NUMBER 45

20th Annual

Crockett 4H Livestock Show Set For Saturday

The 20th Annual 4-H Livestock Show will be held Saturday. Forty-five 4-H members will exhibit 185 head of livestock. Judging starts at 9 a. m. with Buck Owens of

Barnhart judging the Quarter Horse classes.

A number of 4-H members have been busy selling barbecue tickets for the noon barbecue with a large crowd expected.

Goat classes will be placed by Jim Carpenter, local wool & mohair warehouse manager and Oliver West, county agent of Glasscock County will place all cattle and sheep classes. Strongest competition will be in the commercial fat lamb division with 39 members exhibiting 165 head of crossbred and finewool lambs.

Exhibitors will be competing for awards furnished by local business firms and individuals. Presentation of awards will be made at 3 p. m. followed by a lamb auction sale. Thirty-nine lambs will be sold by 4-H members followed by a Chinese Auction to raise funds for the 4-H Club program in the county.

Early Morning Fog Results In 2 Minor Accidents In Area

Dense fog which cut visibility to only a few feet early Tuesday morning, resulted in two minor accidents in the area, Highway Patrolman Joe Brownlee reported.

An out-of-state couple escaped without injury when their car rammed the back of an oil truck seven miles west of Ozona. The car was not badly damaged and no one was injured. Names of the drivers were not available.

Slick pavement, coupled with poor visibility was the cause of an accident in downtown Ozona at the intersection of Highways 290 and 163 in the early morning. A pickup truck pulling a horse trailer, loaded with two horses, collided with a car driven by Reynaldo Tambounga of Ozona. The truck and trailer crashed into the car when the driver was unable to stop because of the slick pavement. Driver of the truck was from Hampshire, Texas, Brownlee said.

Carl Conklin

Carl Conklin To Head 1967 Heart Fund Drive Here

Carl Conklin, local rancher, will serve as campaign chairman of the 1967 Heart Fund Campaign in Crockett County. It was announced today by Wayne Kiser, Regional Director of the Southwest Texas Heart Association. The campaign will be conducted through February.

Key committee chairmen, who will assist Conklin in the month-long campaign to underwrite research, educational and community service activities of the local Heart Association will include Mrs. Dempster Jones, memorials; Mrs. R. A. Harrell, special gifts; Jim Marks, merchants contributions; Mrs. Frank McMullan, Heart Sunday; Mrs. Tom Montgomery, publicity and Student Council, school collections.

To kick off the campaign, a program will be presented next Thursday morning, Feb. 2, in the high school auditorium at 9:45, by the Southwest Texas Association in conjunction with the local Heart Association. The program will feature films and the life-size doll used by the association to demonstrate resuscitation in relation to heart failure.

The program will be presented during regular assembly time, but the balcony will be available to the public and all interested residents are welcome to attend. It will be presented again at noon the same day during the regular Lions Club meeting.

Ozona To Host Texas Sheep And Goat Raisers' Assn. In Feb. Meet

FOURTH IN A ROW —

Big Lake Cops Title In Ozona's 36th Tournament

For the fourth time in as many years, Big Lake walked away with Ozona's 36th Annual Basketball Tournament and was presented the championship trophy Saturday night. This was the 10th time since the beginning of the tournament the Owls have won the championship. Sonora took the runner-up trophy with Ozona receiving the third place trophy. Mertzon was the consolation winner.

Selected outstanding player of the tournament was Wade Daugherty of Big Lake. Selected for the all-tournament team were Laney Cook and David Wuest of Sonora; Danny Halbert of Eldorado; Walter Brooks of Mertzon; Bobby Cottle of Reksprings; Marlin Farris of Ozona; Pat Gladden and David Wilson of Iraan; Danny Love of Big Lake and Bruce Pierce of Norton.

Bobby Cottle of Rocksprings broke two tournament records in his team's first round victory against Barnhart. Cottle's 54 points erased the previous mark of 48 set by Max Burnett of Mason in 1957, while his 23 field goals deleted the 20 mark set by Bill Huffman of McCamey in 1955.

Thursday first round winners were Big Lake, Rocksprings, Eldorado, Sonora, Christoval and Ozona with Norton, Barnhart, Abilene Christian High School, Mertzon, Miles and Wall going the consolation route. Christoval and Miles opened the tournament with Christoval (Continued on Last Page)

Pledging the cooperation of the citizenship of Ozona in an all-out effort to entertain some 500 members and visitors to the quarterly meeting of the Texas Sheep and Goat Raisers Association, Jack Baggett, named general chairman of the

Ozona Favored To Win Sonora Junior Tourney

Coach Ron Murdock's junior high Cubs will journey to Sonora tonight to enter the Sonora junior high basketball tournament. The Cubs will play the host Colts at 7:30. The Cubs have been victorious in three games with the young Broncos this season by scores of 40-19, 47-26 and in the Eldorado tournament they beat the Colts out of third place honors 28-8.

A win tonight will pit the Cubs against today's winner of the Eldorado-Barnhart tilt Saturday at 12:15. If the Cubs should lose, they will play the loser of that game at 2:45 Saturday.

Two straight wins will put the Cubs in the championship finals at 7:45 Saturday night.

Other teams entered in the tournament include Menard, Iraan, Junction, Big Lake and Brady. The Cubs have scored impressive wins over all teams entered except Barnhart, Brady, Menard and Junction. They have yet to meet these four teams on the court this year.

The Cubs are undefeated in regular play and have lost only two tournament games, both to McCamey. With an 11-2 record for the season they are heavily favored to bring home the championship trophy this weekend.

planning committee, sounded the first bugle call for mobilization of community forces in preparation to host the ranchmen and their families when the group meets here for a one-day session Saturday, Feb. 25.

