## TALKS ON CANDIDACY HERE TONIGHT

Ross S. Sterling, below, of Houston, brings his second appeal to the voters of Lubbock and the South Plains for support in his gubernatorial campaign here tonight. Mr. Sterling spoke here in the first primary. His speech is to be heard from a platform arranged on Avenue K between Broadway and Main.

## Ross Sterling Is In City Tonight

HOUSTON MAN TO TAKE APPEAL FOR VOTES TO CROWD AT 8 O'CLOCK BETWEEN BROADWAY AND MAIN ON AVENUE K

Making his second Lubbock appearance of the present political campaign, Ross Sterling candidate for governor will speak here tonight at 8 o'clock on Avenue K between Main and Broadway.

The other speaker is also scheduled to appear in the Houston man's behalf. Some of the speakers are: W. H. Bledsoe, Lubbock attorney and former state senator.

Roscoe Wilson To Preside  
The addresses will be made from a truck or improvised platform and Roscoe Wilson, chairman of the Lubbock county Sterling for Governor club will preside. This is Mr. O'Brien's second appearance here having made a short talk in the first primary campaign.

Benches have been provided and a crowd of 3,500 can be accommodated officials of the local Sterling organization said.

Appearance Announced  
All towns and communities served by buses operating out of Lubbock within a radius of 40 miles have been covered with information that he introduced Paul Montgomery, confessed pilot of an airplane that made a bombing raid on mining properties at Providence, Ky., last Monday, two Kentucky miners accused of plotting and carrying out the raid.

Maloney was arrested last night at Des Moines and was questioned here by county and government officials until an early hour today.

Lawson said today that Euel Grant, president of a local union in Clay county, Kentucky, and Ewing Riley of Providence were arrested last night on the strength of Montgomery's confession naming them as the two men who accompanied him in his flight over the Kentucky mountains.

## Old Timers Gathering In Reunions

### TWO REUNIONS BEING HELD IN AREA

HANK SMITH MEMORIAL PARK HAS 3,000; EVENT HERE TOO

Old settlers of Lubbock and the South Plains are gathering today for their annual reunions, swapping yarns of the early days and partaking of the annual picnic dinners. At the fair park grounds here, the Lubbock Pioneers' association is holding its annual reunion while at the Hank Smith Memorial park near Crosbyton, thousands are gathering in the sixth Annual West Texas Old Settlers association reunion.

The crowd at the fair park here is smaller this year than in the past. Banks of the association are dwindling and various things keep some of the faithful members away today. Several are attending the event at Crosbyton.

An election of new officers was scheduled for this morning but was postponed until early afternoon when a larger crowd was expected.

Frank Wheeler, president of the association and Bob Crump, secretary.

### Feeder-Breeder Drive Planned

HOLLAND EXPLAINS MOVEMENT LAST NIGHT IN BANQUET; PRAISE IS GIVEN SOUTH PLAINS AREA FOR AGRICULTURAL DEVELOPMENT

Definite steps toward a campaign to put more beef cattle back on the farms of Lubbock county and the South Plains section are to be taken immediately, following a meeting here last night when Lubbock bankers, directors of the Lubbock Chamber of Commerce and other business men heard Frank P. Holland, of Dallas, vice president and general manager of the Farm and Ranch Publishing Company, discuss the need of feeding Texas cattle in Texas, and praise the South Plains section as a feed producing section.

The meeting was called after arrangements had been made to have Holland and others stop here on returning from Amherst where they appeared on the program at a countywide feeder short course, where a similar program is now under way.

Holland, president of the famous Texas Breeder-Feeder Association, said he has a million dollars worth of good feed this year by coordinating the efforts of a number of agencies in getting more stock fed in Texas. He was more enthusiastic over the prospects for feeding stock on the South Plains.

Seeing Lots Of Feed  
"Frankly, I didn't realize you were raising the feed that I have seen today," he said. "I've seen more feed today than I've seen in a good many hundred miles of traveling over Texas. Coming out here, the feed did not look good until we got up on the caprock, then I was amazed."

Maybe, now you do not need to feed live stock like we do in other parts of Texas, because your lands have not been run down with one crop planting for a long period of years but you have a wonderful

### HARVARD AT 14

Youngest college student of the year, mostly likely, is 14-year-old Albert Otto Seeler, below, of Derry, N. H., who will enter Harvard in the fall. He expects to attend the Massachusetts Institute of Technology after finishing his course at Harvard—and he'll still be a very young man when he is graduated.

### ANOTHER WELL COMES IN

MIDWEST'S BYERS NO. 33 GAUGES 24,000 BARRELS ON TEST

(By Associated Press)  
ROSWELL, N. M., Aug. 14.—Shattering all oil production records in New Mexico, the Midwest Refining Company's Byers Number 33 has gauged 24,000 barrels on a 24-hour test. The well is making about 40 million feet of gas and is producing almost 3,000 barrels of oil better than the next best well in the Hobbs area.

The potential production of the Midwest well was announced by C. G. Staley, umpire under the promotion agreement.

DECLARES DIVIDEND INDEPENDENCE, KAN., Aug. 14.—(By Associated Press)  
Pratt Oil & Gas company today declared a dividend of 50 cents a share, payable September 30, to all stock of record August 30.

AUSTIN, Aug. 14.—The monthly crop report of Carl H. Robinson, senior statistician for the United States department of agriculture here, said today that cotton was at a critical stage on August 14 and badly in need of rain. A similar report for corn was given.

Indicated production of both cotton and corn was placed above that of last year. Indicated production of cotton was 4,400,000 bales compared with 3,940,000 bales a year ago, equivalent to 61 per cent of normal. Corn production was estimated at 84 per cent of normal or 82,120,000 bushels as compared with 86,127,000 bushels last year.

During July, the report said, rains fell over some sections but missed large areas. High temperatures damaged the crops, but checked the insects.

GIRL KIDNAPED BY THREE NEGROES

RALEIGH, N. C., Aug. 14.—(By Associated Press)  
Milton Rodgers, 22, who said he lives near Angier, Johnson county, reported to Wake county officers early today that three negroes had stopped his automobile near Garner, six miles from here, overpowered him and kidnaped his 17-year-old girl companion.

