JUDGING GETS UNDERWAY AT CLUB EXHIBIT

$300 in Prizes Will Be Distributed To Winners in First County-Wide Show for Boys

Judging at Scurry County's first 4-H Club and FFA Fat Stock Show was getting underway this (Thursday) morning at the city tabernacle as The Times went to press.

The show, sponsored by the Chamber of Commerce, carries with it $300 in cash prizes and premiums.

County 4-H Club and FFA members from virtually all units in the county have entries in the show, in which judging is expected to be very keen.

First place in each of the show's four divisions will draw $15, second place $10, third place 7.50 and fourth place $5.

An additional $15 cash prize will be awarded the grand champion entry of the show. An additional $10 prize will go to the reserve champion entry.

Some lucky 4-H Club boy or Future Farmers of America member will not only carry away the grand championship honors with his calf, but will receive 50 pounds of delinted Western Prolific cottonseed from the Von Roeder Seed Farms, Knapp.

Harrie Winston, local Domino Return Hereford breeder, will award $10 cash to the boy, whose animal shows best in the ring, and who takes the best care of his calf.

Following the county's first 4-H Club and FFA Fat Stock Show, calves entered here will be shipped, at the owner's option, to Fort Worth. Each boy shipping will be provided transportation to "Cow Town" and return.

Club and FFA boys who go to the Fort Worth Fat Stock Show, will be guests of a livestock commission company on an inspection tour of "packing town" Friday afternoon.

12 Families Given Welcme to Snyder During Last Month

Oil industry and highway contracts attracted the majority of the 12 families and two single men, who were newcomers to Snyder in February. The group received courtesies from the official "Welcome to Snyder" Association.

Greeted were E. B. Kelley, bookkeeper for Cocke & Braden Construction Company, Bill Lyle with Klaus Exploration Company and the following families:

A. O. Miles and R. S. Bryant, service station Mason Costin, WPA superintendent; R. A. Howell, building contractor; Clifford Beggs, Klaus Exploration Company; Ben L. Edwards and C. R. Terrell, Midwestern Contracting Company; A. A. Fencher, Paul Teas Oil Company; L. N. Dovel, Snyder Implement Company; S. S. Churchill, oil driller; Lee Pilgrim, Cocke & Braden Construction Company; M. Knollenberg, oil well cement firm.

Rural Schools Stage Track Meet Saturday

Robert Taylor, county rural school athletic director, announces that that the county's rural schools will hold their annual track meet at Tiger Field Saturday morning.

Opening event of this phase in Interscholastic League work will begin promptly at 9:00 o'clock. All contestants are urged, therefore, to be on hand by 8:45 o'clock.

Athletic contests will take place, Taylor states, in the usual order, as suggested in the constitution and rules for league activities. A special effort wil be made to complete all events Saturday morning.

DORFMAN TO NAVY

Billy Dorfman, local junior high school athletic star, is Snyder's most recent contribution to the United States Navy. Young Dorfman, nephew of Mrs. J. Nelson Dunn, took examinations several weeks ago and received preliminary notice of his acceptance two weeks ago. He left last Tuesday for Dallas, and entrained immediately for San Diego, California, to become a part of the U. S. Navy for the next four years.

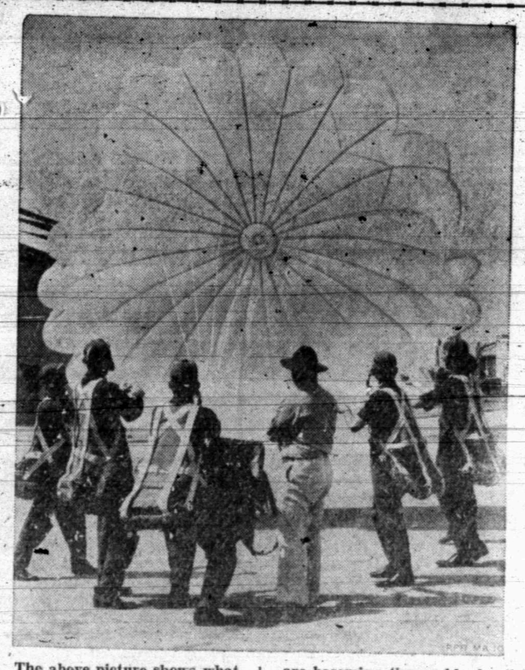

Who's New In Scurry County

Hubert Franklin, eight pound three ounce son of Mr. and Mrs. Elmo Dunn of Cuthbert, arrived at Snyder General Hospital Friday morning at 9:26 o'clock.

Mr. and Mrs. Thurman Leech of Hermleigh, a son, Carroll Tim, born in a Roscoe hospital Tuesday, March 4.

Boys of Area Get to Try Them

The above picture shows what Air Corps cadets call an "Aerial Life Raft," though it's a parachute to most of us. Flying cadets of the Army Air Corps, including the boys from Scurry, Fisher and other nearby counties, who have recently enrolled in this branch of the service, are becoming thoroughly familiar with the 24-foot "silk umbrella" before they leave the ground in a plane. Here, a master sergeant of the Air Corps pulls the rip cord of a parachute for flying cadets at Randolph Field, "West Point of the Air."

Steel for Gavvitt Creek Bridge in Borden Received

Three shipments of structural steel, mostly I beams, arrived here Wednesday for Cocke & Braden, contractors on the 14.8-mile stretch of Highway 15 in Eastern Borden County.

Structural steel received Wednesday will be used by the East-West Highway contractors for foundation work on the Gavvitt Creek bridge, one of the major structures under construction on the East-West roadbed.

Good news for county motorists was contained Wednesday in an announcement that all but four bents of the Gavvitt bridge have been poured, with remainder slated to be finished over the week-end.

Besides the Gavvitt structure, Cocke & Braden attaches state all but six small culverts on the west part of the job have been completed.

Dirt work, with the exception of the large bridge now being built, is progressing at a fine clip this week. Dirt work west from the Scurry County line to the Gavvitt bridge is finished, with a three-tenths foot of select material to be placed on this part of the road within the near future.

Contractor attaches expressed satisfaction Wednesday afternoon at the way roadwork activities are being carried forward, with drainage structure and backfill work still up to schedule.

Wife of Sharon Oil Operator Injured in Midland Collision

Mrs. Obie Bristow, wife of a Sharon Ridge oil field operator, was one of four persons injured last Thursday night in an automobile collision four miles east of Midland. Byron J. Voliva, 49, was injured fatally in the accident.

Besides Mrs. Bristow, others injured in the car mishap were Mrs. A. Schwartz of Big Spring, O. S. Ware and A. L. Ware of near Midland. Steve C. Clark and Earl Baxter of near Midland were uninjured.

The five men were in one car, and the women were returning fro ma golf match at Odessa in the other. Voliva had served as railway express agent at Midland the past quarter of a century. He died in a Midland hospital an hour after the crash.

Bristow, who has considerable holdings in the Sharon pool and other parts of this area and is active in the insurance business, was formerly Big Spring football coach.

Many From County Attend Stock Show

Dozens and dozens of Scurry County ranch folks are in Fort Worth this week, attending the Southwestern Exposition & Fat Stock Show, which closes Sunday afternoon.

Harrie Winston, local Hereford breeder, received a good amount of recognition Tuesday evening, when he was renamed a director of the Texas Hereford Association for the ensuing year.

Federal Funds to Assist Farmers of District Get OK

In view of the interest manifested by Scurry, Borden and Fisher County people in the Agricultural Appropriation Bill, which passed the House last week, Congressman George Mahon of the 19th District gives to Times readers the following bill highlights:

The largest item in the bill is $500,000,000 for AAA soil conservation payments to farmers, of which $212,000,000 is provided for so-called parity payments. These sums are about the same as provided in previous years.

Of special interest to people in this area will be the $100,000,000 provided for the expansion of the rural electrification program for the coming fiscal year, and an increase to enable the Soil Conservation Service to cooperate more adequately with soil conservation districts in Texas.

The bill provides $50,000,000 for the continuation of the farm tenant purchase program.

The bill now goes to the Senate for consideration, and there seems to be no doubt but that appropriations made by the House will be approved, Mahon reports.

Fred Wolcott Adds More Hurdle Honors

Fred Wolcott, Snyder's blonde track star, tied another world record Saturday night at Madison Square Garden's annual Knights of Columbus games. A New York crowd of 15,000 persons watched Freddie do the 60-yard hurdles in 7.2 seconds, a tie with the world record made in this event several years ago.

Wolcott, as Rice Institute's ace runner, smashed three world records in earlier meets this winter. He remained, at the conclusion of Saturday night's hurdle-dashes, unbeaten.

Only new world record of the meet set was as John as John Borican of Elberron, New Jersey, won the classic Casey 600 in one minute, 10 and two-tenths seconds, six-tenths of a second under the mark Jimmy Herbert of New York set in this meet last year.

Showdown in Freight Rates Battle Slated

What the local Chamber of Commerce and the West Texas Chamber of Commerce calls its showdown for equalizing the freight rate level with the favored North and East is apparently at hand, Max Bentley, publicity director of WTCC, reported this week.

The Railroad Commission announced this week hearing for further testimony on its order of May 15, 1940, in which the commission prescribed a vertical reduction of 15 per cent in rates on all goods moving within Texas on class rates. Carriers strongly oppose the order, and assert it will cost them at least $15,000,000 a year.

Bentley is joined by J. S. Birdwell, WTCC president, and D. A. Bandeen, regional manager, in lining up the WTCC for the fight against the commission rescinding its 1940 reduction order.

SAN ANGELOAN TO DRILL TEST NORTH OF PAY

Giant Rig Being Set up in Edge of Borden County, Seven Miles North of Sharon Pool

A genuine note of excitement prevailed on the county's oil front today (Thursday) with the announcement that B. C. Mann of San Angelo has issued the "go ahead" signal on his wildcat test seven miles northwest of Sharon Ridge field production, and just over the line in Borden County.

A. E. Walker of Big Spring, contractor on the Mann test, moved in a big drilling rig Wednesday and is rigging up preparatory to spudding 660 feet from the north and 1,980 feet from the east line of Section 151, Block 25, H&TC Survey.

Test, one of most important announced in wildcat territory during the past several years, will be known as Mann's No. 1 Canning-Reynolds. The wildcat will be drilled on a ranch owned jointly by Mr. Canning and Jack Dennis of Snyder, Bert Dennis of Fort Stockton and John Dennis of San Angelo, and on a block of eight sections.

