E. Nunnelley Dies Sunday In Colorado

Ernest L. Nunnelley, prominent Wellington farmer, died about 2:15 a.m. Sunday, August 1, while he and his wife were vacationing at South Fork, Colorado.

They left Wellington late last week, and his death came as a shock to friends here. Mr. Nunnelley was 64 years of age. Born at Burkburnett September 16, 1911, he was the son of the late Mr. and Mrs. C.B. Nunnelley. The family came to Wellington 57 years ago.

Ernest Nunnelley was an outstanding athlete during his high school years, and immediately afterward, playing both basketball and baseball. He had the opportunity to become a professional, but because he had a wife and young son, he chose to remain here as a farmer.

He was a graduate of Wellington High School.

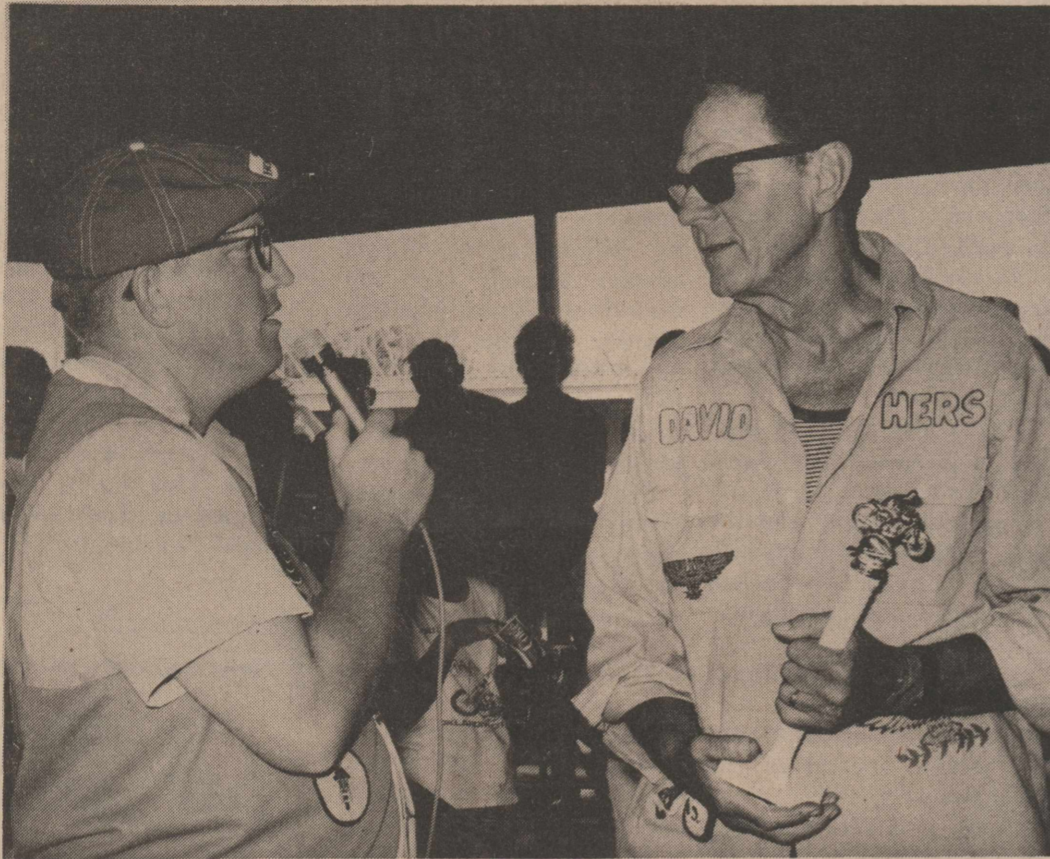

Mr. Nunnelley was most of all interested in farming, and in growth and progress in this area. In more recent years, he was especially interested in young farmers and in their hopes and dreams, for to a large extent, these had been his goals, too.

He was an avid sportsman throughout his life, concentrating on fishing for a number of years. Each summer for about 25 years he and his wife went to Lake City Colorado, for this sport, then followed it with winter trips to the gulf coast.

The Farmers Co-op Gin was another of his concerns, for his father had been instrumental in guiding it through the early years.

Interested also in the schools, he was president of the school board at Fresno when the decision was made it would be best to consolidate

—See #1, page 2

OLDEST ROADRIDER

John Alf Thomas of Wellington Cycle Club presents a trophy to David Haeefe of Vernon as the oldest man to participate in the run Sunday, August 1. Haeefe, 64, also was second place rider.

Inter-League Softball Tournery Opens Thurs.

Wellington Softball League will hold a three-day slow-pitch tournament beginning Thursday, August 5, and ending Sunday evening, August 8. There will be no games Friday night.

Marian Airpark Ball Field is the setting for all this action. The tournament will close out the 1976 season for the Wellington League, according to Tony Stephens, one of those working with the tournament.

It will be strictly an inter-league tournament, consisting of the teams that have played throughout the season.

In charge of the arrangements are Danny Gray, Mr. Stephens, Eddie Hale and James Hale.

Taking part will be Langford's Conoco, Mote's Garage, Martin Seed, Owens Farm Supply, Dodson Co-op of

Dodson, Davis Thriftway of Memphis, Calvary Baptist Church and Childress "A" both of Childress. Also playing will be Ferrell's of Memphis, which was not in league contention this season but will be in the league next year.

There will be no entry fee. Play will start at 6:30 Thursday, and four games will be played. Starting the Tournament will be the

Non-Graduates Urged to Attend 1956 Reunion

All former members of the Wellington High School Class of 1956, whether they graduated or not, are invited to the 20-year reunion which will be held Saturday, August 14.

This is part of the general 1976 Wellington Ex-Students Reunion.

John Alvin Horton, of Arlington, one of those helping with the 1956 reunion, urged all members, both graduates and those who were members at some time, to attend.

The meeting will be at the Greenbelt Electric Co-operative, Inc. Building from 1:00 to 5:00 p.m.

He also pointed out that the addresses of many non-graduates are not known, and as a result, they did not receive notices of the reunion. They are to feel they are invited, Horton emphasized. "We would like for them to come by and visit," he said.

Dodson Nazarene Has Service Plans Complete

Plans are nearing completion for the 79th Anniversary services which the Dodson Church of the Nazarene will hold Sunday, August 8.

It was emphasized that everyone is invited. Former members still living in the Wellington Dodson area were not sent written invitations; these went only to out of county people, according to

Childress teams, Baptists and A's. Davis and Langford's will meet at 7:45; Dodson and Ferrells at 9:00 and Mote and Martin at 10:15. Owens drew a bye.

There will be no games Friday due to the Greenbelt Football Game at Childress.

Saturday play will start at 11:30 a.m. and continue until 11:00 p.m.

Sunday games start at 1:00 p.m. and will continue until all are played.

This is a double elimination tournament, and if only one game is required to determine the champion, it will start at 3:30 p.m. If two are needed, there will be another game at 4:45.

Altogether, Wellington area softball fans will see either 17 or 18 games during the three days.

—See #3, page 2

Three-Community Reunion To Be Saturday and Sunday

The Three-Community Reunion, bringing together residents and former residents of Marella, Lillie and Salt Fork communities, will be held Saturday night and Sunday, August 7 and 8. More than 200 are expected to attend.

Bura Handley Community Center will be the location of all events.

The traditional fish fry will be served Saturday beginning at 7:00 p.m.

No starting time is set for the all-day Sunday gathering. Those wanting to visit may come anytime during the morning.

A covered dish dinner will be served at noon, with serving to begin at 12:00. Those attending are asked to bring a covered dish.

There will be a program during the afternoon, under the direction of Mrs. Ernest Harwell.

Later, a business session will be held, when new officers will be elected and gifts will be presented to the oldest person present and to the one who comes farthest to the reunion.

Monty Mitchell, of Marella, president, said the group has learned that there will be former residents from the

three west coast states, Washington, Oregon and California, as well as all surrounding states, and some in the middle west.

Again Sunday afternoon, there will be plenty of opportunity for visiting.

From the time of their

settlement, community singing was important to these three areas, and again on Sunday afternoon, there will be gospel singing of the kind that so many of those attending grew up on.

Clyde Ming of Pritchett, Colorado and Hugh Bledsoe

will be the song leaders.

Working on arrangements with Mr. Mitchell are Raymond Horton, vice-president; Mrs. Wayne Cummings (Ernestine Gosnell) secretary; Wayne Cummings, treasurer; and Mrs. Harwell, program chairman.

First Confirmed Case of Screwworms Found in County

MISSION -- Lab identification of Collingsworth County's first 1976 screwworm case today helped swell the year's Texas count to 6,398, says a U.S. Department of Agriculture (USDA) veterinarian.

Dr. M.E. (Cotton) Meadows, Jr., director of the Screwworm Eradication Program, says these cases came from 135 counties. The Program is operated for USDA by the Animal and Plant Health Inspection Service (APHIS).

County Agent Don Reeves warned all county livestock owners to watch their livestock closely, especially the navals of new-born animals, and to

postpone any operations such as castration, dehorning, etc.

Mr. Reeves said this is the first case of screwworms in the county since he came in 1968. He added he was not surprised as there had been confirmed cases in Cottle and Armstrong counties.

