THE RED ROCKET MARCHING BAND

Stepping lively, this is The Red Rocket Band as it competed in the University Interscholastic League Marching Contest at Canyon Tuesday, October 26, under the baton of its director, Garry

Bowen. The band received a second division rating in what was considered more than usually difficult competition.

Showdown: Skyrockets Meet Memphis Friday

Wellington Skyrockets meet the Memphis Cyclones at Powell Field Friday, October 29, at 7:30 p.m.

For 11 young men who stand tall on the gridiron, this will be the last home game of their football careers, for they are the team's seniors.

"This is a big one for us—probably the game that will decide the District 2-A Championship," declares Coach James Williams.

Like Wellington, Memphis has lost only one game this year, and that to Childress—the same team that defeated the Rockets. The Bobcat-Cyclone score was 20-12, even closer than the margin by which the Rockets lost. "You have to be a good team to do that," Williams commented.

Memphis has been throwing the ball quite a bit and doing a good job of it, Williams points out.

Quarterback Don Cofer will be the best passer the Skyrockets have faced all year, the coach predicts.

His main target is Johnson, who does an excellent job of catching. This team has accounted for some of the big scores the Cyclone has rolled up.

When Memphis runs, they do that well, too.

Memphis figures are impressive. The team has scored about 150 points in the last three games, with River Road, Quanah and Shamrock. For example, the Cyclone blanked River Road 56-0.

Memphis Coach Clyde McMurray is expected to stay with pretty much the same lineup that has been so successful. Eddie Braidfoot is regarded as outstanding as an offensive lineman and on

defense as well.

Kenny Martin is another who is outstanding as an offensive lineman and in the defensive secondary as a linebacker. Doug Hindman is another who is strong on the defensive side.

Also expected to be effective against Wellington is

Terry Allard, who not only can play cornerback (outside safety) but does an outstanding job at linebacker and can run the football capably.

The hard-fought non-district games the Rockets played are paying off now, Coach Williams emphasizes. "It was

American Legion to Observe Nov. 11

The Frank King Post of American Legion will hold open house on the traditional Veteran's Day, Thursday, November 11, in the Legion Hall, 10th and Amarillo Streets.

This will begin at 11:30 a.m. and continue until 12:00 midnight, according to John Coleman, who is helping with plans.

Coffee and donuts will be served to all veterans and a person does not have to be a member of the American

Legion to attend.

At the traditional hour of 11:00 a.m. the fire department siren will sound, and all those at the American Legion Hall will stand in formation, saluting, for one minute.

All veterans are urged to take part in this annual gathering, which will include those from World War I, World War II, the Korean War and Vietnam War, as well as those who have served the United States in peacetime.

County Voters Go to Polls Nov. 2

Collingsworth voters will indicate their preference in for contested races, along with two proposed constitutional amendments relating to Texas water, in the General Election Tuesday, November 2.

Absentee voting has been

heavier than expected even for a presidential election year, and Tuesday evening, 133 absentee votes had been cast in person at the county clerk's office, or ballots mailed to persons requesting them, according to Helen Gollighugh.

Greatest interest is in the presidential contest and that for Representative of the 13th Congressional District.

In addition to the Democratic Party Candidates Jimmy Carter and Walter Mondale, and the Republican Party candidates, Gerald R. Ford and Robert Dole, presidential candidates from three other parties will appear on the ballot. These are the American Party, Thomas J. Anderson and Rufus Shackelford; Socialist Workers, Peter Camejo and Willie Mae Reid; and

Independent, Eugene J. McCarthy.

Incumbent Senator Lloyd Bentsen has three opponents on the ballot: Alan Steelman, Republican; Marjorie P. Galvin, American Party, and Pedro Vasquez, Socialist Workers.

Both Jack Hightower, incumbent Representative from the 13th District, and his opponent, Republican former Congressman Bob Price, have been in Collingsworth County several times each during the campaign. Little has been heard of the American Party candidate, William K. Hathcock.

There are four candidates for Railroad Commissioner: Jon Newton, Democratic Party; Walter Wendlandt, Republican; Fred Rodriguez

Garza, Raza Unida Party; and Pat O'Reilly, Socialist Workers.

Unopposed candidates of the district and local level include: State Senator, 31st District, Max Sherman; Re-

presentative, 66th District, Phil Cates; Associate Justice, Court of Civil Appeals, 7th District, Charles L. Reynolds.

Judge, 100th Judicial District, Robert E. Montgomery;

Wellington Lumber Burglarized Thurs.

Burglars entered Wellington Lumber Co. Thursday night or early Friday morning, but apparently they were frightened during the burglar and left a large quantity of merchandise stacked beside a door leading into the alley.

Sheriff John Rainey said entry was gained by breaking

a glass panel in the door, reaching inside and unlocking it.

Only a few items were missing, although the exact amount could not be determined.

The merchandise left beside the door, which included wrenches, Sanders, drills, chain saws and other items, some still in boxes, was taken from wall and shelf displays, according to the Sheriff.

"We think whoever was inside may have seen Night Officer Wilson Porter come by and got scared," he said.

The burglary was discovered by a company employee, Howard Murdock, when he opened the business about 7:20 a.m. Friday. Mr. Murdock notified the sheriff's office.

County Bank Assets Pass \$25 Million Mark

Combined assets of Wellington's two banks were \$25,561,000, up almost two million dollars from a year ago.

The deposit picture is the same, now totaling \$23,556,000. This also is nearly two million above the deposits at the end of the third quarter of 1975. It is the highest third-quarter figure in the county's financial history.

The current figures reflect business as of September 30, with the last of the statements of condition being published this week. The figures themselves are revealed in the calls made by the Federal Reserve Bank and State Banking Commissioner.

The report figure, therefore, does not reflect any of the 1976 cotton harvested so far and much of the grain sorghum crop.

Deposits in the two banks, Wellington State and City State, are up about \$3.5 million over two years ago and \$11.5 million above the deposits three years ago.

A further check reveals that on September 30, there had been an increase of almost \$16.5 million since the upward trend began, and around \$13.5 million since September 30,

1969, seven years ago.

It is to be borne in mind that in this part of the state, the third quarter figures are never the high point financially.

Of the \$23,556,000 in deposits, county residents

have \$8,374,000 in demand deposits, the working funds of farmer, ranchers, business men and their employees.

The dramatic increase is in time deposits—money bearing

Samnorwood to Crown Carnival Queen

Samnorwood community is ready for one of the major events of its school year—the combined Halloween-Carnival, turkey dinner and selection of the Carnival Queen.

This will be held Saturday, October 30, starting at 5:30 p.m., when serving the dinner will begin. This will continue until 7:30 p.m. Tickets are \$2.50 for adults and \$1.00 for children.

Booths and games will open at 5:30 also, said Mrs. Kenneth Martindale, president of Parent Teacher Association, the sponsor.

All of the traditional games associated with Halloween will be featured. There will also be a dunking board, unless the weather is too cold, and young men of the community will be

the targets for the cold plunge.

There is one new event this year, judging the pre-school and elementary school Halloween costumes. This will immediately precede the coronation, and prizes will be awarded.

The colorful coronation will start at 9:00 p.m. when high school and elementary queens and their escorts will be chosen.

High school nominees for prince and princess, duke and duchess, are:

Grade 7 and 8: Dwayne Myers and Jona Stages, prince and princess; Russell Schaub and Lisa Lee, duke and duchess;

Grades 9 and 10: Don Oldham and Kim Peeples, prince and princess; Jody

Knoll and Ravenna Graves, duke and duchess;

Grades 11 and 12: Bobby Myers and Mable Bryant, prince and princess; Ricky Bentley and Donnie Knoll, duke and duchess.

Candidates from the elementary grades are:

Mrs. Andy Henard's room: John Bentley and Tammie Henard, prince and princess; Craig Brown and Shelly Thomas, duke and duchess;

Mrs. Leon Myers room: Wade Thomas and Sandy Henard, prince and princess; Le Ed Oswalt and Betty Kincannon, duke and duchess;

Mrs. Glen Thomas room: Tony Carter and Shanna Urban, prince and princess; Scott Peeples and Crystal Breeding, duke and duchess.

Mrs. H. Jones Dies Thursday Of Long Illness

Mrs. Howard Jones died Thursday, October 21, in Collingsworth General Hospital, following a long illness.

Funeral services were conducted Saturday at 2:00 p.m. in First Baptist Church. Officiating were Dr. James Brandon, pastor of First Baptist Church, Clarendon, and the Rev. C.R. Hankins, pastor of Trinity United Methodist Church.

Burial was in Fairview Cemetery under the direction of Kelso Funeral Home. Pall bearers were Fred Covey, Richard Peters, John Elmer Hightower, Alvin Horton, Albert Fulcher and Bobo Castleberry.

Mrs. Jones was the former Inez Coleman, daughter of Mrs. S.S. Coleman, now of Clarendon, and the late Mr. Coleman. She was born at Parnell, in Hall County, January 12, 1917, and grew up there.

She came with other members of the family to the Coleman Ranch west of Wellington. She and a sister also owned and operated a restaurant in Wellington.

She and Mr. Jones were married June 24, 1950, in Clovis, N.M. They had lived all of their married life here except for a year in Wheeler County.

Mrs. Jones was a member of First Baptist Church and while her daughter was growing up she participated in activities relating to the school, including Girl Scouts, the Parent-Teacher Organization, and all activities relating to the band and Band Parents Club, including directing the concession stand two years.

She was a graduate of

Standard Time Back Sun.

Central Standard Time returns Sunday, October 31 giving almost everyone a more comfortable feeling, especially about getting up in the morning.

This is the time when clocks are set back an hour.

