Sales Tax Rebates Increase

State Comptroller Bob Bullock has sent checks totaling $58.2 million in local tax payments to the 990 cities that levy the one-percent local sales tax.

"So far this year, these payments are running better than 16 percent ahead of last year, and most Texas cities can expect even bigger checks for the rest of 1984," Bullock said. The Comptroller explained next month's checks will reflect payments from sales tax permit holders who report quarterly and the December checks will reflect the first increases from new goods and services taxed for the first time beginning October 2.

Knox City's net payment this period is $4,245.73, slightly less than 1983's $4,900.46. Payments to date in 1984 have been $61,359.21, reflecting a 7.42% increase over last year's $57,122.43.

Munday's net payment this period is $3,234.81, showing a good increase over 1983's $1,910.20. However, on year to date for Munday, this year's $37,231.48 shows a -4.43% from last year's $38,957.46.

Benjamin shows $578.35 for this period with no total listed for last year. Year-to-date totals for Benjamin are $2,666.78, a whopping 44.09% above 1983's $1,850.80.

No totals were listed this period for Goree, but year-to-date is $3,747.31, a 5.14% increase above 1983's $3,564.17.

Other totals for this period for area towns show Crowell $1,133.16, Haskell $9,589.51, Rule $1,081.93, Seymour $8,807.30, and Stamford $9,573.82. No totals for this period were given for O'Brien, Rochester, or Weinert.

October checks represent taxes collected on sales made in August and reported to the Comptroller by September 20.

Baker Named Region IX's 'Superintendent Of Year'

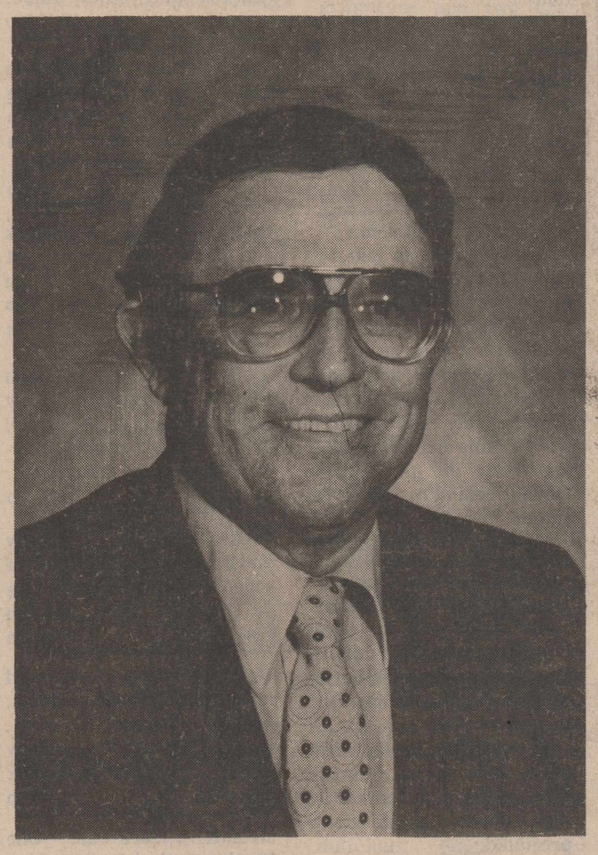

The Texas Association of School Boards honored W.R. (Bill) Baker, superintendent of the Knox City-O'Brien Independent School District as the Region IX Superintendent of the Year on Sunday, September 30, at its annual convention in San Antonio.

Mr. Baker was nominated by his Board of Directors and nominations were screened by a committee of board members in Region IX.

In making the nomination, local school board president Doug Meinzer said the board would like to go on record as stating, "We feel we have the top superintendent in the State of Texas. W.R. (Bill) Baker is not superintendent at Knox City by chance. Ever since he was a student in the Knox City schools, his goal was to someday be superintendent here. He has been offered the superintendent's position at larger schools and at more pay but he has always been concerned with the small schools. Mr. Baker takes an interest in the smaller schools in the area and is always available to help them and to keep the other superintendents informed of changes that might affect them.

"When it looked as though legislation would put a heavier tax burden on small communities, Mr. Baker worked with others and started a state-wide organization-TET-Texans for Equal Taxation-to have representation in Austin and fight to keep taxes down. He was the first president of TET and is still an avid supporter and worker in that organization.

"He has an excellent rapport with all of his board. He keeps the board informed about what is happening at school, changes being made in the legislature and any information that helps the board work more efficiently for the good of the school.

W.R. (BILL) BAKER
...honored at San Antonio

"Mr. Baker takes pride in the Knox City and O'Brien campuses and buildings and keeps a remodeling program going most every summer to keep buildings in good condition. It also gives some teachers the opportunity to supplement their income by working during the summer on the remodeling projects."

Meinzer said the Knox City-O'Brien CISD appreciated the opportunity to be able to nominate Mr. Baker for the Superintendent of the Year Award.