Contract on the Mann No. 1 Canning-Reynolds calls for drilling 3,000 feet unless oil or gas production is developed, or water is encountered in the lime at a lesser depth. Testing of the lower Blaine and Upper Clear Fork is expected.

Robert L. Canning and Joe Cannon of San Angelo did the geological work on the block, which extends over the line into Scurry County.

In the Sharon Ridge oil field, D. & R. Oil Company was feeling ahead for the pay horizon at 2,200 feet in the firm's No. 7 Burney, test, an inside location in the southeast part of the northwest quarter of the northwest one-fourth, Section 143.

Magnolia Petroleum Company's No. 5 Rufe Sterling well, northeast corner of the northwest quarter of the northeast one-fourth, Section 130, flowed 135 barrels by heads following nitro shot in upper pay. Well is in the strong producer parade completed by the major firm during the past several months in the field.

R-Y Oil Company's Robinson test, north 75 acres of the southwest quarter of Section 143-97-H&TC Survey, was drilling at 1,620 feet.

Ruling Sets Amount For Mattress Given To Ineligible Family

A ruling regarding the amount to be paid to the government by an ineligible family receiving a mattress or comfort under the 1940 or 1941 cotton mattress demonstration program was announced this week by the county agent's and home demonstration agent's office.

The ruling, sent the local extension service unit offices by R. T. Price, state administrative assistant of the AAA, provides that a family receiving a mattress or cotton comfort, who later is found ineligible, will be required to pay to the government $6.55 for the mattress. If they obtain a cotton comfort, they will be required to pay back an additional $1.35 for it.

This ruling, while believed to apply to few West Texas families, is given, the county and home demonstration agents point out, to show that the government has included the proper precautions into its cotton mattress demonstration program to preclude ineligible people from benefitting therefrom.

Camp Springs Rabbit Drive Set Tuesday

Final arrangements were completed this week for the community-wide rabbit drive that will be staged at Camp Springs Tuesday. Nimrods from all parts of the county are expected to gather early Tuesday morning at the Jim Beavers Store for dividing into drive groups.

The drive, one of the county's first for the 1941 season, is scheduled to attract such Snyder nimrods as H. L. Wren, Dean Cochran, Herman Darby, J. D. Scott and many others.

Dinner, the old fashioned basket lunch variety, will be spread at the Beavers Store during noontime. Hundreds of rabbits are scheduled to bite the dust during the day, if the aim of hunters is accurate. Plenty of rabbits are reported in the community at this time.

Wiggins Takes Over T-P Grocery-Station

New operator of the T-P Service Station, formerly known as the Moffett Station in East Snyder, and on Highway 7, is J. H. Wiggins.

In addition to handling T-P gasoline, oils and lubricants, Wiggins is stocking a line of staple and fancy groceries, confections and tobaccos. He invites acquaintances to visit him in his new location.

Five New Highway Jobs Slated For County in State Program

SOLDIER TRIO HURT IN AUTO SPILL SUNDAY

New Mexico Boys, Returning from Visit at Home, Injured When Car Turtles North of City

An enjoyable week-end spent with loved ones and friends at Portales, New Mexico, turned to near tragedy Sunday night at 12:30 o'clock for a trio of 45th Division privates when they were 12 miles this side of Post on Highway 84, en route back to Camp Barkley, Abilene.

The privates, Frank Herring, John F. Jones and Arvil McClintock, with Private Herring driving his 1935 model Ford coupe, in which they went to New Mexico, were discussing the sandstorm that was howling south from Post, when a left rear tire blew out.

Herring tried to keep the automobile straight in the road, but within a split second the vehicle began to turn over. It turned two flips before being stepped in a barrow ditch.

Brought to a local hospital, Herring was the worst injured of the three. He suffered severe back injurfes, a lacerated scalp, cuts on the left side of his face and other bruises.

Private McClintock emerged nursing an injured left leg, and Private Jones suffered a small scalp out that required two stitches to close.

Finis to the week-end accident was written Monday night when an army ambulance from Camp Barkley arrived and took the three injured 45th Division soldiers to Abilene. Private Herring will probably be confined in an army hospital for several days, due to the painful back injuries he sustained. Privates Jones and McClintoch were released from the 45th Division army hospital Tuesday.

Hill and Butler Get Principal Jobs Again

Members of the Snyder School board of education announce this week the retaining of W. W. (Red) Hill as high school principal for the 1941-42 year, and reelection of L. H. Butler as grammar school principal.

Superintendent E. L. Fair was reelected head of the local school by the board several weeks ago. He was given a two-year contract.

Hill, a member of the local school faculty for the past 10 years, was assistant coach four years and head coach six years.

Butler, rounding out his second year at Snyder Schools, is taking an active part in scouting, and is scoutmaster of a local troop.

Snyder Merchants to Go to Lubbock Mart

Mr. and Mrs. Henry Rosenberg, representing Economy Dry Goods Company, A. C. Kincaid, representing the local Bryant-Link Company store, and numbers of other local merchants mapped plans this week to attend the Western Wholesale Market, to be held Saturday through Monday at the Lubbock Hotel.

Reservations for the market closed March 1. Buyers for retail stores of Scurry and adjoining counties will be able to select, at the Lubbock market, the very latest spring and summer merchandise.

Bernie Howell's orchestra is to play for the buffet supper and dance Monday evening, to which buyers will be invited guests.

Mercury Hanging Around Freezing Marker for Week

Low temperature for March, to date, was recorded Saturday, when Old Man mercury dropped down to 23 degrees—nine degrees below freezing.

Mrs. B. G. Johnson, government weather gauger, reports that the thermometer has been hovering around the freezing point all week, with a heavy frost on tap this (Thursday) morning.

Low readings from Friday through Wednesday follow:

Friday, 31 degrees; Saturday, 23 degrees; Sunday, 35 degrees; Monday, 32 degrees; Tuesday, 34 degrees; and Wednesday, 33 degrees.

County fruit growers expressed the opinion this week that a light freeze, if accompanied by moisture, would be greatly beneficial to the county's 1941 fruit crop, since it would retard early buds without causing them to shrivel and fall from the trees.

Stolen Fire Truck Found at Rear Of Chief's Office—Nothing Gone

It was a dirty Irish trick . . . says Richard Davis, Snyder fireman.

It should be a lesson on door-closing . . . says Earl Strawn, night watchman.

It was fun worth the money . . . says Fire Chief Norman Autry and members of the Snyder Volunteer Fire Department.

But to begin the story at the beginning, here's the dope, received by The Times via grapevine Wednesday:

Night Watchman Strawn, making his rounds of door-checking in the business section Tuesday morning, found the front doors to the fire hall wide open, and Fireman Richard Davis snoozing the snooze of the just.

He proceeds to phone Fire Chief Autry and asks the chief's assistance in the underhanded plot, which is promptly forthcoming. Then Strawn proceeds to quietly roll the faithful Reo fire truck from its stall, heads it down the hill west of the station, and when it is a safe distance away starts the motor and drives the machine up to Autry's house.

Autry drives the fire-fighter downtown and parks it near his office. He phones Fireman Davis and inquires the size of tires the Reo carries, and advances the theory that the tires have been stolen and sold to a second-hand tire dealer. "Please check to see if tires are missing from the truck?" Autry advised Davis.

Davis informed Autry he was positive the station doors had been shut hard and fast Tuesday night at his usual bedtime.

"Chief, the whole truck's gone," Davis excitedly announces after a hurried check-up of the station. Autry opines that the truck is probably out on a country lane, stripped of everything worth stealing.

Davis, more excited than he ever appeared at any fire call, quickly summons J. P. Strayhorn and Carl Keller and the trio sallies forth in search of the stolen Reo. They stealthily run upon the parked vehicle behind Autry's office—then there was heck to pay. . . .

Or maybe it was coffee the positive door-shutting Davis bought for the chief, the night watchman and other dirty Irishmen.

H-SU Players to Present Pulitzer Play Friday Eve

"Our Town," Pulitzer prize winning play by Thornton Wilder, will be presented in the Snyder School auditorium Friday evening by the Hardin-Simmons University Players' Club, Abilene, in the first tour ever to be initiated at H-SU by the speech department.

Curtain for the renowned play will rise at 8:00 o'clock, members of the local high school Dramatics Club announce. Admission will be 15 and 30 cents. The appearance is being sponsored locally by the speech club and Rose Marie Claw, son, instructor.

Under the direction of Miss Katherine Boyd, speech department head at Hardin-Simmons, the popular play was revived last season from a performance at the university where it was lauded by West Texas dramatic critics.

"Our Town" is particularly interesting to the modern theatregoer because of the complete lack of scenery and setting. The play involves average people in a middle-sized town in Connecticut, centering around average life, marriages and deaths.

In a featured role of the play will be Dewece McGahey, former Snyder girl, who was recently given a place on the all-star cast at the Texas Intercollegiate Play Festival held at Texas Tech. Miss McGahey has been an important member of the Players' group for three years.

Twenty-five students are members of the cast. Last week the play was presented in Loraine, Colorado City, Lamesa and Breckenridge.

Mrs. Nora M. Guinn Is New Superyisor of Housekeeping Aide

New supervisor for the local Housekeeping Aide is Mrs. Nora M. Guinn, who assumed her duties at the local work center Monday morning.

Mrs. Guinn replaces Mrs. Wilma S. Wheeler, who was transferred Monday to Crosbyton, county seat of Crosby County. Mrs. Wheeler is the supervisor of Crosbyton's Housekeeping Aide project.

Supervisor of the local Housekeeping Aide project for the past 12 months, Mrs. Wheeler has gained a large number of friends during her stay here. She came here from Paducah to take charge of the local WPA sponsored project.

Ruth R. Jenkins, district supervisor of Housekeeping Aide projects for this area, with headquarters at Lubbock, was here last Thursday checking work being done at the local work center.

Officials of the district WPA office at Lubbock stated this week a total of 23 workers are assigned at present to the local Housekeeping Aide project, which is co-sponsored by the City of Snyder and Scurry County.

RODGERS ILL

Mrs. Cleve Blackard left Snyder early Monday night to be at the bedside of her father, W. B. Rodgers, in an El Centro, California, hospital. Rodgers, former Snyder resident, is seriously ill with heart asthma and pneumonia.