### GREATER MARK ALOFT GOAL OF FLIERS

JACKSON AND O'BRIEN START CASHING IN ON NEW FEAT

(By Associated Press)  
ST. LOUIS, Aug. 14.—With the world's record for sustained flight again in their possession, Dale Jackson and Forest O'Brien soared on today taking up the twenty-fourth day of their endurance grind at 7:11 a. m. (C.S.T.) At that hour they had been up 576 hours.

ST. LOUIS, Aug. 14.—(By Associated Press)  
Whirling into the twenty-fifth day of their record-breaking refueling endurance flight, Dale Jackson and Forest O'Brien had reeled off 581 hours at 12:11 p. m. (C.S.T.) today. At that time they had passed the previous record set by the Hunter brothers by more than 27 hours.

When Jackson and O'Brien will land remained problematical today. "I think we will be up next year if the weather and everything holds out," O'Brien radioed from the endurance plane, "Greater St. Louis," both fliers have talked of remaining aloft for 1,000 hours, and it was considered unlikely at Lambert-St. Louis field, over which they are flying, that they would come down before reaching that goal if everything continues to go well.

Cling Close To Field  
Now that the record is back in their possession, Jackson and O'Brien clung close to the field. The aviators whose flight for nearly three weeks had attracted comparatively little attention, were regaining fame and there was assurance they would regain fortune.

From the moment they exceeded the record, the flight had attracted attention. The aviators whose flight for nearly three weeks had attracted comparatively little attention, were regaining fame and there was assurance they would regain fortune.

## BLAST COVERS WORKMEN IN COAL MINE

ONE MAN RESCUED IN CANADA; RESCUE IS ATTEMPTED

(By Associated Press)  
PRINCETON, B. C., Aug. 14.—Two miners are known to have been killed by an explosion which entombed forty-six others in the Blakeburn coal mine of the Coal-mont Colliers, Ltd., near here last night.

One miner was rescued by crews which recovered the bodies, tentatively identified as those of Albert Coal and Reid Smith.

Rescue crews in their strenuous efforts to rescue the entombed miners rapidly dug through 300 feet of debris in a tunnel to a point where a cave-in blocked the passage, imprisoning the forty-six men.

The cause of the explosion was not known.

### HAWKS MAKES NEW MARK

LOS ANGELES FLIER FLIES EAST-WEST IN 12 HOURS

(By Associated Press)  
VALLEY STREAM, N. Y., Aug. 14.—Behind the name of Captain Frank M. Hawks in aviation's record book today is set down the time of 12 hours, 25 minutes, three seconds for an eastward transcontinental flight, the fastest ever flown by man over that distance of 2,800 miles.

It is faster by more than two hours than the time made Easter Sunday by Colneel and Mrs. Charles A. Lindbergh. Their record was fourteen hours, forty-five minutes.

Landed Fresh  
Seemingly fresh and his white sports clothes unstained, Captain Hawks set his Transair monoplane down on Curtis field at 5:41:30 p. m. (E. S. T.) last night after having left Glendale, Cal., at 5:16:27 a. m. (E. S. T.). A week ago he took from Roscoe Turner the record for the westward transcontinental flight, making it in 14 hours, 56 minutes and 43 seconds.

"I don't think I can do any farther," said Captain Hawks as he landed last night. "Given exceptional weather in the fall, it is just possible my time can be bettered."

Crowd Cheers  
A great shout went up from several hundred throngs at the field here when the flier appeared overhead, cut his motor and flitted down to a landing. As he taxied up to the hangar, his wife and son

### YOUTH SEEKS TO SET NEW RECORD

WESTFIELD, N. J., Aug. 14.—(By Associated Press)  
Eddie Schneider, 18-year-old pilot, took off at 4:55 a. m. (E. S. T.) today in an attempt to set a new junior transcontinental flight record. The present record was established by the late Frank Condon, who made the trip in 35 hours, 28 minutes.

He plans to make his first stop at Columbus, O., for fuel and a second refueling stop at St. Louis.

At Wichita, Kan., he plans to spend the night while a 200 gallon tank is fitted into his plane. The last stage of the flight will be to Alhambra, Cal., which he hopes to reach by tomorrow night.

Goose Creek Seeks To Change Its Name  
HOUSTON, Aug. 14.—(By Associated Press)  
A citizens advisory committee of Goose Creek, Cal., today recommended that the city's name be changed to Southport. A special session on the proposal would be held. San Jacinto was the runner-up.

Recalling in brief relaxation in his suite at Hotel Elton shortly before noon today, former Governor James E. Ferguson talked politics.

And, as he discussed the issues of the present campaign, which finds his wife, former Governor Miriam A. Ferguson, pitted against Ross S. Sterling for the Democratic gubernatorial nomination, the war horse of Texas public life talked without malice or without animosity toward his opponents. In fact, he appeared far less wrought up over a hectic drive for votes than does the average man in the street as he talks with his friends.

Grown gray in the tumult of Texas politics and lolling on his bed in perfect comfort and abandon, "Farmer Jim" commented upon various phases of the campaign and the keynote of his remarks was his apparent absolute faith that victory

awaits him at the end of the road.

## Rich Hues Good

By MME. LISBETH

Deep prune color and varying shades of green are being featured in fall fashion showings in Paris. Blue, too, are good for fall.

The navy blue suit calls for matching shoes this season, and so it is that Irene Titch, in her latest picture, has chosen blue crepe slippers to wear with this elegant gown of dark blue satin-back crepe. Miss Rich also wears with this dress a blue felt hat in harmony with her chiffon hose and a fox fur scarf.

## Mrs. Rumpy Is President Of Club

Mrs. Randolph Rumpy was elected president of the Just Sew club for the ensuing year at a short business meeting held at the home of Mrs. Joe H. Stanton, 2504 Avenue H, Wednesday afternoon.

Later a pleasant hour of sewing was spent in rooms made lovely with sprigs of honeysuckle and roses. Refreshments of fruit sherbert and cake topped with whipped cream and a cherry were served to Mesdames Rumpy, R. W. Whitney, James Henderson, Stanton, Rhea, H. F. Maner, J. E. Hawes, and Viola Moore of Plainview.

The next meeting will be held with Mrs. J. O. Kuykendall, 1710 22nd street.

