LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JANUARY 11, 1962

NUMBER 35

**ADMINISTRATORS REHIRED** -- Glenn D. Reeves, superintendent of Littlefield schools, seated, called a meeting of the various administrators early Tuesday morning to announce that the board of trustees had given each a new contract. From left to right, they are Paul J. Jones, primary principal; Dave Tullis, coordinator; Don Williams, head coach and athletic director; James Pirkey, high school principal; and Forrest Martin, junior high principal. Not pictured are Beryl Harris, elementary principal, who is recovering from an injured ankle; and Sid Hopping, secretary. All received two year contracts except Reeves who received one for three years.

## School Board Rehires Administrators Monday

Littlefield School Trustees ended the contracts of the superintendent, principals, coordinator, secretary, and head athletic coach at their meeting Monday night.

Glenn D. Reeves, superintendent since June of 1960, received a three-year contract and James Pirkey, high school principal; Forrest Martin, junior high principal; Beryl Harris, elementary principal; and Paul Jones, primary principal, all received two-year contracts.

Also rehired for two more years were Dave Tullis, coordinator; Don Williams, head coach and athletic director; and Sid Hopping, secretary and business manager.

## TOWN and COUNTRY

by Wendell Tooley

**AT BOONE JR.**, has announced his candidacy for district judge, leaving an opening in the county judge office. So far, no one has announced for county office.

Contrary to what most people would think, the county judge's office does not require that the candidate have a law degree. The qualifications only state that he must be a "qualified citizen of the county," a citizen of the county, and learned in the law.

The county judge has several different jobs: He must preside over county court, juvenile court, he must make probate decisions, officiate at civil and criminal misdemeanors, he is on the county tax collection board. The judge has financial management of the county as he presides over the county commissioner's court and he controls the county budget office.

Obviously, Lamb County voters would like to see another "degree" man fill the office. The candidate should be a good family man and active in his work. If he is going to handle the juvenile cases with understanding, he should have a good knowledge of farm and the county's road program. He should have a good record of handling his own finances if he is going to direct county's spending. . . and top of all this, we can only hope that he has plenty of plain "horse sense."

The salary of the county judge is \$5,000 a year, plus \$300 for riding over the juvenile court and \$900 for travel expenses. He will seek the office of county judge in Lamb County? He is qualified for the position.

**"DRIVERLESS tractor"** -- County agent Bill Hopping had spotted one near Johnnie Gallini farm late yesterday afternoon. However, by day morning the cold spell had hit and all tractors were dead. . . whether they had drivers or not. (See Town on Page 12)

This is Reeves' second year as superintendent of schools, although he had served as high school principal for several years before being elevated to the superintendent post.

Pirkey, a member of the local faculty the past nine years, served as a vocational agriculture instructor before becoming principal.

Martin has been a member of the system for 14 years and Harris for nine years. Before becoming a principal Harris

served as band director for seven years. Tullis joined the local faculty last fall after having served as coordinator for several area schools.

Jones has been in the local system for 14 years, and Williams for the past five years.

Miss Alta Rattan was employed by the board to teach in the First Grade during the second semester. This will give the school system a total of ten sections of the First Grade and (See School on Page 12)

## New Cotton Planting Practice Released

Beginning with 1962 cotton crop, the acreage of cotton will be that acreage devoted to the crop.

"The current fallow-stripped (skip-row) restrictions and intertilled planting provisions are eliminated from the determination of cotton acreage," L. D. Aten, ASC office manager said. "This will afford each producer the opportunity of

planting cotton in the manner best suited to his particular operation."

The existing provisions for minimum normal row widths will apply and a maximum normal row width of 60 inches is established as a limitation in the determination of acreage involving unusually wide rows.

To be eligible for deduction, areas within a field not devoted to cotton must be at least one normal row in width and otherwise meet the minimum deduction requirements; except that, for skip-row and intertilled plantings such areas may be combined to meet the minimum area for deduction.

"In any case where the 60 inch normal row provision applies, a deduction may be made if the area between the rows which is not considered as devoted to cotton is at least 36 inches in width and meets the minimum area deduction requirements," Aten stated.

For example: cotton rows spaced 80 inches - entire area counted as cotton; cotton rows spaced 96 inches - 60 inches cotton and 36 inches deductible if minimum area for deduction is met.

Growers are to plant in uniform, regularly shaped and (See Cotton on Page 12)

**LOOK MOM, FOUR WINGS** -- This is not trick photography, but a real live goose with four wings. The goose was hatched out last spring and as it developed so did the extra set of wings, although much smaller than standard pair. The extra set protrudes at all times, as shown in the above picture. This phenomenon is extremely rare. The goose belongs to A. O. Aldrich who lives two miles south of Littlefield.

