Farm Safety Week to be observed

County Judge Aubrey Denman has proclaimed September 21-27, 1986, as Farm and Ranch Safety Week in Coke County, at the request of Robert M. Brown, Coke County Farm Bureau president. This year marks the 43rd annual observance of National Farm Safety Week, co-sponsored by the National Safety Council and the U.S. Department of Agriculture. "Be Protected

From The Unexpected", the 1986 theme for the farm safety campaign, stresses the need for preventive safety measures. "People who operate and work on farms and ranches suffer more than their share of personal and economic loss from accidents and work-related illnesses," Brown said. "Much of this loss could be avoided if people would not only work, play and drive

safely, but also take the extra steps to protect themselves ahead of time from potential hazards. In other words, they should adopt the Scout motto: "Be Prepared".

In the proclamation, Judge Denman said, "Accident prevention is often a matter of common sense and troubleshooting. Many lives and millions of dollars could be saved each year if more agricultural producers would take time to protect themselves, their families and their employees from the unexpected."

Though serious accidents are infrequent for most of us, they can be devastating when they happen. Therefore, can you afford not to be "protected from the unexpected" just in case? You can do much ahead of time to protect yourself from safety and health hazards you could meet during your day:

- * When driving or riding in a car or pickup truck, always wear your safety belt. Be sure to buckle small children into properly anchored child-restraint seats.

- * Equip your tractors (that can be fitted) with certified roll-over protection (ROPS) - cab or frame. Buckle your safety belt to keep yourself within the zone of protection in case of a tipover.

- * Keep all machinery guards in place.

- * When the hazards of the job site dictate it, use the appropriate personal protective equipment (hard hat, safety eyewear, respirator, safety shoes, etc.) to help prevent injury or illness.

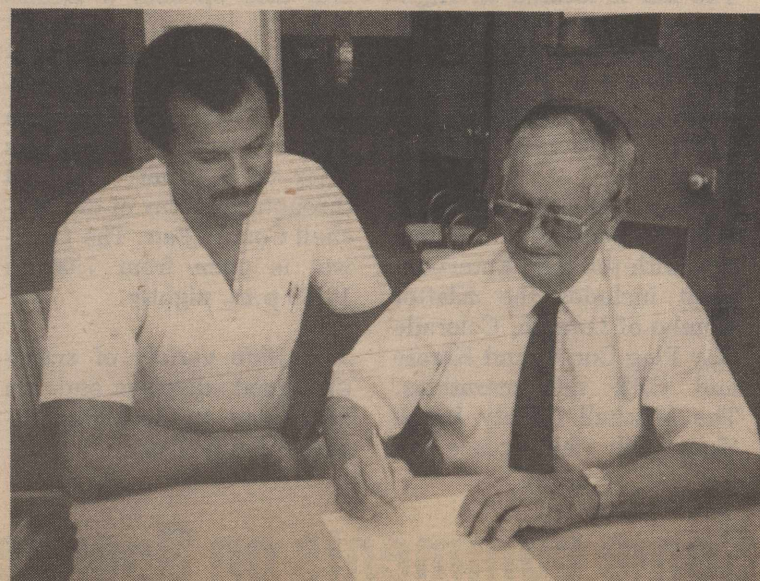

- * Take good care of your equipment and motor vehicles to reduce chance of failure or breakdown, and perhaps an accident.

- * Be alert and prepared to act appropriately to unforeseen or sudden changes in the situation or conditions on the job or the roadway.

- * Train new and/or inexperienced workers.

- * Buy quality products and take proper care of them. Read and heed instructions in operator's manuals, on labels and containers.

Since motor vehicle colli-

ROBERT GALLAWAY, COKE County Farm Bureau secretary, looks on as Judge Aubrey Denman signs a proclamation designating Sept. 21-27 as Farm & Ranch Safety Week.

Upcoming...

Senior program

On Tuesday, September 30, Frank Sparks, an independent insurance agent, will speak to West Coke County senior citizens concerning insurance supplements. The program will be presented at 1:15 in the senior building and will be followed by the regular Tuesday 88 games, said Coordinator Neta Schnabel.

Roping Club

Sunday, Sept. 21, there will be a meeting of the Coke Co. Roping Club at 8:00 at the Rodeo Arena in Bronte.

All members please attend to discuss the plans for the year end Barbecue and Club Roping.

After-game fellowship

An after-game fellowship will be held following the Bronte-Menard game Friday at the Ben Hambright's home. Sponsor this week is the Church of Christ.

Band calendars

Deadline for ordering the personalized band calendars is set for Friday, September 26, announced sponsor Robert Lee Band Booster Club. Orders for calendars and listings cannot be taken later; these must be sent in for printing. If salesmen have missed you, please call Henrietta Baker, 453-2440, or Margaret Epperson, 453-2580.

District football

District play will get off to an early start for both Robert Lee and Bronte Friday night after only 2 non-district tilts. The Steers will play Water Valley there at 8:00 while the Longhorns will host Menard at home, also at 8 p.m. Nine teams make up the large District 6-A, requiring a jump on the start of district games. Fans should note that ALL games on the 1986 schedule will begin at 8 p.m.

Reunion slated

The annual Ft. Chadbourne-Hayrick Reunion is coming up on Sunday, October 5 at the Bronte Community Center. All interested persons are invited to come and bring a dish for the potluck dinner at noon.

FFA barbecue

The Bronte FFA began its '86-'87 season with a meeting and barbecue this past Thursday night with approximately 55 members and guests attending. Chris Miller, Corby Kelso and Todd Brooks furnished the goats for the barbecue.

New officers who will serve this year are president, Craig Grant; vice president, Stephen Lee; secretary, Eric Hoffman; reporter, Todd Brooks; treasurer, Randy Draper and Sentinel, Corby Kelso.

Landfill charges announced

The Robert Lee City Council met September 11 with the Citizens Advisory Committee and other interested citizens to discuss changes at the City Sanitary Landfill. These changes will be made necessary by new regulations imposed upon the City by various state agencies.

A gate will be installed and locked, with landfill to be open only on designated days and hours. An attend-

ant will be on duty at all times, and vehicles will be charged for dumping at the landfill.

The City Council is currently working on a schedule of days and hours, and the rates to be charged. This information will appear in the Observer/Enterprise soon, with the new rules to go into effect as soon as possible.

...Safety

(cont'd.)

sions are the leading cause of accidental death: Texas Farm Bureau provides several safety education services for its members, including teaching Defensive Driving Courses and the auto child restraint seat sales program.

During the past three years 3,641 drivers have graduated from 168 DDC classes taught in 81 different counties.

Some 178 county Farm Bureaus are participating in the Texas Farm Bureau Safety and Health Department's Child-Saver Program. Farm Bureau members can purchase a child restraint seat for \$20 from Cosco, a well-known baby furniture manufacturer, and when finished with it, can return the seat to the county office for a full refund. Farm Bureau mem-

bers have purchased 980 Safety-T-Seats since the program was introduced in April.

The Texas Farm Bureau's Safety Resource Center is an audio-visual library containing subjects on safety in production agriculture (tractors, farm equipment, livestock, pesticides, etc.). Over 400 total mailings of free loan 16mm films, slide/tapes and 1/2 inch VHS tapes have been distributed to 120 different schools/organizations in 90 different counties during the past three years.