The honoree was born and raised in Knox City. His mother was a teacher and his late father a pharmacist. Bill participated in all phases of elementary and high school activities as a student in Knox City schools. After graduating, he received his bachelor's degree from Hardin Simmons University and later his master's degree from McMurry College.

Even though his mother had tried to impress on him that school teachers were not well-paid and to channel his energies into other areas, he accepted a teaching job at Mattson schools in 1951-52. After one year, he came to Knox City as a high school science teacher. The next year he taught algebra in Merkel schools. Then, in order to supplement his income, he took a summer job with a seismograph company which drilled and blasted its way from Texas to the Canadian border.

In the summer of 1954, Bill had the opportunity to take the coaching and principal's job at Mattson. When the superintendent left in 1956, Bill took over and helped make the school outstanding in University Interscholastic League academic and athletic events.

He married Frankie Jo Tanner, a former student at

Musical Is Set Saturday In Benjamin

The Knox County Aging Service will be sponsoring a County-Wide Musical, Saturday, October 13, at 7:00 p.m. in the Benjamin Memorial Building.

Several bands, quartets and group singing will be enjoyed and the emcee for the evening will be Buddie Lytle of Anson, a gospel singer who has performed several times in the area.

A concession stand and cake and pie auction will also be held during the musical. Admission is free, however, donations will be accepted as noted by their ad elsewhere in this week's *News*.

Everyone is invited to attend this good night of entertainment, officials said.

District Opener Friday

Munday Defeats Knox City, 48-0

By LYNDOL CYPERT

The Munday Moguls playing before a large homecoming crowd Saturday night soundly defeated the Knox City Greyhounds. The Moguls rated number three in the state Class A polls showed their power and speed as they ran up 48 points on the Hound defense.

In all fairness, the Hounds were playing without the service of four starters, three of them out of the offensive backfield and three of them out of the defensive secondary.

Offensively, the Hounds were able to make only two first downs. Defensively, the Hounds gave up a lot of yards, but Munday is a big play team and scored on runs of 47 yards, 31 yards, 36 yards, 19 yards, 13 yards and had a pass for 32 yards. The Hounds were hitting hard and would hold the Moguls then the big play would just break the Hounds' back.

While losing always hurts, this Greyhound team has shown pride, a good spirit, and improvement each week. These first few games were to

KC Graduate Performs In Talent Show

Peggilee Wupperman, a Knox City High School graduate, recently performed in the second annual talent show sponsored by the entertainment committee at Angelo State University in San Angelo.

After three days of auditioning with many participants, Peggilee was one of the nine actually selected to perform for the talent show. She was the only freshman selected.

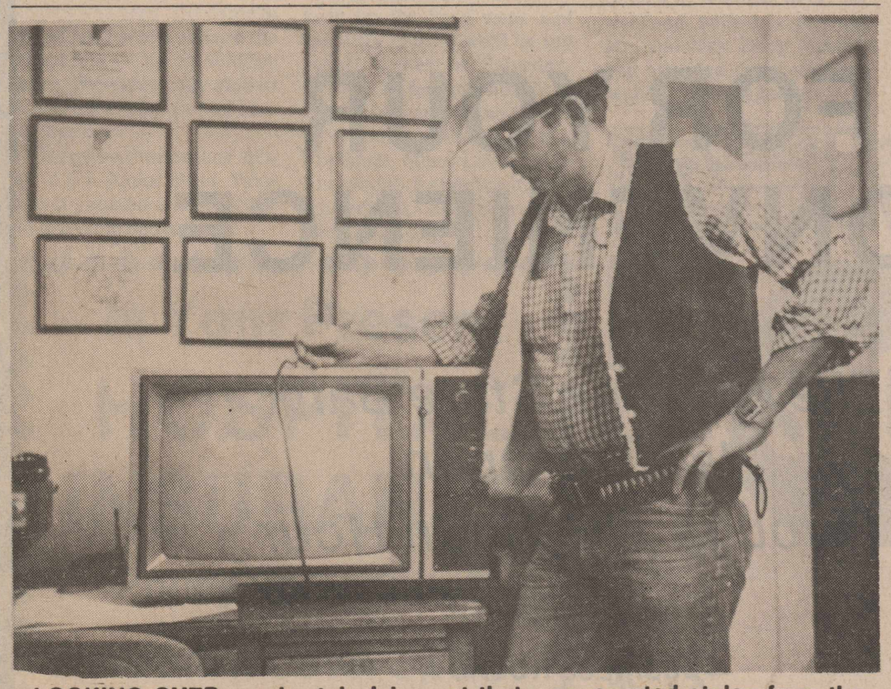

Peggilee performed a 15-minute comedy skit to a very receptive audience. Other acts included singers, dancers and a mime who had performed at the 1984 Olympics in Los Angeles.

The master of ceremonies for the show was Tom Parks, a California comedian who has performed at the Los Angeles Comedy Club with such comedians as Robin Williams, Robert Klein, and Steve Martin. He also will be featured in a HBO special next year with George Carlin.

After the show, Mr. Parks went back stage to compliment Peggilee on her performance and to give her some advice on becoming a professional comedienne.