Legion Auxiliary Members to Sign For Emergencies

Registration of all American Legion Auxiliary members in Scurry County will be made Saturday at the county clerk's office, Mrs. J. E. Shipp, president of the local Auxiliary, announced this week.

Signing up of auxiliary members will be held in the front room of the county clerk's office. A desk and clerk will be provided for the registration, which will begin at 8:00 a. m. and close at 5:00 p. m.

Mrs. Shipp is joined by other American Legion Auxiliary officials in urging all wives of ex-service men who can to sign up Saturday.

"In this time of national change we believe that auxiliary members can be ready to furnish assistance if necessary during a calamity or other period of stress through close-knit organization," Mrs. Shipp states.

Those who cannot conveniently register Saturday are urged after the voluntary registration to contact Mrs. Inez Brown at Snyder Insurance Agency. Since the registration is entirely voluntary, the emergency service questionnaire may be filled out within the next week.

Number of County School Officials to Attend Area Meet

Hermleigh, Dunn and Fluvanna schools accepted invitations this week to send delegates to the Friday and Saturday meeting of the West Texas Teachers' Association convention, to be staged in Big Spring, [illegible] reports.

Complete program for the forthcoming convention, scheduled to attract school heads from all sections of this trade area, was released to school teachers of this area several days ago.

Among outstanding speakers on the Friday-Saturday program are Judge Jeff H. Williams of Chickasha, Oklahoma; Dr. A. J. Stoddard, superintendent of city schools at PPhiladelphia; and Dr. George S. Counts of Columbia University.

Texas speakers, who will appear on program, will be Dr. W. B. Irvin, president of the Texas State Teachers' Association; and Dr. A. W. Birdwell, president of Stephen F. Austin Teachers' College, Nacogdoches.

Hollis Fields Is New Manager at Laundry

New manager of Snyder Steam Laundry, 1931 25th Street, is Hollis Fields, who assumed his managership duties Saturday morning. An experienced laundry man, Fields has been employed at the local concern for the past three years.

Fields replaces L. T. Rushing, who has been in the [illegible] "clothes cleaning depot" the past 14 months. Rushing, Mrs. Rushing and their two boys, Allen Thomas and Jerry Lee, moved to Abilene Saturday afternoon.

Rushing is now associated with the Abilene Laundry Company, a fifth with which he was connected for a number of years before moving to Snyder in January of 1940.

ASPHALT BASE AND SEAL COAT PROJECTS SET

Part of Monday Appropriation for $2,434,100 in Improvements Earmarked for Scurry

Scurry County emerged Wednesday with a lion's share of asphalt coating work in this section of West Texas as a result of new lettings announced by the State Highway Commission.

New letting for the commission's 1941 program in Scurry County calls for temporary top on Highway 15 from Snyder west to the Borden County line. No topping work was announced for the East-West Highway from the overpass, southeast of town, eastward to the Fisher County line, since dirt work is not yet finished in all details.

New asphalt coating for Highway 7, from a point northwest of Hermleigh through Snyder, and on to the Garza County line was also announced Wednesday as a commission letting.

Cheering news for the motorists of Scurry and adjacent counties was provided in the form of an announcement that the entire stretch of Highway 101 from a point one mile southeast of Snyder south to Dunn and on to the Mitchell County line will receive attention soon.

Work order for additional dirt work on Highway 101, between Snyder and Dunn, is expected to be received within the next few days, highway commission attaches state.

Marionette Offering Attracts 600 Monday

Members of Hermleigh School's speech class, supervised by Joyce Elrod, gave a duet of marionette performances Monday at the school gymnasium.

The Hermleigh speech class was assisted by Edward J. Strout, supervisor, and the traveling unit of the local WPA recreation project in giving a marionette performance of Cinderella.

First "Cinderella" performance was given at the school in chapel Monday morning. Second performance was given Monday evening in connection with the Hermleigh farmer's community-wide gathering, which attracted approximately 600 people.

HULSEYS MOVE

Mrs. Hardy Hulsey and her three youngest children left Sunday for Perryton to join their husband and father, who assumed his place as foreman of the Perryton School plant several weeks ago. Accompanying Mrs. Hulsey to Perryton were Mary Jo, high school sophomore, five-year-old Merle and Don, three years old. The two older Hulsey boys, Lynn and Melvin, graduates of the local high school, are remaining in Snyder with their jobs—Lynn with the local school and Melvin with the Blackard Grocery Company.

COUNTY GETS SNOW

Proof that Old Ring Winter is still hanging on in Scurry County greeted county residents this (Thursday morning in the form of a dandy March snow—a blanket of white that is, reported general in rural sectors of the county. Due to the fact, that temperatures are just below the freezing point as The Times goes to press, small damage is expected to result from the snow.

Licenses Lag

Despite the fact Scurry County's shiny, new 1941 license plates were placed on sale March 1 at the tax assessor-collector's office, only 322 were sold over the counter through noon Wednesday.

Since an estimated 2,000 passenger car license plates will be issued through April 1, attaches at the collector's office urge that county motorists obtain their "tags" as soon as possible, in order to relieve last minute congestion. Truck and commercial vehicle plates are also moving slowly, Herman Darby states.

County motorists and truckers will have only 16 more week days after today (Thursday) in which to obtain their 1941 plates. Those who have purchased their new "tags," however, are cooperating enthusiastically in leaving discarded licenses at The Times office and the Economy Store for British war relief purposes.

The WOMAN'S Page

Husbands' Evening Is Gala Event for El Feliz

Annual husbands' evening for El Feliz Club was held at the Friday night at the Sidney Johnson Ranch home, 12 miles northeast of Snyder. Mmes. Johnson and J. E. LeMond were hostesses to El Feliz Club members, their husbands and a number of guests for the evening of gaiety.

Features of the annual affair included an elaborate ranch supper served buffet style from the Johnson's dining room and a series of enjoyable forty-two games.

Guests for the evening included Mmes. R. W. Cunningham and H. G. Towle, Dr. and Mrs. Grady Shytles, Messrs. and Mmes. W. W. Smith, W. H. Cauble, Joe H. Hamlett Jr., R. L. Gray and W. R. Bell and Harrie Winston.

Members and their husbands present were: Mmes. Wade Winston and P. C. Chenault, Messrs. and Mmes. W. E. Doak, W. J. Ely, A. J. Cody, R. H. Odom, W. G. Williams, LeMond and Johnson.

Week-end guests of Rev. and Mrs. M. W. Clark were Mr. Mrs. M. T. Crawford of Greenville and their three sons—Ralph and Lawrence of Greenville and James Crawford of Sulphur Springs. Mrs. Ralph Crawford was also in the group of visiting relatives.

Costume jewelry, the very newest spring selection, is on display at H. G. Towle Jewelry Company.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramplike pain of *functional dysmenorrhea* due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI'S principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for over 50 years.

Home Migrants Topic for Lecture

Mrs. Raymond Land, Scurry County welfare worker, brought timely information to the Methodist Woman's Society of Christian Service Monday afternoon, when she spoke to the 31 attending members on the local migrant situation. Study of "Home Migrants" Monday at the local church furthered the society's study of the United States' migrant situation.

Following Mrs. Land's talk, the women were directed by Mrs. T. M. Howle, study leader, in round table discussion of ways and means of helping improve conditions for migrants in Scurry County at the present. Mrs. Land reported few of these transient workers in the county now, since the majority of the workers are here from September through February.

Report from Mrs. R. H. Odom on the negro situation locally revealed an interesting project begun in the colored section about six weeks ago. Mrs. E. M. Watson, wife of the negro school teacher and herself a college trained dietician, is preparing the noon meal for an average of 30 pupils in the school each day.

Commodities for the balanced meals are being secured through the local relief office. The food is prepared each day by Mrs. Watson and two of the older school girls and served to all students in the school in the schoolroom. The project, comparatively new, is gaining favorable discussion here.

Mrs. J. O. Littlepage gave the afternoon devotional, which was appropriately the Parable of the Good Samaritan. Both Monday afternoon circles of the Methodist society were in the session this week.

SON IS MARRIED

Announcement comes to The Times this week of the marriage of a former local resident. Billy Mac Henry son of Mr. and Mrs. Earl Henry of Marceline, Missouri, was married Thursday, March 6, to Virginia Burton of Chillicothe, Missouri. The couple will live in Marceline. Billy Mac and his parents spent the Christmas holidays and several weeks following with local relatives and friends.

Mr. and Mrs. Jack Deakins and daughter, Ann, of Floydada were guests Sunday night and Monday of Mr. and Mrs. E. M. Deakins here.

Cotton Plays Lead Role in Fiesta

New Orleans beauties prepare to welcome visitors to their city's annual Spring Fiesta, March 16-30. The part cotton has played in the building of New Orleans will play an important role in the Fiesta program with a cotton party scheduled as one of the main events of the program. Hostesses will wear ante-bellum costumes of cotton.

Mrs. Pollard Hosts Ingleside Meeting

Mrs. T. W. Pollard was hostess Tuesday afternoon to regular meeting of the Ingleside Study Club. She entertained at the home of Mrs. L. C. Rennals, and Mrs. J. M. Newton, former club member, was the only guest present.

Review of Upton Sinclair's adventure story, "World's End," by Mrs. Jim Cloud formed the major portion of a delightful program. The story tells of the adventures of three growing brothers in countries of Europe.

Members attending the meeting were the following: Mmes. Clyde Boren, Tom Boren, Harold Brown, Cloud, John Cox, W. F. Cox, Carl England, J. T. Johnston, Earl H. Louder, C. L. Noble, R. J. Randals, H. P. Redwine, L. C. Rennals, T. H. Ray and the hostess.

Class Meeting at John DeShazo Home

Esrudoma Class of the First Baptist Church met last Thursday night at the home of Mrs. John DeShazo, with Mrs. Myrtle Evans assisting hostess. Mrs. W. W. Hull was program leader, Mrs. W. D. Harral led the opening prayer, and Mrs. Howell Harpole gave the devotional from the Gospel of St. John.

Delicious refreshments were served to those on program and the following other members: Mmes. Collie Fish, M. E. Stanfield, O. P. Harris, Bryan Jordan, Edward Y. Thompson, Lyman Wade, O. L. Morse and the hostesses. Guests were Mrs. Roy Higgs and Anna Mae DeShazo.

Reader's Digest Program Is Heard

An interesting program from the February Reader's Digest was heard by members and guests of Woman's Culture Club Tuesday evening when they gathered at the home of Mrs. Ted Moser. The favored national defense theme was centered in the discussions, directed by Mrs. J. A. Woodfin.