CORRECTION: The Observer/Enterprise regrets that last week's caption under the Doves Little League girls team failed to identify Shalon Waldrop as the player on the front row, third from the left.

Mitchell Co. Fair slated

The Annual Mitchell County Fair will open Thursday evening, Sept. 25, at 6:00 p.m. in Colorado City. The fair is located on Highway 80 West at the Agricultural Barn and Rodeo grounds. The fair is open each evening until 10:00 p.m. and 10:00 a.m. to 10:00 p.m. on Saturday.

There are several special events scheduled in conjunction with the fair. Entertainment includes the Klatter Kombo of Loraine, Colorado City Flag Corps, and Karate and CPR demonstrations. The Mitchell County Horse Show will take place on

Saturday, along with the Pet Show and BAKE OFF competition and auction. The Mitchell County Hospital will also sponsor a Health Fair.

Jest Amusement will provide the Carnival entertainment. They will open on Tuesday evening, two days prior to the fair, and run through Saturday of the Mitchell County Fair. The Carnival is open from 7:00 to 10:00 p.m. nightly.

A wide variety of activities, food, displays and fun await you at the 1986 Mitchell County Fair.

Some comments on Spence

Spence water is still muddy upriver from run-off and cool, at 74 degrees. Most fishing has been slow, but should pick up.

After gaining about 6 vertical feet during recent rains, CRMWD authorities last week ordered the release of an unspecified amount of water due to some undesirable water from the watershed near Colorado City. Apparently an earthen dam burst, releasing concentrates of salt and other wastes into the river. The released water, running downriver several days now, will hopefully improve lake water quality.

The Observer/Enterprise has noted in several publications the report of a new Lake Spence striped bass record established on August 23. The monster striper reportedly weighed 34 lb. 10 oz. and was over 43 inches long, caught by Tim Deveny of Abilene, guided by David Davis, owner of Cen Tex Guide Service in Brownwood. If so, the new record overshadows the previous record set by Eddie Lewis of Ballinger in February, 1985 with his 30 lb. 4 oz. catch.

Some mystery surrounds the unconfirmed report. After talking with several Robert Lee folks, we found that the fishermen were displeased with the weigh-in at local bait stores and took the big fish to Brownwood to weigh. There are several scales around Lake Spence which are checked periodically by Texas Department of Agriculture as the law requires and are certified as having correct weight. Why drive 100 miles to weigh the catch?

National Safety Council

Birthday party honors Bewick twins

On Friday afternoon September 12th, Carla and Carline Bewick were honored by a birthday party hosted by their parents, Mr. and Mrs. Carl Bewick. The Sixth Grade students of Robert

Water Outlet set to open

Robert Lee's business community will gain a member on September 25 when Mr. and Mrs. James Miller open a new retail business in Robert Lee. They will be the operators of The Water Outlet Store which will be housed in the former Heart O' Texas building in the 400 block of West 10th St.

The business will sell purified water, 95% pure, with very low sodium content. Water will be available in several sizes, and customers will bring their own containers. Five gallon water will be delivered to shut-in customers. The store will also feature Nordic fireplace inserts, free-standing wood stoves, and antiques.

The Water Outlet Store will offer several opening specials in their ad next week in the O/E.

James and Nola Miller reside on a ranch in the Tennyson area, southeast of Robert Lee.

Lee, were special guests of these twin sisters. They all assembled at the City Park immediately after school, where they enjoyed various games. Then the group lined up for cold drinks, and freshly hot, grilled hamburgers and hot dogs, served by Mr. and Mrs. Bewick. After these delightful refreshments, Carla and Carline took turns trying to blow out candles on their beautiful birthday cake bearing the number, 12, which their mother had made and decorated.

Then came the breaking of the Pinata, hanging from one of the big trees in the park. The "Cabana" representing a little red school house was also the handwork of Mrs. Bewick. Each child lined up and with a blindfold over their eyes attempted to break the "Pinata". After

they failed, Mrs. Bewick, taking the stick, broke their treasure and then all sorts of goodies and toys fell to the ground. Then followed a great scramble, some getting more than others.

The Bewicks moved to Robert Lee five years ago from Caracas, Venezuela, where he was Drilling Superintendent for Mobil Oil Co. Those attending the party were John Fluhmann, Thad Metcalf, Jason Bower, Dave Smith, Cris Ross, Lori Wink, Debra Drennan, Shelbi Grim, Stephanie McMillan, Rhoda Anderson, J.J. Goodman, Josey Salazar, Carrie Sparks, Eva Lou Torres, Joni Waggoner, Carla Bewick, Carline Bewick, and Jose Bewick. Adults attending were Pauline Barron, Mary Beth Drennan, Dortha Wright, and her mother, and Roxie Ross.

Sales tax checks sent

State Comptroller Bob Bullock Wednesday sent checks totaling \$54.8 million in local sales tax to 1,022 cities that levy the one-percent city tax.

Bullock said the 1986 payments to date were down .5 percent as compared to the payments to date in September of 1985. The decrease in August and September check amounts reflects a downturn in the Texas economy, he said.

Houston's check for \$8.6 million was the largest, bringing total payments this year to \$108.3 million, down 5 percent from last year. Dallas' payment was \$6.3 million for a 1986 total of 179.8 million, a 5 percent decrease.

San Antonio received \$3.4 million, pushing 1986 payments to \$42.7 million, up 2 percent over 1985. Austin's

check for \$2.5 million brought total payments this year to \$31 million, a 3 percent decrease.

Fort Worth's payment was \$2 million, bringing this year's total to \$26.2 million, up 3 percent. El Paso's September check for \$1.4 million pushed total payments to \$16.7 million, up 7 percent over 1985.

Net payment for Bronte for the current period matched the downtrend of the majority of the state checks. The July sales tax and use tax from the comptroller's office amounted to \$1,349,64, down 4.76% to date for the year over 1985 city income.

Robert Lee collected \$2,765.78 for the 1 month period and showed an upturn of 16.52% for the 7 month period through July over the 1985 figures.

Dear Ed:

I have been trying to folly the news about the guvner saying, "no pass, no play." I think this is a dandy notion, cuz a fella oughta be able to read the numbers on the jerseys.

At least he should be able to by the time he graduates high school.

But as fer drug testing, I jist don't know. Don't both the Yew Ess and Texian constitutions protect us agin telling on ourselves?

Besides, jocks usually ain't no mental giants. Iffen one is too dumb to pour you-know-what outer a boot, ain't he apt to be too dumb to pour it in?

Little girls manage to jump rope and play jacks without all this fol-de-rol, so let the little boys play ball the same.

ROBERT LEE SCHOOL NEWS

Truth is: 'it sure feels good to win'

by Bill Burns

"It's not if you win or lose, but how you play the game". "You played your best and you can be proud of that." These are truly words of wisdom. There is truth in both of these sayings and they have their place in our society, but there is another truth. It really hurts to lose, and it sure feels good to win. Way To Go Steers.

