Wellington Bank Deposits Pass \$32 Million Figure

Wellington's two banks, City State and Wellington State, ended operations for the first quarter of 1978 with deposits of over \$30 million, the highest point for this season in the county's financial history.

The \$30,570 million figure has risen \$3.5 million in the last 12 months, from \$27,037.

These deposits are also up \$5.9 million over the first quarter figure two years ago and \$11.153 over the figure three years ago.

Assets, following the same trend, now total \$32,932,000. This is \$3.75 million over assets a year ago and \$6.26 million above the figure two

years ago. Assets have risen \$9.5 million in three years. The current deposit and asset figures are from the reports of the banks to the Federal Reserve Bank and State Banking Commission, at the end of the first quarter, March 31.

It is significant that the \$32.9 deposit figure is higher even than that reported at the end of the year, usually a high point in county finances. At that time, the two banks had on deposit \$27,409 million. Even that was a record figure. In the next two weeks, with cotton money still coming in, deposits passed the \$30

million mark but did not reach the present figure.

In most years, deposits drop after the end of year high, as farming operations begin and debts are cleared.

A more amazing figure emerges, however, when it becomes apparent that the deposits in the Wellington banks now are three times what they were when this decade began—1970. At that time there was on deposit \$10,534,000.

Breaking down the deposit figure, customers of these two banks have in demand deposits \$11.4 million, but they have on interest-bearing time deposit \$19.1 million.

Each of these categories is up about \$2 million over a year ago.

There was little change in the loan figure from that of the first quarter 1977. Currently, the banks have \$17.5 million in loans. A year ago it was \$17.4 million.

Assets, deposits and loans back to 1970 includes:

City's Machine Hire Practice Questioned

Reports to an Amarillo television station that the City of Wellington is using its equipment to do work for individuals or businesses without charge has triggered reaction from council members and administrators.

It ranges from "Let's not get the whole Panhandle involved in our deals," to appreciation that the reports were checked out by Channel 7 KVII before they were put on the air.

Phil Woodall, KVII newsmen, was in Wellington Friday, April 7, to talk with several members of the city council concerning the reports, which appeared in segments Monday and Tuesday nights, April 10 and 11.

Mayor Bill Hatch said he spent the afternoon with Woodall checking the city's books.

"I appreciate the fact that they (KVII) came down and checked it out," said the mayor. "I think when they checked our books they felt it (the report) wasn't anything that needed investigating."

"So much of the time the city is the only one that has the equipment that is needed. Nothing is different to what

our policy has always been. The city has done work for two members of the council and both of them paid for it," Hatch said.

Councilman Tom Wilkins said that anyone who has a grievance with the city should bring it before the council. "I just really think we ought to settle our differences at home. I don't think we ought to bring anybody in from out of town. I just really believe that," Wilkins said.

Wilkins said that the whole thing leaves the impression that the city is doing something that is not for the best interest of the community. He said Woodall told him he felt it was small-town politics.

Ralph Owens, a former member of the council who will return when he is sworn in Monday night, said: "I'm of the strict opinion we can tend to our own business here at home. We have always survived by ourselves."

Willie Gragson, who will also be sworn in Monday, said that he felt he was not qualified to make a statement at present since he is not officially a council member. This is his first time to serve

on the council.

Wayne Cudd believes the city should review its practice of doing work for individuals. Some have indicated they believe Cudd called the TV station.

He denied emphatically that he called Channel 7 about the city's practice. "No, that is not correct. I sure didn't," he told The Wellington Leader.

"I didn't refuse to talk to them," Cudd said. "I know a fellow or two that wouldn't talk to them and that is their prerogative. I think the city's practice of using its equipment doing work for private individuals should be reviewed. I think it's obvious."

Cudd said the city has done work for individuals and has not charged for it. "I felt that way. I still do, but that's a feeling."

City Manager Tiny Taylor said it has always been a practice for the city to use its equipment to do work for individuals and businesses if no other equipment is available, but charges are made for the work.

"It's a recognized fact in small communities that cities have to do this," he said. "I'm certainly not soliciting any of

this work. We have all we can do for the city. I have told a lot (of people) I don't have time to do it and to get somebody else and they come back and say 'I can't get anybody else,' "

Taylor said. It has always been a practice of the city to blade the lots free of charge where new homes are to be built, he said.

It has also been the city's practice to do similar work without charge for new businesses coming into town.

In a city ordinance passed March 4, 1974, the council set the rate to be charged for certain machine hire: backhoe, \$20 per hour; air compressor, \$10 per hour without a man and \$15 with an operator; trencher, 40 cents per foot plus \$10 per hour.

"It stops there. I guess I have set the rates on the maintainer and dozer," Taylor said. The city charges \$30 per hour on work done with the bulldozer and \$25 per hour on work done with the loader and maintainers. "What we need to do is get everything patched up and work together," he said.

Lyndon Crelia, who is beginning his second term on the council, said the council

should do everything it can for the city's progress. He was unhappy with the publicity given to what some believe was an illegal act, the use of city machinery for hire. He said that the city had done nothing illegal and that it is trying to improve itself. He would like to see it get on with projects that can upgrade Wellington.

Friends of Library Set Meeting Dates

A new meeting time has been set by Friends of the Library, the second Thursday of each month at 7:30 p.m. in the county library.

The next meeting will be May 11, and Virginia Browder, who has worked with the Memphis Library, has been invited to speak.

Friends of the Library have acquired an office to receive old newspapers, books and magazines, and this will be open each Thursday from 1:00

Housing Authority Asks Loan for Low Rent Units

The Wellington Housing Authority voted unanimously Tuesday, April 11, to file an application with the Department of Housing and Urban Development for a loan of \$1,185,205.

This would cover the cost of constructing 35 low-rent housing units to be built in the city.

The application must be in the HUD office at Dallas by April 19, according to Mayor Bill Hatch. He and City Manager Glen Taylor met with the authority members.

"We're going to have a lot of work to do—a lot of work," Hatch said.

The \$1,185,205 loan will be a continuation and identical to the loan covering the present low-rent housing project here.

said Mrs. Vines, secretary.

Under the stipulations of the loan, the city will pay an annual contribution to the federal government, and at the end of the loan period, HUD will give the city a clear title to the property.

It is not yet known where the units will be located or when construction will begin.

The city council passed a resolution March 20 approving an application for the loan. This was passed on a 2-2 tie vote with Mayor Hatch voting in favor of the application.

This was on the same day Taylor was notified that Wellington could qualify for 35 units of Section 3 housing under HUD funding. The council had only a few days to notify HUD that they would

apply for the funds, which at that time were referred to as a grant, but which are, in fact, a loan.

The loan will cover the purchase of lots, construction, curb and guttering, architect's fees and administration, according to Mrs. Vines.

Section 3 Housing is for "large families, other families, the elderly and handicapped," according to Taylor.

Seven of the 35 units will have three or more bedrooms; 14 will have two or three bedrooms and 14 will have one.

Poverty guidelines will be applied to determine those eligible to occupy this housing.

Methodists Raise \$20,000 At \$100-per-plate Dinner

Members of First United Methodist Church may worship in their new sanctuary within a month, David Baumgardner, building chairman, said Friday evening, April 7.

The announcement came during a \$100-per-plate fundraising dinner, the first ever held in Wellington. Methodists bought 220 tickets to this, and more than 200 of them attended, along with a few guests.

The event, planned to be relaxed and with most time given to visiting was in Bura Handley Community Center.

Mayor Bill Hatch was master of ceremonies. Baum-

gardner was the only spokesman, and his brief talk concerned the success of the ticket drive.

Baumgardner gave recognition to the man who first suggested the \$100-per-plate dinner, Cecil Masten, who on the night it was held, was ill in an Amarillo hospital.

Mayor Hatch estimated that more than \$20,000 was cleared in this event.

