eran in the resort business having been associated with several of the world's large operations in the United States including Hawaii, and Tahiti, is executive director of the entire Sandollar complex as well as president of the Cliff-San Corporation which has The Sandollar Resort Motel Spa.

The spa is under a long term lease from its owner, Jack Sanders, Sr., a well-known artist in the Southwest and a former professional football player for the Pittsburgh Steelers and collegiate grid star at Southern Methodist University in Dallas.

"It is with great pleasure that I announce the leasing of The Sandollar Resort Motel Hotel to the Cliff-San Corporation," Sanders said. "I know that the new corporation is going to provide something really special for people from all over the Southwest and even the nation. It is the answer to what I know many business and professional people will find most beneficial and I know the new Sandollar Resort Motel Spa will enhance the economy and attraction of this great Coastal Bend area. It is something of which everyone can be proud."

"Once a guest arrives at The Sandollar, he or she will immediately feel they are in another world," Ratcliff said. "Our one goal is to make that

Golf Results

Thirty-three players participated in the Scotch foursome tournament at Live Oak Country Club Sunday.

Finishing in first place at eight under par was the team of Dale Hagy, O. D. McCoy, George Wilhelm and Cleo Barr.

Two teams tied for second and third at seven under par. After a playoff, second prize was won by the team of St. Petty, Bill Barr, C. V. Reid, and Norma Hagy.

Third place went to the team of Don Vance, Sam McCleese, Garvin Mitchell and Ollie Rogero.

There will be a Scotch four-some tournament Sunday, Jan. 31 with tee-off time at 1 p.m.

LULACS

The Rockport Lulac Organization meet every Wednesday night at 7 p.m. at the Sacred Heart School building. Visitors are welcome.

Pirates Continue Winning Streak

The Rockport-Fulton Pirates continued their winning ways with two district wins last week, running their season's record to 13-5, and 4-0 in district play.

The stage is set for the big games this week in Woodsboro and Ingleside. The Woodsboro Eagles are also at 4-0 in district play as the Pirates go to the Eagles' home court for a Tuesday night game.

Tomorrow night the Pirates go to Ingleside to play the Mustangs. The Pirates have handed the Mustangs two losses earlier in the season, once in a tournament, and once in district, but Ingleside plays extremely well on their home court. The Pirates have also dropped a game to the Eagles in the final game of the "Toast of the Coast" tourney, so as this week moves along, the Pirates will have their hands full.

This past week the Pirates used outstanding performances by big Steve Mayes to secure victories over Calallen and George West.

In the game against Calallen Mayes hit for a season's high of 26 points and dominated the boards as the Pirates squeaked out a win in the last period of play 60-54. John Vick was the second highest scorer with a total of 14 points.

Last Friday night the Pirates hosted the tough Longhorns from George West, and trailed the Horns at the end of the half. Again it was Mayes leading the way with 22 points, and another strong game on the boards. Donnie Setterbo was the only other Pirate in double figures with 13 points, although Clay Gillis added four baskets, three of which came as rebound shots when the Pirates needed big baskets.

As the Pirates go into this week's action, Mayes is the team leader in scoring with 263 points for a 14.6 average per game. He is followed by Setterbo with 236 points (13.1), Vick with 196 (10.9), Mike McCaskey with 157 (8.7), and Gillis with a total of 105 points and a 7.0 average for the 15 games he has played.

The Pirates' bench has added 71 points to the team's total with Barre (41), Lamar (17), Arispe (7), Beasley (3) and Little (3) joining in.

The Freshmen Pirates suffered two setbacks in last

week's games against Calallen and George West. Warren Gerding led the way in the Pirates' efforts with 14 and 12 points in the games for the only player to hit double figures in the games.

On the other hand, the JV ran their season's record to 8-4 as Tommy Stroot poured in 17 and 13 points in the victories. David Farnham added 12 points in the win over Calallen.

Questionnaire

Deadline Explained

With January 15 deadline for filing annual income questionnaires (AIQ) drawing near the Veterans Administration is urging 275,000 pensioners to get them in the mail immediately.

The 275,000 pensioners fighting the deadline are the last of 1.1 million veterans, widows and parents drawing pension who have not returned the forms mailed with their November 1, 1971, checks. VA officials said 900,000 beneficiaries have returned the AIQ's which provide information the agency needs to determine pension payments for this year.

They noted that beneficiaries that fail to provide the information could, under law, forfeit this year's benefits, and could also be required to refund last year's payments.

Pensions are paid to about 2.3 million veterans totally and permanently disabled from non-service causes and to widows and children of veterans who die of such causes. Dependent parents of veterans who die of service-connected disabilities may also be eligible for dependency and indemnity compensation, officials explained.

Veterans and dependents who need help with the AIQ's are urged to contact the nearest VA office or local veterans service organization.

Fix-It Tip

Sometimes a storm door will get caught in the wind and bang back and forth until the hinges are sprung and you find yourself with a door you cannot close. Loosen the screws in the hinges until you can get the door closed, then tighten them again. Plan to use another door for a time until you can replace the hinges.

Fishing Report

Charter Boat Captain Jimjo (Jim Hanzlik) reported the following catches:

Jan. 22, Mrs. Hugo Allen and party caught 129 nice trout. Jan. 23, Stuart Party caught over a 100 trout. Some school trout; but some larger ones also.

Jan. 24, Dr. Syler and Mr. Ransmidth (from the Syler clinic in Arkansas) caught over 50 excellent trout.

Pouze's Pier reported excellent catches over the weekend, with some really large fish beginning to show up.

Copano Causeway said a lot of strings of trout, sheepshead, and drum have been caught. Some real tackle-busters around the lights breaking lines. Carl Duckworth (Surf Motel) reports pier fishing good--off and on.

Monday night brought in some nice trout under the lights, with only a few of his guests there to catch them.

Kleine's Rattlesnake Fishing Camp reported the following catches:

Pat Green and Mr. Sharpe caught 16 good trout, one nice red.

Jake Simms and Charlie Ross of Oklahoma, caught a heavy load of big trout.

Fred Anderson and Frank Cerman caught some nice reds and one trout 6 1/2 pounds. Jack Fisher and his friend Willie, caught 60 nice trout. Mr. and Mrs. Floyd Self of Buda, Texas caught 23 nice trout that dressed out to 40 pounds.

Eddie Castillo and son caught a lot of good trout and drum. Ted Koterba & Hykins Stavinaha and L. A. Miles of San Antonio caught 176 trout and drum Saturday night. J. A. Wyatt caught 7 reds (largest 11 lbs.) and some trout up to 6 1/4 lbs.

