Neeley Heads County Easter Seal Campaign

Mr. Jack Neeley will head the 1972 Easter Seal Appeal in Collingsworth County, it was announced by Rodney D. Hargrave, Dallas, President of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Collingsworth County will receive the annual Easter Seal Appeal letters in the mail beginning February 28. The Easter Seal Appeal, will continue through Easter Sunday April 2.

Mr. Neeley is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the state-wide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90 percent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1972 Easter Seal Appeal to the disabled citizen or his family in Collingsworth County who may need assistance and not know where to obtain it. Any disabled person can contact Mr. Neeley at the Wellington State Bank, who will refer the request for services to the Easter Seal Society.

Mrs. Beattie Dies Friday in Amarillo

Mrs. Jewel Beattie, a long-time Collingsworth County resident, died in an Amarillo hospital at 9:00 a.m. Friday, February 4. She had been in that city with a son for several months, and many of her friends here were not aware of her critical illness. She was 80 years of age.

Her home was at 1402 Dallas Street.

The former Jewell Eula Ward, daughter of Elijah and Lottie Hull Ward, she was born January 1, 1892, at Sunset. She grew up there and was married to Samuel I. Beattie on April 13, 1912.

They farmed in the Rolla community for many years, rearing their family there. Following Mr. Beattie's death on December 2, 1958, she made her home in Wellington.

Funeral services were conducted at the Church of the

HONORED BY C-C

A standing ovation greeted John Forbis, at top, as he received the Lifetime of Service award, given for the first time by the Chamber of Commerce. At center, Mrs. Esta Glenn, on behalf of the Wellington State Bank, received the Christmas Decorations award from outgoing president Harold Gattis. Below, Mrs. Bill Reeves was named as the salesperson giving most efficient and courteous service to the customer.

Junior Spaghetti Supper Set Feb. 11

The junior class of Wellington High school is sponsoring a spaghetti supper in the cafeteria Friday, February 11, from 5:00 to 7:00 p.m.

This is prior to the Childress-Wellington basketball game, the last game of the season, reminds Alton Belew, class president, and it is due to attract one of the largest crowds

to attend this season. Childress Bobcats are the only team to defeat Wellington Skyrockets in conference play.

The supper will include spaghetti with meat sauce, salad and rolls. Cake and pie will be sold separately.

Tickets are on sale by members of the class, or they may be bought from the sponsors, Mrs. Bill Long, Charles Floyd or Rodney Myrick.

Proceeds from the spaghetti supper will be used by the junior class to finance the junior-senior banquet and for other class projects.

Three Places To Be Filled on City Council

Wellington voters will elect three members of the City Council in the municipal elections to be held Saturday, April 1.

The three whose terms expire this year are J.Y. Martin, Ernest Harwell and Ralph Owens.

Candidates for these places on the Council must file not less than 30 days before the election in order to have their names placed on the ballot.

Russell Yates, City Secretary, said the City Council is due to call the election at the first March meeting, which would be March 6.

Eighth Grade Wins Fifth Tourney Crown

Wellington Eighth Grade boys basketball team took their fifth consecutive championship in the Shamrock Junior High Tournament Saturday night, January 29, defeating McLean Junior High 50-31.

"This was the best game the boys have played all year," declared Coach Carroll Nunnelle. "They deserved to win, for they outplayed a much larger team. I feel like these kids did a tremendous job."

Agriculture's Impact Cited at C-C Banquet

Agricultural-minded Chamber of Commerce banquet guests stood a little taller Monday night, February 7, as James L. (Curly) Hays reminded them of the burgeoning productivity of

the area.

"This is an area that is agriculturally oriented and we understand agribusiness," he declared. The farm and ranch representative of West Texas Utilities Company, he continued to put facts on the line, but he laced them with light-hearted anecdotes to climax the annual banquet, which also saw six persons honored for outstanding work in various fields. Most were unaware of their selection.

- Mrs. Bill Reeves of Hatch Dry Goods was named the sales person rendering the most efficient and courteous service to the customer.

- Mr. and Mrs. Jimmie Kelso were recipients of the Community Service Award.

- For the first, and possibly only, time a Lifetime of Service Award was given and it went to John T. Forbis, born in Collingsworth County more than

80 years ago.

- Mrs. Esta Glenn, on behalf of the Wellington State Bank, received the plaque awarded to the business firm winning the Christmas Decorations Contest.

- Jesse Coleman, who has extensive ranch holdings in the northwest part of the county, was named the outstanding Rancher.

"We are in an agricultural country God has blessed," Mr. Hays reminded. "In this state, agriculture is the biggest business, totaling \$3.75 billion dollars, and the Agricultural Extension Service is aiming to increase it another half billion by 1975.

"In 1970 for the first time, livestock income exceeded that from all crops. We are turning from farmers to ranchers."

He pinpointed what this means to the Panhandle.

It takes 6,000 trucks to han-

Kiwanis to Help With Red Cross Blood Drive

Wellington Kiwanis Club will help to sponsor the regular visit of the Red Cross Bloodmobile in Wellington Tuesday, February 22, Don Welch, president has announced.

Members will hear of the blood program as it affects the hospital and people of Collingsworth county, and of the urgent need for giving blood at this time. Mrs. Ernest Harwell, x-ray laboratory technician at St. Joseph's Hospital will be the speaker. One of the specific areas of work for Kiwanians will be recruitment of donors for the February 22 visit.

The quota this time is 110 points or units. The blood donor center will be Bura Handley Community Center.

Other organizations, including the Hospital Auxiliary, Young

Homemakers and Business and Professional Women have volunteered their help, and others are expected to join these within the next few days, Mrs. Harwell said.

Two factors make this bloodmobile visit of utmost importance. First, it will precede by only a short time, the changing of ownership and management from the Dominican Sisters to the Collingsworth County Hospital District. The Red Cross is the only source of supply of blood to the hospital at this time. Assurance of an adequate supply of blood will help to make the transition smoothly.

Also, for the last year, the county has provided only a small part of the quota assigned. The number of donors was short at the last blood collection

here. A year ago, blizzard conditions made it impossible for the Red Cross Bloodmobile to reach Wellington.

The agreement by which the hospital receives blood from the Red Cross Blood Center is that the county residents in turn make donations of blood to the Red Cross, residents were reminded again.

Most of this hospital's need is for whole blood, however, all of the blood derivatives, now so widely used in treating patients, are available from the Red Cross.

Each visit of the Bloodmobile brings first-time donors, and for those who have not given previously, Mrs. Harwell reviewed the procedure.

Because of the high standards

AWARD RECIPIENTS

These are among the recipients of the service awards presented by the Chamber of Commerce at its banquet Monday, Feb. 7. Jesse Coleman, right at top, receives the Outstanding Rancher award from Dan Henard, Jr. Below are the couple who received the Community Service award, Mr. and Mrs. Jimmie Kelso.

Volleyball League Registration Opens

The coaching staff of the Wellington School System will sponsor a volleyball league for the enjoyment of the people of this area, Head Coach Jim Forrester announced.

Registration blanks may be obtained at the Wellington High School, principal's office, gym, or from a member of the coaching staff. Completed forms may be returned

be turned in for Adult division February 22 and students division on February 24.

"There will be no charge for participating," said Coach Forrester. "All one must do is be a member of any team and register. There will be an adult division, men and women, and a student division, boys and

girls. A tournament bracket will be drawn up each week so everyone gets to play an equal amount."

Adults will compete each Tuesday evening at 7:00 until 10:00 p.m. from February 22 until April 25, 1972. Students will compete each Thursday evening at 7:00 until 10:00 p.m. from February 24 until April 27, 1972.

In addition to the volleyball league, the Athletic Department will sponsor an invitational volleyball tournament on March 9, 10, 11, 1972. Invitations will be mailed to all towns in this area. Individual trophies will be given to the team members of the first three places.

Rockets, Bobcats to Meet Here Friday

Basketball play in the Wellington Schools ends this week, with the Skyrocket-Childress Bobcat A and B boys game in Rocket Gym, one of the big-

gest of the year. Coach Don Lacy said he expected every seat in the gym to be taken.

Childress handed Wellington a 79-62 defeat in the first round of conference play, and this remains the one unavenged defeat on the Rockets Record. It is the last time the two teams will meet in conference play.

The other game of the double header will see the Wellington and Childress B team in competition.

Wellington Rockettes ended season play at Shamrock Tuesday night, Feb. 8.

At that time, the Rockettes were second in 2-AA girls standing. Shamrock led with 2 wins and no losses; Wellington had a 2-1 record and Electra 0-3.

Seasonwise, the Rockettes had a 14-8 record before Tuesday night, the best record of the district. Electra girls had 12 wins and 12 losses for the season and Shamrock only 9 victories to 13 losses.

Before the Shamrock game, the Skyrockets were second in the district. Childress led with 8-0 record; then came Wellington, 6-2; Shamrock 4-4, Quana 3-5; Seymour 2-6; and Electra 0-8.

Wellington still had the best season record, with 18 wins and 7 losses.

JUNIOR HIGH

Wellington eighth grade boys and girls play their last game Thursday with Samnorwood at Wellington. Starting time is 6:30.

"They have had a real good year with the girls," said Coach Carroll Nunnelle. "We were fortunate to defeat them by one point, 27-26 at Samnorwood. Their boys are small and have a little more trouble. Our boys also defeated Samnorwood on their court. We are expecting two good games to wind up the season."

Youth Group Collects For March of Dimes

The Skyrocket Youth Conference collected \$87.98 for the March of Dimes in a drive conducted during the week end, Carole Cochran, president, has announced.

This was the only fund raising event for the March reported here this year.

Much of the money was collected in conjunction with a traffic safety project set up by the Youth Conference.

The money collected was turned over to Mrs. Weldon Teague of Childress, March of Dimes chairman for Childress and Collingsworth Counties.

