Property Reevaluation Is Underway Locally

Those strange men running around the county with yard sticks and tape measures are employees of Southwestern Appraisal Company and have been hired by the Mitchell County Tax Appraisal District to reevaluate real estate.

This was reported, at the Mitchell County Tax Appraisal District Board meeting Thursday.

The appraisal group began work in the county in October, 1980. Their duties are to reevaluate all real estate and some personal property within the county.

They are currently working within the city limits and will begin rural reevaluation in mid-February. They will begin in Lorraine and Westbrook cities Monday.

Owners will be contacted if they are at home when the appraisers arrive.

If the owners are not

at home, houses will be measured from the outside and because of the experience of the appraisers, an educated guess will be made about the exterior, Al Jett noted.

According to Jett, on site supervisor for Sterling and Mitchell Coun-

ties, about two to three months will be required to complete consideration of farm land.

Both market and productivity values will be established on open space (farm land).

An average of the production of the land for See LAND Page 2

Contest Winners Are Announced

Eighth grader Gloria Sanchez of Lorraine won first place in the Mitchell County Soil and Water Conservation District Essay Contest while Cory Flanagan of Colorado City won first place in the poster contest.

Winning second place in the essay contest was Shelly Martin of Lorraine. Third place went to David Britton of Colorado Middle School.

Other poster contest winners were second place, Don Hearn and

third place, Reese Moore, both are enrolled in Hutchinson Elementary School of Colorado City.

"Conservation - Our Best Insurance" was the theme of the essay contest and the subject of the poster contest was "Resource Conservation."

The top three poster winners will receive trophies. In addition, the top four winners out of each room will receive See ROOM Page 2

Marsha Moore To Direct Season's First Production

A partial list of this season's Colorado City Playhouse productions and directors has been announced by Vice President in Charge of Productions Jolyn Mikow.

The season will kick-off with a Neil Simon comedy, "Plaza Suite." Tryouts for this play will take place at 7 p.m. Monday and Tuesday at the playhouse and anyone interested in theatre is invited to participate.

"Plaza Suite" will be staged in March and will be directed by Marsha Moore.

The cast of characters consists of two men and two women. Each actor will portray three characters, one in each act of the three-act play.

For more information on tryouts, interested persons may show up for tryouts or contact Mrs. Moore at 728-5890.

The season's second production is set as the musical, "A Funny Thing Happened On The Way To The Forum."

Fred McFarland of Snyder (remember Dr. Sanderson in "Harvey?") will direct this one.

The play will be on stage the last week in

May and the first week in June.

The third production of the season has not yet been selected, however,

Wolves To Howl Thursday

Howl Night has been set for Thursday in the Colorado High School Auditorium.

The theme for the night will be "Somewhere In Time."

Mrs. Roxanne Myers will be playing the piano.

Featured will be the stageband, twirlers, flag corp and cheerleaders.

Also appearing will be three acts unknown to the public until Thursday.

The highlight of the evening will be the naming of the "Colorado High School Student Personalities."

Sponsoring and directing the program will be Mike Walla and Ronnie Conner.

Charge for students and adults will be \$1.

Everyone is urged to attend, stated Walla.

Bale Count

As cotton ginning in Mitchell County nears completion, two gins, Farmers Gin and Producers Co-Op, reported that their ginning seasons have ended.

The reports of the local gins are as follows: Buford Gin reported 2,331 bales ginned and 150 on the yard.

China Grove Co-Op Gin reported 3,678 bales ginned and 35 on the yard. Half of this amount was produced in Mitchell County.

Colorado Gin Company reported 1,007 bales ginned and none on the yard at this time.

Lorraine Co-Op Gin reported 4,444 bales ginned and none on the yard at this time.

Mitchell County Gin reported 2,270 bales ginned with six bales on the yard.

Westbrook Gin reported 1,383 bales ginned with none on the yard at this time.

The final bale count for Producers Co-Op Gin was 3,653 bales and the final count for Farmers Gin was 1,120 bales ginned.

This brings the total ginned bale count to 19,886, with 180 bales on the yard, making the total Mitchell County bale count 18,220.

Commissioners Hear Favorable Jail Report

Mitchell County Commissioners breathed a sigh of relief and shelved tentative plans for renovation of the jail, which were estimated to cost taxpayers about \$240,000, after hearing a favorable report from the State Commission on Jail Standards Wednesday.

Commissioners' problems with the jail commission began March 20, 1980, when an inspection turned up numerous items which were out of compliance and would not be granted a variance.

County officials began efforts to correct the discrepancies. The alternative, according to the jail standards commission, was to have the

jail condemned and closed.

Between that time and the inspection Wednesday, county officials expended \$14,694 for improvements trying to bring the jail into compliance. They also hired three fulltime jailers.

Because more and more problems in the way the existing facility is constructed led to more and more cost to correct the problems, commissioners contacted an architect and had renovation plans drawn up which would bring the jail into compliance.

At the time of the initial inspection, the estimated average number of inmates was over 10.

When Wednesday's inspection was made, the estimated average jail population had dropped to 8.83.

According to commission representative Joe Slater, this drop in population resulted in a number of items which were out of compliance being deleted from the list of discrepancies.

be in compliance now, about six main items must be altered and six variances must be requested from the state.

The total 51 discrepancies, which county officials were working on, were automatically cut in half by the change in the number of inmates, Slater commented.

County officials will continue efforts to bring the jail into compliance without completely remodeling the structure.

In other business, commissioners discussed the possibility of applying for federal funding to improve a bridge on county roads.

A list of bridges which had been inspected by See JAIL Page 2

Crockett Plans To Retire

W.D. Crockett, long-time manager and president of the Colorado City Savings and Loan, officially submitted his letter of retirement to the board of directors Friday.

Crockett cited personal and family reasons for his retirement, which becomes effective Feb. 15.

A member of the organization since 1962, Crockett became manager of the organization on March 1, 1973.

According to Board Member Charles Root, the four man board regrettably accepted Crockett's retirement and expressed deep appreciation for the dedicated service which he has given to the organization.

No replacement for that position has been selected to date, Root said.

THIS EARTH Receiving Dish, being installed by Mitchell County Broadcasting Company, will afford local Channel Six viewers 24 hour programming. Station owner Joe Kirschbaum (seated left) supervises installation of the dish.

