TRAFFIC PROBLEMS IN AND NEAR LARGE CITIES OVER TEXAS IS BEING STUDIED

Congestion is Costly To Texas Motorists Reports Reveal

Texas stands to sustain serious economic losses resulting from in-

creasing traffic congestion in and adjacent to metropolitan centers, warns Charles E. Simons in an article on "Motor Transportation Hits

a 'Snag' in the March issue of Texas Parade. The 'snag' to which the article refers is a rather new one, hence one which the public and highway planners have not had time fully to analyze nor fully appreciate its magnitude. "This problem," writes Mr. Simons, "concerns the manner in which motor vehicle transportation, literally, 'has gone to town' and what can be done about relieving the serious economic loss that is resulting from traffic conges-

tion in and adjacent to metropolitan centers. "The motor vehicle traveler who has experienced the tremendous crush of the traffic on Main Street in Houston at all hours of the day; the jam that exists at Commerce and Akard in Dallas from early morning until late at night; the tortuous windings through the traffic packed main streets of San Antonio; the nervous tension of negotiating the traffic bedlam that exists on Hemphill Street in Fort Worth, and the nerve-shattering trip down Gaudalope Street in the city of Austin, is fully aware of the facts of which we speak. These are but a few of the numerous snags that lie in the path of the motorist. "Is the solution of this problem worthy of some concentrated attention? No figures are available on the situation as it exists today in Texas. They are, however, being gathered scientifically by the State Federal Highway Planning Survey and when accumulated and studied these data will form a solid foundation on which to plan remedial steps. Figures gathered in other metropolitan areas, however, indicate that at least 10 per cent of the over-all cost of owning and operating a vehicle—estimated at \$500 annually—could be saved by adequately improved traffic facilities. This saving might not be in terms of visible dollars jingling in the pockets of the motorist but the savings would exist, nevertheless. "Elimination of the wear and tear on vehicles and the savings in gas that would result from facilitated traffic movement are real. If full credence is given to the oft-stated proposition that 'time is money', then the saving in time and its reduction to terms of money would be most substantial. Take the delivery operations of a large department store in a city for example and the cost of the time wasted can be computed by the actual loss in sales because purchases are slowed tremendously by the forced addition of new delivery trucks to maintain efficient delivery service in congested areas, by the employment of extra drivers, and so on. "Traffic congestion well could be termed the greatest thief of time in the United States today. Thus, there dawns the realization that the full economic benefits growing

out of the development of and investment in the modern and improved motor vehicle is being sabotaged under existing conditions. "City traffic is further complicated by the fact that it combines the mass movement of vehicles and pedestrians. Studies made by the Public Roads Administration of theoretical and actual carrying capacities of traffic lanes reveal a startling result in the facts of congestion. Where all traffic interfer-

State Highway Maps Issued Wednesday

Latest Edition Shows Many New Roads Are Completed In State

The State Highway Commission announced that the spring edition of the 1940 official map of the Texas Highway System was being issued today. New features include the printing of the back in four colors instead of duo-tone as in the past. Much space on the back is taken up by photographs of the administration buildings of all the State supported senior colleges in Texas. Photographs of all the standing old Missions of Texas are also included. A panel on the back of the map is devoted to illustrating standard State highway signs and markers, with appropriate explanations. It is hoped to familiarize the traveling public with the meaning of these markers, thereby effecting a reduction in the number of traffic accidents. The map shows the condition of all highways as of February 15, 1940, and is free to the public. Copies may be obtained by addressing the Texas Highway Department, Austin, Texas, or any District Office of the Department.

struct 'super streets' within the city free of obstructions and impediments of any kind so that the traffic lanes provided can approach more nearly their theoretical carrying capacity. The cost of these facilities will necessitate heavy initial outlays, but the resulting savings over a long period of years through actual decreased cost of motor vehicle operation and stabilized property values will more than compensate for the expenditure."

Mr. and Mrs. Mike Key are attending the Fat Stock Show at Ft. Worth this week.

Mrs. Ernest Gambill and Earnestine are visiting with friends and relatives in Oklahoma this week.

Mr. and Mrs. F. M. McLendon and Agnes left Monday for Fort Worth where they will attend the Fat Stock Show.

KITE FLYING IS FUN— BUT LET'S STAY AWAY FROM THE ELECTRIC WIRES!

● Yes, youngsters, have all the fun you want flying kites, but pick out a nice open space to fly them... away from trees and electric wires that might tangle your kite.

But if your kite should get tangled in electric wires, DON'T try to get it down. You might get hurt. Call our office and a trained lineman will be sent to rescue the kite if it is possible to do so.

Another thing, NEVER use fine wire for a kite string as the wire might fall across an electric line and result in serious injury to you or someone else.

BETTER VISION WEEK MARCH, 10-16

SAVE YOUR VISION

EYES ARE PRICELESS

Seeing is the most precious faculty you possess... It has given you your education. It gives you your living. It gives you the face of your loved ones, the beauty of the countryside, the education and entertainment of good books, the pleasure to be found in sports along with many other things...

Be sure your sight is right. Have it examined this week, for better vision means better living.

NOT JUST ANOTHER WEEK

"SAVE YOUR VISION WEEK" March 10 to 16, is really a health and efficiency campaign. It was inaugurated twelve years ago by the American Optometrical Association, Inc., to call attention of the American people to the fact that eyes should have the very best care possible at all times.

DR. J.M. HARRINGTON

L. E. E. Makes To Vote

In my opinion of Lamesa, I of a number of that the city choice of more for this place nice vote I that I might majority of t fice. Because history of the nicipal office cities has pro political "bos politics, and healthy and the activities according to

L. E. Eager Makes Statement To Voters

In my announcement for Mayor of Lamesa, I do so by the request of a number of people who felt that the citizens should have a choice of more than one candidate for this place, and because of the nice vote I received two years ago that I might be the choice of the majority of the people for this office. Because of the fact that the history of the long terms in municipal office in large or small cities has proven it is conducive to political "bossism" and machine politics, and usually causes an unhealthy and retarding influence on the activities of any city and is not according to the best traditions of

a democratic government. I think the people of Lamesa may desire a change and it is my desire to give them that opportunity on April 2. I think I am fully qualified for the place and if elected can give the office plenty of energy and enthusiasm and can guarantee to cooperate with any two commissioners you may elect. I believe in a stringent fire control and careful inspection, a prevention and eradication of all fire hazards so as to remove and prevent insurance penalty which all property owners have to pay. I favor an adequate sewer system properly installed so all who desire may have connections and so that they may receive the service they should expect. I believe in giving all the liberty it is possible to have as long as it does not interfere with the life and liberty of others but I think all alike should be taught to respect the laws of our city and assist in their enforcement. I wish to assure all workers on Government projects for the city, that the work will go on just the same at present with no change except as recommended by the supervisors. If I should be elected knowing the gravity of unemployment, I will make every effort possible to obtain other projects so that all may work that desire to do so.

Believing that Lamesa has passed her adolescence stage and is merging into the city class, I wish to come out in favor of calling an election and giving the people an opportunity of voting on the following changes in our charter:

1. Divide the city into four wards according to population and elect one commissioner for each ward, at a salary not to exceed \$25.00 per month. The object of this change would be that each part of the city would have a representative in the city government, instead of 4 as it is under the present set-up we may elect only two commissioners and they may reside next door to each other and although they might desire to represent the town as a whole, they might not know the desires or needs of all parts of the town as well as would be the case if they lived in four separate parts. Also it would tend to curb the powers of the commissioners and mayor whereas at present the mayor and one commissioner or two commissioners can control the whole government and there are a number of other features to this change such as making the salary smaller, thus causing men who have the interest of the city at heart rather than the salary to run for the place.

2. Turn the major portion of work of the Mayor's office over to a trained secretary or city manager. This making the mayor's job part-time work at a salary not to exceed \$50.00 per month. The reason for this amendment is that it would place the business management of the city under a trained man subject to the orders of the city council and mayor and as he would be an employee he would be let out on short notice if he could not do the job. It would also tend to attract candidates for mayor that would have the interest of the city in mind rather than the salary.

3. Arrange for a primary election 30 days before the general election, thus eliminating all except two candidates for each ward and for mayors office, giving us a democratic election, giving a fair real vote very freely among you, but you will also remember that when I was able that I gave freely of my time and money to all worthy causes and institutions, and was always ready to go when called on. If you should see fit to elect me to this place, I am sure you would always feel free to call on me for assistance in any thing for betterment of the city or the people. I think the thing we need more than any other now is some future planning, not for tomorrow or next year but for years to come, as I can see a bright future for Lamesa and Dawson County if we will all look ahead and put our energy and enthusiasm to work and grasp our opportunities as they come. I hope the people may see fit to give me a leading part in this work, of making Lamesa the best if not the largest town on the plains. As the time is very short and I can not hope to see all of you, I wish to take this opportunity of asking for your vote and support.

Sincerely Yours,
L. E. EAGER,
Candidate for Mayor
City of Lamesa

CITATION BY PUBLICATION THE STATE OF TEXAS.