He announced that Gary Mauldin, a student in McMurry College, has been hired as youth director for the summer, and in turn, presented a program of vocal selections. His accompanist was Carla Blacketter of

Shamrock, also a McMurry student.

The Rev. Tom Thomson, pastor, gave the invocation.

Returning for the dinner were several former members, Dr. and Mrs. E.K. Jones of Amarillo, Mrs. Tom Campbell of Lubbock, and Dr. and Mrs. Joe Horn of Plainview.

The buffet dinner was catered by Bill McCutchen of the Irish Inn, Shamrock.

Although most \$100-per-plate dinners are attended by adults, this one included children and a number of young people, some of them college students home for the week end.

Miss Wellington Will be Chosen on Saturday

Miss Wellington of 1978 will be selected in a colorful pageant Saturday, April 15.

This will be held at 7:30 p.m. in the high school auditorium, sponsored by the senior class.

Selection as Miss Wellington is regarded as the top non-scholastic honor a high school girl can receive.

Mrs. Bob McAlister will be master of ceremonies.

Between-scenes entertainment will be by dance students of Mitzie Watts.

Each contestant in the Miss Wellington pageant is sponsored by a Wellington merchant, and selection is under way this week.

Each girl will be seen on-stage several times, individually and in groups, so that the audience may enjoy their favorites. Out of town judges

will pick the winners.

First of the dancers to appear will be a trio from Hollis first grade, doing the junior bump, and including Lisa Ford, Courtney Powell and Dede Hudspeth.

Wellington pre-schoolers appearing in Dancing Poodle will be Mindi Watts, Ashley Spillman, Shannon White, Kimi Henard and Candice Blevins.

Disco Dolly dancers from the second grade will be Kaylynn Bartlett, Heather Hendrix, Kristi Keller, Linda Lacy, Angela Watts and Leslie Hammons.

Fifth graders presenting Spectacular will be Lori Lacy, Stephanie Bailey, Tina Bawcom, Stacey Scott and Vanda Wood.

A duo, Melanie Pendleton

and Belinda Crelia, will dance Cabaret.

Eleven Qualify For UIL Regional

Eleven high school students have qualified to compete in the regional UIL interscholastic league literary events at Odessa Friday and Saturday, April 21 and 22. They placed in the top three of their respective events. Four others won fourth places and were designated alternates.

Don Lewis won a first in ready-writing, while Beverly Orr placed second in persuasive speaking and Chuck Darter was third. Kim Judd was third in affirmative speaking and T.J. Roberson was named an alternate.

In the poetry interpretation

contest, Wanda Thomas was third and Renessa Cardwell was named the alternate.

Tina Young was third in prose reading, Verita Simon second in oral ready reading and Sylvia Hunnicutt was alternate.

Kloette Camp, first place winner in shorthand, is making a return trip to the regional. Second place winner was Connie Langford.

Typing winners were Susie Chandler second and Jeffrey Camp, third.

Robert Burba was an alternate in number sense.

Candidates Speak at Rally Fri.

