SHERRE KINARD
1985 Miss Floyd County

Closing out this year's Floyd and Surrounding Counties Fair was the crowning of a new Miss Floyd County, Lockney's Sherre Kinard, 16 year old daughter of Sharon Kinard and Roy Kinard of Lockney.

Kinard was one of thirteen contestants vying for the title of Miss Floyd County at the pageant. All of the entrants modeled a casual or sportswear outfit as well as formal attire. Judges of the pageant also conducted a personal interview with the girls earlier in the afternoon.

Named as first alternate in the pageant was Kelli LaBaume, the 15 year old daughter of Mr. and Mrs. Jon LaBaume of Floydada. Kelli is the reigning Miss Floydada.

Second alternate in the contest was Lisa Bye, the 16 year old daughter of Mr. and Mrs. David Bye of Plainview.

The pageant took place in the entertainment building on the Floyd County fair grounds in Lockney. The stage area was decorated with two large wing back wicker chairs filled with stuffed animals. The newly constructed runway was decorated with white twinkling lights.

Serving as the MC for the event was Jo Ann Cagle of Plainview. Music was provided by Lucy Dean Record of Lockney. Jennifer Fortenberry and Mary Lindsey Poole of Lockney provided the entertainment for the event.

For winning first place Kinard received a banner, a crown, a large trophy, and a gold bracelet from Thacker Jewelry as well as a bouquet of silk roses.

LaBaume and Bye received banners, and trophy cups for their places in the contest.

The judges for this year's queen and Little Miss pageants were Tina Parks, Jim Kimmell, and Roberta Wilhelm. Chairman of this year's pageant was Cindy Dudley, assisted by Barbara and Robin Carthel, Drew Welborn, and Linda Lemons.

Cable subscription to be given away by Lions Club

To aid in raising funds for the new warning system to be installed with the Lockney cable television system, Danny Smith of Cablevision of Texas, the new owner of the Lockney Cable TV Company, has donated a one year subscription for cable service.

This is a \$150.00 value and will be given away during halftime of the Lockney, Petersburg game. Tickets for a chance to win this prize are \$1.00 each and may be purchased from any member of the Lions Club.

The donation of the cable service is being offered to help raise the needed \$3000.00 for the installation of a new warning system which would operate through the cable service.

This new system will be tied in directly to the cable TV customers through their cable hookups. It will allow a designated official to break into any regular programming on any station to warn citizens of threatening weather or any other situation that could threaten local people.

The only system that now warns

Lockney area citizens of threatening weather is the siren system. With the new system, civil defense workers and weather watchers in the area will be able to contact a designated official who could override all programming on the households who have cable and give complete information of the threat to local citizens.

Even though many television stations reaching our area do give weather information, none of these stations give timely updates on the smaller communities. With the new warning system, all households that are connected to cable could receive up to date information on weather conditions.

While the Lockney Lions Club is acting as the sponsor club to raise money for the new system, they would like to encourage other clubs and service organizations in Lockney to donate money to this worthy cause. Also private donations would be gladly accepted toward this project, according to a club spokesman.

County Farm Bureau plans annual meeting

The Floyd County Farm Bureau has set Saturday, September 28, as the date for the annual county wide convention. The meeting will be at the Lockney Elementary School Cafetorium at 7:30 p.m. that night.

There will be a catered meal served and three directors will be elected. Two of the directors, Doug Galloway and Martin Stoerner are up for reelection and Bud Taylor and Max Yearly will be running for one position to represent the South Plains-Cedar Hill District.

Also during the meeting policy development will be discussed and voted on. This will include which state and national policies the local Farm Bureau organization will support. There will also be some local by-law changes so all members are encouraged to attend this important meeting.

There are several special guests invited for this meeting but at press time it was not known who would be attending.

Ladies Day program well attended

The women who made it out to the Floyd and Surrounding Counties Fair on Friday were in for four interesting and informative programs, as they received hands-on experience in stenciling and quilting, got to see the latest in fall fashions for women and children, and learned how to pack jet style for a vacation.

At 9:30 a.m. Kay Roach of Plainview instructed the women attending in the basics of stenciling techniques. She also provided stenciling plates, brushes and painting for those who were interested in trying their hand at this craft.