Businesses and offices will observe their usual hours, according to the clock, although they will, in fact, be opening or closing an hour later by the sun.

Wellington Schools also will follow this, with Elementary School continuing to open at 8:30 a.m., high school and junior high at 8:35, Supt. E.W. Clement said.

The biggest boom in the export of potatoes hit this country just two weeks ago. The drought Europe, Poland and Western Russia suffered last summer has wiped out most of the fall potato crop in those countries. The European common market production of spuds is expected to be off 25%.

The U.S. potato producers are holding for higher prices for those potatoes headed for foreign markets and, if the buying demand continues next year from Europe, it could force up consumer prices next year. The big question is whether the European weather will improve next summer. The foreign buyers are saying as little as possible about their needs in order to hold the price down; the U.S. farmers and commodity brokers are mum in order to avoid unfavorable publicity and government investigations. And the Commodity Futures Trading Commission is watching trading activity on the New York Mercantile Exchange for evidence of any illegal speculation.

The U.S. has plenty of potatoes for everyone. This year's crop, the best in ten years, hit a record 299 million hundred weight, topping last year by 9%. The fall potato harvest accounts for 85% of all U.S. production. Commodity brokers who don't usually get into the shipping of potato, are active potato shippers because they have storage and the facilities for handling spuds. Potatoes are bulky and perishable and can't be handled like grains. This requires lots of labor to handle and refrigeration.

Orders for dehydrated potatoes are also setting records from European buyers. A measure of just how important the potatoes are to the European common market is the waiver of the 18% import duty that common market member nations must

pay on imported potatoes. France hasn't bought potatoes from anyone in 23 years, but it expects to buy 1/3 of the U.S. exports this year. In previous years the French have embargoed imports of U.S. exports this year. In previous years the French have embargoed imports of U.S. spuds on sanitary grounds. Now the French are willing to work out a compromise.

PTO Urging Trick or Treat on Saturday

Wellington Parent-Teacher Organization is requesting young children to go Trick-or-Treating on Saturday night, October 30, rather than on Sunday night, which is Halloween.

At the same time, residents who wish to entertain young ghosts or goblins are asked to prepare for them on Saturday night.

PTO members believe this will give the children an opportunity for more fun and at the same time leave Sunday free for those wishing to attend church services or carry out other planned events.

Dr. Holcomb at Dallas Assembly

Dr. and Mrs. Carter Holcomb were in Dallas recently where he attended the Scientific Assembly of the Texas Academy of Family Physicians.

This was a two and one-half day event, with sessions covering every part of medicine the physician will encounter in family practice. Outstanding doctors in the various fields were speakers.

Hospital Board Continues Search for Administrator

Collingsworth County Hospital Board members met Monday, October 25, to review resumes of several applicants for the post of hospital administrator. No decision was announced following the meeting.

The board is hunting a successor to Garner Altom, who resigned to accept the place of administrator of a hospital at Cisco, his home town.

Also in the meeting, Dr. Carter Holcomb, chief of staff, told the board that a small amount of swine flu vaccine has been received, but it is not enough for even the county's priority group—those over 65 years of age and the chronically ill. He estimated this category as numbering around 1200.

It is not known when there will be enough vaccine for a county-wide vaccination day, but when it is, the mass vaccination will be organized.

There have been no reactions here to the flu vaccine, so far as is known, the doctor reported.

Those receiving the swine vaccine will have to sign a consent form, it was pointed out.

Dr. Holcomb said he was encouraging people to have the vaccine. Asked if he considered the swine flu as serious as the Spanish flu of 1918-1919, he replied that he did. Dr. Holcomb said there is

Members reviewed the monthly financial report.

Mr. Altom who will continue as administrator until November 15, told the board that auditors would arrive Tuesday to begin the annual financial

audit.

Present for the meeting were Otis Emmert, president, and Charles Floyd, John Eron Forbis, J.C. Howell, Dr. Renaldo Perez, Dr. Holcomb and Mr. Altom. The other board members, Clyde Drake, Bill Janes and Tom Cunningham, were reported as being out of town.

Sail-Trike Powered By West Texas Wind

A Kansan who traveled through Wellington Friday, October 22, has the energy problem solved—almost.

Victor Woodard of Hays, Kansas, rode his Sail-Trike, a light-weight but sturdy, wind-powered, three-wheel vehicle that gives a first impression of a small sail boat moving down the highway.

He spent the night at Cherokee Inn, then left Saturday morning for Kansas, going north on US 83.

With a favorable wind, he can travel up to 40 miles per hour. Some who have ridden claim 50 mph, he says.

The set of the sail determines the speed, and, as with a sail boat, the best speed is had with the sail at 90 degrees to the wind. It will travel faster than any small sail boat, he reported.

With 30 square feet of sail, it travels twice as fast as the wind velocity, with a 90 degree sail set. Woodard came into Wellington at a speed of approximately 20 miles on a 10 mph wind.

The Sail-Trike is a recreational or sporting vehicle, the bearded rider points out. He is a sales representative for the manufacturer, Rans Company of Hays. During July and August, he set up dealerships in the Lincoln, Nebraska, area, in Iowa and Minnesota. He was en route to South Texas when the prevailing winds slowed his speed to the point he turned back. Woodard intends to take the Sail-Trike to the Gulf Coast by truck, then explore that area.

His vehicle does have one source of auxiliary power—a three-speed bicycle transmission mounted on the bottom, and if he loses all wind, and foot-power, as any bicyclist.

In politics, the right is the conservative side because in the British Parliament the Conservatives sit on the righthand side of the Speaker, the Liberals, Radicals, and Labor on the left.

Red Rocket Band Competes in UIL Marching Contest Tuesday

The Red Rocket Band received a Division II rating in the UIL Marching Contest Tuesday, October 26, in West Texas State University Stadium at Canyon.

"I'm real proud of the kids. They've put out a lot of effort under a handicap. We're not looking for an excuse. We're a first division band and as long as the kids keep remembering that we're in good shape," Band Director Garry Bowen said when the contest was over.

The contest was a little stricter this year than in the past few years, he believes. At the same time, the Wellington band director thinks the young musicians just didn't put it together on the damp, raw Tuesday like they do on the football field Friday nights. "Sometimes you click and sometimes you don't," he mused.

The 56 WHS musicians came on the field playing "Hey Jude" by Beatles John Lennon and Paul McCartney. They followed this with "Stars

in Your Eyes," and two Carl King marches, "True Blue" and "Alamo." Another march, "Bells Across the Gridiron," followed, and as they came off field, they played "Hey Jude" again.

The handicap Bowen spoke of was his own illness which kept him away from the band several weeks.

Only one District 2-A band got a first division rating, Memphis. Bowen called this "well deserved." Shamrock also had a Class II rating; Clarendon, III and Claude IV.

The other Class A bands competing included: Division I, Stratford, which Bowen called "probably the best band there," Sunray and Vega; Division II, Sanford-Fritch and Gruver; Division III, White Deer, Stinnett, and Phillips.

Judges were G.T. Gilligan, coordinator of Kermit School music program; Ralph Zamarrilla, director of Class A Van Horn band; and Don Hanna, director at Class AAA Ft. Stockton.

History Class Honors Veterans

Patriotism was at an all time high Monday morning when the veterans were honored by the American history students. Dressed in his uniform, John Coleman addressed the student body and told of the great moment at the close of the war when the men at the prison camp raised the American flag. As he left the stage, Mr. Coleman saluted the flag that was threatened during the dark days of World War II. Garland Hightower spoke to the assembly about his experiences while serving in the infantry in the Philippines. He also told of his great love for America. He recalls that he knelt and kissed the ground of his beloved land when he arrived in San Francisco after the war had ended.

Sam Adams, commander of

the Veterans of Foreign Wars, spoke briefly of his naval experiences during World War I, told of his serving in both France and Germany. Mr. Pegram wore the army hat that he brought back from the war.

Other veterans who gave their time of enlistment, and the places where they served were Billy Hatch, Cal Hurst, Walter Camp, and Melvin Cardwell. The history classes were disappointed because no one came to represent the war in Vietnam.

The history classes presented short scenes from each of the major wars of this century. Most of these skits were written by the students. Some of these were battle scenes, and others depicted the effect of these wars on the people at home.

Coming up next for The Red Rocket Band is the annual Christmas Concert, although if the gridiron Skyrockets are still playing football into December, that could change.

On November 15, a number of WHS band students will participate in the all-region band eliminations at Sanford-Fritch. The All Region Concert will be in Dumas January 28. Mr. Bowen explained that winning a seat in the all-region band is an individual rather than a band honor, and something the student works on himself. "Although I consider it an honor when my band members are in it," said Mr. Bowen.

The UIL concert and sight reading contest will be held in March.

Weldon Belew Dies October 20

Weldon Belew, 56 died in Oklahoma City Wednesday, October 20, after a long illness. He was a contractor.

Mr. Belew was the son of the late Mrs. Fanny Belew and came to the Loco community in the early 1930s. He graduated from Wellington High School. He was born at Gainesville February 22, 1919.

He married Miss Billie Crow of Wellington in 1945. They lived at Perryton before going to Oklahoma City.

Funeral services were at 3:00 p.m. Friday, October 22, at Colonial with the Rev. Carl Wadley officiating. Burial was in an Oklahoma City Cemetery.

Survivors are his wife; three sons, Harold Wesley and Jimmy of Oklahoma City; four brothers, Herman Belew and T.P. Belew of Wellington, Grady Belew of Channing and Robert Belew of Oklahoma City.

Attending the service from here were Mr. and Mrs. Herman Belew and T.P. Belew.

Norwood Lions Honor District Gov.