Discussion by the hostess was titled, "Faith, Faith for These Times;" Mrs. E. J. Richardson's topic was "Let Us Do the Dirty Work;" and Mrs. E. F. Sears talked on "The Only Way to Shorten the War."

The hostess passed an ice course with cookies and coffee to her mother, Mrs. Effie McCarty, Mrs. Jim Lockhart and Mrs. A. P. Morris, guests, and the following members: Mmes. A. C. Alexander, R. W. Cunningham, Richardson, Sears, D. P. Strayhorn, Woodfin, J. R. Huckabee and H. L. Wren.

Senior BTU Given Kid Party at Church

Members of the senior BTU unit sponsored by the First Baptist Church were treated to an enjoyable kid party, held last Thursday evening in the church basement. Hosts for the occasion were Rev. and Mrs. Ira Harrison and Effie McLeod, general director of Baptist Training unit work in the county.

Concluding a delightful evening of kid games in which Miss McLeod, for instance, noted the role of a cute kid, refreshments, consisting of sandwiches, cookies and cocoa were served the following:

Rex Todd, Betty Seward, Jimmie Merritt, Billy Alexander, Earl Reeves, Truman Barrett, Fern Raney, Frances Letcher, Alice Hudnell, LaRue Autry, Delton Seward, Marvell Watkins, Sally Dodson, Mary Frances Vealg, Fred Crumley and Martha Lou Holmes.

Mr. and Mrs. J. C. Morgan and two children of Austin were week-end guests here of the Sterling Taylor family. Mr. Taylor accompanied his daughter and family back to Austin to spend some time in the capital city.

Art Guild Elects Officers Tuesday

Art Guild officers elected officers for the next two years at regular club meeting Tuesday evening. Mrs. Herman Trigg was hostess at the home of Mr. and Mrs. R. E. Joyce. New officers are slated to take over their duties in September, serving two years.

Elected were: Effie McLeod, one of two charter members still holding membership, president; Mrs. L. H. Butler, vice president; Rose Marie Clawson, recording secretary; Mrs. A. M. Belcher, corresponding secretary; Mrs. W. E. Holcomb, treasurer; and Edith Grantham, parliamentarian.

Mrs. R. G. Dillard, Guild president, resigned her office at the meeting, and Mrs. H. D. Seely, vice president, will complete the club year as president. Program for the evening was led by Mrs. Seely and centered on discussions by Rayolene Smith and Frances Boren on "Texas Educators."

Mrs. Trigg was assisted by Mrs. Wilmeth Wade and her young daughter, Mary Jim, in serving delightful refreshments with sweet peas as plate favors to Mrs. Lora Miller, guest, and the following members: Mmes. Dillard, Seely, M. E. Stanfield, Ivan Gatlin, Ivan Hill, C. W. Popnoe and Holcomb, Misses, Smith, Boren, Estella Rabel and Grantham.

Ethel Lynn York Honored at Party

Ethel Lynn York, daughter of Mr. and Mrs. Joe York, was honored Saturday afternoon at a birthday party celebrating her seventh birthday. Hostesses at the affair were Mrs. York and the honoree's older sister, Nelda Belle.

Guests brought lovely gifts to Ethel Lynn, and the group enjoyed outdoor games all afternoon. The birthday cake was cut and served along with other refreshments of fruit punch, sandwiches and cookies.

The guest list included, besides the honoree, the following of her little friends: Betty Lee Clement, Frankilene Arnett, Billy Don Snider, Wendell Autry, Jay Fish, Don Keller, Camille Cloud, Billy Wayne Williams, Bobby Hull, Dickie Blakey, Martha Stoker, Ira Lynn Newby, Billy Con Harpole, Joan McDowell, Joy Graham, Barbara Cox, Marlene Shultz, Billie Jean Coonrod, Daunel Blackard, Shirley Banks, Lowell Bynum, Helen Campbell and Lois Campbell.

Eldon Birdwell of Abilene was visiting with his parents, the Henry Birdwells, here Sunday.

Four Panel Speakers Heard by Study Club

Talks on Reader's Digest subjects were interesting Tuesday afternoon when Alpha Study Club members heard panel discussions given by Mmes. J. G. Hicks, Joe Graham, J. P. Nelson and Maurice Brownfield. The four were introduced by Hattie Herm, leader for the day.

Mrs. T. E. Major was hostess Tuesday for the Alpha Study Club meeting, and at the close of the program she served a salad plate to the following other club members: Mmes. Wayne Boren, Brownfield, Graham, G. M. Heinzelmann, Hicks, T. M. Howle, Ixon Joyce, Alfred McGlaun, Nelson, C. F. Sentell, David Strayhorn, S. L. Morgan, Lucile Strayhorn Dougherty, Misses Hattie Herm and Neoma Strayhorn.

Baptist Women Hold Week-of-Prayer

Baptist Woman's Missionary Union held its semi-annual observance of the Week of Prayer from Monday through Friday of last week. Theme for the five afternoons of consecrated study was "I Am Debtor. Am I Ready?" Thought-provoking discussions were given each afternoon from 2:00 to 3:00 o'clock.

Leaders, respectively, for the five afternoons were: Mmes. A. P. Morris, Edgar Taylor, John DeShazo, O. S. Williamson and H. L. Wren.

Good attendance featured the sessions each day. Review of "The Trail of Seed," a religious book, which was given by Mrs. Leon Wren, was the highlight of the entire observance, the Baptist women said.

Baptist GA Holds Meeting at Church

Eight members of the Girls' Auxiliary of the First Baptist Church gathered at the church Monday for an interesting meeting under direction of Mrs. Clyde Ryan, counsellor. Mrs. Ryan conducted a study of the "Hundred Thousand Club."

Next meeting of the girls' group will be held Monday night, March 17, at the home of Margaret Jane Farr, daughter of Mr. and Mrs. E. L. Farr. At the March 17 meeting new members will be initiated, and Johnnie Jean LeMond will review "The Life of Judson."

FARM PLAN TO BE CARRIED TO COMMUNITIES

Schedule of Meetings in Various Sections of County Released by County Agent's Office

Two-day meeting of the Scurry County Agricultural Conservation Association will be held today (Thursday) and Friday, Claud D. Cotten, administrative officer at the county agent's office, announces.

County ACA members will study the 1941 Texas Handbook, the Farm Plan Sheet and the supplementary cotton program during the two-day meet.

Following the Thursday-Friday ACA meeting, a series of meetings will be held in each community for the purpose of signing Farm Plan sheets and intention to participate in the 1941 supplementary cotton program.

Meetings to outline the new phases of the current AAA program will be held next week at the following places from 9:00 a. m. to 5:00 p. m., Cotten states:

Community No. 1—Camp Springs Church, Monday; Ennis Creek School, Tuesday, Sims Store at Fluvanna, Wednesday; and Snyder courtroom, Thursday.

Community No. 2—Inadale Co-operative Gin, Monday; Dunn School gymnasium, Tuesday; Hermleigh School, Wednesday; and Snyder court room, Thursday.

Community No. 3—Bison School, Monday; Union Church, Tuesday; Ira School, Wednesday; and Snyder court room, Thursday.

Committeemen will have on hand at the community gatherings the Farm Plan sheet and Form SCP-1, intention to participate in the 1941 supplementary cotton program.

Cotten points out that it will be necessary for producers to sign their Farm Plan sheets and Forms SCP-1 before they can get 1941 Triple A payments. Farm Plan sheets will not be sent out at this time for farms that are reconstituted for 1941.

Hermleigh Juniors Will Present Play at School Friday Eve

"Looking Lovely," a triple-act comedy play, will be presented Friday evening at Hermleigh School auditorium under auspices of the junior class, C. B. Bentley, junior class sponsor, announces this week.

Proceeds from the three-act play, spiced throughout with humorous situations, will be used to stage the school's annual junior-senior banquet May 2, junior class members report.

Curtain on "Looking Lovely" is scheduled to rise promptly at 8:00 o'clock. Admission price will be 10 and 20 cents.

Kiah D. Bayless, Kenneth Bowlin, Wanda Jean Morrow, James M. Bralley, Loyd Jackson, Kathryn Reeves, Winona Leech, Garline Kimzey, Ray Burklow, Gwen Spykes, Sylva Glyn Bentley and Billy Don Kimzey. Sylva Glen and Billy Don Kimzey are characters in the play.

Entertainment lovers of Hermleigh and surrounding communities are invited to witness the staging of "Looking Lovely," a play that is reported different from the usual type of comedy.

Notaries to Be Given Reappointment Soon

County Clerk Jimmie Billingsley announces this week that all existing notaries in Scurry County will be automatically re-appointed by the Secretary of State within the near future.

Re-appointment of notaries public will be made, Billingsley points out, for a term beginning June 1, 1941, and expiring June 1, 1943.

In a letter to the county clerk, the Secretary of State emphasizes the fact that it will not be necessary for an existing notary to write in regard to being renamed for another term.

Charles T. Lux of Austin, secretary-manager of Retail Merchants Associations of Texas, was in Snyder Monday visiting with Chas. J. Lewis and Mrs. Lewis, managers of the local association.

Demonstration Club Notes

Estella Kabel, County Agent

DERMOTT-MARTIN CLUB

Regular club meeting for the Dermott-Martin Home Demonstration women was held last Wednesday at the home of Mrs. [illegible]. The gathering began in the morning as the members came to quilt, and a covered dish luncheon was served at noon.

The following were present: Mmes. Tom C. Davis, H. E. Greenfield, L. N. Periman, Bessie Perkins, W. E. Boss, G. D. Gibson, Walter Weathers, F. F. Kelly, Fickas Bell and the hostess.

CANYON GIRLS ORGANIZE

Members of the Canyon girls 4-H Club met this week and reorganized. Officers for the ensuing year follow:

Faye Martin, president; Dorothy Adams, vice president; Celeta Pherigo, secretary; Anna Bell Layne, reporter; Lorance Pinkerton and Cleta Beth McCarter, recreational leaders; Valda Brown, clothing demonstrator; and Dorothy Adams, poultry demonstrator.

Women of the Round Top and Dunn Home Demonstration Clubs were extended an invitation this week to attend a cake and icing demonstration, to be held Tuesday afternoon, 2:30 o'clock, at the home of Mrs. Ross Beeman, Estella Rabel, home demonstration agent, will give the demonstration.