## Yellow And Green Colors For Party

A color motif in yellow and green was found in flowers and refreshments Wednesday afternoon when Mesdames R. F. Huie and R. V. Kimmell entertained members of the 1916 Needle club in Mrs. Huie's home at 2434 20th street.

Those who attended were Mesdames James Kimmell, F. V. Brown, R. S. Rodgers, W. D. Benson, A. N. Gamble, J. W. Gamel, Calude Burris, L. A. Holler, E. R. Allen, E. B. Green and B. C. Lynn.

## Mrs. R. O. Short Is Club Hostess Here

One of the needle clubs of the city was delightfully entertained yesterday afternoon when members of the Lucky 13 club met with Mrs. R. O. Short at 4 o'clock in her home near Lubbock.

Following two hours spent in pleasant conversation and needlework the hostess served a buffet supper.

Members present were Mesdames A. K. O'Kelle, Allan Hill, E. T. Alford, S. M. Reed, Eimo McClellan, R. E. Dick, C. A. Henderson, L. L. Kelso, W. M. Petzelas, Jr., Sidney Oglebe, Burton S. Burks, and guests were Mesdames Randa N. A. Payne, W. D. Lawson and J. A. Snyder of Wichita Falls.

## Corpus Christi Lady Glad To Praise Konjola

Old Resident Eager To Tell What New Medicine Did For Her After Others Failed

MRS. H. L. DRYER

"I was badly run down and even the simplest foods brought on attacks of indigestion," said Mrs. H. L. Dryer, for more than fifty years a resident of Corpus Christi, Texas, residing at 1337 Ocean Drive in that city. "I bloated terribly after meals and suffered severe belching spells. Constipation was a source of constant worry and I had severe pains in my abdomen after meals. I was unable to sleep at night."

"I have taken Konjola but a week and I can say that every ache and pain in my stomach is gone. I can now rest well at night and eat what I wish without any of my former miseries. I have never used a medicine like Konjola and although I am 52 years of age I can do plenty of work. I am more than glad to pass my praise for this medicine on to others."

This is not an exceptional case. Konjola does work quickly and uses the less thoroughly. It is best in most cases to continue the treatment over a period of from six to eight weeks.

Konjola is sold in Lubbock, Texas at Bowen's drug store, and by all the best druggists in all towns throughout this entire section.

## NEW PIPE LINE IN HOBBS LIKELY

HOBBS, N. M., Aug. 14. (Special)—An unconfirmed rumor is in circulation here to the effect that the Mid-west Exploration company plans construction of a pipe line from the Hobbs pool to Wickett, Winkler county, Texas.

Storage of the Southern Crude Oil purchasing corporation at Wickett is to be used by the Mid-west. Available storage at Wickett is said to be 4,500,000 barrels.

Both the Midwest and Southern Pipe Line company, subsidiary concern of the parent company, the Pan-American Petroleum and Transport company, Philadelphia, state no confirmation is available.

NO ADVANCES NEEDED

WINNIPEGO, Man., Aug. 14. (AP)—Premier John Bracken, on his return from Toronto today, said it was unlikely the provincial government would find it necessary to guarantee advances on the 1930 wheat crop. Negotiations covering all advances for the remainder of the 1929 crop have been completed in Toronto, he said.

## City Commission In Session Today

Lubbock city commissioners are in meeting this afternoon at the city hall, having convened for the regular session at 1:30 o'clock.

A discussion and plans for further improvement of the municipal airport are expected to occupy majority of today's time though several routine matters also have been docketed for attention.

## FIFTEEN ESCAPE DEATH

HAVANA, Aug. 14. (AP)—Fifteen persons, including eight United States citizens, narrowly escaped death Wednesday afternoon as a New York Rio & Buenos Aires airplane en route from Cienfuegos to Havana, was forced to land at Calvario, 15 miles south of here.

## IDEALOU, Aug. 14. (Special)—

Pete Magee, former resident of Ideolu, who has been living in Mileshee for several years, has returned to this city and is entering business. Mr. Magee is operating a produce business in the S. H. Scott residence on Main street.

## Freedom From Stomach Distress

Bowen's Drug Store and Bowen's Hilton Pharmacy Have the Remedy and Guarantee it to End Indigestion or Gastritis

You can get one bottle of Dare's Mentha Pepsin and it after you take it you do not say it did you more good than anything you ever used before, your money will be waiting for you.

This delightful and effective elixir not only gives instant relief from gas, fullness, acid stomach, and distress after eating, but taken regularly for a short time will turn your weak, run down stomach into a strong, healthy one able to perform its duties without help.

It ends indigestion, gastritis, heartburn of the stomach and does it in a surprisingly short period of time.

Dr. Wm. W. Morgan, a prominent dentist of Brighton, N. J., writes: "After suffering severely with gastritis and other stomach troubles, a friend gave me a bottle of Dare's Mentha Pepsin. I had obtained little relief from other remedies, but four bottles entirely ended the trouble." Get it at Bowen's Drug Store and Bowen's Hilton Pharmacy and all regular druggists everywhere. Adv.

## Co-Op Meeting Is Held At Seagraves

The first mass meeting of cotton farmers in Gaines county, to discuss the membership drive in that area for the Texas Cotton Cooperative Association, was held Wednesday night at Seagraves. More than fifty farmers and business men were present at the gathering, which resulted in the selection of W. H. Steele, of Seagraves, as chairman for the county. Meetings with Seminole farm leaders and selection of community chairmen will obtain with the next few days. Harley D. Woods, Marvin Collier, N. H. Payne and Al Hill, of Lubbock, attended; the meeting speeches being made by Woods and Hill.

Just when the brush came into existence is not definitely known, but with this writing instrument the great Chinese philosopher Confucius wrote his marvelous philosophy.

## BETTER BRAN FLAKES

Kellogg's Pep Bran Flakes are a splendidly balanced food with milk or cream.

Filled with health-giving whole wheat. With just enough bran to be mildly laxative.

They have the famous flavor of PEP. They're crispier—tastier—better bran flakes.

Just the cereal treat for children. And grown-ups too. At all grocers. In the red-and-green package. Made by Kellogg in Battle Creek.

### NATION'S CROP REPORT SAYS CORN TO BE SHORTEST SINCE 1901; WHEAT HAS GREATER YIELD; FEED TO BE SHORTER

WASHINGTON, Aug. 14.—The corn crop this year was placed by the department of agriculture at 2,211,823,000 bushels, basing its forecast on the condition of the crop August 1. That compares with 2,202,000,000 bushels forecast a month ago and 2,614,000,000 bushels produced last year.