## Commissioners OK Office Budgets

Lamb County Commissioners approved the 1962 budgets submitted by the various county offices and the salaries of the elected officials during their regular meeting Monday.

By departments the budgets and salaries of the officials and deputies include:

**Sheriff's Department** - Dick Dyer, sheriff, \$5,700 and deputies V. L. Smith, Sr., V. L. Smith, Jr., Homer McLaury, Elson McNeese and Bill Ford, \$4,200 each and Kenneth Williams, office deputy and dispatcher, \$3,000. Receipts for the one office were estimated at \$9,500 and expenditures other than salaries, \$8,500. This is a \$25 a month raise for all the deputies.

**County Attorney's Office** - Curtis Wilkinson, county attorney, \$5,400 and secretary, Mildred Simmons, \$2,460. Estimated income was set at \$14,030, and total expenditures including salaries \$8,345.

**Tax Assessor - Collector's Office** - Herbert Dunn, tax assessor - collector, \$5,400 plus \$300 for administering the title act. Chief deputies Martha Markham and Lucile Walden, \$3,600 and deputies Marjorie Wood, Denise Edwards and Alma Parrott, \$3,300. Estimated income from this department was set at \$35,000.

**County Clerk's Office** - Charles Jones, county clerk, \$5,400 and deputies Charlotte Lightsey, Betty Melton, Jane Newman and Larue Weige, \$3,600. Estimated income for the year is \$20,000.

**Extension Service Department** - Bill Kimbrough, county agent, \$2,800 plus \$800 travel; Ronnie McNutt, assistant county agent, \$1,800 plus \$800 travel; Mrs. Lady Clare Phillips, \$2,120 plus \$800 travel; and secretary \$2,100. The (See County on Page 4)

Jurors summoned for possible duty include: Dale Weavers of Amherst; J. F. Minyard of Littlefield; Frank Adams of Olton; W. H. Cunningham of Littlefield; Fred Welch of Muleshoe; Tom Sluder of Olton; Paul Feathergill of Olton; Lamar B. Kelley of Amherst; James E. Cox of Amherst; Mrs. Basil Sherman of Olton; Leroy Maxfield of Amherst; C. A. Workman of Olton;

Raymond Lewis of Olton; Carl Jones of Hart; F. M. Smith of Sudan; Mrs. Allen White of Amherst; Mrs. Nolan Parrish of Sudan; Forrest Latimer of Olton; O. B. Whitford of Earth; Mrs. Dean Elms of Littlefield; Garland Rose of Olton; Raymond Motley of Olton; W. P. Holland, Jr., of Amherst; Mrs. Bill Bradley of Amherst;

Charles Sullivan of Olton; F. E. Burgess of Earth; F. Hollingsworth of Olton; H. H. Olds of Sudan; C. O. Taylor of Earth; Henry Mathis of Olton; Dale Harper of Earth; Richard West of Sudan; Leroy Fisher of Sudan; Vernon Nixon of Olton; Lynn Glasscock of Earth; and Dolan Fennell of Earth.

## Wreck Sunday Injures Five

A two-car accident two miles east of Earth at the intersection of FM 302 and U. S. 70 injured five persons. The accident occurred at 12:15 a.m. Sunday morning, according to highway patrolman Joaquin Jackson who investigated.

Jackson said a car driven by Concepcion M. Velasquez of Earth was traveling south on FM 302, approached the intersection of the highway and failed to stop at the sign.

His car entered the intersection and was struck in the right front fender by the left front of a car driven by Lupe Villarreal of Hart. Jackson said the point of impact was about a foot

on the south side of the center stripe.

Following the impact the cars slapped together with the Velasquez traveling to the left and ending up in a plowed field 84 feet from the point of impact.

The Villarreal auto veered sharply to the right and came to rest in front of a stop sign on the south side of the road 36 feet from the point of impact.

Two passengers in the Villarreal auto, Lupe Martinez of Springlake, and Rosella Bermontes Ortiz of Hart, Velasquez and two passengers in his auto, Hosea Simarion and Juan Simarion of Springlake were brought to a Littlefield hospital following the accident.

Hosea Simarion was taken to a Lubbock hospital Monday where his condition was described as "fair" Wednesday morning. The others injured were in satisfactory condition. Villarreal and another passenger in the Velasquez auto, Pete Simarion were not injured.

Damage was estimated at \$700 on the Villarreal auto and \$800 on the Velasquez vehicle. Jackson said charges would be filed later this week.

## Dykes Will Not Seek Post

Hubert W. Dykes, commissioner of precinct four of Lamb County announced this week that he would not seek re-election. He will finish out the term, which will be his tenth year as commissioner of that precinct. He said that he does not have any definite plans at this time as to what he will do after the commissioner's job is over. He expressed his thanks to everyone for the fine cooperation given him through the years he has served as commissioner.