Plans were launched Tuesday afternoon in a meeting at the Ozona National Bank attended by local members of the TS&GRA, the Women's Auxiliary, and representatives of the Chamber of Commerce, the local business community and civic leaders. Also attending was Bill Sims of San Angelo, secretary of the TS&GRA, whose advice was sought in intelligent planning for the meeting.

The TS&GRA membership meeting will be held at the civic center, with committee sessions in the morning, lunch at noon and the general session in the afternoon. The Auxiliary sessions will be sandwiched in the morning hours. Problems of finding suitable meeting places for seven active committees of the organization will be up to the planning committees for solution.

Named as co-chairman with Mr. Baggett was Mrs. James Baggett, a former president of the Women's Auxiliary. Mrs. S. M. Harwick of Ozona, president of the National Wool Growers Association Women's Auxiliary, was present and acted as chairman of the meeting and was largely instrumental in launching the planning work.

A number of working committees are to be named by the chairmen, including committees on food, meeting rooms, registration, finance, displays, hospitality, publicity, Auxiliary activities, etc. are to be named. Heads of two of these committees were announced at the meeting, Mrs. Joe Bean being named to head the foods committee, and Mrs. Larry Arledge the women's activities. Both were present at the meeting.

Other present were Lowell Littleton, Pete Jacoby, Mr. and Mrs. R. A. Harrell, Beall Barbee, W. H. Whitaker, Mr. and Mrs. Ralph Jones, Bill Sims and Evart White.

METHODIST STUDY

The next session of the Methodist Church study on poverty will be held Sunday night at 7:30 at the church.

Mrs. R. A. Harrell is in charge of this week's study with three other members having parts on the program. This week the topic is "What are Methodists and the church doing about poverty?"

The public is invited to come and take part.

Planning Board Suggested

Authentic Development of Fort Lancaster As Historic Park Is Urged In Archeologists' Report

A detailed report of the findings of an archeological investigation of the site of old Fort Lancaster in western Crockett county, made last summer by archeologists from Southern Methodist University under commission from the State and under the general supervision of State Archeologist Curtis D. Tunnell, has just been submitted to the State Building Commission, a copy of which has been received here by Mrs. R. A. Harrell, chairman of the Crockett County Historical Survey Committee.

The report, prepared by T. R. Hays of the SMU department of archeology, and Dr. Edward B. Jelks, head of the department, gives an interesting detailed report of the preliminary excavations and discovery of artifacts dating from the period of the fort's active occupancy a hundred years ago, and their recommendations for further studies and development.

The report, 28-page booklet, complete with illustrations, drawings and photographs of the still standing ruins, of the building foundations and latrines opened in the archeological digging, and of the artifacts uncovered, is a graphic description of the findings in this

brief and superficial exploration of the historic site. The author's conclusions lead to a hope that further work is in the offing and that the interest generated in this brief peek into the past of this once active military post will one day result in some restoration and development of the site as a historic park.

"The major conclusion reached as a result of the summer's work is that Fort Lancaster has an excellent archeological potential," the report concluded in part. "Structure 1 produced a substantial amount of archeological information, and the other tested structures promise to produce as much more. The expected yield of artifacts from the buildings, the latrines and the trash pits is high."

The report's illustrations included a map from the National Archives, drawn in 1860, showing the deployment and uses for the various buildings included in the original fort. Artifacts, including bottles, chinaware, military buttons, and insignia, bits of glass and pottery, nails, crews, spurs, and numerous other interesting finds, are pictured in the report.

POVERTY BUREAUCRATS
CRY

The Office of Economic Opportunity, the biggest federal sugar-daddy of them all, has just released some statistics regarding its own state of poorness. It really moves us to see the poverty people cry about their poorness. And it is particularly painful to contemplate that some people living on welfare payments just may have to look for work.

According to the "War On Poverty" people, the Job Corps has spent only \$303,400,861 this past year. The "Legal Services" program, which supplies "free" legal counsel to the poor who want to fight their landlords, has only been able to come up with \$29,878,035 in federal funds. The "Foster Grandparents" organization has had to skimp along with a mere \$5,750,829.

One of the poor leaders, Bayard Rustin, recently told a group of staffers at the Office of Economic Opportunity that "This is not the time for criticism, cutting down these innovative OEO programs would only aggravate the conditions leading to frustration, dissent and violence."

In other words, either the poor get more welfare or we get violence.

In the old days, this was called blackmail.

The last figures we have

seen, reported that the OEO had no less than 23 authorities on poverty-fighting who are paid more than \$25,000 a year. More than a thousand who draw \$10,000 a year. And 310 who make more than \$17,000.

We dug through the file to find those figures when we heard about developments in Watts, the riot-torn Los Angeles suburb that had us all shuddering not many months ago. It seems that there is a flourishing 5-star still the greatest country on 100-member credit union active in Watts. It has built its assets to over \$265,000 and has helped countless residents of the area in financial difficulty. Each week community meetings are involving 300 to 600 persons who learn how to budget their money. It's purely a local self-help operation. It's resolutely helping people to help themselves.

Who started it? The OEO? Nope!

It was initiated by five garbage collectors who live in the area.

And that is why this is the earth.

Miss Lucille Childress, student at Texas Tech, returned to Ozona today after visiting with friends in Austin. She will be here until the opening of the spring semester at Tech.

Recipe of the Week

From
Kitty's Kitchen

Chili Con Carne

3 lbs. lean ground beef (ground coarsely)
3 tbs. olive oil (or Crisco oil)
9 small cloves garlic
3 teas. salt
3 cups water
6 tbs. chili powder
1 tsp. comino
1 tsp. marjoram
1½ teas. black pepper
3 tbs. paprika
2 tbs. flour

In heavy iron or aluminum pot put oil, meat and salt. Crush garlic cloves over meat and cook over medium heat until meat is done, stirring often. Add water then cover and simmer for 20 minutes. Mix spices with enough water to make a smooth paste, add to meat mixture and simmer 20 more minutes, stirring often. Mix flour with enough water to make a smooth thin paste and add to chili mixture. Cook 10 minutes more stirring occasionally. Makes 6 to 8 generous servings.