The indicated production of all wheat was placed at 820,613,000 bushels compared with 807,000,000 bushels last month and 806,000,000 bushels last year.

**Wheat Increases**

The preliminary estimate of winter wheat production was announced as 197,292,000 bushels, compared with 158,000,000 bushels indicated last month and 578,000,000 bushels produced last year. The quality of winter wheat is 93.4 per cent compared with 86.7 last year.

Durum wheat production is indicated at 48,290,000 bushels, com-

pared with 57,000,000 bushels last month and 52,000,000 bushels last year.

**Spring Wheat Reduced**

The indicated production of all other spring wheat is placed at 174,932,000 bushels, compared with 193,000,000 bushels, indicated last month, and 176,000,000 bushels produced last year.

The indicated production of oats was announced as 1,318,369,000 bushels, compared with 1,329,000,000 bushels indicated last month and 1,234,000,000 bushels produced last year.

Oats remaining on farms August 1 is estimated at 5.4 per cent of the 1929 crop, or about 66,965,000 bushels, compared with 88,816,000 bushels a year ago, and 73,472,000 bushels, the average stocks on August 1 for the five years 1924-28.

### IT ISN'T GOLF

Playing Miniature Golf Said To Be Disorderly

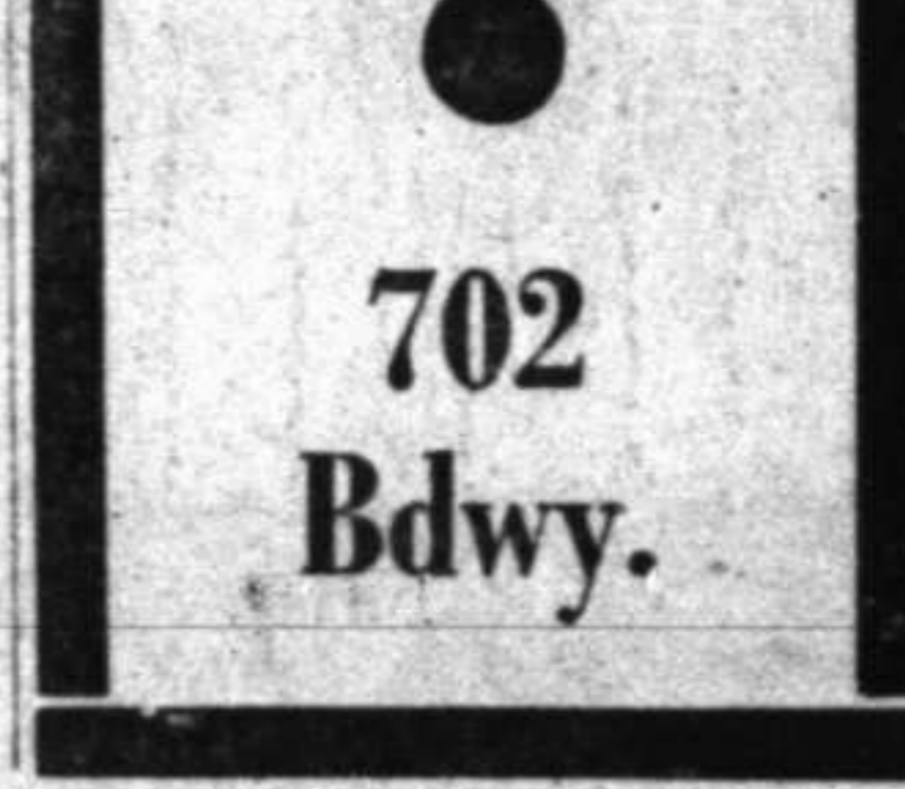

CHICAGO, Aug. 14. (P)—Playing on miniature golf courses in the early hours of the morning is not golf—its disorderly conduct, Judge John H. Lyle ruled today.

Judge Lyle fined Leo Harrington \$200 and costs for allowing persons to play on his putting course during the hours when neighbors were endeavoring to sleep. Harrington appealed.

### EARTH TREMOR FELT

POZZUOLI, Italy, Aug. 14. (P)—A slight earthquake shock of undulatory nature was felt here at 1:35 a. m. today.

The United States imported 1,153,059 golf balls from January 1 to July 1.

702 Bdwy.

## KOOLMOTOR GASOLENE

HARMFUL GUM HAS BEEN REMOVED

Recent tests show that as much as 20% to 30% of unburned gasolene blows out through the exhaust—unused and wasted—when valves do not function perfectly.

Excessive gum in gasolene causes faulty valve action—brings about delayed seating and, in some cases, complete sticking of intake valves.

Koolmotor—the original high test, anti-knock green gas—is free from harmful gum. It keeps your valves clean and free moving—always at their best. Extra care and extra refining, known as the special Cities Service mini-gum process, reduces the gum content in Koolmotor Gasolene to a harmless minimum.

When this thoroughbred of motor fuels reaches your car it is powerful and clean burning—your protection against high fuel consumption and the expense of sticky valves.

Keep your engine clean and powerful by keeping your tank full of Koolmotor—the gas that is free from harmful gum.

# Smart buyers are getting bigger tire values now than ever before!

Competitive conditions are tightening up in the tire business.

When this happens, high-powered salesmanship usually takes on an extra head of steam.

But don't be confused when the tire dealer with something "special" to sell backs you into a corner.

Just remember the one fact—after years of experience, after testing this value and that, "more people ride on Goodyear Tires than on any other kind!"

There must be a valid reason for this.

There is: Goodyear Tires are definitely superior, in the two main parts of a tire.

The Goodyear All-Weather Tread is superior in traction.

The Goodyear Supertwist Carcass is superior in vitality and long life.

These superiorities are not sales claims; they are real.

Any Goodyear Dealer will be glad to demonstrate the facts.

The facts certainly are: Goodyear Tires do give greater value.

As far back as 1916, it became a fact that more people ride on Goodyear Tires than on any other kind.

Every year since that time it has been increasingly true that more people ride on Goodyear Tires than on any other kind.

Today this preference for Goodyears runs into millions: millions more people ride on Goodyear Tires than on any other kind.