1st Quarter

Lake View won the toss and elected to receive. They returned to the LV 20, moved the ball well, and got a 1st at their own 41. They ran two plays and the Steers knocked the ball loose to recover at their own 46 yard line.

Robert Lee made a 1st at LV 40 on their 1st posses-

sion, then another at the LV 23. LV then held and RL tried a field goal. The attempt failed. LV took over at their own 20 and got a 1st at the LV 30. The Steers held and LV punted. Tim Garringer took the ball at the Steer 33 and with some good blocking he raced 67 yards for RL's first TD. Skipworth kicked the extra and the score was 7-0 RL.

LV received the kick and returned to the LV 25 yd. line, failed to make a 1st down and punted to the RL 33. After a return to their 45, the Steers went to work again. After two 1st downs, Robert Runnion completed a pass to Charles Sherrill for 40 yards and pay dirt. The

extra point attempt failed and the score was 13-0 RL. LV received kickoff and a good return gave LV the ball at their own 49.

2nd Quarter

LV has ball at their own 49. LV did not make a first, and had to punt. RL was called for clipping and the ball was placed on the RL 7. RL could not make a 1st and had to punt. LV started at the 50 yd. line, again were held by the Steers and kicked the ball away. RL put together a good drive mixing the pass and run game for four 1st downs and an 11 yard TD run by Skipworth. The extras were no good. LV takes kick and returns to their own 27 yard line. LV started a good drive and made four 1st downs. But time ran out with the score 19-0 RL's favor.

3rd Quarter

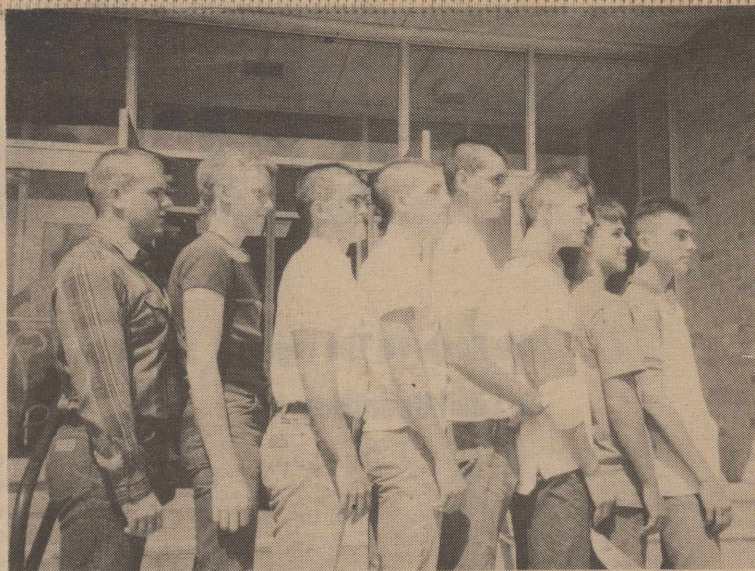

RL received the kickoff and started with the ball at their own 24. The Steers made one 1st down, but fumbled the ball, and recovered their own fumble losing 8 yards. Wes Hood connected for a good 45 yard punt. LV can't move the ball and punt back to RL. RL makes 3 first downs, but LV ends the drive with an interception, at their own 25. LV can't move the ball as the Steer defense is working real well. LV punted the ball to the Steer 45 yard line where the ball was fumbled and LV recovered. LV made one first down, but gave the ball back when the Steer defense held on 4th down, with two big 1st downs as the quarter ends.

4th Quarter

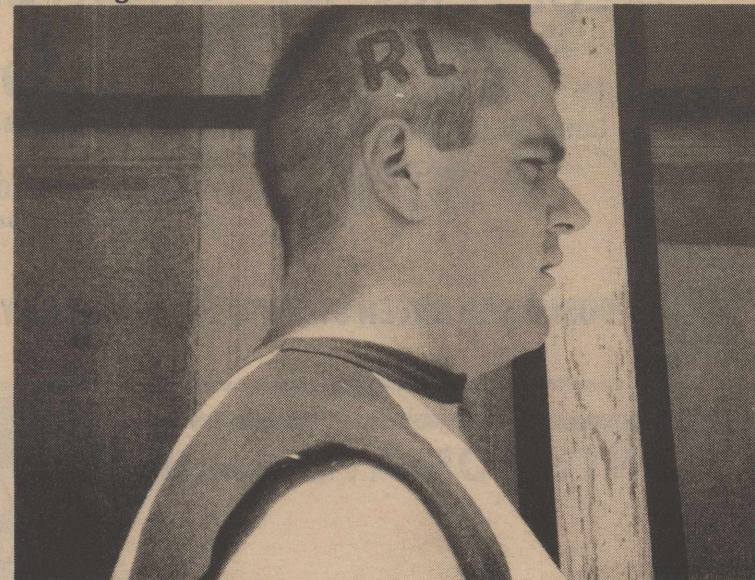

RL started with the ball on their own 7 yard line. A 5 yard penalty moved the ball back to the RL 12 yard line. Then Runnion hit Jason Herring for a TD, point after was good. LV received kick but fumbled with RL recovering at the LV 34. RL had to punt when they could not get a 1st down. LV returned the favor and RL had the ball at the LV 49. A penalty put the ball back 5 yards, but Runnion connected with Sherrill for the second time of the night and 55 yards later the Steers had another TD. The point after was good. The ball changed hands several times after that, but with no more scoring as the game ended, RL 33-LV 0.

purchased. There will be a drawing at halftime at each home game to determine the winner. You do not have to be present to win. Any questions or for location of tickets sales call 453-2503.

JOIN THE STEER SPIRIT EXPRESS!!

ROBERT LEE STEERS show their team spirit by this new and very unique hair design, which resembles a mohawk but on each side reveals RL or the players number. Pictured L to R are: J.P. Skipworth, Kelly Tomlinson, Wes Hood, Stevie Ebenstein, Curt Gardner, Jason Herring, Jon Rogers and Wes Horn.

IS THIS A FAMILIAR NOGGIN? It belongs to J.P. Skipworth, the Robert Lee Steer's 5'10", 195 Lb. Fullback and Middle Linebacker who is a Senior this year. J.P. could never be accused of not having team spirit, as is obvious by his new look of RL in orange and black on the right & #33 one the left. This is one Linebacker you don't want to mess with. GO STEERS!!!

According to some researchers, celery has negative calories. It takes more calories to eat a piece of celery than the celery has in it to begin with.

Homecoming plans made

Friday, September 26, has been designated as Homecoming '86 at Robert Lee School. Theme for this year is Back to the Future - Robert Lee, Past, Present, and Future.

School will be dismissed at 2 p.m. The annual Homecoming Parade will form behind the courthouse and start at 2:30. It will snake up Austin to 10th Street and end at the school. Anyone having a parade entry should contact Kenneth Rasco or Becky Clendennen.

At 3 p.m., the Pep Rally will blast-off in the school gymnasium, in preparation for the 8:00 football game. It will pit the Steers against the Garden City Bearkats. Homecoming Queen and King will be crowned during half-time ceremonies. Mr. and Miss RLHS will also be presented to the fans at that time.