Chili is delightful in cold weather and this is the best chili recipe you'll ever run into.

Officers Named At
Annual Meeting Of
Historical Society

Thirty-three members and guests were on hand for the annual meeting of the Crockett County Historical Society held at the Civic Center Monday night.

New officers elected at the meeting include Dr. W. B. Robertson, president; Mrs. James Baggett, vice-president; Mrs. R. A. Harrell, secretary-treasurer; and Mrs. E. H. Chandler, museum director. Directors are Dr. Robertson, Mrs. Baggett, Mrs. Harrell, Ted M. White, Mrs. W. E. Friend, Jr., and Mrs. Mahlon Robertson.

The highlight of the meeting was the showing of an outstanding collection of artifacts by Frank Mills, who made interesting comments

RELAX—AND ENJOY THEM!

on the items. The entire collection is catalogued and identified.

Some of the most unusual items were some ceremonial points dating back to 6,000 years B. C. along with a collection of trade bracelets and beads used by the Indians in very much the same way we use our dollars.

Ancient clay vessels and ear plugs made to go into the ears of their idols came from South American Indian cultures. Most of the artifacts were taken from Indian burial grounds.

Many of the artifacts will be placed in the Crockett County Museum. However, space in the museum is so limited that there are numerous items with no room for display.

Mrs. S. A. Coose, museum hostess, reported visitors from Canada, Hawaii, Mexico and London, England to the museum in recent months.

FOR SALE — 1961 Corvair, good condition, recently overhauled. See Ed Collett at 708 Third St. or Call 392-2090.

Office For Voter
Registration To
Be Open Saturday

The tax office will be open all day Saturday for voter registration. Mrs. Gertrude Perry announced earlier this week. She said the office will open at 9 a. m. and close at 4:30 p. m. with the exception of the noon hour when the office will be closed for lunch.

Wednesday noon 641 voters had registered. Mrs. Perry reminded voters that they have only four days before the deadline to register and any applications mailed in must be postmarked before midnight Jan. 31.

FOR SALE — 1962 GMC Pick-up, radio, heater and metal side rails. See at 301 Ave. G. or Call 392-3208.

17 Grand Officers
Of OES Attend Dist
Instruction School

The Melodies of Harmony School of Instruction and joint Fraternal Visit of Mrs. Mildred Sharpe, Worthy Grand Matron of the Grand Chapter of Texas Order of the Eastern Star, held Tuesday at the Civic Center was very successful, according to Mrs. Kaleta Shepperson, Deputy Worthy Grand Matron of Section 2. She said there was a large attendance from all parts of the area represented, with 17 Grand Officers of the Grand Chapter of Texas present.

An impressive drill was given forming a music note, which is part of the Worthy Grand Matron theme "Wonderful World of Music." A beautiful welfare program, "Cathedral of Time", was given by the Worthy Matrons and Worthy Patrons of District 5, Section 2.

Mrs. Sharpe referred to the affair as "A Little Grand Chapter," commenting on the decorations and other affairs of the day and evening.

Mrs. Shepperson, along with Mrs. Gertrude Perry, Worthy Grand Matron Ozona Chapter, and Scottie Houston, Worthy Grand Patron, join in extending their thanks and appreciation to all the local merchants, who donated items to fill the registration packets; to Gene and Byron Williams, who catered the banquet, and to everyone who helped make the Grand Officers' visit a success.

Mr. and Mrs. John Held are in Ozona this week on business and visiting friends. Former Ozona residents and owners of the Hiway Cafe, Mr. and Mrs. Held now reside in Victoria where they own and operate the Italian Villa.

Vote On Mohair
Promotion Fund
Set For Feb. 6

Texas, with a total of million goats, accounts 95 percent of the United States total production of mohair, or about half of the world total. In 1965, 325 million pounds of mohair were produced in the seven leading states of this nation.

"But, today the market is in a critical situation," says W. S. Orr, president of the American Goat Breeders Association. "We are forced to get to brass tacks and promote our product and get some interest and demand."

As a result of months study, leaders in mohair industry feel a referendum is the answer, creating that demand. A referendum is set for Feb. 6-17.

"We have to create a desire for our product and it will sell itself, and I know any way to do other than by advertising," commented Stanley La, president of Texas Goat Raisers Association.

The purpose of the referendum, which is being conducted by the U. S. Department of Agriculture, is to allow mohair producers to decide whether one-half cent per pound mohair should be deducted from the incentive payment they receive under the National Wool Act. Deducted would be used for a program of promotion and development conducted by the Mohair Council of America.

"I think one-and-one-half cents per pound would well spent if we could be mohair up to 80 cents more," Lackey added.

Accurate and Complete
RANCH RECORDS
Are More Important
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

Easy To Keep - Complete Record - In 1 Volume

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

EDITORIAL!

By Connie Bradford

Most of the students in OHS have never gone through the ordeal of entering a new school. Many of them have lived here all their lives. But to someone just moving into Ozona and enrolling in OHS, her halls can seem awful big and frightening.

Some students have never had to sit in the office, waiting to talk to Mr. Felto, and watch all the kids go by, staring and whispering. Then the student has the task of finding his way to classes. This can be a pretty hard journey at times, if the new student has to do it by himself.

Making friends is perhaps the most difficult of all the things a new student has to go through. He is often misjudged before he has a real chance. Maybe his bashfulness is mistaken for snobishness; his friendly advancements for forwardness; or his confusion for stupidity.

Whatever the case, a new student can feel pretty alone and discouraged his first few days here; unless everyone in OHS offers a helping hand.

