Dist.-County Clerk Split Discussed

National Library Week Apr. 18-24

"You've Got a Right to Read—Don't Blow It."

With this as the 1971 theme, Governor Preston Smith has proclaimed April 18 through 24 National Library Week in Texas. The Right to Read encompasses both free access to materials and educational programs that give every child the skills he needs to read effectively. Good library service can make developing and using these reading skills a life-long pleasure for all Texans.

Serving as Texas' honorary chairman for National Library Week is Houston Mayor Louis Welch. Executive director is Ruby Weaver of Houston Public Library.

Throughout the state, librarians, concerned citizens, and educators will be planning special programs to emphasize the role of libraries in achieving the Right to Read for all.

Cadet Troop 361 has made colorful posters for National Library Week which will be displayed in local store windows.

February Shrimp Landings Higher

Landings of headless shrimp amounted to 2.0 million pounds valued at \$2.1 million to fishermen and vessel owners at Texas ports during February. This was slightly above the volume and value of landings in February 1970. Brown shrimp accounted for 71 per cent of the current total; white shrimp, 18 per cent; and pink shrimp from Campeche, 11 per cent.

The Brownsville-Port Isabel area landed 51 per cent of the state's total; Aransas Pass-Rockport, 18 per cent; Freeport, 12 per cent; and Galveston, 10 per cent. The following represents landings of headless shrimp for specified areas and periods:

Port Arthur-Sabine area: Feb. 1971, 101,200 pounds; Jan.-Feb. 1971, 330,900; Jan.-Feb. 1970, 164,400.

Galveston - Seabrook area: 1971, 205,300 pounds; Jan.-Feb. 1971, 330,900; Jan.-Feb. 1970, 179,300.

Freeport area: Feb. 1971, 240,600; Jan.-Feb. 1971, 534,499; Jan.-Feb. 1970, 467,200.

Matagorda - Palacios area: Feb. 1971, 30,300 pounds; Jan.-Feb. 1971, 64,500; Jan.-Feb. 1970, 29,800.

Port Lavaca-Port O'Connor-Seadrift area: Feb. 1971, 40,300 pounds; Jan.-Feb. 1971, 79,300; Jan.-Feb. 1970, 91,300.

Aransas Pass - Rockport area: Feb. 1971, 350,600 pounds; Jan.-Feb. 1971, 711,900; Jan.-Feb. 1970, 740,600.

Brownsville - Port Isabel area: Feb. 1971, 1,008,900 pounds; Jan.-Feb. 1971, 1,848,400; Jan.-Feb. 1970, 1,576,900.

Totals: Feb. 1971, 1,977,200 pounds; Jan.-Feb. 1971, 3,724,400; Jan.-Feb. 1970, 3,249,500.

Trawlers from Texas ports made broken trips throughout February as weather conditions were highly unsettled and cold. Catches ranged from 100-300 pounds of brown shrimp per night in all areas worked from south of Morgan City, La., to the Gulf of Campeche. The catch rates of pink shrimp from Campeche remained at the marginal 200-300 pounds per night. White shrimp catches were restricted to immediate pass areas and ranged from 100-600 pounds per day, however, schools were small and scattered.

Oyster fishermen harvested about 37,000 barrels of oysters in February. This was 10 per cent below the harvest in February 1970, but followed a record December 1970, and high January 1971 harvest. (Continued on Page 8)

C of C Honors Ministers Ass'n

Mark up another success for the annual Chamber of Commerce banquet. Almost 200 persons attended the event last Saturday night in the beautifully decorated Colony room at the Sandollar Motor Hotel, enjoyed a good steak dinner and heard a humorist who kept the audience laughing during his entire talk.

One of the highlights of the program was the presentation of a special gavel award to the Aransas County Ministers Association for outstanding service to the community.

The Rev. Lester G. Hill, president of the association, accepted the award from John P. Mitchell, Jr., second vice president of the Chamber of Commerce. The award was a highly polished gavel, hand made by Philip D. Baldwin, head of the industrial arts department at Rockport-Fulton High School.

The purpose of the Aransas County Ministers Association is to further the influence of Jesus Christ through the Christian churches in this county.

During the past two years, four major thrusts have been made to achieve this goal:

1) Interdenominational worship—the Association has provided an ecumenical worship service on Thanksgiving which rotates among the church buildings large enough to accommodate the combined congregations. Also there is rotating leadership in the area of preaching during Holy Week and on Easter Sunday with a sunrise service on the beach. Last year the Association sponsored a service preceding the Centennial pageant.

2) Interrelationship between churches and other institutions. The Association has met with representatives of the school system, governmental agencies and law enforcement agencies to increase understanding and cooperation. The Youth Center, which operated in downtown Rockport for one year, was the outgrowth of this thrust.

3) Christian Education—A year ago several members of the Association engaged in a Continuing Education Program created by the Perkins School of Theology at Southern Methodist University. This study focused on the mission of the church in our modern world. More recently a group was established by four denominations to provide a Christian education experience for high school age youths.

4) Fellowship and United Witness—Periodically the Association sponsors picnics and other recreational activities for its members and their families. The fellowship outgrowth of the association benefits not only the ministers but also helps provide a uniting of the various segments of the community.

Participating in the C of C banquet program were the Rev. Cecil H. Lang, Jr., master of ceremonies; Ed Bayreux, organist; Mrs. Juanita Wagley, who presented the report of the immediate past president; R. L. Eckman, (Continued on Page 8)

C of C Happenings

The Chamber of Commerce welcomes two more members: Charles DeForest's Charlie's Texaco Service Station and Mickey Casterline's Gulf Coast Miracle Water Company.

Mr. and Mrs. Roy Burke furnished refreshments for the Chamber of Commerce hospitality program for visitors stopping in at the C of C building this week.

CANCER SOCIETY

There will be a meeting at noon Friday of the Aransas County Unit of the American Cancer Society at Corky's Restaurant. Rev. Charles Fike will preside. Mrs. Helen Foster of Corpus Christi, staff member of ACS, will be present to assist the crusade chairman, Bill Janacek, and his campaign group with final plans for the crusade.

HONOR MINISTERS ASSOCIATION—John P. Mitchell, Jr. (left), second vice president of the Rockport Chamber of Commerce, presents a special gavel award to the Rev. Lester G. Hill, president of the Aransas County Ministers Association.

The presentation was made Saturday night at the annual Chamber of Commerce banquet at the Colony Room at the Sandollar Motor Hotel. The Chamber annually presents this award to a local organization for outstanding community service.

Mrs. Glyn Swann had a net 75 to lead the first flight in women's golf action at the Live Oak Country Club Tuesday.

Second low net in first flight was by Mrs. Roy Rogers with 78 and Mrs. Burwell King had low putts with 30.

Low net in the second flight was 75 by Mrs. Bill Barr, followed by Mrs. Neil Kirkham with net 79. Miss Harlan Tuttle led the flight in putting with 34.

There will be a Scotch Four-some tournament Sunday, April 4 with tee-off time at 1 p.m.

HILLER HONORED

Mayor Delmar R. Hiller, who is vice president of United Savings Association and head of the Association's office here, was one of three men recently named to the Board of Directors of the Corpus Christi Area Tourist Bureau.

Regatta Apr. 3-4

The Rockport Sailing Club will hold a junior Sunfish regatta Saturday and Sunday, April 3 and 4. Skippers' meeting will be at 1 p.m. at Tom Rogers' lot. The regatta is open to club members and guests, 14 and under. Races 1, 2 and 3 will be held Saturday, races 4, 5, and 6 will be held Sunday.

Sheriff's News

Dr. Hector Samaniego of San Antonio, who has a home at Key Allegro, reported that his home was burglarized and a TV stolen.

