Korean Allies Hope For Vote On Chinese Prisoner Demands

HAPPY PARTY LEADERS

In an obviously jovial mood, New York Governor-elect Averell Harriman, ex-president Harry S. Truman and Paul M. Butler, new Democratic national chairman, left to right, are shown as they met in Kansas City, Mo., for a private luncheon in advance of a larger Democratic gathering. Harriman, featured speaker at the banquet, and Butler flew to Kansas City separately for the event.

Dr. Sam Talks In Hushed Courtroom

By RELMAN MORIN

CLEVELAND (AP)—A heavy hush filled the small courtroom today as Dr. Samuel Sheppard told how he regained consciousness on the floor outside his wife's bedroom the morning of July 4, then looked inside to see her beaten and bloody.

The osteopath had described how a mystery assailant struck him down from behind when he ran upstairs to answer his wife's screams for help.

Then, in a slow, halting voice Sheppard said, "I realized I had been hurt and as I came to some sort consciousness I looked at my wife."

Corrigan asked him what he saw. Apparently reaching for words, Sheppard said:

"She was in very bad condition.

"She had been badly beaten. I felt that she was dead.

"I was immediately fearful for Chip. I went into Chip's room and in some way evaluated that he was all right. I don't know how I did it."

He said he went downstairs. "There I visualized a form," he said. The lawyer asked him where.

"Between the front door of the house and the yard somewhere."

Corrigan again asked him to describe his mental condition when he regained consciousness "from this attack."

Sheppard paused and said:

"I was very confused—punchy in the language we use as slang. I was stimulated or drawn to try to chase this person which I did."

He said he went down the steps toward the beach, losing sight of "this person" on the way.

"That's all I can remember until I came to in the water."

Corrigan asked him if he could describe the person with whom he struggled. Sheppard replied:

"I felt it was a relatively large form in dark clothing. There was evidence of a good-sized head with a bushy appearance on the top of the head."

The defense attorney asked him where he was when he again regained consciousness and Sheppard said:

"I don't know exactly, but I was on the beach with my head toward the seawall. The waves were breaking over me, moving the lower part my body."

Corrigan again asked him about his mental condition and Sheppard replied: "I was extremely confused. I didn't know where I was."

"How long did you lie there," Corrigan asked.

"I don't know," Sheppard replied.

After he came to on the beach, his recital continued:

"I remember I finally gained enough sensation so that I got to my feet. I rather staggered up the stairway and I recognized this was my house. I entered the house and I came to the realization I had been hurt—I had been struck by an intruder. And then I was fearful for Marilyn, although I can't say that at that time I remembered seeing her before upstairs.

"My mind was working like a nightmare, or a dream—a very horrible dream. I eventually went upstairs, although I'm not sure how rapidly but I finally got upstairs and at that time I examined Marilyn."

"What is the next thing you recollect," Corrigan asked.

"I remember Dr. Richard (his eldest brother) told me Marilyn was gone and he couldn't do anything for her," Dr. Sheppard replied. "I remember talking to the floor."

Dr. Sheppard said he remembers vaguely talking to police officers on the scene.

He said he remembered seeing his father, Dr. Richard A. Sheppard, at the hospital but was unable to remember, as a previous witness testified, that in the X-ray room he had kept moaning: "I tried to get to Marilyn."

Earlier Sheppard had told how he was asleep on a downstairs couch when he says his wife cried for help.

Marilyn Smuin, a Pasadena, Calif., City College sophomore, will reign over the annual festival of flowers as queen of Pasadena's New Year's Day Tournament of Roses. She is 19, a honey blonde with green eyes and rosy cheeks. Queen Marilyn, who wants to be a school teacher, was selected in successive eliminations from among 1,800 coeds at the college. The six runners-up will make up her Royal Court for the Jan. 1 parade and Rose Bowl game.

Only Opposition In Soviet Bloc

By TOM HOGE

UNITED NATIONS, N. Y. (AP)—The U. N. Assembly pushed for a vote today on demands by the United States and its 15 Korean War Allies that Red China yield up 11 American airmen held as spies. Western diplomats predicted at least 45 of the 60 member states would rally behind the call.

Weary delegates prepared to resume debate on the resolution after two meetings yesterday, the second lasting until nearly midnight. Hopeful of clearing up the item before the Assembly goes into its final scheduled week, they planned to remain in session until they reach a ballot on the 16-power resolution condemning imprisonment of the men and calling on Secretary General Dag Hammarskold to work for their release.

Delegates anticipated the resolution would encounter opposition only from the five-nation Soviet bloc, which has fought it bitterly. A scattering of Arab-Asian states were expected to abstain.

Observers believed the resolution could have mustered 55 favorable votes if it had not included condemnation of Red China. This caused apprehension among Arab-Asian nations with little desire to go on record denouncing Peiping.

Syria reflected this feeling in yesterday's debate. Her chief delegate, Ahmed Shukairi, said that he favored the speedy release of the airmen but saw little point in denouncing the Chinese if the Assembly sincerely wanted to win the Americans freedom.

Russia's Jacob Malik spearheaded the bitter Soviet bloc attack, angrily denouncing the complaint as "shameful." He declared the Assembly had no right to try to intervene in Chinese justice. He hinted the Communists would ignore any action the United Nations might take.

U. S. Chief Delegate Henry Cabot Lodge Jr. accused Malik of making hollow, misleading statements in charging the airmen were spies. He declared the plane was on a legitimate mission and that the men, as uniformed military personnel, should be handed over at once under the terms of the Korean armistice.

Both British Minister of State Anthony Nutting and France's Henri Hoppenot firmly backed Lodge's stand.

Nutting said he pitied Malik for having to come before the Assembly with such a weak case and for being placed in the position of having to read out a "tissue of palpable falsehoods."

The Western Big Three have been pounding hard at Russia's repeated attempts to throw out the case on the contention that only Chinese volunteers took part in the Korean conflict and therefore Peiping is not bound by the armistice. The Western Powers said an official Peiping representative signed the armistice agreement and China's Premier-Foreign Minister Chou En-lai represented the Chinese side at the Geneva conference last June.

Big Three To Draft Reply To Soviet Note

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The United States, Britain and France will consult soon on a reply to Russia's latest note warning of a buildup in Communist military power to counter the proposed rearmament of West Germany.

Washington officials feel the note does not really foreshadow a new Red military buildup, but that it has some propaganda purposes.

The note, given to the three Western Powers in Moscow last night, said, "The Soviet Union and other peace-loving countries will carry out all necessary measures to step up their armaments and to safeguard their security."

It also said that making West Germany a partner in the Western European defense system and a member of the North Atlantic Alliance would render the unification of Germany impossible.

Both statements reflect the standard Soviet policy line which was developed almost a year ago at the Berlin Big Four conference and in a subsequent series of notes to Washington, London and Paris.

In Paris today the National Assembly's Foreign Affairs Committee recommended French ratification of the Paris agreements for freeing West Germany, paving the way for rearmament and providing for settlement of the French-German disagreement over the Saar. The recommendation is only advisory to the Assembly, which begins debate of the three agreements Dec. 20.

The three big morning newspapers in Moscow again today warned the West, and especially France, against plans to rearm West Germany.

The newspapers told the French that if they joined in the agreement they did so at their own peril.

The newspaper comment came on the 10th anniversary of the signing of the French-Soviet pact. One of the newspaper articles, in Pravda, was headed "Pacts Must Be Observed." It argued that France's defeat in 1940 was caused by the breakup of a similar French-Soviet agreement.

For propaganda purposes, the new Soviet warning is assumed here to be aimed at creating popular uneasiness and political division over the German rearmament issue in both France and West Germany.

As to an increase in the strength of Eastern European forces, it has always been assumed here that the forces in being were about as large as the Communists could maintain and far greater than they needed for purely defensive purposes.

The belief of officials here is that Soviet government leaders are resigned to the rearmament of West Germany and that they will not in fact take any radical new measures either to oppose it or to try to offset its effect once it is actually achieved.

These officials believe that what is happening in the broad picture is the hardening of a kind of military stalemate between East and West. They think this may result in a power balance that will last for years with each side exercising reasonable restraint on the use of its forces to avoid the devastations of an atomic war.

Officers Get Reports On More Burglaries Committed In City

The sheriff's department here said this morning it had received several reports of recent burglaries not known to officers before the department's announcement yesterday of breaking a ring of juvenile burglars.

At least four residences had been burglarized within recent weeks, but the offenses were not reported to officers until this morning. In nearly each case, the residents said very little or nothing was missed but that the house had been thoroughly ransacked.

Two other residents said they knew their houses had been burglarized but had not reported the offenses until after reading of them in yesterday's paper. Ten of 11 youths arrested made signed statements naming 28 burglaries and thefts.

Officers said today they believed most of the youths were still failing to tell but a fraction of what they know.

Youths Await U.S. Marshall

Two 18-year-old youths were given suspended sentences in district court yesterday and are waiting in the county jail to be given Monday to the custody of a U. S. marshall.

The boys admitted escaping from a Marine stockade at Denver, where they were once held on charges of being absent without leave from their military posts, and also admitted stealing a car near Denver, driving it into Garza County, Texas, then stealing a pickup truck in Snyder, driving it to Abilene, and deliberately pushing it into a creek. They were indicted here by the Grand jury Dec. 1.

The federal marshall is to take custody of them on charges filed by the Federal Bureau of Investigation, alleging transportation of a stolen vehicle across a state line, violation of the Dyer Act.

The sheriff's department said the marshall was to be here Monday. Officials here learned yesterday afternoon that the youths had been sentenced. They are Don Ray Chatel and Russell Lee Osborne, Marines who listed their home states as Illinois and Washington.

Torch Slaying Witness Dead; No Clue Left

IRVING, Tex. (AP)—Pleasant-mannered Frank St. Claire, a top state's witness in a puzzling slaying, killed himself last night, further snarling Oklahoma's case of the unknown corpse.

St. Claire, a smiling, talkative used car salesman, was a former business associate of David Hagler Jr., of Fort Worth, Tex., charged with murder in the Oklahoma torch slaying.

A charred body was found Oct. 10 near Davis, Okla., in a burning station wagon Hagler had borrowed from his former wife.

At first believed to be Hagler, the corpse remained unidentified.

St. Claire, 47, was found shot to death in his garage. He had told Oklahoma officers that about Oct. 1 Hagler told him he planned to buy a body from a morgue for $500 and burn it as part of an insurance swindle. The $200,000 swindle sounded like a joke to him, St. Claire said on Nov. 13, and he paid no attention to Hagler's story.

A .38 revolver was found near St. Claire's body. Mrs. St. Claire discovered the body. A justice of the peace ruled suicide.

Deputy Harry Weatherford said the used car salesman probably had been dead four or five hours when the body was found at 7 p.m. Weatherford quoted a neighbor of St. Claire's as saying he had appeared despondent at mid-afternoon when he said "life was getting too much for him."

Weatherford said three notes were left by St. Claire. No confessions." Two notes were to Mrs. St. Claire, the other to Capt. Will Fritz of the Dallas homicide squad.

Sheriff Bill Decker of Dallas County said he understood the notes would add nothing material to the long statement St. Claire gave Oklahoma officers.