He said he was notified the county should receive a sterile fly drop "pretty quick." Should anyone find worms they believe may be screwworms, he should secure

containers from the Extension Service Office or Dr. Mark Fires, and these are to be sent to the Screwworm Eradication Program at Mission. Information called for with the containers should be filled out fully.

"I'm sure we've got some more if they were checked closely. There's not going to be one isolated case of screwworms," Mr. Reeves said.

—See #2, page 2

Assignments Made For Kindergarten

Kindergarten students have been assigned to the morning or afternoon sessions, and these placements were announced by Bob Copeland, elementary school principal.

This includes only the 51 children who have pre-enrolled, but a number of others are expected to come on the opening day of fall registration, Mrs. Joe Tarver, kindergarten teacher, said.

The enrollment schedule and the hours the kindergarten classes begin will be announced also.

To be in kindergarten this year, a child must be 5 years

old by September 1, 1976. Each child must also bring with him a certified copy or other copy of his birth certificate and a record of all shots received.

Children assigned to the morning session are Ronny Mote, Clay Holland, Rex Dan Henard, Josh Hughes, Mark Myrick, James Morgan, Charles English, Davy Mithlo, Anna Dione Moore, Anna D'Nae Keller, Stacey Nelson, Rachelle Lorene Ford, Shannon Nicole Peeks, Danna Kelly Isaacs, Stacey Hale, Sonya Lanece Bouldin,

Jonny Jo Settle, Rebecca Sue Pulliam, Carter Lynn Nash, Richard Hobbs, Fannedell Armstrong, Patricia Joyce Powell, Lee Garcia, Freddie Guajardo, Jesse Castillo, Angie Nevarez, and Marta Granados.

Those assigned to the afternoon session are Mark Watts, Eddie Paul Mote, Keith Lee Clark, Harris Blaine, Chris Ray, James Gregory Martin, Shane Black, Shari Snow, Carrie Langford, Soni Clement, Laura Campbell, Angela Faith Sain, Lyndy Forrester, Janie Morne Lewis, Donno Jo Bowen, Rhonda Leigh DeVoss,

Raquel Delene Nealey, Nancy Lyn Davis, Shamorgan Brown, Jodi Hunnicutt, Victor Garcia, Jaime Sosa, Thomas Robert Molina, and Sandra Lee Garcia.

Annual Nicholson Homecoming Aug. 15

The third annual Nicholson homecoming will be held Sunday, August 15, at the Senior Citizen Center, 210 South Wall, in Shamrock.

Old timers may remember this site as the old hospital building.

"We want everyone who ever lived in the Nicholson Community to come and bring a basket lunch and enjoy a day of visiting and having a good

time," said Mrs. Mattie Garner. Registration will begin at 10:00 a.m. and lunch will be served at 1:00 p.m. in order that those wishing to attend church may do so.

The two previous reunions have brought together many early settlers of the community and especially those who attended the Nicholson School.

Church of Christ Plans Bible School

The church of Christ will hold a Vacation Bible School during the week of Monday, August 9 through Friday, August 13, Tom Anderson, minister, has announced.

There will be classes for all ages, and these will be held from 9:00 to 11:00 a.m.

Mr. Anderson is the director.

That Skyrocket Band Practice Starts Aug. 16

Students who intend to play in That Skyrocket Band this year are reminded that practice will begin Monday, August 16, at 8:00 a.m.

Practice will be for one hour only, but band director Garry Bowen emphasizes that work will start promptly at 8:00.

They are to report to the band hall for that first session.

"They are to bring a hoe, their horn and themselves," Bowen said, by way of announcing that part of the first session will be given over to cutting weeds on the practice field and getting it in shape.

Classes will stress Bible teaching, and there will be a puppet skit for the children each morning. Refreshments will be served.

All children are invited, Mr. Anderson said, and those needing transportation should contact the church by calling 447-2206, and this will be arranged.

The Bible school faculty was announced.

Teaching the adults will be Stan Blackburn, while Lynn Wolf will be in charge of the teenagers.

Others include: sixth grade, Mrs. Jack Nelson and Mrs. Les White; fifth grade, Mrs. Boyd Derryberry and Mrs. Billy Moseley; fourth grade, Mrs. Dee Coleman;

Third grade, Mrs. David Peters and Starla Anderson; second grade, Mrs. Tom Anderson and Tina Powell; first grade, Mrs. Andy Bell and LaDonna Jones;

Five and six-year-olds: Linda Coffee, with an assistant to be named; four-year-olds, Mrs. Farris Wood; three-year-olds, Darla Anderson;

Two-year-olds, Mrs. Bob Weatherly and Stacey Weatherly; cradle roll: Kay Coffee.

Mr. Anderson will be in charge of the singing.

Teachers Begin Work August 16, Students to Enroll August 20

A preview of the opening of the 1976-77 school year was given this week by Supt. E.W. Clement.

The inservice week for teachers will begin Monday, August 16, and students will enroll Friday, August 20.

Classes start Monday, August 23.

Teachers will meet for a general faculty meeting at 9:30 a.m. Monday, August 16, Mr. Clement said, then they will divide into groups according to the school in

which they teach. They will meet with their principals in the afternoon.

Tuesday, teachers will meet with the committees to which they are assigned for accreditation and the self-evaluation which will be under way throughout the year.

Dr. Fred Stoker of the school of Education, West Texas State University, will meet with Wellington teachers Wednesday. He serves as this school's consultant on accredi-

tion and evaluation.

The committees will meet again Thursday.

Enrollment will begin Friday morning, and Mr. Clement announced this schedule:

High School: seniors, 9:00 to 10:30 a.m.; juniors, 10:30 to 12:00 noon; sophomores 1:00 to 2:30; and freshmen 2:30 to 4:00.

Junior High: eighth grade 9:00 to 10:30; 7th grade 10:30 to 12:00 noon; and sixth grade 1:00 to 2:30.

Elementary School: Kindergarten students who have not pre-enrolled, first, second and third grades, 9:00 a.m. to 12:00; fourth and fifth grades 1:00 to 2:30 p.m.

Buses will begin their regular runs Monday, August 23, covering all regular routes, and there will be a full day of school.

Any students who are new to the Wellington School system, and who did not enroll Tuesday and Wednesday, should go to their respective schools Monday, August 9. It will be beneficial to them to enroll at this time, Mr. Clement said.

Beginning this year, the

The organizational meeting was held at Pilot point, near Dallas.

The Rev. T.M. Cornelius was the first pastor of the church at Arlie, which did not move to Dodson until about 1911.

Altogether, the church has had 23 pastors, and the Rev. Howard Smith has served the congregation for 10 years.

SLOW-PITCH CHAMPIONS

Langford's team won the 1976 Slow-Pitch Softball Championship as the season closed out, losing only one game. Members, holding individual trophies, are, standing, Santos Guajardo, Jr., Redgie Souder,

Alton Belew, George Brewer, Lynn Wright and Shane Tarver. Kneeling are Tony Stephens, left, and Terry Fincher, Steve Vines, Jackie Gunnels and Kenneth Patterson. The team trophy is at center.

Almost Anything Is About to Go

Wellington's contestants in Southeast Panhandle Version of Almost Anything Goes were named this week by Kiwanis President Jake Leach. Other towns participating are Shamrock and Wheeler.

This hilarious entertainment will be held Saturday, August 7, at El Paso Football Stadium, Shamrock. Starting time is 7:30 p.m.

It is patterned after the popular television show with the same name.

There are still openings on some of the teams, and others are needed for alternates in case some of the members have to back out.

Proceeds will be divided between the Kiwanis Clubs of the three towns. Wellington's portion will be used to help sponsor the 7 different youth organizations that are Wellington's projects.

Shamrock will use its funds for development of its city park, which in part is patterned after Wellington's Ellison Park.

Advanced tickets are on sale by Wellington Kiwanians with adults at \$1.00, children kindergarten through grade 12, 50 cents, and children below kindergarten free.

"There will be plenty of refreshments on hand, some hungry," said Bob Bell, spokesman for Kiwanis.

Bell also outlined the events and Wellington's contestants.

Leading off is the Back Seat Driver. A golf cart is driven by a man who is blindfolded. The woman, in the back of the cart, will direct him through a maze

of traffic cones and then as he attempts to back the cart into a small garage.

Jack Sanford and Mrs. R.L. Mabery are Wellington contestants.

Then there is the wild cow milking. It is rumored that Wheeler and Shamrock will be given heifers and Wellington will have a cow. The point is to see who gets the most milk in a given amount of time. It has also been suggested that contestants dip their hands in ice water a few minutes before starting. Cows have a low opinion of a pair of cold hands.

Wellington contestants are Jenny and Ronny Glenn, Joy and Alton Belew, Ann and Bill Lowe.

In the barrel roll, one contestant will be inside the barrel and his partner will stand on the barrel, rolling it with his feet.

Elvis and Mary Sain, Hope and Danny Gray will represent Wellington.

The bottle fill will find one man lying on the ground with a 64 oz. pop bottle on his head. Other team members will attempt to fill the bottle with water, using a pit pan.