Lions District Governor, Jimmie Pigman of Dalhart, is visiting the Samnorwood Lions Club on Monday, Nov. 1 - at their regular meeting at 7:00 p.m., announced Boss Lion W.R. Breeding.

Mr. Pigman, serves as District Governor for the seventy Lions Clubs of Lions International's District 2-T1 and also serves as chairman of the council of District Governors for the State of Texas.

The District Governor will be bringing the local Lions a message concerning the service of the Lions in the District, State, and throughout the world.

His visit is also to commend the local Lions Club for its projects of service to its community.

Other projects Samnorwood Lions have carried out, or have under way include helping with the Red Cross Bloodmobile at its recent visit to Wellington, providing a program and serving refreshments at Thomas Nursing Center, Inc. contributing to the Hi-Plains Eye Bank, assisting in the Girls Town Christmas gift project, planning the Miss Samnorwood contest, and visiting three other Lions Clubs.

Adult Business Classes to Begin Here on November 4

Adult Vocational Training Classes in bookkeeping and typing will begin November 4 at the Wellington High School. These will be a cooperative effort of Wellington Schools, Texas State Technical Institute and Collingsworth County Community Action. Registration will be Thursday, November 4, at the Wellington High School at 7:00 p.m.

Free Clinic on Nov. 8

A clinic offering vaccines that give protection against several childhood diseases will be held Monday, Nov. 8, at the Community Action Center, 612 East Avenue. Hours are 1:30 to 4:00 p.m.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles and rubella. There will be no charge.

Classes are open to anyone over 18 years of age regardless of whether or not they have completed their high school education.

The Bookkeeping course will be taught by Miss Oleta Lynn Mercer, business teacher at Quail and typing will be taught by Mrs. Linda Brewer, business teacher in the Wellington School.

Classes will meet each

Thursday evening from 7:00 to 10:00 p.m. at the Wellington High School and the cost of the courses will be \$2.50 which includes the books to be used in the class.

This is the sixth year that

Adult Skill classes have been offered in Wellington and during that time several hundred people have either learned a new skill or have upgraded their present skill. Wellington was the first town in this area to take advantage of adult skill training, but since that time there are over 2,000 people each year in the Texas Panhandle enrolled in this type class. Those completing the class work will receive Continuing Education Credits from TSTI.

This is a regular meeting night for both the Glynn Moore post and the Auxiliary, Mrs. Jones pointed out.

Dinner Honors Mrs. Emma Lowe On her Eighty-ninth Birthday

Mrs. Emma Lowe was entertained on her 89th birthday, Sunday, October 24, with a dinner in the home of a son and daughter-in-law, Mr. and Mrs. Jim Lowe.

She and her husband, the late M.J. Lowe, came here from Somervell County in the fall of 1924. They lived first on

the farm known as the C.W. Roberts Home Place, then later acquired land in the Lillie Community, where they reared their family. They moved to Wellington a number of years ago, and she now makes her home in Thomas Nursing Center.

A covered dish dinner was served.

Attending were Mrs. Rebbe Snider and Mr. and Mrs. Bill Lowe of Wellington, Miss Janie Lowe and Mr. and Mrs. George Barth of Shamrock, Mrs. Stanley Brownlee and Jack Lowe of Amarillo, Mr. and Mrs. Richard Liner, Kelli and their son and family, Mr. and Mrs. Chris Liner and Carey, all of Memphis, Mrs. Lowe and the hosts, Mr. and Mrs. Jim Lowe.

Deanna Terry Visits Grandparents Here

Deanna Terry visited her grandparents, Mr. and Mrs. Everett Bell, Sunday afternoon and on Tuesday of last week and spent the night.

She is a student social worker for Oklahoma Christian College in Oklahoma City, and was working in Mangum and Hollis on Monday and Tuesday. She left here to work in Lawton and returned home to Oklahoma City.

She is the daughter of Mr. and Mrs. Gene Terry of Greeley, Colo., and is a graduate of OCC.

YOU CAN BANK on It!

By BILLY MOSELEY
President

CITY STATE BANK

Part of the American Dream is to be financially independent, and there's no reason why you can't be; however, it takes planning, and that's where we can help.

In building for the future, there are two simple rules to follow - to consciously and conscientiously follow:

1) Have a cash reserve for everyday needs and small emergencies. Two months' earnings should be adequate.

2) Have an automatic savings program adhered to during your working years. In other words, pay yourself first. Setting aside even \$25 a month year after year adds up.

Thrift is the foundation stone on which all estates are built. It sounds simple, but unless you DO it, you probably never will have the financial security and independence you want to.

We can help you plan. Come by today and we'll talk about it.

"The more you know about our business, the more we can help you!"

Rural Homemakers Day Draws HD Club Members from County

Several Collingsworth County Home Demonstration Club members participated in the Rural Homemakers Day sponsored by the Amarillo Chamber of Commerce, Thursday, October 21, 1976, at the Hilton Inn in Amarillo. Attending were: Mable Clement, Inez Clement, Mrs. Edna Bradley, Mrs. Buck Breeding, Mrs. L.C. Sweat, Mrs. Mitt Lowry, Mrs. Alene Reynolds, Mrs. Erma Lee Lowrie, Mrs. Roxie Hill, Mrs. Modine Horton, Mrs. Trudie

Peters, Mrs. Lorene Hill, Mrs. Melvin Seale, Mrs. Zook Thomas, and Mrs. Anita Blanton.

Nancy Gilliam of Salisbury, North Carolina, presented an interior decorating seminar stressing the newest trends in decorating ideas and colors. Throughout the day door prizes were awarded. The special speaker, Associate Justice, Mary Lou Robinson of the Court of Civil Appeals spoke on women, past and present describing the qualities of a good woman.

Those attending reported it was interesting and educational, a thoroughly enjoyable day!

Mrs. Cason Has Midway HDC

Mrs. Charles Cason, Sr., entertained the Midway Home Demonstration Club in her home Wednesday, October 20.

Mrs. David Peters, president, gave a paper on mental health, with each member present participating in the open discussion afterward.

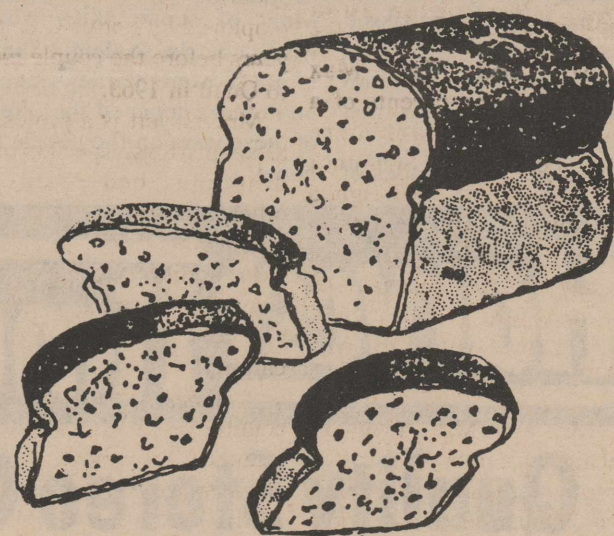

Mrs. Harold Caldwell gave the opening prayer and Mrs. Cason the devotional. Members answered roll call by telling of a Halloween prank each remembered.

Refreshments were served to Mrs. Caldwell, Mrs. Donald Curry, Mrs. Emil Kersten, Mrs. Mattie Childress, Mrs. R.H. Hill, Mrs. Peters and the hosts, Mrs. Cason.

Mrs. Caldwell will be hostess for the next meeting Wednesday, Nov. 3.

Mr. and Mrs. Melvin Seale spent last weekend with their son and daughter-in-law, Mr. and Mrs. Douglas Seale, of Pierce. They flew from Amarillo to Austin, Friday, after the County Judges and County Commissioners meeting in Amarillo last Thursday.

Mona Robinson, Bruce Oney To Wed In Clarendon Nov. 6

Mr. and Mrs. Don Robinson of Clarendon are announcing the approaching marriage of their daughter, Mona Gayle, to Jay Bruce Oney, also of Clarendon.

Parents of the prospective bridegroom are Mr. and Mrs. J.B. Oney, 1708 Ellison Street.

The couple will be married Saturday, November 6, at six o'clock in the evening, at the United Methodist Church in Clarendon.

Merle Hays Honored Here

Mrs. J.L. Hays, Miss Myra Hays and Miss Larlu Hays were hostesses for a birthday dinner, honoring Miss Merle Hays of Wichita Falls, Sunday, October 24.

Also attending were: Mr. and Mrs. Harold Pollard, Odessa; Miss Lori Pollard, Midland; and Misses Inez and Mabel Clement.

Safety for the Older Adult Alone Begins at Front Door

Many older people live alone, and their safety is of primary concern—beginning at the front door, Mrs. Vivian Blair, family life education-aging-specialist, reminds.

"Of course, most people who call on the telephone or come to the front door are honest, legitimate callers. But the risk taken if they are not is too great to ever take the chance of opening the door without checking first. The best defense is a constant, suspicious attitude of prevention—and a peephole in the front door."

"When someone knocks on the door, never automatically open the door, even if a visitor is expected. Don't even rely on a chainlock and opening the door a few inches.

"People intent on doing harm will rely on their victim's natural good manners and his efforts not to be rude—they'll expect the door to be opened easily. Family members and friendly visitors will understand and not be upset with the senior citizen for not opening

Excelsior Club Speaker Tells Of Artist Georgia O'Keeffe

Excelsior Club members, meeting Thursday, October 21, were told of Georgia O'Keeffe, one of America's greatest living artists, who once lived and taught in the Panhandle.

Miss Bonnie Willis was program leader and speaker, while Mrs. Robert Barjenbruch was hostess in her home south of Wellington.