Students participating in the collection were Carole Cochran, Jan McGill, Connie Lewis, Patti McAlister, Toni Taylor, Lucy Sullivan, Renee Mitchell, Kathy Kersten, Nancy Shumate, Della Shumate, Betty Burba, Beth Derryberry, Jean Ann Owens, Judy Chandler, Don Judd.

WHS Victor Over Quannah And Electra

Wellington teams continued to travel the victory route as the Skyrockets and B team defeated Quannah here Tuesday night, Feb. 1, and the varsity boys and girls took a double header at Electra Friday.

The 75-60 win over Quannah was especially pleasing to the Rockets and their fans, for the Indians defeated the Rockets in the first round of district play by two points.

The game was close only in the first quarter, and Quannah led by one point, 14-13. Midway, Wellington had run up a 10-point lead, 36-26, and enlarged this to 56-43 by the 13th.

Wellington boys were effective on 42 per cent of their field shots and 61 per cent of their free throws. For Quannah, the percentage was 35 and 54.

Four Rockets scored in the double figures, led by Denny Carter, 19, Danny Waters 18, Jay Thomas 17 and Ray Shrubs along with Ronnie Pennon 5, Bruce Oney and Barry Long two each.

Trophy Carter scored 18 for Quannah.

WELLINGTON - ELECTRA
Wellington Rockettes took a close game from Electra girls 48-43, with both teams playing well. This was Wellington's second victory, as they defeated Electra 55-34 the first time.

"We were real pleased with play, because Electra has improved a lot and we were fortunate to win on their home court," said Coach Don Lacy.

Wellington led 10-8 at the end of the first period, but only one point, 21-20 at the half. They were ahead 35-29 at the third quarter.

Patti McAlister scored 31 points to lead the game, while the Rockettes Phyllis Sullivan had 12 and Leigh Nall 5. Linda Rodewalt scored 18 points for Electra.

The Rockettes scored about 35 per cent of their shots from the floor and 59 per cent of their free shots. For Electra girls it was 30 per cent from the floor, but a good 60 per cent from the free throw line.

Wellington and Electra boys played a relatively close game through the first half, with Wellington only 7 points ahead at mid-point.

The Rockets came back with one of the best quarters they have played this year, scoring 28 points and holding Electra to 18. Their shooting percentage was only 28 from the floor, but soared to 70 from the free shot line. Electra made about 35 per cent of both field attempts and free shots.

Ray Shrubs again led the scoring with 20 points, Denny Carter had 18; Bruce Oney 10, Danny Waters, 9, Ronnie Pennon 8, Jay Thomas and Rozell Outley three. Others playing were Mike Belew, Steve Hunter, Gary Wright and Barry Long.

Tommy Klein scored 19 for Electra.

Collingsworth County FARM NEWS

By Don Reeves
County Agricultural Agent

Hog cholera, once on the brink of elimination from the state, has again gained a foothold - this time in South Texas. Fifty-four counties are now under state and federal quarantine. Since the costly disease can be transmitted easily, hog producers are urged to use all precautions so that the disease will be curbed.

If producers notice any sign of sickness among hogs or the animals go off feed, suspect hog cholera first. The animals should be checked immediately by a local veterinarian or state or federal animal health official.

Shamrock Sets Crow Shoot

Shamrock Jaycees are sponsoring their annual Crow Shoot Saturday and Sunday, February 19 and 20, through Saturday and Sunday, February 26 and 27, Don Fritsche, chairman has announced.

Registration will be at Jaycee Hall, 107 East Second, between 1 and 4 p.m. each Saturday and Sunday.

The hunt will be for crows only, Mr. Fritsche emphasized. All hunting parties will be escorted by members of the Jaycees to the proper hunting areas.

Trophies will be awarded to the top individual, top team and top junior individual. There will be a trap shoot both Saturday and Sunday at 2:00 p.m.

Those participating are warned to wear warm clothing. No bright colored clothing can be used in the field. Electric game calls or crow calls will be permitted.

Farrowing problems, abortions, still-born pigs and weak or "shaker" pigs may be due to cholera.

To protect hogs from cholera some things to consider are:

* Buy pigs only from places you trust - bargain pigs may not be bargains after all.

* Keep newly brought pigs away from other pigs for 30 days.

* Don't mix your pigs with those of your neighbor.

* Keep visitors out of the hog lot. Cholera can be tracked from one place to another on boots, shoes, clothing or vehicles.

After hauling hogs, clean and disinfect your truck or trailer.

Don't feed garbage or table scraps to hogs unless it has been properly cooked (30 minutes at 212 degrees F.). To be safer yet, avoid feeding garbage altogether. Turn in any hog cholera vaccine that you may still have on your premises to a local state or federal animal health official.

It is very important to have sick hogs inspected by a veterinarian or a state or federal animal health official. Producers cannot collect indemnities on animals that die from hog cholera unless the animals have previously been inspected.

The recent hog cholera outbreak was a definite setback to the national hog cholera eradication program, which had entered the final phase of the program in early December, is now back in Phase III. A three-month cholera-free period must pass before the state can revert back to Phase IV. Then it's an entire year free of cholera outbreaks before Texas can be declared "cholera free."

What About Water Pressure in Town?

The above map shows a new 8" Pipe Line Loop in Town to be interconnected for adequate water pressure all over town. Plans call for a new cut off system with rebuilding of system as needed.

Quality of Water

	Present Supply	Proposed Supply
Total Dissolved Solids	690	530
Total Hardness	380	250

The water from the new field will be softer and a lot better.

Quantity of Water

Why consider the New Field? Water east of town has depleted to where it will not produce enough water for city requirements. Texas Water Development Board Report 119, July 1970 — Ground Water Resources for Collingsworth County: Page 18 — Shows as follows:

"The alluvial fill in Willow Creek (present water supply) Channel is generally less than 300 feet wide and about 40 to 50 feet thick. Maximum individual yields are about 200 to 250 GPM and it appears that the maximum potential of the alluvial in the Channel is

probably exceeded by the summer peak demand.

"The City of Wellington is now (1968) considering the development of a new well field about 7 miles northwest of the city. In this area, the alluvial plains deposits are about 140 thick with 50 to 80 feet of saturated thickness. The eastward hydrolic gradient and the major recharge area west of the new site makes this location very favorable."

*We Are About Out of Water at the East Field

What will happen to present water wells?

They can be used as auxiliary field as far as it complies with the new laws:

The City of Wellington received a letter January 31, 1972, from Texas State Health Department making the following recommendations for City to comply with the Department's acceptable practices:

- City should consider replacement of the redwood reservoir.
- Construct 6 foot square concrete sealing block on each well.
- Construct locked buildings or man-proof fence at each well.

All these will cost money with no more water than already available.

There has been one well drilled and tested at the new field and it produced 1,138,800 gallons per day and geology showed very adequate water with no red silt. Present plans call for three wells.

How much water will a 12-inch pipe-line from wells produce to City?

2,880,000 gallons per day
1,718,500 was most used last summer in one day.

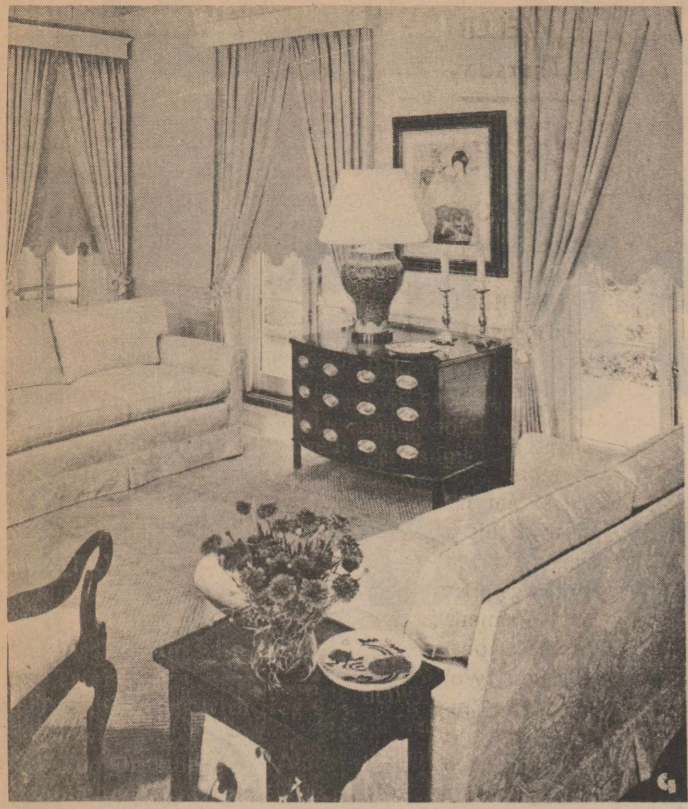

There would be available with present water storage in city 3,965,000 gallons in case of emergency or water need.

The present plans call for letting bids for a 12-inch and 14-inch pipe line from wells to City.

Engineering and geology together with financial advice show this to be a feasible solution to obtain good water to the City at a reasonable rate.

Shower Saturday Morning Honors Vickie Meadows, February Bride

Miss Vicki Meadows, who will be married to Clyde Harper of Amarillo this week end, was honored at a shower Saturday morning, February 5, in the Heritage Room.

Hostesses were Mrs. J.D. Farrar, Mrs. Glenn McLain, Mrs. J.W. Tarver, Mrs. Boyd Derryberry, Mrs. David Peters, Mrs. C.L. Watts, Mrs. Hezze Jones, Mrs. J.W. Seitz, Mrs. Velma Cates and Mrs. Dee Burba.

Mrs. Peters received the guests' gifts and presented them to Miss Meadows; her mother, Mrs. J.E. Meadows, her grandmother, Mrs. A.M. Kindrick of Silverton and the mother of the prospective

bridegroom, Mrs. J.L. Harper; and his sister, Mrs. Larry Mills of Ft. Worth.