Live bait is available, and producing the largest fish...If you have the fishing pox, the only cure...is to go fishing. Let's do go fishing. Call in your reports to 729-6012.

Tourist Ass'n News

January 24th, movies were shown at the Paws & Taws Building. Two films were shown, furnished by the Texas Parks & Wildlife. Red Koch, owner and operator of the Sea Foam Motel, handled the projection equipment. Our thanks

to Red for a job well done.

Mary McKnight announced future activities. She and husband Hal own and operate the Reef Motel in Fulton.

Pat Lister, (Sea Gull Motel), Dorothy and Joe Queen (Harbor Lodge), Lila and Dee King (Sun Tan Motel), were all there helping with the guests. Pat (Bay Shore Cottages) was there as usual in the refreshment department.

Approximately 200 people viewed the show and all enjoyed it.

Next week, January 31st, Pot Luck Supper will be held at the Paws & Taws Building...supper will be followed by dancing. Please plan to attend, bring a dish of your specialty, and come to eat--eat, then dance off the calories before leaving...See you there.

City Council Minutes Listed

Following are the minutes of the Jan. 4 City Council meeting:

The City Council met in Regular Session on Tuesday, January 4, 1972, at 7:30 p.m. Those present were Mayor Delmar R. Hiller; Aldermen Charlie Garrett, N.F. Jackson, Joe Zambrano, Murray McMillan; City Secretary/Tax Assessor/Collector Herman C. Johnson; Assistant City Secretary Helen G. Braffett; Director of PW Tom Shults; City Attorney William H. Bloch; Chief of Police Everett D. Taylor; and Reporter J.R. Kinsey. Visitors Laddie T. Janeczek, Judge J. Paul Rogers, David B. Connery, Jr., and Arthur C. Roloff.

The meeting was called to order by the Mayor.

Judge J. Paul Rogers, Municipal Judge, administered the Oath of Office to Murray C. McMillan who was appointed Alderman of Ward 2 to fill the unexpired term of "Tony" Harden.

The minutes of the Regular Meeting of December 21, 1971, were presented for approval. Mr. Jackson moved that the minutes be approved as amended, including policy set by City regarding street paving. Mr. Zambrano seconded the motion. All voted in favor, Motion carried.

Mayor Hiller read the following letter:

"Holiday Lodge Motel
1403 Rath
Rockport, Texas
Jan. 4, 1972

Rockport City Council
Rockport, Texas

Gentlemen:

It has come to my attention that the city council has given tentative approval of closing Cherry Street and opening of Maple Street, between Hiway #35 and Broadway, subject to approval of plat to be presented by "developer" indicating requested utility easement and curb and gutter and street construction. Our property, lots 15 and 16, block 310, Smith and Wood Division, abutts the North line of Maple Street right-of-way, which at present is 100' wide. It has been pointed out to the City of Rockport that 100' right-of-way is considerably more than required for a street and it has been suggested that better use should be made of unneeded portions of street right-of-way in the city. By adding some of these portions of land to the private property tax rolls, it increases the City's tax base as well as reduces City maintenance costs.

A large grove of beautiful live oak trees occupy the North 1/2 of Maple Street right-of-way running between Blocks 308 and 310. The City should be concerned with the preservation of this natural live oak grove. Accordingly, I would ask the Council to grant one of the three following requests:

(1) Primarily: to reduce the present right-of-way of Maple Street running between Blocks 308 and 310 from 100' to 60', retaining the present center lane and making the new right-of-way 30' each side of this center line. The remaining 20' of original right-of-way abutting Block 310, and the 20' abutting Block 308, to be abandoned and the abutting land owners to have such rights as are generally recognized by law to abutting landowners on abandonment of a portion of a street.

Or (2) secondary: If, for any reason, the landowners of Block 308 do not wish to participate as set forth in primary request, then, I request that the present South line of Maple Street right-of-way along and abutting Block 308 be retained, that the over-all present right-of-way be reduced from 100' to 60' and the remaining 40' of the original right-of-way abutting Block 310 be abandoned and the abutting landowner to have such rights as are generally recognized by law to abutting landowners on abandonment of a portion of a street.

Or (3) Thirdly: It is my hope that one of the two above requests will be granted, but in any event they are rejected, then with the original 100' retained, I request that the opening and construction of Maple Street and curbs and gutters be made adjacent to the South line of the present right-of-way along Block 308, for the following reasons: This is the traveled road along Block 308 that has been in use for a long time by City vehicles and others. Maple Street can be constructed adjacent to the South right-of-way line without the loss of one live oak tree. The City will have less construction costs along the South right-of-way line as tree removal will not be required.

I will appreciate it if the Council will give these requests due consideration and advise me of their decision at any early date.

Thank you,

Yours very truly,
S/ Arthur C. Roloff"

Matter was discussed. Council agreed that Mr. Shults should not proceed with work regarding opening of Maple Street until plans are presented by developer and reviewed and approved.

With reference to the blinker school speed zone signs requested recently by Parent-Teachers League, Mayor Hiller read the following letter received from the Texas Highway Department:

"December 31, 1971

Dear Mayor Hiller:

In reply to your letter of December 15, 1971, the Highway Department grants the City of Rockport's request for a school speed zone of 25 miles per hour on F.M. 2165 between S. H. 35 and Orleans Street.

In granting this request, the Department requests the following restrictions be adhered to:

1. The speed to be in effect only as indicated by a flashing blinker School Speed Zone sign.
2. The time of the blinker operation to be coordinated to the movement of school children to and from school and NOT in operation during hours the children are in class, on week ends or on holidays.
3. The sign to be installed and maintained entirely by the City of Rockport.
4. The City enact an Ordinance establishing the 25 MPH speed zone and furnish the Highway Department two certified copies of the Ordinance.

In regard to the changing of the speed zone, in the vicinity of the High School on S. H. 35, this office will need an official letter from your office requesting a speed zone check for the specific area, then your request can be enacted upon.

Please feel free to contact this office at any time on traffic questions.

Sincerely yours,
Travis A. Long
District Engineer

By: S/ B. E. McGuill, Jr.
Sr. Traffic Engineer
District 16"

The Mayor informed Council that cost of these blinker speed signs is \$233.00 each plus installation. Matter discussed. It was suggested that new signs be installed on Highway 35 and the signs now on Hiway 35 be installed on FM 2165 between Orleans Street and Hiway 35.

Mr. Jackson moved that Mr. Shults be authorized to order two blinker signs to be installed on Hiway 35 near Rockport Elementary School, blinker signs taken down to be installed on FM 2165, at a cost of \$466.00 for new signs plus installation of same plus painting of old signs and installation of same on FM 2165. Mr. McMillan seconded the motion. All voted in favor. Motion carried.

