Antelopes Down SPAAF Cagers

The Antelope boys team chalked up two cage victories last week and the local school girls lost in two games.

In games at New Deal Wednesday night last week, Abernathy boys won, 26-16, and the local girls lost, 26-14, to the New Deal sextet.

Playing here Thursday night, the Antelopes downed a soldier team from South Plains Army Air field, 33-23. The school girls were defeated, 15-16, by a local outsiders' girls team.

Win From SPAAF

The Antelopes got off to 10-4 lead at the end of the first quarter, and hosted it to 21-7 at the half, and to 26-11 going into the final period.

Scoring honors for the night were divided with Cripompa for the soldiers and Lambert for the Antelopes each getting 12 points.

To Play in Tourney

The Antelope boys' and girls' teams are to enter the New Deal invitation basketball tournament, opening tonight, (Thursday) Schedule Given

Two games remain on the Antelope cage schedule before Christmas—New Deal is to come here for games Monday night, Dec. 18, and Cotton Center teams are due to play here Dec. 21.

Marine Is Injured In Pacific Fighting

Marine Pfc. Ralph McBride, son of Mr. and Mrs. Lum McBride, who live on the Jeff Williams farm north and east of Hale Center, was injured in action somewhere in the Pacific theatre during November, the parents have been notified. He has a twin brother, Pfc. Ray, who is with him in the fourth Marine division. Extent of his injuries and the manner in which he was hurt was not known by the McBrides. They formerly lived near Abernathy.

Abernathy School News

Colored School to Open Supt. W. V. Swinburn announced this week that a school for colored children is to open here Monday, Jan. 1, in the building across the street from Abernathy Implement Co.

Christmas holidays for Abernathy school will be from Dec. 22 to Jan. 1. Christmas tree programs for the grade school pupils are to be held in class rooms and in the auditorium, Friday, Dec. 22, 1 p. m., and the Christmas program for high school pupils will be in First Baptist church, at the same time.

School will be dismissed during inclement weather when buses cannot make their rounds, it was announced. In a fitting ceremony at Baytown, Tex., employees of Humble Oil and Refining Co. on Dec. 14 will commemorate a feat unparalleled in the petroleum industry—the production of one billion gallons of finished 100 octane aviation gasoline at the company's Baytown refinery.

The achievement climaxes a quarter of a century of research, planning and development by the Humble organization, which, in those 25 years, has made uniform progress in every phase of its operations.

BLUEBONNET CLUB The Bluebonnet club met Dec. 7 in the home of Mrs. A. Zeman. The following members were present: Mmes. Jno. Webb, Paul Hunt, Marvin, Tom and F. W. Struve, A. W. Hardin, Frank Tannehill, E. G. Thompson, J. B. Johnson and Miss Bettie Fuchs.

Refreshments of sandwiches, cake and coffee were served. Several members met at the Zeman home Friday afternoon to make a comfort for the Boys' Ranch. Next meeting is to be with Mrs. Frank Tannehill today (Thursday) and an all-day meet is set for Dec. 21, in the home of Mrs. Paul Hunt.

GOLDEN WEDDING ANNIVERSARY Mr. and Mrs. J. C. Barron were entertained in the home of their son, J. E. Barron, on Dec. 3, with a surprise Golden Wedding anniversary dinner and shower. All the children, except two, were present. Several of their grandchildren also attended. Friends called in the afternoon. They received several nice and useful gifts.

Paul Weisner, A.S., both of Louisville. Mrs. Petty, the daughter of Mrs. Rachel Sauer of Louisville, attended high school in Louisville.

Sgt. Petty, who attended Abernathy High school is the son of Mr. and Mrs. Elmer Petty of this county.

In November, following a 24-month tour of duty in Africa, Sicily, Italy and France.

Sgt. and Mrs. Petty are visiting his parents here. They are to go to Santa Barbara, Calif., where he reports for duty Dec. 21.