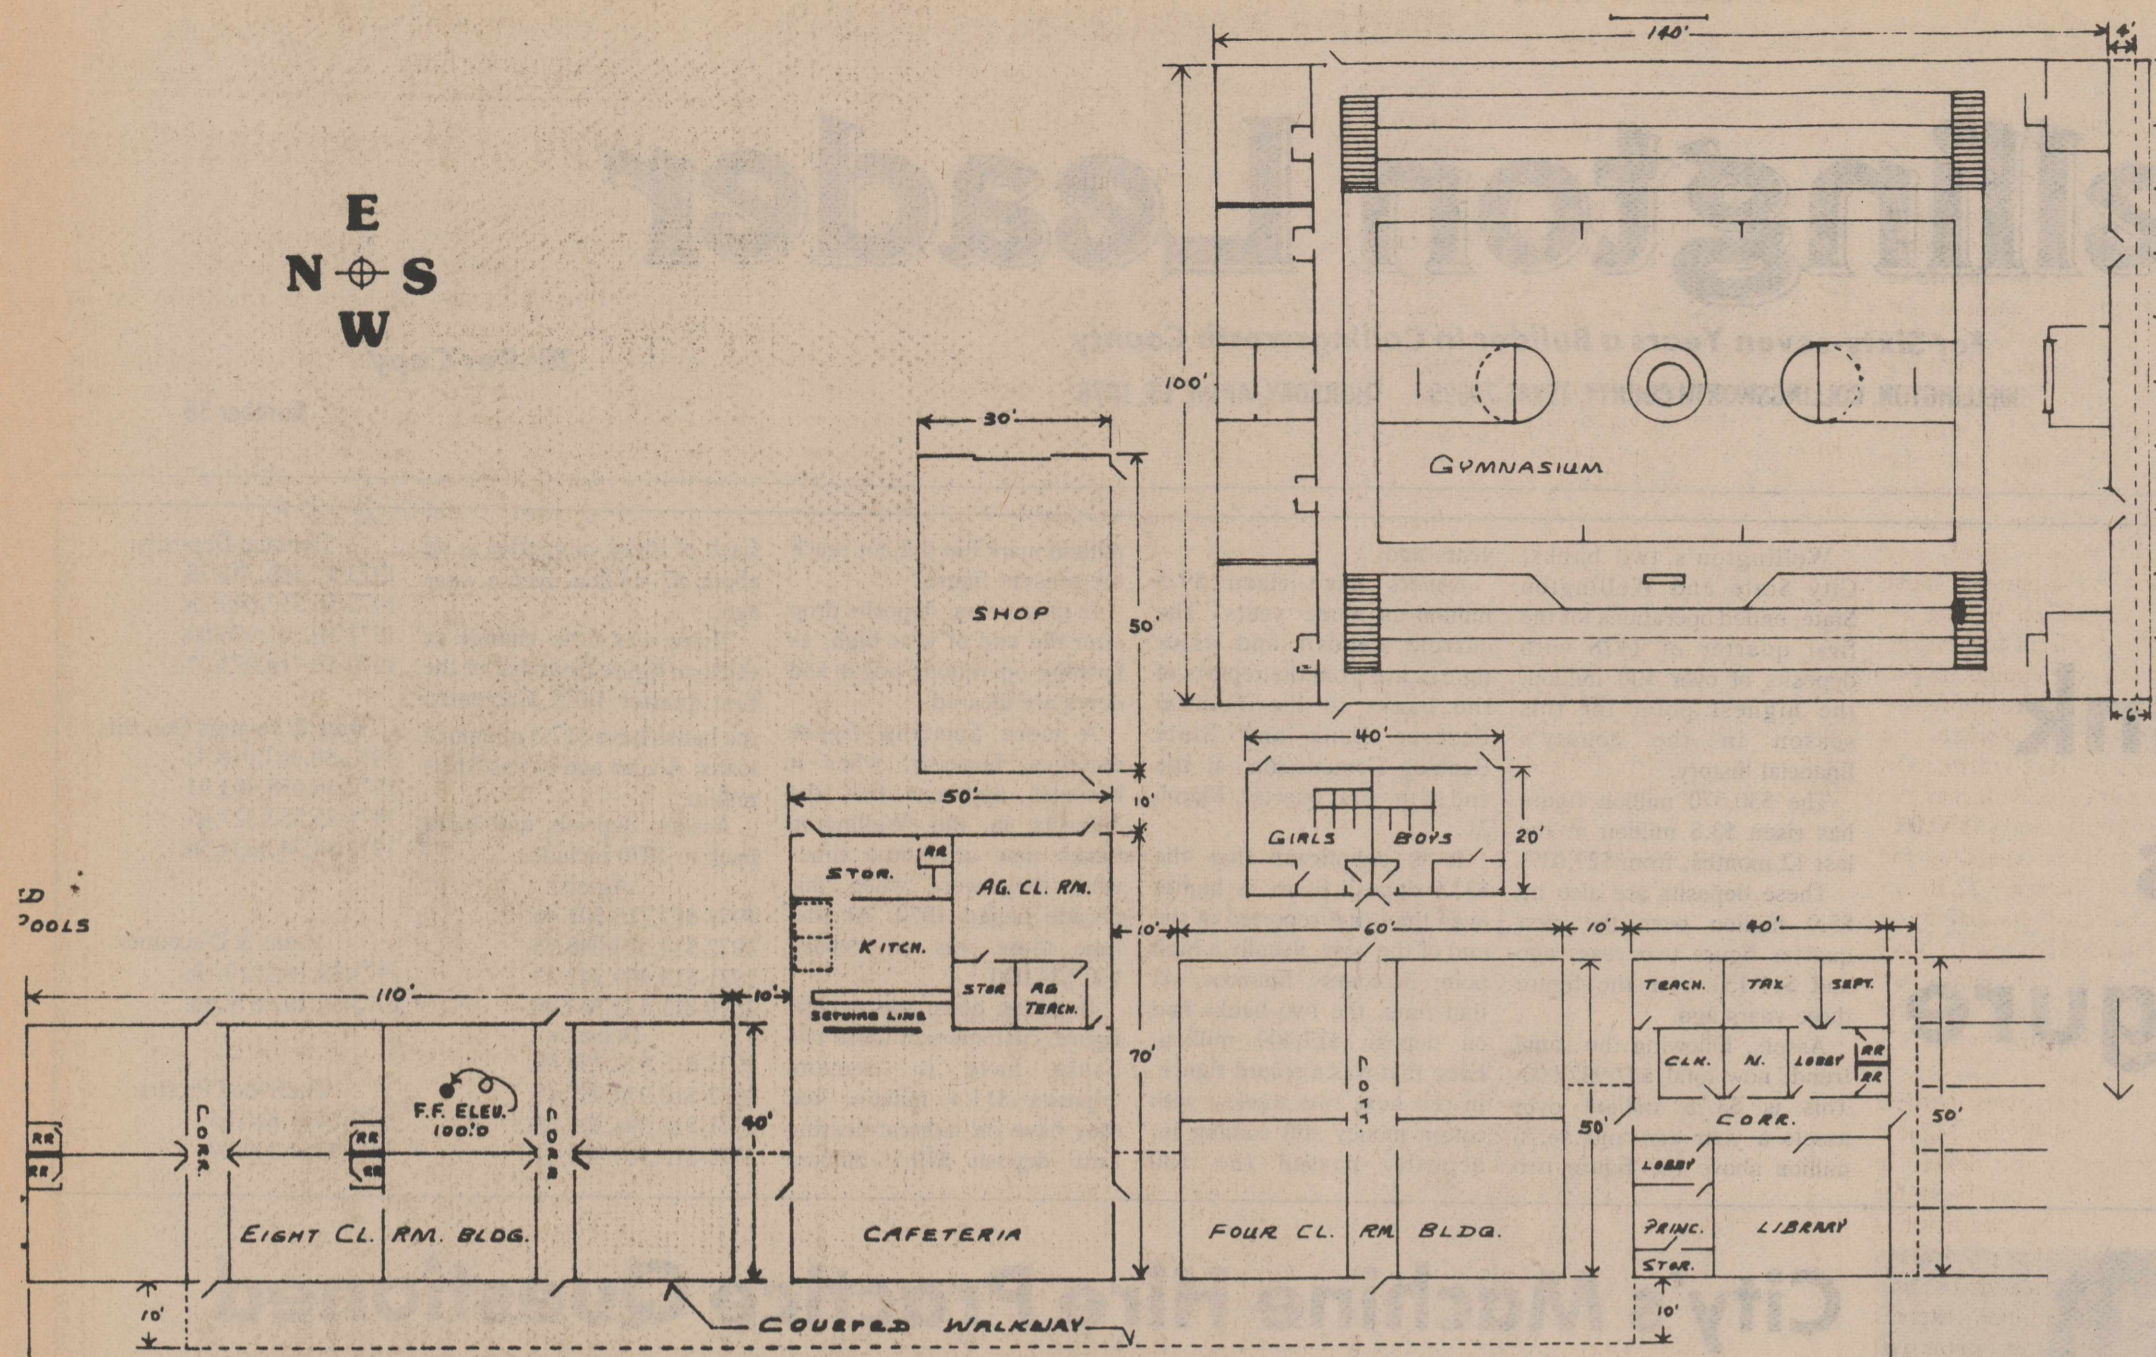

Candidates for State Representative for 66th District are scheduled to answer Collingsworth County voters questions at a non-partisan candidate rally and cake and pie auction Friday, April 14 at 7:30 p.m. in Bura Handley Community Center.

Republican Bill Hale and

Democrats Foster Whaley and Glenn Conrad have made commitments to attend. Candidates for county government offices and other state offices have also been invited to attend, said Kirby Campbell, president of Collingsworth County Farmers Union which is sponsoring the event.

"Candidates will make brief opening statements and then they will answer questions from the audience," Campbell said.

"The public is invited and it's a good opportunity for people to learn more about the candidates for state and county government," Campbell said.

NEW QUAIL SCHOOL SITE PLAN

Four of the seven planned structures for the new Quail School have been completed and a fifth is underway. Now in use are an eight-classroom building, four-classroom building, shop and restroom building. Exterior construction materials for a cafeteria have been purchased and will be erected with money donated to the Quail Loyalty Fund. Supt. Wilford Arthur said a library

and office building will be built if federal pinpoint disaster funding is received by the district, and construction of a gymnasium awaits the outcome of a lawsuit filed by a Quail School District taxpayer group seeking to overturn a bond election last fall which would provide \$295,000 to build the gym.

Wellington's eligibility to apply for a \$500,000 community Block Grant, which is the same as the \$98,000 the city is now using for paving and home improvement in the north part of town.
Mayor Hatch said Monday that in one of his telephone discussions with HUD, he was told the city could not expect to receive the block grant until it had made arrangements for some more low-rent housing.
Members of the Housing Authority are Jack Sanford, chairman, Dennis Laster, John Coleman, George Shadid, and J.B. Oney. All were present to vote for the loan application.
The present low-rent housing project was applied for in 1952 and first occupied in 1957. Dr. Chas. B. Jones was instrumental in securing this project.

Meeting on Block Grant Funds Called at Dodson Tuesday

A town meeting has been called at Dodson for Tuesday, April 18, to discuss distribution Block Grant funds for which the city is making application.
It will be in the American Legion building at 7:30 p.m.
The funds will be used to repair homes and streets and for flood control work within

the town, according to Mrs. Murray Dodson who is one of those working to secure the project.
Meetings such as this to determine how the grant will be spent are required.
Funding for block grants comes from Housing and Urban Development and the one which Dodson is seeking is

the same type as the \$98,000 grant which Wellington and Collingsworth County received and which is being used for street and housing improvement in northeast Wellington.
Minority groups are urged to attend the meeting April 18, as it is desired that all be represented.

Hill Joins FU Insurance Company Here

Farmers Union Insurance Companies announced this week that Ronald E. Hill has joined their company as representative in Wellington.
Born and raised in Amarillo, Hill attended West Texas State University, majoring in agribusiness. After a six-year stint in the Air Force, Hill entered the insurance business in 1972 and has experience with Reliable Life, Southland Life and Mutual Benefit Life insurance companies.

which is located at 717 West Avenue.
Hill has completed a Life Underwriter's Training Council course in business insurance and is working on a course for designation as a Charter Life Underwriter (CLU). He has also attended estate planning seminars at Texas Tech and Texas A&M and several other insurance company training courses.
He is a member of the Church of Christ and the National Association of Life Underwriters.

