Legion Posts Hold A Large Meeting

WRITE OPEN LETTER TO LEGISLATIVE CANDIDATES

At a joint meeting of the four county Posts of the American Legion held at the court house Thursday night, March 29, the Legionnaires passed a resolution authorizing the County Council, composed of representatives of all posts, to write an open letter to candidates for State Representative and State Senator, asking them to state their stand with regard to the present tax-emption law for ex-service men and also with regard to the proposed Universal Draft Act.

The meeting was a large and enthusiastic one. Coffee and sandwiches were served at a late hour. The letter follows:

Portales, New Mexico, March 30, 1928.

To All Candidates For the State Legislature:

1. The American Legion is not a political organization, and because of this fact it neither endorses nor opposes any candidate for public office. As an organization it never concerns itself with politics or legislation except when politics or legislation directly affects ex-service men, but when such issues arise the Legion comes out boldly, not for or against any candidate but for or against issues. The following questions are of vital importance to ex-service men and you are requested to make a reply to these questions thru the press.

2. As a candidate for the State Legislature, do you favor and will you support and defend the present ex-service men's tax-emption law? Answer "Yes" or "No."

3. As an influential member of your political party, do you favor and will you advocate and support, so far as you are able, passage of the Universal Draft Bill now pending before the National Congress, which bill provides for the universal draft of labor, capital and industry, as well as man-power, in the event of war? Answer "Yes" or "No."

Inasmuch as the Roosevelt County Democratic Primary will be held April 21, 1928, you are requested to submit your reply thru the next issues of the three Roosevelt county papers.

COUNTY COUNCIL OF AMERICAN LEGION POSTS. Carl McDermott Post No. 31. Hubert Malone Post No. 86. Jacob Self Post No. 87. Moses Smith Post No. 89.

DUPUY ANSWERS LEGION LETTER

In reply to a letter received by me last week, I wish to state that I have no reason whatever to oppose the Soldiers' Bonus which the people went so far as to incorporate in their constitution, thus making it fundamental law.

I wish to further state that in case of war, I believe all capital and all man-power should be drafted. No favoritism should be shown in selecting a few of our ablest men and in the total exemption of capital.

Signed: EVERETT DUPUY, Candidate for State Senator.

Dr. Williams of Santa Fe was in Portales on business Wednesday.

J. O. Blanton joined his wife in Portales Sunday, who, with her son, James Ralph, accompanied him to Fink, Texas.

John Denton, Laura Turner, Mary Elizabeth Hancock and Jack Turner attended the circus at Farrell, Texas, Tuesday night.

Rogers Again Wins First Place In the Co. Spelling Bee

GOOD AUDIENCE WITNESSES ENTIRE CONTEST.

On last Friday, the County Spelling Bee, held at the Portales Theatre, was represented by two spellers from 14 of the rural schools of the county.

Interest in the contest was snappy and a good audience was in attendance throughout the evening. Up to closing at 5:00 o'clock, all but six of the contestants had been eliminated.

These six took part in the finals between shows that night.

The winners were Lolan Grisso and Ella Bow of Rogers.

These two tied for first place and the prize money for first and second prize was equally divided \$12.50 each.

Lois Drew of Arch won third place, and five dollars in gold.

Paul Williams represented Floyd in the finals, and Maggie Bow represented Milnesand. Hiway was also represented but we failed to get the name of the young man from that district.

Schools represented were: Fairfield, Floyd, Hiway, Arch, Hiway, Richland, Union Valley, Rogers, Dora, Oklahoma, Milnesand, Friedship, Roller and Rocklake.

It was a splendid representation from each district, and the effort put forth was well worth while.

The spelling bee has been revived in the rural schools, and great benefits will be the results.

In addition to the cash prizes, the Portales gave three week's passes for the winners.

Mrs. A. D. Ribble and Mrs. C. V. Harris spent Wednesday visiting in Clovis.

Miss Marion Jones returned to Canyon Monday after a few days' visit with her parents, Mr. and Mrs. A. F. Jones.

Don't Forget the Bake Sale at Neer's Saturday, beginning at one o'clock. Good things to eat besides aprons, caps and pillow slips.

Deane Kirk came home from the Texas oil fields Saturday and visited with his family until Tuesday. The Kirk family, accompanied by Miss Nell Morehead and Miss Modehu Williams, spent Sunday with Mrs. Kirk's people, the W. C. Williams family at Blunt.

Mr. and Mrs. E. I. Gibson were Clovis visitors Wednesday.

Floyd Kennedy, bookkeeper for the Portales Motor Co., is erecting a neat bungalow on Nevada street next to the Add Hobbs home.

Miss Eleanor Myers, of the Standifer Hospital of Junction, Texas, gave her parents, Mr. and Mrs. G. B. Myers, of this city, a nice surprise by coming home Sunday and announcing she would spend her vacation in Portales. Miss Myers has been in training several months but the first of the year she accepted the position as head nurse for the Standifer Hospital.

Mr. and Mrs. Jim Gorrell and daughter, Gladys, and Miss Stella Cox left Thursday for a short visit with friends near Miami, Texas.

