JOE BENNETT - PUBLISHER

Well after the weatherman froze us to death for a few days we have moved up to some warm weather, some days reaching the upper 70's. On Tuesday morning the wind was out of the north again and the temperature had dropped down in the upper 30's and the temperatures are expected to drop down for the next few days. Man, it seems that the weather just can't make up it's mind. Everyone around here and across the state are wishing for rain. We didn't get a drop in January and the immediate outlook doesn't seem any better. We just have to have some moisture soon as things are terribly dry and the possibility of fires is extremely bad. Let's pray for some good rains soon.

Have received a couple of notes with subscriptions renewals and haven't gotten them in the column until now.

Dear Joe:

Happy New Year! Hope 1997 will bring you and yours, many blessings in special ways. Thanks for being so good to my sister-in-law, Estelle. She is a dear lady. I enjoy her and Kay visiting me. Kay is like my grand daughter. How about you dropping by for a visit? Best of luck, and God Bless.

Love, Grace Nix

Dear Joe:

Enclosed you will find my check for another year's subscription so just keep mailing it to 2408 40th St. Snyder 79549

Thanks, Billie Dupuy

-J-

Thanks for the check and good words. Glad ya'll like the paper. We try hard to keep it going, but with the cost of printing and mailing it, it's getting harder and harder to keep it going. With the advertising dropping off it makes it hard to make ends meet with the newspaper. This is the reason we have had to increase the subscription cost \$1.00 to help keep it going. We love you all and hope we can continue to publish the Progress.

Work is coming along on the Desdemona Highway. It's in pretty bad shape right now, but as the work progresses it will really be good. We'll just have to bear the bad road until work is finished.

The Lions Club Blood Drive went rather well with about 30 donors giving blood. Thanks to all of those who donated the gift of life.

-J-

And remember to smile--because God Loves You!

Thank you for Your Support

The Gorman 4-H Club, Jr. FFA, FFA, and FFA Booster Club would like to thank the Citizens of Gorman for their support and encouragement to our programs during the past year. Your attendance at our dinners and support of our fund-raisers, as well as your purchases of concessions at home basketball games, has made possible the continued success and improvement of our programs.

We would like to invite you to attend the Annual Eastland County Livestock Show and Sale, Thursday February 6th thru Saturday 8th at the Eastland County Show Grounds on Hwy. 3101 in Eastland. This county show is the culmination of most of the year's work for both youngsters and boosters. Over 70 local youngsters representing over 40 local families, will exhibit more than 200 animals in the show. Many of these animals were bred by local producers who have developed a breeding program to provide area youngsters with quality show animals.

Eastland County Livestock Show Feb. 5th thru Feb. 8th

The annual Eastland County Livestock Show will be top-notch this year. 4-H and FFA members from all parts of Eastland County are competing in this annual event. This year's show will be one of the most outstanding with more entries and students participating.

Overall Show Superintendent is James Agnew of Cisco. The Concession Stands will be sponsored by the Eastland County 4-H parents. The public is invited to come on out to the Sotck Show and support our outstanding youth.

Morris named "Coach of the Year"

James Morris, son of Hupp and Lottie Morris of Gorman, was named head track and cross country coach at South Plains College. He received "Coach of the Meet" honors and was voted "Coach of the Year" by the NJCAA Cross Country Coaches Association after guiding the Texans to their second national cross country championship.

Morris was presented with a pair of plaques during an awards ceremony held following the National Junior College Athletic Association National

Cross Country Championships, which was held Nov. 16th in Olathe Kansas.

"It's something you never expect," said Morris, who is in his 15th season at the SPC helm. "It's a tremendous honor. This hasn't been a goal of mine. My goal has been to have outstanding performers and outstanding teams." "It makes you feel extremely good and satisfied with the job accomplished. It's directly related to the performance of your runners. You have to have good runners to get there."

Since Morris arrived at South Plains College in 1982, a total of 159 Texans have turned in 339 All-American performances. Counted among those individuals are 48 national champions and 11 national champion relay teams. He also has coached nine Olympians.

The Brownfield native achieved a unique triple crown of sorts in 1991, when he was selected as the National Junior College Athletic Association Cross Country Coach of the Year, and NJCAA National Outdoor Coach of the Year, and guided the Texans to their first-ever national cross country championship. He was named Cross Country Coach of the Year in 1994.

Morris, whose career is now in its 37th year, was named as the NJCAA National Outdoor Coach of the Year in 1983. In 1986, he guided the Texans to the NJCAA Indoor Track and Field Championship, the school's first-ever national championship team.

He was named the NJCAA Region

MAMMOGRAPHY CAN SAVE YOUR LIFE!!!

If you are a healthy woman over 40 who never has had a mammogram, the American Cancer Society recommends that you have this simple life-saving procedure now. Since one woman in 10 develops breast cancer at some point in her lifetime, the urgency is real.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually compared to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination. These images are then interpreted by a Board Certified Radiologist, and a report is sent to your own doctor. It takes only a few minutes, and can detect incipient breast cancer as small as the period at the end of this sentence.

Early detection (18 months sooner than a lump can be felt) not only permits treatment before the problem becomes serious, but the cure rate is over 90 percent. Mammography cannot only save your life, but help you avoid the need for disfiguring surgery, too.