Guests were registered by Miss Nancy Campbell of Clarendon.

In keeping with the Valentine season, the refreshment table was laid with a red cloth and centered with an arrangement of red and white roses. Silver appointments were used. Mrs. Farrar was at the coffee service.

Also in the house party was Miss Cly Harper of Ft. Worth, aunt of the prospective bridegroom.

Guests called between the hours of nine-thirty and eleven o'clock.

Texas Newspaper People Ate Well In 1887, Editors of 1972 Learn

Texas newspaper folks are used to having good food when they attend Texas Press Association conventions, but one of the conversation pieces at the banquet of the TPA mid-winter meeting in Ft. Worth was the menu. It wasn't the menu of that evening's festivity, however, it was the bill of fare of the special dinner at the first TPA convention in Ft. Worth in 1887!

Mr. and Mrs. Deskins Wells brought home a copy. The menu included:

- Million Dollar Salad
- Wild Prairie Chicken
- Roast Possum with Sweet Taters
- Turnip Greens with Hog Jowl
- Baked Grits Sherry
- Aunt Hattie's Garden Peas with Wild Mushrooms
- Panhandle Potato Salad
- Box Biscuits
- Corn Pones
- Chow-Chow
- Jan's Pickles
- Beets
- Celery
- Olives
- Mayflower Apple Pie with Longhorn Cheese.

The cost of the 1887 meal was 78 cents. As nearly as anyone could estimate, to have served this at the mid-winter meeting would cost \$12.00 per person, provided you could find your possum.

And here are the recipes for some of the dishes at this feast of 85 years ago.

MILLION DOLLAR SALAD
Serves 14 to 16
3 lbs white grapes or white canned cherries.
2 cans pineapple
1 lb marshmallows
½ lb blanched almonds
Juice of 2 lemons
4 eggs
1 cup milk
2 cups heavy cream whipped

Cut and stone grapes or cherries. Cut pineapple, marshmallows and almonds into cubes. Put these ingredients into large porcelain bowl and pour lemon juice over.

Make a custard of eggs and milk. When cold, add cream, beaten stiff. Add to the fruit, etc. Let mixture stand 24 hours. Serve cold.

ROAST POSSUM WITH SWEET TATERS

To roast a possum, first catch the possum. Dress it and soak in salt water for 12 hours, then wash and parboil it in salt water

er until tender. Have ready some sliced sweet potatoes which have been boiled until done in clear water. Lay possum out flat in roasting pan; put slices of sweet potatoes all around it; add pepper and sufficient stock. Bake in a quick oven until a nice brown. Serve on a platter, using potatoes and parsley for garnishing.

NOTE: to dress the possum you scald it in lime water, pull out the hair and scrape it, remove feet, entrails, and if you wish the head. Clean it thoroughly with hot water.

MAYFLOWER APPLE PIE WITH CHEESE
Serves 8

This recipe is said to have "come over on the celebrated ship in the year 1620."

Rich pie crust for deep dish, with top crust.

1 cup sugar
Tart apples to fill dish, about 3 cups
½ teaspoon nutmeg
Dash cinnamon
1 tablespoon lemon juice
Handful of chopped citron
¼ lb butter

Collect and measure ingredients; peel and slice apples very thin, removing cores and seeds. (Eating apples do not make a good pie.) Roll out bottom crust and line in earthen dish neatly. Spread ½ cup of sugar evenly over the bottom. Arrange sliced apples in the dish, piling them as high as possible to make a pie rich in filling. Sprinkle remaining ½ cup of sugar over the apples, adding the nutmeg, a dash of cinnamon, lemon juice and finely chopped citron and butter cut into bits. Roll out top crust, making a slit in opening to allow steam to escape. Pie is ruined if juices escape. Place in hot oven (400 degrees) to brown quickly; cover or turn pan over it; reduce heat to 300 degrees and cook slowly for an hour. When pie is baked, its apples will be tender, translucent and juice will be like jelly. A shallow glass dish or earthen casserole with cover can be used if you haven't an earthen dish. Add slice of cheese and allow to melt slightly.

Birthday Dinner Honors Four

Four members of the Peters family observed birthdays during the first 10 days of February, and to celebrate this, a luncheon was held in the home of Mr. and Mrs. David Peters; Sunday, February 6.

The guests of honor were Hunter Peters, whose birthday was Feb. 4; Miss Susan Peters, Feb. 6; Mrs. David Peters, Feb. 7; and Mrs. Jesse Peters, Feb. 10.

Those attending were Mr. and Mrs. Jesse Peters, Hunter Peters, Mr. and Mrs. David Kendall and Sheena, Miss Susan Peters and Miss Beth Peters of Amarillo; Mrs. Mattie Childress, Mr. and Mrs. David Peters, Randy Motesbocker and Debra Hicks.

Art of Piet Mondrain Studied by Excelsion Club Thursday Evening

Mrs. Robert Barjenbruch was hostess to Excelsion Club Thursday evening, Feb. 3. Mrs. Lowell Wells, president, presided over a short business session. When the club voted to continue the study of art the coming year. Misses Rose Shadid, Bonnie Willis and Dorothy Robertson were appointed year book committee.

Miss Willis extended an invitation from Mr. and Mrs. John Sherman for the members to attend a lecture of art Wednesday Feb. 9, at their studio.

Mrs. Barjenbruch presented the program, giving the life of Piet Mondrain the Dutch painter, born in the Netherlands in 1872. Mondrain was reared in a strict Calvinistic home and was deeply religious, with a high moral conscience. He wrote many articles such as "Thoughts On Man", 1920. But he was unknown as a human being, living in a closed circle with no opening to the outside world. There was never a romance in his lonely life.

Mondrain hated nature and would sit with his back to a window to avoid seeing trees. He never used green in his paintings as it reminded him of nature. Curved lines irritated him. He limited his palette to primary colors and his pictures are made up almost entirely of solid squares or rectangles, while all the lines had to be horizontal or vertical. His only work in landscapes or portraits were done for economical reasons. . . he needed the money. Mondrain was the strictest and most "architectural" of all abstract painters. He simplified art in Cubism, depicting the harmony of universal order.

Though this did not become an art style, it had a great deal in common with science and engineering, and was the only style for putting the industrial landscape of the age of machines on canvas.

In 1940 Mondrain fled to New York to escape the war in Europe. Boogie-Woogie was popular in 1940 and Mondrain saw that the destruction of melody in this music was equivalent to his own destruction of natural appearances in art. His painting, "Broadway Boogie-Woogie" hangs in the Museum of Modern Art in New York and is a most exciting picture in many ways. It has a spine tingling liveliness. The design moves with the pulse beat of the big city - the flashing neon signs, its stop-and-go traffic along precisely laid out patterns. It depicts the kind of life modern man has created for himself out of his Mastery over the forces of nature.

Mondrain died in New York in 1944, leaving behind the effect of his influence on our modern furniture designs, as well as tiles and fabrics and carpets.

Mrs. Barjenbruch served a dessert plate in keeping with the Valentine season to Mrs. Wells, Mrs. Henry Vaughan, Miss Rose Shadid, Miss Robertson, Miss Marie Shadid, Miss Willis and Mrs. J.F. Michael.

Miss Wauleen O'Hair, a February Bride, Complimented with Shower

A wedding shower honored Miss Wauleen O'Hair, the fiancee of Gary Hiett of Shamrock, on Saturday afternoon, February 5, in the Heritage Room.

Sharing hostess duties were Mrs. Leo Popwell, Mrs. Kirk Clay of Shamrock, Mrs. Wilson Porter, Mrs. John Sherman, Mrs. Glenn Norman, Mrs. Sam

Thompson, Mrs. Ernest Harwell, Mrs. Ernest Nunnelley, Mrs. Glen Taylor, Mrs. Jackie Barnett, Mrs. Pat Slavin of Canyon, and Mrs. Sally Gray.

Mrs. Popwell greeted the guests. Others in the receiving line were Miss O'Hair; her mother, Mrs. F.R. Locklear of Vernon; her grandmother, Mrs. Irene Miller of Amarillo; and her sister, Mrs. Jess Scruggs of Baytown.

Mrs. Slavin was at the registry.

Guests were served from a table laid with a white crocheted cloth. The centerpiece was of pink, blue and white flowers in a white footed bowl, while crystal appointments were used. Mrs. Barnett poured.

Friends called between three and five o'clock.

Mrs. Clark Hosts Belles Lettres

Mrs. A.B. Clark entertained the Belles Lettres Club Tuesday afternoon, February 1, when the program was a review of the recently-published book, "Eighty-Three Hours Till Dawn."

The club speaker was Mrs. Albert Fulcher, and the book she reviewed was the first person account by Barbara Mackle of her being kidnapped buried alive with a limited source of oxygen, her ransom for \$500, 000 and rescue 83 hours after her burial.

Also in her book, the coed told how her life was changed as she realized the compassion of those who tried to help her. Mrs. Dick Richards, president, conducted a short business session.

A salad plate was served to Mrs. Fulcher, Mrs. Coy Vaughan, Mrs. Richards, Mrs. J.M. Stowell, Mrs. Jim Wood, Mrs. Bill Harbin, Mrs. F.A. Hatch, Mrs. Howard Riggs, Mrs. L.M. Bartlett, and Mrs. Clark.

Dining cafeteria style originated in New York City in 1885.

Club Hears of Satellite Center

Changes in satellite schools for human development were outlined for Panhandle personnel at an all-day meeting at the Amarillo State Center of Human Development Friday, February 4. Attending from the Wellington center were Mrs. Dan Hiett, instructor, and Mrs. Bill Lindsey, aid.

The names of the units throughout the state have been changed to Satellite Training and Work Centers, Mrs. Hiett said. This is to remove the concept of a school from the public image, although many of those who attend the training and work center do go on to attend public schools.