Council agreed that Hiway Dept. be contacted regarding re-

quest for a survey to be made by them relative to changing of the speed zone in the vicinity of the High School.

Mr. Laddie Janeczek of the First Southwest Company, Fiscal Agent for the Sewer Treatment Plant Project, presented to Council the Application to the Texas Water Quality Board for Financial Assistance for Construction of this project. Total cost is estimated at \$264,550, original application was for \$258,550. The difference of \$6,000 is for legal and financial fees not included in original application. Mr. Janeczek stated that he had written to Mr. Gene Urban requesting him to submit an amendment to the original application to increase the estimated cost by \$6,000. Application had been reviewed by the City Attorney, Mr. Bloch, and Mayor Hiller and same was found to be satisfactory for signing.

Mr. Janeczek read the following Resolution, proper notice of same having been posted as required by law:

"A RESOLUTION by the City Council of the City of Rockport, Texas, authorizing application for a loan from the Texas Water Quality Board; enacting provisions incident and relating to the subject and purpose of this resolution.

WHEREAS, the State of Texas is authorized to make loans to public bodies to aid in the financing of the construction of sewage treatment plants and outfall mains; and,

WHEREAS, the City of Rockport is making application for assistance from the federal government in connection with the project and under applicable law, this application is proper; now, there,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

Section 1: That the Mayor be, and he is hereby authorized to request said loan from the Texas Water Quality Board in the amount of 25% of the cost of said sewage improvement, such loan to be in the amount of \$70,000.

Section 2: That the Mayor be, and he is hereby authorized to execute and file an application on behalf of the City of Rockport with the Texas Water Quality Board for a loan to aid in financing the construction of a sewage treatment plant and sewer outfall mains.

Section 3: That the Mayor, Delmar R. Hiller, be, and he is hereby designated the authorized representative of the City. Further, that he furnish such information as the Texas Water Quality Board may reasonably request in connection with the application which is hereby authorized to be filed.

Section 4: The Consulting Engineer, Urban Engineering Company, be, and he is hereby authorized to appear before the Texas Water Quality Board on behalf of the City and this loan application.

PASSED AND APPROVED, this the 4th day of January, 1972."

RESOLUTION AUTHORIZING APPLICATION FOR LOAN
FROM TEXAS WATER QUALITY BOARD

THE STATE OF TEXAS)
COUNTY OF ARANSAS)
CITY OF ROCKPORT)

ON THIS, the 4th day of January, 1972, the City Council of the City of Rockport, Texas, convened in regular session at the regular place thereof in the City Hall, the meeting being open to the public and notice of said meeting, giving the date, place and subject thereof, having been posted as prescribed by Article 6252-17, Section 3A, V.A.T.C.S., there being present and in attendance the following members, to wit:

Delmar R. Hiller, Mayor; N.F. Jackson, Joe "Pepe" Zambrano, Charlie Garrett, Murray C. McMillan, Aldermen; Herman C. Johnson, City Secretary; and with the following absent: None, constituting a quorum; and among other proceedings had were the following:

The Presiding Officer introduced the following resolution:

"A RESOLUTION by the City Council of the City of Rockport, Texas, authorizing application for a loan from the Texas Water Quality Board; enacting provisions incident and relating to the subject and purpose of this resolution."

Mr. Jackson moved that Council adopt the Resolution. Mr. Zambrano seconded the motion. All voted in favor. Motion carried.

With reference to the Market Street Project Mayor Hiller read the following letter received from the Texas Highway Department.

"December 30, 1971

Mr. Herman C. Johnson
City Secretary, City of Rockport

Dear Mr. Johnson:

Attached is an escrow agreement for the City's share of the construction cost along Market Street in Rockport. The City's share is a fixed amount of \$40,700.

This project is tentatively scheduled for a February letting; therefore, we request a warrant from your office in the amount \$40,700 made payable to the State Treasurer, Account of Trust Fund No. 927. This warrant should reach this office not later than January 20, 1972.

Please execute the escrow agreement and return it to this office for our further handling. After it is executed by the Highway Administration you will receive a duplicate original for your files.

Sincerely,

Travis A. Long
District Engineer

BY: S/ Beswick Wray
Asst. District Engineer
District Sixteen"

At Mr. Bloch's suggestion, after reviewing escrow agreement, Mr. Johnson called Mr. Wray of the Texas Highway Department this date regarding plans of this project which will be needed by the City at time assessments are made. Mr. Wray advised Mr. Johnson that the Highway Department will furnish this City with two complete sets of plans within a month. As of this date, Austin office has not completed plans.

Mr. Jackson moved that Council approve escrow agreement

Church of Christ

"In faith and practice they date back to the founding of the church of the New Testament on the first Pentecost after Jesus' resurrection. They call for a complete return to the New Testament . . . worship, organization, and life like the pattern of the New Testament Christianity.

"Rejecting all party names, creeds and organization in their abhorrence of divisional denominationalism in Christendom, they plead for unity of all believers on the basis of the Bible alone. . . .

with the Texas Highway Dept. and authorize signing of same. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

Mayor Hiller read the following letter received from M. Bloch, City Attorney:

"December 30, 1971

Honorable Delmar R. Hiller, Mayor
and City Council Members
City of Rockport
City Hall
Rockport, Texas

Gentlemen:

I am sure you will recall that it was understood and agreed, when I accepted appointment as City Attorney for the City of Rockport, that an effort would be made to find a replacement for me at such time as a local attorney might be available.

Attorney David Connery opened offices in Rockport during 1971. I have now had opportunity to become acquainted with Mr. Connery and have discussed legal matters with him sufficiently to satisfy myself that he is well qualified professionally to represent the City as City Attorney. I have taken the liberty of discussing the matter with Mr. Connery, and I am informed by him that he would be agreeable to accepting the employment.

Since a successor City Attorney is now available, and since I committed myself to serve only until such time as a competent qualified successor was available, I now, with considerable regret, submit my resignation as City Attorney of the City of Rockport to become effective January 31, 1972. Mr. Connery has agreed to attend City Council meetings during January so that he will be familiar with work in progress if he should be employed as City Attorney to commence February 1, 1972. I will, of course, assist Mr. Connery, or whomever else the City Council might appoint as City Attorney, in every way possible to facilitate the transition. It will also be my pleasure to be of assistance to the City of Rockport at any time in the future and in any way that I can.

I have very much enjoyed the experience of working with all of your gentlemen and I sincerely appreciate the splendid cooperation that I have had at all times.

