The SDN Column

Football fever is at a high pitch around Snyder today, as the resident Tigers prepare to perform for the first time this season before the homefolks.

Home openers have been particularly exciting events over the past few years, and the way things have shaped up at this early stage of the season, the trend appears likely to continue. The Andrews Mustangs, who will visit Tiger Stadium this evening, have figured in some exciting early-season games with the Tigers, and the last time the Mustangs came here for an opening game it wound up a 14-13 victory for the Tigers in one of the most exciting exhibitions staged here in years. That was in 1966.

Opposition has traditionally been tough in Snyder home openers, and the one-point decision over Andrews in 1966 is typical. A couple others in the past five years were equally as close, but found Snyder on the short end of the score. In 1967, the Big Spring Steers came here for our first home game and they squeaked home with a 7-3 decision over a Snyder team that was rated at least a five-touchdown underdog.

The next year, 1967, Snyder had nothing but conference games on its schedule and the Lubbock Dunbar Panthers, defending district champions, defeated the Tigers, 21-0 in their home opener. In 1969, the district played a split schedule and Lamesa came here to open the season in a non-conference game, and finally beat the Tigers, 7-6.

Last year, the Tigers had to score two TDs in the fourth period to put down the Stamford Bulldogs, 28-14, in their home opener.

★ ★ ★

Tickets sold at the gate for tonight's game will be priced at $1.50 for adults and 50 cents for students as a result of the wage-price freeze. District 3-AAA, of which Snyder High School is a member, voted last spring to charge $2 for adult tickets and $1 for students at the gate. Each school was to be allowed to sell season tickets for $1.50.

The wage price freeze kept the prices as they were last year.

★ ★ ★

The Ole Bear (Bryant) of Alabama, whose Crimson Tide upset Southern California last week, is the latest major college football coach to join the ranks of those whose teams have won 200 games, and it is a rather small club. During his head coaching career at Maryland, Kentucky, Texas A&M and Alabama, Bryant's teams have won 200 games, lost 53 and tied 16. Only other coaches whose teams won 200 or more games are Eddie Anderson, Jess Neely, Alonzo Stagg, Glenn (Pop) Warner and Warren B. Woodson.

Today In History

By THE ASSOCIATED PRESS

Today is Friday, Sept. 17, the 260th day of 1971. There are 105 days left in the year.

Today's highlight in history:

On this date in 1784, the U.S. Constitution was completed and signed by a majority of delegates attending the Constitutional Convention in Philadelphia.

On this date:

In 1796, George Washington delivered his farewell address.

In 1862, the Battle of Antietam, Md., turned into one of the bloodiest battles of the Civil War.

In 1873, failure of a New York banking firm, Jay Cooke and Co., set off a financial crisis now known as the Panic of 1873.

In 1894, "Arms and the Man," the first play by George Bernard Shaw to be produced in the United States, opened in New York.

In 1939, the Soviet Union invaded Poland in World War II.

In 1949, more than 130 persons died in a fire which destroyed a Great Lakes steamer, the Noronic, at a pier in Toronto.

Ten years ago: Secretary of State Dean Rusk flew to New York for what he considered crucial talks with Soviet Foreign Minister Andrei Gromyko.

Five years ago: Thirteen whites were seized in a school integration fight in Grenada, Miss.

One year ago: The Viet Cong offered an eight-point peace plan which American negotiators in Paris called "new wine in old bottles."

WEATHER

SNYDER TEMPERATURES: High reading Thursday, 86 degrees, low reading, 62 degrees; reading at 7 a.m. today, 62 degrees.

Northwest Texas(Cloudy with occasional showers and thunderstorms tonight. Mostly cloudy with scattered showers and thunderstorms Saturday. Cooler in south tonight. High Saturday 55 in north to 80 in southeast. Low tonight 42 in north to 60 in southeast.

North Central Texas: Partly cloudy widely scattered thundershowers and cooler tonight and Saturday. Low tonight 54 in north to 66 in south. High Saturday 72 in north to 83 in south.

Northeast Texas: Partly cloudy through Saturday. Low tonight 60 to 67. Cooler Saturday, high 76 to 84.

Southwest Texas: Partly cloudy and mild tonight and Saturday. Slight chance thundershowers, mainly this evening in north. Low tonight 60 to 70. High Saturday 80 to 90.

South Central Texas: Clear to partly cloudy and mild tonight and Saturday. High Saturday 85 to 93. Low tonight 66 to 76.

Southeast Texas: Clear to partly cloudy and mild tonight and Saturday. Low tonight 65 to 75. High Saturday 84 to 94.

West of the Pecos: Increasing cloudiness through Saturday. A slight chance of a few thundershowers tonight. Low tonight 45 at higher elevations to 70. High Saturday 80 to 90.

Port Arthur to Port Aransas: Mostly east winds 5 to 15 knots tonight and Saturday.

Brownsville to Port O'Connor: Northeast winds 8 to 18 knots tonight and Saturday, locally gusty in showers.

FACE ANDREWS TONIGHT — The Snyder High School Varsity Football Team watches activity at a big pep rally this morning in Tiger Gym as students and other fans gave them a send-off in preparation for their home opener tonight. The Tigers will entertain the Andrews Mustangs at 8 p.m. in Tiger Stadium.

Senate Rejects Draft Block

— By JOHN CHADWICK
Associated Press Writer

WASHINGTON (AP) — The Senate defeated today a move to reject a compromise draft extension and military pay raise bill already approved by the House.

The vote was 47 to 36.

The action, a key victory for President Nixon, came on a motion by Majority Leader Mike Mansfield, D-Mont., to table the long-stalled legislation. The President's draft authority expired on June 30.

Nixon, who made an eleventh-hour concession on the bill's pay raise features to win over crucial votes, told a news conference Wednesday that scuttling the draft would jeopardize negotiations aimed at a mutual East-West arms reduction.

Despite today's vote, the months long Senate fight over the draft bill will go on. Vietnam war critics and foes of any draft law have vowed to filibuster against Senate approval of the measure.

Defeat of Mansfield's tabling amendment, however, appeared to kill any chance that his end-the-war amendment would be included in the legislation to extend the draft for two years.

The amendment, approved by the Senate in its original draft bill, called for the withdrawal of all U.S. military forces in Indochina in nine months provided American prisoners of war were released.

The House refused to accept it. And Senate-House conferees, in reaching a compromise, watered it down to call for an end to U.S. military operations in Indochina at the earliest practicable date.

Mansfield's tabling motion was intended as a first step toward sending the bill back to conference, with Senate conferees instructed to insist on fixing a deadline for American withdrawal.

Mansfield told newsmen in advance of the vote that if the tabling motion were rejected, he would reoffer his end-the-war amendment to the military procurement bill, coming up next in the Senate, or to some other appropriate measure.

The Mansfield amendment, strongly opposed by President Nixon, has been a key issue in the lengthy Senate battle over the draft bill.

President Nixon reportedly agreed late Thursday to support a move to add $300 million for military pay raises to a separate bill in an effort to increase Senate support for the House-passed draft bill.

New Restraints To Have 'Teeth'

WASHINGTON (AP) — President Nixon says his post-freeze economic program will restrain wages and prices in major industries, a clue that he may be aiming toward selective rather than across-the-board inflation controls.

"It will have teeth in it," Nixon told newsmen at an impromptu news conference Thursday. "You cannot have jawboning that is effective without teeth."

But Nixon went no further on what will follow the 90-day wage-price-rent freeze on Nov. 13, in what is popularly known as Phase 2.

"Phase 2 will be strong," he said. "It will be effective. It will deal with the problem of wages and prices, and will restrain wages and prices in major industries."

Governors who met with Nixon reported he agreed with them that wage-price curbs to follow the freeze will remain in effect indefinitely.

If Nixon announced that Phase 2 would operate only for a fixed length of time, special interests might manipulate for their individual advantages, said Gov. Arch A. Moore Jr. of West Virginia, new chairman of the National Goveror's Conference.

The post-freeze program is being shaped by the Cost of Living Council, headed by Treasury Secretary John B. Connally.

Nixon's news conference was the first indication that selective wage-price restraints, probably on large corporations, may be the key to his Phase 2 plan.

Moore also reported the President said a ceiling on interest rates would be considered for the post-freeze program. The freeze does not cover interest rates.

Nixon added that the 10-percent import surcharge will be maintained until a permanent solution is found for weaknesses in the international monetary system and the nation's balance-of-payments deficit.

Before the surcharge is lifted, he said, "we have to address ourselves to burden-sharing and we have to address ourselves also to trade restraints, including monetary barriers."

Domestically, Nixon said, Americans are supporting the wage-price freeze and "don't want to have a freeze followed by a thaw where you can get stuck in the mud, and we are not going to have that kind of thing."

GRAND CHAMPION — Joe Beck, the son of Mr. and Mrs. Jimmy Beck of Hermleigh, won the grand championship of the lamb division with his Hamp Crossbred ram. Judging was held at noon Thursday at the Scurry County Fair.

Rains Ride Cool Front Into Area

A cool front zipped through the Snyder area this morning, touching off hard showers which flooded streets for a time.

Rainfall ranging from an inch to 1.25 inch was reported in and around Snyder, most of it falling within a 20-minute period beginning shortly before 8 a.m. The official gauge in Snyder logged 1.14.

Three-quarters of an inch was measured at the Lake J. B. Thomas dam. It was not known immediately whether showers were extensive enough on the watershed to produce appreciable runoff.

Temperatures dropped rapidly as the front moved through settling quickly into the low fifties, bringing a taste of autumn six days before its official arrival.

Cool air flowing southward from two inches of fresh snow at some points in Colorado and Wyoming dipped temperatures in Texas before dawn as low as 46 degrees at Dalhart and 47 at Amarillo.

South of the front the readings stood in the 60s and 70s, holding as high as 77 at Brownsville.

