## Attorney Perkins And Beau Stinson Take Buggy Ride

Attorneys, like men of other professions, will leave certain incidents behind them when they leave a city that bear repeating years afterward, friends said Tuesday of C. S. Perkins, former Snyder lawyer, as they greeted him on the streets.

Perkins, who left Snyder in 1926, came here in 1911 and first hung out his shingle at a convenient location as a budding "attorney-at-law." He soon became acquainted with Lee Stinson, reports say—and Lee was then, as now, a Beau Brummel of the city.

Perkins and Stinson, on one occasion, went to the Miller Wagon Yard and hired a buggy for the purpose of exploring the country lanes around Snyder. Information obtained by way of the grapevine route indicates two winsome young ladies were at the end of the buggy ride trail. Approached on the subject, Perkins said he and Stinson did not enjoy the buggy ride, but did not "exactly recall much about the end of the trail angle."

## TIMES TABLE

This action shot of Snyder's tremendous fullback, Big Bill Shields, was taken yesterday afternoon by the Times' official photographer (Oh, yeah!). It reminds all good Times Sport customers that we news is pitifully compared with the Yellowhammers' attempt to sting the Tigers at Rotan Friday night.

First meeting in 18 years for brother and sister was a happy occasion for the sister, Mrs. A. J. Riley of Snyder, and her brother, B. S. Spinale of Colorado Springs, Colorado. Spinale, a Colorado ranch owner, his wife and their two sons, Hollis and Robert, spent the week-end in Snyder. Riley children, who assembled here to see their uncle and family, included Mr. and Mrs. B. F. Gee and small daughter, Gaylor, and the Ross Riley family, all of Sweetwater, Prentice Riley family of Lubbock and the W. M. Riley family of Scurry County.

One of the neatest vegetable and fruit displays in town was created at Pick & Ray Store last week by the Ben E. Keith Produce Company of Abilene. Most of the spray-fresh vegetables were pulled to the south wall and given a far more eye-catching layout than formerly. The fruit, decorated in appealing colors, is displayed in the center of the store front, and the old "fence" has been eliminated. Someone pumped early this week that P. & R. fruits and vegetables are now fresher than the proprietor, Marcel Josephson.

Remodeling work in recent days at the Panhandle Super-Service Station, located north of Towle's Jewelry, included a complete repainting job in yellow and brown, and re-arrangement of service station accessory stocks. Owned by R. D. Parks, the station is operated by Johnny Fortis and Joe B. Parks. The operators handle a full line of accessories, tires, tubes, Panhandle gasoline, and oil.

Newcomers to Snyder—and there have been dozens of them this year—are impressed with the town's modern store fronts. Latest winner of praise is the beautiful Palace Theatre front, which is said by those who skate around extensively to be just about the classiest thing in the West Texas theatre world.

Appearance of the east side was considerably improved this week with completion of an ivory-and-dark-tan repainting job on the front of the building that houses Parks Meat Market and Shorty Halaway's Cafe. The building that houses the meat market and cafe has been put in readiness for fall weather with other improvements that add to the attractiveness of the structure.

"Homefolks" Times readers will be interested to know that at least 15 or 20 subscriptions have been recorded recently for people in other communities—several of them in other Scurry County of news. And one of the principal reasons for the Sharon Ridge pool being on the oil map so prominently is that Leon Guinn of the Times staff has been furnishing this paper and state dailies with a deluge of oily information.

## TIGERS GO TO ROTAN FRIDAY FOR KEY GAME

Giant Crowd Expected to Follow Favorites to Yellowhammers' Field Friday Night

Snyder's battle with Rotan's Yellowhammers on the Fisher County field at 8:00 o'clock Friday night will be the headline encounter of the week-end in District 6-A football wars.

The mix-up has such wide interest that the County of Snyder and City of Snyder are expected to send the largest out-of-town grid crowd in several years. The pep squad, Snyder Band and the girls' drum corps are working overtime in preparation for the vital encounter, and students by the hundreds are expected to follow their favorites.

The town as a whole is organizing a motor brigade that will invade Rotan in full force.

Headstream Is Out.

Coach W. W. Hill announces that his Tigers will be in good shape with the exception of J. W. Headstream, fine tackle, who went out several days ago with a bad shoulder. This tackle post, filled last week by Sims Taylor, regularly a halfback, will go to Crowley, who has been playing center. Glynn Curry Snyder, who was filling last week, will be back at center. He played at end in one game. Taylor will return to his halfback slot.

Duncan and Terry will be at the ends. Line and Wells at the guards, and Walton at right tackle. The big three ground gainers will be of course be in the backfield—Shield at fullback, Neal at left half, Reed at quarter.

Snyder Leads District

Snyder, with last week's win from Merkel Badgers, continues to lead in the district, with three wins. Rotan, tied with Colorado City for third, won from Merkel and Lorraine, lost to Roscoe, second place squad. Roscoe tied Colorado City, and has won from Roby, Merkel and Rotan.

If Snyder whips Rotan, the game between Roscoe and the Tigers here Friday night, November 10, will probably decide the district championship. Roby plays at Merkel, Lorraine at Post.

Roscoe last week won from Roby, 25 to 7; Rotan defeated Lorraine, 19 to 0; and Colorado City beat Robert Lee, Class B club, 13 to 6.

Here are the district standings:

Team	W	L	T	Pct.
Snyder	3	0	0	1.000
Roscoe	3	0	1	.875
Colorado City	1	0	2	.667
Rotan	2	1	0	.667
Lorraine	0	2	2	.250
Roby	0	2	1	.167
Merkel	0	4	0	.000

## Fluvanna Tramples Dunn by 30-7 Count

Fluvanna won from Dunn Friday afternoon at Fluvanna, 30 to 7, in a Class B game with plenty of thrills. Star of the fluv was Jack Turner, Buffalo quarter, who made one touchdown in the first and another in the fourth quarter.

Landrum made the longest scoring play of the afternoon, tramping 75 yards around left end in the third quarter. White scored in the same period on a 50-yard pass. Rhodes, halfback, made the other Fluvanna marker in the opening quarter.

Dunn's fullback, Allen, made the Owl's tally when he took a pass in the fourth period. He was pulled down from behind in the third quarter after a 70-yard sprint that almost scored. First downs favored Fluvanna, 17 to 5.

## REA PROJECT TO SOUTH GETS OK

Rural electricity for almost a dozen communities in Northern Mitchell County, an adjacent portion of Nolan and a small strip of Scurry County was assured last week when the Rural Electrification Administration at Washington announced a \$145,000 REA loan was granted the Lone Wolf Electric Cooperative at Colorado City.

Granting of the loan will make possible the construction of a 194-mile REA line that is slated to swing in a large loop around Mitchell County and extend to Roscoe in Nolan County. A number of subscribers in the southern edge of Scurry County are included.

R. A. Brister, who did the field work in shaping up the Lone Wolf Electric Cooperative project, stated Monday surveying work will start within the next few days. Line staking will be in charge of the Midwest Engineering & Construction Company, Tulsa, Oklahoma.

## Fall Revivalist

Joe M. Russell of Terrell, who will conduct services for the fall revival meeting at the First Presbyterian Church, November 6 through 15. Services will be held daily at 10:00 a. m. and 7:30 p. m. Rev. C. H. Ward will lead song services.

## High Interest In Revival Meeting At Local Church

Advance interest in the fall revival that will be held at the First Presbyterian Church from November 6 to November 16 indicates an outstanding meeting for this time of the year. Rev. C. H. Ward, local pastor, said Wednesday.

Evangelist Joe M. Russell, who will conduct the meeting, has been pastor of the First Presbyterian Church at Terrell for four years. He has held a number of revivals in West Texas, and is well known as a forceful preacher.

Opening services will be held Monday evening, November 6. The morning services will be held at 10:00 o'clock, evening services at 7:30 o'clock.

Rev. Ward, who will be in charge of song services, says special music will be provided at different times during the harvest time revival. No offerings will be received at any one of the services during the revival.

## Post Office Makes Saturday Afternoon Service Plans Here

Beginning Saturday, the local post office will remain open Saturday afternoons with the exception of holidays. Postmaster Warren Dodson said early this week.

Dodson said the new post office policy of remaining open Saturday afternoons will allow rural and city residents alike a chance to transact business after noon, the former closing time.

Two post office boxes were moved Monday to new locations to facilitate placing of box mail in the business district. One was moved from in front of the old post office building to the sidewalk at John Irwin's Drug corner. Second box was moved from the corner at John Keller Furniture to a site in front of the post office.

The post office will be closed all day November 11 in observance of Armistice Day. Two deliveries will be made in the business district, however, morning and afternoon. Mail will be placed in post office boxes morning and afternoon.

## West Scurry B.T.U. Sessions for Union

The West Scurry County Baptist Training Union some meeting will be held Sunday afternoon at 2:30 o'clock, Union Baptist Church, announces Effie McLeod, zone official. The Ira, Fluvanna, Dermott, Arab, Murphy, Bison and Union churches are due to be represented.

After opening songs, J. C. Williams will lead the devotional. After the business session, special music will be given by the Fluvanna B. T. U. "Loyalty to Christ Through Organization" will be the subject of a talk by Rev. Lloyd of Dermott. "Loyalty to Christ Through Evangelism" will be Rev. R. E. Bratton's subject.

