Briefly

Story time

Story time at the Mitchell County Public Library will be every Wednesday at 10:30 starting June 11. The story time will be basically for 4, 5 and 6-year-old children but older ones are welcome to come with their parents.

The program will last for about 30 minutes each week and will include stories, rhymes, filmstrips and some crafts.

Bible school

Calvary Baptist Church, 1025 East 15th, will have Vacation Bible School June 9-13 from 9-11:30 a.m. each day.

The school is open for youngsters age three through the fifth grade.

Casting call

All cast members of the sesquicentennial play, "Colorado Choo Choo" are reminded of rehearsal at 7 p.m. Monday at the Opera House.

Opti-Ms.

The Opti-Ms. Club will meet Monday, June 9 at the First National Bank at 7:30 p.m.

All members are urged to attend.

Chamber meeting

The Colorado City Area Chamber of Commerce board of directors will meet Monday, June 9 at 5:05 p.m. in the board room.

Items on the agenda include committee reports on membership, tourism, clean-up and beautification as well as an update on the upcoming AJRA rodeo. President Bob Reily will present a report as well as chamber manager Penny Solomon.

Reading club

Loraine children will have the opportunity to "Celebrate Texas" by participating in the 1986 Reading Club at the school library. The program is co-sponsored by the school district and the Texas State Library.

The reading club is designed for children ages 3 to 12 and includes story-time, movies, games and other activities. Registration begins June 10 from 9 a.m. to 1 p.m. The library will be opened every Tuesday from June 10 through July 22 from 9 a.m. to 1 p.m. Everyone is invited to use the library.

Class of '77

The Colorado High School graduating class of 1977 will have an organizational meeting on Sunday, June 8 at 1:30 p.m. in the First National Bank meeting room to discuss plans for the 10-year homecoming reunion on October 10.

For more information or to send classmate addresses, contact Connie Jones Chambers, 836 Locust, Colorado City 79512 or call 728-3947.

Water floods creek crossing in Ruddick Park

Lake levels continue to rise

The rains came... and came and came

Fields were still standing in water in portions of Mitchell County Friday as ominous clouds continued to threaten to bring more rain.

A heavy downpour Wednesday night dumped over 2 inches of rain in many areas and caused Lone Wolf Creek in Ruddick Park to spill out its banks and to force the closing of the low water crossing in the park until the waters receded Thursday night. The Colorado River was also running because of the rains.

The runoff from the already rain saturated ground temporarily forced the closing of Highway 208 between Colorado City and Snyder Thursday morning.

Meanwhile, Lakes Colorado City and Champion continued to benefit from the unusually heavy rains.

Officials at Morgan Creek Plant Friday morning said that the Lake Colorado City level stood at 2063.75, some 4.45 feet higher than when the rains started over a week ago. Lake Champion's level 2067.90, up almost 3 feet.

Morgan Creek was still running Friday and officials predicted Lake Colorado City to catch even more water. The lake is still some 7 feet below spillway.

No damage has been reported due to the rain and no evacuations of low areas has been forced. However, area farmers were still waiting for their fields to dry so they could begin planting cotton.

School district budget studied

By Ray Mayo
Editor

The Colorado Independent School District board of trustees took the first step in trying to trim the budget for the coming year by passing the buck back to the administration during a workshop session Tuesday night.

Board president Dr. Billy Bruce Bridgford said because of falling oil prices, the school district will have about $750,000 less in tax revenues for the next fiscal year.

Bridgford said the district can cut expenses, use surplus money or raise taxes or a combination of the three.

"If we can show the taxpayers the cuts we're making and use some surplus money, then maybe they will accept a tax raise," said Bridgford. "We've got to be honest with the taxpayers and treat them right."

The budget has to be approved by August 20 and a number of workshops will be conducted before the final budget is ok'd, said Bridgford.

Board members suggested a variety of ways to cut expenses, but instructed Supt. Charlie Uselton, Asst. Supt. Don Nimmo and Business Manager Geneva Findley to bring back recommendations at a later meeting.

Earlier, Bridgford had to break a tie vote concerning whether or not to pay the four prinicipals five days' salary each for attending a 47-hour workshop on teacher appraisal methods. Uselton recommended that the school district pay the five additional days because the workshop is required in order for the principals to appraise teachers next year.

However, board member Kathy Bassham made the motion not to pay because "there's no stopping place if we start now." Her motion was seconded by Dwayne Harris with Floyd Lee Ritchey also voting for it. Voting against it were J. C. Britton, Eddie Gregory and Brenda Aguillon. Bridgford broke the tie by voting in favor of the motion.

Bridgford noted that the principals were given a pay raise this year which "ought to take care of that five days."

The principals have 207-day contracts which end June 13. The workshop starts June 16, said Uselton who estimated that the cost of paying for the additional days would be about $3,400.

In other business, the board approved a summer school program for middle school students in order for students who failed a course to be able to make up that course. Principal Jim McLean said that the school district has state funds to pay for the summer school and that if the funds are not used, they will have to be returned to the state.

"Enough students have failed to have math, English and history classes," said McLean. He said each student can only take one class. The summer school will start June 9 and end July 30 and will be from 7:30-11:40 a.m. each day.

Local educators fare better than average

Mitchell County educators fared better than the state average in passing the state's literacy test, according to figures released Wednesday by the Texas Education Agency.

The statewide average was 96.7. Mitchell County districts and the percentage passing the Texas Examination of Current Administrators and Teachers (TECAT) included Colorado ISD, 99.1 percent; Loraine ISD, 100 percent; and Westbrook ISD, 100 percent.

CISD Asst. Supt. Don Nimmo said Thursday that the local school district has not received any information from TEA about the test results, and that all the local administrators know is what they heard from news reports.

Nimmo said that since 99.1 percent of CISD educators passed, it is not known whether the .9 percent that failed includes one person or perhaps two persons who failed only portions of their tests. The TEA figures did not show how many teachers took the test in each district.

TEA officials said the figures are not exact because some teachers improperly listed the district in which they lived instead of the district in which they worked.

One-third of the state's 1,073 school districts had 100 percent passing rates. A total of 436 districts recorded 100 percent passing rates. Most others were in the 90-99 percent range. Forty-five recorded passing rates below 90 percent.

Statistics also showed that teachers with degrees from predominantly black universities had a substantially lower passing rate. Previously released statistics showed that 81.6 percent of the blacks who took the test passed it. The passing rate for white educators was 98.9 percent.

The lowest passing rate was 66.7 percent in the Ramirez Independent School District in Duvall County, which has about 45 students and operates only an elementary school.

Blood donors can win free trip to Las Vegas

Donate blood in Wednesday's blood drive and receive a chance to win a Las Vegas weekend for two.

United Blood Services, which provides blood for Mitchell County Hospital, is sponsoring the blood drive and the jackpot sweepstakes. The blood drive will be from 1-7 p.m. Wednesday at the Civic Center.