More scattered showers were forecast in North and West Texas tonight and Saturday. It was expected to remain mostly fair in other sections, and blowing dust was in prospect from gusty winds due to whip parts of Southwest Texas tonight.

Nixon Optimistic On Peking Trip

WASHINGTON (AP) — President Nixon says secret talks on his forthcoming trip to mainland China are "going very well" and he sees promise of a productive session in Peking.

Holding an unannounced news conference in his Oval Office Thursday, Nixon told reporters neither he nor Premier Chou En-lai is approaching the historic confrontation with "naive, sentimental" ideas.

The President, recognizing ideological differences and isolation of the two countries from each other for nearly a quarter century, said: "We have agreed to discuss the differences. That is all that has been agreed. There are no other conditions."

Nixon, apart from saying arrangements are going well, was cagey about acknowledging that American and mainland Chinese representatives are involved in planning his trip. He spoke only of talks about timing and agenda "that may be under consideration."

Another White House source said the American-Chinese arrangements are now being worked out. And while no one at the White House would say, there has been increasing speculation that Nixon will journey to Peking this year.

The President's 38-minute news conference ranged over about a dozen topics, foreign and domestic, and included these highlights:

—The 90-day wage-price freeze will be followed by "a strong, effective follow-on program" that will seek to restrain labor and management in major industries and "vitally important, it will have teeth in it."

—U.S. policies in Vietnam will be unaffected by the scheduled Oct. 3 election in which President Nguyen Van Thieu is unopposed. While Nixon said the United States would have preferred a contested balloting, it must "keep its eye on the main objective and that is to end the American involvement just as soon as that is consistent with our overall goals, which is a South Vietnam able to defend itself against a Communist takeover and which includes, from our standpoint, our primary interest in obtaining the release of our POWs."

Nixon acknowledged a U.S. role in the 1963 assassination of South Vietnamese President Ngo Dinh Diem who died in a military takeover of the Saigon government.

"I would remind all concerned," Nixon said, "that the way we got into Vietnam was through overthrowing Diem and the complicity in the murder of Diem, and the way to get out of Vietnam in my opinion is not to overthrow Thieu ...."

Fair Draws Big Crowd

The 1971 Scurry County Fair attracted a big turnout last night in Towle Memorial Park.

There were no official attendance figures, since there is no admission charge to the fair. However, traffic was heavy in the exhibit buildings and at the carnival on the fair grounds on the fair's opening night.

Judging of exhibits highlighted activity at the fair grounds Thursday. Exhibits will remain through Saturday evening.

Commercial and educational exhibits, along with the art show and the flower show are housed in the National Guard Armory. Agricultural and livestock exhibits and the women's division exhibits are in the Towle Park barn.

Afghanistan King In Soviet Union

MOSCOW (AP) — King Mohammed Zahir Shah of Afghanistan, currently on a six-day official visit to the Soviet Union, left Moscow today for Irkutsk in southern Siberia.

The king, accompanied by Queen Humaira, was seen off at Moscow airport by Soviet President Nikolai V. Podgorny.

HEW Lagging In Negotiations

WASHINGTON (AP) — The Department of Health, Education and Welfare has succeeded in negotiating voluntary desegregation plans with fewer than half the 80 Southern and border-state school districts on a tentative target list for further integration this fall.

While gaining desegregation assurances from 34 of the small-to-middle-sized districts, HEW has dropped cases against nine school systems with remaining majority-black schools. Department civil-rights officials said action probably will not be pressed against what was termed a good many of the 37 districts whose cases are pending.

The HEW officials acknowledged that one factor in deciding not to prosecute some districts is the long-distance busing required to integrate the remaining schools with racial imbalances.

But they said President Nixon's statement last month supporting only the minimum busing required by law had a negligible impact on their negotiating policy and the response of school districts.

"We've been able to find only one district that refused to go ahead with a desegregation plan on grounds they required a clarification of the President's statement," said one high official. "That was Evansville, Ind." HEW is now deciding whether it will move to terminate the city's federal school aid.

HEW informed the 80 districts in midsummer they might have to desegregate further this fall because of the Supreme Court's stiffened integration requirements in the Charlotte, N.C., case.

Dying Edith Floods South

By THE ASSOCIATED PRESS

Dying hurricane Edith continued pouring heavy rains in the Deep South and Southeast today while snow created a wintery scene in the Rocky Mountains.

Flash flood alerts were in effect in the South and Middle Atlantic states, although Edith's winds have died away. Jackson, Miss., measured nearly 4½ inches of rain since Thursday. Huntsville, Ala., got nearly 2 inches this morning. Washington, D.C. was doused by more than 1 inch in an hour.

A continuing fall of snow added to the 6-inch blanket covering Denver and a foot of snow piled up around Estes Park, Colo. Heavy snow warnings were posted for the eastern slopes of the Colorado Rockies.

Redistricting Ruling Detailed

AUSTIN (AP) — The Texas Supreme Court explained Thursday why it held the 1971 House redistricting plan unconstitutional and issued four guidelines for writing future reapportionment bills.

Associate Justice Tom Reavley wrote the opinion giving the reasons for the court's unanimous ruling from the bench Sept. 9 that the measure violated the Texas Constitution.

In effect, Reavley said the legislature should make every effort to comply with the state constitution's prohibition against dividing counties while still obeying the U. S. Supreme Court's "one man, one vote" requirement.

The decision did not touch on the crucial issue of who now must write a constitutional House redistricting plan, the legislature in a special session or the five-man Legisislative Redistricting Board.

The high court has scheduled a Sept. 23 hearing on that question.

Texas' Constitution requires that counties be kept intact when used as building blocks for legislative districts, with very few exceptions.

Reavley wrote that Atty. Gen. Crawford Martin's staff failed to justify the legislature's cutting county lines 33 times when it carved House districts in May.

The attorney general "offered no evidence to establish that the wholesale cutting of county lines ... was either required or justified to comply with the one man, one vote decisions," Reavley wrote.

The ruling was in a suit filed by Republican Rep. Tom Craddick of Midland and the Texas GOP. Midland County was split between two House districts, one running east to Abilene, the other south and west to the Rio Grande. The court upheld a decision by Austin District Judge Herman Jones that the bill was unconstitutional.

The court rejected Martin's suggestion that it declare the county line rule invalid because it conflicted with the one man, one vote standard.

"We understand some of the difficulties of every undertaking to redistrict this state. However, the court may not abrogate any provision of the constitution for the sake of simplicity. The federal requirement of equal representation clearly has not nullified Section 26 of Arcticle III in its entirety. Then certainly this court may not choose to do so," Reavley wrote.

Critics of the bill contend many counties were divided merely to create districts that would assure the defeat of some of House Speaker Gus Mutscher's political enemies in 1972.

Phone device aids hard of hearing

By Abigail Van Buren

(© 1971 by Chicago Tribune-N. Y. News Synd., Inc.)

DEAR ABBY: The letters from people who are hard of hearing interested me because my mother has had that problem for years. Now she wears the strongest hearing aid she can get.

I wonder how many of your readers know about a small piece of equipment the telephone company can attach to the telephone receiver to amplify the sound? We put one on my mother's telephone two years ago and it has been a godsend.

She can push a little button with her thumb and raise the volume of the caller's voice. There was a small installation charge and only $1 added to her telephone bill each month.

I can't understand why the telephone company doesn't advertise this item as it would be such a tremendous help to so many. Perhaps if you print this, others will inquire. It would be a kindness. LUBBOCK, TEX.

DEAR LUBBOCK: Now if Ma Bell would just come up with a gadget that would signal those nonstop talkers to say good-bye.

DEAR ABBY: This morning's paper had a cartoon of a man at a bar being asked how he would like to have dinner with a lonely woman. He jumped at the offer only to have the gal suggest that he go home to his wife! I wonder how many other wives identified with that funny-sad situation.

I have been married 17 years, and for the last 15 years I have been "lonely" six nights a week. My husband was once named in a divorce action, and when I went to see what this woman was like, she cried, "—— but Mrs. ——, I was lonely." This from a thrice-married woman!

My six children have never known what it was like to have their father at school functions or home for their birthdays. My brother who is a lawyer told me five years ago to leave him. I wouldn't dare. Who would support us?

All the children go to Catholic schools and on Sunday when he is around, he gets them all together and walks around the convent for the nuns to see him, so they can tell me what a "wonderful" father my husband is!

He goes on binges for a week at a time, and comes home for a shower and change of clothes. Have you a solution? LONG PAST CARING

DEAR LONG: If you can't change him, I think your brother's advice is pretty sound.

DEAR ABBY: The coffee shop where I work is located on the first floor of a highrise apartment complex. A certain man who lives in this complex uses our business phone as his own personal telephone. He doesn't have a telephone in his apartment, and he really doesn't need one because he has us taking his calls for him, and uses our phone to make outgoing calls.

Evidently he has given our number as "his" phone number because people call constantly and leave messages for him. He comes in several times a day to pick up his messages and make phone calls. We've told him time and again that we are too busy to take his messages, but it's like he hasn't heard us.

How can we get the message across to this nervy man that this is a business phone and not for his personal use? FED UP IN HOUSTON

DEAR FED UP: You could tell him that in the future you will take no more messages for him, and refuse him the right to use your telephone to make outside calls. Seems rather rough, but that's the only solution.

DEAR ABBY: When friends refuse to fasten their seatbelts in my automobile, how do I diplomatically insist that they do so? WALDEN, N. Y.

DEAR WALDEN: Say, "As a fayor to me, I would appreciate if you would please buckle up." And if that doesn't do it, skip the diplomacy and tell them you're not going anywhere until they do!

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 69700, Los Angeles, Cal. 90069. For a personal reply enclose stamped, addressed envelope.

For Abby's booklet, "How to Have a Lovely Wedding," send $1 to Abby, Box 69700, Los Angeles, Cal. 90069.