There can be only one conclusion: Goodyear Tires must be better—and at present prices they are a matchless bargain.

Now is the time to get yours.

(By Associated Press)  
 NEW YORK, Aug. 14.—The New York American says today that Jack Sharkey has agreed to terms with Mique Malloy, Chicago promoter, for a bout with Primo Carnera, Italian heavyweight, in Chicago next month. The American says that Johnny Buckley, manager for Sharkey has agreed to accept a guarantee of \$100,000 with a privilege of 30 per cent of the receipts.

**ROVING THE SPORTS WORLD**

WITH COLLIER PARRIS  
 JOURNAL SPORTS EDITOR

The Lubbock Hubbers are at home today for the first time in more than a week. They will meet the South Plains League team at Merrill Park, the game starting promptly at 4 o'clock. The Hubbers finished the first half of the season in third place, with seven games won and eight lost. They are due to do considerably better in the second division, what with a better pitching staff and a more firm determination. The game this afternoon should be interesting for the teams promise to be rather evenly matched. Southland, runners up for the first half, defeated Anton Tuesday 5 to 3 in a hotly contested game, while Lubbock lost to Brownfield. From past performance and present dope it looks like the South Plains games today might turn out in favor of Lubbock, Tahoka, and Levelland. The last guess may not conform to general opinion, for Southland seems to hold the upper hand. Levelland, however, is more powerful than ever.

It is not too late to help in the Lubbock High school training camp drive. If you have not been called on, your subscription to the worthy cause would still be appreciated. Doubtless, if you make the donation of your own accord. The squad, composed of approximately fifty swarthy youngsters who will make every effort to become worthy of wearing the Gold and Black this fall, will leave about next Tuesday morning, for a ten-day period of intensive training and drilling. Strict discipline will be the order, and the boys will report back on the local grid strengthened for the inter-scholastic drive, which opens September 27. Pre-training is necessary, since the season starts immediately after the opening of the school. Your interest and faith in the team may be shown now more than ever, for your attendance at the games will be on natural impulse. The camp, to be a successful one, should be ably financed, and it will take at least \$500 to put it over.

Texas Tech coaches are pushing forward rapidly in the plans for the 1930 grid race. Work on the erection of a field house under the stands will start early next week, and the rooms will be completed in time for the fall training camp, which will open September 10. Since Tech abides by Southwest Conference rules, no actual practice may be done before that date, but a lot of good can be accomplished before the opening of the fall camp. According to the plans of the coaches, a definite order of events, scrimmage sessions, and skill practices will be worked out before the camp starts, and the mentors are appealing to the candidates for the team to begin observation of training rules. Tech may not have the best team in the section this fall, but it will have a hustling bunch of gridsters, and a foundation for next year's team will have been firmly established ere the close of the 1930 season.

Texas A. and M. College will open its first annual coaching school next Monday, with something like 200 coaches and athletes in attendance who have already signed up. The school will last through the rest of August, and there is no reason why it should not prove a profitable enterprise for those attending. It is one of the best things of its kind ever to be held in Texas, for there are hundreds of smaller school mentors who feel a hesitancy in attending the major schools, or who cannot afford to attend them. The Aggie school will be unique in that no registration or tuition charges will be made. The only expense to those attending will be for board and lodging, which may be obtained on the campus. Some of the leading coaches of the Southwest Conference and of the state will constitute the instruction staff, which will offer courses in football, basketball, baseball, track, care and treatment of injuries, preservation of athletic equipment, physical education, and athletic business administration.

## BROOKLYN KEEPS SLUGGING

### CUBS DROPPING LOWER AFTER SHORT LEAD

### CATS STILL LEADING BUT BY SMALL MARGIN

BY GAYLE TALBOT, JR.,  
 Associated Press Sports Writer

The Waco Cublets dreamed a beautiful dream when they stood the torrid pace on the road and in the sunlight, the erstwhile leaders have hit the skids for fair, leaving the Cats and Spudders to battle it out for the second half play. When the Dallas adifiers bowled them yesterday, 7 to 5, in the opening game of their series, it marked the fifth straight loss for the Prattmen, who left home soil just a week ago with their collective temperatures running high. They were in third place today; three and one-half games off the top, apparently having fulfilled predictions of the deep thinkers that they would crack wide open when cracking time came around.

**Michael Does Trick**  
 A brace of homers run by Ralph Michael, one with two mates, proved the undoing of the night owls in their opener at Steer stadium. Having bumped the veteran Walter Kinney in timely fashion, the Prattmen were leading, 5 to 3, when Michael toed the plate in the sixth and belted across three runs with a wallop into the left bleachers. That would have been sufficient, but the Maverick third baseman threw in another round tripper for good measure in the eighth. Walt Tanager did some in the sixth, after relieving Kinney in the sixth, striking out six of the eleven batters to face him and allowing only one hit. Kinney had whiffed five Cubs before witness caused him to abdicate.

Irving Burns homer in the ninth enabled the Spudders to nock out San Antonio, 11 to 10, and the Port Worth for the pinback. The first-half champions were trailing by seven runs until the fifth round, when they jumped on Carson, Etil and Perry for nine tallies to go in the lead to come in the sixth, a game-winning homer. Burns also cranked a double and single, driving in four runs in all. Koob a newcomer to the Spud ranks, received credit for the victory when he relieved the former hurler in the fourth and held the Innings to two runs the rest of the way.

**Dean Wins Third**  
 Dury Dean chalked up his third straight win for Houston as he downstated the Panthers, 14 to 1, in their inaugural at Port Worth. The former soldier limbered the Cats to seven hits, two of which came in the last frame, and contributed a homer, double and single to the Buffs' assault on McCabe and Hardaway. Every Buff joined in the slaughter, Binder leading the attack with a homer and four singles. Dropping their opener to Beaumont, 13 to 4, the Shreveport Sports passed up a chance to move ahead of Waco into third place. As it was, the Sports, Buffs and Cubs virtually were in a deadlock for the third rung today. While Marjorie held the Louisiana sluggers to 10 scattered bows, two of which were homers by McClanahan, Shippers hopped on three Sport flingers for 12 hearty hits. Schube with two home runs and a single, was head man for the winners.