Centennial Celebration Finances Improving

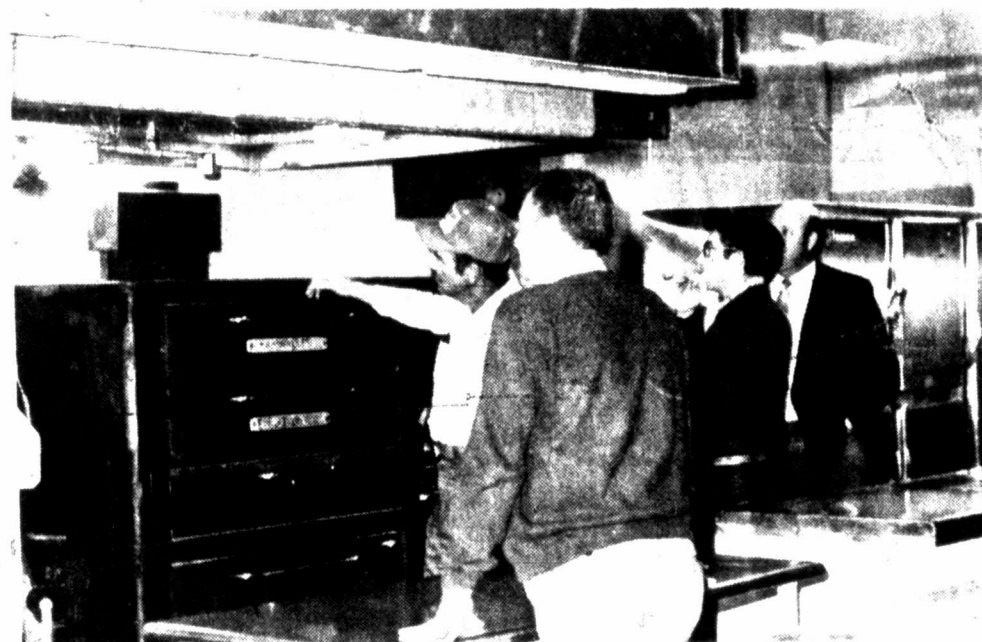

It appears the minimum goal needed to finance the county-wide centennial celebration will be reached.

The financial committee of the Mitchell County Centennial Celebration met Friday afternoon at the City National Bank and chairwoman Emmabeth Thompson reported that, because of donations received, it appears the minimum goal of \$10,000 needed to finance the county-wide celebration will be reached.

Funds raised by the committee will be used

to cover the expenses of putting on the Centennial Celebration slated for July 17 through July 26.

Money that is left over will be given to charitable organizations within the county. See GOAL Page 7

FINAL INSPECTION was given to the Kelley Elementary School cafeteria air conditioning project during a special called session of the Colorado Independent School District Board of Directors Thursday.

Finalization Of Kelley Air Conditioning Project Delayed

Drummond Appliance's air conditioning project completion at Kelley Elementary School was approved Thursday by Colorado City Independent School District Board of Directors.

The board then reconvened to discuss the financial aspects of the contract with Drummond and to finalize the last payment to be made.

Superintendent Charlie Uselson gave the financial estimates on the contract. The original balance due on the contract was \$12,496.40, but Drummond did not meet deadline terms of the contract.

The board then estimated it cost them \$111 a day for every day that the contractor delayed.

The contract stated that Drummond Appliance would have to compensate \$111 for every day it was late. The date set for completion was Aug. 15. Drummond did not get through until Oct. 2. This was a total of 47 days past deadline, which amounted to \$5,217 in compensation for the CISD.

The architect suggested that an allowance of 14 days be made since problems arose concerning the steel structure and how much weight it would support.

This left payment for 33 days due the CISD, which made a total of \$3,663 compensation due.

This was adjusted to \$2,496.40, making the fi-

nal payment to Drummond \$10,000, compared to the previous \$12,496.40. Drummond said that he would consider accepting the set-

See AIR Page 7

Gene Rowe To Head Historical Commission

Mrs. A.W. Gene Rowe was named as Chairperson of the Mitchell County Historical Commission by County Commissioners Court Wednesday.

She succeeds Mrs. H. Jene Steakley in that position.

Mrs. Rowe was born Gene Pendergrass in Lorraine. She moved with her family from Lorraine when she was five.

Mrs. Rowe retired as a registrar from the Odessa School System in 1979.

At that time, she and her husband moved to Colorado City. They purchased the historical Prude-Bennett home located at 334 East 4th St., and restored it as nearly

as possible to its original state, doing all of the actual work themselves.

A.W. Rowe is employed by Amoco Oil Company. See HEAD Page 2

Gene Rowe

JAIL, From Page 1

the state and which are eligible for improvement was reviewed by the court and rated according to priority.

Commissioners decided on two bridges, one in Precinct Two at Cedar Fork Bend and one in Precinct Three in the Lowe Community.

Because the Lowe Community bridge is the only connecting roadway between Colorado City and Sterling City and because there

is an alternate road available for the bridge in the Cedar Bend area, commissioners decided to request funding for the Lowe Community structure.

Funding will be possible on an 80 per cent basis, with the county contributing 20 per cent of the estimated \$360,000 necessary to rebuild the bridge.

Inspection of all county bridges was made 18 months ago and 21 of the existing structures qualified under government guidelines.

Funding is on a priority basis and at this point is only a possibility, County Commissioner Paul Hunter noted.

If Mitchell County is selected, funding for the project will not be available until next year.

In other business, commissioners voted to contribute \$1,500 to support the Centennial Celebration which will

mark the 100th anniversary of Mitchell County. County Clerk Joan Beach was granted permission to travel to a clerks' convention to be held at A&M University on March 1.

Mrs. A.W. Gene Rowe was appointed chairperson of the Mitchell County Historical Commission during the meeting. She replaces Mrs. H. Jene Steakley and will hold the position until Dec. 31, 1982.

mon, W.R. Powell and Ray Preston, will hold session after values are established on or about June 15.

Board reminded the board that taxes are not expected to increase in most cases although values are increased. This is because each entity is required to revise rates downward so that no more tax dollars will be collected than were collected overall last year, without open meetings being held.

Board members voted to insure district employees under a Blue Cross plan and to furnish retirement and disability benefits under the Texas County and District Retirement Program.

In a recap of the progress of the district since its inception, Board Chairman Curtis Latimer noted organizational plans are on schedule.

The next step for the district is to locate permanent housing for the district. Burt estimated a space equal to three times the size of his current county tax office space will be required.

Latimer appointed a committee consisting of Jay Craddock, Fleta Lewis, W.D. Conaway and Chairman J.D. Clifton to address the Mitchell County Commissioners Court on the subject of available space.

"Our main object is to save Mitchell County taxpayers as many dollars as we are able," Latimer said. Board members gave unanimous agreement to the suggestion that the Tax District and County Tax-Collector's Office should be housed together.