To the Sheriff or any Constable of Dawson County—Greeting:
YOU ARE HEREBY COMMANDED to summon S. D. Burke and the unknown heirs of the said S. D. Burke, and all persons claiming any title or interest in the land hereinafter described under and by virtue of a deed from J. S. Riley to S. D. Burke, dated August 22nd 1925, and recorded in Vol. 40 page 341 of the deed records of Dawson County, Texas, said records fall to give any residence of the said S. D. Burke by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of the 106th Judicial District, Dawson County, to be held at the Court House thereof, in Lamesa, Texas, on the second Monday in April, A. D. 1940, the same being the 8th day of April, A. D. 1940, then and there to answer a petition filed in said Court on the 2nd day of March, A. D. 1940, in a suit numbered on the docket of said Court No. 2312, wherein T. E. Bertram and wife Montez Bertram are Plaintiffs, and S. D. Burke and the unknown heirs of the said S. D. Burke, and all persons claiming any title or interest in the land hereinafter described under and by virtue of a deed from J. S. Riley to S. D. Burke, dated August 22nd 1925, and recorded in Vol. 40 page 341 deed records of Dawson County, Texas, are Defendants, and a brief statement of the plaintiff's cause of action, being as follows:
Plaintiffs allege that on or about April 2nd, 1937, they were lawfully seized and possessed of all of lots four, five and six in Block Eighteen (18) of the Lee Addition to the town of Lamesa, Dawson County, Texas; that on said date plaintiffs were holding and claiming said land in fee simple, and that on said date, defendants and each of them, jointly and severally, unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withholds from them the possession thereof to their damage in the sum of one thousand dollars.
Plaintiffs pray for title and possession of said above described land and premises as to each and all of said defendants and for writ of restitution, damages and cost of suit.
The plaintiffs petition is endorsed as follows: That the action is brought as well to try title as for damages.
The plaintiff also pleads the three year statute of Limitation as provided by the law of the State of Texas.
Herein Fall Not but have before said Court at its next regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and seal of said Court, at office in Lamesa, Dawson County, Texas, on this 2 day of March, A. D. 1940.
(SEAL) W. W. Petteway, Clerk District Court Dawson County, Texas.

fashions that will be Leading the Easter Parade

FOR COUGHS WITH CLINGING PHEGM
Coughs From Colds, Hard to Loosen, Get Fast Action, From Mentho-Mulsion.
ONE DOSE relief to your satisfaction is guaranteed by Mentho-Mulsion or your druggist will gladly return your money.
Mentho-Mulsion depends for its fast, swift action on NINE ingredients long known and used by the medical profession. None of these ingredients are narcotics or opiates. When you first open the bottle of Mentho-Mulsion you will notice the soothing, medicated vapors, which as soon as you take a spoonful, pass through your bronchial and nasal passages. Mentho-Mulsion acts to aid the loosening of phlegm, is fortified with vitamins A and D, and through its quieting results on coughs from colds, tends to ease nervous strain.
ARMY MAN SAYS.
"I served in the army for 33 years and went through two campaigns in the Philippines," said Mr. George Morehouse recently, "and for the last two years I suffered from bronchial irritation due to colds. Mentho-Mulsion is the only preparation that ever gave me genuine relief."
Mentho-Mulsion is endorsed by your neighbors and guaranteed by leading druggists everywhere.

Miss Marjory Boldin Becomes Bride Of Leonard McGowan

Miss Marjory Boldin, daughter of Mr. and Mrs. C. V. Boldin became the bride of Leonard McGowan, Saturday morning at 10 o'clock at the Methodist parsonage with Rev. E. D. Landreth reading the impressive ring ceremony.

The bride was beautifully attired in a powder blue frock with a pink fitted coat and black accessories. She is a graduate of the Lamesa High School.

After a short wedding trip the couple will make their home here.

Mrs. John Earl of O'Donnell was a business visitor in Lamesa Monday.

Mrs. Leonard McGowan Honored With Shower

Naming as honoree Mrs. Leonard McGowan, who before her recent marriage was Miss Marjory Boldin. Miss Mildred Tyra, Dana Derestine, Helen White and Mrs. Elmer Iretton entertained with a miscellaneous shower on Monday evening at the home of Mrs. Iretton.

The entertaining rooms were attractively decorated with bouquets of cut flowers. The tea table was laid with a lace cloth and centered with Gladiolas spiked with five pink burning tapers. Miss Tyra presided at the tea table and was assisted by Miss White and Miss Derestine.

After a musical program the bride was presented with many lovely gifts.

Officers - Teachers Of Beginners Dept. Are Entertained

Last Tuesday morning the Teachers and Officers in the Beginner Department of the First Baptist Sunday School were entertained informally by Mesdames E. R. Yates and L. Berry in the home of the former.

After a brief business session Mrs. Yates, who attended the Annual Sunday School Convention in Harlingen, brought an inspiring report of the Beginners conference she attended, also other high points of the convention.

Punch and cookies were served. On the refreshment plate were Bible verses pertaining to children.

Mrs. Montgomery Honored With Party

Naming as honoree, Mrs. Monty Montgomery of Los Angeles California, who is visiting in the home of her sister, Mr. and Mrs. J. R. Leuenberger, Mrs. Frank Barkhurst and Tom Tilman entertained with a dinner and theater part, Wednesday evening.

Those attending were Mrs. J. R. Leuenberger, Mrs. Monty Montgomery, Mrs. Tom Tilman and Mrs. Frank Barkhurst.

Mrs. Elwin Kutch Hostess To Club Thursday

Members of the Thursday Bridge Club were entertained Thursday afternoon by Mrs. Maurice Lamphere at her home on North Third.

In the games of the afternoon Mrs. C. L. Schmidt was winner of high score and traveling prizes.

Those attending were Mesdames C. L. Schmidt, Connelly Baldwin, Elwin Kutch, Ben Allen, Sidney Randal, Robert Koger, Ralph Fry, Johnnie Klimes and the hostess.

Mrs. Ross Boardman Hostess To "42" Club Thursday

Members of the Thursday 42 club were entertained last Thursday afternoon by Mrs. Ross Boardman at her home on North Third street.

At the conclusion of the 42 games a delicious refreshment plate was served.

Those attending were Mesdames Blanton, W. V. P. Baker, Irvin Wright, Dee Hull, A. H. Smith, Ray Williams, M. E. Boren, Walter Jones, Lee Billingsley, C. E. Ault and Bill White.

MARRIAGE LICENSES

Raymond William Huse and Miss Gladys Richter. Leonard McGowan and Miss Marjory Boldin, March 9. J. E. Seely and Miss Nell Wade, March 9. Question Mees and Miss Doris Billingsley, March 9.

Plans Being Made For PTA District Conference

Current interest of Lamesa Parent-Teachers is centered on the Parent-Teachers District Conference to be held in Lamesa April 11 and 12.

Thursday afternoon at an Executive Group meeting of the P-T-A, plans were discussed and enlarged for the conference schedule. Mrs. J. D. Dyer presided for the meeting with Mrs. Matt McCall outlining the program of activities for the group's association conference.

Housing and breakfast for visiting P-T-A delegates are to be furnished by interested Lamesa patrons, and all those who will provide accommodations are asked to call Mrs. C. A. Hollingsworth or Mrs. J. D. Dyer.

Both the District Board of Managers dinner and the Delegates luncheon will be at the Lamesa Country Club. The Board of Managers' dinner will be April 10 at 7:30 and the delegates luncheon will be at noon on April 12.

Other P. T. A. interests discussed at the March 7 Executive meeting were the city lunch room project and the dental clinic which will be held soon in the school. A nominating committee for 1940-1941 officers was appointed by the president, with Mrs. V. Z. Rogers being appointed chairman of the group with Mrs. Dan Ogletree and Mrs. Terry as other members.

Baptist W. M. U. Observes Week Of Prayer

Baptist W. M. U. ladies have this week observed their Week of Prayer for Home Missions.

Some 62 have attended these meetings and enjoyed the facts that have been given us by our workers on our Mission fields.

March 18th will be our regular Mission Study program. The Lucille Ragan Circle will have charge of this meeting.

More ladies are urged to attend. We feel sure you will be glad that you have given the Lord some of your time.

Mrs. J. H. Harp Makes Talk On "Mental Fitness"

Thursday afternoon at 3:30 the Elementary School P-T-A met in the Elementary School Auditorium under the leadership of Mrs. B. L. Hamilton.

Mrs. J. H. Harp presented a talk on "Mental Fitness and Moral Stability." Entertainment feature of the afternoon was given by the Mother Singers, under the leadership of Mrs. Carl Rountree. Members of the group are Mrs. C. D. Landreth, Mrs. Walter Taylor, Mrs. Noble Price, Mrs. J. D. Burleson, Mrs. Victor Crawley, Mrs. Maurice Snell, Mrs. Standifer. They were accompanied by Mrs. Weldon Lindsey.

Zone Meeting Is Held At O'Donnell

The Woman's Missionary meeting for Zone 6, Lubbock District, was held Wednesday at O'Donnell at the First Methodist Church. Mrs. E. D. Landreth presided in the absence of the zone leader, Mrs. Tony Goble. Mrs. Roy Hoback is secretary.

The opening hymn, "Rescue the Perishing," was led by Mrs. Lex Brock. The morning devotionals was brought by Mrs. O. P. McLendon, reading from Matthew, 28th chapter. Hymn, "Just When I Need Him Most" was then sung. Reports from Patricia, Hancock, Tahoka, Lamesa, Sparenberg, McCarty, and port showed a marked record of progress.

Mrs. M. B. Hilburn, the District Secretary of Lubbock, talked on the subject, "God Has Chosen Us," and set goals for the District. At noon a lovely lunch was served by the O'Donnell ladies.

