Reds Prepare For New Drive Toward Seoul

TOKYO, May 11. (AP) — United Nations troops shoved ahead three miles on the East Korean front today. In the west they dug in to meet an expected Red offensive.

South Koreans made the eastern advance north of parallel 38. They met only light opposition. One infantry company marched into Inje without firing a shot.

Elsewhere the front was quiet except for probing patrols. But there was continual movement back of Communist lines.

The Reds were building up four sizable pockets for a possible two pronged drive on Seoul.

Allied outposts sandbagged their positions, built booby traps and strung barbed wire.

On the other side of the narrowing no-man's land, Reds were moving up behind tank traps and minefields. Automatic weapon fire turned back small Allied patrols probing too close to suspected Red strength.

PICTURE OF FRONT

Front line dispatches Friday gave this picture across the front from west to east:

North Koreans slipping through 20 miles north of Seoul beteen Munsan and Uijongbu. Communist fire forced back a South Korean patrol on the extreme west. Opposing patrols clashed north of Uijongbu where Reds planted fused mortar shells in mine fields. Artillery cut up a Red patrol southeast of Uijongbu.

Chinese turned back small U.N. patrols probing the newest suspected Red buildup 15 miles northeast of Seoul. Tank traps, guarded by automatic weapons, blocked the approach to wooded hills.

Other Chinese moved down into the former no-man's land near Kapyong, 32 miles northeast of Seoul. Heavy antiaircraft fire met raiding U.N. warplanes.

Communists fired 100 mortar shells at a U.N. tank patrol rumbling into Chunchon, 45 miles northeast of Seoul. For the five preceding days Allied patrols had clanked through the city unopposed.

REDS BUILD AGAIN

Reds were building up their forces northeast of Chunchon. American officers expressed belief Reds might launch a diversionary attack in this area.

Far to the north smoke pots screened the countryside. Troops presumably were moving under the smudge.

The Eighth Army revised its estimate of Red casualties Thursday to 2,565.

An American F-80 shooting star jet was shot down over the front Thursday.

War planes raked Red air fields Friday at Hamhung on the east coast and at Pyongyang, the North Korean capital, in the west. The attacks continued a campagin to thwart a possible Red air offensive.

Biggest strike of this campaign, by 312 planes Wednesday at Sinuiju in Northwestern Korea, destroyed at least 15 single-engine Red planes caught on the ground, air officers reported.

U. N. bombers began blasting the new Chinese concentration near Capyong on the central front Thursday night and continued Friday.

Bank Robbed $4,400, Bandit Caught Nearby

COLLINSVILLE, Tex., May 11. (AP) — The Collinsville State Bank was robbed of about $4,400 today by a shabbily dressed bandit who was caught minutes later running on a dirt road less than a mile east of town.

Sheriff Woody Blanton identified the man as Earl Franklin Morris, 29, of Wichita Falls.

Deputy Sheriff John Everidge, who helped bring in the man, said he had given him a ride into Collinsville only Thursday.

Blanton said charges of armed robbery would be filed today.

Collinsville is a town of about 450 people in Southwestern Grayson County, North Texas.

The man, dressed in a muddy grey suit, walked into the bank about 9:15 a.m. He shoved a note into the cage of Teller Mrs. Inez Walker. It said "give me fifteen thousand dollars in bills and don't give an alarm."

He displayed an Italian-made .32 calibre pistol.

Mrs. Walker scooped all the bills in sight over the counter. He put the money in a paper sack, backed to the bank's front door, and fled on foot.

Two Collinsville men saw him running and quickly armed themselves and gave chase. They were Ward Cox, a mechanic, and D. C. Lewter, vocational agriculture teacher.

Less than a mile east of town, on a dirt road, Cox and Lewter—by that time joined by others carrying shotguns, rifles and other assorted weapons — ran him down. They said they did not fire at him.

The man fired two shots at his pursuers but gave up when Grayson County Deputy Sheriff John Evridge drove up, siren blowing.

"I was afraid you had a machine gun," the bandit said to Evridge in explaining his surrender.

"I did," Evridge answered.

Morris was taken to Grayson County jail at Sherman where he was questioned and charges were prepared.

3 Killed When Train Hits Car

HOUSTON, May 11. (AP) — Three people were killed outright in a collision between an east bound Southern Pacific passenger train and an automobile at Ralston Road, just off the Beaumont Highway at 9:30 a.m. today.

The train left Houston for New Orleans at 9:18 a.m.

Several ambulances from Houston were sent to the scene, about six miles from the Houston city limits.

Several injured were taken to the Pasadena General Hospital.

The dead included a five-year-old child.

No passengers on the train were injured.

Dawson County Gets Wildcat

Greenbrier Oil Co. of Fort Worth has staked location for a deep wildcat in Central - West Dawson County as its No. 1 M. C. Lindsey.

Location is 660 feet from east and 663.3 feet from south lines of section 132, block M, EL&RR survey. That makes it 13 miles west of Lamesa.

Rotary tools will be used to drill to 13,500 feet to test the Ellenburger. Operations are to start at once.

PLUGS BACK

Stanolind Oil & Gas Co. No. 1 Miller, wildcat northeast of Gail in Borden County is to plug back further and test higher sections in the Pennsylvanian reef.

The well is now at plugged back total depth of 8,058 feet where operator has been swabbing. Last reports say the well swabbed 12 barrels of oil and 10 barrels of acid water in 22 hours and then swabbed dry. It was shut in for 16 hours and during that time 125 feet of fluid rose in the hole. The well made shows of production in zones above the Pennsylvanian.

SALT WATER

Stanolind Oil & Gas Co. No. 1-A D. C. Hill, Garza County wildcat, has taken a drillstem test in the Pennsylvanian lime at 7,465-

More Than 100 Sign New Charter Petition

About 125 persons have signed the petition to be presented to the city council asking an election to decide on whether a new charter shall be drawn up for Snyder, Wayne Boren, chairman of the civic improvements committee of the Chamber of Commerce, said today.

About 200 signatures are needed, but more than that number will be easy to get, Boren believes.

State Senate Stays To Work On Taxes While House Leaves

AUSTIN, May 11. (AP) — The Senate met today while Representatives on the other side of the Capitol took the week end off.

The Representatives had tax problems to worry about — no matter where they were.

Thursday they stopped the onrush of the omnibus tax bill by a demand for more time to study it.

The House passed the measure weeks ago and sent it over to the Senate. Something new had been added — a tax on natural pipeline gas — when the Senate passed it Thursday morning. It had to go back to the House for action on the Senate amendments.

Rep. Jim Lindsey of Texarkana, chairman of the House Revenue and Taxation Committee, moved that the House refuse to agree to the Senate changes and call for a Joint Conference Committee.

This brought a flood of protests. Members said that the motion was an effort to jam the bill down the House's throat, that they wanted to study it.

Lindsey withdrew his motion and said the Senate version of the bill would be printed as quickly as possible and distributed.

One big headache was out of the way. The House approved the multi-million dollar state spending bill on a 72-61 vote and sent it on to the governor. It calls for the state to spend some 200 million dollars during the next two years.

Two proposed constitutional amendments failed to get House approval. One would have allowed the state to advertise and the other would have permitted persons accused of lunacy to waive jury trial.

The Senate passed and sent to the governor a bill to authorize civil defense compacts between Texas and surrounding states.

The Senate Oil and Gas Committee approved a bill to permit the Railroad Commission to set minimum prices on natural gas in the field. An amendment was added to permit producers to pass on to the consumer any purchase price increase ordered by the commission.

It already has House approval.

Dawson Plays To Full House

Donald S. Dawson (center), President Truman's personnel adviser, has a capacity audience behind him as he testifies before a Senate Banking subcommittee in Washington on claims he used influence in granting of Reconstruction Finance Corporation loans.

Dawson Denies All In Hearing Today

WASHINGTON, May 11. (AP) — Presidential Aide Donald S. Dawson and Senator Fulbright (D-Ark) clashed sharply today over whether Dawson had used his White House prestige to influence government loans.

The tiff came at the end of a Senate Banking Subcommittee's inquiry into the affairs of the Reconstruction Finance Corporation, the government's huge lending agency.

Leaving the witness chair after two days of testimony, Dawson told reporters the hearing "clearly demonstrates that there has been no impropriety on my part," as the subcommittee charged.

Fulbright, the subcommittee chairman, commented that that was only Dawson's opinion.

"Anyone can draw his own conclusions," Fulbright said. "There's quite a difference in views on what is proper and improper."

Earler, while the President's patronage adviser was on the stand, Fulbright told him that his denials of using political influence in RFC loans were "a little beyond my belief."

INFLUENCE CHARGED

The subcommittee has named Dawson as a member of an alleged influence ring which swayed the award of RFC loans.

Just before the hearing closed, Senator Douglas (D-Ill) tried to get Dawson to admit that perhaps he wielded pressure and wasn't ever aware of it.

"Did you perhaps, say, hint on occasion. . .?" Douglas asked.

"Senator," Dawson replied, "the fact is I am not a very subtle person."

Fulbright tried to make the same point, that Dawson, as the distributor of patronage, was in such a spot he didn't need to apply pressure.

"Whether you sought to do it, whether you intended to do it, you did influence them," Fulbright said of RFC officials.

"PURPOSE ACCOMPLISHED"

At the conclusion, Fulbright said he feels the main purpose of the hearings has been accomplished — namely, a complete investigation of the RFC.

He said he feels that in the future more care will be used by government officials in trying to apply political pressure.

Douglas agreed, saying:

"We've thrown the fear of God in a lot of places."

In questioning Dawson, Fulbright repeatedly stressed the power that Dawson's White House position appeared to give him.

Truman Signs Korea GI Bill

By JOSEPH C. GOODWIN

WASHINGTON, May 22. (AP) — President Truman today signed a bill giving veterans of the undeclared Korean war all the medical benefits previously granted survivors of other wars.

WASHINGTON, May 11. (AP) — Veterans of the undeclared Korean war will be eligible for the same medical benefits as survivors of other wars if President Truman approves.

It is virtually certain he will. He asked Congress for such legislation Thursday, even while Congress was considering it.

Reports reached here of a 21-year-old discharged Korean veteran who was denied admittance to a Veterans Hospital because his fighting was not in a declared war. Hospital officials said there was no law to cover his case.

There should be such a law, President Truman said at his weekly press conference. He followed through with letters to the House and Senate presiding officers.

And by nightfall, both houses had acted to extend war coverage to Korean veterans.

The bill, as it reached Mr. Truman's desk, entitles Korean veterans to these World War II privileges:

1. Medical, hospital and domiciliary benefits; 2. Burial benefits; 3. Compensation and pensions for the veteran and his dependents.

Indonesia To Keep Trading With Chinese

JAKARTA, Indonesia, May 11. (AP) —Indonesia said flatly today she intends to continue selling rubber to any country — including Red China — that can send her goods she badly needs.

The stand of this major producer — a member of the United Nations — was expressed by Foreign Office Spokesman Ziram Zaino. He added, however, that Britain's decision Thursday to ban rubber exports to Communist China probably will be discussed soon by the Indonesian cabinet.

Last Monday, Foreign Minister Achmad Soebardjo declared here that Indonesia would "sell to the devil if this would serve the people's interests."