## Know Your Merchant Contest Set By Press

On Sunday, January 28, the Littlefield Press will sponsor its "Know Your Merchants" contest with three prizes of \$65 cash money.

In the County Wide News of that date will appear the picture of just about every merchant in Littlefield and the three contestants who most nearly correctly identify all of the merchants will receive the prize money.

First prize is \$40, second, \$15 and third, \$10. On the following Sunday, the pictures will again be published with the correct names and the firms they represent and the winners will be announced.

The contest is designed for the benefit of both customer and merchant. . . to get them both better acquainted.

## Temperatures Dive Below Zero

Temperatures dipped below the zero mark early Wednesday morning as Lamb County received the icy blast from a cold front which passed through the area Monday night. Only the western edge of the front hit the county and only a small amount of snow fell in the area.

The storm dealt a severe blow to other parts of Texas and reports of heavy snow came all the way to Austin. Also seriously affected by the storm was the Fort Worth and Dallas areas where ice and snow closed many roads leading into and out of the cities.

## Light Water Vote Is Cast

A light turnout, caused by wintry weather, in the Highway Plains Underground Conservation District director's election placed Henry Schmidly of Levelland, Troy Moss of Littlefield and Roger Haberer of Earth on the water board.

Schmidly defeated incumbent director Roy Hickman of Morton and Henry Gilbert of Sudan for the director's post from Precinct 2. The precinct is composed of Lamb, Cochran and Hockley counties.

Moss defeated Doyle Tapley of Amherst for the county committee-at-large post and Haberer won out over Clarence Kelley of Earth for the county post in Precinct 2.

In the three counties the total vote amounted to 374. Voting throughout the district was light.

## Police Report One Accident

City police investigated a one-car accident near the intersection of Sunset and West First Sunday night, at about 8 p.m.

The police said a car driven by Alfred Otto Diersing of Route 1, Littlefield, was going north on Sunset when it hit the dip at the intersection of West First blowing out the left front tire.

Diersing lost control of the car which hit the curb on the east side of Sunset and overturned one time. Damage was estimated at \$200. Diersing was not injured.

## Ten Families Are Listed As Newcomers

Ten Newcomer families were listed as having moved to Littlefield during the month of December by the Littlefield Chamber of Commerce.

Those included on the list are: Tommy Bryant, 812 Twichell; George D. Neely, 110 E. 11th; Bruce Campbell, 600 E. 8th (upstairs); W. D. Taylor, 909 W. 11th; Milton Bundick, 812 1/2 Twichell; Roger Krick, 1011 E. 7th.

D. C. Ward, 416 W. 5th; Gene Landsdown, 600 E. 8th (upstairs); Russell Sharp, 210 E. 13th; Charles Smiley, 1306 W. 12th; G. D. Lancaster, 233 N. Westside; Cleon Cotton, 510 Duggan (upstairs); and Keeton Saunders, 305 E. 15th.

Each of the newcomers will receive several gifts and certificates from various Littlefield businesses.

The low reported in Littlefield was two degrees below zero early Wednesday morning. The low did not set any records, at least since 1953 according to a spokesman at Paymaster Oil Mill.

The previous low was a -10 degrees recorded in December 1953. One other time since that year the temperature has fallen below the zero point and was in January 1959 when a -3 degrees was recorded.

The extreme low temperature seemed much colder than that recorded because of a strong north wind which made outside activities cease.

One record was set according to an "oldtimer." Wednesday's high of 11 degrees was the lowest reading in history.

Hundreds of area residents awoke Wednesday morning to find their water lines frozen solid and many cars refused to start due to the low temperature.

Temperatures throughout the state dropped rapidly as the cold (See Weather on Page 12)

## WEATHER BOX

**FORECAST** - Partly cloudy and considerable warmer with the high temperature Thursday in the middle 20's.

**MOISTURE** - .05 for Tuesday, .45 for the month, .40 for this time last year.

**TEMPERATURES** - Sunday high 42, low 20; Monday high 41, low 21; Tuesday high 46, low 7; Wednesday high 11, low 2 below.

## Funeral Rites Held Monday For Cundiff

Funeral services for Ernest C. Cundiff, 70, the first Santa Fe Railroad agent in Littlefield, were held Monday at 2 p.m. in the Hammons Funeral Home chapel.

The Rev. Jack Ellzey, minister of the First Methodist Church, officiated. Burial was in the Littlefield Cemetery with Masonic graveside services.

Cundiff was born September 10, 1891 in Kansas and died Saturday in a local hospital. He had been in ill health for the past five years.

He moved to Littlefield in 1919 where he also served as secretary of the Chamber of Commerce, and as a tax assessor.