Members of the China Grove Home Demonstration Club met Tuesday at the home of Mrs. Joe Hairston, with an unusually large number of members present.

Roll call for the meeting was answered with cake suggestions. The county home demonstration agent gave an interesting demonstration of a white cake with boiled icing.

During the business session that followed, it was decided that Mrs. W. H. Prescott, clothing demonstrator, attend the Foundation Pattern School in Snyder Wednesday and Thursday, March 12-13.

Each club member, it was announced, will have a cake scrap book. A large scrap book will soon be made by the China Grove club to record club history. Members plan to add to the scrap book from year to year.

A new club member, Mrs. Joe Wilson, was welcomed into the group. An invitation is cordially extended to anyone who might be interested to join the China Grove club.

The demonstrated cake, with hot chocolate, was served to the following:

Mrs. Joe Wilson, new member; Mrs. Roy Lee Merket, a guest, and Mmes. Jim Merket, Stanley Merket, A. M. Merket, R. D. Hall, W. H. Prescott, Hoyt Murphy, Jim Wood, Bill Hairston, O. N. Lester, Joe Hairston, Roy Allen and Miss Rabel.

MRS. BURNEY HOST

Mrs. Joe Burney was hostess Friday at regular meeting of the Bison Home Demonstration Club at her home. Interesting personal opinions were heard as members gave their versions of "Why Women Should Vote." Mmes. Jack Dennis and Bill Baggett gave discussions of "Texas Women in Politics" and views on federation.

Following the program and business session, the hostess served refreshments to the following members: Mmes. Wiley Eubanks, Frank Strom, Ross Huddleston, Jack Evans, Nolan von Roeder, H. von Roeder, Baggett, Loyd Murphy, Dennis, Ella Ritcher, Nathan Goolsby, Milton Davis, J. D. Oxsheer, Jim, Fred and Claude Sorrells. Little Nancy Lou Davis of Snyder was the only guest.

Next club meeting will be with Mrs. Jim Sorrells, and each member is requested to bring an apron of her own making, since the program will be based on sewing. Every woman in the community is invited to attend the Friday, March 14, meeting at Mrs. Sorrells', 2:00 o'clock. Members of the Tri-Community Club will be guests at the meeting.

Lions Give More Glasses to Needy In Scurry County

Feature of Tuesday's Lions Club luncheon in the Manhattan Hotel was the presentation of Mrs. R. G. Dillard, local school faculty member, in two vocal solo numbers.

Mrs. Dillard sang "Lad o' the Road" and "There Will Always Be an England." Her accompaniss at the piano was Mrs. L. A. Chapman.

Lion R. G. Dillard presented special pens to past club presidents, H. L. Wren and Willard Jones.

W. R. Bell, chairman of the local club's blind committee, announced that several pairs of glasses had recently been given to children in this area with deficient eyesight.

Lion Wayne Boren gave an interesting report on the trip a local club delegation made to Lubbock last Thursday evening. The delegation, composed of Lions J. O. Stimson, Willard Jones, Herman Darby, R. G. Dillard and Wayne Boren, attended a banquet given at Lubbock for Melvin Jones, secretary general and founder of Lions International.

Dillard gave an outline of Scurry County's first 4-H Club & FFA Fat Stock Show, which is being staged here today (Thursday). Total of $300 in cash prizes and premiums will be awarded successful contestants, Dillard stated.

The local club's convention fund was given a further boost Tuesday, when each member was requested to donate a small sum to strengthen the funds already turned in. Additions will be made to the fund from week to week.

H. L. Wren Slated For Two Addresses At District Meeting

H. L. Wren, District 8 brotherhood president, was named this week to make two addresses at the District 9 Laymen, Training Union and Sunday School Convention to be held March 25 and 26 at Brownfield.

The two-day gathering, to be held at Brownfield's First Baptist Church, is expected to attract approximately 1,000 church workers and laymen from a wide part of West Texas.

First address Wren will make will be Tuesday afternoon, March 25, at 3:20 o'clock. Theme of the Tuesday afternoon meeting will be "Men in God's Plan."

Tuesday evening, March 25, Wren will make another address at 8:35 o'clock, folowing a talk to be given by R. A. Springer of Dallas.

Other program speakers besides the local Brotherhood president of District 8 will include:

BTU's of County Convene Sunday At Local Church

Joint meeting of the East and West Baptist Training Union zones will be held Sunday afternoon at the First Baptist Church, Effie McLeod, general director of BTU work in the county, announces this week.

The joint meeting will begin at 2:30 o'clock, and will consist of an unusually interesting program on tap for the afternoon.

A brief devotional at the beginning of the program will be followed by the recognition of zone and church officials and visitors.

Program conferences will be led Sunday afternoon by the following:

Adults—Edgar Eades of Ira.

Young people—Rev. Lawrence Trott of Rotan.

Intermediates—Mrs. A. Adamcik, state approved intermediate leader.

Juniors—Mrs. Ira Harrison.

Primary—Marva Nell Curtis, associational primary leader. One number in this conference department will be a demonstration of a weekly program.

Workers from the various churches in the East and West BTU zones of the county will serve in the conferences, and are expected to contribute a great deal to the success of the departmental work.

Special music for the afternoon will be provided by the Midway Baptist Church, Miss McLeod states.

Inspirational message of the afternoon will be brought by Rev. Lawrence Trott of Rotan, who is Baptist Training Union president from his district.

The public is extended a cordial invitation to attend Sunday afternoon's meeting to see first hand the work program now underway in county BTU units.

Sergeant William P. King from the 131st Field Artillery Band section at Camp Bowie, Brownwood, was here for the week-end visiting with his parents, the W. P. Kings. Bill returned to his army duties late Sunday.

Birthday Observed By Browning Market

Browning Food Market, located north of the square on Avenue S, had a birthday cake of values over the week-end for patrons in the form of a Fourth Anniversary Sale, Hollis and Vernon Browning, operators, state the sale was successful from every angle.

Earl Corder, district representative of Duncan Coffee Company, assisted by Jessie Baxter, served free Admiration coffee and cookies all day Saturday. Man Installing popular radio teams, gave interesting programs of speech and music. Total of $200 in free groceries were given away during the day, Browning states.

Modesty is becoming but it slows down going.

Elzie Fee, Former Ira Man, Dies at Happy

Funeral services for Elzie Fee, former Ira community resident and brother of [illegible] Fee, Methodist minister, were conducted Wednesday at Happy, Canyon.

Elzie Fee passed away Tuesday afternoon at the Happy Ranch following a brief illness. He moved away from Ira in 1919, [illegible] remembered by many of the older Ira community citizens.

Mr. Fee, who planned to move back to Scurry County in the near future, recently renewed his membership in the Ira Masonic Lodge.

Marble Tourney Attracting Large Crowd of Entries

Entries, received through noon Wednesday indicate that competition will be keen in Snyder's marble tournament Thursday, Friday and Saturday of next week.

The tournament will be staged under the auspices of Edward J. Strout, chief of the local WPA recreation project. Tourney winner will receive a beautifully inscribed plaque from the local Ben Franklin Store.

Boys entering the marble tournament are required to furnish their own equipment and follow the posted schedule in the local school gymnasium.

Following the marble tournament, a kite flying tourney will be staged Saturday, March 29, Strout reports. Registration will get underway for this contest March 24, and be concluded Friday afternoon, March 28, at 6:00 o'clock.

Appropriate prizes will be arranged for the largest, smallest, most unique and highest flying kite, recreation project attaches report. Participants will make their own kites, according to prescribed regulations, and must receive no aid from adults.

New Visit Schedule Aids in Issuance of Licenses for Drivers

While in Snyder Tuesday, Captain H. B. Matthews, Department of Public Safety official, issued 10 driver's licenses and three chauffeur's licenses.

Matthews, who has his headquarters at Big Spring, works eight counties, including Scurry. His new schedule, effective recently, calls for his being at the sheriff's office here each Tuesday from 10:00 a. m. until 2:00 p. m.

This new schedule, as Department of Public Safety officials point out, will allow more county residents to contact Matthews when in the market for driver's or chauffeur's licenses. The Department of Public Safety official was formerly here Tuesday afternoons only.

"Since my hours have been changed, I'm visiting Snyder," Matthews stated before departing Tuesday afternoon. "I find that county motorists are cooperating with the Department of Public Safety in a much better way, for which we wish to express our appreciation. We want to accommodate every person possible while in Scurry County."

You'll need just the special set of costume jewelry to compliment your new spring dress. Towle's Jewelry Company has a new shipment of the newest costume pieces.

Mrs. W. T. Brice, Former Resident, Passes Monday

Mrs. W. T. Brice, 82, mother of H. J. Brice of Snyder, passed away Monday afternoon, 2:00 o'clock, at her home on Mineral Heights in Weatherford following a long siege of illness. Mrs. Brice had been an invalid for the past 12 years.

Mrs. Brice was born in Rienville Parish, Louisiana, December 31, 1858. Before her marriage she was Miss Luella Wynn, and was married to W. T. Brice, March 18, 1879, near Arcadia, Louisiana, where they resided before moving to Texas a half century ago.

A Snyder resident for many years, Mrs. Brice moved to Weatherford 23 years ago where she had since lived.

Mrs. Brice had been a consistent member of the Baptist Church since early womanhood, though failing health the past 12 years had prevented her from being active in church work. Her patience and cheerfulness had been a source of inspiration the past decade to her many friends.

Funeral services for Mrs. Brice were Tuesday afternoon, 2:30 o'clock, at Weatherford's First Baptist Church. Rev. Chas. T. Whaley, pastor, officiated.

Surviving are three sons, H. J. Brice of Snyder, H. A. Brice of Birmingham, Alabama, John B. Brice of Little Rock, Arkansas; one stepson, J. T. Brice of Bowie; four daughters, Mrs. R. L. Smith and Mrs. J. M. Denson, both of Mineral Wells, Mrs. V. O. Williams of Chillicothe and Mrs. Edwin Mitchell of Weatherford. There are also surviving one sister, Mrs. J. J. Burnett of Mineral Wells, 13 grandchildren and six great grandchildren.

Snyder attendants at final rites for Mrs. Brice were Mr. and Mrs. H. J. Brice and Mr. and Mrs. Guy Stoker. Pallbearers were grandsons of Mrs. Brice.

Interment was in Oakland Cemetery.