Quiet music preceded the meeting in the afternoon. The devotionals was brought by Mrs. French of Sparenberg, reading from the 7th chapter of Luke. Mrs. Hilburn lead in prayer. Baby specials were presented by Mrs. W. B. Smith of Tahoka. Special music was rendered by Mrs. Garner of O'Donnell. Mrs. Cecil Matthews of Lubbock gave a very inspiring address using the Scripture Matthew 7 Chapter 7:11 scripture Matthew 7:7-11. The meeting was then dismissed with prayer.

Miss Viven Francis Honored With Shower

Complimenting Miss Viven Francis who will become the bride of Alton Addison, March 17, Mesdames J. R. Leuenberger, J. D. Hudson, and T. L. Tilman entertained with a miscellaneous shower on Tuesday evening at the home of Mrs. Leuenberger on North Third street. The entertaining rooms were made attractive with bouquets of Sweet Peas, Snapdragons and other cut flowers.

Mrs. J. D. Hudson presided at the bride book where the guests registered as they arrived.

A short program was given during the evening. Flara Jane Leuenberger gave several musical numbers. Carolyn Lou Tilman gave several violin numbers and several readings after which a delicious refreshment plate was served.

CCC Has Place For 4,000 Boys In April

Boys Between 17 And 23 Are Of Eligible Age To Join Camps

Adam R. Johnson, Director of the State Department of Public Welfare, who has the responsibility for the selection of boys for the Civilian Conservation Corps, has been advised that approximately 4,000 boys will be needed in April to bring existing camps to full strength.

"Boys who wish to be selected for the CCC must be of good character, at least 17 years old and not more than 23 years six months, and not have already served more than 18 months since July 1937," explained Mr. Johnson, "for we desire only the best boys as members."

Applications should be made to the various County Welfare Offices as quickly as possible so when final county quotas are announced, those eligible may be sent to enrolling points. At present there are over 16,000 Texans in CCC camps, 10,000 in Texas and 6,000 in Arizona, Colorado, New Mexico and Wyoming, over \$300,000 per month being returned to the family groups of these boys.

"Members of the CCC cannot be automatically transferred to the Army," commented Mr. Johnson, "as they are considered in all respects civilian employees of the Government. Were they at home, at work on the farm, or in stores or banks, they would be no safer from Army service than they are as members of the Corps. Mr. Roosevelt has plainly and clearly stated he will not allow the militarization of the CCC and has gone so far as to place the camp commanders on the civilian basis."

"Texas boys will find the CCC experience one of the most beneficial of their lives, where the best of care, food and attention is theirs, while they are able to assist their families with the allotments," added Mr. Johnson.

vice and state home demonstration agent. The 12 demonstration counties recently designated are Ellis, Wise, Hockley, Colingsworth, Van Zandt, Nolan, San Saba, Rusk, Lavaca, McLennan, Frio, and Austin. Negroes will be included in the Ellis and Austin County programs.

Miss Horton explained that this cotton mattress demonstration is an Extension Service program in cooperation with the Federal Surplus Commodities Corporation and the Agricultural Adjustment Administration. It is designed to reach

farm families with a total income for 1939 of not more than \$400, at least half of which was derived from agricultural occupations.

Miss Marylyn Parkinson is visiting with friends and relatives in Lubbock and Tulla this week. Mr. and Mrs. O. B. Norman and Helen spent Sunday in Lubbock with friends. Mrs. S. E. Cleveland is visiting with Mr. and Mrs. W. A. Stevens at Littleton, Colorado.

HERE'S WHAT IT TAKES FOR LEADERSHIP AND FORD'S GOT 'EM ALL!

Built in Texas by Texas Labor

- 1 GOING POWER**
- 2 STOPPING POWER**
- 3 POWER TO HOLD THE ROAD**

—the kind of power that only the V-8 engine can provide—the instant response, the lightning acceleration, the remarkable economy, the swift, smooth, faithful performance, 6,000,000 Ford V-Eights—more than all other Eights combined—say this is the power plant for you.

The big hydraulic brakes of the Ford V-8 are far and away the biggest in the low-priced field—a safety factor you've got to have in the new car you buy.

No car in any price field excels Ford in roadability—in keeping "all four feet on the ground" under all driving conditions. This means safety plus comfort.

- 4 SMOOTHNESS**
- 5 STAMINA**
- 6 STYLE**
- 7 COMPLETE ECONOMY**

Not only in power does the Ford V-8 engine excel, but in the smoothness that gives velvet quiet. Only cars costing hundreds more offer this supreme luxury of 8-cylinder smoothness.

In staying power, there is no car that can take the rough with the smooth like Ford. There are more Fords on the highway than any other make of car. This sturdy Ford is made to take it!

Ford set the current modern trend in beauty of lines. And Ford's unequalled paint job makes its beauty permanent.

The combination of low price, low cost of operation, high trade-in value and more extras at no extra cost, makes the Ford the great economy buy for 1940.

NO OTHER CAR IN THE LOW-PRICED FIELD IS 1-2-3 WITH FORD

Marshall Formby Announces For The Senate

Judge Marshall Formby of Dickens county has formerly announced his candidacy for the Democratic nomination for state senator of the 30th Senatorial district.

Formby's announcement came as no surprise in political circles as his friends had organized a "Formby For Senator" club in January while he was on business in Washington for the West Texas County Judges and Commissioners Association.

In making his formal announcement recently, Judge Formby said he thought it would be beneficial to the agricultural interest of West Texas for the present 7000 lb truck limit law to be raised to a sensible limit and that he favored the immediate solution of the old age assistance and other social security problems.

"These problems should have been disposed of during the last session of the Texas Legislature," Judge Formby said, "in order that other important legislation needed in Texas might be immediately taken up. I favor the immediate solution of these important problems."

Judge Formby is serving his fourth year as county judge of Dickens county. During his administration his friends pointed out Dickens County is operating on a cash basis for the first time in 15 years and the citizens of the county are enjoying the lowest tax rate for that county in 22 years. Bank deposits for the county funds are the highest in 10 years.

It was also pointed out that the county's debt was reduced during this time almost 25 per cent or nearly \$100,000. At the same time adequate relief projects were sponsored by the county to take care of the unemployed.

A graduate of Texas Technological College of the class of 1932, Judge Formby is president of the Alumni and Ex-Students Association, an organization composed of the 40,000 former students of Tech. Last fall as president of the association he recommended to the executive council and succeeded in getting his proposal passed that a certain amount of the alumni dues be set aside for a permanent building or loan fund for the association to enable in the future more Texas youths to attend college.

Judge Formby is also president of the West Texas County Judges and Commissioners Association, an organization of 124 West Texas counties. Since he assumed this office last September, he has taken the lead in getting large WPA quotas for West Texas and recently made a trip to Washington to help work out plans for the certification to WPA rolls several thousand destitute and needy persons in West Texas. While in Washington in January he also was instrumental in obtaining larger grants for aid for the Farm Security clients in Texas.

Born in Hopkins County Judge Formby moved to McAdoo with his parents when he was five years of age. Following his graduation from the McAdoo and Spur schools, he entered Texas Tech. During his senior year at Tech he was editor of the campus newspaper, The Torch. Following his graduation from Tech, he was a newspaper reporter and publisher at one time the Asperment Star before he was elected county judge of Dickens County.

Is Farmer Himself
The 30th Senatorial district is composed of the following counties: Andrews, Martin, Howard, Gaines, Dawson, Borden, Yoakum, Terry, Lynn, Garza, Kent, Stonewall, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Bailey, Lamb, Hale, Floyd, Motley and Cottle.

The Dickens County Judge said that he would issue a statement of his platform within the next few weeks. A 160-acre farm himself he indicated that he intended to champion the cause of the average farmer, and laboring and business man of West Texas.

"When these three prosper," he said, "the people as a whole enjoy prosperity."

Chuck Jacobs of Tech, Lubbock, spent the week end here visiting with his parents, Mr. and Mrs. A. E. Jacobs.

NEW LIFE

Change Winter-killed oil—
and here's why to
change to OIL-PLATING

Slush in the gutter is scarcely thinner and dirtier than Winter oil over-staying in your engine. Drain now, warns your judgment—and Car Manual. But get more than a re-filled crankcase. Get cylinders, rings, bearings, and other precious parts OIL-PLATED by making sure that you change to Conoco Germ Processed oil—patented.

Your Mileage Merchant puts it in at an ordinary price, in the ordinary way. But how extraordinary is the man-made extra substance in the Conoco formula, that sets Germ Processed

oil apart. For here is oil whose strong "power of attraction" makes engine parts draw glossy OIL-PLATING all over themselves and keep holding it close—as drain-proof as plating on hub caps.

