# Passing Game Downs Hart

The Hart Longhorns traveled to Bovina Friday and experienced the famous passing combination of Gilbreath to Shepherd first hand. When the game had ended Bovina had made the most of their opportunities in posting a 37 to 12 win.

Bovina scored first on a 61 yard pass from Dale Gilbreath to Richard Shepherd. Victor Robledo added the PAT to give the Mustangs a 7 to 0 lead with 8:34 left in the first quarter. Hart moved the ball on Bovina in the first quarter, running 25 plays to Bovina's 7 plays, but it was not until at the 10:05 mark in the second quarter that the Longhorns could get on the board. Clay Barnes went over from two yards out canning a 15 play, 70 yard drive. The run for two points failed leaving Hart behind by a 7 to 6 count. Bovina came back with an impressive 68 yard drive of their own. Gilbreath mixed up the running and passing before hitting split-end Ricky Shepherd for a 21 yard touchdown with 4:41 remaining in the half. Robledo was true on his PAT upping the Mustang lead 14 to 6. Hart took the kickoff and drove to the Mustang's 40 yard line before being intercepted as the clock ran out in the half, leaving the score Bovina 14 and Hart 6.

Bovina took the second half kickoff and moved 50 yards, aided by a personal foul penalty to score again. This time Gilbreath found flanker Joe Black for a 12 yard touchdown pass with 9:23 still to play in the third period. The PAT was wide, but the Mustangs now led 20 to 6. Hart took the ball and drove to Bovina's 30 yard line behind the running of Barnes and Daniel Guzman before a controversial call on fourth down ended another Longhorn threat. The Mustangs took over on their own 30 yard line and drove 70 yards for another score. The highlight of the drive was a fake punt pass on fourth down from Hart's 45 yard line. Richard Shepherd climaxed the 12 play drive going the final three yards for the score. With the successful PAT kick by Robledo, Bovina now led 27 to 6 at the end of three quarters of play.

The Longhorns took the ensuing kickoff and drove 73 yards for their second score. Three personal foul penalties aided the Longhorns in their drive before Clay Barnes again went the final two yards for the score with 10:56 remaining in the game. The pass for two points failed leaving the score at 27-12 in favor of Bovina. The Mustangs added two more scores in the game. One was a 5 yard touchdown pass from Gilbreath to tightend Edward Chisom and their final tally came on a 30 yard field goal from Robledo.

The Longhorns drove steadily down field in the closing minute behind the passing of Derek Rich and the timely catches by Chris Reyna and Chris Clifford before time ran out on Hart with the ball on the Mustangs' one yard line. The final score 37-12, a Bovina victory. Bovina stands at 6-3 and 2-2 in district play, while Hart falls to 3-6 and 0-4 in district play.

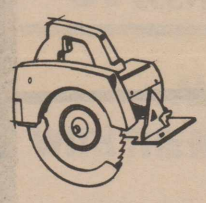

"We played really hard, but gave up too many 'big' plays," commented Hart's Head Coach Ken Hoskins. "Our youngsters moved the ball really well on offense, but a few mistakes kept the Longhorns from scoring several more touchdowns. Bovina has a real fine passing game and probably the best Class 2A receiver in the State is Ricky Shepherd. We never gave up as was evident in our final drive in the closing seconds of the game. We have a tough game remaining with District Champs Kress Kangaroos, but I know that our kids will want to end the season on a winning note."

The Longhorns complete their season at home this Friday night when they entertain District 3AA representative Kress at 7:30 p.m. Make plans to close out the Longhorn football season by attending this Friday evening and support the Longhorns.

## Hart Junior High Defeats Bovina

The Shorthorns played a hard fought game and came out on the winning end of the stick, by beating the Bovina Colts 8-6, here Thursday evening.

The Horns got on the scoreboard first when Arthur Guzman intercepted a Bovina pass and scampered 85 yards for a Hart touchdown. Abel Martinez went over the goal line for the extra points, making the score 8-0. It wasn't until late in the second quarter when Bovina got six points on the score board. Their extra points failed. The remainder of the game was a defensive battle, neither team was able to score again during the game.

The Shorthorns would like to wish Gerardo Chavez a quick recovery. He suffered a broken leg during the game.

Offensive and defensive standouts could only include the entire squad.

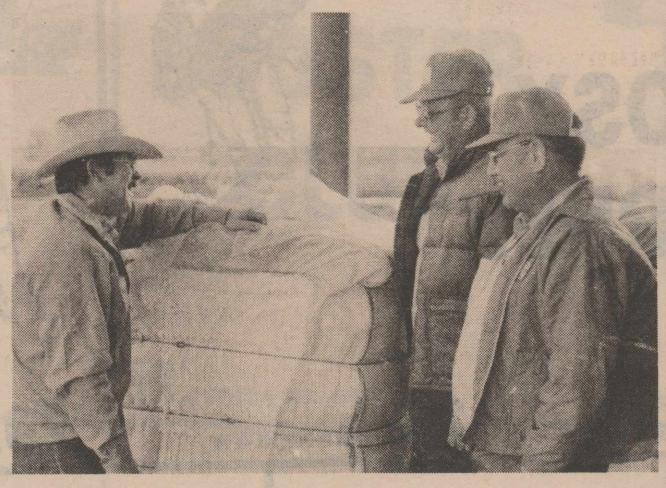

Next game is with the Kangaroos at Kress.