These contestants are Clint and Judy Gibson, Redgie and Diane Souder, Linda and Gary Grewer, Sherry and Dewey Butler and Neva Thomas.

The greased pole ride will find Mark Simpson of Samnorwood and Curtis Southerland as the pole carriers and Vickie Black as the rider.

There will be a greased basketball throw, and Well-

Jim Bettis of Childress Dies of Brief Illness

Funeral rites in memory of James Albert (Jim) Bettis, 56, were conducted at 10:00 a.m. Wednesday, August 4, in First Baptist Church, Childress.

He had lived in Childress since 1956, but all his life prior to that he had lived in

Wellington's team includes Deputy Sheriff Charles English, Bob Bell, Jimmy Black, Robert Powell, Louise Powell, Ray Dwyer, and Mrs. Kenny Brown. Kenny Brown will be a referee.

Coaches of the three schools will compete in the flat football kick. From Collingsworth this includes James Williams, Ronny Glenn, Bill Wilson, Phil Bailey, Bruce Dollar and Robert Hicks.

There will be a marathon event at the end of the competition, and Wellington's participants will be Clint and Judy Gibson, Jimmy and Vickie Black, Mark Simpson and Hope Gray.

Dick Pendleton will be a referee and spotters in the press box will be Vikki Saunders and John Coleman.

Collingsworth County.

Officiating at the service were the Rev. Joe S. Allen, pastor of the church, and Rev. Harry Henderson of Indianapolis. Burial was in Childress Cemetery.

Pall bearers were Bennie Hawkins, Gene Nelson, J.B. Holland, John Hamilton, Gordon Gravely, Doyle Moon-ey, Hollis Reavis and C.B. Gloor.

Mr. Bettis died at 8:15 p.m. Sunday, August 1, in Childress General Hospital after a brief illness.

He was born December 31, 1919, in Collingsworth County and attended Wellington Schools.

A veteran of World War II, he was married to Miss Dottie Sue Sisk of Wellington July 13, 1945. He was owner of Bettis Electric in Childress.

Survivors are his wife; two sons, Terry Lee Bettis of Amarillo and James Larry Bettis of Bismark, N.D.; one daughter, Doris Lynn Bettis Denver, Colo.; his parents, Mr. and Mrs. W.A. Bettis of Wellington; one brother and three sisters, Leon Bettis of Amarillo, Mrs. Don Marquis of Erie, Pa., Mrs. Millard Brown of Wellington and Mrs. Darrell Morris of Lawton, Okla. and one grandchild.

#3—continued from page 1
An all-star team will be named, consisting of 20 players—two for each spot, according to James Hale.

The Championship team will receive a team trophy for the sponsor and individual trophies for each player.

Seven more trophies will be awarded, and these also will go to the sponsors.

All league members are asked to be at the ball field Sunday after the tournament is completed to review the 1976 season and begin plans for 1977. Officers will be elected.

"It is amazing how the interest in slow-pitch softball has grown in this area in the past three years," said Mr. Stephens. "The fans enjoy it as much as the participants."

He also pointed out that the teams appreciate the dedicated people who keep coming out to watch and to cheer their favorite teams.

This season has also seen the organization of two women's teams.

Langford Conoco won the league championship this year with a record of 14 wins and only one loss, the second game of the season.

Because they won both halves of season play, they were the undisputed winner. They were second in the league in 1975.

Team members included Jackie Gunnels and Steve Vines, coaches and players, Alton Belew, Terry Fincher, Kenneth Patterson, Tony Stephens, Shane Tarver, George Brewer, Lynn Wright, Reggie Souder, Gary Cummings, Junior Guajardo, Mike Pounds and Arnold Fincher.

Firms making possible the trophies for this week's trophies include John Holton Oil Co., \$15; Lyman's Automotive \$20; Martin Feed and Seed \$15; Owens Farm Supply \$20; Butler's Gilmore Locker Plant \$10;

Steve Owens \$5; Jim's O.K. Tire Shop \$10; Hezze Jones \$5; East Side Welding \$5; Hale's Equipment Co. \$20; Wellington Delinting \$5; A&W Welding \$5; Owens Salvage \$5; South Side

Salvage Co. \$5; Johnny Mote's Garage \$5;

Langford Brothers Conoco \$5; Johnny Nash Texaco \$5; Davis Welding \$5; Sam McGill \$5; Clark Chevrolet \$5; Owens and Scott Thriftway \$5; O.R. Anthony of Shamrock \$20; Farmer's Co-op Society No. 1 \$10; Bell Grocery \$5; Howard Holton \$10; Wellington State Bank \$20; and John Brown \$5.

#2—continued from page 1

The Collingsworth County case was treated by Mark Fires, DVM, of Wellington. He collected the sample five miles west of Wellington from the navel of a calf owned by Travis McGuire.

Screwworms are larvae (maggots) of the screwworm fly. Adult females of this species deposit eggs on wounds in warm blooded animals. As eggs hatch the tiny worms enter the wound to feed on live flesh, growing to about half an inch long within a week.

The APHIS program uses sterile male principle in fighting this pest. Female screwworm flies mate only once in their lifetimes.

Wild screwworms populations are located by lab study of samples collected by livestock owners. Sterile Flies, produced in the APHIS insectary, are released to mate with the wild flies. Eggs produced as a result of a sterile to fertile mating will not hatch—ending the life cycle.

Meadows asks livestock owners to carefully watch animals for signs of screwworm infested wounds. Free, self addressed, postage paid sample kits are available from County Agents, veterinarians, or livestock inspectors.

Seventy Riders Compete Sunday At Big Bluff

Seventy riders competed in the Big Bluff Motocross races Sunday, August 1, with a large crowd on hand to see the action, Jake Maxwell, one of the track operators said.

Riders came from Wichita Falls, Amarillo, Hedley, Hereford, Pampa, Altus, Memphis, Childress and Perryton.

Winners included: Mini man: first, Jerry Skinner; second, Morris Troxwell; third, Ronnie Ebner.

100 class: first, Layne Brewer, second, Britt Turner, third, Randy Black.

125 class: first, Mike Terry; second, Joe Skinner; third, Jim Gains; fourth, Brad Hower; fifth, Tom Johnson; sixth, Jim Clark; seventh, Phillip Whitehead.

250 class: first, Ruby Pettis, second, Harold Wilson; third, Randy Hines; fourth, Robert Fennell; fifth, Elden Barker.

Open: first, Brad Houch; second, Mike Leffer; third, Joel Wolfson.

Over 30 class: first, Robert Fennell; second, Bill Hill; third, Auther Jones.

Settle Manages WTU at Clyde

Don Settle, manager of the West Texas Utilities Co. Aspermont office two years, is now manager of the Clyde office.

Settle joined WTU in 1966 as a line serviceman in Wellington. In 1972 he was promoted to local manager of the Moran Local Office, and in 1974 was named local manager in Aspermont.

He was born in Shamrock and attended public schools there. He graduated from Shamrock High School in 1955, then joined the Texas National Guard where he has served for over 18 years.

Mrs. Settle is the former Margaret Grogan of Shamrock. They were married in Clovis, N.M., in 1957, and are the parents of two sons, Donald and Stephen. They are members of the Methodist Church.

Settle has been active in civic affairs in the towns where he has served. He has been a director of the Kiwanis Club, and holds membership in the Masonic Lodge of Moran.

LOCO KING AND QUEEN

King and Queen of the Loco old settlers attending the annual reunion Sunday were Nell Terry Burch of Dallas and Buford Minter of Lefors. Both attended Loco Schools.

County Gets \$260 Mixed Drink Taxes

Collingsworth County has received \$206.34 representing its mixed drink tax remittance for the second quarter, April through June.

The total county tax revenue amounted to \$1,375.61, and the county's part is 15 percent.

Comptroller Bob Bullock said Wednesday that mixed drink tax collections during the April-June quarter totaled \$10.8 million for the state.

Bullock said he has mailed checks totaling \$1.6 million to 188 counties and other checks totaling \$1.5 million to 310 cities as their share of the tax collected.

The remainder, \$7.7 million, stays in the state general revenue fund, the Comptroller said.

The mixed drink tax is

collected by the Alcoholic Beverage Commission and represents 10 percent of all gross receipts from the sale of mixed drinks.

Bullock explained that the Comptroller's Office remits to counties and cities 15 percent of the total mixed drink tax collected within their boundaries on a quarterly basis.

He noted that the \$10.8 million collected is 21 percent more than the \$8.9 million collected in the second quarter of 1975 and 44 percent more than the \$7.5 million collected during the same period in 1974.

Mr. and Mrs. John D. King and granddaughter, Tiffany Sherman, Mr. and Mrs. T.W. Loveless of Dumas and Arlie Green of Borger were in Wellington to attend the Harwell reunion this weekend. They also visited the Alvin Hortons and Mrs. C.E. McKinney. John King is Mrs. Horton's brother and Mrs. King is Mrs. McKinney's sister.

Move Here from Sierra Blanca

Mr. and Mrs. Ray de Yampert, formerly of Sierra Blanca, have arrived in Wellington to make their home. They will look after her mother, Mrs. Ura Scott, and live at her home, 1100 East Avenue.

Mrs. de Yampert will be remembered as Vermell Scott.