### SEEDED PLAYERS ARE DUE TO FALL

CULVER, Ind., Aug. 14.—(AP)—Seeded players were due to fall today in quarter-final play in the national junior and boys tennis singles championships here. Seven of the eight players selected by the tournament committee for preferred positions justified their choice by winning fourth round matches yesterday. The other, Jack Cosgrove, San Francisco, seeded No. 3, lost after a hard fight to his fellow townsman, Charles Hunt, Pacific coast junior champion, 7-5, 6-4.

East south and west are represented by quarter-finalists, headed by Karl Kamrath, Austin, Texas, and Wilmer Hines, Columbia, S. C. seeded first and second. The other survivors are Ray Palmer, Malba, L. I.; Donald Morrison, Washington, D. C.; James Bohl, Pittsburg, Pa.; Kendall Cram, Nashville, Tenn.; Hunt and William Jacobs of Baltimore.

### Johnny Farrell Sets New Course Record

ST. PAUL, Aug. 14.—(AP)—Johnny Farrell, of the Quaker Ridge club, New York, burned up the Keller course yesterday when he led the 120 open starts Friday with a round of 67, five under par, to establish a new course record. Farrell's round was one stroke better than Gene Sarazen of the Lakeside Club, New York, who held the former low score with a 68. Both the New Yorkers found the greens to their liking and were close to the pin with their approaches on both nines.

### California Woman Is Champion Archer

CHICAGO, Aug. 14.—(AP)—Mrs. Audrey Grubbs of California, again in championship woman archer of the United States. Mrs. Grubbs yesterday completed her second straight national conquest, winning both the double and American rounds. Mrs. Elizabeth Rouseville of Pinehurst, N. C., finished second.

BRUSSELS.—(AP)—An additional ten per cent reduction in output by the Continental Steel Trust is forehanded for January and February by the Monthly Review of the Chamber of Commerce of the Center, mouthpiece for the Belgian metal industry.

### CUBS LEADING BUT WOBBLY IN SERIES

### AMERICAN STANDINGS REMAIN UNCHANGED; HACK HITS NO. 40

As long as the Brooklyn Robins can keep on slugging the ball, the collapse of their pennant hopes, which has been rumored every time they have lost more than one or two games in a row, seems unlikely. Supporters of their rivals, principally the Chicago Cubs, were beginning to celebrate the Brooklyn downfall after the Robins had lost five straight games and had dropped the opener of the current "crucial" series as Chicago won its sixth straight. But the Robins slugging reappeared yesterday and showed that there still is plenty of life in the Flat bush team. A game behind the apparently headed-for-a-worse possibility the Robins overcame all their weaknesses by the sheer power of their bats and once more placed themselves in a virtual tie for the lead. Today the Cub margin is only two points instead of the hoped for two games as the result of the "crucial" beating inflicted by Brooklyn yesterday.

**Bush Is Assaulted**  
 In contrast to Tuesday's overtime game Brooklyn went out yesterday early in the game and assaulted Guy Bush for enough runs to win in the first three innings. Bush fell before the booming Brooklyn bats in the third frame, which saw the Robins pile up a 5-0 lead. Four successors were only so many victims as the Robins hammered out 18 hits for 24 bases. The Cubs made 16 bows, one of them Hack Wilson's 40th home run, but with little effect.

While the warfare of the Titans was going on the New York Giants were having about as much difficulty in their attempt to stay on the heels of the leaders. The Giants had to come from behind in the ninth and score two runs to tie the Cincinnati Reds in the opener of their series. And it took a homer by Fred Linstrom with Crys on base in the tenth to give them a 7 to 6 victory. As rain at St. Louis kept the Cards and Boston idle, the victory enabled the Giants to pick up a half game lost through Tuesday's idleness. The same rain benefited the Pittsburgh Pirates who gave away four runs to the Phillies in the first inning then came from behind to win their fourth straight, 8 to 4.

The three American league leaders failed to produce any change in their standing. Philadelphia, Washington and New York all continue, out ahead of their western rivals. The Champion Athletics made it three straight over Cleveland by a 7 to 2 score as George Farnshaw won his 18th victory of the year. Rosie Lawson, rookiest right hander, made a good battle of it until an error spoiled his major league debut.

Washington Senators piled up an early lead of five runs off their old mate, Garland Braxton, who kept the Chicago White Sox from turning their 14 hits into runs to win by a 7 to 4 count. The New York Yankees put on a similar performance, scoring enough runs in the first five frames to offset a sudden weakness on the part of George Pipgras and defeat Detroit, 10 to 8. The Tigers got to Pipgras in the sixth to score six of their runs but Lou Meyor, fourth Yank pitcher finally stopped them short of a tie. Detroit also used four pitchers.

Down at the bottom of the standing, the St. Louis Browns reversed the previous day's decision beating the Boston Red Sox, 7 to 2, and gaining a tie in games with Chicago for sixth place.

George Goslin again took the day's honors, driving in four runs with a home run and two singles.

### LIPTON'S YACHT BEING PREPARED

NEW LONDON, Conn., Aug. 14.—(AP)—The task of preparing the Shamrock V, Sir Thomas Lipton's newest challenger for the America's cup, began today at the Electric Boat Work yards.

She is the fifth challenger the Doughty Sir Tom has sent across the Atlantic in quest of a trophy won by the Yacht America in 1851. Originally the cup cost 100 guineas. Today, if it were not for the "Old Mug's" glamorous history, no cautious pawn broker would loan \$50 on it. Yet four or five millions will have been spent this year because of it when Sir Thomas sails away in the fall, victorious or numbering his fifth defeat. Although she was beset by head winds throughout her voyage across the Atlantic, the Shamrock V dropped anchor here last evening after a 26-day land-to-land passage between England and the United States. Her time was a day better than that of the Shamrock IV, the challenger which was defeated by Resolute and Charles Francis Adams, present secretary of the navy, ten years ago.

On September 12 she will race against a defender yet to be selected from four American candidates.

Outside the United States there is one automobile to every 216 persons.

### ANTON BALL CLUB PLAYS ITS FIRST BALL GAME HERE TODAY; TAHOKA TO MEET BROWNFIELD IN CLOSE AFFAIR

The Lubbock Hubbers will meet the Anton baseball team at 4 o'clock this afternoon on the Merrill Park field in the first appearance of the local South Plains leaguers since the opening of the second half of the season, and the first game on the home field in two weeks. Anton's club, which is one of the best teams in their section, will be here for the first time, with a team which promises to hold its own in the league race, although handicapped by a late entry. The team was elected to the league last week to take the place of Lamesa, who dropped out before the close of the second half.