"This is an issue we must face soon in order to furnish entities information on expenses so that they can prepare budgets," Burt said.

Burt noted cases are still in court trying to determine if the seller or purchaser is liable for the back taxes.

A board of review, consisting of Bobby Le-

various social activities around town.

Working as a reporter gives a person a lot of opportunities that one wouldn't normally have. One gets a chance to know the town personally and to know events before they happen.

I really enjoy my new job and I really appreciate the people who have been cooperative and understanding to the mistakes I have already made.

I am really excited about getting to know my hometown better and I think that I am in the perfect situation to do this now.

LAND, From Page 1

the last five years is taken to arrive at the productivity value.

Most of the property reevaluated will increase in value by at least double, Jett said.

This is due to the length of time since the property was last evaluated.

Jett gave May 15 as a target completion date.

A computer is currently being installed at the Colorado Independent School District Administration Building where Southwestern Company is based. This computer is to be programmed with all the information gathered in the county by the company.

A new employee of the Tax District who will operate the computer is Marivel Quiroz.

The computer will be on line Feb. 9.

Chief Appraiser Mike Burt reported that citizens are returning homestead exemption forms and open space (farm land) forms and he noted the cutoff date for returning open space forms is April 1.

Burt also reported that there are a few locations throughout the county to which a section of the law which requires a five year rollback in taxes will apply.

Burt explained this section states that if a piece of open space (farm land) property is sold and converted to another use, productivity values will be dropped and market value will be established.

Taxes will then be due for the previous five years for the difference between the market value and productivity taxes paid.

Burt noted cases are still in court trying to determine if the seller or purchaser is liable for the back taxes.

A board of review, consisting of Bobby Le-

various social activities around town.

I really enjoy my new job and I really appreciate the people who have been cooperative and understanding to the mistakes I have already made.

I am really excited about getting to know my hometown better and I think that I am in the perfect situation to do this now.

Commissioner Billy Preston, Precinct Four, requested the county accept bids for construction of a water tank for a bob-tailed truck. Bids will be opened during the next regular meeting, Feb. 9 at 2 p.m.

Judge Bill Carter reported that the Business and Professional Women's organization has placed a copy machine in the library. Commissioners voted to furnish maintenance for the machine.

Chamber To Meet Thursday

The Colorado City Area Chamber of Commerce has postponed their regular monthly meeting until Thursday.

The meeting will be held in the Directors' Room in the Civic Center at 7 p.m.

Loraine Council To Meet

Tuesday night at 6:30 p.m. in Loraine, the Loraine City Council will discuss the possibility of buying a dump truck and maintainer for the city.

Also on the agenda is a discussion of buying the Johnson house for the purpose of housing the Loraine Chief of Police.

Street work will be discussed and planned.

HEAD, From Page 1

ny, based in Coahoma. Mattie Pendergrass, Mrs. Rowe's mother, currently resides in Kristi Lee Manor.

This year, Mrs. Rowe was the Colorado City representative to the Permian Basin Fair and Exposition and coordinated local participation in that event. She is a past member of the Garden and Self Culture Club and teaches a course in stained glass windows through Wallace Center.

She is a member of the First Baptist Church and vice president of her Sunday School class.

"I am looking forward to the challenge of being chairperson of the historical society and am deeply grateful for the opportunity," Mrs. Rowe said.

Mrs. Rowe will head the historical commission which is charged with the responsibility of surveying, marking and preserving the county's heritage and is to be engaged in numerous activities and projects recommended by the Commissioners Court and the Texas

Historical Commission. Other members of the commission will be announced at a later date.

County Judge Bill Carter pointed out that Mrs. Rowe's duties would be expanded this year due to an amendment to the statute passed by the 64th Legislature which authorizes the commission to develop local history as a

scholarly resource as well as a tourist attraction.

"Mitchell County has a unique heritage of which every citizen should be justly proud," Judge Carter said.

He called upon all citizens to support Mrs. Rowe and the goals and objectives of the county historical commission.

ROOM, From Page 1

first, second, third and fourth place ribbons.

Jimmy Harrison, chairman of the board of directors, stated that plaques and ribbons had been ordered and will be presented at a later date.

Cash awards of \$20, \$15 and \$10 will be presented to the essay winners.

The Mitchell County Soil and Water Conservation District Directors selected the Conservation Essay and Poster winners out of the 24 essays and 65 posters received.

Travis Turner, secretary of the board, stated the directors were pleased with the student participation.

FINAL, From Page 1

will be presented in October or November and will be directed by Rev. Monte Jones.

As the final production of the 1981 theatre season, "The Rain Maker" has been chosen. This play is a moving drama, Mrs. Mikow said.

Deposit Up To \$1,500. TAX FREE In The CITY NATIONAL BANK IRA

INDIVIDUAL RETIREMENT ACCOUNT

If You're Not Covered Under Any Other Retirement Plans, Start Your Own. It is an account called an Individual Retirement Account (IRA) approved by the Internal Revenue Service. It is now possible for wage earners to add to their financial security by establishing their own personal retirement plans. Federal Legislation now permits employees and self-employed persons receiving compensation and not covered under any other retirement plan to establish their own INDIVIDUAL RETIREMENT ACCOUNT. And you can save immediately on taxes while planning a secure future for you and your family.

What is an Individual Retirement Account?

An Individual Retirement Account (IRA) is a personal tax sheltered retirement plan. It was developed to bring every American worker the opportunity to build a more secure future for themselves and for their family.

Who can establish an IRA?

IRA's are available to any wage-earner. The only requirement is that you not currently be a participant in an employer-sponsored plan.

Can my spouse establish one?

Your working spouse may establish a separate IRA, too, provided he or she is not currently a participant in an employer-sponsored plan.

How much can I contribute to my IRA?

Federal law allows a maximum annual contribution of \$1,500 or 15% of wages, whichever is less. Of course, smaller amounts can be contributed each year.

Are my contributions tax deductible?

For Federal income tax purpose, contributions to an IRA are fully deductible for gross income up to the maximum allowed by law. You can deduct your contribution even though you don't itemize deductions.

Do I pay taxes on the income earned by my account?

The earnings of your account are not currently taxable. Each dollar of earnings produced additional dollars which are also not currently taxable. This tax-free compounding continues until retirement.

When do I pay taxes on my account?

Your account, including principal and earnings, is not taxed until you receive payment from it.

When can I begin to receive payments?

No payments can be made to you before you reach age 59½ unless you become permanently disabled. If your death should occur sooner, funds in your account will be paid to your named beneficiary. You must begin to receive payments from your account by the time you reach age 70½.