Be Concerned About Morality, Association of W's Urges at Tea

The Association of the W's hosted a tea Sunday, April 2 to "encourage area citizens to be more concerned about the morality and the preservation of the family and to learn practical ways of using influence." Mrs. Farris Wood, club reporter, said.
Members of the organization explained the purposes and doctrines of the organization to guests. The club's major activities center around two issues—fighting the proposed Equal Rights Amendment to the U.S. Constitution

and monitoring textbooks in public schools, Mrs. Wood said.
About 35 guests were served refreshments and joined the club, bringing membership to 43.
The Association also held a business meeting Monday, April 3 at Farm Bureau building. Bylaws were approved and Zonell Barnett, secretary, reviewed Girl Scouts of America policy.
Mrs. Barnett said that controversial policies had been adopted by The Girl Scouts in

1967 on such topics as birth control, sex education, abortion and euthanasia. Mrs. Barnett said that these policies were "in complete disagreement with scouting fundamentals." "Because scouting has always been accepted as a trustworthy organization, we need to take action to see that it continues to serve the purpose that it was created for," she said.

Blue Kesler Dies April 5

Funeral services for Fields Elton (Blue) Kesler, 59, of 2424 31st Street, Lubbock, were conducted at 2:00 p.m. Friday, April 7, in Forrest Heights United Methodist Church, Lubbock, with the Rev. Marvin James, pastor, officiating.

Burial was in Resthaven Memorial Park.

Mr. Kesler died at 4:10 a.m. Wednesday in a McAllen hospital after a long illness. He and his wife had gone there for the winter months.

The son of the late Mr. and Mrs. Homer Kesler, he grew up here and attended Wellington area schools. He was a veteran of World War II.

He had lived in Lubbock more than 30 years and was owner and operator of Fields Engineering and Equipment, Inc. Mr. Kesler was a member of Forrest Heights United Methodist Church.

Survivors include his wife, Sammie of Lubbock; two sons, Elton of St. Louis and James F. of La Place, La.; one daughter, Mrs. Len (Barbara) Webster of Lubbock; and three sisters, Mrs. Orhella Waldahl of Eagle Bend, Minn., Mrs. Otha Rosenbaum of Abilene and Mrs. Grover Graham of Wellington.

Mr. and Mrs. Graham went from here to the service.

H. Woolnough, USAF (Ret.) president of the 8th Air Force News, a quarterly publication.

In a letter to John Wolf, who served in the 8th Air Force, Col Woolnough explained that the purpose is to organize group reunions, with rosters planned giving names and addresses of former members still living, locate or establish the fact of former members who are deceased. Many groups have already organized.

Wolf served with the 305th BG the 366th Squadron, and members will hold their third annual reunion in Canton Ohio, August 10 through 13.

Col. Woolnough brought out in his letter to Wolf that the ranks of the 8th Air Force alone received more casualties during World War II than did the entire U.S. Navy.

Former members are asked to contact Col. Woolnough at P.O. Box 4738, Hollywood, Fla., 33023, giving group, squadron, rank, length of service and overseas location. This information will be forwarded to the various group secretaries and as the organization takes shape for each group, men will receive a roster and details of reunion plans.

Names of 8th Air Force men who are deceased is also requested. Wolf's group started with the location of 12 members, all living within 100 miles of each other in Florida, and in three years, 1500 have been located.

Propose Community Chest

Dr. Bill Estes represented the Chamber of Commerce before the Commissioners Court Monday, April 10, to propose the adoption of a community chest.

He told CC directors that night that the commissioners were in favor of the proposal but asked that he get an okay by the City Council. He is scheduled to meet with that body Monday, April 17.

The community chest proposal, whereby one fund solicitation per year would cover all agencies who regularly conduct drives here, came before the Chamber several months ago. It brought to public view the complaint that the same group of people, usually women, are asked month after month to solicit funds for one organization or another.

It is proposed that the Community Chest plan would operate here under a board of directors, made up of people familiar with community needs. Agencies wishing to participate would submit budgets prior to the fund drive, and these would be screened by the board and allotted an amount to be received from the community chest.

If the community chest drive falls short of its goal, each participating agency will be asked accordingly.

Agencies which usually conduct county-wide or town-wide drives include the Heart Fund, American Cancer Society, Red Cross, Bell Ringers for Mental Health, Boy Scouts, Girl Scouts, and several others that conduct drives from time to time.

Should the community chest

year's reunion will be Michael L. Gibson, 49 Meadow View, Higham Ferrers, Wellingsborough, Northants, England. He is the official English historian of the 8th Air Force, 305th BG, and has traced every plane of this group through the war, from its arrival in England through each mission, damage and casualties suffered.

plan become effective, none of these participating would conduct separate fund campaigns.

The Chamber directors are continuing to look at the possibility of dropping the county fair. There was only light response from a newspaper plea for opinions of the public. Although the majority favored continuing its annual event, only a few said they would work in it.

Bill Moseley has volunteered to be fair chairman, and he advanced several plans to draw greater interest.

Decreased participation, especially in the agricultural entries, and fewer people willing to work with the fair, caused the Chamber to question if it should be continued.

The annual carnival will be here during the week of September 4 through 9, even though the fair may not be held.

The Chamber is continuing to sponsor the second annual Rodeo in August. Dr. Estes is chairman and Kirby Campbell his assistant. This will be a two-day event and there will be a rodeo dance each night.

Clean-up Week, a joint venture with the City of Wellington, will be held during the week beginning May 8. The entire town will be asked to co-operate.

During this time, all other work by city employees comes to a standstill.

Additional plans will be announced.

Mayor Bill Hatch, a director, presided in the absence of President Lyman Daniel. Other officers and directors present were Dr. Estes, Moseley, Mike Naylor, Dorothy McGill, Dennis Laster, Virginia Robey, Truett Holland and the executive secretary, Margaret Vines.

Quail PeeWees In Lakeview Tournament

Two Quail basketball teams, made up of students from the third, through sixth grades, played in the Lakeview PeeWee tournament recently. Quail girls placed third in the double elimination contest, and the boys team won the consolation trophy.

In their first game, the girls defeated Memphis B team 29-2, with Becky Sanchez as the Quail high point girl, then won over Memphis A Team 49-13.

Lakeview defeated Quail girls in the third game, 25-20, and they lost the fourth game to Estelina 26-18, and this put them in third place in the tournament.

The boys were successful in their first game, 33-8 over Memphis B. Eddie Pena was Quail's high point player. They lost their second game to the Memphis A team, 30-21.

Quail met another Memphis team and won 47-9. Armando Sanchez was Quail high point

THE NEW CREATION

New Creation Sings At 1st Christian

The New Creation, a men's trio singing country gospel music, will conduct a prison evangelism program Tuesday, April 18, at 7:00 p.m. at First Christian Church, according to Rev. Ken Johnson, pastor.

This trio has performed on stage with nationally known greats and they also serve in American prisons and reformatories through the American Rehabilitation Ministry located in Joplin, MO.

Members are Ansil Har-

pold, Ken Sanders, and Don Pruitt. "They present Christ in 130 to 150 American prisons and reformatories each year," said Johnson. "Their primary thrust is to reach the inmate for Christ through teaching, personal witnessing, preaching, singing and personal testimony of their faith."

The New Creations programs are non-denominational and the public is invited, said Johnson.

8th Air Force Members in WW II Sought

Mrs. Ethel Barnett of Rocky Ford, Colorado, and Mr. and Mrs. Ralph Church of Cave Junction, Oregon, visited through the last week with Mrs. Ray Key. The three women are sisters and this is the first time they have been together in 19 years. The Churches and Mrs. Barnett left for their homes Wednesday.

The names and present location of 8th Air Force members who may still be living in the Panhandle is being sought by Lt. Col John

The Public Is Invited to Meet the Candidates

Friday, April 14
7:30 p.m.

Community Building

Collingsworth County Farmers Union is sponsoring a non-partisan candidate rally (along with a pie and cake auction) to help voters learn more about the choices for state and county government.