Linda Smith also of Plainview was next on the program. From her the ladies learned the basics in quilting. Most of the women present quilted the squares they had stenciled in the previous program. Smith also had several examples of her work for those attending. Smith is the woman who does the quilting on the quilts annually given by the Il Penseroso Study Club in Lockney. She also had the quilt she has quilted for the First United Methodist Church in Lockney. This quilt will be

auctioned off at the annual Harvest Festival at the church.

The morning programs were attended by about 75 people, twice as many as were originally expected.

After the lunch break the women gathered back in the entertainment building for the fashion show. About 100 spectators saw previews of the fall fashions shown by models representing Brown's Department Store and The City Connection in Lockney and Anne's Sewing Basket and Hale's Department Store of Floydada.

Closing out the day was a program sponsored by International Tours of Plainview and Delta Airlines.

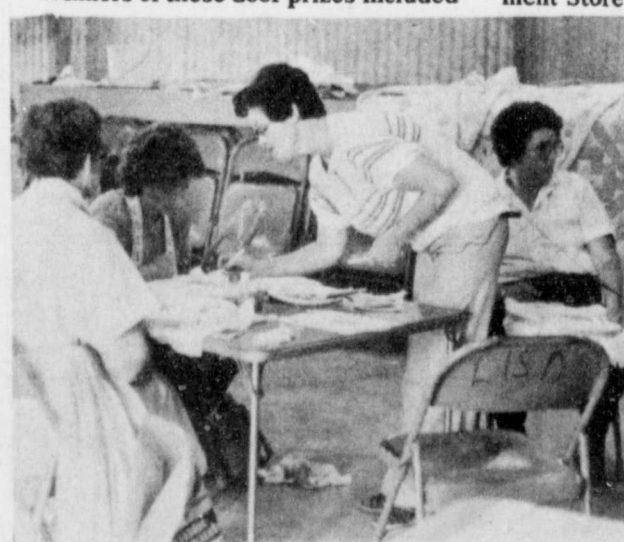

In this program Ellen Brown, representing Delta, demonstrated the fold and tuck method of packing to those attending.

During the program Brown packed two weeks worth of clothing and accessories in a 24 inch pullman suitcase. These items include 24 clothing items, including pants, skirts, blouses, three sets of lingerie, three pairs of shoes, a hair dryer, curling iron,

three purses, a makeup bag and a sewing kit.

Highlighting the last program was the drawing for the trip to Orlando, Florida which went to Jerry and Andy Ford of Lockney. Other door prizes were awarded throughout the day from the merchants who participated in the style show and also from Don Vernon.

Winners of these door prizes included

LINDA SMITH of Plainview demonstrates quilting techniques for the women who attended the Ladies Day program at the fair.

Jewel Fortenberry and Opal Ashton who received scissors from Don Vernon, Kay Shackelford, a gift certificate from Anne's Sewing Basket, J.T. Roach, a gift certificate from The City Connection in Lockney; Becky Lambert, a gift certificate from Hale's Department Store in Floydada and Joan Carthel, a gift certificate from Brown's Department Store in Lockney.

MOVING THE BALL—Tony Banda advances the ball for the Horns. Banda carried the ball six times for 27 yards against Dimmitt.

Horns defeated by Cats

Lockney lost its second game of the 1985 season last Friday night to Dimmitt. Final score of the game was Lockney 14, Dimmitt 16.

Comments by coach Bob Purser on Monday afternoon included, "We made a critical mistake at a critical time in the game and allowed Dimmitt to score the winning points. We were however much improved this week and we are looking forward to an exciting game on Friday night."

The game began with Lockneys Tony Banda receiving the kickoff from Dimmitt. He returned the ball to the Dimmitt 25-yard line and Lockney quarterback Steven Cates took over.

On the first play of the series Cates handed off the Matt Mitchell who moved Lockney one yard. Two plays later Lockney was unable to obtain the needed first down and the ball was punted to the opponents.

Dimmitt took the ball but five plays later returned the ball to Lockney. Tony Banda again returned the punt to the Lockney 39 yard line. After a penalty was assessed to Dimmitt, Lockney had the ball on their own 43. An incomplete pass on the first and second down plays left Lockney stalled at the 43. On the third down play the ball was handed off to Matt Mitchell who carried to the Dimmitt 44 yard line. However Lockney was unable to make the first down and punted to Dimmitt who took the ball on their own four yard line.