The citizens of the City of Rockport are indeed most fortunate to be served by people of your dedication, integrity, and com-

petence. I can truly say that on no occasion did I ever observe even the slightest deviation from full performance of public trust by any of you elected officials of the City of Rockport.

It has been a gratifying experience to have served for and with you, and I appreciate the opportunity afforded me to have had that experience.

I believe that Rockport and its environs has great future and potential as a residential community oriented to the marvelous recreational facilities available. I feel that you people have sensibly and rationally and reasonably moved in directions that will ultimately cause Rockport to achieve its potentials.

My very kindest regards and sincerest wishes to each of you together with a very special wish for a New Year of continued progress for the City of Rockport and Aransas County, which I am certain will be the case with your able leadership giving direction to the cause.

Very cordially yours,
S/ William H. Bloch"

Mr. Connery was introduced to the Councilmen. The Mayor recommended that Mr. Connery be appointed City Attorney as of February 1st.

Mr. Zambrano moved that Mr. David B. Connery, Jr., be appointed City Attorney, effective February 1, 1972. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

Discussion was had regarding shelling of Ann Street, north

CITY COUNCIL MINUTES LISTED—

(Continued from Page 4)

Market Street. It was questioned as to whether the block of Ann St., just north of Market Street, was a dedicated street. This matter was deferred until the next meeting, pending information determining whether it is a dedicated street; whether the City or railroad owns this portion.

The Mayor called Council's attention to the City's estimated cost in purchasing new radio equipment for the Police Department with reference to police radios being hooked into State frequency. Cost is as follows:

	Cost	City's Cost
Radio	\$6,000.00	(12 1/2%) \$ 750.00
Two Bay Stations	\$5,000.00	(12 1/2%) 625.00
Three Mobil Units	\$1,800.00	(25%) 450.00
Three Handy Talkies	\$2,355.00	(25%) 588.75
One Monitor Box	\$ 200.00	(25%) 50.00
Total City's Cost		\$2,463.75

Bids are to be let out in February; new frequency in operation by summer.

Mayor Hiller entertained a motion that City participate in new police radio equipment as per Criminal Justice Coordinator of the Coastal Bend Council of Governments, Mr. Zambrano so moved. Mr. Jackson seconded the motion. All voted in favor. Motion carried.

Council was informed of Texaco Service Station on Austin Street, which is located in fire zone, was requesting approval of construction plans for a new building adjacent to service station. State Board of Insurance was contacted regarding this request and they approved proposed construction within fire zone.

Mayor Hiller entertained a motion that Council approve construction plans of contractor for Texaco, noting that approval of proposed construction has been obtained from the State Board of Insurance, Fire Insurance Underwriters. Mr. Garrett so moved. Mr. Zambrano seconded the motion. All voted in favor. Motion carried.

Mayor Hiller told Council of annual payment being due to Fire Department and entertained a motion that Council authorize transfer of \$2,000.00 to Fire Department as operational fund. Mr. Jackson so moved. Mr. McMillan seconded the motion. All voted in favor. Motion carried.

With reference to dedication of new Fire Station on Sunday, January 9th, Mayor Hiller read the following resolution for adoption:

RESOLUTION

WHEREAS, the City of Rockport Volunteer Fire Department was organized in 1939 as a Volunteer Organization to help protect the life and property of the citizens of Rockport and the surrounding areas; serving at all times without compensation.

WHEREAS, the City of Rockport Volunteer Fire Department has spent many hours fighting and extinguishing fires within the City of Rockport and surrounding areas during its 33 years of existence.

WHEREAS, the City of Rockport Volunteer Fire Department has performed and assisted in performing rescue missions within the City of Rockport and the surrounding areas.

WHEREAS, the City of Rockport Volunteer Fire Department has participated in Civil Defense operations before, during and after natural disasters within the City of Rockport and surrounding areas.

WHEREAS, the City of Rockport Volunteer Fire Department has taken part in many community projects, helping to assure their success, and making the City of Rockport and surrounding areas a better place to live.

THEREFORE, BE IT RESOLVED that the City Council of the City of Rockport, acting by and through its Mayor, dedicates the new City of Rockport Fire Station in commemoration of the outstanding performance of past and present members of the City of Rockport Volunteer Fire Department.

ADOPTED, this 4th day of January, 1972, by unanimous action of the City Council of the City of Rockport and its Mayor.

Mr. Zambrano moved that Council approve and adopt Resolution as read. Mr. Garrett seconded the motion. All voted in favor. Motion carried.

With reference to Open Space Project - Ball Park - Mayor Hiller told Council that Mr. Gene Urban has just about completed plans for same. Also, City received payment of Federal Grant in amount of \$10,396.08, which represents 50% of expenditures to date.

Mayor Hiller reviewed the following proposed projects which he felt City Council should give consideration to during the calendar year:

- A. GENERAL ADMINISTRATION
 1. Mobile Home Subdivision and Park Regulations.
 2. Building and Electrical Codes.
 3. Property Revaluation.
 4. Adjust Voting Wards.
 5. Develop "Workable" Program for Neighborhood Improvement Projects.
 6. Continue Efforts to Expand City Limits in Order to Provide for the Proper and Economical Development of Community Services.
 7. Consider Selling Surplus Real Estate to Create Fund for Block Curb and Gutter Program or Additional Park Improvements.
- B. PARKS
 1. Complete Construction of Ball Park and Related Facilities.
- C. POLICE DEPARTMENT
 1. Continue Training Schools for all Personnel.
 2. Revise Radios with State System.
 3. Employ Part-time Clerk.
 4. Special In-Training Force for Summer-Supplemented Department.
- D. STREET MAINTENANCE & DRAINAGE
 1. Market Street Curb and Gutter Program and Assessment Program.
 2. Church Street Curb and Gutter Program.
 3. Highway 35 Curb and Gutter Program.
 4. Complete Utility and Drainage Survey on Street Right-of-Ways Designated in Comprehensive Plan to be Closed or Narrowed.
 5. Construct Additional Inlets in Major Street Sewer Lines.
 6. Develop Block Curb and Gutter Program.
- E. WATER & SEWER
 1. Sewer Treatment Plant Expansion and Related Outfall Easements.
 2. Finaling out with Reclamation District on Water System.
 3. Complete Maximum Amount of Water Line Extensions with Reclamation District for Additional Customers.
- F. FIRE DEPARTMENT
 1. Complete Parking Area at New Fire Station.

The Mayor informed Council that a Mayor Pro-Tem should be appointed to serve as such until the April Election, after which time a Mayor Pro-Tem would be appointed; and suggested Councilman Jackson serve in this capacity.