WEATHER

NORTH CENTRAL TEXAS: Increasing cloudiness and warmer this afternoon and tonight. Occasional rain tonight. Saturday, partly cloudy and windy with scattered thundershowers in northwest.

WEST TEXAS: Partly cloudy and windy through Saturday. Colder in Panhandle and South Plains Saturday.

EAST TEXAS: Partly cloudy and warmer this afternoon and tonight. Saturday, mostly cloudy and warmer, scattered showers. Moderate east to southeast winds on the coast, becoming fresh to strong southerly Saturday.

Duval School Man On Trial

BRYAN (AP)—Jose Tovar testified today he often gave R. L. Adame change from checks given him for payment of school bills.

Adame, former Duval County school superintendent, is on trial here on the first of 15 counts charging him with theft over $50.

Tovar is manager of the San Diego, Tex., Hardware and Lumber Co.

The case being tried here on a change of venue is one of 104 indictments returned by a reform Duval grand jury, including a number against past and present school and county officials and George Parr, long-time Duval county political boss.

Tovar said that the change he gave Adame ranged as high as $1,000.

He said he once asked Adame about the cash he was giving him and that Adame told him it was being used to pay other school bills.

"I wasn't worried about it, I just wondered," Tovar said.

Senate Election Voting Places Set

Changes have been made in some voting places for tomorrow's special senate election, but otherwise the picture remains about as it did at noon yesterday with 18 absentee ballots having been issued. Of these, four are still out, and 14 have been boxed for casting.

The deadline for obtaining absentee ballots passed Tuesday night, but ballots may still be mailed or brought to the county clerk's office for casting. Deadline for returning the ballots to the county clerk is 1 p.m. tomorrow.

Polls will open in the 20 voting places over the county at 8 o'clock tomorrow morning and close at 7 tomorrow night.

Three voting places have been changed, placing the polls for all Snyder voters in the courthouse. For the last few years, only one Snyder box has been at the courthouse, the other three at North Elementary and Junior High School campuses and the fire station at the city hall. All other voting places will remain as usual.

Candidates whose names are on the ballots are Dr. Robert F. Wasson of Snyder, Dan T. Sorreis and Turett Latimer of Abilene, Cecil Lotief and Juston Morrow of Rotan, David Ratliff of Stamford, and Pat Bullock of Colorado City.

Bond Set At $1,500 For Forgery Suspect

Bond was set at $1,500 for Jimmie Loyd Dickey, 23, Friendswood, when he waived preliminary hearing before the justice of peace, W. C. Davidson, this morning on a felony charge of forgery.

Dickey remained in jail this morning in lieu of the bond. Bill Love, chief deputy sheriff, returned Dickey here yesterday from Hobbs, N.M., where he had been held in the city jail. He is also wanted elsewhere, Love said.

The charge here was filed July 14 and alleges forgery July 9 of a check for $84 cashed at Everybody's Grocery. The charge says the check was signed with the name "J. W. Purett" (sic).

Mercury Stops On 36

The temperature stayed above the freezing mark last night with an overnight low of 36 degrees. Yesterday's maximum was 59 degrees, with the temperature at 7:30 this morning 44 degrees.

Borden Votes On Bond Issue

Taxpayers in the Borden County Rural School District will go to the polls tomorrow to vote in a $225,000 bond election.

The election was called by the school board there to decide whether the schools should issue $225,000 in bonds to finance improvement of the school's water facilities. The bonds would be sold at less than two and one-half per cent annual interest and would be retired serially over a 15-year period.

The board has proposed the drilling of two water wells on the Colorado River and piping the water 14 miles to the school. The school now has six wells, but all of them put out a very small flow, according to school superintendent S. P. Stewart.

Voting boxes in the election will be at the courthouse in Gail, schoolhouses at Plains, Murphy, Glenn Creek, and Prarie View, and at the home of Alton Millican in the Miller community.

Ex-Officers In Phenix City Face Charges

PHENIX CITY, Ala. (AP)—A suspended prosecuting attorney and a former sheriff's deputy who rose to power during the racketeering heyday in Phenix City have been indicted as the killers of the man whose crusade against vice had won the approval of Alabama voters.

Circuit Solicitor Arch Ferrell and former Chief Deputy Sheriff Albert Fuller were held without bond on first - degree murder charges for the slaying June 18 of Atty. Gen.-nominee A. L. Patterson.

Neither indictment said which of the two men the state contends fired three .38-caliber shots into Patterson's body. Under Alabama law a murderer and an accomplice are equally guilty and can be put to death in the electric chair.

A third unidentified defendant was indicted with Ferrell and Fuller yesterday by the same grand jury which had smashed the vice empire that reigned here for many years.

Ferrell, 37, was described by Patterson and his associates as the "brains" of the Phenix City political organization, and Fuller, 35, was denounced by vice prosecutors as the "master." Acting Atty. Gen. Bernard Sykes said he hopes to start the trials early in January.

The prosecutor was suspended from his duties soon after Gov. Gordon Persons order an all-out cleanup campaign in Phenix City last summer.

Nobel Prizes Are Presented By King

STOCKHOLM, Sweden (AP)—King Gustaf Adolf VI presented 1954 Nobel prize worth about $140,000 to five Americans and two Germans today at traditional ceremonies marked by royal pomp, musty academic rites and solemn music.

The seven shared four prizes.

Of the Americans only Ernest Hemingway, this year's winner in literature, failed to show up. He is in Cuba still nursing injuries suffered in African plane crashes. U.S. Ambassador J. Moors Cabot represented Hemingway. Anders Osterling, secretary of the Swedish Royal Academy of Literature, made the award and called Hemingway "one of the great authors of our time."

The Americans present included a trio recognized for their work in discovering new weapons in the fight against polio. The three, sharing the prize for medicine and physiology, were Dr. John F. Enders, 67, of the Harvard Medical School; Dr. Thomas H. Weller, 39, of the Harvard School of Public Health, and Dr. Frederick C. Robbins, 38, their former associate now at Western Reserve Medical School in Cleveland.

The other American was Dr. Linus Pauling, 51, California Institute of Technology, this year's winner in chemistry.

Dr. Max Born, 73, and Dr. Walther Bothe, 63, Germans, shared the physics prize. Bothe, hospitalized in West Germany, could not attend. His two daughters, Miss Johanna Bothe and Mrs. Oswald Riedel, represented him.

The three American winners for polio research were hailed by Dr. Sven Gard of Sweden as paving the way for better ways of beating down diseases such as the common cold, mumps, measles and chickenpox. He said much work must yet be done in this field, but called the Americans' discoveries "a new epoch" that stirred scientific workers all over the world.

Prof. Gunnar Haegg of Sweden lauded Dr. Pauling as a pioneer in science for his work "in a diversity of subjects ranging over wide fields of chemistry, physics and even medicine."

The King arose from his gold and red velveted chair to present the winners with $200 gold medals, blue and brown embossed leather folios containing illuminated diplomas, and a check. The King shook hands warmly with each winner and chatted a few moments.

Then, in accordance with custom, each winner backed across the platform away from the King, since it is not permissible to turn one's back on him. This can be an agonizing ordeal, with the fear of tripping.

The prize in each field is worth about $35,000 in cash but brings prestige far exceeding its cash value. The awards were presented in Stockholm's Greek-columned concert hall. Later the winners, their families and 1,300 guests accompanied the Swedish royal family to a banquet in the beautiful City Hall in Malaren.

There was no peace prize this year. The cash for the awards come from interest on the nine-million-dollar fund left by Alfred B. Nobel, the Swedish inventor of dynamite. He died in 1896 and the first prizes were awarded in 1901. The award to Hemingway today, the last presented, was the 284th Nobel prize given since then.

Drought Loan Plan Set Through 1955

WASHINGTON (AP)—The Agriculture Department said today Texas, Arkansas, Kansas, Missouri, New Mexico, Oklahoma and Tennessee will be continued as emergency loan areas through 1955.

These states had been designated as emergency loan areas for 1954. The extension is being made, the department said, because severe drought and other adverse agricultural conditions continue to prevail in the states.

Millikin Says GOP Wants Ike In 1956

By JACK BELL

WASHINGTON (AP)—Sen. Millikin (R-Colo) said today there already is an "irresistable demand" among Republicans for President Eisenhower to become a candidate again in 1956.

Millikin, who heads the Conference of All GOP Senators, discounted in an interview any major split in the party because of the attack by Sen. McCarthy (R-Wis) on the President—a view generally shared by other Republicans and by some Democrats.

"I don't expect any split in the Republican party and neither do I expect any third party movement," Millikin said. "There already is an irresistible demand that the President be a candidate for another term and I don't think he can be beaten if he runs."

McCarthy accused Eisenhower Tuesday of a "shrinking show of weakness" against Red China and blasted at the President for congratulating Chairman Watkins (R-Utah) of the committee which recommended McCarthy be censured. McCarthy said afterwards he plans to remain in the Republican party "at the present time."

GOP National Chairman Leonard W. Hall said yesterday a personal survey of Republican sentiment has convinced him that, as a result of the McCarthy criticism, "the President will find even greater unity and support among Republican members of both the Senate and House during the next two years."

Millikin, who voted in favor of one count but against the final resolution approved by the Senate to condemn McCarthy's conduct, said he agreed with Hall that there will be "a tightening and consolidation of Republican lines both in Congress and throughout the country during the next two years."

Sen. Goldwater (R-Ariz), who opposed the Senate rebuke of McCarthy, said he doesn't foresee "any great split" in the GOP.

Sen. Flanders (R-VT), who wrote the original censure resolution, said that increased support for Eisenhower among members of his own party "would seem to me to be a normal result of the kind of attack the junior senator from Wisconsin made."

FHA Report Delay Looms

WASHINGTON (AP)—Democratic opposition threatened today to hold up a Senate Banking Committee report on alleged scandals in Federal Housing Administration operations.

Sen. Sparkman (D-Ala) said in an interview he was "greatly disturbed" because the report as now written "blankets in entirely too much and does not give an accurate picture of what really happened."

"I don't want to see a condemnation of the whole building industry just because it contains a few bad actors," Sparkman said.

Japanese Minister Says Position Set

By JIM BECKER

TOKYO (AP)—Mamoro Shigemitsu, named today as Japan's new foreign minister and deputy prime minister, says his nation's "position is quite fixed — we definitely are in the democratic camp."

Japan "wants to contribute as a democratic country to the stabilization of Asia and the peace of the world," says the peglegged veteran diplomat who signed Japan's World War II surrender.

Shigemitsu, a convicted war criminal, said Japan's new government under Prime Minister Ichiro Hatoyama hopes to improve United States-Japan relations still further.

"The Communists consider us a greater enemy than former Prime Minister Shigeru Yoshida," said Shigemitsu in an interview with the Associated Press.

The new Hatoyama government "has no fight with Yoshida's opposition to communism, but we want to oppose them effectively," he said. "Yoshida did nothing to cope with anti-American propaganda launched by fellow travelers in Japan, thereby tacitly encouraging it. We want to put a period to it."

Shigemitsu, 65, was convicted as a war criminal in the 1948 war crimes trial and sentenced to seven years. He was paroled Nov. 21, 1950 over the protests of the Russians.