How do I start an account?

Opening an Individual Retirement Account is as easy as opening a savings account. Stop in and one of our officers will gladly assist you.

Maddox Receives Honor

Mitchell County 4-H member Marjori Maddox, daughter of Mr. and Mrs. Joe Maddox of Colorado City showed the Regional Grand Champion Steer in Abilene Jan. 19. The show was comprised of entries from 32 counties surrounding Abilene, stated County Extension Agent Bob Benson.

Other Mitchell County 4-H'ers exhibiting and placing were as follows:
Heavyweight Angus: Ginger Preston, second and Shelia Benson, third.

Heavyweight cross-bred steers: Marjori Maddox, first and Ginger Preston, 19th.

Middleweight cross-bred steers: Dawn Lemons, 12th.

Lightweight Hampshire barrows: Marty Cleckler, eighth.

Heavyweight Hampshire barrows: Kelley Dockrey, sixth.

Heavyweight cross-bred barrows: Kelley Dockrey, third and Linda Sue Dockrey, fourth.

Iniquitous Innoculation Or Religious Varioloid

Rev. G.G. Flores
Pastor
Christian Temple Church

I do not know the name of the man who wrote the following editorial. But I praise him for it. And I am sure that he would not object to my passing on to those who have not read these weighty words of wisdom:

"America is being inoculated with a mild form of Christianity which is making us immune to the real thing. There are several types of this religious varioloid:

"PSYCHOLOGICAL CHRISTIANITY--an obsession that makes God a good 'pepper-upper' and religion a comforting thought. Its devotees see theology as a waste of time; shudder at the mention of sin; go to church to seek psycho-religious adjustment for tension and frustration. Their heaven is health and wealth.

"SOCIAL CHRISTIANITY--a 'good time' religion with special appeal to those who cannot get into lodges, clubs or the society column. It expresses itself in a round of socials, banquets, or in its more liberal manifestations, theater parties, dances and bridge.

"POLITICAL CHRISTIANITY--a reform movement with a social gospel, which is so busy with surveys, committee meetings, projects, campaigns, etc., to clean up society that individuals are starving to death for spiritual food.

"EMOTIONAL CHRISTIANITY--a type of inoculation which gives the patient divine thrills and mystical exaltations, but often leaves him spiritually dead.

"ATAVISTIC CHRISTIANITY--a sort of religious loyalty to the beliefs of our dead forebears. The Chinese have it in a bit different form and call it ancestor worship.

"SACRAMENTAL CHRISTIANITY--a blind loyalty to certain rites or ceremonies the faithful performance of which is supposed to give one a 'pass' to glory. Its devotees have a 'form of godliness,' but 'deny the power thereof.'

"THEOLOGICAL CHRISTIANITY--an intellectual and coldly scientific acceptance of the abstract truth in the New Testament Scriptures. Those who have been immunized by this serum can split hairs with the same finesse that Nero played his fiddle while Rome burned."

Yes, on every hand we have the ghosts of what might have been great Christians. A very large proportion of the American people are professedly religious, but the religion of many is neither deep, vital nor real! It does not grip the whole man and change and transform him into a new creature in Jesus Christ. The time has come I believe, for each Christian to do what the apostle Paul suggests in II Corinthians Chapter 13 and verse, 5. Where he exhorts us to: "Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates?"

For Year Ended September 30, 1980

Board of Directors
Mitchell County Hospital District
Colorado City, Texas 79512

Gentlemen:

We have examined the Balance Sheet of the several funds of the Mitchell County Hospital District as of September 30, 1980, and the related income statement for the period then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and income statement present fairly the financial position of the Mitchell County Hospital District at September 30, 1980, and the results of its operations for the period then ended, in conformity with generally accepted accounting principles applied on the basis consistent with that of the preceding year.

Respectfully submitted,

Joe H. Morren
Certified Public Accountant

Spring-Tooth Harrow Shows To Be Better Than Tandem Disk

A spring-tooth harrow or field cultivator is a better implement than a tandem disk to incorporate preplant herbicides for cotton sandy soil. In two years of study, 1978-1979, Dr. A.F. Wiese, Texas Agricultural Experiment Station researcher, showed that incorporating preplant herbicides with a spring-tooth harrow de-

creased the hazard of erosion, gave equivalent weed control and equal or better yield of cotton than incorporating with a tandem disk. Wiese conducted the research on the Duane Scott farm near Wellington, Tx., on fine sandy loam soil. Using preplant herbicides that must be incorporated in a standard operation in cotton production in the Southern Great Plains. Incorporating with a tandem disk gives good weed control but leaves the soil subject to severe wind and water erosion. Field cultivators do not destroy as many soil clods or cover as much crop residue as disks. Using cultivators to incorporate preplant herbicides would reduce the hazard of erosion. With this information at hand, Wiese conducted a two-year study to compare weed control and cotton yield when preplant herbicides were incorporated with the two implements. Five different incorporation methods and no incorporation were

tested on ten different preplant herbicide treatments. Incorporations were tandem disk once, tandem disk twice and tandem disk followed by one field cultivation. Herbicides used at one or more rates were Treflan, Planavin, Tolban, Amex, Basalin and Dobex. Herbicides were applied and incorporated in late April to land that was planted in early June. Weed control and cotton vigor were evaluated about one month after planting. Plots were then cultivated and hoed.

According to Wiese, stand and vigor of small cotton were not affected by incorporation method. The first year, the type of incorporation did not affect control except when herbicides were not incorporated. Control of carpet weed and pigweed with Treflan was reduced the most when incorporation was not used. Weed control a month after planting was the same for all herbicides when rates were appropriate for the sandy loam soil. Weed control at harvest was best with two incorporations with either implement. Apparently,

thorough incorporation increased herbicide persistence in the soil. The first year, lint yields were about 450 pounds per acre for all methods of incorporation. Without incorporation, weed control was poor and line yield dropped to 350 pounds per acre. Herbicides did not affect yield. The second year, control of pigweed and crabgrass was the same with all incorporation methods. Yield of lint was reduced about 40 pounds per acre where a disk was used for incorporation. Averaging all incorporation methods, yield was highest with Amex at 1.5 pounds per acre. Yields were less with 0.75 pound per acre rates of Planavin, Tolban and Basalin. A tandem disk will reduce the effective height of a terrace by three inches every time it crosses over a terrace, whereas a field cultivator does little or no damage to the terrace.

Ribbon Cutting Slated

The Colorado City Area Chamber of Commerce Ambassadors will host a ribbon cutting at 2 p.m. Monday at Watson-Focht across the street from the Post Office.

