Kitty's Korner

By Kitty Montgomery

I was appalled to pick up a morning newspaper late last week and learn by big black headlines that the junior senator from New York, Robert Kennedy, advocated giving blood to our enemies in North Viet Nam. What a boost it must have been to the Vietnicks to have a respected man holding one of the highest honors in his state take such a stand in their favor. He said, and I quote "it would be in the best American tradition."

As far as I can remember in American history, those who aided the enemy were either hanged or shot. However the learned gentleman in question may have studied some other history book.

Good grief! The next thing you know, some darn fool will be starting a drive to send guns and ammo to the poor down trodden Viet Cong. After all they are only communists who want to take over the world.

Congratulations to Billie Rose Whitehead on winning a second place red ribbon at the State Fair in Dallas for her crocheted afgan. She won a first place at the Fat Stock Show in San Angelo in the spring. It is an unusually lovely piece of work, put together with an allover fan motif; each fan is banded with three shades of blue on a white background. Billie Rose said it took over a year to make, working on it in her spare time. She plans to enter it in the needlework and sewing division of the San Antonio Fat Stock Show early next year. We wish her all the luck in the world.

In case you wondered why the flags were flying Sunday from the new park flagpole and in front of the Stockman office, water office and Hiway Cafe, it was in salute to Americanism Day, sponsored by the Jaycees, and a thumb-to-the-nose for the left-wing groups who are spending their worthless energy in un-American demonstrations while our fine young men are fighting and dying in Viet Nam for the ideals of freedom.

— k k —

Best Wishes to the Johnny Johnsons, who are moving to San Antonio where Johnny has accepted a position with the Chamber of Commerce in that city. Johnny is an ambitious young man who feels that in his new position he will have a chance to advance in his chosen field and nobody can blame him for that.

We feel, along with many others, that the Ozona Chamber would do well to pick one of its own when it gets around to naming a new C of C manager. Lack of water, transportation and labor force rules out the possibility of industrialization in any large scale. So for the job of promoting harmony in the business community and boosting Ozona, where in the world but Ozona would you find a more logical choice. I personally think Willie V. Baggett did a terrific job holding down the office until the first manager was imported, and I'm hard put to think of a more enthusiastic Ozona booster.

Johnny Johnson

Johnson Accepts Post With San Antonio C of C

Johnny Johnson, manager of Ozona Chamber of Commerce for the past six months, resigned this week to accept a position with the San Antonio C of C.

Johnson will be assistant manager of the Tourism Department. He is replacing Harold D. Robbins who resigned in order to accept the position of Director of Public Relations for the HemisFair to be held in San Antonio in 1968. Johnson's duties will consist of developing tourist attractions in and around San Antonio, and entertaining groups of tourists.

Mr. and Mrs. Johnson and their son Jeffery, moved here from Morton, last June. They purchased one of the houses at the air base and planned to make Ozona their home for some time.

"We sincerely regret having to leave Ozona, we have enjoyed the town and the people," Johnson said, "but an opportunity like this doesn't come along every day and we felt we just couldn't turn down such a wonderful chance for advancement and financial gain."

Mr. and Mrs. Nip Blackstone will leave Ozona next week for their new home in San Saba. They have purchased a stock farm along the San Saba River near there.

115 Award Made For Outstanding 4H Achievement

Two hundred and fifty 4-H members and guests attended the annual 4-H Fall Awards Program in the Civic Center last Saturday evening.

Leland A. Turner, Assistant Agricultural Agent with the Santa Fe Railway System in Amarillo was the speaker. One hundred and fifteen awards were presented to 4-H members for outstanding achievements over the past year in 4-H project work.

A special gift of appreciation went to Mildred North, official 4-H photographer, for her work with the 4-H club program in the county. Outstanding honorees receiving awards were the 1965 Gold Star winners, Rex Bland and Janie Edgerton, and David Jacoby, winner of a Santa Fe Educational Award and college scholarship. Local 4-H adult leaders presented the awards to 4-H members.

Winners of 4-H awards were as follows: State Range Judging Team Medals: 2nd team in state contest, Alton Everett, Pat Fitzhugh, Jesse Deaton, Diana Deaton, and a 3rd high individual medal to Alton Everett; 3rd high team in state contest, Cydnie Whitehead, Eugene Vinson, Kathy Williams, and Fred Deaton.