The couple have been teaching at Sierra Blanca, she as homemaker instructor, and he in the fifth and sixth grades.

Mrs. de Yampert was graduated from Wellington High School in 1943 and received her degree from West Texas State University. Her husband received a degree in elementary education from the University of Texas at El Paso.

Her four children, whom many people here know, Roger Davidson of Dallas; Mrs. Tom (Ardena) Tophas of

Lewisville and Mrs. James R. (Celia) Donnalley of Albany, New York.

Sierra Blanca is a ranching and resort town 85 miles east of El Paso.

Area Scouts Hike Trails At Philmont

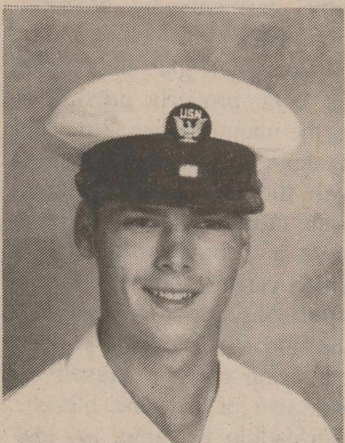

CIMARRON, N.M. -- A group of area Scouts arrived July 26 at Philmont Scout Ranch and Explorer Base, a 214-square mile wilderness camping area of the Boy Scouts of America, near here.

The Scouts Jimmy Morgan, Chuck Darter, Craig Darter, Neal Van Pelt, Wellington; Larry Putman, Clarendon; Scott Ridgway, Higgins; Tim Wells, Borger; are among 15,000 young Scouting men and women expected to hike Philmont's mountainous trails this summer.

Under the adult leadership of Joe N. Mingus, Higgins, the group will backpack between 50-75 miles in 10 days as part of a 12-day stay at the ranch.
Upon arrival at Philmont, the Wellington area Scouts received training in backpacking and wilderness camping techniques from Philmont's Ranger staff. While on the trail the Scouts will have the opportunity to participate in several programs offered at 21 staffed mountain camps. The programs range from Western lore and nimrod safety to rock climbing and orienteering.
The Wellington area youth are members of an expedition sponsored by the Adobe Walls Council of the BSA.

Kevin and Keith Harris of Kerville are visiting their grandparents, Mr. and Mrs. Olan Farris of Dodson. They are the sons of Mr. and Mrs. Bob Harris.

Mr. and Mrs. Jack Meares of Roscoe and Jan Meares of Abilene were guests of her parents, Mr. and Mrs. W.F. Harbin last weekend.

Marin Finishes Basic Training

Michael Marin, Jr., son of Mrs. Betty Marin of Amarillo, has completed recruit training at the U.S. Naval Training Center in San Diego.

He formerly lived in California and in Canadian, where he attended Canadian High School. He also attended Caprock High School, Amarillo, and was living there with his mother before joining the Navy.

He is the grandson of Mr. and Mrs. Frank C. Fuson of Wellington.

He is now assigned to a mechanics school in San Diego.

Mrs. Marin attended the graduation in San Diego.

Owens Home After Surgery

Guy Owens returned home Friday, July 30, from St. Anthony's Hospital, Amarillo, where he underwent open heart surgery.

Mr. Owens had entered the hospital July 12. He had not been aware of his heart condition.

He will return August 23 for his first checkup.

Mrs. Owens said it will probably be four to six weeks before he can do any work.

Rev. and Mrs. Randall Scott and Brian of Bonham were weekend guests of his parents, Mr. and Mrs. Ocie Scott.

Horton-Harwell Families Hold Reunion Here Over Weekend

The Horton-Harwell reunion held Saturday evening and Sunday, July 31 and August 1, brought together members of those two families.

The hosts were Mr. and Mrs. Ernest Harwell. All living children of the late Mr. and Mrs. Tom Harwell were present, along with the widows of three others.

Gospel singing, taking pictures and looking at old pictures, as well as visiting, filled their time. Mr. and Mrs. Earl Harwell of Childress showed pictures they made on a trip to London, England.

Members of the Horton family attending were Mr. and Mrs. Alvin Horton, Mr. and Mrs. Malcolm Horton and Weldon Cleveland.

Members of the Harwell family included Mr. and Mrs. Tom Harwell and their daughter, Mr. and Mrs. Guy Strickland of Wichita Falls;

Mr. and Mrs. Jack Harwell and children, Jim and Barbara, and Mr. and Mrs. Randy Good of Denton, and Mr. and Mrs. Mike Green of Lewisville.

Mr. and Mrs. Bill Harwell of Norman, Oklahoma.

Mr. and Mrs. Earl Harwell, and children: Mr. and Mrs. Tommy Harwell, Bobby and Lee, and Mrs. Jan Ferguson, Tina and Robbin, of Childress.

Dinner Honors Tom Caldwell

Tom Caldwell was honored with a dinner on his 86th birthday Sunday, July 25. The event was given by his son and daughter-in-law, Mr. and Mrs. Harold Caldwell, in their home.

Mr. Caldwell has lived in the county about 50 years.

Attending were Mr. and Mrs. Tom Caldwell, Mr. and Mrs. Red McGill and Jimmy of Canyon, Mr. and Mrs. Bill Long, Hunter Peters, and Mr. and Mrs. Harold Caldwell, Tommy, Karen, Gene and Julie. Mr. and Mrs. Homer Holton called in the afternoon.

Personal

Visiting Mrs. Fletcher White during the last week were her brother, Jeff Stewart and Mrs. Ilean Cooley of Hot Springs, Ark.; and nieces, Mr. and Mrs. Haskell Dunn of Kerrville and Mrs. Helen Foote and her granddaughter, Amanda Matthews of Frisco, Colorado.

Patti Cunningham is visiting this week with her grandparents, Mr. and Mrs. Earl Hunter. She is the daughter of Mr. and Mrs. Keith Cunningham of Shamrock.

Mr. and Mrs. Neal Gray, Patti, Theresa, Stephanie and Babs from Lowestoph, England are visiting Mr. and Mrs. J.W. Tarver, Mr. and Mrs. Leamon Bawcom and Mr. and Mrs. Tony Stephens. Neal is with Halliburton Oil. They have been overseas for two years.

Shaped foil makes a good emergency funnel.

Lockhart Family Meets Aug. 1

The family of Edgar Lockhart held their annual family reunion at his home, 1307 West Avenue, Sunday, August 1.

The group enjoyed many activities during the day. Some of the family members attended the Nazarene Church services. The children played games at the park.

A bicentennial theme was carried out in the table decorations, and a basket lunch was served at noon.

Those present were Mr. and Mrs. D.E. Herring, Mrs. Jane Russell, Tommy and Lorrie of Panhandle; Mr. and Mrs. Bob Barnett, Jess and Shelly, Pampa; Mrs. Chalmer Wiegman and Donya, Fargo, Oklahoma; Mr. and Mrs. Eldon Lockhart, Mr. and Mrs. Buck Judd, Mrs. Dwight McKay, Bryan, Monty and Jody, Stephanie Judd, Steve Judd and Kimm Carlile, Amarillo;

Mr. and Mrs. Morris Brown, Bethany, Okla.; Mr. and Mrs. Buford Riley and Kent, Doug Riley, Travis Lockhart, Calvin, Faron and Doris, Mr. and Mrs. L.E. Goswick, Amarillo and Mrs. Waymon Moody.

Plan Fall Wardrobe Now

COLLEGE STATION -- "Now is the time to plan head" for transitional fall wardrobe additions or updates, Mrs. Becky Culp, area clothing specialist, says.

"Expensive wardrobe blunders can be eliminated by knowing personal preferences for current fashion trends, wardrobe needs and designs and colors that look best with bodily proportions and personal coloring," she advised.

Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Plaids, stripes and tropical prints, such as batiks and serapes, are one important fashion direction. They're available in a wide range of colors, textures, fibers and patterns, and consumers can choose those that best meet personal needs.

"Consider that generally the brighter and bolder the colors, greater the color contrast and larger the pattern size, the more apparent weight and size will be added to your figure."

She explained that clingy fabrics in sleek designs such as matte-jersey T-shirt dresses are figure revealing, while heavy bulky fabrics such as many of the blanket weights appear to add extra noticeable size. Other texture favorites also vary considerably—such as corduroy wales, velvet or fake fur piles, quilted thicknesses or sweater knit weights.

"The layering of garments continue with vests and tunics particularly strong. Generally, the more garments worn, the more broadening the effect.

MARY GENE MORROW

Mary Gene Morrow, Pat Gulley Will Marry in September

Mr. and Mrs. Eugene F. Morrow, 1111 Belton Street, are announcing the engagement of their daughter, Mary Gene to Patrick Frank Gulley of Dodson.

Parents of the prospective bridegroom are Mr. and Mrs. Frank Gulley of Dodson.

The couple will be married Saturday, September 11, in Trinity United Methodist Church.

Miss Morrow was graduated from Wellington High School in 1975 and attended West Texas State University last year. She plans to continue her studies.

Her fiance is a graduate of Wellington High School in 1974 and is presently engaged in ranching.