Survivors include his wife, Mae, two daughters, Mrs. Dan Hemphill, Odessa; and Mrs. Jack Sheldon, Oklahoma City; a brother, Clarence E. four sisters, Mrs. Hensel Phelps, Kathleen Cundiff, Mrs. Martha Hepworth and Mrs. Bill Sargent, and four grandchildren.

Palbearers were Leon Stansell, Floyd Coffman, C. O. Stone, Pat H. Boone, Carl Arnold, and Ben Lyman.

**WRECK INJURES FIVE** -- Above is the auto driven by Lupe Villarreal of Hart which collided with one driven by Concepcion M. Velasquez of Earth. The accident occurred early Sunday morning two miles east of Earth on U. S. 70. Five persons were hospitalized as a result of the accident.

Winners were: North - South; first, Mr. and Mrs. E. L. Coggin of Lubbock; second, Tom May and Richard Catero, Lubbock; third, Preston Morrow,

A graduate of Phillips University, of Enid, Okla., Mrs. Campfield holds a B. A. Degree in Religious Education. Before coming to Littlefield, she served as Director of Religious Education in the First Christian Church in San Angelo for two and a half years.

**dge Club**  
**ntry Club**  
and Butch Adams, Lubbock; fourth, Mr. and Mrs. Marshall Howard, East - West; first, Mr. and Mrs. Alvin Webb; second, Jerry Kirby and Dr. O. W. Still; third, Mrs. Ethel Hill and Mrs. Laveta Thompson; fourth, Mrs. James Steffey and Mrs.

The comparison above is based on manufacturers' suggested retail price of six cylinder 2-door sedans. Only white wall tires, bumper guards, other optional equipment, state and local taxes (if any) and destination charge extra.

# Cub Scouts Will Sell First Aid Kits In Campaign

Starting January 8, the Cub Scouts will conduct a house-to-house "Be Prepared for Accidents" campaign in the Earth-Springlake area.

Members of the group will visit every home in the community. They will present the homeowner with a first aid chart showing approved procedures for dealing with various types of accidents, and will offer to assist the homeowner in checking his first aid supplies to determine whether his home is adequately stocked for accident emergencies. Where inadequacies are revealed, the members of the group will be able to offer a selection of first-aid kits so that the homeowner may choose the kit that best meets his needs. Kits designed for use inside or outside the home will be available. Auto kits, travel kits and kits suitable for the hunter and fisherman will be included in the selection.

Profits realized on the sale of the kits will be used to meet the costs of a variety of activities.

Persons not contacted in the campaign and wishing to purchase a first aid kit may contact any den mother or Mrs. Wilson Lewis.

The Cub Scouts are hoping the campaign will alert the entire community to the importance of being prepared to give accident injuries prompt first aid.

The regular monthly Scout Roundtable will be held in Littlefield at the First Methodist Church Monday night, January 8 at 7:30 p.m. All Scout Leaders and Cub Scout leaders are invited to attend this meeting.

"KNIGHTS OF YORE" Theme of month for Cubs, Members of Den 6 heard the story of "The Knights of Yore" at their regular meeting Tuesday afternoon read by Mrs. Edwin O'Hair. The boys were shown a helmet made out of a half-gallon ice cream carton which they are to make at the next meeting. Danny O'Hair served refreshments. 6 members and the Den Chief, Rickey West were present.

Steve Sanderson and Jimmy

Littleton told stories to their fellow den members and new Den Mothers, Mrs. Bill Perkins and Mrs. J. J. Coker at the Tuesday afternoon meeting. The boys started making shields as part of their project of the "Knights of Yore" theme for the month of January. Kent Coker served refreshments to 7 members of den 2 and the Den Chief, Arboth Ryland. Mrs. Perkins and Mrs. Coker replace Mrs. Donald Street and Mrs. Wilson Lewis who have served as den mothers for the past 8 months. A story about knights was read to the group by Mrs. Coker.

Webelos met Tuesday night at the Community Building with their leader, Jim Glasscock and the Den Chief. The boys have completed their leather work. They discussed selling first-aid kits and will begin next week.

The Woman's Society of Christian Service met for their General Meeting on January 2. Mrs. Bea Hinson was in charge of the program "Alcohol and Christian Responsibility." The program was a question and answer panel with Mrs. Roberta Cowley acting as questioner and Mrs. Gayle Littleton, Mrs. Ray Axtell, Mrs. Bea Hinson, and Mrs. Ramona McDonald answering. The Betty Campbell Circle reported that about 150 cook books were sold. Interested persons may get a cook book at the church.

