Four arrested on grand jury indictments; thefts reported

Four persons were arrested on grand jury indictments during the last week, and law enforcement officers had reports of seven cases of theft in the county. Four men were indicted recently by a 106th District grand jury for felonies committed in the county, including:

Anthony George Villarreal, 46, of Wilson, on charges of continuous sexual abuse of a child, aggravated sexual assault and indecency with a child, bond set at \$500,000;

Troy Dale Myers, 42, of O'Donnell, felony DWI, bond set at \$50,000;

Alfredo Cantu Jr., 39, of Lubbock, felony DWI, bond set at \$50,000;

Brandon K. McClendon, 26, of Lubbock, on charges of forgery, bond set at \$25,000.

Tahoka Police officers are investigating a report filed Jan. 20 by Michael Lynn Winfry of theft of farm equipment valued at \$1,800. Winfry said someone had stolen 18 20w Volume CP tips off of a 1992 Terra Gator while parked outside on property in the 900 block of Lockwood.

Sheriff's officers had six cases of theft reported during the last week, with thieves taking metal, copper tubing, a utility trailer and tools and other equipment from six locations. Buzz Cooper, manager of Texas Star Gin, reported theft of metal (no value given) from the Wilson gin location, including I-beam, angle iron and channel iron, on Jan. 31. On Feb. 1, Mark Terry reported a utility trailer with propane

tank missing from property on CR2 in northern Lynn County. Also in the northern part of the county, Doug Heinrich reported metal pipe stolen from a farm on CR1 on Feb. 2, including seven joints of irrigation well pipe with tubing and shaft, valued at \$6,000.

That same day, Oscar Follis of Wilson reported theft of copper tubing from a barn located just outside the city limits of Wilson, valued at \$400. The next day, Feb. 3, Dusty Patterson reported that an air compressor was stolen from a pickup parked at his home northwest of Wilson, valued at \$1,000.

On Feb. 4, Murray Keith of New Home reported several items stolen from a tractor on farmland east of New Home, including a radio, headlight and tools. Total value of the missing items was \$700.

Two cases of criminal mischief were reported to Tahoka Police during the week. Robert Ruiz Gutierrez reported Jan. 30 that someone keyed his 2003 Avalanche pickup while it was parked in the driveway at his home on South 1st Street, and another case involved a complaint that a man's ex-girlfriend texted him saying his TV was in the floor and he thought she might have broken it. The 50-inch Sanyo television was valued at \$1,000.

Dispatchers at Lynn County Sheriff's Dept. processed 250 calls in January, including 106 for the county, 78 for City of Tahoka, 20 for O'Donnell, 18 ambulance calls and eight fire calls.

I want 2 points ... New Home's Naomi Nevarez goes up for 2 points in the Lady Leopards game last Friday against Lorenzo. The Lady Leopards lost 44-31 to their district leader. The Lady Leopards finished regular season play on Tuesday, going into the playoffs with a 10-2 district record and 23-3 overall. They are the 2nd seed in Class A District 7 Div II, and will play Grady at 7:30 p.m. Tuesday, Feb. 14 in Post in BI-District action.
(LCN PHOTO by Abraham Vega)

Outta my way ... Josh Paul grabs the ball for New Home, but a wall of Lorenzo players gets in his way in last week's game. The Leopards won 52-41 in the district match. The Leopards drew a bye to finish 9-3 in district and will go into playoffs as the 2nd seed. They will play another Lynn County team in bi-district playoffs, facing O'Donnell, Tuesday Feb. 21 in Post (game time not yet available).

YEARS AGO when I was just a youngster, someone gave me a little book of poems and other writings by Ogden Nash, which was stolen or lost long ago, but which, I realize now, may have given me my first appreciation of humor and puns.