You don't need to have been a previous patient of our to receive this screening, but you do need to make an appointment at a time convenient to you.

A NOTE FROM INA

I need your help to make this year's Valentines Day a "day to remember" for the residents of Heritage Manor. The residents have been busy making "Valentine Boxes" to hang outside their rooms. Now all they need is someone to put valentines in their boxes. The valentines don't have to be fancy or expensive, they can be homemade or store bought.

You can bring your valentines and put them in their boxes, you can leave them with me and I will put them out or give me a call and I will come and pick them up and deliver them. The boxes are up so you can bring your valentines up anytime.

Also, if you have any extra valentines you would like to donate to the residents (so they can give some to their friends and family) they would be greatly appreciated.

Thank you.
Ina Scitern

Kids Who Make a Difference Presented

The Maxfield Elementary Awards for the third Six Weeks for "Kids Who Make A Difference" were presented to Clarissa McGlothlin and Melinda Leal. These girls are good examples to others and all-around "good people". We are very proud of them.

Robert Cox is Serving tour in Persian Gulf

January 29, 1997, (FHTNC)—Navy Fireman Robert W. Cox, son of Odis R. Cox of Rt. 1 De Leon, Texas, is halfway through a six month deployment to the Persian Gulf aboard the fast combat support ship USS Rainier.

Cox is one of more than 500 sailors aboard the ship, which departed its homeport of Bremerton, Wash., as part of the USS Kitty Hawk Battle Group. The battle group is comprised of the aircraft carrier USS Kitty Hawk, 10 tactical aircraft squadrons, five surface combatants, two submarines and the three-ship USS Essex Amphibious Ready Group.

Throughout the deployment, Cox's ship has been the battle groups life line. Transferring 51 million gallons of aviation and diesel fuel, 2,000 tons of cargo, 51,580 tons of mail, and 53,303 pounds of ammunition to battle group ships, USS Rainier ensures the battle group is operationally ready.

USS Rainier is one of the largest underway replenishment ships in the world. Able to carry more than 177,000 barrels of oil, 2,150 tons of ammunition, 500 tons of dry stores and 250 tons of refrigerated stores, Cox's ship's primary role is to replenish ships at sea. In addition to shipboard capabilities, USS Rainier carries two helicopters which assist in at-sea replenishments.

The 1992 graduate of Gorman Independent High School of Gorman, Texas, joined the Navy in October 1995.

KOKOMO NEWS

ZELDA JORDAN -- PHONE 639-2289

Haven't you enjoyed this beautiful warm weather? The only thing that would make it better is a good soaking rain on the land that is so very dry. Let us thank the good Lord for all the blessings he gives us daily, then ask for another blessing in the form of the rain we need.

The choir rendered the special music at the Kokomo Baptist Church on Sunday morning. Visitors were Sharon Mearse of Odessa and Johnny and Freddie Shackelford of Amarillo who were visiting with an aunt, Nancy Hendricks.

Larry and Betty Strube visited in Comanche with Johnnie and Elvis Chambers and also with Bob and Beverly Phariss at their place north of Cisco. Kenneth Evans of Ranger visited with the Strubes on Thursday.

Stacy, Brenda, Jacob and Kaci Webb and a friend, Lindsey of Comanche visited with Oren and Norma Webb on Sunday afternoon. Norma went to Comanche on Monday night to see Kaci play basketball.

Chad Eaton of Cisco Jr. College visited with his grandmother, Juanita Fuller.

Visitors with Nancy Hendricks were Sylvia Buchanan of De Soto, Kelly Buchanan of Brazoria, Tina Billingsley of Stephenville, Charlie Sisson of Stephenville, Sharon Mearse of Odessa, Freddie and Johnny Shackelford of Amarillo, Allison Treadway and Janice Glover of Gorman.

man, Doris Bradsaw of Gorman, Hope Joiner, Ruth Bryant and Zelda Jordan.

Jimmy and Maggie Nelson of Bowie and Gary and Tena Danley, Caleb and Haley of Boise, Idaho visited with Clifford and Lurline Nelson.

Cassie Nelson underwent hernia surgery on Friday in the Brownwood Hospital. We wish her a speedy recovery.

Zelda Jordan visited in Abilene from Saturday until Monday afternoon with Wade and Sheri Daniell, Ryan and Kody and Glenda Priest and with Laverne Winn of Muleshoe and Audree Tipton of Lubbock who were also visiting with the Daniells and Glenda. She is happy to report that the twins and the new Mommy and Daddy are doing fine.

Glenda Priest, Zelda Jordan and Laverne Winn went to McMurry University to view the traveling Vietnam Veteran's Memorial Wall. It was a very impressive sight. You couldn't help but weep for all the men who's names were on the wall and say a prayer for their families.

A large crowd from this area, including many from Kokomo were in Breckenridge on Monday night, Feb. 3 to hear the "Messengers" from Gorman and the "Florida Boys" in concert. It was a wonderful evening of Gospel music.

The Kokomo FCE Club has set Saturday, March 1st as the date for their annual benefit Stew Supper. So mark you calendars and get set for an evening
