Design an Ad

When you open this edition of the Devil's River News, you are in for a special treat!

In conjunction with both Public School Week and Newspapers in Education Week, we decided to ask students of the Sonora Independent School District to "Design an Ad". (The project was so successful that next time we'll do it just for the fun of it, not waiting for a special occasion. And we*will do it again!*)

Instructions were simple, describe the business and it's service, do a drawing of what the business sells and tell why a person should shop in this business.

The ads were done by students of Janet Patton in the Gifted and Talented Program. These students range from fourth through 'eight grade.

Beneath each ad is the name, age and grade of the student who produced the work.

As always when we work with the young people of the community, the results are delightful and we certainly were not disappointed with this project. We know you will enjoy the work they have done.

Perhaps the hardest part of this project was done by the merchants who had to select the ad they wished to run in the paper. As you will notice, some of them couldn't pick just one. Linda Love at the Sutton County Steakhouse decided to run all of the ads done for the Steakhouse over the next several weeks. Ronnie Cox of Westerman Drug and John Yager of Circle "S" Automotive choose to run all of the ads done for them this week.

Though not all of the ads done will be published, all are eligible for judging. Cash prizes will be awarded by Sutton County National Bank to first, second and third place winners and the Devil's River News will award a cash prize for "Best Overall Ad".

These prizes will be given at the end of the "Anything that Rolls" parade Saturday, March 14 in the old Perry's parking lot.

The Devil's River News wishes to thank the students who participated in the project, Janet Patton and the SISD for allowing us to do the project. A very special thank you goes to the merchants who supported the project. Without them none of this would have been possible!

"Design an Ad" ads start on page 4 of this issue.

Anything that Rolls Parade

The Sonora Merchants Association is pleased to announce that plans for the Anything That Rolls Parade to be held this Saturday are progressing nicely.

The parade will begin lining up at 10 am in the parking lot of the First United Methodist Church. The parade will begin to roll at 11 am. Judges will begin the judging at the parking lot.

The parade route will be down Main Street to Crockett, right on Crockett out to the light at 277 N., right at the light to end in the vicinity of the old Perry's building.

The awards for the parade will be given at the end of the parade route.

There will be awards for first, second and third place in each of the four categories of Pre-School, Pre-Teen, Teen and Adult. Awards will also be given for the best "motor-powered", "animal-powered" and "people-powered" and an award for the "Best-Over-All" for a total of sixteen awards in all.

The Sonora Merchants Association will also be giving Gift Certificates good at any participating business in a "Green for Green" game to be played with all in attendance at the end of the parade route.

Local merchants will be having special "St. Partick's Day" sales to help celebrate the day and food booths by local restaurants will also be set up at the end of the parade route.

Sutton County National Bank will be giving special awards to the winners of the "Design an Ad" contest participated in by the Gifted and Talented students in grades four through eight of SISD.

If it rolls, (balls, bikes, wagons, baby buggies, skateboards, wheel barrows, whatever) drag it out and enter the parade! Entry blanks are available at the schools, the Devil's River News and will be available also at the line-up point for the parade.

McKinney to be guest speaker

Noted humorist, George McKinney, whose letter head and business card reads "Let George Do It", will be the guest speaker for the 1987 Chamber of Commerce Banquet. The banquet is scheduled for Tuesday, March 31, 7pm at the 4-H Center.

McKinney holds a Bachelor of Science Degree from Sam Houston State University and has over thirty years of experience in marketing, community and industrial development and management and is a former high school science teacher.

Serving as an Air Force navigator and bombadier, McKinney was in both WW II and the Korean Conflict.

McKinney's credentials are most impressive. He has served as president of such organizations as the Rotary, Chamber of Commerce, Industrial Foundation, and on a hospital board. He is the past State President of the Beautify Texas Council. He is a member of the International Platform Association which is the Who's Who of the Speakers and Entertainers on the American Platform.

McKinney was commissioned an Ambassador of Goodwill by former Govenors Dolph Briscoe and Mark White and has been awarded the same honor by Govenor Bill Clements.

The East Texas Chamber of Commerce named McKinney the 1983 East Texan of the Year.

Impressive though this list is, it doesn't convey McKinney's tremendous sense of humor and what a delightfully funny man he is. You will definitely want to make plans to hear George McKinney at the Chamber Banquet.!

The First Baptist Church Choir will also present "The Grasshopper Opera" for your entertainment on this special evening.

Please purchase your tickets early as only a limited number of tickets will be available and drag out those casual clothes and brightly colored "jams" or "muu-muu's" as this is to be an Hawaian Luau.

Boards draft agreement

The Hospital District Board met in their regular monthly meeting on Monday night in the Lillian M. Hudspeth Memorial Hospital board meeting room.

Rex Ann Friess, County Tax Accessor reported to the board that tax collections for the district were 93%, down only 2% from the school district.

Hospital Administrator Scott Gilmore gave statistics for the hospital and nursing home for the month of January in which the hospital lost only $29,483 while the nursing home, for the first time, made a profit of $3846.

After minutes of previous were read and approved, the Board moved on to item number four on the agenda "Discussion with the Hudspeth Board members regarding the present and future operation of the hospital and any action relating thereto".

It had been suggested by Ace Pickens, the Austin attorney engaged to research the technicalities surrounding the hospital , hospital trust and surrender of the hospital to the district, that for the interim period, a letter agreement be entered into by both boards to facilitate the continuing operation of the hospital.

Such an agreement was drafted, to the satisfaction of both boards, which states that the District Board will pay a sum of $59,000 to the Hudspeth Board to pay bills incurred after inception of the District but prior to the agreement, the District Board to pay bills of the hospital up to $30,000 a month as approved from listings with all extraordinary expenses to be considered on an individual basis.