Janet Reed, a spokesman for United Blood Services, said that the summer months prove to be a critical time for blood supplies and that the Las Vegas trip is being offered as an incentive for people to donate blood and to recruit others to donate blood.

The drawing will be held August 2 and will be open to anyone who donates blood in blood drives sponsored by United Blood Services, a San Angelo-based organization.

Ms. Reed said that although there is not a critical need now for blood, there probably will be later this summer. She said that 40-50 donors are needed in this Wednesday's blood drive in Colorado City.

She said that besides each donor being entitled to a sweepstakes ticket, those who bring new donors will receive one entry for each of their donations.

Farm assistance offered

The Farmers Home Administration office in Mitchell County will begin immediately to participate in "Operation Assist," Alton R. Pyburn, county supervisor, said.

Operation Assist is a new effort by FmHA to help farmers obtain guaranteed operating loans. County supervisor for FmHA will take completed farm credit applications to local banks or other lenders, along with the farmers wishing to apply for a guaranteed loan.

"We will hand carry the applications, and personally introduce the applicants to our local lenders," said Pyburn. "We will present a complete loan package, including cash flows, financial statements, and appraisals.

See ASSISTANCE, Page 2

Commodities to be distributed this week

Commodities of butter, cheese and rice will be distributed Wednesday, June 11.

New hours, in effect for the summer months, include the ag barn from 9 a.m. until noon, Loraine from 9-11 a.m. and from 1-2 p.m.; Westbrook from 9-11 a.m.; and Wallace Center from 9-11 a.m. on Thursday, June 12.

New applications will be taken Wednesday from 11:30 a.m. until noon at the ag barn. All other distribution points will take applications during pick-up hours. All recipients are urged to pick up their commodities because of a lack of storage space for butter and cheese.

Persons who miss two consecutive months must recertify to continue receiving the commodities.

Plant Problems Tour set

Homeowners in Mitchell County are invited to participate in a Plant Problems Tour on Tuesday, June 17.

Dr. Tom Fuchs, extension entomologist from San Angelo, and Dr. Harold Kaufman, extension plant pathologist from Fort Stockton, will be on hand to diagnose insect and disease problems in lawns, landscape, plants, gardens, fruit and pecan trees.

Any homeowners who are having insect or disease problem in their plants and would like to have the two specialists take a look at these should call the county extension office at 728-3111.

"A schedule will be arranged so that we can make a stop at each home or garden site during the day," said Mike Mauldin, extension agent.

Call before June 12 to have your name put on the list.

"With the recent rains, lawns and gardens are off to a real good start but we are experiencing some insect and disease damage," said Mauldin. "This will be a good opportunity to have your questions answered."

Assistance–

From Page 1

If necessary, we will make a commitment to work with the lender to do an interest buydown. We will do everything we can to help the lender, and the borrower, by commiting to guarantee the loan at our maximum 90 percent."

While direct operating loan funds are used up in some areas, there is still nearly $800 million available for the guarantee program. County FmHA officials hope other lenders will make operating credit available under the guarantee, with most of the paperwork done beforehand by FmHA.

Borrowers and lenders interested in an FmHA guaranteed loan should contact the FmHA county office.

Fandangle to salute Texas sesquicentennial

ALBANY–As Texans celebrate the 150th anniversary of the founding of the state this year, the people of Albany, Texas will continue a 48-year tradition of celebrating the westward development of Texas with six performances of the Fort Griffin Fandangle.

The annual outdoor production, which was created in 1938 by Albany playwright Robert Nail, will be presented on June 19-21 and June 26-28 at the Prairie Theater located one mile west of Albany. Approximately 250 local residents join together each year to relate the story of the settling of the Clear Fork of the Brazos area through narration, song and dance.

Tickets for the six nightly performances can be reserved by calling the Fandangle's office, located in the depot building in Albany at 915-762-2525 or writing to: Fandangle, Box 185, Albany, Texas 76430. Tickets range from $3 to $7 per seat and should be purchased or reserved in advance.

Fandangle executive secretary Patsy Rose stated that ticket sales, which opened to the public on June 2, are "brisk again this year." She suggested that ticket orders be placed as soon as possible in order to receive the best selection of seats. Discounts are available for groups of 20 or more people.

The 1986 version of the Fandangle will salute the State of Texas and the history woven into its colorful past in conjunction with the statewide celebration of the Sesquicentennial.

"The theme of this year's Fandangle will center on Texas and the settlement of this part of Texas following the war for independence," said Marge Bray, Fandangle director.

Several new songs have been written by the show's musical director, Louann George, that tie the early-day settlers in West Central Texas to the war for independence through their memories and stories told by their ancestors.

"We couldn't directly relate the show to the war with Mexico because it happened several years before settlers came to our area," said Mrs. Bray. "However, there will be scenes that will take the audience back to the events of the 1830s and the struggle for independence through the memories of the settlers that moved to the Fort Griffin area later."

"We have about 10,000 people who visit Albany each year during the Fandangle and we try to make their visit memorable through several other activities related to the Fandangle," said Donnie Lucas, publicity director. "We hope that our guests will come early and take part in the various activities going on during Fandangle season."

Stores and businesses in the downtown area are traditionally decorated with antiques and other items from the western frontier period. Several restored homes and buildings, most of which are well over 100 years old, are also open to the public on performance days.

Visitors will be able to enjoy a western style barbecue meal catered by Joe Allen's Bar-B-Q of Abilene on the lawn of the historic Shackelford County Courthouse from 5 p.m. to 8 p.m. each performance night. Tours of the courthouse, which still houses its original courtroom, are available to the public during the evening.$

One of the most unique attractions in Albany these days is the recently founded Old Jail Art Center. The focal point of the center is the old Shackelford County jail, which interestingly contrasts with the large collection of modern art houses. The art center is open free of charge to the public until 7 p.m. nightly.

A special sesquicentennial exhibition entitled "Beyond Regionalism: The Fort Worth School," will be on display through the month of June. Also on exhibit will be several pieces of art from the center's own impressive permanent collection including artists such as Amedeo Modigliana, Henry Moore, Paul Klee, Pablo Picasso, John Sloan and Morris Graves.

As part of the special two weeks of fun and entertainment, the Fort Griffin Fandangle Parade has been set for June 26 through the streets of downtown Albany. The parade usually draws more than 100 entries and kicks off at 6 p.m.

"We are issuing a special invitation this year for everyone to see the Fandangle," said Lucas. "Unfortunately, many people think that if they have seen the show once that there isn't anything new to come for, and that is just not so. Each year the Fandangle uses new songs, new scripts and new cast members to tell its story."

The natural two-acre stage provides the audience with the "look and feel of times long since past, using close-up views of herds of Longhorns, wagons, a stagecoach, an entire recreated street scene from the rough and tumble town of Fort Griffin, a replica of the first train that rolled across the prairie, and even the first oil well drilled in the Big Country.

The show begins at dusk each evening, preceded by calliope music at the Prairie Theater.