Mr. McMillan moved that Councilman Jackson be appointed as Mayor Pro-Tem to serve until after the April Election. Mr. Garrett seconded the motion. All voted in favor. Motion carried. The Police Report for 1971 was reviewed.

Mr. Shults informed Council that he had checked with Mr. Bob Smith of Bo-Jac Construction Co. and the contractor in regards to street construction; street was damaged in construction of manhole and laying of sewer line for Bo-Jac Construction Co. to Bo-Jac Manor.

Mr. Johnson requested Council's authorization to pay City Inspector Lader's expenses to Austin on January 11th and 12th in connection with taking the exam for his Plumber's Certificate. Council unanimously agreed for City to pay such expenses. The meeting was adjourned.

VA Benefit Increases Approved

Five to 10 percent increases authorized for 2.5 million veterans and survivors by two bills signed December 15 will be reflected in February checks, the Veterans Administration reported today.

The increases are effective January 1, but will not show up in checks until early February.

Commenting on the two new laws at a recent press conference Administrator of Veterans Affairs Donald E. Johnson declared: "I cannot begin to tell you how very pleased the President and all of us are with

this new legislation. This is chiefly because those who benefit are mostly older, low income veterans who are totally disabled and widows and children who most need this financial support."

Johnson noted that PL 92-198 provides 6.5 percent cost of living increases to 2.2 million veterans, widows and children who draw VA benefits based on the death or disability of veterans for nonservice-connected causes. First year cost of the increases is estimated at \$127.2 million. "By signing this legislation," the VA administrator pointed out, "the President has prevented hardships. The hardships would have arisen January 1 when Social Security increases become effective. Without the legislation 1,150,000 pensioners would have had their VA pensions reduced and more than 16,000 on VA rolls would have lost their pensions entirely."

Under PL 92-198, the administrator explained, current payment and income limitation tables are eliminated. They are replaced by an innovative formula approach which provides better allocation of pension benefits according to relative need and also avoids disproportionate reductions of VA pensions when outside income increases.

The other new law, PL 92-197, provides a 10 percent increase for 186,000 widows of veterans who died of service-connected causes. Called dependency and indemnity compensation, such payments are also made under some circumstances to children and parents of veterans. About 53,000 children will receive five percent and 66,000 parents 6.5 percent increases under the law which will cost an estimated \$67.8 million the first year.

VA officials stressed that no application for the increases will be necessary. They will be included automatically on February checks.

Mounted Squares Elects Officers

For the coming year the South Texas Mounted Squares announce that James Jennings was re-elected president; Claude Smith was retained as vice president; Carla Hare will serve as club secretary; Lynette Jennings remains as treasurer; rodeo secretary Audrey Smith and her cohorts are Darlene McCutcheon and Louise Tucker; arena director, Travis Johnston; his assistant, Brandy Traweck; Lev Hudgens, sergeant-at-arms. A newly elected office was filled by Buster Hare as chairman of the grievance committee.

HIGH SCHOOL HONOR ROLL

The names of 95 students from the Rockport-Fulton High School were placed on the honor roll for the fall semester reporting period. This number comprises 18 per cent of the student body.

A student's name is placed on the honor roll when all grades are between 90 and 100 except for three or fewer grades between 80 and 89 with no incompletes for the current six-weeks reporting period.

Thirty per cent of the senior class had their names placed on the honor roll.

They are: Nelson Barre, Julie Bright, Linda Brock, Charles Crusier, Victor Dullye, David Fake, Deborah Haigood, Mary Harist, Alfred Heinsohn, Jeanne Kleypas, Kayellyn Lauer, Gary Leach, Laura Leisenheimer, Gracie Tamez, Lawrence Ashley, Annette

Demory, Josie Garcia, Pamela Little, William Mills, Cynthia Agler, Graciela Hernandez, John Jacobs, John Kelley, Debra King, Dorothy Lockhart, Diana Moore, William Moore, Marla Pattillo, Dorothy Wolfram, Douglas Barnette, Pamela Hill, Joy Stansberry, and Gerald Willis.

Twenty-one per cent of the junior class had their names placed on the honor roll.

They are: Wayne Collins, William Hunter, David Lang, John Ledbetter, Laurie Little, Richard Little, Joe Pina, Jackie Smith, Alicia Spencer, DeLois Young, Audre Ankele, Lisa Dick, Virginia Gerdine, Paul Kuehn, Mary McDavid, Paula McLain, Loyl Towler, Claudia Frye, Michael McCaskey, Mark Muennick, Charles Reed, Sylvia Frazier, Devora McNabb, Betty Piester, Ricky Roe, and Deborah Wells.

Art Guild Gatherings

By
JAN WENDELL

What is an art seminar? Why, it is utter pandemonium breaking loose at all angles. When students first arrive on Monday morning, fresh and ready to create masterpieces, there is a certain amount of quiet that begins at the start of any lecture that any teacher requires. But, after that, there is the faint rustle of bristle or sable brushes to be heard, there is the ever present smell of turpentine, there is the crash of someone's easel falling over, and there is the ever present dread voice of the instructor saying you did something wrong.

Upon looking at students when they first walk into class, an innocent layman would wonder what in the world is in all those sacks, boxes, and parcels that are bag and baggage to any artist. In the first place, there is the paint box, which holds nearly all of the artist's paints; then, there is any number of other sacks and parcels which contain among other things--turpentine, photographs, art books, sketch books, cameras, hand cleaner, canvases, boards, perfume, sandwiches, tape recorders, and occasionally, a dog.

In spite of all these nutty things that painters carry around with them, somehow, after each seminar, every student goes away with at least one thing that he did not bring into class--and it is usually one or more pieces of knowledge not acquired before. And, that is the important thing. That is what art is all about.

As Mr. Brigl said, at the start of the seminar now going on at the Art Ass'n. Gallery, "You can define cat as a feline, dog as a canine and horse as an equine, but where did we get the word art? Art is a 13th century word from the Gaelic meaning to create with your hands, after nature, something pleasant to the senses."

So that is really all that all painters are trying to do--to create something pleasant

to the senses. Hopefully, everyone in the class will.

If anyone would like to see what these various painters have created, on Friday afternoon, Jan. 28th, at 4:30, the instructor and the painters will be having open house to the public at the Art Ass'n. Gallery to anyone who is interested in seeing what a week's work has done. Do drop in and see the action!

Lunchroom Menus For Schools

The schools will offer the following lunchroom menus next week:

Monday, Jan. 31: Breaded veal cutlets, gravy, mashed potatoes, ambrosia salad, bread, butter, prune spice cake and milk.

Tuesday, Feb. 1: Stewed chicken with dumplings, buttered green lima beans, congealed salad, bread, butter, brownies, and milk.