Record book winners, county and district: David Jacoby, Larry Williams, Janie Edgerton, Enemencia Diaz, Mary Francis Martinez, Thelma Edgerton, Steven Hubbard, Kathy Williams, Fred Deaton, Freddy Vela, Bettina Martinez, Cydnie Whitehead, Diana Deaton, Jerry Reinberg, Melissa Zapata, Richard Reinberg, and Mary Jane Martinez.

Agriculture: Mike Baker, Bill Edgerton, Eugene Vinson and Jeffery Stuart.

Conservation: Pat Fitzhugh, Kathy Williams, Alton Everett, and Steven Hubbard. (Continued on Last Page)

Former Pastor To Preach At First Baptist Revival

First Baptist Church will hold a fall revival beginning next Sunday. Rev. Glen Edwards, pastor of the First Baptist Church in Pecos, and former pastor here, will be the evangelist. Thomas Sims, high school choral director and music director at the church, will lead the singing.

Rev. Edwards was pastor of the First Baptist Church here in Ozona from 1947 to 1949. He left Ozona to accept a pastorate at Grandview, and from there went to Edinburg where he was pastor until accepting a call from the First Baptist in Pecos. He has served at Pecos for the past eight years.

A graduate of Howard Payne College in Brownwood, Rev. Edwards attended Southwestern Seminary in Fort Worth.

Services will be held each evening at 7:30; coffee will be served each morning at 10:00 followed by a short devotional and a visitation period. The revival will continue through Sunday night, November 21. Everyone is cordially invited to attend.

\$8 MILLION PROGRAM —

Rio Pecos Plant WTU to Undergo Major Expansion

A major expansion at the Rio Pecos Electric Generating Plant in Northwest Crockett County was announced today by West Texas Utilities Company. The generating capability of the plant will be increased to more than 2½ times its present size.

The \$8 million construction project was announced by Roff W. Hardy, WTU President, who cited this new construction as evidence of the company's continued planning and building to provide power for West Texas growth and development.

Hardy said, "While we are still working to complete the second unit of the new San Angelo power generating station, our Engineering Department has been busy on plans and designs for this new generating facility at the Rio Pecos Plant."

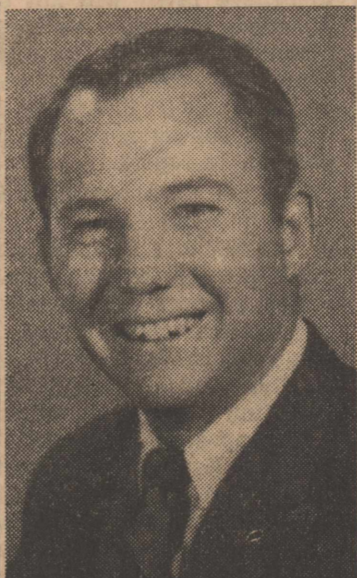

The new unit, to be added to the Rio Pecos station which is located seven miles west of McCamey, will be a conventional reheat steam turbine-generating unit. The unit will have a capability of 95,000 Kilowatts and the steam turbine is being designed for operation at 1,450 pounds pressure per square inch and at 1,000 degree temperature and 1,000 degree reheat temperature.

John Hutchinson, Vice-President and Chief Engineer said that engineering design was being done by Bechtel Corporation of San Francisco, California in conjunction with WTU's Engineering Department.

Construction for the new unit is scheduled to begin in June, 1967 with the target date for completion in May, 1969. According to Hutchinson the major items for the plant, the steam turbine-generator and the steam boiler, have just been purchased.

The Rio Pecos plant was originally built in 1927, with new units being added in 1954 and 1959. Currently the plant has a generating capability of 59,500 KW and is operated by a crew of 27 employees under the direction of J. A. Carroll, Plant Superintendent.

Joe W. McMullan

Ozonan Enrolled In Foreign Trade School In Phoenix

Joe W. McMullan, son of Mrs. Ashby McMullan of Ozona, is now enrolled and taking postgraduate work as a member of the June 1966 class of the world-famed American Institute for Foreign Trade, Phoenix, Arizona.