Burglary Reported At Local Cafe

Thieves stole a box of cigars, some candy and $9 in change in a burglary at Pink's Cafe in the 1200 block of the Old Lubbock Highway last night, according to a City Police report.

In a burglary of the Quintellia Rosas residence, 122 Milburn, sometime within the past three weeks, burglars took a coat, four bedsheets and some meat from the freezer, officers said.

Court Costs Higher Now

Chief of Police Bobby Goodwin today announced that, effective Sept. 1, the State of Texas requires city courts to charge $2.50 for court costs.

"If you get a $10 traffic fine, it will cost you $12.50," he explained.

Court costs of $2.50 also went into effect for Justice of the Peace Court while $5 was added to costs in county court and $10 to costs in district court.

Wheat Crop Under Loan Increased

WASHINGTON (AP) — A slump in the market price for wheat is forcing farmers to step up government price support loan activity for 1971-crop production, according to Agriculture Department reports.

The Agricultural Stabilization and Conservation Service says new-crop wheat under loan through August totaled 134.3 million bushels. That was about 25 million bushels less than a year earlier for 1970-crop wheat, but the rate was increasing rapidly by the end of the month.

In August, the ASCS said, farmers put 57.1 million bushels of newcrop wheat under price support loan protection, compared with 34 million during the month last year.

The average national loan rate for wheat stored by a farmer on his own place is $1.25 per bushel. Adjustments are made by county, but the $1.25 rate is used by USDA as a basis for the national scale. If the wheat is trucked to an elevator shortly after harvest, the support he gets averages around $1.15 per bushel.

Cash market prices for wheat have been tumbling for months since indications that bumper crops of feed grains and wheat were due this year.

Last June the Agriculture Department reported the national average wheat price at $1.46 a bushel. At those prices, most farmers obviously would sell for cash rather than take the price support loan.

But by mid-August the average cash price had dropped to $1.28 per bushel and has continued down. Thus, farmers found quickly more advantage in taking price support loans. Later, if the market prices improve, they can redeem the wheat and sell for cash.

Film Is Shown To Rotary Club

The Snyder Rotary Club met Thursday for its weekly luncheon meeting at the Steak House. President Loren Sullivan presided at the meeting. Guests at the meeting included Bernice Hargrove of Rotan, guest of Dr. Robert Hargrove, and visiting Rotarian Lester Barry of Abilene.

The program was the showing of the color movie, "Southwest Conference Football Highlights of 1970," produced by Humble Oil Co.

Members were reminded of the meeting in Lubbock next Thursday, with President of Rotary International as special guest.

Pullout Speed Up Indicated

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — President Nixon apparently has decided to speed up the withdrawal of combat troops from Vietnam.

This was indicated today when informed sources disclosed that American combat maneuver battalions, the Army's front line troops, will drop to less than 20 per cent of their peak strength in Vietnam by the end of November.

There are now 27 maneuver battalions in Vietnam, including infantry, armor and armored cavalry. Two-thirds of them are in the northernmost 1st Military Region that includes Da Nang.

During the next 2½ months, seven more maneuver battalions will be cut, leaving 20 compared to a peak of 112 in April 1969.

Some U.S. field commanders say they anticipate a speedup in American troop cutbacks after November.

It is likely that the remaining maneuver battalions will be the first to go in a phased withdrawal, leaving only minimum security to protect U.S. air and logistics bases.

Abilene Man Is Hurt In Mishap

David Cowley, 21, Abilene, sustained undetermined injuries when his 1970 Model GMC truck overturned on its right side at U.S. 84 and Avenue E at 4:50 a.m. this morning. He was taken to Cogdell Memorial Hospital by Snyder Ambulance Saevice.

Alligator Back In Pit

SAN DIEGO, Calif. (AP) — A three-foot alligator is back in the reptile pit at San Diego zoo after his 30 hours of freedom ended on an embarrassing note—a visitor mistook him for a lizard.

The alligator scurried into thick brush outside the zoo Tuesday when two young men dropped him to flee a security guard who witnessed the kidnap attempt. One teen-ager was caught but the other eluded the officer—and so did the reptile.

But the alligator was found Wednesday after a woman visitor from Hawaii spotted him near a fence and asked a zoo official:

"Do you let lizards that big run around outside?"

Via satellite, a three-minute telephone call from New York to London costs $5.40, compared with $9 in 1965.

In anticipation of a quickened U.S. withdrawal rate, South Vietnam is organizing a new infantry division for the 1st Military Region to fill the gap.

According to U.S. officials in Washington, the best estimate is that President Nixon may announce in November a substantial increase in the current withdrawal rate, perhaps amounting to virtually a total cutback in troops by next spring, or earlier.

President Nguyen Van Thieu says he does not envision the withdrawal of American ground forces until next summer, or early fall at the earliest, and that South Vietnam will need American air support indefinitely.

A continuation of U.S. tactical fighter-bomber support would not necessarily mean keeping bases in Vietnam. Many of the strikes now are flown from bases in Thailand and carriers of the U.S. 7th Fleet in the Tonkin Gulf.

Two significant factors appear behind a faster withdrawal of U.S. troops than initially planned:

—North Vietnam's hardened stand on releasing American prisoners of war until all U.S. troops are pulled out of Vietnam. Sources in the Nixon administration say the President may decide to modify his opposition to the Viet Cong-North Vietnamese demand for a 1971 deadline for American withdrawal.

—A host of problems besetting the Army in Vietnam. This has been acknowledged by Gen. Creighton W. Abrams, the U.S. commander in Vietnam, who lists his five problems among U.S. forces as drugs, racism, antiwar feeling, morale and tension between GIs and the South Vietnamese.

Lawyers Meet With Prisoners

By BERNARD COHEN
Associated Press Writer

ATTICA, N.Y. (AP) — One by one, lawyers were allowed to meet today with prisoner clients inside Attica State Prison, where 40 persons—10 hostages and 30 inmates—died during a four-day rebellion.

Prison authorities said they had set aside four rooms for the lawyers to meet separately with their clients.

The attorneys said they represented such organizations as the American Civil Liberties Union, the Legal Aid Society, the National Lawyers Guild and the National Conference of Black Lawyers.

Investigations into the causes of the rebellion what happened during it and the manner in which it was ended continued today.

On Thursday, Gov. Nelson A. Rockefeller said he believed the "hostages who died of gun wounds were caught in crossfire" when authorities stormed the captive prison cellblock Monday. He said the crossfire resulted when attacking police forces converged from four sides on the prison yard.

"The prisoners didn't have guns," he told a news conference.

BIRTHS

Mr. and Mrs. Eugene Good, Bel-Air Village Apts, are the parents of a 6 lb. 14 oz. baby girl, born at 10:52 p.m. Sept. 16.

Mr. and Mrs. Fred Young are the parents of a 6 lb. 15½ oz. baby girl born at 1:40 p.m. Sept. 16. They live at 3200 Hill Ave.

Mr. and Mrs. Gary Fulfer, Box 944, are the parents of a 6 lb. 5¾ oz. baby girl. She was born at 8:55 a.m. Sept. 16.

Peace Talks At New Low Point

By MICHAEL GOLDSMITH
Associated Press Writer

PARIS (AP) — The three-year-old Vietnam peace talks are at a new low point following an abrupt and unexplained hardening of the Communist position.

North Vietnamese negotiator Xuan Thuy and his spokesman, Nguyen Thanh Le, dropped a bombshell into Thursday's 129th weekly session of the talks with the renunciation of all their recent hints of a readiness to compromise.

The Communist reversal surprised some optimistic Western politicians who took the hints at face value. One of these was Sen. George S. McGovern, D-S.D., a presidential aspirant whose interpretation of the Communist position was repudiated by Thuy and Le.

Less surprised was the U.S. delegation, which had poured cold water all along on the suggestion that Hanoi and the Viet Cong might be prepared to drop some of their basic demands for the sake of peace.

It had appeared that the Communist negotiators had signaled outside the conference room that they were prepared to conclude and implement a separate peace with the United States.

Such a peace would have freed most American prisoners in return for an American commitment to withdraw every American soldier and adviser from South Vietnam by the end of this year. Negotiations on South Vietnam's political future would have continued, but President Nguyen Van Thieu would have remained in power and Hanoi and the Viet Cong would have pursued the war against his forces.

That deal, strongly backed only last Sunday by McGovern, is off. The Communist negotiators declared Thursday that they intend to release their prisoners only after the United States has removed Thieu from office in Saigon. Such American action would be contrary to the announced aims of the Nixon administration.

The argument revolved around the Communist seven point peace plan of July 1. Total U.S. withdrawal and simultaneous release of prisoners was point one. Removal of Thieu and establishment of a "government of national concord" was point two. The other points concerned political details of lesser importance.

The day the plan was presented, Communist spokesmen stressed that points one and two could be put into effect separately.

But at Thursday's session of the talks, Thuy for the first time declared that the United States must "simultaneously" announce a date for its total withdrawal and for cessation of all aid to the Thieu government.

At a news briefing later, Le said, "The seven points are a single package." He refused to explain the Communist reversal.

4 Burglaries Being Probed

Law inforcement officers here and in several other West Texas towns were checking clues in a series of clothing store burglaries.

The latest was the burglary here of Rogers, Inc., which was discovered early Thursday and in which a number of men's suits were taken.

The Rogers burglary was similar to others which have occurred recently at Big Spring, Merkel and Borger. The methods of operation were virtually identical, according to reports from officers.

GRAPE JELLY MUFFINS

The jelly adds a surprise!