In Singapore, there were reports today that the Singapore and Malayan governments likely will follow Britain's action in placing an embargo on rubber exports to the Communists in China.

Dr. Zaino, head of the economic section of the foreign affairs ministry here, said Indonesia does not want to anger the Western world, but the young nation sorely needs food and capital goods to get her chaotic economy in shape.

NewLiquorTax Gets Approval

WASHINGTON, May 11. (AP) — The House Ways and Means committee today tentatively approved a $250 million increase in federal taxes on liquor, beer and wine.

The rate on whiskey and other hard liquor would rise from $9 to $10.50 per hundred proof gallon.

Beer, now taxed at $8 a barrel, would pay $9.

The increases on wine would vary from a two-cent-a-gallon hike on light wines to a 25-cent increase on those containing more than 22 per cent alcohol.

Champage and other naturally fermented sparkling wines would be taxed at 17 cents a half pint instead of the present 15 cents.

In each case, the rate increase was less than the administration had proposed. The treasury had recommended raising the tax on hard liquor to $12 a gallon and on beer to $12 a barrel.

27th St. Bridge Will Be Opened Next Week

Opening of the new Twenty-seventh Street bridge across Deep Creek will probably be delayed until next week because steel railings for the sides of the bridge have not arrived, Dwight Look, assistant city engineer, said today.

The steel railings arrived earlier, but were too short and had to be sent back for rails the correct length, Look said.

Weather Is Milder

The 81-degree maximum temperature in Snyder yesterday seemed almost mild compared to the higher reading of the day before, but was still warm for spring. The minimum recorded before dawn today was 52 degrees, with 60 degrees recorded at 7:30 this morning.

Panama President Hauled Off To Jail After Bloody Battle

By BEN F. MEYER

PANAMA, Panama, May 11. (AP) —Panama's police army and public opinion gave the country a new president Thursday night after four days of riots and revolution in which at least 12 persons were killed and hundreds were wounded.

In a three-hour battle inside and around the handsome little presidential palace, the national police —the country's only armed force —hauled deposed President Arnulfo Arias off to jail. Nine persons died in the fighting and 80 or more were wounded.

Arias' successor, Alcibiades Arosemena, was expected to move today into the palace which Thursday's fighting left a shambles. A well-to-do dairy farmer, he was first vice president until the National Assembly Wednesday night impeached Arias and swore in Arosemena.

Still in the saddle as Panama's strong man was Police Chief Col. Jose Antonio Remon, who put Arias in the president's chair in 1949 and who took him out of it Thursday after public clamor supported the National Assembly's impeachment action.

FRIEND OF U. S.

Arosemena announced that his government would include representatives of all political groups except the outlawed Communists. He said it would co-operate fully with the United States, which controls the Panama Canal Zone territory through the middle of the republic.

Arias touched off the wave of violence Monday night with a decree outlawing the 1946 constitution, reinstating the 1941 charter and dissolving the National Assembly. He said he acted against a subversive Oppositionist-Communist plot which threatened the country.

Arias Wednesday night annulled his decree and Remon said he would support him in office, but the police chief switched his stand Thursday afternoon after Supreme Court Chief Justice Erasmo de La Guardia told a cheering crowd of thousands the impeachment of Arias was constitutional.

Arias and 1,000 or so of his followers entrenched themselves in the upper stories of the palace. Others of his armed supporters barricaded streets leading to the building with trucks and took positions behind them. Pro-Arias snipers were posted at vantage points throughout the city. Then the president rejected Remon's order that he quit the palace.

The battle was joined when Arias supporters in the upper floors of the palace opened fire on a police guard occupying the first floor. The city's streets were deserted as both sides battled with machine-guns, rifles, pistols and grenade. Police reinforcements fought through to the palace but it took them an hour to get through the barricades.

After Remon threatened death to all in the palace unless Arias surrendered, his cabinet gave in. Soon after, the president, unhurt but "pale and fearful" in a blood-stained white suit, was taken.

Mac Told By Truman What Our Far Eastern Policy Was - Marshall

3 Girls Held For Offenses To Young Man

WESTERLY, R. I., May 11. (AP)—Three 21-year-old girls were charged today with forcing a man at knifepoint to submit to them in the back seat of his car.

The girls — two of them described by police as "very attractive"—gave their names as Eileen Harop Reposa, Barbara Reposa and Eunice R. Miller. Police said they gave Fall River, Mass., and Newport, R. I., addreses.

They pleaded innocent at a night district court session to charges of disorderly conduct and lewd and lascivious conduct and were held under $1,000 bail each for trial May 25.

Police withheld the name of the alleged victim "because it is too embarrassing for him."

The man — a 21-year-old resident of Providence — told police the girls hitch-hiked a ride with him on a Bridge, while he was on his way to fish in Narragansett Bay.

Investigators said he told this story:

In Narragansett, he stopped to let the girls out but one drew a knife and forced him into the back seat. Another girl took over the wheel.

He was driven on a lonely road in Charlestown, R. I. and there forced to have intercourse with each girl while the knife was held at his back. After the enforced alliance, they robbed him of $10 and drove him across the state line to Pawcatuck, Conn.

In Pawcatuck, the girls ordered him into a drug store to buy peroxide for bleaching their hair. Instead, the man slipped into a telephone booth and called police. A cruiser wheeled up while the girls were still waiting outside the drug store.

Moran Gets 5 Years In Pen

NEW YORK, May 11. (AP)—James J. Moran, close associate of former Mayor William O'Dwyer, was sentenced today to a maximum five years in prison and fined $2,000 on a charge of giving perjured testimony before the U. S. Senate Crime Committee.

Moran, a former deputy fire commissioner, told the Crime Committee he met Louis Weber, Brooklyn numbers racketeer, about a half dozen times over a period of several years.

But witnesses at Moran's trial in Federal Court testified Weber had visited Moran at least 111 times at his fire department office.

Moran was appointed to a $15,000-a-year lifetime post as a water commissioner by O'Dwyer shortly before the mayor resigned last year to become ambassador to Mexico. But after testifying before the Crime Committee he resigned under pressure from Mayor Vincent Impellitteri.

Harrell Paroled After Pleading Guilty To Charge of Robbery

Robert Lee Harrell, 28, of El Dorado, Ark., charged with robbery of the Western Union office here on Oct 3, when $593 was stolen, waived a jury trial and pleaded guilty this afternoon in district court here.

Judge A. S. Mauzey sentenced him to five years in the penitentiary, but upon recommendation of Eldon Mahon, district attorney for the 32nd district court, paroled Harrell to H. L. Wren, county parole officer.

Mahon told the court that had it not been for Harrell, the telegraph office robbery probably would not have been solved.

Dewell Turner, 28, of Fort Worth, was sentenced Tuesday to 10 years in the state penietntiary after entering a guilty plea to the Western Union robbery charge.

Two Navy Planes Collide Near Corpus Christi

CORPUS CHRISTI, May 11. (AP)—Two Navy Skyraider planes collided in the air Thursday. One pilot was missing, another parachuted to safety.

The missing pilot was Lt. (jg) W. A. Cody of New York City. The Navy said he was believed to have been lost with his plane when it crashed in Laguna Madre.

To Vote On Increase

FAYETTEVILLE, May 11. (AP)—Arkansas-Western Gas Co. stockholders meet in Dallas July 10 to vote on increasing capital. The proposal is to raise the bonded debt to not more than $2 million and increase common shares from 300,000 to 500,000.

Judge Mauzey Takes Leave

"I can never forget the people of Scurry County, whom I have served as judge of the 32nd district court when it was part of my jurisdiction," Judge A. S. Mauzey said today when he dismissed the jury which had been hearing criminal cases.

"I've come to love the people of this community who have been so kind to me," said the jurist.

Judge Mauzey indicated that he might return to Scurry County six years from now, if the temporary 132nd district court is not made permanent.

Attorney For San Antonio In Fatal Air Crash

CLEVELAND, Tex., May 11. (AP) —San Antonio's fighting young district attorney died a human torch Thursday, minutes after his crippled jet fighter crashed in a rice field.

Lt. Col. William N. Hensley, Jr., 33, son of a famed Army flyer, was on his way back to Langley Air Force Base, Va., after a visit to San Antonio.

He had been recalled to active duty with the Air Force as commanding officer of the 182nd Texas Air National Guard Squadron based at Brooks Field, San Antonio.

Several witnesses saw the fighter — its engine dead — try for an emergency landing. But the wheels of the plane caught a power line pole and the craft nosed into the ground.

Jack Rountree, grocery store operator, said the plane skidded about 400 feet after it struck the ground. It burst into flames.

Rountree said he and other witnesses found the pilot, his clothes on fire, about 25 feet from the burning wreckage.

"He was still breathing when we reached him," Rountree said. "We carried him to safety and a few minutes later Cleveland fire equipment and an ambulance arrived. But the pilot was dead."

Cleveland is some 60 miles from Houston.

Hensley was the son of the late Col. William N. Hensley, a balloon expert for the U. S. Army. Hensley Field, near Dallas, is named for the elder Hensley.

U. S. Rejects Pole Complaint

WASHINGTON, May 11. (AP)—The United States today rejected as a "pretext" a complaint by Communist-run Poland that the Polish trans-Atlantic liner Batory was subjected to mistreatment on trips to New York City.

Poland recently cancelled further service to New York by the motor ship. The Polish government protested against strict inspections by Federal Customs authorities and against the action of New York City denying further use of municipally-owned piers in the port.

The U. S. in a note delivered today in Warsaw rejected both these contentions as baseless. At the same time it denounced as "propaganda" a large part of the Polish protest April 18, after service was discontinued.

Beef Slash Ordered

WASHINGTON, May 11. (AP) — The government today cut the retail ceiling prices of some chuck steaks and pot roasts by about 12 cents a pound and of unboned rump roast by 5 to 6 cents a pound.

Need Of Allies Brought Out In Committee

WASHINGTON, May 11. (AP) — President Truman told Gen. Douglas MacArthur last Jan. 13 that Korean war policy must be designed to keep the support of allies whom "we would desperately need" in case of war with Russia.

This was contained in a message sent by the President as a follow up to a set of 16 possible courses of action the Joint Chief of Staff had dispatched to MacArthur the previous day.

The text of the President's message, in paraphrased form, was read by Secretary of Defense Marshall to Senate Committees inquiring into MacArthur's dismissal as Far Eastern commander.

At the outset, the President said his telegram "was not to be taken in any sense as a directive." He added that "It's purpose is to give you something of what is in our minds regarding the political factors."

ASIAN RISK GREAT

At one place the presidential message read:

"Our courses of action at this time should be such as to consolidate the great majority of the United Nations. This majority is not merely part of the organization but is also the nations whom we would desperately need to count on as allies in the event the Soviet Union moves against us."

Since Marshall first referred earlier in the hearings to the President's Jan. 13 message, some members of the Senate committees had pressed to get the text.

They contended the communication was of major importance in relation to the question of how much information was given to MacArthur as to the thinking and decisions of Washington policymakers.

Because the message had been sent in code, its text could not be released until it had been paraphrased — a precaution against aiding any potential enemy to break the U. S. codes.