The home of Mr. and Mrs. Billy Free of Ballinger was the scene of the annual New Year's Eve for the following couples, Mr. and Mrs. Melvin Bock, Mr. and Mrs. Wilson Lewis, Jr., of Earth, and Mr. and Mrs. Elroy Wisian and children of Woodward, Okla. This group has been together for eleven consecutive years. This year they ate dinner out and saw the New Year in.

Mrs. A. C. Roberts, Sr., a resident of Haskell for more than 54 years died in her sleep Sunday night at her home. She was the sister of Sam Cearley.

Mrs. Sandra Dunn was honored with a Pink and Blue shower January 3, in the Dunn

home. Refreshments were served to Jean Crable, Shirley Sigman, LaMoine Lee, Patsy Poyner, Ramona McDonald, Mary Kate Belew, Barbara Lewis, Joy Runyon and the honoree.

The Woman's Missionary Union of the First Baptist Church, Earth, had an executive board meeting with Mrs. Price Hamilton, president, presiding. Mrs. Hamilton read the prayer calendar and led the group in opening prayer. Officers present were Mrs. Roy Taylor, community Missions Chairman, Mrs. Lilly Wuerflein, Stewardship Chairman, Mrs. R. S. Cole, Missions Study Chairman, Mrs. Elton Shaeffer, secretary. Minutes were read and approved and plans were made for the coming quarter's work. The treasurer's report was given by Mrs. R. S. Cole in the absence of Mrs. Guy F. Kelley, treasurer.

Saturday afternoon callers in the Lewis Faver home were Mrs. Glendon Dyer and Lydia of Idaho, also Mrs. C. E. Dyer and Mr. and Mrs. Dee Lott and children of Springlake.

Refreshments were served to Jean Crable, Shirley Sigman, LaMoine Lee, Patsy Poyner, Ramona McDonald, Mary Kate Belew, Barbara Lewis, Joy Runyon and the honoree.

THE CHURCHES REPORT

Church of Christ Bible Class 155.  
First Baptist Church Sunday School 218.  
First Methodist Church Church School 158.  
The First Methodist Church continued their study "Latin Lands in Focus" with a devotional for the entire group. The children and youth then went to their departments, and had their lessons and did handwork about the work in Brazil. Mrs. R. A. Axtell gave the devotional and Lynn Hamilton read the Scripture.

This week is Bible week in the First Baptist Church, and the group will be studying the Book of Jeremiah. All Adults and young people are asked to attend.

Winners in the Best Decorated Home Contest were announced during the Christmas holidays by the Chamber of Commerce. The winners were the Cliff Layman home first, Zeph Robnett home, second, and Guy Kelley home third. Each home was judged secretly on Friday night, December 22, and winners received \$25 first prize, \$15 second prize and \$10 third prize.

Mr. and Mrs. Sam Cearley left Friday for an extended vacation in Kerrville, Tex.,

Mr. St. Magnus of Edinburgh, uncle of Mrs. Bettie Sulser, died Friday in his home.

Dick Evans, son of Mr. and Mrs. Harvey Evans will have an Art Showing in the Garner's Ice Cream Parlor, 1211 College Avenue in Lubbock. The exhibit opened January 5, and will be open for ten days. Dick is a junior at Texas Tech and is majoring in Architectural Engineering.

Mrs. Ruby Anderson, city secretary, said that Poll Tax receipts in Earth are running normally and sales are expected to increase as the deadline of January 31 nears. Poll tax receipts can be purchased at the City Hall. With important elections coming up in 1962, all citizens are urged to pay their toll tax.

School Census Blanks were given to pupils of Springlake Schools. These blanks may be obtained by telephoning the superintendent, Bill Mann, or you may call in person at the school tax office and get a census blank. Six year olds who start to school next September, are most overlooked. These blanks need to be read carefully and returned to the school superintendent's office no later than Thursday, February 1.

left Friday, January 5 for Washington state where he is stationed with the U. S. Army.

Three Springlake high school seniors were presented with sweaters Wednesday when the high school met in their general assembly. Sweaters were presented by the Band Booster's organization to senior students who had been in band for two years and enrolled for the third year.

Mrs. Oletha Sanders, presi-

dent of the Band Boosters, made the presentation to Patti Mann, Charles Axtell and Shelby Bozeman. Patti has been in band for nine years, and plays the tenor saxophone. Charles is in his eighth year of band and plays baritone clarinet. Shelby plays cornet and has been in band for seven years.

Rev. M. B. Baldwin, pastor of the First Baptist Church of Springlake, showed his films of his recent European tour at

the Springlake School general assembly Wednesday.

Mr. and Mrs. N. C. Sulser and children visited her grandfather in the Methodist Hospital on Saturday. He is a patient there and will remain another three or four weeks for treatment.