McMullan is a graduate of North Texas State University, Denton, Texas, where he majored in History.

The objectives of the American Institute for Foreign Trade, an affiliate of the American Management Association, a specialized graduate school, is to prepare students to participate usefully and productively in world business and in organizations operating internationally. Over 1500 graduates are currently stationed abroad in over 30 countries as representatives of American business, service organizations or the government. Almost the same number are stationed in the United States, either in training for assuming duties abroad, or as executives in the international divisions of companies employing them.

Junior Gridders Win Two, Lose 1 In Season Finale

Football season ended last Thursday afternoon for the Junior High Cubs and Lion B in a triple header with the Eldorado teams. Cub seventh graders remained undefeated with a 6-0 win, eighth grade Cubs took a 28-8 pasting and the Lion B chalked up a 32-7 victory.

In the first game, the little Cubs held the Eldorado crew scoreless. Fine defensive playing on the part of the seventh graders kept the little Eagles behind the line of scrimmage the biggest part of the game and they never did penetrate Cub territory. Penalties plagued the Cubs in the first half and wiped out one touchdown. Quarterback Jim Montgomery passed to Halfback David Pagan for 25 yards and set up the score. Pagan went over from the 3 on fourth down, but a penalty wiped out the score and returned the ball to the 20. At the half the Cubs had the ball six inches from the Eldorado goal.

Going into the second half with a 0-0 score, the Cubs got on the scoreboard in the fourth quarter after a sustained drive down field, fullback Phillip Perner carrying from the 1 yd. line for the only score of the game. The try for extra points was no good.

Eighth grade Cubs made a much better stand against their Eldorado counterparts than earlier in the season, allowing the Eagles only one score in each quarter. The score was 14-0 in favor of (Continued on Last Page)

Ten Seniors Wind Up Grid Careers Friday Night Against Rankin

Ten OHS Seniors will be playing in their final football game tomorrow night when the Lions host the Rankin Red Devils and wrap up the 1965 campaign. The Lions need a victory to assure themselves a tie with Eldorado for second place in the nine-member 8-A District. Kick-off time at Lion Stadium is 7:30 p. m., with pre-game activities to begin at 7:15.

Concluding their high school football will be co-captains Larry Williams, Pon Seahorn, David Lewis, and Billy Carson. Six other senior squad members are David Jacoby, George Parker, Jesus Tijerina, Charles Faris, Mike Prater, and Sandy Stokes.

A victory over the Red Devils would give the Lions a season record of 7 wins and three losses and 6 and 2 district record. The three Ozona losses came on two 12-14 squeakers and the 0-14 loss to the powerful Sonora 11, the 1965 District 8-A Champions.

The 1965 Lions have used a powerful and balanced attack and a rock-ribbed defense along with spirited determination to push to six wins. New Lion Mentor Sam Mosley and assistant coach Bill Gerber began the season with only one returning regular on the forward wall.

The spark plug of the Lions' offense has been Geo. Cox, 160 pound junior halfback. Perhaps the fastest back in District 8-A, Cox has rushed for 1,180 yards on 137 carries — an average of 8.6 yards per carry. Randy Upham, another Jr. halfback, has added 480 yards on 88 rushes for a 5.4 average. Cox has gained 315 yards on 13 catches, a pass receiver, and Pon Seahorn has nabbed 30 passes for 370 yards. Billy Carson has completed 33 of 58 passes for 380 yards and 2 TDs, and Randal Clepper has hit on 10 of 15 passes for 219 yards and 3 TDs. Seahorn has completed 3 passes for 101 yards. Two of Seahorn's three completions were for touchdowns.

The Lions offense is expected to get its sternest tests of the season tomorrow night against Rankin. The Rankin team has played good ball all season and were not badly mauled in losses to Big Lake (18-6), Eldorado, (14-12), and Sonora (20-0). The Red Devils have beaten Menard, Junction, Sanderson, and Iraan (2-0).

Mosley's squad will be in better physical condition than they were against Iraan when they had eight boys on the injured list.

