Host Tough Big Sandy In Opener

Rebels Begin District Crown Defense Friday

Back on the winning track after last Friday's 22-10 over Mt. Vernon, the Rivercrest Rebels begin the second part of their 1982 football campaign Friday night when they launch the critical play-for-keeps district season.

And the Rebels will be doing it against a newcomer to the district family and one which at least one statewide forecast tagged as the team most likely to keep Coach Milford Groves' crew from a successful defense of their district title--the Big Sandy Wildcats.

Kickoff time in Rebel Stadium is 8 p.m., instead of the previously scheduled 7:30 p.m.

Advance tickets for the game, to which a large crowd is anticipated, may be purchased through regular school hours at Bogata Elementary, Talco Elementary and at Rivercrest.

Like Rivercrest, Big Sandy has a winning tradition and moves into the local district for the first time after being shuffled over from tough District 19-AA where the Cats won in 1980

While Texas Football Magazine picked Rivercrest to repeat as district champion this season, the Harris Rating System gave the nod to Big Sandy in its pre-season poll.

Big Sandy has a mediocre 1-2 district record, but those two losses were to former district rivals, powerful Hawkins, 26-8, last week and a 6-0 loss to Winona in the season's opener. In between was a 19-11 win over Rains, a team that blasted Mt. Vernon, 17-9.

The main cog in the Big Sandy system is tight end Fred Long, a 6-0 175-pound toughie on both offense and defense with 4.6 speed. Among other things last year, Long caught 35 passes from quarterback Ira Vovloin, who also is back; made 105 tackles, recovered five opposition fumbles and intercepted six passes.

The Rebels jumped away to a 14-0 halftime lead against Mt. Vernon last week, survived a third quarter scare when the Tigers poured all of their points on the board, then clinched their second win in three starts as halfback John Hines rambled for 87 yards in the final period.

Rivercrest started the game as though still ailing from fumblitis, but got things righted. The Rebels started their first TD in the opening period when, after a pair of key aerial from quarterback Kelly Jeffery to Bradley Moore and a 14-yard gainer by Larry Davis, Jeffery carried over for the final two yards. The PAT kick was blocked but the Rebels were on the board first.

A pass theft by Hines helped set the Rebels up in scoring business in the second period. Some more aerial acts between Jeffery and Moore were keys in the second score, with Moore latching onto a 29-yard bomb for the TD. The same duo repeated their act for the two-point conversion and Rivercrest had a 14-0 command.

Mt. Vernon made a scoring threat late in the second period but it was canceled when Tony White recovered a fumble for the Rebs.

The Tigers did their scoring in the third, first in a 30-yard field goal, then after holding Rivercrest following the ensuing kickoff, Mt.

Pep Rally Bonfire Is Tuesday

The Rebel spirit will get a blazing sendoff for Homecoming Week next Tuesday when the Rivercrest High School Senior Class sponsors a bonfire pep rally.

The bonfire rally, for the student body, faculty, exes and all other Rebel boosters will be held on the south end of the Rivercrest parking lot and is expected to run from 7:30 p.m. to about 9 p.m.

Members of the football team, coaching staff, cheerleaders, band and Rebel corps will participate in the program as a sendoff for the Oct. 1 homecoming game against Redwater.

Hard Way To Make A Yard

RIVERCREST QUARTERBACK Kelly Jeffery smashes through the line for a hard-earned couple of yards against Mt. Vernon in this action scene during last week's 22-10 victory over the Tigers. Jeffery scored one TD and passed for another as the Rebels won their second game in three tries. The Rebels open defense of their district title this Friday when they host the Big Sandy Wildcats. Gametime is 7:30 p.m., instead of the previously announced 8 p.m. (NEWS-TIMES PHOTO BY MORGAN)

Investigation Continues In Shooting

Red River County sheriff's officers say investigation is continuing in the Sunday night shooting of a 42-year-old Bogata man.

The man, identified by the sheriff's department as Paul (Pete) Smith, was reported in critical condition at Wadley Hospital in Texarkana. He reportedly was shot twice, once in the chin and once below the hairline. Smith was shot with a .22 caliber gun.

The only information released by the sheriff's department other than the man's name, was that the shooting was reported about 9 p.m. Sunday at a house behind the skating rink.

"Investigation is continuing and charges are pending," the sheriff's department said.

It was learned that several persons have been questioned and authorities do have a suspect.