HONORED AS September Employee of the Month by the Knox City Chamber of Commerce was Mike Echols, center, of Pumper Supply of Knox City. Presenting the award to Mike was Chamber Director Rob Harrison, at left, while Terry Carter, owner of Pumpers Supply, looks on.

LOOKING OVER a color television set that was reported stolen from the City Motel in Knox City a year ago is Police Chief Gil Gillian. The recovered property has provided valuable information on one theft at the motel, but that case is still under investigation along with the theft of another television set from the same location last week.

Chili Powder Contest Set At Cookoff

Plans are underway for the second annual "Miss Chili Powder" contest to be held in connection with the upcoming Chili Cookoff, Saturday, October 27, at the David Albus farm, two miles northwest of Knox City.

Any girl of high school age may enter the contest and deadline for entries is Monday, October 22. Entry forms are available at the high school office or from Judy Perdue at Perdue Insurance Agency. Forms need to be returned to Mrs. Perdue, also.

Dress for the event should be semi-western casual in the tradition and atmosphere of the Chili Cookoff. Jeans, denim skirts or prairie skirts are examples of semi-western casual and with neatness playing a major role, contestants are asked to please look their best.

For further information, contestants may contact Mrs. Perdue at 658-3509, Barbara Barnard at 658-3426, or Stacy Thompson at 658-3142.

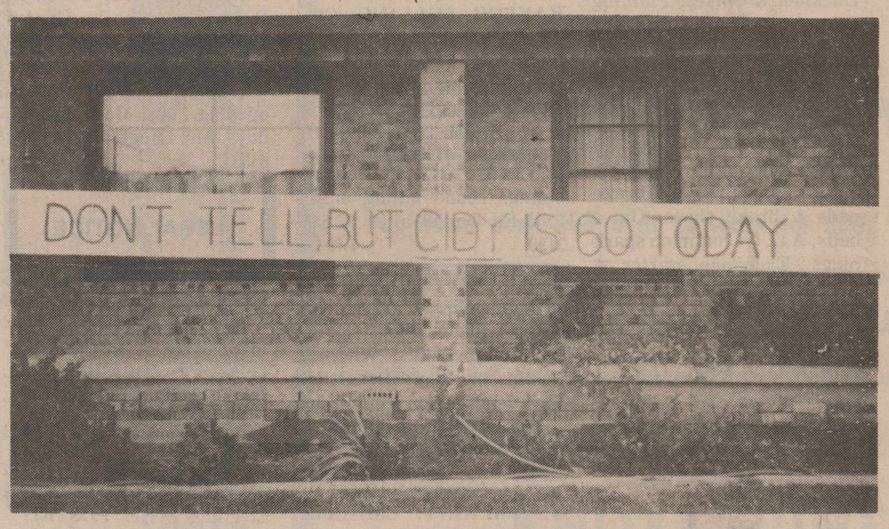

SWCD Providing Program

The Wichita-Brazos Soil and Water Conservation District is sponsoring a Windbreak Planting Program for citizens of the Knox County area this fall and spring. Windbreak trees are made available locally at a low price through the SWCD to anyone interested in developing windbreaks for homes, fields, farmsteads, feedlots, or screen plantings.

Species available are Eastern Red Cedar, Austrian Pine, Ponderosa Pine, Afghanistan Pine, Green Ash, Russian Olive, Honey Locist, Bur Oak, Hackberry, and Native Plum. Seedlings are nursery stock from the Texas Forest Service and will be delivered to Knox County in time for planting in February.

Some seedlings are available in limited numbers, so SWCD directors encourage participants to order early.

Seedlings can be ordered now through the Soil Conservation Service office in Knox City or by calling 658-3526 or by contacting one of the SWCD directors. Directors are L.D. Offutt, Munday; C.H. Cornett, Knox City; Charles Griffith, Benjamin; Louis Baty, Gilliland; and Billy Kinnibrugh, Vera.

WE'LL NEVER TELL! This sign was prominently displayed at the home of Betty and Cidy Williams last Saturday. Their children and grandchildren, Eddie, Joan, Laci and Dede Williams of Lewisville came to help Cidy celebrate.

First Cotton Ginned At O'Brien Gin

Thomas Noren, manager of O'Brien Co-op Gin, advised the *News* office that the first cotton of the season was ginned at O'Brien Monday.

Clifford Cornett brought in nine bales of dryland cotton from his farm near the football stadium

According to Mr. Noren, who is beginning his third season at O'Brien as manager, this is the earliest date that cotton has been ginned there.

Hospital Auxiliary To Meet October 15

The Knox County Hospital Auxiliary will meet Monday night, October 15, at 7:30 o'clock at the downtown Thrift Shop.

Lena Tackitt, auxiliary president, is encouraging all members to be present.

She advised that the ceiling fans, purchased by the auxiliary for the hospital, have arrived and will be installed soon. Also, a rocking chair has been purchased for the hospital for rooms where small children are patients.

Mrs. Tackitt also asked the *News* to cite the auxiliary's need for paper sacks at the Thrift Shop.