WAR BOND SALES SHORT OF QUOTA

Abernathy faces its first War Bond drive failure in the 6th War Loan! Our quota is \$130,000. Reports Tuesday night said bond sales here totaled approximately \$35,000, leaving \$95,000 in bonds to be sold before the drive ends on Dec. 16 (the original closing date.)

BUY MORE BONDS NOW

More bonds mean more tanks, more trucks, more bombs, more guns and more shells. More tanks, trucks, bombs, guns and shells mean fewer casualties. The question is, "Shall we lend more money or give more boys?" NOW is a crucial time in this war. If our army has an overwhelming superiority in these items the war can be shortened and thousands of lives saved. If we lend the government the money, we can have that superiority. This situation has been so serious at times that General Eisenhower has withdrawn 27 enlisted men from the front that they may come home to tell us how, at various times, they have been rationed on shells and other ammunition at the front, when, if they had had them, they could have struck decisive blows. Offensive action has had to be postponed at times due to these shortages.

It is no longer a matter of whether we can afford to buy bonds. It is a matter of whether we can afford not to buy bonds. Who should buy? Everybody!

The boys are fighting to maintain our way of life. They are fighting just as hard for the one who can buy one \$25 bond as they are for the one who can buy a \$10,000 bond.

If you have never bought, get in at this crucial time. If you have bought during previous drives, do equally as well this time. If we have most of our money invested in something else temporarily, let's make arrangements to do our part anyhow. We have the same bond committee that has faithfully served throughout the war. They are all as busy as you are. Please make it as easy as possible on them. We are going to have to do all we can if we raise our quota. I know we will not fail our boys. They have not failed us. Only a few more days left on the drive. Sincerely, GEORGE W. RAGLAND, Chairman, Bond Committee.

Local O. E. S. Chapter Is Constituted

(By Linda Nabors, Acting Grand Secretary, Texas Grand Chapter Order of the Eastern Star.)

On the evening of Dec. 6, in a meeting in Abernathy school, Abernathy Chapter No. 878, Order of the Eastern Star, was constituted under supervision of the Worthy Grand Patron, E. B. Gaunt, Athens.

Those taking part in the constituting ceremony were: Lillian Barnard, Worthy Grand Matron, Lubbock; Lellah Mae Vollus, Assn. Grand Matron, Houston; Frank Phillips, Assn. Grand Patron, Canyon; Linda Jane Nabors, Acting Grand Secretary, Lubbock; Flora Beest Boone, Grand Conductress, Littlefield; Alice Mae Stewart, Assn. Grand Conductress, Lubbock; Jewell Holden, Grand Chaplain, San Antonio; Pauline Smith, Grand Marshal, Lubbock; Lindsey Gaunt, Grand Organist, Athens; Pearl Metcalf, Grand Warder, Lubbock; T. H. Barnard, Grand Sentinel, Lubbock.

The Grand Marshal led all members of the Abernathy chapter with in the labyrinth west of the altar and the grand secretary read the names of the members, and the charter. The Grand Patron then held an election of officers for the local chapter with the following being named: Ruth Darden, worthy matron; A. A. Young, worthy patron; Bezzie Ray, associate matron; W. H. Rav, associate patron; W. A. Richter, secretary; Eleanor Dean, treasurer; Jewell Richter, conductress; Mary Bartlett, associate conductress.

The Worthy Matron appointed the following officers for the other stations: Nannie Cox, chaplain; Irma Ward, marshal; Lucille McKenzie, organist; Bernice Rankin, Adam; Marian Rankin, Ruth; Elsie Young, Esther; Mary Rankin, Martha; Nora Wilson, Elsie; Ethel Downs, warder; Will Darden, sentinel.

The installation of officers at this time, under the capable installing officers of the Grand Patron, Worthy Grand Patron, E. B. Gaunt, Athens, Grand Chaplain; Jewell Holden, Grand Chaplain; Lindsey Gaunt, Grand Organist, was a most beautiful and impressive ceremony.

The visiting members spoke of their appreciation of the delicious dinner served in the school lunchroom, also of the fellowship and the friendship of the Abernathy members.

