Amendment 5 Aids Cattlemen

The Vote for 5 Committee chairman Sept. 21 said that Texas livestock and poultry producers will continue to be at a disadvantage when compared to other states without passage of Proposition Five in November.

Proposition Five seeks to include livestock and poultry with all other farm products which are already exempt from property (ad valorem) taxation.

Rep. Susan McBee (D-Del Rio), chairman of the Vote for 5 Committee, pointed out that of the seven largest cattle-feeding states, Texas is the only one which unconditionally imposes property taxes on livestock.

A 1976 ruling by the former Texas Attorney General John Hill said that livestock and poultry were not "farm products". "Texas meat producers have been at a price competitive disadvantage compared to producers in other states," McBee emphasized.

"Obviously, where this tax is levied, costs of production are greater that where it is not imposed," she said. "As long as we allow this situation to exist, we will be making Texas meat more expensive than meat produced in other states."

McBee urged all Texans, consumers and producers alike, to understand the facts about Proposition Five, and to vote for passage of the amendment on Nov. 3.

Defensive Driving Course Offered

Once again Wayland Baptist University will soon be offering the Texas Department of Public Safety's Defensive Driving Course to persons of the Plainview area.

The two-night course will meet from 6 until 10 p.m. Monday, Sept. 28 and Monday, Oct. 5 in the Auditorium of the Llano Estacado Museum. The entire course is covered in the eight hours of class.

Persons who complete the course will qualify for a 10 percent discount on automobile insurance for the next three years. "This is an opportunity to help fight inflation and learn to be an even better driver at the same time," said Dr. Bill Hardage, assistant academic vice president at WBU.

Persons under 25 years of age do not qualify for the insurance discount, Hardage pointed out, but are welcome to attend and learn the defensive techniques.

Cost for the course is $10 per person and covers tuition and all materials. Participants will also receive .8 continuing education units (CEU) credit upon completion.

Representatives from Hardage's office will be available at the Museum from 5:30 to 6 p.m. the night of the first class to register all participants. For more information call Hardage at 296-5521.

Horns Fall To Arch Rivals, Stopped By Swifts, 9-12

The Hart Longhorns traveled 11 miles up the road to play their arch-rivals, the Nazareth Swifts. When these two teams meet, you can throw out all the records. This game is usually a very close and hard fought contest, and this year was no exception. At game's end, Nazareth had come away with a sweet 12 to 9 victory over the Hart Longhorns.

Nazareth opened the scoring with the help of a roughing the punter penalty. After the markoff, the Swifts grounded out the remaining 35 yards to paydirt. Calvin Schulte went the final yard to give Nazareth a 6-0 lead. The PAT was wide so with 5:57 remaining in the initial period, the Swifts led Hart 6 to 0.

Good, tough defense from both teams dominated most of the remaining first half. Hart did throw away several scoring opportunities with fumbles and pass interceptions. Nazareth was held on downs late in the half on the Longhorns' 20 yard line. The half ended with the Swifts still on top by a 6 to 0 count.

Hart took the lead in the third quarter following a blocked punt by Roy Rodgers. This miscue set up the Longhorns at the Swifts' one yard line. Clay Barnes plunged over from the one and he kicked the extra point giving Hart a 7 to 6 advantage with 3:50 left in the third quarter.

The Longhorns added two more points very shortly when Robert Martinez and Arnie Gonzales tackled punter Calvin Schulte in the end zone after a high snap. With 1:30 still remaining in the third quarter Hart now led 9 to 6.

With 10:51 left in the game, the Swifts gained control of the ball at their own 21 yard line after a Longhorn punt. Nazareth moved methodically down the field with Calvin Schulte doing most of the damage. Schulte capped an 18 play drive that used up 7:31 by going the final 5 yards. The PAT was blocked leaving the score Nazareth 12 and Hart 9 with only 3:51 to go in the game.

On the ensuing kickoff, Hart fumbled and the Swifts recovered at the Longhorns' 38 yard line. However, on third down Robert Martinez forced a fumble and Ferny Coronado recovered at the Horns' 35 yard line with only 2:11 remaining.