Wednesday, Feb. 2: Lasagne, seasoned green beans, tossed green salad, French bread, butter, caramel pudding and milk.

Thursday, Feb. 3: Hamburgers, scalloped potatoes, buttered English peas, lettuce, pickles, onions, buns, cookies and milk.

Friday, Feb. 4: Fried fish, catsup, buttered parsleyed potatoes, relish cole slaw, bread, butter, fruit cobbler and milk.

Note: These menus are subject to change without notice, depending upon availability and delivery of foods.

CPO/2 Charles B. Dick and Mrs. Dick have returned from two years stationed in Kenitra, Morocco. While there they toured Europe. Dick is now stationed at Ft. Meade, Maryland and his wife will join him this week. They have been visiting their parents, Mr. and Mrs. Blackie Hardy and Mr. and Mrs. H. H. Dick while here.

Income Key Factor In Tax Filing

The amount of your income is a key factor in determining whether you have to file a Federal income tax return, George Zerda, administrative officer of Internal Revenue for Corpus Christi, said today.

A single person under 65 years of age with a gross income of \$1,700 or more for the year has to file a return. This requirement also applies to minors and students.

No return is required from anyone 65 or older on the last day of the tax year unless the gross income was \$2,300 or more. Married couples living together and filing a joint return do not have to file unless their combined gross income is \$2,300 or more, or \$2,900 if one is 65 or older, or \$3,500 if both are 65 or older. However, when the income is under these limits a return should be filed to get a refund of any income tax withheld from salaries or wages.

Businessmen, farmers, ranchers, fishermen and other self-employed persons must file a return if their net earnings from self-employment were \$400 or more.

Publication No. 528, "Information on Filing Your Tax Return," furnishes more detailed information. It may be obtained free by contacting any IRS office.

Cemetery Ass'n Elects Officers

The Rockport Cemetery Association met on Monday afternoon in regular session at the Chamber of Commerce Building. Mrs. W. B. Allen presided over the business meeting.

New officers elected for the coming year were:

President, Mrs. W. B. Allen; 1st vice president, Mr. W. B. Allen; 2nd vice president, Mayor Delmar Hiller; 3rd vice president, Judge John D. Wendell; 4th vice president, Paul C. Sorenson; secretary, Miss Evelyn Townsend; and treasurer, Mrs. Harry L. Mills.

The following appointments were made:

Local membership chairman, Mrs. Alma Ratliff; out-of-town membership chairman, Miss Genevieve Bracht; memorial, Miss Mabel Bracht; parliamentarian, Mrs. S. F. Jackson.

There were fourteen members present and five guests.

Fish Have It Soft

Austin--Chances are good that you have never received a set of fish knives for Christmas or put fish tenderizer on your shopping list.

The chances are good because these are non-existent products. They are non-existent because there is no market for them. Fish is naturally tender. You can cut it with a fork.

Swimming is easy for a fish, so there is no connective tissue or over-developed muscles. This makes fish easily digestible, even for the old folks.

There is no problem carving and serving fish. Don't worry about the grain, just cut the flesh from the bones. To test if it is done, just probe it with a fork. If it is ready, the fish will flake easily.

Below is just one of the recipes kitchen-tested by the Texas Parks and Wildlife Department's home economist. For other free recipes write: Seafood Recipes, Texas Parks and Wildlife Department, John H. Reagan Building, Austin, Texas 78701.

FESTIVE DRUM

2 pounds drum or other fresh fish fillets
1/2 cup French dressing
1 1/2 cups crushed cheese crackers
2 tablespoons melted fat or oil
Paprika
Skin fillets and cut into serving-size portions. Dip fish in dressing and roll in cracker crumbs. Place on a well-greased cookie sheet, 15 x 12 inches. Drizzle fat over fish. Sprinkle with paprika. Bake in an extremely hot oven, 500 deg. F., for 10 to 12 minutes or until fish flakes easily when tested with a fork. Serves six.

ALONG THE WATERFRONT

By Carl Duckworth

When someone takes a fall, in the water, (without meaning to) it's funny. Not at the time it happens. Later, when they're all dried off, and sitting around thinking about it, it gets funny then.

My first fall happened when I was rebuilding our pier (eleven years ago) after Hurricane Carla. I fell through a vacant space on the deck, broke three ribs, and hit the back of my head--almost breaking my stupid neck. Before my little accident, I had a hacking cough from smoking too much. This problem immediately cleared up, because you just don't cough with busted ribs. That is, unless you happen to be one of those people who like pain. . . The severe blow I had on the noggin and neck probably explains my odd behavior at times, and on rainy days it still hurts. . . Now, eleven years later, it's funny.

Someone has probably done it before; but seven or eight years ago, I thought it would be a good idea to have some certificates made up for the Rockport Perch Club. (I heard of the Rockport Perch Club before.) Anyway, I did the art work, wrote the copy, and went to the Pilot and asked if they would print them. I figured if business got too bad, I could stand on a street corner and sell them to wet people walking by.

The copy is as follows: ROCKPORT PERCH CLUB This is to certify that (name) is now considered a full-fledged member of the Rockport Perch Club. Founded in the year 1534 by Cabeza De Vaca after he took an un-

scheduled high dive from his vessel when it ran aground. Cabeza did approximately two and a half flips before striking the water. His head struck a rock and an unwary perch became lodged in his throat. Hence, the name "Rock Perch Club". The word "Perch" was later added to the name because it sounded better in Cabeza's reports to Spain.

To become a member, he or she (Check one) () Fell off boat, () Swamped Boat, () Fell while launching, () Pulled under by big fish, () Stepped off bank, () Stepped in hole, () Filled waders, () Fell

while docking, () Other. (Check one or more.)

Disposition while joining club: () Laughed, () Cussed, () Screamed, () Cried, () Or combination of above moods.

Certified by (Rockport Resident). In the left-hand corner, we put the Toast of the Coast emblem the Chamber of Commerce uses. . .

The whole thing looked very official. . . The only trouble; no one was interested in buying any of them. Whenever we heard of a guest joining the club, we'd rush around filling a certificate out, and giving it to

them as they were ready to leave.

It really is a great advertising gimmick. People take them home, have them framed, and hang them in choice locations in their homes. . . As many as we've filled out, I'm still over-stocked. In fact, I'm running a "Special" from now on. . . If you should join the Rockport Perch Club, dry off first, come by, and I'll fix one up for you.

Miss Anna Belle Casterline, daughter of Mr. and Mrs. L. E. Casterline, made the honor roll the last semester at Texas A&I University.