**Two More Producers In Oklahoma Raging**  
 OKLAHOMA CITY, Aug. 14.—(AP)—Two big producers tossed torrents of oil over their crownblocks simultaneously today in the south end of the Oklahoma City field. It is No. 6 Sadie Peterson, NW SW 25-11-3 W, bailed down 1,200 feet and started cleaning out. It was estimated good for 25,000 barrels of oil and 125,000,000 cubic feet of gas daily. Depth is 6,230 feet in sand. Its companion gusher, Sinclair Oil and Gas No. 10 Vencil NW SW SE 31-11-27 W, bailed down 140 feet and was estimated good for 25,000 barrels of oil and 125,000,000 cubic feet of gas. It cleaned out at the same time as the Peterson. Depth is 6,561 feet.

Airplane taxis at a shilling a mile for a single passenger are operating in seven English cities.

Doing Wonderful Things
>You're doing a lot of wonderful things and you've got to come out here to realize it.

Local People Enthusiastic
Following Holland's talk and the talk of other visitors, local bankers, politicians and others in the job. County officials said that they are being interested in such a program.

After discussions, it was agreed that the Lubbock Chamber of Commerce would assume leadership in promoting the program, to call on the officials of the School of Agriculture at the Texas Technological College, the Experiment Station here and the County Agent, bankers and others in making the program a success.

The program will be started by interesting farmers who are known to be interested, and efficient men of the local number of such men to be fed as an experiment or demonstration.

BOND IS SET FOR YOUTH

BURTON HOUSTON HELD FOR ROBBERY OF TUMBLE N
Bond of \$1,000 was set Wednesday by Justice of the Peace G. R. Scott in the case of Burton Houston, 20, of Lubbock, charged with burglary. Preliminary trial was waived by the defendant.

Charged of burglary were filed Tuesday against Houston and Lindsey Ford, 18, also of Lubbock, in connection with the robbery last Monday morning of the Tumble N swimming pool office.

Houston confessed a part in the robbery following his arrest Monday afternoon after he had been taken by Houston as the latter's partner in the job. County officials said that Ford subsequently confessed participation in the robbery.

Mr. Sterling has an opinion of the situation which is in contradiction to the measures he actually advocates. If he will hear him their ideas will be clarified and they will know what he proposes to do.

SPUR ORGANIZES STERLING SUPPORT
SPUR, Aug. 14 (Special)—A Sterling-for-Governor Club was organized here yesterday by the former supporters of Clint Small, Dewey L. Granberry was elected secretary and plans made to get to work at once to further the interest of Hon. Ross Sterling for Governor of Texas.

Mr. Sterling is picking up strength as he goes about the state, preaching his sane doctrines and honesty in government.

COTTON BAGGING TO BE REQUESTED OF SOUTH PLAINS GINNERS INSTEAD OF JUTE, FOREIGN PRODUCT, TO AID

Announcement was made here yesterday by F. C. Adams, Lubbock county farmer, that ginniers of the South Plains who meet here Saturday will be asked to wrap cotton in cotton bagging rather than in jute bagging, a foreign product, that farmers can market more of their low grade cotton.

The farmer stated that other cotton growers he had consulted favored the proposal and that a member of the ginner's association had suggested that he and other cotton farmers appear in a body at the meeting to petition the association for the change.

South Texas ginner's already have adopted the use of cotton bagging for wrapping. Mr. Adams said. He asked that all farmers favoring the move join the group which will make the request of the ginner's at their annual meeting here.

JIM FERGUSON

not buy Oklahoma's governorship or senatorship. We'll prove the same thing in Texas on August 23, when my wife is renominated over Ross Sterling.

The psychological situation, covering unemployment in the cities and the crisis in agriculture, are favoring Mrs. Ferguson's campaign, the former governor said.

Mr. Ferguson estimates that the hot gubernatorial campaign will bring out a heavy vote fully as heavy as that of July 26 when the total topped 833,000 ballots, despite the absence of strongly contended local races.

Further than that, he estimates that Mrs. Ferguson will receive a minimum of 450,000 votes, from 75,000 to 125,000 more than her opponent will receive.

"I have studied the vote in the first primary," Mr. Ferguson said, "and Sterling will have to get 62 percent of all the votes cast for candidates, other than himself and Mrs. Ferguson, to win the nomination on August 22. He can't do it. We'll come closer to it than he will."

"There is not an informed man in Texas today who believes Mr. Sterling will be nominated," he continued. "My wife has him beaten."

Mr. Ferguson said he carried the race into the Panhandle with some question concerning the outcome of the vote but that after raising meetings everywhere he has stopped he no longer had a fear. Mr. Ferguson believes, will run at least 50-50 against Sterling in the Small strongholds and he added, "I wouldn't be surprised to see her beat him."

Mr. Ferguson said both he and his wife were enjoying good health and that Mr. Ferguson was not campaigning very much because she wants to conserve her strength for "her official duties."

"I get tired, of course," he said, "more than I used to when I was younger, but I'm holding up well. In fact, I have gained three pounds since the campaigning started, which is pretty good when you consider that I'll be 58 years old eight days after my wife is nominated."

Mr. Ferguson stopped in Lubbock to await a train which shortly after noon carried him to Colorado City, where he speaks tonight. He drove here from Floydada where he addressed voters Wednesday night.

group on the second day, taking as his subject "Building Dairy Barns and Milk Houses." Mr. Miller also is scheduled to appear on the second day of program, leading a discussion of garbage and trash collection.

retary for this year, were there early today greeting the others who with the men.

This is an informal gathering. Men and women of the early days here, with their families, meet annually in the late summer. No long-winded speeches or set program is scheduled. The group stands about in the shade talking of olden days, of the younger generation and the old and through it all is the mellow tinge of tolerance born of pioneering.

Sen-of-a-gun served
Baskets and boxes of fried chickens, home-made cakes and pies, salads and other foods were emptied on the long table under a shade at the fair park at noon today and after the meal the group continued to stay and visit.