The agreement also allows for the Hudspeth Board to institute the lawsuit necessary to resolve the matter in an expedient manner.

Questions were raised regarding the best possible solution surrounding the ranch, the debt and it's maintenance. Pickens has advised that the law allows for a Hospital District to assume the indebtedness of another hospital. With this thought in mind, it was questioned whether it might be in the best interest of the populace to request the transfer of all hospital assets to the Hospital District. This could give the District the borrowing power on the ranch should it become necessary at a later date.

The District Board reviewed bills agreeing that expenses must be cut to cover only those items necessary to continue the operation of the facility.

The next regularly scheduled meeting for the District Board is April 13.

Letters to the Editor

We really can't thank all the people of Sonora enough for all their help during our recent ordeal. The entire community turned out to help search for Luther or to be with the family, either in prayer or give us moral support at our home.

A big thanks to everyone who brought food to our home or to the Sheriff's Department for the men that were helping. We have no idea who all helped in the search but thanks to all of you.

Our special thanks to the Sheriff and his deputies, dispatchers, and the jailers for the job they did. You all are certainly a credit to Sonora. Thank the Lord for love, friends, and prayers.

From our hearts,
Luther, Joyce, Russell,
Larry, Laura, and Becca

Notes from the Chamber

by Dede Doran

The Board of Directors of the Sonora Chamber of Commerce met last week to elect new officers and to canvass the votes for new directors. New Officers for the 1987-88 year are: President-Jo Ann Jones; Vice President-Bruce Kerbow; Treasurer-Jim Stephen. New directors for 1987-89 are Ronnie Bowers, Kathy Shurley, Gil Trainer, Preston Love, and Royce Miears. Congratulations to each of you!!

A special note to my directors going off the Board: "Thank you for a good and productive year. I have enjoyed working with each of you." Directors going off the Board are Mike Smith, Virginia Jones, Alvis Johnson, Jr., Jeanne Jackson and Diana Trainer.

Diana Trainer and I have been working hard on the decorations for our banquet. They are going to be great!! Please come and join us for a fun evening on March 31. There will be palm trees and Hawaiian decor of every kind and lots and lots of fun!! Be sure to get your tickets in advance! The whole evening promises to be fun and the food will be wonderful! See you there.....

Be sure to fill out those Awards Ballots found in this week's paper. Deadline is March 13 and I have only gotten a few in. We NEED your help! Please run them by my office or put one in the mail.

I guess Winter plans to return to us for a few days. Maybe this cold spell will be short-lived. I hope it is gone before you read this column! I have gotten spoiled to the good weather and the feeling that Spring is here.

Remember, it is time to clean up and spruce up for Spring. Let's show those tourists that we really care about the appearance of our town. We also have some newcomers in town that need to know just how we feel about Sonora!! This is a good way to welcome them. Even though we cannot do a lot of planting yet, we can trim those trees and pull those weeds. That way we will have less to do when warm weather is here to stay.

We want to salute these individual members of the Chamber: Marie Aldwell, Lea Allison, Mr. and Mrs. Vestal Askew, Ann Cates, and Mr. and Mrs. Jim Cusenbary. We do appreciate your investment in the future of Sonora!!

See you next week!

HEALTH CARE

by M. Scott Gilmore
Hospital Administrator

KIDNEY DISEASE

There are many diseases that affect the kidneys and interfere with their filtering, purifying and regulating functions. Since kidneys have a large reserve capacity, the symptoms may be mild until large areas of both kidneys are involved. At this point, waste accumulates in the blood causing severe illness with nausea, vomiting, headaches, and anemia. If infection is present, there may be painful, burning urination with bloody, brown or cloudy urine. Kidney infection must be treated to prevent permanent damage. Chronic infection can end in destruction of the kidneys. Therefore, it is very important to determine the bacteria involved and clear the infection completely. A patient should not neglect prescribed antibiotics or follow-up examination merely because the infection seems to be gone.

As one ages, the kidney is less able to handle large amounts of toxic substances or an extreme acid or base imbalance. Since infections increase the demands on the kidneys, the aging kidney may not be able to keep up its blood-filtering ability. The Lillian M. Hudspeth Memorial Hospital is located at 308 Hudspeth, offering a variety of professional services, including laboratory, x-ray, geriatric care, and emergency care. We are close to home for prompt diagnosis and treatment. Open 24 hours a day. Tel. 387-2521.

Urinary tract infections can spread to the kidneys if left untreated.

ACS prepares for Crusade

"The breakdown of how American Cancer Society funds are spent in Texas represents one of the best returns on the dollar that I know of," said Dorothy Baker, Chairman of the 1987 educational and fund raising Crusade in Sutton County.

In preparing for the April Crusade, Baker feels it is important for the community to realize ACS expenditures. "It is one part of the ACS we're most proud of and I think our friends and neighbors will be more willing to give to cancer control if they know how well their money is being spent," she said.

The following represents the breakdown of how each dollar raised in 1985-86 by the ACS will be invested during this fiscal year (September 1, 1986-August 31, 1987 in Texas: Cancer Research-$.29, Professional Education-.10, Public Education-.31, Service/Rehabilitation-.25, Program Development Administrative-.05, Crusade-.13=$1.13.

This 113 percent expenditure reflects increased research allocations to Texas by our National Society.

"The ACS is currently sponsoring research investigations in 11 major Texas hospitals, medical schools and universities totaling more than $6.9 million," said Baker. "Because Texas has so many research institutions, the National Society allocates additional funds here."