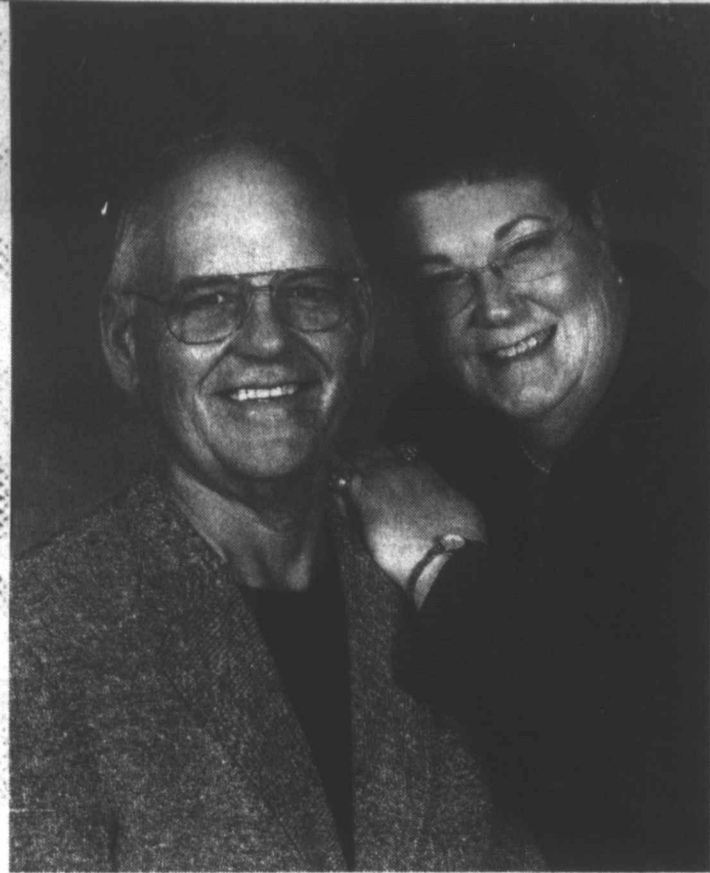

Last week as I considered writing something about Valentine's Day, I thought of one of Nash's writings that explored the subject of Valentines and featured someone named Mr. Ballantine, who never had received a valentine, and I decided to look it up on the Internet, where just about all information is available.

The offering by Nash was longer than I remembered, but here are a few lines of it (the entire poem can be read on the internet, by googling Mr. Ballantine's Valentine):

The Strange Case of Mr. Ballantine's Valentine

Once upon a time there was an attorney named Mr. Ballantine. He lived in the spacious gracious days of the nineteenth century. Mr. Ballantine didn't know they were spacious and gracious. He thought they were terrible. The reason he thought they were terrible was that love had passed him by. Mr. Ballantine had never received a valentine. He said to his partner, My name is Mr. Ballantine and I have never received a valentine. His partner said, Well my name is Mr. Bogardus and I have received plenty of valentines and I just as soon wouldn't. He said Mr. Ballantine didn't know when he was well off. Mr. Ballantine said, I know my heart, I know my mind, I know I long for a valentine. He said here it was St. Valentine's day and when he sat down at his desk what did he find? Valentines? No. I find affidavits, said Mr. Ballantine. That's the kind of valentine I get, said Mr. Ballantine.

The poem goes on to explain how Mr. Ballantine finally meets Herculena, the strongest woman in the world, who agrees to be his valentine, although that didn't work out too well, either. Look it up, if you can; it's pretty good.

BILLY and MARY ANN RUSS

Couple celebrates Golden Anniversary

Billy and Mary Ann Russ of O'Donnell will celebrate their 50th wedding anniversary with family and friends on February 11, 2012 at the First Baptist Church in O'Donnell from 2:00-4:00 p.m. No gifts please.

Russ and the former Mary Ann Burkhardt were married on February 10, 1962 in Lamesa, by Joe Bass. They are the parents of Laura Davis (J.D.) of Saginaw, Brandi Garza (Michael) of Brownfield and Kristy Dickerson (Rex) of Fredericksburg.

The couple has lived in O'Donnell since they married in February of 1962.

Phebe K Warner Club to celebrate 90th birthday

Phebe K Warner Club met Jan. 24th in the home of Loretta Tekell with nine members present. The next meeting will be held Feb. 14th at 2:30 at Lynnwood Assisted Living Center to celebrate Valentine's Day with the residents and guests and also celebrate Phene K Warner Club's 90th birthday.