Earth's new firetruck arrived over the holidays. The new truck will be used within the limits thus releasing the old truck

to make trips into the country. The pumper is equipped to pump 500 gallons per minute with 200 pounds of pressure. It is also built to meet all State Fire Insurance Board Specifications and is equipped with oxygen.

The city officials met Tuesday night and decided to convert the present city hall into a fire station, to house the new fire truck, and build a new city hall. Mayor Marcus Messer, Pat McCord, and Dutch Been were appointed to serve as building committeemen for the new project. Those present for the meeting were Pat McCord, M. E. Kelley, E. C. Kelley, Dutch Been and Mrs. Ruby Anderson, city secretary.

Mrs. John D. Adrian and

daughter, Alice Faye are in Yucapia, Calif., to spend two or three weeks with Mr. and Mrs. Hobby Spencer.

A Civil Defense program is to be held on January 22, at 7:30 p.m. in the Springlake School auditorium. Films will be shown on civil defense in schools and rural defense. A brief talk will be made on the progress that has been made in civil defense since it started. The local civil defense unit has already been approved by the state.

The Sammy Phillips family of Clyde, Tex., visited over the weekend with the M. R. Phillips family.

## Penn Point

By D.H.P.

Each one of us who goes to work every day, thinks that our job is the hardest, both physically and mentally. We often look at other fellow's job and think ourselves and sometimes find out that it is not a job at all but a soft position. One of us will every admit we really have it easy and get most upset when some derides us about our work proceeds to tell us just how they slave for the weekly check. To be perfectly honest with you, I would also proudly never tell that I have an easy life, but would come a lot later to telling you about the difficult jobs and long hours ended with being a newspaper editor. Here again, you and I could both be bored. That it all boils down to is a statement by Gerard Piel, publisher of the Scientific American. "Compared with the work that confronts most mankind every morning, most American citizens are not even in work at all."

This is true, but I think the people in America that are making the hardest are those who are not finding work. In and out of Littlefield, it takes a lot of effort to avoid finding a job, but we have plenty who are making this effort, and succeeding.

Just every once in a while a little unhappy with humanity as a whole. This past week, my feathers ruffled just a little when I found that someone had run into the side of a car and dented in a door. I couldn't have minded it so much, if whoever did it would have left a name, but they didn't. The car isn't hurt too much, only its pride. Some of you just can't win.

A total of 77 persons were reported killed in Texas traffic crashes during the ten-day period, designated as "Operation Deathwatch 1961" by the Texas Department of Public Safety.

This figure of 77 deaths, was fewer than expected. Highways of the life-saving campaign came on Tuesday, December 26, when no fatal crash

and no traffic death was reported anywhere in Texas. Never before has there been a "deathless day" in Texas traffic during an official year-end holiday period.

Of the 58 fatal collisions, 11 were responsible for a total of 30 deaths. Eight separate crashes took two lives each, another crash took four lives, and two others each took five lives.

Although the figures are far below the estimates, they are way high and in most cases simply a case of carelessness or neglect. Maybe one of these days all the drivers will drive safely and we won't have any deaths on the highways.

Fate had a strange way of getting even (if you want to call it that) with a fellow who lives in England. Seems as how he had two wives, one to whom he had been married for 26 years and the other 18 years. Both of them died early this week, just three hours apart.

One of the wives was 82-years old and gave the Britisher everything he wanted except children. The other wife, 44-years-old, gave him five children. The 82-year-old was the wealthy widow of a brewer and was the man's wife for 26 years.

The man had to make a decision as to whose funeral he would attend and chose to attend that of his 82-year-old wife. Some days you just can't win, and for this man, he lost all in one day. Yep, both women knew about the other...and approved of the relationship.

The good Ole' Days returned to South Dakota last week as a rancher rounded up 1800 head of beef cattle and drove them to market...not in trucks, but the way cattle are driven on tv's Rawhide.

The 65 mile drive took the cattleman and his cowboys five days and saved the rancher \$2,000 in shipping charges. What I look for now is some Texas rancher to move 2000 head of cattle 70 miles on foot...can't let anyone out do us Texans.

It just ain't safe to be an armed robber in Texarkana-es-

pecially if you happen to rob a certain grocery store. Seems as how three men robbed the store, but an alert manager jumped in his car and gave chase to the men fleeing on foot. He ran one of the men down and pinned him under the car. One thing about it, men don't run too well with two tons of automobile on top of them.

This morning and yesterday morning were just a little chilly, as far as the weather is concerned. I am looking for the guy who is supposed to close the north gate. Think he went to sleep Tuesday evening and left the gate open.

When the north gate is left standing open there ain't nothing between us and the north pole...and although I have never been to the north pole, I understand it gets quite chilly up there too.

