Dawson County Bond Drive \$712,250 Short Of Quota

5 Days Left To Reach Bond Quota

Citizens Asked to Cooperate With 3rd War Loan Drive; and Increase Purchases

You have 5 more days in which to purchase war bonds that will be counted in on the Third War Loan Drive, 5 more days to raise \$712,250.00. A check on the bond sales this morning reveals that the county has a large sum to raise before October 2.

Citizens must co-operate with this program, which represents the largest financing program in the history of the world. The government calls on the many Americans who, because of the war, are making more money than ever before; as well as those whose incomes have increased but little, have remained static, or perhaps have declined, to buy bonds. It appeals to the two-thirds of our urban dwellers and the one-half of our farmers who already have bought War Bonds—and who now must buy as many as they possible can. Those who have not bought War Bonds as yet, are asked to join in the job of raising this \$1,350,000 quota. Everyone must buy bonds and do it in a hurry.

This drive will give you an opportunity to join with the civilian army, which can play a vital role in the present conflict if it will raise the amount of money in bond sales needs so urgently by the men at the battlefronts. Are you, as a civilian, fighting a battle to save every penny possible for War Bonds to back up those fighting men? It will mean sacrifice, but there's hardly a comparison between your greatest sacrifice on the spending front and the sacrifice in blood and

Subscribers Are Asked To Check Expiration Date

Courier readers are asked to watch their expiration dates on their subscriptions in order that they not miss a single issue of their home town newspaper.

In other words, if the numbers following your name on your paper reads 10-43 that means that your subscription will expire on Oct. 1, 1943 and that unless you renew your subscription will be stopped at that time.

The subscription price of the Courier is \$3.00 per year in Dawson, Martin, Gaines, Borden and Lynn Counties, and \$1.50 for six months. The subscription price outside this territory is \$4.00 per year, except for men in the service which remains at \$3.00 per year.

Auction Sale Sat. Attracted Large Crowd

A crowd numbering between 1000 and 2000 persons surged all over downtown Lamesa Saturday afternoon, and finally congregated before the Honor Roll Board. They gathered from all sections of the county to see and hear the program, and to do their share of buying bonds, so that our Dawson County boys in service can have the fighting equipment they need — to bring more of them home safely and quickly.

Stansell Clement, president of the Lion's Club, announced Monday morning that an estimated \$100,000 worth of bonds were sold as a result of the auction Saturday afternoon. The Lions club is very appreciative of the fine work the auctioneers and participants on the program did, and wished to thank all who had a part in the auction.

Colored People Will Have Bond Rally Thursday

The colored people of this county will have a bond rally Thursday night at 8:30. Rev. Smith, pastor of the colored Baptist Church is chairman of the rally.

It will be held on the courthouse lawn if the weather permits, otherwise the rally will be held in the District Court Room.

A program consisting of musical numbers will be put on at this time by the colored people.

They are working on a \$2,000 bond quota. War bonds and stamps will be sold at the rally.

All the colored people are urged to attend.

Guns mounted on "wobble plates," that simulate the polting of a tank, are used to train tank gunners.

sweat of one of your soldiers, sailors, flyers, marines, or coast guardsmen.

The slogan, "Back the attack—With War Bonds" is addressed to you. Rich man, poor man, worker, boss, man, woman or child—you all have something to lend to your country at a time like this. If we do not "Back the Attack" we shall be falling the boys in the armed forces and jeopardizing their future —and our own.

The United Nations are on the march. The first rumblings of the big offensive are being heard in all the Axis nations. Bombs are dropping on Germany, we are attacking Jap-held territory. We here on the home front must help out during this crucial period in the war.

Remember! It is up to all of us here at home to "Back the Attack" — Everything is at stake. Everyone must help to the very limit of his ability.

Naval Casualties Show Local Boy To Be Missing

Five Texans were reported missing in a navy casualty list released Friday in which three men were listed as dead, thirty-five wounded and eighty-five missing.