Smith was first taken to the Clarksville hospital then transferred to Texarkana.

Covered Walkways Okayed

The Talco Bogata school board has agreed with the Bogata PTO that various improvements to facilities are needed at the Bogata school campus and is calling for bids on the construction of covered walkways as one of the initial corrective steps.

In addition, the school board has set its regular October meeting, to be held on Oct. 12, at the Bogata school in order to include a tour of the campus and inspection of facilities as a part of the agenda.

The October meeting, open to all interested citizens, will begin at 7:30 p.m.

Representatives of the Bogata PTO were present at the board's September meeting to discuss some of the recommended improvements.

"A list has been compiled of the various needs and the board and adminstration are aware that improvements are needed in order to offer students on the Bogata campus a better educational environment," Supt. Talmadge Morgan says.

From previous discussions it was agreed that covered walkways were needed to connect the various buildings on the campus with the school cafeteria. The school board gave approval for the calling of bids on the project, with the bids to be opened at the Oct. 12 meeting.

In other activity at the September meeting, Billy Griffis, representing

But Miller Still Champ....

2 Tie For First In Guessing Game

Seven was the lucky number, and the fewest misses, in last week's News-Times weekly football guessing contest as a pair of contestants tied for first place, each with seven mistakes on the 27 game card.

Tying for first were Ed Parker of Paris and previous week champ, Lance Miller of Mt. Pleasant. The deadlock for first money was quickly dissolved however, as Miller had figured Prairiland would win the contest tie-breaker game, which it did, while Parker had guessed Queen City would beat the Patriots.

So, Miller picks up the $12 first place dough, becoming the first repeat winner in the contest; and Parker lays claim to the $7 second place loot.

Miller's seven wrong guesses came on missing Hooks to beat Clarksville, New Boston over Atlanta, Denison dumping Paris, Arizona State topping Houston, Tulane sacking Rice, Minnesota popping Purdue and Denver's shock to the 49'ers.

Parker muffed the Arizona State, Minnesota and Denver wins plus Linden-Kildare over Pittsburg, Detroit beating the Rams, New Orleans over Chicago and the Prairiland win.

Andrew N. Cox of Bogata was all alone in second place with only eight miscues; so he wins the $5 third place money in the contest.

Five contestants were just a step behind with nine miscues each. They were Tim Byrd and James Van Deaver, both of Deport; Ronnie Presley of Talco; Joe Kelsey of Bogata and S.E. Reid of Daingerfield.

For the first time the lady guessers

Use of the satellite system will permit Arena Cablevision to add channels WTBS in Atlanta, Ga., WGN in Chicago and the USA network to the basic service, plus Home Box Office and Cinemax as two pay channels for uninterrupted and uncut movies, says Roy Faubion, vice president of Chaney Communications, Inc.

GENEALOGY BEGINS WITH U

Asumptions Good, If Used Properly

By Michael Cunningham

Correct assumptions are often obtained when we have developed adquate background information to interpret these facts.

Last week we tested one's knowledge on several genealogical aspects. Here are the answers to last week's questions.

1. The largest church (total membership) in America today is the Roman Catholic Church. in 1790 it was the Anglican Church (Church of England).

2. The Pennsylvania Dutch came from Germany.

3. The Baptist Church is the largest Protestant or (Non-Catholic Christian) church today in the United States. In 1790 the Anglican was the largest church.

4. People are now living longer on average today, because more people are living longer. There have always been people hwo lived to be very old. Today we have more people living to this age.

The following are the answers to the questions which asked that the reader match the Country with the majority of their countryman's religious preference

5. H	France	A. Puritan
6. G	England	B. Methodist
7. F	Scotland	C. Baptist
8. H	Ireland	D. Quaker
9. E-H	Germany	E. Lutheran
10. E	Sweden	F. Presbyterian
11. H	Austria	G. Anglican
12. H	Italy	H. Catholic

Answers to questions 13-18. Here the reader matched the state to the religious preference of their early settlers.

13. D	Massachusetts	A. Dutch Reform
14. B	Pennsylvania	B. Catholic
15. G	Maryland	C. Mormon
16. E	Rhode Island	D. Puritan
17. A	New Amsterdan	E. Baptist
18. C	Utah	F. Anglican
		G. Quaker

These assumptions are based on general facts. They are not always correct in every specific case. They however, if used properly, can become a valuable genealogical research tool. Next week we will go into depth on the importance of deductive researching.