Some boys committed vandalism at the L. G. Brise home, chopping down six oak trees, breaking a window and cutting a screen.

TEST SCHEDULE

The test schedule for the fifth 6-week period at Rockport-Fulton High School will be as follows: 2nd period, April 5; 1st, 3rd and 5th periods, April 6; and 4th and 6th periods, April 7.

Pack 340 Holds Pinewood Derby

RECEIVE CUB SCOUT AWARDS — Among Cub Scouts of Pack 340 who received awards at the Pinewood Derby were (left to right) Mark McGlathery, Brett Sharon, Charles McLead and Philip Colling.

Pack 340 held its annual Pinewood Derby on March 26 at Live Oak School. A fast field of 30 cars were entered, which represented many fun-filled hours of work by fathers and sons in designing and building the cars.

Trophies went to Philip Colling for 1st place in the race, Charles McLead for most original car, and Brett Sharon for most beautiful car.

The other cars finished in the following order: 2nd place, Mark McGlathery; 3rd, Stevie Russ; 4th, Royce Harrell; 5th, Clyde Barre; 6th, Bryan Bryant; 7th, Juan Duke; 8th, Tony Buennano; 9th, Chris Mills; 10th, Raymond Wilcox. The following received honorable mention in the most original judging: Steve Stafford, Victor Joe Montemayor, Philip Colling, Joe Black and Chris Mills.

Commissioners To Rule On Dredging Request

Aransas County Navigation District commissioners will hold a meeting at 7:30 p.m., Thursday, April 1 at which time they are expected to announce a decision on a request by the Canoe Lake Corporation to dredge "within the defined limits of the Connie Hagar Wildlife Sanctuary, a submerged area about 490 feet by 235 feet to a depth not exceeding eight feet."

In the notice for the public hearing on this matter, held March 26, Matt Scott, chairman of the Navigation District commissioners, stated that the purpose of the dredging "will be to construct a boat basin or marina for the purpose of navigation, and for the deepening of approaches to the main channel of the Navigation District."

Approximately 80 persons attended the public hearing, some expressing opposition to the proposal on grounds it will disturb wildlife and the natural environment, while others voiced approval and stated that such a project would further economic development in this area.

After Scott opened the meeting, he called on James McCord of Canoe Lake Corporation, developers of Harbor Oaks Subdivision, to explain plans relating to the proposed dredging.

McCord enumerated six steps with regard to the development of Harbor Oaks, as follows:

1) Canoe Lake Corp. purchased the property in 1967. 2) On Jan. 1, 1969, the corporation entered into a lease contract with the Navigation District covering 4.66 acres and requiring that improvements be commenced within the first five years. 3) On Feb. 28, 1970, the corporation agreed with the Navigation District as to fill requirements on leased acreage.

4) On April 28, 1970, the corporation received dredging permit No. 8312 from the U.S. Corps of Engineers.

5) On June 10, 1970, corporation received notice from the Texas Parks and Wildlife Department that a permit for dredging would not be required from the Department, but that a public hearing would be necessary because the area to be dredged was within the confines of the Connie Hagar Wildlife Sanctuary.

6) On July 23, 1970, the corporation received certification from the Texas Water Quality Board for the Corps of Engineers' permit.

McCord said, "Our position is that the area to be dredged is land owned by the Navigation District by patent from the State of Texas and particularly within their control for navigational purposes. The work proposed is required under terms of a lease with the Navigation District and is for navigational purposes."

"This hearing was to determine the use of land within the Connie Hagar Wildlife Sanctuary which was established to prohibit the hunting, taking or killing of birds in the sanctuary."

"We do not believe our work will kill any birds in this area."

Opposition to the dredging was expressed by M. W. Cochran, who read the following statement in behalf of the Rockport Conservation Association:

"Governmental administrators and public officials at all levels have for years been faced with the problem of what to do about permitting the use of our rapidly diminishing natural resources to private enterprise for profit. We are referring to a Bay set aside by the legislature as a wildlife refuge, namely, Connie Hagar Wildlife Refuge. "There are those here today who can tell you what it means to have thousands of people come here annually to relax in a wholesome environ-

ment. There are many motel owners here who can tell you about their guests who came here for that purpose alone.

"There are 101 locations along the Coastal Bay where a marina can be built—places which do not have the natural resources to bring water fowl to feed and rest, such as Little Bay provides. Little Bay is a rather unique spot—blessed with natural food for the water birds, which can be seen from the county road along the shoreline.

"Why is there such concern about another marina on Little Bay? Is it because the harbor marinas are a profitable operation? Promotion by private interests for profit is not new, nor is there anything wrong with it, but who can say what is enough oil and chemical waste to destroy this food supply? Do we have to go and see it being destroyed, so that we can finally say it is too much—too late?"

"The eco-system of Little Bay appears to be relatively balanced, even with the boat channel and ski basin on the eastern, more heavily populated side of Key Allegro. The shallow waters along the mainland are not disturbed to any great extent by boat traffic, and water fowl have done a great job adjusting to the motor car and motor boat traffic, and I believe that they will continue to feed here, as long as there is food and the nearby noise level of driving and boat activities is restrained."

"What is it that will kill the food supply of Little Bay? It is that seemingly naive practice of man to pollute the waters. As the population increases, so will the pollution, accordingly—unless man himself acts now to limit himself."

"This is what government is all about—setting rules for community living without destroying the rights and privileges of others. It is the duty of government to protect the public from the encroachment of commercial interests. Little Bay is chiefly a public interest—for navigation and recreation. As a recreation center with resources to draw people, can we afford to put navigation ahead of everything else in Little Bay?"

"Regarding pollution and our absolute failure to control it in our present harbors:

"I have lived in Rockport since 1948, and for the first 10 years, the winter fishing in the harbors was a great sport that helped to serve many tables as well. But this whole some sport and source of food has greatly diminished. WHY? The main reason is that bilge, from motor-driven boats have been dumped overboard into the channel and the basins. The Bay and Harbor have been the dump made just for this purpose—for much of the waste thrown overboard has settled—out of sight and out of mind."

"Today we are all paying heavily—for now the dumping grounds provide no food for the fish—only the scavengers can survive. The food supply in Little Bay will continue to dwindle, if we continue to treat the bay and marina waters as a dumping ground."

"Is there any good reason to create another marina on Little Bay to create more pollutants? Why can't we first learn to control the present supply of pollutants before increasing the load? We have a big choice to make—do we want a wildfowl habitat with natural feeding grounds, costing us nothing but yielding rich returns—OR do we want a motor boat basin, with all its inherent problems which we have not yet learned to effectively regulate? It is our moral obligation to assist nature in providing peaceful, wholesome recreation in places where our natural resources (Continued on Page 8)

Mrs. Wagley Gives C of C Report

Mrs. Juanita Wagley, immediate past president of the Chamber of Commerce, spoke at the annual C of C banquet and thanked all the members for helping with the projects carried out in 1970.

Last year's action program produced the following achievements:

Membership drive recruited 54 new members. Sponsored Tourist of the Week Project—January thru March. Sponsored Fishing Contest—December thru February. Sponsored Christmas Decorations Contest. Chamber office remodelled. Promoted enlargement and black topping of parking area between C of C building and Woman's Club.

Supported Centennial Celebration in various ways. Centennial theme used in decorations for 1970 annual dinner. Representatives in pageant. Had two billboard signs painted advertising Centennial. Chamber building used as Hospitality Center during Centennial. C of C float entered in two Centennial parades.

EMAC Campaign provided advertising in several northern newspapers, with good results. Chamber Happenings column published weekly in local newspaper to keep public informed on various activities of Chamber. Nationwide publicity through newspaper and magazine articles promoted. 5,000 new brochures, 2,000 bumper stickers printed.