CARD OF THANKS

There are no words that can express our thanks and appreciation to the ones who helped in any way with our dear mother and grandmother during her stay in the Care Home and her illness.

To those who prepared the food, the ones who served it, for the floral and memorial gifts, thank you.

May God bless and keep you.

Mrs. Fuller Is Buried In Rule

Funeral services for Knox City resident Johnnie Sue Fuller were held Wednesday afternoon, October 3, at two o'clock in the Church of God in Christ. The Rev. Leon Ward, pastor, officiated and burial was in the Rule Cemetery.

Mrs. Fuller, 38, died Sunday, September 30, at 6:30 a.m. in Wichita General Hospital.

Born September 26, 1946, in Marlin, she moved to Rule as a child. She married Otis Lockhart and he preceded her in death in 1974. She later married Manuel Fuller in 1979. They had lived in Rule before moving to Knox City in 1982. She was a member of the Church of God in Christ.

Survivors include her husband; three sons, Otis Lockhart Jr., Johnnie Lee Lockhart and Manuel Fuller Jr., all of the home; a daughter, June Lockhart, also of the home; a brother, Holden Glenn Griffin of Rule; and three sisters, Elcolise Talton and Mattie St. Joulin, both of Waco, and Jessie Griffin of Sweetwater.

Rites For Earl Claburn Held Oct. 3

Services for Earl Claburn, 80, of the Gillespie community east of Knox City, were held Wednesday, October 3, at 2:00 p.m. at the Gillespie Baptist Church with the Rev. Lyndol Cypert, pastor, and the Rev. K.E. Woolley, retired Baptist minister of Benjamin, officiating. Burial was in Gillespie Cemetery.

Mr. Claburn died Monday, October 1, at 5:40 p.m. in Knox County Hospital.

Born July 27, 1904, in Wise County, he moved to Knox County in 1918. He married Bessie Harber October 21, 1926, in Munday. He was a retired farmer and a member of the Gillespie Baptist Church.

Survivors include his wife; one daughter, Carroll Blair of Odessa; one brother, Mack Claburn of Anson; and one granddaughter, Janet Blair of Odessa.

Pallbearers were nephews Eugene Claburn, A.J. Gilbert, Howard Myers, Kenneth Myers, Glenn Myers, Gerald Myers, Royce Harber, Gary Harber, and Jimmy Harber Jr.

Governor Mark White Announces Grants

Governor Mark White today announced that the Texas Department of Community Affairs has awarded a total of $298,400 in grants under the Texas Community Development Program to 16 cities and four counties.

Recipients include the cities of Alton, Dayton, Ferris, Cleburne, Fulton, Electra, Hidalgo, Willis, New Waverly, Crystal City, Natalia, Conroe, Knox City, Weslaco, Ames, Seagraves, San Patricio County, Nueces County, Dimmit County and Webb County.

The funds will be used to complete a variety of planning and capacity building projects in these cities and counties.

The State of Texas assumed responsibility for the Community Development Program on June 13, 1983, and these grants are the first planning projects funded under the 1984 program year. All projects are designed to benefit low and moderate income families.

Happy "29th" Birthday, Cidy!

We love you a lot!

Philip, Dodie, Bryan & Tejay

BAKER

From Page One

Mattson, in 1953, and prior to their marriage told her that if they planned to remain in education she would have to get her degree and teach, because no one could live and raise a family on one educator's salary. Frankie finished school in three and a half years and the two have taught together since that time. During that time they have raised a son Billy and a daughter Temi, both of whom followed their grandmother's advice in seeking more remunerative employment.

There are many other examples of the way in which Baker's strong leadership has built public support and demonstrated improvement in educational quality in the schools. When he moved to O'Brien as superintendent in 1962, he began the same sort of plan which had been so successful at Mattson. He reactivated the vocational programs to provide vocational homemaking and agriculture. He made provisions for black students who had not been offered an education to be bussed to Munday to the black school. In 1963, the black children were integrated into the O'Brien schools. Also, the first Adult Education program between Abilene and Wichita Falls was set up. The first federal funds for lunch room equipment were obtained and also, the only Plan "B" programs for handicapped students at that time in Haskell County were obtained. His grasp of the impact of federal funds on education caused him to become involved in the Census of 1960, making his school eligible for the maximum possible level of federal assistance. As a result of this activity he was elected mayor of O'Brien and assisted the community in obtaining dependable, clean water.

When he moved to Knox City as superintendent in 1968 he reorganized the vocational programs to provide horticulture, power mechanics, CVAE, and a Co-op unit with neighboring schools for vocational education for the handicapped. He instituted the President's Physical Fitness Program for all children of the district and when Texas' own Governor's plan became available he assisted the physical education teachers in switching to it. Under his leadership UIL, academic, and athletic events were carefully organized and supervised. As a result, the district has been a strong contender in almost every area on a year to year basis. Knox City won the Class "A" State Football Championship last school year (1983-84).