Community support of the centers is essential, Mrs. Lindsey pointed out.

An exchange of ideas among the instructors and aides brought out new ways in which those attending the center may be helped. Money raising ideas were discussed. Sale of products made by the center students is one source.

The advisory board of the Wellington center met Thursday, February 3, to discuss fund raising projects.

It was pointed out that the State through the Texas Department of Health pays only the salaries of the instructors and aids, but all other expenses must be covered in the local community.

Mr. and Mrs. Hurshel Tyler are donating the building at the corner of Dallas and 15th Streets which houses the center. Furniture was received from the Quail and Samnorwood schools and refurnished. Mr. and Mrs. Billy Moseley gave a cooking range.

Attending the Thursday meeting were Mrs. B.M. Sims, chairman, Miss Stavenhagen, the Rev. Philip Daniels, the Rev. R.T. Dyess, Min. Gaylord Cook, Mrs. Jimmy Langford, Mrs. Glen Warrick, Mrs. Kenyard Poteet, Mrs. Hiett and Mrs. Lindsey.

Bald tires, those with no tread at all in some spots, are 44 times more likely to have flats, tests show.

Best foot forward doesn't apply to tires any more. Newer tires should be placed on the rear axle. Extensive studies show vehicles in accidents more often have worn tires in the rear.

Party Honors Betty Vernon

Mrs. Eugene Vernon was hostess at a birthday party honoring her daughter, Betty Annette, on Saturday, February 5, when she was four years old.

The party area was decorated with balloons and gifts were placed beneath them.

Refreshments of punch were served to Cynthia Gollighugh, Rhonda Gollighugh, Creed Wright, Craig Wright, Susie Kellison, Max Kellison, Carla Seitz, Darla Seitz, Patricia Fourmentin, Mark Fourmentin, Kelly, Bill and Dennis Howard of Mobeetie, Darryl Vernon, and the honoree, Betty.

Peanut Butter Has Protein

The protein in peanut butter is of higher quality than most vegetable proteins and is a good supplementary food to include as often as possible in menu planning. Peanut butter also ranks near the top of the food list in energy, fats necessary for body balance, phosphorus, thiamine and niacin, she says.

Whole or halved peanuts can decorate the top of a butterscotch pie, other desserts and salads. And peanut butter can be used in soup, sauces, gravy, mashed potatoes and milkshakes.

Baked goods that can be made tasty with peanut butter include pies, biscuits, muffins, rolls, cakes, cupcakes, coffee-cakes, brownies and cookies.

Personal

Mr. and Mrs. David Peters and her sister, Mrs. Mattie Childress, have returned from a short visit in Collinsville, Oklahoma, with the Peters son, Mr. and Mrs. Fred Peters and daughters, Jeanine and Andrea Lynette. They visited a sister of the two women, Mrs. Christine Scott in Collinsville, and a niece, Mr. and Mrs. Glenn Brock in Claremore, Oklahoma.

Mr. and Mrs. John Ford and Mrs. J.L. Burt visited this past weekend in Wichita Falls with Mrs. Burt's sister, Mrs. Roy James, who is seriously ill. They also visited in Arlington with Mr. and Mrs. Joe Bulloch and family and with Mr. and Mrs. John Ford III, in Greenville.

Mrs. A.E. Reddock of Amarillo spent the week end visiting her brother Mr. and Mrs. Clarence Black of Dodson, and sister, Mr. and Mrs. Leo Popwell.

Mrs. Howard Fike and daughters, Miss Renda Fike and Mrs. Jeff True and Shane of Amarillo visited recently with her parents, Mr. and Mrs. Tiffin Young.

Mrs. John Deaver of Memphis was in Wellington Tuesday attending to business and visiting friends.

Guests in the home of Mr. and Mrs. Everett Bell last Saturday and Sunday were their son and daughter-in-law, Mr. and Mrs. J.E. Bell and girls. They also visited with her mother, Mrs. O.A. Terry Saturday evening and Sunday.

A Tuesday lunch guest of Mr. and Mrs. Everett Bell was their daughter-in-law, Mrs. Ron Bell of Iowa Park. She had been to Childress to visit with her mother, Mrs. Leonard Throne who is in the hospital there.

Club Hears Report on Trip

Mrs. David Peters was hostess to the Midway Home Demonstration Club Thursday afternoon, February 3, in the Heritage Room.

Mrs. Jack Colson, president, was in charge of the program, telling of a trip to the Satellite Center for Human Development. Later she presided at the business session.

Attending were Mrs. Joe Terry, Mrs. Colson, Mrs. Mattie Childress, Mrs. Homer Holton, Mrs. Harold Caldwell and Julie, and Mrs. Peters.

Happy Homemaking

To enrich a child's vocabulary, create interest or to teach appreciation for beautiful things, use a picture—clipped from a magazine—taped on the refrigerator door each day. The child will be eager to see what the picture of the day is going to be.

If you have wooden steps to your back door, hinge the top of the bottom step and use the space below for storing rubbers, galoshes, ball bats, skates and so on.

For typing students or anyone doing stenographic

work: Take a piece of bias tape (eight inches long) and sew a button on each end of the flat side of the tape. You can set your stenographer's book upright by putting the front and back covers against the buttons.

Paint lawn sprinklers and hose nozzles a bright red and they will be easy to find in the grass.

Tape about six inches of the handles of your garden tools with adhesive-backed tape to get a good grip on them.

Trio to Attend T.C.T.A. Meet

Three Wellington teachers will be among the approximately 1200 from over the state who will look at all levels of educational issues at the 17th annual convention of the Texas Classroom Teachers Association in Dallas Friday, February 18 and 19.

They are Mrs. Chester White, president of the TCTA unit here; Mrs. Bob McAlister, first vice president; and Mrs. Walter Camp, treasurer.

They will attend an open hearing on the proposed new National Education Association constitution, structured to divert more power to local educational associations and the classroom teachers.

Delegates will vote on such resolutions as continued improvement of bilingual education, qualified teachers for sex education, multi-level text-

JFF Hosts 42 Party

Members of the JFF Club entertained their husbands with a 42 party Thursday evening, February 3, in the Heritage Room. Mrs. Alton Wilkins and Mrs. Herman Belew were the hostesses.

The Valentine theme was carried out in decorations, and the refreshment table, laid with a white cloth, was centered with a cupid and heart, surrounded by red carnations.

Attending were Mr. and Mrs. Howard Holton, Mr. and Mrs. James Masten, Mr. and Mrs. Lloyd Woodridge, Mr. and Mrs. Lloyd Woodridge, Mr. and Mrs. Don Jones, Mr. and Mrs. J.I. Morgan, Mr. and Mrs. Murl Lacy, Mr. and Mrs. Harold Keller, Mr. and Mrs. Wilkins and Mr. and Mrs. Belew.

Quanah, Memphis, Altus in Week's Sports Picture

Wellington Skyrocket B team defeated the Quanah Indian B 53-40 in a game paired with the varsity here Tuesday night, February 1. The B team boys and girls then dropped a double header to Memphis 52-50 and 43-22 Thursday evening. To round out sports-filled week, the two Wellington girls teams traveled to Altus Saturday, with the Rockettes losing 65-43, while the B team was defeated by the Altus Varsity Reserves 44-17.

Wellington boys led Quanah B Indians by a narrow margin the entire game, and won it in the last quarter, making 60 per cent of their free shots. This was an especially pleasing victory, as Quanah had defeated the Rocket B on their home court.

Wellington's Randall Hodges was high point man in the game, scoring 19 points, with Bobby Joe Shrubs making 14 and Mike Williams 9. Dowlen scored 10 for Quanah.

The Wellington-Memphis boys game was close all the way, with the Cyclone B leading 28-27 at the half and Wellington 42-40 at the third quarter. The Rockets were then edged out in the fourth on the free shot line, hitting only about 31 per cent of their tosses to Memphis 40 per cent.

Hodges again led the scoring with 18 points, Shrubs had 11 and Dickie Johnson 10. Simpson was high man for Memphis with 13.

Wellington Rockette B was leading Memphis 18-17 at the end of the third, only to lose out in the fourth.

Dian Brooks scored 9 points for Wellington and Connie Lewis 8. Memphis top scorer was Henderson with 22.

The Altus games were essentially a warm-up for the Rockettes, district showdown with Shamrock.

The B team lost to the Altus Varsity Reserves 44-17, although the Wellington girls played well and handled the ball well.

"I was pleased with the girls. We just couldn't hit the basket, although we handled the ball as much as Altus," said B team Coach Jimmy Forrester.

Dian and Connie each scored 7 points. Alferney had 14 for Altus.

Although the Altus Varsity girls defeated the Rockettes 65-43, this game was much closer than the score indicated.

"We played real good and all the girls played. We shot about 30 per cent from the field and 53 per cent of our free throws. Altus girls shot 40 per cent from the field and 62 per cent from the free throw line," said Coach Don Lacy.

Patti McAlister led Wellington in the last 10 seconds," Coach Nunnelley reported.

Memphis led 19-13 at the first quarter and Wellington was ahead 27-25 at the half, and 46-40 at the third.

Three boys scored in double figures: George Brewer and Neal Cochran, 15 each and Sammy Gonzales 13. George Brely had 16 for Memphis.

This was about as evenly matched game as Wellington fans could want to see. ACTION AT MEMPHIS

The teams again split their victories when they met at Memphis Monday night, Feb. 7. This time, Wellington girls lost 40-20, having a cold night from the floor and missing a lot of shots they should have made. On the other hand, Memphis was unusually accurate from the floor, and Wellington played behind them the whole game.

Wellington's Doris Thomas scored 18 points; Diane Cannon had 10 for Memphis and Mary Walker 15.

Wellington boys defeated Memphis boys 43-32.