Hospitality packets containing information on area made up and furnished 3 convention groups during the year. November reception in San Antonio for business and civic leaders attended by 4 C of C representatives to boost this area and distribute literature. 30 pounds of shrimp provided toward refreshments. Hosted luncheon stop for "All-Texas Air Tour" October 9, including 56 planes carrying 119 passengers. Tours of this area by cars provided by several C of C members.

Christmas decorations installed in Rockport, Fulton and tree of lights on the beach. Caravan of cars, with refreshments served to 200 winter tourists at Paws & Taws building in Fulton, at conclusion of tour to view Christmas decorations in the area. Gavel Award made to Woman's Club in recognition of their outstanding community service through weekly entertainment of winter tourists. Resolution passed in support of efforts to secure relief on insurance coverage for this area. Resolution passed in support of Community Center.

REV. HERSCHOKOWITZ DIES

Funeral services were held March 29 at First Baptist Church for the Rev. Joseph I. Herschokowitz, 72, a missionary for the American Board of Missions to the Jews, who died March 25 in Miami after apparently suffer a heart attack. Burial was in Rockport Cemetery under direction of Marshall Funeral Home.

Herschokowitz was born in Vienna. He was imprisoned in 1938 in Dachau concentration camp by the Nazis. Through the efforts of his wife, Hermina, and the Missions to the Jews, he was released and allowed to go to The Netherlands. He came to the United States in 1940.

As an ordained Baptist minister, he joined the Missions to the Jews in 1945 and worked with the group until he retired and moved here four years ago. While here, he came out of retirement and returned to missionary work. His trip to Miami was a part of that work.

In addition to his wife, he is survived by a sister, Mrs. Anna Sprinckles of Hartford, Conn.

CITY ELECTION SET

Five candidates will vie for two positions on the City Council at the city election.

In Ward 2, the first to file was Jim Adams. Also running are the incumbent, V. A. Dullye, Jr., and N. F. Jackson.

In Ward 1, Jack Horton, the incumbent, is running for re-election and is opposed by the former mayor, Hollis Collum.

SERVICE OFFICER ATTENDS CLINIC

ED Barnard, War Veterans Service Officer for Aransas County, attended a regional rehabilitation clinic for veterans service officers at Corpus Christi.

MRS. HAGAR SPOTS UNUSUAL DUCK

Rarely does a year go by without Connie Hagar, nationally known bird expert, making some discovery that adds to ornithologists' knowledge, and now she's done it again.

Newest addition to the list of over 500 kinds of birds she has seen in the Rockport area is a masked duck, so named because the black band across its face looks like the mask used by highwaymen.

The masked duck is rarely seen north of the West Indies, and it makes its home from there south to South America, only occasionally straying north of the Mexican border.

DISPLAYS CIVIL WAR RELICS

Relics from the Civil War were among antiques displayed by Mrs. Naomi Johnson at the annual Gulf Coast Antique Show in Corpus Christi.

Among the items was a shaving stand of pine, trimmed in walnut. It had a marble top and drawer. She also displayed a maple chair and English pitcher and bowl.

EASTER EGG HUNT AT CHURCH

St. Peter's Episcopal Church School will hold its annual Easter egg hunt on the church grounds.

Arrangements for the hunt and subsequent refreshments are being made by Mrs. Noah Taylor, Miss Iris Sorenson, Mrs. Addison McCandless and Mrs. C. V. Shaver. They are being assisted by Mrs. Fred Huffmeyer, Mrs. William R. Wright and Harry Carter.

From The Pilot Files — 20 Years Ago

CITY ELECTION SCHEDULED

The city will hold an election April 4 to elect two aldermen and a city secretary.

J. P. Hanway is the only candidate for alderman from Ward 1.

Two candidates for alderman from Ward 2 are John Ray and Roy V. Rogero, Sr.

Mrs. Bonnie Townsend is the only candidate for city secretary.

CANCER CRUSADE CHAIRMAN NAMED

A. C. Glass has been named Cancer Crusade chairman for Aransas County, it was announced by Mrs. S. F. Jackson, county commander for the American Cancer Society.

SCHOOL ELECTION APRIL 7

Aransas County Independent School District will hold an election April 7 to name three trustees.

Candidates include two from Fulton, Monroe "Gus" DeForest and Matt Scott; and from Rockport, J. B. Jackson, Shelly Roaten, Ted Atwood, Guy Epps and Chester Johnson.

AUTOS REGISTERED AT COURTHOUSE

Records at the courthouse reveal that the following persons purchased autos during the past two weeks:

Wesley Johnson, 1951 Kaiser.
Dan Weir, 1951 Kaiser.
Floyd Rouquette, 1951 Ford.
T. H. Ratliff, 1949 Chevrolet.
Emory M. Spencer, 1951 Lincoln.
W. J. Myers, 1951 Chevrolet.
Aransas County Schools, 1951 GMC bus.
William J. Van Wye, 1950 Plymouth station wagon.
Mrs. Costancio Solis, 1951 Henry J.

EDITOR'S VIEWPOINTS

PUT DOWN FOR A LADY

What the French have done to the Mona Lisa is no way to treat a lady and really not a very nice thing to do to a painting. After all these years of prominence in the Louvre's Grande Galerie, of deserved or undeserved special eminence, now it has been moved back among the general group of Italian Renaissance paintings. Something by Watteau has been set out instead for tourists to goggle at—"the Louvre is a French museum," its director is quoted as intoning; "we should give French paintings the place of honor."

Chauvinism may be a word of French origin, but it wasn't the attitude with which Francis I approached art. Four and a half centuries ago, when he began in its present form the ornate palace which is now a world-renowned museum, when he then prevailed upon Leonardo de Vinci to move to Paris and spend his final years there, the monarch thought of art, not as one more stock in a nationalist's trade. The Mona Lisa portrays an Italian and was painted in Italy, to be sure; what, however, will be the logical classification for painters from the Netherlands whose greatest work shows landscapes in southern France, or for painters born in France whose speciality in South Sea scenes?—Baltimore Sun.

COLLEGE COSTS MUCH LESS

What does it cost to put one person through a year of the Job Corps? The national average is about \$7,500. The highest cost Job Corps center is at Tongue Point, Ore., where for some reason the per person cost is \$9,684.

There are many people who will go through four years of college at a top university for less than that. And the cost of two years at the Tongue Point Job Corps center would put a student through four years of the most expensive schools.

Would you suspect that something is out of balance besides the budget? — Chattanooga News-Free Press.

CPL Power Supply To Be Uped 50%

Central Power and Light Company spent a record \$52 million for new service facilities in South Texas during 1970, and has projects under way that will increase the area's power supply by more than 50 percent in the next three years.

These facts are revealed in the power company's 1970 Annual Report, which has just been mailed to stockholders and employees.

In addition, the report states, a record expansion expected to exceed \$700 million in the next 10 years will be needed to meet South Texas' needs in the future.

President Barney M. Davis in his annual letter to stockholders, described 1970 as a successful year for the company despite the effects of Hurricane Celia, which struck the most populous part of the CPL service territory. The firm supplies electricity to more than a million people in 44 counties of South Texas.

Davis said that the storm cost the company more than \$7 million in loss of revenue and the cost of repairs.

A young father reached the ultimate when he heard himself yelling up the stairs: "O.K. This is the last time I am going to tell you kids for the last time." — Brooks (Alta.) Bulletin.

Mobile Inn News

The last dance of the winter season, Mar. 27 was called off due to so many guests being confined to their trailers with flu. Those able to attend played cards during the evening.

Roy Osborn is recovering from a heart attack at the Taft Hospital.

Mrs. Helen Webster is recovering from pneumonia at Lyman - Roberts Hospital,

Aransas Pass.

This week will see most of the winter guests on their way home.