Around home:
--calculate how much paint is needed for a room or the house exterior
--figure the cost of carpeting a room
--check your bills
--add your daily calorie intake
--figure fabric needs for draperies, clothing, tablecloths or other sewing projects
--total the costs of operating appliances
In the garden:
--determine fertilizer and seed requirements
Traveling:
--figure the car's miles per gallon to estimate travel costs
--convert currency in foreign countries

Calculators Aid Housewife
COLLEGE STATION--Calculators are no longer a tool only for engineers--they can help consumers get their money's worth in many everyday ways, Mrs. Lillian Chenoweth, a family resource management specialist, says.

New calculator owners may wonder "What can I do with this besides ordinary arithmetic?"

This specialist with the Texas Agricultural Extension Service, The Texas A&M University System, suggests some "cents-ible" uses for the calculator.

In the market:
--keep a running total of how much you are spending
--practice comparison shopping in stores without unit pricing

Good Laundry Care Provides Better Garment Wear, Looks

COLLEGE STATION -- Even when care label instructions are followed perfectly, consumers may find problems occurring with home laundry, Beverly Rhoades, a clothing specialist, says.

Some of these problems are shrinking, tearing, fading, loss of fabric body, and mysterious spots appearing on the clothes, she added.

Miss Rhoades is with the Texas Agricultural Extension Service, The Texas Agricultural Extension Service, The Texas A&M University System.

"Many troubles often relate to fabric quality and performance, rather than clothing care practices, but proper laundry procedures can lengthen the life of garments and produce cleaner clothes."

To reduce garment shrinkage, look for shrinkage control guarantees on labels when buying clothes and avoid using hot water and high-drying temperature, she advises.

"Shape may be restored to some garments by blocking them while wet.

"But when garments have not been properly preshrunk by the manufacturer, little can be done to prevent shrinkage with the first wash. In fact, some fabrics, especially knits, have a progressive shrink which causes them to shrink with subsequent washings," she said.

Tearing may be caused by over use of chlorine bleach, overloading machine, too low water level, garments not mended before washing, and hooks and zippers not properly closed or fastened.

Fading problems can be

reduced by checking labels for colorfastness information when buying and by avoiding use of chlorine bleach and hot water on noncolorfast clothes.

"Loss of fabric body is usually a fabric performance problem. Finishes which are applied to garments by manufacturers are sometimes only temporary and are removed by the first washing.

"While lower water temperatures may help, nothing really can be done to eliminate this loss. Nor can the temporary finish be easily distinguished from a permanent finish. When buying garments, choose brands you have found reliable previously," she advised.

Mysterious spots appearing on the clothes may be caused by chemical reactions.

"Spots which look like grease are often caused by a chemical reaction between detergents and fabric softeners. To remove this stain, treat with full strength liquid detergent or a detergent paste and wash again.

"To prevent this problem, be sure garments are thoroughly rinsed before adding fabric softeners in rinse cycles and avoid over use of fabric softeners which may build up on fabrics and on tub walls and be released later by hot water.

"Fabric softeners need not be used with every washing," she noted.

Mysterious yellow or brown stains may be caused by excessive iron or manganese in the water or by a chemical reaction when chlorine bleach is added to water with high iron content, she explained.

We want to take this opportunity to say "Thank You" to our many friends for the beautiful flowers, cards, visits, telephone calls, and most of all your prayers and loving concern during my stay in the hospital.
We treasure each friendship.

C.C. Browns Entertain Family

Monday night, July 26, Mr. and Mrs. C.C. Brown hosted a family get-together. Dr. Olie Brown of Riverside, California and his daughter and son-in-law, Mr. and Mrs. Rick Melchior and Mendy of West Hollywood, California were the honored guests. Mr. and Mrs. Ed Brown of Shamrock and Mr. and Mrs. Claude Brown of Clarendon

were also present. Dr. Brown teaches at the California Baptist College. The Rick Melchiors were visiting in the Houston area over the weekend. The C.C. Brown's and Olie Brown attended the wedding of their great-niece, Shonda Johnson and Russell Asher, in Wheeler Sunday afternoon, August 1.

Repair Sidewalks to Give A House its "Best" Look

No need to let cracked and broken sidewalks give a rundown appearance—or create a safety hazard. Patches can be made easily with packaged concrete mixes, Glenda Moore, a housing and home furnishings specialist, says.

She's with the Texas Agricultural Extension Service, The Texas A&M University System.

"Small repair jobs usually can be completed with a 45-pound bag of concrete mix. But if several areas are to be repaired, an 80-pound sack will insure an ample supply to complete the jobs. Leftover

amounts of the dry mix can be saved if the mix is packaged in moisture-proof bags, sealed tightly, and stored in a dry place."

Only a few supplies are necessary to make the repairs—concrete mix, sharp cold chisel, heavy hammer, general purpose trowel, hoe or shovel (for mixing) and a mixing box, wheelbarrow or other container, she said.

"Tar or caulking compounds are poor substitutes when repairing these areas. The tar is easily picked up by tires and shoes," she added.

HOW TO REPAIR CRACKS IN CONCRETE

First, widen cracks as much as possible with hammer and chisel by holding the chisel at an outward angle to chip away approximately one-half inch pieces at a time.

Go down at least to the gravel-packed base, then undercut by tilting the chisel inward. This new area, wider inside than at the surface, need not be uniform or regular.

Dust out the crack with a bicycle pump and wash down the sidewalk with a garden hose. Water not only helps to clean out all debris, but also soaks adjacent area to insure satisfactory bonding.

Prepare concrete mix according to directions on the package, mixing the mortar well. A small amount of mineral oxide pigments, available at lumberyards, may be added to match a colored

Four-H Dress Revue Winners For County Chosen July 27

From "The Garden of Fashion" four 4-H Club members were chosen to represent Collingsworth County in the District I 4-H Dress Revue, to be held later this summer in Amarillo.

The county event was held Tuesday, July 27, in the Heritage Room.

Winners were named in four categories, and for each an alternate was chosen.

Junior I first place winner was Jannon Thomason, daughter of Mr. and Mrs. Troy Gene Thomason. Her alternate is Catrina Atkinson, daughter of Mrs. C.C. Atkinson.

Renee Lacy was the first place winner for Junior II Division. She is the daughter of Mrs. Robert Lacy. Her alternate is Melanie Watts, daughter of Mr. and Mrs. C.L. Watts.

The senior first place winner was Kay Coffee, and Tami Boswell is her alternate. Their parents are Mr. and Mrs. John Coffee and the Rev. and Mrs. James Boswell.

The winners and alternates

sidewalk or driveway. Patches made next to lawns should be formed with a board driven into the curb so concrete edges will be smooth.

Apply wet mortar with a trowel; pack in enough to raise slightly above the surrounding area. Level off with a straight board laid on edge and drawn across the surface.

Stronger concrete is produced by slow-curing. Cover the patch with burlap or straw, keep moist for at least several days.

A single-step spinning system developed by USDA scientists transforms fibers from tufts to yarns in a single machine in a continual process, reports Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service.

We're just a little country store
With stock on our shelves galore.
We're anxious to please
So in the phone book look under "Lee's"
And we'll be happy to deliver to your door!

BELL GROCERY
Hwy. 83 & 1st Street

received blue ribbons.

Jennifer Pendleton, daughter of Mr. and Mrs. Dick Pendleton, had the best clothing records.

Best models were chosen from each category and these were Jannon Thomason, Junior I; Melanie Pendleton, daughter of Mr. and Mrs. Dick

Julie Caldwell Given Party

Julie Caldwell was honored on her eighth birthday with a party given Friday, July 23, in Pioneer Park.

The guests played in the river for awhile, then had refreshments of ice cream and cake. A cloud brought the party-goers home before they had planned.

Julie is the daughter of Mr. and Mrs. Harold Caldwell.

Attending were Anjani Masten, Becky Barton, Stephanie, Stacy and Leslie Brandvik, Kellie and Kevin Branum, Amy, John and Kevin Shields.

Dana and Terry Guthrie, Gene and Karen Caldwell, Mrs. June Haynie, Mrs. Homer Holton, Mrs. Dan Guthrie, Mrs. Mack Shields, Mrs. Harold Caldwell, and the honoree, Julie Caldwell.

Pendleton, Junior II; and Kay Coffee, Senior.

The District I contest will be held at Amarillo College Thursday, August 12, at 9:00 a.m.

The theme will be "Bell Ringing Fashions".

For the Wellington contest, the Junior I winner, Jannon, wore a medium blue jumper with ties marking each side waist. Renee, the Junior II winner, also wore a medium blue jumper, in more tailored style. With it, she wore a floral print blouse having a peter pan collar and long set-in sleeves.

Kay, the senior winner, was wearing a dark green hooded jumpsuit accented with a turtle neck sweater.

Linda Coffee, a former 4-H Clothing winner, was commentator for the program. Lynna Nunnelley gave the poem "What is America?"

The dress revue planning committee planned and implemented the event. Members were Mrs. Dick Pendleton, chairman; Mrs. Lacy, registration; Mrs. Rodney Myrick, decoration; Mrs. V.K. Orr, refreshments; and Mrs. Boswell, commentary.

Mrs. Cecil Masten, Home Demonstration Council chair-

man, presented each participant with a metric seam gauge.

The show was judged by Cynthia Manning, assistant County Extension Agent of Donley County and adult clothing leader.