Not for one instant can OIL-PLATING go draining "down home" to the crankcase. Though you're speeding the limit or parking long hours, OIL-PLATING is always faithfully maintained. All in addition to the strong oil-film of Germ Processed oil, this drain-proof OIL-PLATING helps to keep down wear. And that's how to keep your engine nearest to the oil economy of its youth. Your correct Germ Processed oil for Spring, at Your Mileage Merchant's Conoco station today, will give you the change to an OIL-PLATED engine. Continental Oil Company

"A program of industrial development centers around the manufacture of raw materials into finished products"

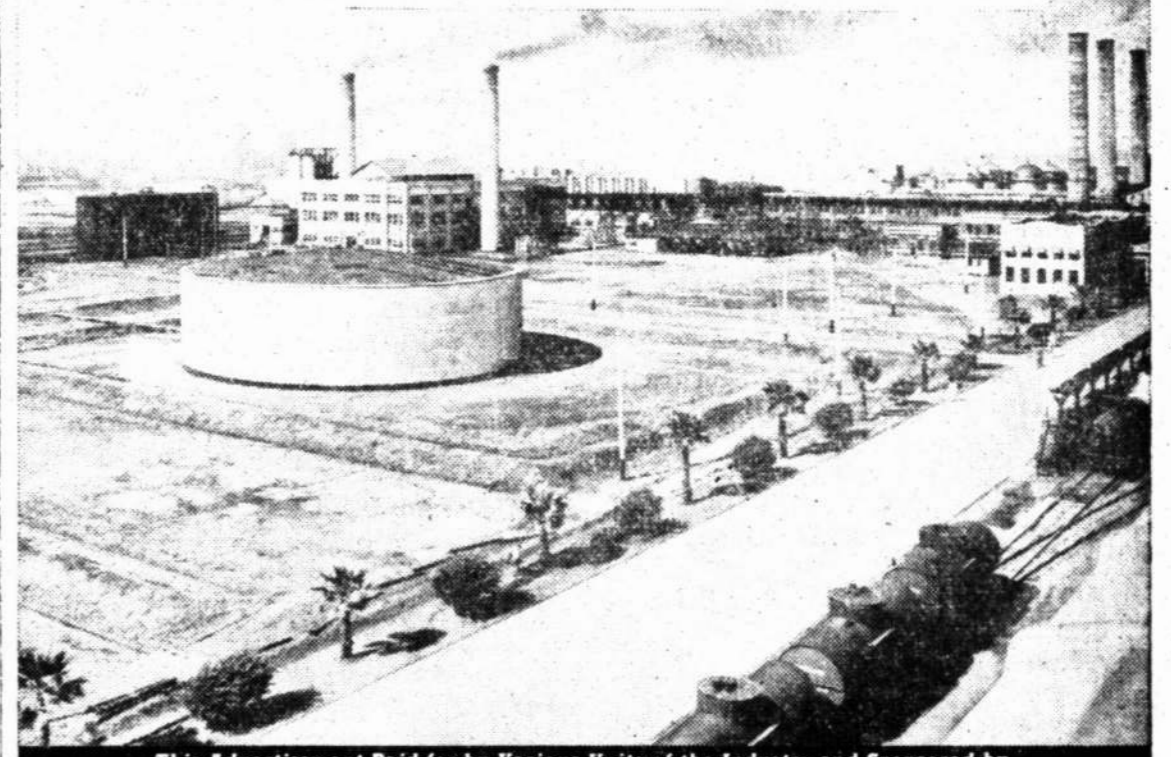

LOCATED in all sections of Texas, 141 refineries manufacture into finished petroleum products 80 per cent of the State's crude oil production.

In contrast, Texas processes only 3 per cent of its cotton production and none of its wool or mohair.

Petroleum refining now constitutes 41 per cent of the value of all Texas manufactures.

Of the 225,000 Texans regularly employed by the oil business of the State, 25,000 skilled workmen and 5,000 office employees (a \$50,000,000 annual payroll) are employed in this one division of our oil industry.

All of the Texas oil refined in our State, whether used in Texas or shipped to other states, paid last year in taxes an average of 9.8 cents per barrel.

This Advertisement Paid for by Various Units of the Industry and Sponsored by TEXAS MID-CENTRAL OIL AND GAS ASSOCIATION

YOU CAN PAY MORE -but why?

You can pay a lot more than the modest Chevrolet price for a motor car. But you'll find yourself asking, "Where can I get any more beauty, driving and riding ease, road action, safety and all-round value than I get in Chevrolet for '40?'" . . . Particularly when you consider Chevrolet's extremely low prices and Chevrolet's exceptionally low cost of operation and upkeep!

The 1940 Chevrolet gives higher quality at low cost! . . . Low Prices . . . Low Operating Costs . . . Low Upkeep.

Rotary-

(Continued from Front Page)
 rant of Abilene is Governor, are at this time scheduling the Institute. They are Graham, Pampa, Stamford and Borger. It is of spec-

ial significance that these Institutes have been sponsored successfully under the auspices of numerous Rotary clubs throughout the country. They have been held in cities and towns varying in size from Omaha, Nebraska; Lynn, Massachusetts; and San Antonio,

Texas, to smaller communities such as Ambler, Pennsylvania; Hopkinsville, Kentucky; Rantoul, Illinois; Lapeer, Michigan and Neligh, Nebraska.

Communities sponsoring Institutes are high in their praises of them as is evidenced by comments from observers and participants. Lewis M. Walker of Gilman III, a District Governor of Rotary International, states: "The interest in the Institutes surpassed our most fervent hopes. The attendance was excellent everywhere, and the speakers did not disappoint." D. K. Caldwell of Tyler, Texas, says: "All of the speakers were well received and the four lectures made a well-balanced program which was greatly appreciated by the Rotary Club and the citizens of Tyler." Dr. B. N. Greenberg of York, Nebraska, comments as follows: "The Institute was acclaimed as the greatest contribution of Rotary to this community. The club itself is so enthusiastic that it would like to secure another Institute early this coming spring." From Campbellsville, Kentucky, comes the message: "Institute was one of the best things ever brought to this city. Rotarians and non-Rotarians alike were very high in their praise of the lectures and looking forward to another series next spring."

The list of Lamesa Rotarians responsible for visiting and inviting other clubs to attend the Institute follows: Big Spring, Carl Rountree and W. J. Beckman; Midland, M. C. Lindsey and Ross Boardman; Odessa, Bill Wallace and Joe Alexander; Seminole, Vernon Bryant and Walter H. Collins; Seagraves, Owen Taylor and Morris Beavers; Brownfield, S. S. Forrest and W. B. Collins; Lubbock, V. Z. Rogers and Sam Richardson; Slaton, S. L. Forrest and Raymond Lee Johns; Post, C. A. Hollingsworth and Mildred McDonald; Tahoka, Homer T. St. Clair and Joe Pierce; O'Donnell, Elmer Barron and V. O. Kiv.

Members of other communities working on plans for the Institute are V. Z. Rogers and Rev. David Murray, arrangements; Joe Alexander, Morris Beavers and Raymond Lee Johns, publicity; Swanson Hurt, C. A. Hollingsworth, and Matt McCall, tickets.

Tickets, available to the general public, since it is designed for everyone interested and not confined to Rotarians, are available at \$1 for the entire season of four lectures, or individually for 35 cents each.

CUB SCOUTS VISIT CEDAR LAKE FRIDAY
 The Cub Scouts of Den Two, visited Cedar Lake Friday March 8th. They saw the birthplace of Quanah Parker on the old battlefield they picked up arrowheads and flints. One steel arrowhead was found. Later they had lunch, after which they explored a few caves. After lunch they went to the Indian Festival ground and played. Later they went to the oysterbeds. Upon their return home, they reported a wonderful visit.

Production Of Fruit In Texas Rises Sharply

As nearly 900,000 fruit trees and vines planted by Texas home demonstration club women and 4-H club girls during the past three years came into production over 1939, production of fruit rose 1,150,398 pounds over the figure for the previous year.

This factor and unusually favorable weather conditions brought the figure from 2,258,804 pounds in 1938 to 3,410,202 pounds in 1939, in the opinion of Jennie Camp, specialist in home production in planning of the Extension Service of Texas A. and M. College.

For the purpose of providing future increases in fruit for home use, 72,228 home demonstration club women and 4-H girls planted 631,742 fruit trees and vines during the year. In addition, more than three million peach or other fruit seed were planted for budding in 1940, an increase of 1,819,248 over 1938 plantings of seed.

Proper care and management of orchards were emphasized by J. F. Rosborough, Extension horticulturist, with the result that 77,547 fruit and nut trees were budded to improved varieties and numerous other recommended practices were followed, including the planting of green manure crops to increase orchard fertility.

The list of Lamesa Rotarians responsible for visiting and inviting other clubs to attend the Institute follows: Big Spring, Carl Rountree and W. J. Beckman; Midland, M. C. Lindsey and Ross Boardman; Odessa, Bill Wallace and Joe Alexander; Seminole, Vernon Bryant and Walter H. Collins; Seagraves, Owen Taylor and Morris Beavers; Brownfield, S. S. Forrest and W. B. Collins; Lubbock, V. Z. Rogers and Sam Richardson; Slaton, S. L. Forrest and Raymond Lee Johns; Post, C. A. Hollingsworth and Mildred McDonald; Tahoka, Homer T. St. Clair and Joe Pierce; O'Donnell, Elmer Barron and V. O. Kiv.

What Feed To Plant Worries Texas Farmer

This is the season of the year when the farmer starts figuring on what feed crop to plant for silage.

Some crops are high in per ton value, others in yield per acre.

The problem is further complicated by the fact that the value on a per ton basis differs for various kinds of livestock. R. E. Dickson of the Spur Experiment Station found that red top sorghum cane has the same value per ton as hegari for fattening two-year old steers. Most authorities agree that hegari has a greater food value than red top for dairy cattle and horses.

What the farmer wants is the crop that will return the most dollars per acre.

The following figures compiled by E. R. Eudaly, dairyman of the Texas A. and M. Extension Service, may help farmers pick the most profitable crop for silage intended for dairy cows.

The crops are rated on a per ton basis as follows: Corn, grain sorghums, sudan grass, johnson grass. The difference in per ton value is about 10 percent for each class. Thus, if corn silage is worth \$5 per ton, grain sorghum silage would be valued at \$4.50, sweet sorghum silage at \$4, sudan grass at \$3.50 and johnson grass at \$3.