"Programs that help people are our priority. We keep a tight control over our administrative costs and keep them within acceptable limits as this breakdown indicates," Baker commented.

ACS programs such as patients service and rehabilitation (Reach to Recovery, volunteer transportation, etc.), public education (films, pamphlets, exhibits, the Great American Smokeout) and professional education for the medical community are mainly administered through the Society's volunteer system. "Volunteers help maintain these impressive figures," said Baker.

Concert successful

The Dallas Brass presented a community concert in Ozona last Sunday. The Ozona Womans Club Forum sponsored the concert.

A spokesperson for the Womans Club says "The Concert gets excellent marks. The unique group with their different instrumentation and original arrangements, pleased all ages of the audience."

The two hour program was presented by the six Dallas musicians to a large group.

The first half of the concert was devoted to classical including selections from Bach, Brahms, Mozart and Schumann, followed by blues, jazz and ragtime.

The second half appealed to the American music lover with selections from Gershwin and Benny Goodman as well as other showtunes and several spirituals.

The ensemble includes Wiff Rudd, trumpet, who holds degrees from Baylor and Northern Colorado University.

Michael Levin, trombone, is the founder and inspiration for the group. He is a graduate of Juilliard and a native of Minneapolis.

Tim Anderson, trumpet, is a graduate of Nebraska and Indiana where he was sololist with the Lincoln and Omaha symphonies.

Alex Shunan, on the horn, is an Eastman graduate. He has played with the Dallas Ballet and the Dallas Symphony.

Gary Carper, tuba, has been with Guy Lombardo's Royal Canadians, Alexander's Ragtime Band and the Dallas Cowboys Band.

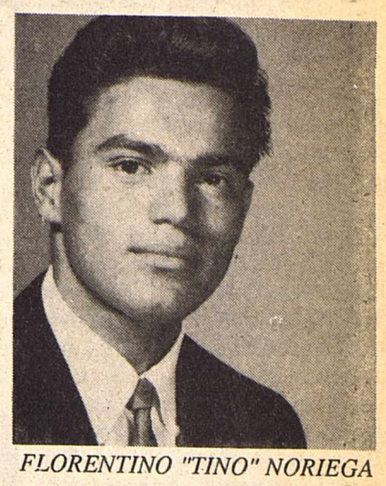

Rob Ward of Oklahoma City is the youngest member of the group and a fine drummer.

Couple honored

Louise Morriss honored her parents, Mr. and Mrs. Lowell F. Hankins of Rocksprings, on the occassion of their fifty-seventh wedding anniversary last Sunday.

Those present at a dinner in her home included their children, grandchildren and great grandchildren, Mr. and Mrs. Frank McMullan (Lorelei); Mr. and Mrs. Cliff McMullan, Jess and Luke; Mr. and Mrs. Eddie Stewart, Lana Kay and Jake of Ozona were there. Also Mr. and Mrs. Jesso Cook, Sarah and David of Sonora, and Lucy Morriss of San Antonio. The couple was married March 11, 1930 and have ranched in Edwards County since that time, specializing in raising quarter horses.

Noriega receives PhD

FLORENTINO "TINO" NORIEGA

'Tino' Noriega, Director of Human Relations, received his doctorate degree from Iowa State University in December. His doctoral thesis was based on a study of high-gain teachers.

In the introduction to his study, Dr. Noriega states, ". . .leading researchers claim that of all factors that constitute a school, the single most influential factor in terms of pupil performance is the impact of the teacher.

". . .effective teachers, in addition to utilizing certain effective teaching skills, are strengthened by certain effective skills. . . The research had identified a host of teacher behaviors that are clearly related to student achievement.

"This study, in addition to assessing those observable teacher behaviors, sought to practicularize their personality characteristics and measure their feelings of self-efficacy. Sense of self-efficacy refers to the extent which teachers believe that they have the capacity to affect student performance."

Florentino 'Tino' Noriega is a 1964 graduate of Sonora High School. He is the son of Victor and Ramona Noriega of Sonora.

Baseball season around the corner

The Sonora Colt 45's have scheduled their first season game for April 5. The Colt 45's are members of the Central Texas League South Zone Division Semi-Pro Baseball. Other teams in that division are Ozona, Eldorado, Abilene, Junction, McCamey, San Angelo Astros, and San Angelo Brewers.

The Central Texas League North Zone, Division Semi-Pro Baseball is made up of San Angelo Angels, San Angelo Rangers, Big Spring, Abilene, Sweetwater, Winters and Midland.

The Colt 45's placed third last year. On June 13 and 14 they will be hosting a tournament. In order to raise money, the Colt 45's (a non-profit organization) will be holding a drawing on Mother's Day, May 10, 1987. First prize will be a 19" Color TV and Second Prize will be a VCR, both are displayed at Sears.

Tickets can be purchased from any of the committee members or players at $2.50 each. Help support the Colt 45's as this fundraiser will be going towards the purchase of baseball equipment, umpire fees and expenses for out-of-town games.

Kid's food choices influenced by others

For school-age children and teenagers in particular, the influence of people outside the family plays an important role in what foods the kids eat.

Those were among the conclusions of a U.S. Department of Agriculture survey of 9000 children and teenagers between the ages of 6 and 18.

"Parents often control the food choices of children, and to a lesser extent, those of younger teenagers," says Dr. Dymple Cooksey, a nutritionist with the Texas A&M University Agriculture Extension Service.

"Food choices of older teenagers, however, probably are more influenced by people outside the home," she says. "The USDA study shows that the percentage of eating occasions shared with other household members declines with increasing age through the teen years, and the percentage eaten alone increases."