The club was organized March 16, 1922 with 20 plus members. It became federated with Texas Federation of Women's Clubs and General Federation of Women's Clubs. Our namesake, Phebe K Warner, was an outstanding West Texas woman who was a recognized feature and magazine writer. She was born in Illinois, orphaned at an early age, and grew up in the home of her older brother. After working her way through Illinois Wesleyan University, she taught science in the Illinois Women's College. She married Dr. William Warner and moved to Claude in the Texas Panhandle. She made great contributions to the local community and was instrumental in starting many clubs, including Phebe K Warner.

Phebe K Warner Club met in a large room in Lynn County Courthouse fitted with two rugs, a dining table, comfortable chairs, and a self-rocking cradle. It was a great meeting place for women in Lynn County, much used and appreciated since it was built with the county taxpayers money.

Through the years, the club has worked on many projects, assisting with the American Heart Association, March of Dimes, American Cancer Society, and Salvation Army. Letters to the Legislature were written to persuade law makers to pass legislation for funding for building M.D. Anderson Cancer Research Center, for the seat belt law to be passed, laws to stop elderly abuse, for supporting driv-

er's education in public schools, and the "Get Out and Vote" campaign as well as many other projects.

In 1931, the club established a public library in Tahoka and still assists today. In 1968, the club established the Lady Dobbins Stewart Scholarship to assist a graduating girl in getting a college education. In 1971, the Maurice Bray Scholarship was established to assist a graduating boy. The club also assisted Girlstown USA with a scholarship to college. At the Annual Fun Food Festival, the club sells homemade ice cream to benefit the Lynn County Hospital District. The club continues yearly to promote arts through the Tahoka Schools with the Short Story and Poetry Writing contests.

All Phebe K members diligently work to support their club projects. The members also serve the Caprock District, State of Texas and Region officers and other various committees.

The purpose of Phebe K Warner Club is to inspire and develop a greater interest in education and culture; to stimulate growth of our city, to cooperate in any work, which may advance civic improvements, and to strengthen the ties of friendship among the women of this community.

IRA WHITE-KELLY

Ira White-Kelly to present variety show in Sundown

Tahoka ISD graduate Ira White-Kelly will be returning to the stage on Feb. 13 to present a variety show titled "Kelly and Friends" in Sundown. Mrs. White-Kelly will be the featured entertainer along with her niece, Sheena Fadeyi, and will present a repertoire of ballads and gospel music. Everyone is invited to attend.

Also appearing will be Mike Motheral, Superintendent of Sundown ISD, Randal Ramirez, reading teacher at Sundown ISD, Bethlehem Baptist Church of Lubbock, and many others.

Before the show, a dinner will be served consisting of bris-ket, beans, potato salad, dessert and a drink. Tickets can be purchased for \$12 for adults and \$6 for students. Tickets can be purchased by calling 806-229-3021 or by email at iwhitekelly@sundownisd.com. The dinner will be served at 7 p.m. in the Sundown High School cafeteria and the show will begin at 8 p.m. in the Sundown ISD auditorium.

"It's been a long time since I was on stage in any type of entertainment venue so I'm excited to be back singing songs that I love in front of an audience," said White-Kelly. "And the fact that Sheena is joining me puts the icing on the cake. We haven't sung together in years, so this will be a family reunion."

Mrs. White-Kelly currently serves as the Theatre teacher for Sundown ISD and lives in Post with her husband, Rev. Arthur Kelly. Sheena is the granddaughter of the late TC and Myrtle White. She and Ira both are Lynn County Harvest Festival Stars talent show winners and performed professionally for many years.

Genealogical Society to meet in Lubbock

The South Plains Genealogical Society will meet on Saturday, Feb. 11 at 10:00 a.m. at the Lubbock Mahon Library located at 1306 9th Street. Professor William Casto of the Texas Tech School of Law will present, "Legal Terms in Genealogical Research." Professor Casto is the author of books and articles on legal history and is a Paul Whitfield Horn Professor, which is the highest honor the University may bestow upon members of its faculty. Any interested persons are invited to attend for refreshments and an informative program.

For more information, contact Barbara McDougal, President, at 797-9687.