The Robert Lee Ex-Students Association will host a short reception Friday evening, prior to the football game, from 6 to 7 o'clock. It will be held in the old school gym, according to spokesman Jeffie Roberts. Anyone wishing to help by making cookies, please contact her at 453-2957.

Although the bigger 3-year Homecoming, featuring a barbecue, numerous class reunions, and exe's dance, will not be held again until 1988, a good crowd is expected for the annual "coming home" and all former residents are urged to make plans for it.

Booster Club to sponsor raffle

The Robert Lee Booster Club will sponsor a raffle at all home games this year starting with Homecoming. **THE PRIZE!** The game ball which will be signed by all the Steer Players. The balls are being provided by Ernest Clendennen, Inc. and are the same ball the Steers play with, not a reproduction or cheap imitation.

This is not only a fund raiser for the local club but is a Spirit promotion as well. Tickets are now on sale and can be purchased at the club booth and at game entrance or at certain businesses in town. The price is a meager 50c a ticket and there is no limit to the number of tickets

BRONTE SCHOOL NEWS

Horns roll to easy victory over Hornets

by Mike White

The Bronte Longhorns rolled to an easy 42-0 victory at home Friday night over the Rochelle Hornets. Rochelle came in on a winning streak of one over Miles last week. It was the Hornets first win in four years. Rochelle had the size and numbers to provide tough competition but Coach Gene

Tutle had the Longhorns well prepared and it proved to be no contest.

Scoring for Bronte was led by Pete Puentez who opened the scoring with 8:51 to go in the 1st quarter. He pulled in a 70 yard TD pass from QB Stephen Lee and kicked the PAT. Other scores in the 1st quarter were Stephen Lee's 17 yard TD run, Joel Sand-

ers' 38 yd. TD run and Puentez 67 yard punt return. PAT was good only on Sanders' TD and the 1st quarter ended 26-0. In the 2nd quarter Lee found Cody Hartman for a TD pass and Puentez added a 23 yard field goal. Halftime score was 35-0. Third quarter scores were Lee's run for TD with PAT by Puentez.

Bronte's defense again proved invincible. They have allowed no score in the first two games of the season. The win gives Bronte a 2-0 record as they prepare for a real test against Menard this Friday. It will be the first district game. Rankings give Menard second place and Bronte third in district.

Bronte was able to give their second stringers a lot of playing time against Rochelle so the team as a whole should be well rested and ready for a great ball game against Menard. Kickoff is at 8:00 p.m. Friday on home turf. **COME OUT AND BACK THE LONGHORNS!**

Board meets in regular session

The Bronte School Board of Trustees met in regular session for a short agenda on Thursday, Sept. 11. The main order of business was setting the 1986-87 tax rate at .94, which reflects a 7% reduction from last year's rate.

The board further:

- * Heard reports by school principals.
- * Adopted the Texas Association of School Boards Update Policy 27.
- * Discussed TASB's property/casualty joint account.
- * Discussed participation in TASC's legal assistance fund.
- * Agreed to reward students in each class among four grade divisions having the highest percentage of attendance during October. The winning classes would receive a cola each Friday for six weeks as an incentive to establish and maintain good attendance.
- * Approved bills and adjourned.

Bronte volleyball action

Bronte High School volleyball action on the previous Tuesday eve had Bronte traveling to Merkel for freshmen, junior varsity and varsity games.

The varsity lost by small margins 10-15 and 13-15 with Carol Reyes serving 7 points for leading scoring honors. She also had 6 kills for the Lady Longhorns.

The JV only needed two games to salt away their victory with scores of 15-11 and 15-7. Kerri Bilbrey served 9 points and Tina Hines had 5 offensive kills.

The Freshmen team had to work a little harder and played 3 games before sealing another Bronte victory. Leading scorer was Michele Parker with 9 points. Their scores were 10-15, 15-7 and 15-5.

VARSITY

The Lady Longhorns participated in the Key City VB Tournament in Abilene this past weekend.

Their first match of the tournament was against host-school Abilene High. The Longhorns won a slug-gish first game 15-12. However, the Eagles won the next two games 9-15; 7-15 to send the Longhorns to the consolation side of the bracket.

The Lady Longhorns met a BIG team from Graham for their next match. This game proved to be the thriller of the tournament. Each of the three games was decided by 2 points. Bronte won the first 16-14; lost the second 14-16 and pulled out a 16-14 win in the third.

This win placed the team in the consolation finals against 5A Abilene Cooper. Once again it took the Longhorns 3 hard games to win, 15-12; 3-15; 15-12. Along with their hard-fought victo-

ries the girls earned the nickname "the comeback kids".

"It's nice to know that when their backs are against the wall, the girls can pull out a win. I just wish we wouldn't get backed up to begin with!" commented Coach Bryan.

Outstanding players for the Longhorns were hitter Tina Hines and Stella Puentez. Also contributing were Misti Taylor, Dorinda Scott and Kim Robinson.

The Lady Longhorns play Saturday at 1:00 in Brownwood. Their first home match is Sept. 27 at 1:00 against Brownwood. Come watch the "Comeback Kids" in action.

JR. HIGH

The Jr. High girls met Water Valley at the local gym Monday. The Shorthorns sent the Wildcats home with no wins. The Shorthorn "white" team won in two games. Sonja Salser had 12 points in the first game and Etta Babcock served for 12 points in the second. The "white" team's record stands at 20. The "maroon" team dominated by scores of 15-2, 15-7. Misti Golson was high server with 12 and in the second game Kristie Cooper had 7. Teresa Vaughn had 1 kill.

Notices to be mailed

The Notices of Concern will be mailed to parents by the end of next week.

Students and parents are reminded that tutorials are mandatory this year for all students not passing a course. The tutorials will be held each morning from 7:55 until 8:15 with teachers available.

Horn shirts on sale

Bronte Sports Boosters are currently selling long and short sleeve T-shirts and golf shirts. All have the Longhorn emblem. Prices are: \$11.95 for short sleeve T-shirts, \$13.95 for long sleeve and \$17.95 for the golf shirts.

Orders may be placed with Pat Lee at 473-4881 or Gina Grant 473-5201. These are great looking shirts and will be great moral boosters at

the ball games. Order yours today. Deadline for orders is Wednesday, Sept. 24.

Anyone wishing to join the Sports Boosters is invited to attend the meeting on Monday nights at 7:00 in the school cafeteria. Dues are \$5.00 per year for individuals and \$10.00 per year for businesses. Game films are shown and refreshments are served.

Monday, Sept. 22: Breakfast - Cereal, grape juice, biscuit, butter and jelly. Lunch - Pigs in the blanket, whole potatoes with cheese sauce, pork and beans and spiced applesauce.

Tuesday, Sept. 23: Breakfast - Rice, apricot halves and cinnamon toast. Lunch - Fish, macaroni and cheese, green beans and fruit cup.

Wednesday, Sept. 24: Breakfast - Scrambled eggs, grapefruit juice, biscuit, butter and jelly. Lunch - Spud Day, chili, baked potato,

lettuce-tomato salad, pear sliced, Topping, butter, chives, bacon bits, cheese, and chopped onions.