Letter to the Editor

I would like to comment on the building and electric codes proposed for Rockport and to answer some of the questions posed by Harvey O'Rourke in Jan. 20 edition of your paper. I as a contractor am more aware than most for an electrical code as well as the need for license for existing contractors and those of the future.

This is the age of the electric appliance and most homes in the Rockport area are not adequately wired for the heavy amperage appliances now being installed. Not only is the poor wiring dangerous to life and property, it is very expensive to the consumer to operate their equipment. Low amperage wiring will cause air conditioners, TV, refrigerators and any other appliance to give poor performance, use more wattage and to wear out in half the time.

The influx of fly by night electricians in Rockport is the worst I have ever experienced anywhere in thirty years at this work. The public in general seems to be unaware that there are several qualified electric contractors in their yellow pages and bring in out of town contractors. They have no guarantee for this kind of work.

As to the need for a building code, anyone seeing the destruction brought on by Celia can not doubt but what a better building code is much in need.

As to the remark made by Mr. O'Rourke that the city has nothing to offer us except taxes for those of us that live in the county, I would suggest that The Pilot offer an editorial on what we could expect.

I can see many things. Better fire protection for our homes, better streets and maintenance, garbage collection, police protection, water for those areas not having it at present and many other services too numerous to mention in this letter. There is also the possibility of lower insurance rates due to better fire protection.

Federal money would also probably be more available to a city of larger size. Rockport is growing fast, let's be competitive business willing to locate in Rockport. These businesses would enable all of us to have a better cost of living

scale. Employment would also follow for many that are unable to find it at present.

We people in the county now enjoy many of the services provided by the city of Rockport without direct cost to us. A larger tax base would enable Rockport to provide many additional inducements to tourists to visit us.

Let's all face the fact that tourism is the main industry in Rockport and it is to the advantage of most if not all residents that we increase this business.

Many people will be in con-

SANDERS TO GIVE TALK

Featured speaker at the football banquet of the Aransas Pass High School on Jan. 29 will be former pro football star Jack Sanders, co-owner with his father, of Sandollar Motel. He will speak to the football players and their guests on "Athletics and Its Future Effect on Business Success."

PERSONALS:

Mrs. Roy Lee Hart is in Spohn Hospital receiving treatment for bronchial pneumonia.

Gene Shults of the Pilot, who was in Spohn Hospital recently following a heart attack, has returned to his home and is recuperating slowly.

CITY BUYS POLICE CAR

The City Council awarded a contract for a new police car to E. H. Green of Odem on a bid of \$1,510 and the present police car for a new Dodge Police Special.

Other bidders, all of whom agreed to take the old car as a trade in, were Atzenhoffer Chevrolet, Victoria, \$1,530.39; Commercial Motors, Aransas Pass, for a Ford, \$1,630.35; Geo. Clark Chevrolet, Aransas Pass, \$1,709.17; and Ed Hoffman Motors, Sinton, for a Plymouth Police Special, \$1,763.68.

NEW DEPUTY SHERIFF

Aransas County Sheriff A. C. Shivers announced that Jesse J. Taylor, former chief of police at Cuero, had been hired as a deputy sheriff in Shivers' department.

This enlarges the department to five: Sheriff Shivers, Chief Deputy Sherman Mundine, Deputy Slim Haynes, in charge of the jail, Deputy Tommy Shults, dispatcher, and Taylor.

SENIOR HIGH CHURCH SERVICE

The entire Sunday morning service at First Presbyterian Church on Jan. 28 will be conducted by members of the Senior High Fellowship of the church.

Main speakers will be N. F. Jackson, Jr., and Raymond Ingersoll, assisted by Sue Johnson.

Larry Coates and Gary Thomas will act as ushers for the service and Jan Clark and Mary Lou Johnson will serve as usherettes.

Jan Clark heads the steering committee in charge of arrangements, with Charles Atchley, Nan Jackson, Caroline Clark and Hugh Morrison, Jr., assisting.

From The Pilot Files — 20 Years Ago

PERSONALS:

Mr. and Mrs. J. W. Wratlslaw are the parents of a baby son born in Memorial Hospital in Corpus Christi.

John Paul Reese, who is attending the University of Texas, is home visiting his mother, Mrs. Paul Reese.

Mr. and Mrs. T. O. Swenson of North Platte, Neb., visited Mr. and Mrs. LaVine. Mrs. Swenson and Mrs. LaVine are sisters.

Jimmy Morrison and Ramon Torres arrived home on a 30-day leave to visit relatives and friends. Both boys are in the U. S. Navy.

Mr. and Mrs. Aubrey Bengé moved here from Bloomington. Bengé is employed at the J. W. Sorenson Service Station.

Mr. and Mrs. Fred Christilles have as house guests Mr. and Mrs. Alex Ross of Medina Lake.

Bob Albin, home from Korea on leave, is visiting Mr. and Mrs. F. C. Floyd and family.

Mrs. J. O. Williams of Corpus Christi visited her son, Ozzie, and friends.

William M. Blevens underwent an appendectomy at the Rockport Hospital and is recovering satisfactorily.

Mrs. Stanley Bissett spent last week in Bay City visiting her son and daughter-in-law, Mr. and Mrs. Norman Bissett.

Mrs. Roland Dittfurth and two sons are visiting her parents, Mr. and Mrs. Joe Smith.

Norvell Jackson flew to Chicago to attend a meeting of the directors of the Shrimp Association of the Americas.

Hawaiian Trip Christmas Gift

Can anyone think of a nicer Christmas gift than a trip to Hawaii? This happened to a Rockport family. The James F. Gillis, which includes Mr. and Mrs. Gillis and sons, Clay (who was "All District End" in football this past season), Bob, Scott, and daughter Kris Ann. Gillis is principal of Live Oak Elementary School and Mrs. Gillis teaches in the Rockport-Fulton Junior High School.

Other recipients of the same gift were Mrs. James H. Gillis (mother) of Fentress, Texas; Mr. and Mrs. W. W. Thorp (sister), Luling, Texas; Mr. and Mrs. Robert D. Miller, III, (niece) and Bodie, of Waelder, Texas.

This generous gift was by a wonderful aunt, Mrs. R. F. O'Banion of Fentress, Texas. This was Mrs. O'Banion's first plane trip, but from all accounts, since she is now a seasoned air traveler, this is only the beginning of possible other trips.

Arrangements were made for this trip by International Royal Services, Inc., of Houston, Texas, of which Mrs. Lee Rasco is advisor in this vicinity.

Doins' at The Dunes

By Viola Reynolds

Friday night game night was well attended with 26 residents enjoying an evening of games and delicious eats of a wide variety.