Scheduled to start against the Red Devils are Parker and Seahorn, ends; Sutton and Stokes, tackles; Ramos and J. DeHoyos, guards; Lewis, center; Cox and Upham, halfbacks; Carson, quarterback; and T. DeHoyos, fullback.

Poll Tax Supplies Now Available In Collector's Office

Crockett county taxpayers who paid their taxes in October and who did not get a poll tax receipt are advised that supplies are now available in the collector's office and may be secured at any time.

Mrs. Gertrude Perry, chief deputy, said that the pending federal case contesting validity of the poll tax in Texas as a pre-requisite to the voting right had cast some doubt on the necessity for a poll tax when the payment period opened. But the court has indicated that no decision is likely before the first of the year. It is almost a certainty that a poll tax will be required to vote in 1966 and prospective voters are urged to pay the poll tax to assure a vote next year.

League Making Plans For Bazaar

Ozona Woman's League met last Tuesday at the Civic Center with Mrs. Nat Read and Mrs. Bill Carson co-hostesses.

Mrs. Joe Bean, president, introduced a new member, Mrs. Lawrence Sands. Mrs. Bean led a discussion on the forthcoming bazaar and announced that a meeting will be held November 22 at 3:30 to prepare for the bazaar which will be held November 23.

Mrs. Buster Deaton announced that the drawing for the rug will be held at

4:00 p. m. at the bazaar.

Mrs. Allie Lock introduced Mrs. Hillery Phillips, member of the Ozona Woman's Club, who spoke on the art of making ceramics. Mrs. Phillips gave a very interesting report on the process involved in making and painting ceramics.

Members answered roll call with items made for the bazaar. Other members present were Mrs. Brooks Dozier, Mrs. Ron Murdock, Mrs. H. C. Hoover, Mrs. Dick Kirby, Mrs. Sam Fitzhugh, Mrs. Roy Coates, Mrs. Cap West, Mrs. Ronald Pennington, Mrs. Joe Couch, and Mrs. Perry Hubbard.

Dear Editor:

Editorial Page Editor
The Ozona Stockman
Ozona, Texas

Dear Sir:

The first half of the battle to retain Section 14(b) of the Taft-Hartley Act is now history — but we have a long way to go. Based on the results of this session of Congress there is every reason to believe 14(b) will not be repealed. But the National Committee intends to continue to do everything it can to keep the U. S. Senate aware of the basic public opposition to repeal.

The successful stand made by courageous Senators, led by the Senator Dirksen, was made possible by the broad public support of voluntary union membership. Proof of this support was supplied by the thousands of newspapers, including yours, that editorially supported the retention of 14(b). Newspaper support, which was virtually unanimous, contributed a great deal to dampening the enthusiasm of White House and Senate advocates of compulsion.

We sincerely appreciate the editorials you have written — they certainly contributed to this victory for individual freedom. Thanks for your help.

Very truly yours,

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Ozona Stockman November 12, 1936

Playing by far the best game of the current season, the Ozona Lions dropped a heartbreaker by a one-point margin when the Sonora Bronchos nosed them out 7-6 in the Armistic Day classic played by the two teams on Sutton soil yesterday.

Each team scored its lone touchdown in the third quarter. Ozona chalked up the first marker on a sustained march from their own 35, with Davidson, Leath, Childress and Casbeer taking turns at lugging the pig hide down the field. Leath negotiated the final 18 yards for the touchdown.

The Bronchos repeated the performance a moment later to tie the score and take the lead on converting for the extra point.

Funeral services were held Sunday afternoon for W. R. Phillips, 60, who died at his home here at 2:30 Sunday morning following a long illness. Funeral services were conducted from the home with Rev. I. V. Garrison, pastor of the Ozona Baptist Church in charge. Burial was in Cedar Hill Cemetery.

Work is scheduled to get under way today on the first section of an approved \$45-

000 W. P. A. lateral road building project in Crockett County that will bring winter employment to a large group of unemployed and result in all-weather roads over most of the county.

Mrs. George Montgomery and her sons, William Beecher and Tom Ed, left Wednesday for the Centennial. They stopped in Sonora for the football game.

Mr. and Mrs. Joe Chapman are the parents of a son born Thursday, November 5.

Mr. and Mrs. Gus Parker are the parents of a son born Friday, November 6.