The three candidates for State Representative (Democrats Glenn Conrad and Foster Whaley and Republican Bill Hale) will be present, and other candidates for county and state offices have been invited.

Each candidate will make a brief opening statement, then we'll have questions from the audience.

Come Friday, April 14, meet the candidates and ask your questions.

Brownies-Girl Scouts

The Brownies of Troop #133 Nunnelley and Sandra Fires. Refreshments were served to the girls by Mrs. Wilks when we returned.

Julie Mize moved to Amarillo last month. We will surely miss her in our troop.

Nell Bawcom has been filling in for Mollie Nunnelley the past few weeks, helping the regular leader Sandra Fires with our regular meetings. March 16 the girls made and sent to Mollie a poster of get well wishes. This was represented by thoughts each girl drew herself.

March 21, the Brownies were asked to sing at the annual Tiny Tot Revue. Sandra Fires had charge of that and Sue Lacy played the piano for the girls.

March 28, the girls had a very interesting and different

kind of meeting. They had a bubble gum blowing contest. You have never seen such shapes and sizes of bubbles blown. Janna Nunnelley won that particular contest.

We would like to thank all the Mothers for helping us with the banquet, the preparing of the food, Sue Lacy for playing the piano for us, and a special thanks to Katy Davis, Kathy Linville, and Nancy Lindsey for helping us with the decorations for the banquet and as mentioned before to Nell Bawcom for helping with the past few meetings and for keeping the scrapbook for our troop this year.

We plan to finish out this year by working on our patch requirements and presently making plans to attend the Brownie Beep Beep May 13 at Camp Cibola near Clarendon.

Brownie Troop 228

March 1-The troop met and the girls painted Indian head bands, jewelry and tom-a-hawks. These were used at the Girl Scout Banquet. They were made from cardboard and Indian designs were painted on them. The jewelry was made from plastic spoons-separated in two pieces and painted. The tom-a-hawks were made from plastic drink straws and brown construction paper. Indian marks were painted on them. Canoes made earlier were used as place cards and the Gods Eye was used for the centerpiece.

March 8-The troop met at the Community Building to practice the skit that they used as the talent at the banquet. They also practiced the flag ceremony.

March 15-The troop took a trip to the library. Mrs. Mote showed how to find each type of book, how books are filed and told each girl how to check books from the library. Each girl was given bookmarkers and literature on books and authors and a treat.

March 21-The troop was invited to Mrs. W.F. Harbin's home to entertain the Belles Lettres Club with their "Fashion Frolic" style show. Each girl modeled an outfit, such as a spring jacket (the jacket had door springs over it), a checkered blouse (a blouse with checkers on it) and many other outfits.

Girls attending the above meetings were Michelle Armstrong, Leigh Ann Barton, Penny Wilkins, Kaylynn Bartlett, Ashley Williams, Gina Davis, Lori Luck, Robi Mabery, Angela Watts, Linda Lacy, Christie Whitten, Kristie Keller, Shannon Hill and Heather Hendrix. Leaders are Mrs. Earl Lynn Bartlett, Mrs. Tom Wilkins, and Mrs. George Barton. Also Debora Barton, Julie Wilkins and Joe Lynn Bartlett.

Is the Community Chest an Idea Whose Time is Now?

The time seems right for us to consider the Community Chest plan of funding agencies which each year hold money-raising drives, either county-wide or within the town.

The Chamber of Commerce, which is studying the move, has found the Commissioners Court receptive to the idea. It is on the agenda of the City Council Monday night.

This is not something that will be rushed into and that is why people who donate to these drives are asked now to consider the points for and against a Community Chest.

It remains a fact that the same people-businessmen and women, largely support all the fund drives that go around. There are generous individual donors, but by and large, the money comes from the business community.

There are growing complaints from the people who conduct the drives, especially from women who go from door to door asking for money in support of some agency, and the next month go back to the same doors and ask for more money for another agency. Some say they are embarrassed. There have been apologies. Drive workers discuss this among themselves.

Under the Community Chest, one fund-raising campaign would be held each year and the money allocated to the participating member agencies. Probably none would get all the money asked for, but they usually don't under the present method anyway.

Among the agencies that conduct drives here each year are the Heart Fund, Cancer Crusade, Red Cross, Salvation Army, Boy Scouts, Girls Scouts and possibly some others.

A Community Chest is controlled by a board of governors, made up of fair-minded men and women in the community who understand our needs. They screen all groups or agencies which seek funding through membership in the Community Chest. They seek, in fact, to put our giving on a business basis.

For whether we like it or not, much of our charity long ago lost its personal touch. If we cannot be personal in our giving, let us, at least, put our money to work most efficiently.

Travel For Texans

There's much more to Texas for vacationers than cowboys, sagebrush and oil wells. There are beaches, piney woods, spectacular mountains, inland lakes and picturesque canyons, to mention only a few natural features.

In addition, Texas is host to a myriad of events of interest not only to visitors to our states, but to Texans as well. Everyone is sure to find more than he expects in touring the Lone Star State.

The problem is to find out what's happening, where and when, and Texas Department of Highways and Public Transportation has the answer in a publication, "Calendar of Texas Events, April-September 1978". The booklet, which lists more than 900 events, is available at Texas Tourist Bureau offices or by mail from Travel & Information Division, State Department of Highways & Public Transportation, Eleventh & Brazos, Austin, Texas 78701. It's a bargain at no charge.

If more detailed information is desired, a monthly "Fun Forecast" is available in Texas' official travel magazine, "Texas Highways," by subscription from the same address. A subscription blank is included in the calendar of events brochure. Wichita Falls Record News

The Great Waltz

They become almost monotonous, these National Right to Work Committee reports showing that year after year the 20 right-to-work states create more manufacturing jobs than all the rest.

That's 900,000 new jobs between 1966 and 1976, the committee says, against a loss of 1,200,000 jobs in compulsory unionism states. Texas, an open-shop state, gained 234,200 jobs, the most anywhere.

Maybe right-to-work laws aren't the whole explanation. Then, again, it surely is demonstrable that freedom and prosperity go hand in hand. A lovely couple they make, waltzing serenely as un-freedom and un-prosperity stare glumly from the wall flowers' corner.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—A state representative from Orange has attacked constitutionality of the state's system of assessing property taxes and use of tax funds to finance construction through bonds at 17 state colleges.

Rep. Wayne Peveto specifically challenges an assessment of 10 cents per \$100 value for the college campus building program.

His suit claimed property is now taxed at a different percent of market value in each county.

"Effect of the suit will be to put the pledged tax proceeds (from the tax) under a legal cloud and issuance of bonds will likely be delayed," said Peveto.

The tax would bring in \$550 million during the next 10 years.

Comptroller Bob Bullock immediately requested Attorney General John Hill not to contest the action.

"We are convinced that the allegations of the petition are true and that our ad valorem tax system in the State of Texas is being unconstitutionally applied in many ways," Bullock wrote Hill.

"We feel that as sole defendants in this case that the ends of justice would be best served by our agreeing to the relief prayed for and confessing judgment."

Bullock was named defendant in the suit since his office is responsible for allocating the tax.

Bullock claimed expanding schools which will feel the loss can be aided with their building programs from other sources "in light of our anticipated budget surplus."

School Taxes Eyed

The director of the Texas School Tax Assessment Practices Board told the Legislative Commission on Public School Finance state aid to 19 school districts may be cut off if they don't submit requested information on their property values.

Walt Parker, head of T.S.T.A.P.B., identified the districts as Charlotte Independent School District, Petrus ISD, Holland ISD, Santa Maria ISD, Jonesboro Rural High School District, Oglesby ISD, Hitchcock ISD, Cumby ISD, Allmore Common School District, Meyersville CSD, Westhoff RHSD, Italy ISD, Sierra Blanca ISD, Kenedy Countywide CSD, Riesel ISD, Motley County ISD, Etoile CSD, Douglass CSD and Santa Cruz ISD.