Sister Barnard asked all the Grand Officers to rise and she personally introduced them. She also likened the Abernathy chapter to a light and urged that no wind nor storms would ever dim or darken that light, and offered her assistance at any time she was needed.

Sister Lellah Mae Vollus spoke the sweetest words to the assembly of the splendor of the beginning of a new year, and a new life, or a new chapter.

The Grand Chaplain, Sister Jewell Holden, spoke her appreciation of the wonderful hospitality of the West Texas people.

The Worthy Grand Matron spoke a few last remarks to the Abernathy chapter and closed the meeting.

W. I. Adkisson is under treatment in a Lubbock hospital.

F.H.T. and Homemaking Department News

We, The Future Homemakers of Texas have been doing a number of helpful things such as canning apples for the luncheon, and putting letters at basketball suits. The III year homemaking girls have been studying foods and their values. We find by studying these we will learn how to prepare better meals.

The F.H.T. has also planned a Christmas party for the F.F.A. boys in the homemaking department Dec. 19, 8 p. m. We will exchange gifts, sing carols, play games and serve refreshments.

We are planning to make blouses for our members to wear on club days. They will be blue and white.

Dear Buford and All: It has been a long time since I have written you but I surely haven't forgotten you. I received several Reviews lately—so keep them coming. I surely do enjoy them. I have received the Christmas card from the Review and Ruby Joy Merritt. Thanks ever so much for being so good as to remember the boys in service. Everything is going along very well here. I suppose, God has been very good to me, and I am Thanking Him for everything. We have just had our first snow. It surely is cold in France. It's going to be a bad winter, I suppose. I hope all goes well with everyone in good old Abernathy. Thanks again for your kindness. I hope to see you sometime soon. Your friend, Cpl. Preston Amerson.

Dear Buford: I just received the Review and enjoyed Capt. Gorman Webb's letter. Some of my friends from Camp Wolters were there at Saipan, too, with the infantry. I transferred to the medical detachment two months ago. I'm with the same infantry regiment and still go out with my old platoon as aid man. It's nice that some of the fellows are beginning to get back home. I received a nice letter from Cortez Daniel the other day. Maxine I. G. Holmes always writes an amusing letter. He sounds as if the palm trees and hula skirts are beginning to take effect. That Hale county murder trial sounds like a thriller. (The Thomas case has been moved to another district and is to be tried in Dawson county—BFD). Tomorrow is the big election. The servicemen aren't supposed to air their views, but I'm definitely not one of those people who doesn't believe in changes. Just wanted you to know I was receiving the Review. I enjoy it a lot. Sincerely, Bob. (Pvt. Robert M. DeLaney.)

Abernathy Chapter, Order of the Eastern Star, is to meet Thursday night, Dec. 21, at 8 o'clock.

Cleo Turner Killed In France on Nov. 12

Pfc. Cleo Turner, 20, son of Mr. and Mrs. E. E. Turner of Abernathy, was killed in action in France Nov. 12, according to word received here Saturday night, Dec. 9. The parents were informed by telegram, Nov. 29, that he was missing in action in France, since Nov. 12.

Survivors include the parents, a half brother, Tommy Moore, France; the brother, Wilson Turner, Abernathy; five sisters, Mrs. Fay Shirley, Lovington, N. M., Mrs. Pearl Minor, Dorothy, Betty Jo and Patsy, all of Abernathy.

Cleo entered the service in April, 1943. He went from Ft. Sill, Okla., to Camp Polk, La., then to Camp Cooke, Calif. In the infantry, he had been overseas since early this year.

On Nov. 23 the Turners received the Purple Heart medal which Cleo had mailed to them in October. He was awarded the medal after being wounded in France Aug. 13. He returned to duty Nov. 5.

Cleo's mother, Mrs. E. E. Turner, was born Feb. 20, 1924, near Howe, Okla., and attended school at Hodgson and Mt. Pleasant, in Oklahoma. He came to Abernathy, Sept. 13, 1942, from the Sooner state, and his parents moved here from that state, Jan. 7, this year.