Farm Picture Bleak, But Hope Remains

Texas farmers are suffering from a siege of economic setbacks that are the most serious since the depression of the '30's. But despite the catastrophic situation, there is some glimmer of hope as farmers forge ahead and plan for 1983.

"Both weather and the marketplace have devastated the hopes of many producers this year," said Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "It's been a year filled with widespread crop losses due to hail, wind, floods and drought, and now at harvest time, huge stockpiles of most crops coupled with a sagging demand are driving prices below production costs."

And delinquent loans are running rampant, with almost half of the 25,000 Texas farmers with Farmers Home Administration loans behind in their payments.

Many farm prices have been driven through the floor by huge crops the past two years, noted the economist. During the first half of 1982, prices for cotton, cottonseed, rice and hay dropped more than 30 percent below the same period last year and grain sorghum averaged about 20 percent less.

Texas livestock producers are faring a little better than crop growers. Hog prices are up 21 percent and beef cattle prices are holding even compared to the first half of 1981 while milk prices are off slightly. Prices for calves, sheep, turkeys and eggs are averaging 5 to 10 percent less while wool prices are off 20 percent.

With this overall dismal situation, how can there be hope for farmers?

"Economic health can return from either lower supplies or increased demand that will boost market prices or through more favorable farm program prices," said Anderson. "Either adjustment may take up to three years to develop fully.

"Currently, Texas farmers are looking to Commodity Credit Corportation loan rates, farmer-held reserve loan rates and target prices as their main hope for surviving the most severe financial pressure in half a century," he said.

"Unfortunately, earlier this year many of them did not recognize the benefits of support prices and the looming financial dangers."

According to Anderson, failure of more than half of the sorghum farmers to take part in the farm program has caused grain prices to fall sharply below the CCC loan rate. This resulted because nonparticipants were ineligible to put their grain into the loan program and thus had to dump large amounts on the open market, driving prices down.

Now farmers must look ahead to the 1983 farm program. Specifics of the program are being developed, said Anderson, and should be available soon for planning next year's crops.

However, farmers can use expected target prices and loan rates for various crops in their early planning. Expected target prices are $4.30 per bu. for wheat, $2.86 per bu. for corn, $4.91 per cwt. for grain sorghum, 76 cents a lb. for cotton and $11.40 per cwt. for rice. Regular CCC loan rates will be close to $3.65 per bu. for wheat, $2.65 per bu. for corn, $4.50 per cwt. for grain sorghum, 55 cents per lb. for cotton and $8.55 per cwt. for rice. Anticipated farmer-held reserve loan rates are $4 per bu. for wheat, $2.90 per bu. for corn, and $4.91 per cwt. for grain sorghum. There is no reserve loan for cotton and rice.

Using these anticipated figures, maximum deficiency payments (difference between target price and CCC loan rate) that farmers could expect are 65 cents per bu. for wheat, 21 cents per bu. for corn, 41 cents per cwt. for grain sorghum, 21 cents a lb. for cotton and $2.85 per cwt. for rice.

"Since reduced production will be a major goal of next year's farm program, it wil likely call for laying out 15 to 25 percent of the base acreage for each eligible crop," said Anderson. "Farmers should take this into consideration as they begin land preparation and fertilizer and herbicide applications for next year's crops."

1983 farm income could improve some with increased participation in the farm program since reduced production would help the supply situation and allow loan rates to be more effective in setting price floors. On the demand side, lower interest rates should give a boost to the marketplace. And an improved economic climate could spur the demand for farm products, said the economist.

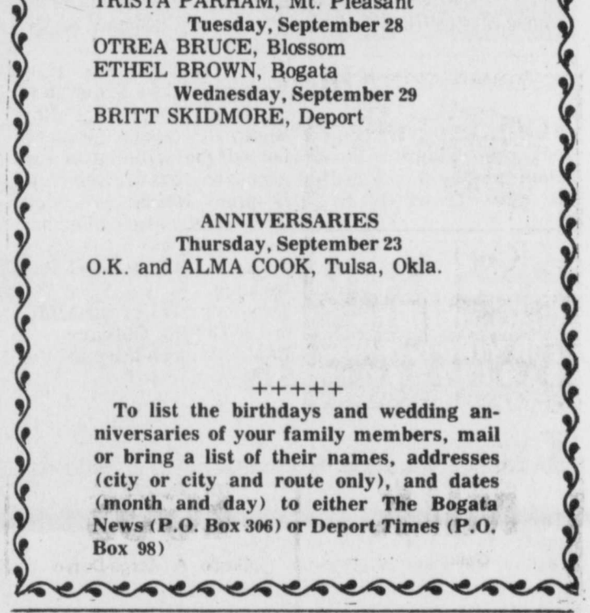

Meanwhile, farmers will be looking at controlling or minimizing operating expenses, evaluating alternative crops for highest returns while taking as little price risk as possible, foregoing capital purchases and taking a hard look at full participation in the government farm program, Anderson said.