He called his conviction "a very unnecessary thing," but added, "I suppose it was a necessary evil."

Shigemitsu has served in Moscow, China and a number of other posts. He is a neat, balding man who lost his right leg in Shanghai in 1932 when a Korean nationalist threw a bomb into a Japanese celebration. He speaks English fluently.

He uses crutches in addition to his wooden leg. He balances a cup of tea with the offhand manner of the diplomat, likes American cigarettes and bow ties. He is serious, wears glasses, seldom laughs aloud but smiles frequently.

He wants more trade with Communist China as one way out of Japan's economic difficulties, but "we don't expect much. We had a great deal of trade with China before the war but we don't expect anything like that. It is not easy to do business with a Communist-controlled state."

"We will trade with Communist countries within the limits set down by international agreements among free nations. We will not go beyond those limits," he said.

Japan will, however, "consult with other democratic countries to try to narrow down the limitations on trade."

AREA OIL ROUNDUP

New Wells Slated In Scurry, Garza

New wells to test the San Andres have been staked in the Corazon field of Northwest Scurry County and Southeast Garza County.

The Scurry well will be drilled by Pete Lomax and R. J. Zonne of Midland as the No. 3/T. R. Martin. It is 1,620 feet from south and 1,005 feet from east lines of section 575-97-H&TC. That is three miles east of Fluvanna and on a 160-acre lease. The same operators are now testing for completion on the No. 1 Martin in the southeast corner of the same section. Contract depth is 2,400 feet.

Cecil Oil Corp. of Houston will drill the No. 1-B J. S. Reed in the Justiceburg-Glorieta field of Garza County five miles east of Justiceburg. The drillsite is 495 feet from south and 330 feet from east lines of section 135-5-H&GN, and on a 160-acre lease. Projected depth is 2,600 feet.

FIELD COMPLETIONS

George R. Gibson and Tri-Service Drilling Co. have completed a Spraberry producer at their No. 1 J. F. Pylant in the Arthur-Spraberry field of southwest Borden County.

The well flowed 193 barrels of 39-gravity oil with no water in 24 hours on the potential test. The oil is coming through perforations at 7,485-630 feet, where 20,000 gallons of sand oil had been used. Top of the pay was called at 7,493 feet. Gas-oil ratio on the test was 775-1.

Drillsite is 330 feet from south and west lines of section 41-33-T&P.

Lone Star Producing Co. No. 2 W. V. Boyles in the Luther Southeast Siluro-Devonian field of North Howard County was completed for a 24-hour flow of 261.42 barrels of 45.2-gravity oil with 17 per cent water.

The production is through perforations at 9,924-934 feet which had been treated with 1,000 gallons of acid. Gas-oil ratio on the completion test was 846-1. Tubing pressure was 350 pounds.

The No. 2 Boyles is 660 feet from north and east lines of section 15-32-T&P.

CROCKETT TESTER

F. W. Holbrook and Slick Oil Co., Ltd., have spotted location for a 2,700-foot San Andres project on a lease in Northeast Crockett County for which Holbrook paid a bonus of $127,500 at the Friday University of Texas sale.

The project will be the No. 1 University of Texas, half a mile south of production in the Farmer-San Andres field 18 miles north of Ozona and 11 miles south of Big Lake. It is in section 8-50-University Lands survey. The lease contains 166.08 acres.

PLUGGING BACK

Gulf Oil Corp. No. 1 P. G. Northrup and others, Reeves County wildcat 23 miles southeast of Pecos, the deepest hole ever drilled in Texas, is to be plugged back for tests of gas shows in the Wolfcamp in open hole from 11,750 feet to approximately 12,700 feet.

The hole was drilled to 18,609 feet before fish was lost in the original hole. It is bottomed at 18,566 feet in a sidetracked hole, where another fishing job developed. It is 23 miles southeast of Pecos in section 33-58-t8-T&P.

DRILLING REPORT

Robert L. Wood No. 1 Criswell, Northwest Fisher wildcat, is running electric logs at total depth of 7,437 feet in Ellenburger dolomite. It has reported no shows for commercial production.

Union Sulphur No. 1 Earwood, Nolan County wildcat, is bottomed at 6,512 feet in Cambrian sand taking electric logs and waiting for cement to cure. A two-hour drillstem test in the Cambrian from 6,433-445 feet recovered 15 feet of drilling mud and 3,555 feet of salt water. Top of the Cambrian was at 6,432 feet. No shows have been reported.

Forest Oil Corp. No. 1 H. H. Elland in Southwest Scurry County is drilling in lime and shale below 3,855 feet. Hanley No. 1 Yeager, one mile west of Ira, is drilling in hard lime below 2,206 feet.

In Borden County, Tennessee No. 1 Fambrough is drilling in shale and lime below 5,955 feet. Texaco No. 1-C Clayton is drilling below 7,602 feet in lime. Shell No. 1 Clayton-Johnson is drilling in lime and shale below 8,275 feet. Tide Water No. 1-A Clayton & Johnson is drilling below 6,637 feet in lime and shale. El Capitan and Wrather No. 1 Higginbotham, bottomed at 290 feet, has set 11-inch casing. Cable tools are being moved off and a rotary rig is to be moved in soon.

Clouds Cover Large Area

By The Associated Press

Considerable cloudiness covered most of Texas Friday, but it was clear and cold at Lufkin, Houston, Galveston and College Station.

Early morning temperatures ranged from 28 at Lufkin to 65 at Brownsville.

Forecasts called for mild and dry weather with cooler weather due to move in over the northwestern part of the state late Saturday. No rain was in sight.

Some other early morning lows: Amarillo 36, Austin 38, Beaumont 39, Lubbock 35, San Angelo 41, Midland 37, Dallas 39, El Paso 41, Houston 41, San Antonio 46, Laredo 60, and Wichita Falls 40.

Little change from the cold and wet weather of the past several days appeared in prospect for most of the nation today.

Snow flurries continued across most of the Great Lakes and the northern half of the Appalachians. More rain fell along the Middle Atlantic states and in southern New England.

Skies were generally partly cloudy to clear in other sections of the country.

There was a little warming, from 5 to 10 degrees, in New England, but it was a little colder along the Appalachians, in the Ohio Valley and parts of the Gulf states.

STOP!

It is dangerous to let cough from common cold hang on

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated. Get Creomulsion quick and use as directed. It soothes raw throat and chest membranes, loosens and helps expel germy phlegm, mildly relaxes systemic tension and aids nature fight the cause of irritation. Creomulsion is guaranteed to please you or druggist refunds money.

CREOMULSION

relieves Coughs, Chest Colds, Acute Bronchitis

McLaughlin Is Club Speaker

C. T. McLaughlin, local oilman and rancher, was main speaker yesterday at the Rotary Club's weekly luncheon.

McLaughlin, who was recently among 15 guests of the Navy touring a part of the Pacific, told of the tour. He explained that civilians are invited on the tours so they may see how their tax dollars are spent and so they may go back home and tell their fellow citizens.

The Pacific cruise started in California and included a stop at the Hawiian Islands. The group rode on the carrier Essex, which McLaughlin said cost 70 million dollars in 1943, was overhauled in 1951 at a cost of 40 million and again in 1953 at a cost of 123 million. Such a carrier would cost about 150 million if replaced, he said. The carrier had a total of 2,991 personnel with a daily payroll of $60,000 and other daily operating expense of $50,000. There are 18 carriers in the Navy, McLaughlin said, adding, "Frankly, I don't see how they are making all the money go around."

The carrier had aboard such things as 80,000 pounds of beef, 40,000 pounds of potatoes, and 24,000 chickens, he said.

At Pearl Harbor, the group visited Navy installations and inspected a submarine.

"If we at home would do our job half as well as the Navy does, we would have a much stronger Navy," McLaughlin said. He added that Navy pay is too low for ships' officers and specialized enlisted men who can make much more in the same type jobs in civilian life.

COGDELL MEMORIAL

Admissions: Mrs. Carmeta Baird, 711 Fifteenth Street; Ila Maxine Jones, Snyder; David Scott, Snyder; Mrs. Chesalee Sells, 601 East Twentieth Street.

Dismissals: J. A. Wellborn, Snyder; Mrs. H. A. Scott, Snyder.

Clinton To Sing At Cisco, Lamesa

Robert Clinton, Snyder High School choral instructor, is to appear as tenor soloist for Christmas programs in Cisco and Lamesa.

Clinton will sing with the Cisco Community Choir Sunday in a presentation of Mendelssohn's "Elijah." He was formerly head of the music department at Cisco Junior College.

On December 22, Clinton will sing with the Lamesa Community Choir in a presentation of Handel's "Messiah." He is directing the Snyder Community Choir in its second presentation of "Messiah" here on December 19.

BIRTHS

Mr. and Mrs. Chesalee Sells, 601 East Twentieth Street, are the parents of a baby girl born at 2:45 p.m. yesterday in Cogdell Memorial Hospital. She weighed six pounds, five ounces at birth.

Deal Sets Up TXL Oil Corp.

DALLAS (AP) — An agreement transferring assets valued on the stock market at approximately 170 million dollars was completed here today, involving oil, gas and mineral assets held by the Texas Pacific Land Trust.

It was a paper transaction, with no money changing hands. Its details have been under preparation for two years.

Because of trust regulations, the Texas Pacific Land Trust has had to accept a set royalty for the use of its property.

The transaction completed today sets up a new company—the TXL Oil Corp.—to handle exploring, drilling, marketing or dealing in oil on the 1,477,439 unleased acres available to it in West Texas through the stock transfer. The new corporation can actively negotiate with oil companies.

Some 6,000 Texas Pacific Land Trust stockholders approved the transaction on Nov. 22 by a 90 per cent vote. They will retain their surface rights in the land trust and receive in addition four shares of TXL common stock for each subcertificate held.

George C. Fraser of Dallas and New York, who has been trustee of the Texas Pacific Land Trust since 1931, will be the president pro tem of the new corporation. Oil operating offices will be at Midland.

Five Science Students At San Antonio Meet

Five members of the high school science club here and their sponsor, Glenn Richardson, left yesterday for San Antonio, where they were to attend a meeting of the Texas branch of the Junior Academy of Science, a national organization.

Four of the students were to make reports on science projects they have in school. They are Leonard Hale, Paul Nelson, Clare Smith, and Margaret Beta McPherson. The other student is Barbara Cockrell.

The meeting will last until Sunday morning.

An Egyptian-sponsored fleet of Phoenician sailors circumnavigated Africa about 600 B.C.

An Alaskan bull moose may weigh 1,800 pounds.

Ailing Pontiff Still Improves

VATICAN CITY (AP)—Pope Pius II's personal physician said today his "improvement continues" and that the ailing pontiff is able to take increasing quantities of food.

After spending his 12th consecutive night at the Pope's bedside, Dr. Riccardo Galeazzi-Lisi reported the Pope spent a "fairly restful night."

For the time being, he said, treatment of the Pope will continue to concentrate on trying to increase his feeding and building up his strength.

This morning he ate one egg and had a few spoons of milk and strained vegetables.