¼ cup butter

1¾ cups unsifted flour, stir to aerate before measuring

2½ teaspoons baking powder

½ teaspoon salt

½ cup sugar

1 egg

¾ cup milk

¼ cup grape jelly

Melt butter; set aside to cool. In a medium mixing bowl thoroughly stir together the flour, baking powder, salt and sugar. In a small mixing bowl, beat egg slightly; beat in milk and butter; add to flour mixture and stir quickly and lightly just until dry ingredients are moistened. Spoon 1 tablespoon batter into each of 12 well-greased 1-3rd-cup capacity muffin cups spreading batter to cover bottom of cup. Add 1 teaspoon grape jelly placing it directly in the center of batter. Cover grape jelly with remaining batter. Bake in a preheated 375-degree oven until golden brown, 20 to 25 minutes. Serve hot. Makes 12.

Knapp News

By SANDY MURRY

Mr. and Mrs. Fishel Burney and sons, Gary and David from Brownfield and Mr. and Mrs. Frank Faidlk of Waco, Mrs. Beekie Sanders of Atkins, Arkansas were all weekend guest of Frieda Murphy. Beckie Sanders stayed for an extended visit.

The Bison Homecoming on Labor Day was attended by 75 or 80 people of Portales, N. Mex., Hamilton, Sweetwater, Abilene, Colorado City, Waco, San Antonio, Meadon, San Angelo, Big Spring, Houston, Odessa, Fluvanna, Ira, Knapp and Snyder.

Mr. and Mrs. O. L. Boyd, Twila and Gaylon returned Saturday from Odessa after attending Mr. Boyd's mothers funeral.

Dr. and Mrs. H.S. Von Roeder of San Antonio and Mr. and Mrs. C. N. Von Roeder of Snyder visited Monday with Frieda Murphy and Beckie Sanders.

Mr. A. V. Black of Brownfield is staying in his cabin on the lake. He is visiting with Mr. and Mrs. George Murry and Mr. and Mrs. Del Murry and family.

Zane and Robbie Sterling spent the weekend with Mr. and Mrs. Joe Murphy of Abilene. Mr. and Mrs. Mickey Sterling visited with them on Sunday. Mrs. T. J. Sterling also visited with Mr. and Mrs. Joe Murphy on Sunday. Mr. and Mrs. W. O. Tipping visited with them last week also.

FLOWER SHOW — Sweepstakes in the flower show at the Scurry County Fair were (from left) Mrs. Margie Key in the "Tall Man" division; Brice Fuqua, horticulture division; and Mrs. Fred Davis, in "Autumn Pallette."

By ANDY LANG
AP Newsfeatures

Metal-cutting snips are made for cutting metal.

Sounds logical.

But it isn't true unless you add a couple of provisions. Snips will cut metal only if it is of the sheet type not over 20 gauge and if it is not tempered steel no matter what the gauge (roughly, the thickness).

If you want to ruin your snips quickly, use them to cut nails, screws and heavy-gauge metals which require a hacksaw, cold chisel or some kind of power equipment.

Snips come in a wide variety of sizes. The tougher the metal, the larger the size. You would therefore use a larger pair of snips—about 16 inches—for cutting hard brass than for cutting aluminum, which might require snips only 6 or 7 inches in length. There are several in-between sizes.

In addition to the size factor, there is the type to consider. For straight cuts, you need one style; for curved cuts, another; for thin-gauge cylinders, a third. Since there are many other kinds, for specialized work, what kind should you purchase if you are a home handyman who works on metal only occasionally? Combination snips of medium size will solve your dilemma. They will make straight as well as curved cuts.

No matter what size or type of snips you use, a guide line should be marked on the metal to be cut. Open the blades and insert the sheet as far as you can into the jaws. By lining up the upper blade of the snips exactly with the guide line, the waste material will curl up on the side of the lower blade and thus insure that the cut will be precisely as planned.

The handle of the snips should be at right angles to the metal. Cut in much the same way as you would with ordinary scissors. Stop just short of the tips of the blades, but keep as continuous a cutting action as possible.

To make an inside curved cut, punch a hole in the metal with a hollow punch, cold chisel or drill so that the snips can be inserted.

Since there are so many different sizes and kinds of snips, and since an explanation of their differences, as well as accompaning photos, could fill this entire page, don't hestiate to ask your dealer for help in making a selection.

(Balky doors and windows, noisy plumbing, removal of mildew and brickwork repair are among the 35 problems discussed in Andy Lang's handbook, "Practical Home Repairs," which can be obtained by sending $1 to this newspaper in care of Box 5, Teaneck, N.J. 07666.)

The risk of mid-air collisions will be reduced during the seventies through use of communications satellites for air traffic control.

Alligator Bites Hand That Feeds

PLANT CITY, Fla. (AP) — Wallace's usual diet of chicken legs and necks failed to satisfy his appetite.

So the 7-foot, 125-pound alligator took a taste of a circuit judge's hand.

"He didn't mean to bite me," said Judge James D. Bruton, who has been feeding the reptile raw chicken parts for the last year.

Bruton's after-court visits to the gator's home—a pond at a sewage treatment plant—usually are daily. But this week the judge missed chowtime three days in a row.

When Bruton finally returned to feed his friend, Wallace was hungry. He snatched the usual offering of chicken, then took a munch on Bruton's finger.

The judge is nursing a wound with three teeth puncture marks.

Executive Says Change In Market Is Permanent

By JOHN CUNNIFF
AP Business Analyst

NEW YORK (AP) — What may be expected after Nov. 13 when the wage-price freeze ends? Ask businessmen and they'll likely reply that phase two will involve some form of temporary controls.

Feeling is widespread that phase two will be an interim stage of undetermined length that will be followed by a return to a less regulated market in which the laws of supply and demand will reign.

One executive doesn't share that viewpoint. Semon Knudsen, chief executive of White Motor Corp., has declared emphatically that the marketplace has been permanently changed.

"The old way of life, with prices and wages controlled purely by the forces of demand and supply in a relatively unregulated market, may well be a thing of the past," he told the Cleveland Advertising Club this week.

It was "wishful and unrealistic" for management, he said, to count the days to the end of the freeze, expecting sometime thereafter to do business as usual.

"Things may not be the same from here on," he said. "I don't like it. You don't like it." But the alternatives, he said, were inflation, instability, loss of foreign markets and deteriorating public confidence.

Knudsen appeared to think the wage-price freeze begun Aug. 15 was really another expression of a feeling that a marketplace left to run itself sometimes dictates to its masters.

The President's move was aimed at inflation and its consequences. But intervention in the marketplace is also taking place in the name of consumers and the environment.

The effect of this, Knudsen said, will be to give managements its severest test ever. "It is going to have to learn to live with new rules and entirely new conditions. It is going to have to stay loose and be ready for change."

In the days to come, he said, "the management of any consumer-goods company is going to have only two options—build a trouble-free product, or be ready to fix the product fast."

And any company whose activities affect the environment must not only concentrate on using technology in the best interests of the public but must sometimes decide not to use it at all if its long-range effects are harmful.

From Knudsen's remarks one concludes that the notion of business having only a single-minded purpose, to make profits, is buried in the past.

Texans Vote On EEO Bill

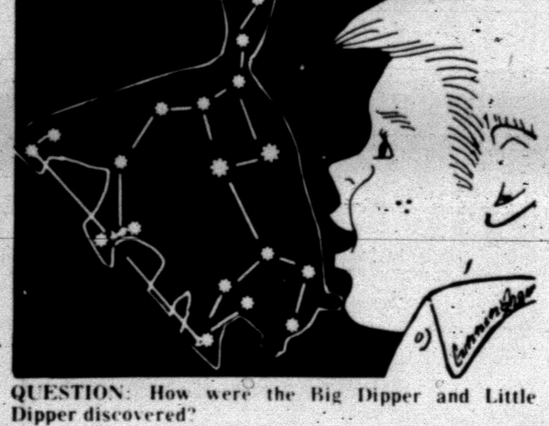
Junior Editors Quiz on ASTRONOMY



QUESTION: How were the Big Dipper and Little Dipper discovered?

ANSWER: The ancient scientists noticed that the sun rose from one side of the sky and then went down or set on the opposite side. They started to interpret the collections of stars or constellations as a representation of religious or mythological personages, animals or objects of ancient times. The ancient Sumerians who lived in the Near East 5,000 years ago named many of the constellations which are still recognizable today. Through the centuries the peoples of the Tigres-Euphrates valley, Phoenicia, Greece, and other countries East of the Mediterranean continued to identify stellar groups.

The Big Dipper, which consists of seven bright stars, forms a part of Ursa Major or the Great Bear. The Little Dipper is similar to the Big Dipper, but it is smaller in size and the stars are less luminous. It has long been important as an indicator of North because the North Star is in the end of the handle. The Little Dipper forms almost the whole constellation of Ursa Minor or Little Bear.

According to Greek mythology, a goddess and her son were changed into bears and pulled into the sky by Zeus.

Life Is A Three Ring Circus

By HAL BOYLE

NEW YORK (AP) — Life is a three ring circus in which no man can give all the performances.

He is kept so busy working, raising children, paying off mortgages and improving his wife that he never gets around to doing a tenth of the things he might like to try if he had more time and freedom.

Ever sit down and write a list of things you haven't done but might like to try sometime? It can be self enlightening as well as amusing.

Here, for example, is a partial list by one man who publicly admits that he has never—

Sewed on a button.
Changed a car tire.
Ridden the rails.
Helped a policeman deliver a baby by flashlight.
Put out a forest fire.
Written a poison pen letter.
Drowned a litter of kittens.
Reached for a cigarette instead of a sweet.
Wet down a dry Martini.
Been invited to a lady's apartment to see her etchings.
Played Russian roulette with a double barreled shotgun.
Yelled "fire!" in a crowded theater.
Heard anyone read the riot act out loud.
Bounced a bouncing baby.
Gone for a ride on a sad go round.
Met his congressman.
Eaten Boston baked beans with a fellow from Philadelphia.
Been handcuffed to a fire plug.
Slept in a coffin.
Held hands with a milkmaid or read the palm of a duchess by candlelight.
Jested with a pope, had a rumble with a rabbi, or joined a rhubarb with a rabbit.
Taught a talking horse to say neigh.
Accepted a collect telephone call from a bibulous friend in Timbuktu.
Ordered pheasant under glass and then told the waiter to take it back and have the chef fry it under plastic.
Barked up the wrong tree.
Offered a chair to a stool pigeon.