Donations, furnishings sought

Financial assistance is being sought for landscaping and for purchase of hard-to-find pieces of period furniture for the Mitchell County Heritage House, according to Mrs. Marion Bassham.

Mrs. Bassham said accounts have been opened at all three Mitchell County banks to accept cash donations.

Anyone who has furniture from 1883-1920 era or other household items from that period that would lend to the atmosphere should contact Mrs. Bassham at 728-3240.

Tips from...

Mitchell County Hospital

By Ray Mason
Hospital Administrator

Since the big change in Medicare payments in 1983 (DRG), insurance companies have also been undergoing some changes. The hospital receives notices each week from various companies stating that their policy holders need to call the insurance company before going into the hospital for elective surgery, or within two days of admission on an emergency.

The insurance companies are stating that if they are not notified, the policy holder may be held responsible for a larger portion of the bill.

If you are not certain how your insurance company is dealing with hospital admissions, please take the time to find out. The physicians and hospital will be asking you about your insurance coverage when you have to go into any hospital. The more informed you are about your insurance coverage, the easier an admission will be on you or your family members in a stressful time.

Mayo receives degree

Mrs. Janet Mayo of Colorado City received her master of education degree in supervision and reading from Abilene Christian University May 10.

Mrs. Mayo, one of 146 graduates to receive their master degrees during ceremonies in Cullen Auditorium on the ACU campus, was recognized for having completed her degree with a perfect 4.0 grade point average.

Mrs. Mayo is a first grade teacher at Kelley Elementary School.

Obituaries

Mote

Ollie T. Mote, 84, died at 8:35 p.m. Thursday in Kristi Lee Manor.

Burial was in Colorado City Cemetery Friday afternoon.

She was born April 28, 1902.

Jackson

Amon Jackson, 80, of Andrews died Wednesday at Permian Hospital in Andrews following a lengthy illness.

Funeral services were 2 p.m. Saturday at the First Baptist Church in Andrews with the Rev. H. A. Hanks officiating. Burial was at 4:30 p.m. Saturday at Trinity Memorial Park in Big Spring.

Mr. Jackson was born February 15, 1906 in Toxey, Ala. He had lived in Andrews 12 years after having moved from Seminole. He was a member of the First Baptist Church of Andrews. He married Myrtle Boner January 17, 1929 in Colorado City.

He is survived by his wife, Myrtle Jackson of Andrews; a son, Darrell Jackson of Andrews; four daughters, Eulene Jones of Knott, Doris Smith of Big Spring, Neva Green of Monahans and Karen Ralls of Granbury; two brothers, John Jackson of Big Spring and Dave Jackson of Colorado City; three sisters, Gladys McGee of Loraine, Mae Wiggins and Vera Schaffer, both of Colorado city; 13 grandchildren and 8 great-grandchildren.

Grandsons were pallbearers.

Lawn & Gardening Tips

(Q) When should I transplant my perennials?"

(A) Gardeners are generally asking about one perennial in particular, be it daffodils, daisies, daylilies...or whatever. The answer is simple: if it blooms in the spring, transplant it in the fall. If it blooms in the fall, transplant it in the spring. There will be occasional exceptions.

(Q) Should I leave the tree leaves on the lawn over the winter...to protect the grasses from the cold?

(A) No. What benefits you gain by the protection are more than offset by the chance of disease. And, if a sudden strong wind blows the leaves down the block just before record cold, you could lose big parts of your lawn. Rake 'em, and take 'em...to the compost.

Courses offered at Center

Driving

A defensive driving course has been scheduled for June 24-26, at the Wallace Center in Colorado City sponsored through Western Texas College in Snyder. The classroom sessions offer pointers in preventing accidents in spite of the incorrect actions of others and adverse driving conditions.

The course will have two sessions on Tuesday and Thursday nights from 6-10 p.m. Films and other visual aids will be used to demonstrate how to improve driving skills.

Persons completing this course will be eligible for a reduction in insurance premium rates, also for possible ticket removal. The fee for persons 65 and over is $15. Others will pay a fee of $22.

You may register at the Wallace Center or WTC by June 20. For more information, call 728-2392, Community Education Office in Colorado City.

Karate

A four weeks session of karate will begin on June 9, from 7-9 p.m., at the Wallace Center. Instructors will be Greg Gafford and Rusty Radican from Snyder.

You will learn from black belt instructors who teach and test in accordance with the American Taekwondo Association. Sessions will include: the art of self-defense, physical and mental discipline, concentration, increasing flexibility, weight control, and movements of this ancient martial art.

The class will meet on Mondays of each week, and is for persons age 6 and over. The fee is $25 for four weeks.

For more information, call the Wallace Center, 728-2392.

Computers

An introduction to computer class for adults is scheduled to start Monday, June 16.

Debbie Goforth, the instructor, will meet with the class on Monday, June 16, Thursday, June 19, Monday, June 23 and Thursday, June 26.

All classes will be held at the Colorado Middle School from 6-7:30 p.m. Tuition for the class is $25.

Pre-registration must be made at the Wallace Community Education Center office by June 13. Class size is limited to 10 persons.

For more information call 728-2392.

Nominees are being sought

Eligible farmers in Mitchell County are invited to become nominees for the Farmers Home Administration county committee, FmHA County Supervisor Alton Pyburn said.

As a result of the 1985 farm bill, two of the three members of FmHA county committees must be elected. The third member is appointed by FmHA. The Mitchell County Committee assists the FmHA county office in reviewing applications for FmHA farm loans and on other farm credit matters.

Generally, farmers who are residents of the county but not FmHA borrowers are eligible to become nominees for the FmHA county committee.

"Farmers in this county, serving on the committee, can play an important role by assisting in the process of loan applications and reviews," said Pyburn.

For this first election only, two members will be elected at the same time. One will serve a one-year term of office and the other will serve two years. In the future, all terms of service will be for three years each on a staggered basis.

Nominating petitions must be returned to the FmHA Mitchell County office by Tuesday, June 10.

Additional information and application forms for those who are interested in becoming nominees for the county committee are available at the FmHA county office, G Kell Building, Snyder Highway.

Right choice of beef important to microwaving

By Debbie Christian
County Extension Agent

Many people don't use their microwave oven to cook beef because they think it will be tough or overcooked. However, the key to tender microwaved beef is to select the right cut to cook.

Here are some guidelines for buying the meat:

–Choose beef with even marbling or fat cover for more even cooking.

–Choose roasts that are even in shape and thickness.

–Avoid cuts with bone on just one side of the meat. Microwaves tend to concentrate around the bone.

–Buy lean ground beef rather than regular ground beef. Lean ground chuck will shrink less and accumulate less fat on the surface than regular ground beef.

–For stews, buy a boneless chuck roast and cut it into one-inch cubes for more even cooking and more tender pieces of meat. Most "stew meat" is more lean than chuck and will tend to be tough.