MacARTHUR PRAISED

Mr. Truman told MacArthur:

"The entire nation is grateful for your splendid leadership in the difficult struggle in Korea and for the superb performance of your force under the most difficult circumstances."

Mr. Truman's communication also said:

"Steps which might in themselves be justified and which might lend some assistance to the campaign in Korea would not be beneficial if they thereby involved Japan or Western Europe in large-scale hostilities."

Marshall told the senators Mr. Truman's message was sent to MacArthur "to give the political factor" involved in the tentative proposals advanced the previous day by the Joint Chiefs of Staff for meeting various contingencies in the Korean campaign.

"The directive" from the Joint Chiefs, Marshall said, contained no political aspects "And therefore it was thought desirable that the President should send a message to General MacArthur with the political factors and overall directives of the government."

Enemy Casualty List Estimated By Army

WASHINGTON, May 11. (AP)—Enemy casualties in Korea through April 30 totalled 893,662, the Army estimated here today.

This represents an increase of 68,102 over the figure released through April 21.

A spokesman said he could not give UN casualties for the same period.

The breakdown of enemy losses shows that the North Koreans have suffered 534,146 casualties and the Chinese Communists 359,516.

Enemy troops captured totalled 147,122 by actual count.

Senate Would Withhold Aid To Countries Shipping To Reds

WASHINGTON, May 11. (AP) —The Senate has demanded that U. S. economic aid be withheld from any nation which permits shipment of any arms or other military material to Russia or its Communist allies.

This provision was written unanimously into a $431,127,477 supplemental appropriations bill passed by the Senate late Thursday.

The same ban was not included in the measure when it passed the House earlier. However, the Senate ordered its conferees not to yield an inch on the provision in their compromise sessions with House conferees.

This was done after Republican Leader Wherry of Nebraska noted that a similar ban was put in an appropriations bill last year but that it was watered down at House insistence.

Senators in both parties have denounced Great Britain and other Marshall Plan countries for what they called recent shipments of rubber and other goods to Red China. The ban was in an amendment offered by Senator Kem (R-Mo.) and accepted by the Democrats.

The appropriations bill includes funds for a number of government departments for the present fiscal year ending June 30.

Weather

WEST TEXAS — Partly cloudy this afternoon, tonight and Saturday. A little warmer tonight in Panhandle.

EAST TEXAS — Partly cloudy to cloudy, showers south portion this afternoon, tonight and Saturday. A little warmer in north and central portions Saturday.

Home Rule Charter Described As Progressive Step by Mahon

After more than 10 months study of possible city governments, the charter commission of Colorado City chose the council-manager form as the most efficient, Eldon Mahon of Colorado City told the Rotary Club yesterday.

"The petition now circulating in Snyder is for a home rule charter," Mahon explained. "Under the state constitutional amendment of 1913 a city of more than 5000 may write its own home rule charter.

CHOICES OPEN

"Three forms of government are permissible under the home rule charter—council-manager, in which the council sets the policies and the manager executes them; the mayor - council form; and the city commission form. The mayor-council form is what Snyder now has, and the the commission differs only in that commissioners, without a mayor, administer the city affairs."

Mahon called several features of home rule charters "advantageous." They enable a city annex areas in almost any manner it pleases, even without the consent of inhabitants of the annexed areas; to pass health and sanitation measures covering the city and mile outside the city limits; to police sanitation anywhere in the water shed flowing into its municipal water supply; and to zone the city for building.

FOR EFFICIENCY

"The city government is the biggest business in the town, the one which affects every citizen's daily life," Mahon stated. "Businessmen serving as a councilmen cannot devote the time to the job which is necessary to the smooth operation of such a large business. The answer is to hire a specialist.

"City managers are specialized, just like physicians and engineers.

"The movement toward city manager form of government has now progressed so far that some eastern states permit counties to hire county managers.

"City manager form of government will not mean a less expensive city administration, but most people in Colorado City believe it has meant more services for the city tax dollar.

"It has also stimulated interest in our city government. Before the manager was hired, we had difficulty in getting our best citizens to serve as councilmen. They were reluctant to take all the criticism we shower on public officials. Now, however, the city manager takes most of the complaints and looks after the details of city administration, leaving the council to set policy."

MOST FAVOR PLAN

Out of 102 Texas cities eligible for home rule charters, Mahon stated only 20 had not adopted new charters.

Under the Colorado City charter, the council elects the mayor from among its own number. The council has the sole pawer to hire or dismiss a city manager. The manager appoints department heads only with the concurrence of the council, but he may dismiss them without approval of the aldermen.

"We gave the manager permission to fire employees without council approval for this reason—it's always difficult for an elected official to fire anybody," Mahon said.

"One of the most beneficial provisions of the home rule charter is the necessity for the city manager to present a budget," he continued.

"The system is not perfect, and there will be a great deal of criticism when the change is first made. One of the biggest sources of criticism will be the city manager's failure to great special favors."

Cost to the city in salary for a city manager probably would be between $6,000 and $7,500, Mahon estimated.

Scurry Shrine Delegates To District Meet

About 25 shrine club members and their wives from Scurry County are planning to attend the biannual district meeting at San Angelo tonight.

Approving a charter for the newly-organized district will be among business matters attended to ,and it is expected that about 200 novices will be initiated.

Shrine districts usually hold meetings of this sort twice a year, in the spring and fall.

Among those planning to attend from Scurry County are: Mr. and Mrs. J. D. Scott, Mr. and Mrs. Lee Stinson, Mr. and Mrs. J. B Turner, Mr and Mrs Hilton Lambert, Mr. and Mrs. R. B. Sears, Mr. and Mrs. T. B. Odom, Mr Mrs Earl Strawn, Mr. and Mrs. Dewey Denson, Mr. and Mrs. J. P. Billingsley, Mr. and Mrs. Pat Moore, Mr. and Mrs. Dee Pylant, Paul L. Brenner, Pat Parkston, Martin Murphy, Woodrow Wilson, Charlie Burk, Mr. and Mrs. T. P. Allen, Mr. and Mrs. W. M. Davidson, Mr. and Mrs. H. F. Billingsley, Mr. and Mrs. Frank Wilson, and Mr. and Mrs. J. E. Hairston.

Oil News

Continued from Page 1

7,495 feet, and is now drilling ahead below 7,529 feet in lime and shale.

On the drillstem test, there was a strong blow of air throughout the three - hour testing period. Recovery was 6,100 feet of salt water with no shows of oil or gas.

BORDEN WELLS

Shell Oil Co. No. 3 Sterling, east offset to the recently completed No. 2 Sterling in Southeast Borden County, was spudded in to 200 feet yesterday. Operator cemented 13 3/8-th-inch casing at 196 feet with 300 sacks of cement, and will drill out the plug and drill deeper as soon as cement cures.

Shell Oil Co. 1 Long, wildcat northeast of Gail, is drilling ahead below 8,612 feet in lime and chert. It is slated to drill to 9,000 feet to test the Ellenburger.

IN KENT COUNTY

Texas Gulf Producing Co. No. 1 J. W. Young wildcat nine miles west of Clairemont in Kent County, is at total depth of 7,060 feet in lime and preparing to drill deeper. Operator has recovered tools after two days of fishing.

Kewanee Oil Co. No. 2 Oliver, offset in Northwest Kent County, is drilling below 5,258 feet in shale. Kewanee No. 1-A Bill Wyatt is drilling in Permian dolomite below 3,600 feet.

SCURRY TEST

R. Olsen Oil Co. No. 1 J. W. Templeton, Scurry wildcat 10 miles east of Snyder, is coring in lime and shale below 6,918 feet.

FISHER VENTURE

East of Rotan in Fisher County, Sinclair Oil Co. No. 1 Hunsacker is drilling below 6,404 feet in lime and dolomite. It has had no shows of oil or gas yet, but is expected to encounter the Ellenburger soon.

District Court Hears 3 Pleas

Three persons today entered pleas of guilty to felony charges in 132nd district court, before Judge A. S. Mauzey.

H. L. Van Zandt, 30, charged with giving a worthless check in the sum of $350 as payment on a 1947 Dodge car to the Lee Motor Co. here, waived a jury trial and entered a plea of guilty to the charge. He was given two years in the state penitentiary by Judge Mauzey.

D. A. George, manager of the motor company, took the stand and told the court that Van Zandt gave him the check as down payment on the car, and that when he presented the check to a local bank, it was not honored. This occurred on March 24. Geroge said the car was recovered at Lordsburg, N.M., and Van andt returned to Snyder by Lloyd Merritt sheriff.

Selman Richerton, 46, and Floyd Woods, 20, who entered pleas of guilty to fenony theft, were given three-year suspended sentences by Judge Mauzy.

The pair was charged with the theft of about $250 worth of pipe and valves from W. E. Hardy, three and one-half miles west of Snyder on Jan. 25. The pipe was recovered from the Snyder Pipe and Supply Co. where it had been sold by Rickerton and Woods, the testimony showed.

When the court asked the pair why they stole the pipe and valves, both told the judge that they were broke and needed the money. They also told the court that this was their first offense.

Van Zandt and Woods were represented by John K. Ford, local attorney, who filed the applicatins for suspended sentences for the pair.

At yesterday afternoon's session of the court, Frank Wilson, Jr. 21, charged with burglary, entered a plea of guilty and was sentenced to two years in the state prison at Huntsville.

B. M. Murphey, 52, who was charged with assault to murder Dudley T. Wooten Jan 25, had his charge reduced to aggravated assault and entered a plea of guilty. He was assessed a fine of $75 and costs by the court, which he paid. Murphey also told the court that he paid other expenses in connection with the case.

Bexar County District Attorney Is Killed

CLEVELAND, Tex., May 11 (AP)—William N. Hensley, 33, Bexar County district attorney, was killed Thursday when his Air Force jet Thunderbolt crashed into a rice field. He had been to San Antonio on a visit and crashed about an hour later when the engine on the plane cut off.

Railroad Stock Zooming High

ST. LOUIS, May 11. (AP) — Cotton Belt Railroad stock has zoomed $58 this week to $300, mystifying great numbers including President F. W. Geren.

It climbed $20 Wednesday. The western—extends from St Louis and Memphis into Texas. Only a few thousand shares are available to the public. The Southern Pacific owns 87 per cent. Green said speculators might be rigging the market.

"There isn't any rhyme or reason for it," he said. "I wish I knew myself."

Altogether there are a little more than 200,000 shares of preferred and common stock. About 171,000 of them are common and with Southern Pacific in control of slightly more than 87 per cent of them only about 22,300 are available to the public.

The road went into federal trusteeship in 1935 and back in 1944 you could have bought the stock for a dollar a share. That was before it had convinced the federal courts in 1947 that it was financially sound and could stand on its own feet without reorganization.

Today the line is making plenty of money. Last year its earnings were $10,533,439 of which about $1 million went to preferred stockholders.

That was equal to about $50 a share on common.

So far this year profits have been good. Earnings for the first quarter of the year amount to $2,370,617, or about 30 per cent more than for the same period a year ago.

Rites Here Today For Gerald Dixon Lewis, Killed in Car Wreck

Funeral services for Gerald Dixon Lewis, 35, who was killed yesterday morning in a two - car collision just west of Snyder, were to be held at 3 oclock this afternoon at the Church of Christ.