## Pyron Continues Its Winning Grid Ways

Pyron continued its winning ways Friday afternoon on its home field by a narrow margin. Trent was the victim, the Eagles coming from behind in the fourth quarter to tally the winning touchdown.

Each team scored in the second and third periods. Halfback Little of the visitors, one of the best men in the eight-team six-man league, was almost too much for the hosts.

Big Albert Chissey, end, scored two touchdowns for Pyron when he grabbed passes. Ernest Schattel, quarterback, made the other one. Pyron's other starters were Glass, Parker, Pieper and Reed.

## COUNTY WILL SHARE IN ROAD BOND REFUNDS

Exact Amount of Scurry's Part in State-Wide Distribution of Fund Not Yet Available

Although county officials had no detailed information Tuesday on how much Scurry County's share would be, they were assured by the County and District Road Bond Board at Austin Scurry would get her part of the more than \$6,000,000 that will flow into the coffers of Texas counties within the next 12 months.

The allotments, subject to auditing and possible revision, will include approximately \$2,000,000 in current debt allocations, and about \$2,223,490 in retroactive payments of debt incurred on local roads which became a part of the state highway system between September 17, 1932, and January 2, 1933.

Approximately \$2,200,000 will represent 100 per cent payment of the state's liability on debts which it was unable to meet during early years of the plan's operation. Officials said payments would probably be completed by September 1, 1940, and that a \$3,000,000 revolving fund would be retained as required by the road bond law as amended at the last general legislative session.

The entire fund is financed by one cent of the four-cent state gasoline tax. It was originally used to pay the debt on locally constructed roads which were designated as state highways prior to 1932. Tax collections were not sufficient to meet the state's debt, but in recent years revenue has exceeded amortization.

Increase in revenue has resulted in the legislature making eligible for participation roads coming into the state network before January 2, 1939, ordered full payment of debts the state once could not meet and authorized distribution of the surplus after deduction of a \$3,000,000 revolving fund among lateral road funds of Texas counties.

## Scurry County Has New District Office For Welfare Work

Reorganization of the district offices of the department of public welfare the state over will place Snyder in one of the state's recently created 37 areas, Mrs. Jessica W. Bennett of Abilene, former district administrator for the Texas Relief Commission, said this week. Mrs. Carrie Line, county supervisor, has been notified of the change.

Under the new set-up, Anson will become headquarters for a territory that includes Scurry, Jones, Garza, Borden, Kent, Stoneville, Dickens, Fisher and King Counties. Eastland will be the center of an area to embrace Callahan, Shackelford, Eastland, Stephens, Palo Pinto, Throckmorton, Parker and Haskell Counties.

Taylor County will now become a part of the Brownwood area, over which Mrs. Bess DeBerry will be supervisor. Mrs. Bennett, who has been connected with the Texas Relief Commission and more recently with the new public welfare department, goes to Houston as assistant supervisor.

## UNION BAPTIST HOST

Union Baptist Church will be host to an all-day service Sunday, announcements Pastor J. F. Fields. Basketball dinner will be spread on the ground at noon, and a zone BTU meeting will be a feature of the afternoon. Fluvanna BTU will furnish the afternoon program, opening at 2:30 o'clock. Dr. L. E. Fields and Dr. Maynard will have their orchestra there to give special music during the day.

## EAST CLEAN-UP THIS WEEK-END

Results of Snyder's fall clean-up campaign, begun Friday and Saturday with a rump-up on the west side of old cans and other trash, is being evidenced this week by considerably improved streets, yards and alleys, members of the City Council said yesterday.

A round of the east side will be made Friday and Saturday of this week, S. E. Keller, city sanitary officer, reports. Since only one trash round-up will be made in each part of town, east side residents are asked to place trash—in boxes, sacks or large cans—at convenient locations for loading.

FEED FIRE CHECKED.  
Prompt action by members of the Snyder Volunteer Fire Department last Friday afternoon resulted in slight loss at the Ed Ralston place in East Snyder, when loose feed in the lot became ignited at 3:00 o'clock. Cause of the fire was unknown.

## Extensive Plans For Red Cross Roll Call Begun

Extensive plans were mapped this week to begin the twenty-third annual Roll Call of the Red Cross in Scurry County, November 15, beginning at 10:00 a. m. on this date, J. V. Robinson, Roll Call chairman of the county, said yesterday.

Robinson announced the chapter is issuing a call for volunteer collectors among the rural districts of the county. Committees that worked in the county districts last year are invited to serve in the same capacity for the 1939 Roll Call.

"Our National Red Cross, as well as the county chapters of the organization, will survive only as long as they are supported by people who believe in them," Robinson said.

"In the past many people residing in farm homes have not been approached for Red Cross membership, but this is an unjust discrimination, as every man and woman should have a chance to join the American Red Cross."

"Keeping the Red Cross Ready" will only be achieved, officials of the organization believe, by seeing that each rural community in America is represented in the forthcoming drive for 1939.

Jimmie Billingsley and C. E. Tarter were added this week as additional leaders who will assist with this year's membership drive.

## Local Mexicans To Abilene Meet Of Area Baptists

Rev. E. P. Gonzales of Snyder, district Mexican missionary, was one of the principal speakers Sunday night at the First Baptist Church, Abilene, in closing sessions of the three-day annual convention of the West Texas Mexican Baptist Association. Several others attended from Scurry County.

Rev. Lloyd Carter, moderator, said about 300 persons were recorded each day at the Mexican Baptist gathering, held Friday through Sunday night.

Sunday morning's program, one of the annual convention's most outstanding, began with a prayer service at 6:30 o'clock. Song service at 9:00 o'clock Sunday morning was led by Lauro Ramirez of Slaton, who also gave the devotional. The morning sermon at 11:35 a. m. was by Ignacio Gonzalez of Austin.

Afternoon speakers included C. L. Williams of Talpa, A. L. Ortiz of Haskell and Frank Arroyo of Abilene. Sunday night speaker besides Rev. Gonzales was Ignacio Gonzalez, Austin. Rev. Gonzales took a quartet of Mexican youths with him, who appeared on the program.

## Crowds at Ennis Singing Sunday Overflow School

Standing room in the new Ennis Creek School building was at a premium Sunday afternoon, as singers and song lovers from all parts of Scurry County convened at the modern school plant for the October session of the Fifth Sunday Singing Convention.

Sunday afternoon's gospel song program, which started at 2:00 o'clock, was featured by class and special singing. Earl Shepherd, president, was in charge of the program, described by attendants as "one of the best given at a fifth Sunday singing in recent months."

Turner was successful bidder at the business session to act as host to the Fifth Sunday Singing Convention at its next session in December.

Shepherd is joined by Roy O. Irvin, convention vice president, and others in wishing to convey through "The Times" sincere thanks to people of the Ennis Creek community and elsewhere for their help in making our October convention a success."

## A. C. Alexander Jr. City's New Fireman

A. C. Alexander Jr., who replaces Carl Keller as the paid fireman of Snyder Volunteer Fire Department, assumed his new duties Wednesday morning at the City Hall. The youthful fireman, his wife and six-week-old son, A. C. Alexander III, moved into their new living quarters upstairs in the City Hall early Wednesday morning. A. O. had been employed the past eight months at Stinson Drug No. 2.

Mr. and Mrs. Carl Keller and son, Don, moved Wednesday to their home in East Snyder. Keller, paid fireman for the local fire department the past four years, will continue to work for the City of Snyder, city officials stated.

## Magnolia-McClure Gets a Shot

The above picture gives an excellent view of oil flowing into the derrick of Magnolia Petroleum Company's No. 2 R. O. McClure, following an 850-quart nitro shot from 2,350 to 2,450 feet in upper pay saturation. The new derrick, which went on

record as the twenty-first producer for the Sharon Ridge oil field, was completed as one of the pool's strongest wells when it made 297 barrels in 18 hours on Texas Railroad Commission gauge. Location is in the southwest corner, Section 142 lease.

## HORSE BUYERS OF ARMY WILL VISIT SNYDER

Overnight Stop Will Be Made Here By Group of Officers Who Are Purchasing Animals

Officers of the South Central Army Remount Headquarters at Fort Worth will arrive Saturday afternoon from Coahoma for an overnight stop, and be here Sunday morning to inspect stallions and horses for possible purchase by the U. S. Army.

The officers, Major Marion J. Voorhes, purchasing officer, and Lieutenant Colonel Irby R. Pollard, veterinarian, are slated to be in the group of officers that visit Snyder. Garden City, Big Spring, Luther and Coahoma will be visited by the army officials before coming here Saturday afternoon.

"The standards of sturdiness, conformation and way of traveling for horses to be purchased have been raised," Major Voorhes states, "and the type of horse which heretofore has 'just passed' will not be purchased."

General requirements for horses are that they be geldings between four and five years old, stand 15.1 to 16 hands high, weigh between 1,000 and 1,200 pounds, be half thoroughbred or better, and be bay, black, brown or chestnut.

From Snyder, the army officers will go Sunday to Roby and Stamford. The Scurry County seat is one of 37 West and Southwest Texas cities being visited by the remount headquarters attaches in a 13-day tour in search of better horseflesh for army cavalry units.

## NO CLOSING ON ARMISTICE DAY

A partial survey of the business district, conducted Monday by N. R. Clements and Ray Dickson, indicated the majority of business men are in favor of remaining open Armistice Day, November 11, which falls on Saturday.