Mr. and Mrs. Roy Kuykendall returned last week from a trip to Terre Haute, Indiana, where they attended the wedding of their grand daughter.

Many are too young to remember that blotters and buttonhooks used to be considered necessities of life. — Boston Globe.

Pirates Beat Aransas Pass 6-5

The Pirates rebounded from their loss to Flour Bluff to put the big bats into action as they beat the Aransas Pass Panthers on their home field by a 6-5 score.

Trailing by a 2-0 score, the Pirates scored their first five batters in the top of the fourth inning. Catcher Manuel Flores led off the inning with a long drive over the right field fence for his first homer of the year. Willie Rinche, Charlie Nava, and Glyn Landrum worked their way on base to load the bases. Mark Wright proceeded to send the ball over the right field fence to tally a grand slam homer, and put the Pirates up 5-2.

The Panthers came back on a homer by Danny Harris and some shaky Pirate fielding to tie the score.

In the top half of the sixth inning Eddie Setterbo reached base on a misplayed ball. Al Chernosky went in to run for Setterbo and moved up to second on a passed ball. At that point John Garcia delivered with a single to right and scored Chernosky with the go-ahead run that proved to be the winning margin.

Steve Arispe went the distance and took his third win against one loss. The Pirates now stand at 6-5 for the season with a big home game with Flour Bluff at Pirate Field this Thursday evening at 7:30 p.m.

KIDNEY DANGER SIGNALS Getting up nights, burning, frequent or scanty flow, leg or back pains may warn of functional kidney disorders—"Danger Ahead." Give a gentle lift with BUKETS (take only 3 tabs a day for 4 days). Regulate passage, ease aches and pains or your 48c back. NOW at Roatan Drug Store. c4

CPL TOURIST BROCHURE — Central Power and Light Company President Barney Davis recently presented Governor Preston Smith with a new tourist brochure titled "Texas Triangle." The folder will be placed in tourist information centers of the Texas Highway Department and also the Texas Tourist Development Agency for out-of-state promotions. Pictured above at the presentation are (l. to r.) Elmer Whiddon, Jr., Texas Tourist Development Agency; Governor Smith; Davis; and Tom Taylor, Travel and Information Division of the Texas Highway Department.

NOTICE

The City Council proposes to take sealed bids on a 1½ T. 1956 Chevrolet truck which has been declared as surplus property. Truck may be viewed at the City warehouse yard. Bids will be accepted at the City Hall until 7:30 p.m., April 19, 1971, at which time they will be opened.

The City reserves the right to waive formalities and to reject and or all bids.

S/Delmar R. Hiller, Mayor c2

FELIPE MARTINEZ DIES

Felipe Martinez, 51, died Sunday morning in a Kerrville hospital after a long illness.

Martinez had lived in Rockport since 1947 and was a commercial fisherman.

Funeral services were held Tuesday in Sacred Heart Catholic Church. Burial with military honors was in the Rockport Cemetery. Marshall Funeral Home was in charge of arrangements.

Survivors include his wife, Constanza; three stepsons, Joseph M. Garcia, Jr., of Vista Calif., Albino and Mario Garza, both of Rockport; one step-daughter, Mrs. Joaquin Martinez of Rockport; three brothers, Joseph Garza of Houston, Alberto Garza of Boling and Eleuterio Martinez of Bay City; five sisters, Mrs. Cruz Nino of Lubbock, Beatriz Buenaño of Rockport, Mrs. Guadalupe Hernandez of Rosenberg, Mrs. Georgia Garza of Angleton, and Mrs. Jesus Lopez of Newgulf.

The Copanoakers of Holiday Beach met at their usual time with 17 ladies present. Each one under the direction of Mrs. Ed Moore, learned how to make cathedral window bedspreads. The next meeting will be April 7 at the recreation hall. Mrs. E. T. Busch will be the guest speaker.

Pirates Lose

Rockport-Fulton's Baseball Pirates fell to the big bats of Flour Bluff by a score of 11-1 last Thursday in Flour Bluff. The Pirates managed only two hits off of Hornet pitcher Mark Visosky.

John Garcia picked up the first Pirate hit in the second inning and Manuel Flores got the other hit in the third.

The game placed the Pirates' record at 5-5. Charlie Nava took the loss, and had to have help in relief from Tommy Garcia.

Mrs. Rudy Nava is spending three weeks in Brooklyn, N. Y. with her daughter and son-in-law, Mr. and Mrs. Charles Krinsky and new grandson, Randolph.

Mr. and Mrs. Charles Krinsky of Brooklyn, N. Y., are the parents of a son, Randolph, born March 28, weighing 8½ pounds. Grandparents are Mr. and Mrs. Rudy Nava of this city and Mr. and Mrs. I. Krinsky of Brooklyn, N. Y.

WHAT YOU WANT TO KNOW ABOUT SOCIAL SECURITY CHECKS

Beneficiaries of social security checks will not receive the 10 per cent increase in their payments on April 3. H. M. Cleveland, Corpus Christi Social Security manager, explains that it will be June 3 this year before monthly checks will have the higher amount.

The benefit increase will be retroactive to January 1, 1971. Therefore, in June, all beneficiaries can expect two social security checks. The regular check on June 3 will have the 10 per cent raise in it. Later in June a separate check will cover the retroactive increase

for January through April. Those people who receive special age 72 benefits will receive their 5 per cent in the same way.

Cleveland says that the increase in benefits is automatic. No one needs to call or apply for the increases at the social security office.

CARD OF THANKS

It is with grateful appreciation to the VFW and the many volunteer workers in our recent immunization program, the Aransas County Health Department wishes to say 'thank you' for your time and effort in making the program a success.

Letters to the Editor

March 28, 1971
The Rockport Pilot,
Letter to the Editor,
Rockport, Texas 78382

Dear Sir:

I have just sent the following letter to the Aransas County Navigation District: "Re: Despoilation of Connie Hagar Wildlife Sanctuary. Dear Folks: I have just read the items in The Rockport Pilot concerning the dredging and marina project of Canoe Lake Corp. This is just another project to downgrade the internationally famed bird and wildlife mecca. It was sad when Frandolig Island was destroyed. Did you know,

or do you care, that the values that attract so many of the finest people from worldwide are rapidly being "developed" out of Rockport?

This is a vigorous protest against the permitting of this dredging that will finish despoiling an area that has contributed to making Rockport the unique place that it is. Besides that, I don't believe you have the legal right to permit this dredging and construction.

Yours for conservation,
Hazel C. Green
Wimberley, Texas 78676

The female sapsucker bird has a scarlet crown and white throat.

Taxpayers Ask IRS

This column of questions and answers on Federal tax matters is provided by the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q—This year I will be itemizing my deductions for the first time. What are some of the taxes that I may deduct?

A—Generally, you may deduct real estate taxes, State gasoline taxes, general sales taxes, State income taxes, and personal property taxes.

There are a number of taxes not deductible. Among these are Federal income, estate and gift taxes, as well as alcohol, tobacco and other excise taxes. You should check the instructions that came with your Form 1040 to make sure you deduct the proper taxes.

Q—I understand the IRS has a booklet that is helpful to the small businessman. Where can I get a copy?

A—A copy of the 1971 Tax Guide for Small Businesses, Publication 334, can be purchased for 75 cents at IRS offices and from the U. S. Government Printing Office, Washington, D.C. 20224.

Q—It is true that there is a penalty for filing your in-

come tax return late?

A—Yes, a penalty of five percent of the taxes due and unpaid on the date the return was required to be filed will be imposed for each month, or part of a month, the return is late. The total delinquent filing penalty is limited to 25 percent.

Under unusual circumstances, a taxpayer may be granted an extension of time to file a return. Extensions are not granted as a matter of course, and reasons for your request must be substantial. Your request for an extension must be made before the due date of the return.