Mrs. Sylvia Bankston, 25, driver of the other vehicle, was moved from Snyder Hospital to a Colorado City Hospital yesterday afternoon by ambulance. Her condition was described as fair.

Mr. Boyd Fannin, minister of the Church of Christ, will officiate at the funeral services. The body is then to be taken to Bearden, Okla., for other services and burial Sunday. Bolger - Barnes Funeral Home is in charge of funeral arrangements.

Pallbearers will be R. L. Paul, E. W. Moore, J. M. Wright, O. D. Baxter, J. R. Urice, J. W. Rader, A. C. Shults, and R. F. Gregg. Honorary pallbearers will be CA Urice and J T. Kelly.

Mr. Lewis is survived by his widow, Mrs. Anita Lewis, a daughter and three sons, all of Snyder, his mother and three sisters, all of Oklahoma. He was employed by the Urice Drilling Co., and had been living in Snyder about a year.

Highway Patrolman To Refresher Course

E. W. Green, highway patrolman stationed in this area, is leaving Sunday for Austin, where he will attend a special refresher course for certain members of the highway patrol department.

Civil defense program for the state is slated to be one of the chief topics at the school, said Green, who is a veteran in the department. The course will last one week, starting Monday.

John Stavely attended a meeting of the draft board in Sweetwater Wednesday night and an REA meeting there Thursday night.

Mr. and Mrs. Gallen Hardin and sons from Sweetwater spent the week end with Mr. and Mrs. C.H. Sipes. Mr. and Mrs. Earl Phillips and children and Mrs. Mary Phillips were also their guests.

Mrs. Nolan Fulford and Mr. and Mrs. C . H. Sipes attended the fellowship meeting at the Calvary Baptist Church in Snyder Tuesday.

Mr. and Mrs. Wayland Mathis were in Lubbock Tuesday to attend funeral services for Mrs. Mathis uncle.

Darlene Taylor, Gail, Named Sweetheart Of Area Future Farmers

The sweetheart of the Snyder Fucity tax dilar.
was elected district sweetheart at a meeting yesterday in Big Spring.

She is Miss Darlene Taylor of Gail, a junior in Snyder high school. About 12 clubs throughout the district were represented at the meeting which selected Miss Taylor as district Sweetheart.

Late this month Miss Taylor will be entered as a contestant in the area convention.

Lake Colorado City Fishing Law Passed

Among the bills ratified by the Texas House of Representatives and Senate recently was Senate Bill No. 432, which prohibits the catching or taking of any type of fish from the waters of Lake Colorado City for purposes of sale.

Both houses also approved a bill authorizing county commissioners' courts to compensate constables and deputy constables for transportation or furnish adequate transportation within the state.

A bill authorizing the state board of education to combine subjects on the recommendation of the state textbook committee and the state commissioner of education was also approved. This bill provides for the adoption of textbooks for such combined subjects after approval of the necessary authorities.

Rotary "Farm Dinner" To Be Addressed By Noted Texas Humorist

Boyce House widely - known Texas humorist and after-dinner speaker, will address a dinner for Rotary Club members and guests Thursday night at the Northwest elementary school.

Rotarians will be hosts at the dinner to farmers and ranchers of the community.

Reservations for the dinner must be made by Wednesday morning with M. M. O'Rear at Carmichael Furniture Co., telephone 470.

Strawn Exploration In Schleicher Staked

The Ohio Oil Co. will drill its No. 1-E A.-L. Baugh as a Strawn exploration one mile northwest of the one-well Baugh-Strawn field in Schleicher County which was opened in 1949.

Location for the new project was made 660 feet from north and west lines of section 18, block M, GH&SA survey. The projected 5,900-foot test will start immediately.

The lone Baugh field producer, Ohio No. 1 A. L. Baugh, is averaging about 40 barrels of oil per day plus about 300 barrels of water on the pump.

Location is seven and one-half miles northeast of Eldorado and four miles south of the Hulldale-Strawn field.

Garza Well Plugs Back To San Andres, 2,750

Continental Oil Co. No. 1 J. C. Fumagalli, Northeast Garza County wildcat, has been plugged back from 8,206 feet to 2,750 feet and casing is being run for tests of the San Andres.

Some shows of production were logged in that formation when drilled.

Operator drilled to the Ellenburger and recovered only salt water at total depth.

It is located 13 miles northeast of Post and 1,980 feet from south and east lines of section 14, block 8, H&GN survey.

Simpler Collection Of Overdue Postage

Changes making parcel post packages on which some postage is due forwardable to the addressee or returnable to the sender without first collecting the amount of postage due became effective in the postal department May 1, J. O. Littlepage, of the Snyder post office, said today.

Until that time the parcel post matter on which postage was due had to be held until a card could be written to the receiver or sender and the amount due remitted, he said. Under the new set up the pacel is delivered and the amount due is collected upon delivery, he said.

Scurry Rancher Joins Hereford Association

Fickas Bell, Scurry County rancher, has been named to membership in the American Hereford Association, with members in every state in the United States.

Bell was among the 210 Hereford Breeders placed on the association's roster during April, bringing the total membership to 18,248. His ranch is located about seven miles northwest of Snyder.

PERSONALS

R. L. Perkins, Sunset Avenue, Highland Park, is reportedly improved after a few day's illness at his home with a streptoccic throat. Mr. Perkins, manager of the advertising department at the Daily News, expects to be back at his desk soon.

Newcomers this week to Snyder will be Mr. and Mrs. G. P. Randolph, Jr., who are arriving here from Houston today. Mr. Randolpb will replace Roy Crim as civil engineer at Humble Oil Camp. Mr. and Mrs.Crim are moving today to Midland where Mr. Crim will continue in the same position for the company.

Mr. and Mrs. W. F. Holcomb and Mrs. W. T. Cook, 3106 Avenue T, expect to entertain guests from Oklahoma Mother's Day. Here for a few day's visit will be Mrs. Cook's two daughters, and families Mr. and Mrs. H. C. George from Sulphur, Okla., and Mrs. A. Leslie from Idabel, Okla.

Mexican Boys' Town Will Get Help From Valley Residents

McALLEN, May 11. (AP)—The people of the Lower Rio Grande Valley are going to help Mexico establish a Ciudad de los Ninos —a Boys Town patterned after the famed boys home at Omaha, Neb.

Father Carlos Alvarez — "Mexicos Father Flanagan — launched his campaign for a Mexican Boys Town after seeing the movie "Boys Town starring Spencer Tracy.

The Mexican counterpart will be in Villa Guadalupe, on the outskirts of Monterrey. President Miguel Alemans wife laid the cornerstone for the first building early in February. So far about six million pesos has been raised. Two million more are needed.

Father Alvarez, a handsome young priest, was in the valley recently setting up plans for paper drives and other plans to help finance the home.

He was accompanied here by other Monterrey civic leaders and businessmen. Committees to plan the paper drives have been named in McAllen, Mission, Edinburg, Pharr, San Juan, Alamo, Harlingen, and Brownsville.

Trucks will be sent from Monterrey to gather the paper at Valley stock piles and take it to the Mexican city where it will be sold.

The first U. S. showing of the movie "El Gran Cardenal — the life of Cardinal Mendzenty of Hungary who was imprisoned more than a year ago by the Communists — will be shown here May 13. Proceeds will go to the Ciudad de los Ninos. Father Alvarez said a premier of a Class A Mexican picture will be held in Monterrey, with the film stars appearing in person, to push the Boys Town fund.

Mother's Smile

Most folks smile when you give them some token of affection. But no one smiles like Mother! Other folks' smiles express their joy in the gifts you have given them. But Mother's smile reflects her joy in the gifts *she has given you.*

It couldn't be otherwise. For in giving, rather than in receiving Mother has always found her happiness.

If next Sunday you are privileged to see your Mother smile—or if, perhaps, you'll pause that day to remember Mother's smile—then recall the Church of your childhood, and the day she first led you by the hand through its open doors.

The Church is still teaching the lesson of unselfish love that Mother learned and lived. The Christian Faith is still the way to that deeper happiness we see in Mother's smile.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Free State Of Bandera Set Up When Truman Riles Citizens

BANDERA, May 11. (AP)—If you get fed up with the United States in the spring, come to Bandera and secede.

The Free State of Bandera annually secedes (for three days) when spring opens the tourist season in the dude ranch country.

The three action-filled days are called the Bandera Stompede. And how they do stomp.

The 1951 Stompede was held last week end and brought more than 30,000 people swarming into this little town of 1,019 people.

The Stompede got its start in 1948 when the "Free State of Bandera' wrote two letters to President Truman asking for a national cowboy holiday.

President Truman, apparently not in a letter-writing mood, didn't answer them. The letters were signed by Zeke, a mythical "high constable" of Bandera.

The Presidents indifference got tempers riled here, and secession followed. A pair of blue jeans was chosen as the Free State's flag. Cotton Eyed Joe is the national anthem.

In Bandera during the Stompede, you can let your hair down, go western, rip, roar and snort, and generally do anything you're big enough to do. Texas' most beautiful girls enter the Bell Cow Cowbelle beauty contest, won this year by Dianne Munnink of Hondo.

Bandera's long line of gaudy, noisy night clubs and cafes are packed to overflowing as western bands grind out the best in western music. Rodeos, street parades, beard judging contests, old settlers reunions and other events intersperse Bandera's greatest attraction—the opportunity for bored tourists to blow their tops.

One of the beauty contest judges this year was Jake Trussell, Kingsville newspaperman. He and Mrs. Trussell decided to drive across the city about 9:30 p.m., Saturday night.

"Traffic was so thick, so jammed, and the streets so full of milling people that it took us an estimated 45 minutes to an hour o drive the two mile distance," Trussell recalled

"About 1 a.m. Sunday morning we tried futiley to get an order of ham and eggs in Bandera. There were so many persons in every cafe that we either could not get served or when we did get a waitress, it was the same story over and over 'Out of food until tomorrow.'"

But the Trussells liked it. They blew their tops with the rest of them.

"I've seen my first Stompede but it won't be my last. When the Free State of Bandera once again Stompedes from the Union in 1952, I'll be back."

Sailor, Beware Long Arm of Law at Lake

Fishermen going to Lake Colorado City may be able to catch a lot of fish, but they will have to be careful doing it.

Chances are if they mix any pleasure with their quest for aquatic delicacies, they are breaking the law.

The Colorado City council recently passed an ordinance governing just about every anticipated move a person could make while on the lake.

PERMITS GALORE

First before a fisherman or anyone else can even get on the premises of the lake he must have a permit from the city of Colorado City, unless he is one of a select, exempt group. Besides that a fisherman will have to have the regular state fishing license.

The city permits cost 25 cents per day or $5 a year. Among others, children under 17 years of age don't need a city permit.

If, however, a person has a permit, but forgets to keep on his person or in his boat, he could get into a lot of trouble. A special lake patrolman, city policeman, city inspector, game warden, or other proper authority could request the person to exhibit his permit. If he couldn't exhibit it, he would be guilty of a misdemeanor. Upon conviction he could be fined a sum not to exceed $200, and could have his permit suspended a year.