When a fellow starts putting down all the things he hasn't got around to doing in this world, it makes him scratch his head and wonder just what he did manage to do.

Volunteers Score Low

WASHINGTON (AP) — Less than one-fifth of the Army's recent "true volunteers" scored high in intelligence-aptitude tests, raising doubts the United States can field a quality all-volunteer force.

Army officials said they plan to concentrate on selective enlistment, but stressed it will take more than military pay increases to attract men equipped to handle today's complex military gear.

"There's got to be a dramatic change in the public's acceptance of the military," one general said.

One reason Secretary of Defense Melvin R. Laird has urged renewal of the draft law for two more years is to stem "the decline in the quality of personnel needed to meet highly technical training requirements."

Officials long have acknowledged that, under the threat of being drafted, many talented young men have signed up for military service they otherwise would have shunned.

Therefore, considerable importance is attached to the "true volunteer" as distinguished from draftable men who volunteer in order to get a good assignment.

Army officials concerned about the quality problem cited the results of Armed Forces qualifications tests given to "true volunteers" in June and July.

Their figures show little more than 18 per cent of the 9,600 persons thus categorized in July scored in the top two test sections, ranging from 65 to 100 per cent.

This meant that more than 81 per cent landed in the lower two categories, with 36.3 per cent at the bottom in July with scores ranging from 10 to 30 per cent.

Nine Porpoises Are Airlifted

GULFPORT, Miss. (AP) — Nine porpoises captured in Gulf of Mexico waters were airlifted Thursday aboard an Air Force jet transport to U.S. Navy facilities at San Diego, Calif., and Kaneohe Bay, Hawaii, where they will be used in studies aimed at refining Navy sonar systems.

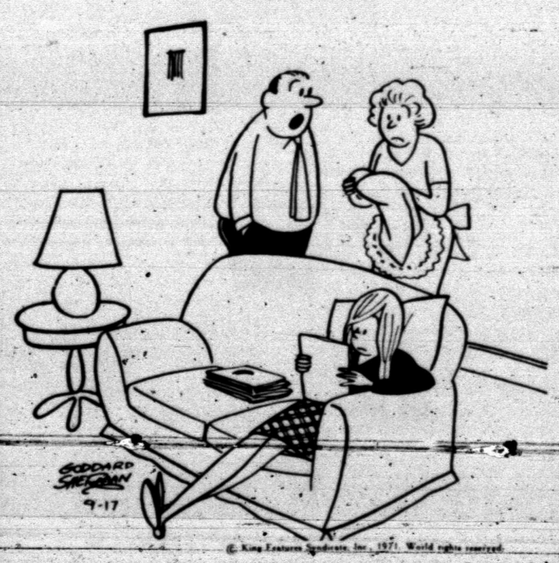
LAFF-A-DAY



"I'm worried. She hasn't been on the phone for over an hour."

FIGHTING TIGERS — The Snyder High School varsity football team opens its home slate tonight with Andrews providing the competition. Members of the fighting Tigers are, from left to right, Front Row, Jimmy Dyess, Joe Price, Travis Bunch, David Chambers, Sammie Harrison, Brett Bell, Tim Holder, Jackie Hartsfield, Melvin Cobb, Chris Covey and Louis Loyd; Middle Row, Gary Jones, Butch Buchanan, Jackie Murray, Albert Hernandez, Kevin McGinnis, Bill Giles, Mike Line, Otto Miller, Sandy Land and Jackson Brewster; and, Top Row, Joe Adams, Mike Glasscock, Randy Wright, Eddie Bane, Gary Patterson, Dicky Stanley, Mike Dennis, John Odom, Dennis Powell, Joe Bullard and Randy Ille.

Tigers Open Home Slate Against Andrews At 8

Two evenly matched teams will collide in Tiger Stadium at 8 o'clock tonight when Snyder's Tigers host Andrews' Mustangs.

Last week, the Tigers of Coach Maurice (Mo) Hodges rallied in the fourth quarter to tie Stamford 24-24 wile Jimmy Keeling's Mustangs were taking it on the chin, 23-6, to Lamesa. Tonight's game, like last week's clash, will be a non-district affray. However, the Tigers will be meeting a Class AAA team rather than an AA team.

Each team is hoping to claim its first victory of the season tonight and there should be plenty of incentive. The Tigers have nine seniors and two juniors on offense and a similar alignment on defense. Andrews will be starting 11 seniors on offense while the defensive team numbers two juniors among the starting 11.

Thus, personnel-wise, the teams should be of about equal ability. Snyder's offense weighs 174 pounds compared with the Andrews defense weight of 168 pounds. The Tiger defense weighs 181 pounds while the Andrews offense weighs 178 pounds.

The Tigers employ a winged-T and I formation on offense with an Oklahoma 5 defense. Like Stamford, Andrews will go with a wishbone-T offense and a 6-2-3 defense. However, Coach Hodges expects Keeling to change up his defense for tonight's clash.

"I don't think they'll use any standard defense against us," said Hodges.

The Tigers have two lads on the injured list. Travis Bunch, 145-pound senior tailback who ripped off a 96-yard touchdown run against Stamford, is out with a broken bone in his hand. He will be out at least a couple of weeks. The status of Joe Mark Adams, 176-pound senior center, still is doubtful. If he is unable to start on account of a knee injury, junior Eddie Bane again will fill in for him.

Snyder has a balanced attack with senior quarterback Butch Buchanan (175) doing the chunking from the port side. Jimmy Dyess, 180-pound junior halfback, has switched to tailback to replace the ailing Bunch. Jackie Murray, 186-pound senior, will handle the halfback chores while Sammie Harrison, 145-pound senior, will be at fullback. They're all aggressive runners.

Albert Hernandez, 210-pound senior strong guard, and Gary Patterson, 167-pound senior swing man, are the only returning regulars in the offensive line, but there are several lettermen and squadmen who are fast developing into capable performers.

Mike Line, 208-pound tackle who was a regular on offense last season, has been converted to a defensive specialist, and he will lead the defensive alignment along with Mike Glasscock, 202-pound senior linebacker. Louis Loyd, a 173-pound senior, also has experience at the linebacker berth. The presence of several other lettermen also will be felt on defense.

Chris Covey, a 178-pound junior, has been installed in the defensive alignment as a middle guard in recognition of the improvement he has made during the week. This will allow Hernandez to concentrate on offense.

Mickey Matthews, the Andrews quarterback, scored 13 touchdowns as a halfback last year, and he will be dangerous on option plays. His favorite targets on passes are Alfred Rouggeaux, 193-pound senior tight end, who has been described by scouts as the best athlete on the team, and Ronnie Shoemaker, a speedy 144-pound splitend.

However, Coach Hodges said he was expecting the Mustangs to concentrate more on running than passing. Handling the running chores for the Black and Gold visitors will be fullback Glen Williams (158), left halfback Bill Ervin (165) and right halfback Jessie Patrick (172). All are seniors.

Williams, like his counterpart on the Tiger team, is short and stocky, but he has good speed and is hard to bring down.

Look for both teams to do a lot of good hitting, but this corner favors the Tigers by one point in a 14-13 thriller.

Probable starters:

SNYDER

Offense: swing man – Gary Patterson, 167, sr.; strong end – Joe Bullard, 181, sr.; quick tackle – Gary Jones, 185, sr.; strong tackle – Mike Dennis, 179, sr.; quick guard – Randy Wright, 160, sr.; strong guard – Albert Hernandez, 210, sr.; center – Eddie Bane, 156, jr.; quarterback – Butch Buchanan, 175, sr.; halfback – Jackie Murray, 186, sr.; tailback – Jimmy Dyess, 180, jr.; and fullback – Sammie Harrison, 145, sr.

Defense: ends – Bullard and Dicky Stanley, 160, sr.; tackles – Mike Line, 208, sr. and Sandy Land, 215, sr.; linebackers – Mike Glasscock, 202, sr. and Louis Loyd, 173, sr.; middle guard – Chris Covey, 178, jr.; rover – Buchanan; cornerback – Dyess; halfback – Patterson; safety – Jackson Brewster, 152, sr.

ANDREWS

Offense: ends – Ronnie Shoemaker, 144, sr. and Alfred Rougeaux, 193, sr.; tackles – Jim Harper, 163, sr. and Joe King, 196, sr.; guards – Randy Willey, 198, sr. and Ben Bilbrey, 232, sr.; center – Ronnie Holman, 176, sr.; quarterback – Mickey Matthews, 165, sr.; left halfback – Bill Ervin, 165, sr.; right halfback – Jessie Patrick, 172, sr.; and fullback – Glen Williams, 156, sr.

Defense: Ends – Jerry Cahill, 160, sr. and Rougeaux; tackles – James Allbright, 180, jr. and Terry Neal, 158, sr.; guards – Mark Morgan, 174, jr. and King; linebackers – Patrick and Williams; halfbacks – Matthews and Steve Stringfellow, 156, sr.; and safety – Shoemaker.

Lamar 8th, Runnels Tie

Lamar 8th grade and Big Spring Runnels fought to a scoreless tie here yesterday afternoon.

Lamar made two serious threats in the game. Phil Robinson made a long run, Gary Neel scooted 10 yards around right end, and Robinson carried again as the hosts moved from midfield to the 10 yard line in the first period, but Runnels held.

In the 4th period, Tim Flynn intercepted a pass and Phil Robinson hit him with a long aerial. Then, Gary Neel skirted right end to the five as the gun sounded.

Larry Gee and Kelly Grimmett were outstanding on defense for Travis.