In 1970, Baker talked ten school superintendents in Haskell and Knox Counties into becoming the pilot program for a rural Special Education Cooperative in the State of Texas. From experience, it is almost phenomenal that ten school superintendents ever agreed to sign anything, much less an experimental program which would allow Knox City Schools to serve as fiscal agent for the entire consortium.

In 1969, Baker was selected to Texas Legislature's Committee of Eighteen and began to exercise leadership at the state level. It was here that he became well-acquainted with former State Senator Kent Hance and the late Bill Heatly of the House of Representatives. For the next 15 years during legislative sessions, Mr. Heatly would call and 'growl' into the telephone, "Baker, get down here and tell me what they are doing to me with this education bill." This was due to the fact that Mr. Baker began to gain expertise in school finance and tax matters while at O'Brien. His service on the Committee of Eighteen broadened and heightened this knowledge.

In 1976, he provided leadership which ultimately resulted in the consolidation of Knox City and O'Brien schools to form the new district of Knox City-O'Brien Consolidated Independent School District, which involved working with two boards of education and two communities.

Mr. Baker and his wife Frankie, Knox City-O'Brien delegate Jimmy Tankersley and his wife Ann, along with alternate Don Roberts and his wife Diane were among 3500 persons who attended the banquet.

Avoid These Financial Planning Blunders

Have you put your financial future on sound footing? Here are some common mistakes many Americans make when it comes to arranging their finances:

- Failure to define your financial and estate goals and objectives.
- Postponing organization of your financial information and records.
- Uncertainty about your current financial position.
- Putting off a plan of action that could help you meet your goals and objectives by using timely planning techniques.

Financial planning has been called the art and science of putting your money to work for you. It is the process by which you can finally take control of your financial situation. It begins by recognizing a very simple fact: Every person or family is in a unique financial position. Therefore, any course of financial action must also be unique — carefully planned to meet specific needs and goals.

Your neighbor, for instance, may need to accumulate liquid assets for the near future. You, on the other hand, may already have sufficient money reserves. You may be more concerned about minimizing taxes while building a nest egg for retirement.

It's a plan that could keep you from making some costly mistakes, while making a solid investment in your family's future.

Medicare Changes Effective October 1

Recent changes in the Medicare law will affect many Medicare beneficiaries. Beginning October 1, 1984, participating physicians and suppliers will "accept assignment" on all Medicare claims. "Accepting assignment" means that they accept Medicare's approved charges as full payment on all claims. The Medicare beneficiary cannot be billed for more than 20 percent of Medicare's approved charge, regardless of the amount of the actual bill. Medicare pays the other 80 percent after the yearly deductible has been met.

Before these changes in the law, doctors have been able to decide on a claim-by-claim basis whether to accept assignment on Medicare claims. In those cases where assignment was not accepted, Medicare paid 80 percent of the Medicare approved charge after the yearly deductible was met, but the beneficiary could be billed more than the remaining 20 percent of Medicare's approved charge.

After October 1, 1984, Medicare beneficiaries whose physicians or suppliers do not participate will still have Medicare coverage and the physician still has the option of accepting assignment on an individual basis. Medicare will still pay 80 percent of the approved charge after the yearly deductible is met. But the beneficiary can be billed for more than 20 percent of Medicare's approved charge, unless the doctor has accepted assignment on the claim.

The new law also places a freeze on doctors' Medicare charges for fifteen months from July 1, 1984 to September 30, 1985. During the period of the freeze, nonparticipating doctors are not permitted to increase their actual billed charged to Medicare patients.

Medicare beneficiaries may ask their doctor if he or she is a participating provider. Also, Medicare carriers will maintain a Medicare Participating Physician/Supplier Directory. The Directory will be available after December 1, 1984 and can be seen at local Social Security Offices, Railroad Retirement, or Area Agency on Aging Offices and senior citizen organizations. It can also be purchased. Write or call the Medicare carrier for more information.

Electric heat pump.
It's part of "the plan" — the Energy Saving Plan
Here's how it works:
For Winter Heating
1. Heat is absorbed by refrigerant in the outside coils.
2. The compressor pressurizes the refrigerant and sends it to the inside coils.
3. The heat from the inside coil is circulated through the house by the fan.
4. The refrigerant flows outside and the cycle is repeated.

THE ELECTRIC HEAT PUMP: It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when you install an electric heat pump to meet the E.S.P. requirements that add to your home's comfort and energy efficiency. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the *most* efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. CALL YOUR LOCAL WTU OFFICE OR A FACTORY-TRAINED ELECTRIC HEAT PUMP DEALER TODAY TO FIND OUT MORE ABOUT SAVING ENERGY AND MONEY ON YOUR HOME ELECTRIC BILLS.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"The heavens are telling the glory of God; day and night they keep on telling about our Wonderful and Mighty God. The firmament proclaims his handiwork; they are a marvelous display of his craftsmanship. Day after day and night after night, they keep on telling about God. Without a sound or a word, silent in the skies, their message reaches out to all the world. (Psalms 19:1-4).