The public is urged to attend and help welcome this new business to Colorado City.

Justice Steakley Retires In Austin

State Supreme Court Justice Zolzie Steakley, brother of Dr. Gene Steakley of Colorado City, was given a retirement party hosted by the Texas Bar Association in the Texas Law

Center in Austin. Justice Steakley retired Jan. 1 after being a State Supreme Court Justice for 20 years. At the reception, Justice Steakley received a plaque of appreciation.

There were 500 guests present. Included in the dignitaries were the Governor of Texas, Secretary of State, Attorney General, other members of the Texas Supreme Court and other state government officials.

Also present was Lady Bird Johnson, former First Lady of the United States. Dr. Steakley stated, "I am very proud of my 'Bud.'"

AIR. From Page 1 tlement from the school.

The total air conditioning project was contracted for \$49,751, but ended up being \$57,272.30 because of the steel structure work that had to be done.

The board then discussed the new tennis court project to be financed by the Texas Parks and Wildlife Association.

The TP&W are willing to donate a total of \$27,440 to be used for two courts, a walkway and some picnic tables.

The previous plans were for four courts. No formal decisions were made.

The board then held a closed executive meeting concerning the grading system of Colorado Middle School. No decisions were made.

GOAL. From Page 1 Those who have contributed thus far are:

City National Bank, \$1,500; Mitchell County, \$1,500; Mr. and Mrs. C.C. Thompson, \$1,000; Spade Ranch, \$1,000; Texas Electric Service Company, \$750; Colorado City Savings and Loan, \$500; First State Bank of Lorraine, \$500; Mr. and Mrs. George Witten, \$250; Dr. and Mrs. W.S. Rhode, \$250; Katie Buchanan, \$250; Elizabeth Crawford, \$250; Dell and Danny Barber, \$250; Lela Price, \$250; Mr. and Mrs. Elmer Martin, \$250; Thompson, Rees and McKinney, \$250; Kiker-Seale Funeral Home, \$100; Mr. and Mrs. W.M. Landau, \$100; Mrs. K.L. Taylor, \$100; Mrs. Hubert Thomas, \$100; Mr. and Mrs. W.H. Narrell, \$100 and Irene Robertson, \$50.

Mrs. Thompson said, "This is a once in a lifetime opportunity for many of us to participate actively in a centennial celebration.

Those individuals who wish to make donations can do so at City National Bank in Colorado City, First State Bank in Lorraine or by contacting Gwan Strange in Westbrook.

Poetry Society Meets

The Colorado City Poetry Society met Thursday in the L.B. Elliott home at 7 p.m.

Mrs. Elisabeth Gary gave the invocation and local dues were paid by members.

The meeting had been changed to the fifth Thursday instead of the fourth on account of the Chamber of Commerce meeting.

Dance Lessons Are Set

Thursday was the beginning date for the Do-So-Do square dance lessons, according to C.L. Woods, club caller.

The lessons will be on Thursday nights in the Boys' Club building located at Third and Chestnut Streets with beginning lessons from 7 p.m. until 9 p.m. and advanced or brush-up lessons from 9 p.m. until 10 p.m.

The cost is \$30 for beginners for 15 weekly lessons per couple and \$20 per couple for the advanced or brush-up.

For further information, contact any of the club's officers: Alton Raschke, president; Mrs. Byron Swank, secretary - treasurer and Jack Strain, vice-president.

Mrs. Alva Bennett Presents Program

Mrs. and Mrs. Elliott were given a rising vote of thanks for the "New Yearbook." Mr. Elliott typed it and Mrs. Elliott painted the cover with a poem by herself printed in the yearbook.

Mrs. Nadine Gordon brought the program. She told facts about what it required to write the one hundredth year history of the First Presbyterian Church of Colorado City.

A member, Garnet Quitt of Snyder, was reported to have won the Nortex prize at the December meeting of the Dallas Poetry Society.

The next meeting will be with Bertha Warren either at her home or at an eating place in Sweetwater which will be decided later.

Mrs. Oleta King, a guest of Bertha Warren, was a welcomed visitor. Refreshments were served to those attending.

'Texas Birds' Is Topic Of Garden Club Meet

Mrs. Lynn Holbert gave the January program on "Texas Birds" for the Colorado City Garden Club meeting on Jan. 14.

Mrs. Holbert said that this continent had over 800 of these species with

California having the second number of species. She showed pictures of birds and a map showing the migration patterns from the North to the South.

The installation of officers for the 1981-82 year was conducted in the business session. Officers elected were: Mrs. Myers, president; Mrs. Gerald Gordon, first vice president; Mrs. Ed Bodine, second vice president; Mrs. Roy Davis Coles, secretary; Mrs. J.B. Hillard, treasurer and Mrs. Don Stewart, reporter.

Members attending the meeting were Mmes. Coles, Walter Gayler, Gordon, Holbert, Bruce Johnson, Myers, E.M. Owen, S.A. Palmer, Floyd Shepherd, Stewart, L.J. Taylor, John Brown, Bodine, Ed Bodine, guest and Miss Clara Shoemaker.

The United Methodist Women of Loraine met in the home of Mrs. Frank Crowner at 9:30 a.m. Wednesday to continue their study, "Beyond Brokenness."

Mrs. Crowner led the opening song, "Help Somebody Today," and prayer was given by Mrs. J.D. Norman.

Mrs. Alva Bennett, study leader, gave an article on "Signs of Wholeness and Joy," the opposite of brokenness.

Mrs. Bennett Blair continued on this subject stating, "Our goal should be to provide a realistic mission and purpose for ourselves in this world."

One of her quotes of Martin Luther King was "A man dies when he refuses to stand for that which is right."

As missionaries for Christ in this world, our ultimate goal should be

to live for the needs of others, Mrs. Blair stated.

The next portion of the study will be "God-The Actor."

Those attending were Mmes. Crowner, J.D. Norman, James Bennett, J.M. Templeton, Alva Bennett, Bennett Blair, J.E. Price, Claude Neely and Raymond Wheeler.

R.L. Adkins Corp., Sweetwater, filed application to drill No. 1 Fry as a proposed 6,700-foot wildcat in Nolan County.

Location is five miles south of Sweetwater on a 160-acre lease.

It spots 710 feet from the south and 660 feet from the east lines of Section 82, Block 22, T&P Survey.

W.H. Price will drill two proposed 4,200-foot wildcats in the area four miles northwest of Blackwell.

No. 1-B Elmer Jordan is located on a 244-acre lease.