A glance at other newspapers in Central West Texas indicates that most other cities will also remain open Armistice Day. In view of the holiday falling on Saturday—and in view of slow buying conditions this fall.

Henry Rosenberg, commander of the Will Layne American Legion Post, said Wednesday that no special observance had yet been arranged by legionnaires.

The consensus of opinion among Snyder business men is that Thursday, November 30, should be observed as Thanksgiving Day, although President Roosevelt said in a proclamation that Thursday, November 23, has been set aside as the new day to observe Thanksgiving.

## NORTH SHARON MUDDGE SHOULD EXTEND FIELD

Magnolia Moves Steel Derrick to No. 3 McClure Location, an Offset to Stoddard

The interest of operators and royalty holders in the Sharon Ridge oil field was focused this week on the pool's north outpost test, Mudge Oil Company's No. 1 Dozier, which is expected to carry the drilling trend in the rapidly growing field to the north.

The Mudge No. 1 Dozier, located in the northeast one-fourth of Section 142, was drilled Wednesday night at 1,460 feet. According to formations logged to date, the test is running high. "Big lime" was slated to be struck early Thursday morning.

Magnolia Moves Derrick.  
Magnolia Petroleum Company has moved a steel derrick to its No. 3 R. O. McClure location, a south offset to J. B. Stoddard's No. 4 McClure, preparatory to rigging up for spudding this test early next week.

Magnolia's No. 3 McClure will also be an east offset to D. & R. Oil Company's No. 2 McClure.

Air head has been installed on Magnolia's No. 2 R. O. McClure, which has been completed as one of the Sharon pool's strongest producers. Location is 330 feet from the south and west lines of the south one-half, southeast one-fourth of Section 142.

D. & R. Plans Five More.  
D. & R. Oil Company's No. 3 McClure, located 690 feet due west of the firm's No. 2 McClure, was drilling at 1,490 feet. D. & R. officials announced Wednesday they will drill five additional wells on their 90-acre McClure lease, bringing total number of wells to be drilled by this firm to eight on this lease.

Holmerich & Payne's No. 1 Walter Martin test, located in the southwest one-fourth of Section 141, was drilling at 1,780 feet.

J. B. Stoddard's No. 2 McClure, located in the northeast corner of the north one-half of southwest one-fourth, Section 142, was drilling at 1,590 feet. Stoddard's No. 4 McClure was drilling at 1,420 feet.

Ordovician No. 4 Produces.  
Ordovician Oil Company's No. 4 W. P. Thompson, located 920 feet west of Ordovician's No. 2 Thompson, has been completed as a good producer. Reliable sources reported Wednesday that Paul Teas of the Ordovician will bring an additional rig to the field soon to further develop his holdings.

Coffield & Guthrie's No. 1 Reiter test, located in the southwest corner of Section 115, was drilling at 1,430 feet. Marker formations in this test were reported hit in the correct depths, and sub-surface strata running true to form.

Howard Pay Producer.  
J. M. Partin's et al No. 1 S. G. Tomlinson, located in the northeast corner of the southwest one-fourth, Section 122, has been placed on the pump as the field's first producer completed from the lower pay zone known as the Howard County pay.

Equipment is being rigged up for GoSton's No. 1 First National Bank test, an offset to Magnolia's No. 2 R. O. McClure. H. H. Simons, drilling contractor, says the GoSton-First National Bank test will probably be spudded Friday.

Cleaning out operations were being continued this week in Robinson Oil Corporation's No. 1 A. C. Wheeler, a west offset to H. C. Wheeler's No. 1 M. J. Sims.

## NEW OIL FIELD CAFE

Opening Sunday of the Sharon Ridge oil field's first cafe, the Willy Cafe, will be featured by special chicken dinners and free cold drinks. Mr. and Mrs. Andy Wiley, operators, announce. The new eating place is located conveniently in the field on the Grace Holcomb lease in Section 142.

## Primitive Baptists Here for Week-End

Members of the Primitive Baptist faith from all parts of Scurry and from communities in adjoining counties gathered at the Primitive Baptist Church in Northeast Snyder Friday, Saturday and Sunday for their regular fifth Sunday meeting.

Outstanding programs were given during the three days, and exceptionally interesting sermons were heard Friday and Saturday night, reports Bro. O. C. Floyd. Visitors included Elder Berna and Vergil Lovance of Slaton, Elder J. B. Owens of Cisco.

## CARNIVAL SUCCESS

Mrs. Gastion Brock reports that the Halloween carnival staged at Martin School Monday night was one of the kind staged in recent years at the rural school north of Snyder. "We wish to convey our thanks to people of the community, Snyder merchants and others who helped make our carnival a success," Mrs. Brock said.

# The WOMAN'S Page

## Brown-Haired Newcomer Crowned Queen of Gay Two-Night Carnival

Brown-haired Kathleen Chesnut, student in Snyder High School just off from the state capital where she has crowned carnival queen Monday night and last week was elected by student vote to represent Snyder in Fort Worth's school carnival next Thursday. She is the daughter of Mr. and Mrs. H. W. Chesnut.

Entering the local school last Monday, October 23, from the Santa Fe, New Mexico, High School, Kathleen was chosen by the junior class of Snyder High to compete in the contest for carnival queen. With the full support of her class members she won her contest over five other candidates and gave her class the contest proceeds, reaching well over \$100.

Other contest candidates served as duchesses in the coronation ceremony Monday evening in the new school auditorium. Each girl selected her own escort for the evening.

Dressed in changeable blue tulle, Kathleen wore the queen's robe of white satin liberally sprinkled with gold stars. She was crowned with appropriate ceremony, following the presentation by High School Principal Hadley Reeve. Queen Kathleen was escorted by Lloyd Clark Lynelle Martin, small daughter of the Buddy Martins, who is mascot of the Snyder High pep squad, carried the queen's train. Joe Wright, Sentell, son of Mr. and Mrs. John E. Sentell, was crown bearer.

Presented as part of the queen's court were the following contest candidates, duchesses for the evening, and escorts: Elsie Murphree, seniors, and Garland Mastain; Marion Letcher, sophomore, and Dale Reed; Edith Mae Stansell, eighth grade, and Ed McCumber; Eloise Gill, seventh grade, and Howard Greenhaw; Estelle Wellborn, sixth grade, and Tommy Major. Also presented as part of the court was a senior couple as high school representatives, Burnell Elicke and Vernon Moffett.

Julia Mae McDonnell and Cyrella Fish, passes, announced the entrance

## Altruists Hear Budget Discussions

Altruistic Club members enjoyed round table discussion of "Behind the Budget," article by Stuart Chase in a recent Atlantic Monthly, at the meeting Friday afternoon at the home of Mrs. H. P. Brown. The article concerned the budget of the United States government.

Mrs. J. C. Dorward was discussor, and Miss J. T. Whitmore, Brown and Roland Irving were the panel speakers. The tea table around which the speakers sat held a harvest centerpiece of fruits and Halloween suggestions.

Refreshments were passed to the following: Mmes. R. H. Curran, Joe Mounce, Hugh Taylor, A. G. Alexander and Lee Roy O'Neal; guests: Mmes. E. J. Anderson, R. D. English, W. R. Bell, Dorward, E. J. Grayson, Irving, W. P. King, J. W. Leffewich, W. E. Scarborough, J. C. Stinson, H. G. Towle, A. W. Waddill, Whitmore and John R. Williams.

of the court and presented the entertainment for Her Majesty.

The evening's program was as follows: Processional, Snyder Band and Drum Corps; chorus directed by Hattie Hoan; Myrtle Rae Lewis, acrobatics; Harold Lewis Wade, accordion; Margie Arnett, and Betty Aiz and Theresa Fay Manley, readings; Betty Jean Jorg and Mary Ellen Williams, accordion duet.

Annual Halloween carnival, usually held in connection with the coronation, this year came to the following night, Tuesday, Snyder Band led the parade of spoofs, witches, devils and decorated bicycles around the square and down to the Products Show grounds for the carnival.

Bingo, egg throwing, archery, fortune telling, food booths and every type of entertainment was furnished the group. Always a popular event of the year, the carnival attracted an even larger crowd this year. The carnival is sponsored each year by the Snyder Parent-Teacher Association.

Mrs. Jean Joyce was chairman of plans and arrangements for this year's spook festival, and she had the assistance of many other PTA members. Mrs. Dudley Ann, PTA president, assisted with both evenings' programs.

The sponsoring Parent-Teacher organization appreciates the whole-hearted cooperation of business people and local citizens for this year's carnival. Special mention has been made City Marshal Simon Best and Tom DeShazo, night watchman, who assisted with the parade, and the Tate-Lax medicine show people, now showing nightly at the Products Show grounds, for relinquishing Tuesday evening to the school students.

## Mrs. Boyer Hostess To Club Thursday

Mrs. R. E. Boyer Jr. was hostess last Thursday evening to the Dure Bridge Club. Her party was a farewell to the group, of which she has been a member several years. Mr. and Mrs. Boyer left during the week-end to make their home in Fort Worth.

A Halloween note was employed in decorations and appointments for the party, and refreshments were passed at the close of contract bridge play. High score was won by Frances Boren, and Allene Curry took the traveling prize.