Girls participating were: Junior I: Catrina Atkinson and Jannon Thomason.

Junior II: Elizabeth Brewer, Renee Lacy, Leigh Myrick, Melanie Pendleton, Jennifer Pendleton, Kathleen Reeves, and Melanie Watts.

Senior: Cheryl Birkey, Tami Boswell, Kay Coffee and Gail Rudy.

Prizes were contributed by the Collingsworth County Home Demonstration Council and presented by Mrs. David Peters and Mrs. Rufus Sweat.

Anita Blanton Revue Judge

Mrs. Anita Blanton, County Extension Agent, was a judge for the Donley County 4-H Dress Revue recently.

Twenty-five girls entered. "This is their first year to have a dress revue and they are an enthusiastic group—both the 4-H members and their leaders," Mrs. Blanton said.

Through the month of August the Collingsworth County Library will be open only in the afternoons

2:00 to 5:00 p.m.

HEY! Let's go out to

Carroll's

for one of his Great Hamburgers.

Dessert? Sure —

Ye Ole Fashioned Ice Cream Parlor —

Wow! It's really super.

Let's ride around a while —

but wait — first to Bell's

grocery & station for gas —

what really nice people!

Come on, make the square

and see what's happening —

really looks nice around —

look at that window!

It has to be The Fashion Shop —

so cute and well priced.

Well, time to go home —

you know I really enjoyed

this evening. We are just

going to have to make

a habit of this!

Flowers express what words often can't

When words are inadequate, say it with flowers. It makes good sense, especially on Memorial Day, May 30. Just drop by or give us a call for fresh and permanent arrangements.

Tennis Clinic Good Now, And for Future Players

During the remainder of this week, everyone interested in tennis will have an opportunity to see some of our future players in this fine sport.

The tennis clinic, taught by a young West Texas State University tennis camp instructor, is a tribute to a few mothers who were interested enough to go out and bring it to Wellington. Tennis as it is played here will benefit for a long time to come.

We in Wellington are a sports-minded people, and that is good. We like to compete, hard and with competence. But we all acknowledge that with the exception of tennis and golf, there comes an age when one can no longer take part in sports.

Tiny youngsters can play tennis and so can their great-grandparents. The popularity of the game in the United States is growing almost beyond imagination. It has been a year since the city finished the Ellison Park tennis courts, and we are still talking about them as if they were brand new. Other towns have been impressed and they are now saying that if Wellington did this for tennis, maybe they can, too.

Other Editors Say . . .

Jobholders

It is interesting to note that the importance people attach to their jobs seems to vary directly with the amount of skill the job requires.

It would seem logical that the unskilled workman, who isn't paid much and therefore is least prepared to cope with being out of a job would be the one most concerned with holding onto his job. With an occasional exception, it works out just the other way. The skilled worker who is almost indispensable on the job, and would be difficult to replace, is the one who is seldom absent, always calls in if he does have to miss a day or a few hours.

The workman who is easiest to replace is the one who has to be replaced most often.

Paul Timmons in the Amarillo Daily News

TEXAS 1876

JULY 30-AUGUST 5

FORT WORTH--The useless waste of money on weddings and funerals calls for reform. Extravagance makes young men dread marriage and death.

FORT WORTH--Henceforth the supplies for the army posts of the West, hundreds and thousands of tons of freight, will be shipped from the "City of Heights." Yesterday, Major Strang, quartermaster of the United States Army, arrived here, in obedience to orders from the War Department and established headquarters here.

SAN ANTONIO--An example will yet have to be made of some of the drivers of vehicles in this city, for leaving a horse, or horses, standing alone in the streets while they go into houses, generally barrooms. They thus cause runaways dangerous to the lives and property of citizens generally. We demand of the city authorities that they punish every such case to the fullest extent the ordinances allow, except where there is a valid excuse.

HOUSTON--The great railroad feat of changing the gauge from broad to standard on the Houston and Texas Central began at daylight this morning. The change is necessary because almost all of the other major roads in the state are built at the narrower gauge, necessitating transfer of all passengers and freights going to Houston. Preparations for the change, including new, narrower cars have been in progress for some time. With two teams working, it is expected that the job will be finished by tomorrow morning.

STATE CAPITAL Highlights AND Sidelights

AUSTIN — More than 29,000 miles of Texas roads and 2,564 bridges are hazardous because they were designed for traffic conditions of 40 years ago.

This is the conclusion of The Road Information Program (TRIP) nationwide study just completed.

TRIP found 56,000 accidents were caused in Texas last year by road hazards. The accidents cost \$173 million in hospital fees, property damage and payments to accident victims and survivors.

The Washington, D. C.-based research and information agency estimated nearly 17,000 miles of roads and streets are too narrow for safe passing by large trucks, school buses and other bulky vehicles at posted speeds. Another 12,606 miles contain sharp curves, soft shoulders, steep rises and dips, roadside obstructions, restricted sight distances and inadequate warning signs.

TRIP acknowledged that human error was a factor in almost all the 468,596 Texas highway accidents in 1975, but one accident in eight reportedly would not have occurred if road design and engineering had been adequate.

Texas Good Roads/Transportation Association also noted 20-year-old portions of the Interstate System are now obsolete and in need of modernization.

More Revenue

A Federal Power Commission increase in ceiling prices for interstate gas sales may mean millions of dollars in additional Texas state government income. However, the U. S. Court of Appeals has temporarily blocked the raise.

Comptroller Bob Bullock "guessed" the windfall may add \$66 million to the surplus projected for the end of the current biennium Aug. 31, 1977, and another \$165 million in additional revenue for 1978-79, if the FPC order is allowed to stand.

House Speaker Bill Clayton, while plugging for complete decontrol of natural gas prices, said the FPC decision could bring as much as \$400 million new money into the treasury for appropriation by the legislature at its 1977 session.

New Industries

Seventeen new industries — ranging from cheesecakes to sewage treatment — will bring an extra \$40.7 million to the Texas economy, Texas Industrial Commission reports.

The concerns which began operating during June will employ nearly 800 new workers, and the jobs will generate, in turn, another 700 additional job slots.

New industries are located in San Antonio, Dallas, Longview, Marble Falls, Stephenville, Marshall, Yoakum, Port Arthur, Wichita Falls and Austin.

Rates Rising

State Insurance Board actuaries laid out recommendations for an auto coverage increase of about 20 per cent.

Companies asked a 27.9 per cent boost. The board August 4 resumed the statewide car insurance hearing which recessed July 14.

Courts Speak

Third Court of Civil Appeals upheld lower court rulings against a permanent injunction sought by State Rep. Luther Jones of El Paso to stop a Texas Legislative Council property tax revision study through an inter-agency contract signed by Gov. Dolph Briscoe.

The legislature appropriated \$5 million last year for a study to determine the ability of a school district to support its public schools.

U. S. District Judge Jack Roberts turned down a Temple school district plan

to alter boundaries of city schools.

AG Opinions

Any service-connected disability entitles a qualified veteran to an additional five point credit on a competitive Merit System or Civil Service exam, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded: City ordinances may provide that public records, after microfilming, may be destroyed after five years.

A sheriff has no authority to bid property off to the state or judgment creditor taxing unit at tax foreclosure sales where local taxing units are the only judgment creditor and no bids are received. Taxing units are not liable for costs of foreclosure sales.

Mutscher Appointed

Former House Speaker Gus Mutscher was named to an \$11,398 a year post of Washington County judge after being released from probation on his 1972 bribery conspiracy conviction.

Mutscher said he is not really returning to politics with acceptance of the position at his home town of Brenham.

Washington County Commissioners unanimously voted to name Mutscher to succeed the late Odis Tomaszewsky who died July 8.

District Judge J. Neal Daniel signed an order releasing Mutscher from the five year probation sentence he was assessed on charges of conspiring to accept bribes in the forms of loans from Frank Sharp of Houston in return for passage of 1969 banking bills.

Short Snorts

Hearing on Entex Inc.'s application for higher gas rates at Orange ended with the company offering to submit a new schedule that would produce \$209,223 year in added revenue. The company originally sought more than twice that much.

Rains turned what was expected to be a banner grain crop into a disaster for South Texas farmers, Agriculture Commissioner John C. White said.

Mixed drink tax collections during the April-June quarter came to \$10.8 million, according to Comptroller Bob Bullock.

Corpus Christi businessman G. L. Suffredini received the State Junior Bar's Liberty Bell Award for community service.

The Governor's Committee on Aging approved three grants totalling \$724,169 for nutrition pro-

Judge Glenn Thompson of Morton congratulates the King and Queen of Arlie Old Settlers, John Clark of Garland and Mora Smith Powell of Wellington. Both were members of pioneer families and attended school there.

On Wall Street

by Bob Hill
Lentz, Newton & Co., Members New York Stock Exchange

There seems to be some "reverse snobbery" going on in the European countries as American automobiles are becoming the latest things in status symbols. In Germany, a Pontiac Firebird sells for about \$11,600, slightly above the \$10,800 BMW. It's a prestige thing because just about anyone in the upper income brackets drives a Mercedes or BMW.