The C. L. and T. M. Heights families spent Tuesday at Tucuman, renewing acquaintance with old friends and attending the carnival; also saw the coast-to-coast runners as they passed through.

H. W. Brandon, who has been visiting his daughter, Mrs. N. R. Blackard, and family, returned to Lubbock Thursday.

New Pump and Well For City

One of the things to be provided for by the city bond issue approved by the voters April 3, is a new pump and well for the city. Engineer Garst has recommended that \$3500 be set aside to take care of this need. At the present time the city has only one well and only one first class pump. In case the one well now in use should plug, the condition might be very serious. With another the margin of safety in the city water supply will be greatly increased.

CHAS. ISON CAR STOLEN

Last Thursday night Miss Ruth Ison, Miss Alce Stratton, Miss LaVerba Burroughs and Miss Edna Disney drove up to Clovis in the Ison car. When they were ready to return their car was gone. On Friday the car was found parked on the street in Amarillo. It is presumed that someone who just wanted a ride to Amarillo took the car.

ROGERS

MRS. H. H. WILHITE

Harris-Sproles

Leon Harris and Flora Sproles, accompanied by Coy Brandon and Ola Harris, surprised everyone on Wednesday, March 28, when they went to Texico and were married. Both have lived in Rogers community for several years and have many friends. We all hope them many long and happy years. We also hope they will have much success in everything they undertake. Mr. and Mrs. Leon Harris plan to make their home near S. H. Harris, with whom Leon plans to farm this year. At present they are staying with S. H. Harris.

Lolan Grisso Celebrates Birthday

Lolan Grisso celebrated his 17th birthday March 31, at the home of Mr. and Mrs. Geo. McCormack. They party was carried out in "April Fool" style. There was a large crowd and everyone had a jolly good time. After playing games for a while, Lolan was called to cut his birthday cake, which was found to be an April Fool cake, made of cotton covered with cake icing and candles. After having a good laugh watching him trying to cut it, he was given a real birthday cake which was very beautiful, made by Mrs. H. H. Wilhite.

Rogers Wins Oral Spelling Contest

Ella Bow and Lolan Grisso tied for first place in the County Oral Spelling Contest. The first and second prizes were divided between them. The Rogers community and especially the high school, are certainly proud of them. Although this is their last year to attend school at Rogers, their record will be remembered in years to come.

The Legion Four Visits Rogers

The Legion Four, which is one of the best quartets in the southwest, gave a concert in the high school auditorium Monday night, April 2. The program consisted of sacred hymns, humorous and popular songs and comic acts. All were the latest songs out, and the program was one and one-half hours long. The J was a large crowd there and everyone had a good laugh. The school certainly appreciated their singing in assembly Monday afternoon.

San Harris New Trustee

The election of school directors was held in Mr. Anderson's store Tuesday, April 3. Sam Harris and John Howl were candidates. Mr. Harris won by a large majority. Mr. Harris has lived in our community for a number of years and has had children in Rogers school for a long time and we are sure

Miss Greathouse Pleases Audience

Miss Dorothy Greathouse, soprano concert singer, appeared in a program at the Portales Theatre Wednesday night, April 4, at 8:00. She was assisted by Mildred and Ridgley White man, who gave dances between the groups of songs. The song program was varied and ranged from old familiar songs to operatic numbers. Miss Greathouse's voice delighted her audience; Miss Lela Mae Freeman's accompaniments helped greatly in the interpretation of the songs. The Indian song and dance by Ridgley Whiteman was so some people the most interesting number on the whole program, so realistic did it seem. Mildred Whiteman's number, "Egyptian Dance," was also very striking, being filled with remarkable acrobatic feats.

Co. School Budgets Outlined for '28-'29

The State Educational Budget Auditor Carl D. Comstock is in Portales this week, and met with the County Budget Commissioners, Earl McCollum and C. H. Letton, on Wednesday, April 4, to go over the school budgets of the county for next year.

The budget as approved by the Budget Commission calls for \$201,423 for the maintenance fund, raised by a general tax in the county, as compared with \$194,896 for last year. This is an increase of \$6,528 over last year. This means that a full 18 mill levy, the maximum tax levy by law, will have to be made this year.

The Portales budget calls for \$56,353 plus \$6,000 emergency fund. The Elida budget calls for a total of \$21,415. All other schools call for a total of \$117,655.

The budgets having been approved by the County Budget Commission now go to the State Tax Commission to be heard in June. It is possible that the valuations on county property will be lower next year and that therefore this budget may have to be cut because it may be impossible to raise this amount at the legal tax rate.

The amount to be received from the state apportionment fund last year was \$8,47 per child, in all \$80,407.30. It is likely that a reduction in that figure this year in this fund.

The present state land commissioner is not getting as much money out of the school lands as his predecessors. The amount for 1927 was a reduction of 63 cents per child from the amount of \$9.10 for the 1926. In 1924 the amount received per child was \$8.75, the highest up to that time. In 1925 it was \$7.40, in 1926, \$9.10, the highest amount ever received.