"It took Georgia O'Keeffe almost half of her life to reach the hard, clear spaces of her beloved New Mexico," Miss Willis told the group.

Her talk continued: She was born on a farm in Wisconsin, one of seven children, and later moved to Virginia.

She studied art in Chicago, and then in New York at the Art Students League, where, as a lively beauty with short, curly hair, she was fondly called "Patsy"—an acknowledgment, perhaps, of a faint Irish twinkle in her eyes.

As a student, O'Keeffe became skilled in the Virtuoso techniques of her teachers and

won a first prize for still life. But she grew increasingly discouraged.

"I'd been taught to paint like other people, and I thought, what's the use? I couldn't do any better than they, or even as well. I was just adding to the brush pile. So I quit," the artist has recounted.

She destroyed her work, and after a stint at commercial art, went back home to Virginia. But though she thought herself through with painting, O'Keeffe did succumb to a summer art course in 1912. It was taught by a disciple of Arthur Dow, a teacher imbued with the principles of Oriental art. Dow emphasized that abstract design was "the primer of painting", and he encouraged his students to produce an art which would subordinate the imitation of nature to the 'flat relations' of the design. Above all, he urged them "to find new ways of expressing a beautiful idea."

Miss Willis reminded the group that Miss O'Keeffe more than 50 years ago taught art in Amarillo, and also at West Texas State University. One of her students lives in Wellington and is an Excelsior member, Mrs. J.F. Michael. She was unable to be present for this meeting.

Refreshments were served to Miss Rose Shadid, Miss Marie Shadid, Miss Dorothy Robertson, Mrs. Violet Potter, Mrs. Russell Yates, Miss Willis and Mrs. Barjenbruch.

Quail Couple Honored on Fiftieth Wedding Anniversary

by Mrs. G.T. Stephens

Mr. and Mrs. A.B. (Barney) Boyett were honored on their golden wedding anniversary at their home in Quail, Sunday, October 11. Their children and grandchildren were hosts.

The children included Alvin Boyett of Quail, R.L. Boyett of Amarillo and Jack Boyett of Houston.

Friends called between 2:00 and 5:00 p.m.

The registry table was covered with a white cloth, centered with an arrangement of gold chrysanthemums. Mrs.

Barbara Ezzell of Amarillo registered the guests.

The reception table was laid with a white lace cloth with gold underlay and centered with an arrangement of gold chrysanthemums and daisies. Crystal and silver appointments were used. Mrs. Cliff Fivek of Amarillo, a granddaughter, and Mrs. Al Boyett of Quail, a daughter-in-law, served the cake and punch.

Mr. Boyett and the former Pearl Holland were married October 16, 1926, in Dimmitt. He was farming at the time.

They then moved to Hollis, Oklahoma, where they made their home two years and afterwards lived at several other places before moving to Amarillo in 1948. He was employed by Potter County 15 years before the couple moved to Quail in 1963.

Mrs. Boyett is a professional seamstress, specializing in draperies, bedspreads and other decorative home furnishings.

In addition to their three sons, there are 12 grandchildren and four great-grandchildren.

A large group of out of county relatives and friends attended the golden wedding anniversary celebration.

Included were all of Mrs. Boyett's sisters, Mrs. Ruth Holleyman of Hamilton, Mrs. Bea Kelton of May, Mrs. Grace Parker of Monahans and Mrs. Christene Whitting of Odessa; three of Mr. Boyett's sisters, Mrs. Estelle Newman of Bethany, Okla., Mrs. A.L. Robinson of Quail, Mrs. Odessa Fryman and her family, Wanda Huff, Ruby Mertz, Don and Kathy Huffman of Oklahoma City; also,

Mr. and Mrs. Alvin R. Boyett of Salinas, Calif., Mr. and Mrs. Kenneth Ross, Jeff Ross and Calvin Fryman of Oklahoma City, Marie Bratton

Officers Take Pickup Thief Near Iowa Park

County officers don't confine their law enforcement to Collingsworth.

Sheriff John Rainey, Probation Officer Bob Watson, with Marshall Peters, were driving on Highway US 287 near Iowa Park before daylight Tuesday, October 19, when they heard a CBer calling for a smokey.

The caller, a man, said someone had stolen his pickup, with trailer attached. He saw the driver leave his place, he was following, and gaining on it.

Sheriff Rainey assured the man they were coming, then notified Wichita County Sheriff's Department.

About a mile down the road,

they found both vehicles stopped, with a rancher and his son holding a shotgun on the driver of the stolen vehicle.

"We handcuffed the old boy, turned him over to the officers when they got there, and left right on out," said Sheriff Rainey. They didn't get any names.

The Wellington trio was enroute to Texarkana on official business.

S.O.S. doesn't stand for save our souls or save our ship. The letters from the Morse Code were merely adopted for convenience—three dots, three dashes, three dots.

Ambulance Service Gets Rescue Vehicle

Wellington Volunteer Ambulance service has acquired a four-wheel drive Army ambulance which will be reconditioned and equipped as a rescue vehicle.

Not only can it be used in ambulance work, but the vehicle also will pick up persons who may be stranded in snowstorms, or in places where a regular vehicle cannot

The ambulance was selected and picked up at the Red River Arsenal, Texarkana, by Bob Watson and Marshall Peters, president and vice-president of the ambulance service, and Sheriff John Rainey. It was returned to Wellington Wednesday, Oct. 20.

This is a regulation type Army ambulance, 1968 model, built by Kaiser Jeep, and is considered a 1 1/4 ton vehicle. It has only 5,400 miles on the speedometer, but because it has not been used for several years, a certain amount of work will be required on the motor. Mr. Peters will do this.

"We feel it is a good piece

of equipment," Mr. Watson said. "It will be good in snowstorms, which many feel are due in this part of the country again."

The ambulance service is in the process of securing some of the equipment through Panhandle Regional Planning Commission on a 60-40 federal funding basis.

This is a large, van-type ambulance, with a walk-through from the cab to back. It also has a gasoline heater in the patient section.

Mr. Watson said a small generator and small air compressor will be secured for rescue work. An example would be the rescue of a person trapped inside a wrecked vehicle.

Plans are that when the ambulance is equipped, it will be a joint rescue vehicle of the volunteer ambulance service, sheriff's department and volunteer fire department. It is hoped at a later date an inter-agency rescue squad can be formed and trained.

JV Goes to Memphis Thursday

The Skyrocket Junior Varsity will go to Memphis Thursday, October 28, to meet the Cyclone JV for the second time this season.

"We beat them 18-0 the first time, but we are looking for the lot tougher game over there," said Coach Robert Hicks.

In District 2-A junior varsity play, each team meets every other team twice during the season.

The Rocket JV has a 5-1 record so far. Four of those 5 wins have been shutouts. "That shows the defense is playing good ball," said Coach Hicks.

In these games, Wellington has a total of 126 points to 18 for their opponents.

The shut-outs have been Shamrock 20-0 and 22-0, Memphis 18-0, and Clarendon 32-0. Wellington defeated Claude 22-6. The Clarendon loss was 34-12.

While Wellington has had only one loss this season, all other teams have had two.

Skyrocket Express Fund Over \$22,000

Wellington Fifth Grade students rode the new Rocket Express to the Discovery Center in Amarillo Monday, October 25. The center is featuring a new program series concerning Indian myths.

Tuesday, That Skyrocket Band traveled to the UIL Marching Contest in the new activity bus.

Supt. E.W. Clement pointed out that the new bus enables the school to carry the band in two buses instead of three as formerly required.

The goal to complete all payments on the bus is the first of the year, according to Louis Allred, who is coordinating the fund-raising drive.

At this time, approximately \$22,000 has been raised, making this one of the quickest fund drives ever held in Wellington.

Those making donations during the week include; Ermer Loneberger, Robert Hicks, Phil Bailey, Allison Equipment Co. of Hollis, Cudd Brothers, Thomas Nursing Center,

Herman Childress, Cablecom, Dan Henard, Jr., Bob Copeland, Earl Lynn Bartlett, Mrs. Ernest Nunneley, Cliff Campbell, Jeff Langford, an anonymous donor, General Telephone Co. of the Southwest,

Rusty Henard, Waggoner Lumber Co. of Dallas, Buddy Carter, Mrs. A.Y. Bell, West Texas Utilities Co., Jake Maxwell, Don Manuel, Charles Luedke, Novella Word, Loyd D. Hays,

Betsy Lemons, John E. Hightower, Doug Seal, Cal Sugg, Wellington Lumber Co., J.I. Morgan, Langford Conoco, J.D. Farrar, Elmer Green, Billy Wilkerson,

Santos Guajardo, Jr., Foster 66 Service Station, Truman Estes, Sidney Herring, Louis Graham, and Jimmy Bohannon of Farmington, N.M.

REV. JOHN STOUT Faith Baptist Calls Pastor, Rev. John Stout

Faith Baptist Church has called Rev. John H. Stout of Clarendon as pastor. Rev. Stout will begin his ministry here Sunday, October 31.

Rev. Stout attended high school here in Wellington and participated in various athletic programs of the school. He was a tackle on the Skyrocket football team.

After leaving Wellington, Rev. Stout attended Jacksonville Junior College, Baylor University and Southwestern Baptist Theological Seminary.

The Stouts have pastored churches in Texas, Oklahoma, New Mexico, Nevada and California, and have done some pioneer mission work in the Northwest. He is a former pastor of Quail Baptist Church.

Rev. Stout says, "It is good to come back to the 'Old Home Town' after all these years." He looks forward to renewing some acquaintances and looks forward to working with the Faith Baptist Church.