Next the ordinance provides that there will be no boat racing unless it is done just as the city wants it done. The way the city wants it done is only on Sundays and holidays between noon and 5 in the afternoon. This should be a boom for the sale of water-proof watches for race drivers.

CHART COURSE

That is still not all the ordinance has to say about racing. Those persons who like to speed on the water in competition have to have been thinking about it long time beforehand. They have to file written notice for approval with the city authorities at least 10 days before the race is to be held and on an approved course.

Those person who just want to ride around on the lake in a boat will have to be just as careful as the racers, for they too will be under the eye of the law.

The ordinance says that no boat shall pass within 250 feet of any other boat, the shore, floats, piers or persons while on the lake unless doing so at an idle speed. The ordinance explains that this is a safety precaution. If this rule is broken, here again the offender is guilty of misdemeanor and subject to the same punishment as the unthinking fisherman or racer.

SPEAK LOW

Loud talkers should be warned in advance before going near the lake. Loud language, yells and shrieks are strictly forbidden by the ordinance. It further explains that this is so that the "peace and quiet of the persons of ordinary sensibilities" will not be distrubed.

Another thing that particularly applies to the fisherman is that if any fish are caught ,he is stuck with them unless he wants to give them away. The ordinance says they can't be sold.

This brief summary of the major points of the ordinance is calculated to help persons who may have thought that all waterways were public and could be used accordingly.

Conference In Meeting Today

By HAROLD V. RATLIFF
(Associated Press Staff)

COLLEGE STATION, May 11. (AP)—Reactivation of the freshman rule and a stand on basket ball games in the scandal-marked East are major items coming before the faculty committee of the Southwest conference opening its spring meeting today.

There were indications of a close vote on the question of making freshmon eligible for varsity competition. None of the schools think they actually are needed now but there is agitation for making them eligible because other conferences in the country have done so.

D. W. Williams of Texas A&M College, president of the conference who is retiring at this meeting, said his school definitely was against voting freshman varsity eligibility.

The committee adopted a rule that basketball teams play only in games where the colleges have full control. This would eliminate games in Madison Square Garden, New York City, where the basketball scandals broke. Two conference members have tentatively scheduled games in the Garden next season. Texas A&M and Texas Christian both are waiting to see what the conference does before making it definite.

A policy on televising football games is due to be set by the committee. The conference wants to follow the same plan it had last year — of televising games only where there are sell-outs. But the NCAA has announced a rule that only one home game and one game away per team can be televised. If the Southwest Conference deviates from this rule it will have to be by special permission.

Texas Conference Meet

COMMERCE, May 11. (AP)—Track and field stars of the Texas Conference shoot for glory and medals today and Saturday in the annual conference meet.

16 Lettermen Don Grid Togs For Last Time

Fans will get their last chance to see 16 Snyder high school seniors in action on the gridiron tonight when the seniors play a regulation football game against next year's prospective team members.

The game will be played at 8 o'clock in Tiger stadium.

When the caps and gowns are passed out this spring, the 16 seniors will take with them much of Snyder's football skill, but they leave behind high hopes for next year's team. There are only nine returning lettermen, Speedy Moffett, coach, said. Only three of those nine were regular players he said.

However, this less of good players does not discourage Moffett's hopes for a great Tiger team next year.

He said yesterday, "I believe that we can manage to win at least half the games we play next season, and I think we are going to give other teams in our district some pretty rough competition in an attempt to be district champions."

In addition to getting to see a regulation football game in the "off" season, fans will be introduced to the three newly elected captains of the 1951 Tiger team.

They are Don Keller, Clifford L. Green, and N. J. Harrison—all returning lettermen and all mainstringers last season.

Reason for having three captains is that Keller received the high vote when the captains were elected, and Green and Harrison each received the same number of votes for second, or co-captain positions.

There are 45 men out for spring training, which will end with tonight's game, Moffett said.

Admittance will be free.

Rice Golfer About To Take Second Victory

COLLEGE STATION, May 11. (AP)—John (Buddy) Weaver, Rices gifted shotmaker, pushed toward his second straight Southwest Conference golf championship today, boasting a four-stroke lead going into the final 36 holes. Weaver registered a 145 Thursday in the opening 36, doing a two-over-par 73 on the first 18 and coming in with a 72.

In second place was Don Addington of Southern Methodist, who posted 75-74 for 149, while Frank Wear of Southern Methodist and Wesley Ellis of Texas each had 150. No team championship is involved.

Lone Star Conference

HUNTSVILLE, May 11. (AP)—The Lone Star Conferences annual track and field meet opens here today with Southwest Texas favored to win the team title.

Race At Top In Coast League

(By The Associated Press)

The Gulf Coast League race is still as tight as a last years suit of clothes. Laredo remains on top of the league, but:

Brownsville is a half game off the pace; Harlingen a game and a half back, and Corpus Christi two and a half games behind.

Laredo had a field night against Galveston, winning 11-1 to stay on top. Brownsville beat Lake Charles, 9-2, and Corpus Christi shut out Texas City, 11-0.

Harlingen bowed to Port Arthur, 4-2, to drop out of a second place tie with Brownsville.

Left Fielder Stan Loyko hit two home runs and a pair of singles to spark Brownsville to the victory.

Ray Mink of Corpus Christi gave up only singles in the fourth and eighth and a double in the ninth to Texas City.

Bud Chipman scattered eight Harlingen hits to snap a four-game losing streak for Port Arthur.

A&M Favored In Track Meet

COLLEGE STATION, May 11. (AP)—The 36th annual Southwest Conference track and Field Meet opens today with preliminaries in 14 of the 16 events and with record smashing due to start the first crack out of the box. The pole vault and high jump are not scheduled but the shot put and broad jump are and those are two of the events in which new records are expected. Darrow Hooper, Texas Aggie giant, has been beating the conference record of 50 feet 2¼ inches on every competitive throw this season.

Charles Meeks of Texas came within three quarters of an inch of the broadjump record only last week. The record is 24 feet 9 inches.

The pole vault and high jump, scheduled Saturday afternoon along with all finals, may also produce records.

Jack Simpson of Texas A&M has done 14 feet in the vault and thats 1 inches better than the record. Walter Davis of A&M has high jumped 6 feet 9 and 6 feet 8 this year. The record is 6 feet 5⅝ inches.

A&M is a prohibitive favorite. The Aggies won at their meets this season.

To make a quick tomato sauce for a Spanish omelette, heat chili sauce with cooked peas and finely diced onion.

Giants Fighting Hard To Get On Top Of National League

By JACK HAND
(Associated Press Staff)

With Al Dark hitting .370, Leo Durocher is leading his New York Giants back from the National League boneyard.

Dark, not Bobby Thomson or Monte Irvin, is the big man in the Giants bounce-back. Since the club broke its 11-game losing streak, Dark has averaged .486 at the plate in the last 11 games. Now the Giants are back in the league, only four games out of first place.

Everybody expected the solid eastern clubs to fatten on their weak western brethren.

But Boston and Brooklyn settled for .500 against the west and the defending champion Phillies wobbled around at a 4-6 pace.

CARDS LATEST VICTIM

The Giants, by winning nine of 11, almost wiped out the memory of their horrible start.

Dark had a hand in all the Giants runs in Thursdays 3-2 win over the flu-riddled St. Louis Cardinals. He singled in the first and rode home on Hank Thompsons home run blast into the right field seats. In the third he doubled and scored the run that proved decisive on Ray Nobles single.

Only three regulars were in the Cards lineup.

Cincinnati tightened the race by knocking off the leading Boston Braves, 4-1, on Ewell Blackwells seven-hit pitching. The loss left the Braves in first place by one game.

BROOKS BUMP CHICAGO

Brooklyn crowded closer by bumping Chicago, 6-1. It was Don Newcombes first win in almost three weeks.

Pittsburgh wound up a successful tour by shutting out the Phillies, 2-0, on Murry Dicksons four-hitter. All the scoring came in the sixth off Bubba Church.

All American League action was postponed.

Town-Country And Hermleigh Are Victors

Hermleigh ended a two-game losing streak last night to beat West Texas State Bank 12-6, and Town & Country defeated Pasotex 14-4 in the second game under the lights of Memorial Park.

Cool weather cut down the crowd but about 150 persons were in the stands and more than 100 cars were parked along the side lines during the games.

TWO HOMERS

Ned Butler, playing for the defeated Bankers, highlighted the fourth inning when he lined the ball deep into left-center field for a home run with the bases loaded. It was the only such homer of the two games, but Bobby Roemisch for Hermleigh also hit a home run. His came at the time when no one was on base, however.

Bothenheimer was Hermleigh's winning pitcher. Westbrook and McGaw started the West Texas State Bank loss as its pitchers.

Clark Wise, pitching for Town & Country, gave up seven hits, but only four runs to win 14-4 over Pasotex.

Lewis Beuerlein was the losing pitcher for Pasotex.

Billy Greenfield homered for Town & Country with one man on base in the fourth for that games biggest hit. There were no other home runs in the game, and no double plays.

GAMES TONIGHT

Tonight's games will be between Sun Oil and Texas Electric at 7:30 o'clock, and VFW and American Legion at 9.

Two games will be played Saturday night to make up the schedule which high wind and sand interruped Wednesday night, Eddie Hight, league president, said.

Those games will be between Texas Electric and the National Guard, and Parker Drilling and Halliburton.

The National Guard and Halliburton are new league entries and will be playing their first games.

Man With Signs On Can Say Too Much

LOS ANGELES, May 11. (AP)—Jack Redman is in jail today because he didn't like his new automobile.

When Dealer Eugene Klein refused to return the purchase price, Redman painted signs on the car: "I wuz robbed. No resale. Every screw loose."

After Klein got an injunction, Redman put on a new sign: "Legally restrained from saying anything BAD about this CAR."

A judge sentenced Redman to five days in jail or $100 fine. He chose jail.

When you're frying chicken start the meatier pieces first, then slip the less meaty pieces in between as the chicken browns. But don't crowd the chicken—it's better to use two skillets.

Dallas Hurler Has Marked Up Perfect Record

By WILBUR MARTIN
(Associated Press Staff)

Walt Lanfranconi is no spring chicken, but the 35-year-old Dallas hurler is cock of the walk in the Texas League.

He won his seventh game without a loss Thursday night, chunking a six-hitter at Beaumont, pitching Dallas to a 1-0 victory and serving 'em like it was mid-July.

While Lanfranconi was stretching Dallas winning streak to six in a row, Oklahoma City tumbled from second to fourth on a 7-3 loss to San Antonio; Fort Worth exploded for a 15-5 win over Shreveport, and Tulsa turned on its grandstand wolves and socked Houston, 14-2.

For Lanfranconi and Dallas, the victory over Beaumont was more than just a ball game. For the pitcher, it meant he has already won more than half the games he did all last season when his record was 13 victories, ten defeats.

And for Dallas, it was the first time since last July 31 that it had been able to beat Beaumont. Mike Lutz singled Frank Tornay home with a run in the fourth inning. And that was that.

San Antonio jumped into a three-run first inning lead, added two more in the second and managed to keep the advatage.

Fort Worth used a seven-run fifth inning to clip Shreveport, the seventh straight licking for the Sports.