Pvt. Tommy Anderson Moore, a son of Mrs. Turner, is serving in France.

TAX FILING DATE EXPLAINED

Joseph D. Nunan, Jr., Commissioner of Internal Revenue, reminds individual income taxpayers that Congress has changed from Dec. 15, 1944 to Jan. 15, 1945, the final date for filing declarations of estimated income tax, either original (as in the case of farmers), or amended, and paying of installments of estimated tax for the calendar year of 1944.

Among the taxpayers affected by this change in dates are: Farmers who exercised their right to defer filing declarations last April 15; others who have really filed 1944 declarations but desire to change their estimates by filing amended declarations; all persons who owe the final installment of 1944 estimated tax.

If a taxpayer who would otherwise be required to file an original or amended declaration of estimated tax by Jan. 15, 1945, files his annual income tax return for 1944 (on form 1040) and pays all tax due by Jan. 15, his return will serve as both a return and declaration and he need not file the 1944 declaration.

Also, if a taxpayer files his final 1944 return (on form 1040) and pays the tax due on it by Jan. 15, he need not pay the final installment which otherwise would be due on his estimated tax.

A bill from the collector for the final installment for 1944 estimated tax may be ignored by a taxpayer who files his annual return (on form 1040) and pays the tax due on it by Jan. 15.

These changes will enable a taxpayer, if he desires to do so, to wind up all of his 1944 income tax obligations by Jan. 15, but it does not affect the filing of his 1945 declaration which will be due March 15. All taxpayers who do not file their 1944 returns by Jan. 15 must do so by March 15.

71 COTTON CENTER SERVICEMEN ARE HONORED

(By Mrs. Billy Houston)

A large crowd gathered at the Cotton Center Baptist church Thursday night, Nov. 20, for a candlelighting service, representing all the boys and girls in service from that community, there was a candle for each

boy or girl. This program was sponsored by the Cotton Center Home Demonstration club with Mrs. Jack Barton, president of the club, in charge of the program.

The American and Christian flags stood on either side of the beautifully decorated table with red, white and blue crepe paper. There were 71 white candles on this table with a blue star directly in front of the candle, except for the two special

candles with gold stars that were placed in the center of the table for the two boys who had lost their lives in service—Sgt. Ray McFerrin and Pvt. Gene Young.

After "America" and "Onward Christian Soldiers" were sung by the congregation and a quartet composed of Mr. and Mrs. Ross White, Rev. McRoy and Preston Greenhaw sang, "Ready To Go," Rev. J. F. Nix of

Abernathy delivered the sermon.

After this, Mrs. Billy Houston called the names and the mother or relative of the boy or girl lighted their candle. During the ceremony, Mrs. White played the piano softly.

After the candles were all lighted a wreath of white carnations carried by Sharon Thompson were placed in front of the two special candles. With no other light but that of the candles, Mrs. John Payne, Sr., gave a talk entitled, "Our Boys."

Rev. Frank Beauchamp sang a solo, accompanied at the piano by Mrs.

Martha White. Rev. McRoy gave the benediction.

Mrs. Forest Sageser and Ross Buckner served on the program committee with Mrs. Barton.

How Much Is a Billion Gallons of 100-Octane Gasoline?

It's enough to fill 120,000 tank cars—a train 1,000 miles long.

It's enough to fill an 8-inch pipe line that would circle the earth three times at the equator.

It's enough to fuel 400,000 Flying Fortresses for a round trip flight from Britain to Germany.

That's a billion gallons of 100-octane gasoline! But it's more than that. It's the effort of the 14,000 men and women of Humble Oil & Refining Company, who are today celebrating the production of the one-billionth gallon of 100-octane aviation gasoline at Baytown refinery—a remarkable feat in the history of the petroleum industry.

It is one of the wartime contributions of the 14,000 men and women of Humble—scientists, drillers, roustabouts, stenographers, pipeliners, technologists, truck drivers, geologists, glassblowers, stillmen and those working in hundreds of other occupations.

