Cemetery Study

## COMMITTEE NAMED

For City Council

Fifteen citizens have been named to a City Council - authorized committee to study long range operation of Colorado City Cemetery.

Letters informing the committee members of their appointment were mailed from City Hall during the last week.

Four women and 12 men make up the committee. They are Miss Mabel Smith, Miss Kathryn Buchanan, A. W. Hubbard, Rev. Clarence Collins, R. A. (Bob) May, J. C. Pritchett, Wayland Webb, Gus Chesney, Mrs. Roy Dozier, Joe Earnest, E. M. Majors, O. B. Price, Mrs. C. L. Root Sr., G. O. Thrower and Walter Whipkey.

City Council decided more than a month ago to institute a long range study of cemetery operations by a citizens committee. And, at that time, councilmen authorized Mayor Trevor T. Crawford to name the committee's personnel.

Some of the committee appointees were among 45 persons who signed a petition requesting the city to improve distribution of the city's free water at the cemetery.

However, the committee is expected to be asked to look into more details than just water distribution.

Infact, City Council was looking to a thorough study of past and future operation of the cemetery when it authorized the committee last month.

Another committee study also is shaping up on request of City Council.

At their regular monthly meeting Monday night Councilmen decided to reactivate its citizens committee who two years ago studied municipal boundaries and annexation policy.

Special target in the new city limits study will be recommendations for city policy in regard to the U. S. 80 freeway area that will skirt the north boundary of town.

## Patrol Car In Third Crash Here

Highway icing conditions accompanied sub-freezing temperature Saturday, causing two automobile wrecks on U.S. Highway 80 freeway overpass at Loraine.

Only one person was injured, however, in the accidents involving single cars at 8:45 and 9:10 a.m.

State Highway Patrolman Al Chambers hurried to the wreck scene in his private car.

The state patrol car was severely damaged Friday night in a U. S. 80 crash at the outskirts of Colorado City. Both Chambers and Patrolman Buddy Hertenberger received minor hurts in the crash.

* * *

**HIGHWAY PATROL** warned motorists to use extreme caution in driving.

They reported overpasses icing over on highways throughout this West Texas area. The icing conditions made highway travel hazardous.

Causing the highway icing here was a wintry blast that dropped temperature to lowest point of the year.

Chilling temperature of 11 degrees was reported locally at 5 a.m, Saturday.

Warm-up was slight during the day, too, with thermometer at 21 degrees Saturday afternoon.

* * *

**RECEIVING A BROKEN** rib when a car crashed into the overpass railing on U.S. 80 at Loraine Saturday at 8:45 was H. F. Pointer of Breckenridge.

He was treated at Johnson Memorial Hospital in Loraine.

The injured man was a passenger in a 1957 Ford sedan driven by John Delano Pointer of Midland. The car was traveling east on the freeway when it went out of control and smashed into the rail.

* * *

**JUST 25 MINUTES** later a 1957 Chevrolet sedan, driven by Cleburne Eugene Dillon, 234 W. Ninth in Colorado City, skidded and overturned.

Dillon escaped uninjured, Patrolman Chambers reported.

He applied his brakes on the overpass and his car skidded out of control, crossed the divider separating east and west traffic, struck the guard rail on the overpass' north side, then turned over and skidded on the overpass.

Dillon was traveling east, also, when the accident happened.

**CHAMBERS RECEIVED** a sore shoulder and Hertenberger a bloody nose when their patrol car was in collision with an auto driven by Alymer J. Trull, 42, of Odessa.

The two cars collided as the patrolmen were driving east on U. S. 80 and Trull was driving north on Bonham

## Yule Basket Office to Open Monday

Clearing house for distribution of Chrismas baskets to Colorado City's needy families opens Monday.

The coordinating office is sponsored annually by Ministerial Alliance to provide best distribution possible of baskets among needy without duplication of aid.

Office for the basket program will be in pastor's study of First Christian Church with Mrs. John H. Moore in charge.

The office will remain open Monday through Dec. 20, daily from 9 a. m. to 5 p. m. Phone number is RA 8-2566.

Individiuals and organizations planning to provide Chirstmas baskets for needy families are urged to notify the office so the clearing house can keep records of basket distributions.

The office, in addition to supplying names and addresses of needy families, will accept names of bonafide needy families for its basket list.

However, the coordinating program of the office is planned for only this week, Monday through Dec. 20, and all contacts with office must be 1-24 YULE BASKET — made during that period, according to Rev. Don Mecoy, chairman of the project for Ministerial Alliance.