Tulsa, pre-season pennant choice and of late a seemingly permanent occupant of the cellar, cut loose with its vaunted paper power—smashing 18 hits for a decisive victory.

When you're making a Welsh Rabbit using about a pound of sharp cheddar cheese season with two teaspoons of Worcestershire sauce for piquant flavor.

Man Holds Out Teeth

LOS ANGELES, May 11. (AP)—Her husband kept her false teeth in his pocket until she gave him money for liquor, Mary Julia Brown, 38, charged Thursday in a divorce action.

3rd Place Race In Longhorn

(By The Associated Press)

San Angelo ran its winning streak to twelve Thursday night and its almost become a habit.

While the Colts go merrily along at the top of the Longhorn League standings, a bitter battle is being fought for other first division berths. Vernon currently is in second place, five games behind the leader, but three clubs are tied for third.

San Angelo shut out Midland, 5-0, Vernon beat Artesia, 6-3, Roswell defeated Sweetwater, 10-4, and Odessa nipped Big Spring, 6-5. Roswell moved into a tie with Sweetwater and Big Spring as a result of the action.

Rookie Mario Saldana allowed only five hits in stopping Midland. His mates got ten blows.

Artesia paraded five pitchers in the last two innings trying to stop Vernon.

Pepper Martin became manager of the Odessa Broncs just prior to the game with Big Spring and led his club to a one-run victory. He homered in the fourth with a mate aboard.

Dean Franks notched his fifth win of the season against Sweetwater.

Abilene Holds To Close Lead

(By The Associated Press)

Things are tightening up in the West Texas-New Mexico League. Today six of the eight clubs are within four and a half games of each other.

Abilene remained at the top despite a loss to Lubbock Thursday night. Second place Albuquerque lost also but the four middle clubs won.

Lubbock tipped Abilene, 3-2, Borger nipped Albuquerque, 5-4, Lamesa edged Pampa, 4-3, and Amarillo won its fourth game of the year, a 6-3 victory over Clovis.

Julio Moreno pitched Lubbock to its victory, scattering eight hits well.

Rene Vega withstood a two-run Albuquerque rally in the eighth inning to pitch Borger to the win. Six Albuquerque errors helped.

Don Paling checked Clovis in the battle for the cellar.

The Lamesa Lobos put up a tight inner defense that left 11 Pampa runners stranded.

Star Of The Week

DALLAS, May 11. (AP)—Bill Haley, slugging first baseman for Albuquerque, has been named "Star of the Week in the Class C West Texas-New Mexico baseball league.

He hit a home run, triple, double, and three singles and drove in eight runs the week ending May 6. Sportswriters and broadcasters voted him the weekly honor.

Ridgway Rank Is Confirmed

WASHINGTON, May 11. (AP)—It's now Gen. Matthew B. Ridgway.

The Senate late Thursday confirmed Ridgway's promotion from lieutenant general. President Truman had proposed Wednesday that he be given a fourth star. The Senate concurred by voice vote.

Ridgway succeeded Gen. MacArthur in his Far East commands.

TOKYO, May 11. (AP)—Gen. Matthew B. Ridgway today received the four stars of his new full general's rank.

The stars were a gift from five officers who served on Ridgway's staff in the 18th Airborne Corps in Europe in World War II. They had been bought some time ago.

With them was a card bearing the Latin motto, "Ad Astra per Aspera" . . . "To the Stars by Difficulties."

Ceiling Price On Wool Will Bring Higher Clothing Prices

(By The Associated Press)

Price ceilings on wool and mohair, announced by the Office of Price Stabilization, brought forecasts today of higher prices for wool clothing by next fall.

Officials who made the forecast said the higher prices might continue into next spring.

Dollars-and-cents ceilings on wool, set Wednesday, will put wool prices generally 65 to 70 per cent higher than pre-Korean war prices.

Texas sheepmen, however, greeted the order with smiles.

Effective immediately, it forbids dealers and manufacturers to pay more than $3.35 a pound for an average basic type wool.

For average wool tops, the ceiling is pegged at $4.13 per pound.

Prices were also set for mohair, providing a ceiling of $2.28 a pound for original bag kid and $1.81 for adult.

COMFORTABLE PROFIT

Sheepmen figure the new prices will give them a comfortable profit margin. Their reaction was different from that of cotton men who protested strongly when cotton futures prices were ceilinged.

Frank Roddie, president of the Texas Goat & Sheep Raisers Association and a warehouseman at Brady, and Warehouseman Joe Blakney of San Angelo agreed the ceilings allowed good prices.

The order, however, is expected to have little effect on Texas sheep ranchers this season since most of their clip is already old.

Some woolmen noted that prices higher than the ceilings had been paid this year. A type known as 64s, now pegged at $3.35 clean, sold as high as $3.75 when prices hit a peak in January.

At Del Rio, C. E. Long of the Del Rio Wool & Mohair Co. said the new price peg would mean about $1.45 per pound in Del Rio in the grease.

That was discounting shrinkage and transportation to Boston, Long added. He said it was a good price.

Wool has sold as low as seven cents per pound in Texas in recent years.

MORE IMPORTS SEEN

Washington OPS officials were quick to point out that the ceilings could result in increased wool imports. Wool imports, they said, had been low recently because world prices were higher than prices in the United States.

American dealers and manufacturers, OPS said, now can buy wool in the world market because world wool prices, up 210 per cent in nine month, have dropped sharply since early April.

This, OPS contends, may avert higher prices for wool clothing next spring. World prices are down 21 per cent since April's peak.

Fred Earwood, manager of the Sonora Wool & Mohair Company, disagreed. He said he feared the ceilings would take the U. S. out of the foreign wool market. Earwood said buyers could not pay prices abroad higher than the U. S. ceilings without taking a loss.

Prices for mohair matchings under the new program range from 71 cents for los offs (burry) to $3.18 for 40s in the kid, and from 71 cents to $2.23 for 30s in the adult.

Mohair is used extensively for suitings and to furnish weight for lighter, softer materials, such as some synthetics.

OPS is working now on a separate regulation for wearing apparel as a sequel to the manufacturer's pricing order. Officials said increased price absorbed by manufacturers will have a definite effect on future retail prices.

In its ceiling order, OPS noted that the prices are for foreign as well as domestic wools and apply to the delivered cost of imported wools, not the price on the spot in foreign markets.

Atomic Bomb Blast Not Too Bad After All

DALLAS, May 11. (AP)—The southwest civil defense director, French Robertson of Abilene, would tell you today that the atomic bomb is not so terrible as you thought.

Roberson was back here Wednesday after a course of instruction for key personnel in the nation's first defense school at Washington.

He directs defense activities in Texas, Oklahoma, Arkansas and Louisiana.

Robertson said a man in a cellar, a mile from an A-bomb blast, has a better than 50-50 chance of escaping unscratched. A family in a frame house, although they might have to get out of it, has a good chance of survival. The house, he added, probably would burn.

Robertson also minimized the public's fear of radiation. In ninety seconds after the flash, he said, anybody could walk anywhere in the area and not be harmed by radiation. The real danger comes, like in standard bomb blasts, from the explosion itself and resultant fires, he added.

The defense chief said that if total war comes no able-bodied people will be evacuated.

He made some more observations:

1. The American people aren't expected to run from an A-bomb blast. He doesn't believe they will.
2. The object of civilian defense is to restore normalcy as quickly as possible after any attack.
3. Civil defense people already know how to combat atomic, biological and chemical warfare. He calls it "ABC Warfare."
4. Reinforced concrete buildings have been proven more effective than makeshift bomb shelters.
5. In the event of an attack there will be no panic and little fear on the part of Americans.

Third Producer Flows In North Schleicher

The Ohio Oil Co. No. 2 H. F. Thomson Estate, southwest offset to the discovery of the Hulldale North-Lower Canyon field of Central-North Schleicher County, has indicated as the third producer for the field.

Flowing oil developed at a drillstem test from 5,572 to 5,656 feet in the reef lime which was topped at 5,542 feet, datum point fo minus 3,344 feet.

The tool was still open at last report. Due to a defective choke, no gauge was taken or an estimate of the flow made.

Gas was at the surface in nine minutes. The 500-foot water blanket was at the top in 25 minutes. Mud flowed in 35 minutes and oil in 39 minutes.

The Palo Pinto of the Canyon was topped at 5,370 feet.

Location is 1,386 feet from north and 467 feet from east lines of section 80, block TT, TC survey.

Upton County Wildcat South of No. 1 Tippett

E. E. Fogelson and Edwin W. Pauley of Midland spotted location for their No. 2-21 W. E. Hunt, one and one-half miles southwest of Paul Barnhart of Houston No. 1 V. P. Tippett, possible discovery from the Spraberry in Northeast-Central Upton County.

Drillsite has been made 660 feet from south and west lines of section 21, block D, EL&RR survey. That puts it one location south of the same operators No. 1-21 W. E. Hunt which was staked several days ago.

The nearest Spraberry production, horizon which the No. 2-21 Hunt will test, is four miles to the south in the Pembrook field.

Marine Commissioned In Korea Expected Here

Mr. and Mrs. J. W. Browning, 1505 Avenue S, expect their son, Lt. Jim W. Duncan, to arrive here by Sunday on a 31-day leave from the Marine Corps.

Lt. Duncan, who recently received his commission on the battlefield in Korea, arrived in El Paso this week, where he was met by the Brownings for a brief reunion. His wife, who lives in Roby, is with him and will also visit here.

After his leave, Lt. Duncan will report to Quantico, Va.

Profit Shown In Putting Land Back In Trees

PRITCHETT, May 11 (AP) — How to start a new career at 70 has been demonstrated by John R. Garner. He is now 80, and has one of the most successful pine plantations in Northeast Texas.

Garner moved to his Upshur County farm 25 years ago and for 15 years tried to grow field crops. This was hard in the hilly, well-treed country.

He tried rotating his crops, he terraced the slopes, he did everything he could think of. But it wouldn't work.

He came to the conclusion that much of his farm should never have been cleared — that it should have been left in native pine trees.

In 1940, at the age of seventy, he did his first tree planting. Unaware he could get seedlings from a state nursery, he dug up 500 wild pine seedlings in the woods and transplanted them. It was hard work, and he was not sure of himself.

Two years later, having learned he could get seedlings from the Indian Mound Nursery, he began a regular program of planting a few more trees each year. Now he has 22 acres of seedlings of various ages and sizes.

Garner wrote to the Texas Forest Service for more information about pruning, spacing, and timber management. He learned to cut, rake and haul off undergrowth as a protection against forest fires. His forest floor is as clean as a garden. The trees are large enough now so that he can run livestock in the area. That will help keep down the underbrush.

"I wouldn't take $100 an acre for my pines, and they have enhanced the value of my farm in no small way," says Garner.

"I didn't start planting trees with the thought in mind of realizing any returns from them, because of my age. I was merely eager to learn what could be done with planting and to demonstrate it."

Workers' Conference Scheduled on Tuesday

Plans are being made now for Snyder Baptists to attend the workers' conference of the eighth district of the Baptist General Convention of Texas near Big Spring Tuesday, the Rev. E. K. Shepherd, pastor of the First Baptist Church here, said today.