This is good weather to stay at home by the warm fire with the tv set on and a bowl of popcorn. Only problem is not enough of us can do it and get by with it.

## Lions Club To Hold Pancake Supper

R. H. (Buck) Bryant led the Whitharral Lions in group singing at the school cafeteria Thursday evening, January 4. Earl Lewis led in the Pledge of Allegiance to the Flag. C. B. Keeney gave the invocation.

Supt. James W. Bowman presided at the meeting. The nominating committee composed of Pervadus Wade, H. G. Walden, and Roger White presented the names of Rafe Rodgers, Coy Grant, James W. Bowman, and Ed Johnson as candidates for "the citizen of the year." The winner of the honor will be announced and presented a plaque at the next meeting on January 18.

A pancake supper was announced for Friday, Jan. 19, at the cafeteria. Sides were chosen for a three-months contest, the winners having the most total weight in new members to be given a steak dinner by the losers.

Mrs. Viola Goad and Mrs. Richard Horton served the dinner prior to the meeting. Among those present were Bryant, Lewis, Keeney, Bowman, P. Wade, Walden, White, J. W. Borders, Jr., A. L. Polk, Ralph Wade, Rafe Rodgers, V. D. Hodges, Coy Grant, George Wade, Jr., Cecil Perkins, J. E. Wade, Bob Grant, V. G. Simmons, C. W. Stafford, Don Redding, Billy Williams, Robert Avery, E. E. # STATE CAPITAL Highlights AND Sidelights by Vern Sanford

JUSTIN, Tex. - Talk of ending the special session of the Legislature on its opening day did not get off to a fast start.

When the lawmakers got to the Capitol, the talk of ending the special session was not a popular one. Little support could be expected from Sen. George Parkes, of Dallas and Rep. Charles Ballman of Borger, for immediate adjournment.

So, the show is on -- and already moving at a fast pace. Governor Daniel immediately put out his proposals for solving some long-standing problems. Included were the following:

**BANKSHEAT:** Here a compromise with bankers was sought, under which banks would be permitted to charge a fee for the use of accounts which had been inactive for several years. Balances under \$25 would be sent to the State Treasurer, and if they appear, pay them a \$100,000 revolving fund which would be kept in the Treasury for that purpose.

**ESCHEAT:** Here a compromise with bankers was sought, under which banks would be permitted to charge a fee for the use of accounts which had been inactive for several years. Balances under \$25 would be sent to the State Treasurer, and if they appear, pay them a \$100,000 revolving fund which would be kept in the Treasury for that purpose.

One effect of the sales tax has been to get stores located so they will pay the "store tax" which has been in effect many years.

A year ago at this time, only 81,109 stores had paid this tax. This year, 116,393 have paid it.

It all came about when stores were required to get permits as collectors of the new sales tax. Comptroller Calvert crossed - checked their names, and collected the "store tax" from them while he was at it.

Mr. and Mrs. Glenn Leggett and Preston spent Christmas Day with his sister, Mrs. Solon Lee and husband, Shallowater.

## Scout Council Plans Meeting At Tech

Cliff Cummings, president, announced the 30th Annual Meeting of the South Plains Council to be held on Tuesday, Jan. 16. The meeting will be held in the Student Union Ballroom of Texas Tech College, beginning with the dinner at 7:00 p.m. Over 400 are expected to attend the meeting.

Highlighting this Annual Meeting will be the installation of new Council officers, report on the past year's accomplishments, presentation of the coveted Silver Beaver Awards to selected outstanding Scouters in the Council, Scouters and wives are expected to attend from towns all throughout the 20-county area that makes up the South Plains Council.

Cummings announced the principal speaker to be Dr. Albert E. Iverson, National Director of Protestant Relationships of the Boy Scouts of America. Dr. Iverson has had a wide experience as a Church leader and as a Scouter. He directs cooperative relationships between the Boy Scouts of America and all Protestant and Catholic Churches. In the Boy Scout movement he gives direction to a program of religious activities which includes chaplain service to Boy Scout Camps, church awards and many other phases of spiritual emphasis. Dr. Iverson was born and reared in Chicago. He served pastorates in the Lutheran Church and has been the Executive Secretary of the Evangelical Lutheran Church of America. Dr. Iverson has served as a volunteer Scouter too, as a Cubmaster, Scoutmaster, and many other positions. Included in the new officers to be installed will be Council President, Vice Presidents,

to Gary Lee DeBerry, all of the Southeast quarter of Section No. 9, Block A, Lamb County.

seven Council Operating Committee Chairman and Council Commissioner.

The South Plains Council served almost 8,000 boys in some 300 Scout Units during 1961. This Annual Council meeting is the climax to each year's operation of the Scouting program in this area. Reservations may be made through the Council Service Center and also through the District Chairmen in each of the seven districts that make up the Council. Reservations should be in by January 13th at latest.