Q—Does it make any difference if I use a red, white and blue or a black and white Form 1040 for my Federal income tax?

A—No difference at all. Actually the tax packages mailed to taxpayers contained the red, white and blue Form 1040 while the 1040's available at banks, post offices, and

some office buildings are black and white. The IRS, however, urges taxpayers to use the multi-colored form whenever possible, since the red lettering on the form highlights areas where errors are most commonly made. Be sure to use the peel-off label that came on the tax package you received in the mail.

Using the pre-addressed label will speed any refund due and eliminate possible errors. Simply peel off the label from the front of the tax package and affix it to the Form 1040 you send to the IRS. If there's an error in the label, make the correction on the label.

Q—What's the surcharge for 1970 income?

A—The income tax surcharge for 1970 is 5% for the first half of 1970 and eliminated altogether for the last half of the year. This means the surcharge is figured at the average of 2.5 per cent for the whole of 1970. Tables on the surcharge are included with the 1940 instructions.

Q—Does the income surcharge apply to all money earned in 1970?

A—Yes. The income tax surcharge rate for 1970 is 2½ per cent.

LUNCHROOM MENUS

The following lunchroom menus will be offered in the schools next week:

Monday, April 5: Cheese enchiladas, boiled pinto beans, cole slaw, cornbread, butter,

butterscotch pudding, milk.

Tuesday, April 6: Swiss steaks, gravy, mashed potatoes, seasoned green beans, bread, butter, applesauce cake, milk.

Wednesday, April 7: Glazed ham, scalloped potatoes, Waldorf salad, hot rolls, butter, honey, ice cream, milk.

Thursday, April 8: Sandwiches, potato chips, creamed English peas, celery and carrot sticks, pickles, fruit cobbler, milk.

Note: These menus are subject to change without notice, depending upon availability and delivery of foods.

Woman's Club Aids Fire Departments

The Aransas County Emergency Corps recently held its quarterly meeting at the Fulton Fire Station, the first such meeting held outside Rockport.

The highlight came when Elva Mullinax, president of the Corps, presented envelopes to the fire chiefs of the Rockport, Fulton and Lamar Fire Departments.

Each envelope contained a letter of praise and a check contributed by the Woman's Club of Aransas County to help each department purchase equipment or to aid some project.

The members and chiefs of the Rockport, Fulton and Lamar Fire Departments wish to use this means of expressing appreciation to the officers and members of the Woman's Club for their generosity.

TOPS News

The Rockport TOPS Club had its installation of 1971 officers Monday night. New officers are leader, Julie Mercer; co-leader, Rosalie VonHeuvel; secretary, Jo Ann White; treasurer, Bobbie Tackette; weight recorder, Marion Allen; assistant weight recorder, Mildred Herrington.

Each new officer was presented a corsage. The 1970 leader, Reba Vick, read the duties to each new officer in a ceremony. Refreshments were served following the ceremony.

Queen of the month of March was Frances Bailey. Runner-up was Romaine Ammons.

There was a total of 137½ pounds lost for the month of March.

The Rockport TOPS Club meets on Monday nights at 7 p.m. at the Parish Hall.

Vanilla, in its natural states, is a long green bean.

Nancy Smith Crowned Queen

Miss Nancy Smith, daughter of Mr. and Mrs. Jack T. Smith, was crowned queen of the fifteenth annual Toast of the Coast track meet March 20. Miss Smith represented the choir and her escort for the evening was Guy Richard.

The first runner-up candidate for queen was Miss Molly Gregory who represented the Thespians Society. Her escort was Russell Johnson.

The second runner-up for queen was Miss Pam Hill, representing the Metal Trades Club. Her escort was Jerry Picton.

The third runner-up for queen was Miss Jeanie Kleypas, representing the National Honor Society. Her escort was Tad Bailey.

The fourth runner-up for queen was Miss Pam Little, representing the Band. Her escort was Clifford Mixon.

The eight other young ladies participating in the ceremony were: Miss Paula Allen representing the Pirate Log staff, Miss Josie Garcia representing the Future Homemakers of America, Miss Kam Heinsohn representing the Paramedical Club;

Miss Lisa Hill representing the Student Council, Miss Sherry Ingersoll representing the Slide Rule Club, Miss Lenora Irwin representing the Future Teachers of America, Miss Paula McClain representing the Lettermen's Club, and Miss Kevin Picton representing the Greenbackers.

Mike Hill, president of the Rockport-Fulton High School Student Council, crowned the queen. Nelson Barre, vice president of the Student Council, presented the finalist with a rose.

LILLIAN'S PRIZES

Prizes awarded at Lillian's Danceland Saturday night were two chicken dinners from Running Bear Drive Inn to Niki Themis of Aransas Pass and Betty Followell of Aransas Pass. Two tickets for next week's dance were awarded to Sue Douglas of Ingleside and Elizabeth Dominguez from Galveston.

CARD OF THANKS

We wish to express our thanks to the Volunteer Fire Department for their valuable assistance at our travel trailer fire Friday at Shady Grove Trailer Park.

Mr. and Mrs. Kenneth Parr

TO GRADUATE — Miss Nancy Caraway, daughter of Mr. and Mrs. M. L. Caraway of Holiday Beach, will graduate from San Marcos Academy May 24. She is a former student at Rockport-Fulton High School.

At mid-term she was listed sixth in her senior class for her four-year average. She is a member of Future Teachers of America. Nancy toured Europe for six weeks last summer with World Academy students, studying contemporary European governments.

Women's Club Annual Luncheon

The Woman's Club of Aransas County will hold its annual luncheon meeting at the Sand-dollar Motor Hotel on Tuesday, April 13, at noon.

This is a meeting to honor all past presidents and to install newly elected officers. Bridge and canasta will follow the luncheon and business meeting. All members are urged to attend.

Please make your reservations no later than April 7 by calling any of the following numbers:

Mrs. Jones Christian, 729-5223; Mrs. Emmett House, 729-2912; Mrs. Melton, 729-5135 and Mrs. C. L. Thomas, 729-5560.

CONGRATULATIONS

Mr. and Mrs. Roy M. Johnson are the proud parents of a six pound 14 ounce baby boy born March 18 and named Derrick Shannon. Maternal grandparents are Mr. and Mrs. C. W. Cricienberger and paternal grandparents are Mr. and Wm. N. Johnson.

Rockport Pilot
Rockport, Texas
Dear Mr. Kinsey:

Today I received my issue of your fine Rockport paper and immediately turned to my favorite section "Letters to the Editor." I was quite astonished and somewhat put-out at the dim view of Key McCracken of Corpus.

My first question naturally was why could Kay be so anti-progress and so pro-bird-watcher. The answers are obvious, if I lived in Corpus then it would be quite easy for me to be critical of building policies in Rockport, after all I wouldn't have to try to make a living up there and I could care less about the local Rockport citizenry's financial state. As for the economic impact of the Birdwatcher-Tourist, I always remember the wise spoken words of K. H. Griffith of Rockport, "The Birdwatchers come down here with a fifty dollar bill and a new pair of striped overalls, when the go go back home you find they ain't changed either."

I have hunted Sand-Hill Cranes for many years up here in the Texas Panhandle and have always had a "hankerin'" to draw a bead on one of the Whooping Cranes that frequent the Aransas Game Preserve area. What with the untold millions of dollars spent for their care and safety it just might me a reduction in my income tax. Who knows, we might even raise the relief checks. (The people down at Corpus would probably relish this aspect).

As for all those pesky little shore birds around Little Bay that Kay is so worried about I have one simple solution, give the locals a new air-gun and let them drive them down to Corpus, maybe Kay wouldn't have so far to drive to see them and could stay closer to home. This would let the people in Rockport mind their business without her help.