The following were present: Ruby Lee, Margaret Dealins, Evelyn Erwin, Johnnie Mathison, Jeannette Lollar, Lura Green, Frances Boren, Frances Cheneau, Allene Curry, Mmes. Loy Logan, Buster Curtis and R. C. Miller Jr. Miss Boren will be next club hostess.

## Recent Bride

Mrs. Elmo Crowder, above, is the former Mayme Lee Gibson, daughter of Mr. and Mrs. G. D. Gibson. Late September marriage announced last week.

## Birthday Celebrated With Dinner-Dance

Julia Mae McDonnell, daughter of Mr. and Mrs. T. J. McDonnell, celebrated her fifteenth birthday Monday evening with a full evening of entertainment for her friends. Special friends were invited to the home for dinner, and attended the carnival queen's coronation at the high school early in the evening.

The small group was joined later by 50 other friends at the J. Wright Moor ranch house for a Halloween dance. All-active Halloween decorations formed a pretty setting for the young dancers, and they were served fruit punch and cake.

The 15-year-old hostess and her friends were chaperoned by Mr. and Mrs. McDonnell and Mr. Moor.

## Presbyterians Have Senior Party Monday

Senior high school class of the First Presbyterian Church enjoyed a Halloween party at the church Monday evening. Members of the Pioneer Boys organization were special guests for the evening.

Rev. C. H. Ward, pastor, is teacher of the class, and he and Mrs. Ward were present for the party.

Included in the typical Halloween entertainment were various Halloween games in a setting of Halloween decorations, with the house of horrors and the ever-popular fortune telling.

Seventeen plates were served late in the evening and several others dropped in for part of the time.

## Crowder Home Scene Of Party Thursday

A party was given last Thursday afternoon at the home of Mrs. Will H. Crowder to honor Hope Thompson on her seventh birthday. Games were enjoyed by the guests all afternoon, and refreshments were passed.

The following were present: Frieda and Millie Faye Whitehurst, Bobby Evelyn Weaver, Dorothy Littlepage, Anna Mae DeStuzo, June Megentilla, Jeannette Watkins, Melba Jo Cochran, Charlene Tatum, Billie Budell Graham, Myrna Joyce Walker, Jeanne Brownler, Kenneth Jo Ivson, Swan Thompson, LeVols Erwin, William Tate, Kenneth, Billie and Don Bean, Carla Mae and Barbara Lynn McMillan and the honoree.

## Dorothy Jean Wilson Hostess to Friends

Dorothy Jean Wilson, daughter of Mr. and Mrs. Ben F. Wilson, was hostess Saturday night to a group of her friends at a Halloween party. Guests came in masks and funny hats, and all of them enjoyed outdoor and indoor games. Mr. and Mrs. Wilson assisted their daughter with the entertaining.

Sandwiches, iced muffins, cookies and hot cocoa were served to the following: Johnnie Jean Beaman, Betty Jean Joyce, Mary Nell Wadler, Mrs. Mary Nell Noble, Ann McMullen, Barbara Inman, Virginia Taylor, Mary Louise Taylor, Howard Greenhaw, Kenneth Snyder, Tommy Major, John Jay Boren, Charlie Wade Boren, Claude Wedderburn, John Terrell Lynch, Charles Blakey, S. ## Frances Lawlis Bride Of Levelland Lawyer

Frances Lawlis, youngest daughter of the late Rev. J. P. Lawlis of Snyder, and Mrs. Lawlis, who now lives in Austin, became the bride of Tom Gordon, Levelland attorney, Saturday morning in a service held at the First Methodist Church in Austin. Rev. C. M. Babby, pastor, officiated.

As a freshman in Snyder High School, Miss Lawlis was named "most beautiful girl" by the student body in 1929. She is a graduate of the University of Texas and holds membership in the Zeta Alpha Society.

Gordon's mother is Mrs. Tom Gordon of Palestine, and he, too, has studied at the University of Texas. He is a member of the Delta Tau Delta Fraternity.

Married in a cinnamon-colored costume with brown accessories and a turquoise-blue turban, the bride chose for her going-away frock, a costume in red and black. Her severe black dress was worn under a red coat trimmed with black fur, and she wore black accessories.

Following a wedding trip to New Orleans, Mr. and Mrs. Gordon will live in Levelland.

## Sine Cura Club Meets Wednesday

Postponed from regular meeting time, Tuesday, to Wednesday afternoon, Sine Cura Club members and guests enjoyed an afternoon of contract bridge games at the home of Mrs. J. C. Stinson this week. All members were present. The house was beautifully decorated with bouquets of chrysanthemums.

Mrs. J. C. Dorward was high score winner for guests, and Mrs. W. R. Johnson played best for members. The traveling prize went to Mrs. W. B. Lee, member. Other guests were Mmes. R. H. Curran, Ivan Dodson, E. M. Dealins and James Ralph Hicks.

Mrs. Ernest Taylor will be next hostess to Sine Cura Club at her home Tuesday afternoon, November 10.

## International Good Will Encouraged

International good will was encouraged by members of the Twentieth Century Club Tuesday afternoon at a meeting in the home of Mrs. Allen Warren. Assigned roll calls dealt with news from various foreign countries. Mrs. Joe Strayhorn was program leader.

The program featured two interesting discussions. Mrs. J. E. LeMond told her version of the subject "Is the United States a Good Neighbor?" Mrs. Wayne Boren, guest, substituted for Mrs. I. W. Boren on the program, in a "Tourist's Impression of Our Southern Neighbor." Mrs. Boren brought souvenirs from her summer trip to Mexico City and other points in the country and discussed various points of particular interest.

Eleven members were present for the meeting. Halloween decorations featuring lovely yellow chrysanthemums and colorful napkins, were used at the tea hour when Mrs. Warren served fruit salad, date pudding and spiced tea to those present.

Mr. and Mrs. R. E. Boyer Jr. left this week-end for Fort Worth to make their home. Previously associated with Snyder Hardware & Implement Company here, Boyer will be connected with Billie Lee Jr., also a former Snyder resident, in his Fort Worth business. Temporarily, the Boyers will live with the Lees, they announce.

Edna Hester, daughter of R. B. Hester of Snyder, has enrolled at Fort Arthur College for a course in general business. Miss Hester is a graduate of the local high school.

W. C. Davidson and Mr. and Mrs. David Williams and son, Dave, of Camp Springs and Mrs. Johnnie Caldwell, teacher in the Clearmont School, visited Sunday with Mr. and Mrs. Roy Hargroves at Ennis Creek.

## Demonstration Club Notes

Hornleigh Junior 4-H Club met Thursday afternoon with the agent, Estella Rabel, and the group sponsors, Mmes. Bentley and Rea, present. Twenty-five members attended the meeting.

Frances Lewis and Ima Lee Sturdivant, recreation leaders, were in charge of a 10-minute program. Miss Rabel discussed table centerpieces, the care and arrangement of the hair and nails. Next program topic will be on posture.

## Society Circle Meets At 3:00 Monday

Susanna Wesley Circle of Methodist women met at the home of Mrs. J. C. Dorward Monday afternoon at 3:00 o'clock for the fifth chapter of the study of "Through Tragedy to Triumph." Mrs. A. M. Curry gave the devotional, a song and prayer led by Mrs. R. M. Stokes followed.

Special vocal selection by Mrs. D. P. Yoder was "The Royal Telephone." Mrs. M. W. Clark, leader, was assisted by Mmes. D. P. Strayhorn, R. H. Curran, H. P. Brown, Joe Strayhorn and Dorward in presenting the lesson. Questions on evangelism were answered by the 10 members present.

Next Monday an all-day Week of Prayer service will be held at the church. Society members and other women of the church are urged to be present.

**FIRST AID STATIONS.**

Since 1935, the American Red Cross has established 5,362 highway first aid stations throughout the United States. Expansion of this program, through the support of your membership, will enable the Red Cross to render emergency care for motorists injured in accidents. Join your local chapter at Roll Call time—November 11-30.

## Hallow'en Legends Prove Interesting

Hallow'en legends, revealing that the eve of All Saints Day in England and America is usually given over to mischievous reveries, were interesting as given by Mrs. Roy McFarland before Progressive Study Club members last Thursday afternoon.

The club meeting was at the home of Mrs. J. W. W. Patterson, and entertaining rooms were beautifully decorated with cut flowers and potted plants. Mrs. Leon Wren, president, presided over the business session.

The hostess passed a lovely refreshment plate to Mrs. Roy Hargrove, guest, and the following members: Mmes. Dewey Everett, Henry Kelley, C. E. Ross, S. L. Terry, Leon Wren, Edgar Wilson, McFarland, W. R. Kelley and A. P. Morris. Mrs. Everett will be next hostess November 9.

## Guest in the J. R. Huckabee home in East Snyder Sunday was Mrs. Jim Huckabee of Brownfield.

Mr. and Mrs. E. W. Dunlap of Littlefield visited with Mr. and Mrs. W. P. Thompson over the week-end.

Mr. and Mrs. E. W. Dunlap of Littlefield visited with Mr. and Mrs. W. P. Thompson over the week-end.

## Gladys Glasscock Weds Graham Smith

Mr. and Mrs. R. D. Glasscock are announcing the marriage of their daughter, Gladys, to Graham Smith of Dunn Friday afternoon, 2:30 o'clock, at the local Church of Christ. Minister Le Moine G. Lewis read the service.