It was evident in the Vatican that the feeling of tension and fear for the pontiff was lessening, although he still is seriously ill.

SANTA ARRIVES EARLY AT HAMBLENS

Dr. John Hamblen, who left last night for Army duty in Germany, took over the role of Santa Claus for Christmas with his family before departing. The dentist was to report in New York today for embarkation to Bremerhaven, Germany, where he will receive assignment for his tour of duty. Shown with him are Mrs. Hamblen, David, James, and Jo Ann, the Hamblen's children. (Lee Watson photograph)

Salk Says Vaccine May Aid Cold, Flu

By ALTON L. BLAKESLEE

NEW YORK (AP)—Dr. Jonas E. Salk, of Pittsburgh, today reported new evidence that his polio vaccine can create powerful, long-lasting protection against polio.

And he hinted that knowledge being learned in the polio work might show the way someday for vaccines giving long-term protection against the common cold and influenza.

His polio vaccine is made out of killed polio virus — killed for safety. Salk said he finds no reason to think that a vaccine made out of living virus, altered for safety, would be better.

The Salk vaccine was given to hundreds of thousands of children in a great test last summer. A scientific jury will announce about April 1 whether the vaccine was found actually to have prevented polio in children who got the shots.

Salk said the vaccine can create, in a person's bloodstream, high amounts of antibodies against polio virus. Antibodies are chemical soldiers which can disarm living viruses.

The key to preventing polio is whether the fact of having antibodies in the blood really does the job of protecting against naturally invading viruses. That is the big question in the vaccine tests.

Salk, in a prepared speech to the Association for Research in Nervous and Mental Diseases, said he couldn't agree with the idea that a vaccine containing live virus would be more potent than a dead virus vaccine.

Properly made and used, the dead virus vaccine can apparently create as many or more antibodies as a person gets from natural exposure to polio virus, said the University of Pittsburgh bacteriologist. The natural exposure brings lifetime protection against the type of virus that invaded the body.

Describing human blood studies, Salk said the first shot of vaccine can create a significant amount of antibodies which may last for at least a year. A second shot, given from four to seven months later, brings the maximum effect in raising the amount of protective antibodies and there is encouraging evidence that these can last a pretty long time.

Salk said he is working on a theory that a dead virus vaccine could produce a protection that might surpass that from the mechanisms involved in normal exposure.

This theory, if proven out, could be of great importance for diseases such as influenza and the common cold, he said. For when people recover from them, they don't get lifelong immunity against another attack.

Multimillionaire Store Owner Dies In Chicago

CHICAGO (AP)—William A. Wieboldt, an immigrant boy who rose from a store clerk to become a multimillionaire merchant and gave millions of his profits to philanthropic causes, died last night.

Wieboldt, 97, entered a hospital in suburban Evanston a month ago with a cardiac condition.

Wieboldt, who came to the United States at the age of 14 from his native Germany, opened his first small general store in Chicago in 1883. Today there are six big Wieboldt department stores in Chicago and suburban Oak Park and Evanston.

Ameche Is Winner Of 1954 Heisman Award

NEW YORK (AP)—Alan Ameche of Wisconsin has joined the ranks of the Heisman Trophy winners as the 20th recipient of the football honor.

Ameche, the four-year fullback whose career of 3,212 rushing yardage is a new NCAA record, was presented the award as the outstanding college player of 1954 last night.

"I'm both proud and humble," Ameche said.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5488.

Hospitality abounds in the Yuletime season. Family gatherings, parties for the younger set and the round up of friends, old and new, for holiday festivities can be fun and effortless if planned properly. The wise hostess keeps to simple menus with tasty food and beverages that are easily prepared.

Good drinks are an important part of any party, big or small, and for those times when you serve cookies or cake, your drinks must be especially delicious. For these latter occasions be sure you have a supply of ingredients in the refrigerator, ready to whip up a delicious drink without fuss. Ginger ale and sparkling water, chilled and ready for use, are time savers when you want to do things in a hurry. For the youngsters an ice cream soda is always a treat. This one contains a pleasing blend of flavors.

BLACK JACK

½ cup chocolate syrup
Few drops vanilla flavoring
1 pint coffee ice cream
Pale dry ginger ale

Combine chocolate syrup and vanilla flavoring. Divide ice cream among 4 tall glasses. Add 2 tablespoons vanilla-flavored chocolate syrup to each glass. Fill glasses with ice cold pale dry ginger ale. Stir gently to mix.

Wolfes Host Party For Church Class

Mr. and Mrs. Charles Wolfe were hosts for a hobo party last night in their home on East Thirty-seventh Street. Guests were members of the couples' class of the Thirty-seventh Street Church of Christ.

A buffet supper was served from a table covered with newspapers. Ham and baked beans were featured on the menu. Mr. and Mrs. Jay Rogers assisted the hosts, and activities following the supper were directed by Maurice Watson.

About 50 persons attended.

Social Club Holds Buffet Luncheon

The Dowell-Dowellettes Club met Wednesday at noon for a buffet luncheon in the home of Mrs. James E. Clayton, 148 Browning Street. This was the fourth meeting of the new social club.

Following the luncheon, members exchanged Christmas gifts. Mrs. T. V. Tipton, president, presided during a business session.

Officers of the club other than Mrs. Tipton are Mrs. Wendell York, vice-president; Mrs. Johnny Anglad, secretary. Members are Mrs. Bill Ross, Mrs. Earl Dupree, Mrs. Charles Epperson, Mrs. Sonny Hart, Mrs. Paul Navickas, Mrs. C. W. Spivey, Mrs. D. A. Barbee, Mrs. B. J. Nunley, Mrs. C. N. Tucker, Mrs. W. C. Kennedy, Mrs. J. E. Channell, Mrs. J. N. Shelton and Mrs. Joe Igo.

WOMEN'S CALENDAR

SATURDAY

Saturday Bridge Club, 7 p.m., at Country Club, Mrs. R. B. Sears, hostess.

Epsilon Sigma Alpha Sorority, Christmas party, 8 p.m., with Mrs. Chuck Wolfe, at the Country Club.

Club Hears Program On Mental Health

Mrs. J. E. LeMond, Mrs. E. N. Baker and Mrs. H. J. Brice spoke on mental health to members of the Twentieth Century Club when they met Tuesday with Mrs. J. L. Crow at Union. Roll call was answered with a statement on "what we can do about mental health in our community."

Gifts to be sent to the Wichita Falls State Hospital were brought to the meeting by club members. Plans were made for a Christmas party to be held December 21 at the home of Mrs. W. J. Ely.

Refreshments were served to 10 members.

WHAT'S GOING ON

Mr. and Mrs. D. W. McCommas, 2503 Avenue X, spent Tuesday in Sweetwater on business.

Mrs. John L. Greene, 1609 Twenty-seventh Street, Mrs. Harvey Shuler, 2301 Avenue M, Mrs. L. R. Putnam, 2410 Thirty-second Street, and Mrs. Maxine Wright and son, Bill, spent Wednesday in Lubbock.

Mrs. Tom Horn of Houston left Monday after visiting a week with her sister and brother-in-law, Mr. and Mrs. R. J. Griffith, 107 Hickory.

Kenneth Griffith, who is stationed in Vicksburg, Miss., is home visiting with his parents, Mr. and Mrs. W. E. Griffith, 211 Thirtieth Street, and other relatives and friends.

Mr. and Mrs. J. H. Trussell and children of Hale Center, and Mr. and Mrs. Welsh Scrivner of Dermott spent the weekend in the home of Mr. and Mrs. C. E. Trussell, 2311 Twenty-seventh Street.

Mr. and Mrs. A. C. Newman, Arah route, visited friends and relatives in Abilene Thursday.

Mrs. Ennis Woodson of Union visited in the home of her parents, Mr. and Mrs. R. W. Newman, West Twenty-fifth Street.

Annual Christmas Party Is Given

The Snyder Beauticians' Unit held its annual Christmas party Monday night at the home of Mr. and Mrs. Sam Chorn. Gifts were exchanged following a covered dish dinner.

Those attending were Mr. and Mrs. U. J. Holland, Mr. and Mrs. Joe Hampton, Mr. and Mrs. Archie Logan, Mr. and Mrs. Ralph Foster, Mr. and Mrs. M. M. Clark, Mr. and Mrs. Henry Wenetschlaeger, Mr. and Mrs. John Gilbert, Mrs. Pauline Johnston, Mrs. Velma Randolph, Mrs. Clydelle Kyle and Mantha Landfried.

Bill Wright Is Feted On Fifth Birthday

Mrs. Maxine Wright, 1306 Twenty-third Street, honored her son, Bill, at a party on his fifth birthday December 6.

Pinning paper caps on a picture of Santa Claus was one of the games played. Favors were Santa Claus coloring books and candy canes.

Punch and cake were served to Thomas Strayhorn, Leland Herod, Chuckie and Sarah Putman, Penny and Sarah Robinson, Arettus Ann Moffett, Sally Ann Neuberger and Donna Kay Duff.

Hermleigh Elects School Favorites

Favorites of the Hermleigh High School elected recently by the student body are: Patsy Ann Davidson and Robby Robinson, most popular girl and boy; Jonelle Light and Dick Etheredge, best all round students; Patsy Ann Davidson and Wendell Goodman, Who's Who; Patricia Davis and Richard Fritz, senior class favorites; Norma Collier and Jackie Roesmich, junior class favorites; Viola Roemisch and Billy Mac Davidson, sophomore class favorites; Delma Henly and Dub Etheredge, freshman class favorites.

These students will be featured in the school's 1955 Cardinal Call.

Cantata Slated At First Christian

The Sunday evening service of the First Christian Church will be devoted to the presentation of the full - length cantata, "Christmas Bells," by Edward W. Norman.

The annual White Gifts service will also be held in connection with the evening service. Gifts of clothing and money from church groups and individuals will be received and dedicated. These gifts are sent to the Juliette Fowler Homes in Dallas, regional homes for dependent children and aged.

The cantata will be given by the church choir under the direction of A. T. Nicholas with Mrs. Nicholas as organist. The final rehearsal will be held at the church at 7 o'clock tonight, and will be followed by a social in the home of Mr. and Mrs. Nicholas.

Selections which will be included in the cantata are "The Bells of Christmas" by the choir; "Make Straight His Pathway" by D. L. Collins, bass soloist; "The Angel Choir Came Winging" with Nicholas as tenor soloist with the choir; "The Angels' Refrain" by Nicholas and Collins; "The Love-Lighted Star" by Zaida Brown, soprano soloist; "Sleep, O Blessed Baby" by Mrs. N. N. Rodgers, alto soloist; "The Christ Story" by Mrs. H. A. Johnson, Jr., and Nicholas.

The concluding selection is "Unto the King be Glory" by the choir. Choir members in addition to those who will appear as soloists are Mrs. G. W. Hicks, Sr., Mrs. Ross Blanchard, Sr., Mrs. Hugh Boren, Sr., Mrs. Gertie Smith, Mrs. John Leftwich, Mrs. Inez Brown and Bess Johnston, sopranos; Mrs. W. D. McNair, Mrs. C. C. Miller, Mrs. R. B. Vaughn, Mrs. B. J. Shelley and Mrs. G. W. Ricketts, altos; Hugh Taylor, Jr., tenor, and Charles Gibson, guest tenor; Russell Wright, Lee Pitman, B. J. Shelley, R. B. Vaughn and G. W. Ricketts, basses.