Mr. and Mrs. W. B. Robertson entertained their contract club at their home Tuesday night. The guests were Mr. and Mrs. Claude Denham, Mr. and Mrs. Max Schneemann, Mr. and Mrs. J. H. Miller, Dr. and Mrs. H. B. Tandy, Mr. and Mrs. Early Baggett, Mr. and Mrs. Vic Pierce, Mr. and Mrs. C. E. Nelson, Mr. and Mrs. Joe Oberkamp, Mr. and Mrs. Watt Turner, and Mrs. Evans of

Big Spring. The new Max Schneemann home, recently completed here, is an addition to Ozona's array of beautiful homes. The new home, a two-story stucco finished structure, was built on the Schneemann home site, across the street from the beautiful Paul Perner home.

Miss Elizabeth Coose entertained members of our bridge club at her home Friday evening. The bingo prize went to Miss Imogene Baker.

Crockett County hunters are oiling up the shooting irons and greasing the high top boots this week in preparation for the opening of the deer and turkey hunting season starting next Monday, November 16.

WOMAN'S FORUM

Ozona Woman's Forum met Tuesday afternoon in the home of Mrs. Lowell Littleton with Mrs. John Coates co-hostess.

Mrs. T. J. Bailey, president, presided at the business meeting. Members were reminded to leave gifts for Mc. Knight State Hospital Christmas Shop at Watson's Department Store to be picked up.

Mrs. W. T. Stokes spoke on "The Blind and You." Mrs. Bill Baggett, corresponding secretary, read letters from Mrs. Sam Logan on working with the blind in Ethiopia.

Other members attending were Mmes. Charles Williams, Fred Hagelstein, Ele Hagelstein, Kirby Moore, Carl Appel, Hugh Childress, Jr., Pete Jacoby, Brock Jones, C. O. Walker, Bill Clegg, W. H. Whitaker, and L. D. Kirby.

Charlie Black is recuperating from surgery performed the early part of this week in a Galveston hospital.

From
Kitty's Kitchen**

Turkey and Dressing

1 turkey (cooked as label directs or by method below)
Foil method: Wash and dry bird, rub with salt, pepper and poultry seasoning, inside and out. Place bird in center of a large piece of heavy-duty foil, bring foil over breast and fold to seal, bring ends together and seal. Place in pre-heated oven 425 degrees and cook 15 minutes per pound. This is a much faster method. Turn foil back to brown last 15 minutes of cooking time.

Old Fashioned Dressing
1 pan cornbread
1 pan biscuits
In large bowl, break up and mix together along with seasonings, salt, pepper, poultry seasoning or sage to taste. Do this the night before.
6 eggs
2 onions chopped
1 cup celery, chopped
1/2 cup green pepper, chopped (optional)

Boil onions, green pepper, and celery in a small amount of water until tender.

Add above ingredients to bread mixture, mix well. Moisten very well with turkey stock to a mushy consistency. Pour into greased casserole and bake until brown about 45 minutes. Serve with giblet gravy.

Shop Brown Furniture Co. for a complete line of king size bed linens, including pillows and bed spreads.

SUPPER BRIDGE CLUB

Mr. and Mrs. Charlie Applewhite and Mr. and Mrs. Larry Albers were hosts to the Supper Bridge Club last Saturday night at the Civic Center.

High score went to Mrs. Bill Cooper and Mrs. Arthur Kyle, second high, Mr. and Mrs. L. D. Kirby and bingo to Mr. and Mrs. Tommy Harris. Mr. and Mrs. Oscar Kost won guest high with Mr. and Mrs. Tom Montgomery winning low.

Others present were Mr. and Mrs. Joe Bean, Mr. and Mrs. Robert Cox, Bill Cooper, Mr. and Mrs. Roy Killingsworth, Mr. and Mrs. Dick Kirby, Mr. and Mrs. C. O. Walker and Mr. and Mrs. Pete North, Mrs. Ashby McMullan, Mrs. Lawrence Sands and Mrs. Wayne E. West.

**School Dropouts
Pelto's Topic In
Speech To WSCS**

"The School Dropout" was the subject of a talk made by J. A. Pelto, Principal of Ozona High School, Wednesday morning for The Woman's Society of Christian Service at the Methodist Church with 23 members attending.