J. E. Owens, tax investigator for the Santa Fe railroad is also in town this week going over the budgets.

W. T. Paige of Richland was in Portales Wednesday.

Mr. and Mrs. T. A. Tillinghast and Mrs. H. C. McCowen of Elida were in Portales Wednesday.

Local and Personal

Jessie Anderson and Elmer Carter accompanied Rev. Tomlinson to the Roswell district conference last week. They returned last Saturday afternoon.

Rev. Lorts preached here last Sunday. There was a good sized crowd and everyone enjoyed his sermon very much.

A number of the Rogers people attended the singing convention at Elida Sunday and all report a very good time.

We had a good singing at Rogers Sunday night, although most of the singers were nearly worn out from singing all day at Elida.

Mr. Wakefield and family from Richland moved to Rogers last week. They have rented George McCormack's place.

Miss Vesta Brannen spent the week end visiting relatives at Balleyboro and Littlefield, Texas. Little Hector Roche has gone to the Shriner hospital in Ft. Worth, Texas, to have his hip treated. Jap Post, Mrs. Harry Knoles, Mr. and Mrs. Wilbanks and two daughters are on the sick list this week.

W. J. Watson Home Burns Tuesday 4:30

Mr. and Mrs. W. J. Watson were in town Wednesday and called at The News office. They stated that their home eight miles out with all its contents burned to the ground Tuesday afternoon. Mr. and Mrs. Watson and baby, with their 18-year-old son, had gone to town, the other children all being at school, at the time.

The origin of the fire is unknown unless a portion of a match which the son had been burning flies from off the screen had fallen on some paper.

The Watsons are old timers, having lived here 21 years. They had no insurance on either their home, which was a large one of 8 rooms, or their furniture. They have moved into their garage until they can decide what to do.

Mrs. Watson said one sad feature was the children's pets were burned. There were two bantams and a little dog which lost their lives.

Delegates Named For Republican State Convention

At the Republican county convention held at the court house Saturday afternoon, delegates were named for the state Republican convention at Santa Fe April 14. This convention will elect delegates for Kansas City.

The delegates chosen were Charles Crume of Elida, Ezra Watts, Earl McCollum and E. I. Carmichael. Alternates chosen were Mrs. R. E. White, Mrs. Ezra Watts, Mrs. Earl McCollum, and Miss Helen Lindsey.

The J. P. Adams family had as guests from Thursday until Sunday Mrs. Adams' nephew, W. O. Tapps, and wife and Mrs. Tapps' brother, Gilbert Nelson, of Southland, Texas. Needless to say the Adams family showed them over our little city and some of the surrounding country and they were very much impressed with our means of raising crops. Mr. Tapps thinks the irrigation wells beats waiting for rain and contemplates making his home here.

Attorney and Mrs. C. J. Pendergraft had as Sunday guests their son, Floyd, and wife and Mr. Pendergraft's brother, Dr. R. L. Pendergraft, wife and son, all of Amarillo, Texas.

Rev. Joe Grizzle left Tuesday morning to attend a meeting of the State Baptist Board at Albuquerque.

Gordon Lyons, who has been employed for some time by the New Mexico Utilities here, left Sunday for Big Spring, Texas, where he will be employed by the light and power company.

Several Portales people attended the singing convention at Elida Sunday. Miss Dorothy Greathouse favored the audience with some selections.

Mr. and Mrs. H. W. McDonald and Mrs. Joe Howard are having a new garage built on their home place. They will ride in a new Chevrolet Landau as soon as their garage is finished.

Portales Polls a Small Vote in the Municipal Election

The municipal election on Tuesday was exciting in some respects, but from the number of votes cast the general population of the town was very indifferent as to the results. Out of 1100 registrations only 561 votes were cast.

The center of interest rested in the mayor's race, with the result of R. G. Bryant being elected by a majority of 33 votes.

Two years ago the same vote almost to the number was polled, and the results were practically the same majority.

The total vote was as follows:
For Mayor:

H. M. C. HOUSE DRESS CONTEST

Wednesday, April 4, was House Dress Contest day for the local H. M. C., and while the attendance was small the meeting was both interesting and helpful. Many good ideas for the care of clothing were gleaned from roll call response.

Miss Kerr in a very instructive talk told of some of the habits of the foe to flannels, feathers and furs, the moth; especially the one by which he makes inroads upon our clothing, bringing out the fact that two of the most successful weapons to be used in his destruction are cleanliness and sunshine, also that moth balls and other preventatives are very inefficient when clothing is allowed to hang in open closets or placed in dresser drawers that are opened frequently. Shut him up with his medicine.

Miss Velma Borschell of the state college, who judged the dresses entered in the contest, made some very complimentary remarks concerning the entries, saying they were all very well made. The dresses were all made according to specifications and in a discussion of them Miss Borschell called attention to a few little defects and made suggestions that will prove valuable to club members, not only should they desire to enter another contest but in their home sewing as well.

Mrs. J. Howard Brown won first and Mrs. W. H. Catt second place by a very close margin. They will accompany Miss Sara Kerr to the house dress contest at East Valley View Wednesday, April 11th, and assist her in judging the entries there.