Mecoy emphasized that the basket office accepts no money for the basket program nor any basket for distribution. It serves entirely as a clearing house for persons and organizations distributing baskets.

Scores of clubs, church groups and individuals have participated in the basket program during previous years.

## Cotton Vote Set Monday

Mitchell County cotton growers will vote at three locations Monday to determine whether marketing quotas will be in effect for their 1959 upland cotton.

Polling places will be according to Mitchell County Agricultural Stabilization & Conservation community committee:

Communities A & B—Westbrook in Planters Gin office.

Communities C & D—Colorado City in the ASC office, 136 E. Third.

Communities E & F—Loraine in Lions Club building.

Individual allotment notices were mailed to cotton growers more than a week ago. Overall allotment for the county was chopped more than 5,000 acres to 65,951 acres for 1959.

If at least two-thirds of the growers voting approve the quotas, marketing quotas will be in effect on all farms growing upland cotton in 1959.

Penalties will apply on 'excess' cotton, and growers will have an opportunity to elect a choice between (A) complying with their 'regular' farm allotments or (B) increasing their cotton acreage by as much as 40 per cent.

By complying with the Choice (A) allotment, a grower will be eligible for price support at the full level avail-

## 5 Church Choirs In Carol Program

First in a series of Christmas season musicals and pageants will be presented Sunday evening at First Baptist Church.

The initial presentation — open to the public — will be "Carols by Candlelight," a program in song by the church's five choirs.

Enhancing the program will be special lighting and other staging techniques.

"Carols by Candlelight," directed by First Baptist's minister of music, Don Jones, will begin at 7:30 p. m.

Opening half of the concert will feature four youth choirs of the church. Presenting the second and concluding portion will be the Church Choir.

The four youth choirs are Chapel Choir, composed of junior high and high school girls; the Carol Choir, boys and girls in fourth to sixth grades; Cherub Choir, first through third grades; and celestial choir, pre-school boys and girls.

Familiar carols will highlight the Sunday evening program. Climax will be "Hallelujah Chorus" by the church choir.

Two of the choirs will be appearing in new robes. New for the Celestial Choir will be white robes with yellow bows, all made by mothers of choir members.

Church Choir's new robes, a gift of a friend of the choir, are green with reversible white and silver satin stoles.

Just prior to Christmas — Dec. 22 and 23 — First Baptist Church's Brotherhood and music department will combine to produce an outdoor pageant in music on south lawn of the church.

Two performances are scheduled each of the two nights, 7:30 and 8:30 p. m., according to Jones.

Spectators will be able to park their cars in the street on the church's south side and witness the production without leaving their cars.

The Christmas Story will be narrated and sung by tape recording. Semi-permanent sets, with special lighting, will provide a unique tableau background for the live characters. Sets will include shepherds in the field with angels, the stable and manger, the wise men.

WED IN WAXAHACHIE CHURCH

# Phyllis Ann Bryant Repeats Vows With Dwayne E. Horton

Mr. and Mrs. Dwayne [illegible] Horton are residing in Oklahoma City, Okla. after a short wedding trip.

Mrs. Horton is the former Miss Phyllis Ann Bryant, daughter of Mr. and Mrs. Paul Bryant of Waxahachie.

Mr. and Mrs. G. A. Horton of Tulsa, Okla., former Colorado City residents, are the parents of the bridegroom.

Dr. Floyd Johnson, church pastor, officiated at the ceremony Friday evening, Nov. 28, at eight o'clock in the First Methodist Church at Waxahachie.

White chrysanthemums, spiral candelabra holding white tapers, and woodwardia fern formed the background for the formal altar setting. A white archway with votive lights was the focal decoration, and white silk ropes framed the altar elevations. Votive lights, with white chrysanthemums at family pews, marked the bridal aisle along with a white aisle cloth. Pink poinsettias decorated the narthex.

Given in marriage by her father, the bride wore a traditional gown of white peau de soie fashioned into a molded bodice with a sweetheart neckline and a graceful flared skirt appliqued with lace medallions. The chapel length train fell from soft unpressed pleats. The Chantilly lace jacket, with long petal pointed sleeves, was appliqued with seed pearls.

Her half-hat of matching lace, reembroidered with seed pearls, held her two-tiered veil of illusion. Her only jewelry was a diamond and pearl drop necklace, the gift of the bridegroom.

She carried a white Bible topped with a white orchid, white roses and pearls.