The average per acre yield for Texas rurlis about like this: corn, four tons of silage; grain sorghums, six tons; sweet sorghums, seven tons; sudan grass, six tons, and johnson grass, five tons per acre.

Using the assigned per ton value and the average yield, corn would return \$20 an acre, grain sorghum \$27, sweet sorghum \$28, and so on. Since farmers have a pretty good idea of the yields of the different feed crops in their communities, the problem is one of multiplication.

Sanitation-

(Continued from Front Page)
 expenditure is held at a minimum and well within the reach of everyone in the County.

It is realized that the old, open-back privy is an unsightly condition as well as being responsible for much every day sickness. At least, children should have the opportunity to grow into health men and women without having their health impaired with some illness that will interfere with an otherwise normal and happy life span. This is a part of a nation-wide movement and everyone in Dawson County should do his part and secure a sanitary toilet while free labor is available for the purpose.

The units are constructed according to the State Department of Health specifications and are finished in a neat workman-like condition. The service of a unit for the average family is from five to eight years, when the pit fills up. At the end of that period a new pit is dug and the entire unit moved over the new pit.

The rural schools should give particular attention to this matter, as approved septic tanks can be constructed on public property as well as privies. Those interested are advised to contact Sherman Moulton, County Sanitation Solicitor, through the County Judge's office at the courthouse or write him at Lamesa, Texas.

UNDERGOES OPERATION

Charles Lee Privett, son of Mr. and Mrs. Clyde Privett, underwent an operation Tuesday at the Baylor hospital at Dallas. Charles Lee is reported as doing nicely.

Constipated?

"For 30 years I had constipation, and my blood, bowels and back pains. Adlerika helped right away. Now I eat heartily, sleep peacefully, and feel like a new man." - Mrs. Mabel Schmitt.

John Burleson of Lubbock is here visiting in the home of his son, Mr. and Mrs. Elzie Burleson this week.

Texas Safety Conference To Hold Meet

The Texas Safety Conference on April 16 and 17 will be held in the state capitol building. It was announced at Austin today by the Texas Safety Association.

The two-day conference will be attended by several thousand civic leaders and officials from over the state who will hear the nation's outstanding traffic safety authorities.

The statewide conference is sponsored by the Texas Safety Association, state departments, and scores of statewide organizations.

Governor W. Lee O'Daniel has been invited to make the welcoming address to the delegates. The Texas State Network will broadcast proceedings of the conference.

Awards to mayors of Texas' safest cities in 1939 will be featured at the annual Safety Award Banquet, which will have Paul G. Hoffman, president of Studebaker corporation, as the principal speaker.

Traffic safety exhibits prepared by state departments, state organizations and municipalities will be an attraction for conference visitors.

No registration fee will be charged.

Chevrolet Sales Reaches Ten-Year High

A 65 per cent gain in new car and truck sales during the last nine days of February, as compared with the corresponding period in February, 1939, enabled Chevrolet dealers to finish the month with the highest February total of all times, 1929 alone excepted. It was announced at the company's headquarters here today. New car sales for the month totalled 74,932.

During the last nine days of February, 28,323 cars and trucks were sold, as compared with 17,137 in the same period last year.

Volume for the final period of the short month just ended was substantially more than half that for the whole month of February, 1939, when 50,788 units were sold.

Significant, as an index of Spring business, is the fact that even in the face of this sharp upturn in the new unit sales, Chevrolet dealers reduced their field stock of used cars during the last nine days of a rise in used car stock normally accompanies an increase in new car sales. Reversing this trend however, Chevrolet dealers lowered their stocks nearly 1,000 units in spite of the new car gains. Sales of used cars totalled 60,050 in the last nine days, bringing the months aggregate to 146,985, the highest February used car figure in the company's history with the exception of 1936.

TO PREACH AT HIGHWAY BAPTIST CHURCH

Rev. Evin, pastor of the Vealmoor Church will preach at Hiway Baptist Church Sunday, March 17 at both morning and evening services. The public is cordially invited to attend.

FORTY-TWO PARTY IS POSTPONED

The Forty-two party which was scheduled to be held Friday night by the American Legion and Auxiliary, has been postponed until an indefinite date. It was announced this week. Definite dates, when they are set will be announced in the Courier.

MRS. LOWERY REMAINS SERIOUSLY ILL

Friends in Lamesa will be sorry to know that Mrs. J. R. Lowery, former citizen of Lamesa and now of San Angelo, remains critically ill at her home there. Many friends and relatives of Lamesa have visited her during the past week.

Farmers and ranchmen can get sample farm census schedules and information about the farm census from county agricultural agents.

Centennial of the first agricultural census ever taken in the United States is being observed in 1940 as work on the decennial census begins.

"The 1840 and 1940 census schedules relating to agriculture are about as similar as a flea and an elephant", according to an economist in the USDA's Bureau of Agricultural Economics.

Mr. and Mrs. Essie Moore and daughter of Clovis, N. M., spent the week end here with relatives.

OLDSMOBILE SALES ARE UP

Oldsmobile retail sales for the last 10 days of February set a new all time high for the period with a total of 5,753 cars. This represents a gain of 102 per cent over the 2,855 cars sold in the same period a year ago, according to D. E. Ralston general sales manager.

Sales for the entire month of February also established a new record with a total of 13,541 units which is an increase of more than 59 per cent over the 8,496 cars sold in February, 1939.

Mr. Ralston also pointed out that retail sales of 13,541 for February exceeded the January sales of 12,370, which is the first time since the fall announcement of new models that February sales have been larger than those of January.

"This great record set by our dealers in February seems to be conclusive proof that the forthcoming spring selling months have great possibilities of the model run," Ralston said.

Another interesting fact, Ralston mentioned, is the increased sales of the Custom Eight Cruiser. During the month of February, 3,505 of this model were sold against 1,069 eight cylinder Oldsmobile a year ago.

"This particular model is meeting with splendid reception from fine car buyers everywhere. With deliveries of Oldsmobiles exclusive Hydra-Metic drive on the increase and the enthusiastic response from owners, we expect an even greater popularity for the Custom Eight Cruiser in the months to come," Ralston said.

Mr. and Mrs. Bill Creighton left Friday for Ft. Worth where they will attend the Fat Stock show.

Mr. and Mrs. Eocan Caldwell and children of Alpine spent the week end here with relatives and friends.

Morrison To Be First Speaker Of Series

Dr. John A. Morrison

John Alexander Morrison was educated at Dartmouth College, University of Breslau, Germany, Osteuropa Institute in Breslau, and at the University of Chicago from which institution he received his doctor's degree. He was a member of the Department of Geog-

ical observations in Delmatia, Finland to the Arctic region and then south through Swedish Lapland. He was a member of the Anatolian Expedition of the Oriental Institute engaged in excavation at Alisar, central Anatolia, serving with this expedition during the seasons of 1930 and 1932.

In June 1937, he attended the Seventeenth International Geological Congress held in Moscow. He was a member of the Siberian Expedition of that Congress. Following his return to Moscow from Siberia, he spent six weeks studying the territorial-administrative structure of the U. S. S. R. and the various aspects of its economic geography. At the outbreak of the Sept. 1 Dr. preparation in the field of geography, he has done considerable traveling both independently and as a member of expeditions. He spent a month each in geograph-

Morrison was in Moscow and left several days later by airplane after the Red Army began the occupation of eastern Poland. He collaborated with H. H. von der Osten in writing the Oriental Institute Communication entitled, "Discoveries in Anatolia." He has written for "The American Quarterly" on the Soviet Union on such subjects as "Territorial Administrative Structure of the U. S. S. R." and has published a dissertation entitled "Alisar, a Unit of Land Occupation in Central Anatolia (1938)." He is at present working on a geography of the Soviet Union.

Quality in hay really means feed value. The factors which affect quality include the maturity or ripeness, the percentage of leaves, and the color. It also includes amount of foreign material, such as weeds mixed with the hay, the size and pliability of the stems, and even the "smell."

FARM BOYS AND GIRLS WILL HAVE OPPORTUNITY TO GET LOANS FOR LIVESTOCK

Loans Made Available This Year For First Time Says Collins

Farm boys and girls in Dawson County will be enabled to participate in 4-H Club and Future Farmers of America junior educational and demonstrational farm projects during 1940 with loans advanced by the Farm Security Administration.

New regulations making such loans possible were announced by S. P. Collins, FSA rehabilitation supervisor in Dawson County. "All young people enrolled in these junior farm groups, and whose parents are among the FSA borrowers," Mr. Collins said, "may secure loans of not more than \$75

for purchase of calf, sow, poultry or other young livestock, as well as seed, plants and fertilizer, for projects approved by the county extension agent or Smith-Hughes instructors in charge of the projects.

Mr. Collins said that by making loans available to young people with no other source of credit, the program is expected to bring the families more into normal community life, sponsor useful farm projects, and contribute to rehabilitation.

He explained the new loan plan will enable county agents and vocational agriculture teachers to broaden their activities and reach a larger number of rural young

people who heretofore have been unable to participate in such projects because of limited funds.

Loan applications must be made to the county FSA supervisor and approved by the project leader. Security on loans will include a note signed jointly with parents and chattel or crop mortgages, with interest at five per cent.

"This is another case," Mr. Collins said, "where the Farm Security Administration is seeking to broaden its facilities to help low-income farm families in cooperation with other agencies. I am sure there are a number of boys and girls in Dawson county who will benefit from this plan."

FAIRVIEW H. D. CLUB

The Fairview Home Demonstration club will meet in the home of Mrs. O. G. Kelley, March 19th at 2:30 p. m.