Mr. and Mrs. A. E. Harvey and son, John Billy, visited in Hamlin over the week-end with the local man's brother, O. G. Harvey, and family.

"Feudin' in Hills" Nets $64 for Fund At Fluvanna School

Seven hundred people, by count, were attracted to Fluvanna School Friday evening to witness presentation of the school faculty's three-act, "Feudin' in the Hills."

Total of $64 was realized from the evening of hilarity, E. O. Wedgeworth, superintendent, reports. This sum will be utilized to carry on extra-curricula activities and install the school's inter-department communication system.

Star character of "Feudin' in the Hills" was Mrs. [illegible] Noel, who played the role of a bare-footed Martin girl. Gilbert Mize played the part of Pappy, and E. L. Ball portrayed Jed, the "sleeping beauty", taking a major part of attention.

Between-acts entertainment consisted of violin solos by Doris Glen Wills and Dorothy Rea, vaudeville numbers by the Fluvanna Blue Belles, and music by the Sheep Herders. The herders gave some good, old-fashioned hill billy specials before curtain on each act.

Ennis Creek Girls Win Volley Ball Crown of County

Ennis Creek and Bison girls emerged last Wednesday afternoon as first and second place winners, respectively, in Interscholastic League rural school volley ball finals.

The rural school volley ball tourney, held in the local school gymnasium, attracted good crowds, especially when second game series began to be reeled off.

In the first round, Bison beat Canyon, Lloyd Mountain nudged out Crowder, and Ennis Creek took a close win from Turner. Plainview advanced to second round games on a bye.

In the tournament's second round, Bison was victorious over Lloyd Mountain. The Ennis Creek girls eliminated the Plainview team.

Final tourney game was bitterly contested by the Bison and Ennis Creek girls. "Dame luck," however, seemed to give the nod to Ennis Creek as the tournament winner.

Plainview and Lloyd Mountain will play for third place honors at a date to be announced later.

Robert Taylor, county rural school athletic director, states all tournament games were played in a spirit of friendly competition and clean sportsmanship. He expresses appreciation, on behalf of league officials, to Snyder School board members and others for use of the gymnasium in which to stage the tournament.

First Christian Church

We again invite the people of Snyder and surrounding communities to worship with us each Sabbath at the First Christian Church. Visitors are always welcome.

Sunday School will be held Sunday morning at 9:45 o'clock, with preaching services at the regular 11:00 o'clock hour.

Preceding evening services at 7:30 o'clock will be Christian Endeavor at 6:45 o'clock. Please remember our Easter Revival, scheduled for April 2 through April 13.—M. E. Hutson, pastor.

D. V. Merritt Jr., son of Mr. and Mrs. D. V. Merritt and a student at John Tarleton Agricultural College, Stephenville, was a week-end guest of relatives and friends. Young Merritt, a John Tarleton freshman, is a former local school student and Tiger Band member.

Hermleigh And Ira FFA Boys Go To Stock Show

Accompanied by Coy Bentley and others, members of the Hermleigh Future Farmers of America chapter took in the Southwestern Exposition & Fat Stock Show in Fort Worth from Friday through Sunday. The entire group made the trip to "Cow Town" [illegible]

While in Fort Worth, Hermleigh FFA members visited the Swift and Armour packing plants. Accompanied by Bentley, the boys witnessed the slaughter of several animals and the steps taken to turn the animals into finished meat market specials.

Twelve members of the Ira Future Farmers of America chapter, accompanied by E. W. Baldwin, chapter adviser, [illegible] the Hermleigh group to Fort Worth and back.

Those from Hermleigh who attended the Fat Stock Show were: Bula Sturdivant, bus driver, Z. B. Morrow, Mr. and Mrs. Rufus Mize and daughter, Shirley Ann, Mr. and Mrs. C. B. Bentley and daughter, Sylvia Glyn, Vaudine Ellis, chapter sweetheart, and the following FFA members:

Floyd Mize, Frankie Kubena, Ray Burklow, Don Moore, Harold Mason, Anton Wimmer, Victor Goebel, Junior Vernon, Doyle Wemken, Ray Travis Patterson, Teddy Joe McMillan, Doyle Bayless, Jimmie Charles Chorn, Buddie West, Robert Lee and Bud Shaw. The show trippers returned Sunday night.

When junior learns there are no fairies and who Santa Claus is, he soon decides he knows more than dad.

Traveler Tell About African Experiences

First hand description of the African jungles, even to the "heat that made trees sweat," highlighted the appearance Friday afternoon of Jim Wilson, world traveler, at the local school auditorium.

Basing his lecture on his own book, "Three Wheeling Through Africa," Wilson told how certain African tribes, in their religious dances, placed a poisonous python in the center of the circle they danced around. He explained that people on that field continues [illegible] are inoculable.

"I have been in nearly every country of the globe," the traveler pointed out, "except South America, Turkey and Russia. In every other country, except here, people think of the United States as 'heaven' and want to know how to get to such a great nation."

Technical Service For Regional Soil District Set Soon

Technical assistance from the Soil Conservation Service for the Upper Colorado Soil Conservation District No. 115, composed of Scurry and Borden Counties, is expected to be available in the near future, Louis P. Merrill of Fort Worth [illegible] regional conservator for the service, points out that technical assistance from the SCS in the establishment of complete and coordinated systems of farming has already been made available to 25,737 Texas farmers and ranchers.

All soil conservation districts in Texas that have been created, including the Scurry-Borden district, were organized by landowners in elections called by the State Soil Conservation Board.

Typical of the purpose for which the districts were created are these statements of purpose by the supervisors of an adjacent SCS district:

"To obtain the assistance needed by landowners to plan and carry on soil and water conservation, flood prevention and flood control.

"To establish a permanent agriculture, to increase crop yields on cultivated lands.

Legion Pays Off

The local Will Layne American Legion Post No. 181 has gained such a fine reputation for paying its obligations promptly, it was something in the nature of fine clock work this week when H. H. Eiland, holding building bond No. 6, was repaid for his investment.

After being paid his original $25 investment, Eiland refused to accept accrued interest on the building bond. The local Legion post has [illegible] amount of recognition in the unusual way it financed construction of its new hut, and the way all bonds are being promptly retired when due.

Santa Fe Track Crew Making Good Time

Members of the Santa Fe's ballast laying crew edged nearer Hermleigh Wednesday, with the railroad track being raised eight inches across the county, and new ties being placed all along the way from Justiceburg.

The crew, numbering 250 men, is stationed this week southeast of the Highway 15 overpass at the Chorn switch. These Santa Fe employees have already brought hundreds of dollars into Scurry County.

J. A. Gillies, general manager of the Santa Fe Western lines, expressed satisfaction this week at the way crewmen are raising the track, and laying a mile per day of track on new ballast and new cross ties. "Dressing" operations are being carried along just behind track surfacing work.

"Papa Behave" to Be Presented by Boys of Fluvanna

"Papa, Behave," a three-act comedy play sponsored by the Fluvanna Future Farmers of America chapter, will be presented this (Thursday) evening, 8:00 o'clock, at the Fluvanna School auditorium, FFA officers report.

The play, a rough in almost every other line, has a setting that should appeal to county entertainment lovers.

Between-act music and entertainment will be provided by the Fluvanna Blue Belles, Doris Glen Wills and Dorothy Rea, Buford Browning, Fluvanna vocational agriculture instructor, says.

Members of the "Papa Behave" cast were listed this week by FFA officials as follows:

Charles; William Love; Victor, Dean Ball; Robert, H. L. Parks; the doctor, Preston Hunnicut; reporter, Carlton Daugherty; lawyer, Horace Jennings; the butler, Weldon Squyres; the cook, Boone Nelson; Nebuchadnezzar, Bill Miles, former Snyder High School senior; Shadrack, Alton Lilly; and Abednigo, Emory Freeman. The last three play characters are known as "mama's babies."

Leslie Squyres, who has gained a reputation for the dramatic parts he plays, will be "Papa" in the triple-act laughter riot.

Buford Browning, Fluvanna FFA chapter adviser, states proceeds from the FFA presentation will be utilized to carry on various FFA activities, and to pay the trip cost to the chapter's annual encampment this summer.

Admission prices will be 10 and 20 cents.

Rubber Welding Shop Opened by Verner

Tom Verner, a rubber welder of considerable experience, announces this week the opening of OK Rubber Welders, across the highway from the R. S. & P. Depot. Paul Lewis is associated with Vernon in operating the automobile and tractor tire repair shop.

Verner has installed the latest model OK electric rubber welding equipment, which repairs car and tractor tires permanently. All work is guaranteed for the life of the tires repaired. Twenty-four hour service is being offered on tractor tires, with repairs made by rubber welding—not the usual vulcanizing. Tires of al sizes are also being recapped in the OK shop.

Crowds See Opening Of New Auto Store

Folks from a wide part of this trade territory were attracted Saturday to the formal opening of Roe's Home & Auto Supply, north of the square and next door to Browning Food Market.

Mr. and Mrs. Myron Roe, operators of the new auto and parts supply store, state, "Saturday's opening was indeed a fine welcome to us. We appreciate the trade given us. We will have at all times a complete line of Firestone automobile tires, Leonard refrigerators and other needs for the farm and ranch."

Ikey Lewis Leaves to Assume N. M. Place

Willard Lewis, employee at Stinson Drug No. 2 the past four years, moved to Hobbs, New Mexico, over the week-end, and assumed a position as pharmacist for the Hobbs Drug Store. Lewis has been employed here by the Stinsons in various phases of the drug business for the past 12 years.

One of Snyder's younger business men, "Ikey," as he is widely known, was recently named president of the Junior Chamber of Commerce of Hobbs. He was a member of Snyder Volunteer Fire Department and a Masonic Lodge member.

Mrs. Willard Lewis and their four-year-old son, Willard Lewis Jr., plan to join Ikey at Hobbs some time next week. J. D. Scott, manager of Stinson No. 2, states another employee will probably be secured when in the near future to replace the former front-end man.

All men are endowed by their Creator with inalienable rights; among these are life, liberty, and the pursuit of happiness.—Jefferson.

Snyder General Hospital

Mr. and Mrs. Elmo Dunn of Cuthbert are announcing the arrival of their [illegible] pound three ounce son, Hubert Franklin. The baby was born in the local hospital at 9:26 o'clock Friday morning, and Mrs. Dunn and baby were still in the hospital yesterday.