Ward-Tippit Exchange Wedding Vows

Marriage vows between Miss Sherrie Denise Ward and Steven Alan Tippit were exchanged in a formal, double ring ceremony held at 7:30 p.m., Sept. 18, in Greenville's Highland Terrace Baptist Church.

The Rev. Bob Posey of Bogata officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. Richard Ward of Bogata. The bridegroom is the son of Mr. and Mrs. Guy Tippit of Greenville.

Wedding music was presented by Diana Press, pianist, and Mary Beams, organist. J. K. Weaver sang "The Lord's Prayer." A recording of the bride singing and playing "Let It Be Me" was played.

The ceremony was performed before two arched candelabras flanked by spiral candelabras which formed a heart in the center of the altar. The center of the heart was formed with fresh greenery and blue, yellow and white spring flowers. Seven-branched candelabra and a five-candle stand with greenery finished the decorations.

Escorted to the altar and given in marriage by her father, the bride wore an organza gown over taffeta fashioned with an empire bodice, a wedding collar of Cluny lace and a sheer vee-shaped yoke. Venice lace and Cluny lace framed the yoke and covered buttons were placed at the center. The full bishop sleeves ended with lace cuffs and self ruffles at the wrists. Cluny lace defined the waistline and topped a hemline ruffle which swept into a chapel-length train. The bride's veiling was bordered with Cluny lace and fell from a Juliet cap. She carried a cascade of mixed spring flowers in colors of yellow, blue and white.

Dianne Ross of Fort Worth was her sister's maid of honor. Bridesmaids were Donna Faulkner of Mount Pleasant, also a sister of the bride, Cathy Jones of Fort Worth, Kay Boshart of Greenville and Cheryl Garcia of Corpus Christi.

Guy Tippit of Greenville was his son's best man. Groomsmen were Larry Tippit of Houston, brother of the bridegroom, Clint Stuart of Greenville, Damon Bard of Bogata, brother of the bride, and Duane Mays of Greenville.

Ushers and candlelighters were Bill Phillips of Allen, Tommy Young of Greenville and Wayne Cutberth of Baytown.

MEMBERS OF the houseparty at the reception were Rhonda Spring of Sherman, Jo Ann Stubblefield of Commerce, Chris Grimes of Greenville, Pam Essary of Paris and Kristy Gordon of Bonham.

The bride is a 1980 graduate of East Texas State University and is employed at E-Systems.

The bridegroom is working toward a master's degree at East Texas State University and is also employed at E-Systems.

After a wedding trip to Dillon, Colo., the couple will be at home in Greenville.

have a nice weekend...

Not Just Another Pretty Face

Snuggle up to 570 pounds of energy-efficient beauty this winter. Install a Lopi fireplace insert or wood stove.

Solid cast iron or decorative glass doors. Brass or nickel detailing. Flush to your fireplace opening, extended into the room, or free standing. You can't beat Lopi's good looks.

But beauty isn't everything. Behind that pretty face is a sturdy, five-sided convection chamber. Cool air is drawn in, circulated on all sides, and then returned to the room—warmed by a crackling wood fire.

Each Lopi has a combination damper and baffle to control heat loss and maximize energy efficiency. And every inch of its solid plate steel construction meets Underwriters Laboratories standard 1482.

Snuggle up to *your* Lopi.

Pylant-Giddens United In Marriage

Miss Martha Lynn Pylant and Terry Wayne Giddens were united in marriage at the First Baptist Chjurch in Clarksville, on Saturday, Sept. 18, at eight o'clock in the evening. The Reverend Clark Wilson officiciated.

The bride is the daughter of Mr. and Mrs. W.H. (Bill) Pylant of Clarksville. She is a graduate of Clarksville High School and Paris Junior College. She was previously employed by Dr. Rick E. Casey in Paris.