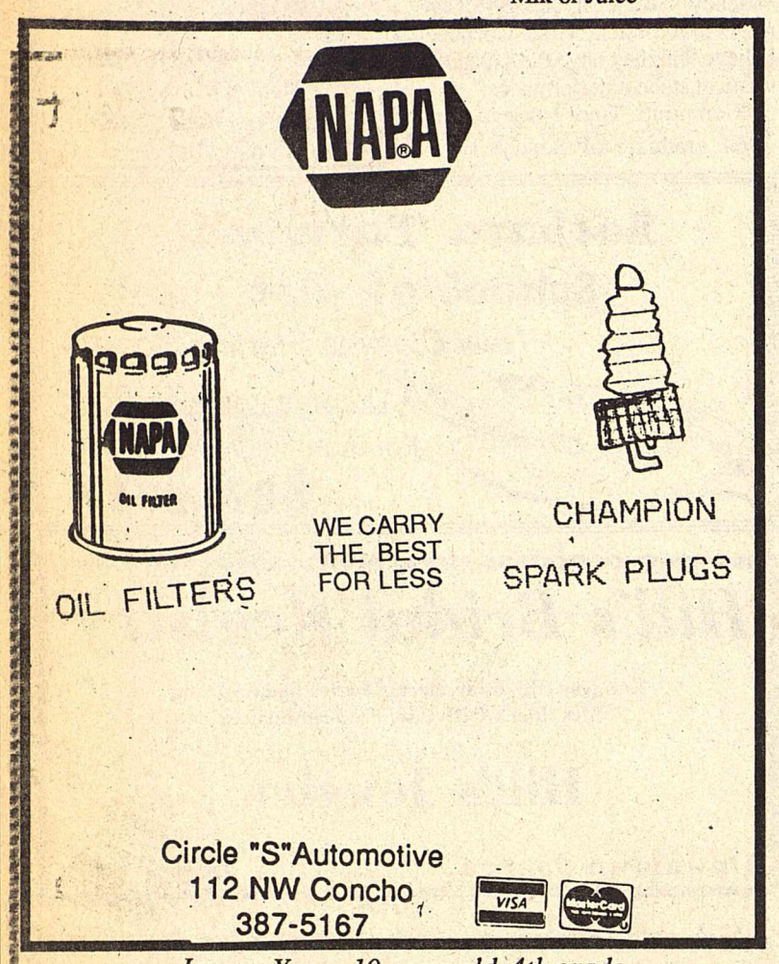

"The survey also indicates that youngsters are getting more and more of their nutrients from snacks rather than meals," Cooksey remarks. "On the average, children aged 6 to 11 get about 18 percent of their calories from snacks, for teenagers this figure rises to 21 percent."

According to the nutritionist, the snacks preferred by 6 to 11 years olds in the study were bakery products, including cookies, cakes and pies, soft drinks, milk, ice cream, puddings, candy, fruit and salty snacks.

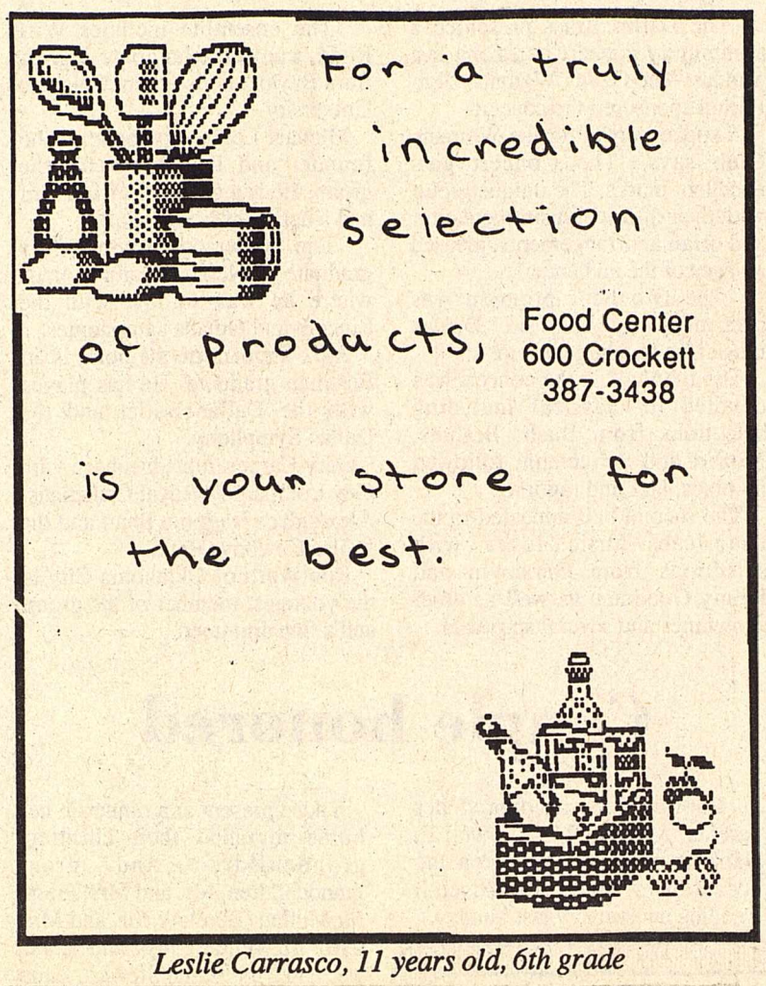

The most popular snacks among teenage boys were soft drinks, milk, bakery products, bread, milk, desserts, salty snacks, meats and fruits. Teenage girls preferred soft drinks, bakery products, milk desserts, salty snacks, fruit, milk, candy and bread.