## JV Longhorns Fight To Tie

In football action last Thursday the Hart JV Longhorns and the Bovina Mustangs tied in a very tough contest, 20-20. The Hart Longhorns managed to have the Mustangs down 20-6 at the half but could not score again the rest of the night. Hart's first TD was set up by a 35 yard pass from Tony Hoover to Roland Alfaro. Then it was Bruce Finch who took it in for the score. The extra points attempt failed, making the score 6-0. Then Bovina got a drive of their own and made a touchdown, marking the score 6-6. Hart's second TD was again brought on by Bruce Finch who went 7 yards for the score. Then Bruce scored again from ten yards out and then got the extra points to make the score 20-6 in favor of Hart. In second half action Bovina managed to get enough points to tie the Hart Longhorns for the night.

Hart's record is now 5-2-1. The Longhorns will play their final game at Kress this Thursday night.

# Dedicated Life

(Editor's note: The following article is reprinted from the Plainview Daily Herald by Marie Harris, Harold Regional Editor.)

Being the only registered nurse in a community without a doctor, Retta Knox, Hart School Nurse, is called upon to give medical aid of all kinds at all hours of the day and night.

And being compassionate and devoted to her profession, the young woman is willing to serve her fellowman anytime to the best of her ability.

"Sometimes members of the medical profession are critical of me and say I'm doctoring and doing things I shouldn't," commented Mrs. Knox, "but what else are you going to do when someone comes to you bleeding - especially when children get hurt after school?"

Mrs. Knox often cares for the elderly citizens after their return to Hart from hospitals and changes their surgical dressings when they are unable to drive back to other cities to see their doctors.

"The Plainview doctors know me and depend on me - they tell some of their Hart patients, "go see your school nurse; she'll take your blood pressure," added Mrs. Knox who has been school nurse here since the fall of 1973.

"Anytime you do what I do on a free will basis, you leave yourself wide open," explained Mrs. Knox. "You just have to be cautious and do what you think is right."

Born and reared in Hart, the daughter of Mr. and Mrs. R.G. Henderson of Hart, Mrs. Knox feels that she can trust the people of her community. "That is the advantage of being from a small town where you know everyone," she said.

The Hart American Legion presented Mrs. Knox an award for her service and for saving the life of a 5-year-old boy three years ago. Although the award was not presented until a couple of years later, Legion members assured her it was deserved - just late.

The boy had gone home from kindergarten sick with a flu "bug". He was lying on the couch and although his mother knew he had fever, she did not think that he was seriously ill. When the youngster's mother looked at him and had seen that he had stopped breathing and was turning blue, she put him in the car and started toward Dimmitt to a doctor. Suddenly realizing they could not make it, the mother told her father, who was driving, to turn around and take them to Mrs. Knox's house. The time was 10:30 p.m. The nurse, assisted by her husband, David, gave the child mouth-to-mouth resusitation, after clearing his airway, until he could breathe on his own again.

Mrs. Knox does not take all the credit for saving the young boy's life. "If it had not been for his mother getting him to me in time, he would not have lived."

Mrs. Knox is the recipient of a number of gifts including blouses, flowers, afghans, Mexican brass articles and other treasured items - given to her gratefully by children and adults she has helped.

"From the very first time I can remember of wanting to be something, I wanted to be a nurse, and I have never regretted being one," she emphasized. "I wonder if my three girls are being influenced - the little one, Traci, 4, goes around saying she is a 'Mommy Nurse'." The Knoxes two other girls are Cindy, 11, and Shelly, 9.

Mrs. Knox, who played basketball and ran track in Hart High School, has passed her interest in sports to other girls by helping with Little Dribblers the past eight years.

President of the Hart Student Council her senior year, she was graduated in 1966 as salutatorian of her class. She took a year's pre-nursing course at South Plains College in Levelland and was graduated from Northwest Texas Hospital School of Nursing in June 1969. Then she worked at the hospital's Psychiatric Pavilion where she met her husband, who was employed there while a student at West Texas State University. They were married Aug. 21, 1969.

After receiving a science degree from WTSU, he studied at Texas Tech and Mrs. Knox nursed at the old University Hospital in Lubbock one year. They returned to Amarillo and she worked again at the Psychiatric Pavilion and at High Plains Baptist Hospital.

Knox's first teaching job was at Quail ("a little bitty country school") where he taught third grade through seniors two years. Mrs. Knox was a nurse at Collingsworth General Hospital in Wellington. Back in Amarillo, she returned to High Plains Baptist Hospital until they took their present positions. Knox is science teacher in junior high and high school. He has acquired another degree, in composite science, through night classes at WTSU. Born and reared in Spearman, his parents, Mr. and Mrs. Don Knox, still live there.

A member of First Baptist Church, Mrs. Knox works with school activities and has been leader three years of the Flagg 4-H Chapter made up of youths from Hart, Springlake-Earth, Dimmitt and Sunnyside. She was hostess to the group in her home Wednesday night. As Cindy and Shelly are both in 4-H now, the whole family participates.

Mrs. Knox's father started the Hart Riding Club a number of years ago and she was a member and Cindy began riding at the age of 3, with the assistance of Mrs. Knox's sister, Mrs. Wayne (Nelda) Ehtridge of Hart. The club has since dissolved.

"I used to ride but back surgery sent that down the drain. You have to learn to adjust after something like that - have to gear down a little bit," she said. "But I have crocheted like a fiend - made about 35 or 40 afghans which I gave away and sold some. I've always loved needlecraft and I sew for the girls."