In addition, follow the oven manufacturer's suggestions for cooking various cuts or shapes of meat. For example, it may be necessary to rotate meatballs during cooking, or to rearrange the pieces for more even cooking.

A ring shape for meatloaves and other meat mixtures will also cook more quickly and evenly than loaves.

Rena Williams and Mitch Lewallen

Engagement announced

Rena Williams and Mitch Lewallen, both of Athens, announce their engagement and approaching marriage.

The bride-elect, daughter of Mr. and Mrs. Clyde Williams of Murchison, is a graduate of Athens High School and attended Henderson County Junior College. She also served a tour of duty with the U.S. Navy in Florida and Bermuda. She is currently employed with Safeway Stores in Athens.

The future bridegroom, son of Mrs. Etta Lewallen of Sweetwater and Jerrel Smith of Colorado City, is a graduate of Colorado High School. He is currently employed with Texas Utilities Generating Co. in Fairfield.

The couple plans a June wedding.

Officers installed by club

The Mitchell County Jaycees installed new officers recently including Mike Ratliff, president; Jim Petty, vice president; Kevin Wright, secretary; Randy Anderson, treasurer; Abel Alvarez, director; Scott Free, director; and John Latimer, director.

At this time, there is a total of 28 members. Members must be between the ages of 18-35. Contact any member of the Jaycees if you are interested in joining.

Ratliff said the Mitchell County Jaycees would like to express their appreciation to the community for its support of the magic show which they hosted. Profits of $100 which were earned at the show were donated to the senior citizens nutrition program at the Wallace Center.

Winners announced

Westbrook has announced Kellye Smith and Carrmon Whitesides as schoiarship winners during the 1985-86 school year.

Kellye Smith received the Carr Scholarship from Angelo State University, the Opti-Ms. Scholarship and the Valedictorian Scholarship from Western Texas College, Midland College, Howard College and Angelo State University.

Carrmon Whitesides received the Salutatorian Scholarship from Western Texas College, Midland College and Howard College.

Gymnastics registration set

A few openings are still available for those desiring to register for gymnastics classes at Wallace Center. The classes will start on June 16 with four week sessions for toddlers, beginners, intermediate and advanced groups. Instructor is Kellye Luera from Kellye's School of Gymnastics in Snyder.

The toddlers will be for ages 3 and 4, and will meet Mondays and Wednesdays from 9-10 a.m. Basic instruction in tumbling, floor exercises, and balance beam will be given.

The beginner class is for ages five and over, and will meet from 10-11 a.m. This class will offer instruction in tumbling, floor exercises, balance beam, vaulting and routines for later competition.

The intermediate and advanced group will meet from 11-12 noon and will be given instruction in: tumbling, floor exercises, balance beam, vaulting, uneven bars, and routines for competition.

Each class is limited to 15 students. The fee is $20 for four weeks. Students must pre-register at the Wallace Center before June 13. The program offers great training for prospective cheerleaders and is an excellent way to stay in shape for athletics in the fall.

Projects set by club

Jean Edwards and Margaret Bodine co-hosted the June 2 meeting of the Susan Evermon Baptist Women.

The opening prayer was by Anna Staats. Mary Lloyd, assisted by Virginia Dearen, Frances Cooper, Billie Harrison and Jessie Mae Merket, presented the program on "Aging, the Best is Yet to Come."

During the business meeting, tentative plans were made for projects which will support the Texas State Mission Offering in September. One continuous project will be to collect aluminum cans. The prayer calendar for missionaries was presented by Louree Upton with Earline Sellier leading in prayer. Other prayer, for the local sick, was offered by Billie Harrison.

Refreshments of salads, dips and cake and fruit dessert were served to those in attendance - Anna Staats, Virginia Dearen, Jo Ann Staley, Jessie Mae Merket, Betsy Aycock, Mary Lloyd, Louree Upton, Billie Harrison, Earline Sellier, Frances Cooper, Joy Piland, Margaret Bodine, Jean Edwards and guest [illegible] da Baird of San Angelo.

Ecology class for kids set

SNYDER--An introduction to ecology for children entering grades 4, 5 and 6 will be offered in a Discovery Class scheduled at Western Texas College from June 16-19.

Classes will meet from 9 a.m. to 12 noon each day. The final meeting will be from 8-10 p.m. on June 19 and it will include a planetarium show, presentation of awards and an outdoor study of constellations. Parents are invited to attend that meeting.

The class will take short field trips on the WTC campus and be introduced to lab procedures. They will collect insects and wildflowers for identification and discuss solar energy. Britt Canada, a member of the WTC faculty, will be the instructor.

To pre-register children for the class, parents are to call the Continuing Education office at 573-8511, extension 240. Fees are $20 per student and these are to be paid at registration on the first day of class.

Pool open

SNYDER--The Western Texas College indoor swimming pool is open to the public this summer, Mike Harrison, swimming instructor, has announced.

Pool hours are 2-6 p.m. Monday through Thursday. Swimmers will pay fees of $1.50 per day or may purchase a summer pass for $50. This pass will be good through the summer season which will end on August 14.

The pool can be reserved for private parties by calling Harrison at 573-8511.

Parker awarded designation

Patricia Parker of Colorado City has been awarded the professional real estate appraisal designation Master Residential Appraiser (MRA) by the National Association of Master Appraisers, according to Dr. Marvin T. Deane, the national president.

The MRA designation was conferred after completion of the educational requirements; passing written examinations; and meeting established criteria for qualification. Requirements also include preparation of actual demonstration appraisals.

"Each member of the National Association of Master Appraisers has agreed to subscribe to the highest professional standards of conduct required by the organizations code of ethics" said Deane.

The National Association of Master Appraisers designates those members of the real estate profession who have attained a high degree of excellence in the art and science of real estate appraisal. It also encourages specialized education in real estate appraisal through cooperating schools, to provide the industry with fundamentals courses, educational seminars and workshops. Such qualifications are designed to insure the public will have qualified professional real estate appraisal services when a designated member is selected.

Cheerleader camp set at WTC

SNYDER–Western Texas College will sponsor its thirteenth annual cheerleader camp June 16-19.

Campers will receive instruction in gymnastics, voice control, stunts, pom-pom routines and fund raising. They will be learning new cheers not taught before. Instructors will be from the All-Star Cheerleader Conference in Kansas City, MO.

Campers will stay in the dormitories on campus and eat their meals in the college cafeteria.

Additional information about the camp can be obtained by contacting Mickey Baird, WTC Student Activities Director at the college, 915 573-8511, or at 915 573-8389.

Guelker, Robben engaged

Mr. and Mrs. J. H. Guelker of Colorado City and Mrs. Vuna Robben of Jefferson City, Mo. announce the engagement of their children, Terri and George.

The couple will exchange wedding vows on June 28 in the home of Carl Guelker, brother of the bride.

What to do this summer?

We've got some great ideas!!

Stephen Mattox-"I like to go swimming, fishing, camping and riding motorcycles."

Audrey Buckalew-"I like being out of school, having no work to do, and playing games."