The bride wore a teal blue dress with wine accessories, a gold necklace and bracelet. Attending were Mr. and Mrs. Wayne Glasscock and Mr. and Mrs. Olson Smith. Smith is a son of Mr. and Mrs. Jake W. Smith, well known farming people of the Dunn community. The couple will live at Dunn.

Lena Fay Harrell of Merkel is a guest in Snyder of Pud Crowder.

## Women: "Build-Up" To Relieve Pain

A weak, run-down, undernourished condition calls for attention!

Such a condition often enables functional dysmenorrhea to get its foothold. That's one thing which leads to much of women's suffering from headaches, nervousness, those cramp-like pains. A good way to relieve such pains, women by thousands have found, is by the proper use of CARDUI. It stimulates a lagging appetite, assists digestion and assimilation; thus helps build physical resistance to periodic pain. Taken just before and during "the time," many women also report that CARDUI helps to ease the pain and discomfort of the period.

# TIGERS CLEAR THIRD HURDLE IN GRID CHASE

### One of Largest Crowds in Recent Years Watches Hard Battle With Merkel Boys

Hitting the District 6-A hard luck team last Friday night, the Tigers had to gather all their forces to oust the persistent Merkel Badgers. Beaten the week before by one point—by a Roman team that they outplayed—the Taylor County boys proved beyond question that they are better than their district record of four losses indicates.

One of the largest football crowds here in recent years saw the Tiger "three horsemen"—Shield, Neal and Reed—run the visitors ragged most of the way. The local line, with some shifts due to Headstream and Snyder, two regulars, being out, operated as a whole slightly below par, but the defensive work of Jimmy Wells and "Birdog" Line, guards, stood out.

Red Neal was the Tiger bigshot of the night, his vicious thrusts and still more vicious tackles probably overshadowing his running mates. Bill Shield and Dale Reed, who were also on the line, Neal went five yards for the first touchdown in the second quarter, following a steady drive. Shield converted the point with a place kick.

The half ended 7 to 0, and Merkel threatened to tie the score early in the third round. With Frazer, who tied with Neal as the best man on the field for the night, completing passes to Bryant and other, the Badgers rattled off four of their eight first downs in succession to move within 15 yards of scoring territory. This drive was aided by a delayed-line-back gain of 20 yards by Fullback Smith. But Snyder braced at the 15 and had thrown the persistent visitors back to the 18 when they took the ball over on downs.

In the same period, Shield pounded the line for a touchdown, then added the point by placement.

Two fumbles interrupted Snyder drives in the fourth as the Badgers weakened. A minute before the tilt was over, Snyder took the ball on downs on their own 30. On the first play, Reed tore off tackle for 70 yards and touchdown to complete the scoring. Shield's attempted kick was low. It was first believed that Dunn, end, who snared up the low ball and scooped over the goal line, counted, but the officials after a conference decided against the tally.

The line-ups Friday night:

**SNYDER**—MERKEL  
 Duncan Left End Bland  
 Taylor Left Tackle Coats  
 Line Left Guard Blister  
 Crowley Center Andrews  
 Wells Right Guard Fowler  
 Walton Right Tackle Davis  
 Terry Right End Gilbreath  
 Neal Left Half Bryant  
 Spikes Right Half Rutledge  
 Shield Fullback Smith  
 Reed Quarterback Frazer

Substitutes—Snyder: Eicke, Laverne Reed, Pitter, Wills, Merritt, Hargroves, Wasson, Merkel; Martin, M. Davis.

First downs—Snyder 13, Merkel 8. Penalties—Snyder 2 for 20 yards, Merkel 1 for 5 yards.

## Gangling Hoosier From Dunn Ranks As Key Footballer

Four years ago Southwest and Border Conference scouts passed up Clyde Turner, a gangling Dunn boy just out of Sweetwater High School, because he was 16, too spindling, and his face just didn't look "tough enough."

But today "Bulldog" Turner is the 220-pound center of the Hardin-Simmons Cowboys, and when Coach Frank Kinbrough ranks "Bulldog" as the peer of any pivot man in the Southwest, there is general agreement and few contradictions—at least none on record.

Turner, who went to Hardin-Simmons after graduating from Sweetwater High School, was born and reared in the Dunn community. Many coaches and press box experts use the superlative and rank Turner "the best."

"Bulldog" Turner is the best center I've ever coached," Coach Kinbrough stated Monday. The Hardin-Simmons eleven, ranking Southwest independent, has won 33 games, lost seven and tied three for a percentage of .824.

# Here Are Winners in Boys' Club and Livestock Divisions of County Show

Entries in all divisions of the livestock department at Scurry County's second annual Products Show here October 13 and 14—including boys' club and other livestock exhibits—far surpassed in number the entries received at any previous county fair or exposition. E. J. Anderson, general show chairman, stated Monday.

Casey Fine, head of the animal husbandry department at Texas Tech, who with R. B. Tate of Sweetwater judged all livestock exhibits, stated the quality of livestock exhibits at the Scurry County show "were far above any other county exhibit we've seen this year, and compared favorably with any livestock entries we had in Lubbock recently at the South Plains Fair."

### LORAINE FOOD-CHEESE PLANT TO START SOON

Scurry County Stockholders in New Concern See Many Benefits in Marketing Farm Produce

Beginning of construction work the week on buildings for the proposed cheese and frozen food plant at Loraine will give people of Scurry, Mitchell and Nolan Counties who own stock in the association a chance shortly to sell dairy products to the Mitchell County institution on a major scale, plant officials stated Monday.

The rapid pace at which construction work was proceeding Wednesday indicated about two more weeks will be required to complete locker plant buildings. About three weeks will be required to install cheese-making equipment and get it ready for operation, and officials hope to have all frozen food lockers in operation previous to January 1, 1940.

According to information received by farmers of Scurry, Mitchell and Nolan Counties who own stock in the Loraine cheese plant, milk routes will be worked out in the near future to serve everyone possible.

Directors of the Loraine plant announced Monday each producer who sells milk to the plant is re-

### Snyder General Hospital

Mrs. I. W. Boren is in the local hospital following a home accident Sunday, in which she suffered a broken hip when she fell on the living room floor. Other new patients include Mrs. Bill Thompson of Pluvanna, medical, and mothers of three new arrivals.

Mr. and Mrs. Jeff DeShazo are announcing the arrival of a baby girl Tuesday of this week, weight three pounds nine ounces. Mrs. C. L. Wright of Pluvanna and her seven-pound nine ounce baby boy, born Monday, were still in the hospital late yesterday. The six and three-quarter pound young son of Mr. and Mrs. H. P. Smallwood was born in the local hospital just before noon Wednesday.

Remaining from last week are Mrs. T. A. Wrens, who has been confined in the hospital several weeks. Mrs. Woodrow Wilson and week-old son, and Mrs. Carroll Greenfield of Crane, surgery. Dr. A. C. Leslie, local physician, who has been a medical patient several days, was moved home Wednesday afternoon.

Required to purchase a minimum of 25 shares of stock in the association at \$1 per share. Of the \$25 minimum set for an individual stockholder, \$10 of the amount may be paid in cash, with the remaining \$15 to be paid out through products sold the plant.

The frozen food lockers, each of which will hold 300 pounds of food, will rent for \$12 a year. Plans were being mapped out by directors this week to initiate a delivery system whereby a patron of the cheese plant may receive food from plant lockers without the necessity of making a trip to the plant.

New members are still being signed up by the Loraine concern, directors said Monday afternoon. Those interested in selling dairy products to the Mitchell County plant are requested to contact officials in charge as soon as possible.

### MANY GET AID OF RED CROSS DURING CRISIS

Scurry County Chairman Recounts Assistance Given Locals During Flood Disaster in June

Confronted with the greatest number of disasters striking in any 12-month period of its history, the American Red Cross during the past year provided emergency relief and rehabilitation to 100,000 persons at the scene of 157 catastrophes, according to a statement issued yesterday by Mrs. Carrie Line, chairman of the Scurry County Red Cross chapter.

One of these 157 disasters, Mrs. Line points out, was the Scurry County flood, which brought instant aid from the Red Cross in trained disaster workers and several thousand dollars in cash.

The alarming rise in disasters, Mrs. Line pointed out, represented a figure approximately 50 per cent higher than the average frequency recorded since 1881, when the Red Cross was founded in this country. Relief operations in the past year carried the Red Cross emblem into virtually every state in the union.

"Although the types of disaster varied, the local chairman observed, 'the result in most cases was the same. Following the emergency period of rescue, mass feeding and housing, Red Cross workers saw in the wake of nearly every disaster disheartened families viewing their homes in ruins, their clothing and essential household goods destroyed or damaged beyond repair and the uncertainty as to how they were to re-establish themselves.

"And despite the fact that last year's disasters occurred almost every other day, the vast army of Red Cross volunteers and trained experts were able to materially assist every family unable to bear its burden without outside help."

### Lions Club Reports Two Good Roads to Sharon Ridge Pool

A report by the Lions Club road committee that two roads to the Sharon Ridge oil field are in exceptionally good shape featured Tuesday's regular weekly luncheon. A committee of Lions who recently made a logged trip to the Sharon pool said the distance is 19 measured miles from the square to J. B. Stoddard's No. 3 R. O. McClure well over one of the best roads to the field that has only two bridges on it.