Former Tahokan attends Washington, D.C. conference

Washington, D.C. — Health advocates from VOICES Coalition, including Tahoka alumna Andrea Sepeda-Miller, Community Coalition Prevention Specialist, were in Washington, D.C. Feb. 6-9, to join nearly 3,000 substance abuse prevention and treatment specialists and advocates from throughout the country for Community Anti-Drug Coalitions of America's (CADCA) 22nd annual National Leadership Forum. CADCA's National Leadership Forum is the nation's largest training for substance abuse prevention and treatment professionals and researchers.

"We are so excited to be able to spend a week in our nation's Capitol, learning and honing our prevention skills so our community can be a better place, one that doesn't suffer from the harms of drug and alcohol abuse," says Sepeda-Miller. "We hope to come

back re-energized with new strategies under our belt to tackle our drug use in Lubbock, Texas and the surrounding counties." Sepeda-Miller is a former Tahoka resident and graduate of Tahoka High School.

Besides the opportunity to learn the latest strategies to prevent alcohol, tobacco and other drug use, the coalition also heard from such conference headliners as Gil Kerlikowske, Director of the Office of National Drug Control Policy and James Fowler, Ph.D., author of Connected: The Surprising Power of Our Social Networks and How They Shape

ANDREA SEPEDA-MILLER

Our Lives, and a Professor in the School of Medicine and Division of Social Sciences at the University of California, San Diego.

The coalition also had the opportunity to meet and brief Senators and members of Congress from their state during CADCA's Capitol Hill Day.

"The coalition has recently worked on a medication cleanout where we were able to collect 339 pounds of prescription medication," said Sepeda-Miller. "We are currently partnering with Texans Standing Tall and are in the beginning stages of the working on the Social Host Ordinance for our community. We continue to be actively involved in our community's health fairs and Red Ribbon Week activities. We continue to host our annual back-to-school kickoff and help provide backpacks and school supplies to youth and to help parents with the burden of buying school supplies," she explained.

CADCA's National Leadership Forum features more than

100 training courses to help community and state leaders prevent and reduce substance abuse and its related problems. CADCA is the national membership organization representing more than 5,000 coalitions and affiliates working to make America's communities safe, healthy and drug-free. CADCA's mission is to strengthen the capacity of community coalitions by providing technical assistance and training, public policy advocacy, media strategies and marketing programs, conferences, and special events. Four schools in county get new district UIL lineups

As the State University Interscholastic League (UIL) announced realignments last week, none of the four schools in Lynn County moved either up or down in classifications, but all will face some new opponents in either football or basketball districts, or both.

Tahoka will be in District 2-A, Region 1 in football with Hale Center, Lockney, New Deal and Sundown.

In basketball, Tahoka will be in District 6 with Forsan, Plains, Seagraves, Smyer and Sundown.

O'Donnell will be in Division 1 Six-man football Dist. 4 with Borden County, Klondike and Grady, and in basketball will be in Dist. 6 with Sands, Borden County, Klondike, Grady, Loop and Dawson.

New Home and Wilson will be in the same Division 2 Six-man football Dist. 4 with Southland and Lorenzo, and in the same Division 2 basketball Dist. 5 with Lorenzo, Lubbock Harmony Science Academy, Meadow, Petersburg, Ropes and Southland.

was named quarterback for the second team on the All-South Plains Six-man squad, and senior Zach West was chosen as a second team end.

Tahoka, New Home stars on All-South Plains grid teams

Trai Smith and Ray Parmer of Tahoka were named to the first team of the Lubbock Avalanche-Journal's Class A All-South Plains football team announced last week, and Josh

Paul of New Home was selected on the first team of the Six-Man football star team.

Smith, a 165-pound senior for the Bulldogs, was described as "one of the more dominant

running backs on the South Plains and a terror for teams to stop, racking up 1,343 yards and 20 touchdowns."

Parmer, a 215-pound sophomore, made the first team as a linebacker, listed by the A-J as "despite his youth, one of the more dominant forces in the area on defense. He finished the year with 170 tackles and forced three fumbles."

Chance Cook, a senior defensive back for Tahoka, was selected on the second team defensive All-South Plains team.

Paul, a 165-pound running back for New Home, rushed for 1,236 yards and 23 touchdowns on 135 carries during the season.

Not pictured is Daniel Garvin as 'The Punish Sir'.