Goliad Blanks Travis 8th 6-0

BIG SPRING — Goliad blanked Travis 8th grade 6-0 here Thursday night in an exciting Junior High football contest.

It was a tight defensive battle for three quarters. Then, in the last period, Goliad blocked a punt and completed a 22-yard touchdown pass to score the winning touchdown.

Defensively, Charles Cobb made 20 tackles, Rudy Rodriguez made eight, and David Rodriguez made seven for the Kittens.

Travis 9th Whips Toros

BIG SPRING — Travis 9th Grade's Cubs whipped the Toros 18-0 here Thursday night.

On the third offensive play for Travis, Welton Cobb stepped 76 yards for a touchdown.

Early in the second period, Travis drove 55 yards with Cobb getting the touchdown on a 3-yard burst up the middle. Later in the period, Cobb returned a punt 71 yards for the last touchdown. None of the bonus point attempts were successful.

Larry Johns intercepted a pass and returned it 35 yards for Travis in the second half but the visitors couldn't punch the ball across. Mario Rameriz stopped a Big Spring drive with another intercepted pass.

Defensively, Danny Brumley, Larry Johns, Alfonso Rodriguez and Welton Cobb were outstanding for Travis.

Killebrew Moves Up

MILWAUKEE (AP) — Harmon Killebrew moved up another notch on the all-time home run list thursday night, but insisted his only goal for the next few years is to stay healthy.

Killebrew, the 35-year-old slugging first baseman for the Minnesota Twins, slammed his 25th home run of the year and 512th of his career to help his club to a 7-3 victory over the Milwaukee Brewers.

With that home run, Killebrew tied Ernie Banks of the Chicago Cubs and Eddie Mathews, now an Atlanta Braves coach, on the all-time home run list.

Next for him is the mark of 521 by Ted Williams, the former Boston star. Killebrew passed up Mel Ott's mark of 511 with his latest homer.

"I don't have any goals," said Killebrew. "I just want to try and stay healthy and hit as many home runs as I can. I won't say that I'll play five years of anything. Right now, I'm not looking past next season.

Injuries have hurt the Minnesota slugger this year in his bid to move up the all-time home run ladder. He suffered a foot injury when the Twins played the Brewers here in July, and has been bothered by sore hands.

"I wasn't able to push off on my right foot, "Killebrew said. "And it affected my swing. I was pressing some to get my 500th, but I'm doing much better now. The foot still bothers me some, mostly in my hitting, but I've got a good swing again."

Brahmas Rip Lamar 18-6

The Big Spring Brahmas trounced Lamar 9th grade 18-6 here last night in a thrilling Junior High gridiron contest.

The visitors got on the scoreboard in the first three minutes of play on two passes. Levinas made a reception for 17 yards for the TD. The run for extra points failed.

In the second period Sammie Harrell and Dennis Young combined forces on a 55-yard pass and run play to tie it up at 6-6. Young made the reception at full stride at the 25 yard line and raced on in. The run for bonus points was stopped short.

Big Spring took the kickoff opening the second half and drove 70 yards to pay dirt with Smith going the final three yards. A pass for bonus points was broken up.

Smith scored again in the fourth quarter, this time from the one, to cap a 40 yard drive. This time, the run for two extra points was good.

Dennis Young and Rickey Howell were outstanding on offense for Lamar. Robert Hernandez and Sam Harrell were outstanding on defense.

WTC Competes In Golf Tourney

The Western Texas College golf team was to compete in a tournament at Clarendon this morning. The nine schools in the Western Athletic Conference each were to play 27 holes.

Westerners making the trip included Blake Arnwine, Barry Hays, Jerry Doyle, Max Tenorio and Bobby Wine. Coach Sid Simpson also made the trip.

There are five other tournaments scheduled this fall – October 1 at Hobbs, Oct. 15 at Amarillo, Oct. 22-23-24 at Socorro, N. M., Oct. 29 at Levelland, and Nov. 12 at Odessa.

Four spring tournaments will be announced later.

The Western Athletic Conference includes Western Texas College, South Plains JC, Odessa JC, NMMI, Amarillo JC, Clarendon JC, HCJC, New Mexico JC, and Frank Phillips College.

The father of modern canoeing was a Scot named John MacGregor.

Nebraska Puts Streak On Line

By TED MEIER
Associated Press Sports Writer

The 20-game winning streak of the top-ranked Nebraska Cornhuskers in college football may be in jeopardy Saturday against the aroused Minnesota Gophers.

The Gophers haven't beaten the Cornhuskers since 1960, but they scored a surprisingly decisive 28-0 shutout of Indiana last week while Nebraska whipped Oregon 34-7.

"This Minnesota team looks like the best we've played yet, so it should be a whale of a football game," commented Nebraska Coach Bob Devaney. A sellout crowd of 67,000 is expected for the 2:30 p.m. EDT kickoff at Memorial Stadium in Lincoln, Neb.

Sharing interest with how Minnesota's quarterback Craig Curry and fullback Ernie Cook do against the Cornhuskers are the season opening games of Notre Dame and Texas, ranked No. 2 and 3, respectively, in this week's Associated Press poll.

The Fighting Irish of Notre Dame, No. 1 in the AP preseason poll, open at home against Northwestern. The Texas Longhorns are at UCLA in a nationally televised game.

The second weekend of the collegiate season is marked by a heavy intersectional slate.

Some of more prominent intersectional contests, in addition to Texas at UCLA, include Virginia at Michigan, Stanford at Army, Wisconsin at Syracuse, Michigan State at Georgia Tech, North Carolina at Illinois, Southern Methodist at Oklahoma, Southern California at Rice, West Virginia at California, Purdue at Washington and Iowa at Oregon State.

Notre Dame ended Texas' 30-game winning streak, 24-11, in the Cotton Bowl last January and Texas Coach Darrell Royal said "I'm about ready to get off this eight-months losing streak." UCLA is expected to be on the rebound after an upset loss to Pitt.

Two other teams in the AP Top Ten, Auburn and Tennessee, No. 7 and No. 8, also open their season. The Tigers open against UT-Chattanooga. The Vols play UC-Santa Barbara.

Oilers Trim Roster To 40

HOUSTON (AP) — The Houston Oilers have trimmed down to the 40-player limit but head coach Ed Hughes has another move to make before the Oilers open regular season play Sunday against Cleveland.

In cutting down to the limit, Hughes left himself without a kicking specialist, placing Tom Rodgers and Braden Beck on the taxi squad.

He'll activate Beck before Sunday's opener and one player currently on the active list will go off.

The Oilers put receiver Mac Haik, running backs Roy Hopkins and Willie Armstrong and receiver Macon Hughes on the injured reserve list along with starting guard Elbert Drungo.

Cancer Cause Points To Viruses

By BRIAN SULLIVAN
AP Science Writer

NEW YORK (AP) — Scientists are building a stronger and stronger case for the theory that viruses can cause cancer.

"All we can really do now," says virologist F. Kingsley Sanders, "is establish guilt by association."

But if scientists could prove a virus causes cancer, it might be possible to go on and develop a vaccine against the disease. This is complicated, however, because you can't ethically give a suspected cancer virus to a human to see what happens.

Basically, many virologists now think a cancer virus doesn't infect a person, directly causing the disease, but that it has to be "turned on" somehow — perhaps by another virus, by radiation, by chemicals, tobacco smoke, or by just getting old.

This theory of cancer dates from 1911, when the late Dr. Peyton Rous, of what is now Rockefeller University, proved that cancer from a chicken muscle could be transmitted to healthy chickens by an extract from the tumor.

Rous' work was met with skepticism and it took 55 years before he was recognized with the Nobel prize in medicine.

Virus-cancer research results came slowly over the years, until the late 1950s. From then on the work accelerated. Now there is a sense of excitement among virologists, along with a steady stream of major reports in recent months.

One version of the new virus-cancer thinking comes from Dr. Robert J. Huebner and Dr. George J. Todaro, of the National Cancer Institute, who think the actual seeds for cancer, in the form of genetic ingredients, are present in all of us from conception.

Something genetic keeps the virus in check normally, but then something else switches it on, and the cancer, this nation's No. 2 killer, begins to grow.

Virologist Sanders, a vice president of the Sloan-Kettering Institute for Cancer Research, reported strong evidence early this month for dual virus infection in Hodgkin's disease, a cancer of the lymph nodes.

Sanders and his associate, Magdalena Eisinger, said they have evidence for the presence of two kinds of viruses in malignant cells taken from 10 persons with Hodgkin's disease, perhaps with one triggering the other.

Again, this doesn't constitute proof, but Sanders is about to embark on one of the more unusual ventures in cancer research. He wants to check friends, relatives and members of the Albany, N.Y., High School class of 1954 to see if any of them have antibodies to the virus in their blood.

The class of 1954 has been identified, in a controversial study, as the starting point of an "extended epidemic" of 13 cases of Hodgkin's disease. If others have antibodies produced by the body in response to a foreign substance it would indicate the Hodgkin's virus is infectious.

At this point, the research becomes highly technical, as the virologists continue to unravel the mechanics of cell biology.

And while there are great expectations, there also is caution. Virologist Sanders cautions that it's really pretty easy to find viruses or what look like viruses in cancer cells.

But the mere presence of a virus isn't enough to establish it as the cause of a tumor.

"When a bus contains a lot of people," Sanders explained, "any one individual is more likely to be a passenger than the driver."

OLD CHAIR — Shorty Warren (left) of Fluvanna and Tollie Faver, 2005 Avenue M, discuss the chair Faver is sitting in. It is 110 years old and belonged to the late Elmo Faver. It can be seen at the Scurry County Fair in the armory.

FRIENDLIEST STUDENTS — Karen Lambert and Bernie Weems have been voted the friendliest students at Lamar Junior High School by the new students. Karen, 14, is the daughter of Mr. and Mrs. M. D. Lambert, Route 1, Snyder, and Bernie, 14 is the son of Mr. and Mrs. Bernard Weems, 3200 Forty-second Street.