Mrs. T. J. Sturdivant, [illegible] and Mrs. Rumor Holmes of Dunn and her 10-day-old son, were the only patients in the hospital remaining from last week.

For medical attention in the hospital Wednesday were: Houston Clay, Mrs. Elmer Long of Gail and Mrs. Joe Merritt. Surgeries the past week have included: Lee Holladay of Ira, appendix; Dick Smith of Dermott, Mrs. Howard Franklin of Knapp, Mrs. Leonard Ervin and Mrs. Wayne Williams, appendix.

Texas 4-H Club girls added 7,290 home or factory made mattresses to their bedroom equipment in 1940.

Hermleigh Farmers See Marionette and Picture Exhibitions

Excellent attendance featured the regular monthly meeting of Hermleigh community farmers, held Monday evening in the Hermleigh School gymnasium.

A high point of the gathering was the presentation of a marionette show, "Cinderella," given by attaches of the Snyder WPA recreation project under the supervision of Edward J. Strdut.

In addition to the puppet show, farmers of the community were given a free picture show, consisting of a full-length picture, "The Last Wilderness," and a short subject, "The Rasslin' Match."

C. B. Bentley, Hermleigh School vocational agriculture instructor and FFA chapter adviser, gave a short talk, after which it was voted that the next community-wide farmers' meeting would be held in the school gymnasium the second Monday evening in April. A committee was named to furnished entertainment for the next gathering.

Blue Danube Singers To Appear March 21

Chicago's Blue Danube singers, a trio of highly skilled artists, will be presented Friday afternoon, March 21, 2:30 o'clock, in a concert at Snyder High School auditorium, school officials stated early this week.

Concert program for the afternoon will be divided into two parts. First portion of the program will be composed of duets and trio numbers from recent Broadway shows and operas. Then will be a musical dramatic presention in costume, entitled, "Blue Danube."

"Blue Danube" is a fittingly realistic tale of the feeling that exists between the father and son, Johann Strauss Sr. and Strauss Jr. The son's love for the Countess of Olga forms an important plot angle.

Watch Out for Under-Insurance!

Every year financial losses are suffered by property owners because of under-insurance. It is not enough to merely insure your home, furnishings, automobile, etc. . . . make certain that you are adequately protected . . . that your insurance is sufficient to take care of any possible loss. A $1,000 policy will not take care of a $2,000 loss.

Today's rates on property insurance are so moderate that there is no reason for anyone to deny himself every ounce of protection obtainable. Make an appraisal of your home and its furnishings and compare the totals with your Fire Insurance Policies. If there is a wide gap between the amounts, it would be ... to get in touch with us at once.

CITATION BY PUBLICATION

The State of Texas. To the Sheriff or any Contable of Scurry County, Greeting:

You Are Hereby Commanded to summon Max Emanuel and Sanger Investment Company, a corporation, by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Scurry County, to be holden at the Courthouse thereof, in Snyder, on the fourth Monday in March, A. D. 1941, the same being the 24th day of March, A. D. 1941, then and there to answer a petition filed in said court on the 19th day of February, A. D. 1941, in a suit, numbered on the docket of said court as No. 3324, wherein F. W. Hardee is plaintiff, and Sanger Investment Company, a corporation, and Max Emanuel are defendants, and said petition alleging that plaintiff is the owner in fee of all that certain lot, tract, or parcel of land lying and being situated in the Counties of Scurry and Mitchell, in the State of Texas, being more fully described as follows, to-wit:

Lots Nos. 15 and 16 of the J. P. Smith surveys according and as the same are represented on the map showing the subdivision of said surveys, and other lands which appears of record on page 493 of book 16, of the Deed Records of Scurry County, Texas, and on pages 182 and 183 of Book No. 29 of the Deed Records of Mitchell County, Texas, said lot 15 being situated wholly in Mitchell County, Texas, and said lot 16 being situated partly in Mitchell County and partly in Scurry County, Texas, each of said lots containing 172 2-10 acres;

That plaintiff has held and enjoyed open, notorious, and adverse possession to the said land and premises under and by virtue of the regular chain of title since February 6, 1920.

Plaintiff would further show that notwithstanding plaintiff's indefeasible fee simple title to the land and premises above described, the defendants, Max Emanuel and Sanger Investment Company, a corporation, are asserting or claiming some kind of interest in and to the said lands above described by virtue of a reservation made in a deed of conveyance dated February 6, 1920, and executed by Sanger Bros., a corporation, to F. W. Hardee, wherein there was reserved a vendor's lien to secure the payment of a series of fifteen (15) vendor's lien notes numbered 1 to 15, consecutively, each in the amount of $483.16, dated February 6, 1920, and due on December 1, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, and 1934, respectively.

That plaintiff, F. W. Hardee, paid notes 1 to 6, inclusive, and all interest thereon, to the said Sanger Bros., a corporation, and to Sanger Investment Company, a corporation, successors to said Sanger Bros., a corporation; that on or about the 15th day of November, 1926, by written assignment, the said Sanger Investment Company, a corporation, aforesaid, transferred Notes Nos. 7 to 15, inclusive, to Max Emanuel and that the said plaintiff paid notes Nos. 7, 8, and 9, respectively, to the said Max Emanuel as the same became due and payable but that the remaining notes numbered 10 to 15, inclusive, were never presented to plaintiff for payment as they became due and payable and although plaintiff stood ready to pay same as they became due and payable and made diligent search to ascertain the whereabouts of the notes and Max Emanuel, the last known holder thereof, he has wholly failed to locate the notes or Max Emanuel and does not know where either may be found. That note No. 15, the last in the said series of 15 vendor's notes, became due and payable on December 1, 1934, and the said notes 10 to 15, inclusive, have long since been barred by the statute of limitations.

That on or about the 15th day of January, 1941, the plaintiff herein, joined by his wife, executed a lease for oil and gas and other minerals to W. Doc Casebolt for a valuable consideration, on 80 acres of the above described land; that the lessee therein has objected to the title to the above described land becausa of the claim and interest of record asserted by Max Emanuel and Sanger Investment Company, a corporation, and such objections have been urged to the extent that lessee withholds and will not pay to this plaintiff the consideration contracted to be paid for said lease, all of which constitutes a cloud upon plaintiff's title.

Wherefore, premises considered, plaintiff prays that the defendants and each of them be cited to appear and answer herein as the law directs and that on trial of this cause, he have a decree quieting the title to said land and premises in the plaintiff.

Herein Fail Not, and have you before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Snyder this the 19th day of February, A. D. 1941.

MRS. EUNICE WEATHERSBEE,
Clerk, District Court,
Scurry County.

WE ARE YOUR Neighbors

We are the Texas petroleum industry. There are nearly 225,000 of us, living in every section of the State.

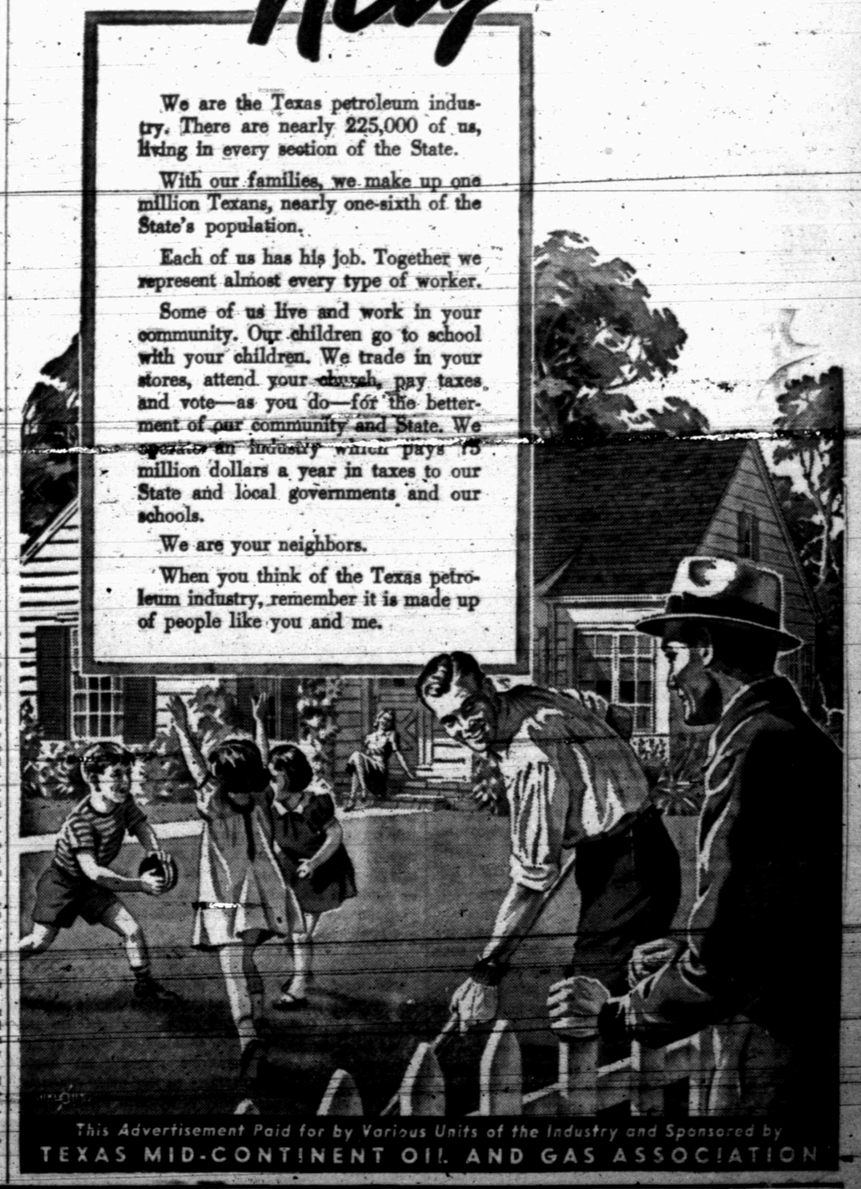

With our families, we make up one million Texans, nearly one-sixth of the State's population.

Each of us has his job. Together we represent almost every type of worker.

Some of us live and work in your community. Our children go to school with your children. We trade in your stores, attend your church, pay taxes and vote—as you do—for the betterment of our community and State. We operate an industry which pays 15 million dollars a year in taxes to our State and local governments and our schools.

We are your neighbors.

When you think of the Texas petroleum industry, remember it is made up of people like you and me.