Mrs. J.W. Deger had her sister, Mrs. Zelda Walker, and daughter of Ashland, Oregon, as visitors recently. They also visited their niece and cousin, Mr. and Mrs. Joe Rountree. Mrs. Dona Tucker, a niece, from Shamrock was also a visitor on Thursday.

Services Held On Friday for R.P. Carson

Rufus P. Carson, 83, who had lived at Quail and Wellington many years, died in a Borger Nursing Center at 6:15 p.m. Wednesday, October 20, which he had entered earlier in the year. He was a retired farmer.

Funeral services were conducted at 2:00 p.m. Friday, October 22, in first Christian Church. Officiating were Charles Waugh of Amarillo, former minister of the church here, and the Rev. Stan Cosby, pastor of First United Methodist Church, at White Deer, and Mr. Carson's grandson.

Burial was in Hollis Cemetery under the direction of Kelso Funeral Home.

Pall Bearers were Hardy Wright, John Coffe, Ernest Maxwell, Truett Holland, Raymond Neeley and Robert Posey.

Mr. Carson was born November 4, 1892, at Sunset, Montague County, the son of John Wesley and Gillie Ann Hicks Carson. He farmed for a number of years at Quail, while his sons were growing up. He moved from here about 1945, but returned to Wellington 17 years ago to make his home. He also formerly lived at Hollis.

Mr. Carson was a member of First Christian Church.

Survivors are two sons, John Carson of Quail and Billy Don Carson of Borger; four grandchildren and four great grandchildren.

Faith Baptist Services Given

Services for Faith Baptist Church were announced this week and include Sunday School at 10:00 a.m. and morning worship at 11:00.

Bible study begins at 6:30 p.m. and the evening worship at 7:00.

The Rev. John H. Stout of Clarendon is the new pastor, and he and Mrs. Stout will move their mobile home to Wellington so they can remain for two or three nights each week.

The interim pastor was the Rev. Carl Baker of McLean, who served the church since July 7.

To eliminate smoking odors in the car, spread a layer of baking soda in the bottom of the car ash tray, suggests Mrs. Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service,

Methodist Women Plan Flea Market

Women of First United Methodist Church will open their flea market Monday, November 1, in the church basement, offering a wide variety of new and used items.

This is a fund raising project with all proceeds to go to the church building fund.

"We were highly successful with our flea market when it was open earlier in the fall. We had a lot of antiques and we may have some more. There were also many things

which the former owner did not need, but which offer possibilities to someone else," said Mrs. Barney Glenn, who is helping with the project. "We always have utensils, linens, and lots of good used clothing very cheap. We are due to have some new merchandise, also."

There will be several pieces of art offered, along with permanent floral arrangements.

Mrs. Fred Covey is flea market chairman, with Mrs. Chester Fires as co-chairman. Others on the committee are women of the church finance committee, Mrs. Bill Hatch, Mrs. Lynn Carter, Mrs. Wayne Cudd, Mrs. Gorman Owens, Mrs. Barbara Williamson, Mrs. Bob McAlister, Mrs. Cal Hurst, Mrs. Glenn and Mrs. Tom Birchfield.

Mythology Program At Discovery Center

During the first three week-ends of November, the public program at the Discovery Center will be "The People", a show about American Indian concepts of the sky as seen through their remarkable myths and poetry.

Performances of "The People" will continue at the Discovery Center through November 21st. Programs are scheduled on Saturday's at 3p.m., 5p.m., and 8p.m., and on Sunday's, at 3p.m., and 5p.m.

"The People" begins with a beautiful Indian myth about the creation of the world and proceeds in successive legends through the creation of the sun, stars, the blemishes on the moon, the rainbow, and the seasons. Some of the legends are profound; some are humorous. All are deeply touching in the view they give us of the first Americans living in harmony with all of nature—living as brothers and sisters with all living things.

The myths retold in "The People" come from 16 different Indian nations, spread across the breadth of the continent.

A team of distinguished native Americans, anthropologists, and astronomers, have reviewed the script of "The People" for authenticity. The Star Show was developed by the Hansen Planetarium of Salt Lake City under a grant from the National Endowment of the Humanities and is part of the American Bicentennial Celebration.

WINNERS!

The winning costumes at the PTO Carnival Saturday went to these two. At left, attending as a fuzzy yellow dog, was Cristy Settle, daughter of Mr. and Mrs. Jerry Settle. Kim Castleberry, as a goblin, was the other winner. She is the daughter of Mr. and Mrs. Bobo Castleberry.

FFA Electric Safety Demonstration Planned

Farm Bureau will present a program on electric shock for the general public at 9:35 a.m., Friday, Oct. 29, in the Ag. Shop, according to the President of the FFA, Lon Kiker. Joe Smetana of Waco, safety director for Texas Farm Bureau, will be the speaker.

"Most people do not fully understand the life-or-death facts of electricity. The average modern home has 120-volt or 240-volt, 60-cycle alternating household electrical current with a capacity of over 100 amperes. Most homes have a number of 15, 20, 30 and 40 ampere circuits, protected with either plugtype fuses or circuit breakers for fire prevention. Fuses or circuit breakers will not prevent electric shock," said Kiker.

Electricity is constantly seeking "ground." Unfortunately the human body can complete the circuit to ground. Medical authorities agree that if the amount of current required to light a 15-watt bulb, which is only 1/10 of an ampere, should flow through the heart, death might result in just one second.

Some of the causes and

effect of electric shock to the human body, as well as prevention and protective methods, will be graphically demonstrated by Joe Smetana, Waco, Safety Director for the Texas Farm Bureau. Smetana uses a couple of 8 foot tables to set up a brightly colored model home, along with props having "special lighting effects", such as a plastic man. The audience actually sees the plastic man light up as Smetana animates the injury and death-producing situations both inside and outside the home.

Group Here for Jones Service

Several out of town relatives and friends were in Wellington to attend the funeral of Mrs. Howard Jones which was held Saturday, October 23, at 2:00 p.m.

These included Mr. and Mrs. Reece Timmons and Mrs. John Aaron of Matador; Mrs. Walter Shephard, Mrs. Mack McQuerry and son, Mark of Amarillo; and Paul Hancock of Clarendon.

Mrs. W.A. Morrow Dies Saturday In Amarillo

Mrs. Maggie B. Morrow, a Wellington area resident for about 60 years, was dead on arrival at an Amarillo Hospital at 7:19 a.m. Saturday, October 23. A resident of Golden Age Care Center, she was the widow of the late W.A. Morrow.

She and her husband came here not long after their marriage at Garden Valley, Childress County, on October 1, 1911.

They farmed in the Fresno community for many years, then moved into Wellington. Mrs. Morrow, the former Maggie Black, was born in Freestone County, June 7, 1892, the daughter of the late Mr. and Mrs. H.B. Black.

Active in community affairs until her health failed, Mrs.

Morrow was a member of the Fresno Home Demonstration Club from its earliest years. A Baptist since early in life, she was active in Fresno Baptist Church, where she was a long-time pianist, and after that church disbanded, she belonged to First Baptist Church.

A long-time member of the Rebekah Lodge, she was a past noble grand, having filled all the chairs leading to that office. She had represented the lodge at the Rebekah Assembly.

Funeral services were held at 2:00 p.m. Sunday, October 24, at First Baptist Church, with the Rev. Roland Jenkins officiating. Burial was in the family plot in Fairview Cemetery. Pall bearers were Charles Black, Raymond Black, Elvon Black, Orval Morrow, Jim Moates and E.W. Clement.

Surviving Mrs. Morrow are a daughter, Mrs. J.T. Clement of Brownfield; a son, Harold Morrow of Amarillo; two sisters, Mrs. Bill Heckathorn of Childress and Mrs. W.H. Moates of Carey; 6 grandchildren, three great grandchildren and one great great grandchild.

She also reared a sister, Mrs. Loal (Florence) King, who preceded her in death a few years ago. Mr. Morrow died December 30, 1970.

out their memory of the only defeat they have suffered this year.

Robert Powell was the first to score, carrying the ball over on a 5-yard run. This came at the end of a drive of approximately 70 yards in the first quarter.

Chuck Darter made the extra points on a pass from David Baumgardner.

Wellington kicked off to Clarendon, and on the first play from scrimmage, the Rockets tackled the Broncho JV quarterback in the end zone for a safety, to give a score of 10-0 Wellington.

The second quarter was a

defensive contest, and that was the score at halftime.

Wellington received the third quarter kickoff and drove the ball downfield about 60 yards until Robert Chambers could score on a 12-yard pass from David Baumgardner.

Roy Cardwell's run was good for the extra point.

On the next possession, Powell scored again, this time on a 25 yard pass from Baumgardner.

Baumgardner passed again, this time to Robert Chambers for the extra points.

With about 7 minutes left in the game, Robert Sterling took

Speech-Drama Students In Pampa Tournament

Wellington High School students who will participate in University Interscholastic League acting and speaking contests later in the year were in Pampa recently to take part in a pre-contest tournament.

Wellington was the only small school participating, said Mrs. Bob McAlister, sponsor.

There were two acting teams. Stacie Pauls and Dickie Moore made up the first, presenting a cutting from "A Company of Wayward Saints." The other team, Brenda Willis and Darla Dodge, gave a scene from "The Sisters McIntosh."

Competing in poetry interpretation were Robert Burba,

Renessa Cardwell, Karen Goforth and Wanda Thomas.

In the informative speaking event, Kim Cannon, Suzy Castleberry and Kioette Camp represented Wellington.

Kin and Suzy reached the finals.

Persuasive speakers were Kay Coffee and Tina Powell.

Amarillo schools took all honors, with Caprock coming in first overall, Amarillo High School second and Tascosa third.

The Wellington group, along with several others who could not go to Pampa, will attend a workshop in Canyon, where they will see demonstrations in their particular contests, Mrs. McAlister said.