Isaiah tells us about the children of Isreal begin complaining about God's plans for them. They took a part of a tree, drew a face in it and worshiped it. Isaiah cried out to them, "Are you so ignorant? Are you so deaf to the Words of God?" The Words He gave before the world began. Have you never heard or understood? It is God who sits above the circle of the earth. (The people must seem to him like grasshoppers). He is the one who stretches out the heavens like a curtain and makes a tent for them. He dooms the great men of the world and brings them all to naught. They hardly get started, barely take root, when he blows on them and their work withers and the wind carries them off like straw, and then God asked them the question. With whom will you compare me? Who is my equal? Look up to the heavens. Who created all these stars? As a shepherd leads his sheep, calling each by its pet name, and counts them to see that none are lost or strayed, so God does with his stars and planets. To just think of God's Mighty wisdom, power and precious love should make us humble, lowely and to seek constantly in His Word for many answers and his great wisdom.

OCTOBERFEST -- CAMPING FOR OLDER TEXANS

Texans 55 and older have an opportunity to enjoy camping at the Texas 4-H Center at Lake Brownwood this fall. Called Octoberfest '84, the camping program offers senior citizens a chance to spend a week learning and doing in a comfortable and supportive atmosphere, notes a 4-H specialist with the Texas Agricultural Extension Service, Texas A&M University System. Five different sessions are being offered this year.

FORMER RESIDENT DIES

Wayne West of Cisco, a former resident of Benjamin, died Monday morning in Cisco. Wayne had been in ill health for several years. His mother is Edith West and he also has a brother Leroy West who resides here in Benjamin. Arrangements are pending at this time. We extend sympathy to the West family.

Among the Benjamin-ites attending the Munday Homecoming activities the past weekend were Van and Gladene Green, Steve and Jan Wilson, Lucille Moorhouse and Beth McCanlies.

JUNIOR HIGH FOOTBALL ROYALTY

The Junior High Football team and Pep Squad crowned their royalty Thursday night during halftime activities of the Benjamin-Northside game. Though the boys lost the game, reports are that they played well.

Crowned football sweetheart by Jeff Conner and Shane Simmons was Shannon Parker. Shannon is in the seventh grade and cheerleader. Her parents are Jerry and Linda Parker.

Jeff Conner was crowned Football Hero by the cheerleaders. Jeff is an eighth grader and is the son of Larry and Judy Conner.

Congratulations to both these young people.

HERE 'N THERE

Bud and Debbie Clower of Duncanville spent the weekend here with the C.B. Clowers and Gloria West.

H.T. and Kathleen Melton were weekend guests of their son and family, Jim, Jason and Kobi Melton in Abilene.

Fayteen Moorhouse is a patient at this time in the Knox County Hospital. I'm sure Fayteen would enjoy a card from her friends. It will make the days go by faster.

Kathy and Sandy Tovar of Burkburnett visited her parents, the Joe Trepaniers during the weekend.

Scott and Kent Hertel of Wichita Falls and Craig Hertel of Vernon were weekend guests of their parents, Don and Louise Hertel.

Mr. and Mrs. Leonard Pratt and Sarah of Colleyville spent the weekend with his brother and family, the Jim Pratts. Also visiting the Pratts were their son, Troy who is a student at Texas Tech.

Troy Oxford of Texas Tech was a weekend guest of his parents, David and Sue Oxford and Sulyn.

Denny, Sue, Will and Marcie McCarthy of Iowa Park visited her mother, Clodell Duke Friday night and Saturday. On Friday night they all attended the Iowa Park-Haskell ballgame.

Jan Pollock spent the weekend with friends, Karen Eager and Linda Morris in Fort Worth.

Jimmy and Ivalene Pierce and grandson, Jason Pierce of Megargel were here Thursday night to see their grandson and cousin, Tres Pierce, play ball.

Cigarettes are the *leading* cause of accidental multiple-death fires in residential properties. Multiple-death means three or more victims. Children 15 years old and younger account for more than half of all victims in multiple-death fires.

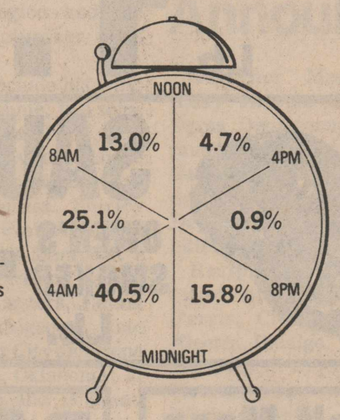

Fixed or portable heating equipment is the *second* most common cause of accidental multiple-death fires.

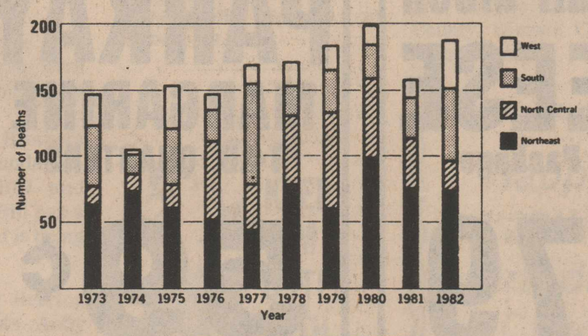

TIME OF YEAR

Most multiple-death fires occur during the winter months.