"Several of these snacks, such as milk, bread and fruit are good sources of one or more essential nutrients," the nutritionist says. "But snacks such as soft drinks and candy provide few nutrients in relation to calories."

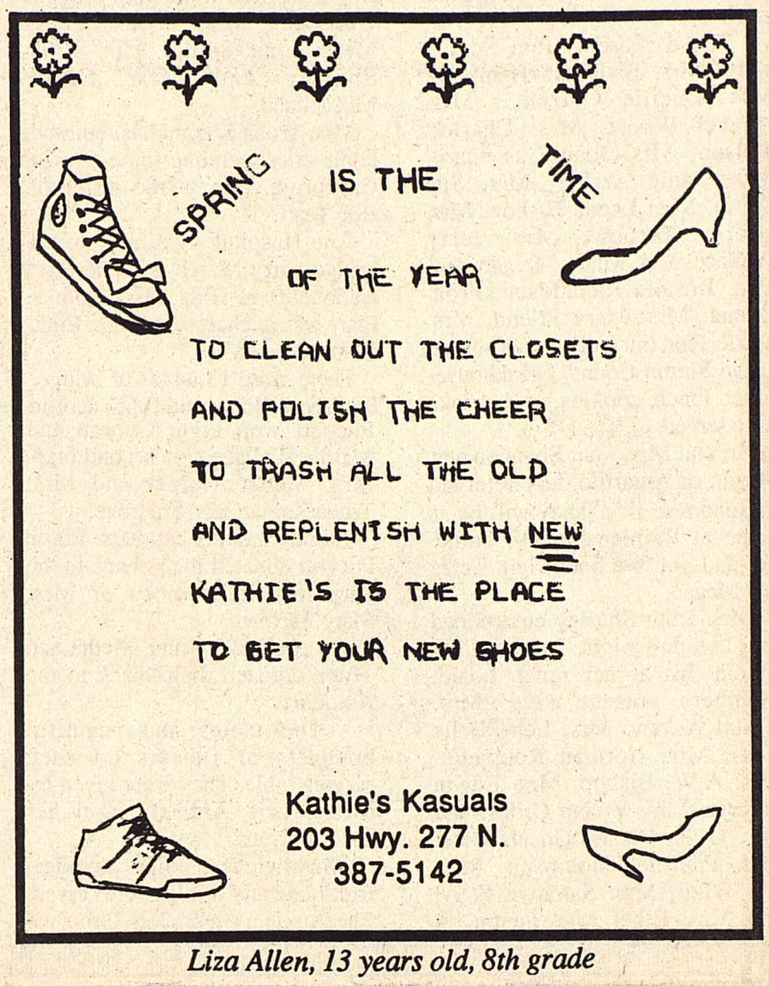

"If adults want their children to improve their diets, they need to set a good example for them and guide their food choices early in life, since they'll have less influence once they're teenagers," Cooksey advises.

Faris wins Grand Championship

Brian Faris, son of Preston and Kay Faris, led his aged ram class winner to the Grand Championship in the Junior Rambouillet Breeding Sheep Show at the Houston Livestock Show and Rodeo held the latter part of February in Houston.

Judge J. Rex Stultz of Paint Rock, said Brian's ram had stout and straight legs, correct structure and a "perfect Rambouillet head."

Of the fourteen classes included in the judging, Brian won first in six of the classes which were: 001 Ram Lamb; 002 Pair of Ram Lambs; 003 Two Tooth Ram; 004 Aged Ram; 005 Champion Ram; 010 Aged Ewe; 013 Best Pair of Sheep; and 014 Junior Exhibitor's Flock.

The Reserve Championship went to Robbie Eckhoff of San Saba and in the female classes, Laura Jane Weed of Uvalde won Grand Champion in the ewe lamb class.

Social Security News

People who delay applying for Social Security retirement or survivor benefits for some time after they become eligible may miss out on some checks, Franklin H. Upp, Social Security manager in San Angelo, said recently.

This is because the number of months for which back payments can be made is limited.