Food Preservation

Food preservation in Scurry County this year is going to become something in the nature of a "must" project with county farmers and ranchers, reports from the county agent's office revealed Tuesday. Canning of beef, pork, fruit and vegetables this year is expected to reach a new high, since farmers and ranchers of the county have been thoroughly sold on the idea of diversification and food conservation.

Food preservation, in the form of home canned fruits and vegetables, will assume a greater note of important this year than ever before, due to the fact the national defense program will be extended, through county and home demonstration agents, to include the saving of foods for health defense. And if we are to enjoy the best health possible in Scurry County this year, it will be essential to save all we can of home produced things to eat.

That age-old saying of "canned food in the cellar being equal to money in the bank" is becoming truer with each passing year. Rural people of this and other counties, who have had to depend entirely on bought canned goods, have been the ones who had small capital left—if any—at the end of a year's work.

While county and home demonstration agents, as well as other agricultural officials, realize there is no such thing in West Texas, or any other region of the nation, as absolute self-sufficiency with our rural people, they have argued for many years that people should raise as much of their living at home as possible.

Since health defense, in regard to home canned foods, will be heard a great deal during the forthcoming months, now is the logical time for rural families to plan both home and field gardens sufficiently large to care for their needs through next winter and spring. That this job can be done with honor and pride is seen in the fact many rural families are already planning with their county and home demonstration agents to can more home grown foods this year than ever before. Only in this way can we, as a community, be ready to meet whatever economic conditions that may lie down the road.

More Income This Year

Information gathered by the best brains in the Texas Extension Service, the Agricultural Adjustment Administration and the cotton buying business indicate Scurry, Fisher and other county farmers in West Texas should have during 1941 one of the highest income years they have experienced in the past decade. Ranchers of this area are also preparing to write down the current year as a highly profitable one from the viewpoint of financial returns.

Rising prices and a good supply of underground moisture are reported to be two chief factors expected to enable many farmers in this trade area to pay off mortgages on their property, buy a new tractor or stock their farms with registered dairy cattle.

Ranchers of Scurry and adjoining counties, under impetus of the Triple A range program, have culled out their unproductive stock during the past three years, have practiced deferred grazing and are on the threshold of firmer price levels for the next three or four years. Many have switched over to registered stock and have the best quality herds of yearlings and young calves money and good breeding can obtain.

After the war clouds floating over from Europe have passed away—and they will some day—people will have to turn back, after all, to the farm and ranch for their livelihood. We will have to depend on the soil again to produce the essentials to carry on life, business and commerce. That our farmers and ranchers are reported to be facing a better day is in itself good news of vital importance.

Editorial of the Week

EDITORIAL OF THE WEEK

Happily and encouragingly it is true that one month does not make an entire year.

Therefore, the opportunity exists for improvement in the record of traffic deaths before the 12 months of 1941 have come to an end.

But that does not remove the discouraging and the tragic fact that this nation has made a terrifying start into the new year. Tabulations just announced from the National Safety Council disclose that the 2,760 persons killed in traffic accidents during January is 6 per cent larger than during January, 1940.

That means that approximately 175 more persons were killed during the first month of this year than during the same month of last year.

The same ratio continued through 1941 will mean that this nation will pay for its traffic carelessness with the lives of some 42,000 to 43,000 persons who will die horrifyingly—approximately 2,500 more than last year. That will be a terrible price to pay, especially since it could be avoided.

When one considers all the facts, the outlook for improvement is none to encouraging. Weather conditions over the nation taken as a whole during January, 1941, were more conducive to safety driving than during the same month of the year before. Yet more people were killed.

There is absolutely nothing that can be said to excuse the record thus far. It is something to cause national horror. About the only thing that can be hoped for is that it may help to shock people of the nation into the habit of safer driving and walking through the remainder of the year.—The Lubbock Avalanche-Journal.

Current Comment

By LEON GUINN

Editor's Note—Expressions or opinions contained in this column are those of the writer and do not necessarily reflect the opinions or policies of The Times. Current Comment is merely carried as a feature column.

While New Dealers and Republicans alike are getting around pretty well to the point of view that the federal government is going to impose, by reason of necessity, considerably stiffer taxes during 1942, suggestions for raising needed revenue have not yet been forthcoming. . . . All sorts of crackpot proposals are being made at the present, though, by people who believe they know just how to get the additional millions of tax dollars raised without too much pain.

★

Our federal joint tax committee, to illustrate the trend of current thought, is now considering a plan of slapping a flat percentage tax on all income—with but very few exceptions. Such a tax, proponents argue, would not only be applicable to salaries, but would include monies derived from investments. . . . Sales point in favor of the proposal is that such a tax would be collected at the source, as are Social Security taxes, but such a measure would only complicate our already bemuddled economic picture. . . . People in all walks of life are becoming conscious of the fact that many additional tax dollars will have to be collected from here on out by our federal government to pay for rearming America, but the vast majority of people feel that taxation shouldn't begin with getting more whacks out of salary checks and reputable investments.

★

Down at Abilene the populace has become so enthused over Camp Barkley getting the 45th Division from Fort Sill, Oklahoma, many people have been wondering lately if all our Abilene friends could ever recover from all the army talk connected with such an important military change. . . . It is interesting to note that Camp Barkley now has about all it takes to turn out a first class army, including a Herbert Hoover (who is a dishwasher), a Henry Wallace, a Henry Ford, a John L. Lewis and a George Washington. . . . Not to mention one army boy named John L. Sullivan and a trio of Woodrow Wilsons. . . . Officials of the War Department expressed great pleasure this week at the transfer of the 45th Division from Fort Sill, and indicate that the change will result in better training schedules, since West Texas is host to year-around better weather than Oklahoma. . . . Then, too, sites for firing ranges and maneuver grounds just naturally look better to army officials here than in the Sooner State.

★

Under impetus from defense program officials, the major oil companies of the nation started out early in 1940 to pile up huge stocks of high octane rating aviation gasoline for Army and Navy use. . . . Major companies not only increased output of high test gasoline on a large scale, but embarked on a $30,000,000 expansion program.

★

Now that the concerns in question have a stock of nearly 6,000,000 barrels of high octane "gaswater" on hand, they find out to their dismay that the Army and Navy to date have placed orders for only 1,000,000 barrels for delivery up to June 1. . . . Since storage of so much gasoline is terrifically expensive, the majors are converting a great deal of the 90 to 100 octane fuel into low test gasolines by blending. . . . The fact that so much stock has been accumulated, however, indicates that the petroleum industry can do its part, with honors, when it comes to speeding up production.

★

Since almost everyone is interested these days in government construction work—if but from an impersonal angle—interesting reading is contained in the announcement this week that the government's present building program calls for spending at least $2,000,000,000 through June of 1942. . . . Much of the money allocated for building army camps, hospitals, coastal and other defense equipment was placed during the fall of last year. . . . Activities underway so far this year indicate that 1941 will be a banner year in the construction industry, allowing thousands of skilled workers to "salt away" a little nest for the rainy day that might happen along later.

★

Five or six years ago, when the trailer house business was in its infancy, very few people, including our top flight business and industrial executives—little dreamed that by now thousands and thousands of trailer houses from the little two-wheeler to the elegant four-wheel "portable homes" would be moving to and fro throughout the country. . . . To show that the trailer house business is now a full-fledged industry, the government last week invited manufacturers to submit bids for 5,000 units with delivery to be made in 120 days. . . . Even the Army is now experimenting with trailers to replace tents for field command posts.

★

To most of us in our pursuits of business, the trailer house doesn't seem so important, but to migrant workers and those engaged in national defense program jobs, the trailer house assumes an aspect of first importance. . . . The creations range from home-made, shiplap covered affairs to the more expensive types featuring inner-spring beds, tiled kitchens, refrigerators and hot and cold running water. . . . The trailer house, like the portable radio or the thermos jug, is a thing that seems to be with us to stay.

Turner Resident For Over 50 Years Passes Thursday

Death claimed Mrs. Mathina Rebecca Turner, 78, Turner community resident for the past 51 years, last Thursday afternoon, 2:00 o'clock, at her residence in the Turner community following a three-week illness.

The Turner community, 19 miles [illegible] the pioneer county woman's husband, the late James Turner, who with Mrs. Turner settled west of Snyder in 1889. They were one of the first couples to settle in this part of Scurry County.

Turner School was built on a part of the original Turner homestead and is a tribute to the community spirit evidenced through the years by both Mr. and Mrs. Turner.

Born January 15, 1863, in Navarro County, Mrs. Turner moved as a small child to Williamson County, where she spent her childhood. When she and her husband moved to Scurry County and obtained a patent on some land west of Snyder there were no drift fences west of Fort Worth.

Final rites for Mrs. Turner were held Friday afternoon, 2:00 o'clock, at the Union Baptist Church. Rev. J. W. McGaha, Baptist minister of the Canyon community, officiated.

Survivors include two sons, A. R. Turner of the Turner community and T. L. Turner of Benton Harbor, Michigan; six daughters, Mrs H. L. Williamson of Snyder, Mrs. J. H. Barkley of Longworth, Fisher County, Mrs. Jocie Humphrey, also of Snyder, Mmes. P. A. and P. B. Conner of Sacramento, California, Mrs. Joe Clinkenbeard of Snyder; three brothers, J. A. Jackson of Kempner, Harry and Lee Jackson of Williamson County; four sisters, Mrs. I. M. Turner of Waco, Mmes. Anna Garrison, Dona Mahaney and G. M. Meadows, all of Williamson County; and 19 grandchildren.

Pallbearers were Howard Turner, J. W. Clinkenbeard, Lester Turner, Earl Clinkenbeard, Luther Williamson and Billy Barkley.

Estella Gary, Ethel Williamson, Leona Turner, Pauline Hicks and Emma Louise Glass were in charge of floral offerings.

Maples Funeral Home directed burial in Snyder Cemetery.

NAVY OFFICER HERE

Tuesday guest of Mr. and Mrs. R. G. Dillard and sons here was Mrs. Dillard's cousin, George Bourland, who was en route for advancement in U. S. Navy duty at Pearl Harbor, Hawaii. Bourland, honor graduate of the U. S. Naval Academy, Annapolis, has been in the Commissary Department of the navy at Philadelphia. The navy man, native of Clarendon, will be the second of his family at Pearl Harbor in naval service. A brother, Joe Bourland, who is also an honor graduate of Annapolis, is serving as a lieutenant on a U. S. submarine off Pearl Harbor.