Governor Not Ready To Tell His Tax Plans

AUSTIN (AP) — Whether Gov. Shivers will recommend new taxes to the Legislature may not be known until after it convenes Jan. 11.

The governor said yesterday he is not ready to give his tax recommendations.

He said he would have to wait until he gets the budget and the comptroller's final estimates of expected revenue.

He said he did not think the budget would be ready much before Jan. 11.

Shivers was gloomy about the future prospects for state finances. He said the state's all-purpose general revenue fund will probably end the current fiscal year Aug. 31 with a slight balance, but within a very few years will be "practically nil."

He explained that automatic drains on revenue *before* it reaches the general fund are increasing. He mentioned specifically money that goes into the foundation school program, welfare and farm roads.

The governor said he thought the Legislature *should* make "some *changes*" in insurance laws, including the hiring of more personnel and paying better salaries.

He said he thought the commission's powers should be similar to those of the Banking Commission, which has wide authority for checking resources and reliability of proposed new banks.

Shivers declined to comment on the selection of Paul Butler as the new national Democratic chairman.

"I know very little about his views—not enough to comment," Shivers said.

The governor said he felt the national committee's decision to drop the "loyalty oath" as a test for seating in the national convention indicated party "willingness" to heal the breach with Southern states.

'Enemy Plane' Scores A Hit

LOUISVILLE, Ky. (AP) — Third Armored Division tankers would like to intercept more enemy planes like this one.

She was a 17-year-old blonde wearing skin-tight leotards, opera hose and a French garter.

Her appearance put a lot of zip into an air defense study given at Ft. Knox by A. I.C. Mike Jennings.

He began by explaining the radar defense system to 300 men, then told his assistant to "wheel in that real slick job." Out came Miss Dotty Lou Bartley, also known as Miss Ft. Knox of 1954.

As she threaded a provocative path through the delighted audience, soldiers playing the parts of observation posts, filter centers and radar stations relayed verbal reports to reach other.

Then Dotty was intercepted by a jet fighter — Jennings — who scooped her off her feet and carried her away.

The best part of the lecture was Jennings' introduction of Miss Ft. Knox. It went something like this:

"Observation post to filter center. Have sighted bogey aircraft. Type, blonde, size, about 36-22-36. Altitude, 5 feet 1 inch. Construction, terrific! Over and out."

"Filter center to radar station. See anything on your scopes? Over."

"Radar station to filter center, No. over."

"Filter center to radar station. Brother, what you're missing!"

Christmas Card Lighted

CHICAGO (AP) — Lights were turned on last night on one of the nation's biggest Christmas cards on the Merchandise Mart, the world's largest commercial building. Nearly 7,000 light bulbs have been used to form three giant bells, each six stories high, two huge Christmas trees, each 15 stories tall, and a long three-story star.

How To Pay Bill Is Big Road Problem

By MAC ROY RASOR

AUSTIN (AP)—Most of Texas' legislators seem to agree on the need for improving highways, but they disagree over how to pay the bill.

In response to an Associated Press survey on issues facing the Legislature next month, Rep. B.H. Dewey Jr. of Bryan, said:

"Everyone admits the needs for more highways, more farm-to-market roads, four-lane highways, and more money for maintenance. The question is who is going to pay?"

Dewey said he would vote for a cent increase in the gasoline sales tax. There were other legislators answering the survey who agreed with him on the financing plan. Just as many others didn't agree.

The Highway Commission and a statewide committee it created have proposed a long-range 2.5 billion dollar highway construction program to be undertaken over a 20-year period at the rate of 125 million dollars a year. No one has come up with a total solution on how to raise that much more money each year.

A one-cent gasoline tax increase had been mentioned frequently. It would yield about 21 million dollars to roads and 7 million to schools each year. With a constitutional amendment, all 28 million could be channeled to roads.

Highway financing problem ranks high among issues facing the Legislature. In the survey, the lawmakers listed it the state's top problem, seven listing it second.

While some minds seemed made up on the gasoline tax, some were still undecided.

"I have formed no definite opinion as to whether or not I favor the one-cent increase but am somewhat reluctant to go along with it now," said Rep. Scott Sayers of Fort Worth.

"I am in favor of an expanded program for new highways and improving those we already have," said Rep. Barefoot Sanders of Dallas. "It appears to me the most feasible proposal advanced is an increased gasoline tax of one cent per gallon."

Rep. Ben Glusing of Kingsville saw it this way: "For the past several years, the Legislature has avoided the fundamental problem of highway expansion. . . I see considerable merit in an increase of one cent in the gasoline tax to secure necessary funds."

Rep. Tom Joseph of Waco opposed the gasoline tax hike, saying: "I do not believe at this time that the people of Texas are willing to have better highways at the cost of one cent additional gas tax."

Many were optimistic that "something" would be done.

10 Injured When Navy Plane Catches Fire

HATBORO, Pa. (AP) — A Navy Super Constellation overturned and caught fire while landing at the Johnsville Naval Air Station yesterday, injuring 10 men, none seriously.

Ten others escaped unhurt. The 10-million-dollar craft, described by the Navy as a WV2 type on a radar test flight, was reported a total loss.

The Navy said the plane struck a rough spot, skidded and flipped over on its back but the occupants climbed out before the fire had a chance to spread.

Tucson May Be Oldest Community In Nation

TUCSON, Ariz. (AP)—An anthropologist said evidence uncovered yesterday indicates a "possibility" Tucson is the oldest continuously occupied community in the nation.

Dr. Emil Haury, director of the Arizona State Museum based his statement on preliminary examination of pottery found on the floor of a pit hut struck by excavators in downtown Tucson. It indicated Tucson may have been occupied as early as 900 A. D., he said.

Other material found hereabouts appears to date right up to the historical period, he added.

Radar Assistance Predicted For Blind

PHILADELPHIA (AP)—Dr. Thomas A. Benham, a blind assistant professor of physics at Haverford, says within two years America's blind may be depending on portable radar sets instead of dogs and canes.

Writing in the publication of the American Institute of Physics, Dr. Benham said he and Dr. Clifford M. Wichter, of Massachusetts Institute of Technology, are working on an improved model of such a set, seeking to eliminate defects of earlier types.

Colonial Hill Installs Brotherhood Officers

Five officers were installed last night at the first meeting of the Colonial Hill Baptist Church Brotherhood.

The Rev. Jimmie Nelson, pastor of the church, presided at the installation.

The officers installed include Ernest Sears, president; Dr. Robert Hargrove, membership vice-president; Lee Richards, activity vice president; and M. H. Roe and Ralph Wesson, program vice presidents.

Missionary To Speak At Two Local Churches

The Rev. John Alexander Parker, a missionary to Chile, will speak at both the Green Hill Baptist Church and the Avenue D Baptist Church Sunday.

Mr. Parker will speak at the morning worship service of the Green Hill church. At 7:30 p.m. Sunday he will meet with the Avenue D congregation and show colored slides of the locale in which he works in Chile.

Deaths from lung cancer in the United States expanded from 3,900 in 1930 to almost 27,000 in 1953.

Some of the winds generated by A-bombs move faster than sound.

Identity, Not Succession

Ted Norton

IDENTITY DETERMINES WHETHER A CHURCH IS THE CHURCH OF CHRIST. Every seed produces after its kind. "The seed is the word of God." (Luke 8:11). It produces after its kind (1 Pet. 1:23-25); what does it produce?

CONSIDER THESE MARKS OF IDENTITY: (1) THE HEAD: Christ is the head of the church (Col. 1:18; Matt. 28:18) both in heaven and in earth. This eliminates any man or group of men claiming to be head of "the visible church." Christ is Head! (2) THE NAME: "Churches of Christ" is used by inspiration (Rom. 16:16). Other names are used in the New Testament and are appropriate — should be used. (3) THE GOVERNMENT: Each congregation is autonomous (congregational) with bishops, who are also elders or pastors, to oversee the church. Deacons assist them. There is no hierarchy.

(4) THE DOCTRINE: The apostles of Christ spoke the same thing. They never contradicted each other. The New Testament is a record of what the apostles taught (2 Tim. 3:16,17). (5) THE WORSHIP: The worship is "in Spirit and in truth" (John 4:24). It is simple but effective. The New Testament reveals that Christians prayed, sang spiritual songs, observed the Lord's supper, studied the word of God, and contributed of their means. Christians do the same today. (6) THE DAILY LIVING: Christians are characterized by each loving his neighbor as himself (Matt. 22: 36-40) while at the same time he presents his body a living, holy, acceptable sacrifice to God (Rom. 12:1,2).

NINETEEN HUNDRED YEARS AGO THE CHURCH OF CHRIST WAS ESTABLISHED! Today, she has the same name, worship, organization, doctrine and life. "The churches of Christ salute you." (Rom. 16:16).

Director Of Music Is Due

David Oglesby, 33, of Fort Worth is to move here next month to assume his new duties as director of music and education for the First Baptist Church.

A native of Georgia, he has a bachelor of arts degree from Carson-Newman at Jefferson City, Tenn., and a degree of master of religious education from Southwestern Theological Seminary at Fort Worth, where he is now working on his doctor's degree.

He is married and has a son nine years old and a daughter 11.

The church voted Dec. 1 to employe Oglesby, who notified the church Sunday of his acceptance.

Attend District Meet In Amarillo

The Rev. and Mrs. Henry Thomas returned home yesterday from Amarillo where they attended a three-day convention of the Abilene district.

"The Crusade for Souls" was the theme of the convention, and will be the topic of Mr. Thomas' sermon Sunday morning at the Church of the Nazarene. Speakers at the convention included Dr. Samuel Young of Kansas City, general superintendent of the Church of the Nazarene, Dr. Roy F. Smee of Kansas City, and the Rev. Milton Huxman from Hutchinson, Kans.

Board Members To Have Wives As Guests

Wives of members of the official board of the First Methodist Church will be their guests for a covered dish supper at 7 o'clock Wednesday night.

Other Christmas parties scheduled by organizations of the church include one for the Crusaders' Sunday school class at 7 p.m. Monday. The Progressive Couples' Class will have a party Tuesday night.

The WSCS of the church will combine its monthly mission program with a covered dish luncheon on Wednesday. The program will begin at 10 a.m. The Victory Bible Class will meet for a luncheon and Christmas program at noon Thursday.

Rev. Fox To Speak

The Rev. Cecil Fox, retired Methodist minister, will speak at the evening worship service of the First Methodist Church Sunday. The Rev. J. Lennol Hester, pastor, will speak at both morning services of the church.

Second Annual Canyon Reef Tourney Opens Here Tonight

Tech vs. Jackets, Gents vs. Eagles

Three conference champions and one independent team will start play tonight in the second annual Canyon Reef College Basketball Tournament.