Miss Mattie Phenix gave a demonstration on Preparing and serving of les tender cuts of meat. Visitors are always welcome.

New Regional FSA Director Takes Over

Entire Region Will Be Greatly Benefitted Under Newest Set-up

L. H. Hauter, regional director of the Farm Security Administration will go to Washington April 1 on an assignment to serve as a member of the Administrator's staff, according to word received here by S. P. Collins, County FSA Supervisor.

Mr. Collins learned that Wilson Cowen, former member of the regional FSA staff, with headquarters at Amarillo, Texas, will return from Washington on an assignment as acting regional director.

In Washington Mr. Hauter will devote special attention to the

land use phases of the Farm Security Administration's program. In the invitation for Mr. Hauter to join his staff, Administrator Dr. Will W. Alexander said: "Because of your long experience in this field and because of the competent leadership you have demonstrated in the handling of the Farm Security Administration's program in a seriously affected area it is felt your services in this position would be of national significance."

Mr. Hauter has been director of region 12 since it was created in January, 1936. He was formerly in charge of land utilization projects in six Western states with headquarters at Berkeley, California. Between 1918 and 1934 he was a member of the staff of the New Mexico State College at Las Cruces, serving as head of the Department of Agricultural Economics and assistant director of extension.

Under Mr. Hauter's guidance, Mr. Collins said, this region is among the top ranking regions in

the United States. Although confronted with drought, dust and land use problems, the loan and collection record of this agency is among the best in the country, according to Washington reports. The Farm Tenant Purchase Program and the water Facilities Program are equally outstanding.

In advices to filed employes of his assignment to the Washington staff, Mr. Hauter said, "Wilson Cowen is thoroughly familiar with the region served by the Amarillo office and I am sure he will have no difficulty in assuming his new responsibilities."

Eighty-four percent of 73,077 families served by cooperatives financed through the Rural Electrification Administration are using electric irons after 10 months of electric service, according to a survey made in 123 cooperatives. Eighty-two percent of the families have radios and 59 per cent have washing machines.

Here's Your New 1940 FRIGIDAIRE AT PRICES NEVER BEFORE THOUGHT POSSIBLE!

IT'S BIG
IT'S BEAUTIFUL
IT'S A BARGAIN

Lowest price ever **\$17.00**
FOR A BIG 1940
6 CU. FT. GENUINE
FRIGIDAIRE

Biggest 6 cubic foot value Frigidaire ever offered. 11.4 sq. ft. of storage space. 1-piece stainless steel cabinet. 10-chamber motor-mixer mechanism in interior. Automatic Reset Defroster. Large Cold Storage Tray. Big Cold Storage Tray. And many other advantages. Frigidaire's famous Year Protection Plan.

See Why Frigidaire is the Better Buy!

Double-Easy QuickCube Trays come loose and cubes pop out instantly. No hacking, no melting under faucet. No "gadgets" to lose or misplace. Greatest ice convenience ever offered.

Glass-Topped Food Hydrators guard freshness of fruits, vegetables, perishables so amazingly you actually see dewy moisture on the glass covers. Preserve color, flavor, for days longer.

New Stainless Chromium Shelves dramatize the beauty of Frigidaire interiors with bright, mirror-smooth luster. Rustless and sanitary. Stay new for years. Can be cleaned in a jiffy.

Extra-Large Meat Tender slides out like a drawer. Saves food dollars every month by properly protecting all kinds of fresh meat and fowl. Also stores 100% extra supply of ice cubes.

One-Piece Steel Cabinet built to last a generation, seals in the insulation and prevents "water-logging" that destroys cold-keeping efficiency. Easiest of all cabinets to keep clean.

Meter-Mixer... simplest cold-making mechanism ever built. Self-oiling, self-cooling. Silent, efficient—uses less current than ever before. Exclusive F-114 Refrigerant, safest ever known!

Model illustrated above Cold-Wall Imperial 6-40

This year see the greatest Frigidaire of all time—at the lowest price in history. See thrilling new beauty, new convenience features and new low prices that surpass anything ever offered before. It's the crowning achievement of America's leading maker of refrigerators. No wonder those who have seen the new models say, "FRIGIDAIRE is The Year's Biggest Bargain in Home Refrigeration!" We've cut prices to the bone. Just imagine! You can own a genuine 1940 6 cubic foot Frigidaire for only a little more than \$100! Your Frigidaire dealer has the PROOF of greater value. Ask him to show you how the new 1940 Frigidaire keeps food safer and freezes ice faster at the lowest cost in Frigidaire history. See the dozens of features that bring food-convenience to its highest level. Look inside the mechanism and cabinet walls for the story of sturdy, long-lasting durability and silent efficiency. See how Frigidaire includes many of its greatest deluxe features in even the lower priced models... and remember, all of them are lower in price than ever before! Compare Frigidaire quality with that of any other refrigerator at any price... bar none! See for yourself why Frigidaire leads all others in home refrigeration. Frigidaire—the greatest name in refrigeration—shines with more brilliance than ever as the big, beautiful bargain of the year. The PROOF awaits you at your nearby Frigidaire dealer's—step in and get it... today!

FRIGIDAIRE DIVISION
General Motors Sales Corporation, Dayton, Ohio

16 Beautiful Models... 16 Sensational Prices

Super Value 6. Beautiful new design. 1-piece steel cabinet. Stainless Chromium shelves. Every tray a Double-Easy QuickCube Tray. Stainless Porcelain in food compartment. Large Cold Storage Tray. Automatic Reset Defroster. Finished in durable Dulux. 11 sq. ft. shelf space. 3 ice trays—1 double width. 36 ice cubes. 10 lbs. of ice at one freezing! New Low Price **\$132.00** Only.

Super Value 8. One of biggest bargains in size and price Frigidaire has ever offered. Has Stainless Chromium Shelves, every ice tray a QuickCube Tray and all same basic features as Super Value 6... with more size! 17.1 sq. ft. shelf space. 3 ice trays—1 double width. 84 ice cubes. 10 lbs. of ice at one freezing! New Low Price **\$173.00** Only.

"Cold-Wall" Master 6. Famous "Cold-Wall" Principle for keeping food's natural moisture and freshness days longer. 12.4 sq. ft. shelf space. Stainless Chromium Shelves. 3 Double-Easy QuickCube Trays—1 double width. Large Glass-Topped Sliding Food Hydrator. Extra-Large Meat Tender. And every basic Frigidaire advantage. Finished in durable Dulux. New Low Price Only **\$187.50**

"Cold-Wall" Deluxe 6. Equipped with every single one of Frigidaire's great new 1940 features including famous "Cold-Wall" Principle. 12.4 sq. ft. shelf space. Stainless Chromium Shelves. Two sliding Glass-Topped Hydrators. 5 Double-Easy QuickCube Trays—1 double width. Extra-Large Meat Tender... plus all the basic Frigidaire advantages. New Low Price Only **\$218.00**

A WORD OF CAUTION
Some stores may use the name "FRIGIDAIRE" loosely to identify other makes of refrigerators and thus confuse the public. Don't be fooled! If a refrigerator does not bear the "FRIGIDAIRE" name-plate, it is not a FRIGIDAIRE and will not offer the advantages set forth in this advertisement.
FRIGIDAIRE is the trade-mark of the refrigerator manufactured by the Frigidaire Division of General Motors—worldwide leaders in the refrigerator, range and motor car industries. Be sure the store you go to sells FRIGIDAIRE, made only by General Motors.

Young Democrats To Meet March 16 In Amarillo

Young Democrats of West Texas hold annual convention in Amarillo, Saturday, March 16, according to announcement made this week.

WINTER SNOWS BRING ADDED MOISTURE

Winter snows have brought much needed moisture to most of the Southern Great Plains region, but soil blowing may be expected this spring where crops failed last year.

Where tillage is on the contour, not only is soil movement checked, but the land also is placed in condition to catch and hold moisture from spring rains which otherwise might be lost by run-off.

KEY HOME DEMONSTRATION CLUB REPORT

The Key Home Demonstration Club met in the home of Mrs. J. A. Lynch, March 8, at 2:30 P. M.

SURVEY SHOWS 120 DEATHS IN COUNTY 1939

Table with 2 columns: Cause of Death, Number of Deaths. Includes Heart Disease (17), Cancer (16), Accidental (16), Nephritis (16), Tuberculosis (16), Typhoid (16), Senility (16), Cerebral Hemorrhage (16), Eteptococic Septicemia (16), Parionitis (16), Myeloid leukemia (16), Polson (16), Meningitis (16), Agranulocytosis (16), All others (39).

The Health Department would like to point out what can be done this year to lower the death rate from some of the above diseases.

and when influenza and other respiratory infection set in. The occurrence of cancer is a major public health problem since the exact cause has not as yet been determined.

The death rate from tuberculosis can be greatly lowered if an early diagnosis is made and proper treatment is instituted by the family physician.

TEXAS OUT-O'-DOORS

Practically all of the 20,000 quail which the Texas Game, Fish and Oyster Commission will distribute this year have been planted in practically every section of the state.

The policy of distributing quail on this basis has been followed by the Texas Department for several years. In addition the Department is painting several thousand birds this year on quail restoration areas.

Many Quail Shipped Mexican quail, which are used by several states for restocking purposes, are moving through Texas now. It is estimated by the Uvalde Leader-News that more than 100,000 will be sent through the ports of Laredo, Del Rio and Eagle Pass.