Mr. and Mrs. Marvin Koch of Tipton, Iowa were guests this week of Mr. and Mrs. Don Daut before traveling to the "Valley" on a short trip.

Mr. and Mrs. Robert Reynolds were luncheon guests of Homer Love of Des Moines, Iowa at the Sandollar on Wednesday.

Golf and bicycling have risen in the ratings of sport enthusiasts in the court since fishing is at a low ebb.

Mr. and Mrs. John Reese

were among the guests attending the open house function of Mr. and Mrs. Tony Farelli of Abingdon, Ill., who are winter residents at Sun Tan Court. The occasion was in honor of the Farelli's fifty-second wedding anniversary.

Word comes from the Harold Scotts vacationing in the valley and the Yandells touring Mexico. Good times reported by each family.

Mr. and Mrs. Tom Chandler have rented a house in Fulton and moved from the Dunes this week.

Mr. and Mrs. F. W. Dicky of Dallas are new residents at the Dunes, arriving Saturday.

Marilyn McMahon, daughter of Mrs. Claude Alter, came from Houston Friday and Mr.

and Mrs. Alter accompanied her back to Houston Saturday. Mrs. Alter will enter a hospital there Monday, and is scheduled for surgery later in the week.

Mr. and Mrs. Ernie Way have moved back to their mobile home at the Dunes after residing at another court in this area for some time. Mr. and Mrs. Hank Sly of Des Moines, Iowa have been visiting them and helping them move.

Dean and Mrs. Carl Brandly of Champaign, Ill., arrived January 14 to take up residence in the Yandell mobile home while that couple are touring Mexico. Dean Brandly, who retired in 1968 from the veterinary school at the University of Illinois, was a classmate of Dr. Yandell at Kansas State

University in Manhattan, Kansas.

Everyone here certainly is happy to see Roscoe Hornsby out and around the court and busy doing things again after his serious illness and hospitalization in October and November. Roscoe and Norma Hornsby are owners of the Dunes.

CONGRATULATIONS

Mr. and Mrs. Jerry McLead are the proud parents of a 7 pound 4 1/2 ounce baby boy born January 18 and named Darby Shae. Maternal grandparents are Mr. and Mrs. H. R. Kline and paternal grandparents are Mr. and Mrs. Frank McLead.

Don't lose your voice!

When the person on the other end of your telephone line can't hear you, there isn't much point in talking. If the fault is ours, we want to know about it. But before you speak to us, try speaking up to the other

party. If you're holding the handset below your chin, he won't hear much. But if you talk directly into the mouthpiece, your voice comes through loud and clear. Though it's only a small tip, it doesn't leave you speechless.

Double Check
Tax Return

Simple errors on 1971 Federal income tax returns can delay refunds and cause taxpayers trouble, according to George Zerda, administrative officer of Internal Revenue for Corpus Christi, Texas.

Here is a suggested simple check list:

1. Use the preaddressed peel-off label or print or type name and address, including zip code.
2. List your Social Security number correctly. On a joint return, both husband's and wife's numbers should be reported.
3. Use correct tax table.
4. Total your deductions if you itemize them on Schedule A.
5. Check arithmetic.
6. Attach Forms W-2 from all employers to the back and top of Form 1040.
7. Sign your return. Both husband and wife must sign a joint return.

Taxpayers can save the Internal Revenue Service and themselves valuable time and money by double checking their tax returns before mailing them.

Question And
Answers to
Veterans Benefits

Q: Is it too late for a veteran over 65 years of age to apply for a waiver of government insurance premiums?

A: No. If a veteran becomes totally disabled before his 65th birthday and meets other requirements, he is entitled to the waiver even though he does not apply for it until he is over 65.

Q: If a veteran's widow who draws death pension benefits is a patient in a nursing home and is in need of regular aid and attendance, is she eligible for additional pension?

A: Yes, she is entitled to

an additional special monthly pension of \$55 under the current law. Widows requiring regular aid and attendance are entitled to an additional \$50 monthly pension under the "old" law.

Q: As the widow of a veteran who died 14 months ago, can I collect a Veterans Administration burial allowance?

A: Yes, provided your husband was a wartime, Korean Conflict or Vietnam Veteran with an other than dishonorable discharge; or if he was drawing service-connected compensation at time of death or discharge, or retired for disability incurred in line of duty. Application for a maximum \$250 burial allowance may be filed within two years of burial or cremation.

Pack 340
Holds Meeting

Cub Scout Pack 340 met Monday night at the High School cafeteria with 34 members present. Den 2 won the attendance prize with 70 percent, while Den 3 was a close second with 67 percent.

Den 2 opened the meeting with the posting of the colors. Den 4 won the race around a special obstacle course which was designed to test the physical skills of the boys. Den 3 came in another close second only four seconds behind the winners, but much credit is due Den 3 as two of their regular members were loaned to the winning team in order to even up the team sizes. It looks as though Miss Sarah Eason, the new den mother for Den 3, has done a marvelous job in just three weeks.

Three Cub Scouts were inducted into the Webelos Den. They were Stevie Russ, Larry Clark, and Andy McMillan. Larry and Andy also received Athlete badges, and Richard Dominguez received a Sportsman badge. Hank Anderson was presented a Wolf badge, and Ronnie Roe and Clyde Barre received arrow points for work on the Wolf rank. The Pack would like to recognize Keith DeForest who was presented a Wolf badge and a gold and three silver arrow points at the November meeting. His name was accidentally left out of the newspaper report of that meeting.

The next pack meeting will be the Blue and Gold Banquet on February 26 at the cafeteria.

More than 5,355 telephones were in service in Rockport as of Dec. 1, 1971, an increase of 9.3 per cent during the year, according to Ron Maples, district manager for Southwestern Bell. This represents an increase of 496 phones during the year. Maples also said residents are using their phones more, too. On a monthly basis in 1971, a total of 18,157 calls were dialed here on an average business day—an increase of 15.7 per cent over a similar period in 1970.

Why is a Bank different?

Basically, a bank is different because, unlike other types of business, it has the responsibility for handling and safeguarding the money of others — its depositors.

If other business firms fail, only the owners lose. If a bank fails, depositors suffer loss or at least great inconvenience.

Depositors turn their money over to a bank for two principal reasons. First, because the bank provides a convenient and experienced agent for handling their funds, and, second, because they trust the judgment and integrity of the men and women who operate the bank they choose.

The handling of other people's money is not a job for amateurs. It is a responsibility that should be entrusted only to people of integrity who are experienced in the highly technical business of finances.

First National has the experience of more than 80 years in the business, backed by the integrity and skill of the men and women who have operated it through the years.