The four-team tourney will get underway in the high school gymnasium here at 7 o'clock, when the North Texas State College Eagles of Denton, champs of the Gulf Coast Conference, tangle with the independents, the Centenary Gents of Shreveport, La. At about 8:30, the Texas Tech Red Raiders of Lubbock, who last year won the Border Conference crown, will meet the Yellow Jackets of Howard Payne, Brownwood, winners of the Texas loop last season.

The tourney is sponsored by the Quarterback Club and Snyder Public Schools, with John Conley as tourney director and J. P. Ward, Jr., as assistant director. Tickets will be on sale at the door for $1.25 each per night for adults and 50 cents for students.

Tomorrow night, at 7 o'clock, the losers of tonight's games will meet for the consolation title. The winners will clash at 8:30 for the championship of the meet. A large trophy will be awarded the champ. An all-tournament team of 10 cagers will be chosen at that time.

The Red Raiders are defending champs. North Texas lost to Tech in the finals last year, while Howard Payne defeated McMurry College of Abilene in the consolation game.

Centenary arrived here last night with a squad of 12 players. Coach of that team is F. H. (Buss) Delaney, who is beginning his sixth season at Centenary. During his past five years with the Gents, Delaney's teams have won 84 games and lost 64. The team's record last season was 13-12. The coach is a graduate of Western Illinois State College and holds a master degree from the University of Illinois.

The Gentlemen are led this year by Burl Plunkett, 6-foot-3 senior of Valliant, Okla., who last year was chosen to two small college All-American teams. Starting with Punkett will probably be Monte Combs, 6-foot-6 junior of Faulk, Ark.; Billy Joe Emmons, 5-foot-10 senior of Memphis, Tenn.; Ron Vizkozki, 6-foot-5 sophomore of Taylorville, Ill.; and Larry Teague, 6-foot-5 sophomore of Bossier City, La. Others on the squad here will be Wayne Thrash, 5-foot-11, Heflin, La.; Gabby Hayes, 6-foot-3, Taylorville, Ill.; Duke Bethune, 6-foot-5, Fyffe, Ala.; Jimmy Edelen, 6-foot-2, Mead, Okla.; Ernesto Landeros, 5-foot-11, El Paso; and Billy Vines, 5-foot-9, Converse, La.

Plunkett last year led scoring for the team with 391 points. The Gents so far this year have won both their games, taking Stephen F. Austin twice, 69-58 and 75-51.

Arriving today were the Red Raiders of coach Polk Robison, who was center of Tech's first Border Conference champion cage team in 1933-34. He is starting his 12th year as coach of the squad. His assistant, known well here, is former high school basketball coach for Snyder, Gene Gibson.

The Red Raiders are bringing four lettermen to the tourney. They are Jim Reed, 6-foot-4 junior of Brownfield; Du-Wayne Blackshear, 6-foot-6 junior of Mountainair, N. M.; Carl Ince, 5-foot-10 senior of Lubbock; and Eugene Carpenter, 6-foot-8 junior of Big Spring. Those four and possibly Ned Underwood, 6-foot-4 sophomore of Snyder, will start tonight. Other possible starters than Underwood are three more sophomores, Walter Newton, 6-foot-1, of Lexington, Ky.; Harry Scaling, 6-foot-1, of Fort Worth; and Bill Buchanan, 6-foot-5, of Winters; and a junior who is a junior college transfer, Carroll Smith, 6-foot-4, of San Antonio.

Reed and Ince last year were chosen to the All-Border Conference team. The squad finished the season with a 20-5 record. So far this season the Red Raiders have downed Eastern New Mexico 81-68 and Abilene Christian College 86-55.

North Texas, coached by veteran H. G. Shands, came here with four lettermen. They are Tom Hooper, 6-foot senior of Borger; Jimmy Powell, 6-foot-1 junior Dallas; Jo Mitchell, 6-foot-2 junior of Denton; and Freddie Hopkins, 6-foot-6 junior of Krum.

Others with some experience on the squad or with junior college experience are Bobby Ray Jones, 5-foot-11½, Ennis; David Lane, 6 feet, of Birdville; Dean Davis, 6-foot 0½, White Oak; Kenneth Hale, 6-foot-3, San Antonio; Bob Burch, 6-foot-4, Houston; and Keith Lane, 6-foot-6, Borger.

Hopkins was leading scorer for the team last season. Lane was chosen to an All-American junior college team while playing for Frank Phillips College in Borger.

North Texas lost its season opener this year to West Texas State 100-71.

Howard Payne, which had a 13-12 record last year, has been defeated by Oklahoma A & M 81-44. The team's three-year record since the 1951-52 season is 34-41.

Only one starter returned to the squad this year. He is senior Marlin Dodds, 6-foot-7 ace from Early. Other lettermen are George Moore, 5-foot-10 senior of Burleson; Charles Meadows, 6-foot junior from Skellyton; and Randall Purvis, 5-foot-10 junior of Freeport.

Those with squad experience are Jim Webb, 6-foot-4, of Cisco; Ben Elliott, 6-foot-6, Calvert; and Jim Norman, 6-foot-3, or Crowell.

Bennie B. Williams coaches the team.

Officials for the tourney are Curly Hays and Shorty Lawson for the first night and Red Cleveland and Hays for the second night.

Greeting Centenary College cage players as they arrived here yesterday, the first team to Snyder for the Canyon Reef Basketball Tourney, were Bill Morgan, left, Quarterback Club president, and John Conley, right, head high school coach and director of the tourney. Looking at the tourney program are Centenary's Burl Plunkett, coach Buss Delaney, and Monty Combs. The tournament will get underway at 7 o'clock tonight and last through tomorrow night. Other teams entered are Texas Tech, North Texas, and Howard Payne. (Lee Watson photograph)

Junior Rose Bowl Tilt Set

PASADENA, Calif. (AP)—Two of the nation's top junior college football teams, Hinds of Mississippi and Ed Camino of California, meet tomorrow in the ninth annual Junior Rose Bowl Game.

Upwards of 50,000 fans are expected to see the contest, which shapes up as a duel between El Camino's dangerous passing attack and the running tactics of the Mississippi Eagles.

The California team is favored, mainly because it has a remarkable passer in its T-formation quarterback Joe Contestabile.

Hinds' set of backs, however, has dealt misery to all opponents and the team rolled up 3,230 yards for the season and an average per game of 358 yards. El Camino gained 2,019 yards, and 224 per game.

Rides Five Winners

ALBANY, Calif. (AP) — George Taniguchi, an apprentice jockey with less than nine months experience, piloted 5 more winners yesterday at Golden Gate Fields to boost his victory string to 12 in three days.

Big Leaguers Can't Figure How They Got Training Rule

By GAYLE TALBOT

NEW YORK (AP) — One of the weirdest things you ever heard tell of has happened to big league baseball this winter.

To state the facts briefly, major league clubs find themselves bound not to do a lick of training next spring until March 1, a full week later than they began their labors last year. And they hate it. So do the players. No one connected with the game will say that he approves of the mystery measure, much less admit he had anything to do with its passage.

The club executives, breaking displeasure at being forced to postpone their lucrative exhibition schedules for a week, claim the rule was forced down their throats by the players. The latter, through their official representatives, swear they didn't do any such thing. They say the sooner they can start getting free bed and board and $25 per week spending money, the better. You begin to see?

As best we have been able to piece together the strange sequence of events leading up to the present unhappy situation, the script went something like this:

When the player representatives of the various clubs met during last summer's All-Star Game at Cleveland, one or more of them did propose that training not start before March 1. It is reported now that these players (whoever they were) were acting as shills for "cheaper" clubs which wished to cut down their training expenses, save perhaps $5,000.

At any rate, the proposal somehow was brought before the magnates at a meeting here last September and, apparently in a huff, they adopted it. Perhaps understandably, many of the game's head men still are not too happy about the players' organization.

As the time approached the joint league meeting here this week, word went around that the players, having awakened belatedly to the fact they were going to have to spend their own money for an extra week or 10 days, were going to try hard to have the rule rescinded. Some owners, too, realized they had acted hastily and hoped the situation could yet be saved.

But the majority didn't feel that way. The players' request to forget all about the March 1 deadline was voted down resoundingly, and Commissioner Ford Frick announced that the edict would be "rigidly enforced." In other words, no preliminary reporting for batterymen, no cheating at all.

"It's what those guys asked for," said a club spokesman. "Now they've got it and they can like it." The players continued to insist they had not asked for it.

It would have been impossible, we are told, to have dropped the rule at this late date. New exhibition schedules have long since been drawn up and approved, putting off openers unitl around March 12, and to try to change them now would bring chaos.

Gonzales Getting Plenty Of Offers

HEBBRONVILLE (AP)—Hebbronville tailback Rodemiro Gonzales considered offers today from a number of schools, including Texas A&M, after one of the top schoolboy football careers in South Texas history.

The strong-armed passer tossed 57 touchdown passes in his four-year high school career—21 this year when he paced the team to an unbeaten district season. He completed 130 of 210 attempts for a total of 1,991 yards this year. Gonzales also ran for five touchdowns.

Gail, Ira Teams Win At Fluvanna

Gail and Ira boys and Southland and Ira girls advanced to the semi-finals in the Fluvanna high school basketball tourney last night.

The Ira boys downed Fluvanna 45-30, while the Gail boys beat Southland 56-32. Ira's girls went over Fluvanna 56-26, and the Southland girls defeated Gail 41-29.

Tonight, Gail will meet Ira in the boys semi-finals, while Southland and Ira girls will clash in semi-finals. Fluvanna and Southland will play in consolation semi-finals Saturday. Other games scheduled for tonight are first round events, Post and Gail B teams and Slaton B and Hobbs boys and girls teams meeting.

First Landy, And Now It Is Bannister

LONDON (AP) — Roger Bannister, one of the two men who have run the mile under four minutes, has stepped off the cinder track at the peak of his great athletic career.

The London Physician announced his retirement last night at the annual banquet of the sports writers of Great Britain.

At the same time, in Australia, his friend and keenest rival, John Landy, talked glumly of quitting competitive running.

So 1954 nears an end with a vast void looming in the track and field world.

It was a year that saw Bannister, then Landy, crack the four-minute mile barrier. Then in a memorable race at Vancouver, Canada, Bannister vanquished his Australian rival in a race in which both were clocked under four minutes.

Bannister first lowered the mile mark to 3:59.4 at Oxford, England, May 6. A little over a month later in Finland, Landy dropped the record to 3:58. At Vancouver, in the British Empire Games, Bannister won in 3:58.8 with Landy second in 3:59.6.

Bannister, who'll be 26 next March, hinted quite clearly after his European 1500-meter championship victory at Bern in August that he had run his last race. He said last night:

"I have to refer to something which contains a very sad note: namely, I shall now be compelled to give up international athletics."

He explained that his medical career has made training increasingly difficult.

Junior High Quints Win

Snyder's two junior high cage teams yesterday afternoon took wins in games against Roscoe fives.

The eighth grade won its game 48-13 to make its season record 2-0. The squad led all the way. Gale Courtney led scoring with 18 points, while Jimmy Allen had 16 and Terry Lee four.

The seventh grade took its game 32-21. Barry Walker paced the team with 10 points, followed by Alex Cross with eight and Norman Gladson and Paul Sheehan with four each. This team's record is now 1-1.