RESULTS OF 36TH ANNUAL TOURNAMENT

By Janie Edgerton and Kay Kyle

The 36th Annual Ozona Basketball Tournament was held Jan. 18-20. It began Thursday afternoon at 1 p. m. with a game in which Christoval beat Miles. Games continued until 9 p. m. that night, and the following are the results of each game: Sonora won over Mertzon, Rocksprings beat Barnhart, Eldorado defeated ACHS, Big Lake won over Norton, and Ozona defeated Wall.

Friday morning games started at 9:00 a. m. and ended with the last game at 9:00 p. m. The results are as follows: Norton defeated Barnhart, Mertzon won over ACHS, Miles beat Wall, Iraan defeated Junction, Sonora won over Eldorado, Big Lake beat Rocksprings, and Ozona defeated Christoval.

Games commenced Saturday morning at 9:00 a. m. and continued until 9 p. m. that final night. Mertzon beat Miles, Norton defeated Junction, Sonora beat Ozona, and Big Lake won over Iraan. At 6 p. m. Mertzon defeated Norton for consolation. Then at 7:30 p. m., Ozona beat Iraan for third place. At 9:00 p. m. Big Lake won over Sonora for the championship.

Selected outstanding players of the tournaments was Wade Daugherty of Big Lake. Those players selected for the All-Tournament Team were Laney Cook and David Wuest of Sonora; Danny Halbert, Eldorado; Walter Brooks, Mertzon; Bobby Cottle, Rocksprings; Pat Gladden and David Wilson, Iraan; Danny Love, Big Lake; Bruce Pierce, Norton; and Marlin Farris of Ozona.

BAD DRIVING IS A BAD PROBLEM

By Patsy Walker

Each year 15,000 young Americans, between the ages of 15 and 24, lose their lives in automobile accidents. These youngsters are sharp, intelligent, alert, and in many cases have completed courses in driver's education. Then why do they rate highest in car accidents? The answer is: They're young! One of the major penalties of youth is lack of judgment, judgment born of maturity and experience.

This is why Harvey Fletcher of San Antonio, Texas, believes teenagers must be kept constantly aware of their driving responsibilities. To help parents realize the danger their children might be in, he designed a bumper sticker which reads: "Please report any discourtesies or bad driving to my dad — DI 2-6642. This he put on his daughter's car after she received her license.

The idea has spread like wildfire throughout the country, and articles in several large papers and magazines. Some schools are distributing the stickers to students. Most of the kids have a pretty low opinion of them. "But," declared Fletcher, "any gimmick which will slow down and save lives is worth a try." How would you like one on your car?

AGENT 001 — ASSIGNMENT RESEARCH PAPER

By Connie Bradford

"Search! Search! and Research! Why does this have to happen to me!"

Second semester — time for fun and Research Papers. Nearly all students have at least one term paper; some have two; and for a few select students, three research papers await them. Outside of book reports, daily tests, practice exercises, weekly tests, extra curricular activities, and six weeks tests now comes the joys of researching, note cards, researching, pencil copies, researching, typewriters, researching, and footnotes.

Now, every spare minute will be taken up by research papers. Commercial will be ignored for a few hurried words between a favorite program. Many note cards will have food stains on them from students working on their papers during lunch. Dates will be turned down in order to work on a paper.

There will be many battles over reserve books. When research paper time comes, it seems like every student in OHS. write on the same topic. Those students stuck with 3 papers wind up as nervous wrecks from grabbing for material. One practically has to be a super spy to uncover enough material. But in the end, it is all worth it — after all C is average.

GOSSIP

By Marsha Moore

Did Chris Clegg receive some new jewelry over the week-end?

Did all the Ozona girls enjoy the tournament?

Connie B. did you have a chance to ride on the Ozona County School Bus?

George C., do you really have a wife?

Congratulations Marlin for making the All-Tournament Team.

Mahon, your hair sure does grow fast.

Roblien, do you believe in starting Monday mornings off with a bang?

Marsha M., who were you hiding from at the tournament?

Is Janie madly in love with a certain Sonora basketball player?

Esther, you really know how to insult basketball trainers.

Randal, do you really upset one of your teachers?

Would someone please write Kay? She doesn't receive any mail?

Beverly says Hi to Tim, Jim, and David.

Who is referred to as bulldozer?

Did Mahon attract all the good-looking boys at the tournament?

Did Miss White have a visit from the Cake Thief?

Even the ash tray rides smoother in Chevrolets

When you're down at your dealer's trying out a new Chevrolet, be sure you pull out the ash tray. Notice how nice and easy it glides, never hanging up or even scraping. The reason is, it rides on ball bearings. Four shiny little ball bearings. (Take the tray all the way out and you'll see them.) You say you don't even smoke? Then look at it this way. That ash tray is a symbol of the way we make cars: Paying extra attention to the little things as well as the big ones, as a way of making extra sure your '67 Chevrolet gives you

that sure feeling

VOTER REGISTRATION Now In Progress

Annual registration of all voters under the new voter registration law is now in progress.

Applications may be secured by calling at the office of the Crockett County Sheriff, Tax Assessor and Collector or you may call the office and ask that applications for all eligible members of your family be mailed to you.

All residents who expect to vote in any election this year, except those over 60 years of age, must register on or before January 31 to be eligible. Upon presentation of applications properly filled out, voter registration certificates will be issued. Only holders of such certificates and those over-age exemptions will be eligible to vote.

Remember, Jan. 31 Is Deadline To Register

CAN YOU HEAR A

Child's Heart?

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

That poor doctor! All he can hear is a thump-thumping in his stethoscope.

But parents can hear more!

They can hear their child's heart in his excited voice . . . in his pounding feet . . . in his noisy play. And the sounds they hear are full of happiness, and hope, and promise.

In his prayers, too, parents can hear their child's heart . . . reaching confidently toward the Love and Power that grown men sometimes forget.

But hearing a child's prayers is only one little gesture in the tremendous responsibility of nurturing the spiritual development of a Christian heart.

Like the doctor's stethoscope it's a kind of routine checkup before we prescribe what the patient needs.