Caster Catches Jacksnipe

S. L. Davidson of Bay City, did not catch a flying fish recently, but probably thought he did when he got a vicious strike when his artificial lure was in mid-air.

Cardinal Has Illusions

Mickey Hart's new motor car is only a little worse for the experience, but the Texan is wondering how much the bill of a certain cardinal suffered.

Mr. and Mrs. Vernon Sellers of Big Spring

In 1935 one-third of the tenant farmers in the United States moved to other farms. This involved movement of 5,000,000 people and cost an average of \$50 per family.

Local Happenings

Mr. and Mrs. Kirk McKinnon of Simmons University, Abilene, spent the week end here visiting in the home of Mr. and Mrs. Dee Hull.

Mr. Willard Cook and daughter of Hobbs, N. M., are here visiting with friends and relatives.

Mr. and Mrs. A. E. Jacobs are attending the Fat Stock Show at Ft. Worth this week.

Mrs. Howard Lee and Mrs. Russell Crawford visited with relatives and friends in Lovington, N. M. Sunday.

Mr. and Mrs. Donald Williams of Seagraves spent Sunday here with relatives and friends.

Mr. and Mrs. G. F. Williams of Pampa, Texas were week end guests of Mrs. Mildred Barron.

Alton Gulian Gross, son of Mrs. Bessie Gross spent the week end at Colorado City with his grandparents.

Mr. and Mrs. S. S. Forrest attended the funeral of Mrs. J. G. Ragle at Ralls Tuesday.

Mrs. Ploy Barfoot is visiting in Spur this week with relatives.

Mrs. Monty Montgomery of Los Angeles, California is visiting in the home of her sister, Mr. and Mrs. J. R. Leuenberger.

Mr. and Mrs. S. P. White spent Sunday in Lubbock visiting with El Wanda Oliver.

Dr. and Mrs. N. H. Price are attending a Medical Convention in Dallas this week.

Mr. and Mrs. Jud Watson and LaVell Gable spent Monday in Snyder visiting with friends.

Mr. and Mrs. Jud Watson and Mr. and Mrs. J. C. Mitchell spent the week end at Ft. Worth attending the Fat Stock Show.

Dr. and Mrs. McIlroy and Bobby Dee Wyche spent the week end at Ft. Worth attending the Fat Stock Show.

Ruby Herndon spent Sunday in the Wilson community visiting with friends.

Mrs. Mattie Herndon, Mrs. H. H. Wright and daughter spent several days this past week at Demmitt.

Erosion has already cost the U. S. agriculture 10 billion dollars. If this waste is not stopped, the cumulative loss will be 25 billion dollars in another 50 years, or an average of \$4,000 per farm.

Mrs. Joe Green and daughter spent Sunday in Anson visiting with friends and relatives.

Dr. Cox Says:-

Looking out in the world with clear vision is the birthright of each and everyone, according to Dr. Geo. W. Cox, State Health Officer. Texas has many hundreds of persons that are blind or with impaired vision.

In the examination of school children other diseases of the eyes are encountered quite frequently. Chief among these is trachoma. This disease is contagious and characterized by the formation of causes a destructive inflammation trachoma granulations. These gradually form scar tissue. Trachoma, if left untreated, will impair the vision and eventually cause blindness.

Trachoma is prevalent where poor sanitary conditions exist. The prevention of this disease consists not only in avoiding the infection but also in maintaining sanitary conditions. Parents should watch closely for any indication of anything wrong with the vision of their children.

March 18-19-20 BRYANT-LINK CO.

Misses Ina and Nina Bennett, the week end here visiting Dr. and students at Baylor University, spent Mrs. John Bennett.

Sox and Pirates To Play Ball At Lubbock

Sam Rosenthal, president of the Lubbock baseball club, announced today that the Chicago White Sox of the American League and the Pittsburgh Pirates of the National League circuit would definitely plan an exhibition game at the Lubbock baseball park on Thursday Afternoon, April 4 at 2:30 o'clock.

It will be the first time in history that two major league teams have played a spring exhibition game in Lubbock, and Rosenthal anticipates a huge South Plains crowd at the game. The White Sox and Pirates will clash in ten exhibition games this spring, and Lubbock will be the scene of the third game of the series.

There is a strong possibility that Big Jack Knott, a well known West Texas star from Brownwood, will pitch for the White Sox in the exhibition. Knott, right-handed curve ball artist, won 11 and lost 6 for the Sox last year. Manager Jimmy Dykes of the White Sox has advised Rosenthal that he probably will save Knott for mound duty here.

Rosenthal has announced that the Lubbock game will feature the absolute first string line-ups of the White Sox and Pirates. Some of the Sox stars who will definitely play here include Luke Appling, ss, who batted 314 last season; Eric McNair, infielder, who slpped American league pitching for a 324 average last season. Michael Kreevich, outfielder, who solved the American League slab artists for a 323 average; Michael Trash, the league's best young catcher, and Ted Lyons, veteran of more than fifteen American league campaigns who won 14 and lost 6 last season with his slow, teasing curves and change of pace.

South Plains fans will have their first opportunity to see the veteran Frankie Frisch as manager of the Pittsburgh Pirates. Frisch has replaced "Pie" Traynor as skipper of the pirates and promises to give the Cincinnati Reds a torrid battle for the National league pennant this season. In his playing days with the New York Giants, Frisch was one of the greatest second sackers of all time. The pirates will show two of the greatest outfielders in the majors in Paul and Lloyd Waner, both heavy sluggers and both real ball hawks. Ark Vaughn, conceded to be the best shortstop in the Nationals will be at that position for the Pirates when they play at Lubbock.

Mrs. Wells Loveless left Friday for Wichita, Kan. for a visit with relatives and friends.

L. M. Thornton and Russel Crawford are in Amarillo this week attending to business.

Mr. and Mrs. J. H. Pierce left Friday for Fort Worth where they will attend the Stock Show.

Miss Jo Evelyn Davis of Sul Ross at Alpine spent the week end here with relatives and friends.

SEALED BIDS will be opened at 2:00 P. M. of April 10th, 1940, for construction of a four class room addition to Flower Grove Independent Schools situated about 15 miles south of Lamesa, Texas. Separate or combined bids will be accepted covering General Construction, Plumbing and Heating and Electrical. Plans may be furnished by Harvey C. Allen, Architect, Lamesa, Texas.

Flower Grove Independent School District. By Harvey C. Allen. 9-21c

ers in Texas, New Mexico, Oklahoma, Kansas and Colorado is an important yard stick in measuring progress in rehabilitation it is not the only index of progress according to FSA officials.

The increased net worth of these rural people, higher living standards and better health are of equal importance in the records for the past seven months.

FSA Collections In This District Are Much Better

Reports Show Amounts Paid Far Exceed Those Of The Year Before

Collection of funds advanced to low-income farm families in Region 12 of the Farm Security Administration for the first seven months of the current fiscal year exceeded collections for the last fiscal year by \$92,551.79, according to S. P. Collins, county FSA supervisor.

Between July 1, 1939 and February 29, 1940, FSA collections totaled \$2,388,781.85. This was an increase over a similar period last year of \$1,186,792.89.

Mr. Collins attributes the increased collections largely to the planned economy program of the Farm Security Administration for all families who borrow from this federal agency.

"This agency," said Mr. Collins, "is helping low-income farm families become self supporting, by giving them a little financial aid and guidance in sound farming practices."

"Farm families who borrow from FSA," he continued, "are assisted in planning their farm and home operations, keeping accurate records, and getting the best possible use out of the money they borrow."

Mr. Collins said diversification, a live-a-home program, conservation practices and the following approving methods of seeding feeding and production are some of the basic factors in the success of the thousands who are becoming rehabilitated.

Although the repayment record established by thousands of farm-

SHUMAKE

Donna Lova

There was a good attendance in Sunday School Sunday morning and at singing Sunday night.

Robert and Eldon Collitt visited relatives in the Key community Sunday.

Mr. and Mrs. S. Freeman and son of Monhans and Carroll Brandon of Plainview visited Mr. and Mrs. Buck Brandon Sunday.

Mrs. R. L. McCurry of Tahoka visited in the H. Richardson home this week.

Mr. and Mrs. Sid Birdwell and sons of Flower Grove visited a number of relatives in this community Sunday.

Katherine Greaves of Lamesa spent the week end with Vocia Truitt.

Audrey Whitmire, who is attending school in San Angelo is spending a few days at home.

FAIRVIEW

Georgia Mae Gibson

Sunday school and preaching services were well attended both Sunday and Sunday morning.

Mr. and Mrs. O. L. Harp of Hagin visited Mr. and Mrs. O. L. Harp Sr. Sunday.

Several from the community attended the party at Lee Outlaws night with Helen Jean Outlow.

Georgia Mae Gibson spent Friday Saturday night.

A fine sermon was rendered by Brother Moore last Thursday afternoon in dedication of our new building. You really see smiles on the student bodies faces since they have the privilege of going to school in a new building, even though it is harder to stay off the detention list, but we all feel like that there won't be any detention soon.

Mr. and Mrs. O. G. Kelly and family spent Sunday with Mr. and Mrs. King.

Every one is busy preparing for county meet.

Mr. and Mrs. Horace Tatum visited Mr. and Mrs. M. B. Gibson.

HIGGINBOTHAM

Mrs. Loran Cozart

Sunday School and church services were very well attended. Let's all come next Sunday and invite some one to come with us.

Rev. Holder will preach next Sunday. There will also be preaching next Sunday afternoon.