The two teams will host squads from Post in their next games starting at 6 o'clock next Tuesday night.

20 Coaches In Line

HOUSTON (AP)—At least 20 coaches are under consideration for the University of Houston football post vacated by Clyde Lee Monday. Harry Fouke, athletic director, said yesterday the athletic committee had prepared a list of "about 20" coaches discussed for the job.

SPORTS

Port Neches Takes On McAllen Tonight

By HAROLD V. RATLIF
Associated Press Sports Writer

Defending champion Port Neches of Class AAA meets McAllen at Port Neches Friday night, opening the fight for final berths in the upper divisions of Texas schoolboy football.

The other three places will be determined Saturday afternoon when Abilene tackles Fort Worth Poly at Fort Worth and Corpus Christi Miller plays Houston Austin at Houston in Class AAAA. Breckenridge and Lufkin play at Waco to decide the Port Neches-McAllen winner's foe.

Friday afternoon sees the Class AA division's first quarter-final game as undefeated, untied Phillips meets Littlefield at Lubbock. Three other games are scheduled Friday night with Terrell and Carthage at Tyler, Waxahachie and Killeen at Temple and Nederland taking on Freer at Port Arthur.

Quarter-finals of Class A are all scheduled Friday night. Sundown jousts with Albany at Colorado City, Paducah and Gaston tangle at Wichita Falls, Grapeland and Mason trade touchdowns at Bastrop and Deer Park plays Hondo at Hondo.

Port Neches is a heavy favorite to remove unbeaten, once-tied McAllen from the race. Lufkin is the choice in the game with Breckenridge, to emerge as Port Neches' opponent in the finals of Class AAA next week.

Abilene and Corpus Christi Miller are picked to reach the AAAA finals. Abilene is a strong favorite but Miller is expected to encounter trouble from the high-flying Austin team that hit its stride a month ago and now is moving like the wind.

Abilene is favored on the basis of a much better record than Poly, including a victory over San Angelo, which easily stomped Poly. Miller holds an early season victory over Houston Austin.

Lufkin, back in the championship picture after 11 years, is undefeated, untied and apparently unbothered. But Breckenridge, which holds a victory over Abilene in nonconference play, could topple the Panthers and occasion no great surprise.

In Class AA Phillips and Nederland are easy choices but Terrell vs Carthage and Waxahachie vs Killeen are considered no more than tossups.

Sundown, Paducah and Deer Park are top favorites in Class A while the Grapeland-Mason game looks as close as a junior high school boy's first shave.

J. Wayne Green, eminent Trichologist, demonstrates causes of baldness and how it can be prevented.

How To Have Hair For A Lifetime To Be Demonstrated Here By Famous Trichologist

Offers Written Guarantee

An exclusive interview by Allen Century

WICHITA (Special) — J. Wayne Green, Director of Rogers, Inc., Hair and Scalp Specialists, exploded the "myth of bladness" today in an exclusive interview.

"Baldness is unnecessary, costly, and a plague to mankind," says Green. "No man need be bald. No man need suffer the stigma of premature old age that is forced upon him because he is losing his hair. The Rogers method of hair and scalp treatment can prevent baldness—can turn colorless fuzz into healthy, growing hair—can make you look youthful again."

Demonstration To Be Held in Snyder, Texas

This revoluntionary method of home treatment for the hair and scalp will be demonstrated in Snyder, Texas, Sunday ONLY, Dec. 12th., at the Manhatten Hotel. Trichologist R. F. Tippie will conduct the private, individual interviews from 12 noon until 9:00P.M. on Sunday ONLY. There is no cost or obligation, and you need no appointment.

Reason For Baldness

"There is always a reason for baldness," continued this nationally known authority. "Hair cannot grow through a scalp that is infected with dandruff, excessive oiliness, or extreme dryness. A scalp that has never been exercised cannot be expected to produce healthy hair." Men, and yes, women too, walk the streets today, completely devoid of nature's greatest ornament—hair. Simply because they were not taught the basic rules of hair and scalp hygiene while they were growing up. "The simple answer," emphasized this expert, "is that children should be taught the same simple basic rules of hair and scalp hygiene that they are taught for the proper care of their teeth. If this were the case, baldness would be a rarity today!"

Heredity Not Involved

Trichologist Green dodged no issues. He quickly took up the most widely spread theory of baldness—heredity. "Mankind's un-realistic belief that baldness is hereditary stems from a misinterpretation of the theory of genetics. Theory does not state that any person must be bald because baldness exists in the family. What it does say, is that in some families, a tendency exists towards an undernourished scalp." The purpose of the Rogers Hair and Scalp Clinic is to teach the methods of strengthening the weak scalp and nourishing it to a healthy, vigorous condition. "A healthy scalp will grow hair if it is not already completely bald," assures Green.

Is There Hope For The Completely Bald

In his travels throughout the United States and Canada, Green has collected hundreds of testimonials of his ability to develop weak fuzz into healthy, mature hair. All of his clients have started with a private examination, hair and scalp analysis, and a diagnosis of the disorder. Green is quick however, to tell a hopeless case that he cannot be helped. "We strongly advise," says Green, "that no person who is completely bald hold any hope whatsoever of regrowing hair. If there is any fuzz at all, we can restore a healthy scalp condition and the hair will grow normally again as nature intended."

Offers A Guarantee

"Rogers, Inc., America's Foremost Hair and Scalp Specialists, offer a guarantee to any client who enrolls for treatment. If he or she is not completely delighted with results at the end of 30 days, the money invested will be graciously refunded," pledged Green. "We must have satisfied clients. We must regrow hair. After all, it is our best advertisement."

Is Your Hair Healthy?

If you have a scalp disorder, or if you are worried about your hair, call Trichologist R. F. Tippie at the Manhatten Hotel in Snyder, Texas, Sunday ONLY from 12 noon to 9:00 P.M. The public is invited. The examinations are private and open to men and women. You do not need an appointment, and you will not be embarrased or obligated in any way.

Ft. Hood To Bowl

FORT HOOD (AP)—Fort Hood's tankers will play in the Shrimp Bowl football game at Galveston, Jan. 2. The Tankers, with a 10-2 record, probably will play Pensacola Navy. The Pensacola team is regarded as the strongest Navy team in the country.

ABOVE THE BLEACHERS

By DALE WALTON

The number of games for our "experts" to use in picking winners are getting slim, but here's another stab at it.

After all the season's upsets ruined the percentages of the pickers, none have ever been able to get back up to the 70 per cent mark. Averages now stand at: Feather 68.4, Walton 67.5, Eckstadt 67.1, guests 65.6, McNair 64.9, Pope 63.6, Watson 60.5, and Gregg 59.5.

Guest picker this week is a member of the Daily News staff, shop foreman Bat Taylor.

• • •

You who did not see the Canyon Reef College Basketball Tourney last year missed something, as you will if you don't go out tonight and tomorrow night for this year's edition.

Schools which ordinarily put out some of the top basketball teams in this part of the country sent their quintets here for the affair, and it promises to be a good tourney. Texas Tech and Centenary are about even as favorites, with North Texas as the possible darkhorse.

• • •

Also on tap in Snyder is the last football game fans here may see this season without some traveling. Hermleigh and Rochester are using the Snyder field for their regional class B game.

Since football is over for the Snyder team, it might be a good gesture for Snyder fans to go out and support Hermleigh. Hermleigh is right in Snyder's front yard and could just as well be called the home team when the Snyder team is not playing.

• • •

Here's a couple more scores of games involving teams in District 3A-1: Odessa 54, Lamesa 42; Midland 56, Lamesa 38; Lawton, Okla. 51, Vernon 38; Amarillo 47, Plainview 45.

SECOND TEAM

Grant Teaff of Snyder, McMurry Indian tackle, was chosen to the second team of the All-Texas Conference squad this week. Teaff, a senior at McMurry, starred as a center for the Snyder Tigers in 1949 and 1950.

Hermleigh Meets Rochester Here Tomorrow Afternoon

With the odds against them, the Hermleigh Cardinals will be out tomorrow afternoon at 2:30 o'clock to try for the regional Class B title in a football tilt with Rochester on the Snyder stadium.

Perhaps saying all the odds against them is a mistake. There are a couple of things in the Cards' favor — they have the solid backing of Hermleigh area residents, and they have strong desire to win. The strikes against them include Rochester's downing them once before this season in a non-district game 33-12. Also, the two teams had several common opponents. Rochester beat Loraine by 12 points while Hermleigh edged that team by one point, Rochester downed Trent by 29 points while the Cards defeated Trent by 14, Rochester went 35 points over Knox City to Hermleigh's 26 points over that team. Rochester, however, beat Aspermont by only 13 points, while Hermleigh took Aspermont by 20 points.

SEASON RECORDS

Herm. (7-1-2)	Opp.	Roch. (9-1-1)	Opp.
33 Knox City	7	19 Loraine	2
33 Aspermont	13	33 Hermleigh	12
13 Roby	9	39 Clyde	7
14 Trent	0	12 Munday	6
20 Loraine	19	6 Chillicothe	26
30 Robert Lee	21	35 Trent	6
43 Hobbs	14	54 Lueders	12
12 Rochester	33	41 Knox City	6
18 Bronte	19	48 Rule	14
14 Van Horn	14	13 Aspermont	6
—	13	Baird	13
239 Total	160	—	—
	313	Total	109

Coach Ray Isaacs has been holding gruelling workouts for his team this week, and the squad is in good spirit, eager to take its first regional championship.

The Cardinals are perennail winners, although they have never gone all the way to a regional championship. Bill Jordan, ardent Hermleigh fan, reports these records from 1947 up to now: 1947, record of 8-1-1, second place in district; 1948, 11-1, bi-district champions; 1949, 10-1, district champs; 1950, 7-3, second in district; 1951, 8-3, district champs; 1952, 11-1, bi-district titlists; 1953, seven wins, one tie, and two losses, tied for third in district; and so far in 1954, seven wins, one tie, and two losses. Before 1947, Jordan said, Hermleigh was independent, so the Cardinals have never gone under third place in the district and only one time have dropped down that far. They have held five district titles in eight years, taking bi-district titles three of those years.

The Cards tied Loraine this season for district championship and got the edge because they had defeated Loraine. In the bi-district game, they tied up with Van Horn on score, penetrations, and first downs but got the title on total yards gained. Rochester won its district championship outright but tied Baird in the bi-district game, taking the title on penetrations.

Isaacs' squad:

Ends — Neal Wilcox, 190; Clarence Stahl, 170; Arlon Groves, 135; Don Tate, 145; Butch Nachlinger, 125.

Tackles — Gus Tolleson, 170; Powell Tarter, 145; Dick Etheredge, 180; Jerry Gannaway, 160; Tom Etheredge, 145; Don May, 170.

Guards — Jay Houston, 147; Charles Smith, 155; Don Vineyard, 150; Charles Brown, 148; Bob Bruce, 125.

Centers — Alvis Tarter, 170, Leonard Groves, 135; T. J. Hillis, 140.

Quarterbacks — Robbie Robinson, 175; Kemp McMillan, 155; Clyde Wilcox, 150.