The Scrappy Longhorns never gave up, moving the ball to the Swifts' 25 yard line. With no time outs remaining, a fourth down pass was intercepted in the end zone by Johnny Schumucker. This sealed a 12 to 9 Nazareth victory.

"Our youngsters played really hard; we just made too many mistakes to win," commented Hart head coach Ken Hoskins. "Nazareth was ready for us. They made fewer mistakes and they

Chad Black Holds Season Lead

Three persons missed three games each for the best predictions of the week in the Hart Beat's football guessing game.

Dividing the winnings via the tie-breaker, the three best performances were Lee Estrada, Kerry Newsom and Jerry Mathis. Estrada was nearest the actual score of the Horns-Swifts game with an 18-8 prediction. The thirteen point span was good enough for first place.

Seventeen points off, Newsom predicted the score at 21-7. He claims second place. Third place goes to Mathis who missed by 23 points with 27-7.

Chad Black continues to hold onto the season lead with 34 correct predictions for the three weeks. Contestants with 27 or more points are listed elsewhere in this issue.

Contestants are reminded to keep working for the season grand prize of $50. The person with the most correct predictions at the end of the season - the contest continues as long as the Horns are in competition - will claim the winnings. A coin flip will determine the winner in the event of a tie.

Anyone can be a weekly winner - even one who enters for the very first time. Enter today, you just might be next week's top winner.

JV Horns Humble Patriots

The Hart JV Longhorns defeated the Valley Patriots 28-0 Thursday night in football action. The Longhorns first TD was set up by a 19 yard pass from Tony Hoover to Roland Alfaro, which put the Longhorns on the one yard line. From the one, it was Bone Diaz who went in for the score. The two point try failed making the score 6-0. On Hart's second possession it was Arthur Finch who set up the score with a 14 yard run, and a 29 yard pass reception. Then Tony Hoover found Roland Alfaro open for a ten yard pass reception. Arthur Finch then put it on the three yard line, and it was freshman quarterback Kerry Newsom who went in for the score off a bootleg play.

Finch also chalked up the two extra points. The next Longhorn score was set up by a blocked punt. That's all Hoover needed to connect with Alfaro for another 10 yard pass reception and TD. The extra points try failed. Roland Alfaro kicked off the ball and it went in the end zone, where Valley attempted to return it. The Valley returnee was caught in the end zone for the safety by Vernie Debus and Tommy Gonzales. Hart's score at halftime was 22-0.

After the half, it was again the combination of Tony Hoover and Roland Alfaro that set up Hart's last touchdown of the night. Hoover went long distance to Roland Alfaro for a 72 yard pass. Alfaro took the ball down to the one yard line. Then Bruce Finch carried the mail for the Longhorns and made the score 28-0.

Coach Granger made these comments after the game:

"Obviously we've improved offensively. I think a great deal of credit in our passing game must be given to the offensive line. They really did a good job. Darrell Ethridge, Raul Rodriquez, Robert Perez, Kyle Allen and Vernie Debus are all responsible for the good pass blocking. Defensively there were so many great plays by all our kids, but Bone Diaz, Joey Macias, Gilbert Tenorio, Robert Perez, Wade Carson, Tim Foster and Kyle Allen all gave super efforts in the victory. We had two new welcomed additions on the JV and they were Tommy Gonzales and Albert Rodriquez. Although they were new to the squad, they came in the game and helped us at their spots. Hart's JV football record is now 1-1 in regular season play.

Shorthorns Trample Nazareth

The running of Abel Martinez and Johnny Washington led the Shorthorns to a 26-6 victory over Nazareth Thursday.

Martinez ran for two touchdowns in the first quarter and Washington romped for two more in the third and fourth quarters. Arturo Guzman got two more points when he went over for a conversion.

Nazareth's only score came in the first quarter resulting from a Hart fumble on the 3 yard line. The Horns' defense proved to be too much for Nazareth all night, allowing them to gain only three first downs.

Outstanding players on offense were Abel Martinez, Johnny Washington; with defensive standouts Manuel Ramirez and Brett Ritter.

Record is 1-1. Next game is Valley in Hart on Oct. 1, at 5 p.m.