Next meeting Wednesday, April 11th, will be held at the court house with Mrs. C. A. McNabb in charge. Subject: Landscape Gardening; roll call: suggestions for flower culture.

Hear Old Fiddlers Friday Night, 6th

OLD FIDDLERS OF ROOSEVELT COUNTY WILL CONTEST FOR REPRESENTATIVE TO TRI-STATE CONTEST AT AMARILLO.

Lovers of old time music will receive a treat on Friday night of this week when the old fiddlers of the county play at the Portales Theatre, giving selections of old time music in the old time way. For this occasion the Portales management has offered \$17.50 in cash as prizes.

The first prize is \$10.00. Second prize, \$5.00. Third prize, \$2.50.

The winner of the first prize will represent Roosevelt county in the Tri-State Contest to be held at Amarillo, Texas, on the 27th of this month. This contest is being put on by the Amarillo News.

Every fiddler in the county between the ages of 40 and 110 years may enter the contest here on Friday night.

Thursday morning, those registering for the contest are as follows:
H. E. Hawks, Arch.
Dan Hendricks, Portales.
U. S. Markland, Upton.
T. K. Stark.
Louis Cox, Emay.

Others who wish to enter will notify the Portales Valley News on Friday before the contest. There are many players in the county who should enter.

Old time music will be played, and the rules of the contest are practically the same as for the tri-state contest, with the exception that the judging will be done by vote of the audience. As you enter, you will be given a ballot, and are requested to make your selection for first, second and third by number. Each player will be supplied by a number which will be plainly seen by the audience.

If your first choice is No. 3, mark this number on space to the right of first choice, and so on to the third choice.

As soon as the ballots are counted the cash prizes will be awarded and the winners announced.

Admission for this event will be 25c and 50c.

This contest is being sponsored by The Portales Valley News and the Portales Theatre.

If there is a fiddler in your community, see that he or she enters this contest, as the winning at the tri-state contest will give the county much prestige.

Portales Motorcade Attends Dairy Show

At 5:00 a. m. Thursday, April 5, more than 100 Roosevelt county farmers left Portales to attend the Plainview Dairy Show, in cars provided by the Chamber of Commerce. There were about thirty cars, and many business men besides the farmers.

The trip was planned by the Chamber of Commerce. It was felt that it would be of real value to dairymen and prospective dairymen of the county to have an opportunity to see the fine dairy cattle to be on exhibition at the Plainview show. The idea was originally advanced by Arthur F. Jones and the members of the committee appointed to carry it out were Sam Seay, G. W. Carr, J. H. Lee, T. A. Martin and Ralph Will.

The interest of the farmers in the trip was far greater than was expected. This is indicative of the growing interest in dairying in the county, which bids fair to be one of the big industries in this section. It is an industry which is capable of indefinite expansion and one which can not be overdone.

FLOYD RABBIT DRIVE SLAYS MANY RABBITS

C. M. Watkins of the Floyd community was in town Saturday and stated to a News representative that the rabbit drive at the old Flu Anderson ranch on Tuesday, March 27, was a big success, and that the snipers killed 1,869 rabbits and one coyote.

Quite a crowd was present and the result of the drive will be a great saving to the farmers and ranchers of that section. A few more drives of this kind will reduce the long-ear population to a minimum.

(Understand we are still talking about jack rabbits.)

CHRISTIAN CHURCH

The Christian congregation has planned for Easter Sunday, April 8th, a day filled with service in which both the Clovis and Elida congregations have been invited to participate.

The C. E. societies of Clovis and Portales will hold the opening number, a sunrise prayer meeting, about half-way between the two cities, just off the highway.

Bible school at 10:00 a. m., followed by Lord's supper.

Song service with special Easter music and sermon by the pastor at 11:00.

Dinner at 1 p. m.

The afternoon program will include readings, special musical numbers and sermon by Rev. Howard Rogers of Clovis.

C. E., both senior and junior, also, the evening sermon by the pastor at the usual hour.

The Christian congregation is happy in the fact that the present pastor, Claude A. Lorts, has accepted a call to remain as its pastor for another year.

The congregation enjoyed a treat last Lord's Day morning in the sermon by Mrs. Clara Stivers Vernon, field representative of Eugene Bible University of Eugene, Oregon.

The pastor, Claude A. Lorts, filed his appointment at Rogers at 2:30 Sunday afternoon.

Ambulance Service—Ed J. Neer

Walter Smith and E. Rickard of Elida were trading in Portales Saturday.

Mrs. Jack R. Medlin, Miss Williams Jones and Jerry D. Smith attended the circus at Farwell, Texas, Tuesday evening.

Mrs. A. Wade Freeman, Mrs. E. N. Smith, E. N. Wheeler and Fred L. Ohr went to Artesa Wednesday to attend the Roswell District Conference of the Methodist church. They returned Friday.

Bill Crume and Mr. Ruckman of Elida were Portales visitors Saturday.