Among the missing Texans was Raymond Homer Yates, son of Mr. and Mrs. Monroe Yates of this city.

Funeral Rites Held Sat. For Rupert Townsend

Funeral rites were held for Rupert Townsend, well-known Lamesa citizen, Saturday, September 25th. Services were held at the First Baptist Church at 4:30 p. m., with Rev. E. D. Landreth officiating, and with Rev. E. F. Cole and Rev. David J. Murray assisting.

Mr. Townsend passed away Friday, Sept. 24, after a prolonged illness.

Rupert Townsend was born December 17, 1891, in Clark County, Arkansas. He received his education in that state at Ouchita Baptist College and at the State University of Arkansas, where he graduated and received his pharmacist degree.

He entered the druggist business in Arkansas, before coming to Texas in 1922. Rupert Townsend continued in this capacity when he moved here in 1922, and for one year was associated with C. C. Caldwell in a pharmacy. After that he established his own drug store here and has continued in this work most of the time.

He married Miss Ruby Crawley in this city, after moving here.

He was selected by the Dawson County Commissioner's Court to serve as County Judge, to fill the position left vacant by Vernon Adcock, when he was inducted into the army.

Mr. Townsend's health forced him to retire from his druggist business the early part of this year. He had been an invalid since January.

He had the distinction of serving

Discounts To Be Given For Early Payment of Taxes

The Lamesa Independent School District will give regular discounts for early payment of taxes this year, Superintendent V. Z. Rogers announced this morning.

Rates of discounts are 3 per cent if paid in October, 2 per cent if paid in November, and 1 per cent if paid in December.

This discount was confirmed by order of the school board in its September meeting.

Rotarians Expect To Fill Club Bond Quota This Week

Kenneth Cox, who was in charge of the Rotary Club program on Friday, prepared a unique program for the members. The program followed the pattern of the well-known radio quiz programs. Questions involving items concerning the community were asked. Each person present was given a number and when his number was called he had to answer the question being asked. Questions on the population, products, and activities of this community were asked, and the program proved to be enlightening as well as interesting.

W. B. Collins, chairman of the bond committee, made a check up on the bond sales and reported that club members had bought and sold \$100,000 worth of bonds, which is half of the quota set for the club. Rotarians expect to reach the entire quota before the Third War Loan Drive expires.

\$17,342.05 Bonds and Stamps Sold Friday Night

\$17,342.05 worth of War Bonds and Stamps were sold at the Cal Farley Show Friday night at the High School Auditorium. The sales were considered good in proportion to the attendance. Only a small crowd attended the show.

The show put on by the radio entertainers was reported to have been very good, and to have been enjoyed by all who attended.

James W. Payne Passed Away September 22nd

James W. Payne passed away Wednesday, September 22, at 10:30 p. m. Funeral services were held Friday, September 24, at 4:30 p. m. at the Church of Christ. Garnie Adkinson, pastor of the Church of Christ of Tahoka, officiated.

Payne resided here for 10 years. He was a retired farmer and at the time of his death was living at 1207 South First Street. He was born in Abbotville, Mississippi, and was 86 years of age when he passed away.

He is survived by his wife, Mrs. Martha Ann Payne; children, Ed Payne, Seagraves; W. L. Payne, Woodson; F. L. Payne, U. S. Army, Oregon; W. G. Payne, Miss Lennie Payne, Mrs. F. C. McCarley, Mrs. Marvin Sealy, Mrs. Oscar McKinney, all of Lamesa; 28 grand children, and 16 great grand children.

Door Knockers Drive To Be Held

13 Women and Helpers Will Canvass The Entire City Throughout The Day

Tuesday, September 28, a group of women workers will conduct a "door knocker" campaign throughout this city in an effort to help raise the bond quota assigned to this county.

This group of women will meet at the City Hall and plan to cover every block in Lamesa in a house-to-house canvass. Be ready to meet these women and have your money ready to purchase a War Bond.

A siren will blow every hour, as a reminder to people that the County is lagging in its bond sales, and that a final effort is being made on the part of the women to sell enough to complete the quota.