Wilson residents killed in wreck south of Wolfforth

Humberto Olvera, 54, of Wilson and his daughter-in-law, Veronica Rodriguez, 25, also of Wilson, were killed in a two-vehicle crash in Lubbock County at the intersection of FM 41 and FM 179 after police say a tractor-trailer ran a stop sign and collided with their pickup, according to the Lubbock A-J. Three generations of the Olvera family were in the truck.

Olvera, who drove the Chevrolet Silverado pickup, and Rodriguez, who sat directly behind him, were pronounced dead at

the scene after the tractor-trailer slammed into the driver's side of the pickup just after 10 a.m. Friday, Feb. 3, said Sgt. Keith Smith with the Texas Department of Public Safety.

Rodriguez's 3-year-old daughter, Michelle Olvera, and husband, Refugio Olvera, 24, along with Humberto Olvera's wife, 54-year-old Natalia Olvera, were all transported to University Medical Center in Lubbock; as was the driver of the tractor-trailer, 68-year-old Joseph Gibson of Panhandle.

Gibson was treated and released from UMC that same day.

As of Monday, Feb. 6, Refugio Olvera and Natalia Olvera are reported to have both been released from the hospital; however the three-year-old is still in the hospital and reportedly still critical.

Investigators believe Gibson was driving a 1998 Kenworth tractor-trailer north on FM 179 when he failed to yield at a stop sign at the intersection of FM 41, striking the westbound Sil-

verado.

DPS troopers have not yet finalized their investigation, according to reports early this week.

Wilson ISD uses grant funds to hire parent liaison, tutors

Wilson Independent School District, one of 47 campuses/school districts in Texas awarded the Texas Title I Priority Schools Grant, Cycle 2 (TTIPS) grant, has begun receiving funding and initiated some changes within the district. This grant will provide WISD with at least \$2.5 million over the next two years with a possible extension for a third year at an additional \$1 million to improve the system of instruction for all students.

"This grant will allow a major restructuring of the ways that students are taught at Wilson ISD. The major change will be for all students at all grade levels to have 1-to-1 access to computing. In other words, all students at WISD will have laptop computers or age appropriate technology to enhance their learning," said WISD Supt. John Horak.

"The Internet backbone at WISD is being upgraded to expand the bandwidth and wireless connections so that in every classroom every student and teacher can use online extensions to their instruction. The grant will also allow several needed staff positions to be created that will support our

students and their families in becoming lifelong learners," he said.

Since Wilson ISD was first awarded the grant, Supt. Horak began by hiring a Parent Liaison and an English Language Arts tutor to facilitate the high school.

In January the district began receiving funding and the following positions were filled to help WISD students become better learners and more productive in school:

Bill Gonzalez – Parent Liaison, Campus Wide

Glynda Gonzalez – High School Certified English Language Arts Tutor

Shirley Green – High School Certified Math Tutor

Jean Johnson – High School Certified English Language Arts Tutor

Tony Burrow – High School Math Tutor

Patricia Goodnough – Elementary, English Language Arts and English Second Language Aide for Mrs. Allmon. She aides Mrs. Allmon in the Pre-K classroom.

Kay Hallum – Elementary and Junior High Certified English Language Arts Tutor

Susan Spidel – Elementary 3rd grade aide

"We are very pleased to have these new employees and please help us in welcoming them to our school," said Supt. Horak.

The Heisman trophy is named for John William Heisman the first full-time coach and athletic director at Rice University in Houston.

TAHOKA LAKE PASTURE

PRESERVATION • EDUCATION • CONSERVATION • ECO TOURISM

This Lynn County Landmark and the hills surrounding it are a part of Lynn County heritage... yours and your children's heritage.

Consider finding ways to participate in The J.C. Calm Foundation's effort to protect it. Plan a group guided tour or just call to make individual plans for a come-see.

Contact CLYDE MAY at 806-327-5434 or 1-888-568-7301
leave a message and we'll call back.

Armadillos are not native to the South Plains, and we know nothing of their habits.

Several are showing up here... one, almost white appeared recently. Could it just be shedding scales, or might it be albino? We'd also like to know when mule deer shed their antlers and when they regrow them. WE ALWAYS APPRECIATE INPUT!

Your gifts to Tahoka Lake Pasture or the J.C. Calm Foundation are tax deductible.