HARRY K. SHIELDS AGAIN TO PORTALES

No preventing providence, it will be the privilege of Portales people to again hear Harry K. Shields of Glendora, California, as he brings the gospel message in some.

At a meeting of the official board of the Christian church early in the month, arrangements were made to hold the summer revival beginning the first Lord's Day in August, the pastor, Claude A. Lorts, to do the preaching and Harry K. Shields lead the singing.

Neither of these men need an introduction to Portales people. Bro. Lorts, having been a minister of the gospel here for nearly twelve months, is loved by his entire congregation and has made many friends in the town and surrounding country. The undivided attention accorded him by his audiences testifies to his ability as a preacher and to the esteem in which he is held, while Bro. Shields, in two evangelistic campaigns here, has won the hearts of his hearers by his wonderful singing and his pleasing personality.

Why pay \$1000 more...when CHRYSLER "72" at \$1545 gives you greater performance Illustrious New Chrysler "72" performance out-Chryslers even Chrysler. It has jolted the public's preconceived notions of what its money should be able to buy. Here is a truly marvelous car, in body styles priced from \$1545 to \$1795, which gives in performance all and more than you have been led to expect from cars costing \$1000 more. Here is a Chrysler triumph that overshadows the foremost accomplishments of the industry. 72 miles and more per hour. 75 brake horsepower. Acceleration that leaves every other car behind. Vibrationless smoothness that only a Chrysler counterweighted 7-bearing crankshaft can give. Experience for yourself the thrill of this brilliant performance. Chrysler enthusiasm invariably follows the realization that even \$1000 more than "72" prices does not get you as much in performance, in quality, in style, in value. The Democrats Are Again For Free Cattle and Wool Tariff Law

By The Republican State Central Committee.

The first political campaign in which the tariff was the paramount issue was that of 1888. The contest was between Grover Cleveland, candidate for re-election, and Benjamin Harrison. The issue was whether this country should go upon a policy of tariff for revenue only, or have protection for American industries and American labor. President Cleveland had recommended a reduction of the tariff, and the Mills Bill, which provided a long free list, including cattle, beef, sheep, mutton and wool, was passed by the House, which was Democratic, but killed in the Republican Senate. Before that election there had been protectionists and free traders in both parties. The protectionists became Republicans; the tariff for revenue only men became Democrats.

The McKinley Bill
Harrison was elected. Both Houses of Congress were Republican. The McKinley tariff bill was passed. The result was greater business activity than the country had ever seen. Factories worked overtime, and new factories were built. Railroads were constructed. Towns became small cities and small cities became big cities. Labor was better paid, agricultural products brought a better price. With it all the cost of living was higher, largely because of higher living. The people liked the larger prosperity, but they looked back upon the time when they could buy flour and corn meal, cotton and woolen goods and farm machinery and house furnishings at lower prices.

Cleveland in 1893
Cleveland was nominated again in 1892 upon a platform declaring for drastic reduction of the tariff, and lower prices to consumers. To the farmers higher prices for wheat and corn were promised. Cheap flour and meal were promised to the consumers. High priced cattle: low priced beef. Harrison was nominated to succeed himself upon a platform which declared for protection, and pointed to the prosperity which the country was enjoying as a result of the McKinley bill. Cleveland won. Both houses of Congress were Democratic. The country assumed that a free trade measure, like the Mills Bill passed by the House in the first Cleveland administration, would be enacted. Prices began to tumble before Cleveland was inaugurated. The nation was in the throes of a mighty panic before the Democrats had been in office four months.

The Wilson-Gorman Act
The Wilson-Gorman act was passed in 1894. It placed cattle, meat, sheep and wool on the free list. The greatest panic ever known gripped the country. Banks broke, stores were sold out under the hammer, factories shut down, shops closed, nearly all the railroads went into the hands of receivers. Millions of willing workers were thrown out of employment. Every city had its soup houses; empty

stores, church and school houses were opened as free sleeping quarters for the destitute.

Labor and the farmers had elected Cleveland. We have seen how labor fared under the Wilson-Gorman low tariff act. We shall let an Ohio farmer tell how the farmers and livestock growers are: "Wheat brings fifty cents a bushel; farmers are burning corn for fuel because it is cheaper than wood or coal. A horse is not worth a cow, a cow is not worth a hog, a hog is not worth a sheep, a sheep is not worth a lamb, and a lamb is not worth a damn."

Another Democratic Law
The only other Democratic tariff act since the Civil War was the Underwood bill passed in 1913. The Democrats, in 1912, had denounced the protective tariff. The Underwood bill placed cattle, beef, sheep and wool on the free list, just as had been done by the tariff act when Cleveland was President. The results were beginning to be similar to those of the Cleveland administration, but the World War came and imposed the most drastic protection to American labor and industries this country has ever known.

After the war, when foreign countries began to export again, another panic ensued, especially in the cattle and sheep states. Meat from Argentina, Australia, New Zealand and Canada, and wool from all of those countries and the Union of South Africa, sent prices in this country tumbling.