Those who wrote the history of early Lubbock are members of the association and their families are admitted into the association. Men and women who lived in Lubbock in 1861 or previous to that time, whether or not they have maintained a continuous residence here since, are eligible. Each year some of the early residents who moved away twenty or twenty-five years ago come again to this picnic.

FRIDAY IS BIG DAY AT CROSBYTON
(Crosbyton Staff Correspondent)
CROSBYTON, Aug. 14.—With approximately 8,000 people on the grounds at noon today, total attendance at the sixth annual West Texas Old Settlers' association reunion at the Hank Smith memorial home here, is expected to reach at least 5,000 by mid-afternoon, when Ross Sterling, candidate for governor, will make the principal address.

Mr. Sterling is scheduled to start speaking at 3 o'clock, leaving immediately after for Lubbock where he will again speak at 8 o'clock tonight.

The big day of the reunion is expected Friday which has been designated Pioneer Day. Delegations arriving today indicated that all sections of the Panhandle and South Plains will be represented and officials of the affair expect the attendance to be the largest in history.

R. L. Bobbit, attorney general, is scheduled to speak here Saturday at 3:30 o'clock and a Ferguson representative also is expected for that day.

John McDonald, Lockney, chairman of the old fiddlers contest, says he expects a large number of men of over 50 years of age in the affair.

## WHALE GIVES LANDLUBBERS THRILL

MONSTER FISH PAYS VISIT TO SYDNEY HARBOR AND UPSETS WOULD-BE CONQUERORS IN BAY

(By Associated Press)  
SYDNEY, New South Wales, Aug. 14.—A forty-foot whale in Sydney harbor gave city dwell-

ers here today close-up thrills of an Antarctic whale hunt. The visitor leisurely explored Port Jackson, the great harbor's main water-way until the noted shark fisherman, Charlie Messenger, and a newspaper reporter and photographer started out in a small boat to attempt a capture.

While thousand on harbor craft and along the shore looked on Messenger twice harpooned the whale which dived each time and wrenched itself free. When the whaling party made a third attempt from close quarters the Leviathan swept its tail across the launch smacking Messenger and the others into the sea.

Then with a lightning turn the whale churned the water into foam, lifted the boat's stern out of the water, and shot on a direct course past the harbor entrance to a tremendous booming of harbor sirens.

## Lose Fat Safely and Quickly

Kruschen Salts—a perfect combination of the six mineral salts your body must have every day to function properly, purify your blood of harmful acids, and aid the kidneys and bowels to throw off waste material—the constant formation of which is probably the cause of your fat.

In this modern age of living, it's impossible to get these salts from the fancy foods you eat—but don't worry just as long as you have Kruschen Salts.

Take a half teaspoon every morning in a glass of hot water—little by little that ugly fat disappears, you'll feel better than ever before—years younger, more energetic, you'll soon possess that enviable beauty, clear skin, sparkling eyes, superb figure which only perfect health can impart.

An 85c bottle (lasts 4 weeks) at City Drug Stores, Lubbock Drug, Bowen's Drug-Store and Bowen's-Hilton Pharmacy or any progressive drugist in America. Money back if Kruschen doesn't convince you that it is the safest, quickest, easiest way to lose fat. Adv.

## CROSBY AREA FOR CO-OP

FARMERS URGED TO BE IN ORGANIZATION FOR SEASON

(Special To The Journal)  
RALLS, Aug. 14.—Although drouth in some parts of the territory surrounding Ralls will make it impossible for many cotton growers to have much cotton to deliver this season, much interest and enthusiasm for the cooperative marketing system of the Federal Farm Board was evinced by a large gathering of farmers here at a meeting Monday morning addressed by Herman F. Dieterich, district organization director; R. J. Murray, president of the Lubbock Chamber of Commerce and chairman of the district organization committee; and F. R. Friend, vice-president of the First National Bank of Lubbock.

Mr. Murray pointed out to the farmers that if the crop will be short in the Ralls district this year it is all the more reason they the farmers should join the Texas Cotton Cooperative Association and be assured of obtaining proper grades for their cotton and the full value of each bale they do obtain.

W. H. Hames, district director for the Texas Cotton Cooperative Association, was chairman of the meeting.

## CROSBYTON SESSION TOLD OF PLANS

CROSBYTON, Aug. 14.—(Special)—Drouth or no drouth, farmers in the Crosbyton district are planning on marketing their cotton through the Texas Cotton Cooperative Association. A meeting in the courthouse Monday afternoon, a show of hands proved that more than half of the farmers present already had signed marketing agreements and seven more signed up following the meeting.

Addresses were made by Herman F. Dieterich, district organization director; R. J. Murray, president of the Lubbock Chamber of Commerce and chairman of the district organization director; and F. R. Friend, vice-president of the First National Bank of Lubbock.

## SCHEDULE FOR CAVERN TRIP IS MADE

KIWANIANS TO SPONSOR TRAIN TO CARLSBAD IN CONVENTION

R. E. Stroup, chairman of the excursion committee of the local Kiwanis club, yesterday announced schedule of the round trip excursion to Carlsbad, N. M., by Kiwanians attending the Texas-Oklahoma district convention of their organization, to be held in this city September 1 and 2.

Tickets will be sold to others desiring to join the trip through the caverns and will cost about \$8 each, Mr. Stroup said. The schedule as announced, following a meeting of the committee Wednesday, will enable delegates to the convention to return here early enough the night of September 2 to board principal overnight train.

The Kiwanis cavern party will leave here at 10 o'clock the night of September 2, arrive in Carlsbad at 6:45 o'clock the following morning and arrive in Lubbock at 8:43 o'clock that night.

Persons desiring to join the Kiwanis group on the trip should notify Mr. Stroup.

Other members of the Carlsbad excursion committee are R. F. Bayless and E. A. Tusha.

Although the annual district convention will not convene formally until September 1, delegates are expected to arrive here Sunday.

## Negro Is Charged With Assault Here

Following his arrest here last night after he is alleged to have chased his wife with a butcher knife, Lee Epperson, negro, was charged with aggravated assault this morning in the court of Justice of the Peace G. R. Scott. No bond had been set at noon and the man was still in the Lubbock county jail.

The woman was said to have received slight cuts in the affair, none of them serious.

Epperson and his wife have been separated for several months and officers stated that he has been in jail before on the same charges.
