in matching motor fuel to weather—your weather, as scientifically determined by U. S. Weather Bureau standards. And it is still tops in the field of custom-tailored gasoline, bar none.

In addition, every gallon is now enriched

with extra energy units by the scientific POLYMERIZATION process. This steps up the power-output of your engine. Less fuel does more. Obviously mileage is definitely increased.

Any way you look at it, Phillips 66 Poly Gas is a wonderful summer gasoline, a great value. Livelier. Smoother. Cooler. More powerful and economical.

One tryout tankful will give you all the inside facts. Your own motor will prove the hot weather benefits of this cost-cutting gasoline, now winning new customers at the fastest rate in its history.

FAIRVIEW CLUB NEWS

The Fairview club girls met in the home of Mrs. J. E. Towns on June 2. There were eight members present.

The ladies home demonstration club entertained the club girls, which was enjoyed by all who were present.

At our next meeting which will be held June 16, in the O. A. Anderson home, each girl is to select a piece of furniture to refinish.

WELCH H. D. CLUB

The Welch Home Demonstration club met Wednesday, June 3 in the home of Mrs. King Preston. During the business hour, the club elected Mrs. Speck Preston as delegate to send to the short course. We also decided to have a pie supper on Tuesday night June 16th at which time there will be a candidates' speaking. Every one is cordially invited.

Mrs. Vas Preston, Reporter

SPARENBERG H. D. CLUB

Mrs. L. B. Stewart was hostess to the Sparenberg Home Demonstration Club Friday afternoon, June 5. The meeting was called to order with ten members answering roll call. Several routine matters were attended to in the business meeting. We decided to have a judging of our dresses at our next meeting which will be June 19th. Those who are making dresses for the contest are urged to have them ready by that date.

Mrs. Stewart brought us a report from the council meeting. At the conclusion of the meeting the hostess was assisted by her daughter, Miss Ruth Lee and Mrs. Gammage in

servicing a delightful salad plate. Our next meeting will be at the home of Mrs. J. M. Trice. Miss Phenix will be there to give us a demonstration on kraut making, so everyone interested in this work be sure to come.

Mrs. Turner, reporter.

HANCOCK H. D. CLUB

The control of diseases and insects in vegetable gardens was taught to members of the Hancock Home Demonstration Club by the agent, Miss Mattie Phenix, at their regular session Thursday. Bordeaux mixture, Black Leaf 40 and calcium arsenate in their various uses were demonstrated in an interesting manner, and photographs were passed about during the class for study.

After song and prayer, Mrs. S. B. Hodge presided over the business session when reports of the last council meeting were heard. Mrs. Ralph Ransan reported the proceeds from the club play and the club voted to raise funds to help send the two council delegates to the short course.

Mrs. Moore was appointed hostess to entertain the 4-H club girls at the next meeting, and Mrs. Beckham was put in charge of the program.

WILSON 4-H CLUB

The Wilson 4-H club met with Mary Jo Anderson with eight old members and the sponsor and one new member. Mrs. E. L. Craddock taught the girls two new stitches they may use around their dresser scarfs. She also showed some material use in buying their scarfs. They learned how to cut the corners to hem them.

The club girls planned a weenie roast for Thursday night, June 18. We are going to have a social at the school house Friday night, June 12. Each one is to bring a penny for each inch you are around the head.

After an hour of work, they were served koolade and cake.

Reported.

PATRICIA W. M. S.

The ladies of the Patricia W. M. S. met Wednesday with Mrs. Jamar. The subject of the program was the Retired Ministers. A nice collection was given to the fund for these pioneers.

Next Wednesday we will have the first lesson in the Royal Service. Every lady in the community is urged to be present.

Reported.

FAIRVIEW

There were forty members at Sunday school besides a few visitors, Sun-

day morning. We are always glad to welcome visitors.

Stamford Cowboy Reunion July 2-3-4

Stamford, Tex.—Although there will be many worthwhile attractions on the program of the Seventh Annual Texas Cowboy Reunion to be held in Stamford July 2, 3, and 4, the chief entertainment feature of the Reunion will be the rodeo, featuring the cowhands from the ranches.

Word has been received from numerous contestants and visitors of former years that they will be on hand this year when the gates swing open on July 2. In addition many Centennial visitors to Texas are expected to visit Stamford during the Reunion to witness a rodeo that has been classified as an authentic survival of a typically Western institution. Former years have seen crowds of 50,000 and 75,000 visitors here during the three days. This year conservative estimates place the attendance at an even greater figure.

Seven rodeo events are on the card for this year's show. Three rodeo performances will be held each day during the Reunion—morning, afternoon and night.

WOODMAN CIRCLE DISTRICT MANAGER HONORED

State attendant and district manager, Mrs. Tressie Goldsticker, of Stamford, has been awarded a free trip to the Woodman Circle regional meeting at Hollister, Missouri, according to word received here from National Woodman Circle headquarters at Omaha, Nebraska. The award was won as a result of her success in securing Woodman Circle members in a nation-wide campaign.

More than one thousand members are expected to attend the meeting, including a delegation of several hundred Texans. Other states to be represented are: South Dakota, Oklahoma, North Dakota, Nebraska, Missouri, Minnesota, Louisiana, Iowa, Colorado, Arkansas and Wisconsin.

The high lights of the meeting will include field day and Woodmen Circle demonstration number of Texas officers and drill teams will attend. Next year it is hoped that one of the local members will accompany Mrs. Goldsticker. There are a number of the members going to try to win a free trip by securing members.

Mrs. Goldsticker has done some wonderful work in the Circle and she is to be congratulated on this award.

NATURE'S TINY DAMS STOP FLOODS AT GRASS ROOTS

Flood control begins at the grass roots, say soil conservation men in the United States Department of Agriculture. What they mean is that run-off should be controlled from an entire watershed; from the crest of the hills right down to the mouth of the rivers.

In the uplands, at the headwaters of all streams, nature, if undisturbed, retards run-off by throwing across practically every foot of land under forest or grass cover—a maze of 'slow,' 'stop' and 'detour' signs, an interlocking system of tiny dams. A dead leaf, a blade of grass, or a root tangle stops a raindrop from running—changes its direction again and again, makes it creep away. Floods are made up of raindrops infinitely multiplied and brought together in a hurry.

Farmers are adapting nature's method of flood control when they keep their fields rough and plant soil-holding water-impeding crops. In contour farming each furrow, each tiny harrow scratch, becomes a small dam or terrace—doubly effective when reinforced by grass cover.

Department conservationists do not offer 'flood control at the grass roots' as a substitute for dams and spillways farther down the valleys. They offer it as a reinforcement, because it makes