The following telegram was received Saturday, by County Chairman Carl Rountree, from State Chairman Nathan Adams of Dallas:

Third War Loan will officially close at midnight, October 2. Every

(Continued on Back Page)

A Rendezvous—

Somewhere an American boy has a rendezvous with death tonight. Whether on a carrier's deck in the Pacific, upon the burning sands of North Africa, or in the tropical forests of New Guinea — whether swift and perilous or terrible and slow his going—he is giving to his fellow men the greatest gift a man can give.

The year unlined — the warmth and the laughter and the tears, and most precious gift of all—his sons that might have been. All these he is giving.

No effort of ours, now, can stave the speeding bullet that has his number on it. What to him, now, are the bonds we buy, or the guns we build?

With nothing that is bought or sold, with nothing that is made of human hands, can we share his sacrifice.

What gift can we give to match his—what sacrifice can we make? The answer will come from that still small voice within our own hearts.

For no one can tell us how many bonds to buy, how hard to work on the guns, and planes and tanks we build, to keep his gallant effort from having been in vain. Yes, we must each decide the measure of our own obligations — the gasoline we do not use, the pints of blood we donate, the food we do without, and all the other appeals we answer — to make the precious gift he made worthwhile.

Not for the boy who is dying tonight, but because he is dying, we can make our sacrifices to the cause of freedom.

—BUY WAR BONDS AND STAMPS—

Part-time Workers Need Social Security Cards

Boys and girls who work after school hours and on Saturdays in employment covered under the Social Security Act should have social security account numbers and give the number to each employer for his records, according to J. Hassler Strickland, manager of the Big Spring Social Security Board field office.

"Unless each person who works in covered employment under the Social Security Act gives his social security number to his employer he may not receive credit for the wages received on his old-age and survivors insurance account," Strickland said.

It was also emphasized by Strickland that each employer reports the account number together with the name of each worker to the Bureau of Internal Revenue at the end of each calendar quarter; therefore he urged that students who accept employment, part-time or full-time, cooperate with his employer in this respect.

Social security account numbers may be secured by the individual calling at the local office or securing an application, Form SS-5 from the Post Office and mailing it to the Social Security Board field office at Big Spring. Upon receipt of an application properly filled out and signed, an account number card will be mailed to the applicant.

The Big Spring office of the Social Security Board, in addition to issuing account numbers, will gladly furnish any information desired regarding claims for Federal old-age and survivors insurance.

Yellow Leaves On Shrubs Can Be Controlled

Yellowing of the leaves of shrubs, rosebushes, shade trees, peach trees and other plants in spring and summer is preventable.

Generally, says Sadie Hatfield of the A. and M. College Extension Service, addition of copperas and sulphur to the soil at the rate of about one pound per large shrub or small tree corrects the trouble. Sometimes, too, fertilizers are mixed with the soil at the same time. But as war-time conditions limit the availability of these materials, Miss Hatfield who is the specialist in landscape gardening, suggests other effective means of control.

A four or five inch vegetable mulch applied to shrubs for the next few weeks will help to protect their roots from heat, cold and drying winds. Because it conserves moisture, a mulch reduces the amount of water needed by plants. It should be applied several inches thick over an area of several square feet about the trunk of the plant where it will be gradually worked into the ground.

The material for mulching plants may consist of compost, grass cuttings, straw, or almost any other kind of decaying plant substance. Grass clippings furnish nitrogen and other plant food. Also, in decaying they will help to acidify the soil and release iron for the plants.

Miss Hatfield says that yellowing of leaves in Texas frequently indicates a lack of iron, although it might be lack of nitrogen or other elements. Most Texas soils have ample iron but it is combined with other minerals and not available for plant use. But as soon as the soil is acidified the iron is re-

leased for plant roots to take up. Iron deficiency is especially noticeable in limestone regions, blacklands and other areas containing an abundance of lime. However, cenize jaulullo and other plants native to west and southwest Texas require alkaline or lime soils and to

make them acid would spoil the health and appearance of these plants.