The meeting will be held at the encompment grounds just south of Big Spring on the San Angelo highway, it was anounced, and will be in lieu of the regular monthly workers' conference of each of the five associations in the district.

The associations in the district are Mitchell-Scurry Baptist Association, Big Spring Baptist Associaymn, G. A. Y. Baptist Association, Lamesa Baptist Association, and the Permian Basin Baptist Association.

Ernie Silverman, pitcher for the Buffalo Bisons, doesn't wear his spectacles for pitching but does when he comes to bat.

Baptist Sunday School Class Meets in Home Of Mrs. E. W. Babb

Mr. E. W. Babb, 3100 Avenue T, entertained her Fidelis Sunday School class of the First Baptist Church with an ice cream and cake party, along with their meeting Tuesday night.

After a talk on "Mother" by Mrs. Frank Sentell, business was discussed.

Mrs. Verina Gartman assisted Mrs. Bodie in serving her guests.

Attending were Mrs. Nolan von Roeder, Mrs. J. E. LeMond, the class teacher, Mrs. Amos Joyce, Mrs. Jack Inman, Mrs. Roy Stokes, Mrs. Bryan Jordan, Sr., Mrs. Zaida Drinkard, Mrs. Lyman Wade, Mrs. Forest Sears, and Mrs. Edgar Taylor.

Episcopal Minister Of Mission Church Here Is Transferred

The Rev. James S. Butler, who organized St. John's Episcopal mission here, will be transferred May 28 to DeRidder, La.

Mr. Butler, who has lived in Sweetwater since 1948, served St. Stephen's church there and All Saints church in Colorado City, in addition to conducting services here every Sunday night.

He will serve as pastor of Trinity Church at DeRidder and Leonidas Polk Memorial Chapel at Leesville, La.

Area Baptists Plan 3 Meetings Next Week

Three Baptist meetings planned in the area next week are expected to attract sizeable attendance from the First Baptist Church here.

The First Baptist Church in Abilene will be host for an elementary Sunday school workers conference Monday. The meeting will open Monday morning and will continue throughout the afteroon and evening.

An Associational Workers conference is scheduled to start at 5 o'clock Tuesday afternoon. It is to be held at the Big Spring youth camp.

An Associational meeting of the Baptist Brotherhood will be held at the First Baptist Church in Colorado City at 7:30 Thursday night. C. E. McGaw of Snyder is president of the association.

Calvary Baptist Will Hold Week's Revival

Revival services which will last through May 20 are to open Sunday morning at the Calvary Baptist Church, Avenue I and Thirteenth Street.

The Rev. T. Gerald Cates, pastor of the church, will be speaker for the services, which are to start at 7:45 each night, with a morning prayer meeting scheduled for 9:30 o'clock each day.

A special radio program will be presented at 8:45 each day during the meeting, Mr. Cates said, in addition to the regular program at 8:30 each Sunday morning.

Bible Classes will meet at 10 o'clock Sunday morning. The lesson at that time will be based on the betrayal, denial and trial of Christ, taken from John 18.

Sunday School Class Entertained at Lunch

Mrs. Gertie Stanfield Smith, 2400 Thirty-second Street, Mrs John W. Leftwich, 2411 Thirty-second Street, and Mrs. Fritz R. Smith, Jr., 2400 Thirty-second Street, entertained the Ernest Workers First Christian Sunday school class with a luncheon May 3.

The group played games, had a business meeting, and a two-course luncheon.

Decorations of roses and iris were used.

About twenty people attended the luncheon.

J. B. Turner Presides Over Christian Board

J. B. Turner was named chairman of the board of elders and deacons of the First Christian Church at a business meeting held Sunday morning.

Other new members of the board are Malven Stevenson, vice chairman, Ronald Vaughn, secretary, and Ed Hall, treasurer.

A business meeting for the congregation is to be held Sunday morning, the Rev. Clifford Taylor, pastor, said today.

Permian Basin Oil News

Three Scurry Field Ventures

Three applications have been filed with the Railroad Commission for drilling in Scurry County fields.

L. J. BAGGETT

In the Kelley - Snyder pool Stanolind will drill the No. 1-A L J. Baggett when permit is recei. Drillsite is 10 miles northwest of Snyder and 467 feet from south and east lines of the north half of section 451, block 97, H&TC survey. Rotary tools will be used to drill to 7,200 feet.

MRS. SENTELL

Floyd C. Ramsey will drill the No. 3 Mrs. Lois S. Sentell in the same field starting May 15. Location is six miles north of Snyder and 467 feet from south and west lines of the southeast quarter of the northwest quarter of section 22, block 1, J. P. Smith survey.

RHEA FALLS

Drilling is to start May 18 on the Patton Oil Co. of Rotan No. 2 Rhea Falls in the Sharon Ridge field two miles west of Ira. Exact location is 330 feet from south and 990 feet from west lines of the north half of the northeast quarter of section 131, block 97, H&TC survey. Projected depth is 1,800 feet, with cable tools to be used in drilling.

Methodists Schedule Vacation Classes From June 4 Through 15th

Plans were announced today for the annual vacation church school of the First Methodist Church, which will begin June 4 and continue through June 15.

Classes will be held each weekday morning except Saturday from 9 to 11 oclock. The classes will be divided according to age groups, and all children from four through 12 years old are urged to attend.

The Kindergarten class will be studying "Happy Times at Church. The study theme for the primary class will be "We Go to Church, and the junior classes will study "Work of Our Church Around the World.

Youth Revival Opening Tonight With College President Preaching

A Youth Revival at the First Baptist Church will open at 7:30 tonight, with Dr. J. W. Marshall, president of Wayland College in Plainview, as guest speaker.

Services in the revival are planned also for Saturday and Sunday nights, with a morning service at 10 o'clock tomorrow. Dr. Marshall will be assisted by Sam Allen, an instructor at the college, who is to lead the singing.

Arrangements for the revival are under the direction of Jack Reedy, general chairman.

Date of Dedication Services at Canyon Baptist Church Set

Dedication services for the recently completed Canyon Baptist Church will be held on May 20, according to an announcement made this week.

The church is located in the Canyon Community, six miles west and north of Union. Services have been held there several weeks, but the formal dedication was postponed until the later date.

The Rev. C. L. Voyles of Abilene is pastor of the church.

A Homecoming service is being planned for the church later in the summer.

Presbyterians Hear Big Spring Pastor

About 65 persons attended a dinner Tuesday night in the First Presbyterian Church for the Presbyterian men and their guests.

The Rev. Gage Lloyd, pastor of the First Presbyterian Church in Big Spring, was the main speaker.

A group of girls from Stallings Studio in Post took part in the entertainment program.

The women of the church prepared the meal and served.

No Zones Show Oil In Central Terry Wildcat, Now in Mississippian

Gulf Oil Corporation No. 1 T. L. Lowe, wildcat four and one-half miles northeast of Brownfield and six and one-half miles west of the Mound Lake-Pennsylvanian field and in Central Terry County, is coring below 11,632 feet in Mississippian lime.

Operator cored from 11,610 feet to 11,619 feet. Recovery was nine feet of lime, with two and one-half feet of it being porous and having slight oil stains. There was no free oil.

Top of the Mississippian is 11,365 feet. Top of the Pennsylvanian lime is at 10,900 feet. There was about 150 feet of the Pennsylvanian lime with no shows.

The Spraberry was topped at 7,455 feet. Elevation is 3,330 feet.

Operator is undecided as to how much deeper to drill. No shows of production have been found in any formation drilled.

Location is 660 feet from south and east lines of section 1, block T, D&W survey.

• • •

Unofficial Report On Nolan County Venture

Unofficial sources report that Intex Oil Co. of Dallas and others No. 1 B. A. Waddell is running casing for a completion try in the Noodle Creek zone in Central-North Fisher County.

The wildcat indicated as a discovery on a three-hour drillstem test at 3,438-84 feet.

Recovery was 270 feet of oil and gas-cut mud which was estimated to be 50 per cent oil. Flowing pressure was 45 pounds and 30 minute shutin pressure was 850 pounds.

The project is four miles east of Rotan and in section 173, block 2, H&TC survey.

Church Marks Mother's Day With Services

Special services for Mother's Day will be held Sunday morning at the North Side Baptist Church when the oldest and youngest mothers will be awarded special honors in a program by the Junior Sunday School classes, it was announced today.

Church Honors Six Mothers

Six women of the First Chritsian Church Sunday morning will be honored as mothers of the church in a special Mother's Day observance, the Rev. Clifford Taylor, pastor, announced today. Their names were to be withheld until then.

The subject for the special Mother's Day sermon will be "Christian Living in the Home."

At the close of the morning worship service, a meeting of the entire congregation will be held to discuss plans of the board of elders and deacons concerning their proposal to sell the church property.

This meeting will be followed by a called meeting of the board, Mr. Taylor added.

At 7:30 o'clock Monday night, the members of the Christian Women's Fellowship will meet and report on finance raised on the purchase of the new property.

The church plans to build a new church building in the southwest section of town soon.

Link Between Church And Family Will Be Stressed by Adcock

The theme of special Mother's Day observance at the First Methodist Church Sunday morning will stress the importance of entire families attending church together, the Rev. W. W. Adcock, pastor, announced today.

The services Sunday night will feature a religious motion picture, "Rolling Stones," which deals with families moving about considerably. The evening service will begin at 7:45 o'clock with special music by the young people of the church.

TALK OF THE TOWN

BY FRANCES BROOKS

That tangy coffee flavor will reap compliments, when you serve this recipe of cream puffs.

Now and then, some lone, eccentric tea drinker gets the raspberries" in these parts, but generally everybody is complacently agreed that coffee is THE Drink. Why not bring on a wonderful coffee concoction for a grand finale at a buffet supper-party on a week-end night—either for your own crowd or for a group of teen agers?

For a simple menu you might start off with a fish-and-tomato chowder with lots of big pilot crackers. Go on to a salad made zippy with cheese; for the younger set, use strips of mild American or Swiss cheese; for the oldsters, crumble in Roquefort with its distinctive flavor. Accompany the salad with hot rolls and serve. Then finish with these cream puffs made de luxe by their coffee filling and coffee sauce.

CREAM PUFFS WITH COFFEE CREAM FILLING

Cream Puffs . . . To 1 cup of boiling water add ½ cup of homogenized shortening and bring to a boil in a saucepan. All at once add 1 cup of sifted all-purpose flour and ¼ teaspoon salt. Stir and mix well until mixture is smooth and comes away from the sides of pan. Remove from heat. Add 4 eggs, one at a time, beating well after each addition until mixture is smooth. Drop about 2 inches apart on greased baking sheet. Bake in very hot (450) oven for 10 minutes. Reduce heat to 400 degrees and bake about 25 minutes longer.

Ingredients: One 3¼-ounce package prepared vanilla pudding, 1 tablespoon instant caffeine - free coffee, 1½ cups milk, ½ cup cream 12 large cream puffs. ... ...

Method: Mix vanilla pudding and instant caffeine-free coffee in sauce pan. Add milk graduatlly, blending well. Cook over moderate heat, stirring constantly, until mixture comes to a boil and thickens. Cool, stirring occasionally. Whip cream and fold in. Fill cream puffs and serve with Special Coffee Sauce.