Republican Tariff 1921
The New Mexico cattle and sheep men know what occurred in the latter months of 1920 and the early months of 1921. More than 400 banks failed in six states as a result.

The emergency tariff act of May, 1921, stemmed the disaster, and under the regular act of September, 1922, the country has made rapid recovery.

The leading Democrats, especially those who have announced themselves candidates for nomination at Houston, have again declared for a tariff for revenue only. (Political advertisement.)

We are delighted to have the fine congregations attending all our services and invite our many visitors to return. In fact, our doors are open and we will be glad for all that will to worship with us. Come, bring your company, your friends and, if there is a baby in your home, bring the baby; and don't be disturbed if the little ones cry for the more crying babies we have in our churches on earth, the less crying mothers we will have in the Judgment.

SENIORS CHOOSE "WINDMILLS OF HOLLAND."

This year the Seniors have decided to present Otis M. Garrington's two-act operetta "Windmills of Holland," instead of the traditional play. The operetta will be presented on the evening of Friday, the 15th of April. Are the Seniors awed by this date? No, indeed. Courage is something the Seniors haven't got nothing else but of.

a savor of tricky Dutch costumes and a new stage setting. We are becoming curious. Next week the cast will be announced. B-Y INTERCLASS TRACK MEET Last Friday afternoon the Sophomores easily grabbed first place in the annual interclass track meet. The Juniors were the best represented and had the most athletes on the field, but Truman Green, Soph ace, was too much for them and led his team to victory with the total of 41 points. The Juniors got second with 32 points and the

Seniors came in third with 21 points. For the Freshmen R. Brown won five points. Following are the summaries:

- 50 yd. dash—R. Brown, L. Slaten and C. Bruce.
- 100 yd. dash—Green, Hinger and White.
- 220 yd. dash—Green, Hinger and Watts.
- 440 yd. dash—Green, White and Perry.
- 880 yd. dash—Richardson, Slaten and Bruce.
- Broad Jump—Green, Perry and Richardson. Distance 17' 1".
- High Jump—Green, Smith and Perry. Height 4' 10".
- Pole Vault—Green, Rocky and Morris. Height 8' 8".

NEW ATHLETIC SYSTEM

Last Tuesday in assembly the Athletic Association awarded sweaters to six football men by way of showing appreciation for their excellent work during the past season. Although sweaters were given to all this year's Senior letter men, in following years sweaters will be given only to those Seniors who have made a letter in their last year and have earned one additional letter. Following are the names of those who received letter Tuesday: Eldridge Mears, Jesse Richardson, Byron Perry, Raymond Norris, Edward Donelson and Marvin Cox.

Letters were awarded to Phillip Smith, Leon Slaten, Homer Watts, Bill Nelson, Charlie Little and Myron Jones. Vincent Cox, Truman Green and Wade Gunn received honorable mention for their work during the football season.

JUNIOR HIGH NEWS

The Junior High boys' basketball team recently had a picture made. Last Thursday, eight of the Junior High basket ball girls, Emily D., Opal H., Knight Edward K., Hazel R., Ruth R., Edith W., Thelma C., Floris L., and Coach S. M. Stroup had a picture made at the Seter studio. Later Mr. Stroup set up the drinks at the Portales Drug Store.

HOME ECONOMICS NOTES

Home Economics classes are busier than they have been at any time this year; what with dress-making, costume designing and lecture attendance, fingers are flying merrily and brains are buzzing busily. We made a study of color and design as fitted to different types and kept this study in mind when we made our school dresses. The Dutch costumes for the Senior class operetta are being designed by the Home Economics classes. Friday afternoon at 2:00 we attended a lecture given by Miss Birdseye, of Washington, D. C. Miss Birdseye is a nutrition expert and is connected with the Extension laboratories at Washington, D. C.

FLOYD

A representative of the De Luxe Studio of Trinidad, Colo., took pictures of each individual in the school last week. Mr. Lang passed out the results on Tuesday and now we all know how we look and don't look.

Track Meet

On Friday, Mar. 29, the Elida track team came to Floyd for a dual meet. All the events of the county meet were held. Elida won

the meet by a small score. All the events were very close and both teams agreed they will be able to do better work at the county meet because of the practice.

Forensics

The last literary program of the year was held Friday afternoon. This was rendered by the Acmes. These programs have been a real benefit to both pupils and parents. About 150 parents were present last Friday.

The two societies have been under the leadership of Grace Rea and Eunice Bacon, both seniors. The intersociety track meet will be held some time in the near future.

We are very proud of the showing made by our two eighth grade spellers who entered the county spelling contest last Friday at Portales. Paul Wilkins and Wrenonah Deput were finally selected to represent the school, though several others spelled almost as well.

Grade Program

On Saturday night, April 7th, the grades of the Floyd school will give a program of drills and songs. In the drill 240 New Mexico flags will be used. According to the company from whom the flags were purchased, this is the largest number of New Mexico state flags ever before used in one drill. The industrial periods of the school day are all being used making flowers, hoops and head bands for the various drills.

Come Saturday and see this splendid play. It is free.