He reported that there were 8 dropouts in Ozona High School last year. He stressed reading as one of the most needed and essential subjects for a student to be proficient in all subjects, learn good study habits, with a quiet study center. Poor study habits cause failures. There were 5.1 million dropouts in the United States last year and 750 thousand are expected to dropout this year.

Plans were made for the "Toy Shop" at the Community Center next Wednesday morning, which is an annual affair by the WSCS.

The Methodist Churches of the San Angelo District will hold their District meeting in the Methodist Church here on December 2.

FRIDAY BRIDGE CLUB

The Friday Bridge Club was entertained last week by Mrs. Joe Pierce, Jr., in her home. High score was won by Mrs. Bailey Post, high guest by Mrs. C. O. Walker, low by Mrs. V. I. Pierce, and cut by Mrs. W. W. West. Gifts were presented to Mrs. Bill Adams of San Antonio, a former member of the club, and to Mrs. W. T. Bradbury, who is leaving Ozona.

**1966 Football
Schedule**

Ozona High School officials released the new 1966-67 Lions football schedule early this week. The Lions will face the same 10 teams played this fall—with the big change coming in the Big Lake game.

Dropping Big Lake from the 8A district schedule, the Lions will meet the Owls in the second ball game of the 1966 season in a non-conference game.

The 1966 schedule:

Sept. 9 — McCamey at Ozona.
Sept. 16 — Big Lake at Big Lake.
Sept. 23 — Bronte at Bronte.

Sept. 30 — Sonora at Ozona.
Oct. 7 — Menard at Menard.

Oct. 14 — Junction at Ozona.
Oct. 21 — Sanderson at Sanderson.

Oct. 28 — Rankin at Ozona.
Nov. 4 — Iraan at Iraan.

Nov. 11 — Eldorado at Ozona.

All district ball games are scheduled for 7:30 p. m. The 1967 schedule will be identical to the 1966 program with the game sites reversed.

TAKE A-M SHORT COURSE

College Station — Two Ozona residents have received certificates for a 32-hour transformer short course at Texas A&M University.

The are Jerry Perry and Monroe Allen, employes of the Southwest Texas Electric Cooperative.

The Course was taught by Ronald Jones, instructor-coordinator for Electric Job Training and Safety of the A&M Engineering Extension Service.

**FLYING CLUB TO

It Has Freedom and Beauty — Young Ozona Essay Writer Sees Many Good Things About America To Win Forum Sponsored Contest

The Ozona Woman's Forum this week announced winners of the "What's Good About America" essay contest for seventh and eighth grade students.

Sherry Saunders 13, daughter of Mrs. Maxine Saunders, won first place and was recipient of five dollars cash award. David Hoover, son of Mr. and Mrs. Armond Hoover Jr., and Lida Garrett, daughter of Rev. and Mrs. Leonard Garrett, won honorable mention awards. All three winners are eighth grade students in Ozona Junior High School.

Judged as "outstanding" were papers by Cathy Williams, daughter of Mr. and Mrs. Byron Williams, and Kathy Lynn Russell, daughter of Mrs. George Russell, Jr.

Ninety-two students entered the contest.

The winning theme follows:

"WHAT'S GOOD ABOUT AMERICA"

By Sherry Saunders

There are many things that are good about America. The first thing that I think everyone realizes most is her freedom. Through the ages many brave men fought and died for what they thought was right for their country. When our Constitution was written, it stated clearly that American citizens had "freedom of the press, freedom of speech, and freedom of religion." You are allowed to have your choice whether you want to work and make something of yourself, or whether you want to be a lazy bum.

Secondly, the natural beauty of America. In the song, "America the Beautiful," it describes the beautiful country and her heritage. Through the years, men have

strived to make her a place of beauty and peace. In a cross country trip, you can see many national parks, game preserves and zoos. These are all things built to remind us of the beauty that God put forth on earth.

In America today, many of our country's citizens are struggling to overcome poverty - stricken areas. Men are working hard inventing new ways to produce food, and modernize America at a low price. They are making machines to help cultivate the soil. Within the last few years, America has progressed more than any other nation. Men are taking the salt out of ocean water, and purifying it to meet our greatly increasing demands for water.