The heart of a child needs religious example in generous doses which only his parents can provide. And the heart of a child needs spiritual truth, of which his family's Church is the convenient, trusted dispensary.

Ft. Lancaster —

(Continued from Page One)

"Thus it may be stated with confidence that further archaeological investigation should produce a wealth of data, both architectural and artifactual," the conclusion continued. "Such data are essential if the site of Fort Lancaster is to be interesting and developed authentically."

"If it should be decided to proceed with development of the site as a historic park, it is recommended that a planning board be created to prepare detailed plans for whatever development is deemed practicable and desirable. The board should include at a minimum the following professionally trained personnel: an archeologist, a historian, an architect, a landscape architect, and a park administrator. One or more representatives of the Crockett County Historical Committee should, of course, also sit on the board. Only such a board would have the requisite knowledge and experience to formulate plans for authentic development of Fort Lancaster."

"Because of Fort Lancaster's unique and appealing setting, and because of its archeological potential, the writers of this report hope that the Historical Survey Committee will continue its efforts to make the site into a historical park."

In an introduction, Dr. Jels and Hays give a brief historical sketch of the background of the fort and a statement of the purpose of the investigations. They expressed thanks to all who extended courtesies to the field party and who were instrumental in bringing about interest in the site. Included were Claude and Henry Meadows and Mrs. Clara Lee Bechenstein, who deeded the 40-acre tract on which the fort site is located to Crockett county; to Mr. and Mrs. R. A. Harrell, B. B. Ingham, Claude Meadows, Jr., and Henry E. Meadows for their many courtesies. Acknowledged, also, was the valuable advice and assistance given by Dr. Curtis D. Tunnell, State Archeologist, both during the planning and execution of the field work.

CREDIT BUREAU STUDY COMPUTERS

Mrs. Hubert Baker went to Lubbock, Texas, to attend a computer study. She has been appointed a member of a committee of ten, to study the feasibility of computerization as related to the Credit Bureau of Texas.

The committee study group is scheduled to meet once each month to work out plans to see if it is possible, and workable, for the Credit Bureau of Texas. The meeting in February, will be in Odessa, Texas.

7 KILLED, 30 WOUNDED — Ozona Service Man Describes Mortar Attack At Pleiku

Bill Parkinson, son of Mr. and Mrs. W. E. Parkinson, 18-year-old Ozona boy serving in the Air Force in Viet Nam, in a letter to his parents last week describes a Viet Cong mortar attack in the dead hours of night.

Bill, who has been in Viet Nam since June 1966, wrote that the Viet Cong dropped 25 rounds of mortars in his compound at Pleiku on the night of Jan. 6. He said seven men were killed and 30 wounded in the attack, but he escaped without a scratch. He went on to say that 24 U. S. helicopters were out of commission and mortars hit a supply depot which created a raging fire that he, along with other personnel, fought all night and managed to get under control around 6:00 a. m. the next morning.

On the lighter side, he wrote that one of the men stationed in the compound was a Karate expert from Korea, complete with black belt. Bill and his buddies are taking Karate lessons and he is striving for the red belt, which is next to the highly coveted black belt in degree of achievement. He hopes to attain his goal before he returns to the States in about four and a half months.

Bill attended Ozona High School before joining the Air Force early last year.

Mr. and Mrs. Pleas Childress with Miss Sandra Ellis of O'Brien attended commencement ceremonies at East Texas State University Tuesday where their son, Pleas Childress, III, received his Bachelor of Arts degree.

Mr. and Mrs. Lawrence Sands and children spent the weekend in Seymour, where Mrs. Sand's father, J. C. McConnell, is recovering from injuries suffered in an automobile accident a few weeks ago.

Mr. and Mrs. Stephen Cook of Stoney Creek, Connecticut, were here for a weekend visit with Mrs. Cook's aunts, Mrs. Floyd Henderson and Mrs. Jake Short.

Sanderson Falls To Lions 59-57 In Overtime Tilt

Coach Brooks Dozier's Lions beat the Sanderson Eagles Tuesday night 59-57 in overtime. The Lion win was the first district clash for both teams and placed the Lions and Iraan at the top of the West Zone standings as the Braves clipped Rankin 49-40. Ozona and Rankin clash tomorrow night for the undisputed West Zone lead. The varsity game will begin at 8 p. m. in Davidson Memorial Gymnasium.

The Tuesday night game was a thrilling overtime victory for the Lions who trailed by 8 points at halftime, 32-24. But with senior forward Rex Bland leading the way with 20 points Ozona came on strong in the third to narrow the gap to 3 pts.

The regulation game ended at 53-53 going into the 3 minute overtime period. Tied at 57 all with less than a minute to play sophomore center Marlin Farris hit from under the basket for the winning bucket. David Huff, another Lion sophomore scrapper, added 14 points for the Lion cause. High for the Eagles was tall Tommy Gray with 21 pts.

In the girls' game prior to the varsity tilt, the Sand-

CROCKETT COUNTY HOSPITAL NEWS

Patients admitted since January 17th: Mrs. Bruce McIntyre, Ottist Pridemore, Harvey Vargas, Billy David Culp, Jr., Mrs. C. O. Walker, Chris Ward, Eleno Moran, Mrs. Richard Flowers, Cam Lilly, Bettina Martinez, Mrs. Z. T. Burton, Leandro Flores, E. A. Bishop, Clarence Key, Mrs. Jim Marks.

Patients dismissed since January 17th: Mrs. Walter Dunlap, Angie Pena, Cleve Clark, Joe Bob Stephens, Dan Stephens, Mrs. Bruce McIntyre, Ottist Pridemore, Harvey Vargas, Billy David Culp, Jr., Chris Ward, Eleno Moran, Clarence Key.

BIRTHS

Mr. and Mrs. Eddie Galindo are parents of a baby girl, born Jan. 17, 1967.