SPECIAL COFFEE SAUCE

Ingredients: 2 tablespoons instant caffeine - free coffee, 1 tablespoon flour, dash of salt, 1 cup light corn syrup, cup light cream, 2 tablespoons butter.

Method: Mix coffee, flour, and salt in saucepan. Add corn syrup gradually stirring constantly. Add cream and butter; simmer 5 minutes or until thickened, stirring constantly. Cool. Serve over cream puffs.

* * *

JOE DAVE SCOTT tried out the newly - finished terrace and den at his home in Warrencrest night-before-last, and the high school seniors and escorts comprising the guests dubbed it a REAL spring party. The wind hurled itself out by about 9 o'clock, time enough for dancing and plenty of very-fresh homemade vanilla and strawberry ice cream. Present were Ray Eubanks and Betty Chandler; Junior Weathers and Betty Jo McDaniels, Vern McGrew and Lucie Barton, Jay Fish and Sandra Cooper, David Harlan and Ramona Harless, Grant Teaff and Patsy Pogue, Shirley Teague and Billy Don Harris, Camille Cloud and Mary Bodie.

* * *

"The only casualty was the bride's mother"! ...MRS. ERNEST SNEED, Lone Star Production Camp, fells badly with a cold, but her daughter, the former Miss Veda Myrl Sneed, was beautifully married before a flock of friends in Eastland and that's consolation, thinks Mrs. Sneed.

A whole group of Snyderites travelled last week to Eastland for the big church wedding of Pfc. and Mrs. Dan Amis (that's Veda Myrl), including the father, Mr. Sneed, who gave the bride in marriage. Attending were Mr. and Mrs. Roy Lunsford, who live on the farm next to the big oil camp, Mr. and Mrs. Guy Glenn, Mr. and Mrs. Ab Williamson, Mr. and Mrs. Claude McCormick, Mr. and Mrs. E. G. Henderson, Mr. and Mrs. A. L Jenson and daughters, Mr and Mrs. F. L. Pack and Mr and Mrs Ross Smith, both of the latter from McCullough Tool Co.

The newlyweds will meet his parents, Mr. and Mrs. T. L. Amis from Eastland, at the Sneed's home this week end for a Mother's Day celebration.

"Veda Myrl has all the finery from various big showers packed away with me here," said Mrs. Sneed. Their apartment at Shepherd Field wouldn't hold more than four place settings of the elegant crystal and sterling which she insisted upon keeping with her.

Sewing Studied At Hermleigh H-D Club Meet

A demonstration of measuring and adjusting patterns for sewing was presented at the Hermleigh Home Demonstration Club meeting Tuesday afternoon by Mrs. Mildred Sparks, county agent.

Club members answered roll call at the meeting with a sewing hint. Mrs. B. F. Henderson presided at the business meeting. The recreation period was directed by Mrs. W. G. Mayo, with Mrs. Fred Campbell winning the prize. Mrs. A.B. Casstevens won the hostess gift.

Mrs. Sparks announced that Mrs. Gladys Dardin, extension service home work specialist, will conduct a course on simplification of household work on May 24 and 25. Mrs. Casstevens and Mrs. Tom Mason will attend the course and then present methods learned there to the club.

Mrs. B. F. McGuire was a guest at the meeting. Other club members attending were Mrs. Rachel Lassiter, Mrs. T. E. Shelburne, Mrs. G. L. Walls, and Miss Minnie Lee Williams.

Mrs. H. L. Drennan will be hostess for the next club meeting on May 22.

Oklahoma Completions Increase This Week

TULSA, May 11. (AP) — Oklahoma oil field completions leaped from 96 a week ago to 131 this week.

The survey by the Tulsa World found 108 new tests staked out against 114 last week. Among the finals were 75 oilers, six gas wells and 50 dry holes.

THIS TEXAS LADY LOSES 25 POUNDS

"I am past 71 and never had any medicine do me so much good as Barcentrate. Before taking Barcentrate, I weighed over 200 pounds. I now weigh 175, thanks to Barcentrate. It keeps me feeling good all the time and am never constipated any more. I am able to do all my housework and work my flower garden." Signed: Mrs. J. A. Bearden, 868 S. Davis, Sulphur Springs, Texas.

It's simple. It's amazing how quickly you can lose pounds of bulky fat right in your own home. It's easy—no trouble at all and costs little. Barcentrate contains nothing harmful. No starvation diet. No diet list to buy. No vitamin pills to fortify you while on a starvation diet. Just ask your druggist for 4 ounces of liquid Barcentrate. Add 12 ounces of grapefruit juice and take two tablespoonsful twice a day. If the very first bottle doesn't show you the way to take off bulky fat, return the empty bottle for your money back.

LOST 22 POUNDS

"I am glad to endorse Barcentrate for I have had excellent results from the use of it," writes Mrs. Ethyl S. Smith, 750 Samuels Ave., Fort Worth, Texas. "I lost 22 pounds. I have lost all the weight I care to, but like to keep on taking Barcentrate, because I feel better and it helps keep me from gaining back any weight."

Ask Mildred

(Address your questions to ASK MILDRED, Snyder Daily News, Snyder Tex.)

Would you please print ideas for a party for girls graduating from high school? Mrs. C.R.L.

And indeed it can be a summa, summa cum laude affair by planning invitation, favors, and games in the traditional spirit. Invite the guests on a small replica of the girls diploma, putting the school name atop it. Fill it with the date of the party and sign it "Dean of Semmanigans."

A fortune - forecast centerpiece at the dinner table is decorative and a source of fun. Make it from a shallow box about 7 inches wide, 12 inches long and 2½ inches deep. Cover with colored crepe paper. On each of the long sides paste gold gummed letters reading "Class of 51." Trim the box by pasting halves of 6-inch lacepaper doilies around the inside of the box rim. Then fill the box with "fortune forecasts." Your fortunes could read like this, "Its plain to see, A dancer you'll be, or "Hollywood will call Mary Small." Or, "A bride you'll be before leaves fall from the tree."

Tie a satin ribbon with a long streamer to a forecast for each guest at the party, using school colors alternately, extending from box to each place setting. Guests pull streamers and read them aloud just before leaving table.

Place-cards and menu can follow same graduation theme.

Mrs. Sears Hostess To Chez-les Amies

Mrs. R. B. Sears presented each of her guests with a handmade ceramic article at a luncheon she gave yesterday at the Country Club.

Entertaining the Chez les Amies Bridge Club, the hostess served a spring salad course with cherry tarts. She was in a black sheer afternoon dress spangled with black taffeta bands.

Mrs. George Westbrook won the high score prize, Mrs. N. R. Clements, traveling, and Mrs. C. V. McClatchey, bingo.

Others present were Mrs. D.S. Bodie, Mrs. W. P. Thurmon, Mrs. V.V McGrew, Mrs C V. McClatchey, Mrs. Charles Cooper, Mrs. L. C. Younger, Mrs. Harold Brown, Mrs. Lyle Galbraith, Mrs. R. A. Schooling, and Mrs Bob Bickerstaff

Mrs. Thurmon will entertain the bridge group May 25.

Woman's Calendar

FRIDAY

Altrurian Club, with Mrs. H. G. Towle, 2911 Avenue U, 3 p.m.

SATURDAY

Bridal party for Miss Jonnie Delle Brock, 10 a.m., the Country Club.

4-H Club dress revue, 3 p.m., high school auditorium.

Saturday Night Bridge Club, 7:30 p.m., Mrs. Lee Smyth entertaining, 3712 Austin Avenue.

Bingo Night, the County Club, 8 p.m. members.

Mrs. Bramley Heads Northwest P.-T.A.

Mrs. Howard Bramley was installed as new president of the northwest elementary school Parent - Teacher Association at a meeting held yesterday afternoon at the school.

Other new officers installed were Mrs. P. McGriff, vice - president, and Mrs. Jerry Dickerson, secretary. Mrs. J. D. Scott served as installing officer.

The program for the afternoon was presented by the third grade students of Mrs. Elton Donelson. It was arranged as a series of brief tableaux, each characterized by a color or type of ribbon.

Bridge Club Luncheon Held at Country Club

Dutch iris and dogwood colored the luncheon room when women met from the Wednesday Bridge Club at the Country Club.

Mrs. R. C. Miller, Jr., took high score; Mrs. B. L. McKinley, Jr., consolation; and Mrs. Melvin Stoker, a guest, traveling prize.

Attending were Mrs. Novis Rodgers, Mrs. G. B. Clark, Jr., Mrs. Billy Boren, Mrs. Wayne Boren, Mrs. Herman Doak, Mrs. G. M. Heinzelmann, Mrs. Garrett Harrell, and Mrs. J. D. Scott.

Mrs. Scott is hostess May 23 to the group.

Mr. and Mrs. Delma Baucum are expected back in Snyder this week end, after a two week's vacation taken in Arkansas and Louisiana where they are visiting relatives. Mr. Baucum, who is assistant to the superintendent of Humble Oil Co., will be back at his duties Monday.

Hollywood

By BOB THOMAS

HOLLYWOOD, May 11. (AP) — What makes a man give up a successful life in television for a career in religion?

Hollywood wondered that this week when Mal Boyd announced he planned to enter a seminary this September with the goal of becoming a Protestant Episcopal minister. He was leaving behind a position as television partner of Mary Pickford and Buddy Rogers. Only 27, he had risen fast in the new industry and had become one of its spokesmen.

"How did you reach your decision? I asked him.

"Its difficult for me to describe without sounding 'holier than thou,' he replied. "But actually it was a deep spiritual revolution. Sometimes a person hits rock bottom emotionally, and thats what happened to me.

"GOAL ACHIEVED"

"I thought I had achieved the things I had always worked hard for. I had security, I had position and I had excellent money. Then I asked myself, 'Where do you go from here? I realized that my goal was no longer in making money or in what money could buy. The goal I had set out for was no longer a goal.

Boyd, who has spent much time traveling between Hollywood and New York, said he came to his decision on a trip.

"I was driving through the desert on a busines trip to Arizona," he recalled. "I was traveling about 80 miles an hour when suddenly I said to myself, 'Slow down! Where are you going, anyway?

"REACH DEVELOPMENT"

"When I got to Arizona, I devoted my time to reading the Bible. It was the first time I had had time to do that in years, and I read it for three and four hours at a time. Every truth was revealed to me. I called Dean Robert Paul of St. Johns Cathedral in Denver and went up to see him. I had known him since I was in school in Denver, and I discussed with him the possibility of becoming a minister.

Boyd decided to switch his career to religion in an attempt to further his destiny. "I would like to be of service in as many ways as I can," he said. "That desire is not entirely altruistic. Because by doing that, you reach your development as an individual."

PERSONALS

Mr. and Mrs. M. H. Bauchanan of Humble Oil Camp are on a vacation trip to the Gulf coast. Upon returning, Mr. Buchanan, who has been transportation foreman at the oil firm, will be transferred to Odessa.

Mr. and Mrs. D. S. Bodie of the Cities Service Camp, south of town, spent yesterday afternoon near Big Spring, where Mr. Bodie superintended a wildcat oil well drilled by his company.