Thursday, Sept. 25: Breakfast - Cereal, fruit cup, biscuit, butter and jelly. Lunch - Chicken patties with gravy, blackeyed peas, buttered corn, and pink panther cake.

Friday, Sept. 26: Breakfast - Cheese toast and applesauce. Lunch - Hamburger, French fries, lettuce, tomato, and pickles, peanut clusters.

Diversity Club meets

The Bronte Diversity Club opened their new club year with a meeting in the home of Flora Smith. Mildred Thomason, Helen Tidmore and Mrs. Smith of the year book committee, served as hostesses.

Club president Frances Kemp presided over a business meeting, and Helen Tidmore distributed new yearbooks to the members. Programs for the coming

year were discussed. "Highlights of my summer" was the topic of the roll call. Vera Raney was winner of the floating prize.

The hostesses served refreshment plates to those above and Edith Hipp, Virginia Boatright, Ruth Hageman, Margaret Martin, Drexel Ragsdale, Louvenia Rees, Ona Hughes and Ruth Styles.

Marcatos visit parents

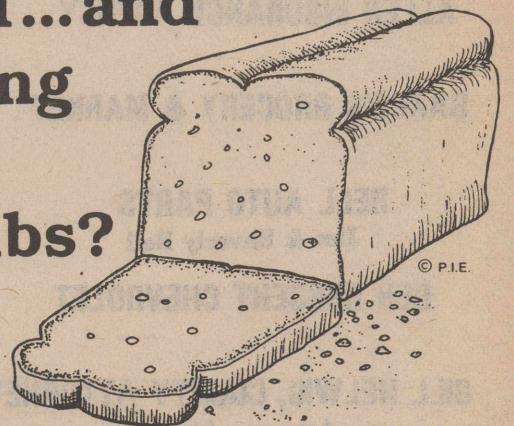

Mrs. Bob (Carolyn Kemp) Marcato, Bob and Robin, have returned to their home in Wilton, Conn. following a visit with her parents in Bronte, Cecil and Frances Kemp.

Carolyn recently received a Masters Degree from Fairfield University with a 3.85

grade point. She is a media specialist with the Fairfield County School District.

Carolyn was recently presented in concert in New Canaan, Conn. The concert included arias in French, German, Italian, English, art songs, folk music and religious music.

Are you making the bread...and getting the crumbs?

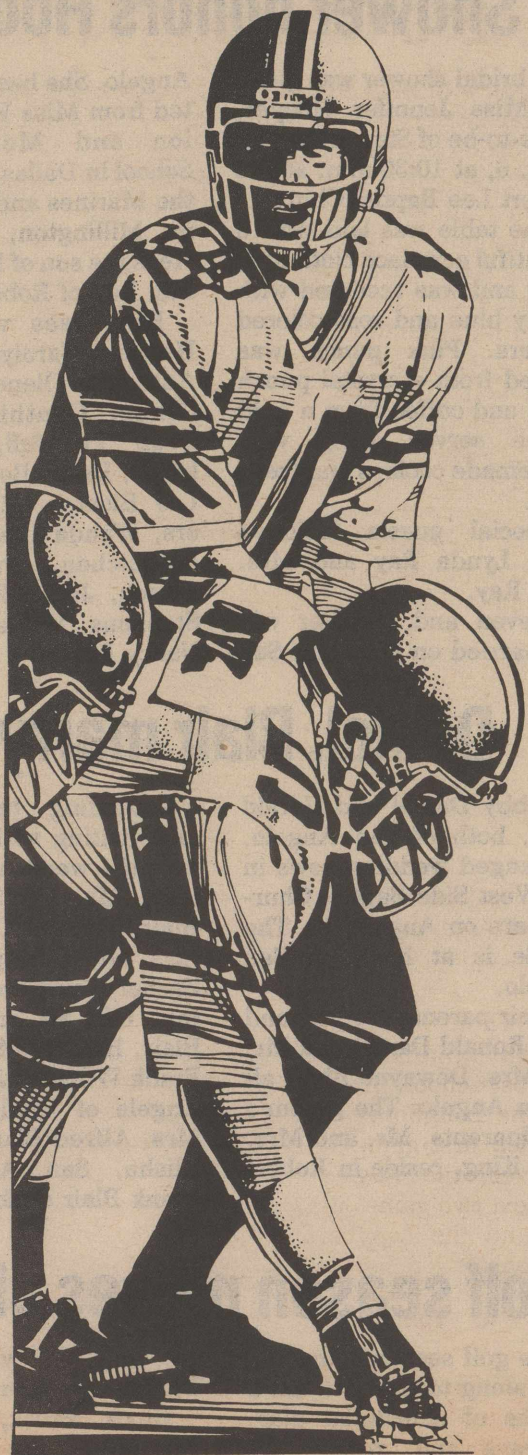

A regular savings program is the best way to make your dough rise.

If you're tired of making a good living only to end up with a few dollars . . . see us soon. We'll show you how to pay yourself first so your savings will grow to handle those unexpected emergencies or for your retirement.

Stop in soon and get the facts on how you can end up with the bread instead of the crumbs.

Hyche, Morgan wed in Fort Worth

Tia Louise Hyche and Sheldon Len Morgan were united in marriage Saturday, August 30, in the Polytechnic Baptist Church East in Fort Worth with the Rev. Terry Cosby of Bryan as officiant. Parents of the bride are Mr. and Mrs. Jerry Hyche of Ft. Worth and parents of the groom are Mr. and Mrs. Cotton Morgan of Bronte.

The bride was escorted by her father to an altar decorated with an archway entwined with greenery. Candelabra flanked the arch and baskets of greenery completed the altar decor. Special music was provided by J.D. Cooper, grandfather of the bride, who sang The Lord's Prayer.

The bride was attired in the traditional bridal gown worn by her mother at her wedding. It featured a lace bodice with a scalloped neckline and fitted mid-length sleeves. The full skirt swept from a dropped waistline and formed a chapel train. Her blusher veil of silk illusion was attached to a caplet headpiece. She carried a cascading bouquet of white roses atop the same white Bible carried by her mother at her wedding.

Shellie Gibbs was matron of honor and bridesmaids were Suzanne Spill, Pam Garrison and Stefanie Robbins. They wore mauve-hued gowns and carried pleated fans adorned with miniature flowers in the bride's chosen

colors.

The groom wore an ivory tuxedo and groomsmen wore silver tux. Cotton Morgan served as his son's best man and groomsmen were Sam Morgan, Darryl Jackson and Mark Ball. Ushers were David Hyche and Wayne Keele. Clay Cosby and Brandon Gibbs were ring bearers.

A reception was held following the ceremony. The bride's table was covered with a white lace cloth and white underlay. The table held a triple tiered wedding cake topped with bride and groom figurines. A silver candelabra contained white tapers and a centerpiece of slate blue and dusty rose silk flowers were featured along with crystal and silver appointments.

The groom's table was covered with a blue linen cloth and held a double-ring chocolate cake topped with slivered almonds. Coffee was poured from a copper coffee service. A western boot wreathed in barbed wire held an arrangement of silk flowers and formed the table centerpiece.