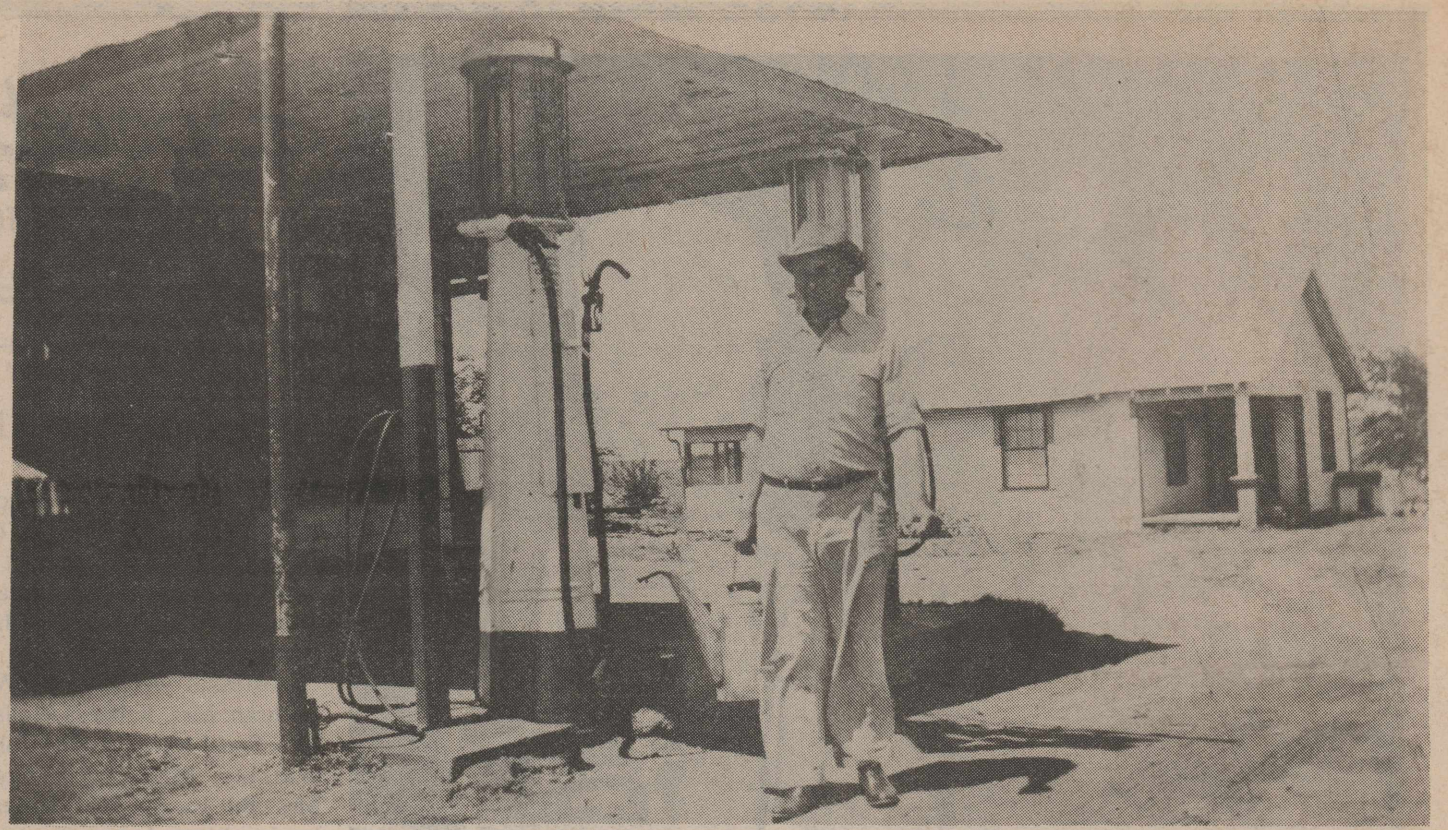

Parker also said the new agency has discovered a source for finding value of intangible property such as stocks and bonds within the districts. September 1 is the deadline for submitting data.

Meanwhile, Associate Education Commissioner Raymon Bynum told another legislative panel property taxes have gone up in 857 districts during the last five years, and tax collections declined in only 161 districts. There was no change reported in 60.

Re-Vaccination Urged

Texas Department of Health rules call for re-vaccination for measles of elementary school children who have been immunized before their first birthday.

At a public hearing on the subject, a Health Department official said children immunized before they are a year old are having measles.

The regulation would not apply to those who have had measles and can produce a physician's certification to the fact.

Courts Speak

The Third Court of Civil Appeals refused to keep a referendum on pari-mutuel horse race betting off the May 6 Democratic party ballot.

The Court of Criminal Appeals granted a new trial to a San Antonio man sentenced to life imprisonment

for attempted burglary.

The State Supreme Court decided an eight-year-old girl should remain with her grandparents in Kermit rather than returning to her mother, a Sioux Indian from South Dakota.

The high court said a judge outside El Paso County must be assigned to hear a suit to remove the county's sheriff who faces an official misconduct indictment.

Third Court of Civil Appeals studied applications to remove from the May 6 Democratic ballot a state representative candidate from Belton.

AG Opinions

Names of those with an

ownership interest in businesses which have a mixed beverage permit are public information, but their bank accounts are not. Attorney General John Hill ruled in a new open records opinion.

In other recent opinions, Hill concluded:

All persons employed by the School Assessment Practices Board on a full-time regular salary basis are members of the Teacher Retirement System.

Except for examination and reporting duties, a county treasurer's duties with respect to any particular check he signs in his official capacity are complete as soon as

he signs it. And where a treasurer signs a check on a valid order of a district court, he will not be liable for the action.

Short Snorts

During 1977, an unprecedented 23.2 million out-of-state visitors vacationed, conventioned, did business or visited in Texas.

Texas farmers and officials discussed possibility of a \$15 million federal loan for a research project on production of alcohol from agriculture products.

Gov. Dolph Briscoe named the Rev. John F. Elliott of Fort Worth to the Texas Civil Air Patrol Commission.

School Board Hires Auxiliary Personnel at Monday Meeting

Wellington School Board canvassed the recent board election, elected officers and hired teachers' aides and auxiliary personnel at regular meeting Monday, April 10.

Harold Wayne Moore and Kirby Campbell took seats on the board for the first time and Frank Coleman, Jr. was an incumbent who won the third contested seat.

The board re-elected V.K. Orr, Jr. as president, and elected Frank Coleman vice president and Carroll Nun-

nelly secretary.

The board heard a report from Superintendent E.W. Clement that the flooring in the new building was unacceptable and that he had notified the architect who had notified the contractor. Clement also reported that three rooms leaked during recent storms. The board also heard reports that the chalk boards were shipped April 7 and that lockers for the new building were shipped April 1 and would be installed soon.

The board unanimously accepted a bid of \$540 from Dwane Scott to build 36 18-inch lockers in the new field house and the board voted unanimously to accept a bid by Sam Adams of \$728.48 to re-floor a classroom damaged by water during vandalism at the high school last month.

Band director Jamie Larson presented a band jacket award program and the board

unanimously adopted the plan that will make the individual student, rather than the Band Parents Club, responsible for the cost of special awards jackets other than those regularly given by the school.

The board voted unanimously to renew insurance contracts on some of the school's buildings for a three-year cost of \$23,936. Buildings included in these policies are junior and senior highs, gymnasium, cafeteria, grandstand and bus barn at a total insurance value of \$969,000.

The board unanimously voted to hire the following teachers' aides subject to Title I and state compensatory program funding: Vonnie Taylor, Ruby Williams, Margaret Pendleton, Martha Green, Deloris Birkey, Bertha DeVoss, Phoebe Tramel and Linda Powell. The board also hired Pat Ford as business office aide. And the board recommended EPCO aides Alice Gollighugh and Cheryl Brown be rehired.