Wedding music was presented by Miss Carolyn Stoker, organist, and Miss Phyllis Sweatman, soloist.

Maid of honor was Miss Marilyn Horton of Tulsa, sister of the bridegroom. Bridesmaids were Mrs. Tom Knox, Mrs. Mike York of Dallas, Mrs. Keith Reed of Arlington, Mrs. Ronnie Burk of West, Miss Linda Gough and Miss Beverly Smith. They were identical waltz-length gowns of Copenhagen blue glazed crystalene over taffeta. Their flowers were cascade arrangements of Talisman roses.

Mack Bryant, brother of the bride, was best man.

Groomsmen were Dru Vowell of Colorado City, Ross Walker and James Marks of Dallas, Jim Shelley of Austin, Roy Freeman and Buck Jordan.

Mrs. Bryant chose a gown of blue lace over taffeta for her daughter's wedding. Her hat was in the same shade and her other accessories were in navy blue. An orchid corsage completed her costume.

Mrs. Horton, the bride groom's mother, wore a gown of mauve silk faille, with which she wore a feather hat in the matching shade. Her accessories were in black, and her corsage, too was an orchid.

Following the ceremony, a wedding reception in the banquet hall of the church, honored the couple. An epergne arrangement of white chrysanthemums and white roses centered the bride's table that was covered with a white marquisette cloth over blue satin. Garlands of smilax were used in draped effect.

For her going-away costume, the bride was attired in a royal blue under black tweed suit with royal blue and black accessories and a white orchid.

A graduate of Waxahachie High School, the bride attended North Texas State College in Denton, where she pledged Chi Omega sorority.

The bridegroom was graduated from Hobbs, N. M., High School and received a bachelor of business administration degree from NTSC. He is a member of Sigma Nu fraternity.

Mr. and Mrs. Horton were hosts for a rehearsal dinner honoring their son and his fiancee Thursday evening, Nov. 27, at Waxahachie. Places for the 24 members of the wedding party and their guests were marked at a table centered with a bouquet of white chrysanthemums.

able—not less than 80 per cent of parity in 1959; by complying with the Choice (B) allotment, a grower will be eligible for price support at a level 15 per cent of parity lower than under the Choice (A) program.

If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, only 'regular' — Choice (A) — allotments will be in effect, and price supports to eligible growers (those who comply with their 'regular' allotments) will be available at 50 percent of parity.

In either case, acreage allotments of some kind will continue in effect for the 1959 cotton crop as a means of determining eligibility for the available price support.

TO ANDREWS, BIG SPRING

# Wolves Lose in Andrews Tourney

Andrews and Big Spring basketball teams took the measure of Colorado High Wolf cagers Thursday and Friday in the Andrews Tournament.

Host Andrews slipped by the C-City crew 52-39 in the first round of play Thursday evening.

Playing Big Spring in the first round of consolation play, the Wolves lost a 97-51 decision as the Steers tried desperately to reach the 100 mark.

Andrews led all the way in its game with the Wolves, holding a 16-7 margin at first quarter, but the Wolves' second unit put on a small rally in the second quarter to pull C-City within five points of the Mustangs at halftime, 22-17.

Andrews leaped way out in front in the third with a 39-22 lead.

Joe Terrin led Andrews with 15 points while Dwain Thomason paced the Wolves with 9.

Others scoring for the Wolves were Truman Stinson, 2; Bill Davis, 3; Buddy Compton, 1; Ray Weaver, 4; Jerry Haley, 6; Joe Merritt, 9; Jerry Treadwell, 4 and Kerry Kendrick, 4.

In a wild, free-fouling game the Big Spring Steers used their first unit all the way in an effort to score 100 points against the weaker Wolves.

Wolves' Treadwell, Merritt, Stinson and Bobby Caffey were fouled out of the game while Kendrick was ejected from the contest.

Big Spring, with a 72-29 win over the Wolves already on their record this season, led only 12-6 at the first quarter round in the Friday night game in Andrews.

They increased the lead to 38-21 at halftime.

In the third quarter, Big Spring really poured through the points through the hoop, chalking up 36 to the Wolves' 20 for a 74-41 lead.

Merritt led C-City with 12 points despite going to the showers with five personal fouls in the third period.

Others scoring were Haley, 10; Stinson and Treadwell, 4 each; Weaver, 8; Kendrick 7; Caffey, Compton, Thomason, 2 each.

Thompson was high-scorer for Big Spring with 26.

Seminole and Odessa were to battle Saturday night for the tourney crown.