The rehearsal dinner was hosted by the groom's parents at the Homestead Restaurant in Ft. Worth.

The bride and groom both attended Bronte High School. They are home in San Angelo where the bride is a hair stylist and the groom is employed at M.L. Leddy Co.

Shower honors Hooper

A bridal shower was given for Miss Jennifer Hooper, bride-to-be of Steven Ray, on Sept. 6, at 10:30 a.m. at the Robert Lee Baptist Church.

The table was laid with a beautiful ecru lace cloth over navy and was accented with lovely blue and rose-colored flowers. Pink punch was served from a crystal punch bowl and coffee from a gold coffee server along with homemade cookies and fresh fruit.

Special guests included Mrs. Lynda Ray and Mrs. Stan Ray.

Steven and Jennifer will be married on Oct. 4 in San

Angelo. She has just graduated from Miss Wade's Fashion and Merchandising School in Dallas. Steven is in the Marines and is stationed in Millington, Tennessee. He is the son of Dr. and Mrs. Phil Ray of Robert Lee.

Hostesses were: Mary Herring, Carolyn Long, Jen Anthony, Olene Sims, Liz Gibbs, Cynthia Metcalf, Dean Percifull, Lee Richards, Dawn Boykin, Emma Lee Bickley, Mickey Flowers, Wanda Oleksiuk, Jerry McCutchen, Frances Henderson, Jeffie Roberts, Pat Stephens, Willie Hibbs and Nancy Rasco.

EMS to sponsor dance

The West Coke County EMS is sponsoring a benefit dance on September 27 from 8:00-12:00 midnight. The dance, featuring Larry Spivey and the Country Jokers, will be held at the Coke County Show Barn and will cost \$3.00 per person. Soft drinks will be sold at 50c a cup.

Another feature of the evening will be a bake

auction of goods donated by the good cooks of Robert Lee. A picnic table donated by Gregston's Welding and J & B Lumber will also be auctioned.

The EMS is an organization worthy of our community's support, and they are hoping for a large turnout. Make plans now to attend the dance and auction on the twenty-seventh.

Homemaking club meets

The Green Mountain Extension Homemakers Club met in the Robert Lee City Hall Sept. 9 with the opening poem, "The Never Old". Roll call was answered by Mrs. Lillie Gaines, Mrs. Bettie Page, Mrs. Marcella Blaylock, Mrs. Mildred Wallace, Mrs. Odessa Wallace, one guest, Miss Jan Hohensee, county extension agent, and the hostess, Doris Penny.

Mrs. Lillie Gaines reported on the trip to the museum

at Eola, then on to Miles for lunch with the senior citizens at the Opera House and the museum there.

Miss Jan Hohensee gave a very interesting program on the making and symbols of the dollar bill and how to spot counterfeit bills.

The next meeting will be in the home of Mrs. Mildred Wallace on Sept. 23 at 2 p.m. with Mrs. Beverley McFadden of San Angelo on Alzheimers Disease.

Winners noted

The following winners of Cumbie & Arrott Mercantile gift certificates were announced by store owner, Susan Arrott: Jolee Woodward, Jerrod McClure, Marissa Nelson and Kendra Taylor.

The gift certificates were awarded in drawings held in celebration of the recent grand opening of their children's department.

Johnny Page was released from a San Angelo hospital late last week following a stay which included a joint replacement to his hip. Page, who lives on Lake Spence where he is employed, has been bothered by back and hip problems for several years and is making a good recovery.

Golf season moves along

The golf season is moving right along toward the last 2 months of scheduled play. Fairways and greens are beautiful after the recent rains and are in good shape, not to mention more pleasant rounds in the cooler weather.

The big September 7, 3-man, select-shot tourney drew 29 teams to play for good prizes.

Selby, Herman and Carter topped the Championship Flight, firing a rock-bottom score of 90. They were followed by Talley, Roe, and Ramirez, who gained second on a playoff on #6, shot a 95. Also carding 95 for 3rd on

the play off were Taylor, Barnes and Hensley.

Brock, Brock, and Kingston shot a flat 100 to take the 1st Flight. Sitz, Whitting, and Clayborn grabbed second with 101 followed by Clark, Smith, and Meacham who also had 101.

The Second Flight saw leaders Morrow, Bivins, and Johnston squeeze by Doan, Doan and Day for 1st place when both fired a 102. Third at 104 went to Webster, Hatch, and Sparks.

An ABC on Sunday, Sept. 21, is the next action at the course. Entry fees of \$6 are required to tee off at 1 p.m.

Ceiling fans purchased

A group of Robert Lee senior citizens arranged the purchase of 8 ceiling fans for the large recreation hall last week. They were installed by the county and are now in operation. The heat has been oppressive in the large building this summer for all who have used it. The fans should

also be useful this winter on reverse operation to force the heat to the floor. Any citizen wishing to donate to

the fan fund may contact Mrs. Dennis (Lillian) Counts or Mrs. M.M. (Evelyn) Harmon.

Ambulance Service

The East Coke County Ambulance Service met in a regular business meeting Monday evening. They set up pager schedules for the month and gratefully accepted a fire extinguisher donated to the service by Pat and Sharon Hamilton of the Hit-chin' Post.

Next practice meeting will be held Monday, October 6 at 7 p.m. at city hall and the next business meeting will be on October 20 at 7 p.m. at city hall.

Club meeting

The Omega Coterie Club of Blackwell met Sept. 10 in the fellowship hall of the First Baptist Church. Mrs. Joyce Jones, vice president, presided in the absence of the president, Betty Totzke. The other new officers are Marie Romine, sec.-treas.; Bea Murray, reporter; Shirley Walston, parliamentarian; Margaret Stout, scrapbook; Lillie Mae Walters and Opal Jeffcoat, telephone committee.

Secret pal names were drawn for the next year and the secret pals from the past year were revealed. One new member was introduced, Mrs. Billie Roberts.

A covered dish luncheon was served from tables decorated in a back-to-school theme to Mrs. Laura Seale, Pearl Chilcoat, Verla Smith, Mildred Wood, Bert Smith, Margaret Stout, Emma Lee Lanier, Opal Jeffcoat, Joyce Jones, Lillie Mae Walters, Annie Pruitt, Billie Murray, Shirley Walston, Marie Romine, Bea Murray, Ollie Crain and one guest, Margaret Savage of Midland.

Next meeting will be Oct. 8.

-- Oak Creek Fishin' News --

News from Oak Creek,

Our neighbors in East Texas think they have the beautiful lakes but they don't have one thing on Oak Creek when it's full as it now is. If you haven't been to the lake you should come and see it for yourself. Bring your boat and take an hour or so and explore the creek area above the old railroad bridge. There are not many places like this in West Texas to see. You might want to put some fishing tackle in the boat for the fishing fever is easy to catch when you see what Oak Creek has to offer.

We here at the Sportsman's Lodge have had a number of retired folks from all over West Texas come with their RV's and spend several days the past month or so. One reason they are coming is the excellent crappie fishing and another is the pleasant atmosphere and a good place to meet and make new friends. In this old busy world this is a difficult combination to find these days.