Cathy Martinez-"The things I like best are riding my bicycle and jumping rope."

Jarrod Epperson and Jeremy-"We like swimming, baseball and going to Nebraska for vacation."

Gavino Abrigo-"I like not having to get up early to catch the bus and taking long baths."

Cory Lane-"I like swimming, having no school work, and sleeping late!"

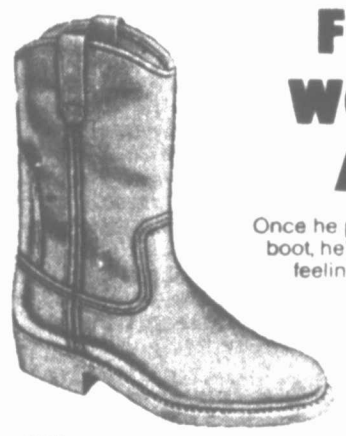

Buddy Cole Huff-"I like swimming and baseball."

Veronica Ruiz-"I like to go camping, and to ride my bicycle."

Mandy Tanner-"I like to go swimming and playing Parcheesi with my friends."

Golden Agers meet

The Westbrook Golden Age Club met Tuesday, June 3 in its regular monthly meeting.

About 25 members enjoyed refreshments of snacks, homemade cakes, ice tea and coffee served by the hostesses, Della Self, Minnie Anderson, Helen Oglesby, Allen Haddock, Fannie Morris and Dorothy Haddock.

A short business meeting included a discussion of installing the new roof by Ronnie Appling and his crew and about the parade and barbecue scheduled June 21 at Westbrook.

Several memorials and thank you cards were acknowledged.

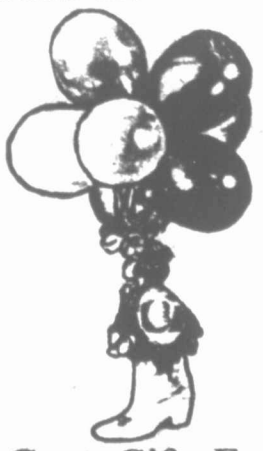

Music was played by Ruby Claxton, Cody Hayes, Olan Haddock and Hollis Haddock.

Games of "42" and dominoes and visiting were also enjoyed by the group.

Meetings are held the first Tuesday of each month. The public is invited.

Pre-entrance exams set

SNYDER--Pre-entrance examinations for students interested in enrolling in the Western Texas College Vocational Nursing class starting September 1 will be given on Mondays during the summer months.

Persons interested in taking the test are to contact Bettie McQueen at WTC, 573-8511.

Vocational Nursing students attend classes for 12 months and receive 1,758 hours of training and instruction. They are then eligible to take state Board of Vocational Nurse Examiners tests for licensing to work as licensed vocational nurses.

Birth

Jay Boy and Mary Adams of Lubbock announce the birth of a son, James Wallace Adams IV, born June 3, weighing 8 pounds, 9 ounces.

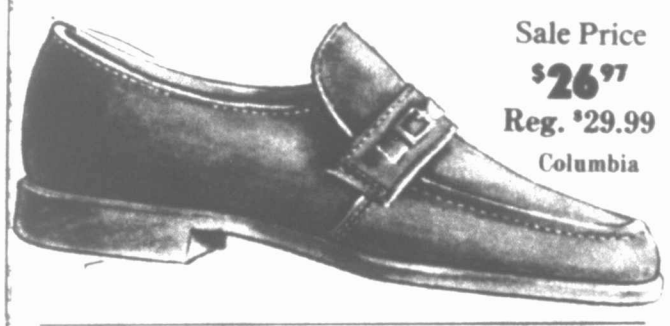

Paternal grandmother is Mrs. Polly Adams of Colorado City. Maternal grandparents are Mrs. Louise Scott of Ruidosa, N.M., and Dr. L. M. Flanary of Houston.

Survey "learns" what Texas teachers think

AUSTIN--Four in ten Texas teachers are seriously considering leaving the profession; despite a severe teacher shortage, three-fourths balk at recommending teaching as a career; and almost one-fourth of the teachers moonlight to supplement their salaries, according to a teacher survey released this week by the Texas State Teachers Association.

The survey, "Moonlighting, Salary and Morale: The Texas Teachers' Story," has been conducted every two years since 1980 to track the conditions of teaching in Texas public schools.

The survey was conducted for TSTA by Dr. David L. and Karen L. Henderson. Dr. Henderson is a professor of education at Sam Houston State University in Huntsville. He teaches educational research, computer literacy, and teaching methods. Karen Henderson is the mathematics coordinator for Huntsville Independent School District.

Eighty-three percent are dissatisfied with the career ladder and the most common reason for leaving is now working conditions rather than salary as found in the three previous studies.

In previous surveys, "money" was listed as the main reason for leaving by 50 percent in 1982. That number dropped to 17 percent in 1986. At the same time, stress, burnout, paperwork and administrative hassles has risen steadily, from 24 percent in 1982 to 68 percent in 1986.

Two-thirds of the teachers support mandated negotiations with the local school board.

The profile of the Texas Teacher in this survey is 41 years old, earns $24,601 after teaching 14 years and is married to a spouse who also works.

A little over half of the teachers surveyed support "no pass, no play."

The 1986 Survey is the first to reflect teaching conditions since House Bills 72 and 246 were implemented.

TSTA President Charles Beard said the survey was "on target" with the comments he has received from teachers throughout the state.

"The message is clear that the Texas Legislature has to act in this next session to reduce paperwork and give teachers a meaningful voice in local school district policies, as they relate to the teachers' classrooms," Beard said.

The Texas Education Agency is predicting a shortage of 15,000 teachers when school opens next fall.

County Oil News

A new producer has been brought on line in Mitchell County's Iatan-East Howard Field, with Astin Corp. as the operator.

Located six miles southwest of Westbrook, the well is in a 280-acre lease in the T&P Survey. It is designated as the No. 1 Barber "B".

The well pumped 20 barrels of oil per day, plus 80 barrels of water. It bottomed at 1,825 feet, and will produce from a set of perforations in the San Andres Formation, 1,755 to 1,797 feet into the wellbore.

—

Marshall & Winston has re-entered the No. 3 J. F. McCabe "C" in the North Jameson Field, Mitchell County. Drillsite is 18 miles southeast of Colorado City.

The well indicated potential to pump 22 barrels of oil per day, along with 99 barrels of water. Bottomhole was at 7,230 feet. It will produce from perforations in the Odom Formation, 6,808 to 6,910 feet into the hole.

The well was originally completed November 9, 1981, by the same operator. It produced from Ellenburger Formation perforations, 7,189 to 7,197 feet into the hole.

—

Sun Exploration & Production has abandoned an undrilled location in the North Jameson Field, Mitchell County. The well had been designated as the No. 16 V. T. McCabe "C", with drillstie 21 miles southeast of Colorado City.