A large number of people from Floyd attended the singing convention at Elida Sunday. Everyone reported a fine time. Plans are already being made to entertain the next convention at Floyd in Oct.

CAUSEY

J. D. Garner motored over to Goodland, Texas, last Sunday with a bunch of young folks and had some good singing.

There has been lots of flu in this part of the county. W. D. Hudson was confined to his bed a few days.

Grandma Gregg is now very poorly. Dr. Hay was a sick four or five days but with the help of Will Croft and others the Dr. is now driving early and late.

Dan Gregory has been under Will Croft's treatment and Dan said Croft is getting to be a very good doctor himself.

Some mule buyers from Texas were in Causey the other day. Some of the cowmen around Causey are now looking for grass for their cattle.

Mrs. Seefelt and children are the proud owners of a new car. Arch Merrick and George Ross are thinking of leaving this country for the eastern country where the honey ponds and flitter trees grow.

Beans Judah came home from the ranch with the flu. There will be an Easter egg hunt at Jim Caviness' place Easter Sunday evening. Everybody is invited and welcome.

We'll, we have had some fine weather and we think the fruit is not killed yet.

Mrs. Maud Judah is now at home at Causey. She has been at Clovis a long time under the doctor's treatment. We are very glad to know that she won the battle and gained her health.

Floyd Judah from Clovis visited in Causey last Sunday.

Fletcher Judah is planning a rabbit drive at Causey. He wants the crowd to meet at Causey and shoulder arms and have a real battle with the jack rabbits. Watch for the date.

Nutrition Expert Gives Helpful Talks To Women of Co.

Miss Meriam Birdseye, nutrition expert of the Washington Extension Service of the Department of Agriculture, was in the county Friday and conducted two meetings,

one at Elida at 9:30 a. m. and one in Portales at 2:00 p. m. Her topic was "Man Power, how to build it, keep it fit and make it go." She said we were not yet doing the kind of a job we should in building strong, straight bodies for children and not doing all we ought to develop resistance both in children and adults. It is a very ex-

pensive thing to get the human machinery back into shape once it gets out of order, and it is important for us all to know how to build it right in the first place and keep it fit. She discussed particularly the part diet may play in the bringing these results. She built her talk around two interesting charts reproduced below:

Points To Work For In Children: A. Points of a Well Built Body: Strong, even teeth, no cavities. Unobstructed breathing. Even shoulders. Flat Shoulder Blades. Broad chest. Straight back. Firm muscles. Flat abdomen. Straight legs. Normal knee and ankle joints. Strong arches. B. Points of a Body in Good Running Order: Alert expression. Clear skin. Healthy scalp. Glossy hair. Bright eyes. No circles or puffiness under the eyes. Clear red tongue. Sweet breath. Good color in Earlobes and in Membranes lining lips and Eyelids. Good appetite. Good digestion. Sound sleep. Steady nerves. No restlessness. Cheerful disposition. Full daily bowel movement at regular hour. Freedom from colds, headache, fatigue.

Mr. and Mrs. Joe Cooper of Kenas were in Portales Saturday. Mrs. Add Hobbs and son, Chester, and Jones Brown Smith attended the circus at Texico-Farwell Tuesday. E. T. Burleson, C. W. Ison and Harve Baker went to Wink Tuesday. Mrs. M. E. Jones resigned her position at the Ladies' Shoppe Monday and went to work in the county treasurer's office. Mrs. H. A. McCall took Mrs. Jones' position at least for a time at the Ladies' Shoppe.

Miss Janie V. Hammon of Abilene, is a guest in the home of her aunt, Mrs. Frank Warnica. Harold Jones, who is employed in the Sun drug store in El Paso, Texas, was the guest of his mother, Mrs. W. B. Jones, from Thursday until Saturday. Mr. and Mrs. Bob Crosby and daughter were in Portales Monday, the guests of her mother, Mrs. W. B. Jones.

Bill Posse, employe of the Santa Fe railroad formerly at Portales, but recently at Talban, is again in Portales. Miss Naomi McCarty, who has been employed as saleslady in the Joyce-Fruit Co. store at Clovis for some months, has accepted a similar position with the same firm in Portales.

Mr. and Mrs. James Skipper and son, who have been a guest of her mother, Mrs. W. B. Jones, and other relatives for a couple of weeks, left Saturday for her home at San Angelo, Texas. C. W. Smith and family of St. Vrain were Sunday guests in the R. B. Ohlhausen home.

Mrs. N. R. Blackard accompanied Mr. Blackard on a business trip to Roswell Friday. Carl Case was transacting business in Roswell Saturday. Miss Dorothy Greathouse of Chicago spent several days this week with Mrs. J. W. McMinn and other friends.

J. B. Raymond and sons, Floyd and Joe; Henry Thompson and Harve Baker made a business trip to Amarillo Saturday. Rev. Joe Grizzle attended a board meeting of the Portales Baptist Association at Melrose Monday, April 2nd.

C. C. Smith returned Friday from Dawson Springs, Kentucky, where he was called by the death of his father, Rev. Willis Smith. Mr. Smith was of the Presbyterian faith and had been a minister of the gospel for fifty four years. At one time he was a citizen of New Mexico, having lived on a farm near Melrose for a period of six years.