County Judge Sterling Williams said the purchase of a new road maintainer by Scurry County would make it possible to keep what is popularly called the "Sharon Ridge oil field road" and other routes to the field in excellent condition at all times.

Plans were announced at Tuesday's luncheon for an extensive membership drive within the next few weeks. A considerable amount of interest was expressed in the weekly football quiz.

Lions Club guest was C. S. Perkins, Sweetwater attorney, a former Snyder lawyer. Perkins said "the cordiality evidenced by Snyder people constitutes, in my opinion, one of the county seat's most valuable assets."

### SUNSHINE AIDS CROP HARVEST

Continued pretty weather this week that meant ideal harvesting days for county farmers resulted in county ginnings climbing slightly past the 11,300-bale mark through Wednesday. Snyder's five gins reported 5,525 bales through Wednesday.

Official government report for county ginnings prior to October 18 indicated Scurry County ginned 8,195 bales. Figures furnished by Ira R. Sturdivant, official crop reporter, show 15,080 bales were ginned in the county prior to October 18, 1938.

After you have saved that two minutes, what are you going to do with it? asks the Texas Safety Association.

### One Cent Sale Gets Results for Stinson

"A splendid success" was the way Joe and Lee Stinson, operators of Stinson Drug Company No. 1 described the opening days of the annual four-day Rexall one-cent sale, which ends Saturday at the north side store. The Rexall sale, nation-wide in its scope, features drug and household specialties at two for the price of one, plus one penny. As usual, Mrs. J. R. Sheehan of Hermleigh is assisting with the sale.

### COUNTY BOARD MEETS

The county superintendent's office announced Wednesday the regular meeting of the county board of education will be held Monday afternoon, 2:00 o'clock, in the Commissioners Court room. Matters of vital interest to the welfare of public schools in Scurry County will be taken up by the county board at this November 6 session.

### SOIL DISTRICTS ASKED FOR SCS

The proposed 763,000-acre soil conservation district mapped out for Scurry, Mitchell, Sterling, Nolan and Coke Counties is one of seven asked for since the Soil Conservation Board announced 60 days ago it was ready to receive petitions from landowners for the establishment of soil conservation districts, officials of the state SCS office at Temple said Wednesday.

The seven suggested soil conservation districts, covering parts of the area from Dickens and Kent Counties to Wichita, Wilbarger, Coleman, Runnels and Shackelford Counties, include five and a half million acres. This is the equivalent of 37 per cent of the total farm and ranch land of the area, according to statistics.

### RED CROSS HELPS FORCES

With a 40 per cent increase in army and navy personnel voted by Congress, your Red Cross will be called upon for greater service in the year to come. Last year Red Cross assistance was given in more than 250,000 instances for members of the armed forces and for veterans of past wars. Answer the Roll Call of your chapter between November 11 and 30.

R. R. Patterson, local attorney, was in Austin Monday on business. He returned Tuesday.

Helen Cagle and Kenneth Alexander, stenographers in the Mitchell County office of the Farm Security Administration, Colorado City, spent the week-end in Snyder.

Truman Ivison visited in Dallas and Arlington last week.

Frances Stinson was home from Howard Payne College, Brownwood, for the week-end.

### MIDWEST GETS AUTHORITY TO EXTEND LINES

#### 150-Mile Extension of Two-County Project Would Bring Service To Almost 1,000 Patrons

energizing of the Rotan-Camp Springs REA line last week was an activities development headliner on the 155-mile rural electrification project which is now serving customers in a wide area of Fisher and the east part of Scurry County.

According to information obtained Tuesday from REA officials, the two-county project, officially known as Midwest Electric Cooperative, was recently granted authority to develop 150 additional miles of electric line in the territory served by the projects already underway.

If the additional 150 miles of high line is developed, it will bring the total number of customers served by Midwest to almost 1,000, the total number of miles to 447 and federal appropriations to \$344,000.

The latest grant authorized for the Fisher-Scurry County REA project will make necessary the securing of 350 more members who will meet the usual demands of minimum service charge of \$2.95 for 30 kilowatt hours.

With this additional line Midwest will have customers in Fisher, Scurry, Jones, Borden, Nolan, Mitchell Counties. Greatest mileage will be in Fisher, which has 305 miles. Scurry will have 111 miles, Jones 10, Borden three, Nolan and Mitchell Counties three miles each.

First federal grant received by the Midwest Electric Cooperative, which was to serve Fisher and part of Scurry County with a headquarters office at Rotan, was December 28, 1938. This amount was to be used in constructing 55 miles of high line at a cost of \$137,000.

A grant of \$107,000 was received October 6, 1939, for construction of 142 miles, and the latest grant was additional high line building not to exceed 150 miles at an estimated cost of \$100,000.

REA engineers started Tuesday about 60 miles of the latest authorization has already been worked up in the southern part of Fisher County. When complete, the new extension project will serve the extreme northeast and southeast parts of Fisher County, with a small part of Jones County included, and the

### Cogdell Girl, 13, Succumbs After Siege of Illness

Martha Ann Cogdell, 13, daughter of Mr. and Mrs. D. M. Cogdell of Southwest Snyder, prominent Scurry County ranch family, died in an Abilene hospital early Sunday morning following a lingering illness. Martha Ann had been in the Abilene hospital since May with the exception of a 10-day period spent at her home here.

Funeral services were held at the First Methodist Church Sunday afternoon, 5:00 o'clock. Rev. I. A. Smith, Methodist pastor, assisted by Rev. M. W. Clark, conducted final rites.

Born March 4, 1926, at Leuders, Martha Ann had lived in Snyder for several years. She was a student in Snyder High School and was active in school and social affairs.

Her father, D. M. Cogdell, had undergone surgery in an Abilene hospital last week, and although recovering, he was unable to attend his daughter's funeral.

Survivors, besides her parents, include two sisters, Jonisue of Snyder and Mrs. Colin Forbes of Los Angeles, California; three brothers, D. M. Cogdell Jr. and Billy Cogdell of Snyder and Marion Cogdell of Los Angeles; her grandparents, Mr. and Mrs. D. M. Oldham of Abilene; six uncles, E. I., Earl, R. C. and H. C. Cogdell, Billy and Clyde Oldham, all of Abilene; and four aunts, Mrs. E. T. Pitzer and Mrs. Earl Terrell, both of Abilene, Mrs. David Walker of Stamford and Mrs. Joe Clements of Cisco.

Pallbearers were the six uncles, E. I., Earl, R. C. and H. C. Cogdell, and Billy and Clyde Oldham, all of Abilene.

Misses Mary Sue Sentell, Genevieve Yoder, Virginia Preuitt, Mary Louise Taylor, Mary Oldham and Josephine Miller of Cisco were in charge of floral offerings.

Funeral attendants included Mr. and Mrs. David Walker of Stamford, Mr. and Mrs. Joe Clements of Cisco; Mr. and Mrs. Earl Terrell; Mrs. E. T. Pitzer; Mr. and Mrs. Earl Cogdell; Mr. and Mrs. H. C. Cogdell; Mr. and Mrs. R. G. Cogdell; Mr. and Mrs. E. I. Cogdell; Mr. and Mrs. Frank Cogdell; Mr. and Mrs. Billy Oldham; Mr. and Mrs. Clyde Oldham; Judge and Mrs. Milburn S. Long; Mr. and Mrs. G. R. Moore; Mr. and Mrs. C. B. Ross; Mrs. Jessie Smith and Caro Russell, all of Abilene.

Odum Funeral Home was in charge of funeral arrangements, with interment in Snyder Cemetery.

south and southwest parts of Fisher County.

Included will also be three miles each in Nolan and Mitchell Counties, through Scurry County from the southeast to the northwest part, and three miles in Borden County.

First current for the Fisher County part of the rural electric line was turned on October 10, which energized 50 miles of line.

### Champions of Products Show

Two championship winners in the livestock division of Scurry County's second annual Products Show, held here recently, are shown in the two pictures above. Top photo gives an excellent view of the champion aged draft stallion, exhibited by the Diamond M Ranch of Bison. In the bottom picture Bill Taylor of Snyder is seen standing by his champion light stallion.

### Stock Trading In Area Sees Brisk Business Lately

Information gathered from Scurry and adjoining county ranchers this week indicates a considerable amount of buying and trading has been taking place the past few days.

A summary of sales and other activities on the ranching front follows: Billy Boren of Snyder has moved 1,400 head of sheep to a 10-section ranch near Clayton, New Mexico, which he recently leased for five years. Boren, who moved his ewes and ewe lambs, sold his mutton lambs to W. B. Willingham of Hobbs. Boren formerly operated the Riley Ranch, which was sold to the Comptons.

The Comptons, former Shackelford County residents, have leased the place in turn to a Menard party.

P. I. Fuller, county rancher who lives on the Clairmont route north of Snyder, recently purchased 10 head of registered Hereford bull calves from Winston Brothers at \$150 around. Fuller sold and delivered his steer calves early in the season for 10 cents per pound to buyers from a Canadian ranch.

E. E. Wallace, rancher south of Clairmont, has contracted his calves for November 1 delivery to Sam Arnett of Lubbock.

Rich Miller & Sons of Gall have contracted 1,200 head of steer calves for November 1 delivery to Tom Good, Big Spring cattle buyer and rancher, with a reported price of \$35 around. The calves will be placed on Good's Borden County ranch.