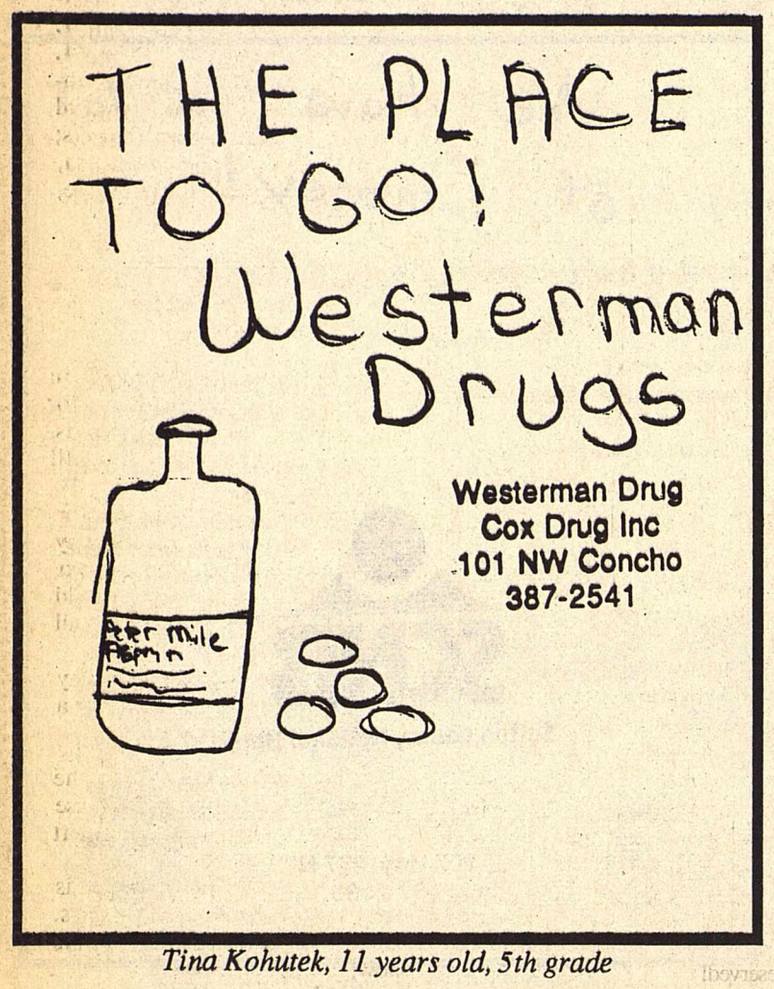

In general, people who apply for retirement or survivor benefits after they reach 65 can get back benefits for up to 6 months before the month they apply, but not before the month of their 65th birthday.

People who apply for reduced benefits before 65 generally cannot get benefits for any month before the month they apply.

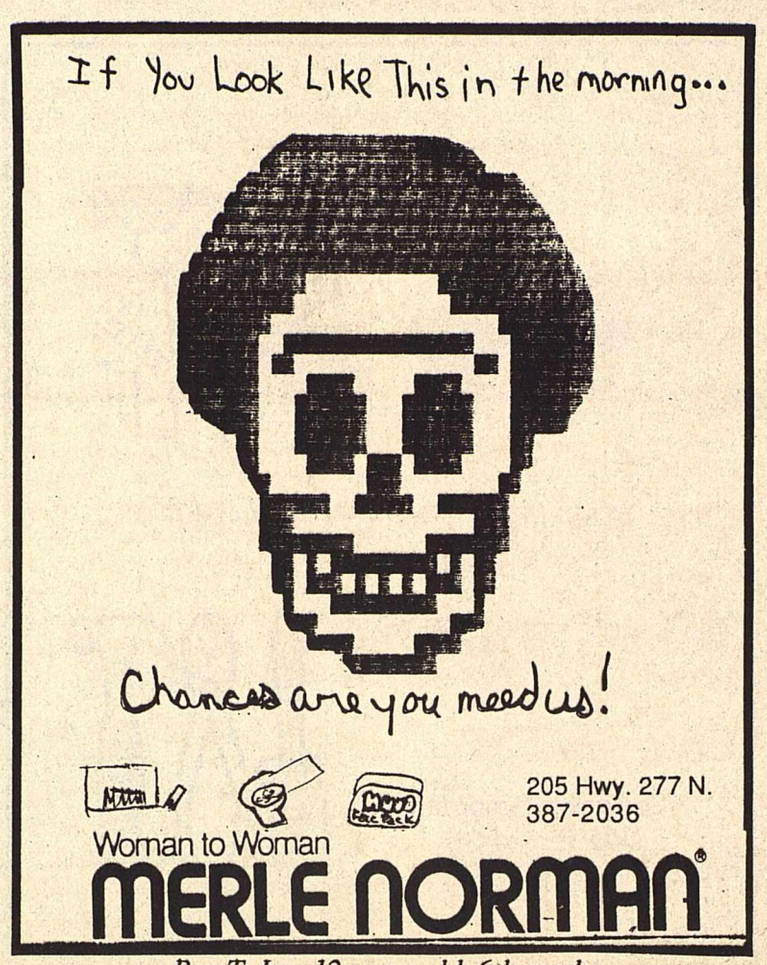

People who apply for benefits because they are disabled--workers, adult children, widows, and widowers--can get benefits for up to 12 months before the month they apply if they are eligible in all other ways.

People can save time when they do apply for benefits if they have the necessary documents ready, Upp said. This includes the person's Social Security card or record of the number, birth or baptismal certificate, W-2 forms or self-employment tax returns for the past 2 years, and marriage and death certificates, if appropriate. Also, if your're not sure of what documents you will need, call the Social Security office and find out what you will need. If you choose, you can file your application for benefits by telephone or you can make an appointment to apply at a later date that is more convenient for you.