Yours very truly,
Henry Pope
P. O. Box 11
Canyon, Texas 79015
P.S. With the little blighters gone, fishing probably would be better!

Mrs. Cox Honored

Mrs. Willard Cox was honored with a pink and blue shower at the home of Mrs. Gladise Thomson, with Mrs. Daniel Rodgin as co-hostess March 24.

The table was laid with a yellow lace cloth and held an arrangement of imported flowers from Mexico. Refreshments of cake and ice cream and punch were served to approximately 30 guests.

Barstow, Calif., Mar. 18— Marine Staff Sergeant Abel Vargas, Jr., son of Mr. and Mrs. Abel Vargas, Sr. of 827 N. Kossuth St., Rockport, Texas, is serving at the Marine Corps Supply Center, Barstow, Calif.

Woman's Club Tourist Party

The Woman's Club of Aransas County held the last tourist party of the season on Monday March 29. There were 11 tables for bridge and five for canasta.

Hostesses were Mrs. J. O. Cox, Mrs. J. V. Ferguson, Mrs. C. O. Lutz and Mrs. William Plumber.

Presiding at the coffee service was Mrs. Travis Bailey, Jr. The table held a large white loaf cake decorated with pink roses. The centerpiece was pink roses with pink bunnies for an Easter theme. There were several beautiful arrangements of pink roses on tables around the room.

Bridge winners were: 1st, Mrs. J. M. Pepper of Fulton

and 2nd, Mrs. R. E. McBride of Fulton.

Canasta winners were: 1st, Mrs. Ruth Parker of Minneapolis, Minn., and 2nd, Marie Christensen of Council Bluffs, Iowa.

The finally prize went to

Mrs. E. H. Butler of Rockport.

Mr. and Mrs. Richard Knipping of Houston visited in the home of her parents, Mr. and Mrs. Raymond Owens, last week.

dominate and provide food for fish and waterfowl.

"We have no personal animosities or prejudices against the promoters of the dredging plan or the commissioners for considering it. I believe that they intend to and will do everything in their power to preserve the natural resources of Little Bay. But how to do it is the problem. What does the Navigation District want to do that requires a dredging project in the north end of Little Bay? Do they want to create better circulation of water, when the waves come from the north? If so, then why was the boat channel plugged and the circulation of water cut off for the last two months? I understand that it

has been to repair a bridge, but the necessary detour could have been built and circulation of the water still maintained in the bay through the detour plug.

"I believe that insufficient consideration has been given to the natural resources of Little Bay, compared to the man-made projects. We are here to get more consideration from you, Commissioners, for our natural resources—God-given without charge. You were for the Connie Hagar Wildlife Refuge, because the people wanted it. Join now in its protection."

Tom Heffernan, a biologist, read the following statement of the Texas Parks and Wildlife Department on dredging in the Connie Hagar Wildlife Sanctuary:

"The Texas Parks and Wildlife Department opposes dredging in the Connie Hagar Wildlife Sanctuary at the northerly end of Little Bay.

"The area involved is valuable as nursery grounds for finfish, shrimp and crabs.

"A biological survey conducted on April 3, 1970 indicated a population of 75,000 grass shrimp, 4,530 brown shrimp, 1,110 blue crabs, 90 flounder, 30 redfish, 450 croaker, and 1,500 mixed species of forage fish per acre.

"An estimated 2-4 acres of fishery habitat would be destroyed by the proposed project.

"The depths that will result from spoil removal may be unusable as fishery habitat because of oxygen depletion. The U. S. Fish and Wildlife Service, Bureau of Sport Fisheries and Wildlife surveyed the area and made the following comments:

"The work area also contains feeding and resting habitat used by many species of waterfowl including gadwall, pintail, green-winged teal, blue-winged teal, American widgeon, shoveler, redhead, and lesser scaup. Coots also

are found in the area. These species use the deeper waters for resting and the shallow vegetated shoreline areas for feeding and resting. This use is by migrants during the winter months.

"Many other birds are found in the project area including gulls, terns, herons, egrets, sandpipers, and plovers. These birds use the shallow shoreline areas for feeding and resting. The terns also use the deeper waters for feeding and the gulls use the deeper waters for feeding and resting.

"Although the land to be dredged and filled is either privately owned or owned by the Arkansas County Navigation District No. 1, the fishes, crustaceans, waterfowl, and other species of birds and their habitat that would be eliminated or reduced by the proposed work are a public resource. Tourism is one of the principal sources of income to the community of Rockport and many people come for sport fishing, bird watching, and nature study."

"The Bureau of Sport Fisheries and Wildlife further added, 'To protect the shallow vegetated areas which provide important nursery and feeding habitat, no dredging should take place in waters less than 4 feet in depth, measured from mean low tide line. The prevention of damage to this area would be especially important to brown shrimp, juvenile flounders, and blue crabs, as well as other fishes, crustaceans, waterfowl, and other species of birds.'

"The marine habitat of Little Bay has been severely damaged by previous dredging operations. The western shoreline, however, is still in a natural condition and highly productive. The removal of area or any portion of this area, now or in the future, will be detrimental to the marine fisheries of the Arkansas Bay area. Furthermore, the work planned is within the Connie Hagar Wildlife Sanctuary and

alterations detrimental to the purposes and objectives of this Sanctuary should be prohibited."

Mayor Delmar Hiller spoke in favor of the proposed dredging, stating that it was in line with the recommendations of Harland-Bartholomew, planning experts in their long range plan for the Rockport area, maintaining balance in wildlife, recreational and economic development.

CARD OF THANKS

It is with heartfelt gratitude that the members of Sam Hash's family acknowledge appreciation for all the expressions of condolence. The food, flowers, telephone calls, visits and prayers did much to uplift our thoughts.

With deep sincerity,
Anna Lynn Hash
Jim Hash and
Joan McCreary

Pharmacy Topics

By

SHELLEY ROATEN

In 1969, for the first time in fourteen years, not one single person in the United States died from polio.

Adrenalin, which nearly every doctor carries in his bag, was the first hormone to be obtained in pure form, and the first to have its chemical structure determined.

Studies by an American Air Force doctor indicate that babies with big feet tend to be early walkers. Clear off the end tables!

Even though more than 1,000 antibiotics have been discovered and studied, less than 30 are presently being used as drugs.

Computers are becoming a valuable tool in medicine. At one clinic, doctors are using a computer to diagnose mental illness.

When your doctor prescribes the best, we do the rest, at

Roaten's

the pharmacy with the "bed-side manner."

c2

Cancer Society Film Shown

The importance of early detection and treatment of cancer was stressed in a film produced by the American Cancer Society and shown at the weekly luncheon meeting of Rotary club at Corky's Restaurant Wednesday noon.

The film urged annual physical examinations as an important means of detecting cancer before symptoms occur, pointing out that thousands of people wait until distressing symptoms occur before seeking medical aid. Often this is too late, the film pointed out.

SHRIMP LANDINGS—

(continued from page 1)

Oyster meats were of excellent quality and yielded from 2-2½ gallons of meats per barrel of shell oysters. Fishermen received from \$6.50-\$9.00 per barrel depending upon degree of culling and yield.

Blue crab landings totaled 250,000 pounds. This was 17 per cent above landings in February 1970 despite bad weather conditions. Fishermen received 9-10 cents per pound for live crabs.

Six large steel vessels and four smaller units made maiden voyages in February and several others were at various stages of completion on shipyards along the entire coast. One vessel was lost at sea.

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, memorials, food and other kindnesses, we are deeply grateful.

Marie Woods
Mrs. R. R. Woods, Sr.
Mr. and Mrs. J. C. Woods.