Only 10,000 U.S. cars were sold in Western Europe in 1972. That figure jumped to 17,000 in 1975 and will probably hit 20,000 in 1976. All of the Detroit car manufacturers are participating in the sales jump with General Motors getting the lion's share through an aggressive advertising campaign and a highly effective distribution system. A total of 9,000 Cadillacs, Pontiacs and Chevrolets were sold in Europe in 1976, up from 3,800 in 1972. GM's sales goal for 1976 is 10,000 cars. Ford is expected to hit the 5,000 sales

figure with Chrysler and American Motors splitting the balance.

The strongest market for American cars is West Germany, followed by Switzerland, Sweden, Holland and Belgium. General Motors sold a total of 300 cars in Western Germany in 1972. Sales climbed to 1,500 cars in 1975 with 2,000 targeted for 1976. Switzerland consistently imports about 4,000 because of the continued switch over to U.S. cars from European makes and also because of the strength of the Swiss franc against the dollar.

The strength of foreign currencies against the dollar is one of the big incentives for buying American made cars. The Swiss franc and the

German Deutschemark have made the U.S. models much more affordable because the Cadillac Seville sells for just a small amount more than the Mercedes 450 SEL. General Motors has cut its prices by 10% while the European car makers have had to pass on several price increases in the past few months.

Buyers still have to wait before they can get delivery, but the delivery time has been cut from four months to three months. Camaros, Monzas and Firebirds are especially popular with the European and a special effort is being made to beef up inventories of those models.

YOU CAN BANK on it!

By **BILLY MOSELEY** President CITY STATE BANK

You Latin students may recall that our word "credit" comes from "credere," to believe or trust, which pretty well describes a process dependent upon mutual confidence.

Having an established credit rating is an asset, almost a necessity in today's world, and having a "good" credit record at your bank is invaluable.

Most of us buy small items on open account, a practice that began on a limited scale during colonial days, but for cars, TVs, refrigerators, we usually borrow from a bank.

Young married couples just starting out will find "bank credit" helpful in easing the strains of establishing a home. Credit then, in one sense, is an investment in your future. Protect it, use it, but don't abuse it.

"The more you know about our business, the more we can help you!"

LOCO LOBOS OF ANOTHER YEAR

These were the Loco Lobos of a certain period and they played mighty ball for their school. From left, they are Buford Minter of Lefors, Curtis Hall of Wellington, Henry Bearden of Hale Center, the Rev.

John H. Stout of Clarendon, Carl Sexton of Amarillo, Judge Glenn W. Thompson of Morton and LaVerne Chaudoin of Canton. Chaudoin later returned as a Loco teacher and coached another set of Lobos.

Other Bears

65 YEARS AGO - AUG. 4, 1911

"Messrs Huffman and Bevers have recently built a new ice house near their livery business and are now delivering ice to the various parts of the city.

A child of R Tucker who lives on the Ellison Ranch had all the fingers on the right hand badly mashed in a feed mill.

Postmaster Kirby announced establishment of a new rural route from Wellington to Quail and Lillie.

"Our friend M.F. Hunter happened to an accident while en route home one day this week...As he and little son, Earl, were driving along, the buggy tongue dropped to the ground, which frightened the team they were driving; causing them to run, and the pole of the buggy being down it was impossible to hold them, and soon the pole was broken, causing the buggy to turn over throwing Mr. Hunter and the boy out, and at the same time the team broke loose leaving the vehicle and occupants all in a pile."

The city had graded the streets around the square, which were in mudholes due to recent rains. J.C. Dean, an experienced railroad man, handled the work.

The old jail was moved from the north part of the court house lot.

"This week has witnessed the coming in of quite a number of prospectors, some of whom have made purchases as will be evidenced by realty deals reported elsewhere in this paper. But we predict that the livening up of things during the past few days is only a mere beginning of the liveliest times ever experienced in this town and county before. We but only await the beginning of harvest of the crops of cotton, corn, maize, kaffir, cane, alfalfa, etc., which now promises to be the biggest ever produced in the county. Come to Wellington and Collingsworth County; grow rich and be happy."

W.H. Mims, blacksmith, announced he was in business again and would handle automobile supplies.

Miss Juddie Martn, sister of R.R. Martin, was hired to teach in high school.

51 YEARS AGO - AUG. 12, 1925

Max Bentley, special writer for the Fort Worth Star Telegram gives the following information about Collingsworth County in a story in

Sunday's issue of the Star Telegram.

King Cotton securely claims as his own the country he passes over. Where Hemphill County, immediately north of Wheeler, has one gin, and a few hundred bales, Collingsworth County, immediately south, has 18 gins. And that number is not enough to handle the crop, for last year Collingsworth's ginnings were 42,700 bales. Wellington, the county seat, with 10 gins, was probably the leading town in all West Texas in point of town ginnings—32,000 bales was the figure it set. Can you think of any other West Texas town anywhere near Wellington's size with such a record of ginnings? There were 110,000 acres planted to cotton in Collingsworth County last year and this year's acreage shows a 20 per cent increase. The production of 1924 was almost double that of 1923.

All of which is reflected in Wellington's growth. A \$60,000 hotel is under construction and a \$25,000 Methodist Church, a \$25,000 compress, five one-story brick business houses and one

Free Clinic To Be Aug. 9

A free clinic offering vaccines that give protection against several childhood diseases is scheduled for Monday, August 9, at the Community Action Center, 612 East Avenue. The hours will be 1:30 to 4:00 p.m.

The vaccine offered will protect against polio, diphtheria, lock jaw, whooping cough, measles and rubella.

two-story house, and 15 dwellings. Eight brick business houses have been completed since the first of the year. On top of that record, the town itself is spending \$50,000 in enlargements on its water plant.

Mr. and Mrs. Jennings Wells, Dion and Teresa, of Waco visited recently with his mother, Mrs. J.W. Wells.

Card of Thanks

May I express my appreciation to my many Wellington friends for their calls, cards, flowers and prayers during my recent illness.

Also, I send a special thank you to Dr. Stevenson and the nurses in Memphis Hospital.

Mrs. Rosco Land

WOMEN'S CHAMPIONS

This team sponsored by Carroll's won the 1976 championship in the women's division of the Wellington Slow-Pitch Softball League. Standing, from left, are Vickie Black, Louise Powell, Rosa Cummings, Margie Garcia, Irma Aguilar, Bobbie

Thomas, Jackie Davis and Joy Belew. Kneeling are Christine Mackey, left, and Carol Ann Daves, Pam Ingram, Margie Keller and Kim Judd. Two members not present were Helen Patterson and Brenda Gunnels.

Brown, Needham Win Tourney

Kenny Brown and his guest, Jack Needham of Perryton, won the Division I Hay Camp Country Club Member-Guest Golf championship during the tournament held Saturday and Sunday, July 31 and August 1. They had a 112 score.

Needham, who grew up in Wellington, plays frequently on the Hay Camp Course. He is on the coaching staff of Perryton High School.

Winners in Division 2 were Howard Holton, who had as his guest his son, Truitt Holton. Their score was 140. Par for this course is 140 for 36 holes.

This is the second year the member-guest tournament has been held, and it is one of the most popular of all events at Hay Camp, according to Golf Pro Jim Terry.

Second place in Division 1 went to Jimmy Cochran and his guest, Dr. Joel Lowry of Vernon, with 118.

Third place winners were David Caison and Jimmy Black, with 119.

Other players were: Willie Gragson and Robert

Mills of Childress 120. Wayne Martin and Kerry Wood of Childress 121.

Bill Cole of Hollis and Bob Yeagen of Altus 123.

Henry Sullivan and Guy Robinson of Altus 126. Duward Parker and Roy Scott 126.

Doc Barjenbruch and Grant Woodridge 129.

Mack Saied, Jr. and his brother, Fred Saied of Elk City 130.

Second place in Division II went to Kent Pence of Hollis and his guest Jim Jones of Cheyenne, Okla. 122.

Third place went to John Coffee and David Pender of McLean 125.

Gary Brewer and Doug Chauveaux of Tulia 126.

Jones Singley and Steve Dyer 127.

Keith Martin and Kevin Wood of Childress 130.

Lonnie Neeley and Dennis Pender of McLean 131.

Dr. C.L. Harrison and Weldon Cleveland 135.

Teddy Martin and Danny West of Amarillo 143.

Mrs. F. Lindsey Dies Following Month's Illness

Mrs. Frank Lindsey, Sr., a resident of this area approximately 50 years, died in Memphis Hospital Thursday, June 29, after being critically ill for a month.

She came to the Marella community with her family from Louisiana in the 1920's, and lived there and west of Quail until she and her husband moved to Hedley in 1971.

The former Pauline Winegeart, she was born July 4, 1915, at Glenmore, La., daughter of Mr. and Mrs. W.M. Winegeart, now of Pampa. She attended school in Louisiana and later at Marella.

She was married to Frank Lindsey November 25, 1933, at McKnight, Donley County. For much of the remainder of their time in this county, they lived in the Pleasant Hill community, three miles west of Quail.

Mrs. Lindsey was a member of the United Methodist Church and of the Eastern Star, first at Wellington, then at Hedley. She also belonged to Quail Friendship Club. During the years the children were growing up, she took an active part in the affairs of the Quail School.