BEST FFA EXHIBIT — The Ira FFA won a blue ribbon at the Scurry County Fair with this exhibit. It can be seen in the Towle Park barn.

Birds Caught By Fisherman

ASTORIA, Ore. (AP) — Commercial fisherman Larry Schaub and his crew caught some 2,000 birds in their nets Thursday in the lower Columbia River.

The birds, a type of seagull known as the sooty shearwater, were apparently trying to feed below the surface.

"They appeared to be attacking our nets," Schaub said. He said his gear was destroyed when it was pulled up as quickly as possible to save the birds.

Several hundred birds were saved, Schaub said.

Other fishermen reported similar experiences and one packing company dock was piled with hundreds of dead birds brought in by fishing boats.

Public Notice

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: JAMES W. BURKE, if living, and if deceased the unknown heirs, devisees or legatees of James W. Burke, and his legal representatives, hereinafter referred to as "Defendants";

Defendant; Greeting

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the District Court of Scurry County at the Courthouse thereof, in Snyder, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty two days from the date of the issuance of this citation, same being the 11th day of October A.D. 1971, to Plaintiff's Petition filed in said court, on the 24th day of August A.D. 1971, in this cause, numbered 10,356 on the docket of said court and styled E. H. WILLIAMSON, ET AL, Plaintiff, vs. JAMES W. BURKE, ET AL, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Reform a Deed

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, ZADA M. CHAPMAN, Clerk of the District Court(s) of Scurry County, Texas.

Issued and given under my hand and the seal of said court at Snyder, Texas, this the 24th day of August A.D. 1971.

(s) ZADA D. CHAPMAN Clerk,
District Court
Scurry County, Texas.
By (s) Alta Bavousett, Deputy.

CHURCH NEWS

CHURCH NOTES

First U. Meth.

The Encounter group will meet at 8:30 a.m. on Sunday morning to continue discussing ways that the church of today can meet the needs of today.

Church school begins each Sunday at 9:45 a.m. followed at 10:55 a.m. by the morning worship service. Bishop Ralph Edward Dodge, for many years a United Methodist Missionary to Africa, will be the speaker. The Chancel Choir is under the direction of Dr. Marvin Genuchi, with Mrs. Wendell Rehm at the organ.

There will not be any activities at the church this Sunday evening due to the District Fall Missions Seminar to be held at the First United Methodist Church in Big Spring. The three Mission studies will begin at 4-6 p.m. Sack lunch and fellowship will be at 6 p.m. At 7 p.m., there will be a District Service of Ecumenical Worship, with Bishop Dodge as preacher.

Special music will be presented by the choir of Holowell United Methodist Church of Midland. The Mission studies are "The New Generation in Africa" to be taught by Dr. John T. King, President of Huston-Tillotson College; "New Machines and the New Humanity," Mrs. F. F. Salser, Dist. Secretary Missionary Education; "The Gospel of Matthew," Dr. Charles Lutrick, Pastor, St. John's Methodist Church, Lubbock; presenting Missionary units available for children will be Mrs. A. E. Vernon, Jr., and Mrs. Max von Roeder; and presenting Missionary units available for youth is Rev. Weldon Rives of Roscoe.

On Wednesday at 7 p.m., the Methodist Men will meet, and the Chancel Choir will rehearse at 7:30 p.m.

Grace Lutheran

Sunday School begins at 9:30 a.m. for all ages. Pastor Henry Hartman's message for the 10:30 a.m. worship service is "The Next Guy," based on Galatians 6:1-5.

Pastor Hartman will be in Wichita Falls Monday, for a district meeting of the Texas-Louisiana Synod of the Lutheran Church in America.

Trinity U. Meth.

Sunday Church School will begin at 9:45 a.m. at Trinity United Methodist Church. The worship service will follow at 10:55. The Rev. Frank Tarr's sermon topic will be "Be Still and Know."

There will be no regular Sunday evening vespers. Instead, the congregation will attend a district mission seminar. At 4 p.m. there will be training for the three mission studies, Africa, Technology, and Matthew. At 6 p.m. those attending will eat sack lunches, and at 7 p.m. they will worship together with Bishop Ralph Dodge of Rhodesia, Mozambique and Angola. Everyone is invited.

Northside Baptist

Sunday services at Northside Baptist Church will begin at 9:45 a.m. with Sunday School classes for all ages. The morning worship service will begin at 10:50.

The evening services begin at 6:30 p.m. with the Baptist Training Course. The evening worship service, and radio broadcast will begin at 7:30. The pastor, Rev. Joe Stevens, will bring the messages.

The Wednesday service will begin at 7:30 p.m., with teachers and officers meeting at 6:45.

The Ladies Auxiliary will meet at 7:30 p.m. Monday. The ladies will present the church with a cup towel shower for the kitchen.

The district Youth Fellowship will meet this Saturday night with the Beacon Baptist Church in Odessa.

Visitors are always welcome at Northside Baptist Church, 1909 Sixteenth Street.

Faith Baptist

Sunday School begins at 10 a.m. at Faith Baptist Church. Morning worship follows at 10:50 with the pastor, Rev. L. W. Hatfield, bringing the message.

Training Union begins at 6:15 p.m. and the evening service at 7. J. W. Love is in charge of the music.

Mid-week prayer service is set for 7:30 p.m. Wednesday.

Visitors are always welcome at Faith and a nursery is provided for the babies. The church is located at Ave. C and Thirty-seventh St.

Dunn U. Meth.

Sunday worship service is set for 9:30 a.m. at Dunn United Methodist Church. "Be Still My Soul" will be the sermon topic. Church School will follow at 10:15 a.m.

A mission seminar is set for Sunday evening. It will include study session at 5 p.m., the evening meal at 6 p.m. and worship at 7 p.m.

Calvary Baptist

Sunday School begins at 9:45 a.m. at Calvary Baptist with a class for each age group. Study will continue in Judges. The morning worship begins at 11 a.m. with the pastor, Rev. George Shoff, bringing the message. Training service begins at 6:15 p.m. and the adults will meet for prayer at this same time. Evening service begins at 7.

Mid-week prayer service is set for 7:45 p.m. Wednesday.

Visitation is set for 7 p.m. Monday and Thursday and the ladies will visit at 9:30 a.m. Thursday. Teachers will meet at 8:30 p.m. Monday for lesson preparation.

"A Voice From Calvary," the weekly radio broadcast, will be heard over KSNY at 9:02 a.m. Saturday with Rev. George Shoff, the speaker. The men of the church will meet for an hour of prayer at 7 p.m. Saturday.

If you need transportation to the services at Calvary call the church and make the arrangements for the bus to include you on the route.

Sunday, Sept. 26 is going to be Round-Up Day at Calvary. Promotion will follow on Oct. 3. Visitors are always welcome at Calvary and a nursery is provided for the babies.

St. John's

Holy Eucharist will be celebrated at 8 a.m. Sunday at St. John's Episcopal Church, with the Rev. Charles Bowyer, vicar, officiating. Holy Eucharist and Morning Prayer are set for 10 a.m.

Holy Eucharist is celebrated at 7 p.m. on Wednesdays.

This Sunday, Sept. 19, will be the first visitation by the Coadjutor Bishop of the Diocese of Northwest Texas. Special service is scheduled Sunday at 7 p.m., followed by a reception for the bishop in the parish hall.

First Baptist

All youth of high school age and their friends are invited to the after-game fellowship sponsored by the Colonial Hill Baptist Church tonight after the Andrews game.

All interested persons are invited to go on the bus Saturday morning at 10:30 to the Billy Graham Crusade in the Texas stadium. The bus will return to Snyder early Sunday morning.

The men of the church meet each Sunday morning at 9 for prayer in the prayer room.

Bible study begins at 9:45 a.m. and the morning worship service begins at 11. The pastor will preach.

The following church committees will meet at 4 p.m.: baptismal, benevolent, bereavement, bus, camp, committee on committees, evangelism and supply, finance, hospitality, house and grounds, kitchen, Lord's supper, missions, music, nominating, personnel, preschool, scholarship, and visual education and radio.

Junior high choir meets at 5 p.m. High school and college youth meet at 5 p.m. The youth snack time is 5:45 p.m. Church training for adults, junior high youth, children grades 4-6 meet at 6 p.m. High school and college youth choir, younger children's choir, and preschool children's choir meet at 6 p.m. Evening worship begins at 7.

This week is Green Week and everyone is urged to participate in visitation. Sunday morning in Sunday School all will be asked to sign to visit this week. The goal for visitation this week is to visit every church family in the interest of the Lay Witness Mission.

Wednesday night schedule begins at 5:30 p.m. for supper. RA's, Girls-in-Action, Acteens, and Mission Friends meet at 6:30 p.m. Sunday School will be under title "Youth-in-Action, Who Are They?" Prayer meeting and adult choir rehearsal begins at 7:30 p.m.

Thursday, Sept. 23, will be Outreach Day with schedule times of 10 a.m., 1:30 p.m., and 7 p.m.

Thursday night is the date the all night prayer meeting for the Lay Witness Mission. All will be asked to sign the prayer chart Sunday. The ladies of the church are asked to sign the prayer chart to pray from 8:30 p.m. Thursday night til 11 p.m. Men and couples of the church are asked to sign the chart to pray from 11 till 6 a.m. Friday morning anyone is asked to sign from 8:30 till 11:30 a.m.

On Friday afternoon, Sept. 24, some 100 lay people from over the state of Texas and New Mexico will arrive to spend the weekend. All members of the church are to be present Friday evening at the church for supper and fellowship time. On Saturday there will be coffees in the homes of members. At noon, the ladies will have a luncheon at the church. The men will have a luncheon at the Steak House. Saturday night, members are asked to come for fellowship and inspiration. Sunday morning, the visitors will teach in the Sunday School and conduct the morning worship service.