The Kinsey Report

If Zsa Zsa Gabor's 'Dahling' and other expressions take on a Texas accent, don't be surprised. Her new personal secretary is Mrs. Anna Marsh-Meame, a former English teacher in the Aransas County school system. This "news flash" reached Rockport via a letter from Mrs. Marsh-Meame to Miss Alicia Spencer, one of her former students here.

A public hearing was held March 26 in the Navigation District office regarding a request to do some dredging

at the north end of Little Bay in an area measuring 490 by 235 feet.

If you didn't attend this hearing, you really missed something. Regardless of whether you are for or against the proposal, you would have enjoyed the hearing.

It was like the old fashioned town hall meetings that used to be held in many communities. Men and women got up and "said their piece." Sometimes they started out quietly but as their emotions took over, their voices rose and they wound up shouting.

One man was speaking in favor of the dredging, pointing out that in his opinion it would represent a step forward in economic development. At one point, he was interrupted by a man opposed to the dredging.

Angrily, the speaker turned to the interrupter and shouted, "Listen, I didn't interrupt you when you were speaking, so will you show me the courtesy of letting me finish my statement without interruption."

And so it went. Maybe it would be a good idea to have periodic town hall meetings and give all interested residents an opportunity to express themselves on important local issues.

The WSCS of the First United Methodist Church will hold a rummage sale Saturday morning, April 3 at 8 a.m. in the Fellowship Hall.

TEXAS' ONLY TRUE RESORT
Nine Miles North of Rockport, Texas, on Highway 35

Letter to the Editor

March 28, 1971

Aransas County Navigation District,
Mr. Matt Scott, Chairman
Rockport, Texas
Gentlemen:

In regards to the recent public hearings on a proposal to dredge a channel and basin within the limits of the Connie Hagar Wildlife Sanctuary at Rockport, Texas, it behooves us to express our opinion as responsible citizens in this community. This opinion may be shared by others but does not present any other groups or organizations involved in this important matter.

As we all know, Rockport has a fortunate geographical location. This did not take place because of any man-made technological advances. The gifts of nature to men have been located in our area for many years. The uniqueness of those gifts to our area is recognized by vast groups of people from all parts of our country. This natural environment created an excitement and enjoyment for thousands of people living within, and outside of our community each year.

Our main consideration in this letter is to specifically state that we have been blessed with tremendous assets that can be advantageous to this community for a long time if the people fully recognize that it must take steps to protect the environment. There must be a balance between the community's industrial, commercial and residential growth and the harm to the ecology. Failure to recognize this harm will result in a slow deteriorating community and we will join the ranks of those areas that did not care.

The ultimate responsibility on matters concerning environment, conservation and ecology belongs to the people. The agencies (responsible to the people) will be wise to listen, research, explore and exhaust all discussions in lieu of making quick decisions on our local environmental matters. The encroachment of society for a more affluent life may not necessarily be beneficial to our community if we stamp out our gifts of nature.

Hopefully, all agencies, businesses, conservation groups and interested people will consolidate to share its resources in making Rockport and the surrounding area a place to live productively and with a sense of accountability.

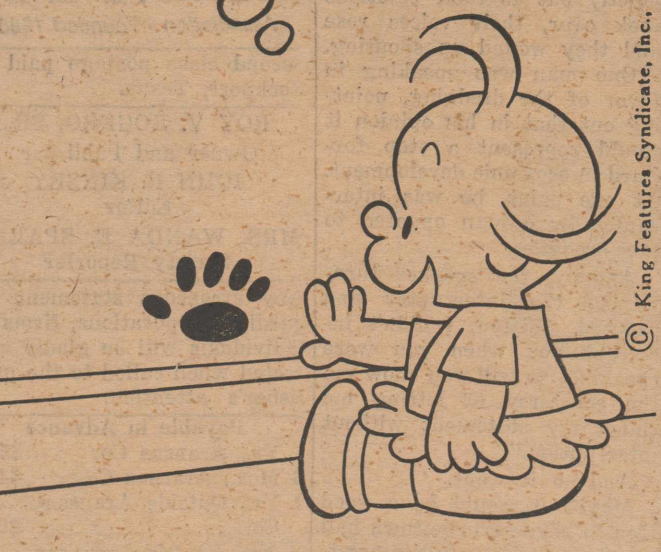

The Connie Hagar Wildlife Sanctuary is good for my family and I believe it is good for you, also. Let's protect it with all our strength and resources.

Sincerely,
Bea and Dick Stafford

Hi and Lois

Form Peninsula Oaks Garden Club

Several women of the Peninsula Oaks Subdivision, with a few of their friends, met Mar. 24 at the Peninsula Oaks office. All women present agreed that help and information on the soil of this area and how to make flowers, shrubs and lawns grow would be very helpful and decided a garden club might be a good step in learning about these things.

Mrs. Bernita Kinsey read some by-laws and information of a garden club she knew about and this was discussed and it was decided that a club of similar nature be organized but not be affiliated with any other group, known as Peninsula Oaks Garden Club.

Mrs. Thelma Sours was elected to be the president; Mrs. Alice Morrison, vice president (program chairman) and Mrs. Dorothy Morrison, secretary.

Program suggestions were called for and it was unanimous to ask someone either in the nursery business or someone well acquainted with the problems to come and speak at the next meeting—which will be the fourth Thursday of each month at 7:30 in the evening. The next meeting will be April 22 in the office. Each person was asked to make a list of things they would like to have covered in these meetings.

Present were Alice Morrison, Bessie Daws, Ann Horsley, Thelma Sours, Margaret Paradee, Martha Clark, Barbara Rogers, Carole Woodman, Joana Naro, Betty Kelley, Margie Bush, Betty Abt, Dorothy Morrison, Bernita Kinsey, Billy Seals (Aransas Pass visitor), Shirley Fargout and Meccal Casterline.

Anyone interested in meeting with this group will be welcome and may call either Mrs. Kinsey or Mrs. Sours for more information.

DAVID H. BURROW VS. NO. 48,877

HOWELL WARD, IN THE DISTRICT COURT, GALVESTON COUNTY, TEXAS, 56TH JUDICIAL DISTRICT.

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION

WHEREAS, by virtue of an execution issued on March 4, 1971, out of the District Court of Galveston County, Texas, on a judgment rendered in said court on the 26th day of July, 1933, in favor of the said David H. Burrow and against the said Howell Ward, No. 48,877, on the docket of said court, I did, on the 5th day of March, 1971, at 4:30 o'clock p.m., levy upon the following described tracts and parcels of land situated in the County of Aransas, State of Texas, and belonging to the said Howell Ward, to-wit:

- Forty-two feet (42') off the East end of Lots Nos. Thirteen (13), Fourteen (14), Fifteen (15) and Sixteen (16) in Block No. Thirty-two (32), SMITH AND WOOD DIVISION, City of Rockport, Aransas County, Texas, according to a Re-subdivision Plat of said Block 32 Smith and Wood Division recorded in Volume 1, Page 36 of the Plat Records of Aransas County, Texas, and being all and the same property conveyed to W. L. Mikeal et ux by deed from J. M. Roden, dated February 9, 1944, of record in Volume X2, page 418 of the Deed Records of Aransas County, Texas, to which a reference is here made.
- City Block Number Seventeen (17) according to the map prepared by Paul McCombs of record in Volume E, page 540-541, Deed Records of Aransas County, Texas, to which map and its record reference is here made in aid of description.
- The surface estate only in and to S/2 of Lot 35, FULTON ADDITION, according to a map of record in Volume E, Page 540, Deed Records of Aransas County, Texas, to which map reference is here made in aid of description.
- The surface estate only in and to All of Lots 41

through 51 and Lots 99 through 101, FULTON ADDITION, according to a map of record Volume E, Pages 540, and 541 of the Deed Records of Aransas County, Texas, to which reference is made in aid of description; and on the 6th day of April, 1971, being the first Tuesday of said month, between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m., on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Howell Ward in and to said property.