Cafeteria personnel were unanimously approved, including Juanita Hopper, manager, and Joyce Harris,

Freda Moody, Barbara Reynolds, Betty Campbell. Also approved were two places to be filled next year when the school breakfast program begins.

The board voted to hire maintenance personnel including J.B. King, maintenance foreman, Ted Cantu, James Mathis, Charles Mathis, Jr., Lee Ledbetter and C.W. Ledbetter. Voting for were Frank Coleman, Carroll Nun-

nelly, Jerol Morris, Harold Wayne Moore and Benson Long. Kirby Campbell abstained.

The board also hired bus drivers unanimously including Ted Cantu, John Birkey, Wayne Pulliam, and Rodney Bailey. And the board unanimously hired Lahanda Strickland as library assistant.

In other personnel matters, the board voted unanimously to terminate the salary of G.L. Montgomery effective May 31 due to his inability to complete the terms of his custodial contract. Mr. Montgomery became ill last fall and the board had continued to pay his salary to date, though he had not been able to return to work.

Fifteen Books Donated To County Library

Fifteen new books have been added to Collingsworth County Library for late winter reading, Mrs. Cora F. Mote, librarian reports.

Most of these are fiction. There are two copies of UPSTAIRS DOWNSTAIRS, that popular novel by John Hawkesworth that was adapted for public television.

Two Agatha Christie mysteries are included, SPIES AMONG US and MURDER IN OUR MIDST.

Others are DON'T LOOK NOW, Daphne Du Maurier; AN ACCIDENT OF LOVE, Mary Elling Barrett; MASQUERADE IN VENICE, Velda Johnston; THE HINDENBURG, Michael M. Mooney; CHARITY GIRL, Georgette Heyer; THE SOUND OF SUMMER VOICES, Helen Tucker; NORA, Pamela Hill; BLACK ALICE, Tom Demit; THE LATE MRS. FONSELL, Velda Johnson; Two non-fiction books are

THE DAY KENNEDY WAS SHOT, by Jim Bishop; and BRING ME AN UNICORN, by Anne Moorow Lindburgh.

I want to thank everyone who voted for me and supported me during the city council race. Your concern for the progress of the community is appreciated.

VFW Names Stephens To Second Term

Glynn Moore Post 6439 VFW elected officers for the 78-79 year at regular meeting Tuesday, April 4. Officers for the coming year are Tony Stephens, commander; Jake Leach, senior vice commander; Jr. Castillo, junior vice commander; Don Jones, quartermaster; Jim Sikes, chaplain; Millard Brown, surgeon. Trustees are Dennis Holland, A.J. Fires and Richard Fourmentin.

Officers will be installed in May and will take office in June, Stephens said.

Stephens said the next VFW event will be a covered dish social for VFW and Auxiliary members on Tuesday, April 18. "The social last month was so successful that we are considering other activities along the same lines," Stephens said. "Any members wishing to attend meals or socials should contact me or Lavern Jones for more information."

The VFW will sponsor a dance open to the public on Saturday, April 22. Country Wildfire will provide the music, Stephens said.

Patricia Fourmentin, president, was in charge of the meeting and Teresa read the minutes. Cookbooks from the food show and membership cards were passed out. The girls are starting their method demonstration.

These were; Teresa, hair care and styling; Patricia, hand and nail care; Carla Caison, shoes that shine; and Paula Reynolds, places to shop.

Mrs. Richard Fourmentin gave a demonstration and talk on sewing tools. Sewing favors, a gift to the girls from Sears, were distributed. Demonstrations were assigned for the next meeting, April 14. Mrs. Pulliam gave a talk on

buying a garment.

Mrs. Fourmentin and Patricia served refreshments of gingerbread with whipped topping and iced tea to Mrs. David Caison, Carla and Annie; Mrs. Barbara Reynolds and Paula; Mrs. Pulliam and Teresa; Leslie Birkey, Gwendy Kerlee and Kristi Settle.

PLANT CERTIFIED

For Higher Cotton Yields

Yields from certified cotton planting seed were up to 18 percent higher than yields from caught or non-certified seed according to research by Dr. L. L. Ray at the South Plains Research and Extension Center in Lubbock, Texas. Certified seed has not undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollination are eliminated. And certified seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. See your ginner or Pioneer brand seed dealer for these certified varieties.

Dependable even in dry country!

Certified LX571*

You can't control the weather. So, you need a hedge against drought. . . . and that's where the Lankart variety LX571 fits in. It consistently produces top yields of high quality cotton . . . even under tough, dry conditions. And you don't have to give up anything to get this outstanding drought tolerance, either.

LX571 produces fairly long, strong fiber . . . with micronaire normally in the premium range. And storm resistant bolls strip well in one pass through the field. Add up all the good things about LX571 . . . then it's easy to see why this is one of the most planted cotton varieties in the Rolling Plains, Central Texas and Southwestern Oklahoma.

*LX571 is a U.S. protected variety (Plant Variety Protection Certificate No. 7200018). Unauthorized propagation and unauthorized seed multiplication prohibited by law. LX571 cotton planting seed can be sold by variety name only as a class of certified seed. It is unlawful to sell non-certified seed of this variety.

Long-time favorite.

Cotton growers in Texas, Oklahoma and Eastern New Mexico have relied on certified Lankart 57 for consistently high yields for years. This variety has vigorous plants with short main stems and short fruiting branches. Leaves are large and dense. And this medium-early maturity cotton has storm-proof bolls. Lankart 57 is a good stripper cotton, too. . . . well-adapted to Texas and Oklahoma dryland production.

Certified LANKART 57

Certified LANKART 611

High yielding, early variety.

This cotton variety was developed for the early maturity needs of dryland farming . . . especially in the Blackland and Rolling Plains of Texas and Southwestern Oklahoma. Vigorous plants with short main stems and close fruiting branches produce large bolls of high quality lint. A good stripper cotton for the Southern High Plains on wilt-free soil.

Certified LANKART® and LOCKETT® brand cotton planting seed is available from your ginner or Pioneer® brand seed dealer.

WHS Students Hear Watson

Wellington junior and senior chapters of Future Homemakers of America met in a joint session Monday, April 10, for the climax of FHA Week activities. Bob Watson, 100th Judicial District Juvenile Probation Officer, spoke to the group on "Teen-Agers and the Legal Process." Mr. Watson answered numerous questions regarding penalties for offenses commonly, and often unwittingly committed by teen-agers. All high school students were invited to this meeting. Drivers education and government classes were especially encouraged to attend. Refreshments were served to approximately 30 students, Mr. Watson, and the FHA sponsors, Mrs. Larry Henard and Mrs. P.M. Scott. The meeting was held in the high school library.

**The Tractor Specialist
sells more
"up-time"**

When the land is ready, a farmer's tractor had better be ready to go. That's why a Case dealer franchise just makes good common sense.

As a Case dealer, you're a tractor specialist. Everything you do—selling, servicing, parts—has one target: the best in farm power. You and your tractors are backed by an industry "first"...a sound marketing program: Assured Availability. It tells your customers that if, for any reason during warranty, the tractor they bought from you isn't ready to go, they'll have a free replacement. And Case backs you up!

Case backs you up with other strong marketing help: including the Demo/Rental and Commitment to Quality programs.

If the franchise is open in your territory, you may also be eligible to sell and service light construction power. For information on the full potential of a Case franchise in your area, write or call.

Coker "stripper" cottons usually staple 1 1/16 to 1 3/32"

Are you losing \$15⁰⁰ to \$20⁰⁰ a bale planting a shorter-staple cotton??

High yields, excellent quality & staple

Here are a few examples of Coker production in 1977 under varying conditions that illustrate the extra money-value per acre that Coker cottons offer you. Compare these average loan prices against the 40.00 cents per pound average loan on the Plains during the same period! They're based on USDA Cotton Quality Weekly Report, Texas-Oklahoma; the three productions here used the Coker Lint Block Concept.