Music Center Observes 1st Anniversary

Thomas Music Center is observing its first anniversary in Wellington, and a special feature is the anniversary sale, which opens Monday, November 1.

John Alf Thomas, owner, said the sale will continue through Wednesday, November 10.

Associated with him in the music center is his wife, Geneva.

The business is located at 924 9th Street, the southeast corner of the square.

When he opened Thomas Music Center, Mr. Thomas brought years of experience as a musician, playing several instruments, as a music teacher, song writer, and of selling musical instruments.

a 45-yard pass interception across for a touchdown.

The try for extra points was no good, and the game ended 32-0.

"We needed that game to gain the lead in the Junior Varsity district," said Coach Robert Hicks. "That puts us in the lead and we avenged the loss at Clarendon's hands a few weeks ago 34-12. All the kids did a great job and really got up for the game."

Clarendon got inside the Wellington only one time, and that was near the end of the game when the Rockets got a fumbled snap on the punt.

"Defensively, we shut down their running attack, at which they are known to be strong, and we did a great job on defense. We felt we moved the ball good, too, on offense, and the line blocked real well," Coach Hicks said.

His interest, in fact, began while he played the cornet in Wellington Junior High and High School Bands. He attended summer band camps at North Texas State University and played in the NTSU band.

Other experience at that time, included playing in the Wellington HS Stage Band, singing in the Boys Octet at Quail and playing with the group furnishing music for the Quail Chorus.

Thomas next played in the Corvettes, a four-piece rock and roll band that traveled 6 months for Coca Cola Bottling Co., Greyhound Bus Co. and United States Recording Service.

Mrs. Thomas (Geneva) is also concerned with music, having sung in the Quail High School Chorus and the Melo-dears. She appeared each year on Cotton John's Farm and Ranch Christmas Show, taught music in Lela School and sang at the Hedley Cotton festival.

As music is the family hobby, she play bass guitar and sings with their own band, John Thomas and the Texans Three. She also has appeared on talent shows and entertained for civic clubs.

Agriculture Exempt From OSHA One Yr.

Something has happened in our nation's capitol which will be of interest to all agricultural producers as well as other businesses, notes Dr. Gary S. Nelson, safety engineer with the Texas Agricultural Extension Service. As of Oct. 1, farms, ranches and other enterprises defined as "agricultural operations" who have 10 or fewer employees at any one time are exempt from all requirements under the Occupational Safety and Health Act (OSHA) for one year.

"Annual attempts to amend OSHA during Congressional floor debate on an appropriations bill succeeded this

year," points out Nelson. "Certain amendments have been attached to the appropriations bill for the Departments of Labor and Health, Education and Welfare. All OSHA operating funds for fiscal 1977 are in that bill."

The bill stipulates that no civil penalties would be proposed on first-instance OSHA violations (other than serious, willful or repeated violations) unless 10 or more violations are found, explains Nelson. The bill also exempts

from OSHA coverage farms with 10 or fewer employees.

President Ford first vetoed the \$56.6 billion appropriations bill for the Departments of Labor and Health, Education and Welfare, including \$130.3 million for OSHA.

Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

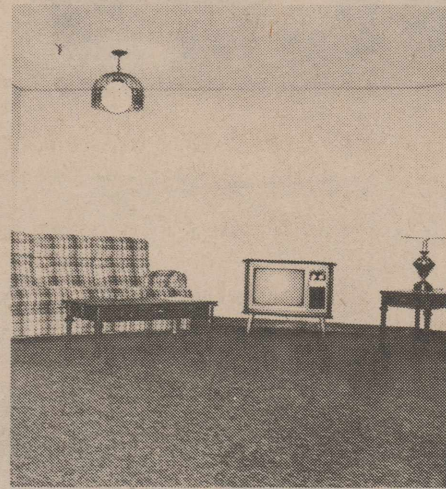

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television.

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.

We Do Not Need Voter Apathy in Collingsworth

On Tuesday, November 2, the county's voters will elect a president and vice president to lead the country during the next four years.

Just how many of the qualified voters are going to elect these two is something that is bothering many across the country. Voter apathy, which has been apparent in most recent elections, could be even greater this time.

Absentee voting in Collingsworth County has been fairly high, but whether this trend will remain through the election is to be seen.

If, after all the exposure from the news media the candidates for the two major parties have had, you may even yet be undecided, we urge you to take some time during the next five days and come to some decision.

According to the Commerce Clearing House, employees are allowed time off the job to vote in Texas, Oklahoma, New Mexico and 27 other states. If you don't have a way to get to the polls, a phone call to a neighbor or to an office at the court house could put you in touch with someone who can take you to vote. The Amarillo News has this to say:

"It takes no great effort for anyone to cast a vote in an election. The polling places and the hours are convenient and are announced in advance. We should all exercise our right to this freedom, a freedom rare in today's world.

Low voter turnouts are an indication of serious apathy in this country. And there is no quarreling with the notion that those who are 'not interested' and don't vote shouldn't complain about the outcome.

Election Notes

Congressman Jack Hightower has served the 13th District and Collingsworth County well during his first term. Jack Hightower knows the thinking of the people of his district and he has done an admirable job of representing their views. Both his Washington and Amarillo offices have been open, concerned and helpful to county residents during the past two years. We can expect even better representation from him next term as his seniority and his reputation for doing his homework on legislation grows on Capitol Hill.

Senator Lloyd Bentsen has been particularly helpful to Collingsworth County during the past year. He secured special legislation which has allowed Dr. Reynaldo Perez to practice medicine here, and his offices in Austin and Washington were especially helpful when the Postal Service threatened to shut down the Dodson, Samnorwood and Quail Post Offices. Bentsen was among a group of Senators who forced the administration and the Postal Service to refrain from more service cutbacks until 1977.

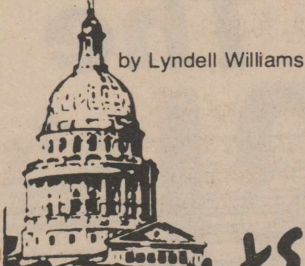

There is one name on the ballot that no one should vote for. Whoever Texans select, they should not vote for Don Yarbrough for Associate Justice, Supreme Court, Place 2. Yarbrough is currently a defendant in at least 16 lawsuits for alleged actions that amount to fraud. We urge that concerned citizens take the trouble to write in the name of Sam Houston, 211th District Court Judge in Denton. Houston is a man of great experience and high reputation, and he has the best chance to pull off a write-in campaign to defeat Yarbrough. Remember, Houston's name is not on the ballot. It must be written in the space provided for write-in votes on the ballot.

Both Texas Constitutional Amendments this year deal with Texas Water Development Bonds and it is in the best economic interest of West Texas that the amendments be passed. Passage of the amendments will give the Texas Water Development Board funds needed to continue to upgrade the quantity and quality of water available for all Texans.

Highlights AND Sidelights

AUSTIN — Texas goat and sheep raisers cannot hunt golden eagles in Texas, the U.S. Interior Department has ruled.

Gov. Dolph Briscoe's request was rejected last week.

Briscoe stirred up something of a storm last month when he asked Interior Secretary Thomas E. Kleppe to grant blanket authorization for stockmen to hunt the eagles in 31 counties of West Texas.

Lynn Greenwalt, director of the Interior Fish and Wildlife Service replied to Briscoe. He said the request was turned down under a policy of former Secretary of Interior Walter J. Hickel which concluded in 1970 against blanket authorizations.

The golden eagle is protected under a special federal act.

The Interior policy referred to by Greenwalt permits consideration of requests from individual ranchers who can demonstrate that they need to hunt the protected birds.

Briscoe requested authority to shoot the eagles after ranchers complained about increasing numbers of the birds near the October 1 beginning of the lambing season.

Ranchers claimed the migratory birds would cause heavy losses in new-

The Skyrocket Annual reported that Theo Nichols and his "cracker jack" high school band made history in a Wellington booster trip during the school year to Shamrock, McLean, Clarendon, Memphis, Hollis, Quanah and Childress. They also played at the football games, at the Tri-State Fair in Amarillo, at Shamrock's St. Patrick's Day and at Amarillo's Mother-in-Law Day. Cal Hurst and several others helped identify the band. born lambs and kid goats.

An outcry was raised subsequently from groups seeking to protect the golden eagles from wholesale attack by outraged ranchers.

"Scandal" Charged

Texas Railroad Commission routinely continued the November state oil production allowable at 100 per cent for the 56th consecutive month.

Meanwhile, Commis-

sioner Mack Wallace termed increased dependence on foreign crude oil "the greatest scandal in the nation."

Wallace charged the U.S. is spending \$70,000 a minute importing oil from foreign producing countries.

Major buyers of Texas crude entered requests for more than 3.9 million barrels of oil a day in November.

Employees Fired

House Speaker Bill Clayton fired four veteran House employees last week.

He said they did not fit into his plans to computerize the system of handling legislation.

Discharged were House Chief Clerk Dorothy Hallman, a House employee for 41 years and chief clerk for 20 years; Adele Jacobs, who has been calendar clerk since 1947 and has worked

for the legislature since 1931; Assistant Chief Clerk Ruth Rainey, a 10 year veteran; and Assistant Calendar Clerk Cynthia Lewis.

Clayton claimed House members and lobbyists had told him they had been contacted by some of the employees and warned that bills may be lost under the new system or that copies of legislation would not be available. The speaker also said there were just too

many employees in the clerk's office.

Mobile Home Probe Set

The Department of Public Safety has launched a statewide probe of mobile home scandals.

DPS spokesmen said owners of the homes are being offered phony contracts under which buyers claim they will agree to pay off the balance owed them.