Ned Reynolds of Dallas, grandson of Mr. and Mrs. Bascomb Cox, and his roommate at Southwestern University, Georgetown, Steve Roach, returned to their classes early this week after a few days visit here with Mr. and Mrs. Cox.

erson girls won 43-37, also in an overtime. The Lionettes lost a 7 pt. lead with 3 minutes to play. Vicki Rogers scored 31 points for the Sanderson 6, while Cookie Coates (17) and Margie Carnes (12) paced the Lionettes.

Frolific Gas Strike Recorded In Todd Field

Crockett County gained a prolific shallow gas discovery and a confirmation was indicated in an Ellenburger field.

McGrath & Smith, Inc., Midland, filed a calculated, absolute open flow potential of 26.5 million cubic feet of dry gas daily for its No. 1-A Todd Ranch, Crockett County San Andres discovery 15 miles northwest of Ozona and two miles northeast of the shallow Howard Draw field, but separated by failures.

Production was through perforations at 1,165-1,222 feet which had been acidized with 7,000 gallons. Drilled to 1,335 feet, where 4 1/2-inch casing was set, it is plugged back to 1,260 feet.

Location is 567 feet from the south and 2,073 feet from the west lines of 36-WX-GC&SF.

Third producer and a location northeast extension was indicated in the Buck horn (Ellenburger gas) field of Crockett County with the flowing of gas and recovery of distillate-cut mud on three tests at Tamarack Petroleum Co., Inc., Midland, No. 2-16 Smith in 16-AB-D&SE, 1 1/2 miles northeast of Ozona.

Gas surfaced in seven min-

utes, rated at 500,000 cubic feet daily and decreasing to 200,000 cubic feet daily, on a three-hour test at 7,890-8,050 feet. Recovery was 90 feet of gas-cut mud. Flowing pressure was 146-175 pounds; and one-hour final shut-in pressure, 2,289 pounds.

Gas surfaced in 13 minutes, no gauges, on a 4 1/2-hour test at 8,040-8,105 feet. Recovery was 9,000 feet of gas, 270 feet of gas and distillate-cut mud, 450 feet of slightly gas-cut mud and 450 feet of drilling mud. Flowing pressure was 899-967 pounds; initial and final shut-in pressures, no time, 2,202 and 2,827 pounds, respectively.

Gas surfaced in 13 minutes, no gauges, on a three-hour test at 8,022-8,105 feet, which recovery 815 feet of gas-cut mud with a slight show of distillate.

The project, slated for 8-200 feet, was bottomed at 8,105 feet circulating.

Charges Filed In Car Theft But No Arrest Yet Made

Charges have been filed in justice court against a suspect, white male, has been apprehended.

The filing of charges stemmed from the theft of a 1964 Chevrolet El Camino belonging to John I. Smith, county employee, from the front of his residence on Monday night. Smith reported the pick-up missing Tuesday morning.

The whereabouts of the vehicle and the suspect are unknown at this time.

DUPLICATE BRIDGE

Tuesday night's Duplicate Bridge Club winners were: First, Mr. and Mrs. Sam Hughes; second, Mr. and Mrs. Evart White; third, Mrs. Della Dudley and Mrs. Pe North; fourth, Mrs. J. Pierce and Mrs. J. M. B. gett; fifth, Mrs. Cleopha Cooke and Mrs. J. B. Parke.

Church of Christ Sister, Elders Area Meet Here

A meeting of Ministers and Elders of the Church of Christ in this area was held at the Ozona Church of Christ, Tuesday morning. At lunch was served to the group in the Granny Hall.

Those attending the meeting were Stanley Lockhart, Minister of Johnson Street Church of Christ, San Antonio; Dub McClish, Minister, San Antonio; Dallas Dill, Elder, San Antonio; Joe Glenn, Minister, San Antonio; John Lauen, Elder, Fairview Road Church of Christ, San Antonio; Mickey Walker, Minister, 9th & St. Church, San Antonio; Don Swinney, Minister, Don Swinney Church, San Antonio; Duane Johnson, Minister, Rankin; A. C. Knight, Minister, Mertzon; M. H. and Otis Deal, Elders, Wardell Holliburton; Minister, Big Lake; V. Diggers, Minister, Darnell Boyd, Minister, Iraan; and Darrell Baker, Minister, and Hubert Baker, Elder, Ozona Church of Christ.

Ozora Federal Land Bank Pays Annual Dividend

Dividend payments totaling \$27,335.50 will be paid to members of the Ozona Federal Land Bank Association at a meeting of record as of January 31, 1967, Manager A. E. Engel announced today.

Engel said the dividend checks would be mailed sometime in February to the station's 160 farmer-stockholders.

The Ozona Association is one of the 73 farmer-rancher associations in Texas and by The Federal Land Bank of Houston.

The local association is in the San Antonio, Schleicher and Borden Counties. The directors are Frank Bond, President; Sonora; James Williams, President, Eldorado; O. Deal, Eldorado; Pleas L. Adress, Jr., Ozona; and E. Davidson, III, Ozona.

Library Is Topic For League Meet

The Ozona Woman's League met Tuesday afternoon in the home of Mrs. Tom Mitchell with Mrs. Joe Couch as co-hostess.

Mrs. Lawrence Sands introduced Miss Katrina Hardberger, who presented the program on the new library. She discussed the Adult Reading Room and spoke on the topic "Growing up With Books."

Members were reminded of the evening meeting, Feb. 14, when husbands will be guests and the program will be on Estate Planning.

Other members present were Mrs. Bob Childress, Mrs. Roy Coates, Mrs. Bill Black, Mrs. Buster Deaton, Mrs. Bill Dixon, Mrs. Sam Fitzhugh, Mrs. Perry Hubbard, Mrs. John Hunnicutt, Mrs. Jess C. Marley, Mrs. Frank McMullan, Jr. and Mrs. Robert Mayfield.