—

Mrs. W. M. Keck Jr., of Lafayette, La., is planning to drill two 2,100-ft. developmental wells in Mitchell County's Sharon Ridge Field. They are designated as the Nos. 16 and 18 J. D. Fuller, with drillsites three miles southeast of Ira. They will be drilled in a 201-acre lease in the Kirkland & Fields Survey.

—

Texaco Production has abandoned three undrilled locations in the Iatan-East Howard Field, Mitchell County. The wells had been designated as the Nos. 10, 11 and 12 Mitchell "B" Fee. Drillsites were seven miles west of Westbrook.

—

A Mitchell County wildcat has been bottomed at a depth of 8,380 feet and is now awaiting completion testing.

It is Edwin and Berry Cox's No. 2 Brannand, located seven miles northwest of Westbrook in a 674-acre lease in the T&P Survey A-1668. No indications have been given as to perforations or production potential.

Drilling had gotten underway on April 6 of this year.

—

A completion rig has been called in at the No. 5 Barber "E", a developmental venture in the Mitchell County portion of the East Howard Iatan Field. Location is about six miles southwest of Westbrook.

The well was spudded last September and is bottomed at total depth of 1,850 feet. Crews Oil Co. is the operator.

Summer school set by CISD officials

Summer school will be offered this year for students who have failed in Middle School. According to Jim McLean, principal, if students do not enroll for summer school, there will be 15 failures out of 96 students in the 6th grade, 11 out of 109 in the 7th grade, and 16 out of 129 in the 8th grade.

Registration began on June 5th and 6th. Late registration will be Monday, June 9th, before classes start. Classes will start on June 9th and end on June 29th. The courses offered will be English, history and math. There will be no tuition for summer school.

White Sox remain undefeated in Teenage League

After having their first two games rained out the VFW Post 9178 White Sox finally completed a game Thursday night and their 14-4 victory over the Kiwanis Colts left the two-time defending champs as the only undefeated Texas Teenage League baseball team.

The visiting Sox opened the scoring with a first inning single by winning pitcher Ray Rivera that scored catcher Mark Russell. In the bottom of the inning, Rivera's wild pitches resulted in losing pitcher John Phariss scoring after reaching base on a single.

Rivera also gave up a hit to Colts shortstop Stevie Timms and walked two before mowing down the fifth, sixth and seventh batters to end the inning.

Phariss walked four Sox in the top of the second and was tagged for three hits as the White Sox broke the 1-1 tie with seven runs for an 8-1 lead. In the inning, Spencer Taylor, who was batting for the first time in his first appearance with the Sox, doubled to center to score Bubba Bailey. Rivera singled to score Taylor and shortstop Elias Gutierrez doubled to left to score right fielder Paul Molina and first baseman Sam Garcia. Third baseman Bobby Silva got the third hit and scored Rivera and Gutierrez. Also scoring in the inning was second baseman Mark Alvidrez.

An error by the Sox helped the Colts get their last three runs in the bottom of the third. Scoring were Ricky Westbrook, Timms and Gilbert Alonzo. The Sox added three more runs in both the third and fifth innings. Gutierrez finished with three doubles for the Sox in four at-bats and scored three times. Rivera scored twice on three singles in four at-bats. Rivera was relieved by Garcia and relieving Phariss was Timms.

In the second game the Lions got revenge with a 14-1 whallop of the Braves, who lost for the first time.

Braves pitchers walked 19 Lions as the Noon Lions scored six in the second and seven in the fourth over the Matlock Braves.

Mark Molina went the distance for the winners and starting on the mound for the Braves was Beau Rees. Rudy Sanchez stole home for the Lions in the bottom of the first inning and hitting for the Lions in the six run second were third baseman Kevin Lamb and Molina.

Lamb also hit in the seven run fourth that included five consecutive walks. Rees sent two for three for the Braves and batted in Stan Bradbury in the fourth for the Braves only score.

Rees was the winning pitcher in a make-up game played Tuesday night and won by the Braves 13-3 over the Colts. Colts pitcher Rene Silva left the game in the fifth in favor of John Phariss. The Braves scored 10 of their runs in the fifth and sixth innings.

Calvary Scrubs lead in league play

The Calvary Baptist Scrubs moved to 5-0 in the Mitchell County church league softball standings with two victories Thursday night and also winning that night were the First Baptist Prophets, Christian Temple and First Methodist.

The Scrubs opened the night's play with a 10-2 victory over the other Calvary team and beat the St. Ann's Lowriders 21-1 in the fifth and final game.

Jardy Powell tripled in the first to score Jeff Hammond and Yardy Powell and a Calvary error scored J. Powell for a 3-0 Scrubs lead. A third error on a hit by Chuck Claxton scored brother Jay Claxton for the fourth run of the inning.

Mike "Woot" Griffith singled to score J. Powell in the third and was scored himself on an error. C. Claxton's two-run homer ended the Scrubs scoring in the top of the seventh. Calvary scored one in the third on a sacrifice fly by David that scored Mitch and one in the sixth on a single by Bim Ritchey that scored Johnny.

Three Lowrider errors and five Scrubs hits broke open their contest by resulting in eight second inning runs. The Scrubs added four in the fourth and eight in the fifth on five hits and four errors.

Ronnie Arispe's ground out to shortstop C. Claxton scored Bennie Arispe, who doubled to reach base in the second. Jeff Hammond scored four times in five at-bats for the Scrubs.

The Prophets won with a 9-6 decision over the St. Ann's Crusaders. A Prophet error gave Crusaders first baseman Sam Rivera an infield homerun to begin the game but two Crusader errors and three Prophet hits in the bottom of the first made it 3-1 for the winners. In the inning, Marvin Mayfield tripled to score Ricky McPhaul, who batted in Blake Hammond.

The Crusaders tied it up at three with two in the second but were not able to score again until three runs in the seventh. Five errors by the Crusaders helped the Prophets to five runs over the third and fourth innings. Clean hits for RBI's were Tracy Tarter's triple in the fourth and Dan Biggs' single in the fifth.

Christian Temple won by a 29-4 count over the Saints of First Baptist. Reaching base in all six at-bats for Temple was Bobby Moody and Bobby Matlock reached base in five of six at bats.

The Methodist's beat Presbyterian 20-10. Bill Baum and Fred Dakan went four for five and three for four, respectively, for Methodist.

Leading hitters for the Rough Riders were Ron Lokey, Perry Conner, Ronney Conner and Donald Ginkinger.

In Tuesday's games, St. Ann's beat Ira 26-3, the Prophets beat the Over 40 Gang 21-5, Christian Temple beat First Methodist 13-3, Calvary beat the Saints 17-9 and the Prophets beat Christian Temple 21-1. The Gang is responsible for the field this week.

C-City teams take 2 of 3

Colorado City teams won two of three United Girls Softball Association games against Sweetwater at Ruddick Park Thursday night.

The division I Eagles began the night by beating the Blue Birds 15-6. The Blue Birds scored five in the top of the first but the Eagles scored five in each of the three innings. Eight of the nine Eagles players scored in the victory. Pitching for the Eagles was Kamie.