The fishing is coming on now that the water is clearing from the heavy rains that not only filled but sent the water 14 inches over the spillway. The new water covered ground that had been growing vegetation a number of years and these new areas hold a lot of fish. Glenn Benson of San Angelo landed the top bass over the weekend with a real beauty going 6 pounds 5 ounces. We failed to get his partner's name but he got a nice bass also going 5.2. I will give you a little first hand information - Darlene and I have been going out about an hour before sundown and catch-

Grass seed demand rises

If you have grasses or forbs that can be harvested for seed this fall, you might make a bundle of money.

That's because at least five million pounds of seed will be needed to plant 1.1 million acres of land accepted in the Conservation Reserve Program in Texas this year.

And with another sign-up expected this winter, the demand could be even greater.

Eph Cummins, district conservationist for the USDA Soil Conservation Service at Robert Lee, said several

kinds of seed are needed.

"There is going to be a strong demand for both native and introduced species," Cummins said. "And the seed will probably bring premium prices."

Some of the grass seed needed include native blue-stem mixtures, little blue-stem, Indiangrass, switchgrass, sideoats grama, Kleingrass, King Ranch bluestem, and green sprangletop.

Since land placed in the CRP can be leased for hunting, seed for wild plum and forbs including Maximilian sunflower, Illinois bundleflower, and Engelmann daisy will probably be in very short supply.

"If you have land that can produce any of these seeds and it can be harvested, now is the time to act," Cummins said. "Removing all livestock from the land will give it a chance to produce a seed crop. 'You may also recommend that you contact a commercial seed grower to learn if you can work out a contract for handling the seed.'"

Richard Heizer, state plan materials specialist for SCS at Temple, has offered to serve as a clearing house to put farmers and ranchers who can harvest seed this year in contact with members of the Texas Seed Trade Association. For information, write Richard Heizer, Soil Conservation Service, 101 South Main Street, Temple, Texas 76501-7682, telephone number (817) 774-1294.

LOOK WHO'S NEW

Greg and Lisa Pearson of Robert Lee were happy at the arrival of their new daughter, Regan Danielle, on Wednesday, Sept. 16. She was born in Angelo Community Hospital at 12:21 p.m. weighing 7 lb. 9 oz. and measured 19 1/4 inches long.

Her brother, Allan is 2 1/2 years old. Lindy and Yvonne Devoll and Frank and Sharon Pearson, all of Robert Lee, are her grandparents.

ing anywhere from 10 to 15 bass on top water baits every time we go. If you enjoy fishing it just doesn't get any better than this.

Like to go after the big fish with a trotline? It's time to set it and bait it. The big blue cats are on the move again, being caught in deep water which means the big yellow cat also will be feeding. Dan Hayes of Blackwell got several nice catfish on his trotline this past week with the best being a 7 pound blue.

We had a Lubbock family here last week that dressed over a hundred crappie and several nice catfish caught on rod and reel.

We just thank the Lord for the water he sent for it's nothing but a blessing any way you turn the coin.

OCTOBERFEST

Where can a person over 55 "get-away" for:

- three days and nights of fun-filled activities
- learning opportunities
- fantastic food and special events in
- natural lakeside surroundings -- with all the modern conveniences?

There may be other places in Texas that offer such fare, but not many can match "Octoberfest", an Extension Camp for People 55 and Over. Five sessions are scheduled for this fall - Sept. 30-Oct. 3, Oct 7-10, Oct. 14-17, Oct. 21-24, and Oct. 28-31.

Teachers honored

Monday, September 15, 1986, the teachers of Robert Lee ISD were honored by the parents of the students attending the 1986-87 school year. The group planned the reception because they feel fortunate to be able to have such a wonderful staff of teachers in Robert Lee.

Punch and refreshments were served as the parents and teachers got acquainted. Approximately 200 guests attended.

Some of the featured educational presentations will include: Insurance options, cooking demonstrations, family life, gardening, health, wardrobe coordination, food and nutrition, and plant survival tips.

Although each camp is different, they all offer a variety of learning centers to give "hands-on" experience in areas such as oil painting, wind chime making, archery, needlecrafts and chair caning.

Participants will also have opportunities to go for boat rides, nature hikes, or fish on the waters of Lake Brownwood. Card and table games, tennis, horseshoes, billiards, and volleyball will be available at all times.

Evenings will be filled with such special social events as dances, a special theme party and games.

Each camp is limited to the first 100 participants and cost is only \$85 per person for 3 days of activity, so contact your county Extension agent, Jan Hohensee, for details now!!

Getaway to "Octoberfest" --- stretch your dollars and your mind.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Currently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

mium. This amendment will allow mutual insurance companies and stock companies to bid for life and health group policies of political subdivisions. Public liability will be limited to the payment of premiums specified in the contract.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would repeal the prohibition against branch banking by state banks and would allow state banks and national banks domiciled in this state to establish and operate banking facilities at locations within the county or city where they are domiciled. The amendment would also authorize the Legislature to permit a state bank or a national bank domiciled in this state to engage in business at more than one place if it acquires a failed state bank or national bank domiciled in this state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions provided by law."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 4 de noviembre de 1986. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

AN ORDINANCE LEVYING A TAX RATE FOR THE BRONTE INDEPENDENT SCHOOL DISTRICT FOR THE TAX YEAR 1986-87

Be It Ordained and Ordered by the Board of Trustees of the Bronte Independent School District that

We, the Board of Trustees of the Bronte Independent School District, do hereby levy or adopt the tax rate on \$100 valuation for this school district for tax year 1986-87 as follows:

\$.94 for the purposes of maintenance and operation

\$0 for the payment of principal and interest on debt of this city

\$.94 total tax rate

The tax-assessor-collector is hereby authorized to assess and collect the taxes of the Bronte Independent School District, employing the above tax rate.

The above ordinance and order was passed by the Board of Trustees of the Bronte Independent School District on this 11th day of September, 1986, and was executed in duplicate.

The Tax Rate for the Bronte Independent School

District has decreased from \$1.17 to \$.94 over the past three years even though the state and national economy has seen a budget crisis. The .94c tax rate represents a 7% decrease from the 1985-86 tax rate of \$1.01 and a 20% overall reduction of the tax rate from the 1983-84 tax rate of \$1.17.
6b-1tc

Robert Lee, TX. 76945

Several times we have discussed the difference between "Certified Mail" and "Registered Mail". There is still a lot of confusion about the two. I really can't think of any catchy little words to describe them but if you will try to remember that if you want to get a return receipt for something you mail-- you CERTIFY it to get proof of delivery. The article must go first class and the return receipt in any case is 70c.

A registered article is something of value such as negotiable bonds, money or checks that might be cashed by anyone. You can get a return receipt for registered mail but it is not really

FALL ARMYWORMS CAN THREATEN LAWNS, PASTURES

Fall armyworms left uncontrolled can wipe out entire lawns and cause heavy damage to pastures.

Lake Spence Fishing News

PAINT CREEK MARINA

Richard Bogart, 3 striper, 10 lb., 3 lb. and 10 lb., 1 black bass, 1½ lb., 3 white bass.

Bobby Vieth, Odessa, 40 catfish up to 3 lb., 2 striper, 5 lb. and 9 lb.