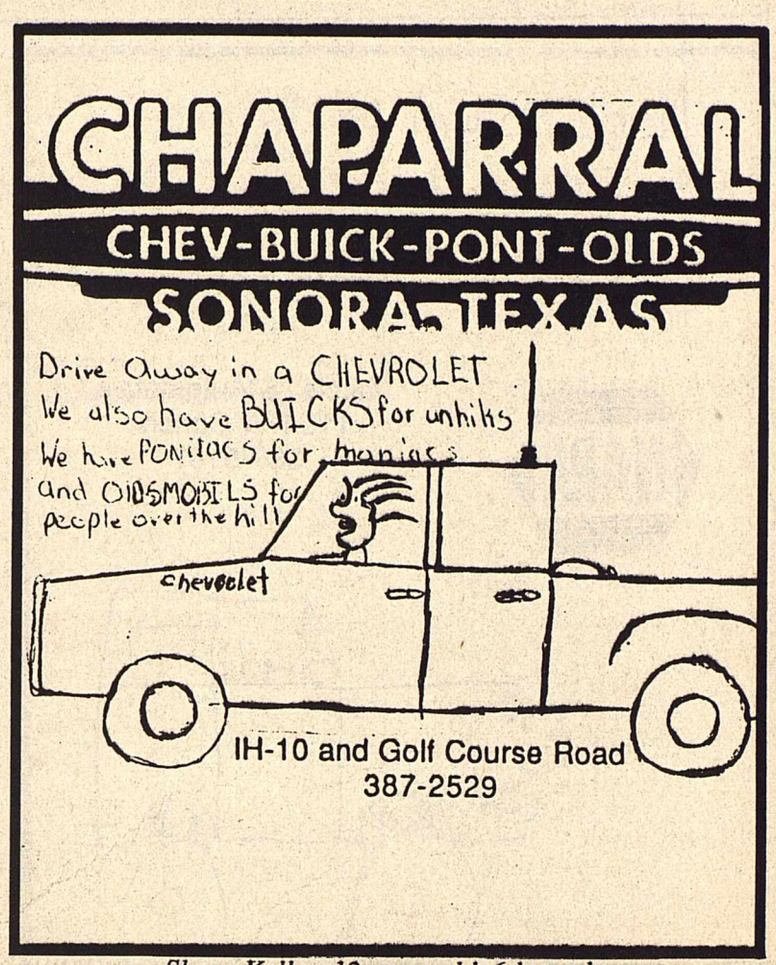

The San Angelo Social Security Office is located at 2214 Sherwood Way, and the telephone number is 949-4608.

Winners of the Anti-Drug Poster Contest, sponsored by Narcotics Consultants, Inc. are Alex Duenes, third place winner and Primo Gonzales, III, first place. Second place winner, Julie Jackson was unavailable for the photo though her winning poster is shown.

Anti-Drug Poster Contest winners receive awards

An Anti-Drug Poster Contest, sponsored by Narcotic Consultants, Inc. was held recently for Art Class students in Sonora's Junior High and High School.

There were 115 entries in the contest with all posters described as above average in content and art work.

Junior High students competed with High School students and four Junior High posters were listed in the honorable mention group.

The posters were judged by Warren Kirkpatrick, High School librarian and Scharlotta Smith, representative of Narcotics Consultants, Inc. for Sonora.

"We hope the contest encouraged these young people to do research and study about drugs" says Scharlotta Smith, "because educating young people about drugs is uppermost in our minds these days."

The first place and winner of a $50 Savings Bond was Primo Gonzales,III, a Senior at SHS.

Julie Jackson, a junior, won second place and a trophy with third place and a trophy going to Alex Duenes also a junior.

Honorable mention Junior High students are Brian DeWitt, 7th grade; Christie Ramirez, 6th grade; Edward San Miguel, 8th grade; and Kamil Hall, 8th grade.

Honorable mention for High School students went to Coronado, 10th grade; Carl Vargas, 9th grade; Hugo Moreno, 10th grade; Chris Jones, 10th grade; Palmira Chavez, 10th grade; and Mike Fullen, 11th grade.

Bronco Tails
News from SHS

by Cindy Doran

Well, it is finally spring and with spring, as always comes spring and Senior fever. Thank goodness Spring Break is here to relieve some of the tension. The schools, are out from Thursday thru Monday.

Tuesday night at 7:30 SHS girls that are going to try out for cheerleader met in the gym to begin practice.

The NHS is still selling plastic Bronco visors. They are only two dollars and everyone always needs visors especially during Tennis and Track Meets. All NHS members are selling them.

Congratulations to the Tennis Team again. They dominated the Iraan tournament with 3 first places and one second. They had a dual meet with Eldorado Tuesday and this weekend they travel to Big Lake in hopes of dominating that tournament as well.

The Golf team got off to a good start too, with a third placed at the Big Lake meet.

Congratulations to Kate Mathews and Michelle McCleery on all District Basketball and also to Gay Ann Dobbs and Kathy Richter on All District Honorable Mention. Way to go! It was well deserved!

by Alex Duenes

Well the Track Meet in Junction was a successful one for the Bronco Boys' track teams. They took 2nd place overall! Congratulations!

The girls that are trying out for Bronco Cheerleaders met Monday and will be practicing for the next two weeks. Tryouts will be held March 26, 1987. Good Luck to all the young ladies.

Spring Break started Wednesday and continues till Monday. It is a break everyone is glad to have.

The track teams go to the Eldorado Meet Saturday. It's close to home so everyone go support the tracksters!

The National Honor Society is still selling Bronco sun visors. Contact a member and get yours now!

"Over the Hill Gang"
News from the Nursing Home

by Doris Cahill

"Erin Go Bragh," "Begorra," "The Top O the Morn to You" and the rest of the day, among other lilting Irish greetings! This month we are observing St. Patrick's Day, and the Nursing Home is decorated with traditional green Shamrocks, national flower of Ireland.

Monday, March 2 residents shopped the "Country Store." Merchandise added since last month included men's cologne, socks, hair styling "Dep", stationery, notes, lipstick, bath sponges, letter holders, and hand mirrors.

"Bible Study" Tuesday morning was different and touching. Mary Hoffman read from the book of Matthew about Jesus calling disciples to minister to all nations. Mary, and one of her daughters, have been missionaries in Africa.

Wednesday morning Bingo winners were Hardy 3, Cahill 3, Hamilton 2, Cox 2, Bruton 1, Reiley 1, Drennan 1, Cusenbary 1, and Hinojosa 1, Lilia was caller, and Marilee was there for those who needed help.

It is a pleasure to welcome my 91 year old mother, Ellen Ray as a new member of the nursing home.

Florence Knight, Betty Lane, Mary Barber, and Nannie Wilson were honored with a March birthday party Wednesday afternoon by the Hospital Auxiliary. Charlotte Wilson played the piano and we sang Happy Birthday, corsages were presented to the ladies, and a special prayer was read for them. Green and white cake, ice cream, and coffee was served by hostesses Maggie Glasscock, Gretta Smith, Hazel McClelland, and Vivian Crites. Auxiliary president Ruth Shurley, Marie Aldwell, Audrey and Bonnie Neal, Becca Chalk, Louise Hearn, Mary Earwood, and Barbara Snodgrass were guests.