Defeating the Sweetwater Golden Girls 16-0 were the division II Boppers. Bopper defense and pitching by Rosemary allowed only three Golden Girl batters to reach base in six innings of play.

Jennifer, Cindy, Carrie, Krisha and Lisa got hits for the Boppers and Golden Girl pitchers walked 11 in the final two innings.

In the third game, Sweetwater's division III A's subdued Colorado City's Chulas with seven runs in the third and went on to win 16-7. The Chulas answered four A's runs in the first with four runs themselves but then scored only one in the third, fourth and sixth innings. Taking the loss was Joann Ornelas, who scored twice for the Chulas.

Also getting hits were Rhonda Howell, Melie Rivera and Priscilla Rivera.

–6 p.m., Bandits vs. A's here.
–7:30 p.m., Chulas vs. Lions here.

Next Aegis cruiser to be named "San Jacinto"

WASHINGTON–The U.S. Navy has agreed to name its next Aegis cruiser the U.S.S. San Jacinto in honor of the battle through which the Republic of Texas secured independence from Mexico, U.S. Sen. Phil Gramm has announced.

"The San Jacinto is a Ticonderoga-class guided missile cruiser. It is to be christened in December of this Texas Sesquicentennial year and commissioned in December of 1987," Gramm said.

"When fully operational, it will join nine other guided missile cruisers as one of the most powerful warships in the world," the senator said.

"Needless to say, I am proud that the Navy has chosen–in this special way and at this special time–to pay tribute to the valor of those who won our independence against overwhelming odds on the battlefield at San Jacinto," Gramm said.

The San Jacinto will be 563 feet long, 55 feet across the beam and will displace 9,600 tons under full load. It will be powered by four gas turbine engines which generate a total of 80,000 horse power.

The ship will be capable of traveling in excess of 30 knots.

San Jacinto will carry an array of armament, including two helicopters, Tomahawk, Harpoon and Standard missiles, anti-submarine rockets and two five-inch guns.

The ship will rely on the highly sophisticated Aegis air defense system for detection, tracking and destruction of enemy aircraft and missiles.

Cosmetics and Contact Lenses
(For Men, Too)

If you are having problems of replacing your contact lenses because they have become "dirty," the following advice taken from a recent study on cosmetics and contact lenses may be helpful.

1. Put in your contacts a few mintues before applying makeup. Be sure you do this with clean, oil free hands.
2. Apply makeup as lightly as possible. Excessive makeup contributes to the obstruction tear ducts.
3. Avoid areas closest to the eye, especially the rim of the eye and roots of the eye lashes.
4. Avoid makeup products containing fibers and proteins (such as water resistant mascara) which may permanently adhere to your lenses.
5. Eyeshadow in liquid, cream or gel is best; avoid powdered shadows.
6. Pencil is best for eyeliner. Try to avoid liner completely on the inside rim of the eyelid.
7. For removing make-up, the study recommends water soluble removers over oil-based remover. Greasy removers are responsible for lipid deposits on the surface of the lenses.
8. Be careful with all spray products. Hair spray and cologne can be "deadly" to contact lenses. Even nail polish can cause allergic reactions.
9. If you men are reading this article are, by now, thankful that you don't have to mess with makeup - read on! Watch out for spray paint, bug spray, suntan oil and lotion, mosquito repellent and after-shave and cologne.

Here's hoping you have fewer "dirty" lenses in the future.

STATE OF TEXAS
COUNTY OF MIDLAND
TO: WAYNE BROWN

You are hereby commanded to appear and answer before the 142nd Judicial District Court in Midland, Midland County, Texas at or before 10:00 A.M. on the first Monday at the expiration of forty-two (42) days from the date of issuance hereof, that day being at or before 10:00 A.M. on Monday, the 7th day of July, 1986, then and there to answer to the petition of O. H. RIDLEY in Cause No. A-35,704, styled O. H. RIDLEY vs. WAYNE BROWN, in which O. H. RIDLEY is Plaintiff and WAYNE BROWN is Defendant. The said petition filed May 20, 1986, disclosed that the nature of said suit is as follows:

O. H. RIDLEY, Plaintiff, is the owner of a 78.09625 percent working interest in the oil and gas leasehold estate of the oil and gas wells, personal property and lease equipment upon the tract of land described below. Defendant is the owner or reputed owner of the other 21.90375 percent working interest in said oil and gas leasehold estate of the oil and gas wells, personal property and lease equipment upon the same tract of land. Pursuant to a contract between Plaintiff and Defendant, Plaintiff is owed an amount of SEVENTY-ONE THOUSAND FIVE HUNDRED THIRTY-SIX and 73/100 DOLLARS ($71,536.73) for materials furnished for WAYNE BROWN and has claimed a lien for this amount on the leasehold interest of the following described tract of land in Mitchell County, Texas, to-wit:

HENRY SAYLES LEASE
NE/4 and Part of NW/4
Section 2, Block 27
T & P RR Co. Survey
Will Stith Subdivision
Mitchell County, Texas

O. H. RIDLEY seeks payment of the amount owed and foreclosure of said lien claim.

If this citation is not served within ninety (90) days after date of its issuance, it shall be returned unserved.

Issued and given under my hand and the sale of said court, on this, the 20th day of May, 1986, at Midland, Midland County, Texas.

CLERK OF THE DISTRICT COURT MIDLAND, MIDLAND COUNTY, TEXAS

NOTICE OF OPPORTUNITY FOR PUBLIC HEARING ON PERMIT APPLICATION FOR SOLID WASTE SITE THE CITY OF COLORADO CITY has filed Application No. 1809 with the Texas Department of Health for a permit to operate a proposed Type I municipal solid waste disposal site to be located north-northwest of the city limits of Colorado City approximately 0.5 mile west of the intersection of State Highway 208 and Rodgers Road (County Road 141) and on the north side of Rodgers Road (County Road 141) and the City's existing landfill, in Mitchell County.

The site consists of approximately 30 acres of land, and is to daily receive approximately 15 tons of solid waste under the regulatory jurisdiction of the Texas Department of Health.

The Bureau of Solid Waste Management, Texas Department of Health, has evaluated the application in coordination with other state and local agencies. The application adequately addresses land use, ground and surface water protection, site development and operation, and other regulatory requirements. The Bureau of Solid Waste Management is of the opinion that, based on the information provided in the application and comments received from other review agencies, the solid waste site should not significantly endanger the health, welfare or physical property of the area residents or the environment.

No public hearing will be held on this application unless a person affected has requested a public hearing. Any such request for a public hearing shall be in writing and contain the name, mailing address, and phone number of the person making the request; and a brief description of how the requester, or persons represented by the requester, has suffered or will suffer actual injury or economic damage by the granting of the application. If a hearing is requested by a person affected, notice of such hearing will be provided to the requester and will also be published in a newspaper of general circulation in the area where the site is located at least 30 days prior to the date of such hearing. If no request for a hearing is received within 30 days of the date of publication of this notice, the Department will make a decision. If a hearing is requested, it will be conducted, and the final decision will be rendered, in accordance with the applicable rules contained in the Department's "Municipal Solid Waste Management Regulations," (MSWMR) including all changes in effect as of January 17, 1986.