"I think our boys played a very good ball game. They had a lot of determination, having been edged by Memphis the previous Thursday by three points here at home. Again we had a well-balanced scoring, with three boys in the double figures, Neal Cochran 12, Richard Sims and George Brewer 10 each," Coach Nunnelley said. High pointer for Memphis was Wright with 20.

MANEATERS FROM MARS? Not quite. Merely a Claymont, Del., band member assembling his tuba.

Early Oklahoma School Revisited

A Wellington man returned recently from a visit to the school he attended 67 years ago, and although it is no longer a school, the building is much as it was then.

He is Lee Scarberry, who with Mrs. Scarberry, spent a month at Honeymoon Lodge at Durant, Oklahoma. A fire-

place in their cabin made it an inviting place for the couple to vacation.

They visited the old Tishotock Indian School at Bingtoning, then Oklahoma Territory, and Mr. Scarberry was the first white child to attend. At that time it was a boarding school.

His father was a member of the school board.

The original school building, a wooden structure, is still there, and is now a church.

The old school bell was there, too, and Mr. Scarberry reported he enjoyed ringing it.

He also found a few of his childhood friends with whom to visit, along with several relatives.

Everybody Wins In Wellington-Memphis Games

Wellington eighth grade boys and girls met Memphis twice in the week, and each came out a winner one time.

Wellington was host for the first set, Thursday, February 3. Wellington girls defeated Memphis eighth grade girls 36-21, after being ahead all the way. Sherri Peeks led the scoring with 14 points for Wellington and Lana Lacy had 11.

Mary Walker led Memphis with 10.

"They did a real good job, playing one of their better games of the year and all the girls got to see action," said Coach Carroll Nunnelley.

This was the second meeting this year, Wellington having played them in the Memphis tournament for the championship, which Wellington won 25-20.

Wellington Firecrackers lost to Memphis boys 53-50 the same evening.

"I felt like the boys played a real good game. They were consistent and it was a see-saw battle, each team having the lead throughout the game and right down to the wire, with Memphis winning on free shots the last 10 seconds," Coach Nunnelley reported.

Memphis led 19-13 at the first quarter and Wellington was ahead 27-25 at the half, and 46-40 at the third.

Three boys scored in double figures: George Brewer and Neal Cochran, 15 each and Sammy Gonzales 13. George Brely had 16 for Memphis.

This was about as evenly matched game as Wellington fans could want to see. ACTION AT MEMPHIS

The teams again split their victories when they met at Memphis Monday night, Feb. 7. This time, Wellington girls lost 40-20, having a cold night from the floor and missing a lot of shots they should have made. On the other hand, Memphis was unusually accurate from the floor, and Wellington played behind them the whole game.

Wellington's Doris Thomas scored 18 points; Diane Cannon had 10 for Memphis and Mary Walker 15.

Wellington boys defeated Memphis boys 43-32.

High pointer for Memphis was Wright with 20.

Wellington led the entire game.

Food Stamp Changes Affect Texas Grocers

Three important program changes will directly affect Texas grocers who participate in the U.S. Department of Agriculture's Food Stamp Program.

Changes include a slightly different 50-cent coupon which will be used by food stamp families soon as well as a new type of redemption certificate to be used by grocers and the elimination of cash for change in food stamp transactions - the latter two of which will go into effect March 1, according to Martin Garber, south-west regional administrator of USDA's Food and Nutrition Service, the agency which handles federal responsibilities for the Food Stamp Program.

Mr. Garber outlined specifically the changes which will be involved:

- The new redemption certificates to be used beginning March 1 will be in card form which will be read automatically by a computer.

- Beginning March 1, retailers can no longer give cash for change in food stamp transactions or accept food coupons as payment for bottle or other container deposits.

Credit slips or tokens not to exceed 49 cents per transaction must be used for any change due of 49 cents or less.

- The orange colored 50-cent coupons will look slightly different.

The 50-cent coupons currently in use are valid so long as they are in circulation.

Texas grocers authorized to accept food stamps will be mailed further details on the changes within the next few days, said Mr. Garber.

The Food Stamp Program in Texas is administered by the State Department of Public Welfare in cooperation with USDA's Food and Nutrition Service.

Animal Health Seminar Set

Seminars on beef cattle, horses, poultry, swine, dairy cattle and feedlot management will highlight the 4th annual Southwestern Animal Health Conference, March 18-19, at the new convention center in Waco.

The conference is being sponsored by the Texas Veterinary Medical Association and Texas A&M University for livestock producers in a five-state area.

Quail News

By Mrs. G. T. Stephens

The cold dry weather continues here, however, the farmers are beginning to plan for the crop of 1972. A few are deep breaking their land and some are running stalk cutters.

Mrs. T.C. Crabtree is convalescing at home at present, after having eye surgery at High Plains Baptist Hospital in Amarillo on Friday, January 28. She returned to the hospital for a check-up last Friday, and her condition was reported as being satisfactory. Mr. and Mrs. A.B. Boyett accompanied Mr. and Mrs. Crabtree to the Hospital.

Mrs. Johnny Carson Sr. underwent neck surgery Thursday, February 3 in Pampa, at Highland General Hospital. Her parents, Mr. and Mrs. Ben Farmer, Mr. and Mrs. Lloyd Langley and her husband, Johnny Carson, Sr., were at the hospital with her Thursday. Mr. Farmer said Tuesday morning that she is now at the home of her son and daughter-in-law, Mr. and Mrs. John Carson, Jr.

Mr. and Mrs. Albert Gollighugh and Dub attended a basketball game at Lela last Tuesday night. The game was between Lela and Mobeetie. The Gollighugh's grandson, Bill Howard, was on the Mobeetie team.

Mr. and Mrs. Carey Don Neeley of Amarillo spent the week end with their parents, Mr. and Mrs. Loyd Langley and Mr. and Mrs. Lonnie Neeley.

Mrs. Keith Shepherd of Amarillo visited with Mr. and Mrs. T.C. Crabtree Friday evening. She formerly lived at Quail, and will be remembered as Mrs. Walter Starr. Mr. Starr owned and operated the Quail Gin.

Week end guests in the home of Mr. and Mrs. G.T. Stephens were Mr. and Mrs. Tommy Martin, Angela and Debbie of Lakeview, Mrs. Lee Phillips, Toby and Terry of Spearman, Mr. and Mrs. James O. Miller and Mylina of Memphis.

Quail Quails won the 3-B South Zone title with a victory over Lefors Pirates 76-60 Friday night, January 28, and the district round robin winner will be determined after a tie is played off in the North Zone.

Mobeetie and Miami are presently tied as North Zone leader, and the winner will be decided Tuesday, February 8, in Lefors, Quail coach Bill Wilson announced.

Date of the district game will be announced, and this will determine the round-robin winner, one half of determining any Class B district title.

It will be followed by the boys 3-B District Tournament on Thursday through Saturday, February 17, 18, and 19 in Miami. If the round robin and tournament winners are the same team, that will end the 1971-72 season and the district champion will go into bi-district play. If, on the other hand, the round robin and tournament winners are different teams, there will be a one-game playoff to determine the champion, Coach Wilson explained.

Troop 32 Has Camping Trip

Despite below-freezing weather, 18 members of Boy Scout Troop 32 held their overnight camp-out recently at Red Bluff, on the Wren Hartman farm about 10 miles west of Wellington.

Under the direction of Scoutmaster Glenn McLain and Assistant Gary Reed, they slept in sleeping bags in tents and cooked their meals over an outdoor fire. Saturday they participated in organized trips, practiced rope work by scaling the bluff, and participated in other activities that kept them warm.

Boys on the camp-out were Richard Sims, Randall Sims, Steve Hartman, Tony Cox, Scott Peeks, Larry Adams, Mickey Vassey, David Vassey, Neal Cochran, Jimmy Saied, Bill Havens, Mike Cummings, Roger Baker, Lyn Hurst, Rudy Bias, Mike Reed, Don Lewis.

Their next camping trip is scheduled for Friday evening and Saturday, February 25 and 26, Mr. McLain said.

Seniors Slate Major Events

Two major Wellington senior events were announced following a class meeting February 2.

The Miss Wellington Contest, sponsored each year by the seniors, will be Saturday, March 25.

The Seniors will have a class trip this year and members voted to go to the Fin and Feather Lodge at Gore, Oklahoma. The trip will be Friday, May 19.

The senior class picture panel will feature for the first time colored pictures.

VARIETY OF COLORS
The squid can change to a greater range of colors than any other animal, including the chameleon.

M. F. Smith 88, Retired Farmer, Dies Saturday

Marvin Franklin Smith, a retired farmer who lived 9 miles northwest of Vinson, died in Harmon County Memorial Hospital Saturday, February 5, at 10:30 a.m.

He was 88 years of age. Mr. Smith was born in Montague County March 4, 1883, and lived in the Vinson area since 1943. At the time of his death, he made his home with a niece and nephew, Mr. and Mrs. R.W. Sherrill.

He was a member of the Pentecostal Church.

Funeral Services were held at 3:30 p.m. Sunday in Kelo Chapel, with the Rev. John Hutson, pastor of the Assembly of God, officiating. Burial was in Independence Cemetery in Mudge community by Kelo Funeral Home.

Pall bearers were Gerald Sherrill, Fudd Sherrill, Homer West, R.L. Sherrill, Donald Thompson and Jay Pierce.

He is survived only by nieces and nephews.

Jesse Coleman Honored for Range Conservation Work

Ranching to Jesse Coleman is not only his livelihood, it is his background, going all the way to his grandfather, who set up his own operations in the county before the turn of the century.

But it was in recognition of the work Jesse Coleman has done through the 1960s and into the 1970s that he was presented the Outstanding Rancher Award at the Chamber of Commerce Banquet Monday, February 7.

Mr. Coleman was nominated by the Salt Fork Soil Conservation District, and he will soon also represent it in the state-wide 1972 Texas Conservation Awards Program.

