Building Permit Issued For \$75,000 Marina

Heading the list of building permits issued by the city during July was one for a \$75,000 marina issued to Emory M. Spencer, prominent attorney, real estate man and oil operator.

Proposed location of the marina was on "a tract of Water-Front Reserve in Hotel Reserve Addition in the Smith and Wood Division, across Broadway, beginning at the north line of Block 'P' Hotel Reserve extended eastward, northerly to the south line of Linden Street approximately 400 feet."

The location was described as "just north of Las Brisas Motor Hotel (1155 Broadway) on the bay side of Highway 35.

A second building permit was issued to Spencer for a \$10,000 commercial building to contain 3,000 square feet of floor space.

Other building permits issued during the month were to:

Calvin Luddington, \$100 addition to a building.

Frank Lenoir, \$2,400 gift shop.

H. J. Tumison, \$1,100 repair to pier.

M. D. McNorton, \$100 porch floor.

W. G. Garrett, \$500 garage.

Along The Waterfront

Joe H. Pedigo of Kerrville won the trophy at Dunes Mobile Home Park for catching the largest fish from the Dunes pier during the month of July. His winning catch was a 10½-pound red.

His grandson, Joe H. Pedigo III, currently is leading the contest for August with a 6¼-pound trout.

The grandfather has been here about a month and has caught fish every night from the pier, catching as many as 15 in one evening.

A few days ago he had an unexpected thrill when he hooked a large alligator gar while fishing from the pier. Pedigo maneuvered himself to the beach and worked the gar close to shore where it was shot in the head by a friend with a rifle.

The gar measured 5 feet 9 inches long and was estimated to weigh between 80 and 90 pounds.

July 27: W. B. White and son of Tulsa, fishing with Willie Close on the Missy, caught 132 nice trout.

Lee Wright and son Gary of Angleton, fishing with (continued on page 8)

July Weather Registers 'Hot'

Local residents don't need confirmation from Weather Observer Paul C. Sorenson that July was hot, but his records confirm it officially.

High official temperature for the month was 92 degrees on July 31 and the low was 72 degrees recorded on July 1.

From July 1 through 13 the thermometer went up to the high 80's each day, and from July 14 through 31 there were 13 days when the mercury reached 90 or slightly higher and the remaining days were in the high 80's.

Total precipitation for the month was 0.86 inch, with thunder noted on July 1, 5, and 6.

Sorenson reported that from July 15 to 31 there was no extremely low tide.

THEY REALLY ROLLED—The scene is a familiar one. Was this picture snapped at a civil rights demonstration, an antiwar rally or a student protest meeting? Nope, it was just the expected reaction when the Rolling Stones did their stuff at the Lynn Bowl in Lynn, Mass.

B. T. Hardeman Retiring As CP&L Manager

Byron T. Hardeman will retire Wednesday, Aug. 10 as manager of the local office of Central Power and Light Co., one day before his 65th birthday.

For the past 22 years he has been manager here and he views his retirement with mixed feelings.

Open house will be held at the CP&L office to honor Hardeman on Wednesday from noon to 5. Everyone invited.

Hardeman, his wife, Daisy, and their son Ralph will be moving immediately to Wichita Falls where they have relatives.

"B. T.," as he is known to most friends, said that after he gets the house and yard in good shape, "We will probably take some trips, such as a jaunt to Wyoming, but after that I probably will look for something to do on a daily basis to keep occupied, whether it pays any money or not."

Ever since he completed his education in 1919, Hardeman has been in the electric utility business, starting as a youth of 18 with the Texas Power and Light Co. at Wichita Falls where he worked for 15 years.

Following this he accepted a job as service man at the Aransas Pass office of CP&L where he remained for nine (continued on page 8)

C. of C. Favors Lyndon B. Johnson As Causeway Name

The Chamber of Commerce has gone on record in favor of Lyndon B. Johnson as the name for the new causeway on Highway 35 north of Rockport, which will be completed this fall.

At a meeting of Chamber directors this week it was pointed out that Calhoun and Refugio counties and the city of Port Lavaca have adopted resolutions recommending that the causeway be named in honor of President Johnson.

Other matters reported at the meeting included: —It was reported that markers are being replaced on the fishing reefs.

—During the meeting of the Louisiana - Texas Hug - the Coast Highway Association Sept. 11 and 12, the Chamber will charter a bus to take wives of the delegates on a tour of the area.

—The Chamber agreed to plan a hospitality hour to entertain guests who will arrive here by planes in October when Texas Air Tours, Inc., a group of people who own their own planes, visit here briefly.

—Since Bill King of Gainsville has decided not to accept the position of manager of the Chamber, the directors discussed other prospects.

Conservation District Not to Take Part In Proposed Planning

The Aransas County Conservation and Reclamation District has decided not to participate in a proposed long range, countywide planning project.

The study was recommended by Harland Bartholomew & Associates, engineers and planners, and favored by the city.

The Conservation District Board, at its July 28 meeting, stated that the project would duplicate a study which the district already paid for.

The Board went on record as "endorsing the efforts (regarding the proposed planning project) and making its engineering study data available."

The School Board and the County previously had voted not to take part in the proposed plan.

In another action, the Conservation District named Col. (ret.) Thomas L. Morgan to fill a vacancy on the Board. His term will run to April 1968.

Harold Picton, president, reported that he conferred recently with Congressman John Johnson regarding Young having his congressional district organized for long range planning.

"Private enterprise will handle this planning the first year," Picton said, "and then it will be turned over to individual counties for future planning and development."

This is part of the Economic Opportunity Plan of the Federal government. Congressman Young told Picton he would follow through on it. When a Federal grant is received, it will have to be approved by a 20-county planning group, Picton said.

In another action, the Conservation District Board appointed Mrs. Thelma Barber, secretary to County Judge John D. Wendell, as temporary, part-time secretary.

Attending the meeting were Picton, R. L. Fleming, Frank Wells, Morgan and John M. McDavid.

Three children were injured Monday afternoon in a car crash at the intersection of Highway 35 and 4th Street.

Suffering cuts and bruises and taken to Lyman-Roberts Clinic in Aransas Pass were Jo Ann Powell, 7, Debra Powell, 6, and Elmer Powell, Jr., 4, of Corpus Christi.

They were passengers in a car driven by Betty King, 26, of Aransas Pass, which collided with a car driven by Charles Connally, 44, of Corpus Christi.

Chief of Police Bob Hewes said about \$1,000 damage occurred to Connally's car, and Miss King's auto was a total loss.

In another wreck earlier in the day, two cars collided at Broadway and Normal. One was driven by Joseph B. Zipprian, 55, of Corpus Christi, and the other by Mary Wheatley of Rockport.

Damage to Zipprian's car was estimated at \$750 and to the Wheatley auto at \$400.

During the month of July, two water and three sewer connections were made, according to records at the city hall.

Police Ask For Definite Leads On 'Hot Rodding'

"You better hurry out to 'Such-and-Such' Street. Some teen-agers are speeding up and down and driving like crazy."

This type of phone call often is received by State Highway Patrolmen R. R. L. Brown and A. W. Flenniken, Sheriff Joe Earl Hunt, Chief of Police Bob Hewes and their staffs—sometimes at 2 or 3 o'clock in the morning.

When they investigate, the alleged speed demon generally has departed.

Therefore, these officers always ask for specific information: "Did you note the license number of the car? What color is the auto?," etc.

Almost always, the caller says, "I don't want to get involved. I don't care to give you my name or the license number of the car. Just hurry and catch him."

The officers point out that although they appreciate being notified about traffic violations, they do wish the public would not be so concerned about "not wanting to get involved" and would furnish more specific information so the speeders or other law violators could be apprehended through investigation even if they leave the scene of "hot rodding" activities before the officers arrive.

The Rockport Sportsmen Conservation Association will see two outstanding fishing films at a meeting in the Colony Room at the Sandollar Motel at 8 p.m., Saturday, Aug. 6.

Alec S. Alexander, vice president of Club de Panama of Dallas, will show the films which are sound movies with a running time of 27 minutes each.

One film, titled "Fabulous Fishing in Panama," was chosen as the best sports fishing film of 1964 and the second "Panama Paradise," recently received an "Outstanding Award" in the Michigan Film Festival.

Some of the highlights of these films will be shown taken at the annual Club de Pesca da Panama fishing tournament in Pinas Bay, 140 miles southeast of the Panama canal.

The current tourney, which started May 15 and will continue to Sept. 30, will offer as first prize a 1966 Cadillac.

County Denies Request For Drag Races at Airport

RYSCO to Build Gulf Research Boat for P&WL

Rockport Yacht & Supply Co. has been notified by the State Board of Control that the firm was the successful bidder to build a gulf research boat for the Texas Parks and Wildlife Department, according to R. G. Mauermann, regional director. All work of this type for state equipment is conducted on a sealed bid basis.

The boat, a 72-foot commercial fishing type, will be used by Department biologists to study shrimp, crabs and commercially important finfish in the Gulf of Mexico.

Special equipment on the boat will permit its use in investigating the deeper waters of the gulf. The Department has never done work of this magnitude before because of lack of proper equipment.

The building of the boat and the work it will perform is a Federal Aid project. This means that three-fourths of the cost of the boat and the investigative work will be paid for by the federal government. The projects will be approved in advance and supervised by agencies of the Department of the Interior as well as by Parks and Wildlife personnel.

Both Smith and Patman stressed that since they represent the people, they seek every possible opportunity to meet as many men and women as possible to learn what their community area problems are.

As Smith put it, "I know that all problems cannot be solved, but at least by meeting face to face with Texans throughout the state, I believe I can do a better job in interpreting their needs and doing what is possible legislatively."

On the lighter side, Mrs. Patman blushed becomingly when informed that she now is a "genuine fisherlady" by virtue of catching a six-pound redfish.

Picton Named A Director of Economic Group

Harold Picton has been named a director of the 20-county Coastal Bend Economic Development District.

In their first formal meeting July 28 at Port Lavaca the directors began preliminary steps for participation in the program authorized by the 1965 Public Works and Economic Development Act.

The directors will prepare an overall economic development plan for the district which will be sent to state headquarters for review. Once accepted by the Economic Development Administration the district will be eligible to receive funds for projects.

The purpose of the organization is to encourage and assist programs and projects (continued on page 8)

Busy Month For Justice Miller

Justice of the Peace Lawrence Miller, Precincts 1 and 1-A, reported this week that of 39 cases filed during July, he tried 30 and the remaining nine are pending.

A breakdown of the cases handled include the following: Failure to yield right of way after stopping at stop sign, 1; not wearing corrective glasses, 1; minor in possession of alcoholic beverage, 4; drunk in public place, 4; overload on tandem trailer, 1; fight, 2; unregistered trailer, 3; speeding, 5; operating motor vehicle without brakes, 2;

Driving truck with no commercial license, 1; failure to control speed, 1; no sport fishing license, 1; operating motor vehicle without driver's license, 4; running stop sign, 2; driving on wrong side of road not in passing, 2;

Driving unregistered motor vehicle, 2; impeding traffic, 1; permitting unlicensed minor to drive, 2.

Miller said, "Ten cases were brought to my court that I could not try. I read advice to the accused, read the complaint to the defendant, filled out papers when advice was read, set bond, and transferred these cases to higher courts. I also held one inquest."

There will be no drag races at Aransas County Airport.

A request made by the Rockport Jaycees to hold such an event at the airport was turned down at the July 29 meeting of the County Commissioners Court.

Other actions taken at the meeting included:

—A letter was read from Joe Nelson, Director of the Board of County and District Road Indebtedness, stating that \$6,592.77 is Aransas County's share of the surplus

Lt. Gov. Smith Senator Patman Honored Here

Lieutenant Governor Preston Smith and Senator W. N. "Bill" Patman were honored Wednesday at a coffee in the Colony Room at the Sandollar Motel and at a luncheon in the motel's Studio Club.

Numerous leading citizens from this area attended the affairs and enjoyed the opportunity of discussing various projects with two of the best known political figures in Texas.

The coffee was planned by Emory M. Spencer, Ed Harper, Chamber of Commerce directors and the Rockport Sportsmen Conservation Association. Spencer sponsored the luncheon.

Both Smith and Patman stressed that since they represent the people, they seek every possible opportunity to meet as many men and women as possible to learn what their community area problems are.

As Smith put it, "I know that all problems cannot be solved, but at least by meeting face to face with Texans throughout the state, I believe I can do a better job in interpreting their needs and doing what is possible legislatively."

On the lighter side, Mrs. Patman blushed becomingly when informed that she now is a "genuine fisherlady" by virtue of catching a six-pound redfish.

Next for consideration was the possibility of purchasing gas air conditioning equipment for the Administration building at the airport. The commissioners decided to do so.

The Commissioners approved reports of County Librarian Mrs. Clara E. Bryner and County Service Officer James W. Hunt.

Attending the session were County Judge John D. Wendell, Commissioners Raymond Owens, W. B. Allen, Albert Wofford and County Clerk W. E. Beasley.

BILLY EDLER DIES

Funeral services for Billy Donald Edler, were held at 2 p.m. Wednesday at Cagle-Marshall Funeral Chapel in Aransas Pass. Burial was in Prairie View Cemetery.

Edler, a native of Crosbyton, died yesterday at his residence in Estes after a short illness. He had been a resident of this area 18 years.

Among survivors is a sister, Mrs. Margie Fay Janota of Corpus Christi.

Also surviving are his parents, Mr. and Mrs. John Edler of Estes and a brother, John W. Edler of Rockport.

Mr. and Mrs. Grant Thompson of Dallas arrived Sunday to spend the summer at their home here.

TIGERS BEAT CORPUS COLTS

The Rockport Tigers beat the Corpus Christi Colts 3 to 0 in a game played Sunday at Merchants Field.

In the top half of the sixth inning Manuel Galindo got a walk. Juan Garcia hit a single, followed by a triple by Martin Garcia to bring in Galindo and Juan Garcia. Martin Garcia then stole home on a wild throw by the pitcher.

The game was sponsored by the Rockport Seamen's Lions Club.

Mr. and Mrs. J. P. Burnett and son of Midland are spending the summer with her mother, Mrs. Birdie Cole, in Fulton.

REGINALD WENDELL AWARDED SCHOLARSHIP TO SAM HOUSTON

Reginald J. Wendell, son of Mr. and Mrs. Glenn Wendell of Fulton, has been awarded a band scholarship for 1966-1967 at Sam Houston State College in Huntsville.

He is a graduate of Aransas County High School where he was a member of the marching band, stage band choir.

He will enter Sam Houston in the fall of 1966 and major in music education and minor vocational agriculture.

Mrs. Minnie Myer, mother of Raymond Meyer, underwent major surgery in Yorktown Memorial Hospital, Monday.

Mr. and Mrs. Val Tuck and son of Houston and Mrs. Jack Tuck and son of Oklahoma are visiting with their sister, Mrs. Gayna Pridgen.

ROCKPORT JAYCEES WIN TOURNAMENT

The Rockport Jaycees traveled to Kingsville last Sunday, with their families, to play softball. They won their first game from Kingsville Jaycees 3-2.

They then went into the semifinals to shutout the Corpus Christi Jaycees 10-0.

In the final and most exciting game, Rockport was trailing at the end of seven innings 9-6, but with two out and two men on bases, Danny Adams connected with a home-run to tie the game.

The game went into extra innings. Rockport took the field and there were three quick outs. Rockport went to bat and with a single by Van Forshee and a double by Butch Buckner won the game.

At the presentation of the trophies, Danny Adams was selected as the most valuable

player of the tournament.

Those attending were Butch Buckner, Tom Heffernan, Charles Smith, Gene Cannon, Ed Steele, Jim Jackson, Andy Everett, Van Forshee, Danny Adams and Joe Joy.

BAPTIST NIGHT CIRCLE MEETS

The Night Circle of the First Baptist Church met at the home of Miss Evelyn Townsend for a patio supper in honor of Mrs. B. T. Hardeman, who is moving to Wichita Falls.

There were 11 members present and four visitors.

After visiting and fellowship, a Scripture was read by Mrs. Shults, after which Mrs. Hardeman was presented with a beautiful picture for her new home.

Those present were: Mrs. B. T. Hardeman, Mrs. Tom Shults, Miss Ruth Lipscomb, Mrs. Sallie Townsend, Mrs. Mellie Edmison;

Mrs. Alice Ballou, Mrs. Summerville Ballou, Mrs. Olga McLester, Mrs. Georgia Haynes, Mrs. Tiney Gayle and the hostess.

Visitors were Mrs. John McLester, Mrs. O. B. Gilley, Mrs. Virgil Dasher, Mrs. M. D. McNorton.

ROTARIANS HEAR OF EDUCATION PROGRAM

T. A. Roach, consultant for field operation, Southwest Educational Development Laboratory, was the principal speaker at the weekly Rotary Club luncheon meeting Wednesday.

He explained that the laboratory is a privately owned, nonprofit corporation which is financed by the government. Its purpose, he explained, is to bring about an improvement in education at all levels with emphasis on the elementary and secondary levels.

One program sponsored by this organization, Roach pointed out, is the "Head Start" program offered in the Rockport Elementary School this summer.

Guests were J. W. Crutcher, Mineral Wells; Bill Plankey, Fort Worth; Charles D. Loring, Chick Smith and Tom Dean, San Antonio; J. C. Weaver, Sinton; Don Fowler and Dale Hagy, Aransas Pass; and Bill Rumpf, Ingleside.

Mr. and Mrs. J. W. "Sparky" Wilkinson of Navasota, Texas, spent the weekend with Mr. and Mrs. Dick Simpson.

Mr. and Mrs. C. C. Lipe spent Thursday and Friday visiting their parents in Conroe.

Sheriff Returns From Conference

Sheriff Joe Earl Hunt has returned from the 88th annual conference and crime seminar of the Sheriffs' Association of Texas at El Paso July 27-30. Approximately 300 from 254 counties attended.

Hunt was especially impressed with a talk by Special

Agent Don R. Roderick, FBI, Washington, D. C., who announced that a new national Crime Information Center has been set up which will give law enforcement agencies throughout the country even greater service than in the past.

As two examples of this service, Roderick said (1) that if a police department gets the serial number of a

gun and sends this information to Washington, within three minutes the name of the original owner will be flashed back, and (2) the same fast service will apply to specific information about wanted men, etc.

Two other speakers were Col. Homer Garrison, Director, Texas Department of Public Safety, and Judge John F. Onion, Jr., 175th District Court, San Antonio.

NO-IRON COTTON

The man who likes to sleep on a freshly-ironed cotton bedsheet but married a woman who doesn't like to iron may be in luck.

The cotton textile industry, fighting back to gain some of the markets lost to synthetic materials, says it has come up with an all-cotton permanent press fabric. This simply means bedspreads, shirts and even dress fabrics will not need ironing.

To date the no-iron fabrics have been made from blends such as polyester and cotton. These are shipped in a semi-cured state to manufacturing points, where they have required baking or hot-hand pressing. The new cotton permanent press, on the other hand, does not need this curing at the manufacturing level. The no-iron characteristics are said to be incorporated into the cotton yarn before weaving.

Cotton has been taking its kicks in recent years. The advent of new materials, rayons, nylons and such, ripped a big hole in the market. The hand of the government in production of cotton hasn't helped either because there has been too much red tape and confusion. But through constant research, cotton has refused to fold up. Much research work has been done, and more needs to be done, but if the new no-iron process is successful one can expect better things ahead for the years.

Nevertheless, we'll wait and see how a pair of no-press men's pajamas will look after a couple of nights of rolling and tumbling, twisting and jerking. If they look better than a warped corkscrew the morning after then the new fabric will have passed the supreme test.

HOW TO LIVE LONG IN RUSSIA

Add another first claim by the Russians. This time they have come up with a man who is said to be the oldest man, 161 years. He is Shirali Mislimov, a shepherd and gardener from a mountain village in Azerbaijan. Pravda said he was issued a passport in 1938 showing he was born in 1805 which was before Napoleon invaded Russia.

Maybe so, maybe so. But if the report is correct, it's a safe bet the man has aged in wisdom, too. He undoubtedly has learned to keep his mouth shut in Russia.

HE KNOWS WHO'S BOSS!

Foreign Aid Administrator David E. Bell read a statement to the Senate the other day about his affairs, meaning foreign aid.

The communication mentioned Pres. Johnson's name 19 times by count.

It's a safe bet, we suppose, that Mr. Bell will continue in his present position, or better, in the months to come. Or at least as long as LBJ is in office.

ATTENTION WIVES!

Statistics show that 75,000 accidents occur every year to people using lawn mowers. Statistics are wonderful things. If a fellow cuts his grass every other week instead of weekly, for example, he is 50 per cent less apt to have his toe cut off, or a rock thrown in his face, bringing on an expensive doctor and hospital bill.

Wives who insist on husbands cutting the grass every Saturday should take notice. Golf is safer.

NEVER!

The young man, with all the wonders of the age, who has never known the thrill of sitting under the shade of a tree in the good old summertime, after half a day of plowing, and bursting over a rock a watermelon cooled in a nearby spring, just hasn't lived.

Some food researchers are pondering the possibility of producing a powdered watermelon, which when mixed with water will produce a fair product.

Instant watermelon? The thought is a revolting one!

A New Orleans attorney struck from a jury venire a man with a beard because the attorney said the beard was a sign of immaturity. Some legal mind may come up with a means of obtaining a court order forcing Junior to get a hair cut.

FIRE DEPARTMENT AUXILIARY MEETS

The Ladies Auxiliary of the Fire Department met July 26 for the monthly social.

The meeting was called to order and the minutes were read. The meeting was then turned over to the entertainment committee. A baby shower was given in honor of Mrs. Royce Harrell.

The fire house was decorated with pink and blue streamers extending across the ceiling. The gift table was set off by a lovely umbrella in blue and pink paper. The refreshment table was also done in pink and blue with several bows. The center piece was an attractive stork holding a watch.

Several games were played, after which the treasure chest was held. It was an unusual milk glass server. It could be used as a cake server and reversed as a center

piece. The treasure chest was donated by Mrs. Velma Malchar and won by Mrs. Elva Mullinax.

Gifts were then opened by Mrs. Harrell and several pictures were taken. Following this, refreshments were served buffet style. Cake, cream cheese sandwiches, nuts and mints, punch, and coffee were enjoyed by all. Mrs. Elva Mullinax donated the sandwiches.

Members present were: Mrs. Royce Harrell, Mrs. W. A. Ormand, Mrs. H. J. Gurley, Mrs. Gene Howland, Mrs. Gilbert Hill, Jr., Mrs. Max Simpson; Mrs. J. C. Gurley, Mrs. Gilbert Hill, Sr., Mrs. Elva Mullinax, Mrs. Jimmy Ankele, Mrs. Edward Truelove and Mrs. Coy Truelove.

Guests present were Mrs. Leslie Cole, Mrs. J. P. Burnett, Mrs. Birdie Cole, Mrs. Charlotte Wilkinson and Mrs. Elbert Mundine.

Becky Rouquette
Honored at Tea

Miss Becky Rouquette, bride-elect of Joe Howard Livingston of Premont was honored at a tea July 30 at the Garden Club Center in Premont.

Hostesses for the event were Mesdames Howard Livingston, Bill Speer, Andrew Disbro, Paul Reid, John Carroll, Cliff Self, Geoffrey Myane, Earl Champlin, M. D. Nicholson, Wesley Thomas, R. F. Carlile, R. E. Morris, Max Shelton, Miles Wallace, John Disbro, J. C. Grantham, and Mrs. Sara Smith.

Joining Miss Rouquette and Mrs. Livingston in the receiving line were Mrs. F. M. Rouquette, mother of the bride-elect, Mrs. Smith, Mrs. Disbro, Mrs. Lonnie Livingston of Edna, Mrs. Speer, and Mrs. Floyd Rouquette, aunt of the bride-elect. Also present were the bride-elect's sisters, Misses Darlene and Cynthia Rouquette.

The serving table was covered with white net caught with rosette ribbon bows. The centerpiece, in a crystal pedestal bowl, was of yellow glads, white mums, and leather leaf fern. Crystal candleholders held white tapers. The cake was iced in white with yellow roses. Punch, nuts and mints were also served.

The serving pieces, which included the pedestal bowl, the large punch bowl, candleholders and compotes, all of crystal, are valued antiques, having been in the families of Mr. and Mrs. Livingston for generations.

The registry table was also covered with white net, with an arrangement of glads, mums, and fern. Presiding at the guest book were Mrs. Carlene and Miss Margaret Speer.

Miss Rouquette was wearing a frosted beige two-piece ensemble with matching accessories. Her corsage was of yellow glads. Her mother, Mrs. Rouquette, was dressed in shades of blue with a yellow corsage. Mrs. Livingston wore yellow and white with yellow accessories and corsage.

Assisting in serving were Misses Janette Carlile, Sandra Lee Shirley Self, Janice Speer, Joyce Compton, and Mrs. Joe Meeker, the former Carlene Cady.

Background music was played throughout the afternoon, Patricia Speer was in charge of the music. Approximately 75 guest were present.

Mr. and Mrs. Horace Brundrett and Dottie of Dilley spent the weekend with Mr. and Mrs. Almon Brundrett. Mrs. Violet Brundrett went home with her sister for a visit.

Richard Lee, son of Mr. and Mrs. Reagan Lee, is in room 602, Memorial Hospital for minor surgery.

PICTON NAMED—

(continued from page 1)

of broad significance geographically.

Lawrence E. Clark, of the Real Estate Research Corp., who at present is acting administrator for the district, outlined some of the problems and goals of the program.

Growth Centers

He stated that only redevelopment counties or growth centers are eligible for funds. The redevelopment areas would include counties lagging economically, he said. Only four, Goliad, Gonzales, Karnes and Atascosa counties, are eligible in this district, he said.

However, Borden stated that Rep. Young had noted pockets of poverty in each county and had voiced interest in taking care "of these pockets."

The district staff, Clark said, has been instructed to use as many federal programs as possible, and a program is visualized whereby other agencies take care of counties or pockets not designated for EDA funds.

Discussing employment of a director, Clark said he should be a person familiar with programs available, who can help prepare applications and follow them up. He would be a "federal programs expiditer" for the entire district.

Clark listed water, both for domestic and industrial use, as the primary problem of the district. Other problems he outlined were agricultural, the increasing automation of farms creating surplus labor which would have to train for industry; the need for education, both technical and vocational; industrial education to absorb and train surplus labor. He also noted the necessity for public works—harbor, school, road and other capital improvements.

The EDA will evaluate proposed projects of the district according to the goals of the planners, he indicated.

The numerous goals would include increased water supply, vertical industrial integration—an industry as it is related to raw materials, products and other available resources, improved recreation facilities, expanded technical and vocational programs.

"The EDA is looking for good projects and will evaluate the projects on a cost-benefit basis," Clark said.

years. From 1943 to 1944 he was manager of the company's office in Mathis, and the following year he became manager of the Rockport office, the post he held until his retirement.

Looking back on the growth of Rockport and CP&L here, Hardeman explained that when he reported for work as manager, "I was the service man, meter reader and manager combined, until we slowly began acquiring a staff to keep pace with the growth."

"I remember that when I came here, the north end of our electric line ended at the Sandollar," he recalled. "We now have a staff of eight persons," he added.

Hardeman has been active in many civic affairs and public service movements in Rockport. He is a charter member, past president, past secretary-treasurer and past sergeant-at-arms of the Rotary Club and for years was an active member of the Rockport Volunteer Fire Department.

This and That

JOHN KINSEY

I said to a friend recently, "What do you think of a poker player who would check a clutch?"

"You mean 'check a lock,'" my friend asked?

I explained that I had never heard it called that but I thought we were talking about the same thing.

For the benefit of non-poker players, a "clutch" or "lock" can be illustrated as follows: Say you're playing five-card stud, nothing wild, one card down and the other four up.

You have aces back to back and all five cards have been dealt.

You look around and see no pairs showing, no possible straight or flush and no other ace showing.

In other words, your two aces are a cinch to win.

It's your bet. You check (which means you pass or don't bet).

The guy next to you has a king in the hole and a king up. Since you checked, he figures his two kings are good, so he bets.

You raise. He mutters and calls. You win.

That's what checking a clutch or lock means. Getting back to my original question of "What do you think of a guy who checks a clutch?" my friend said, "I'd play poker with that kind of guy just once."

Then he explained that when he was 19 and playing in a poker game "way over my head," he checked a lock once, and one of the players started to draw a gun before being restrained.

"That was enough lesson for me," my friend added. "If any poker player would feel that strong about checking a lock, I decided never to do it again."

And he never has. It's as bad or worse than teeing up in the rough.

Aug. 11: The Rockport Duplicate Bridge Club meets every Thursday night at Key Allegro Islander Club and welcomes interested players. Rebekah Lodge No. 88 will meet. Warren Landrum and Walter Stryker will celebrate their birthdays.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Rod Storage—When storing fishing rods, either stand them up straight in racks or hang them by their tip-tops from the ceiling.

Never lean them against the wall as this will cause the rods to bend. If there should be unusual heat in the room rods, particularly fiberglass ones will take a permanent set.

This set can be removed with a straight application of heat, but the process will only weaken a good rod and eventually cause it to break.

Handy Tape—Scotch brand tape No. 810 is a must for every tackle box and hunting kit. You can use it to tape on rod guides and tip tops, patch minor leaks in boots and waders, and mend rips and tears in canvas tents, coats and boat covers.

This particular brand sticks tight and is water resistant.

Accurate Shooting—If you do your hunting with a rifle that has open or iron sights, smoke the muzzle bear with a match or candle. It will remove that tiny bit of glare and shine that can mess up your aim when hunting in bright sunlight.

Anchor Line Length—Know how much anchor line to carry?

Simply multiply the maximum water depth which you plan to fish by seven. This seven to one line scope will permit your anchor to bite deeply into the bottom and hold your boat in place even in a strong wind and heavy seas.

Shotgunners Don't Aim—You can improve your shotgun shooting by forgetting all about aiming.

A shotgun, except when rifled slugs are used, was never meant to be aimed. Your shooting will improve by simply pointing the gun at the target.

Buy Roomy Waders—When buying waders or hip boots, be sure the shoe portion is a size larger than you normally wear.

That additional space allows for an extra pair of socks to be worn. It'll also make room for wiggling toes to stimulate circulation in cold weather.

Buy chest-high waders with large chest size so they will fit comfortably over bundle-some winter clothing.

Knife Safety—Don't risk

DERBY DANDY is none other than comedian Bob Hope. Now 63, the Hope of today is quite another fellow from when he was a vaudeville hooper. This is Bob when he was 16 and a slim song-and-dance man.

losing a good fishing knife overboard. Drill a small hole in the handle, attach a short length of line and a cork or plastic float so it will float if dropped overboard.

De-Kinking "Mono"—You can remove the coil set from a monofilament line by washing it in mild soapy water and then stretch and dry it in the shade.

Nylon Care—Nylon rope on your boat trailer winch won't rot, but be careful of rust gathering on the winch sides and spindle. This rust can cut nylon.

Occasionally remove the nylon rope from the winch. Carefully sand the spindle and sides and coat with a rust resistant paint.

Winch Caution—Before putting a strain on your boat trailer winch be sure the anti-reverse gear is engaged. A wildly spinning wheel handle can badly bark knuckles and even break fingers.

Swift-Water Fishing—You can fish fast-current water without having to use a pound of weight to reach bottom. Simply cast ahead and into the current. Your baited hook will reach bottom by the time the current carries it across in front of you.

Wide-Area Fishing—In fast moving water let the current work your lure. By simply moving your rod tip from side to side, stretching out as far as you can reach to either side, you can cover approxi-

mately 18 feet of water. Also occasionally throw your reel into free spool and allow the current to carry the lure back 15 to 20 feet.

Use a Dull Sinkers—When trolling never use a new sinker with a bright shine. Fish will often strike at it instead of the lure. With fish that have sharp teeth, the "sinker strike" will result in you losing a lot of lures.

Star-Drag Care—When storing a star-drag reel, always completely back off the tension. Prolonged storage with the drag tightened down will ruin the drag discs, causing them to chatter and slip when again put to use.

Use Ample Line—Keep your fishing reels filled to capacity with line. You'll get better casting distance and fewer backlashes.

Also with each turn of the reel handle on a bait casting or surf reel, you will pick up more line. It also saves wear and tear on the reel.

Fishing Murky Water—For an extra flash in murky water use two spoons rigged in tandem. Remove the hooks from one spoon and attach it to the other with a ring clip.

These tandem spoons will give the rig a darting action that produces a lot of flash.

This extra weight also is ideal for casting into a strong wind.

For Marina Directories—Going on an extended cruise in your boat? You can obtain from most major oil companies marina directories listing facilities and accommodations at marinas along the way.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 21 proposing an Amendment to Article XVI, Constitution of the State of Texas, relating to the terms of office of directors of conservation and reclamation districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVI, Constitution of the State of Texas, be amended by adding a new Section to read as follows:

"Section 30c. (a) The terms of office of persons serving on the governing body of a political subdivision of the State created to further the purposes of Section 52, Article III, or Section 59, Article XVI, of this Constitution, shall never exceed six years.

"(b) Statutory provisions enacted before the first Tuesday after the first Monday in November, 1966, relating to the terms of office of governing bodies of political subdivisions created to further the

purposes of Section 52, Article III, or Section 59, Article XVI, are validated, so long as the provisions do not provide for a term of office which exceeds six years."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

"AGAINST the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER THIRTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 69 proposing an Amendment to the Constitution of the State of Texas by adding a new Section, Section 63, to Article III; authorizing the Legislature to provide by statute for the accomplishment of governmental functions within any county having one million, two hundred thousand (1,200,000) or more inhabitants by the consolidation of the functions of government or by contract between any political subdivision(s) located within the county and any other political subdivision(s) located within the county or with the county; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III, to be known as Section 63, reading as follows:

"Section 63. (1) The Legislature may by statute provide for the consolidation of some functions of government of any one or more political subdivisions comprising or located within any county in this State having one million, two hundred thousand (1,200,000) or more inhabitants. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these political subdivisions, under such terms and conditions as the Legislature may require.

"(2) The county government, or any political subdivision(s) comprising or located therein, may contract one with another for the performance of governmental functions re-

quired or authorized by this Constitution or the Laws of this State, under such terms and conditions as the Legislature may prescribe. The term 'governmental functions,' as it relates to counties, includes all duties, activities and operations of state-wide importance in which the county acts for the State, as well as of local importance, whether required or authorized by this Constitution or the Laws of this State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1966, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing the Legislature to provide by statute for any county having one million, two hundred thousand (1,200,000) or more inhabitants to consolidate the functions of government and for such counties or any political subdivision(s) located therein to contract for the performance of functions of government."

"AGAINST the Amendment to the Constitution authorizing the Legislature to provide by statute for any county having one million, two hundred thousand (1,200,000) or more inhabitants to consolidate the functions of government and for such counties or any political subdivision(s) located therein to contract for the performance of functions of government."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 79 proposing an amendment to Article VIII, Constitution of the State of Texas, by adding Section 1-d to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-d to read as follows:

"Section 1-d. (a) All land owned by natural persons which is designated for agricultural use in accordance with the provisions of this Section shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

"(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural

use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

"(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

"(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

"(e) No land may qualify for the designation provided for in this Act unless for at least three (3) successive years immediately preceding the assessment date the land has been devoted exclusively for agricultural use, or unless the land has been continuously developed for agriculture during such time.

"(f) Each year during which the land is designated for agricultural use, the local tax assessor shall note on his records the valuation which would have been made had the land not qualified for such designation under this Section. If designated land is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional

tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid, there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

"(g) The valuation and assessment of any minerals or subsurface rights to minerals shall not come within the provisions of this Section."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

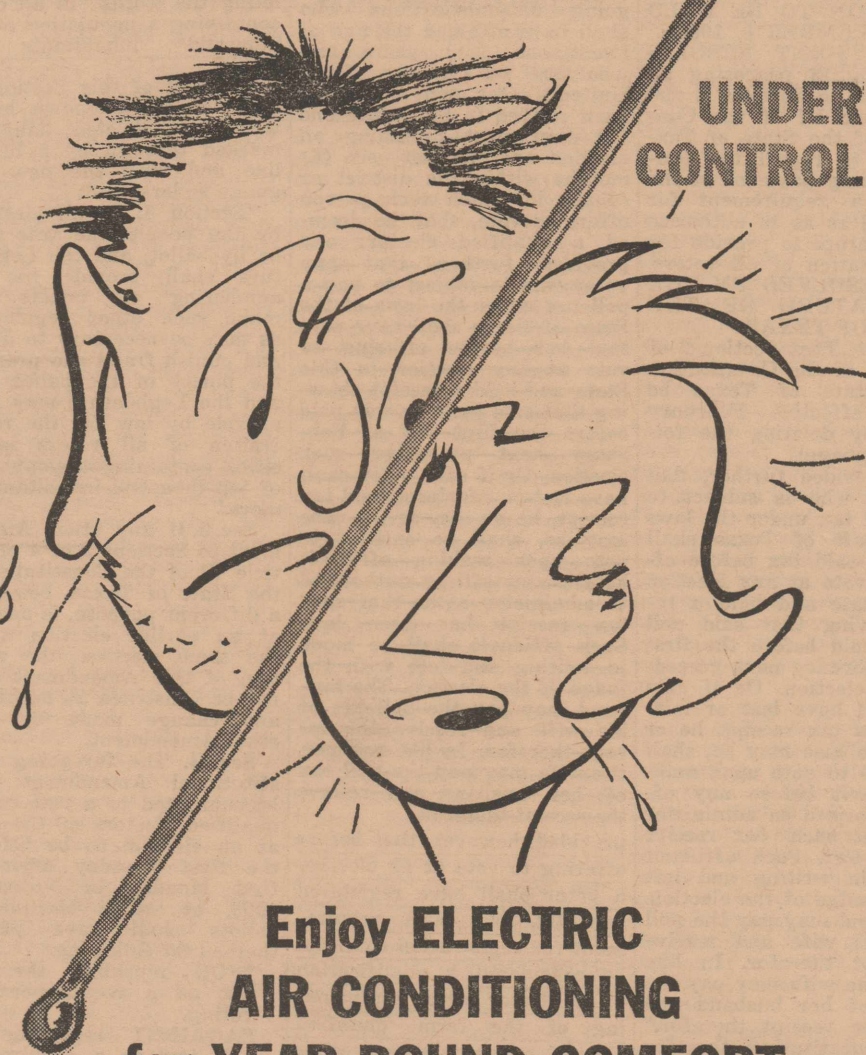

"FOR the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

"AGAINST the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this State.

KEEP TEMPERATURES

UNDER CONTROL

Enjoy ELECTRIC AIR CONDITIONING for YEAR-ROUND COMFORT

Short tempers and frayed nerves disappear like magic in the cool comfort of an air-conditioned home. And there's more to air conditioning than just cooling. Humidity is controlled—dust and pollen filtered out—housekeeping made easier. If you're ready to install air conditioning, investigate the economy and year round comfort of combined electric cooling and heating.

The modern heat pump does both jobs with one unit. Or choose from the variety of other electric cooling and heating installations. There's one just right for your home. For economy, comfort and convenience, you just can't beat electric cooling and heating... the right combination for year-round comfort.

For the most efficient and economical operation of your air conditioner, change or clean your filter at least once a month.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.
HOUSE JOINT RESOLUTION NO. 24 proposing an amendment to the Constitution of the State of Texas by adding a new Section thereto, Section 2a, to provide for voting on elections for President and Vice President, and on all state-wide offices, questions or propositions by persons qualified to vote in this State except for meeting county or district residence requirements, and to provide for voting on elections for President and Vice President by otherwise qualified United States citizens who have moved into or out of the State preceding a presidential election.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. Article VI of the Constitution of the State of Texas is amended by adding a new Section thereto, Section 2a, to read:
"Section 2a. (a) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide a method of registration, including the time of such registration, permitting any person who is qualified to vote in this State except for the residence requirements within a county or district, as set forth in Section 2 of this Article, to vote for (1) electors for President and Vice President of the United States and (2) all offices, questions

or propositions to be voted on by all electors throughout this State.
"(b) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide for a method of registration, including the time for such registration, permitting any person (1) who is qualified to vote in this State except for the residence requirements of Section 2 of this Article, and (2) who shall have resided anywhere within this State at least thirty (30) days next preceding a General Election in a presidential election year, and (3) who shall have been a qualified elector in another state immediately prior to his removal to this State, or would have been eligible to vote in such other state had he remained there until such election, to vote for electors for President and Vice President of the United States in that election.
"(c) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide for a method of registration, including the time for such registration, permitting absentee voting for electors for President and Vice President of the United States in this State by former residents of this State (1) who have removed to another state, and (2) who meet all qualifications, except residence requirements, for voting for electors for President and Vice President in this State at the time of the election, but the privileges of suffrage so granted shall be only for

such period of time as would permit a former resident of this State to meet the residence requirements for voting in his new state of residence, and in no case for more than twenty-four (24) months.
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:
"FOR the Constitutional Amendment permitting persons qualified to vote in this State except for the residence requirements in a county or district to vote for Presidential and Vice Presidential Electors and for all state-wide offices, questions or propositions, and permitting citizens of the United States recently arrived or departed from the State to vote for Presidential and Vice Presidential Electors."
"AGAINST the Constitutional Amendment permitting persons qualified to vote in this State except for the residence requirements in a county or district to vote for Presidential and Vice Presidential Electors and for all state-wide offices, questions or propositions, and permitting citizens of the United States recently arrived or departed from the State to vote for Presidential and Vice Presidential Electors."
Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOURTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.
HOUSE JOINT RESOLUTION NO. 38 proposing an amendment to Section 2, Article VI, Constitution of the State of Texas, to omit the requirement that members of the armed services vote only in the county in which they resided at the time of entering the service.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 2, Article VI, Constitution of the State of Texas, be amended by deleting the following language:
"Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."
The text of this Section is shown below, with a broken line through the sentence which is to be deleted:
"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost or misplaced and that he or she has paid the poll tax." "FOR the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."
Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.
Sec. 5. If the foregoing amendment is adopted, the proclamation of the Governor declaring the adoption of this amendment shall set forth the full text of the amended Section, as amended herein and by any other proposed amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

ner, the wife may pay the poll tax of her husband and receive the receipt therefor. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."
Sec. 2. The only purpose of the amendment proposed in this Resolution is to make the aforesaid deletion. The adoption of this amendment shall not be deemed to have the effect of readopting the remainder of the Section, and if any other amendment to this Section, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this amendment shall not be construed as nullifying the change made by such other amendment.
Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:
"FOR the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."
"AGAINST the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."
Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.
Sec. 5. If the foregoing amendment is adopted, the proclamation of the Governor declaring the adoption of this amendment shall set forth the full text of the amended Section, as amended herein and by any other proposed amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Major John Grimme
Collects Objets D'Art
Animals and Birds

Major (ret.) John P. Grimme and his wife, the former Elizabeth Frandoli live in a beautiful ranch-style home on 10 acres in Sparks Colony, west of Rockport.
They lead a leisurely life except that both work like beavers keeping their lawn, shrubs, trees, flowers and vegetable garden ("that's hers," the major says) in beautiful condition.
Major Grimme, 69, has plenty to think about, when he's in the mood to relax, because he spent 32 years in the Air Force ("they called it the Air Corps when I was in service"), he saw much action and he traveled all over the world.
Born in Yazoo City, Miss., Grimme attended grade and high school there and then transferred to the Webb School, a (college) prep school at Belle Buckle, Tenn.
When he was 15 and just a month shy of 16, his cousin visited him at Webb. "He was wearing a snappy Air Corps uniform," Grimme recalls, "and I made up my mind right then that I was going to get into military service."

It took a lot of persuading and his mother's signature for Grimme to get into the 19th Infantry at Fort Sam Houston as a private at \$15 a month.
In the years that followed he served in the Mexican expedition in 1916, in World War I during which he saw action on two fronts in Europe, in World War II action in the South Pacific.

During his military service he was on duty in the Philippines, Panama, Hawaii, Central and South America as well as many other places in Europe and Asia.
Asked if he "has some medals," he said he received seven that he was "rather proud of" but he added, "I was no big war hero and I'd prefer that your article just state that I have seven."

Throughout the Grimmes' attractive home are numerous objets d'art which the major picked up in various parts of the world. He obviously likes ivory because many of these rare and beautiful vases, bowls and other decorative pieces are made of solid ivory.

Perhaps the most unusual of the lot is a curiosity consisting of nine balls in one. According to Grimme, Chinese prisoners serving long terms prided themselves in starting

with a solid piece of ivory and by great skill and perseverance carved nine paper-thin ivory balls-in-one, with each having artistic openings through which (apparently) the carving knife reached to accomplish this masterpiece.

As indicated earlier, the Grimmes love animals and birds. They have two dogs, three cats, a parrot and a 12-year-old duck; also a number of wild animals they have

tamed such as a rabbit that drops by at least once a day for something to eat.

More Argentine people can read and write than in any other Latin American country.

Polio was first noticed in the 18th century and was recognized as an epidemic disease about 1890.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 65 proposing an Amendment to Section 3-b of Article VII of the Constitution of Texas providing that school taxes theretofore voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by a change in boundaries nor shall bonds voted, but unused, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 3-b of Article VII of the Constitution of Texas be amended to be and read as follows:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district and no tax for the maintenance of a junior college voted by a junior college district, nor any bonds voted in any such district, but unused, shall be abrogated, cancelled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes

on all taxable property within the boundaries of the district as changed for the purposes of the maintenance of public free schools or the maintenance of a junior college, as the case may be, and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unused bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted.

In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unused bonds of such district voted prior to such change, may be

subsequently sold and delivered and any voted, but unused, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 3-b of Article VII of the Constitution of Texas providing that school taxes theretofore voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes on bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that the creation of no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpaying electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, excluding their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts."

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot, and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Proposed CONSTITUTIONAL AMENDMENT
NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 1 proposing an Amendment to Article IX of the Constitution of Texas by adding thereto a new Section to be known as Section 12; authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties; authorizing the creation of a board of directors by appointment or election; providing that the membership of the board shall be based upon the proportionate part of the population of each county, with no county having less than one member; providing for the necessary election; authorizing the levy of an annual tax not to exceed Seventy-Five Cents (75c) per One Hundred Dollars (\$100) valuation; provided, however, that the property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority; authorizing the Authority to employ or appoint an assessor and collector of taxes whose duty it shall be to assess and collect the taxes on the tax rolls approved by the Board of Directors of said Authority; said taxes to be assessed equally and uniformly throughout the county or counties, comprising the Authority, as required by the Constitution; granting to such Authority the power to acquire by purchase, or through eminent domain proceedings existing publicly financed airport properties or other sites necessary to have and to improve the same, power to issue and sell general obligation bonds and revenue bonds, or either of them; authorizing the assumption of outstanding indebtedness secured by general obligation bonds and assuming the obligations of the city or cities under ordinances and bond indentures under which revenue bonds have been issued and sold; to enact zoning regulations and other measures to protect the airport facilities from hazards and obstructions; providing for the adding of an additional county or counties to the Authority.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 12, reading as follows:

"Section 12. The Legislature may by law provide for the creation, establishment, maintenance and operation of

Airport Authorities composed of one or more counties, with power to issue general obligation bonds, revenue bonds, either or both of them, for the purchase, acquisition by the exercise of the power of eminent domain or otherwise, construction, reconstruction, repair or renovation of any airport or airports, landing fields and runways, airport buildings, hangars, facilities, equipment, fixtures, and any and all property, real or personal, necessary to operate, equip and maintain an airport; shall provide for the option by the governing body of the city or cities whose airport facilities are served by certificated airlines and whose facilities or some interest therein, is proposed to be or has been acquired by the Authority, to either appoint or elect a Board of Directors of said Authority; if the Directors are appointed such appointment shall be made by the County Commissioners Court after consultation with and consent of the governing body or bodies of such city or cities, and if the Board of Directors is elected they shall be elected by the qualified taxpaying voters of the county which chooses to elect the Directors to represent that county; such Directors shall serve without compensation for a term fixed by the Legislature not to exceed six (6) years; and shall be selected on the basis of the proportionate population of each county based upon the last preceding Federal Census, and shall be a resident or residents of such county; provide that no county shall have less than one (1) member on the Board of Directors; provide for the holding of an election in each county proposing the creation of an Authority to be called by the County Commissioners Court or Commissioners Courts, as the case may be, upon petition of five per cent (5%) of the qualified taxpaying voters within the county or counties, said elections to be held on the same day if more than one county is included, provided that no more than one (1) such election may be called in a county until after the expiration of one (1) year; in the event such an election has failed, and thereafter only upon a petition of ten per cent (10%) of the qualified taxpaying voters being presented to the Commissioners Court or Commissioners Courts of the county or counties in which such an election has failed, and in the event that two or more counties vote on the proposition of the creation of an Authority therein, the proposition shall not be deemed to carry unless the majority of the qualified taxpaying voters in each county voting

thereon vote in favor thereof; provided, however, that an Airport Authority may be created and be composed of the county or counties that vote in favor of its creation if separate propositions are submitted to the voters of each county so that they may vote for a two or more county Authority or a single county Authority; provided for the appointment by the Board of Directors of an Assessor and Collector of Taxes in the Authority, whether constituted of one or more counties, whose duty it shall be to assess all taxable property, both real and personal, and collect the taxes thereon, based upon the tax rolls approved by the Board of Directors, the tax to be levied not to exceed Seventy-Five Cents (75c) per One Hundred Dollars (\$100) assessed valuation of the property, provided, however, that the property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority; said taxable property shall be assessed on a valuation not to exceed the market value and shall be equal and uniform throughout the Authority as is otherwise provided by the Constitution; the Legislature shall authorize the purchase or acquisition by the Authority of any existing airport facility publicly owned and financed and served by certificated airlines, in fee or of any interest therein, or to enter into any lease agreement therefor upon such terms and conditions as may be mutually agreeable to the Authority and the owner of such facilities, or authorize the acquisition of same through the exercise of the power of eminent domain, and in the event of such acquisition, if there are any general obligation bonds that the owner of the publicly owned airport facility has outstanding, the same shall be fully assumed by the Authority and sufficient taxes levied by the Authority to discharge said outstanding indebtedness; and likewise any city or owner that has outstanding revenue bonds where the revenues of the airport have been pledged or said bonds constitute a lien against the airport facilities, the Authority shall assume and discharge all the obligations of the city under the ordinances and bond indentures under which said revenue bonds have been issued and sold. Any city which owns airport facilities not serving certificated airlines which are not purchased or acquired or taken over as herein provided by such Authority, shall have the power to operate the same under the existing laws or as the same may hereafter be amended. Any such Authority when created may be granted the power, and authority to promulgate, adopt and enforce appropriate zoning regulations to protect the airport from

hazards and obstructions, which would interfere with the use of the airport and its facilities for landing and take-off; an additional county or counties may be added to an existing Authority if a petition of five per cent (5%) of the qualified taxpaying voters is filed with and an election is called by the Commissioners Court of the county or counties seeking admission to an Authority and the vote is favorable, then admission may be granted to such county or counties by the Board of Directors of the then existing Authority upon such terms, and conditions as they may agree upon and evidenced by a resolution approved by two-thirds (2/3rds) of the then existing Board of Directors, provided, however, that the county or counties that may be so added to the then existing Authority shall be given representation on the Board of Directors by adding additional directors in proportion to their population according to the last preceding Federal Census."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

"AGAINST the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election, and shall have the same published as required by the Constitution and Laws of this state.

Visit to Welder Refuge Reported By News Woman

Publishers' Note: The following article was written by Kay McCracken, staff writer for the Corpus Christi Caller-Times, and appeared in a recent issue.

Visiting Welder Wildlife Foundation combines a look backward with a glimpse of the future and much to be seen in the present. Backward in that nearly 8,000 acres of woods to grassland to river bottom terrain is much as it was in

Karankua times; the glimpse of the future is under the tile roofs of white stucco headquarters buildings where research is going forward to the end that this and other natural habitats may be kept in balance with the workings of nature.

The man on the street is realizing now that if the human race is to remain comfortable on this earth it must be shared in proper proportion with the plant life, wild animals, and even insects which also inherited it; that only man, who has already destroyed so much, has the capacity to restore, or to preserve what is left. It takes research to know how to go about it. The people at Welder were years ahead of the rest of us and already their contributions are making a difference.

A present look at Welder Refuge is so pleasing it should not be passed up by anyone interested in the outdoors — varied topography, clusters of great oaks, rolling pastures supporting more than 200 species of grass, mottes,

ponds and lakes and river side and swales with animals and birds darting through the chaparral and over wild flowers. The beautiful little rose-pink Texas Star is abundant, but often hidden by bigger and showier plants.

Welder Foundation is privately endowed; the refuge is a wildlife sanctuary, but more, it is a research center, which activities necessarily limit public access.

But visitors are cordially invited at specified times and by special arrangements. Many thousands have accepted the invitation in the past decade, as many of them being from out of the state as from Texas. Student and faculty groups come from near and distant colleges to inspect the programs and see the refuge.

Thursday afternoons (except holidays) are for the public. Gates are unlocked at 3 o'clock and anyone (but not pets) waiting there is welcomed to a conducted tour of two to three hours. They should expect to remain for the whole tour, since the gates are locked again.

The refuge entrance is on US 77 about seven miles northeast of Sinton, watch for the stucco and tile gate house across the railroad tracks.

Visitors are directed to headquarters, along a paved road between pastures. Cassin's and lark sparrows greet them with meadowlarks in fall and winter. At the main

building a staff member, usually Anne Speers, describes the work of the Foundation and perhaps some of the projects being conducted by graduate students. The tank is illustrated with color slides of flora and fauna that may be seen on the drive which follows, after a look at the museum. The route depends upon time, weather, and research activities.

White-tailed deer are sure to be seen, some looking quite gay with colored plastic rosettes in their ears. These are tags identifying them for some study.

Jackrabbits and cottontails, squirrels, and just maybe javelinas will show up, but not likely the bobcats, raccoons, or coyotes—though coyotes may pop out if the wild grapes are ripe.

Mammal and resident bird populations much the same all year but migrating birds present a different picture with each season. You may take their pictures if you are fast enough.

Garden clubs, civic clubs and other special groups over 14 years of age and more than 15 in number may arrange for special tours on any day except Thursday and Sunday. They would be wise to charter a bus—fewer vehicles, more things seen by all.

For special tours write to Tour Director, Welder Wildlife Foundation Director, Box 1396, Sinton, or telephone EM-4-2643 during office hours. No fee is charged for public or special tours.

SAVINGS BOND SALES REACH 37% OF GOAL

Fred Bracht, chairman of the Aransas County Savings Bonds Committee, reports that E and H Bond sales for the first six months of 1966 were \$21,977. This is 37 per cent of the 1966 goal. June sales for the county were \$60,000.

Texas sales were \$77,198, 802 for the first six months of the year, and 52 percent of the sales goal has been achieved. This represents a 3 per cent increase over the same period of last year.

Nationally, Series E sales of \$364 million are again at a "Peacetime Peak" of any June in 21 years, and 10 per cent above a year ago. E sales for the first six months of 1966 were \$2,282 million, 7 per cent more than a year ago.

H. Bond sales were \$33 million during June which is a 6 per cent increase over June sales last year, and 6 per cent over H sales a year ago, bringing the January - June sales up to \$299 million.

Texas has many miles of coastline, from the warm waters off Sabine Pass on the Louisiana border to the cool, clear surf of southern Padre Island at the mouth of the Rio Grande.

Seahorse Caught By Shrimper Is Now 'Expecting'

John Lester, who operates a shrimp boat out of the Beacon Bait Stand, recently caught an eight-inch seahorse along with some shrimp.

He put it in a bucket of water and took it home to his wife. She contacted the Texas Parks and Wildlife Department and an expert on fish examined the seahorse, said it was a male and that it was 'expecting.'

Next, Mrs. Lester gave the seahorse to a woman who has a well equipped aquarium where better care could be provided for the Mr. Seahorse.

At this point, Ernest Simmons of the State Parks and Wildlife Department, a marine expert, was contacted.

"What's this about male seahorses having babies?" he was asked.

Simmons had this to say: "In the case of seahorses, the male actually gives birth to the young. Mr. Seahorse has on his abdomen a brood pouch especially designed for the care and raising of junior seahorses."

"When warm weather brings along the spawning season, this pouch is put to use. The female seahorse, by the aid of a long tube (ovipositor), places her eggs in the pouch where they are fertilized. There they incubate and hatch and are protected somewhat as are the young of marsupials. Birth is accompanied by apparent labor."

Simmons also explained that seahorses have many "cousins" called pipefish, common in submerged vegetation around Rockport.

"Just as in the seahorses," he pointed out, "pouches are present. If these pouches are full and yellow, then it is certain that a new crop of pipefish is in the offing."

Continuing his discussion of what he calls "marine fathers," Simmons said, "Most people know in salt water, Papa Catfish stays home and takes care of the kids. Even fresh water catfish are good parents for they seek enclosed containers in which to lay the eggs and guard the young until they are big enough to fend for themselves."

"Hardheads and their more edible kindred gafftops do not seek such elaborate dens. Instead, the willing male picks up the fertilized eggs and carries them in his mouth until they hatch and the yolk sac is absorbed."

"During this process, which may take days or even weeks, papa doesn't eat and sometimes becomes very thin. Mama, in the meantime, goes merrily on her way stealing bait from the unwary fisherman."

CAUGHT IN THE MIDDLE—Alex the alligator never had it so good. The gallant 'gator found himself surrounded by Cheri Kroodsmma, left, and Bobbi Falkner. The girls, who work for United Air Lines, posed with Alex during a brief stay in Miami.

P&WD CITED FOR OYSTER HARVEST AID

Austin.—The Texas Parks and Wildlife Department got a near perfect Federal rating for its share in protecting the multimillion dollar coastal oyster industry.

The Department was notified by the United States Public Health Service that it scored 100 percent in one phase of the operation and 99.3 percent in the other phase for the federal fiscal year ending June 30, 1966.

Thirty Department game wardens devoted 5,413 man hours on that particular coastal patrol assignment from Sept. 1, 1965 through April of this year.

They used aircraft, motorboats and automobiles, all linked in a radio network to accomplish the optimum of efficiency, according to J. B. Phillips, coordinator for law enforcement.

One hundred and five cases were filed and convictions in most cases gained by the coastal force.

Most of the prosecutions involved attempts to directly market oysters taken from the unsanitary beds.

The State Department of Health, key state unit in the cooperative shellfish sanitation program, also attained a high degree of efficiency in the operation. The Federal Department noted that the health agency rated 99.8 in its laboratory procedure.

Draft Board to Call 1585 Men In September

Austin.—State draft boards will be called upon to furnish 1,585 men for the armed forces in September, Col. Morris S. Schwartz, state Selective Service director, said Friday.

Colonel Schwartz also announced that the August quota for Texas had been increased from 1,636 to 1,837 and the July call from 1,284 to 1,381.

These monthly quotas compare with 878 for June, 1927 for May, 979 for April, 1,068 for March, 1,372 for February, and 1,475 for January.

The state director of Selective Service said that Texas local boards would probably be called upon to send between 4,000 and 5,000 men for pre-induction mental and physical examinations in September.

Calls on the local boards for September, with quotas for both induction and pre-induction examination, will be sent out by state Selective Service headquarters on or about Aug. 10.

The Texas quota of 1,585 for induction in September is the state's share of a national call for 31,300 men, all for the army.

The number of men classified as available for armed forces served by Texas local boards has increased since the end of May, the state Selective Service director pointed out.

At the end of June, Texas boards had a total of more

than 68,000 men in Classes 1-A and 1-A-O. This pool was increased from about 44,000 at the end of May. The number of men classified as students declined during this period. Texas boards had 93,000 men classified in Class II-S at the end of June and 98,000 at the end of May.

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 26 proposing an Amendment to Sections 4 and 5 of Article V of the Constitution of the State of Texas to provide for a Court of Criminal Appeals of five members; prescribing their qualifications; elections, appointments, tenure of office and compensation; and prescribing the term of court of said court.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4 of Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Court of Criminal Appeals shall consist of five Judges, one of whom shall be Presiding Judge, a majority of whom shall constitute a quorum, and the concurrence of three Judges shall be necessary to a decision of said court. Said Judges shall have the same qualifications and receive the same salaries as the Associate Justices of the Supreme Court. They shall be elected by the qualified voters of the state at a general election and shall hold their offices for a term of six years. In case of a vacancy in the office of a Judge of the Court of Criminal Appeals, the Governor shall, with the advice and consent of the Senate, fill said vacancy by appointment until the next succeeding general election.

"The Judges of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and continue in office until the expiration of the term of office for which each has

been elected or appointed under the present Constitution and laws of this state, and until his successor shall have been elected and qualified.

"The two members of the Commission of Appeals in aid of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and shall hold their offices, one for a term of two years and the others for a term of four years, beginning the first day of January following the adoption of this Amendment and until their successors are elected and qualified. Said Judges shall by agreement or otherwise designate the incumbent for each of the terms mentioned.

"The Governor shall designate one of the five Judges as Presiding Judge and at the expiration of his term and each six years thereafter a Presiding Judge shall be elected."

Sec. 2. That Section 5 of the Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 5. The Court of Criminal Appeals shall have appellate jurisdiction coextensive with the limits of the state in all criminal cases of whatever grade, with such exceptions and under such regulations as may be prescribed by law.

peals may sit for the transaction of business at any time from the first Monday in October to the last Saturday in September in each year, at the State Capitol. The Court of Criminal Appeals shall appoint a clerk of the court who shall give bond in such manner as is now or may hereafter be required by law, and who shall hold his office for a term of four years unless sooner removed by the court for good cause entered of record on the minutes of said court.

"The Clerk of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall continue in office for the term of his appointment."

Sec. 3. Said proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A.D. 1966, at which election each voter opposing said proposed Amendment shall scratch off the ballot with a pen or pencil the following words printed on said ballot:

"FOR the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

Each voter favoring said proposed Amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "AGAINST the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment the same shall become a part of the Constitution of this state.

Sec. 4. The Governor shall issue the necessary proclamation for said election and have same published and said election shall be held as provided by the Constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 37 proposing an Amendment to Article III of the Constitution of the State of Texas by adding thereto a new section, Section 51-d, so as to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding Section 51-d to read as follows:

"Section 51-d. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or of full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State on the first Tuesday after the first Monday in November,

1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

"AGAINST the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties using voting machines, the above provision for voting, for and against this Constitutional Amendment, shall be placed on said machine in such a manner that each voter may vote on such machines for or against the Constitutional Amendment.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.