Drill site is 660 feet from the south and 1,630 feet from the east lines of Section 34, Block 1-A, H&TC Survey.

Site for No. 4-C Elmer Jordan is on a 163-acre lease.

It spots 330 feet from the north and 467 feet from the west lines of Section 34.

Sun Texas Co., Abilene, will drill No. 5 Gertrude Withers in the Withers (Ellenburger) Field three miles south of Sweetwater.

Location is on a 320-acre lease, spotting 1,800 feet from the north and 600 feet from the east lines of Section 72, Block 22, T&P Survey.

Permit depth applied for is 6,600 feet.

Girl Scout Council To Meet

Mrs. S.L. Morris, nominating committee member and Mrs. Ed. Walls, member - at -

Scouting Day Is Set Next Sunday

Boy Scout Troop 9, sponsored by Kiwanis Club of Colorado City, would like to announce a Scouting Day set for Feb. 7 in Ruddick Park. It will begin at 9 a.m. and last all day.

There will be camping activities to help new members get acquainted with a cookout in the evening.

All scouts and parents are urged to attend.

Members of Troop 9 are Carl Dering, Jessie

Flores, Rudy Molina, Clifford Niles, Domingo Salazar, Michael Swann, Robert Bradberry, Jesse Hernandez, Frelon Huff, Waylon Broadcast, Allen Garcia, Jairol Gonzales, Ramey Grafton, Oren Upton, Malcolm Upton, Carl Clark, Chipper Hubbard, John Sanders, Harold Kling, Dwight Upton, Mark Walker, R. Brown, Andrew Canter, Joe Canter, Israel Davila, Jackie Lewis, Larry Myers and J.D. McCartney.

Council on Feb. 7 at Briarstone Manor in Abilene.

Mrs. J.B. Cooper, Jr., council president, says the business meeting is scheduled for 10 a.m. with a slate of nominees for officers and members - at - large to the Board of Directors as well as for the Nominating Committee to be voted on.

Council awards and recognitions will be presented at the Noon Awards Luncheon and the Daisy Award will be given to one person for outstanding accomplishments and service to Girl Scouting. Husbands, wives and friends of Girl Scout volunteer members are invited to attend the luncheon, Mrs. Cooper announced.

Mark Cook Is Chairman Of Salvation Army Fund Drive

Judge Bill Carter, chairman of the service unit of the Salvation Army, stated that Mark Cook will be the drive chairman of this year's fund drive.

Cook stated that the

drive is set to begin Tuesday, Feb. 10 at 9 a.m. with coffee and donuts in the Texas Electric Reddy Room for all captains and workers.

The money raised during the campaign will

be used to help the less fortunate to help themselves, added Cook. This aid will be given in the form of groceries, clothes, shoes, rent, utilities, medical aid or any other use deemed necessary by the local committee.

In addition, part of the money will be used to support the home for unwed mothers, home for neglected girls, summer camp for boys and disaster services.

Other members of the local committee, besides Judge Carter, are Mrs. Fran Morris, treasurer and Bob Reilly, Sheriff Bill McGuire, Frank Ginzel and Bob Ratliff, members.

Swank, Stockton Are Named Queens

Tops No. 691 met Monday in the Texas Electric Reddy Room with Sue Compton as the leader.

Ruth Johnson, a new member, joined the 14 other members present and Bobbie Swank was selected as the queen of the week with a good weight loss.

Two members were missed, Lavern Blassingame and Marlene Rico, stated Gloria Erwin, club reporter.

Lillian Vest read the "Purpose" for which the corporation Tops Club, Inc., meets. Louise Sweat read the statistics for the 1979 year.

Charms were presented to the members attending with Mattie Hines their only Kop.

A report was also given about the Jan. 19 meeting where 12 members attended. Janet Stockton was selected as the queen for that week. Bobbie Swank also joined the club.

Members attending Monday's meeting were Mrs. Johnson, Lee Lewis, Dottie Acuff, Edwina Hulsey, Mrs. Sweat, Mrs. Compton, Gladys Currie, Mrs. Vest, Mrs. Swank, Charlotte Clemmer, Frances Cooper, Jimmy Dickson, Louise Logsdon, Mrs. Erwin and Ms. Stockton.

Looney E.H. Club Gathers For Meet

The Looney Extension Homemakers Club met Wednesday at 2:30 p.m. in the Lone Wolf Medallion Room with Mrs. J.D. Gibson acting as hostess.

The club held their regular business session with Mrs. Gibson presiding.

As recreation, a quiz on the past Presidents of the United States was given.

Mrs. Sidney Compton and Mrs. Gibson presented the program on "Citizenship," with Mrs. Compton giving a program on the U.S. Flag, giving the appropriate dates to fly the flag. She noted on the many freedoms of the United States citizens and touched on Frances Scott Key, author of the Star Spangled Banner, our national anthem.

In conclusion, Mrs. Compton stated the pledge of allegiance was written in 1892 in Boston.

Roll call was answered by "Why I Am Proud To Be An American Citizen."

The club voted to make contributions to the Woodland Activity Center and the council budget was read and approved for the coming year.

Mrs. Compton gave the council report.

The hostess served carrot cake, coffee, soft drinks and snacks to Mmes. Beatrice McGuire, Catherine Shurtlett, Pansy Northcutt, Iva Prescott, Dollie Jarmon, Angie Harris,

Beeman Discusses Pain

The Self Culture Club met with Mrs. C.P. Gary on Jan. 2 with the constitution, by-laws and pledge of allegiance being read by Mrs. E.L. Tiller.

"New Ways To Beat Pain" was discussed by Mrs. Paul Beeman. She said that treatment for chronic pain is relatively new and the patients arrive in body braces, wheelchairs, on stretchers or with canes and are nearly all on heavy doses of analgesic drugs such as Percodan, Demerol or Morphine. She added that 90 per cent leave the unit four to six weeks later free of all medications and two-thirds of them are much improved and no longer disabled. Pain is a goal-directed behavior, Dr. Aronoff says, and on that basis it can be changed, Mrs. Beeman stated.

The Boston Pain Unit is the major pain unit in the northeast and one of the most successful and respected in the nation. Dr. Aronoff gets ten or more calls from doctors across the country asking to sit in on the instructions and treatment.

Lil Brown, club president, postponed the selection of the course of study.

The hostess served refreshments to Mrs. Harvey Stockton, Mrs. R.M. Reed, Mrs. John Brown, Mrs. Earl Brown, Mrs. Tiller and Mrs. Beeman.

Cheating Is Discussed

Mrs. L.B. Elliott hosted the Self Culture Club in a called meeting on Jan. 23.