FFA Confers Degrees On Two Member Groups

Wellington Future Farmers of America met Monday, October 11, when Greenhand and Chapter Farmer degrees were presented in the formal ceremonies.

First year ag students receiving Greenhand degrees were David Blanton, Jeffrey Camp, Craig Darter, Dane Dodge, Jerry Henry, Gary Isaacs, Terry Manuel, Clint Nash, also,

Kevin Needham, Greg Neeley, Kirk Patterson, Joe Sanderson, Truitt Owens, Neal Van Pelt, Marty Warrick and Joe Garza.

Rodney Myrick, advisor, presented each boy a bronze Greenhand pin.

The minimum qualifications for the Greenhand degree are that the member must be enrolled in vocational agriculture; learn and explain the FFA creed, motto and salute; describe the FFA emblem, colors and symbols; explain the proper use of the FFA jacket; have a satisfactory knowledge of the history of the organization; and know the duties and responsibility of FFA members.

Eight members were recipients of the Chapter Farmer degree, the highest offered by the chapter. These were Kevin Hall, Jacon Jeffrey, Clay Don Lacy, Calvin Lockhart, Jimmy Morgan, Robby Murdock, Harold McKinney and Chris Watts.

The president, Lon Kiker, presented each candidate a certificate and silver Chapter Farmer pin.

Minimum qualifications for a Chapter Farmer are that the candidate must have completed one year of vocational agriculture; have satisfactory knowledge of the local constitution and of the local program of activities; have earned at least \$50 by his own efforts from his supervised occupational experience program; demonstrate 5 parliamentary procedure abilities; and have a satisfactory scholastic record in vocational

agriculture.

There are four farming degrees in the Future Farmers of America: the Greenhand degree; Chapter Farmer Degree; Lone Star Farmer, given by the state association; and American Farmer degree, which comes from the National association.

At the end of the meeting, the Greenhands treated everyone with an ice cream supper.

Chapter officers this year are Lon Kiker, president; Tony Martinez, vice president; Allen Murdock, secretary; Pat White, treasurer; Jimmy Morgan, reporter; John Birkey, sentinel; and Mr. Myrick, advisor.

Junior FHA Elects Officers

Wellington Junior Chapter, Future Homemakers of America, elected officers in a meeting held Monday, October 11.

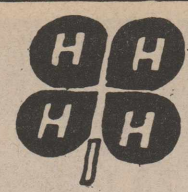

Beverly Orr was chosen president. Other officers are Kim Judd and Jennifer Pendleton, first vice presidents in charge of programs; Teresa Hodges and Olga Nevarez, second vice presidents for encounters; Gail Rudy and Molly Gonzales, third vice presidents in charge of projects; Carla Seitz and Patricia Parker, fourth vice presidents in charge of recreation; Tami Boswell and Tammie Sanders, fifth vice presidents in charge of reporting; Peggy Popwell and Cristy Moseley, secretaries; Tina Young and Lesa Johnson, treasurers; Kelly Covey and Pat Turner, parliamentarians.

Chapter parents are Mr. and Mrs. Leo Popwell and Mr. and Mrs. Dick Pendleton.

The Junior FHA Beau is Jon Sessions.

The next meeting will be Monday, November 8, at 7:00 p.m.

COLLINGSWORTH COUNTY 4-H Club News

The Willing Workers 4-H Club has started its food project for this year, when members met in the home of their leader, Mrs. Leo Popwell.

On September 29, they cooked Lemon glazed crescent rolls and studied how to read the labels on canned and boxed foods. On October 9, the group cooked sausage, "tater" crescent pizza and made a tossed salad. They studied about nutrition and discussed the county food show which will be held later in the year. Decorations were planned for the county award

night, November 6.

At the October 23rd meeting the girls cooked Hearty Potato Chili and studied how to plan a day's menu to meet the needs of all the family members. This included members that might need a low calorie diet, of a diet high in iron. They also discussed the diet needs of an expectant mother, young children and older adults.

The club will meet at 1:00 p.m., November 6, to set tables for the awards night.

Members attending the meetings were Gail Rudy, Cheryl Birkey, Tami Boswell, Kay Coffee and Peggy Popwell.

PTO and Students Ask For Cereal Box Tops

Wellington Parent-Teacher Organization is scrambling for box tops—as are dozens of schools and related organizations in Texas—attempts to take advantage of an offer by a national cereal maker to trade box tops for athletic equipment.

Collection boxes have been set up at each grocery store, Parsons Drug and C&H Pharmacy.

Under provisions of the offer from Post Cereals, schools may save Post box tops and exchange them for such things as sports equipment, tape recorders or slide projectors.

Not only will the students of Wellington Elementary School be eating their cereal and saving the box tops, they are asking all their friends to do this, too.

"We hope to involve the entire community in this project," said Mrs. Eddie Maxwell, PTO president.

"We are not asking you to buy cereal you will not be eating, but we do ask when you buy one of the Post cereals, that you remember the elementary school children and save the box top," she continued.

The deadline for receiving box tops will be announced later.

NIXON, FORD AND BUTZ an eight-year record

They **promise** free markets. They **deliver** four embargoes in three years—one under Nixon, three under Ford, all under Butz. Embargoes that collapse farm prices.

Farm prices on a **roller-coaster**: boom some of the time, bust some of the time too. But farm costs on a **one-way elevator**: UP. High risk, high cost, uncertainty. Where will it end?

They **invite** grain inspection scandals. So far, 83 criminal indictments, 59 convictions. They look the other way, cut down inspection while exports soar, while their **friends** add dirt, foreign material to farmers' grain.

They **muff** export opportunities. Grain traders pocket \$300 million in export subsidies in 1972 while Russia buys cheap. Farmers see prices rise **after** they sell.

They **trade** high-level executives with big grain conglomerates. Cozy, fast-moving, revolving door arrangement.

They **veto** even modest increases in price protection. Emergency farm bill vetoed in 1975, no protection against collapse in wheat, corn, cotton, soybean prices. Two dairy price support increase bills **vetoed**.

Conservation funds impounded. Rural development programs **cut back**. Farm programs made **more difficult**, confusing for farmers; disaster protection cut back, withheld, delayed.

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Rockets Soar Over Clarendon, 47-7

The Wellington Skyrockets mounted two 99-yard drives and took advantage of every Clarendon mistake Friday, October 22 to defeat the Broncos 47-7 on their home field in the second district game of the season.

The win left the Rockets 7-1 for the season.

George Darton scooped up three fumbles during the night to lead the Rocket defense. But Darton wasn't the only one with sticky fingers. Shane Tarver opened the Rocket scoring by covering a Clarendon fumble in the end zone.

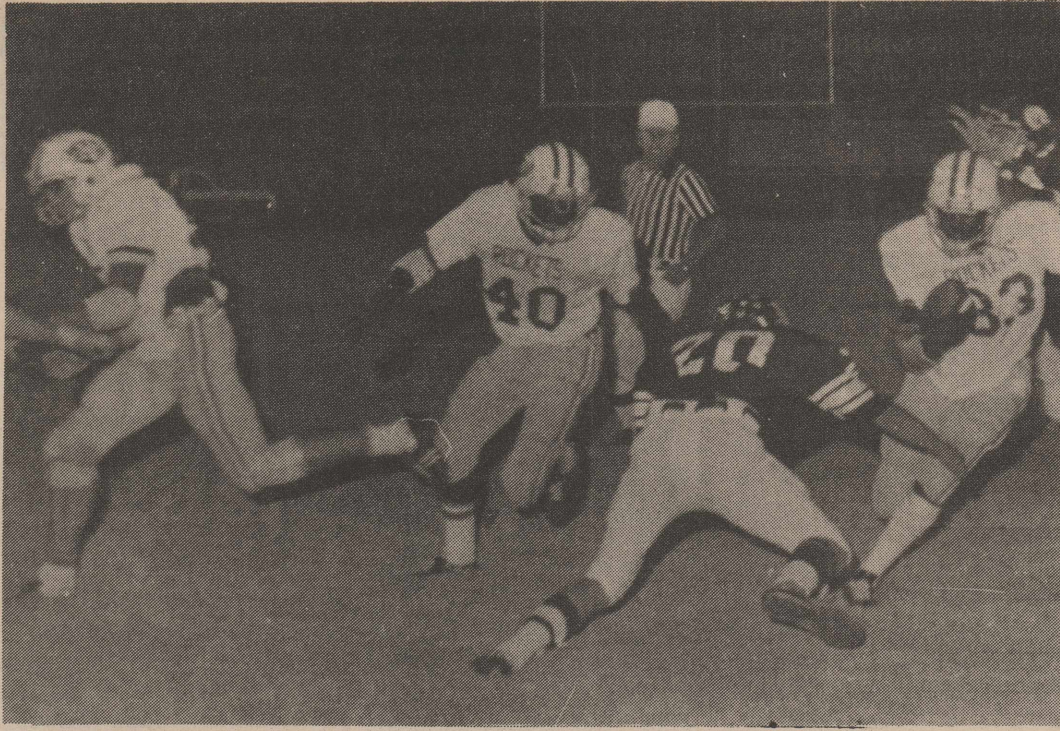

Clarendon came back strong after the kick off. Broncho back Barry Schafer broke through the Rocket defense at the 50-yard line and flew down the sideline before Joe Baumgardner caught him from behind at the Rocket 4.

The Skyrocket defense

staged a tremendous goal line stand that left the Broncos looking at 4th down on the 1 foot line. Rocket tacklers jarred the ball loose on the next play and Darton made his first recovery at the one yard line.

The Rockets took possession on their own one and drove the distance in 10 plays that saw Carl Taylor and Jessie Davis display fine broken field running ability. Davis scored from 6 yards out and Taylor passed to Arnie Ingram for two extra points.