Four plays later the opponents returned the ball to the Horns. Johnny Torrez returned the ball to the Dimmitt 47. Matt Mitchell took the handoff on the first play of the series and moved it eight yards. However on the third and two play Lockney fumbled and Dimmitt took the ball on their own 49 yard line, however after a penalty was assessed to Lockney, Dimmitt was in Horn country.

The Dimmitt quarterback took the first snap and flung a pass that netted them 20 yards and put them on the Lockney 25.

With 1:28 left in the first quarter Dimmitt advanced the ball ten yards but after being slapped with a penalty they were put back where they started. However on the next play Lockney was assessed a penalty and Dimmitt advanced to the Lockney nine yard line. The Horns held them for the next three plays and with only 1:53 gone from the second quarter Dimmitt made three points on the field goal attempt.

Javier Bernal took the kickoff for Lockney and advanced to the Lockney 17 but with the penalty credited to Dimmitt the Horns started the series on their own 32.

One play moved the Horns two yards but two incomplete passes left Lockney in a fourth and eight situation and the ball was punted to Dimmitt.

Dimmitt took the ball on the Lockney 45 yard line at the start of this series and nine plays later scored the first touchdown of the game. The extra point was good and the Bobcats lead 10 to 0 with 6:06 left in the half.

Javier Bernal again took the kickoff and advanced to the Lockney 22 yard line. On the first play of the series quarterback Cates completed a 23 yard pass to Dickie Hernandez, that put Lockney on their own 45 yard line. In eight plays Lockney was in very good scoring position on the Dimmitt six yard line when the Horns fumbled, and Dimmitt took over on their own two yard line.

On a third and six play the Bobcat quarterback hauled for the pass which

was intercepted by Steven Cates. Lockney took over at the Cats 24 yard line and six plays later Johnny Torrez carried the ball in for the first Lockney touchdown of the game. Joe Torrez made the extra point and Lockney was on the board.

At the half the score was Dimmitt 10, Lockney 7.

The first play of the second quarter saw one of the Dimmitt players carried off the field in the ambulance. Reports indicated that Warren McDonald only had a pinched nerve in his neck. He was kept at Lockney General Hospital for observation overnight and was released Saturday morning.

Four plays later Dimmitt was forced to punt the ball but a penalty was assessed to the Bobcats and they were forced to repunt the ball. This time the kick was blocked and Johnny Torrez recovered the ball and carried it in for Lockney's second touchdown of the night. Joe Torrez again made the extra point and Lockney lead 14 to 10 with 9:34 remaining in the third quarter.

Nine plays later the ball was returned to the Horns and after several penalties Lockney faced a third and 30 situation. The ball was fumbled on the snap and the Bobcats recovered on their own seven yard line.

Ten plays later the Horns were again given the ball but were unable to make the first down in four plays and the ball reverted back to the opponent.

The changing hands of the ball continued until 2:25 was left in the game. Lockney had the ball on their own nine yard line. Dimmitt recovered a fumble and made the winning score of the game.

Coach Bob Purser said, "This week we are expecting a hard hitting game with exciting efforts put forth by both teams. This is a serious game for both teams and the win will come after the war."

Purser also said, "I hope that the crowd will not give up on the Horns." A bonfire is planned after dark Thursday night at the fairgrounds to show support for the team.

Horns of the week include offensive back Matt Mitchell, offensive lineman Trent Gant, defensive forcing unit players Chris Rodriguez and Dickie Hernandez, special teams and secondary player Johnny Torrez and the Horn of the Week, Trent Gant.

Thursday, September 12, Lockney 7th grade went to Dimmitt for a scrimmage with the Bobcats. Dimmitt won the scrimmage 3 touchdowns to 1.

Kip Holt scored the lone Lockney touchdown on an option from about 20 yards out. "We made a lot of mistakes but they gave a great amount of effort," said coach Randy Josey. "Offensively Steven Vasquez and Jeffrey Sutterfield ran the ball well. On defense Vasquez, Sutterfield, Kevin Bure, Jerry Don Evans and Daniel Martinez did well. We are proud of the way they played considering this was their first game ever."