His success as a rancher in northwest Collingsworth had its beginning when he bought his first quarter section in 1941. It was some years later, after his World War II service, before he could do much about it. He and his wife, the former Margaret Hess, now own 6,080 acres and operate an additional 2,238.

This is a cow-calf and stocker operation. He has weathered

JESSE COLEMAN

two severe droughts, one in the early 1950s and the other in the late 1960s, and some of his more successful conservation practices have grown out of these.

Gary Reed, unit conservationist, for the Soil Conservation Service, has discussed his program. Coleman became a Salt Fork SCD co-operator in 1951 and entered the Great Plains Conservation Program in 1960. It expired in 1966, after he had carried out its recommended practices.

Improvement of his rangeland is a continuing thing with Jesse Coleman. A major piece of work was brush control, taking out mesquite and brush on land that now grows more grass. Fencing controls overgrazing areas.

Drought turned his attention to stock wells, storage facilities, and terraces. Coleman now has irrigated hay land, and weeping love grass plantings increase the carrying capacity of part of the ranch.

A sportsman, he is concerned with the conservation of wildlife and he can show indignation at those who abuse the privilege of hunting or fishing on private land. He sees in wildlife, properly managed, a potential source of additional income in the Southeast Panhandle.

"In some cases, leasing acres for hunting can pay the taxes on that land," he told Reed. Mr. and Mrs. Coleman have three children. Their son Max, is associated with his father, in ranching, their older daughter, Sara, teaches at Garland.

Both were graduated from Texas Tech, as was Mrs. Coleman. Their younger daughter, Jan, is a senior in McLean High School.

A graduate of Wellington High School and West Texas State University, Coleman entered the Air Force in World War II a buck private and was discharged in 1945 a first lieutenant.

He then taught agriculture in the Veterans Vocational School in Wellington and later was co-ordinator of similar schools in Gray County 5 years.

Prior to serving in the Air Force, Mr. Coleman had 8 years service with the Farmers Home Administration at Childress and Pecos. He is a member of the Masonic Lodge and Southwest Cattle Raisers Association.

Honors are not new to Jesse Coleman, for in 1965 he was honored by the Samnorwood Lions Club as Outstanding Conservationist, and with his 5 brothers formed the Conservation Group that received the state award in the Soil and Save Texas Awards Program.

New "Texas" Auditions Are Videotaped

The next auditions for "Texas", the musical drama which plays in the Palo Duro Canyon, will be managed in a new way. Instead of the directors, Pat Jerrett, the head of the sound and lighting sections, will be in charge, and the applicants will make videotapes of their tryouts. He will meet them in studio B in WFAA-TV Station in Dallas at 2:30 P.M. on Saturday Feb. 12.

The directors of "Texas" are experimenting with videotape for tryouts in order to study the skills of many more applicants than they are able to see in person. Four of them, William and Margaret Moore, Royal Brantley, musical director, and Neil Hess, choreographer study every applicant, and since it is difficult for all of them to be on hand for out-of-town auditions, they have decided to try this new device. The people whose skills revealed on the tape which seem to fit the needs of the show so well that they are seriously considered, will be brought to Canyon for personal interviews.

Applicants for dancing positions should prepare a three minute (or less) demonstration. Others should present, from memory, a song and a scene from a play. The combination of the two should not take more than four minutes.

Those chosen for the "Texas" company will earn from \$500 to \$1500 for the summer season and will be able to obtain professional experience in a challenging show which plays in a magnificent canyon. Dates for the 1972 production are June 22 through August 26. For information write to Box 268, Canyon, Texas, or call 806-655-2182.

THE WELLINGTON (TEXAS) LEADER
Thursday, February 10, 1972

AUSTIN, Tex. - New guidelines for conduct of the state's first publicly-financed primary elections are due to reach local election officials this week.

Secretary of State Bob Bullock, as chief Texas election officer, drafted the rules in line with a federal court amendment to the decision outlawing filing fees as proposed in a 1971 law.

Bullock interpreted the latest order as authorizing the state to foot the bill for primary election costs. He said an earlier opinion permitted use of nominal filing fees to regulate length of the ballot but not as a revenue-raising device placing a wealth requirement on candidacy.

The chief election officer ordered this mandatory filing fee schedule for both Democratic and Republican candidates (or an alternative nominating petition signed by qualified voters):

Statewide offices, \$400; U.S. representative, \$300; state senator, \$150; state representative, \$100; chief justice or associate justice, court of civil appeals, \$100; member state board of education, \$50; district judge or judge of any court having district office status, \$100; district attorney or criminal district attorney, \$100; inspector of hides and animals, \$50; all county offices except county surveyor or inspector of hides and animals, \$100; county commissioner, \$50; justice of the peace or constable for counties above 200,000 population, \$50; justice of the peace or constable for counties under 200,000, \$25; all party offices, no fee.

Fees must be paid in full by February 28. In lieu of filing fees, candidates may elect to file petitions by a March 6 deadline. For statewide offices, 2,500 signatures are necessary. For other offices, signatures urging candidacy must be equal in number to at least two per cent of the entire vote cast for a party's gubernatorial candidate in the last general election for the territory served - or at least 25 and no more than 300 signers.

State Comptroller Robert S. Calvert has stated he will ask an attorney general's opinion

on legality of Bullock's proposal to finance May and June primaries with funds transferred from another state appropriation. Gov. Preston Smith applauded the plan and said he will direct the necessary transfer.

ALLOWABLE GOES UP - The February oil allowable has been pushed up another 4.1 per cent in answer to demands for more production.

Texas Railroad Commission set the allowable at 75.8 per cent the following week after announcing it would be 71.7 per cent.

Chairman Byron Tunnell said several Texas refineries insisted they could not get enough crude oil to meet demands for February if the allowable were set at the 71.7 per cent factor.

The allowable has been raised for three straight months, and the new, adjusted February mark is the highest since a 77.2 per cent factor last May.

Tunnell said requests amount to a firm demand for an additional 76,000 barrels of crude oil a day for the month. The new allowable will permit an extra 75,717 barrels a day.

Texas crude stocks January 21 came to 90,994,000 barrels down 18.3 million from the same time in 1971.

WATER BONDS SOLD - Texas Water Development Board sold \$25 million in water development bonds at an effective interest rate of 4.6831.

A syndicate headed by First National Bank of Dallas made the purchase.

Sale of bonds increased the Board's statutory lending rate from 3.77207 per cent to 3.95873 per cent. Thus, governmental units borrowing mon-

Outstanding Public Service

Service rendered in many ways to this community was recognized Monday night, Feb. 7, as the Chamber of Commerce presented its special awards. The selections were both appropriate and outstanding.

The services recognized have given character to our town and county, made our life comfortable, contributed to our well-being, and boosted our economic life. Each expresses concern for both people and our community.

Taken individually, they express the friendliness with which we are served in our business houses (Many towns envy us this), they remind of the care and consolation of which we are certain when death comes our way, but also of service in our happier days.

One award was special indeed, for John Forbis, a native son, has given freely all his life in areas which receive no pay, and too often, no thanks.

In the Christmas decorations award, we recalled gaiety. In the Outstanding rancher award, tribute was paid to a way of life to which our county is so well suited.

To Mrs. Bill Reeves, Mr. and Mrs. Jimmie Kelso, Mr. Forbis, The Wellington State Bank and Jesse Coleman, we add our hearty congratulations.

Each has contributed more to the County than any of them realize.

Rich Voice Is Stilled

Mahalia Jackson, the former washer-woman who became a high priestess of beautiful music, is dead, and this country has lost a great singer.

Her outstanding talent will have a permanent place in American music and her personal life and accomplishments will be regarded as a tribute to every black American.

Mahalia Jackson's rich voice was heard in unpretentious settings, in Carnegie Hall, and in many cities in Europe, and her appearances were always a tremendous success. Her audiences inevitably responded to her warmth and emotions. She knew how to fill hearts with gladness because she sang from the heart, with great feeling and understanding.

Many critics feel that her musical interpretations of many gospel songs served as a forerunner of modern music.

Born in a levee shack on the Mississippi near New Orleans, Mahalia Jackson lived much of her life in Chicago, where she was outstanding as a citizen as well as a professional singer.

It is America's great loss that Mahalia Jackson's voice is stilled.

CROSSROADS REPORT

Dear Editor:

The food and Drug Administration experts immersed a rat in hexachlorophene for an extended time and it made him sick, so they proclaimed this chemical as hazardous to people's health.

But when hospitals quit using weak solutions of the stuff to wash their new babies, they got swamped with staph infections. Sort of like malaria broke out again when the FDA put its hex on DDT.

Maybe the FDA "scientists" had ought to have a notice tattooed on their foreheads reading "Paying attention to my warnings may be hazardous to your health."

Mother of Mrs. Peeples Dies

Mrs. Ethel Barbee, 77, of Lakeview, died in Hall County Hospital at Memphis Wednesday, February 2. She was the mother of Mrs. Rex Peeples of Samnorwood.

Funeral services were conducted at the First Baptist Church in Lakeview at 3:00 p.m. Friday, with the Rev. C.H. Murphy of First Baptist Church in Memphis and the Rev. Tommy Nelson of First United Methodist Church in Memphis officiating. Burial was in the IOOF Cemetery at Lakeview.

Mrs. Barbee, the former Ethel Smith was born in Atlanta, Georgia, and had lived in Hall County since 1909. Her husband, Jesse Herbert Barbee, died in 1958.

Her survivors include six daughters and three sons, two brothers and a sister, 15 grandchildren and 6 great grandchildren.

E. L. Tarpley Dies at Pampa

A former Collingsworth County man, Eddie Louis Tarpley of 409 1/2 North Frost, Pampa, died in Worley Hospital there Thursday, February 3, at 4:30 p.m.