GIRL SCOUT TROOP 160

Girl Scout Troop 160 met this week and Mrs. Bailey Post, guest speaker, gave a talk on the Ozona Garden Club.

The group then went to Hubbard's Garden Shop for a first-hand look at different plants. Before adjourning the girls drew names to represent the Garden Club as a model in the Woman's Forum Style Show. Debbie Deaton was chosen with Stacy Dockery and Maria Davis as alternates.

Last week the troop had a picnic at the Early Chandler ranch.

LUNCHEON AT COUNTRY CLUB

The Ladies Golf Association monthly luncheon was held at the Country Club last Thursday. Luncheon hostess was Mrs. Ashby McMullan. The table centerpiece was a dried tumbleweed which held the relics of 1966.

Mrs. Gene Williams, president, presided over the business session.

Bridge hostess was Mrs. C. O. Walker. Winning high was Mrs. J. B. Parker, second high Mrs. Gene Williams, bingo Mrs. Jack Williams. Others attending were

MEXIA, EARLY 1920'S — For a number of years oil had been produced in the Mexia region of Central Texas, but by 1921 it was the scene of thriving production, hitting some 176,000 barrels a day by 1922.

Mrs. Dempster Jones, Mrs. Hugh Childress, Jr., Mrs. Marshall Montgomery, Mrs. Henry Miller, Mrs. John Childress, Mrs. Cap West, Mrs. Sherman Taylor, Mrs. Frank McMullan and Mrs. Joe Pierce.

In golf play Wednesday, low net on the golf trophy was won by Mrs. Joe Pierce, low putts on Nicholas trophy, Mrs. Byron Stuart. Winning balls in the day's play were Mrs. Stuart, Mrs. Frank McMullan and Mrs. Tom Mitchell. Others were Mrs. Jack Baggett, Mrs. Charles Williams, Mrs. M. E. Nicholas, Mrs. Dixon Mahon, Mrs. Dempster Jones, Mrs. Jimmy Barbee and Mrs. Vic Montgomery.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The WSCS of the Methodist Church met Wednesday morning with Mrs. Stephen Perner directing the study on Canada, and How the Church Grows by Douglas J. Wilson. Mrs. M. C. Couch gave the devotional.

The new paths of progress with the churches in Canada were discussed. Studied are religious groups in recent times and how Canada is facing the future with the unity of religion, for it is written "For God has not given us a spirit of fear; but of power, and love and a balanced mind." (2nd Tim. 1:7) He closes with "The building blocks of people and resources are not enough; for shape and solidity, our country requires the mortar of national and religious unity."

Meeting closed with prayer by Mrs. J. A. Fussell.

MRS. WEST BRIDGE HOSTESS

Mrs. W. W. West entertained the Friday Bridge Club last week at the Civic Center. Winning high was Mrs. Early Baggett; second high, Mrs. W. H. Bunker; low, Mrs. Hillery Phillips. Bingo prizes went to Mrs. Fred Chandler, Sr., Mrs. Joe Pierce and Mrs. Max Schneemann. A gift was presented

Mrs. Bill Grimmer, a guest. Others attending were Mrs. Henry Miller, Mrs. Elfred Roach, Mrs. Evart White, Mrs. Jake Short, Mrs. J. M. Baggett, Mrs. Sherman Taylor, Mrs. Lovella Dudley, Mrs. Stephen Perner, Mrs. Bailey Post, Mrs. Frank McMullan, Mrs. O. D. West, Mrs. Ben Robertson and Mrs. V. I. Pierce.

Tood Field Gets Gas Discovery

McGrath & Smith, Midland, No. 1-A Todd Ranch, Crockett County San Andres gas discovery 15 miles northwest of Ozona and two miles northeast of the shallow Howard Draw field, was finalized for a calculated, absolute open flow of 2.65 million cubic feet of gas daily.

Production was through perforations at 1,165-1,308 feet, which had been acidized with 8,000 gallons.

Location is 467 feet from the south and 2,173 feet from the west lines of 36-WX-GC & SF.

Handiwork Studied In HD Club Meeting

Ozona's Home Demonstration Club met in regular meeting Monday at the Civic Center.

Mrs. C. W. Ellis gave an interesting demonstration on covering shoes with fabrics. Instructing the group in making dolls from apples was Mrs. Allen Haire.

Others present were Mrs. Bill Lewler, Mrs. Bob Stephens, Mrs. W. D. O'Bryant, Mrs. Glen Sutton, Mrs. Geo. Glynn, Mrs. Jack Matthews, Mrs. Richard Fields, Mrs. Troy Williams, Mrs. J. L. Elledge, Mrs. Jack Gilliam, Mrs. G. D. Flanagan, Mrs. J. B. Cutright and Mrs. Duwain Vinson.

The next regular meeting will be Feb. 13 at 1:00 p. m. at the Civic Center. Lawrence Janes will present the program on first-aid.

BETA SIGMA PHI

Ozona Chapter of Beta Sigma Phi met Monday night in the home of Mrs. Jerry Perry.

Mrs. Ron Murdock, president, presided over the meeting. Members voted in secret ballot for the club's annual Valentine sweetheart. She will be revealed when she is crowned by last year's sweetheart Mrs. Murdock, at the Valentine dinner to be held February 11, at the Civic Center.

Mrs. Gary Wagner presented the program entitled "Actions." She instructed the group in plastic casting.

Other members present were Mrs. Tommy Sanders, Mrs. Gerald McElwain, Mrs. Jack Minica, Mrs. Bill Ellis, Mrs. Bob Wallace, Mrs. Jim Davee, Mrs. Lloyd Beard, Mrs. James Davis, Mrs. Dean Scott and Mrs. Jimmy Sutton.

Twins Honored On 15th Birthday

Mary Jane and Mary Frances Martinez, twin daughters of Mrs. Ernesto Martinez, Jr., were honored on the occasion of their fifteenth birthday Saturday night with a banquet and dance.