The wood rat, a native American rodent, always leaves some object in exchange whenever it steals anything.

One colony of beavers in the midwest is believed to have been in existence for more than one thousand years.

The mountain beaver, a native of the northwest, is not a beaver and does not live in the mountains.

Brownfield Cubs Win Over The Golden Tornadoes

Roach Perry, fullback, of the Brownfield Cubs, scored two touchdowns last Friday night to pace the Cubs as they won over Lamesa 26 to 7.

Perry made the Cubs' first touchdown in the initial stanza with a plunge through center from the one-foot marker. In the third period, Kenneth Jones, an end, took a pass from Irvin Moore on the two-yard strip and stepped over the counter. The Cubs scored again in the third quarter when Perry once more plowed through center for eight yards, to the one yard line. Moore scored from the point for Brownfields last touchdown.

Lamesa scored mid-way in the fourth period, when Hawkins, end, took a pass from W. Roberts and raced 75 yards to the goal line.

The Cubs made 12 first downs to eight for Lamesa.

Sammy Jones and Joe Snodgrass did fine jobs in the line for the Cubs. Roberts, Bratcher, and Hawkins were standout players for the Golden Tornadoes.

School Leaders Attend Meeting At Lubbock, Thurs.

School leaders from this city attending the district four meeting of the West Texas Teachers Association were V. Z. Rogers, P. K. Humes, Henry Norris, and G. M. Roberts. The meeting was held Thursday night in the Hilton hotel at Lubbock. There were about 100 present for the meeting.

Dr. D. D. Jackson, director of teacher placement at Texas Technological college spoke on the subject "School Ethics," and warned against the practice of "teacher pirating."

Other speakers were Murray H. Fly, Odessa superintendent of schools, and O. J. Laas, head of the Plainview schools.

William D. Hines Is Advanced to Firemen

William D. Hines, 19, was recently graduated from the Naval Training School located at Naval Air Technical Training Center, Chicago, Ill. He successfully completed a course in Diesel Engines, and was advanced to Fireman, second class.

Hines is the son of Mr. and Mrs. P. E. Hines, Route D.

Pvt. Raymond McKay of Sheppard Field, Wichita Falls spent the week end here visiting with his parents, Mr. and Mrs. W. O. McKay and his sister, Mrs. Gene Barrett.

L. D. Langham Wins Scholarship At Texas Tech

L. D. Langham was among the ten freshmen agricultural students at Texas Technological College to win a scholarship offered by Sears Roebuck and Company. The winners were announced Thursday afternoon.

The scholarships were handled through the retail division of Sears Roebuck and Company at Lubbock. An estimated 1000 are given throughout the United States each year. Farm boys who are members of the 4-H Club or the FFA and have made a good record in their club are usually the winners of such a scholarship.

L. D.'s brother, Norman was one of the boys to receive a gift that was awarded here September 4.

Fossils were known to the Greeks in the sixth century B. C.

Tornadoes Will Meet Odessa Team Friday

The Golden Tornadoes will play their first game of the District Championship Series, Friday night at McCollum Field here at 8:30 p. m. Their game is scheduled with Odessa High School.

The football squad plans to correct errors made in last weeks game and to come out in the lead on that night.

The boys have come through the season thus far without injuries. The boys reported Monday morning at the High School in good condition after the game with the Brownfield Cubs, Friday night.

The Odessa squadron, which the Golden Tornadoes will meet Friday night, October 1, won their game against El Paso High 40 to 7 last Friday night. The Tornadoes are hoping that their hard drilling dur-

Shoe Rations Are Cut To One Pair In Six Months

WASHINGTON, Sept. 23. — It will be six months instead of four between new pairs of shoes for civilians in the future, the Office of Price Administration announced Thursday night.

The cut in civilian shoe rations is necessary, the agency said, because of heavy drains for military purposes, greatly reduced leather supplies and manpower shortages.