Here is a partial list of their accomplishments to date:

- FIRST** to produce at one refinery a billion gallons of finished 100-octane aviation gasoline.
The Baytown refinery has produced more 100-octane aviation gasoline than any other plant in the world.
- FIRST** to produce synthetic toluene.
The Baytown Ordnance Works, first to synthesize toluene from petroleum, has supplied the toluene for at least one out of every two bombs used by the United Nations since Pearl Harbor.
- FIRST** in the production of crude oil.
Humble Oil & Refining Company is the nation's largest producer of crude oil, and is currently supplying about one-fourth of the increased production required for war as measured by the gain since 1941.
- FIRST** in the transportation of petroleum.
The Humble pipe lines transport more oil than any other system, handle one barrel in every seven of the domestic supply.

These accomplishments climax a quarter century of development, planning and team work of a great organization. The men and women who made them possible are behind the billion gallons of 100-octane aviation gasoline. They are behind whatever America needs of them for victory.

Box 248 — Abernathy

Dear Buford: Just a few lines to thank the Review and Ruby Joe for the beautiful Christmas card you sent me. I haven't gotten a Review since the last of July. I surely do miss it, too. My folks have started sending it to me for the last few weeks. Maybe it will catch up with me soon. Well, today is Thanksgiving. I think we are going to have a nice Thanksgiving dinner. I hope all the boys have a nice one. Maybe next Thanksgiving we will be home to enjoy it. There isn't much I can say about Hawaii. It isn't the place I thought it would be. I go to Honolulu about once a week. Honolulu is a nice town, I guess, but I still prefer Abernathy. I have been here for three months and still don't like the place. I guess I am better off than a lot of the boys. Well, Buford, I am not much of a letter writer so will close, hoping each and everyone of Abernathy a Merry Christmas. Your friend, Pvt. Rayburn Moore. (The Review has been going to you every week — at the right address. Hope you start receiving it soon.—BFD.)

Dear Buford: Just a few lines to thank you for the Review, which I have been receiving quite well under the conditions. And, for the very nice Christmas and New Year's card. I wish you would also extend my thanks to the Men's Bible Class for the nice greeting card it sent me. It makes one feel good to know that the people at home are thinking of you. Things have been going quite well for me. So, I haven't any complaints coming. I had the good fortune to be in one of the first invasion of the Philippines, at Leyte Island. I say good fortune because it was something that will remain in my memory forever. It was quite a show — you don't realize just what power our forces have 'til you see them in such an engagement. At the present time I am in New Guinea. I haven't been ashore but once, so I don't know much about the place — but from the first look, I don't think so much of it. Well, Buford, as you see I have much news. I just wanted to thank you and Ruby Joe for the paper and cards and let you know I was thinking of you. Tell everyone hello for me, as ever, Fildon. (Fildon Magee, MM3(c).)

Mr. Bottle Gas User

Why Not

ECONOMIZE

With

FLASH-O-GAS PROPANE?

**PROPANE GAS IS CHEAPER TO USE IN
BOTTLES**

1st—There are more B. T. U. Heat Units per pound in Propane than per pound in Butane.

2nd—When Butane-Propane Mixture is used, there are a lot of heat units wasted on account of the inefficient flame and poor combustion—especially in the last half of the bottle contents.

3rd—It is a waste of time, money, gasoline & tires besides a lot of trouble to have your bottle half full of Butane with not enough pressure to cook breakfast and be forced to drive to town for a refill of Propane that will burn.

Our Price

\$250

Per 100 Lbs.

Give 'em a break
during the holidays!

Thousands of men and women in service will take a furlough trip home for Christmas. For many of them it will be the last time they will be with their families for an indefinite period of time. Of course, we want to provide them with space on our trains for comfortable trips to and from their homes. To do this—with our limited passenger equipment and unprecedented volume of civilian travel—we must again ask your cooperation and friendly understanding. As you can adjust your going and coming with more latitude than men and women in service—please—postpone your train trip until after the holiday period to enable us to provide accommodations for our soldiers, sailors and marines on Christmas furloughs.