In accordance with an old Mexican custom, girls are feted on their 15th birthdays with these formal affairs. Both girls wore floor length formal of white satin and lace with sequin trim.

Accompanied by 28 girls and their escorts, the twins were escorted to Mass at Our Lady of Perpetual Help Catholic Church by their uncles, Sammy Martinez of Odessa and Jesus Guerra of Ozona. After the church service a banquet was held at the Martinez home.

Later at the Civic Center a large crowd danced to the music of "The Broken Hearts," an Orchestra from Seguin, Texas. The girls were escorted to the dance by twins Ruben and Robert Ramirez of Midland.

By A. R. Rutherford

Skating is increasingly popular these days. No other sport is so graceful and at the same time so strenuous. Roller skating, probably because it is not primarily seasonal, seems to have the edge on ice skating these days. You'll be interested to know that roller skating is a much younger pastime than its predecessor. The first historical mention of ice skating was made in the tenth century; while the first successful roller skates were patented as recently as 1863. Whether your choice is to roll on the hardwood or slip over the ice at dizzy speeds, you'll find no other pastime that will give you the same feeling of glorious freedom.

line for news, and of course Monday for pictures. We don't mind getting reports of events that happen Wednesday morning after this time, but when all the week's news comes in Wednesday afternoon it sort of throws us.

So won't you please call or come by with your news as soon as possible. We would appreciate it and could do a much better job. Besides, the boss frowns on us sitting around all week doing nothing until Wednesday afternoon.

Son of Ozonan Sent to Vietnam

Army Private First Class William K. Reynard, son of Mrs. Irene K. Arrott, Ozona, Texas, arrived at the Pleiku, Vietnam, base camp of the 4th Infantry Division, Jan. 7.

Before being assigned to a specific unit, Pvt. Reynard received 50 hours of training with the division's 4th Replacement Detachment.

Training included field sanitation, civil affairs, mine and booby trap familiarization, reconnaissance and ambush patrolling.

Reynard, a medical corpsman in the division, entered the Army in August 1966 and was last stationed at Fort Sam Houston, Texas.

Mr. and Mrs. Tanny Santry of Greenville are the parents of a baby girl born Wednesday, Jan. 18. The baby has been named Camille.

Mrs. Santry is the former Carol McKissick, who taught in Ozona High School several years ago.

Gen. Moran — (Continued from Page One)

two World Wars. During World War II he served as Signal Officer of the Fifth U. S. Army and Chief Signal Officer of the 15th Army Group composed of the Fifth U. S. Army and the British 8th Army, in North Africa, Italy and Austria. He was awarded the Distinguished Service Medal, the third highest U. S. Military Decoration as well as decorations by Great Britain, France, Italy and Brazil.

Since his retirement Gen. Moran has been devoting his efforts to alerting the American Public concerning the menace of communism and socialism to the American Republic. He has made a special study of the United Nations Organization and of disarmament. In his talk Gen. Moran will give answers to such important questions as: What is the real purpose of the UNO and why was it formed? Is it in reality "Man's greatest hope for peace?" What is the peace-keeping record of the UN since its formation? Who controls the UN? Is the UN making domestic law for the United States? Why is the UN, with U. S. support, trying to destroy the only two Christian, anti-communist nations in Africa, Rhodesia and the Republic of South Africa? Why are the lives of American service men being sacrificed in a "no win" war in Viet Nam?

The public is invited to hear Gen. Moran give answers to these and other vital questions concerning the United Nations. There will be a door offering of \$1.00 for adults and 50 cents for students. Tape recorders will be welcome.

Visitors in the Pleas Childress home the past week included Miss Kathryn Weaver of Lubbock, childhood friend of Mrs. Childress, and Doug Kerr of Kennedy.

Tournament — (Continued from Page One)

dropping Miles 45-40. Sonora squeaked by Mertzson 54-53, while Rocksprings walloped Barnhart 77-45. In the evening session Eldorado took a 54-35 decision from Abilene Christian High School. Big Lake breezed by Norton 71-52 and in the final game host team Ozona downed Wa! 62-53.

With two senior starters, George Cox and Rex Bland, out with colds, Coach Dozier went into battle with an all sophomore line-up. The sophs with perfect teamwork lead all the way with Beto Vargas hitting for 16, followed by Rodney Pagan with 14.

Norton eliminated Barnhart 83-61 in the opening game Friday. Mertzson won a 56-54 tilt with ACHS and Miles stopped Wall 64-54 to stay in contention for the consolation trophy.

Iraan and Junction drew first round byes Thursday, but Iraan trounced Junction 65-48 to gain a shot at the championship in an afternoon game Friday.

Big Lake beat Rocksprings 55-42 while Sonora easily eliminated Eldorado 50-36. The Lions jumped off to an early lead against Christoval in the final game of the day and were victorious 36-25.

Marlin Farris, OHS sophomore hit for 23 while Rodney Pagan hit for 12 from the field. With the strong material in the sophomore group this year, Ozona basketball fans could very well see Ozona capturing the championship in the 37th and 38th tournament.

Mertzson gained the consolation finals by beating Miles 65-43 and Norton rolled past Junction 77-63 Saturday morning. Opening the afternoon session Sonora beat Ozona 55-50 behind the 21 point shooting of Laney Cook. Marlin Farris tallied 16 and David Huff 12 for Coach Dozier's Lions. Big

Lake won a 57-53 decision over Iraan in a close one to gain the championship finals. The score was tied 24-24 at the half.

Opening night action, Mertzson upset the favored Norton Eagles 73-68 to win the consolation trophy. Ozona shocked Iraan 59-53 to take third place honors. Marlin Farris' 28 points took game honors.

In the championship game Big Lake turned back Sonora 49-40. The Owls had a 28-9 lead at halftime, but the Broncos finally got hot in the third quarter behind the shooting of Cook and cut the lead to 9 points.