The change means that the new shoe stamp, which becomes valid Nov. 1, will have to last until May 1, unless shoe production should exceed present estimates, OPA explained.

Simultaneously, OPA announced that Shoe Stamp 18 in Ration Book 1 will not expire Oct. 31 as planned originally but will be extended indefinitely, overlapping the new stamp.

Stamps No. 1 on the airplane sheet in War Ration Book 3 was specified for use beginning Nov. 1.

OPA emphasized that the new order should not be interpreted to mean the civilian ration had been set at two pairs of shoes a year, adding that shoe stamp periods are not set on a yearly quota basis.

"The policy," OPA said, "has been to make each period as short as the available supply in inventories and new production warrants. The period in this case will be shortened if shoe production should exceed present estimates."

In pointing out the combination of factors necessitating the extended period, OPA said it is expected that less than 25,000,000 pairs of rationed-type shoes a month will be available to civilians. The rest of production will go for military uses and purposes outside the rationing program, such as lend-lease and unrationed infants' shoes.

ing this week will bring them out victorious over the Odessa team.

Kitchen Fats Are Needed To Meet War Needs

With millions of pounds of waste kitchen fats still critically needed to meet war demands, W. T. Meek, salvage committee chairman for Dawson County, today urged housewives to remember that even if accumulated fats become rancid, they still retain a majority of the valuable glycerine that goes into products for war.

When the Government started the waste fats collection program, it was recommended that fats be stored in a cool place pending turning them in to the butcher, so that the fats would not become rancid. It was pointed out that rancid fats become smelly, and therefore a nuisance to handle, as well as slightly reducing their glycerine content.

Some housewives, particularly in farming communities, believing that rancid fats are valueless, have not been turning them in for salvage, Mr. Meek said. This has resulted in the loss to the war effort of thousands of pounds of glycerine that should have been processed from these fats.

The need for salvaging all waste kitchen fats is so important that housewives are urged to turn in all fats, rancid or not, and butchers are asked to accept all fats for immediate shipment to renderers. Every ounce of fat received by the renderers is being rushed into war production.

In answer to complaints that some butchers are refusing to accept collections of waste fats, Mr. Meek said that he would appreciate reports of such. Also, butchers who have been unable to dispose of their collections are asked to communicate with W. T. Meek or to write to the Texas Salvage Committee at Austin.

"This War Will Become Bigger and Tougher . . . During the Long Months to Come"

Franklin D. Roosevelt

Italy has fallen—but the war is not over and you know it! Think of Berlin and Tokyo—think of the men dying *at this moment*.

Can we, you and I, afford to let them down—to turn *their* battlefront victory into a home-front defeat? Let's buy *more* War Bonds than ever... let's back up *their* victory with *ours*—the success of the 3rd War Loan!

There are battles coming—tough, bloody, hard-to-win battles—before this war is over. And it's the *last* battle that counts. We've got to back up our fighting men . . . we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of

the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments..."

Our fighting men will do *their* job—it's up to you, personally, to keep their victories safe by buying War Bonds NOW with every dollar you can—not with what you'd ordinarily save or invest, but *more*—every bit more you can manage.

World's Safest Investments

United States War Savings Bonds

—Series E: gives you back \$4 for every \$3 when the bond matures. Interest: 2.9% a year, compounded semiannually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2½% Treasury Bonds of 1964-1969: readily marketable, acceptable as bank collateral, redeemable at par and accrued interest

for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.

Other Securities: Series "C" Savings Notes; 5½% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."

On the 10th of November 1918 there were 10,000 Allied troops lost. Do you realize that your boy may be saved by ending the war one day sooner? By buying Bonds now we CAN make the war end DAYS earlier.

JACK FAMBROUGH IS INJURED IN FEED MILL ACCIDENT

It was reported today that Jack Fambrough was injured in a feed mill accident recently. His hand was caught in the mill and two fingers were mangled.

Fambrough is a resident in the Fairview community.