It was so very kind of Mary Hoffman, Gertrude Webb and Ethelda Holland to spend overtime in the beauty shop Friday so that everyone would receive needed attention.

Residents are getting acquainted with "Angel," a white Parakeet, given to the Nursing home by Ruth Ann Dickenson, and family several days ago.

Marie Aldwell brought a beautiful birthday cake to her mother, Florenece Knight, Saturday afternoon March 7th which she served with coffee, fresh white grapes, and strawberries. Lura Sawyer, Hazel and Faye McClelland, Wilna Jones, and Vivian Crites came to help celebrate. Later that afternoon Pam Bolt, and Illene Stewart. representing a women's group for the First Baptist Church, brought a "Golden Rule" birthday cake, candle, card, and flowers to Florence. Alice Hardy played the piano and everyone sang "Happy Birthday."

Sunday morning Marie brought a huge basket filled with branches of flourishing pink, sweetly scented, almond blooms to the Nursing Home. At eleven o'clock, worship services from the First United Methodist Church, with Rev. Kent Kepler delivering the sermon, were heard over the radio. At four o'clock Robert Hocutt, of the non-denominational "Somebody Cares Ministry," cautioned us to harken to the word of God, pray, read the Bible, serve as God's witnesses, and keep in mind the "Law of Moses" will stand.

Out of town guests were: Arturo M. Gandar, Jr.-San Angelo, Ariel Maldonado, Kim Ray, Hether, Hans, and Austin Nixon-Jemez Springs, New Mexico, Jim and Ruth Cherry-El Paso, Audrey and Bonnie Neel-Menard, Trini Noriega-San Angelo, and Dick and Linda Hearn-Del Rio.

Local guests were: Guila Vicars, Foster Hearn, Jannette, Little Albert, and C.G. Borrego, Ricky Hearn, Harva Cooper, Ruth Shurley, Monica DuRussell, Hazel McClelland, Faye McClelland, Irma, Sam, and Adrian Mata, Ruth Lee Eaton, Jack and Bernice Hearn, Gretta Smith, Marie Aldwell, Charlotte Wilson, Maggie Glasscock, Vivian Crites, Ruth Luckett, Camille Green, Angela Crittendon, Theresa Munoz, Sandra Martinez, Guggle Thorp, Martha Wallace, Lori Ann Galindo, Amalia Galindo, Rev. Louis Halford, Buster and Jewel Jennings, Petra Gonzalez, Carmen Ramirez, Wilma Jones, Lura Sawyer, Mrs. Alice Session, Mr. and Mrs. Robert Hocutt and Sherry.

Bueno Bye-until next week!

Jones named to NMS

John R. Jones, son of the Reverend and Mrs. Monte Jones, has been named a National Merit Scholar for 1987. John is a senior at Sonora High School, having attended St. Stephen's Episcopal School for most of his high school years.

John, who has a gift for writing, especially poetry, plans to attend the University of Texas this fall. He is undecided about his major but is interested in communications, creative writing and drama.

There were some 13,000 National Merit Scholars selected from all of the seniors in the U.S. About half of these will receive scholarships which will be announced at the end of March.

You are as you Drive!

Rev. Monte Jones,
St. John's Episcopal Church

A few Sundays ago, I asked the following question during a sermon, "If you were brought to trial accused of being a Christian, would there be sufficient evidence to convict you?" Now I would like to ask you, "If your driving record and style were held up to scrutiny, could people tell that you are a Christian?"

That might sound a bit silly and superficial at first, but think about it as it relates to loving one's neighbor as oneself. How we drive our cars often reflects how we really feel about other people. Are you impatient when you get behind someone who is driving slower than you would normally drive? Are you quick to show your displeasure by using your horn? Do you gladly yield the right of way, even when it might legally be yours rather than the other person's? Do you sometimes wish you had a loud public-address system so you could shout your displeasure at someone else's stupidity?

There are positive things we, as Christians, can do to make our own driving more loving and caring. We can be careful and considerate of other drivers, which sometimes involve turning the other cheek. We can use our turn signals, letting others know our intentions. We can refrain from parking in places reserved for people with handicaps. There are many ways to let others see in our driving that we care. Perhaps we should add another stanza to the old song and sing, "They will know we are Christians as we drive!"

Don't just drive friendly, as our state government requests, drive lovingly, as our Lord Jesus Christ would have us do. A little thing? Perhaps but sometimes the little things we do as Christians, when they are all added together, really can make a big difference.

May God bless and keep you and those you love during this holy season of Lent, as we prepare ourselves once again to rejoice with the risen Lord.

NOTICE OF EXPLANATION

The City of Sonora, Texas, intends to undertake a water system improvements program for residences on Del Rio Street from Savell to Glasscock; Wardlaw Street from 1/2 block SW Glasscock to Glasscock; Wardlaw Street from Savell to Orient; Martin Street from Glasscock to Tayloe; Cornell Street from Savell to Mesquite; Glasscock Street from Martin to Cornell; Orient Street from Del Rio to Cornell; and Savell from Del Rio to Cornell. This program will provide improved water system distribution for 51 low and moderate income families. This project is located in the 100 year flood plain. Proposed water improvements cannot be undertaken in any other location as cost would exceed available program resources. Failure to provide these improvements would result in the continued unsafe and unhealthy living conditions for the 59 families. It is the City's judgement that the improvements to the existing water facilities outweigh consideration of Executive Order 11988 and 11990.

A more detailed description of the project and the FEMA flood maps are available for citizens review at the City Hall, Sonora, Texas.