C. L. Heights returned Saturday from Tucumcari, his former home, where he had enjoyed a week's visit with old neighbors and friends. The Assembly of God people are holding revival services. Rev. Mr. Jones of Oklahoma occupying the pulpit. Mrs. Maude Johnson was with Mrs. J. E. Wise at the Baptist hospital in Clovis from Friday until Sunday.

Food Habits Standard: Milk: Adults, 1 pt. Children, 3 cups or more. Vegetables and Fruits: 2 servings vegetables other than potatoes or dried legumes. Leafy vegetable daily. 2 servings fruits. Raw fruit or vegetable or canned tomatoes daily. Whole Grain Bread or Breakfast Food: 1 or more servings. Eggs, Cheese, Flesh Food or Dried Legumes: 2 servings from any two above. Liquor: 6 to 8 glasses. Miss Birdseye had with her many photographs of well built and poorly built children to illustrate her talks. She showed some pictures of children undernourished during the war to show what fearful distortions of the human form may take place when the body does not receive what is needed during the growing period. She urged all New Mexico mothers to make full use of the abundant sunshine we have here. Sunshine is very valuable in helping the body to deposit lime in the bones. She urged the use of sun baths with proper precautions, stating that the time of exposure and the amount of the body exposed should be very gradually increased. The baby's skeleton at birth is still partly cartilage and if the body is to be well built every aid must be given it to stimulate the depositing of lime for bones and also for the teeth. She congratulated the community on having such an abundance of cheap tomatoes, and urged every one to use them very liberally as they are the cheapest source of some of the vitamins so essential to health. Miss Birdseye told of many experiments carried on in the Washington nutrition laboratory with little animals, to determine the effect of lack of various food elements and vitamins on body building and functioning. The lack of even one of the essential elements has been proven to have very serious results.

Old Fiddlers Contest At Amarillo, Texas

Amarillo, Texas, Mar. 30.—With an attendance of more than 2,000 persons at the Old Fiddlers' Contest recently held in Amarillo, the Tri-State Fair association has announced a second contest to be held in the Municipal Auditorium at Amarillo on April 27. The event will be open to the winners of old fiddlers' contests staged in any county in the Panhandle of Texas, Oklahoma and New Mexico, except Potter county. However, only those counties which stage old fiddlers' contests will be allowed to send an entry before Friday, April 20.

The fair will give \$250 in prizes, \$100 going to the champion fiddler. Only old tunes will be played and the program will be broadcast so that radio fans over the Panhandle may tune in on the program. Stunt numbers will also be arranged.

Dr. O. H. Loyd of Vega, director of the first contest, will direct the second meeting. Dr. Loyd and fair officials are asking the county seat newspapers sponsor county-wide contests in order that only champion fiddlers may be entered from each county.

Winners in this contest will represent this section in a third contest which will be open to the world.

County wide contests must be completed by April 17, and the winners reported to R. T. Emmett, secretary-manager of the Tri-State Fair, Amarillo, Texas.

The Old Fiddlers' contest is meeting with enthusiastic support over the Panhandle and the event to be held in Amarillo on April 27 will be one of the outstanding old fiddlers' contests ever held in the Southwest.

Rules Old Fiddlers' Contest

Rules for judges of the Old Fiddlers' contest to be held in the city auditorium, Amarillo, Texas on Friday, April 27, 1928, at 8 p. m., under the auspices of the Tri-State Fair:

1. Each contestant will draw place by lot, giving him his order on the program.
2. Each contestant shall be 40 years old, but not over 110.
3. Each contestant shall play one piece only, unless requested by the judges to play more, but shall be required to have ready at least five selections for emergencies.
4. Each selection offered shall be not less than three minutes nor more than five minutes.
5. Each contestant is to play old-fashioned music, preferably quadrilles, as this is more closely associated with the old "breakdown" dance.
6. Each contestant is to be allowed not to exceed two accompanists.
7. In forming conclusions of the merit of each contestant, the judges shall pass on a percentage basis taking 100 per cent, of course, as perfect, and that no man is perfect. They shall judge each separate selection under their column giving it the percentage that in

their judgment it is entitled, and the final total of these added percentages will show the winners in order. If any ties should develop and the judges require, then those who are tied for place shall play another selection, or until such tie is settled.

8. Applause of the audience shall not have part in the decision of the judges.

9. Being an Old Fiddlers' contest, credit shall not be allowed to the modern jazz.

10. Contortions of the body of the artist shall not be given undue credit, patting of the feet being justified.

11. Each contestant shall furnish by April 30, information giving his birthplace, date of birth, incidents of his life and his picture (late photograph if convenient.)

12. Each county will be allowed to enter only one contestant. No fiddler will be allowed to enter the Tri-State Fair contest unless he has been declared the winner of the contest which is to be held somewhere in his county before April 17. All entries must be in the hands of R. T. Emmett, secretary and manager, before April 20.

There will be no appeal from the decisions of the judges.