J. J. Koonsman of Lloyd Mountain, well known as a breeder of registered Herefords, recently sold his entire calf crop for eight and nine cents a pound.

A purchaser at John B. Stribling's Hereford sale south of Hobbs store last week, Koonsman paid \$350 for Good Domino, a fine animal calved in November 1938. Stribling sold 134 head of registered Herefords for a total of \$38,000 at his third annual sale.

Mmes. Henry Whitehurst, Audie McElyce, Bill Crowder and Pud Crowder were in Merkel and Abilene shopping Tuesday.

Thelma Lee Burditt, graduate of Snyder High School and King's Daughters Hospital in Temple, was in Dallas last week taking state board examinations.

Marion Altman of Abilene visited in Snyder last week with Mr. and Mrs. H. B. Altman.

Theo Rigby of Throckmorton and Fred Boyd of Abilene were week-end guests of Rigby's parents, the A. H. Rigbys, and friends.

Mr. and Mrs. Jim Jones of Portales, New Mexico, visited with her mother, Mrs. Lily Horton, here Sunday.

Mrs. Byrle Rigby and young daughter, Betty, of Odessa spent the week-end with Mr. and Mrs. A. H. Rigby.

### Lubbock Clinic For Crippled To Attract Crowds

Representatives from Scurry, Borden, Kent and Fisher Counties will join delegates from 19 other West Texas counties at a clinic for crippled children that will be conducted in Lubbock November 15 under the direction of the crippled children's division, State Department of Education.

The clinic, which will be held under the auspices of the Lubbock County Crippled Children's Council and the Lubbock-Crosby County Medical Association, is slated to attract between 200 and 250 delegates.

Drs. Frank Goodwin of El Paso, Charles F. Clayton of Fort Worth and Sam Driver of Dallas will conduct the clinic.

V. B. Watson, superintendent of rehabilitation at Lubbock, stated Tuesday 300 crippled children in the following counties are receiving treatment under the state department's program: Scurry, Borden, Fisher, Kent, Bailey, Cochran, Cottle, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Stonewall, Terry and Yoakum.

Palbearers were Lee Stinson, W. P. King, W. R. Bell, Frank Farmer, Walls Fish and Melvin Blackard.

Odum Funeral Home was in charge of local funeral arrangements. Interment was in the Temple Cemetery.

### John W. Smith, Aged Stockman, Passes Tuesday

John W. Smith, 89-year-old county resident, died early Tuesday morning at the home in Southwest Snyder of his daughter, Mrs. W. W. Hamilton, following a several-week illness. Rev. I. A. Smith, Methodist pastor, conducted funeral services Tuesday afternoon, 5:00 o'clock, at the family residence.

Survivors include four daughters, Mmes. Carrie Littlefield of Pendleton, A. W. Waddill of Snyder, Emma Vick of Valentine and W. W. Hamilton of Snyder; and three sons, J. S. Smith of Lampasas, J. P. Smith of Cross Plains, and Sydney Smith of El Paso.

John W. Smith was born April 18, 1850, in Mississippi, and with his parents moved at an early age to Milam County. After he received his education in the Cameron schools, Smith married Miss Dora Daniel in 1875, and established his residence on the ancestral lands of his father, where he engaged in stock raising.

Smith moved within a few years with his family to Coryell County, and later to San Angelo. He had been living with his daughter, Mrs. Hamilton, for almost three years.

Palbearers were Lee Stinson, W. P. King, W. R. Bell, Frank Farmer, Walls Fish and Melvin Blackard.

Odum Funeral Home was in charge of local funeral arrangements. Interment was in the Temple Cemetery.

### 220 in County Get October Checks for Average \$8.24 Pay

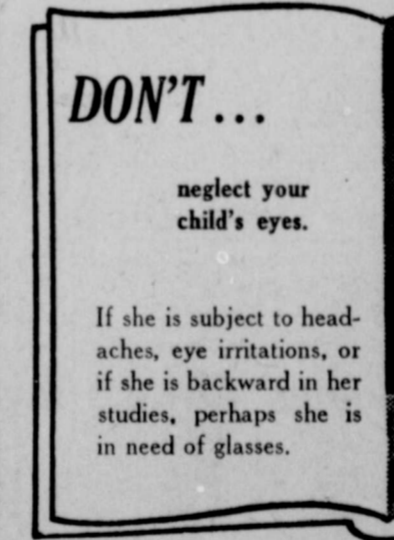

The last of 121,688 October old age assistance checks, each sliced \$6 under September benefits, were mailed out from Austin last Thursday, Adam R. Johnson, director of the Public Welfare Department, said.

Section 31 of the Public Welfare Act of 1939, which became effective September 1, prohibits a list of recipients, or the amount they receive, being sent henceforth to county clerks or other county officials, but September records indicate 220 Scurry County aged received assistance checks ranging from \$10 to \$25.

October payments, following the horizontal \$6 reduction, averaged \$8.24. The reduction in October pension checks was made because of the necessity of repaying a bank loan beginning this month.

Pensioners receiving a \$6 reduction in October benefits may find some solace in the fact the federal government has ruled that recipients are eligible, if sufficient need is shown, to receive surplus commodity food supplies.

Drive carefully and be here to celebrate the rapidly approaching holidays, the Texas Safety Association urges.

### Forty-Five Church Young People Here For Sunday Session

Forty-five Presbyterian young people from four West Texas towns joined local Presbyterians at the local church Sunday for regular fifth Sunday Abilene Presbytery meeting. Four ministers were present. Rev. C. H. Ward, local minister, preached the afternoon sermon.

The out-of-town delegation here for the Sunday afternoon and evening meeting included 20 from Abilene, six from Brownfield, 12 from Albany and six from Post. The three visiting ministers were Rev. Owens of Albany, Rev. J. B. Ramsey of Post, Rev. Fred Walker of Brownfield.

Opening devotional was in charge of local young people. Arthur McDowell read the scripture, and Irene Barron gave the devotional talk. For discussion of "Dancing, Right or Wrong?" the crowd broke into two groups, later reassembling to present main points of interest to all.

Following a hamburger supper served by women of the local church, the young people were led in their business session by Sam Webb of Albany, president of the presbytery. The group will hold January meetings in two towns—eastern section at Albany, and western section at Brownfield.

Rev. Ward led the hour's vesper service from 6:30 to 7:30 o'clock, preaching the main sermon of the day.

### Rev. Harrison Will Attend 3-Day BSU Meeting at Abilene

Plans were made this week by Rev. Ira Harrison, pastor of the First Baptist Church, to represent Snyder November 3 at opening sessions of the three-day state-wide Baptist Student Union gathering at Hardin-Simmons University, Abilene, November 3, 4 and 5.

Featured speakers will include Charles A. Wells, famed traveler and cartoonist; Dr. Frank H. Leavell, south-wide secretary of Baptist student work, Nashville, Tennessee; Dr. L. R. Scarborough, president of the Southern Baptist Convention and the Southwestern Seminary.

Despite urgent warning from safety leaders, Death, the relentless killer of the highways, scored heavily in September.

## Praise—and Scurry County

Justified praise is the key that will open almost any heart. It is the steamroller that will smooth almost any broken friendship. It is the magnet that will draw almost any man—or woman—to the praiser.

This principle of justified praise, used liberally this year in Snyder and Scurry County affairs, has solved more problems, built more good will, welded more long-broken friendships than any other factor. All of us know this principle of progress, but few of us, under ordinary circumstances, have the will power or the fortitude to practice it.

Justified praise made of the Scurry County Products Show one of the greatest small-city shows in Texas. Justified praise helped assure our highways, helped build good roads—and will help build even better ones—to the oil field.

And some of us have learned at long last that praise—and the willingness to do instead of criticize—will bring Snyder her share of oil field business.

There is a time for adverse criticism, all right . . . for burning words that melt opposition. But, 99 per cent of the time, praise will win its thousands while adverse criticism will win its tens. One is almost safe in saying that to criticize is human, to praise divine.

### Victims of Memory

When the Halloween pranksters were soaping windows and windshields, overturning outhouses, scattering trash and otherwise venting their devilish natures, many a Snyder merchant was chomping at the bit. "There ought to be a law, and it ought to be enforced!" But if you happened to shove almost any of the grippers in a mental corner and force them to admit that their boyhood Halloween pranks were probably more damaging and gripping, they promptly calmed down and turned to more pleasant subjects.

### War and the Skipper

Darkness gathers in deepest gloom,  
Lightnings flash the peal of doom,  
While lifeless forms now strow the ground,  
As again and again we hear the sound,  
Blood-stained banners wave unseen,  
By lightning flash the cannons gleam,  
On and on through ceaseless night,  
Sons of earth keep up the fight,  
The only light that breaks the day  
Comes to the forms that silent lay—  
To these alone has victory come,  
To these alone God's light is won.  
—The Skipper.

### Initials or Sneezes

Talkative Tillie says the war mongers of Europe would create a lot more interest in their propaganda if they would reduce the names of their generals and capitals to New Deal alphabetism. After all, it's pretty hard to get interested in anything or anybody you can neither spell nor pronounce. Now if Smigly-Rydz had been known simply as SR, perhaps his Poland would have received more world sympathy . . . and assistance. And if Czechoslovakia had broadcast a world appeal simply as CS, her cause might have received something more than moral support. Now if Finland will change Helsingfors to HSF, perhaps she may dodge the fate of SR, CS and KSS (Kurt Schuschnigg, former Austrian chancellor).