The pledge of allegiance and club collect was led by Mrs. Jess Small.

Mrs. R.M. Reed discussed "cheating." She related that cheating in America is big business and that Ma Bell loses 40 million dollars a year from slugs being put into the phone slot. The IRS estimates that it

loses up to \$26 billion a year in taxes that are not reported and the Chamber of Commerce puts consumer fraud at \$20 billion in the U.S., stated Mrs. Reed.

Mrs. L.A. Keith revealed to the members that presidential candidates seem to be getting weaker, but the candidates wives are getting stronger. Rosalynn Carter was privy to most presidential decisions as was Eleanor Roosevelt. Nancy Reagan, on the other hand, is precisely a dedicated housewife with domestic tranquility and social grace. However, it is not expected that she will ever be invited to sit in on a cabinet meeting as Jimmy Carter did with Rosalynn, Mrs. Keith concluded.

The club members voted to give the Mitchell County Public Library \$15 for the purchase of "The World of Paul Crume," \$25 for restoration to the Texas Federated Woman's Club House, \$574 to the Texas Federation Scholarship fund, \$5 to the Latin American Scholarship fund, \$5 to the Penny Arts and \$1 to the Musical Penny.

"Meeting Challenges of the Changing World" was chosen for the study course for the coming year.

Refreshments were served to Mrs. Paul Beeman, Mrs. Earl Brown, Mrs. John Brown, Mrs. Wilford Fox, Mrs. C.P. Gary, Mrs. Keith, Mrs. Reed, Mrs. Small, Mrs. E.L. Tiller, Mrs. Les Watson and the hostess, Mrs. Lewis Elliott.

On behalf of all the people of Mitchell County, TX

Very sincerely yours,
For the
Commissioners Court
Bill F. Carter,
County Judge

Frank Deregibus Gives Update On Active Ground And Flying Students

Frank Deregibus, instructor of a flying school offered in Colorado City, has given this report of his ground school and flying students.

He said he had nine active students that were all in various stages in flying but noted that all had soloed in the last month. He said that Paul Wood took his first solo flight on his 16th birthday, which is the earliest a pilot can solo.

Other active students

from Mitchell County are Kenneth Rogers, Don Wood, J.D. Lewis, Rev. Ron Hamby, Kari Morren and from Scurry County are Don Whittemburg, A.L. Ballard and Don Cheek, formerly of Colorado City.

He said that his students were presently preparing for the written exam for a pilot's license, taking lessons and preparing for that first solo flight.

Deregibus also stated that Miss Morren, a student at Colorado High

School, is really doing well, noting that "women still seem to be a minority in the field of aviation."

Most of the students began their ground-school training in the Fall of 1980 and should finish sometime this year. He plans to take more students probably in the Fall of this year as this is a one-to-one person training.

The ground school classes were taught in the Homestead Savings building, which Deregibus stated they were very appreciative for. The actual flying lessons were taught at the Colorado City Flying Service which he is a co-owner with J.O. Dockrey, Jr.

Deregibus said that in conjunction with the flying school, it has increased the activity of the Civil Air Patrol Squadron in Colorado City, bringing in new

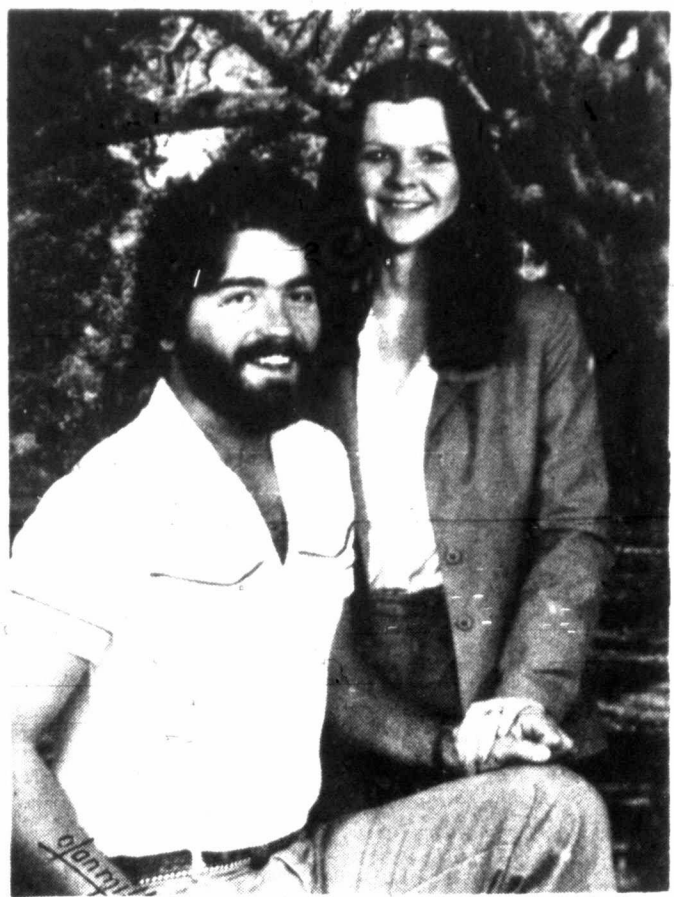

members and promoting more interest and participation in the area.

He said the patrol squadron welcomes former pilots wishing to renew licenses, stating that they operate off the new airport.

The Civil Air Patrol presently meets every Thursday night in the Dockrey Motors Company at 7:30 p.m. and prospective members are welcome.

He said the semi-military organization costs \$35 per year and all an interested person, not necessarily a pilot, needs to do is attend the meeting and fill out an application. He added that they have discussed beginning an army cadet corp where aviation oriented subjects would be taught.

In conclusion, Deregibus said there are several benefits to being a member of this organization.

Couple To Wed

Mike Forbes & Cheryl Sitz

Sitz & Forbes To Unite In Marriage

County Judge and Mrs. Richard Sitz have announced the engagement and approaching marriage of their daughter, Cheryl, to Mike Forbes, son of Mr. and Mrs. Ferron Forbes of Colorado City and Mrs. Earl Whitley of Paradise, Tx. He is the grandson of Mr. and Mrs. C.S. Snowden of Colorado City.

The couple plans to exchange wedding vows on Feb. 21 at 7 p.m. in the First Presbyterian Church

with Dr. Lloyd DeLong officiating.

The bride-elect is a 1975 graduate of Monahans High School and received her nursing degree from Angelo State University in 1978. She is presently employed at the Angelo Community Hospital.

The future groom attended Colorado High School and is employed with Tucker Drilling Company in San Angelo.