Dated at Rockport, Aransas

County, Texas, on this the 5th day of March, 1971.

ROBERT HEWES,
Sheriff,
Aransas County, Texas

4-H Bridge

Mrs. L. G. Wood entertained the 4H Bridge Club at her home last Friday. Members playing were Miss Lillian Fahr, Mrs. R. E. House, Mrs. M. H. McKinsey, Mrs. Fred Hunt, Mrs. J. D. Houston, Mrs. W. E. Blackshare and one guest, Mrs. Weldon Cabaniss. Mrs. Blackshare won high score, Mrs. McKinsey second high and Mrs. Houston third.

Inocencio S. Cruz

is

A Candidate for the Aransas County Independent School District as

SCHOOL BOARD TRUSTEE

My wife, Gertrude and I have five sons, Three of whom have graduated from R.F.H.S. School. The eldest, Amado, is now teaching. Inocencio, Jr. attended Pan Americal College and Del Mar College. Hector is attending Del Mar Tech. Bobby is a senior this year, and Gary is in the third grade.

I am presently employed at Rockport Yacht and Supply Co. I hold a foreman's position. I have been with the company for 15 years. I attended school in Taft and I am a World War II veteran and a member of the Sacred Heart Catholic Church. I have resided in Rockport for 15 years, and I'm pleased with my community and friends.

I have enjoyed being on the school board. This is one of the best schools in South Texas, which I feel proud to represent. My experiences while a member of the School Board were agreeable and understood. For this reason, I seek re-election. I will appreciate your vote.

Please Vote April 3

ORDINANCE NO. 268

AN ORDINANCE SETTING FORTH THE SCHEDULE OF RATES TO BE CHARGED FOR WATER INSIDE AND OUTSIDE THE CITY OF ROCKPORT AND REPEALING ALL ORDINANCES IN CONFLICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

SECTION 1: Water Rates Inside the City Limits: There shall be charged and collected by the City of Rockport from all customers of water supplied by the City inside the city limits, as now or hereafter established, the amounts of money based upon the following schedule of rates and charges:

(A) For the first three thousand (3,000) gallons, or fractional part thereof, used in any one calendar month by any one user the sum of \$4.00 per month.

(B) For the next additional seventeen thousand (17,000) gallons used in any one calendar month by any one user the sum of \$0.75 for each one thousand (1,000) gallons or fractional part thereof each month.

(C) For the next additional eighty thousand (80,000) gallons used in any one calendar month by any one user the sum of \$0.70 for each one thousand (1,000) gallons or

fractional part thereof each month.

(D) For all water over one hundred thousand (100,000) gallons used in any one calendar month by any one user, the sum of \$0.66 for each one thousand (1,000) gallons or fractional part thereof.

SECTION 2: Water Rates Outside the City Limits: There shall be charged and collected by the City of Rockport from all customers of water supplied by the City outside the city limits the amounts of money based upon the following schedule of rates and charges:

(A) For the first three thousand (3,000) gallons, or fractional part thereof, used in any one calendar month by any one user the sum of \$6.00 per month.

(B) For the next additional seventeen thousand (17,000) gallons used in any one calendar month by any one user the sum of \$1.13 for each one thousand (1,000) gallons or fractional part thereof.

(C) For the next additional eighty thousand (80,000) gallons used in any one calendar month by any one user the sum of \$1.05 for each one thousand (1,000) gallons or fractional part thereof.

(D) For all water over one hundred thousand (100,000) gallons used in any one calendar month by any one user,

the sum of \$0.66 per each one thousand (1,000) gallons, or fractional part thereof.

SECTION 3: Repealing Cause: All Ordinances of the City of Rockport in conflict with this ordinance are hereby expressly repealed insofar as such conflict herewith, and all ordinances not in conflict herewith shall remain in full force and effect.

SECTION 4: This Ordinance shall take effect upon its approval and passage.

PASSED AND Approved this 24th day of March, 1971.

S/DELMAR R. HILLER, Mayor.

ATTEST: S/MARY LAKE SEGLER, City Secretary.

APPROVED: S/WM. H. BLOCH, City Attorney.

JACKSON HONORED AT TEXAS A&I

John P. Jackson was among the 57 Texas A&I University students honored at the A&I Accounting Society recognition dinner at the Student Union Ballroom in Kingsville Wednesday.

The honorees were students who earned superior grades in the first two courses in accounting during the fall and spring semesters of the 1970-71 school year.

KEY MAN in Mideast maneuvering, Egyptian President Anwar Sadat rejected another extension of the Suez cease-fire but has shown much greater flexibility toward Israel than his predecessor, the late Gamal Nasser.

NAMED TO HONOR ROLL

Las Vegas, N.M. — Allen Lockridge, a senior from Rockport, Texas, was named to the Dean's Honor Roll for the winter quarter at New Mexico Highlands University, according to Dr. Merritt W. McGahan, academic dean.

Lockridge is the son of Mrs. W. W. Lockridge, P. O. Box 903, Rockport, Texas. He was one of 198 students named. Graduate students were selected on the basis of having a 3.85 grade point average or higher.

MRS. ANN MILLER DIES

Funeral services were held March 29 at Sacred Heart Catholic Church for Mrs. Ann S. Miller, 79, who died March 25. Burial was in Rockport Cemetery under direction of Marshall Funeral Home.

Mrs. Miller was a native of New York and had been a resident of Rockport for a number of years. For the last two years she had been living with Velma Malchar, a long-time friend. She was a member of Sacred Heart Catholic Church.

Survivors include a nephew and niece.

ANKLE IS DEALER FOR JACUZZI SYSTEMS

A new complete Water System, weighing approximately 50 pounds, is now being offered by Jacuzzi Bros., Inc., Little Rock, Ark. Called the AquaGenie because it seems almost magical in its advantages, the Genie delivers constant pressure and volume throughout the home at all times. The service provided by this new type of water system is equivalent to city water systems, and it is available here.

The Jacuzzi AquaGenie is offered in two packages, either with Jet pump or Submersible from Ankele's Hardware & Appliance.

Read the Classified Ads.

P. A. PERCIFIELD DIES

Graveside services were held March 26 at Rockport Cemetery under direction of Marshall Funeral Home for Perry Anderson Percifield, 73, who died March 24 in a Port Lavaca nursing home.

He was a native of Edmund, Okla., and had lived in the Rockport area 16 years. He was a retired oilfield derrick builder.

Survivors include two daughters, Mrs. Adrienne Estrada and Mrs. Glendora Packwood, both of Lomita, Calif.; one sister, Mrs. Sadie Mowder of Ponca City, Okla.; three grandchildren and two great-grandchildren.

South America's cebid monkey is about the size of a fox squirrel.

Rebekah Lodge News

On Thursday, March 18, Bonnie Clobardants, past noble grand, presided at the regular meeting of the Rebekah Lodge. Leatha Bell is not doing too well and Zoe Heath is in the Navy Hospital in Corpus Christi for surgery.

Bonnie gave a report on the Rebekah assembly meeting which she attended March 12-16. She brought home some new suggestions for improving Rebekah-Odd Fellowship in this area.

On Thursday, March 25, Joyce Bailey, noble grand,

conducted the regular meeting. Zoe Heath was reported being home from hospital but not too well.

A letter from the president of the Rebekah assembly of Texas, Gertrude Whitney, stated that she will make her official visit to District 59 in the IOOF Hall in Rockport on Saturday, May 8.

Mrs. Neva Sorenson's commission for lodge deputy of the Rockport Rebekah Lodge was read.

Gladys Mullan served punch and cake to the members after lodge.