Requests for a public hearing and/or requests for a copy of the technical summary of the application prepared by the Bureau of Solid Waste Management shall be submitted in writing to the Chief, Bureau of Solid Waste Management, Texas Department of Health, 1100 W. 49th Street, Austin, Texas 78756. A copy of the complete application may be reviewed at the Bureau of Solid Waste Management or at the Department's Public Health Region 4 headquarters located at 2905 Willis, Suite 100, Abilene, Texas, 79605: telephone (915) 695-7170.

Issued this 27th day of May, 1986

Robert Bernstein, M.D., F.A.C.P.
Commissioners of Health
Texas Department of Health
By: Hal L. Nelson, General Counsel Texas Department of Health

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Grand Banks Energy Company, 302 Paragon Tower, 600 N. Marienfeld, Midland, Texas 79701 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the San Andres, Coleman Ranch Wells No. 3, 6 and 8 and Coleman Ranch "A" Well No. 3. The proposed injection wells are located 3 miles Northeast of Cuthbert in the Sharon Ridge (1700) Field, in Mitchell County. Fluid will be injected into strata in the subsurface depth interval from 1,676 to 1,755 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

Sealed bids will be received by the Texas Parks & Wildlife Department until 10 a.m. June 27, 1986 on a 1983 Dodge Ram Charger. Contact Game Warden Ronnie Aston at 915-728-5522 or Curtis Jones 915-673-3333.

SWCD sponsoring second fish sale

The Upper Colorado Soil and Water Conservation District will sponsor a second fish sale on Saturday, June 14 from 8-10 a.m. Delivery will be at the Snyder SCS Field Office in the Snyder Shopping Center.

The district announces the following prices are now in effect per hundred: 4-6 inch channel catfish, $40; 6-8 inch channel catfish, $80; 1-3 inch hybrid bluegill, $40; 2 inch hybrid largemouth bass, $80, and fathead minnows (approximately 425 per pound), $8 per pound.

Suggested stocking rates for small ponds are 100 channel catfish per surface acre. If you plan to supplementally feed the catfish or fertilize the pond, then 500 catfish per surface acre can be stocked.

The channel catfish can be stocked alone or with fathead minnows to serve as forage. The diet of a catfish is largely made up of aquatic insect larva, but minnows are also eaten if possible. The larger 6-8 inch catfish fingerlings are recommended if large bass are present in the pond. Fingerlings of this size are generally fast enough to avoid being eaten by the bass.

In ponds greater than one acre surface area, stocking 100 catfish, 50 bass, 300-400 bluegill and two pounds of fathead minnows provides a balanced stocking program.

The hybrid bluegill can be stocked alone or with bass or catfish. About 10 percent of the bluegill will reproduce and are a good choice for stocking alone in very small ponds.

Plastic bags will be provided for hauling the fish. They can be kept in the bags for up to two hours, but should be placed into ponds as soon as possible.

Additional information can be obtained by calling the Colorado City field office at 728-3473, or the Snyder field office at 573-1268, 3423 Ave. T or the Mitchell SWCD in the G-Kell Building, Colorado City.

Sanderson included on president's list

ABILENE–Joanne M. Sanderson, Colorado City, was named to the Hardin-Simmons University President's List for the 1986 Spring semester.

The President's List is composed of students carrying 12 or more semester hours who have grades of A on all courses for the semester.

Anthony Lyle Evans

Evans is graduate of Grandbury

Anthony Lyle Evans, son of Mr. and Mrs. Mike Evans of Granbury and the grandson of Mr. and Mrs. Moises Garcia of Colorado City, graduated from Granbury High School Friday, June 6.

Mrs. Evans is the former Sandy Garcia.

Shop Our Home Town!
When you shop here at home it's almost like doing business with yourself!
The many community services you receive, your property values, and local taxes you pay are helped immeasureably everytime you, or anyone else shops here at home.
The dollar you spend in the big town, does buy merchandise yes, but the fringe benefits of that dollar go to the residents of that city. And, the quality of life here at home suffers because you took away some of its dollar vitamins.

Committee nominees sought

The Farmers Home Administration (FmHA) is accepting nominations for County Committee elections for Mitchell County. This notice is issued to inform eligible voters of the right to nominate candidates by petition. Copies of the petition and instruction on its completion can be obtained from your local FmHA office.

Persons nominated should be currently engaged in the operation of a farm, have their principle farming operation within the county or area in which activities of the county or area committee are carried out, derive the principal part of their income from farming (that is more than 50 percent of their gross income must come from agricultural production), be a citizen of the United States or an alien lawfully admitted to the United States for permanent residence, not have an FmHA insured or guaranteed loan, and be well qualified for committee work.

Nominations must be received in Mitchell County FmHA no later than June 10. FmHA committee elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, martial status, sex, and-or handicap.

Programs, projects selected by club

The yearbook committee of the Self Culture Club met at the home of Pearl Watson on May 30 to select programs and projects for the ensuing year.

The projects include state hospital, club shut-ins, Girlstown USA, M.D. Anderson Hospital, historic foundation, muscular sclerosis, F.T.W.C. and district scholarships, musical penny and penny arts.

Those submitted to the Golden Yearbook at Austin were Jewel Tiller, Eddie Barclay, Ida Keith and Linnie Williams. Contributions were made. Cards were mailed to Joy Culwell, Ada Yarbrough, Mrs. Gressett and Della Fox.

Those attending were Fannie Beeman, Lil Brown, Ida Keith, Dona Reed, Pearl Watson and Jewel Tiller.

C.City Singers to celebrate anniversary

The C. City Singers will celebrate the third anniversary of the forming of the group when the Wallace Center Senior Citizens honor members at noon Tuesday, June 10.

McGuire is host to club

The Looney TEHA Club met Wednesday, May 29 at the Wallace Center with Beatrice McGuire as hostess.

Mrs. Eddie Barclay presided during the business session. Mrs. Lonie Pruitt read the minutes of the previous meeting and gave the treasurer's report. A council report was given by Mrs. Madge Shepherd.

The club made plans for a recreation workshop on June 17. Mrs. Linnie Williams was elected as prospective delegate to the state meeting in McAllen.

Refreshments of cake, salad plates, snacks and drinks were served.

Members answering the roll call with "a kind thing to do for an elderly person or child" were Eddie Barclay, Madge Shepherd, Lou Ella Hall, Angie Harris, Etta Lee Gibson, Juanita Coker, Lonie Pruitt, Pearl Wood, Lena Bullard and Beatrice McGuire, hostess.

The next meeting will be June 25 at the Wallace Center.