TIME OF DAY

The greatest number of multiple-death fires occur between the hours of 8 p.m. and 8 a.m.

AREA OF COUNTRY

The western part of the United States has the lowest number of deaths in multiple-death fires of incendiary or suspicious origin.

Shape-Up Tips

Too many people take up sports to get in shape, when they should actually get in shape to take up sports. These tips may help your body stay fit and trim, and healthy.

- WARM-UPS before exercising decrease the possibility of injury, and can enhance athletic performance. Warming up softens the body's tissues and ligaments. This decreases friction and injury potential. Prior to activity you should increase your body heat until a light sweat is produced. Then proceed to stretch any tight muscle groups such as hamstrings, arms and shoulders.
- COOL-DOWN when you complete an activity is just as important. This prevents muscles from cramping up.
- SPORTS are an excellent way to improve the cardiovascular system and tone the body. Be careful though—not all sports help all people. Try basketball, handball, running or swimming for good cardiovascular conditioning, higher level of endurance and improved fitness overall. Golf may dominate the day off, but it doesn't do much for your heart or your endurance level.
- WALKING. If you have no prior experience with athletics or conditioning, walking can provide great benefits. Walk as briskly as possible, holding your body upright with abdomen firm. Wear comfortable, loose fitting clothes, and wear walking shorts in hot weather. The ideal shoe is a jogging shoe—make sure it fits correctly.

Biking can be an excellent form of aerobic training.

An orthopaedic surgeon can plan a fitness program for you and determine what your weaknesses may be, and in turn, which sports/exercises can be beneficial to your health. By recognizing any existing problems, he or she can get you in shape safely for a healthier, more active way of life.

For further information and hints on Shape-Up Tips, write for a free brochure to: Eastern Orthopaedic Association, Suite 3F, 301 South 8th Street, Philadelphia, Pa. 19106.

COOKING PORK IN THE MICROWAVE

Pork prepared in a microwave oven is tender, juicy, flavorful--and safe, says a Texas A&M University Agricultural Extension Service nutritionist, Dr. Dymple Cooksey. As a result of research conducted for the Pork Industry Group of the National Livestock and Meat Board, the following cooking methods for pork roast are now being recommended. Choose evenly shaped boneless roasts of 3 to 3½ pounds and with a diameter of no more than 4 inches. Place the roast in a 10-by 16-inch oven cooking bag and then in microwave-safe cooking dish. Evenly sprinkle the roast with a package of pork or brown gravy mix. Close bag loosely with a string. Cook at medium low or 30 percent power (approximately 200 watts), allowing 22 minutes per pound. Invert or turn roast halfway through the cooking period and rotate the dish ½ turn and continue cooking. Cover the roast (in bag) tightly with foil and allow it to stand 10 minutes.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed $5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than $200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

(1) Diverting electricity from passing through a meter device.
(2) Preventing electric service from being correctly registered by a meter device.
(3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

SENIOR CLASS NEWS
By Linda Mayes

Well there is not anything exciting going on this week for the seniors, so they will all be busy trying to learn The Constitution before test time gets here, which will be one day this week.

The senior class is getting smaller now that we have lost two of our classmates, Stella and Amanda which have both moved away and which now leaves us with a class of 17.

The Houndettes and Hounds will be playing this week, so let's hear it for our teams! Go, fight, Win!!!

JUNIOR CLASS NEWS
By Celia Whisenhunt

"Ha, Ha, we beat you!" This statement has been heard by many Junior girls lately this past week. In Coach Trice's World History class we played Current Events for the first time. Needless to say the guys SMEARED the girls, but there's always next Friday! REVENGE OF THE GIRLS!!

Most of yall noticed a familiar face in Knox City this weekend. Tammy Rogers was here. She came to see all her friends and see the famed Knox City vs Munday game. We were really glad to see her. We miss ya and love ya, Tammy!

There have been many sick out of the Junior class. Take care of yourself and hope you get to feeling better soon!

SOPHOMORE CLASS NEWS
By J. Emerson

This past week has been another busy week for the sophomores. The district FFA meeting was held in Breckenridge last Thursday and Saturday was annual ad sales day with people going to Haskell, Munday, Rule, Rochester and some staying here selling ads. We are all having fun and looking forward to upcoming events.

FRESHMAN CLASS NEWS
By Rhonda Albus

Well, the freshmen have made it through another week. The weeks seem to be flying by. We are pretty busy! We are keeping occupied with studies and sports. We are also marching a lot. We are getting excited about marching contest. We are all getting excited about Homecoming also. It is always exciting to see the people who have graduated from Knox City High School in the past years.

KEY CHAPTER NEWS
By Lawri Tankersley

In our homemaking classes last week, we had a lady come give us a cooking demonstration. In the demonstration, we were given tips on using the oven and baking. Several recipes were given to us. After discussing some precautions to take while cooking, we got to experiment with some of the recipes. Everything turned out as planned and we enjoyed the refreshments after baking them. We want to give a "Thank you" to the lady that came for giving us the cooking demonstration. Everyone really enjoyed it.