Halfbacks — Jackie Roemisch, 135; Richard Fritz, 160; Billy Mac Davidson, 160; Morris Light, 145; Virgil Davis, 120.

Fullback — Wendell Goodman, 170.

Davidson, who has scored 98 points, leads scoring for the Cards. Others are Wilcox with 36, Robinson and Goodman 31 each, McMillan 18, Fritz seven, Roemisch six, and Stahl six. Billy Joe Hollingsworth has scored 168 to pace the Rochester squad.

Rochester has won the regional crown four years, in 1946, 1950, 1951, and 1953. Coach of the team is H. R. Jeffries.

Andrews Is Own Favorite

NEW YORK (AP) — Al Andrews scoffed at the 2-1 odds favoring Vince Martinez and predicted he would break the welterweight contender's victory streak in Madison Square Garden tonight.

NBC will broadcast and telecast the 10-rounder at 10 p.m., EST.

"His style is made for me," said Andrews, 23. "The way to beat Martinez is to keep the pressure on him and throw punches. He likes to lay back and call his shots."

Martinez's long-range style of fighting has carried him to 12 straight victories, a 39-3 record, and a No. 5 ranking among the welterweight contenders. The Paterson, N. J., picture puncher has won seven this year, four by knockouts.

But in Andrews he meets the most formidable opponent of his career. The ex-GI from the West will have about a six-pound weight edge—155 to 149—and he expects to throw the weight around if he forces Vince to a close-quarter battle.

A full-fledged middleweight now, and ranked as the No. 10 contender in the 160-pound class, Andrews has been facing heavier and tougher opposition than Martinez. In 11 fights this year he won six, lost four and drew in one with Joe Miceli. Three of the defeats were to middleweights—Ted Olla, Bubi Scholz and Gil Turner. He kayoed Turner in the third round of a return. The other loss was to Carmen Basilio, No. 1 welter contender.

Baseball Grieves At Loss Of Bill McGowan

WASHINGTON (AP) — Baseball grieved today at the loss of old "No. 1," vinegary umpire Bill McGowan of the American League.

McGowan, 58, died yesterday after a heart attack.

The crusty little Irishman with the flamboyant strike-calling gestures had spent 30 years in the American League.

His bosses heaped tribute on his career.

"One of the all-time greats of his profession," said Will Harridge, American League president.

"The greatest I've seen," commented Clark Griffith, owner of the Washington Senators.

Bradley, Penn State Find Season Rough

By JOHN CHANDLER
The Associated Press

Bradley and Penn State, a couple of powers in the NCAA Basketball Tournament last spring, are finding the sledding pretty rough as the young 1954-55 college basketball season progresses. Their backers hope it's just a bit of early jitters.

In a slim program on the college courts last night, North Carolina State belted Penn State 99-77, while Texas Christian outlasted Bradley 85-83. It was the third defeat in three games for Bradley, NCAA finalist last spring.

Penn State, which went to the Eastern division NCAA final and defeated Southern California for third place in the national finals, was outclassed by N.C. State in their game at Raleigh.

The Wolfpack, led by two towering centers Cliff Dwyer and Ronnie Shavlik, rolled up a 53-36 halftime lead and was never in trouble. Shavlik plunked in 35 points and Dwyer contributed 21. Jess Arnelle, the Penn State star and captain, scored 20.

At Peoria, Ill., Texas Christian made it 3-for-4, but almost blew a big lead in the final 17 points. At that point TCU led 53-36, but Bradley put on a terrific rally as Lee Utt, Fred Dickman and Harry Hansen combined for 12 points while TCU was limited to a free throw.

TCU's J. Bryan Kilpatrick, who led all scorers with 22 points, made two free throws with 43 seconds remaining to make it 85-81, before Dickman scored for Bradley from the field with nine seconds left.

Washington State and Gonzaga chalked up victories in the first double-header played in the new 2½-million-dollar Spokane (Wash.) Coliseum.

In New York, Madison Square Garden opened its 21st season of college basketball, and the Seton Hall Pirates rallied in the final seven minutes to defeat Western Kentucky 98-85 after St. Joseph's of Philadelphia downed Manhattan 78-68.

DAVID W. RATLIFF
Of Jones County
STATE SENATOR
A WEST TEXAN — Willing to WORK for West Texas

DAVID W. RATLIFF

David W. Ratliff of Stamford was born at Decatur in Wise County, Texas in 1912 and was the eighth son of L. D. and Myra Ratliff. The elder Ratliff was a country lawyer and moved to Haskell County in 1921. He died in 1942 ,and Mrs. Ratliff still resides in Haskell.

Following graduation from Haskell High School, David attended North Texas State College in Denton, Austin College in Sherman, and Draughon's Business College in Fort Worth.

He moved to Stamford in 1946 and established Radio Station KDWT, which he now owns, and it is rated one of the most successful small stations in the nation.

Entering politics for the first time in 1950, Ratliff was elected a member of the House of Representatives; was re-elected in 1952; and again in 1954.

During his tenure of office as Representative of the 115th District, he has served as chairman of the House Labor Committee, and as Vice Chairman of the Appropriations Committee on Eleemosynary Institutions, and of the Committee on Federal Relations. He also has served on other committees including oil, gas and mining; state affairs, and liquor regulations.

Ratliff is now serving as one of nine members of a board created by the last legislature to study and recommend to the next legislature a program of water conservation, development and utilization.

Night Club Crooner Prefers Bullfighting

By HAL BOYLE

NEW YORK (AP)—It is a difficult thing for a man in a ring to sword a maddened bull to death.

But, senor, it is even more difficult on the nerves for this same man to slay an American night club audience with no weapon but his baritone voice.

Manuel Capetillo swears this is so. Manuel, who is one of Mexico's top matadors, now has a new career. When the bulls are out of season, he belts out Mexican ditties on the night club circuit.

Although he has been a big hit in his first New York appearance in the Hotel Pierre, Manuel says he still finds it easier work to face a bull than a cafe society audience.

"The nerves I get fighting the bulls, they are different from the nerves I get when I am singing," he explained.

"When I fight a bull I am not singing. I may feel sick three days before a bull fight—and three days after—but I don't have the nerves when I am actually facing the bull."

Manuel is an extraordinarily talented man. He is a charro (Mexican blue-blooded cowboy), a bullfighter, a movie actor, and a vocalist. In his own land he is a kind of combined Joe DiMaggio, Roy Rogers and Perry Como.

Yet Capetillo, who has killed 400 bulls and been badly gored five times in the ring, is still only 28. He is slender, 6 feet 2—an unusual height for a bullfighter—dark-eyed and handsome.

He makes up to $10,000 a bullfight. It is an industry in which the upkeep is greater than the initial expense. His costumes cost him up to $15,000 a season. The heavy, gold-braided matador's outfit he wears in his night club routine weighs about 20 pounds and cost him more than $7,000.

Capetillo says he has been fighting bulls and singing as long as he can remember. He is largely a self-taught matador and started learning the tricks of the trade as a boy of 5 waving capes at calves on his father's ranch.

"For a moment, when you first see the bull, you have a feeling like a martyr—and wonder why you are there," he explained. Then the action starts, and there is no time for feelings.

"I do not eat the day of a fight, and it is very good to have a quick glass of cognac to settle the stomach before entering the ring," Manuel added.

The bull doesn't get any cognac. He is not supposed to be nervous. After the fight, Manuel is voraciously hungry. He and his retinue like big steaks, sometimes provided by his late opponent in the ring.

It is the same way with Manuel just before he goes out to the spotlight on a supper club floor.

"A couple of small glasses of wine are very good to settle the stomach," he said.

The only other thing that makes Manuel nervous is girls. He is a bachelor.

"And I intend to stay this way all my life," he said frankly. "I am afraid that if I married, I might some day look across a table into the eyes of another girl I liked better—and get up and follow her. This would not do. I will stay as I am."

Of course, that's only one man's opinion.

Higher Priced Lines Attract More Buyers

By SAM DAWSON

NEW YORK (AP)—Christmas shoppers are buying more expensive gifts this year. Total spending in the nation's stores in the Thanksgiving-to-Christmas period is expected to be 5 per cent heavier than a year ago.

Customers are able and willing to spend, the U.S. Department of Commerce reports after a survey in 33 key cities.

Higher priced lines are attracting more interest this year, it reports, but there's also a determined search for value.

Merchants in 25 of the 33 cities are pleased with sales. Until the Christmas buying started, retail sales for the nation had been slightly trailing year-ago records. Since December is by far the biggest sales month for most stores, the volume of Christmas business makes all the difference in the profit and loss figures for the year.

Crisp weather has helped bring out shoppers. By putting the accent on winter clothing, it also has increased store sales volume probably just as much as has the generally better feeling among consumers over the outlook for their jobs and incomes.

Merchants also report a big assist from the rehiring of workers in many places where layoffs and shutdowns had dragged heavily on the economy earlier in the year.

The construction boom has kept money in the pockets of many workers.

The expected rise in total spending this Christmas will reflect larger unit buying, merchants expect, since in most cases prices are the same or a little lower than a year ago.

But part of the dollar volume increase will also reflect the buying of more expensive items. Fur dealers, for example, are happily reporting that fur coat sales are up this year, after having languished in the last two seasons.

The better look came to the cash tills of many firms last month. November sales reports of a number of chain stores announced this week show dollar volume running from 2 to 25 per cent ahead of last year. Food chains did an especially good business for the Thanksgiving holiday and are expecting to repeat at Christmas and New Year's.

The gain in sales hasn't been uniform across the nation, and the Commerce Department finds some store managers merely hopeful of holding their own.

'Bureau Of Censure' Difficult To Locate

WASHINGTON (AP) — What happens to a letter addressed to "the Department of Censure" in Washington?

The office of Sen. Fulbright (D-Ark) said the post office routed one such epistle with an Arkansas postmark to Sen. Watkins (R-Utah), chairman of the special committee that recommended censure of Sen. McCarthy (R-Wis). Watkins' office sent it to Fulbright, an author of censure charges against McCarthy.

The letter said: "I need a birth certificate. I was born in 1886 or 1888. I don't know which."

Fulbright's office is contacting the Census Bureau.

Wolf-Whistling Mynah Is Bird-Nap Victim

NEW YORK (AP)—Ladies, if any of you attract a wolf-whistle from Joe the talking mynah bird, please get in touch with pet shop proprietor Julian Bronson.

Bronson told police yesterday that Joe was bird-napped last Wednesday from his shop.

The owner said he bought Joe in Assam, India, more than nine years ago while stationed in the Far East with the U.S. Army. Joe, who really is a "she," was only a year old then.

Bronson says the bird is worth $1,000, likes to whistle at women, and speaks this piece: "Hello, Joe, where are you going?"

Joe is described as being nine inches long with a metallic purplish-black fuselage and an orange beak.

New Air Base Is Being Built By Red Chinese

TAIPEH, Formosa (AP) — Over 30,000 men are working night and day building a big new Communist air base near the coast on the Red Chinese mainland which will threaten not only Formosa but also Okinawa, the Nationalist Defense Ministry said today.

It located the new base, big enough to handle heavy bombers, as 20 miles west of the Tachen Islands, 200 miles north of here and 430 miles west of Okinawa.