Area	Planted acres	Per acre yield	Average loan price
Ocho Gin-Seminole Sprinkler irrigation	1,015	1,035 lbs.	45.48
Kalgary Gin Crosby Co. dryland	1,133	500 lbs.	43.13
Canyon Gin-Lubbock *approx. 1,600 acres dryland	6,244*	666 lbs.	45.30

You too can profit from the cotton that has brought 5.14¢ per pound above the average loan. Plant Coker's!

COKER 312*

Developed for the Texas High Plains. Preferred for its fast fruiting, early maturity and high yields under irrigated conditions. Has shown good storm resistance.

- **TURNOUT** — 23 to 26%
- **STAPLE** — 1 1/16 to 1 3/32"
- **STRENGTH** — 82,000 to 88,000 p.s.i.
- **MIKE** — Usually 3.5 to 4.3
- **MATURITY** — Medium Early

COKER 5110*

A great dryland cotton! Performs better under stress conditions and makes more cotton with less water than any other cotton we know of. Very vigorous.

- **TURNOUT** — 20 to 25%
- **STAPLE** — 1 1/16 to 1 3/32"
- **STRENGTH** — 78,000 to 85,000 p.s.i.
- **MIKE** — Usually 3.5 to 4.3
- **MATURITY** — Medium

*Protected Varieties. Performance characteristics listed here are normally obtained by growers and in our tests, but cannot be guaranteed.

Cub Scouts Hold Circus on Friday

Cub Scouts will hold their annual circus Friday, April 14, when 35 little boys live their dreams of being a clown...or a monkey...or some other animal that makes a circus fun. The circus will be in the American Legion building at 7:00 p.m. This is the only money-raising project the Cubs hold during the year. Barkers will be at the food

booths urging the sale of sandwiches, cookies, pop corn and cold drinks. There will be a cake walk and other games. At 8:30 p.m. everything goes under the "BigTop" and the clowns and animals, weight lifters and stunt car drivers will come out. Each boy will do what he wants to do, but he will practice his act in den meetings. After the circus, the games and food

booths will reopen. The public is invited to attend and to participate, said Mrs. Lynn Morris. Two other events are scheduled before the end of school. The Cub Scout Superstars competition will be held April 29, at Clarendon, when the boys will compete on an obstacle course and in the 40-yard dash, standing broad jump, softball throw and tug of

war. The last pack meeting will be held Saturday, May 20, and this will be the annual Cub Scout family outing at Camp Glenn McLain. The time will be 10:00 a.m. to 4:00 p.m. The Cubs will continue through the summer, but with only one activity each month, Mrs. Morris said. The weekly den meeting will not be held.

Services Held Tuesday for Luke E. Beck

Luke E. Beck, 72, died Monday, April 10, at 10:25 a.m. in Collingsworth General Hospital.

He had been a resident of Thomas Nursing Center several years and was a long-time resident of the county.

Mr. Beck was a retired farmer. Funeral services were conducted at Kelso Chapel at 2:00 p.m. Tuesday, with burial in Memorial Gardens.

Pall bearers were Frank Ford, Buford Riley, David Peters, Tommy Thomas, R.T. Savage and E.H. Harwell. Kelso Funeral Home was in charge of arrangements.

Mr. Beck was born June 20, 1905, in Jack County, the son of Thomas and Kitty Bond Beck. He was married to Miss Ruth Brown January 12, 1929 at Quitaque, and they had lived their entire married life in Collingsworth County.

They moved into Wellington in 1948. She preceded him in death January 25, 1973.

Mr. Beck was a Baptist. Survivors include Mrs. Claude Brown of Borger, who is presently in Hawaii, three nieces and three nephews.

Norwood FFA Teams Take Honors

Samnorwood teams took first place in both the land and grass judging divisions of the Greenbelt District FFA contest Wednesday, April 5. Winning teams were qualified to compete in the Area contest at West Texas State University.

In the grass judging, the Norwood team scored 1204 points. Clarendon team was second with 955 and Paducah third with 535.

High point individual in this contest was Norwood's Randy Breeding, who had a perfect score of 405.

Insofar as can be remembered, this is the first time a perfect score has been made by an individual in this contest.

The other two high point

individuals were also from Norwood. Joe Knoll, Jr., missed on one characteristic of one plant and came in with 404 points. Lowry Schaub missed one plant of the 40 the team had to identify and this cost him 10 points, for a 395 total.

The boys were required to identify each plant and determine if it was an annual or perennial, cool or warm season plant, native or introduced, its wildlife value, grazing value and if it is poisonous to livestock.

Michael Bentley is the fourth member of the team and Jimmy Brown is the instructor and advisor.

Members of the second place Clarendon team are Drew Thornberry, Jack Craft,

Lance Thornberry, and their advisor is Bob Berry.

On the third place Paducah team were Rusty Deaton, Gaylon Wilson, Wade Whitaker, Barry Smith, and their advisor is Glen Howeo.

The Samnorwood first place land judging team had 717 points.

Second place went to Wellington with 625 and third to Clarendon with 618.

Mark Tarver of Samnorwood was high point individual with 265 points; Gary Thomas of Clarendon was second with 259 and Ricky Bentley of Norwood third with 249.

Members of the Norwood team were Tarver, Bentley, Johnny Oldham and Dale Turner.

On the Wellington team were Pat White, Terry Manuel, Danny Wischkaemper and Stacy Urban.

Clarendon team members were Larry Davis, Gary Thomas, Preston Byrd and Mike Ritchie.

This contest is held annually by Salt Fork Soil and Water Conservation District, and afterward, directors cook a hamburger supper for the boys.

ASCS staff members, headed by Tommy Powell, conducted the contest.

Special guests this year were David Pruitt, manager of Greenbelt Electric Co-operative; Tom Draper of Hereford; and Goose Ramey of Dimmitt.

Boys Tennis Team Wins Canadian Invitational

Wellington Skyrocket tennis team won the Canadian Invitational tournament for the second consecutive year on Saturday, April 8.

The doubles team of Lyn Hurst and Stacy Urban defeated Carter and Hogue of Sunray 6-0, 6-1. Both have had considerable experience in singles competition, but they had played together only three times before teaming for the Canadian tournament.

Both boys showed poise and skill and adapted well to the doubles situation.

Carl Taylor, most experienc-

ed of all Wellington players, came in second after losing to Fitzgerald of Canadian 6-3.

Hurst and Urban met Harrison and Winkler of Sunray in their first match and won 6-3, 6-1. Their next match was with a pair from Stratford, and they won that 1-6, 6-4, 7-6. The last set ended 6-6, and then 4-4, and finally won the last point. This took them to the semi-finals with Pettit and Weese of White Deer, where they won 6-2, 6-2.

Taylor's first match was a 6-0, 7-5 win over Jolly of Wheeler and in the next match he won over Bowerman of

Canadian 6-1, 6-0. This put him in the finals with Fitzgerald.

Wellington's third entry in the boys division was Scottie Ingram, youngest player on the team. He lost his first match to Brown of Wheeler, 6-4, 4-6, 6-4.

Debra Norris, singles entry, defeated Chance of Wheeler 7-5, 7-5 in their first match, then lost to Rogers of Canadian 6-3, 6-3 in the quarter-finals.

Sandy Morris, another of WHS's fine players, went against Rogers in the first round and lost 6-2, 6-2.

Visiting the Alonzo Cartwrights recently were her niece Mrs. Ray Lau and twin sons Jason and Paul, of Sierra Madre, Calif. They also visited her parents, Mr. and Mrs. Mack Kirk of Shamrock. Other visitors were their daughter, Mr. and Mrs. Bob Hill and children, Michael, Dusty and Sandy of Texline.

The forerunner of the modern skyscraper was the 10-story Home Insurance Co. building in Chicago, built with a steel-frame construction in 1884.