Letter To The Editor

Dear Editor:

Nina Crout kindly forwarded a copy of your page re: A MEMORABLE TRIP ON THE LOVE BOAT, which appeared in your paper edition Thursday, Jan. 8, 1981.

First, let me identify myself—I am one of the group in the picture, taken on the famous stairway, on our boat. We two chaps are Canadians, living in Edmonton, the Oil Capital of Canada. On one end of our province, we border Montana and on the other

her extreme end, border the Northwest Territories. Our other claim to fame is the fact that all road travellers must pass through our province to Alaska.

Now about the article—I have a few corrections to make known. Firstly, it was only a nasty rumor that Nina was only allowed to sail with us for seven days—she did in fact stay on board for 14 days! The seven day rumor was started because she would not admit there was any other place in

the U.S.A. or Canada excepting Colorado City and she persisted in defacing the ships' maps by drawing circles around your city's name. The officials were kind and when she promised to stop publicizing Colorado City and also to stop defacing the maps, she was allowed to remain with the cruise for the full trip.

I also note that Nina did not allow you to see a picture taken during a costume party on the ship for fear of reprisals—like being run out of Texas for supporting the Los Angeles Angels. I am certain that your people are more compassionate and will understand that she was threatened by Winnie unless she went along with the costuming—forgive her!

I trust that you will not mind these corrections and if possible, I would very much appreciate having the enclosed evidence returned, at your convenience.

Yours sincerely,
W.J. Slavik

The Mitchell County Broadcasting Company, Inc. has just negotiated the purchase of a new Earth Receiving Dish to pickup the satellite transmission of the Satellite Program Network. The network originates in Tulsa, Oklahoma and now reaches into an estimated four million homes nationwide. The 3.9 meter dish has been installed adjoining the Frontier Cable TV offices on East Hwy. 80.

With the recently completed installation, Channel Six will be able to offer cable viewers twenty-four hour a day color television programs six days a week. The First Baptist Church of Colorado City maintains program privileges to the Channel Six on Sundays.

Local programs will continue to be carried at earlier designated times, including local news at 7:30 a.m., 11:30 a.m., 5 p.m. & 10p.m. daily.

Another first will be offered by Channel Six and S.P.N. during the weekend of February 13 - 15. For the first time, the National March of Dimes organization will be originating from Resorts International Hotel and Casino on the Boardwalk in Atlantic City, New Jersey. Stars appearing on the telethon will include: Bob Eubanks, Buddy Hackett, Alan King, Tony Randall & Frank Sinatra.

All Area Third Team Middle Linebacker
Randy Uselton

Uselton Named To All Area Third Ball Team

Randy Uselton, son of Mr. and Mrs. Charlie Uselton, was named to the All Area Third Football Team.

Uselton is a 6'2", 180 pound junior linebacker.

Uselton was named to the All District Third Football Team.

"I am really shocked to get this honor," stated Uselton. He also said this is a real surprise since he is the only football player in Colorado City to receive this award.

Uselton remarked

that he is very interested in playing college football and that maybe this would help his chances of getting a scholarship.

Uselton is currently involved in the Colorado High School varsity basketball program.

SPORTS ACTION

Varsity Girls' Team Loses By Three Points

Colorado City varsity girls' basketball team was defeated by Breckenridge Tuesday night in the Lone Wolf Gym with a final of 45-48.

High scorer was Karla Herm with 15 points. Others scoring were: Kim Feaster, 11 points; Angi Neff, eight points; Tracy Gassiot, four points; Darlene Mitchell, three points and Sareesa Mitchell and Tomika Randle, with two points each.

The halftime score was 21-23. Leading rebounder was Tracy Gassiot and Angi Neff, both with six rebounds each.

The Wolves made 53 per cent of attempted baskets.

Friday night started a new half in district play.

"The Breckenridge girls were so much taller than we were and they thought they would have a cakewalk game, but Breckenridge didn't know what the Wolves had in 'em," stated Coach George Martin.

VARSITY WOLF Victor Jackson (number 20) shoots for the loop, scoring two points for the Colorado City Wolves. Team members await the possibility of a miss by Jackson so they can rebound the ball.

J.V. Boys Defeated Tuesday

Monday night the Colorado City junior varsity boys' basketball team lost in a double overtime game with a final score of 34-36.

Leading scorers were Tom Rees and Willie Martinez.

Coach Mel Gierhart stated, "Monday night the Wolves did a better job on rebounds than they ever have before."

"We were playing against a much taller and superior team," said Coach Gierhart.

"This was the J.V. boys' third overtime game and this was the only one that they didn't win," he noted.

Their record stands at 3-6.

ALTHOUGH COLORADO CITY varsity boys' basketball team battled into double overtime, they fell short by one basket. Pictured above are Randy Uselton, jumping, and Doug Johnson ready to hustle for the Wolf team.

Wolves' Varsity Taken In Double Overtime

Tuesday night the Colorado City varsity boys' basketball team was defeated by Breckenridge by a total of 42-44 when playing in a double overtime game.

The halftime score was 20-20. Scorers were Doug Johnson, Victor Jack-

son, Dwight Staats and Mike Scott.

Leading rebounder was Stacy Tarter and Doug Johnson.

"We beat ourselves because we couldn't take advantage of our opportunities," remarked Coach Mike Hart.

With two seconds left

on the clock in double overtime, a light broke out among the players. Coach Hart made this comment, "We are shy on mental discipline."

We'll Be Happy To Explain Value and Economy For Your Tire Dollar
Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires: smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

Public Notice

I would like to thank my many friends for their expressions of kindnesses, visits, letters, words of encouragement, prayers, and the daily visits of Bro. Glenn.

Also the dedicated services of Dr. Aguilon and his staff during my serious illness.

I am now recuperating in the Kristi Lee Manor, a wonderful place to be. Maude Charters

Card Of Thanks

There are no words to adequately express the heartfelt appreciation we feel for all the love, prayers and many other acts of sympathy shown to us in the loss of our loved one. Life without friends is unimaginable.

Addie Ruth, Jerry, Leatha, Richard and Kathleen McKay

Classes Offered At WTC

Basic Bookkeeping will be taught at Western Texas College in Snyder in an Adult Vocational Education course starting Feb. 5.

Classes will meet from 6:30-9:30 p.m. on Thursdays through May 21 with Mona Bryan as instructor. Students will pay fees of \$25 each for the 45-hour course and will be required to purchase a textbook costing \$13.75.

This course is designed to give students a working knowledge of setting up and maintaining books for their personal business or a basic knowledge of office bookkeeping for better employment opportunities.