BISHOP RALPH DODGE

Bishop To Conduct Seminar

Bishop Ralph E. Dodge, the first Methodist Bishop to be elected in Africa and who subsequently was deported from Rhodesia for unexplained reasons, will direct a fall missions seminar for Methodists of this district Sunday evening at First United Methodist Church in Big Spring.

Dr. Dodge, a native of Terril, Iowa, served his denomination for 35 years in Africa, and his deportation caused widespread protests.

Following college and seminary training, Bishop Dodge and his wife went to Africa in 1936. After five years of service there, they returned to the United States and he earned two additional degrees. Then, after five more years in Africa, they were recalled to America. Subsequently, in 1956, he was elected a Bishop of Congo Kinshasa and of the Methodist Church in Rhodesia, Angola, Mozambique and Transkei areas. His administrative headquarters was in Salisbury, Rhodesia.

The missions seminar at Big Spring will begin at 4 p.m. and will conclude with a 7 p.m. worship service with Bishop Dodge preaching.

Colonial Hill

Sunday School will begin at 9:45 a.m. and morning worship will follow at 11. The pastor, Rev. Miller Robinson, will bring the message.

Officers and teachers will meet at 6 p.m. and the ushers will meet at the same hour for their study course in the choir room.

Training Union will begin at 6 and the evening worship service at 7, with Rev. Robinson bringing the message.

The Esther Sunday School Class will have a salad supper at 7 p.m. Tuesday in the home of Mrs. John Reed. The Rachel Sunday School Class will have its meeting at 6:30 p.m. in the home of Mrs. Dennis Dooley.

The RA's in grades 4-5-6 will meet at 6:45 p.m. Wednesday. Prayer service is set for 7:30 p.m. and adult choir practice will follow.

First Presbyterian

Rev. John Gordon's sermon topic for the Sunday morning worship at 10:55 will be, "Good People Suffer." Scripture background is found in I Peter 3:13 and 4:19. Sunday School begins at 9:45 a.m.

Bible study on Romans will be held Tuesday at 10 a.m. A nursery will be provided. This same class will also be taught at 7:30 p.m. Tuesday.

Church Family Night will be at 6:30 p.m. Wednesday, Sept. 22. Evelyn Joyce Johnson, director of Snyder Day Care Center, will present the program.

Bell-Seale
FUNERAL HOME
3101 AVENUE S
We've Thought
Of Everything
Bell-Seale Funeral Home was designed specifically for its sacred purpose. We've overlooked nothing that might add to your convenience and comfort in time of bereavement. Truly, our facilities are unmatched anywhere in this entire area.
MEMBER THE ORDER OF THE GOLDEN RULE

Be still

"And he doeth according to his will." Daniel 5:35.

God blesses the man who
strives with a will,
Though ambition's a driver with
pace that can kill.
Still persistence must come if
victory's won,
For a race with vigor must
ever be run.
And though a man be brilliant
in word and in deed,
Through only persistence will
he ever succeed.

WILL CURTIS

Bethel Baptist

"What Is A Christian Program?" will be the sermon topic of R. Virgil Mott Sunday morning at 8:35 a.m. over KSNY on "The Back To Bethel Broadcast." Scripture reference is Matt. 5:13-16. An added feature to the broadcast will be "Salt From the Salt Shaker."

Sunday School has been set for 10 a.m. If you want to ride the Bethel bus call 573-8845, 573-9032 or 573-5968, by 9 a.m. Sunday.

"Open Up the Windows" will be the sermon topic of the pastor at the 11 a.m. worship service Sunday. Scripture reference is Malachi 3:10. At the close of the morning worship service the Sunday School and Training Union list of workers will be presented to the church by the Nominating Committee.

The Youth choir will meet for rehearsal at 5:45 p.m. Sunday. Mrs. R. Virgil Mott, director, urges all Youth at Bethel who are interested in singing to attend.

The Church Training Service will begin at 6:30 p.m. J. A. Dodson the Director said he was depending on directors to study their departmental organization.

"Have You Recently Checked For Leaks?" will be the sermon topic of the pastor at the 7:30 p.m. worship service.

This week Bethel Baptist Women have held the week of prayer for home missions. Mrs. Tom Tatom is the new director of the women's work at Bethel.

Wednesdays schedule includes 7:30 p.m. teacher improvement time, with Mrs. Virgil Mott; 8 p.m. a series of Christian questions with discussion led by the pastor.

Green Hill Baptist

Sunday School begins at 9:45 and the morning worship service follows at 11.

Training Union is at 6:30 and the evening worship service is at 7:30. The pastor, Quinton Montgomery, will preach at both services.

The ladies of the WMU have met each morning throughout this week for the "Week of Prayer" for state Missions. The church goal is set at $150.

The ladies meet each Tuesday morning at 9:45 for WMU, and they urge every lady of the church to be present.

Next Wednesday evening is "Family Night." Every family of the church is asked to bring their supper to the fellowship hall at 7 and all will eat together.

The Youth Rally scheduled for Saturday night has been postponed until further notice.

Outing Planned For Ministers

The Bell-Seale Funeral Home will be host to all Scurry County ministers for a fishing trip and supper Monday at Blackwell Lake.

The ministers will assemble at 9 a.m. at First Baptist Church. Supper will be served at the lake at 6:30 p.m. Ministers who desire further information may contact the Rev. Jack Riley at 573-2631.

FINE WOOL LAMB — Glenn Bridges won the grand championship in the fine wool division at the Scurry County Fair with this Hamp lamb. Judging was held yesterday at noon.

Professor Predicts Depression

DENTON, Tex. (AP — A North Texas State University professor predicts America will face a depression worse than the 1929 stock market crash once the 1972 elections are over and the economic props are pulled out.

Dr. George Christy, writing in the latest issue of a school publication, "The North Texan," said that as the panic spreads, stock and bond markets will collapse and unemployment will soar about the 1970's high water mark.

"The dike will be punctured in so many places that government loans and other aid won't be able to cover the waterfront," Christy said.

The cause, he says, will be worldwide wage inflation, out of the control of democratic processes. It constantly will gain momentum and will produce its own cure—worldwide depression.

Christy was a stock broker for six years before joining the College of Business Administration faculty.

He wrote before President Nixon's wage-price freeze announcement in mid-August, but predicted that wage and price controls probably would be tried as inflation fighting measures. He has since said none of his predictions have been changed by the economic steps taken by the President.

The administration's economic game plane, he says, "Is aimed at reviving the boom long enough to win the 1972 election. Mr. Nixon will fight inflation with jawbone (and maybe wage and price controls) while spending the country back into prosperity, with a deficit budget."

"The absurdity of a plan to control inflation while simultaneously blowing up money supply," he writes, "can be likened to trying to dry clothes without removing them from the water.

Students Invited To Colonial Hill

All high school students are invited to an "after-game" fellowship tonight at Colonial Hill Baptist Church.

Students are invited to go to the church immediately following the Snyder-Andrews football game in Tiger Stadium.

There will be special entertainment and refreshments.

Analysis Ordered On Laws

MIDLAND, Tex. (AP) — A comparison and analysis of Texas and California school tax laws was ordered Thursday by State Sen. Jim Bates, chairman of the Texas Legislative Property Tax Committee.

Bates, from Edinburg, asked for the study at a meeting here of the committee.

The Senator said he "was gravely concerned" about an Aug. 31 ruling by the California Supreme Court. The ruling declared unconstitutional California's school ad valorem tax laws, saying the quality of education is inequitable between richer and poorer districts.

Bates said there is a striking similarity between Texas and California laws and added that if the U.S. Supreme Court upholds the California decision it will "cause chaos in the Texas public school system."

The committee originally was set up by the Texas Legislature to make a thorough inquiry into the whole process of ad valorem taxes in Texas and to recommend new laws and changes in present tax statutes.

The unexpected California decision, however, sent the school issue to high priority on the committee's list.

Bates ordered the committee staff to analyze and develop the school problem on a Texas basis and to outline those problems as soon as possible. From that point, he said, the committee will attempt to formulate legislation which will remedy objections to state school financing.

Currently, there are two cases pending in federal courts in Texas challenging the school tax system.

A steelmaker's open hearth furnace contains enough brick to build 125 six-room houses.

Baylor Names Chairman

WACO, Tex. (AP) — Dewey Presley, president of the First National Bank in Dallas, Thursday was named chairman of the board of trustees of Baylor University.

The board also confirmed the appointment of three assistant vice presidents.

Presley was elected to fill the vacancy caused by the death of Judge Frank M. Wilson of Waco. Wilson, who died last April 30, had served as chairman since 1967.

Presley was elected vice chairman of the board in 1967.

The new assistant vice presidents and their areas of responsibility are Ronald Cocker, financial affairs; J. C. Underwood, business affairs; and Dr. John Flynn, research and planning.

All are currently members of the Baylor staff and faculty. The new appointments are effective immediately.

Calling Signals

When Bart Starr barks his signals for the Green Bay Packers, the modern football world listens and moves into action. That's because Bart Starr is a disciplined, dedicated believer. He believes in an Omnipotent Power. He is a member of the Administrative Board of the First United Methodist Church. He extends his religion into all his world. He believes in America and Democracy. Comparatively small in a world of giants, he worked and studied his way to the top. Bart Starr believes in people, his great team mates, his family, his neighbors, his friends, his community. Generous and understanding, he is active in dozens of civic and charitable causes.

A churchman and a real man, Bart Starr turns to ashes all those reservations about churches being for sissies. He believes in himself. He is brilliant and tough on the field, generous and sympathetic in every day life. He says faith helped him lead the Packers to two super bowl victories and two all time pro passing records. He puts his passes in the hands of his belief and his receivers. Yes, belief calls the signals for Bart Starr. It will call them for you, too, at your place of worship this week.