Mr. and Mrs. L. M. Baxter and family, Mrs. Lizzie Baxter, Phillip, Ellenora, Johnnie and Clinton Knobles spent Sunday with Mr. and Mrs. David Knobles at Level-land.

Mr. and Mrs. J. W. Pounds and family and Cecil Huddleston were guests in the W. P. Cozart home Sunday.

Edna Pounds was a dinner guest of Mr. and Mrs. Walbur Alderman Sunday.

Mr. and Mrs. Roy Cook and grandson and Mr. and Mrs. E. L. Cozart visited Mr. and Mrs. O. M. Archer Sunday.

Mr. and Mrs. J. L. Preston and daughter were guests of Mr. and Mrs. T. L. Smith and Owen Smith Sunday.

Lois Cozart spent the week end with her sister and husband and Mr. and Mrs. Luther Lee of Sand.

Mr. and Mrs. J. W. Pounds, Mr. and Mrs. Luther Preston, Mrs. T. L. Smith and little daughter visited Mr. and Mrs. C. K. Gary Sunday afternoon.

The singing Sunday afternoon was very well attended. We were glad to have the visitors with us. Come back again next Second Sunday afternoon.

There are several cases of Whooping cough in this community.

Mr. and Mrs. W. E. Huddleston had as their guests Sunday, Mr. and Mrs. Daymon Deatheridge of Mt. Olive.

Mrs. W. P. Cozart, Mrs. C. L. Cozart and Mrs. Bill Bullock visited in the L. M. Baxter home Monday.

WOODY

Aladine Drennan

Mrs. Earnest Boatright was operated on last week for appendicitis. Jana Ruth Cox was on the sick list last week.

Brother Fouts filled his regular appointment Sunday morning and Sunday night at the Church of Christ.

Mr. and Mrs. T. D. Peacock spent Saturday night and Sunday in Big Spring.

Mr. and Mrs. J. D. Banta, Mr. and Mrs. G. V. Waldrop and families and Mr. and Mrs. Russell Martin visited in the home of Mr. and Mrs. O. H. Preston Sunday.

Mr. and Mrs. Bill Banta visited in the home of Mr. and Mrs. W. Womack Sunday.

Mr. and Mrs. W. R. Middleton visited relatives in Mungler community Sunday.

Douglas Brown, Dick McCown, and Leigh Faires visited D. L. Adcock, Jr. Sunday.

We are very glad to have Noamia Ford start to school here. We hope she will enjoy going here.

Marshall Dean Middleton spent Saturday night and Sunday with Clifford and Ray Womack.

La Wanda Banta spent one day last week with Anna Geneva Hunt.

B. Y. P. U. was not attended so well Sunday night.

Plans Going Forward For District Meeting Of P.-T. A. In Lamesa April 11

Dinner Will Be Held For Officers And Leaders April 10th

A dinner will be held Wednesday evening, April 10, in the Lamesa Country Club House, for members of the board of directors of the 14th District of the Texas Congress of Parents and Teachers...

Some 300 representatives are expected to attend from the 24 counties comprising the 14th district: Baylor, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Fisher, Floyd, Gaines, Garza, Hale, Hockley, Jones, Kent, King, Lamb, Lubbock, Lynn, Motley, Scurry, Stonewall, Towsy and Yoakum

At a meeting of the eighth district in Lubbock in 1929 local units were combined from the sixth and eighth districts to form the fourth district. Since that time there have been four district presidents...

Lamesa, 1931; Slaton, 1932; Brownfield, 1933; Snyder, 1934; Plainview, 1935; Spur, 1936; Hamlin, 1937; Floydada, 1938; Crosbyton, 1939. According to Mrs. Weaver subject of the conference this year will be "Education in a Democracy," around which the main program will be centered...

The National Congress of Parents and Teachers, of which Texas has been a member for 30 years, was founded in 1897 by Mrs. Theodore W. Birney of Washington, D. C. It was originally known as the National Congress of Mothers...

The Texas Congress was organized in Dallas 30 years ago by Mrs. Ella Caruthers Porter, who died in 1939. Texas has 2,224 local units with a membership of 131,600. The 14th District has had its most enormous growth during the past two years, district records reveal.

J. E. Debnam Is Candidate For Commissioner

The Courier is this week authorized to place the name of J. E. Debnam in the announcement column as a candidate for County Commissioner Precinct Four.

Mr. Debnam is a pioneer citizen of Dawson County and served as County Commissioner for several years, many years ago. He will have a statement to make to the voters in his precinct at a later date.

You are urged to give his candidacy your careful consideration when you vote in July.

S. D. Hay, Sudan, recording secretary; Mrs. E. S. Lee, Spur, corresponding secretary; Mrs. Surman, Post, historian; Mrs. H. F. Godeke, Lubbock, Parliamentarian. Vice presidents are Mrs. F. T. Whitaker, Jayton; Mrs. M. B. Hilburn, Lubbock; Mrs. Fred Rogers, Plainview; Mrs. McCall, Lamesa; Mrs. Wraymond Sims, Snyder; Mrs. B. F. Cogdill, Littlefield. Committeemen are W. B. Irvin, Lubbock, parent education; Mrs. J. B. Day, Rotan, life membership; Mrs. Frank Weir, Brownfield, publicity; Mrs. Alice Odum, Lindsey, Lamesa, music; Mrs. L. D. Odum, Slaton, endorsement; Mrs. P. C. Chenault, Snyder, motion pictures; Mrs. Kelly Sims, Post, yearbooks; Mrs. L. LaGrange, Amherst, recreation; Mrs. Walton Hale, Floydada, health; Mrs. C. E. Leon, Rotan, goals; Mrs. J. A. Stallings, Post, publications; Mrs. W. B. Irvin, Lubbock, radio; Mrs. George Lemon, Slaton, safety.

Fire Prevention Awards Will Be Made Next Week

Winners In Poster Contest In Schools Will Be Announced

LAMESA, March 13—Prizes will be awarded next week to students placing first, second and third in the three divisions, primary, elementary and high school, of the fire prevention contest sponsored by the Lamesa Chamber of Commerce...

Awards to be offered will be, in each division, first, a gold plated medal; second, silver-plated medal; third, a bronze medal. On the medals will be the word "art," signifying that the students have made posters depicting a fire prevention theme.

Supervisors of the contest entries in the various schools will be primary, Miss Lois Rister; elementary, Mrs. Ed Guynes; high school, Mrs. Jack McLaughlin. Winner in the local contests will be allowed to enter their work in the contest recently announced in Austin by the Texas Fire Insurance division...

M. Hatch Issues Statement To Lamesa Voters

In announcing as a candidate for the office of city commissioner I do so, fully realizing the responsibility of the position. Few people live in a city over a long period of years without feeling a sense of duty to those among whom he lives...

During the past years I have been interested in the welfare of our people. I believe I have the ability to view the problems which arise from time to time with an open mind and the decision will be fair and based on good judgment.

From time to time opportunities are arising which may never come our way again. I pledge myself to be alert to these chances of civic improvement and to work cooperatively with those you choose to share the responsibility of city government with me.

I trust that it will be possible for me to see and discuss my candidacy with each resident of Lamesa. It is my intention to know your desires and beliefs and base my actions and decisions on your requests when based on sound judgment.

If the people of Lamesa see fit to place me in the position I so earnestly solicit I assure you I shall show my true appreciation by the capable way my part of the responsibility of city government is conducted.

Your whole hearted support will be earnestly appreciated. Signed M. HATCH

Union School To Present Play Friday Night

Members Of Senior Class Will Present "A Pair Of Country Kids"

A three-act play, "A Pair of Country Kids", will be presented by members of the Senior Class of Union High School in the Union School auditorium, Friday night.

Farmers Of Dawson And Lynn Counties Reject Soil Conservation

According to figures compiled Monday afternoon the land owners of Lynn and Dawson Counties turned down the soil conservation district proposal by a vote of 279 for and 225 against. Although this was a majority in favor of the project, it was necessary that a two-thirds majority be received.

These figures released by Carson Echols, are not complete, lacking two boxes in Dawson County and three in Lynn county, but they do not contain sufficient votes to change the proposition.

LOYOLA

Mrs. H. A. Duke

Mr. and Mrs. Alva Lee of Odessa visited relatives here over the week end.

Mr. and Mrs. Ben Burner and family moved to Lamesa Monday.

Advise Farmers On Sorghum For Planting

Committee Tells What To Plant For Better Co-Operation

The committee of the Dawson County A. C. A. this week received new instructions about the kind of sweet sorghum to be planted as soil conservation crops in 1940, said Mr. Meeks, chairman. Two hybrids of sweet sorghum which were extensively used last year have been taken out the list which may be used this year. The "African White" and "Altas Sargo" are the two varieties used last year and are soil depleting this year. The varieties which are soil conserving and may be planted on soil conserving acres if certified seed are used are honek (seeds ribbon cane), sumac (red top) dwarf ashburn, orange, coleman, gosneek sourless (African Millet) and amber.

The committee is anxious for all producers in the county know of the change in the list of cane which may be used and in case of doubt certifier seed of the above is recommended to Mr. Meeks.

Freezer locker plants, or "safety deposit boxes for food" as they are called by the USDA Bureau of Home Economics, have increased from 1,269 in 1938 to 1,861 in 38 states on July 1, 1939, according to the producer-consumer leaflet, "Grow Your Own", recently published by the Agricultural Adjustment Administration.

Mr. and Mrs. Bearnard Dean of Wichita Falls are the parents of a baby girl born Sunday March 10.