The groom is the son of Mr. and Mrs. Robert Giddens of Talco. He is a graduate of Rivercrest High School and East Texas State University. He is now employed by Dalmark Investments in Midland.

Mrs. Mary Sue Porterfield played selections of the bride's choice prior to the traditional processional which was "Lohengrin's March". At chosen times during the ceremony, Harry and Eloise Long sang "My Tribute", "Endless Love", and "The Lord's Prayer".

The couple exchanged their vows in a double-ring, formal ceremony before an altar adorned with polished greenary, ferns, and five candlelabras. Two of the center candlelabras held bronze mums with ribbon of navy and ecru.

The bride was given in marriage by her father.

For her wedding, she wore a long flowing gown of ecru chiffon and alenconlace with a chapel length train. She chose a picture hat in the victorian style with a chapel length veil. Her bouquet was made of long stem rose buds tied with ivory lace ribbon.

The bride's parents were hosts for a reception in the fellowship hall at the First Baptist Church.

Mary Holley of Waco, sister of the bride, served as matron of honor. Bridesmaids were: Vicki Pylant, sister-in-law of the bride, and Paula Murphree, both of Clarksville; Kay Webb, Deport; Sandie Upchurch, Garland, sister of the groom; Judy Draper and Georgeanne Allen of Paris. Donna Pope attended the register for the bride.

Mr. Bart Owen of Dallas served the groom as best man. Groomsmen were: Kris and Alan Pylant, both of Clarksville and brothers of the bride; Steve Upchurch, brother-in-law of the groom; and Randy Cleveland of Garland; David Murphree, Clarksville; and Bruce Case, Talco. Ushers were Britt Holley of Waco, brother-in-law of the bride; Lee Gaw, Hallsville; and David Farris, Garland.

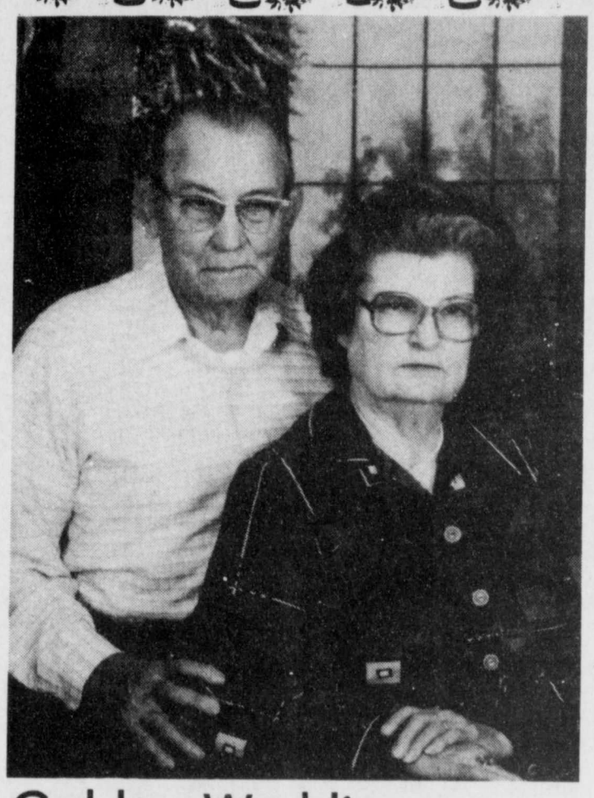

Shanna and Scott Upchurch were flower girl and ring bearer, niece and nephew of the groom.

Following a honeymoon trip to Las Vegas, Nevada, the couple plan to return to Midland.

Rehearsal dinner was in honor of the couple Friday, Sept. 17, by the grooms parents. Following practice, the wedding party gathered at Ye Ole Smokehouse for a bar-b-que dinner.

Local Students Receive National Honor

The Society of Distinguished American High School Students announced today that three students from the Calvary Baptist Church in Talco have been selected as members for 1982.

The Society is one of the most selective high school honoraries in America today. Membership is not only an honor but also an incentive for those exhibiting top performance while in high school. To be accepted, students must have excelled in academics, extracurricular, or civic activities and be nominated by a local sponsor.

Students awarded this honor include Michael Alford, son of Mr. and Mrs. Wayne Woods, Greg Russell, son of Mr. and Mrs. Jerry Russell and Julie White, daughter of Mr.and Mrs. Jerry Brown.