A retired farmer, he had moved from Wellington to Pampa in 1955.

Mr. Tarpley was born July 15, 1885, at Denver, Texas, and in the early 1900s he moved to a farm north of Wellington, which he still owned.

Funeral services were conducted at 2:00 p.m. Saturday in Duenkel Memorial Chapel with Dr. Woodrow W. Adcock, pastor of San Jacinto United Methodist Church, Amarillo, officiating. Burial was in Fairview Cemetery, Pampa, under the direction of Duenkel Funeral Home.

Survivors include a daughter, Mrs. Madeline Rowntree; a daughter-in-law, Mrs. Ruth Tarpley, both of Pampa; a sister, Mrs. Kitty DeLamar of Los Angeles, Calif.; four grandchildren: Bill Tarpley of Amarillo, Buz Tarpley and Edd Rowntree of Pampa, and Mrs. Donna Ludwick of Dallas; and 8 great grandchildren.

Charlie Graves Dies in Calif.

Charles L. Graves, 78, formerly of this county, died at Manteca, Calif., January 22 after a long illness. Funeral services and burial were in California.

Mr. Graves was born April 28, 1893, in Oklahoma and moved to the China Grove community with his parents, the late Mr. and Mrs. J.D. Graves, in the early 1900s. He married Miss Willie Mae Monroe in 1922. He was a member of the Baptist Church and Odd Fellows Lodge, and a veteran of service in the U.S. Navy.

He farmed at China Grove on Elm Creek, until the early 1940s, when he and his family moved to California, where he was employed by the California Prison System at Lancaster.

Survivors are his wife; two sons, Ross Graves of Lodi, California, and Rudell Graves, an armed forces career man; a brother and two sisters; George Graves and Mrs. Dixie Ammons of Mangum, and Mrs. Essie Short of Washington, D.C. Bill Graves of the China Grove community is a nephew.

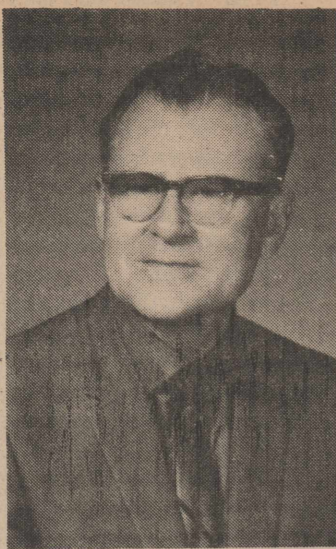

Jackson Named Distinguished

COLLEGE STATION -- John David Jackson of Wellington has earned "Distinguished Student" ranking at Texas A&M University, announced registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically.

"Distinguished Student" ranking is limited to 10 percent of Texas A&M's undergraduate enrollment.

Jackson, sophomore electrical engineering major, is the son of Mr. and Mrs. John Jackson, Route 1.

HERMAN MOSELEY

Former School Head Honored

A long-time Quail superintendent of Schools, Herman Moseley, has been selected as a member of 1971 Personalities of the South. He is in his second year as principal of Wellington Elementary and Junior High School.

He was selected for outstanding service rendered in his work, for leadership and educational research. Mr. Moseley was a principal and coach 10 years and superintendent 20.

Born at Weatherford in 1911, he came with his family to Childress County in 1914. He attended Tell school and received a B.A. degree from Hardin-Simmons University and M.E. degree from West Texas State University.

He and his wife, Lucille, were married in 1938 and have three children, Bill of Wellington; Mrs. Betty Elbert of Amarillo and Miss Dianne Moseley, a Lubbock teacher.

A veteran of the Army Medical Corps in World War II, Mr. Moseley has served as president of the county teachers organizations 5 terms, was a delegate to district conventions 5 times; state delegate four and attended the National Association of School Administrators.

He is presently a member of the Wellman Lions Club, Masonic Lodge, Deacon and Sunday School teacher in the Baptist Church. He served 10 years as a scoutmaster and was chosen a scoutmaster for a National Jamboree. He was a Red Cross Senior instructor.

He is the current president elect of Terry County TSTA and is a delegate to the state convention in March.

Canadian Downs Quail 64 to 59

Quail Quails led the Canadian boys through more than three quarters Monday evening, February 7, then lost out in the last four minutes of a game that ended 64-59 for Canadian.

The Quails are the round robin leader of the South Zone of District 3-B.

They were ahead 17-12 at the end of the first period, 32-23 at halftime, and 49-46 at the third. Canadian then got one point ahead, Quail tried to press, but their opponents beat this and scored in the last few seconds of play. At one time, however, Quail was ahead by 11 points, then got into foul trouble.

"Canadian has a strong team, of pretty good size and they are playing well," said Coach Bill Wilson.

Class A Canadian made 14 free shots of 18 attempted for 77 per cent, while Quail made

11 of 22 for 50 per cent. Canadian attempted 60 shots from the floor and hit 25 for 41 per cent; Quail attempted 65 and made 24 for 37 per cent. High point man was Canadian's Steve Carter with 22. Laron Peters scored 21 for Quail Gary Brown and Gary Alston 14 each, Jerry Barton 5, Larry McCann three and Terry Canada two.

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS

THE STATE OF TEXAS
COUNTY OF COLLINGSWORTH
CITY OF WELLINGTON

TO THE RESIDENT QUALIFIED ELECTORS OF THE CITY OF WELLINGTON, TEXAS, INCLUDING THOSE WHO OWN TAXABLE PROPERTY IN SAID CITY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Wellington, Texas, on the 19th day of February, 1972, in obedience to a resolution and order duly entered by the City Council which is attached hereto and made a part of this Notice for all intents and purposes.

WITNESS OUR HANDS AND THE SEAL OF SAID CITY, this the 24th day of January, 1972.

John S. Coleman
Mayor, City of Wellington, Texas.

ATTEST:
Russell E. Yates
City Secretary, City of Wellington, Texas. (City Seal)

A RESOLUTION AND ORDER by the City Council of the City of Wellington, Texas, calling a bond election to be held within said City, making provision for the conduct of the election and other provisions incident and related to the purpose of this resolution and order.

WHEREAS, this City Council deems it advisable to call a bond election for the purpose hereinafter mentioned; therefore,

BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF WELLINGTON, TEXAS:

SECTION 1: That an election be held on the 19th day of February, 1972, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption hereof, at which election the following proposition shall be submitted:

PROPOSITION "SHALL the City Council of the City of Wellington, Texas, be authorized to issue revenue bonds of said City in the amount of THREE HUNDRED FIFTY THOUSAND DOLLARS (\$350,000), maturing serially in such installments as may be fixed by the City Council, the maximum maturity being not more than FORTY (40) years from their date, to be issued and sold at any price or prices and to bear interest at any rate or rates as shall be determined within the discretion of the City Council at the time of issuance, for the purpose of improving and extending the City's Waterworks System; to be issued in accordance with and in the manner provided in Article 1111 et seq., V.A.T.C.S., and secured by a pledge of the net revenues from the operation of the City's combined Waterworks and Sanitary Sewer System, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation?"

SECTION 2: That the official ballots for said election shall be prepared in accordance with the V.A.T.S. Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF \$350,000 REVENUE BONDS FOR WATERWORKS IMPROVEMENTS"

The word "FOR" and be-

neath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words, "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wishes to vote.

SECTION 3: That said election shall be held at the City Hall in said City, and the entire City shall constitute one election precinct for said election.

SECTION 4: That the following named persons are hereby appointed officers of the election:

Joe Terry Presiding Judge
Earl Hunter Alternate Presiding Judge

The Presiding Judge shall appoint not less than two (2) nor more than 2 qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge hereinafter appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 8:00 A.M. to 7:00 P.M.

Absentee voting shall be conducted at the City Secretary's office in the City Hall, in accordance with the provisions of V.A.T.S. Election Code, Chapter 5.

SECTION 5: All resident qualified electors of the City, including those who own taxable property in said City and who have duly rendered the same for taxation, shall be permitted to vote at said election. That at said election two separate ballot boxes shall be provided at the polling place. In one box only resident qualified electors who own taxable property and who have duly rendered the same for taxation shall be allowed to vote. In another box all resident qualified electors (who are otherwise qualified but do not own taxable property which has been duly rendered for taxation) shall be allowed to vote. The votes cast in each of said boxes shall be recorded, returned, and canvassed in such manner as will reflect separately the votes cast by the qualified electors who own taxable property and who have duly rendered the same for taxation.

SECTION 6: That a substantial copy of this resolution and order shall serve as proper notice of said election. Said notice shall be posted in the election precinct or precincts and at the City Hall not less than fourteen (14) full days prior to the date on which said election is to be held and be published on the same day in each of two successive weeks in a newspaper of general circulation in said City, published therein, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

PASSED AND APPROVED, this the 24th day of January, 1972.

WANT ADS WORK WONDERS

Deck's DIDACTICS

—by Deskins Wells

A CHAMBER OF COMMERCE is a group of people working together for the betterment of their community. The truth of this statement was revealed in the announcement of the activities of the local group in the annual meeting Monday night.

ONE OF these activities was the establishment of the Voluntary Ambulance Service which is already performing an essential community service and it is doing it in a very satisfactory manner. Another work of the local chamber of commerce during the past year was helping work out the plans for the reation of the Collingsworth General Hospital. Each of these services was vital to the continuing well being of this community.

THE LOCAL organization sponsors the Collingsworth County Fair and the Youth Project Show that goes along with it each year. Without a chamber of commerce a group of people would have to get together and organize to make these two worthwhile events possible. It was the chamber of commerce two years ago that secured the agreement from the Fort Worth & Denver that made possible the acquisition of the right of way that will be used for the pipeline that will bring water to town from the new field.