### Holiday to You!

The Colorado City Record speaks an able piece on holidays: To our way of thinking, the holidays are all messed up this year. . . Here comes Armistice on Saturday—and how much of a holiday can business men be expected to make out of a "buying" season that is already far too short? . . . And then there's this mix-up on the Thanksgiving date—we'll take the established last Thursday, but the day is bound to see something through the knowledge that what is Thanksgiving Day to us will be just another Thursday to a great part of the nation. . . To cap it all, Christmas comes on a Monday—which makes Christmas Eve fall on Sunday night. . . A nice time for it as far as church programs and those things are concerned, but we'll miss the last-minute downtown busting about that always characterizes a week-day Christmas Eve. . . Still, that last-minute busting is anything but fun for hurried store clerks, so maybe it's more than slightly selfish to bring up this angle.

### You May Live Longer

Information released this week by life insurance statisticians indicates American babies born this year will live, on an average, 12 years longer than those born at the beginning of the century. . . Since 1901, for instance, life expectancy of the average person has jumped from 49.2 to 61.4 years. . . Even conceding the fact life expectancy of the average person has been considerably increased since the turn of the twentieth century, a great many milestones will yet have to be passed by science before we can hope for very many more marked increases in life expectancy of the average man or woman. . . Hardening of the arteries, plus a changed condition of the body's bones after middle age still offer some problems that must be solved before researchers can hope to attain the fountain of youth for the human race.

## Current Comment

BY LEON GUINN.

That the nation's cotton surplus may be reduced considerably before the 1940 crop is harvested was indicated Monday in Washington by federal farm officials, who predicted American cotton supplies would be reduced by approximately 1,000,000 bales by August 1, 1940. . . Federal officials based their prediction on a recent spurt in exports, expansion in domestic production, increased consumption of cotton products and prospects that this year's 12,000,000-bale crop would fall short of supplying foreign and American needs during the crop marketing season.

An understanding of why prices being paid for the 1939 cotton crop are so disappointingly low may be arrived at when one considers the fact an all-time record surplus of 14,123,000 bales of American cotton in this country and abroad started producers in the face when the current crop started moving to market. . . The surplus stock of 11,000,000 bales now stored under government price bolstering loans to farmers is probably doing more than any other one thing to hold the price of cotton down, since private buyers see no reason why they should attempt to buy cotton beyond prices at which the government can obtain it under a loan agreement.

Self-styled market specialists, who were predicting three months ago that cotton farmers would receive from \$12 to \$14 per ton for cottonseed this year have taken down their signs, since seed at the moment are bringing from \$27 to \$29 per ton. . . Cottonseed this year is easily the second largest money crop in Central West Texas, with 11 oil mills in a 12-county area surrounding Snyder buying almost \$18,000,000 worth. . . Increasing demands by the chemical industry for vegetable oils, plus larger sales of hulls, meal and cake is putting cottonseed on the agricultural map this year more so than at any time within the past five years.

One of the most interesting developments in the field of inventions within recent months is the announcement by a reputable mid-western technical firm that its engineers have perfected a fog-penetrating apparatus capable of making a target clearly visible to the naked eye through 300 yards of heavy fog or smoke. . . Stated to be of considerable help to air and sea navigation, the invention employs a system of sending out a beam of infra-red rays which cut a clear channel of vision through either fog or smoke. . . Not content with their present success, engineers of the mid-western firm think they can double the range of their present equipment in the near future.

Molasses was saved last week as iron king of the food world by Massachusetts Institute of Technology scientists, who shattered the myth that raisins and spinach occupied top rung positions as iron content foods, and gave summarized tables showing that molasses, by weight, had the highest iron contents. . . Beef liver was second on the list and oatmeal third. . . Raisins were found far down the list as an iron content food, and spinach, which has been ballyhooed widely in story and song as fodder for the red-blooded, was found near the bottom of the list.

The M. I. T. scientists, Drs. R. S. Harris, J. M. Bunker and L. M. Mosher, found that molasses may be used to good effect in the treatment of nutritional anemia, widely prevalent among growing children. . . Experiments also indicated that the poorer and less refined grades of molasses—a by-product of sugar manufacture—are a great deal richer in the iron needed for building hemoglobin, which is the red coloring matter in blood corpuscles.

Cinnabar mine operators in the Terlingua district of Texas are still not satisfied with the \$160-per-flask they receive for quicksilver as a result of sky-rocketing war prices, and have hopes that the price-carrying mineral will yet bring \$600 a flask, amount received during the first World War. . . Our Texas mine operators, however, who dream of a quicksilver gold mine in the sky should be well pleased with current prices, since the mineral was selling for only \$80 per flask before the present European conflict started.

When a landlubber takes to the sea he may be forgiven for his bold decision, but when a navy takes to a fleet of armored automobiles to cruise up and down ice-covered rivers in the winter time, that is considered from almost any angle a news oddity for the record book. . . Yet the Manchukooan Navy, worn out by the severity of northern winters, not only purchased a fleet of armored cars last week to cruise up ice-covered river, but ordered special compartments built in the armored cars for heaters, just in case Manchukooan sailors began to freeze out.

This year will probably be noted as one of the few in contemporary American history when we will observe two Thanksgivings, but when seven-year-old Anne Murray of Sioux City, Iowa, heard about it last week she promptly sat down and wrote a letter to President Roosevelt, stating two Christmases would be mighty fine to blend in with two Thanksgivings. . . President Roosevelt said Monday that little Miss Murray's letter would be difficult to answer either way.

## SCHOOLS WILL GIVE CARNIVAL AT FLUVANNA

Football Game and Other Features Highlight Benefit Program for Thursday, November 9

Football, free picture shows, a concert by the Snyder High School Band and the climaxing event of crowning a carnival queen are only a few highlights of Fluvanna's annual School Carnival which will be staged at Fluvanna School Thursday and Friday night November 9, on the school campus.

An opening feature of the annual school carnival will be a football game the afternoon of November 9, 2:30 o'clock, between the Fluvanna Buffaloes and the Hornleigh Cardinals, a game that is slated to attract a record crowd of fans to Fluvanna's athletic field.

Carnival climax the night of November 9 will be the crowning of a carnival queen with a sending dukes and duchesses from all schools of Scurry County.

Free picture shows will be given throughout the day, with two basketball games scheduled between the Fluvanna, Ira and Pyron girls. Athletic show features will include boxing and wrestling.

Bingo, food concessions and other forms of entertainment that go with school carnivals will be on tap, E. O. Wedgeworth, Fluvanna school superintendent, stated Tuesday.

The Snyder High School Band, under directorship of Herman Trigg, will give a band concert in the school auditorium, as an added attraction.

A hit of the 1938 Fluvanna carnival, and a feature that will be repeated this year, will be a giant fireworks display at the athletic field as a closing highlight of the night program.

Proceeds from this year's carnival will go to finance the school's extra curricular program that is meeting with a marked degree of success.

A petition was circulated among the business and professional men of Snyder this week, asking that a branch office of the Midwest Electric Cooperative Inc., whose headquarters are at Rotan, be established in Snyder to serve the Scurry County end of the six-county rural electrification project. The petition, circulated by the Chamber of Commerce, will be sent to Midwest board of directors within the next few days.

## Church of Christ Get Acquainted Services Popular

Splendid crowds have been attending the "get acquainted" services being conducted at the Church of Christ each night this week, Le Moine G. Lewis, local minister, said Wednesday.

First speaker Monday night in opening services of the "get acquainted" week event was Bro. Oscar Smith of Cooper, who represented the Fluvanna church. He spoke on "The Bible." Leonard Bankhead, minister of the Colorado City church, gave a sermon Tuesday night on "The Church an Epistle of Christ."

Wednesday evening speaker was the Rescue Church of Christ minister, whose theme was "Things That Make the Church Great."

Speaker this (Thursday) evening will be J. P. Crenshaw from the Sweetwater church. Everyone is extended an invitation by church leaders to attend tonight's services and remaining services Friday and Saturday evenings.

"The Glorious Church" will be the subject of D. Lee Hukel, minister of the Rotan church, Friday evening. J. H. Miles, minister of the Spur Church of Christ, will give the concluding sermon Saturday night. Each minister who has given a sermon on the "get acquainted" week program has brought a sizeable representation from his home town church. Interest in all services has exceeded expectations, congregation leaders report.

## Church of Christ

"The Savior's New Commandment" will be the subject of the Sunday morning sermon. In the evening at 6:30 o'clock the young people in their meeting are going to have a round table discussion on the subject, "Christian Recreation." The evening theme at 7:30 o'clock will be "Rightly Dividing the Word."

On Wednesday evening at 7:30 o'clock the pastor will give a summary of the book of Deuteronomy. You are invited to these services.—Le Moine G. Lewis, minister.

### RED CROSS AIDS SICK.

Prevention of disease is one of the most important programs carried on annually by the American Red Cross. Last year, 62,000 persons completed Red Cross courses in home hygiene and care of the sick. Only through your support can this work continue at full strength in the year ahead. Join your local Red Cross chapter during Roll Call, November 11-30.