Funeral services were conducted at 3:00 p.m. Sunday, August 1, in First United Church, Hedley. Officiating were the Rev. Lewis Ellis, pastor of First Baptist Church, Hedley, and the Rev. Buster Huggins, pastor of Travis Baptist Church, Memphis.

Burial was in Rowe Cemetery, Hedley, under the direction of Kelso Funeral Home.

Active pall bearers were James Potts, Connie DeBord, V.C. Waddell, Ray Altman, Frank Murry, and Hobart Moffitt.

Honorary pall bearers were Henry Moore, Chester White, Pat O'Hair, Roy Peggram, Ira Morgan, Woodrow Clendenen, John Bishop, O.L. Hartman and Jim Lowe.

Surviving Mrs. Lindsey are her husband, Frank Lindsey of Hedley; four sons, Joe Lindsey of Emporia, Kansas, Frank Lindsey, Jr. of Clarendon, Jimmie Lindsey of Memphis and Bill Lindsey of Wellington; a daughter, Mrs. Mary Ann Houston of Tulsa, Okla.; her parents, Mr. and Mrs. W.M. Winegeart of Pampa; three brothers, Travis Winegeart of McLean, Eugene Winegeart and Mason Winegeart of Pampa; three sisters, Mrs. Opal Cochran and Mrs. Ola Mitchell and Pampa, and Mrs. Evelyn Parker of Channing.

There are 12 grandchildren.

Former Residents of Loco And Arlie Gather Sunday

Former residents of the Loco and Arlie communities gathered Sunday, August 1, for their annual reunion, and for some, this was a first reunion.

Others attending have never missed a meeting.

A king and queen were selected for each of the two communities, and these were chosen from among those present.

Honored from Loco were Nell Terry Burch who lives in Dallas, and Buford Minter of

Council Covers Routine Business Monday Night

The Wellington City Council took care of a variety of business in a short meeting Monday, August 2.

City Manager Glen Taylor told the council members that he will have a rough draft of the 1976-77 city budget to present at the next meeting Monday, August 16.

At that time, also, bids on the cash renting of the city water farm will be opened. This quarter-section has been rented on the third and fourths previously.

Nearly a mile of 6" asbestos-cement pipe has been taken up at the old water farm east of Wellington, and this will be used in replacing water lines in town, Mr. Taylor said.

This pipe, which the city manager said was "like new" would have a new cost of \$3.90 per foot and the amount already dug up represents between \$6,000 and \$7,000, he reported.

Repainting the parking lines on streets around the court house square began Tuesday morning, with work being done between 7:00 and 9:00 a.m. when few cars are downtown, until it is finished.

Mr. Taylor also said that the meter to measure water sold at the public pump, with a coin counter attached, has been installed.

The council approved the request of the Texas Twisters Square Dance Club to hold their regular dances on the square. These are night events, and they also asked to be permitted to hold a street dance during the Fair.

Bobby McBeth of Ebeling Mfg. Co., Plainview, appeared before the council to discuss the refuse compaction unit which his company sells.

The council took no action on either of the two bids for a garbage truck which were received.

Lefors. Mrs. Burch is the wife of Riley Burch.

Arlie honorees were Mrs. John Powell (Mora Smith) of Wellington and John Clark of Garland, one of the early Arlie School students.

This event was held to build interest and to attract larger numbers to the reunion. It was decided that those named must be from among the group attending. It will be held again next year.

Traveling farthest to the reunion were Mrs. Emma Wiley of San Jose, Calif., formerly of Loco, and Mr. Clark, formerly of Arlie.

Judge Glenn W. Thompson of Cochran County, conducted the short business meeting.

Hosts were named for the 1977 reunion and include Mrs. W.F. Harbin, Mrs. John Wolf, Mrs. Cecil Lockhart, Evelyn Lane, Mrs. Olean Bearden of Carey, T.P. Belew, Mrs. Cecil Masten and Mr. and Mrs. Pat Bouchelle.

This reunion dates back to August 1960, when Mrs. W.F. Harbin and Mrs. Herman Belew were hostesses to the Loco Reunion.

Three years later, 1963, the Arlie Community joined in to make it the Loco-Arlie reunion in its present format.

Reunions from time to time have featured programs giving much history of these two communities, much memorabilia from those communities, and some years, exhibits of paintings by the residents and former residents, as well as books they have published.

Those who registered for the 1976 reunion were Judge Glenn Thompson and his wife, Naomi Thompson of Morton; Olean Bearden of Carey; Mr. and Mrs. Stansell Clement of Lamesa; Nell Terry Burch and Riley Burch of Dallas; Mildred Gibson Locke of Amarillo;

Lee Gibson Bishop and John Bishop of Quail; Henry and Geneva Bearden of Hale Center; Goldie Stephens Hillman of Petersburg; Leonard McGinnis, Homer McGinnis, Harold McGinnis and Thelma McGinnis of Amarillo; Mr. and Mrs. John Clark of Garland;

Mrs. Emma Wiley of San Jose, Calif.; Bernice Wiley

Elbert of Lubbock; Floyd Clark, Pauline Brown Patterson; Minnie Rousey Tooms and Charley D. Rousey of Borger;

Mrs. John Wolf (Bethine Adkins); Louise Cox Mabery and Robi Lou Mabery; Mabel Forbis Emmert and J.B. Emmert; Mr. and Mrs. Carl Sexton of Amarillo;

Edith Copeland Carter of Hollis; Mr. and Mrs. Charles Carter of Childress; Mr. and Mrs. P.M. Bouchelle of Loco; T.B. Belew; Laverne and Juanita Chaudoin of Canton; Mrs. Jess White; Miss Doris White; Jennifer and Allen Havens and baby; Erma Lee Gunstream Lowrie and A.V. Lowrie; Virginia Robey; Curtis and Lottie Hall; Shorty and Vera Minter of Lefors;

Mrs. John Powell (Mora Smith); Mr. and Mrs. Herman Belew; Rev. and Mrs. John H. Stout of Clarendon; Mrs. Ura Scott; Mrs. Rube Crawley; Mrs. Earl Alexander;

Margaret Wolf Morris of Crosbyton; Mrs. S.W. Elbert; Mr. and Mrs. Truman Lane of Childress; Vermell Scott de Yomper; Mr. and Mrs. H.R. Wolf; Leon McClendon; Mr. and Mrs. Lloyd King;

Lorene Williams Morris; Mr. and Mrs. John Brim; Jess and Merle Motesenbocker; Ruby Lockhart; Mr. and Mrs. W.F. Harbin; Jan Meares of Abilene; Mr. and Mrs. Jack Meares and Monty Wayne Meares of Roscoe;

Richard Scott of Austin; Mrs. Mary Scott; and Harold Elbert.

Ex-Student Directors to Meet Monday

Officers of the Wellington Ex-Students Association will meet Monday, September 9, to make final arrangements for the Silver Anniversary Reunion.

This will be Saturday, August 14.

The meeting will be at the Greenbelt Electric Co-operative Directors Room at 7:30 p.m., according to Mrs. Calvin Mitchel, president.

She emphasized that volunteers are still needed to work with the reunion.

Winners Announced In Motorcycle Run

An Albuquerque, N.M. man took home the trophy for traveling the greatest distance to participate in the Wellington Cycle Club Poker run Sunday, August 1.

He was Jim Eubanks, and his trophy was one of 8 awarded at the end of the 60-mile, 5-checkpoint run which carried the riders over Collingsworth County highways and FM roads.

First place in the poker run went to W.P. Whitsett of Pampa; second, David Haefe of Vernon; and third to Kern Marlow of Altus, Okla.

First place passenger trophy went to Marieta Autrey of Canadian.

Receiving the trophy as the youngest rider was 11-year-old Lesa Morgan of Childress. Her family postponed their vacation so she could ride in this run.

Mr. Haefe then received the trophy as the oldest rider participating. He is 64.

The special Texas Motorcycle Roadriders Association trophy was awarded the member who had come farthest, and this was James Lollis of Perryton.

One of the requirements was that the recipient come

from TMRA Area E, which includes the Panhandle. The presentation was made by Jerry Rush of Amarillo, Area E secretary-treasurer, and his wife, who is area vice-president.

Kenneth Foster, Wellington Cycle Club president, was in charge of arrangements and all member worked to put on the program.

John Alf Thomas, who helped with arrangements praised the support given by the entire community. "Without their help, we couldn't have put this on," he said.

Law enforcement officers assisting were Chief Deputy Richard Keller, Deputy Gary Thomas and Special Deputy Kenneth Martindale.

Headquarters for the run was Pioneer's Park, and approximately 20 riders came early and spent Saturday night in the Park.

Mr. and Mrs. Chuck Wilbur and Lukas of Austin and Paul Wilbur of Amarillo were weekend guests of their parents, Mr. and Mrs. C.A. Wilbur and Bryan. They also visited their grandmother, Mrs. R.L. Karnes.

When it comes to homeowners insurance we're old hat

Fireman's Fund has been covering homeowners against fire losses since 1863. But today's customers get a better deal. Their coverage protects them against fire, storms, vandalism and just about anything that might happen. And it includes liability coverage if someone is accidentally hurt.

For up-to-date information on an old insurance idea, give us a call.