Funeral Rites-

(Continued from Front Page) on two state boards of pharmacy, both in Texas and in Arkansas. In his earlier days, Mr. Townsend was a Masonic enthusiast and took his 32nd degree in Masonry in Hot Springs, Arkansas in 1918.

His hobby, which was one in connection with his work, was to collect pharmacy license. His collection included license from 22 states in the United States and two from foreign countries.

Pallbearers for the funeral services were O. F. Shofner, J. F. O'Brien, J. E. Debnam, G. C. Aten, Guthrie Allen, Howard Humphrey, and J. H. Norris.

Honorary Pallbearers were Ralph Stuart, M. Q. Martin, Dr. A. H. Smith, Loo Randle, Leslie Pratt, Ocie Yeager, Tom Bradford, Audrey Cox, and J. E. Boreland.

Seated with the family group in final tribute at the service, were 5 former employees of Mr. Townsend: Mr. and Mrs. Bob Lavender, Lubbock; Mr. and Mrs. N. J. Allen, Amarillo; Mr. and Mrs. Ocie Yeager, Mr. and Mrs. Marshall Crawford, and Mr. and Mrs. Hubert Nelson of this city.

Out-of-town people attending were Mr. Tom Bradford, Monahans; Mr. and Mrs. Guthrie Allen, Midland; Miss Pauline Corn, Lubbock; the Lon Teal family of Lubbock, Mr. and Mrs. Bob Lavender and Mr. and Mrs. N. J. Allen.

Survivors include his wife, Mrs. Ruby Townsend; brothers, T. W. Townsend, Little Rock, Arkansas; C. L. Townsend, Booneville, Arkansas; Roy Townsend, Little Rock, Arkansas; and sister, Mrs. M. F. McElhouse, Arkadelphia, Arkansas.

Dawson County-

(Continued from Front Page) effort should be exerted this last week to assure success of the drive in your county. To assist you we have arranged unprecedented statewide radio broadcast over all networks operating in Texas for Tuesday 10 to 10:30 p. m. The program is entitled "Texas Heroes Speak." Please check your nearest radio station for complete details and see that the program receives good local publicity. Many counties plan to have civilian defense organizations, service clubs, women's organizations in addition to regular workers contact all prospects to solicit order fol-

lowing broadcast. NATHAN ADAMS, State Chairman War Finance Committee of Texas.

Don't forget that Tuesday is the day that Lamesa women will be actively engaged in selling bonds in answer to the plea sent out by our government and state officials.

Mrs. M. C. Lindsey, chairman of women of war, has announced the following list of workers, who will act as captains and select other workers to aid them with the canvass. Mrs. Charnell Jobe will head the group, and Mrs. A. E. Jacobs, Mrs. Carl Rountree, Mrs. Tom Wood, Mrs. Stansell Clement, Mrs. J. R. Leuenberger, Mrs. Hugh Gaines, Mrs. Vernon Bryant, Mrs. C. A. Hollingsworth, Mrs. D. W. Massengale, Mrs. Glen Jones, Mrs. J. H. Harp and Mrs. R. E. Simpson will also serve as captains.

Be ready to put every extra penny in on War Bonds and Stamps tomorrow. "Back the Attack - Buy Bonds."

Wayne Hilton Trains As Pre-aviation Cadet

Wayne Arvis Hilton has reported at Kessler Field, Biloxi, Miss., a unit of the Army Air Forces Training Command, to begin training as a pre-aviation cadet.

Private Hilton is the son of Mr. and Mrs. J. A. Hilton, of Route D, of this county.

—BUY WAR BONDS AND STAMPS—

Allen Barnard, Jr., Reports at Midland Army Air Field

Word was received this week that Allen G. Barnard, Jr., son of Mr. and Mrs. Allen G. Barnard, Sr., of 512 North Second St., has reported at the Midland Army Air Field for twelve weeks of intensive training.

In the process of winning his silver bombardier wings and a commission as second lieutenant or appointment as flight officer in the Army Air Forces, he will under go a thorough, all around course of training.

Mrs. Jim Waltrip spent the week end at Sweetwater visiting with her mother.