FHA NEWS
By Celia Whisenhunt

Congratulations!! Mrs. Newton has said we did great on our magazine sales. Our profit sales were about one thousand dollars. There are many individual prizes that certain people will receive (You know who you are!)

All dues should have been paid by October 8.

Thank you to everyone that bought magazines etc. It helps us as an organization.

BAND NEWS
By Celia Whisenhunt

Good job band! There have been a lot of compliments made in regard to our show Friday night! If we can only keep up the hard work and spirit for contest we'll be top rated! Contest is Saturday, October 20. Lets go band!!!

Band officers for the 1984-85 Greyhound Band are President, Missy Lewis, Vice President-Reporter Celia Whisenhunt, and Secretary Christi Clayton.

IN SMITH HOME

Recent visitors in the home of John and Daisy Dean Smith were Mr. and Mrs. Gene Erkersar from Grand Junction, Colorado, Mr. and Mrs. Doug Hill from Levelland, and Peggy Moonkester from Proctor, Texas.

FROM LUBBOCK

Tyke Meinzer, student at Texas Tech University in Lubbock, visited over the weekend with his parents, Mr. and Mrs. Doug Meinzer and attended the Knox City-Munday football game.

Vosses Celebrate 50th Anniversary

Mr. and Mrs. Clyde Voss were honored with a dinner Saturday, October 6, in the home of their daughter and family, Jerry and Glenna Benson in observance of their 50th wedding anniversary.

Clyde Voss and Velma Henry were married October 6, 1934, in Benjamin by the late Marvin Chamberlain. Howard Voss and the former Gladys Curry were their attendants.

They have lived and farmed in the Munday-Knox City area all their married life with the exception of a few years when they lived in California.

They have a son, Ronald of San Antonio and a daughter, Glenna of Knox City, three grandsons and two granddaughters.

Attending the dinner were grandchildren, David Benson of Lubbock, Marilyn Benson of Vernon, and LeAnn Benson of Knox City.

Ron, Karen, Paul and Matt Voss of San Antonio were unable to attend.

Hobby Club Meets In Rochester

Members of the Rochester Hobby Club have reported that tickets for their quilt show are beginning to sell like snow cones on a hot summer day. The reason being that the quilt is to be given away as a door prize. Quilts will be shown in their display windows and will be alternated so anyone can see them.

Ida Pack of Knox City attended the last meeting and decided to become a member of the group. There is no age limit for anyone wanting to join.

Seventeen members and ten visitors reported a delicious lunch. Mary Bowman and Olga Alvis were co-hostesses. Hostess on October 16 will be Emily Wilson.

IN ABILENE

Mrs. Bobbie Harrison and Mrs. Tess Wall were in Abilene Sunday afternoon to display their works at the Big Country Porcelain Art Guild Show held at Aldersgate United Methodist Church.

Also attending the show from Knox City was Mrs. Stacy Thompson.

Senior Citizens Report

By JANIE WILKINSON

Hi, yall! This week is our countdown until Saturday night, October 13. Our Knox County Jamboree with Buddy Lytle as our emcee. I'm real excited and everyone I have talked to about Saturday night seems to have the same feeling. We need at least four cakes from each town and we need some pies. Let's have an old time "pie supper" that night. Remember back when we were young and our moms and dads had pie suppers at school? I do. We have had an okay to take the vans to Benjamin Saturday night. So whoever wants to ride to Benjamin that night write your names down and be at the nutrition center about 6:30 p.m., okay?

We've had a good week. We have had a lot of guests and some of our old family members are coming back to be with us. We missed them and they said they missed us.

We've had several new members to join our family, the more-the merrier! We have had exercise each day before lunch. We have had 83, one day 74, 71, 66, 76. We have had lots of fun. When we were exercising our feet, sounded like the Army was moving in. Orville Dear got so excited he raised his body out of his chair a couple of times, I think he was thinking of square dancing! Right, dear Orville, I mean Orville Dear!

We have had stereo music all week until Thursday when Dorothy Alexander sang for us. JoAnn played piano, we all enjoyed it. Jo taught crochet Thursday. We take blood pressure each day. Anyone that wants it done, let me know.

Have you done a good deed for someone this week? Hope to see you next week.

Remember, this is "National Physical Fitness Month".

WEEKEND TRIP

Ozelle Stephens visited her daughter, Wynelle Roberts, and granddaughters Cornelia and Sue and families last weekend in Tulia. They enjoyed sightseeing in Palo Duro Canyon and also visited in Amarillo with another granddaughter, Merri Roberts.

Houndettes Lose To Weinert Monday

The Houndettes played their second district game on Monday night and lost to Weinert 8-15, 15-11, 11-15.

The Houndettes go to Vernon this Monday to play a dual district match with Chillicothe and Harold. Play will begin at 5:30.

Auxiliary Fund

Donations have been made to the Knox County Hospital Auxiliary in memory of:
