SKYROCKETS

Ready for the Hollis Tigers at 8:00 p.m. at Powell Field are the 1976 Wellington High School Skyroockets. Back row, from left, Coach Phil Bailey, Dane Dodge, Dan Ford, Joe Baumgardner, Shane Tarver, Allen Sanders, Jessie Davis, Cliff Penno, Coach Robert Hicks. Third row, from left, Robert Norris, Bob Cummings, Kevin Hall, Richard Garcia,

Ricky Jones, Jon Sessions, Coach Bruce Dollar. Second row, from left, Head Coach James Williams, Don Allred, Carl Taylor, John Birkey, George Darton, Danny Morris, Joseph Thomas, Coach Ronnie Glenn. Front row, from left, Tony Martinez, Arnie Ingram, Mike Ray, Dickie Moore and Craig Needham.

Rockets Open Season Against Hollis Friday

Wellington Skyroockets, looking for another championship year, open their 1976 season against the Hollis Tigers at Powell Field Friday, September 3. Game time is 8:00 p.m. "Comparing them (the 1976 Tigers) to their teams in the past, this is the best since I've been in Wellington," Head Coach James Williams declares.

The Tigers will have basically the same players Wellington defeated in the opening game a year ago. Neither team lost much manpower by graduation.

Head Coach James Williams describes Hollis as having "real good height—a pretty large team."

The Tiger backfield will average 180 to 185 pounds, while the line should average around 190.

In a scrimmage with Memphis Friday, Sept. 27, Hollis tied the Cyclone with two touchdowns each. In spite of this tie, the Tigers seemed to move the ball a little better than their opponents.

Their first scrimmage was with much larger Altus JV, when they showed some good passing and long runs, yet Coach Bill Cummins was disappointed over the conditioning of the team, which he thought had some lack of self-discipline when they tired.

"It's tiresome for a 170 pounder to move a big 220 or 230 pounder all night long, but we are just going to have to get in good enough condition that we can do it," he told Tiger fans.

Hollis coach Larry Taylor, who scouted the Wellington-Seymour scrimmage, said the Skyroockets "looked outstanding against Seymour."

Back at Hollis quarterback position is Gary Jones, 6'4" and 185 pounder. About the same size is linebacker-offensive end Floyd Rogers. This boy had a cornea transplant on one eye and was out for part of the 1975 season.

Hollis is running a similar offense to last year, the I

formation, with a 5-man front on defense.

"As far as I can tell, they look real strong, with a lot of height. For us to win, we are going to have to play outstanding ball for our first game," Coach Williams declared.

The Skyroockets have come out of two scrimmages with no injuries. "We are fortunate. We are going into the season in good physical shape," their coach feels.

Coach Williams also announced his starting lineup: left end, Tony Martinez; left tackle, Allen Sanders; left guard, Don Allred; center, Cliff Penno; right guard, Danny Morris; right tackle, Richard Garcia; right end, Joe

Baumgardner; quarterback, Shane Tarver; left half, Dan Ford, fullback, Jessie Davis; and right half, George Darton. Arnie Ingram, halfback and Ricky Jones, fullback, will alternate with the starters.

Garcia, now in right tackle position, came off the B team. A sophomore, he is one of the youngest starters on offense. He is about 6'2" and weighs 194 going into this week's game.

"He is doing a pretty good job and we're counting on him to come through for us on the tackle position," Williams said.

"Ingram and Ford both had knee surgery, but they seem to come along OK," according to

Open Abra FM Bids Sept. 22

Acceptance of sealed proposals for constructing 6.034 miles of surfaced FM highway in the northwest corner of the county was announced this week by the State Department of Highways and Public Transportation.

The bids will be opened Wednesday, September 22, at 9:00 a.m. in the office of the State Department of Highways and Public Transportation in Austin, according to O.V. Johnson, resident engineer. Plans and specifications are available in his office.

Completion of this will close the last remaining unpaved gap in FM 3143 between the Abra community and the Donley County line. At that point it will connect with another FM highway leading into McLean.

It will, residents in the northwest part of the county remind, give a direct paved route from McLean to Dodson. For Wellington area residents, it will cut a few miles off the drive to Pampa, Borger and

points beyond that. This road, constructed in stages over a period of years, has been of untold benefit to ranchers of that area in their livestock operations.

It also opens up one of the more scenic parts of the county. Prior to the start of the paving program, few except those living in the area ever traveled the rough dirt roads.

Horace W. Clay Dies Wednesday Of Long Illness

Horace W. Clay, 65, died Wednesday, August 25, at 9:50 p.m. in Collingsworth General Hospital after a long illness. He had lived in Thomas Nursing Center a number of months. The family home is 1725 East Avenue.

Mr. Clay farmed in the Quail area for many years, where he was active in community life. He was then employed by the Wellington School System until his health failed and he retired.

He came to Quail with his family in 1918, from Palo Pinto County, where he was born November 4, 1910. He was the son of the late T.M. and Katie Dodson Clay.

Mr. Clay attended school in the Ring Community. On October 18, 1935, he was married to Maude Sexton, of the Ring Community, at Hedley. They lived at Ring and Buck Creek. He was a member of the Baptist Church.

Funeral services were conducted in First Baptist Church at 10:00 a.m. Saturday, August 28. Officiating was the Rev. Elvis Pitts of Lubbock, a former Quail and Wellington pastor. Burial was in North Fairview Cemetery under the direction of Kelsey Funeral Home.

Pall bearers were Palo F. Cummings, Bill Lowe, Albert Fulcher, Raymond Hodges, Tommy Thomas and Donald Langley.

Honorary pall bearers were Dalton Vaughan, Dick Campbell, R.F. Harris, J.F. Isaacs, Palo C. Cummings, and A.B. Boyett.

Bicentennial Parade to Open 1976 Fair

The bicentennial parade, marching on the square at 11:00 a.m. Friday, September 10, will open the 1976 edition of the Collingsworth County Fair.

Indications are this will be one of the largest parades ever seen here, according to Mrs.

Edd Henard, who with Mr. Henard is co-chairman.

There are still places for anyone who wants to participate, and every business and organization is urged to have an entry.

Those in charge of the various parade divisions were announced, and Mrs. Henard reminded that all entries must be registered at the Chamber of Commerce and receive a number. Only those entries with numbers will be judged. A description of each float must be left at the Chamber office when it is registered.

Richard Nall will be the parade announcer and narrator. After the parade, floats will be parked on the square, so that fair visitors may enjoy them through the day.

An overall winner from all categories will be named, and first, second and third place will be named in each division. Out of town judges will select

the winners.

Categories and those in charge were announced by Mrs. Henard.

Leading the parade will be the Wellington fire trucks—the most modern in the department and the antique La France, bought in 1928 and

County Farmer, C. L. Moody, 55, Dies Thursday

Conley Lee Moody, 55, who lived one-fourth mile west of Wellington, died in Collingsworth General Hospital at 1:06 a.m. Thursday, August 26, a few hours after he was admitted for treatment.

He had been hospitalized earlier for several days.

A farmer here all his adult life, Mr. Moody had lived in Collingsworth County since early childhood. He attended Wellington Schools.

Born April 11, 1921, in Parker County, he was the son of the late Mr. and Mrs. W.H. Moody.

He was a veteran of World War II. Mr. Moody was married to Miss Lorene Young on October 12, 1940, in Wellington.

Funeral services were conducted at First Baptist Church at 2:00 p.m. Saturday, August 28, with the Rev. Murry Brewer of Lubbock

now superannuated to representing the department in such events as the parade. Fire Chief David Peters is in charge.

Flag bearers will be the parade marshals, Mr. and Mrs. Henard.

That Skyrocket Band, with its guest director, Ray Robbins, director of the Phillips Blackhawk Band for 22 years, now retired, and filling in with the Skyroockets during the illness of director Garry Bowen.

There will be bicycles in two categories, the children's division, many of them elaborately decorated, under the direction of Mrs. Farris Wood, and the adult section, headed by Mrs. Albert Fulcher.

Immediately behind the bicycles will come the motorcycles from Wellington Cycle Club, with members wearing their red and white

vests. John Alf Thomas is director.

The newly-elected Collingsworth County Centennial Queen, Linda Coffee, will ride in a car especially decorated for her. A freshman in Abilene Christian University, she will return to take part in the parade.

Band Director Fund Set Up

The Band Boosters Club has set up a special account at Wellington State Bank for the benefit of Band Director Garry Bowen, who underwent kidney surgery in Amarillo this week.

Jerry Nix, Band Booster president, said donations may be made at the bank, or if anyone wishes to call him, he will pick up the money.

Miss Pearl: Going Strong at 86

Miss Pearl Strong of Abra community celebrated her 86th birthday Friday, August 27. For 84 of those years, she has lived on the same farm, since 1892 when her father, the late G.H. Strong, homesteaded there.

A highlight of the birthday was a party given by Mrs. Rudie Tate and her mother, Mrs. W.R. Breeding, in the Tate home. This was to have been a surprise until someone suggested that the energetic and lively honoree might have other plans for the afternoon.

Miss Strong lives much in the present, reading her newspaper every day. Neighbors, however, know of her vast reservoir of memories and her clear precise mind that enables her to give great amounts of early Collingsworth history accurately and in detail.

Within the last year, when Mrs. Clyde Magee of McLean wrote the history of the Enterprise School, she had Miss Strong's help in remembering many happen-

ings, and in checking the accuracy of others.

The birthday party was a time to draw out some of these memories.

Her parents brought their family from Denton County, where so many other people here have their roots. They came in a covered wagon.

But they were not the first of the family to come. Miss Strong's grandfather, Ralph Byrum arrived in 1889. By 1901, he had moved to Hutchinson County.

As late as 1894-95, people came through in wagons drawn by oxen. But these were transients, on their way to New Mexico seeking land, Miss Strong points out.

Mr. Strong was one of the early wheat growers. He found he could make as much profit again from his crop if he hauled his grain to Quanah, a 6-day round trip, had it ground into flour, then made the long haul back. He sold it to neighbors and the big ranches. She recalls the Rowe

Stock Show Will Be Held September 11

The livestock show division of the Collingsworth County Fair will be held Saturday, September 11, at the Youth Project Show Barn, according to Billy Moseley, chairman.

There will be the beef cattle show at 9:00 a.m., the baby or small animal show at 11:00 and the horse show, with halter class only, at 2:00 p.m.

On Sunday, September 5, at 2:00 p.m. Mr. and Mrs. A.B. Dean will hold a work session with all the boys and girls who want to show a horse. They are to bring their horses to the session.

Mr. and Mrs. Dean will show them what they need to be able to do with their mounts at the show, how to show a horse and what the judges will look for.

"We're excited about this pre-horse show schooling," declared Mr. Moseley.

Any kind of horse may be entered, from plow horse to registered animal. "There is a

place for all breeds," Mr. Moseley said.

Beef animals must be in place by 9:00 a.m. and remain until released by the chairman.

There will be beef calves, both European and other breeds, beef heifers and beef bulls.

Carnival Begins Week's Run Mon.

Collingsworth County Fair Week opens in Wellington Monday, September 6, when Jest Brothers Amusement Co. turns on the lights and starts the music to its carnival.

A change in location of the carnival was announced by the Chamber of Commerce.

It will be on lots one block west of the city water tower and city shops, northwest of

the square, according to Mrs. Margaret Vines, secretary.

There will be two new rides, both of which have been highly popular with teenagers in other towns, Mrs. Vines said. In addition, the long-time favorites, all in prime condition, will be here again.

The rides will be open each evening, Monday through Saturday of Fair Week, about dark.

Fair Agriculture Entries Announced

Crops that are the pride of Collingsworth will be on exhibit at the county fair Friday and Saturday, September 10 and 11.

Chairmen of the agricultural and horticultural crops are County Agent Don Reeves and Tim Detweiler, farm research assistant for the Northwest Texas Research-Demonstration program.

Exhibits will be in Bura Handley Community center. Community exhibits are open to all rural communities, and applications for a booth must be made with one of the chairmen by Tuesday, September 7.

Booths must be set up by 5:00 p.m. Thursday, Sept. 9 and remain until 5:00 p.m. Saturday, Sept. 11. Judging will be after 7:00 p.m. Thursday.

Those in charge of booths may replace products after the judging. The building will be open to the public at 11:00 a.m. Friday.

Each entry must have been grown in 1976 by members of the community represented.

Each booth must have 20 of the products listed in the various classes below, in the quantity specified.

Booths will be scored on neatness, attractiveness and arrangements, and their products will be judged on quality, maturity, preparation, purity as to variety and uniformity.

There will be an open division displaying the same products as the community booths.

Any predominant crop grown in the county not listed in Class 1 through 7 may be used in the booth exhibits, but not in the individual competition.

First through third place ribbons will be given.

AGRICULTURAL CROPS

Class 1: 10 heads or ears of open or closed head milo hybrids, any other variety milo, kaffir, yellow or white corn.

Class 2: grains and seeds, one-half gallon, of any variety of wheat, oats, rye, and barley, also milo hybrids, any other variety milo, kaffir, hegari, Spanish peanuts, cream peas, blackeyed peas, any other variety peas, pinto beans, any other variety beans, common sudan, any variety sweet sorghum, alfalfa, millet, any variety guar, any variety clover, sorghum alnum, soybeans and sunflowers.

Class 3: grass seed, one pound: weeping love, sand love, side oats gamma, sudan, sand bluestem, Indian or any other.

Class 4: sheaf forage bundles: samples must be 3 inches in diameter at center and 18 to 48 inches or more in length: millet, alfalfa, sudan, clover, sorghum alnum, or any variety sorghum.

Grasses: sand love, weeping love, Indian, Sand bluestem, switch, side oats gamma, little bluestem, or any other variety.

Cotton: 20 bolls or three pounds of picked cotton.

Fruits (5 each): apples, pears, grapes and peaches.

Vegetables: one cashew; 6 of okra, onions, ears of corn,

porter tomatoes, or other tomatoes; three cantalopes; one watermelon; three summer squash; one pie pumpkin; 12 Irish potatoes, 12 sweet potatoes; three green cucumbers; one winter squash; one field pumpkin; 6 hot peppers; three sweet peppers; one other type melon; greenbeans of any variety; and three eggplants.

#2—continued from page 1 business houses and institutions will follow the Queen. Chairman is Mrs. Richard Nall. Behind this will be the Commercial entries -- not floats, necessarily, but newest models machinery and equipment, or other similar entries. This will be judged separately from the commercial floats.

The fleet of vehicles from the Collingsworth Volunteer Ambulance Service will pass in review.

Dealers will exhibit a variety of models of cars.

Youth organizations will be directed by Mrs. Willie Gragson. This will include entries from Ko Shari, Junior Federated Club Affiliate, Girl Scouts, Boy Scouts and Cubs, Cheerleaders, and as many other youth organizations as may wish to enter.

There will be a section for equipment.

Billy Henard will be in charge of the horses and their riders, always an attention-stealer in the parade.

Finally, there will be a section of miscellaneous entries—for no matter how unusual or far out one may be, there is a place for it in the big Collingsworth County Parade.

The parade route was outlined:

It will start at the post office, proceed to the southwest corner of the square, turn right along the south side to the southeast corner, turn left to the northeast corner, again left to the northwest corner, and south along the west side of the square to the southwest corner.

From here, the parade will travel one block west, then south to the end of the parade, and back to the southwest corner of the square. From here it will travel along the south side to the southeast corner of the square, make a right turn south and disband one block off the square.

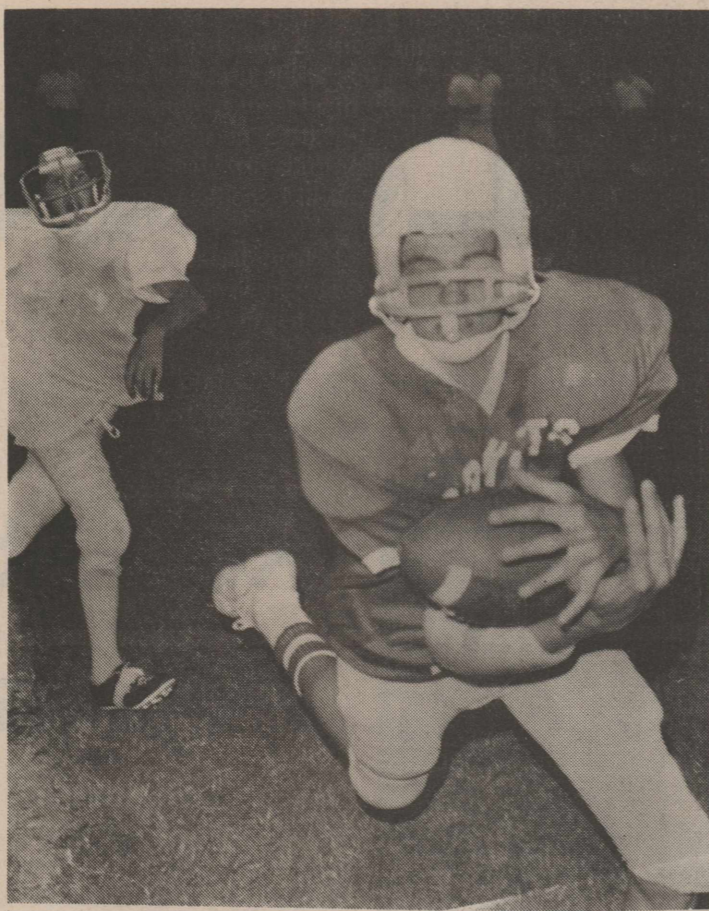

If anyone is in doubt about the route, he should follow the parade marshals, Mrs. Henard reminded.

#4—continued from page 1 officiating. Burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Pall bearers were Ronny O'Rear, William O'Rear, Billy Langford, C.L. Watts, David Peters and Duggie Jameson.

Survivors are his widow, Mrs. Lorene Moody; two daughters, Mrs. Rita Green of Wellington and Mrs. Delores Ann McWhorter of Memphis;

two sons, Kenneth Lee Moody of Ft. Worth and Ernest Eugene Moody of Wellington; a sister and brother, Mrs. Viola Colson and Waymon Moody of Wellington and three granddaughters.

Williams. "They run real well and they have been in a lot of contact and have been pretty well tested."

Pennon, who started on defense last year, has been moved to offensive center.

"This first game is a real good test, for Hollis is a good team. We want to get rolling on this first one. It means a lot. We went out of the season losing last year (in Bi-district) and we want to get back on the winning track," said Coach Williams.

#3—continued from page 1

Any pet except a snake or dangerous animal may be in the Pet Show, which starts at 11:00 a.m. Animals must be in their container or on leash.

The horse show will start at 2:00 p.m. No stallions will be allowed.

"You are encouraged to enter your horse whether it is registered or not," urged Mr. Moseley.

Complete plans will be announced next week.

Ranch, to the west in Donley County, would send over for 500 pounds at a time, ten

50-pound sacks. Then there was the time Wellington ran out of flour.

E.T. O'Neil owned the general mercantile and was trying to find a source. L. A. Stall said he's seen Mr. Strong going south with a load of wheat. They waited for his return.

Mr. O'Neil offered to buy flour, or even to borrow some, said Miss Strong. The sale was made, Mr. Strong adding that when he ran out he'd just take another load to Quanah.

Miss Strong was along when her father started to Memphis with another load, last of the season. Now everyone who crossed Salt Fork knew about quick sand and risked being caught in it.

The Strongs were almost across. The team and front wheels were on solid ground, when the back wheels suddenly dropped. The entire load of wheat poured out in the river as the horses struggled to pull the wagon free.

Sometimes she, herself, was caught in the quicksand while riding horseback. She simply shrugs this off.

Big cattle drives still came through during her childhood.

One herd of several thousand came from the west en route to the Rocking Chair Rancho. At the Strong's gate,

the cowboys slowed the cattle to count them as they went through. It took three or four hours for them to pass, and when the last one was counted, cattle, walking two to four abreast, were in a line stretching for two miles.

The first time Miss Strong came to Wellington there were two stores. She came in 1904 to attend school, boarding with Mrs. D.M. Henard. She had previously gone to school at Enterprise. There are many lively memories of this period... "when Kate Cockerell had the child almost out by the time someone could run to town for her father)... and again when Dr. S.A. Street, driving his 'little red racer', lost control and drove through the fence into the family garden. The machine bogged down and friends had to help him dig it out.

Preaching was important in the lives of these early settlers. Ministers of all denominations were welcome and everybody went to hear them.

The first Sunday school was at Dozier, with Mrs. Claude Caperton, T.B. Starkey, Mrs. Sam Norwood and Mrs. John Coleman (mother of the Coleman brothers) as teachers. This was about 1898.

Later, they went to Sunday School at Lake Creek until the Methodists built their church at Dozier. There were many young people in the community. Dances and picnics provided fun.

Since the death of her brother, C.E. Strong, Miss Strong has lived alone.

She milks her cow, looks after a few chickens, and checks her windmill every day.

She walks a round trip of one mile to get her mail. She regrets she can no longer walk a mile in 15 minutes. It was just a few years ago she quit driving her car.

Neighbors who came to share her birthday were Mrs. Wood Coleman, Mrs. Pat Bradley, Mrs. Tommy Tate, Mrs. James Martindale, Mrs. Noble Elder, Mrs. Donald Coleman, Mrs. Troy Gene Thomason, Mrs. Noah Stice, Mrs. Larry Waters, Mrs. Wayne Laycock, Mrs. Lois Jones, Mrs. Jennie Montgomery, Mrs. Jesse Coleman, Mrs. Clyde Magee, Mrs. Mary Dwyer, Mrs. Frances Noel Kennedy, Mr. and Mrs. Tate and sons Stan and Lynn, and Mr. and Mrs. Breeding.

CITY STATE BANK

Oliver Wendell Holmes, one of America's top jurists, was something of a philosopher. He said, "Put not your trust in money, but put your money in trust," and this bit of philosophy lends itself to various interpretations.

As a banker, I agree and disagree with him. Our banking system is one of the most secure in the world, and our monetary system one of the most stable. You can put your trust in our money. You, also, should put your money in trust, and a bank savings account is an excellent place to begin.

Savings earn interest, and the longer they remain, the more interest you'll accumulate. Having a financial cushion to fall back on is security.

Save something, even a small amount, regularly. Mail in your deposits if that helps, but do it! You can only help yourself.

Family Night Planned by Rebekah Lodge September 6

The Rebekah Lodge family night will be held Monday, September 6, in the Fellowship Hall of Trinity United Methodist Church. Starting time is 7:30 p.m.

All Rebekahs, Oddfellows and their families, as well as any other interested person, is invited to attend.

Plans for this were made in the regular meeting Monday evening, August 30.

Mrs. Mae Rogers, noble grand, presided. Reports revealed that 21 dishes of food were taken to sick members

and friends and 17 sick visits were made by members.

A card from the state president of the Rebekah Assembly, Mrs. Zora Peddy-cord of Houston, was read in which she thanked the Wellington Lodge for its part in her official visit to District 6.

Members present were Mr. and Mrs. Rob Isbell, Mrs. Mike Burkhalter, Mrs. J.W. Tatum, Mrs. Rogers, Mrs. Beatrice West, Mr. and Mrs. Emmitt Ware, Mrs. P.E. Lowrie, Mrs. Mae Wadley and Mrs. Jack Clinksale.

White New "Un-color" Choice When Remodeling Kitchens

White is the up-and-coming "un-color" choice—followed closely by a new chocolate brown—for kitchen remodeling, Mrs. Janice Carberry, a family resource management specialist, reports.

"One reason for white taking top spot in appliance color choice may be for its economy—white appliances offer greater decorating possibilities without having to replace the appliances," she added.

Mrs. Carberry is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Housewares manufacturers, who rate the most popular colors, say that avocado continues to lose favor in both kitchen and bath. Based on 1975 buying preferences, gold and harvest gold ranked first, and yellow second for 1976.

"While white and brown were listed third and fourth for this year, both have increased and are predicted to soar in popularity for kitchen color preferences," she reported.

Since the late 1920's when color first came to the kitchen in major home appliances,

different colors have taken turns in the kitchen top spot. Most common colors have been classic white, sunny reds and yellows, turquoise and copper tone, and recent favorites were avocado and harvest gold, she noted.

How Old Are You?

People can contribute to a good emotional state during middle and old age by developing the ability to meet change and adjust to it well before they reach that stage, Mrs. Vivian Blair, family life education-aging specialist, says.

"How do you react to the question 'How old are you?' Your own reaction, if you are past 35, will tell you much about yourself and what is in store for you as you grow older," she added.

Mrs. Blair is with the Texas Agricultural Extension Service, The Texas A&M University System.

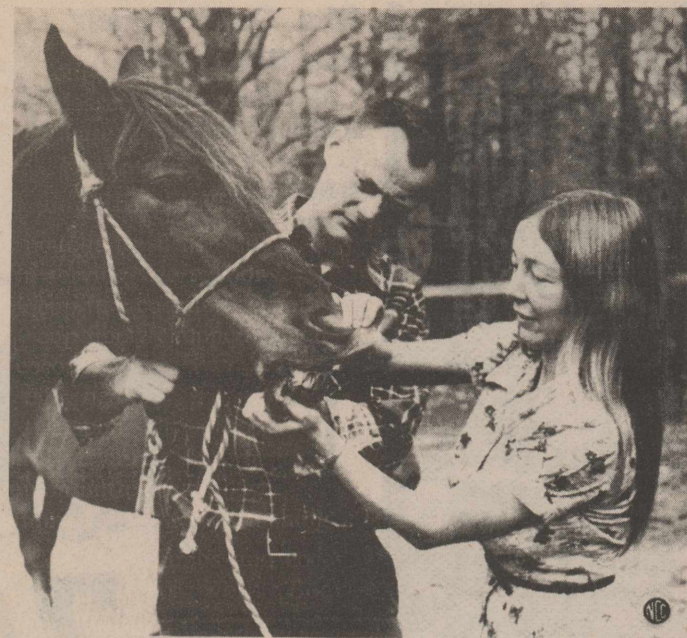

"Middle and old age bring on change in personal life as well as physical change. Since these changes are not familiar, it is natural to be anxious about them.

"How you accept and adjust to change at other phases of life indicates how you will probably accept and adjust to the changes of middle and old age," she continued.

If you complain, protest and feel sorry for yourself, you can expect to see that same pattern appear when the inevitable changes of middle and old age occur, she said.

"The attitude we bring with us to this phase of life largely determines our condition at this time," she said.

LOOKING GIFT HORSE IN THE MOUTH? — Not really. Debbie King is checking on the animal's health so she can give some advice to horse owner Wayne Winslow, Chester, Conn., on correct feed rations. It's just one of her everyday duties as the first woman county agricultural agent in the state of Connecticut. The 25-year-old Debbie is one of 28 women in the United States now employed as farm agents by state Extension Services.

Fish With Tropic Flavor Helps Texans Beat the Heat

AUSTIN -- Summer cooks who don't want to heat up their kitchens will like a quick fish recipe with a tang of the tropics. The seafood marketing section of the Texas Parks and Wildlife Department recommends fillets coated with coconut, served with a cool, delightful garnish of fresh fruits.

For this recipe use fresh fillets of your favorite Gulf fin fish and enjoy a treat that is high in protein and low in saturated fats and calories. Cooking time is minimal, and the garnish is appetizing and nutritious.

A lemon butter sauce tops the fillets. Because most foods served in the tropics typically are fresh and uncooked, you can prepare a platter of sliced tomatoes, cucumbers and other relishes instead of a cooked vegetable. The need for a salad then is eliminated and only hot rolls are added. For dessert, sherbert or ice cream are a compatible finale.

CRISPY COCONUT FRIED FILLETS

2 pounds fresh fish fillets, cut in serving-size portions
 ¼ cup fine cornflake crumbs
 ¼ cup finely chopped flaked coconut
 1 egg, beaten
 1 teaspoon salt
 oil for frying
 lemon butter sauce
 summer fruits for garnishing

Combine crumbs and coconut and mix well. Beat

together egg, one tablespoon water and salt. Dip fillets into egg mixture. Drain and coat evenly with crumb mixture. Fry in single layers in large frying pan over moderate heat for five minutes each side, turning carefully, or until fish flakes easily when tested with a fork. Serve with lemon butter sauce. Garnish with summer fruits. Makes six servings.

LEMON BUTTER SAUCE

½ cup margarine
 2 tablespoons lemon juice
 2 tablespoons chopped parsley
 1½ teaspoons sugar
 1/8 teaspoon pepper

In a small saucepan, melt margarine and add remaining ingredients. Place over low heat and warm throughout. Serve over fish. Makes ¾ cup sauce.

WINE AND DINE

More and more Texans soon should be having success fishing for walleye, stocked in many state lakes by the Parks and Wildlife Department. The P&WD reports it to be excellent eating, and suggests this recipe with a gourmet flourish:

Several walleye fillets
 1 cup condensed celery soup
 ¼ cup cream
 ¼ cup cooking sherry
 grated parmesan cheese
 salt and pepper

Dip fillets in melted butter and season to taste with salt and

Miss Morrison, Lynn Fulcher Marry in Simple Ceremony

Christina Morrison and Lynn Fulcher were married in the home of the Reverend and Mrs. Darrell Feemster at Quail Friday, August 27.

Only members of their families and close friends attended.

The Rev. Mr. Feemster officiated at one-thirty in the afternoon.

The bride is the daughter of Mr. and Mrs. Clyde Ingram, while the bridegroom's parents are Mr. and Mrs. Albert Fulcher.

For the ceremony, the bride wore a floor-length gown of white satin-back crepe in empire design, with lace edging the low rounded neck. The Camelot sleeves were of organza embroidered in a lily-of-the-valley motif. Her picture hat was of the same sheer material. Lace and stephanotis accented the brim.

District 4-H Record Book Judging Nets Blue Ribbons

Winners of the 4-H record books entered in District I competition were announced this week by County Extension Agents Don Reeves and Anita Blanton. Judging took place Tuesday, August 17th, in Amarillo.

Collingsworth County can be proud of the showing made by our Junior 4-H'er in this competition. District winners for the record book judging are: Jennifer Pendleton, Clothing; Renee Lacy, Foods

& Nutrition; Leigh Myrick, Horse; and Melanie Pendleton, Recreation. "These 4-H'ers worked hours to produce these quality record books. We are proud of each one of them for a job well done," said the County Agents.

To remove the stale odor of cigarettes and ashes from the vacuum cleaner, spray the inside of a new bag with disinfectant, or saturate a piece of cotton with your favorite cologne and place inside the bag, suggests Mrs. Linda McCormack, a family resource management specialist with the Texas Agricultural Extension Service.

State Rebekah President Visits District 6 Lodges

Mrs. Zora Piddycard of Houston, president of the Rebekah Assembly of Texas, paid her official visit to District 6 in a meeting held at Childress Tuesday, August 24. She was accompanied by Willie Garth, assistant Marshall, of Houston.

All chapters of the district were represented, including those at Clarendon, Childress, Memphis, Shamrock and Wellington. Visitors attended from Quanah.

Wellington members assisted with the opening of the lodge: Mrs. P.E. Lowrie, conductress; Mrs. J.W. Tatum, warder; Mrs. Rob Isbell, assistant musician. Mrs. Louise Burrell of Shamrock was musician; Mrs. Ima Lee Beasley, conductor for introduction, Marguerite Smith, Memphis, assistant chaplain; Mrs. Garth, Houston, assistant marshal and Nellie Evans of Childress, District deputy of District 6.

In the altar service which followed, Clo Rogers, Mem-

phis, chaplain, was assisted by her honor guards, Marguerite Smith and Estelle Barber, and by Dorothy Gurley and Mrs. Yarbrough of Memphis. Mrs. Isbell, musician, played "Love is the Theme," the president's theme song.

Mrs. Isbell was introduced as deputy from the Wellington lodge and also a member of the state president's award committee. Other lodge deputies were Mrs. Rogers, Mrs. Fredia Miller of Childress and Mrs. Burrell.

Mrs. Piddycard was the guest speaker during the program, which climaxed the meeting. Mrs. Isbell gave the welcome address, Marguerite Smith played the president's song, "I'd Like to Teach the World to Love," and gifts were presented the state president from each lodge.

The meeting closed with members, grouped around the altar singing, "An Evening Prayer."

A salad supper was served.

Mrs. Long Honored Sat.

Mrs. Benson Long was honored with a baby shower Saturday, August 28 in the Heritage Room.

The serving table was covered with an ABC cloth centered with a bassinet holding yellow and white daisies. Crystal appointments were used.

Hostesses for the event were Mrs. Mark Fires, Mrs. Ralph Owens, Mrs. Ronnie O'Rear, Mrs. Auther Jones, Mrs. Mike Rainey and Mrs. Jesse Hernandez.

Approximately thirty-five guests called between the hours of 3:00 and 5:00 p.m.

Sid Bells Host Family

Guests of Mr. and Mrs. Sid Bell over the weekend were Mr. and Mrs. John Pickett of Cisco and Mr. and Mrs. Billy Seale and Darla of Vega, Mr. and Mrs. Tim Rogers of Cassady, Kansas.

Joining them to complete the family gathering were Mr. and Mrs. Bud Seale, with Randy and Margaret, Mr. and Mrs. Lonnie Needham, Jr., with their Lonnie and Sammy, Mr. and Mrs. Dale Bast and Stevie, Mr. and Mrs. L.P. Tow, E.B. Seale, Mrs. Vera Tow, and Billy Duckworth of Hamlin.

Carroll Daves Buys Busy Bees

Announcement was made this week that Carroll Daves has bought Busy Bee Flowers from Mrs. John Barton of Dodson and her sister, Miss Mary Bearden.

Miss Bearden will remain with the business as manager. A remodeling and facelift of the building, and restocking of many items, is scheduled within the immediate future, Mr. Daves said.

The shop will specialize in pot plants and hanging baskets in original designs, although Busy Bee will continue to handle a complete line of cut flowers for all occasions—weddings, parties, anniversaries and funerals.

In addition to the experience Miss Bearden gained as a partner in the business, she also was associated with Mrs. Hubert Bowen in operation of Corky's Flower Shop, and she has studied flower design in Las Vegas, Nevada.

Band Director Has Surgery

Garry Bowen, director of Wellington School bands, underwent surgery for the removal of his left kidney Monday morning, August 30. He is in St. Anthony's Hospital, Amarillo.

Substituting for him is Ray Robbins, former Phillips band director, now retired and living in Amarillo, Supt. E.W. Clement announced.

Mr. Robbins was at Phillips 22 years and had a sweepstakes band 21 of those years.

"He will help us until Garry is able to come back, and the regular band schedule will be carried out," said Mr. Clement.

Mr. Bowen, who was not feeling well, checked with his family physician at Dumas, his former home, on Wednesday, August 25. He was hospitalized immediately and transferred to Amarillo Thursday. Mrs. Bowen is with her husband.

Last year, six million leather garments were produced in the U.S. at a retail value of

\$460 million. Menswear accounted for 65 per cent of this production, reports Beverly

Rhoades, clothing specialist with the Texas Agricultural Extension Service.

Mrs. Willoughby Dies August 18

Funeral services for a former Wellington woman, Mrs. Homer Willoughby of Greenville, were conducted at Reavlon Baptist Church Saturday, August 21, at 11:00 a.m. Rev. Howard Jones and Rev. Arthur Brooks officiated.

Burial was at the family plot of Sunny Side Cemetery at Savoy. Grandsons were pall bearers and members of the Ector Masonic Lodge were honorary pall bearers.

Mrs. Willoughby died August 18 in a Greenville hospital.

The former Brazoria Ellen Deshane, she was born July 4, 1891 at Ector, the daughter of Will and Mary Ellen Bell Deshane. She and Mr. Willoughby were married Nov. 22, 1909 and came to Collingsworth County in 1916, along with an uncle and aunt, Mr. and Mrs. J.B. Long.

She was a Baptist. Survivors are her husband of 909 Wolfe City Drive, Greenville; two sons, Robert Willoughby of Uvalde and Joe Willoughby of Amarillo; three daughters, Mrs. Margret Daum of Greenville, Mrs. H.L. Lowden (Ruth) of Dallas, and Mrs. J.B. Porter (Eda Earl) of Oklahoma City. Two sons preceded her in death.

Cousins still living here are Mrs. H.C. Templeton, Mrs. C.W. Caison, Mrs. O.C. Cook and Ralph Long.

There are more than 13 million living veterans of World War II at an average age of 57, the Veterans Administration reports.

Remember the ill-fated BRAVO cigarettes? These were the non-tobacco cigarettes made in Hereford from lettuce leaves. That scheme didn't work, although the idea had a tremendous amount of merit. Now, Cleanese Corporation is marketing a cellulose mixture to European cigarette makers. The cigarette supplement is called Cytrel and Celanese has been working for 18 years to develop it for commercial application at a developmental cost of \$18 million. Cytrel and a British compound, "NSM" are mixed with tobacco in order to reduce tar and nicotine without eliminating the taste. The usual mixture is 80% tobacco and 20% supplement.

The big market for the "false fags", as the British call them is England where there are 22 million smokers who consume 138 billion cigarettes a year, despite a strong government campaign against smoking. Eventually, all smokers everywhere will be the target.

Courtaulds, an English textile manufacturing giant gave up on its attempt to produce a synthetic compound because it would have had to bet another \$5 million on top of almost \$2 million already

Ray Nulls Vacation Thru Nine States

Nine states were visited by Mr. and Mrs. Ray Null, David Null and Mrs. Bill Adams and Kip of Albuquerque, New Mexico, on their vacation.

Grand Canyon was one of the first points of interest on their itinerary. In Lemon Grove, California they visited Rev. and Mrs. Fred Null and Mr. and Mrs. Ernest Lund were their hosts in Port Orchard, Washington. Mrs. Lund is a sister of Mr. Null and Rev. Null is his brother.

spent to develop the compound. It took ten years for Courtaulds to come up with the right formula for a tobacco additive which they later dropped.

A major portion of any money spent to develop a suitable tobacco substitute or additive is the cost of testing on rats, mice, dogs, and humans. Literally millions of dollars are necessary to thoroughly document the various tests in order to prove that they are no cancer producing agents. Tests with "NSM" indicate that there is less risk of getting cancer from the tobacco supplements and substitutes than there is from tobacco. But millions of additional dollars will have to be spent before the British government appointed Independent Scientific Committee on Smoking and Health will make a final ruling on the acceptability of the substitute compounds. Without a favorable ruling from that group, none of the European countries including Great Britain will permit the "false fags" to be sold.

District Court of Collingsworth County at the Court House thereof, in Wellington, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 13th day of September A.D. 1976, then and there to answer Plaintiff's Petition filed in said Court, on the 2nd day of August A.D. 1976, in this cause, numbered 4860 on the docket of said court and styled John H. Harris Plaintiff, vs. Sherryl Harris

PUBLIC NOTICE

NOTICE OF BOARD OF EQUALIZATION FOR WELLINGTON INDEPENDENT SCHOOL DISTRICT

In obedience to an order of the Board of Equalization of the Wellington Independent School District, convened and sitting, notice is hereby given that the said board of equalization will be in session Wednesday, Sept. 8, 1976, in the Wellington School Tax Office, High School Building, 812 15th Street, Wellington, Texas.

The board will be in session from 9:00 a.m. to 12:00 noon, and 1:00 to 5:00 p.m., for the purpose of determining, fixing and equalizing the value of any and all real and personal taxable property situated in the Wellington Independent School District, until such values have finally been determined for taxable purposes for the year 1976, and any and all persons interested or having business with said board are hereby notified to be present.

Gospel Singers to Convene at Dodson

Dodson Church of the Nazarene will host a singing convention Sunday, September 5, starting at 2:00 p.m.

Featured on this gospel music program will be not only congregational singing, but quartets, trios, duets and other special numbers from near-by towns, according to Mrs. Roy Tisdale, who is helping with arrangements.

The singing will be approximately two hours in length.

Singers from all area towns are expected: Childress, Hollis, Quanah, Kirkland, Childress, Wellington, Wheeler and others, Mrs. Tisdale said.

"Everyone who likes to hear good gospel singing is invited," she added.

Dodson singers are affiliating with the Oklahoma-Texas Singing Association, made up of gospel singers from approximately 15 counties in the two states.

There will be a singing convention at the Dodson Church of the Nazarene on the first Sunday of each month, from 2:00 to 4:00 p.m.

Officers for the Dodson group will be elected during the singing Sunday. Arnice Lewis, choir director of the church, is due to be in charge.

Fair Art Exhibit Plans Announced

"All county residents who are artists, both past and present, are invited to bring their art work to this year's Bicentennial Collingsworth County Fair," Mr. and Mrs. Kenneth Porter, co-chairmen, announced this week.

Mrs. Phil Cates of Shamrock will be the art division judge.

One change in rules will extend the entry time, Mr. Porter said. Paintings may be brought to Bura Handley Community Center from 9:00

a.m. to 4:00 p.m. on Thursday, September 9. Paintings will be picked up no earlier than 5:00 p.m. Saturday, September 11.

"We especially want to invite all of the county schools to participate," stated Mr. Porter. "All medias are eligible for entry and all paintings must be ready to hang. This includes drawings and water colors."

A related story will be found on another page of this issue.

Nazarene Revival Opens Here Sunday

Revival services at First Church of the Nazarene will open Sunday, September 5, and continue through the following Sunday, September 12.

The services will begin at 7:00 p.m. each evening.

The Rev. Mrs. Dolores Melvin of Greenup, Kentucky, will be the evangelist and will also give special vocal selections at each service, according to the Rev. Johnny Harrison, pastor.

"She is now devoting her full time to itinerant evangelism in the Church of the Nazarene with international headquarters in Kansas City, Mo.," said Rev. Harrison. "Mrs. Melvin was converted in 1959, sanctified two months later, and received a definite call to preach God's word."

For four and one-half years, she was pastor of the Church

REV. DELORES MELVIN of the Nazarene in Kehoe and Argillite, Ky. She is the wife of Ray Melvin and they have two children. The public is invited to these services, said the pastor.

Rocket B and Wheeler Game Is Cancelled

The game between the Skyrocket B team and the Wheeler Mustangs, scheduled for Thursday, September 2, has been cancelled by Wheeler.

Head Coach James Williams said that after the scrimmage with Wellington Saturday evening, August 28, Wheeler coaches felt they did not have a sufficient number of players to play a matched game.

The game was to have been played at Wheeler.

MD Telethon Arrangements Announced

Labor Day weekend is the time for the Jerry Lewis Labor Day Telethon. This year, Ed Hale of 1401 Bowie, will be the coordinator for the Telethon Pledge Center.

"If you would like to make a pledge during the Telethon, call 447-2175 in Wellington and report it to me and I will see that all pledges are reported to KFDD-TV in Amarillo for the Wellington Tote Board," said Mr. Hale.

Headquarters will be at his home at 1401 Bowie Street, and calls may be made at any time September 4, 5, or 6.

Any child wishing to collect for dystrophy should come by 1401 Bowie and get a name tag which will identify that child as collecting for muscular dystrophy.

Tony Beckham, KBGH, will do live interviews from the headquarters from 4:00 to 5:30 p.m. Monday afternoon.

The Veterans Administration is the second largest federal agency in the number of employees, exceeded only by the Department of Defense.

Bicycle Division Rules Announced For Fair Parade

Rules of the bicycle division are basically the same this year with only one new rule introduced. Only children riders and bicycles are to be judged in their division. If any adult wishes to ride a bike with a child they will be placed in the adult bicycle division. Any child wishing to enter must call the Chamber of Commerce office, 447-5848, and come by the office to pick up a number. The deadline to enter is Thursday, September 9, 1976, at 5:00 p.m. All riders and bikes are to be at the Post Office on Friday, September 10, at 10:45.

If you have any questions to be answered you may call the Chamber of Commerce office or the bicycle division co-chairmen Mrs. Earl Bartlett, 447-2612 or Mrs. Tommy Powell, 447-2933.

Adult Leaders Needed in Cub Scout Program

Cub Pack No. 231 is now organizing for the 1976-77 school year, and more den mothers and fathers are needed.

Tommy Thomas, cubmaster, made this appeal as work got under way.

The cubbing program is for boys 9 through 11 years of age.

Parents of those boys or any other interested adult would be welcome into the program, he said.

Those interested should contact Mr. Thomas at his home or at Thomas Nursing Center.

The Veterans Administration medical budget is more than \$4 billion.

Skyrocket Boosters Set 150-Member Goal

Skyrocket Boosters Club has set a membership goal of 150, and indications are it will be filled by the week end, David Caison, president, has announced.

Approximately 125 have joined, including some family

groups, he said. Anyone interested in boosting the Skyrockets is invited, the president pointed out. Meetings are at 8:00 p.m. each Tuesday in the Farm Bureau Hospitality Room.

A feature of each meeting will be a film of the Skyrocket game for the preceding Friday and a discussion of the upcoming game. Coaches will be present to talk about the team or answer questions.

The film for the September 7 meeting will be the season's opener with Hollis Tigers.

N'wood Annual Staff Named

The Samnorwood annual staff has begun work on its 1977 yearbook, The Eagle. It is published by the senior class.

Editor is Bobby Myers, while Robert Cruz is co-editor. Staff members are the other seniors: Clinton Oldham, Clifford Oldham, Mabel Bryant, Gary Skinner and Mark Hill.

Other students who worked with them in selling advertising at Wellington Friday, August 27, were Mark Tarver, Donnie Ann Knoll, Lowry Schaub, DiAnna Schaub, Michael Bentley, Dale Turner and Orval Gowin.

their annual reunion.

D.C. Thomason was chosen vice-president and Mrs. Glenn (Gertrude) Elliott of Hollis secretary-treasurer. Mr. Thomason had completed two terms as president and Mrs. Elliott was re-elected. John Kizer was the retiring vice-president.

This reunion has been held annually for about 50 years, except for a few years during World War II.

Registration began at 10:00 a.m., followed by a program and the business meeting. Mrs. Ila Orr and Mrs. Jim Holder (Ellen Adkins) directed the program and entertain-

September 25 State Hunting, Fishing Day

AUSTIN -- September 25 has been set aside by Governor Dolph Briscoe as "Texas Hunting and Fishing Day" in recognition of the contributions state outdoorsmen make to conservation.

In his proclamation, Governor Briscoe cited Texas hunters and fishermen for their support of game restoration and law enforce-

ment through the purchase of hunting and fishing licenses. "...game animals such as deer, quail and turkeys now exist in greater numbers than ever during this century and...millions of acres of freshwater lakes now contain great populations of both native as well as introduced varieties of fishes," stated the Governor's proclamation.

ment.

Talks were given by Sterling Roddy of Grandfield, Esther Johnson of Mountain View, Mrs. Molly Ellis Felty of Hollis, Mrs. Georgia Owens of Dodson, Norma Ruth Holley Foreman of Austin and Pete Cunningham of Hollis.

Mrs. Kate Holder of Vallejo, Calif., received the gift for coming the greatest distance and Mrs. Allie Martin, 95, of Hollis was the oldest person present.

Mrs. Hardin was chosen the prettiest lady and Pete Cunningham the least beautiful man.

Approximately 90 persons attended.

The date of the 1977 reunion was set at the third Saturday in August at Lake Hall.

For Sixty-six Years a Builder in Collingsworth County

Wellington, Collingsworth County, Texas 79095 Thursday, September 2, 1976

972 Students in County Schools

The county's three schools opened the year with a total enrollment of 972, and principals are expecting a few late-comers to up the figure slightly.

Wellington lists 783 students, about the number when the 1975-76 year ended in May. The enrollment rose when workers who usually come during the fall and leave about Christmas chose to remain the full year.

Seventy students are en-

rolled in kindergarten, according to Bob Copeland, elementary principal. This figure is somewhat higher than pre-enrollment indicated.

Enrollment for other elementary grades are first, 62, second 67, third 67, fourth 61,

and fifth 47. The latter has been a small class from the time it started to school.

Junior High, with Charles Floyd as principal, has enrolled 208.

The High School enrollment is 202, according to Melvin

Cardwell, principal.

This is about the same enrollment as when school closed in May.

Quail School has enrolled 104 students, an increase of 10 from last year. These are accounted for by children from three families who have moved into the community, according to Bill Wilson, principal. There are 8 kindergarten students.

Samnorwood enrollment at present is 85, Kenneth Martindale, principal, said.

Kenneth Porters Head Art Division of Fair

Mr. and Mrs. Kenneth Porter, co-chairmen of the art exhibit, a part of the Collingsworth County Fair, have announced plans and rules covering that division.

The art will be shown both Friday and Saturday, September 10 and 11, in Bura Handley Community Center.

This has come to be one of the major departments of the Fair. There are divisions for both adults and students.

No painting may be entered in this year's exhibit if it has been entered in the fair previously, Mr. Porter said.

All divisions must be placed on Thursday, September 9, between 9:00 a.m. and 4:00 p.m., and they must remain until Saturday at 5:00 p.m.

First, second and third place ribbons will be awarded in each class and grand champion and reserve champion rosettes will be awarded in each division.

Classes in the adult division will include: Class I, oils or acrylics on canvas and wood;

Kathy Kersten On Dean's List

A Wellington student, Kathy Kersten, was named on the Dean's list of Southwestern Oklahoma State University for the 1976 summer semester.

The list of more than 300 students was released late last week.

Those making the Dean's List had at least a 3.0 grade point average with no D's or F's.

To be considered for the summer honor rolls at Southwestern, a student must be an undergraduate enrolled in a minimum of eight hours.

She is the daughter of Mr. and Mrs. Ronald Kersten.

class II, acrylics, pastels or water colors; and class III: charcoal or pen and ink on paper.

Junior division participants must be enrolled in high school or junior high. The classes are the same as for adult artists.

The elementary division is for boys and girls enrolled in one of the three county elementary schools. First, second and third place ribbons will be awarded by grades and one grand champion rosette and reserve champion rosette will be awarded in this division.

These classes also will include I: oils or acrylics on canvas or wood; II: water colors or crayons on paper; and III: charcoal, pencil or pen and ink on paper.

Robinsons Entertain Children Recently

Mr. and Mrs. A.L. Robinson of Quail recently had as visitors a son and three daughters, along with grandchildren and three great-grandchildren.

Our Fair Is a Showcase Of the True Collingsworth

In just a week, we of Collingsworth County will hold our big annual fair. It is always recognized as one of the outstanding Fairs and Livestock shows of the southeast Panhandle Western Oklahoma area, but this year it will be something even more worth celebrating.

The climax will not come until Saturday night, September 11, when the most spectacular fireworks display in the county's history will be held. It is a fitting tribute to this county's centennial and to the nation's bicentennial.

The Fair will begin in festivity and color, with the Bicentennial Parade. An attempt is being made to draw every business house and organization into this with an entry. This does not have to be an elaborate float. The idea is simply that everybody be represented.

In between, the displays will show the richness of our talent and our agricultural wealth, picture of the true Collingsworth County.

But no fair is complete without people, and everyone in the area is urged to visit it on one of the two days it will be staged. Certainly, it will be worth your time to see what we have to offer.

Other Editors Say . . .

Making America Beautiful

Most of us have been visually assaulted by commercials or billboards urging Americans to keep America beautiful. The ads are sponsored, not by people tired of being trashed by careless tourists, but by an organization called Keep America Beautiful.

The organization includes several business firms, mostly those that manufacture or distribute roadside litter—more generally known as throwaway beverage containers.

Purpose of the commercials is to convince Americans that people, not disposable containers, are the cause of litter, just as the gun lobby insists that people, not guns, do the killing.

This finally has dawned on the Environmental Protection Agency, which endorses legislation to require a deposit on containers and which has been a member of the advisory council of Keep America Beautiful. So the EPA withdrew.

Sure, picking up litter is an admirable pastime. But the public should bear in mind that the real purpose of the commercials is to convince Americans that they can live with throwaway containers. Diverting attention from the real cause of roadside litter is the actual motive.

The most effective way to reduce roadside trash is to encourage the purchase of soft drinks and beer in returnable containers.

TEXAS PRESS ASSOCIATION

AUSTIN — House Speaker Bill Clayton is crusading to check the constant upward spiral of state spending but getting little encouragement.

Clayton's motion to order the Legislative Budget Board staff to cut agency budgets 10 per cent was toned down to recommend the reduction where there would be "no significant loss of services."

Few agencies so far have indicated they could operate without "significant loss of services" with a reduced budget.

LBB Assistant Director Jim Oliver said selected agency requests would boost spending above the projected surplus (not including increases for prisons, youth correctional facilities and welfare).

Meanwhile, LBB approved for inclusion in the proposed budget draft a pay raise of about six per cent for state employees.

Clayton argues that if spending continues to increase at the rates of recent years, the state will be bankrupted or major new taxes must be enacted.

The speaker is aiming at House reorganization to save a quarter of a million dollars. Some jobs will be eliminated.

Gov. Dolph Briscoe has recommended creation of a \$1 billion capital reserve fund for investment in the era of surplus and Clayton has come up with a similar idea. The speaker concedes, however, passing a temporary one per cent reduction in the sales tax might be easier. Demands for increased budget demonstrate neither will be very easy.

Capitol "Historic" Texas State Capitol at

last is "historic". A marker proclaiming it as such was dedicated in the rotunda last week.

Only one former governor, Preston Smith, was on hand for the ceremony. There were conflicting reports as to whether or not Gov. Briscoe was invited.

The Constitutional Convention of 1876 set aside three million acres of public land to help finance the now-historic building, which was completed in 1888.

Aid Plan Developing

Public meetings by the State Bar this fall will attempt to determine needs and develop a plan to meet needs of the developmentally disabled.

Plans will attempt to aid those suffering from autism, cerebral palsy, epilepsy and mental retardation. Hearings will be held September 13 in El Paso, September 14 in Midland and September 16 in Amarillo.

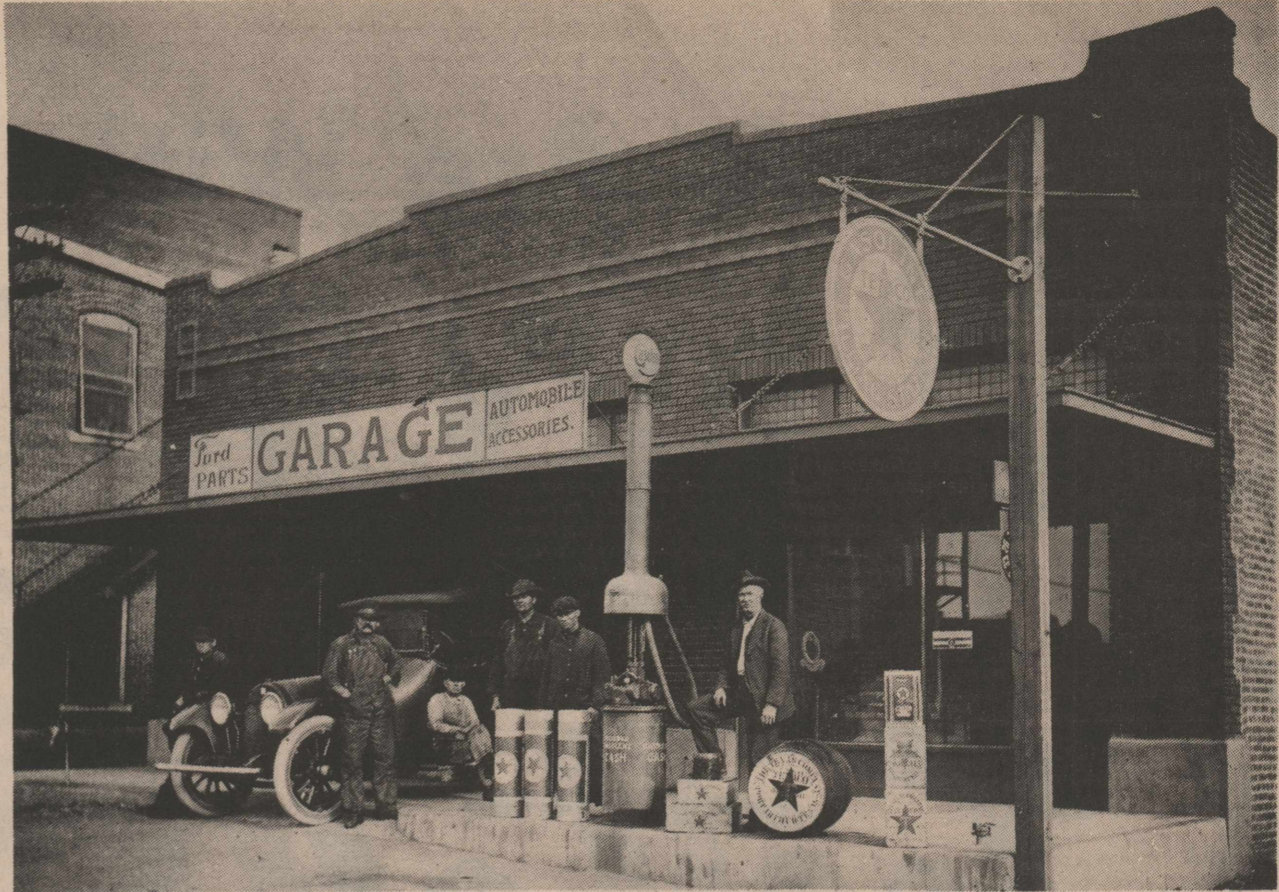

Loan Hearing Held

A key state loan program for Texas college and university students may be in danger of a \$6 million a year cutback.

A Coordinating Board, Texas College and University System committee held a hearing this week to discuss a proposed U. S. Office of Education restriction on the Hinson-Hazlewood program.

The program could face a substantial cutback in its line of credit for federal insurance in 1976-77 unless the Board and USOE can agree on a plan to reduce the overall default rate of 15.56 per cent.

USOE wants the Hinson-Hazlewood loans limited to students at Texas institutions where

default rates are confined to 10 per cent. Unless the agreement is reached with federal authorities, the program's lending capacity may be cut back from \$21.1 million last year to \$15 million. Many institutions have raised strong objections. Some default rates run as high as 41.8 per cent.

AG Opinions

State law prohibits public disclosure of city inspection reports on nursing homes, but federal law allows access to the information, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

The Animal Health Commission has authority to require inspection for ticks on herds located on premises in a free area suspected of infestation and to require stock yards to construct scratching

chute facilities at private expense for tick inspection.

Austin State School may not use appropriated funds to lease or otherwise acquire facilities in San Antonio for residential services programs for mentally retarded persons in Bexar County.

Facade easements to a building's exterior (without disturbing private control of the interior) are valid in Texas and may be granted to Texas Historical Commission.

Unemployment Down

State unemployment rates dropped to 5.7 per cent in July — four-tenths of one per cent below the June figure.

Texas Employment Commission Chairman Harold K. Dudley said the decline follows a seasonal pattern, since many remove themselves from the labor force if unable to find

employment by midsummer.

Last year's July rate of joblessness was six per cent.

The July work force was 5,469,500, with 5,156,500 employed. Total employment for June was 5,149,000.

National unadjusted jobless rate for July was 7.8 per cent.

Texas rates vary regionally from a low of 3.5 per cent in the Amarillo area to 12.1 per cent in the Laredo area. The Dallas-Fort Worth rate was 5.1 per cent and the Houston rate 5.9 per cent.

Short Snorts

A fund-raising dinner for Gov. Briscoe to pay old campaign debts is scheduled here October 22, and is expected to draw 10,000 from 53 counties.

Pulitzer Prize winner Kenneth Towery, formerly of the Cuero Record, has accepted a position as an assistant to University of Texas Chancellor Charles LeMaistre.

Rep. Tom Massey of San Angelo, chairman of the House Public Education Committee, said a one cent increase in the sales tax is often suggested as a way to finance more public school spending.

Austin Rep. Sarah Weddington released a report claiming women suffer discrimination in insurance rates and availability.

Marjorie Gallion of Crane launched a campaign for U. S. Senate as a candidate of the American Party.

Chuck Parrish, a Georgian and former aide to Jimmy Carter, is the Texas coordinator of the Carter-Walter Mondale Democratic campaign.

Four Classes Included In Fair Hobby Show

Mrs. John Alf Thomas this week announced plans for the Hobby Division of the Collingsworth County Fair, to be held Friday and Saturday, September 10 and 11.

She will be assisted by Mrs. Troy G. Thomason.

Along with other fair divisions, this will be in Bura Handley Community Center. There will be four divisions.

Junior hobbies will be for boys and girls 6 through 14 years of age, and these will be divided into three age groups: 6 to 9 years, 10 and 11 years, and 12 to 14 years.

The young men's hobbies, open class, is for boys 15 and 16 years of age.

Adult men's hobbies will be for those 17 years and over,

and will include such items as models, leathercraft, woodcraft, etc.

Women's hobbies, open class, is for those 14 years and up.

Mrs. Thomas said that items to be exhibited are subject to approval by the hobbies chairman. They must be received for judging and exhibiting Thursday, September 9, from 2:00 to 5:30 p.m. Judging will begin at 7:00 p.m. Thursday.

First, second and third place ribbons will be awarded in each class, with special awards as merited.

All items must remain until Saturday at 5:00 p.m.

"We are not responsible for any loss or any item not picked up," said Mrs. Thomas.

FALL FASHION TRENDS

Variety is the key to fall fabrics and fashions. Rather than one important new look, many different trends and influences are in style.

Major trends are the layered look, classics, naturals and the ethnic look.

Layered looks will be most evident in active sportswear. Layers will be functional as well as decorative. Terry cloth, corduroy and fleece, muslin, poplin and shirting fabrics will be popular in both natural and bright colors.

Classics, termed the 'thoroughbred look,' will be seen in neutral colors and new basics such as luggage red and spruce green. Refined tweeds, herringbone patterns and pin stripes will combine with solids to give an elegant tailored look to favorite separates. Blazers, vests and simple skirt or pant styles will be front runners.

Natural looks such as wrap skirts and dresses, easy-fit styles and casual wear will make this look top fashion. Texture will be important with crinkled muslins, slubbed fabrics and denims being among the most popular. Many of the natural look fabrics still will be made of

synthetics for easy care and permanent crinkles.

Ethnic looks will range from restrained delicate Oriental styling to bold fiery Guatemalan stripings to African wood block prints. Emphasis is on the world's variety of cultures with imagination the only limit to what consumers will wear this fall.

The world's largest frog is Africa's Goliath Frog, which is 12 inches long.

Don Lacys Buy Town & Country

Mr. and Mrs. Don Lacy are the new owners of Town and Country, buying the business from Mr. and Mrs. Temple Slay, now of Amarillo.

They also purchased the building in which it is located, at the northeast corner of the court house square.

"We will continue to operate Town and Country in the same fashion as in the past," said Mr. Lacy.

He also announced that in the near future, a sporting goods department will be added, to operate on both a wholesale and retail basis. Included will be all types of sports equipment as well as

clothing.

An announcement will be made at the time that department is opened, he said.

Continuing on the sales staff of Town and Country will be Mrs. Clarence Littleton, Mrs. Muri Lacy and Mrs. Georgia Bartlett.

Mr. Lacy was a coach and teacher in the Wellington Schools 9 years, and prior to that was coach and ag teacher at Quail and Guthrie two years each. He is a graduate of Texas A&M University.

He also has farmed and had custom harvesting equipment. He is a lifelong Wellington resident.

Mrs. Lacy, who was reared at Childress, attended North Texas State University. She

Vassey Children Visit Their Father in Ga.

Mickey, Terri, David and Steven Vassey spent two weeks recently visiting their father, W.D. Vassey of Adel, Georgia. They flew from Amarillo to Atlanta where their father met them in a private plane.

Two days were spent at Panama City Beach, Florida, sightseeing, and Okfenokee Swamp Park at Waycross, Georgia was also a highlight of their trip.

The children had not seen their father in twelve years.

Explorer Scout Tells Of Philmont Experience

by Craig Darter

Craig Darter, along with Jimmy Morgan, Neal Van Pelt and Chuck Darter, attended the Explorer Challenge Camp at Philmont Boy Scout Camp in northeastern New Mexico in late July and early August. Here he tells in diary form of the 13 days wilderness trek.

By Craig Darter

Monday, July 26: We arrived at the Philmont gates at 10:00 o'clock Mountain Time. We unloaded our gear and Joe Mingus (the leader) checked us in at the main office. We were then assigned tents. After this we ate lunch at the dining hall.

Later on, we went to the trading post to see what we wanted to get. After supper, we got our money together that we were leaving at the Base Camp and Joe took us down to the Welcome Center.

We went to a campfire, where they told the New Mexico Story. It rained that afternoon from about 1:30 p.m. to 6:00 o'clock.

Tuesday, July 27: We got up at 5:45 a.m. and went to breakfast. We had pancakes, hot chocolate, sausage, and cereal. Next we got our packs checked and weighed. The heaviest pack weighed 48 pounds. We left at 10:00 a.m. for our first hike. We hiked 1 1/2 miles to Rayado River Camp where we spent the night. Scott Goodfellow, our ranger, showed us all the things to do, how to put up our tents and mainly how to cook the dehydrated food. We camped by a creek.

Wednesday, July 28: We got up at 6 o'clock and had breakfast, and left about 7:30. While hiking to Toothache Springs, our next camp, we saw five deer. We had about one mile to go and it was steep. We stopped and rested about six times going up it. The deer acted as though they

were posing for pictures.

We reached our campsite at 10:00 o'clock, set up camp and ate lunch at 11:30. We went on a side hike to another camp and had a program about useful plants. We got back about 4:00 p.m. and had supper then went to bed.

Thursday, July 29: All of us were up by 5:30 a.m. and had breakfast. Scott Goodfellow left us on our own this morning. We left camp at 8:00 and hiked 5 1/2 miles to Miner's Park. We got there about 11:30 and had lunch.

After lunch we hiked up to the top of a mountain to learn how to repel off of mountains. We all took showers and washed our clothes (it was nice). It hasn't rained in two days and we hope it won't any more. It has been another beautiful and tiring day.

Friday, July 30: We got off to an early start because of a long, uphill hike. We ate breakfast on the trail. It took us about 30 minutes for us to eat then we were on the trail again. Around 9:00 Joe's pack frame broke down. It took one hour to fix.

We got to Fish Camp at 11:30, the hike was 7 miles from an elevation of 7,600 feet to 9,400 feet.

We were shown Waite Phillips house. He was the man who donated Philmont to the Boy Scouts of America. The house is insured for 1 million dollars. After that we went and learned how to tie flies.

Saturday, July 31: We had a long hike so we were up by 5:45 and had pancakes for breakfast. We hiked up to Phillips Junction to get food and supplies. We left there and headed for Apache Springs our next camp. We got there about 1:00. It sprinkled a little but not hard. Craig caught a chipmunk in a snare and we saw some elk.

Sunday, August 1: We had a

lay-over at Apache Springs so we could sleep late. We got up at 7:00 a.m. had breakfast, cleaned up then we went down to the Indian classes. We learned how to make arrowheads, grind corn, and we took a sweat bath. At 12:00 it started raining so we had to stay in our tents all day. It finally stopped about midnight.

Monday, August 2: We got up at 6:30 but didn't leave until about 9:15. We hiked six miles to Phillips Junction where we picked up four more days supply of food. We then hiked about 3/4 of a mile to Porcupine Camp. We had a hot lunch, then we went down for our second hot shower.

Philmont's getting to everyone, all they talk about is food. We had a campfire where we were told the Philmont Story.

Tuesday, August 3: We had a hot breakfast and hiked about 5 1/2 miles to Clear Creek

Camp. Here we learned about trapping and hunting. We also were able to load and fire the old black powder guns. At 8:00 p.m. we went to watch the sunset. From where we were we could see over 80 miles to the Twin Peaks in Colorado.

Wednesday, August 4: This morning we got up at 6:00 and left without eating breakfast. We hiked to the top of Mount Phillips which is 11,860 feet tall. We took some pictures then ate breakfast.

We got to Cyther's Mine at 11:30. They had little shelters for you to sleep under. We went through a mine and were shown tools and different ways of mining. After that we panned for gold without any luck.

After supper we went to a campfire, sang some songs then went back to camp. About 3:30 a.m. we woke up to the sound of Joe hitting on the wall of our open faced cabin.

Joe said don't get scared but there's a bear outside going through our packs. It scared us all but it finally left. The next morning Jimmy went outside and said that a bear bag was on the ground. The bear had gotten part of our food but didn't get any of our personal gear.

Thursday, August 5: After going 4 1/2 miles we took off our

packs and seven of us hiked to Cimmaroncito to pick up some food that the bear had got. We went back to the cut off got Neal and ate lunch. After lunch we hiked on to Clarks Fork to get water. We had to carry a 17 pound water jug 2 1/2 miles to the top of Shaefer's Pass. We heated a pot of water and had soup and hot chocolate for supper instead of

using more water because this was a dry camp.

Friday, August 6: We got up before the sun this morning and we were ready to go by 6:30. This day we were going back to the main camp so we were all excited. We hiked to the bottom of the Tooth of Time and had breakfast. We reached main camp at 9:45 a.m. We checked in and were given our tents. Next we checked in our gear. Joe got our mail, money, pictures and other things. The day went by fast and at 8:30 p.m. it was time to go to our last campfire.

Saturday, August 7: We got up at 6:00 had breakfast and

left for home.

Philmont was an adventure and a challenge as well as a ball of fun. I strongly would suggest that anyone who gets the chance should go because you learn cooperation and working with people and also we met people from all over the United States, Canada, and even some people from Japan.