Astronauts will be landing on the moon before long,

'tis mince

Grandma baked pies today and we had a good laugh together over the story she used to tell me as a little girl of a lady who baked pies and marked them to tell them apart. Half she marked T M for 'Tis Mince, the others T M for 'Tisn't Mince.

It's such fun having Grandma live in our house. Her stories of the old days, her understanding humor, and her joy in living spark our lives. She needs no label. That she's a Christian glows in everything she does. No matter what the circumstances, she meets people and situations with love and goodness. Full credit is hers, that none of the problems that we feared when she came to live with us have developed.

Yes, I'd say Grandma has rubbed off on all of us. We all go to church now and we're much happier because of it. We've learned from Grandma that happiness comes from doing good and loving God.

Why don't you go to Church and take your family with you?

THE CHURCH FOR ALL • ALL FOR THE CHURCH

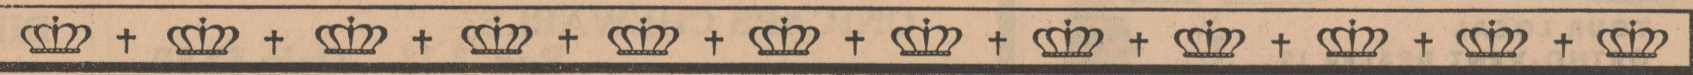

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Canyon Gasser Assured In Shell Kincaid Estate

The Davidson Ranch multipay field of Crockett County gained its second Canyon producer and a 3/8 mile northwset extension to that pay with completion apparently as a shut-in gas well of Texaco Co. No. 1-C A. R. Kincaid Trust, four miles southeast of Ozona.

It was finalized for 184,500 cubic feet daily, plus 10.4 barrels of condensate, plus seven-tenths of one barrel of water, on a six-hour test through perforations at 6,223 to 6,385 feet, which had been acidized with 3,000 gallons and 20,000 pounds of sand. Gas-liquid ratio was 17,170-1. No choke was reported.

Operator abandoned Pennsylvanian perforations between 7,746-77 feet.

Location is 1,320 feet from the south and east lines of 3-KL-GC&SF.

The discovery, the firm's No. 1-1 Davidson, Jr., was finalized Jan. 1, 1965, for a calculated, absolute open flow of gas per day through Canyon perforations between 6,201-361 feet; for a calculated, absolute open flow of 2.25 million cubic feet of gas per day, with gas-liquid ratio of 35,600-1, through Pennsylvanian perforations between 7,890-916 feet; and for a calculated, absolute open flow of 690,000 cubic feet daily with gas-liquid ratio of 51,400-1, through detrital perforations between 8,606-936 feet.

Shell Oil Co. will drill two out posts to the Ozona (Canyon sand gas) field of Crockett County approximately 20 miles southwest of Ozona.

The No. 1-C J. W. Henderson, 1/2 mile south, is 1,500 feet from the south and 1,320 feet from the east lines of 6-BBB-GC&SF Derrick floor.

The No. 1-B Henderson, 3/8 mile southwest is 1,320 feet from the north and west lines of 7-2-I&GN.

Both projects are scheduled to 7,000 feet.

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Both ultra-liberals and ultra-conservatives have indicated they want a place on the 1966 general election ballot.

Texas liberal spokesmen hint they may run a candidate for governor and perhaps one for the U. S. Senate if Atty. Gen. Waggoner Carr is the Democratic senatorial nominee.

Conservative party already has adopted a resolution of intent to nominate state candidates next year.

New Weapon Found — A significant new weapon has been acquired by the State of Texas against a federal lawsuit to abolish the poll tax as a voting requirement in this state, reports Attorney General Carr.

U. S. Senate Judiciary

Committee has made available to Carr testimony of federal Atty. Gen. Nicholas Katzenbach purportedly acknowledging the Texas poll tax is not used for racial discrimination.

Carr maintains that, in view of testimony, Congress could not have had Texas in mind when it authorized suits against the levy as a voting requirement under the voting rights act.

Case is set for trial December 1 in Austin.

Amendment Adopted, Rejected — Texas voters split down the middle in the November 2 elections. They approved half of the 10 amendments presented, disapproved the other five.