A.J. Leck, Fort Stockton, 1 blue cat, 8½ lb.

Jay Mullins, Lamesa, 2 striper, 8½ lb. and 15 lb.

Clay Kemper, Lamesa, 1 striper, 13¾ lb.

Dick Lamb and family, Westbrook, 70 white bass, 6 channel cat, 20 blue cat up to 5 lb.

William Mayes & Steve Brown, Odessa, 2 yellow catfish, 12½ lbs. and 34 ½ lbs.

Dan Smith, Colorado City, 1 black bass, 5¼ lbs.

Joe Taylor, San Angelo, 1 striper, 6½ lbs.

Rick Robinson, Paint Creek, 2 striper, 8½ lbs. and 13 lbs.

Earl Armstrong, Midland, 1 black bass, 3 lbs. 9 oz.

Cobe Bratton and The Coffman Family, Big Spring, Houston, and Deming, N.M., 65 blue and channel cat up to 5 lbs.

Louis Perez (Agelo), Abilene, 14 channel cat up to 2 lb.

Gale and Shirley Barnett, Seminole, 2 striper 12 lb. and 14 lb.

Mike and Missy Hand, 1 channel cat, 1¼ lbs., 1 blue cat, 2 lbs.

Don Blair, Paint Creek Marina, 1 yellow cat, 8½ lbs., 2 blue cat, 2½ lbs. and 8½ lbs.

necessary. The fees are determined by the VALUE of the article. Whereas certified mail costs 75c, registered mail may cost from \$3.60 upward to several hundred dollars.

Certified mail is mixed in with other mail but registered mail is handled person to person and is signed for by each person who handles it. It is the safest way to send anything. It is always sealed and put in a locked pouch for transportation to its destination.

I will try to discuss other services each week and if you have any questions stop by the post office or call me between 8:00 a.m. and 5:00 p.m., Monday through Friday.

COUNTRY AGENTS NEWS

by Tommy Antilley

While fall armyworms have been light this year, the pests often increase following a local or general rain. They prefer to feed on well-fertilized lawns and other lush grasses.

Frequent and careful in-

spections to locate infestations before extensive damage occurs are suggested. Control measures are most effective against young larvae (worms).

Fall armyworm adults are ash gray moths with mottled forewings which have irregular white or light gray spots near the extreme tip. They lay batches of white eggs on foliage which hatch in about five days. Young larvae are white with black heads. They become darker in color as they grow older and can devour forages and lawn grasses.

Larvae are about 1½ inches long at maturity and light gray to almost black in color with several light stripes along the body. The front of the worm's head is marked with an inverted white "Y".

Worms are full grown in two to three weeks and then burrow an inch or two into the soil to pupate. Moths emerge 10 days to two weeks later and the cycle repeats. There may be as many as six generations a year, and it's common to find various sizes of larvae infesting pastures at any one time.

Pesticides labeled for control of fall armyworms in lawns are carbaryl (Seven 80 percent wettable powder and Seven XLR), malathion, diazinon (Spectracide), Dylox and various products containing Bacillus thuringiensis.

Use sufficient water for complete coverage. Also, read the insecticide label for rates and follow all directions, instructions and restrictions.

The information given herein is for educational purposes only. Reference to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Cooperative Extension Service is implied.

Did you know?

The Salvation Army is not an American organization. It was originated in 1865 in London, England by a Methodist minister named William Booth. It was originated as "The Christian Mission" and was intended to carry on evangelical and social welfare work in the slum areas of London. It took on its quasi-military lines and the name "Salvation Army" in 1878 and became an international organization around 1880 when a group of its members came to the United States.

Turner elected to cmte.

Tim Turner, a lamb producer from Water Valley, was elected vice chairman of the Lamb Committee, a division of the Chicago-based National Live Stock and Meat Board, at the organization's 64th annual meeting recently in Indianapolis.

Turner, who also is a veterinarian, has served on the Meat Board's committee on organizational policy, the nutrition research committee and the lamb revenue development task force. He has been a Meat Board director since 1984.

The Lamb Committee of the National Live Stock and Meat Board is responsible for lamb research and meat education/information programs. The Meat Board is an industry-wide coalition of

Tim Turner

livestock and meat industry interests that has been working to build consumer demand for red meats and meat products through industry checkoffs since 1922.

Reserve bids accepted

Bids on 827,991 acres of land in Texas were accepted by the Agricultural Stabilization and Conservation Service in the U.S. Department of Agriculture's latest Conservation Reserve Program signup for 1987. Bids were accepted from 2,953 farmers.

The state was divided into seven bidding pools. The highest bids accepted from pools 1 and 2 was \$40.00 per acre on 769,656 acres. These two pools make up the western one-third of the state.

Bids of up to \$35.00 per acre were accepted from pool 3 on 5,019 acres. This area includes Central Texas west of the Texas Blacklands.

Bids of up to \$40.00 per acre were accepted on 33,025 acres in pools 4, 5, and 6. This area includes the Texas Blacklands, East Texas, and part of Southwest Texas.

Bids up to \$55.00 per acre were accepted from pool 7 on 20,923; this pool covers the Coastal Prairie and the Lower Rio Grande Valley.

Bids have now been accepted on a total of 3,086 farms totaling 1,137,454 acres. The latest signup period, August 4-15, follows earlier ones held in March and May.

Cropland that is in Land Capability Class VI, VII, and VIII or land that appeared to be eroding at greater than 3.5 times the tolerance level at sign-up time is automatically accepted. Land that appeared to be eroding between 2.5 to 3.5 times the tolerance level was declared questionable; Soil Conservation Service personnel will determine final estimated erosion rates on a field by field visit to this land.

Any questionable land that is determined to be eroding at an estimated rate of more than three times the tolerance level with an acceptable bid will be placed in the reserve.

In determining estimated erosion, SCS personnel use the Universal Soil Loss Equation for water erosion

and the Wind Erosion Equation for wind erosion.

SCS conservationists are now in the process of preparing conservation plans on land accepted in CRP. Cropland will be planted to grasses and legumes, wildlife plantings, windbreaks, or trees.

For land accepted into CRP, farmers will receive their per acre bid annually for ten years. They will also receive 50 percent cost-share assistance for establishing permanent vegetation or trees.

Comments on provisions extended

The closing date for comments on the proposed highly erodible land and wetland conservation provisions -- commonly referred to as cross-compliance, sodbuster and swampbuster -- of the Food Security Act of 1985 has been extended from August 26 to October 25, the U.S. Department of Agriculture has announced.

These provisions are designed to reduce soil loss due to wind and water erosion; protect the nation's long-term capability to produce food and fiber; reduce sedimentation and improve water quality; assist in preserving the nation's wetlands; and lessen the incentives to produce agricultural commodities on highly erodible farmland.

The comment period was extended because of the complex issues involved in implementation of the new provisions.

Comments should be sent to: Director, Cotton, Grains, and Rice Division, USDA/ASCS, P.O. Box 2415, Washington, D.C. 20013, and must be received on or before October 27 to be assured of consideration.

DON'T FORGET! We do all types of job printing. No job too large or small. Observer/Enterprise - Bronte & Robert Lee.