Clarendon's offense could not get going against Cliff Pennon and the Rocket defensive line. On this series they knocked the ball loose for Dartons second fumble recovery at Clarendons 35. Dan Ford rambled 21 yards to move the Rockets inside the 15, and a couple of plays later Shane Tarver and Jessie Davis

SCORING

Ricky Jones, 33, carries the ball in for a touchdown against Clarendon, Fri., Oct. 22 as George Darton, 40, and Dan Ford, left, look for blocks.

fooled Clarendon with a fake field goal when Tarver passed to Baumgardner to make the score 20-0. Taylor worked his pass to Ingram again for two extra points.

The Rockets mounted one more sustained drive before the half that saw Ford, Davis and Ricky Jones alternately battering the Clarendon defense. Jones took the ball in for the score from the one to leave the Rockets with a 28-0 lead at halftime. The extra point kick failed.

Baumgardner recovered a Clarendon fumble just after the second half kickoff to set the Rockets up at the opponent's 26 yard line. A couple of passes fell incomplete and the ball went over on downs. But Clarendon fumbled again on their first play and Allen Sanders recovered this time. Ford followed Danny Morris' block and Davis followed Sanders and Don Allred's blocking to move the ball to the 4 where Taylor kept for the score. The PAT failed, leaving the Rockets ahead 34-0.

A few downs later George Darton found himself in the

middle of Clarendon's backfield where he intercepted a pitchback for his third recovery of the night.

The Rocket defense pushed Clarendon back into the hole to set up the next Wellington TD. Ricky Jones rambled 30 yards to the 10, and a couple of plays later Ford punched over from the 1. Davis kick made the score 41-0.

The third quarter ended as Bob Cummings found himself the only thing between the Clarendon ball carrier and the goal line and made the play. Shane Tarver recovered his second fumble of the night a few plays later.

Clarendon's only touchdown came in the fourth quarter when quarterback Howard Weatheron kept up the middle for 27 yards.

The Broncos threatened to score again until Davis intercepted a Clarendon pass on the Rocket's own one yard line. The Rockets moved to their own 35 where Ricky Jones took off for a 65-yd scoring play that left the Rockets 47-7 with 1:34 remaining.

Dickie Moore ended the

game with an interception that killed Clarendon's final drive.

If you smell natural gas, follow these 3 steps to safety.

The natural gas industry has one of the best safety records of any energy source in the United States.

The fact that you *can* smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Don't use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.

2. Have everyone leave the house immediately, leaving doors open to help ventilate.

3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

Lone Star Gas Company

Texas farmers and ranchers have had too few friends in Washington in recent years. Now, it's time to support a friend who's fought for us, Senator Lloyd Bentsen.

POST OFFICES IN DODSON, QUAIL AND SAMNORWOOD. Bentsen led the fight to retain these local Post Offices for our county and won.

MEDICAL HELP FOR COLLINGSWORTH COUNTY. Bentsen assisted the people of Collingsworth County by passing a private bill in the U.S. Senate to permit Dr. Reynaldo Perez to reside in Wellington and practice medicine for our community.

Beef Price Ceiling. Bentsen opposed Nixon's beef price ceiling, successfully fought for exemption for Texas cattle buyers and voted against controls.

Grains and Oilseeds. Bentsen vocally opposed the Administration's export embargos and introduced legislation to create a process to avoid the controls in the future.

Beef and Dairy Imports. Bentsen has repeatedly called for restrictions on the increasing imports of beef and dairy products and has introduced legislation to reduce imports.

Cotton. Bentsen has supported higher loan and target prices, strongly opposed cotton export controls and stood up against the payment limitations.

Federal Land Use Planning. Bentsen is fighting **against** the bill his Republican opponent has authored — the Steelman-Udall Land Use Planning Act.

Personal Experience. Bentsen understands the problems of the farmer and rancher; he has personally engaged in row crop, cattle and citrus production.

Let's keep our Democrat in the U.S. Senate. Vote for the winning combination . . . Texas and Lloyd Bentsen.

Eighth Grade Defeats Shamrock, Clarendon

Wellington Junior High Firecrackers defeated Clarendon 14-0 Thursday, October 21, in a game here.

They followed this by a 40-8 victory over Shamrock a week earlier. This game evened off a loss to Shamrock in the first go-round, 30-20. That match was played in Irish territory.

Tim Anderson scored three touchdowns and one extra point in the Shamrock game; Darrell Thomas one touchdown and two extra points, and Chris Lynch two touchdowns, according to Coach Bruce Dollar.

Wellington scored on their first possession of the ball, and by the end of the first period were ahead 16-0.

Wellington crossed the goal line twice in the second quarter, for a 28-0 score at halftime.

The Firecrackers scored again in the third period and made their final touchdown in the fourth.

Shamrock scored with about two minutes left in the game.

Coach Dollar called this "the best game one of my teams has played since I have been coaching in Wellington." Most of the scoring came after Wellington had recovered Shamrock fumbles.

Jackie Fowler caught a long pass that set up one score. Jody Coleman quarterbacked the game.

In the Clarendon game, The Firecrackers again scored on their first possession of the game, when Darrell Thomas carried the ball across from four yards out.

Wellington scored again in the first quarter on a recovered fumble when Tim Anderson crossed the goal line from 10 yards out.

He also made the extra point. The remaining three quarters were a defensive battle for the youngsters.

"I felt we should have scored three more times," said Coach Dollar. "But we

got what everybody else has--fumbilities. We get inside the Clarendon 20 and fumble the ball."

"Clarendon, on the other hand, wasn't able to move the ball against us. We moved it well against them, but everytime we had a chance to do something, we fumbled or got a penalty."

Brothers Visit Friends Here

Three brothers who formerly lived in the county, along with their wives visited in the homes of Mr. and Mrs. Bill Hill and Mrs. Charley Hill Thursday evening and Friday morning.

They were Mr. and Mrs. Jack Blanford of Deming, N.M., Mr. and Mrs. C.R. Blanford of Los Alamos, N.M. and Mr. and Mrs. Buck Blanford of San Bernadino, Calif.

The men were the sons of Mr. and Mrs. Ray Blanford, who lived in the Needwood community many years prior to moving to New Mexico more than 30 years ago.

Friday morning the men went to the farm where they lived as boys. They also visited the farm in Dozier community where their grandparents lived, and also the Dozier Cemetery where a sister is buried.

Mr. and Mrs. Jack Blanford returned home Friday. The other two couples will travel through the southern part of the United States in their travel homes during the winter months. Their first stop after leaving Wellington was to be at Tyler.

We have been very busy this month at the Senior Citizens Center.

We had 54 people to come last week for the monthly birthday luncheon.

Also we had 145 to get their blood pressure checked this month. We have an average of 6 tables of domino players each Thursday night and from three to four each afternoon.

Ernest and Willie B. Harwell have finished with the block walls on the back room of the center. Hope we can get the walls up soon. We surely need this room for a work room and a place to store things.

We are having a chili and beef stew supper here Thursday, Nov. 4, to help raise funds to finish with the painting and paneling.

A peanut brittle and divinity candy demonstration will be given at the center Monday, Nov. 1, at 2:00 p.m. Anyone wishing to come is welcome. Free tasting.

Service is the rent we pay for the space we occupy.

Cates Endorses Nov. 2 Amendments

As State Representative of the 66th Legislative District composed of Armstrong, Briscoe, Childress, Collingsworth, Donley, Floyd, Gray, Hall, Motley, and Wheeler Counties, Representative Phil Cates said today in Shamrock that he endorses completely and totally the proposed Constitutional Amendments which are vital to the people of our area.

"These Amendments deal with the financing capability of bringing more water to West Texas. Every voter in this area should vote 'Yes' on the November 2 General Election Ballot for all of these Amendments," he said.

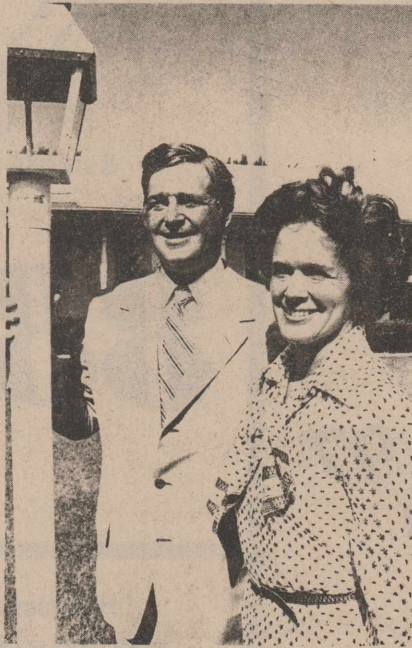

Nursing Center Halloween Due

A Halloween carnival will be held at Thomas Nursing Center Saturday, October 30, at 7:00 p.m.

"We'll have games, fortune telling, cookies, punch and fun for everyone," said Mrs. Albert Fulcher.

Mr. and Mrs. T.L. Wilkerson returned Monday from Angleton where they visited their son and daughter-in-law, Mr. and Mrs. Louis Wilkerson and Jon.

The liberal majority in Congress has supported action to weaken our control of the Panama Canal.

The liberal majority in Congress has refused to support action providing for a balanced budget.

The liberal majority in Congress has voted funds to allow more bureaucrats to harass small businessmen.

The liberal majority in Congress the past year increased their own expense to the taxpayers a staggering 30% [Your congressman voted for this.]

"My neighbor and friend was expounding on our present congressman, and the fact that he knew all about farmers and their problems. I asked him if his congressman was going to support the loggerhead bill. My neighbor and friend replied: He doesn't know what a loggerhead is. I replied: I thought you said he knew all about farmers."