Acres of the 1961 crop of sugar beets -- estimated at 1,120,000 planted acres -- were also unrestricted. However, acreages of the preceding six crops were restricted.

The U. S. Department of Agriculture announced on December 28 that there will be no governmental acreage restrictions on the 1962 crop of sugar beets.

The decision was based on a number of considerations. Late estimates indicate that sugar production from the 1961 sugar beet crop will be about 2,525,000 tons, or approximately 200,000 tons less than anticipated at the beginning of the harvest.

Secondly, the inventory of beet sugar at the end of 1961 will be close to 100,000 tons less than at the beginning of the year. Thirdly, there are major uncertainties regarding the beet sugar quota which may be effective for 1963, the year during which most of the 1962 crop of beet sugar will be marketed. In view of these uncertainties and other considerations the USDA said the maintenance of sizable stocks of beet sugar appears prudent.

## CHEVY II WINS AWARD FOR ENGINEERING EXCELLENCE!!!

This is the Nova 400 Sport Coupe, just one of 11 Chevy II models you can pick from.

The men who know cars best put Chevy II to the test. And, after they had compared it with the rest of the '62 crop, the editors of *Car Life* magazine picked Chevy II for their coveted Engineering Excellence Award. Why? Here are some of the reasons in the editors' own words: "The Chevy II, in either 4- or 6-cylinder form, represents an important development in the American automotive field. The car is maximum transportation at

minimum cost..." And throughout the editors' reports on the engineering and road testing you'll find accolades like "easy maintenance"... "long wearing ruggedness"... "simple elegance"... "reasonable size"... "delightful car to drive." Get the full story in the February issue of *Car Life*. Better yet, see your Chevrolet dealer. See for yourself why luxury and low price have never been more beautifully blended!

# SCHOOL BOARD

(Continued from page one)  
will lower the average number of students in that grade to 28 per room.

Approval was also given for the addition of a second Special Education Class and will be taught by either Jimmy Robertson, present Sixth Grade teacher, or by Mrs. Glenn Reeves.

Robertson is at present seeking a special permit certificate required before he can instruct the class and in the event he does not receive it Mrs. Reeves will teach the class. If Robertson does receive the certificate then Mrs. Reeves will teach the Sixth Grade for the remainder of the school year.

The board approved the purchase of three bus chassis which will be delivered sometime in June. Also approved were the bills and the financial statement.

Prior to the meeting several of the board members made an extensive tour of the school facilities in an attempt to find out what maintenance and repairs need to be made. As a whole, the board concluded, the buildings were in good repair but several areas inspected will require some immediate action.

# COTTON

(Continued from page one)  
readily measurable patterns. The deductible area cannot be counted as diverted acreage under the 1962 Feed Grain Program.

"These provisions apply only to cotton and the method of determining acreage for other crops and land uses is not changed", Aten remarked.

# WEATHER

(Continued from page one)  
front forged from the panhandle to the Gulf coast. Lows reported Wednesday night ranged from a -12 degrees in the northern portion of the panhandle to the low 20's in and around Houston.

Several deaths throughout the state were attributed to the storm and at Fort Hood five persons were killed and injured 22 others when a tank and a truck collided on the post. Authorities blamed the weather for the accident. Sleet and snow were falling at the time of the tragedy.

Most area schools continued to operate as none of the county roads were impassable. However, throughout the state, many schools closed and those who were open had only about 40 per cent attendance.

Forecasts call for a gradual rise in temperatures with the high expected today to be in the mid 20's. No moisture is expected in the immediate area.

# TOWN

(Continued from page one)  
We'd still like to have a picture of a tractor breaking land, guided by the usual furrow guide for the front page Sunday, so Bill we'll try the one you've found should it ever warm up enough for it to begin running again.

Many exciting stories could be told by area farmers about driverless tractors that have jumped out of the furrow and plowed across paved highways, run into houses, and plowed up neighboring fields.

Of course there are many "fool proof" devices which are supposed to cut off the engine, once the tractor jumps out of the furrow.

There is no doubt that there is danger in breaking land with a furrow guided tractor... the danger can be greatly eliminated if the farmer will keep an eye on the tractor from his home or his pickup... or like the Gallini one, followed by another tractor with a driver.

The farmer who leaves one running and goes to town for the day... or leaves it running at night risks much in damages to tractor or other properties.

WELL, let's look at some funnies:

A very pretty girl in Altona, Pa., had a persistent but unwanted suitor in New York. When she refused to see him any longer, he resorted to an intensive mail campaign, sending her a special - delivery letter twice a day for 47 days. On the 48th day his strategy produced results. The girl eloped with the mailman.