Amendment No. 4, proposing four-year-terms for state wide officials, was vetoed by almost 50,000 votes. It received more attention than any of the others.

Also defeated were proposals to grant state repres-

entatives four-year terms; extend the veterans land program; authorize salary increases for Lieutenant Governor and Speaker of the House and raise lawmakers' expense allowance; and exempt certain charity hospitals (Hermann Hospital, Houston) from ad valorem taxes.

Voters approved amendments to raise state property tax five cents for college building purposes; provide more state leeway in meeting matching fund requirements of federal programs for needy; liberalize teacher retirement system investment authority; establish an \$85,000,000 loan fund for college students; and provide for compulsory retirement of judges at 75 and authorize machinery for removing judges who are ill or incompetent.

raan touchdown, and permitted the Braves only two first downs and only 28 yards rushing in the second half. Leading the Ozona defense was 174 pound defensive tackle Jesus Tijerina, playing his first year on the Lion varsity. Tijerina was credited with 12 tackles; Ramos, 10; Williams, 9; Lewis, 9; Sutton, 7; Flores, 6; and Charles Farris and Cox, 5 each.

Cox led the Ozona rushing game as he gained 157 yards on 17 carries. Seahorn caught 5 passes for 114 yards, and 1 TD.

Ozona had a wide margin in the statistics department. They led in first downs 17-9; yards rushing, 194-82; passing yardage, 139-54. The Lions attempted 11 passes, completing 7 with one interception, and the Braves attempted 11 passes, completing 4 with 3 intercepted. The Lions kicked twice for a 22 yard average, and Iraan punted three times for a 29 yard average. Ozona was penalized 8 times for 70 yards and Iraan 5 for 25 yards.

the Eagles at the half. The Eldorado squad scored again in the third quarter and ran over for the extra two points.

In the fourth, the Cubs rallied and drove from midfield to tally, with quarterback Ricard Sanchez going over for the touchdown. Fullback Tommy Connors dove in for the extra two points. Shortly afterward the Eagles scored again, ending the game 28-8.

The Lion B made a great comeback and played their best game of the season. After controlling the ball seven minutes of the ten minute quarter, the Lions fumbled on the Eldorado 15. After three plays, Larry Kilgore intercepted an Eldorado pass on the Lion 15 and the quarter ended 0-0. The Lions came into their own in the second quarter. Fleet Coates ran 32 yards to set up the first score and Rodney Pagan hit paydirt from 15 yards out. The kick for the extra point was blocked. With 45 seconds to go in the first half, Catarino Cervantes ran 64 yards for the second Lion touchdown. Try for extra points was no good and Ozona was ahead 12-0 at halftime.

In the third quarter, quarterback David Huff completed a 13 yard pass to Kilgore in the end zone for the touchdown. Another Eldorado pass interception by Kilgore saw the Lions driving down field for another score. With Pagan picking up first downs on the ground and Huff passing to Kilgore, Coates went in for the touchdown from the Eldorado 6. Joe Bob Stephens kicked the extra point, putting the Lions out ahead 25-0.

Eldorado's lone score came in the fourth quarter after a 45 yard pass play and the kick for the extra point was

good. Immediately after, Cervantes returned the punt to the Eldorado 15, Pagan carried for the touchdown and Joe Bob Stephens kicked for the extra point, ending the game 32-7. Fans saw some outstanding defensive playing by Glenn Southard, Johnny Lee Barbee, Westley West, Coates and Stephens.

Home Decorations Contest Planned By Garden Club

"Preparing and Sharing" was the Garden Club theme Monday when it met with Mrs. Q. A. Brentz. Mrs. Max Schneemann, chairman of the Christmas decorating of homes, urges everyone in town to plan to make this the prettiest Christmas ever. The Club will give prizes, and out of town guests will come to pick the winners.

Mrs. Post reported the Junior Sprouts have organized with 17 members all enthusiastic. She also gave an interesting demonstration on making corsages, some of which were given to patients in the hospital.

Gifts were collected to be sent to the McKnight Hospital. The Club voted to buy more trees for landscaping the Crockett County coliseum grounds.

Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair and Corvette at your dealer's