The Students' sponsor, the Calvary Baptist Church, has been presented a Nati on Appreciation Award from the Society for "the steadfast dedication and untiring contributions made on behalf of the students."

The Society is unique in that it combines the honor of membership with its National Awards Program which earmarks college scholarships for Society members. This scholarship program, now in its fourteenth year, is funded by 104 prestigious American colleges. The Society preserves the student's honor by listing their biographical accomplishments in an annual Membership Registry which is distributed nationally.

Somer former members of the Society include Scotty Wood, Ray Whitney, Yvette Bussell, Craig Clemmons, Bill Dixon, and Kristi Foxworthy.

Mr. and Mrs. Michael Corbell are the parents of a daughter, Lauren Nicole, born Sept. 15 and tipping the scales at 6 pounds-10 ounces.

Grandparents are Mr. and Mrs. Tommie Corbell of Bogata and Mrs. Gay Steelman of Richland Hills. Great-grandparents are Mrs. Ruby Corbell and Mrs. Marian Whitten of Bogata and Mrs. Dorothy Hunt of Mt. Vernon.

REBELS---

Vernon came up with a strong drive for a TD and extra piont to make it 14-10.

Mt. Vernon appeared to hold momentum when the Tigers again forced the Rebels to punt and became a march goalward. The effort was killed off when Moore intercepted a pass. Rivercrest quickly fumbled the ball back to Mt. Vernon, but the Tiger offensive was now becoming a thing of the past.

In the final quarter, the Rebels stopped the Tigers deep in Rivercrest land. After a couple of short gainers, the ball went to Hines who quickly broke open for his 87-yard cruise into TD land. Davis legged over the extra pints and the Rebs had found their way back to the victory room.

SCHOOL---

the school's auditing firm of McClanahan and Holmes, met with the board to discuss and recommend certain changes in the auditing procedures as required by state law. Approval was given for these changes to be made.

Bids on various phases of the construction of dressing rooms at Rivercrest were opened and studied. The lowest and or best bids were accepted on all parts of the construction with the exception of the plumbing and electrical work which will be resubmitted for bids.

Total cost of the project is estimated to be about $34,000.

When completed, it will no longer be necessary to use classrooms as dressing rooms at basketball games nor have visiting teams dress with home teams. In addition to the dressing rooms being used on a daily bases for various physical education classes, their construction will also help in security and control of visiting teams which is a major University Interscholastic League requirement of each school district, Morgan said.

In other action, board approval was given to: (1) An up-date to the school district's 5-year Accreditation Plan, (2) Child Nutrition Audit Report, (3) Guidelines for athletic insurance and physicals, (4) Purchase of a new 53 passenger school bus and a used tractor for mowing (5) Preliminary Application for Foundation Funds, and (6) Approval of the various financial reports.

SATELLITE---

Arena and Faubion says the parent corporation has made a committment to rapidly follow through on pledges made by R.L. Wright, former president of Arena Cablevision, to bring the popular satellite channels to the system.

"We are moving as rapidly as is humanly possible, local system manager Wayland Ayers says. "Chaney Communications Inc., took possession of the system on Sept. 1, we let the bid for the earth stations on the 2nd, the dishes have already arrived! I'd say that's really getting into motion," Ayers added.

Construction and engineering of the project is being done by jCommunication Resources Unlimited, Inc., of Tulsa, Okla.

Additional work in the form of certain rebuilding, technical upgrading and future channel expansion has been placed on the schedule for work. Wayland Ayers, system manager, says a consulting engineer has been involved in helping to set up an orderly program for the work.

One entry was submitted on which there was no name signed and the contestant failed to mark his, or her, prediction on one of the games. The unsigned entry contained 10 other miscues, so the contestant was far away from the prize circle.

Entries, unless mailed, must be deposited at either the Bogata News or Deport Times by 5 p.m. Friday, and if mailed must be received no later than the Saturday morning mail.

Teams winning the games used in last week's contest were Rivercrest, DeKalb, Dallas, Hooks, New Boston, Linden-Kildare, Denison, Texas Kansas, Texas Tech, Tulane, Arizona State, Notre Dame, Minnesota, Arkansas, Pittsburg Steelers, Detroit Lions, LA Raiders, Philadelphia, Houston Oilers, Denver, New Orleans, New York Jets, Gilmler, Mt.