The next game for the 7th graders is Thursday the 19th here against Floydada at 5:00.

In times like these... By Mary Jo Fielding

Wild hogs have plagued California before, but the problem is now worse than ever. No one is certain how it became so widespread. Some blame hunters for importing the animals to create new hunting grounds. Once in place hogs don't need any more help: a sow can bear two litters of from 6 to 20 piglets each year. The hogs not only damage plants and wildlife, they also muck around in water supplies and could present a health problem.

They are big—one captured recently was 6 feet two and weighed 305 pounds. They eat virtually anything in their path. They have ruined crops, dug extra holes in golf courses and

damaged cars that bumped into them as they waddled down roads. The California Department of Fish and Game estimate that 100,000 are loose throughout the state.

California has declared all out war on the beasts. Pig traps abound and special permits have been issued to professional hunters to pursue the hogs full time. However, the hogs may prove an elusive prey. In Marin County, where hogs have ravaged 200 acres of parkland, only 45 have been captured. "They are just about the smartest things on four feet," says Fish and Game's Terry Mansfield.

RILEY KING, son of Kim and Robin King of Lockney, was just one of 30 entrants in the first ever peddle tractor pull at the Floyd County Fair. The pull was sponsored and supervised by members of the Lockney FFA. The tractors for the event were donated by Floyd Terrell of Plainview.

Care Center Capers

It looks like an early fall for us if this past weekend is an indication.

Monday, Billie Self, Bessie Hunt, Alma McDonald, Hassie Arnold, Bessie Jackson, and Clyde Morrison went shopping with me in Plainview. After shopping we stopped at Sonic's for refreshments. Everyone enjoyed shopping but found it hard to find things they were looking for.

The rest of the week we have been busy with our regular activities in addition to working on our float for the parade. Like everyone else we thought we would not make the deadline. However, Mr. C.L. Henderson let us use his flat bed trailer for the float. Don (my husband) helped me build a frame and come up with rails so none of us could be hurt. He even fixed a top so if it rained we could nail on a sheet of plastic, which became necessary Saturday morning.

Those that rode on our float were: Billie Self, Bessie Hunt, Betha Cunyus, Edna Hunter, Mary Jo Fielding, Bessie Jackson, Lewis Roberts, Hallie Roberts, Earl Mercer, Lloyd Barber, Dimple McGavock, Nena Loudermilk, Daisy Burson and Alma McDonald, Laverne Munoz, Anna Luna, Pauline Monroe and myself.

Even though we had to wrap up we all enjoyed being in the parade. Sammy Silva pulled our float with his pickup. All of us enjoyed the employee's and their children dressing up like clown's on their float.

We sure want to thank everyone that helped get our float ready for the parade and made this such a happy time for all of us.

After the parade, "The Pipers from Amarillo" came back to the Care Center to entertain us.

The Fair has sure been a big part of our week and we all loved it. Thursday, Betha Cunyus, Bessie Hunt, Bessie Jackson, Hassie Arnold, Carl Mercer, Floyd Barber, Alma McDonald, Henry Merrill all took in the fair. Congratulations to the fair board for a job well done!

We have two new residents. Mr. Russell Crawford of Floydada, and Mrs. Ellen Barton of Lockney. A big welcome goes out to both.

We sure were happy that Rosa Lee Lackey was able to return home, although we will miss her very much.

Bye for now, we are off to Roaring Springs today.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 5, 1985

PROPOSITION NO. 1 ON THE BALLOT

Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$980 million of Texas Water Development bonds.

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater. Of the remaining bonds authorized, \$190 million will be dedicated for use in water quality enhancement projects, and \$200 million will be dedicated exclusively for flood control projects.

The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply corporations.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

PROPOSITION NO. 2 ON THE BALLOT

Section 3 of House Joint Resolution 6 proposes a constitutional amendment that would allow the Texas Water Development Board to issue and sell Texas agricultural water conservation bonds in an

amount not to exceed \$200 million, if authorized to do so by a two-thirds vote of the members of each house of the legislature. The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. The amendment would allow Texas agricultural water conservation bonds to be issued and sold only for four years after the date on which this Act becomes a part of the constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."