THERE ARE many more services the organization performs; but one of the most important is often overlooked. This is because this particular function is not something big; but is a multitude of little things. It is the compilation and distribution of information about our community both among our own citizens but for people living elsewhere who are interested in this community. Seldom a day passes that mail does not come in or the phone ring wanting some kind of information. This is a valuable work in itself.

THE ANNUAL banquet was an enjoyable affair. You will find a tribute to those who received awards on the editorial page so I will not mention them in this space. Instead I would like to say a little about the program. Minister Gaylord Cook the master of ceremonies, was in good form as was the main speaker James L. (Curly) Hayes. The whole program was excellent. Harold Gattis, the outgoing president, reviewed the work of last year. Sandy Parsons, the new president, spoke on the program for the coming twelve months. They were factual, thoughtful speeches. They gave me a heightened sense of confidence for the year ahead, and I believe they gave many people a new appreciation of the community in which we live.

IT IS that time of the year again. Dig up your flower beds and gardens. Prune the rose bushes and shrubs. Start watering the lawn and especially the evergreens and trees. Spring is nearly here.

ONE IRRIGATION expert, crops that is, says that February is the best month to start watering. He has the figures to back up his statement.

District Scout Round Table to Be at Norwood

The Buffalo Wallow Boy Scout District Round Table will be held at Samnorwood School Tuesday, February 15, beginning at 7:30 p.m.

This is for Boy Scout and Cub leaders.

We hope all leaders, especially den mothers, will make an effort to attend, as plans and announcements will be made relative to forthcoming district and council events, said Dave Agnew, District Scout executive. Another major Scouting event for mid-February is the Annual Scout Exposition, to be held this year on Saturday, February 12, at the VFW Hall in Perryton. It will be from 1:00 to 6:00 p.m., and all interested parents and scout leaders are invited.

Counties in the newly-formed Buffalo Wallow District include Collingsworth, Wheeler, Hemphill, Ochiltree, and Lipscomb.

required by Red Cross, blood the patient receives is of the best quality. These steps are followed: On the day a person donates, he should eat normally, although excessively fatty foods and alcohol should be avoided for a period of four hours before giving blood.

After being registered at the donor center, the donor's temperature and weight are checked. Hemoglobin is checked when the drop of blood is taken from a fingertip, and dropped into a blue solution of copper sulfate. By observing the fall of the drop in the solution, the nurse can quickly decide if the blood has sufficient hemoglobin. Blood pressure is taken and a few questions asked about the donor's medical history.

The actual taking of blood requires less than 15 minutes. "You give less than a pint, and this is replaced rapidly because your body makes new blood constantly," Mrs. Harwell said.

of the Baylor Law Review. He was licensed to practice law in 1953 while attending Southern Methodist University on a graduate law fellowship from the Southwestern Legal Foundation. He has served as a Judge Advocate in the Air Force and as a Special County Judge in Midland and Swisher Counties.

Judge Montgomery and his wife, Araminta, have three children, Pam, Debbie and Robert Jr. They attend the First Christian Church in Memphis, where he is Sunday School Superintendent and a teacher in the Adult Department. He practiced law in Memphis prior to becoming District Judge.

Judge Montgomery stated that he appreciates the wonderful cooperation given him by the attorneys and the citizens of the District, and would continue to devote his full time to the office.

He attended school at Northfield, Tell, and Estelline Schools, and attended Texas Tech. He is an overseas veteran of the U.S. Army. Ed is the son of Mr. and Mrs. Marvin Leary of Childress, and grandson of the late J.M. Bell of Estelline and the late F.E. "Ed" Leary and Mrs. Leary of Estelline.

In his announcement he said, "I feel that our district is in need of constructive and active representation which is necessary for the future growth of our District, and not for down-state big-city interest."

Today our state is faced with many problems, not the least of which is the Legislature itself. It is my opinion that actions and judgements of the last legislature must be replaced with a greater degree of concern if we hope to contend with the serious tasks which lie ahead.

I feel that we should have budget restraints, and action to maintain local control over school districts. We must devise a more acceptable welfare program, yet providing the needs necessary for our people.

We must work toward more industry for our area and better agricultural and water control practices to help our area grow.

I feel that I can bring to this office a wide range business background, with good common sense, mature judgement, and experience necessary to provide this district with real representation. I believe that patriotism and honesty in government is not old fashion.

I intend to bring my campaign to the individual voters of the District as I want to provide vigorous, honest, full-time representation and will strive to serve all the people of my District with integrity.

I will sincerely appreciate any and all support for my candidacy to be your State Representative for District 66."

Quails to End Season Against Alamo Catholic

Quail Quails will play a non-conference game with Alamo Catholic High, Amarillo, Monday evening, February 14, at Quail. Game time is 7:30 p.m. and only one game will be played, Coach Bill Wilson said.

Quail is presently the Round Robin winners of the South Zone of District 3-B, and their next game will be against the North Zone winner, a place that was to be determined in the Miami-Mobeetie game at Lefors Tuesday night, Feb. 8.

After that, the date and place of the game to determine the district round robin winner will be set, according to Bill Wilson. All 3-B teams will also play in the district tournament, a single elimination affair to be played Thursday through Saturday, February 17, 18, and 19, at Miami. Both round robin play and the tournament determine the district winner.

The 3-B girls tournament was held in Miami February 3 through 5, but Quail's Bobwhites lost in the first round Thursday to Mobeetie and were eliminated. That same night, Allison girls defeated Samnorwood, Miami won over Groom, and Lefors defeated Briscoe.

at the University of Texas on Public Relations and business trends.

Many years work with my husband, the late Wayne Parker, in business.

Four years as bookkeeper for Gibson's in Wellington. I also taught at Fresno and Wellington High School, and worked here during World War II while my husband was in service.

I realize the value of co-operation and working in harmony with the officials and all others to achieve what is best for our county.

I was born and reared in Wellington, and a graduate of Wellington High School and attended Texas Women's University and Texas Tech.

My children are Yates Parker, a student at West Texas State University; Stan Parker, a student in Texas Tech; Roy Parker a graduate of the Air Force Academy and pilot instructor at Laughlin Air Force Base, Del Rio; and Mrs. Jerry Ford of Lockney.

Between now and the First Primary, I will see each of you, including the friends of my late husband and my children, for I value the support of the youth of the county, as well as those who have entered their golden years, and those who are working for the growth of Collingsworth County.

th, the Firecrackers were down 9. With a minute and 20 left, and trailing three points, Wellington made a strong comeback, scored 10 points, and shut out Shamrock without a goal, to defeat them 7 points and earning a spot in the championship playoff.

Wellington Girls lost their first game to Lefors a close 22-19 in a game that could have gone either way all the way through. Sherri Peeks was leading scorer with 16 points.

In the consolation bracket, Wellington and Shamrock 8th grade girls faced and Wellington lost 29-25. Again Sherri Peeks led the scoring with 20. The Crackerettes were without Doris Thomas, the leading scorer through much of the season, in these games, but Sherri won praise for doing a fine job of coming through under pressure.

Wellington took a 15-10 lead by the end of the first period, were ahead 28-14 at halftime and continued to enlarge the margin to the final 50-31 victory. The second and third teams played through the last quarter.

The Firecrackers had defeated Lefors 45-19 in the first round and squeezed out a 35-28 victory over Shamrock in the semi-finals.

McLean had gone through the first rounds unchallenged, defeating Hedley by 18 points, and Shamrock 7th grade 51 points.

In the championship game, three Wellington boys scored in double figures; Sammy Gonzales 14, Neal Cochran 13, George Brewer 12, Edward Thomas 6, and Richard Sims, 5. Others playing were Cameron Moore, Randall Sims, Paul Hanna, Jimmy Saied, Jeff Hanna, David Null, Bart Patterson, Mickey Vasey, Bill Havens and Don O'Rear.

Wellington's victory over Lefors saw a good enough lead at halftime for Coach Nunnally to play his second and third teams the remainder of the game. Neal Cochran scored 13 points and Sammy Gonzales 12. Akins had 12 for Lefors.

Wellington and Shamrock Eighth Grades confronted each other in the semi-finals and Wellington had to come from behind to win in the last minute 20 seconds.

die the feed at Panhandle feedlots. This means 6,000 drivers, each with an average family of five, or 30,000 people in that one segment. The price of maize and grain sorghum are at an all-time high, he reminded, and feeders are bringing \$44 per hundred weight. That is the impact of the feedlot business on Panhandle economy.

The former All-American grid star and Southwest Conference Football official paid tribute to the youth as he said that only about 5 per cent are hippies and dope addicts people read about.

"The other 95 per cent dream, have ideas and ideals and they will work. They are a new group. We need to be in closer association with them, in our churches, in our Chambers of Commerce. They are the ones we are building for, and we will turn all this over to the greatest bunch we have ever had."

His closing remarks were Wellington.

"With an extra bit of effort, this town can be a winner. It is a winner. It has the atmosphere of a winner. But it takes the wholehearted effort of everyone here," Mr. Hays said.

The entertainment was a program of country and western music by Mr. and Mrs. Clifford Rogers.

Harold Gattis, outgoing president, summed up 1971 achievements, which concluded with the C-C leadership in establishing the ambulance service.

Other activities included work in the hospital district election, Pre-Christmas Trades Day, the highly successful Collingsworth County Fair, summer youth employment program and public opinion survey, as well as other activities sponsored on a continuing basis.

The 1972 president, Sandy Parsons, called for co-operation of all segments of the community.

Company introduced the speaker.

"I see in this crowd enthusiasm and co-operation. My regret is that everyone is not a member of the Chamber of Commerce. We need your support," he declared.

"If there is anything that will help us move forward it is the attitude of the people. Keep in mind, Collingsworth County is strictly agriculture and ranching, and we'll look to improve these."

Master of Ceremonies was Gaylord Cook, who also introduced out of town guests. The Rev. Phillip Daniels gave the invocation and Don Welch, manager of West Texas Utilities

Approximately 250 attended.
